WESTFIELD SENIOR HIGH SCHOOL *** WESTFIELD, NEW JERSEY

In 1924, Mary Virginia Bell and her staff of twenty set a daring new precedent in the school's literary history. They added seventy-three senior pictures to the year's final issues of the *Weathervane Magazine* and created a yearbook. The seventy-two page, paper-covered book was so well received by the school that it became an annual. It grew with W.H.S., seeing, among other things, a record senior class of 210 in 1945, and a state championship girls' basketball team. The late twenties saw the yearbook separate from the literary magazine although the same staff put out both publications.

The early *Weather Vane* were not imaginative; there were no informal photographs or individual homeroom pictures of the underclassmen. Each sports team sat in rows on the top of a page and had its exploits described in the paragraphs below it. Following these were pictures of the orchestra, the award girls, and the Mask and Mime Club, all seated in formal rows on the top of the page, with a description below.

The stiff formality and smiling rows are gone; the yearbook is now an exercise in imagination and organization. As the senior classes approach even larger proportions there is increasing pressure to give wider coverage to many areas. With all of our modern ideas and improvements, the 1964 *Weather Vane* will soon be as outdated as the 1924 issue is now, because our life during this school year can belong only to the past.

"Enjoy old-world charm in America's oldest school. Apply Westfield High, Westfield, N.J."

from 1948 Weather Vane

Although the building has changed, some aspects of our school life remain the same:

"WANTED — A sophomore class that won't steal our men. Senior Girls."

from 1945 Weather Vane

"To the school at large we leave the lunchroom, together with the suggestion that all prospective diners be required to sign a paper releasing the school from all responsibility in case of accident or sudden death."

Clause VII, 1926 Class Will

The high school experience has been a diverse and challenging one that will leave an indelible mark on our lives. Through our classes, extra-curricular activities, and friendships, we have known good and bad, triumph and tragedy, victory and defeat. Most of all, we have learned the values of hard work, good sportsmanship, and respect for others. Westfield High may have meant many things to many different people, but it has strengthened each one of us for the greater goals of life that lie ahead.

SCHOOL LIFE

A TRIBUTE TO DEDICATION . . .

Harold S. Thompson

For more than forty years, Mr. Harold Thompson's face has been a familiar one in the corridors and classrooms of Westfield High School. Through his loyalty and dedication to his work, he has gained the admiration, appreciation, and respect of teachers and students alike.

"Boss" was raised in Fulton, New York, and attended Oswego Normal School. He came to Westfield in 1921 to teach manual training and was joined later by his brother John. Although he joined the administration as Assistant to the Principal in 1945, he still enjoys teaching mechanical drawing. Despite his crowded schedule, he is never too busy to give a student individual attention.

Aside from school, Boss's interests center around his family. He has two daughters, both graduates of Westfield High, and is the proud grandfather of seven. In addition, his interest in American Indian lore has led him to amass an extensive collection of relics, and he is considered an expert in the field.

Boss Thompson has seen many changes in his career at Westfield High: in buildings, curriculum, and personnel. However, his desire to guide and serve the youth of Westfield has never changed. Because he has done so much for this class and those which have preceded it, the Class of 1964 is proud to dedicate its *Weather Vane* to Mr. Harold S. Thompson.

On Friday, November 22, we shared in heavy silence the grief which the nation and the world felt at the death of our President, John F. Kennedy. His life and ideals were supreme testimony to the truth of the words of Charles Sumner.

The true grandeur of nations is in those qualities which constitute the true greatness of the individual.

The President was in a position uniquely suited to making his individual standards strongly felt. The country assimilated many of his ideals and made them a part of its national standards. It responded

warmly to his courage in the face of crisis, to his strength of purpose, and to his vibrant, cultured mind. In turn the Kennedys lent their charm and graciousness to the image of our country.

Kennedy is proof of the way in which history may be altered through the efforts of one man or a few. At this time he is an exalted example of the importance of the individual in the building of a nation, a culture, or simply a school. The individual who can incorporate into his life the principles of intelligent thought, compassion, realism, and idealism is the individual who, by his personal attitude, will form a society with these same high ideals.

"Individuality Is the Salt of Common Life."

CLASS OF

SENIOR CLASS OFFICERS and ADVISER

Assistant Treasurer: Karen Olson
 President: Doug Eakeley
 Vice President: Jim Smith
 Adviser: Miss Dietrich
 Treasurer: Joy Brown
 Secretary: Mary Werner

As seniors we have spent an intriguing and stimulating year. We have been exposed to the logic of science, the lessons of history, and philosophies of life. Not only has our senior year meant a growth in knowledge, but it has also meant new friendships, new accomplishments, and senior activities. In September we held a party to welcome all new seniors to our class. On October eleventh, we gathered at Tamaques Park for our senior picnic. Later that month we joined in our major service project by distributing pamphlets for the town of Westfield. In February we presented our senior play, *Lute Song*. In June we attended the senior banquet, the grand finale of our high school years.

Led by the officers and senior council of the Class of '64, we have met the responsibilities and have enjoyed the privileges of our senior year. It has been a year in which each of us has used his individual talents to serve our school, community, and country.

