FORMER RESIDENT REPORTED KILLED IN BATTLE

But Diligent Inquiry on Part of Standard Representative Fails To Verify Rumor

Rumors have been rife about town for the past week or so that A. A. Schaarschmidt, who formerly conducted the Westfield Bakery on Broad street, and who with his family went to Germany on the 11th of June, had been drafted for the German army and had been killed in battle. Several newspapers of nearby cities have printed these rumors as facts. The German Journal of New York, published a long article yesterday stating these rumors as facts and added that Mr. Schaarschmidt's widow had appealed to Congressman Tuttle, representative from this district, to aid her in returning to this country. Diligent inquiry about town by a Standard representative failed to verify any of these rumors. One of the banks in town, which has charge of Mr. Schaarschmidt's financial affairs, stated that they had not heard from Mr. Schaarschmidt for some time and were able neither to confirm nor deny the reports. Yesterday the Standard sent a wire to Congressman Tuttle asking him to verify the report that he had been appealed to by the widow for aid. A reply came to the Standard from Mr. Tuttle last night stating that no such appeal had been received by him and there was no record of any word having been received at Washington from either Mr. Schaarschmidt or his wife. Mr. Tuttle stated, however, that he had started an inquiry regarding the whereabouts of Mr. Schaarschmidt, who it is claimed is an American citizen, and would advise The Standard later as the results of this inquiry. It might be said to Mr. Schaarschmidt's many friends in town that the fact that he has not been heard from in many weeks should not be alarming as there are many others in the same situation and at the present time it is with extreme difficulty that letters and messages are transmitted from Germany to this country.

FIRESIDE'S ORATOR ON THE JOB.

Orator Westorberg is on the job. Next meeting night—Thursday, the 24th will be full of interest to the members according to the program he has arranged. He proposes among other things to pull off a ball game between the married and single men, also to play golf indoors. How he will do it is for the members to find out. Judges of the games are Past Regents Phillips and Perry, Doc Butler and Charlie (oh my feet) Sorter. The prizes are on exhibition in Charlie Clark's window. If you can guess what they are you are a wizard. A delegation headed by Regent Carr visited Cranford Council Tuesday evening and had a good time. Encourage your new orator and turn out strong next meeting night.

JAPANESE GIRL BECOMES BRIDE

Miss Tuno Amano Married Yesterday at the Home of Her Parents on Westfield Avenue to Shin Inouye of New York

The wedding of Miss Tuno Amano, daughter of Mr. and Mrs. Shigetsu Amano, and Shin Inouye of New York, took place at the home of the bride's parents, 625 Westfield avenue yesterday afternoon at 5:30. The ceremony was performed by Rev. Dr. W. I. Steans of the Presbyterian church in the presence of a few of the intimate friends and relatives of the bride and groom. Miss Irene Cooper, who was a classmate of Miss Amano in the Westfield high school last year, was the bridesmaid and Mrs. S. Ohki was the matron of honor. S. Tajima of New York was the best man. The bride was attired in a white satin dress and wore a veil caught up with orange blossoms. She carried a bouquet of white roses and lilies of the valley. The bridesmaid was dressed in yellow tulle with lace trimmings and carried a bouquet of pink roses. The matron of honor wore a pale blue crepe de chine gown trimmed with shadow lace and carried a bouquet of pink roses. The house was prettily decorated with palms, ferns and flowers, the color scheme being pink and white. The decorations were made by Doerner. The wedding music was furnished by Dushanek's orchestra. The ceremony was performed in the parlor of the Amano home and this room was a veritable flower garden, a curtain of smilax concealing the contracting parties from view. After the wedding a reception was held at seven o'clock, at which there were about sixty invited guests present and a wedding supper was served by Day of Newark. Later in the evening Mr. and Mrs. Inouye left for a wedding trip and upon their return they will make their home in New York, where Mr. Inouye is the secretary of the Mitsui Company, which is one of the largest firms in Japan. The bride has a host of friends in this town, she having been a member of the graduating class of the Westfield high school last year.

MEN'S BROTHERHOOD HOLDS FIRST MEETING

The Men's Brotherhood of the First Methodist church held its first meeting of the season in the chapel of the old church building on Monday night. There were fifty members present and a very enjoyable evening was passed. The meeting was in the nature of a get-together one and plans were discussed for the work of the coming season. The resignation of J. B. Hicks, as president of the Brotherhood was received and accepted and W. A. Bishop was elected to the office in his place. Albert Bishop was elected secretary. One of the features of the evening was the presentation of a small gift to the new president by members of the Brotherhood. The presentation was made by Pastor Ream and was accepted by Mr. Bishop in his usual gracious manner. While Mr. Bishop was surprised at receiving the gift he was more so when he opened the box which contained the gift and commenced to take the paper out. He thought he had reached the gift when he found a Christmas card but such was not the case. When he at last reached the gift which was at the bottom of the box and took the paper from around it, what do you suppose he found? A pair of very loud green socks. The laugh was on Mr. Bishop but he was equal to the occasion. After the business session the members of the Brotherhood enjoyed a social hour with hot corn, coffee and sandwiches.

