THANK YOU, MR. BOBAL, for all you have done for us, for your sincere interest in all our activities, for the humor and understanding you have shown toward teenagers, and for your genuine friendliness. You will always be remembered by us, the Class of 1956.

A native of New Jersey, Mr. Bobal, was born and reared in Perth Amboy, "the Garden Spot." He attended The Citadel, obtained his Master's degree from Rutgers, and is now working for his doctorate at Columbia University. During World War II he served as a navigator with the Air Force. Prior to his coming to WHS as a senior history teacher in 1952, Mr. Bobal taught in Neptune High School. Since 1953 he has advised our Student Council. Mr. Bobal is married and has two daughters: Patty Ann, age six, and Kathy, age two and one half.

Known in school for his illegible handwriting and his ejaculation of "hogwash," Mr. Bobal has developed his own theory of government called "Bobalism." His presentation of facts is entertaining, but at the same time makes his students aware of and interested in current problems. His unique method of employing volunteers and his way of doing anything "in a big fat ole' hurry" will also be long remembered by us.

FOREWORD

With a hope that this **Weather Vane** with its compilation of familiar faces and scenes, so firmly stamped upon our minds, may in part serve to intensify the memories of our senior high school days, and at the same time be a tangible record for the Class of Nineteen Fifty-Six, we present this book.

OUR TOWN and OUR SCHOOL

On an attractive plot directly off Mindowaskin Park, the Municipal Hall is of old Williamsburg style.

Our town, Westfield, New Jersey, is a reality to us today, but in the years to come it will be a memory to many of us as we find our jobs, our schooling, and our travels taking us to all parts of this country and the world.

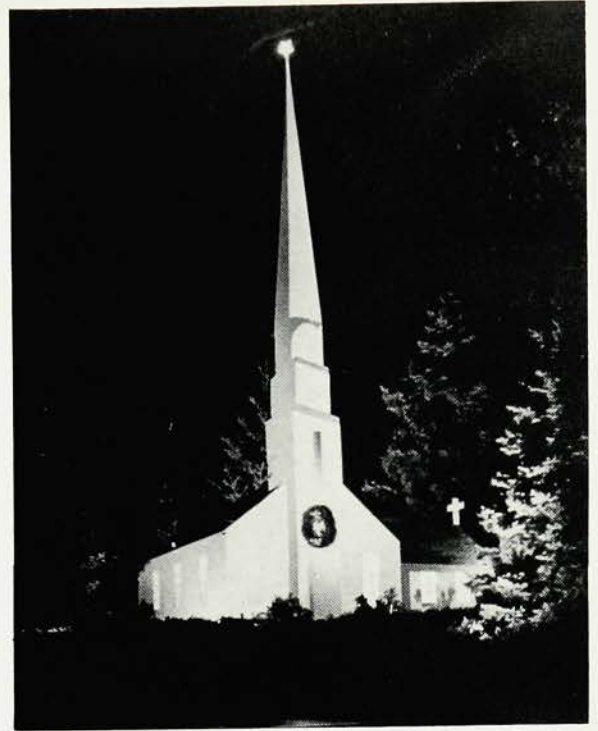

We shall remember Westfield for its beautiful trees, shrubs, and flowers, for Mindowaskin Park with ice skating in winter and foliage in summer, for Tamaques and Clark Memorial parks where many of our athletes have stretched their legs and arms, and for the beautiful lawns of the homes where dwell the suburbanites. We shall remember the "Y" where we have held many dances and gone to "Y's Up" nights, the Library where we spent "quiet" hours of study, and the after school rendezvous at the local "sweet shops."

We may even brag a bit about "Our Town" which was set apart as a township in 1794. The "West Fields" were settled by residents of Elizabeth Town who found life too crowded in that

settlement and chose to venture westward! Today they would find our traffic problems, population of over 20,000, supermarkets, and many dwellings incredible. They could hardly conceive of whole bus loads of young people whisking off to New York for a matinee or sightseeing trip. Yes, we are entitled to brag a bit—about the folks who live in Westfield, the advantages of proximity to large cities, our citizenship, our clubs, our churches, and our schools. By and large it is a pretty wonderful "little ole town."

During each Christmas season a model of a church is placed on the island in the center of Mindowaskin Lake. This flood-lighted scene has become a landmark in the town.

A view of the coveted senior door at the high school as seen from above shows the usual groups of seniors gathered about it to talk after school.