SENIOR COUNCIL

FIRST ROW: L. to R.: Genie Wheaton, Evan Keenan, Joy Brown, Karen Olson, Doug Eakeley, Miss Dietrich, Jim Smith, Mary Werner, Joy Carrigan, Betty Small. SECOND ROW: Bonnie O'Neil, Maureen Doherty, Pat Danco, Gail Ramsey, Dick Bangs, Gary Knox, John Cuckler, Bill Blackburn, Sara Sue Toomey, Pam Gormly, Dinny Stearns.

"I regret that I have but one life . . ." Pat Quinn captures the spirit of '64.

"On your mark!" Senior picnic chairman Mark Taylor and senior class president Doug Eakeley start the sack relay.

Senior Council informally welcomes new members of the senior class.

"Don't tread on me!" Doug Eakeley and Vicki Hsu do the most for WHS by defending the Senior Door from hordes of underclassmen.

"Not even separate bikes?" Pat Danco and Terri Perlitt, class inseparables, question their compatibility.

"It says you count each White, Gray or Starred square as one space." Bob Haig and Jean Hallstein play a sophisticated game for ages 9 to adult.

"Never give a sucker an even break!" Joan Waltermire is most likely to succeed, having just purchased the Empire State, and Steve Atwood won't do badly if he keeps on smiling and collecting the money.

"Ten paces, turn and fire!" Our class couple, Emmy-Lou Shapter and John Baker, cool off on the roof of the girls' gym after a tiff.

Superlatives

"I'm putting on my bow tie, top hat and tails . . ." '64's best looking pair, Jean Hallstein and Jim Noonan, wait for Hollywood to discover them.

"The only red and yellow B-29 on record — the Cardinal." Bruce Zimmerman and Shari Galligan release their school spirit by toasting the Plainfield Cardinal at the bonfire.

"It hurt more putting my feet in these stupid little pots than it did to dance." Karen Olson and Bob Stuhler suffer excruciating pain from their best dancing.

"Always unto others do what they'd like to do to you." Wits Sue Weston and Steve Atwood foil each other's diabolical schemes.

"'Round and 'round and 'round they go." That all-around trio, Shari Galligan, Joan Waltermire, and Doug Eakeley.

"Hello, Hillside, how do you do? Westfield's going to stomp on you!" Sue Weston and Dwight Davies are prepared to beat all comers in any sport.

"What was that history assignment? — AD-3-6694?" Mark Rowe tries out his best line on Betty Bailey, who has a good one herself.

"And we'll put beer in every water fountain!" Class leaders Joan Waltermire and Doug Eakeley speak to a crowd of followers.

"Our group had 23% more cavities . . ." Most popular Karleen Villa, Karen Olson, and Doug Eakeley mope about waiting for someone to like them.

"Security is a thumb and a blanket." Well, a thumb and being '64's cutest, say Grier Stewart, Evan Keenan, and Craig Eaton.

"Color him portly." Joan Waltermire and Roger Welch display their astounding artistic talents.

"Well Brad, I was once a ninety-seven pound weakling myself." It's plain to see that Karen Olson has the best figure, but Brad Zimmerman, if that's not muscle, what is it?

"Oh, Mr. Scott, please throw away your D-minus stamp!" Will even our class thespians Gail Falkenberg and John Sheffey be able to sway that teacher's mind?

"Who says the senior year is easy?" Intellectuals Beth Pratt and Bob Haig spend a Wednesday evening at the uninhabited school library.

"You are my sunshine, my only sunshine . . ." Even on a dismal day, sunshines Jim Smith and Barbara diTrolia manage to radiate.

Literature, A Reflection of Man's

Mike Cowles, Janice Thomas, Karlene Villa and Phil Thawley, Mr. Scott's English IV students, film their version of Chaucer's "Knight's Tale."

The study of English is perhaps the most fundamental of scholastic endeavors. A vital factor to the pursuit of normal activities, the individual must prove himself proficient in reading, writing and speaking his native tongue before he may assume a position of responsibility in his society. The necessity for a mastery of English to successfully participate in all other activities at Westfield High is an excellent illustration of this importance.

Students in Westfield High School encounter a number of diverse challenges as they proceed through their English curriculum. Personal expression through composition and literary interpretation are emphasized, attempting to crystallize the basic opinions and principles of each student. This individual development is further enhanced through frequent writing conferences between teacher and pupil as well as encouragement for the student to enlarge on areas of his own particular interest through special presentations and discussions.

Carol McDaniel employs her artistic talents to illustrate a scene from Edith Hamilton's *Mythology* for English IV.

Mrs. Sutherland's English III students rehearse the graveyard scene from Wilder's *Our Town*.

Linda Roulliard, Roxanne Ackermann, Ken Russo and Glenn Meyer, members of one of Mrs. MacDougall's English II classes, discuss Eliot's *Silas Marner*.

Noblest Accomplishment. Himself

Cathie Lewis and Jim Lerman engage in a spirited altercation over the deeper meanings of *Barabbas* in English V.

Mark Seligman and Rachel Sherbourne dramatize "Poor Maddalena" in one of Miss Brinser's dramatics classes.

Tom Tiemann chairs a panel discussion in Speech I class. Other participants are Kit Foster, Geoff Marsac, and Joel Berkley.

The English department offers a number of supplementary courses to enrich its program of required academic subjects. These include classes in journalism, dramatics and speech. In general they provide the rudiments of professional training for future careers as well as valuable practical experience in the fundamentals of producing plays, publishing a weekly newspaper and speaking persuasively in public. Individuality becomes the watchword as each student strives to create his own style of presentation of the problems and thoughts which confront him as a person.