Refreshments were served before the little ones departed for their homes.

BOYS LEAGUE HAS ENJOYABLE HIKE

Thirty-five members of the Boys League of the First Methodist church, under the leadership of H. R. Welch, enjoyed a hike to the Fair Acres Farm on East Broad street yesterday afternoon. Upon arriving at the farm they were met by Mr. Patrick who is the occupant and were shown everything worth seeing on the property. Mr. Patrick who was for many years deeply interested in boys showed the corn cutting machines and how the corn was cut; the whole dairy plant on the farm was visited and Mr. Patrick explained the whole system to the boys. The boys after they had seen everything on the farm went to the grape arbors and ate their fill of grapes. After this they visited the Fair Acres track where they enjoyed some races, after which they started on the return hike home, arriving here about 6:15 all being of the one opinion, that they had a jolly good afternoon. The following week they will take a hike to the poultry farm of Percy A. Cook on the Springfield road.

GYPSIES COMING TO WESTFIELD

Complete Encampment Will Visit Us October, 3rd. Will Camp Under Oaks of Carlton Road Between Ross Place and Park Street

Word has reached Mayor Evans and Chief of Police O'Neill that a band of famous Gypsies are to pass through parts of Westfield, Saturday, October 3rd, about 1 o'clock in the afternoon, and that a camp is to be made for the evening under the oaks of Carlton Road between Ross Place and Park Street. The citizens of Westfield will have a splendid opportunity to study Gypsy life at first hand and see how the evening meal is cooked over a real camp fire. A complete 'house on wheels' will be one of the most interesting objects and in this house lived the King of the Gypsies during trips of some 2,500 miles. These particular gypsies are quite well known in this particular region, having been here many times before. The King is none other than Alfred E. Pearsall, known by a host of friends as Uncle Alfred. He will be in the oak grove all the evening and will sing his famous song "Gypsy John". Three fortune tellers whose names are held in secret, will reveal the future of all who dare enter their weird huts. From steaming pots, swinging from poles over a roaring log fire will be served 'hot dogs' and hot chowder to all who care to enter the camp for supper. Coffee and crullers will be there in abundance. Peanuts, candy and everything that goes to make up a successful gypsy camp will be obtainable. But above all else will be a splendid 'right-out-in-the-wilderness' Gypsy concert. The choruses, solos, recitations and imitations will all be Gypsy of the Gypsies sort. All will be in costume and visitors to the camp in costume will be especially welcomed. Wireless Wizard Appar has charged the electric decorations and all are warned to 'step high' to avoid a surprise. Mrs. S. D. French will be Director-stage-manager-composer and all at the concert. And rumor has it that it will be worth while. C. E. Pearsall is to be in charge of the 'fire'. Log fires that will warm anyone's heart are to blaze up all through the grove. But the program goes on indefinitely so what's the use trying to tell all that will go to make up a real flesh and blood Gypsy camp. Leaving the grove at 4 in the afternoon will be a troupe of Gypsy horsemen and horsewomen, while immediately following will be the King of the Gypsies' wagon-house. A Gypsy mountain goat and the Gypsy camp equipment will form a considerable portion of the parade, the route of which will be made public later. The whole project is under the direction of a group of members of the Methodist Ladies Aid Society, who are working to reduce the new church debt. The entire town of Westfield is invited to come between 6 and 11 in the evening, getting supper in the grove at the camp fires. S. D. French is the financial man of the enterprise and a host of well known people are hard at work on the details of what bids fair to be the most interesting affair ever given in Westfield. A fine orchestra is to render selections during the evening and a male quartet of renown will add greatly to the success of the occasion. The Standard man can vouch for the fact that enthusiasm runs high among the people back of the Gypsy Carnival and he for one will learn all the ins and outs of Gypsy camp life on the evening of October 3rd. The Methodist Auto Brigade is to establish stations at prominent points about town and convey to the grove at a nominal figure any who care to go in that way. The Mayor says it is to be 'dog and chowder for me'. Lawyer Bentley, of Stoneleigh Park, is advising all his friends to be a full fledged Gypsy for at least one evening.

UNION COUNCIL JOTTINGS.

Canfield, Louis Dugli and G. H. L. Morton.

ASPIRANTS FOR REPUBLICAN TICKET AT PRIMARIES

Brief Synopsis Concerning Those in Running For State and County Offices at Tuesday's Election

So much has appeared in print during the past few weeks regarding the various candidates for nomination at the Primaries on next Tuesday that for the convenience of voters, The Standard herewith gives a brief synopsis of the pre-primary standing of the various aspirants.