SENIOR CLASS

The Senior Year is the year that is waited for by each class. It means the Senior Door, the Senior Play, and the Senior Banquet. Being a senior means being able to speak with a voice of experience, and knowing the "ins" and "outs" of Westfield High School.

When you are a senior, you can look at the underclassmen with a mixture of feelings—superiority because you have reached the pinnacle of your high school

career—envy because no longer will another year find you a part of the life of Westfield High School.

Being a senior is supposedly a rather glamorous position; all the underclassmen are assumed to respect and revere you. Of course this Utopian state does not really exist, but you do not mind too much. Your year is a bustle of activity; you have scarcely finished having your senior pictures taken when someone is measuring you for a cap and gown.

ACTIVITIES

STUDENT COUNCIL

The Westfield High School Student Council derives its legislative power and its areas of concern entirely from the student body. It was not organized, however, to govern the students or to place judgment upon them. It is rather a coordination organization which takes into its agenda all activities of the school.

The Student Council works closely with the music, athletic, art, and drama organizations of the school. One of its duties is to provide necessary social opportunities and orientation for new students. The council is responsible for school spirit and student unity. It also provided an American Field Scholarship for a German student, Ulrich Sander, to study here this year.

First row, left to right: Mr. Bobal, adviser; Mr. H. Thompson, adviser; Regina Hollis, secretary; Roger Kaufman, treasurer; Richard Griggs, president; John Ray, vice-president. The National Honor Society is an honorary organization, consisting of students that have achieved a high standing in scholarship, service, leadership and character. Members must be in the junior or senior class, must be in the upper twenty percent of their class and must have obtained a passing grade on all examinations. No more than ten percent of the class may be chosen.

Each year in the spring, the society conducts an induction ceremony in assembly. It is at this time that new members are formally admitted. The following week, the society gives a reception for the faculty, new members, and parents.

The society, each year, awards cash prizes to the two seniors who have advanced their class standing the most during their three years in high school.

The Weather Vane staff, as in years past, found the job of preparing a yearbook a large undertaking. This year's staff began work in the late fall after three of the editors had attended a yearbook conference at Columbia University with their adviser, Miss Dolores Bordner. At the conference they obtained many new ideas and helpful hints.

After a general staff meeting, it was decided to make some changes in the presentation of the senior section and the feature section to include a pictorial review of the year. With the help of Bob Weller, our student photographer, and our regular photographer, Mr. Berkebile, the staff planned an extensive use of photographs.

Individual members of the staff have worked hard and spent long hours to prepare the '56 Weather Vane.

WEATHER VANE STAFF

WESTFIELD HI'S EYE

The **Hi's Eye** is Westfield High School's newspaper, whose staff has striven to produce weekly this year for the first time.

The **Hi's Eye's** purpose is to inform the students of the events and activities of the school year and to promote the spirit and interest in the school.

The staff consists of Journalism II and a few Journalism I students. Each year the Journalism I class puts out an issue for practice.

In the spring of every year a group of journalism students go to New York City to attend the three days of the Columbia Scholastic Press Association Conference at Columbia University. Here they receive valuable criticisms and new ideas, which they apply in the issues of the paper.

The annual issue of the *Weather Vane* magazine is at present prepared by an editorial board recommended by the members of the English Department from among those volunteering to serve. This method of staff selection insures better school participation in the project.

Although the aim of the group is two issues per year, this will not be possible until the year 1956-57. The attractive 1956 edition was published in June and contained material submitted by the students of the English department and members of the Writer's Club.

Open to any student who enjoys writing, the Writer's Club conducts informal meetings on regular club days. In the pleasant atmosphere of the apartment living room, the members read their contributions, which are constructively criticized. For the sake of variety, a number of meetings feature special activities. The February session, for example, concentrated upon contest possibilities and writing for money. At the June meeting a professional writer of short stories discussed this phase of writing and gave suggestions to the neophytes.

The council also meets socially once a month, visits other councils, and attends the Spring Convention of the state association.

FORUM CLUB

The Forum Club provides an opportunity for its members to exchange their views on many controversial subjects. The club usually has a debate on some social or political issue pertinent to the times, such as "Should hidden microphones in jury rooms, and wiretapping be legalized?"

Besides its regular meetings, the club participated in the Union County Forum and was a member of the New Jersey Forensic League, to which several club members were sent to compete in various fields, such as poetry reading, extemporaneous speaking, and debate.

Meetings are held once a month in the members' homes and usually consist of an informal discussion of literary works and authors, followed by a social hour.