Through the English conference student Wendy Wilson and teacher Miss Dietrich discuss problems on an individual basis.

Mr. Walter Clarkson demonstrates front page make-up to a Journalism I class.

A Man Who Is Ignorant of Foreign

"Ist das nicht ein Schnitzelbank?" A lively German class sings the tunes of the Fatherland.

Language, the key to human communication, must transcend national boundaries in order to facilitate international cooperation and world peace. It is in recognition of this need that Westfield Senior High School has developed such an extensive and comprehensive department of foreign languages. Four-year course offerings in French, German, Latin, and Spanish are offered in addition to a one-term language survey course.

The aim of each of the department's well-qualified teachers is to instill in the student an appreciation and understanding of the history and culture of the particular nationality he is studying in addition to the ability to read, write and speak the language. Slides, tapes, movies and field trips aid in this attempt as well as the examination of appropriate masterpieces of national literature in the third and fourth years. The knowledge thus amassed by the student in high school will serve him well as the foundation for his advanced study of language in future years.

"Civis Romanus sum!" Ed Parmentier, Latin III orator, proclaims his pride in the glory of Rome as Mrs. Winquist looks on approvingly.

"Le Grand Charles" enjoys Parisian cuisine in Miss Domarek's French I class.

Mr. La Costa, chairman of the foreign language department, lectures a third year class on the "Golden Age" of Spanish literature.

Languages Is Ignorant of His Own.

Mr. Kurtz recounts the glories and fascination of "Ole Mexico."

The legacies of ancient Rome find their way to a W.H.S. classroom.

Sherryl Meinschein and friends sell German cookies.

French I students produce skits to improve conversational ability.

Oral comprehension in the lab gives students an opportunity for practical application of foreign language skills.

Social Science: The Formation

The Civil War is a favorite topic of Mr. Gomer Lewis' U.S. History I lectures.

Mr. Miller traces the path of westward expansion for history students.

Mr. Della Badia outlines the development of modern Europe.

The Panamanian crisis is the center of attention in Latin-American History.

Cathy Bentley and Roger Hill demonstrate the mechanics of cartography to their World Geography class.

The analysis of diplomatic techniques is an essential part of the International Relations course.

The Study of Mathematics Cultivates

Algebra I students solve simultaneous equations.

Graphing aids Algebra II students in their understanding of functions.

Mathematics plays an increasingly vital role in our world as all fields of technology become more complex. In accordance with this greater and more pressing need for mathematical competence in widely varying areas the Mathematics Department of Westfield High School has developed a very comprehensive curriculum. Three algebra courses, plane and solid geometry, business arithmetic, general math, math review, trigonometry and calculus provide all-inclusive coverage of the subject. In addition, developmental classes in algebra and plane geometry, known as SMSG sections, have brought new concepts of math to both students and teachers as they explore the intricacies of mathematical logic.

Primary mathematical concepts constitute the nucleus of the general math course.

Charles Cleveland proves an exercise in geometric logic for Shirley Jones and Russ Wolf.

Reason; Its Application Tests Fact.

Craig Miller simplifies an identity in Miss Gromlich's trigonometry class.

Calculus is the culmination of the mathematical curriculum at WHS.

Mrs. Swink and Jim Atherton work diligently in the mathematics office.

Scott Forbes examines an exhibit of the math department.

The True End and Aim of Science

Mr. Kursar reveals the intricacies of the DNA molecule for Biology I students.

Cell structure is the topic under discussion in advanced biology.

During the past few years the Science Department at Westfield High School has been adapting its curriculum to inform its students of the most recent and widespread developments in the world of science. In addition to the traditional approach to biology, chemistry, physiography and physics, BSSC biology and PSSC physics have added new concepts to these subjects. A second year of both biology and chemistry are available to exceptional students, offering a great deal more opportunity for lab work than do the after school labs in the first year courses. This year the department has again sponsored the Saturday Science Program, a series of lectures and demonstrations by eminent scientists for interested and qualified students. This program consists of two sections, physical and biological science, and covers topics of great interest and concern such as nuclear reactors and viral research.

After-school labs supplement the classwork in chemistry.

Stacy Hall and Ken Luckmann are about to make another startling discovery in Chemistry II.

Is the Discovery of Ultimate Power.

PSSC Physics students use the wave model to examine the properties of light.

Mr. Goslin demonstrates the principal of centripetal force to his physics class.

Dr. Wayne Houston exhibits a geiger counter at a Saturday Science lecture.

Miss Straw explains gas law concepts to her Chemistry I students.

The evolution of mountain ranges is an important topic in physiography.

A Man Is a Worker. If He

Individual projects absorb the attention of general shop students.

Mr. Hansel lectures on Ohm's law.

Courses in automotive metals, ceramics, electronics, mechanical drawing, and general shop afford a diversified industrial arts program at Westfield High School. The students design, plan and build their own projects, using the knowledge they have gained through class instruction to produce decorative and useful implements. The focal point of many of these courses is the military technology examinations given during the year which select trainees for specialist ratings upon high school graduation.

The Home Economics Department, similarly to the Industrial Arts Department, puts great emphasis on personal imagination and initiative. The clothing course encourages girls to design and create their own outfits and enter them in various fashion shows. In homemaking and foods classes more attention is paid to the basic skills the girls need to be efficient housewives: planning and cooking meals and keeping pleasant homes. The boys' cooking class is a popular elective for many boys.