FOR MEMBER OF CONGRESS, 5TH DISTRICT:

The three aspirants for place on the Republican Ticket for Congress are all men of ability and character, any one of whom would ably represent the Fifth District at Washington.

MR. JOHN H. CAPSTICK, of Morris County, is a retired business man, having conducted a large manufacturing industry at Montville. Mr. Capstick comes with the hearty endorsement of Morris County Republicans, and makes a special plea for the vote of the Fifth District, as a business man who is willing and able to give his time to the office if nominated and elected. Mr. Capstick counts many Union County people among his circle of old friends, as he has served as Chairman of the State Board of Health for many years.

MR. CHARLES N. FOWLER, of Elizabeth, has again placed his name before the voters of the Fifth District for nomination. Up to four years ago, Mr. Fowler had served the people of the Fifth District at Washington for eight terms. He is a business man of wide experience, and has served in prominent capacity upon the Banking and Currency Committee of the House. Mr. Fowler is widely known throughout the County and State, and is a student of finance.

REV. WILLIAM T. STUCHELL, of Rahway, has placed his name before the voters of the Fifth District for a place upon the ticket. Mr. Stuchell was Pastor of the First Presbyterian Church in Rahway for a great many years, and has lectured and traveled extensively for the last two or three years. The people of Mr. Stuchell's home town have given him a very hearty endorsement, and his campaign has reached every section of the district.

MR. CARLTON B. PIERCE, of Cranford, is well and favorably known throughout the county, having served Union County for four years in the Upper House at Trenton. He was the author of the Grade Crossing and Bank tax bills. Mr. Pierce's work at Trenton has attracted wide attention throughout New Jersey. His nomination and election seem assured beyond a doubt.

There are five candidates for the nomination to the Assembly:

WILLIAM E. CLUM, of Elizabeth, is an architect, and prominent in Jr. O. U. A. M. circles.

CHARLES L. MORGAN, of Elizabeth, is a lawyer, and is well known in Elizabeth as an active worker among the younger element of the Republican party.

ARTHUR N. PIERSON, of Westfield, is one of the two county candidates, and his record and qualifications need no explanation to the readers of The Standard.

JUDGE WILLIAM N. RUNYON, of Plainfield, a member of the New Jersey Bar Association, was a candidate in opposition to our present Congressman in 1912, and is probably the best known of the Assembly candidates. Mr. Runyon's fitness for the place on the Assembly ticket is conceded by everyone.

ARTHUR F. WARNER, of Elizabeth, is a newspaper man and has been quite prominent in Christian Endeavor circles. Mr. Warner is making an active campaign and his friends claim that he will surely have a place on the ticket.

As there are three Assemblymen to be nominated, there seems to be considerable rivalry between the three Elizabeth candidates for a place on the ticket, as it is conceded by all that the Assembly ticket should be well distributed. The logical candidates are Mr. Runyon, of Plainfield, and Mr. Pierson, from Westfield, and a choice of one of the three Elizabeth candidates.

The County Republican Ticket Candidates.

SUPERINTENDENT HOWELL PRESENTS REPORT

At the meeting of the Park Commission held in the town hall, on Monday night, superintendent of trees B. C. Howell, presented a report of the work that he has already done among the trees in town. The report showed that Mr. Howell has cared for 800 trees, by trimming and cementing, and that the sum of \$200 would be required to finish the work already started and that many trees needed additional treatment. The report stated that eight one-horse loads of wood had been moved and placed in storage and fifty-one loads of brush carted away and burned.

The commission decided to have the remainder of the work done and will ask the town council for 300 to do the work, as there are a few bills for cement and paint which must be paid. The work reported on by Mr. Howell was to have cost about \$375, according to the original plans of the commission. Another meeting of the commission will be held tonight at which Mr. Howell will be present and go over the work with the commission.

After the report of Mr. Howell had been read the members were of the opinion that he had done good work among the trees and that they looked considerably better. Commissioner Halsted called the attention of the commission to the fact that the wires and cables of the Telephone Company and Public Service Corporation were eating into the trees and that the property and street lighting committee of the council should look into the matter and see if it could not be stopped.

Mr. Howell stated in his report that operations on the trees had been confined chiefly to the block bounded on the south by the railroad; on the east by Broad street; on the north by Chestnut street and on the west by Dudley avenue.

On Dudley avenue 180 trees received first treatment; sixty-one received second treatment which consisted of the removal of dead wood from openings, and sixty-four openings cemented, two large and two small trees that were dead were removed completely, five medium sized trees topped and eight young trees cultivated and fertilized.