JUNIOR LITERARY CLUB

The Junior Literary Club, under the guidance of Miss Gertrude Foutz, was organized with the object of stimulating interest in reading and in appreciation of literature. RADIO CLUB

Established in 1951, the Radio Club promotes interest in amateur radio and coaches its members on code and theory necessary to obtain an amateur radio license. The major project of the club is to establish a permanent station in the school. This station would be a valuable communicating link in the event of a local or national disaster.

The purpose of the Photography Club is to help interested students to take better pictures and to learn to process negatives and prints. This plan is implemented by lectures by representatives of leading film and camera companies. Students also learn by practical experience, utilizing the information gleaned at lectures. During the winter the club learned how to take good portraits, while in warmer weather the students will take outdoor shots.

At each club meeting a member brings in his collection to exhibit and explain to the club, and then the members examine the collection for themselves and give their personal opinion to the collector.

The primary purpose of the Technicians' Club is to train students in the operation and maintenance of the various motion picture projectors in school. The club members, however, also operate slide and film strip projectors, opaque projectors, record players, tape recorders, and various other machines for school functions.

Students who show an interest may learn stage lighting and in this connection work with the various dramatic and musical productions given during the year.

The club takes various day and overnight field trips to wild-life regions of New Jersey. At regular club meetings there are lectures by wild-life experts, or films such as Walt Disney's "Beaver Valley."

The Art Club was limited to thirty members this year because of the large number who have joined in previous years. This gave the club an opportunity to have more unusual and interesting programs. In addition to the regular Wednesday club period, meetings were held at the homes of the members to do drawing and painting. The club is under the guidance of Mr. Carl Burger.

CHOIR

The choir is the most advanced vocal group in the high school. In order to become a member, one must pass an audition testing ability to hold a part, sight read, and sing scales. This year the choir successfully presented its annual Christmas program in December. Immediately following vacation, work on the Spring Festival was begun. This year was the twenty-fifth year of the festival so that pieces from previous years were sung as a salute to the Silver Anniversary. Among the songs were "How Lovely Is Thy Dwelling Place," "Kde Su Krany," "Waters Ripple and Flow," and "Beyond the Blue Horizon."

The Choir members shake the creases out of their robes for the first performance of the annual Christmas Tableaux.

Most of the class periods are spent working on the songs to improve technique, pitch, tone quality, and general feeling for the music.

BOYS' GLEE CLUB

The Boys' Glee Club is made up of boys of all classes who are qualified to sing. It is from this group that the "Thirteen" is formed. The Glee Club performed at the annual Christmas assembly and at the Spring Festival and also entertained the Roosevelt Junior High School and some of the grade schools. The group was ably assisted by Mr. Gaston Gesner at the Christmas program in the beautiful "Cantique de Noel." Some of the other songs sung this year were "Dry Bones," "Shenandoah," and "The Soldier's Chorus" from Faust.

CHORUS I

The Girls' Chorus I, made up primarily of sophomores, sings at both an assembly program in the fall and the Spring Festival. Some of the songs they have presented throughout the year are "Holiday Song" and "The Lass With the Delicate Air." The group is an elementary training workshop in which the girls learn the basic techniques of group singing. After spending a year's study in this class, the girls are ready to progress to the advanced chorus.

Left to right: Helen Meinert, Joan Burbank, Peggy Smyers, Susan Dowell, Peggy Garber, Susan Schott, Carolyn Self, Bea Yordon, Nancy Gordon, Marilyn Pearce, Joyce Longley, Anne Brower, Zilpha Bentley, accompanist.

THE TWELVE

The Thirteen, composed of thirteen senior boys, performed at various functions of the community during the year. Some of these programs were given for the Westfield High School Parent Teachers' Association, the Women's Fellowship of the Baptist Church, and the Men's Fellowship of the Methodist Church. The boys also went with the Twelve to sing at the Molly Pitcher Hotel in Red Bank. Some songs in their repertoire were "Climbing up the Mountain," "Bali Boogie," "Get Happy," and "In My Arms."

The Twelve made their first appearance in the fall when they sang for "Back to School Night." Their other outside engagements included the Christmas Meeting of the D.A.R. and a meeting of the Friendship Club. In the spring, the Twelve and Thirteen sang together at Red Bank, New Jersey, for the Delta Kappa Gamma convention.

In the fall their outfits were matching skirts and sweaters of periwinkle blue. At the Spring Festival they appeared in pink taffeta dresses.

Their repertoire included "Love," "Younger Generation," "Falling in Love," "Hey There," "Carioca," and "Waitin' fer My Dearie."