Draftsmen in mechanical drawing class design the skyscrapers of the future.

The art of sewing can be made an enjoyable and profitable hobby.

Useful ceramic creations are produced in Mr. John Thompson's classes.

Business Leadership: Measure of Nations

Applied law provides an initial survey of legal procedure.

Intense drill develops speed and accuracy in stenography.

Accounting procedures are demonstrated by Mr. Barnes in bookkeeping.

The practical application of useful skills controls the curriculum of the Business Department of Westfield High School. This aim has fitted well into the life of WHS, particularly in the program of a student secretary for many teachers in the school. This service gives the students invaluable experience, presenting them with the opportunity to use what they have learned in typing, stenography, bookkeeping and office practice classes as well as helping the teachers. Business Education Day allows the students to work in various offices in town and get on-the-job knowledge. In addition to secretarial courses the Business Department includes classes in applied law, consumer education, and occupations which propose to inform the students of possible problems they might encounter when they enter the field of business.

The ability to type efficiently is an essential secretarial skill.

The techniques of successful office management are emphasized in the office practice course.

Good Counsels Observed Are Steps to Success

Kathie Felix discusses college plans with her guidance counselor, Mr. Johnson.

College night, career conferences, College Board and National Merit testing, Armed Forces Day, individual college interviews, sophomore orientation, and employment placement are all vital concerns of the Guidance Department at Westfield High. The five counselors personally interest themselves in the school's nineteen-hundred pupils, offering advice and assistance in a wide variety of areas. Always open to students, the Guidance office and the Guidance reading room offer easy access to catalogs and pamphlets on colleges and vocations as the student body of WHS sets its goals for the years to come.

Dr. E. Alden Dunham of Princeton University delivers the keynote address at College Night.

An underclassman investigates career opportunities in the guidance office.

Mask and Mime . . . Arms and the Man

For its annual production, the Mask and Mime Club chose the satiric comedy, *Arms and the Man*, by George Bernard Shaw. Through the varied aspects of production the club members, both cast and crew, lived in part the life of the theater. While the audience saw the Thespians on stage, the production saw many backstage workers who had also given up their afternoons and evenings for a successful presentation.

Members of the cast included Karen Olson, John Sheffey, Susan Hawkins, Betty Bailey, Charles Henderson, Thomas Danch, Robert Trenner, and Bruce Wallace. Miss Carol Brinser directed, assisted by Mrs. Marianne Murray and Mrs. Lynn Robbins. Mrs. Betty Schenck supervised the stage design.

"Do you know, Sir, that you are insulting me?"

"Dearest: all my deeds have been yours. You inspired me."

"Here, I'll give you my address."

"Ah, it is natural that you should forget it. It cost you nothing."

"Who would believe any stories you told after that?"

"Creams! Delicious! You're an angel!"

"Good evening gracious lady. I am sorry to intrude."

Christmas Tableau

"... a star appeared in the East . . ."

"Blessed art thou among women."

"... the Lord came unto them and they were sore afraid . . ."

"... and wise men came from the East . . ."

"And he shall reign forever and ever."

Vocal Music

Choir

The Choir of Westfield High is composed of choral students who are especially talented in music. Westfield has always been proud of the quality of the music that the choir presents. Directed by Mrs. Janet Gleason, the choir practices twice a week during school and has frequent practices before and after school. The Choir performs at Christmas and coordinates its program with the tableaux and performs again in the spring along with the other choral groups. This year the Choir was accompanied by Mary Moffett and Ginger Monks.

Twelve

The Twelve is a select group of senior girls who are chosen for their superior talent in music. They sing in three part harmony and present programs in school, and for several church and social organizations. Several performances were given at the P.T.A., dances, Old Guard, and Woman's Club.

Thirteen

Composed of senior boys, the Thirteen is popular for its casual manner and varied repertoire. The group has appeared at the Presbyterian Couples' Club, PTA meetings, and many dances throughout the year in addition to the Music Festival. David Harwood and Cindy Bowes are accompanists.

Designed to bridge the gap between junior and senior high choral groups, the Boys' Glee Club I is composed of sophomore boys. Miss Margaret Shaw, director, teaches the boys skills which will prepare them for more advanced work. Accompanied by Linda Wyman and Rosemary Hooper, the group appears in the Christmas Assembly and the Christmas Concert.

Boys' Glee Club I

Boys' Glee Club II

Reserved for seniors, juniors and a few sophomores, the Boys' Advanced Glee Club appeared in the Christmas Assembly, Christmas Concert, and Spring Music Festival. One of the highpoints of the year was singing for several elementary schools in the spring. The repertoire included secular music, popular songs, and works especially composed for male choruses. Sherryl Meinshein and Robert Rice provided accompaniment under Mrs. Gleason's direction.

Girls' Chorus I

Directed by Miss Margaret Shaw and accompanied by Margaret Weiland, Girls' Chorus I consists mainly of sophomores who wish to begin participation in the music department. Through this chorus, the girls gain valuable experience and are offered the chance to develop their voices for work in the advanced chorus. Those who attain a higher voice quality are allowed to join Girls' Advanced Chorus in their next year in WHS.