On North avenue fifty-one trees received first treatment; on Charles street twenty-six trees received first treatment; on Clark street forty-one trees received first treatment and poison ivy removed from six; on Ferris place twenty-five trees received first treatment and two second treatment and cementing; on Prospect street, fifty-three trees received first treatment, forty-nine second treatment and fifty-six openings cemented, two forked splits cleaned, cemented and bolted and four large trees topped; on Walnut street fourteen trees received first treatment, one topped and seventeen small ones fertilized; on Kimball avenue thirty trees received first treatment; on Orchard street twenty trees received first treatment; on Elm street forty-four trees received first treatment, seventeen second treatment, and twenty-three openings cemented and three trees topped and sprayed for bag worm; on Broad street one hundred and twenty-one trees received first treatment, nine were sprayed for bag worm; on Broad street one hundred and twenty-one trees received first treatment, nine were sprayed for bag worm, one cleaned and cemented, sixteen small ones fertilized and one large dead tree removed entirely; on park lake, one large willow tree removed and two topped; on Elmer street twenty-one trees received first treatment; on South avenue eighty trees received first treatment, two were topped and one dead tree removed.

All wounds were painted, some of them with two coats. In cementing fifteen bags of Portland cement were used, a corresponding amount of sand at two to one with necessary brick spawls and broken stone. All sound tree wounds over three inches in diameter should be repainted every three years until they are covered with new growth of the healing process; neglect of this was responsible for nine-tenths of the cavities cemented.

The amount expended by Mr. Howell for the care of the trees in this place so far has been \$329.28 and he estimated that the amount necessary to complete the work blocked out would cost approximately \$200 more.

The wedding of Harry J. Miller of this town and Miss Rita May Titus, daughter of Mr. and Mrs. James H. Titus, formerly of this town but now of California, took place at the home of the bride's uncle, Dr. W. H. Gould at Renova, Pa., on Tuesday night.

After a wedding supper Mr. and Mrs. Miller left Renova for an automobile trip through Pennsylvania and upon their return will reside at 121 Central avenue.

The wedding took place at the home of the bride's parents at Oak Ridge, N. J., on Tuesday night. Mr. and Mrs. LaRoe will be home to their friends after October 15, at 1855 Newton street, Washington, D. C.

Electric Manufacturing Company, was given for the benefit of officials of the Public Service Railway Company at Centre street and South avenue Friday afternoon. CHARLES L. MORGAN

ASSEMBLY CANDIDATE

Charles L. Morgan, who is seeking the nomination as a member of the General Assembly on the Republican ticket, was born in Elizabeth, thirty-five years ago. He attended the public schools of that city, graduating from the Baitin High School, read law with ex-Governor Foster M. Voorhees, and graduated from the New York Law School. In June 1905, he was admitted to practice in this State as an attorney, and was licensed as a Counsellor-at-law by the Supreme Court in June 1909, having successfully passed all the examinations.

He was associated for a time with George Schmidt, Jr., a practicing lawyer of Elizabeth, and in March 1908 entered into partnership with Judge C. Addison Swift, under the firm name of Swift and Morgan. The partnership was dissolved only because Mr. Swift's term as Prosecutor of Union County came to a close.

He is a member of the Tyrian Lodge, F. & A. M., the Loyal Order of Moose, the Liederkranz Singing Society and the El Mora Country Club. He is also counsel for the Home Building and Loan Association of Elizabeth.

He is very widely known. He has

CHARLES L. MORGAN.

never sought political office before and seeks this nomination simply to serve the State that has given him so many opportunities. He believes that if these opportunities can be passed around to those who live with him, who come after him, and he may live a life of service to his fellow men, he will have accomplished something worth while. He has no ambition for political power for his own ends, and promises to give unselfish service to all the citizens of the County and State in the event of his election. He believes that the young men should take an interest in politics and governmental affairs and shoulder a part of the responsibilities that are necessary to maintain a representative government. He has always been loyal to the Republican Party, believing it to be the real party of progress both in the State and Nation.

Mr. Morgan has no fads or fancies but believes that we have passed through an age of hysteria and that it is time for sane and sane legislation.

SUNDAY SCHOOL HAS FESTIVAL OF GAMES

The annual festival of games for the benefit of the members of St. Paul's Sunday school was held on the lawn surrounding the church and parish house on Saturday afternoon and was participated in by a large number of the scholars of the school. There were events of all kinds and they were run in three classes and the one who received the highest number of points in each class was

Grips Your Heart!

If you've got a drop of red blood in your veins—if your heart beats one bit faster to the tune of romance—adventure—love and mystery—then you've something in store so far ahead of anything you've ever read or seen that you'll forget the best among the rest.

The Story

We cinched the exclusive publication rights to Louis Joseph Vance's new sensation, *The Trey O' Hearts*—we did it at a price that staggered other publishers—biggest sum ever paid for a serial of its kind.