MASK and MIME MEMBERSHIP

This year marks the thirtieth anniversary of the Mask and Mime Club. Organized in 1925 by Keith Martin, it first became an active organization in the school year 1925-1926 under the leadership of its first president, John Hovendon. To quote from the 1926 Weather Vane, "The chief ideal of the Mask and Mime is, of course, to develop the dramatic abilities of the students in the high school . . . The play's the Thing!" In its first active year the club presented a group of three one-act plays: a fantasy, "Three Pills in a Bottle;" a tragedy, "The Valiant;" and a comedy, "Evening Dress Indispensable."

CHRISTMAS TABLEAU

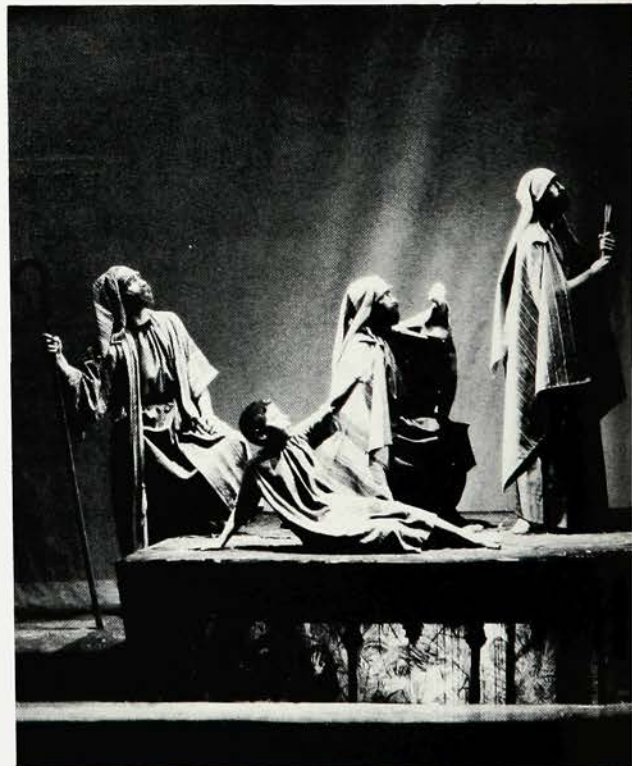

"Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people."
(St. Luke 2:10)

"Blessed art thou among women . . ."
(Luke 1:42)

" . . . and (they) fell down, and worshipped him: . . ."
(Matthew 2:11)

BEHIND THE SCENES

Miss Brinser gives the cast a pep talk just before the fall play, "Mother Was a Freshman."

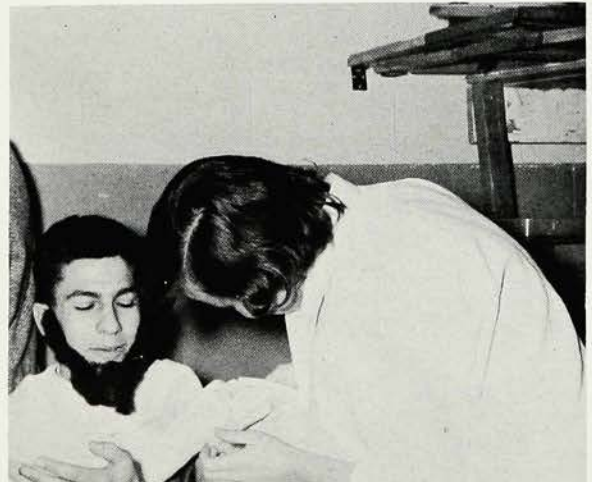

The posing committee for the tableaux arranges the Madonna before the curtain opens.

Nancy Byam struggles to put a convincing beard on Rich Ventimiglia.

Miss Brinser gives the narrator for the tableaux, Fred Davies, a few pointers on emphasis and enunciation.

THE SENIOR PLAY

"Here's your digitalis, Mrs. Holden."

The leading characters in the senior play, "Nine Pine Street," were Warren Pitt, played by Charles Reul, and Effie Holden, played by Gail Kuzsma.

Ruth Dahlstrom played the part of Mrs. Powell, wife of a small town doctor and friend of the Holden family.

Betty Lou Capitella as Carrie Riggs, drops the bottle of medicine, an act which leads to the death of Mrs. Holden.

"... Lieutenant Middleton wants to talk to you."

"Miss Roberts, Miss Littlefield, allow me to present Mr. Martin Lodge."