The advanced Chorus II is offered to those junior and senior girls who have the ability and desire to continue in a choral group. Led by Mrs. Gleason, this chorus presents pieces on a more difficult level in the Christmas Program and again in the Spring Festival. This year the chorus elected to sing a number of contemporary songs which presented a challenge to the group and provided a very entertaining program. The group was accompanied by Kathy Lewis and Vicki Yablonski.

Girls' Chorus II

*Woodwind
Ensemble*

*Swing
Band*

Strike up the band!

Whether playing at a football game or an assembly, the WHS band has provided mood and background for the successful school year. Staffed by the musically inclined and under the worthy direction of Mr. Robert Banks, the school band played at football games, assemblies, pep rallies, various school plays, at local parades, and at the Winter Band Concert in January and the Pops Concert in May.

The band is divided into several specialized groups: the jazz band, the marching band, the concert band, the studio band, and the orchestra. Decked in their suave dark blue

uniforms, the members of the marching band played at all the football games and cheer assemblies, while the more formal concert band played at both the Winter and Pops Concerts. The orchestra played at the Mask & Mime Play, and the studio and jazz bands were featured in the Pops Concert.

Officers of the band for this year are James Ryckman, president; Stefan Young, vice president; Gail Walker, secretary; and Jane Price, treasurer. Richard Thiele is chairman of the orchestra, and Martha Longwell is secretary.

HI'S EYE

Vol. XXX, No. 13

Westfield High School, Westfield, New Jersey

January 17, 1964

Editorial Staff

Begun as a monthly in 1934 under the leadership of Dr. Foote, the *Hi's Eye* has evolved to a weekly publication under the tutelage of adviser Walt Clarkson. Acclaimed as one of the leading school papers in the state, the *Hi's Eye* covers every facet of school life. Athletics, music, faculty activities, and academics receive diligent coverage. Striving for accuracy, *Esmerelda II* offers 25¢ to anyone whose name is misspelled.

Quartered in homeroom 106, many competent journalism students contribute to the paper each week: Karen Kandara and Perry Samuels, co-editors; Barbara DiTrollo, news bureau; Steve Atwood and Buffy Rounds, news; Judy Bolen and Louise Gibney, features; Dennis Brotman and Bill Myers, sports; Ginnie Mikesell and Janice Thomas, fourth page; Astrid Madea, illustrations; Kubby Haskell, advertising; and Bob Busch, circulation.

Each person in senior homeroom 273, and members of the general staff, has worked toward producing this 1964 *Weather Vane*. In piecing together the different sections, and working to complete them before the inevitable deadlines, we learned to work in harmony. As the separate parts of the book began to grow into their final, unified form, we, as individuals, grew closer together.

Involved with our work on the book was a fuller awareness of our class as a whole. The wide scope of talents, potentials, and achievements contained in the class of 1964, have contributed immeasurably to the construction of this *Weather Vane*. Without this class to provide material, we could not have produced such a record of our last year in WHS. This yearbook is a reflection of what our class has done, not only in education, but in the many other fields that are open to us for achievement.

We especially attribute the success of this book to the co-editors Joan Waltermire and Alan Dunning who have put an unlimited amount of work and enthusiasm into the coordination and publishing of the 1964 *Weather Vane*. The completion of this book would have also been impossible without the help and guidance from Mr. Scott, our faculty adviser and Mrs. Schenck, art adviser.

Juniors: Meeting the Challenge . . .

JUNIOR CLASS OFFICERS: D. Kidd, Treasurer; C. Dawson, Secretary; B. Wallace, President; Miss J. Russo, Adviser; G. Procopio, Vice President; D. Perkowski, Assistant Treasurer.

The class of '65, under the leadership of Bruce Wallace, Gene Procopio, Carol Dawson, David Kidd, and David Perkowski and the direction of Miss Jean Russo, class adviser, has met the challenge of its junior year. Early in the year, the Juniors chose the sale of American Field Service bonds as a class project. They worked diligently and were successful in raising money for the Westfield A.F.S. program and in promoting a greater understanding of A.F.S. in the community. Their other major project, the Junior Promenade, was also a success. Led by chairman Lee Schlesinger, the Juniors joined such committees as decorations, tickets, program, patrons, refreshments, flowers, invitations, and clean-up to help prepare for the Prom and realize the theme of Alice in Wonderland. The Junior class may regard its year with pride for its achievements.

JUNIOR COUNCIL: ROW ONE: P. Taylor, C. Bartlett, D. Kidd, B. Wallace, E. Procopio, C. Dawson, P. Kinney. ROW TWO: Miss Russo, J. Gruber, S. Smart, P. Davis, C. Shellenberger, R. Pickens, A. SOPHOMORE CLASS OFFICERS: M. Mangan, Vice President; M. Mann, Secretary; J. Schaub, Treasurer; Miss M. Learish, Adviser; S. Klein, President; T. Savage, Assistant Treasurer.

The class of '66 began its sophomore year by electing Steven Klein, Michael Mangan, Mary Lou Mann, Jeffrey Schaub and Tina Savage as class officers. The sophomore council, led by these students and Miss Mary Learish, class adviser, composed a constitution to prepare for the year. The council was unique in being the first to employ parliamentary procedure in its meetings.