The Pictures

The Universal Film Manufacturing Co. pronounced *The Trey O' Hearts* the best action story for film purposes they had seen in three years. They backed up their judgment by putting the punch and \$200,000 cash into a set of pictures that are more than remarkable—they're simply extraordinary.

Won't Cost You One Red Penny

You read a paper regularly. Read ours and get all the soul-stirring, heart-gripping installments of *The Trey O' Hearts*—it sets a mile mark in literature and it won't cost you a penny more to read it.

Overshadowed

"The Fortune Hunter"—"The Black Bag"—"The Brass Bowl"—Louis Joseph Vance wrote 'em all. You know what millions thought of these stories. You know how they gripped—thrilled and inspired. But *The Trey O' Hearts* overshadows them all. Vance has set himself a mark in this story he'll never beat and we doubt if even he, master of the written word, will ever pen another like it. Action—plot and telling, all combine to push *The Trey O' Hearts* into the top notch of the best sellers in record time.

Mental Back Somersaults

No matter how clever, you can't fathom the plot of *The Trey O' Hearts* one inch ahead of the words you're reading or the scene you're viewing. It keeps you turning mental back somersaults all the way whether you're reading the story or seeing the pictures.

Superhuman Imagination

The imagination of this man Vance is superhuman—surprise is too mild a word to describe situations *The Trey O' Hearts* is filled with to overflowing. And the end of every installment, written or pictured, is a startling climax that leaves you tense in every nerve, waiting and watching for the next one.

To the Republican Voters of Union County:

In directing your attention to my candidacy for Republican nomination for Sheriff, I will mention briefly some facts about myself. I was born in 1862 and my time has been devoted chiefly to private business. I am an Exempt Fireman of the city of Elizabeth and a member of several fraternal organizations. I have always been a regular Republican. My political undertakings consist of service in the State Legislature of 1912 as Assemblyman, and election later to the small Board of Freeholders of Union County. It is no breach of modesty to state that I was the only Republican elected to that Board, and that my vote exceeded that of the next nearest Republican by more than 600. Permit me to express my thanks for any recognition you may give me, and to state if my efforts meet with the attainment of this honor, the duties of the office shall receive my faithful attention.

Very truly yours,

G. C. OTTO.

In the peanut hunt Mildred Fred-

ericks was the winner in the first class; Phyllis Watts, in the second; Catherine Dauch in the third class, and Catherine Spalckhauser in the fourth class.

Nightingale in Captivity.

It is said that few birds lend themselves to captivity so readily as the nightingale. To be sure, they should be confined in an aviary or a large outdoor cage. The story is told of one nightingale which never sang again after it went from its old owner to a new one.

Fall Showing---Correct Corsetry

C/B
Ala Spirite
Corsets

C/B
Ala Spirite
Corsets

THE Season's showing of C/B Ala Spirite Corsets comprises all that is correct in corsetry. Designs are the last word. Materials and trimmings are rich and dainty. Workmanship is flawless. Fitting is perfection.

C/B Ala Spirite Corsets represent an infinite number of designs, some reflecting the latest and most ultra features of fashion, others more conservative in their style. There are models showing the modish soft materials and flexible boning, these for slender and medium figures, affecting the fashionable silhouette of the free, drooping figure. There are models showing heavier materials and boning, provided for average and medium figures, requiring more substantial support. There are models showing very heavy materials and boning for stout figures, many of these having special features for confining and reducing. There are the very modish extremely low bust and extremely long hip types. There are the medium bust and medium hip. There are even a few high bust and short hip. In a word, whatever is demanded, in figure or fashion, is reflected in C/B Ala Spirite Corsets.

It is with pleasure we present the Season's models for your careful consideration.

Woman Suffrage

Pro and Con

ANTI-SUFFRAGE NOTES.

New Zealand, Australia and Colorado are all "suffrage paradises," but a writer in the "Survey" calls attention to the fact that New Zealand finds it impossible to attract immigration, that the population of Australia has not increased one per cent in ten years, and that Colorado is the only state in the union without a Republican form of government, order being maintained by United States troops.

Woman Suffrage in Australia.

In view of the constant claims made by suffragists as to the wonderful success of woman suffrage in Australia, the following testimony is of especial interest. It was given at a meeting in London by Mrs. Vickery, a prominent worker in the cause of social reform in New South Wales, who had come to Europe to attend the International Congress of Women. Mrs. Vickery said:

I am not against woman suffrage in principle, but I wish to tell you how little it has done in New South Wales. My experience there is that the educated women as a whole think very little about the vote, and ignore their responsibilities in connection with it. In spite of all the efforts that are made to arouse women's interest in politics, the greater portion of the female clerks and professional girls will not take the trouble to go to the poll. In cases when a holiday has been given them on polling days in order to induce them to register their vote, less than a quarter of those who were thus enabled to vote cited to go to the poll, the others all going off on excursions. Not once since women got the vote have they combined for the furtherance of legislation for women and children. Woman suffrage has simply forwarded the most socialist form of legislation. Socialism is the only gainer.