THE FALL PLAY

CURTAIN CALL, left to right: Beverly Wollny, Stuart Wilcox, Carol DeChellis, Elizabeth Topham, Kenneth Tulloch, David Tenney, Janis Fay, Kenneth Florence, Sally Giggey, Marie Gilson, Jo-Ann Krestan, Clifford Robison, Mary Middleton, Richard Beck, Christine Phares.

The fall Mask and Mime play, "Mother Was a Freshman," dealt with the plight of a widow trying to finance her daughter's college career. Because of an unusual scholarship, the mother managed to obtain ample funds for her daughter's education if the mother also enrolled in the same college. Naturally complications arose, creating a hilarious farce.

"All I have in the world is thirty dollars and Susan and I need it to get home on."

"Like certain zoology professors?"

Left to right: Co-captain Ventimiglia, Coach Bradshaw, Co-captain Holschuh.

At first glance it may not seem as if we had a very successful football season. In the won and lost column our record was four wins and five losses. This was remarkable, for the team had to change to a new style of football under Coach Bradshaw. The highlight of the season was the terrific upset over Regional who had been undefeated until then. Captains Ted Holschuh and Rich Ventimiglia led the team in many spirited and hard-fought battles. Next year with one year of experience under his belt Coach Bradshaw should be able to mold the returning lettermen into a strong, solid team. We wish him luck although he doesn't need it; all his success comes from sweat and hard work.

BASKETBALL

Mac Quigley scores for Westfield.

The basketball team with only one returning letterman was hurt badly by last year's graduation which claimed the best team in the history of the school. But, in spite of the lack of height and experience, the "laymen" finished the season with a nine and nine record. Led by Ferdy Shoemaker, captain, and Mac Quigley, high scoring junior, the team played good ball but couldn't seem to win the close games, losing six by margins of one to five points. Westfield drew two tough teams in the county and state tournaments, St. Mary's and Cranford, respectively, and lost both games. Next year's team has the potential which with experience should make a winning team.

First row, left to right: Mr. Miller, J.V. coach; Spencer Thompson, Bob Staub, Ferdy Shoemaker, captain; Don Wright, Neil Paxson, John Lay, coach. Second row: Russ Stiles, trainer; Jody Freeman, Dave Craver, Mac Quigley, Roger Love, John Guthrie, Larry Kelly. Third row: Bill Flammer, manager; George Reasor, Joel Thompson, Jay Pierson, George Rochat, Bill Davidson, Pete Moffett, Mick Bowes, manager. Fourth row: Bob Jones, manager; Glen Gilchrist, Bill Kingsbury, Bob Allen, manager.

This year's baseball team, composed mostly of sophomores and juniors, has shown ability in fielding and batting although not as yet experienced. The biggest weakness of the team was its pitching. Coach Taylor is building for the future by training the sophomores and juniors through game experience. By next spring Coach Taylor, aided by JV Coach Bradshaw, hopes to have a fairly strong team.

SWIMMING

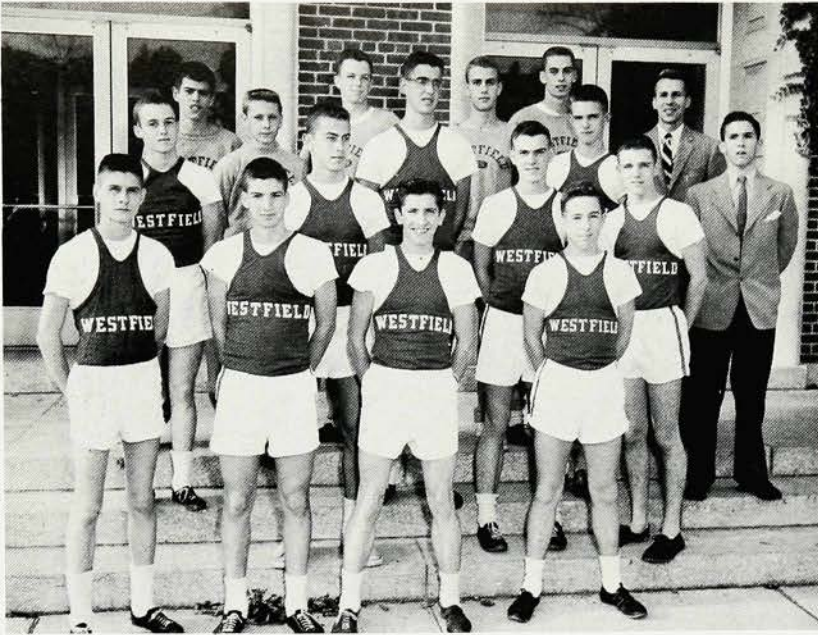

First row, left to right: Bill Shonberger, Pete Austin, Terry DeMontmorency, Bob Fish, Carl Tongberg, captain; Bob Reddell, Dave Frantz, Ted Gates. Second row: Tom Sisko, manager; Ulrich Sander, Pete Wilday, Art Lepow, Tom Hill, Terry Bentley, John Fish. Third row: Ken Florence, manager; Bob Lenskold, Jim Yockel, Frank Bell, Al Frazer, Tom Davies.