During their year at WHS the sophomores participated in a variety of activities which served to introduce them to high school life. They took part in an orientation program which helped them in developing future educational and vocational plans, and they enthusiastically staged the variety-talent show which has become an enjoyable highlight of the sophomore year. Finally, in a class assembly, the sophomores became acquainted with the purposes and activities of the American Field Service as our foreign representatives and foreign student from Brazil shared their experiences with the class.

The sophomore class, in the words of Miss Learish, "has been spirited, cooperative, and enthusiastic in all its activities," and now, after electing new officers, the class awaits the challenge of its junior year.

Football

While tackle Joe Hagy provides protection, quarterback Dwight Davies rifles a pass against Rahway.

A Thanksgiving Day victory against an unbeaten Plainfield eleven highlighted a successful Blue Devil grid season. Playing their finest game of the year, Coach Kehler's men established their supremacy over the Plainfield team early in the game and never allowed them to gain control.

Although not rated highly in pre-season standings, only two hardfought losses to tough Cranford and Springfield teams prevented the Devils from sporting an unblemished record. Leading the team were two outstanding co-captains, tackle Joe Hagy and quarterback Dwight Davies. Hagy was a steady performer both offensively and defensively, and Davies led the county in touchdown passes with twelve.

Starring in the backfield were Rudy Brown, Jay Isbrecht, and Jim O'Neil. Brown, who electrified the crowd on numerous occasions with his dazzling broken-field running, will return next year as co-captain. Isbrecht, a powerful halfback, could always be counted on for tough yardage. O'Neil was the team's leading ground-gainer and led in scoring eight touchdowns. Outstanding performances were also turned in by ends Harry Beane, who caught six touchdown passes to lead the county, and Joe Wiendl whose hard-nosed blocking helped to punch holes in the opponents' lines.

The Devils' tough, mobile line was anchored at center by Jim Lincoln. Starting in the guard berths were Jim Minno,

next season's co-captain, and Charlie Widmer, who was selected first string on the all-county team. Working at the tackle slots with Hagy were junior Steve Hoppin and senior Randy Blair. Each one did a capable job on both the offensive and the defensive units.

The defensive platoon performed outstandingly, stopping teams week after week which far outweighed them. Leroy Gallman and Jerry Hendershott starred at the very difficult linebacker positions. Tackle Charlie Hely, end Haldane Taliaferro, and middle guard Jim Coy strengthened the defensive line and accounted for many key tackles. Utilitymen Brad Zimmerman (guard) and Charlie Matino (defensive back) also turned in top performances when called upon for a good team effort.

Juniors Bob Van Kueren (tackle), Charlie Clark (back), and Gregg Smolenski (end) won their letters and will return next year along with Minno, Brown, Hoppin, Coy, and Hendershott to form the core of next year's team. Returning with them will be the two sophomore lettermen Ron Hall and John Greene. Hall saw a good deal of action at the halfback position and Greene was the team's placekicker. He scored 25 points during the season. With a nucleus of such excellent ballplayers, Westfield will be able to look forward to another successful team next season.

Cross-Country

Sweeping dual competition and earning every titular honor possible in the state, the cross country team compiled a perfect record for this season. Exceptional balance and individual talent of the team paid off in the big meets, as Westfield won the Watchung Conference, Union County, and Central Jersey championships before going on to dominate the "States." Blue Devil mettle was tested in the State meet when two of the top runners, captain Steve Atwood and Hal Jensen, were injured during the race. Even with this handicap Westfield was the undisputed victor.

School record holder Steve Atwood joined with seniors Gerry McGowan and Steve Calvert to make Westfield's "Big Three," a trio that could be counted on to place well in front in any big meets and often captured a 1-2-3 in dual contests. Senior lettermen George Cunningham and Hal Jensen gave the team considerable depth, along with juniors Ken Robinson, Bruce Miller, Ken Barbour and Doug Miller. Morris Lark and Tom Tiemann, promising J.V. runners coming up from a strong team, should help next year's squad to uphold the record established by the 1963 harriers.

ROW: B. Phelps, S. McCoy, E. Thorne, B. Paden, J. Balka, B. Richold (captain), D. Stiefken, L. Porchetta, B. Decker, R. Schram, N. Delmonico.

In its first season of varsity competition, the Westfield soccer team posted an excellent 8-3-4 record and highlighted the campaign by capturing the Watchung Conference championship and placing second in Union County. The Blue Devils outscored the opposition 11-1 in conference play and turned in a fine 2-0 victory over defending champion Clark; however, the team dropped tough 1-0 decisions to Pingry and Jefferson, two of the best in the state.

A strong group of senior defensive stars was the key to the success of Coach Bjarne Tonnesen's booters. Goalie Dick Stiefken and fullback Bill Richold, both all-county selections, led the unit that also included Mark Metcalf, Joe Balka, Pete Graff, and Jack Irwin. Senior wing Ed Thorne, Watchung Conference scoring champion, led the offense with 10 goals. Juniors Steve McCoy and Nick Delmonico scored three times each, while Bob Schram, Bart Phelps, Lou Porchetta, Jim Boates, Bob Decker, Hank Barrows, and Mike Braun all played well on the forward line.

With the return of Captain-elect Delmonico, McCoy, Decker, and Boates, plus sophomores Joe Carroll and Bill Paden, Coach Tonnesen has the nucleus of another strong team for this '64 season.

Captain Bill Richold

Basketball

The 1963-64 Basketball team proved an outstanding blend of talent, height, and determination.