It is quite astounding to us Australians to hear and see the women who are put up here to talk about the result of woman suffrage in Australia. Not one of them really knows anything about social work; they have never done any. They like to talk and stump the country and boast about women; they never take the trouble really to do anything for social reform. I hear women say that the possession of the vote would make women act up to their responsibilities. I say that has not happened in Australia; they ignore their duties. Then I hear that woman suffrage will purify politics. That is not my experience. Women will not bother themselves about it at all. At the last election in which I took part the register rolls were falsified, and names forged, and not a woman raised her voice in protest. I have known an official elected who had been in jail for false witness, and he got his post through the women's votes. I have worked for temperance and social reform for years

and years, but have not received any more help from women since they voted than before. I hear suffragists say that women's vote put an end to sweating and helped the moral question. It is not true. We never had and never could have sweating as you know it here, but such under-payment as existed was put an end to through the private voluntary exertions of Miss Rose Scott—it had nothing whatever to do with women's votes. The age of consent was raised, and how? By many of us going on deputations to the officials, and they told us we must get up petitions, and we got them; we slaved ourselves to get signatures, and when we had got enough we sent them in, agitated, and made the officials see that the public were on our side, and they raised the age. They were not against us, they only wanted the public to express themselves. No vote helped us; it was all private work.

I have come back to England after some years, and now I ask women, what are you doing for temperance or social reform, or whatever they say their interest is? And they all say, "Oh, we are working for the suffrage." If they only knew what I know, and had experienced what I have experienced they would know what a sham it all is. They are leaving the real work for an empty cry. Women's votes don't bring about reforms; it is women's endeavors and hard struggles against evils. Government listens to women far more when they have not got the vote, because it knows there is no party to think about. Women do not do away with the excesses of party; their votes make it worse.

The suffragists of the country, having melted up their wedding rings, the worn thimbles left them by their mothers, the silver cups used by their babies, must feel their luggage considerably lightened for their march toward emancipation. Bernard Shaw, the great feminist and suffragist, says: "Unless woman repudiates her womanliness, her duty to her husband, to her children, to society, to the law and to every one but herself, she cannot emancipate herself."

The New York Evening Telegram prints a dispatch from New Orleans which says: Headed by Misses Jean and Kate Gordon, leaders in the fight for woman suffrage in Louisiana, the Era Club, the largest woman's club in the south, has refused to send a letter of sympathy to President Wilson on the death of his wife. This action was based, according to a statement made by Miss Kate Gordon, on the fact that "Mrs. Wilson was opposed to woman suffrage and influenced the president in his stand against the petition of women for equal rights."

The Era Club derived its name from the initials of Equal Rights Association.

Holy Name Society
Holds Meeting.

The Holy Name Society of Holy Trinity church held a meeting in Columbus hall on Prospect street, Monday night, and discussed in a general way matters pertaining to the rally to be held in this place on October 11. Nothing definite was arranged but will be settled at another meeting to be held in a few weeks.

There were twenty-eight members of the society present and Rev. H. J. Watterson and President of the Society Matthias Miller presided.

DORCAS SOCIETY MEETS.

The Dorcas Society of the Presbyterian church held its second meeting in the parish house Wednesday afternoon. The meeting was very interesting and much business was transacted. It was decided to have a pure food luncheon on the afternoon of Tuesday, October 6, at one o'clock and to hold a social on the lawn of the property of the president, Mrs. Emma Johnson, of Lenox avenue, some time this month.

SMALL FIRE IN
WM. PERRINE'S HOUSE.

The fire department was called out last Friday night to a fire in the house occupied by William Perrine on upper Prospect street. The firemen responded promptly and when they got to the blaze found it had gained considerable headway. The house set in the woods back from the street and was a small one, only having two rooms.

The firemen soon had a stream on the fire and it was not long before they had it under control. The interior of the house was badly burned and the loss amounted to about \$200. The main trolley cars were held up for some time on account of the hose being laid across the track.

WORK OLD TRICK
ON BROAD ST. BAKER.

As a result of two men going into the American Bakery on Broad street on Saturday night and purchasing fifteen cents worth of cake and tendering a \$20 bill to Mrs. Clara Brown, the clerk, the bakery is minus the \$20 and also \$10 extra. The men came into the bakery when the clerks were busy and after asking Mrs. Brown for cake, asked her if she could change \$20. She replied that she guessed so and proceeded to do so. After she had changed the \$20, one of the men asked her to change a \$10 bill and this she did also with the help of Mr. Ludwig, the proprietor, who contributed \$5 of the money.