With graduation Westfield lost many good swimmers, but Coach Large managed to put together a team which finished with a five and five record. We were strong in the breast-stroke and freestyle but lost points in the backstroke and diving. Next year this team composed mostly of juniors and sophomores will be tough to beat. Bob Reddell and Bob Fish will be the co-captains.

CROSS COUNTRY

With only one returning letterman, Captain George Durgan, this year's inexperienced harriers turned in a record of two wins and seven losses. Juniors John Swinton, Skiggy Appezzato, and Dave Craver finished consistently near the top. The outlook for Coach Smida's next year's team is very good with the returning juniors, five lettermen, plus many new sophomores.

First row: Art Fritz, Ted Gates, Skiggy Appezzato, Bob Kelly. Second row: Dave Leitz, Doug Ludwig, John Swinton. Third row: George Durgan, captain; Dave Hayworth, Dave Craver, Ernie Weaver, manager. Fourth row: Hiram Tuttle, Art Lepow, Perry Fisher, Ken August, Bob Mason, Mr. Smida, coach.

First row: Paul Tatro, captain; Paul Tokar, Skiggy Appezzato, Bob Morphis, George Durgan. Second row: Mr. Duncan, coach; Jerry Garrison, Ken Tulloch, Bob Reddell, Glen Yeakley, Steve Ott, Charles Neilson, Mr. Smida, coach.

TRACK

Although the track team started off the season with two losses, this year's team has a lot of potential for the coming year. With three lettermen returning, the team's strong points were the high jump, quarter mile, half mile, and mile, while the weights, hurdles and sprints were weak. Mainly composed of juniors and sophomores, the track team will improve as it gains more experience.

Starting the season with three wins, Coach Bunting's tennis team looked better than was expected earlier in the year. Composed mostly of juniors and sophomores, the team was one of the strongest in the county. The three singles men—Terry Bentley, Tommy Richardson, and Perry Fisher—were virtually unbeatable and formed the nucleus of the team. Cliff Robison and Steve Falk, and Chuck Reul and Bob Kolodny handled the doubles.

First row, left to right: Steve Mallek, Jim Goodman, Ned Dietz, Don Dixon, Terry Bentley, Mr. Bunting, coach. Second row: Bill Watkins, Tony McCrann, Walt Dietz, Perry Fisher, Tom Richardson, Steve Falk.

TENNIS

Mr. Johnson, coach; Pete Marron, Bill Grander, Ferdie Shoemaker, captain; Steve Puschman, John Guthrie.

GOLF

This year's golf team was one of the best in Union County. Led by Bill Grander, Pete Marron, and Les Shoemaker, the team opened the season with three wins and a very close loss. The team also entered the county and state meets. Coach Johnson expects good future material in sophomore John Guthrie and junior Larry Kelly.

Left to right: Amber Riederer, Pris Haines, Drude Sparre, Suzy Werber, Sue Fortenbaugh, Elizabeth Putnam, Co-Captain Lois Tittle, Co-Captain Carolyn Self, Karyl Wheeler,

Sue Hulse, Sandra Tosto, Phyllis Babbitt. Missing: Jayne Leavy, Susie Nye.

CHEERLEADERS

The main job of a cheerleading squad is to inspire school spirit. This year the squad led many pep assemblies and rallies and made cheer posters to be exhibited before games. The girls also encouraged attendance at the many athletic events. Through attending the cheerleaders' clinic, they brought new cheers home for our use.