Coach John Lay was faced with the unenviable task of rebuilding a team hit hard by last year's graduation. But he had outstanding material, and the result was another fine W.H.S. Basketball team.

The starting five was headed by senior captain Bob Whitaker. Juniors Bob Felter, Jerry Richards, Steve Wright, and Bill Dlouhy rounded out the quintet. Senior Mike Cowles served as a capable reserve.

Led by Whitaker's 13.5 points per game average and Felter's high scoring (332 points) and rebounding (194), the Blue Devils rolled to a 15-6 record. Richards showed his ability under the backboards, while Dlouhy and Wright added crucial points to the scoring column (110 and 224 points respectively).

The finest moment of the regular season was the thrilling 54-50 victory over a powerful Hillside team.

In the Union County Tournament the team moved to the quarter-finals before being upset by Jefferson. Handicapped by the loss of Felter and Richards, the team bowed to a strong Bridgewater-Raritan team in the second round of the State Tournament after defeating Springfield in the first round.

Swimming

The Eastern champions.

The 1964 Westfield High swim team established itself as the finest squad ever seen in New Jersey. Stretching their dual meet win streak to 36 in a row, the Blue Devil mermen captured their 8th straight Union County title and 4th consecutive state championship. The highlight of the season was Westfield's first victory in the Eastern Interscholastic Championships.

Sophomore Harvey Gerber won the butterfly and the two relay teams set meet records to pace the win in the Easterns. Swimming on the medley team were John Ketcham, Dave Perkowski, Chip Demarest, and Doug McOwen, while the free-style relay consisted of Jim Lincoln, McOwen, Gerber, and Pete Heesch. Heesch was a double winner in the state meet, and Captain Doug Eakeley, Ketcham, Perkowski, Gerber, and the relay teams were also victorious. Perkowski's state record breaststroke time was one of the fastest in the nation this season. Steve McCoy and Terry Gass placed consistently high in diving competition. Gregg Smolenski, Ted Connell, Bruce Zimmerman, John Greene, and Roger Leonard also scored well in the major meets. With fourteen lettermen returning, Coach Joe Della Badia may field an even stronger team in 1965.

Indoor Track

The indoor track team's 1963 season was highlighted by outstanding individual performances. The two-mile relay team, composed of seniors Gerry McGowan, Steve Calvert, and Steve Atwood, and junior Ken Robinson, won the state championship with a time of 8:30.1, a new school record. The relay team also retained the Union County championship with a phenomenal time of about 8:21; but due to an official's error, the record-breaking time will not count.

Two fine individual performers were Captain Steve Calvert in the mile run and senior Brock Coleman in the 60 yard high hurdles. Calvert ran a 4:32.7 in the Northern Jersey mile to beat defending champion Steve Harris of Scotch Plains and set a new indoor school record. Coleman, the school record holder in both outdoor hurdles events, ran consistently well during the indoor season. He placed third in the Northern Jersey Meet and first in the New Jersey Federation Development Meet with an indoor school record time of 7.5 seconds.

Sporting a 10-2 record, Coach Gary Kehler's grapplers enjoyed another successful year. The Westfield Blue Devils placed second in the Watchung Conference, second in District VII, and won the Montclair Invitational Tournament. Seniors Joe Wiendl (148), Jay Isbrecht (168), LeRoy Gallman, and Junior Jim Minno (157) won district titles. Captain Wiendl went on to capture the regional and state crowns. Additional strength was added to the Westfield line-up by Jim Powers (105), George Laird

(122), Dick Stiefken (129), Bob Graf (135), and Charles Matino (141).

Scotch Plains provided the only blemish in conference competition. The matmen waged a see-saw battle against an exceptionally talented Union squad, but were nosed out by a narrow margin. The most impressive Blue Devil victory was a crushing defeat of powerful East Brunswick. The outlook for next year's team is promising with Minno, Andy Ford and Sam Hayes forming a strong foundation.

Captain Joe Wiendl won district, regional and state championships.

Baseball

Another banner season appears in store for Coach Norman Koury's baseball team. Returning for the 1964 season is the nucleus of the finest Blue Devil team in recent years, which compiled an 18-7 record and nipped Springfield in a ten-inning thriller to win the Union County tournament.

Coach Koury possesses an excellent pitching staff headed by seniors Dennis Burke and Bill Richold, and junior Greg Chlan. Burke fired the first no-hitter in Westfield history while defeating Jefferson last year. Handling the hurlers will be Charlie Widmer, a .287 hitter and fine catcher who should attain all-star rankings his senior year.

Second baseman Dwight Davies anchors a good defensive infield that will also include Joe Wiendl at shortstop and Bill Myers at third base. Several boys are battling for the first base spot. Five seniors, Rob Schram, Nick Piscopo, Ed Thorne, Roger Doyle, and Charlie Mason, afford Westfield strong speed and hitting ability at the outfield posts.

Golf

Westfield broke into the Watchung Conference in a big way by winning the championship. Stalwarts Kurt Kaufman, Mike Ketcham, and Allen Crawford led the team to a record of eleven wins and one loss. The team also captured the Union County Championship, climaxing Coach Gary Kehler's most successful year at the helm.

This year's team promises to be exceptionally good. Bob Claussen, Bill Weber, Rick Schaefer, and Jim Friedland are expected to form the nucleus of a very strong squad.