The men after getting the change for the \$10 asked Mrs. Brown for the change for the \$20 and Mrs. Brown, who was anxious to wait on other customers, did it without hesitation and the two men walked out. Mrs. Brown did not miss the money until she went to count up, when she found that she was minus the \$20 and the \$10 also. She at once notified Mr. Ludwig and the police and they are now looking for the two men who got away with the thirty dollars. Mrs. Brown was much upset over the affair and said that she would know the two men again if she saw them and that it would be a long day before she changes a \$20 bill again for a customer.

The Tax Rate.

The tax rate has at last been fixed at \$1.08, the same as last year, divided as follows:

34 points for the County
26 points for the State School
60 points for the Local School
78 points for the Town Expenses
(Both the County and State School Tax are the same as last year.)

The local school is seven points higher than last year, whereas the town budget is 7 points lower.

In following back our tax budgets for the past several years, there is found a steady increase in the proportion of the total tax claimed by our schools. While, of course, this is the most necessary and satisfactory expenditure the taxpayer makes, there is, nevertheless, a problem in the growing proportion of our school tax to the rest of the budget that should make us give this matter most careful consideration. In the past, we have charged the tax rate up to the town fathers, and have held them responsible to a greater or less degree for any increase in the rate, but in carefully analyzing the tax rate and budget exhibit, to be found on another page, it is clearly seen that 60 points in the rate are for County and State tax, over which we have no control, and a like amount for the school district, which is entirely in the hands of the people, leaving only the 78 points, which the Council is responsible for. This is divided into a large number of necessary items of expense, and we feel that the Council is to be congratulated on their ability to keep their portion of the tax budget down to 78 points. The tax rate is figured this year upon a valuation of \$9,860,489, an increase of \$395,000, represented almost entirely by new buildings.

On The Map.

In the September issue of THE AMERICAN CITY, the leading magazine in the field of Progressive municipal development, four pages have been devoted to a very flattering write up, with numerous illustrations, of our Town Exhibit, held last May. The Board of Trade and the Committees who worked so hard to make our Exhibit a success, as well as the citizens of Westfield, should feel flattered that the Exhibit of our Town should be recognized by a magazine of such prominence, and it speaks well for the future of Westfield that her strides in progress should attract so wide attention.

Such publicity will do more to put Westfield on the map than all the paid advertising that we could possibly hope to procure.

Making good with a well ordered town is after all the best and most wholesome way to keep Westfield in the eyes of our neighbors, where we know she is. Even the model showing the possibilities of development of our park received a compliment by the editors of the American City.

They know how much a park adds to the attractiveness and value of a town as a home centre.

Westfield's Candidates.

As the primary campaign is drawing to a close, we feel that it is but fair to say a few words upon the Westfield candidates who appear on the Republican and Democratic tickets. Both men have been president of the Westfield Board of Trade and are prominent in public affairs of our

town.

Mr. William E. Tuttle, Jr., who is a candidate for renomination for Congress, upon the Democratic ticket, would seem to have things his own way, especially throughout the county, as his opponent has little to offer to the Democratic voters of the county as compared with Mr. Tuttle. Certainly, we bespeak for Mr. Tuttle the hearty support of every Democrat in Westfield, and can hardly see how he can fail in the renomination by a large majority.

Mr. Arthur N. Pierson, who is one of the five Republican candidates for the Assembly needs no introduction to Westfield people. In fact, we believe he is so well and favorably known throughout the county for his interest in public affairs that he will be one of the successful candidates for the Republican nomination.

We feel it is but fair to assure Mr. Pierson the hearty support of every Republican voter in Westfield.

Preserve Our Shade Trees.

We feel like adding our endorsement to the excellent work which the Shade Tree Commission has been doing in trimming and caring for our shade trees, and to endorse the added appropriation of \$300.00 asked by the Shade Tree Commission to complete its work. We appreciate that the unexpended balances in the town account are running very low, but the need for this work is so great that we cannot afford to allow anything to interfere or hinder the proper care of our shade trees.

We hope that the same earnest care in preserving our trees will carry over to the incoming administration, and may we never have a Council who are so short sighted as to neglect the shade trees of our town, even to the slightest degree.

The War Tax.

We are glad to note that the administration is turning to the stamp tax, and away from the tax on freight bills, which was at first proposed. The tax on freight would have placed the burden of the tax too heavily upon the consumer. The proposed 3 per cent tax, would, no doubt, have been carried through the middle man to the distributor, and by the time it reached the consumer would have been 7 or 8 per cent, and in some instances to per cent. Aside from the war crisis now prevailing upon some of the necessities, the cost of living has constantly increased, although our Democratic friends assured us that if we would only turn over the reigns of government to them their tariff scheme would reduce the cost of living and usher in prosperity, the like of which had not been known in our land for generations.