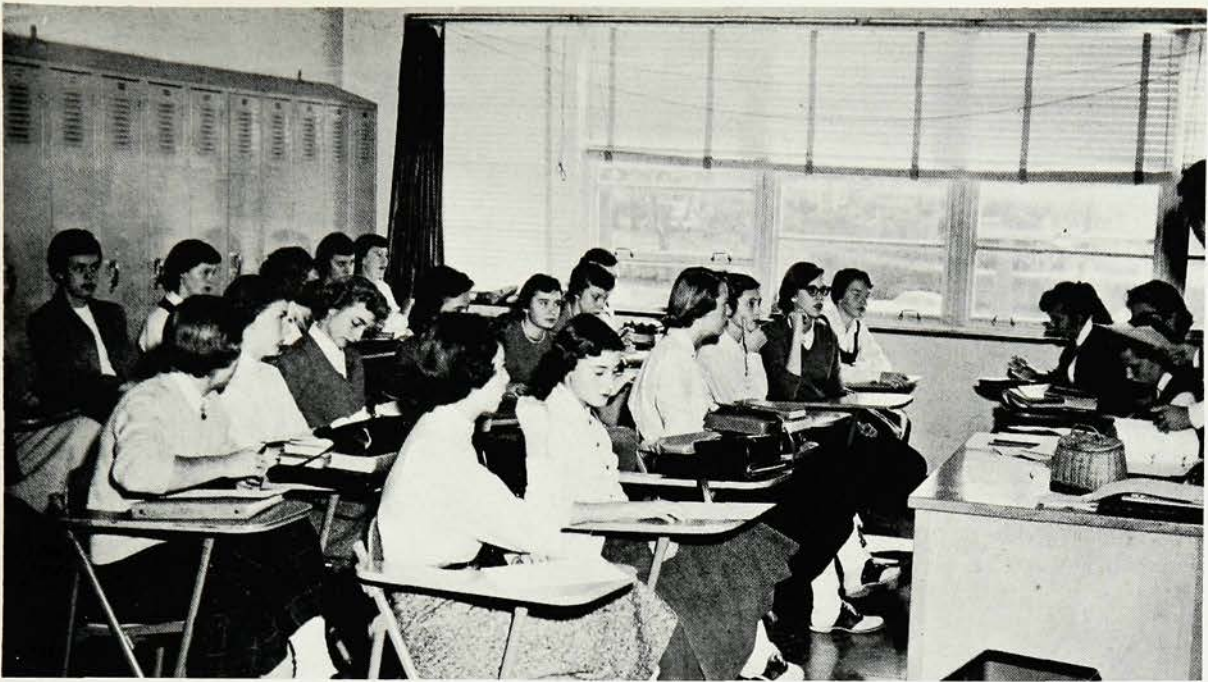

As in previous years, the cheerleaders were chosen during the first week of school and practiced four times weekly during the football and basketball seasons.

TWIRLERS

Led by the captain, Mary Ann Leedom, the squad of ten twirlers performed at all football games and pep rallies. The members chose new uniforms this year and matched them with a series of unique routines.

Standing, left to right: Mary Middleton, Carol Eibelheuser, Marilyn McGwire, Dale Vincent, Joan Wright, Carole Getter. Kneeling: Captain Mary Ann Leedom, Susan Jacobus, Ethel Mount, Terry Bavosa.

Front row, left to right: President, Zilpha Bentley; Vice-President, Suzy Werber; Treasurer, Carol Colin; Secretary, Amber Riederer. Jo-Ann Krestan, Elizabeth Topham, Bambi Dunn. Fourth row: Mrs. Gertrude Rogers, Mrs. Joan Wulfson, advisers; Betty Ann Rogers, Genevieve Covington, Caroline Sullivan, Peggy Carlisle.

GIRLS' SPORTS COUNCIL

The Girls' Sports Council which governs and aids in the planning of the girls' sports program is composed of a president, vice-president, secretary, treasurer, six elected representatives from each class, and the three governing officers of the Leader Training. This year the group is compiling its by-laws to provide definite rules and procedures for the years to come.

To finance its work the G.S.C. sponsored the sale of Tommy Touchdowns, the sale of megaphones, the Turkey Trot at Thanksgiving and the Country Dance this spring. This year G.S.C. was very fortunate to present the Bennington College Modern Dance Group at an assembly and at an evening performance.

The G.S.C. Dessert in April features the top senior awards and the installation of the next year's officers. Those eligible are the girls who have participated in two or more activities, the cheerleaders, and G.S.C. members. The Girls' Physical Education Program in May is a demonstration of the skills and knowledge acquired in the gym classes as well as gym class competition in marching and grooming.

THE YEAR IN REVIEW

In the fall practically the whole school turns out to cheer on the football team. Here, Pete Dorchek carries the ball for a Westfield gain.

Doing things together is always more fun. It was the things we did together that made this school year memorable. The sophomores were more poised, the juniors more blasé, and the seniors had more of the traditional "senioritis."

On Black Friday the senior girls all wear black to school to mourn the loss of Senior Day.

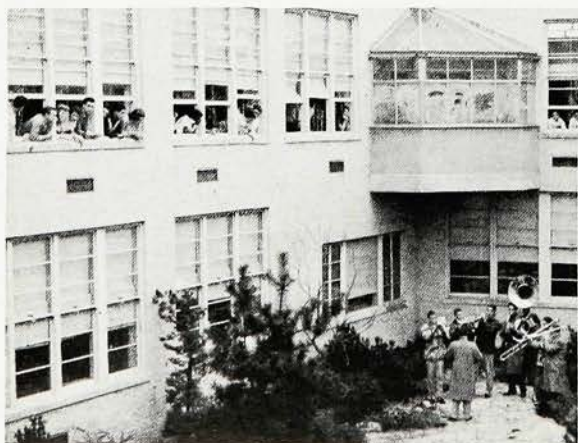

A hurried lunch gobbled in a few minutes is the scene for this picture. The cafeteria accommodates three successive lunch periods in what the students call an excessively short time. Actually, all lunches are connected with one class period. The students eat either before or after class or during the middle of a study.

In the last weekend of January, the Student Council sponsored its annual Mid Winter Ball. The theme this year was the Crystal Grotto.

One of our most popular winter sports is basketball. Our teams generally schedule two games a week, an afternoon game on Tuesdays and a night one on Fridays.

The first football games in the fall and the pep assemblies brought all three classes together. We yelled ourselves hoarse at the Regional upset and laughed at the big blue "W" painted at the Plainfield field.

Christmas came with parties and sports. We danced and skated, exchanged presents, and had snowball fights. Too soon mid-year exams were upon us, and we studied furiously in the last few days.

Exams over, we relaxed briefly with a weekend of gaiety, including our annual Mid-Winter Ball, be-

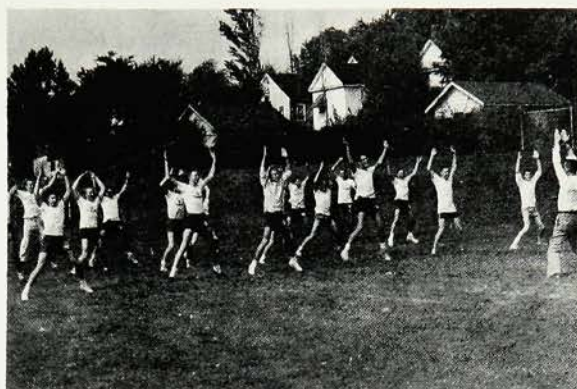

The beautiful Christmas Tableaux provide an event to which many Westfield residents look forward.

Just before Christmas vacation selected members of the band went into the Japanese garden and serenaded the school with Christmas carols.

fore school work caught up with us again. The unexpected fun of the two winter holidays made even the sun lovers forgive an icy winter. The seniors presented their annual play which had a hilarious ending when the dogs in the play rushed on stage without waiting for their cues.

Snow appeared again after Easter to make spring unbearably long in coming. Long before there was even a hint of warmer weather, the Music Depart-

ment staged its annual Spring Music Festival which this year heralded its silver anniversary. For this gala affair, a compilation of the best songs of the last quarter century of performances was sung. The unseasonably cold weather also nipped at the heels of our spring athletes, giving them little time for real practice before the opening of the track and baseball season.

A large number of the Westfield High School students are kept busy rehearsing morning, noon, and night for the Spring Music Festival.

The anticipated Junior Prom is the big event followed by a long list of parties lasting far into the morning.

The less fortunate who do not outrun the others in the mad dash to the lunchroom are patiently waiting for their food.

In all kinds of weather the senior steps at the close of school are characterized by groups of upper-classmen as they discuss the events of the day.

May brought warmer weather and the Junior Prom, an event anticipated by juniors and seniors. Each year the juniors feverishly prepare decorations, entertainment, and refreshments for the senior class, hoping to outdo all previous years.

As school drew to a close, the dreams of sand and sea became a reality. The common disease, known as "shore fever" was much in evidence, and plans were made for a week by the sea after the close of school.

All too soon final exams loomed ahead. For the seniors there were baccalaureate service, the senior banquet, and the never to be forgotten commencement. To the graduating class this was only the beginning, never the ending—whether going to college, into business, or into the armed forces.

We'll remember you, WHS, and the years that brought happy and serious moments, experience learned through trial and error, accomplishments with the guidance of excellent teaching, and friendships that we shall always cherish.