MISS KENNEDY A SEPTEMBER BRIDE

A pretty home wedding took place at the home of Mr. and Mrs. William J. Kennedy, 275 East Walnut street on Wednesday night, when their daughter, Miss Caroline Elizabeth Kennedy became the bride of A. Taylor Ewen. The ceremony was performed by Rev. Dr. S. L. Loomis, pastor of the Congregational church and was performed under a floral bower of ferns, palms, Clamatis and carnations in the parlor of the Kennedy home. It was a green-white wedding the house being artistically decorated with white flowers, ferns and clamatiss by Doerfer.

The maid of honor was Miss Louise Wood, of Chicago. The bridesmaids were Miss Josephine Anthony, of Burlington, N. J., and Miss Edith Jones of this town. The best man was Donald Taggart and the ushers J. Edward Atkins and William F. Kennedy, a brother of the bride.

The bride was given in marriage by her father. After the ceremony a reception was held and later Mr. and Mrs. Ewen left for a southern wedding trip of two weeks and upon their return will reside in this town. The wedding music was played by Wotton's orchestra of Roselle and the wedding supper was provided by Day, of Newark.

The groom's gift to the bride was a cluster diamond ring with a hoop sapphire in the centre. The bride's gift to the groom was a gold watch chain. The bride's gift to the maid of honor and bridesmaids were gold brooches set with pearls. The gift of the groom to the best man was gold cuff links and to the ushers cuff links and scarf pins.

At the wedding and reception there were seventy-five guests present from Chicago, Indianapolis, Burlington, Montclair, Plainfield, Fanwood, Brooklyn, and this town.

ASPIRANTS FOR REPUBLICAN TICKETS AT PRIMARIES

(Continued from Page 1.)

FOR REGISTER—FRANK H. SMITH, of Plainfield, is candidate for renomination. Mr. Smith has served as register acceptably and is considered so strong a candidate that no one has appeared to oppose him. His nomination and election seems assured.

FOR COUNTY CLERK—Mr. J. C. CALVERT, of Elizabeth, is running for renomination. Mr. Calvert has served as County Clerk for two terms and has probably the widest circle of friends and acquaintances of any candidate on the ticket. Mr. Calvert's friends feel very confident of his nomination.

WILLIAM H. WRIGHT, of Rahway, the present Sheriff, is also a candidate for the nomination of County Clerk. Mr. Wright's conduct of the office of Sheriff has won for him a host of friends and admirers, and the contest for County Clerk nomination will be a most spirited one.

SHERIFF—There are six candidates for the nomination of Sheriff.

MR. JOHN COSE, of Plainfield, is probably the youngest of the lot. Mr. Cose is a member of the Plainfield Common Council, is a prosperous business man and has the endorsement of many Plainfield Republicans.

RICHARD B. FORDHAM, of Rahway, is little known outside of his home city. He has been more or less active in the campaign and will probably be well supported by his home vote.

JOSEPH H. NEILL, of Elizabeth, was an aspirant three years ago for the sheriff's office. He was beaten by Mr. Wright but remained loyal to the party to work for Mr. Wright's reelection. Mr. Neill has for many years been engaged in business in Elizabeth and has a wide acquaintance. His friends will stand by him for the nomination.

GEORGE C. OTTO, of Elizabeth, has been engaged in business in that place for many years. He served two terms in the Assembly, and was one of the two successful Republican candidates on the small Board of Freeholders. Mr. Otto's friends claim that he will make a strong run and prove a most efficient, painstaking sheriff if nominated and elected.

MR. GEORGE STEWART, of Elizabeth, is a railroad man, and has served acceptably on the County Tax Board, and has been prominent in county politics for many years.

MR. SAMUEL P. T. WILBUR, of Plainfield, has represented Plainfield on the Board of Freeholders for many years. Mr. Wilbur has the endorsement of many Plainfield Republicans and has a wide circle of acquaintances throughout the county which his friends feel will insure him a large vote at the Primary.

All of the five aspirants for the nomination for sheriff are men of high character, and would serve the people and the office in a most acceptable manner. It is thought that a nomination on the Republican ticket for the sheriff's office means an election.

MR. AND MRS. SCHABLE GIVEN FAREWELL PARTY

Forty-five members of the Young Peoples Society of the Baptist church tendered a farewell surprise party to Mr. and Mrs. Albert Schable at their home on Cumberland street last night. Mr. and Mrs. Schable will move from this town to East Orange, the first of October and the members of the society who regret to lose them from the church arranged the party. Mr. and Mrs. Schable were completely surprised but welcomed their guests and a pleasant evening was enjoyed by all.

During the evening Thomas Clements on behalf of the society expressed the regret of the members to Mr. and Mrs. Schable on their leaving town and the church. Mr. Schable responded in a feeling manner. Games were played, musical selections rendered by Miss Grace Walker and recitations given by Miss Beatrice Hoffman. After refreshments had been served all present sang "God Be With You Until We Meet Again" and then departed for their homes.