With eight of ten lettermen back, Coach Sam Bunting's tennis team should equal or better last year's 12-1 mark and be a threat in state competition. The 1963 Blue Devil netmen also swept the Union County championships and placed third in the state tournament, bowing to champion Mountain Lakes in the semifinals.

Powerful co-captain Bob Stuhler will lead the squad in the number one singles slot. He is the defending county champion and promises to be one of the state's best this spring. Juniors Phil Grant, Steve McCoy, and Page Stevens will contend for the other singles positions, while seniors Phil Thawley (co-captain) and Doug Eakeley plus juniors Bill Anderson and Doug Spires are particularly fine doubles players.

Track

Although lacking in depth in several events, the Westfield High track team should continue to be one of the better squads in the area. Coach Walt Clarkson has nine lettermen returning from the 1963 team that posted a 7-2 dual meet record and finished second in the Watchung Conference meet.

The greatest running strength lies in the distance races where four senior lettermen, Co-captain Steve Atwood, Gerry McGowan, Steve Calvert, and John Laudenberger, will compete. Atwood is the defending conference mile champion. Talented quarter-miler Jay Isbrecht leads the middle distance corps, and school record holder Brock Coleman should be among the best hurdlers in New Jersey. Junior Rudy Brown provides strength in the sprints and hurdles.

Co-captain Bob Busch heads the field event performers. His 11-6 vault effort last year smashed a thirty year old school record. Senior Brad Zimmerman is an excellent javelin thrower, and there is considerable non-letterman talent in the other weight and jumping events.

Equipped with energy and bright smiles, WHS cheerleaders symbolized the spirit of the school. They practiced long and hard, and the student body responded enthusiastically to their efforts. Although the cheerleaders were seen primarily at football and basketball games, they cheered at other major sports events. Boy cheerleaders were welcome additions to the squad. Welcome, too, was the leadership of captain Shari Galligan and the direction of Miss Jean Warriner.

This year's twirling squad, directed by captain Vicki Hsu was one of the largest in the history of Westfield High. The ten twirlers entertained crowds at football games and pep rallies with their original routines. Together with the band, led by drum majorette Carol Henry, the twirlers added to the spirit of our school.

Modern Dance

Modern dance is an art form which involves motion as its means of the expression of an emotion, a philosophy, or a word. As such, it requires great muscular strength and coordination plus a creative imagination. This year, Mrs. Kuznitz instructed a beginner's group in learning fundamental locomotion. In her advanced group, however, theory was stressed. This program included application of the four basic elements of dance — design, dynamics, rhythm, and motivation. For example, the girls experimented with patterns using one or more bodies, counted music, and choreographed their own dances for the gym program.

Lacrosse

A game of fast moving action, Lacrosse has its origin with the North American Indians. It was introduced recently into the physical education curriculum as both a class activity and an afterschool sport with informal participation with nearby schools. The girls' game is a modified version of a rougher boys' sport.

Basketball

After-school basketball attracted, as usual, a large crowd of participants to the bi-weekly practices. Over one hundred girls dribbled, practiced lay-ups, jump shots, foul shots, and passing, and devised strategies during practice, and their results were worth the work in both fun and success. Teams

from Scotch Plains, Princeton, Chatham, Summit and the two junior highs were among the girls' opponents. The teams were divided by classes, but there was no hierarchy of ability, and the sophomore, junior and senior teams finished their seasons successfully.

Girls' Gym Program

Once a year the boys take to the bleachers, and the girls have their moment of glory in the spring gym program. Besides the familiar athletic skills of basketball, speedball, and volleyball, the girls demonstrated apparatus work, stunts and tumbling. In a program of dances generally unfamiliar to the audience the girls employed the graceful expression of modern dance, the spirit of folk dance and the unusual movement in tin-a-ling to give the evening a unique flavor. The program was climaxed by inter-class marching competition in which original routines were presented with precision. Tension was high as the outstanding officers of the year and of the night were presented with awards and the winner of the marching was chosen. The entire program was supervised by the gym teachers Miss Victoria Melosi, Mrs. Georgiana Kuznitz, and Miss Marjorie Rugen.

Girls' Sports Council

Led by President Michele Lynett, the G.S.C., composed of representatives from all classes, added to its already full schedule. Besides writing and putting on skits for back-to-school night, sponsoring the Country Dance and doing a great amount of work for the gym program, the group found time to sell cowbells and to add a very successful picnic to the senior-sophomore sister program. The G.S.C. finished its program with a spring dessert to honor girls who were outstanding participants in the physical education program.

Student Council

Under the direction of Mr. Harold Shill and Mr. Samuel Loughridge, the Student Council is a direct link between the student body and the school administration. Elected in the spring of 1963, the officers for the 1963-64 year were: president, Bill Elcome; vice-president, Fred Tipson; secretary, Fran Franco; and treasurer, Bart Phelps. In addition to the officers, one representative who had volunteered his services was elected from each homeroom.

This year was a busy one for the Student Council. In order to raise the money necessary to support the AFS exchange student, Rosa Machado, the council sponsored several activities: the September Kick-Off Dance; a hootenanny during the Thanksgiving holidays; and the Mid-Winter Ball, climaxing the week of mid-term exams. They also operated the school store and book store and revised the WHS handbook. There were several new projects which made the Student Council distinctive in WHS history. They led the student body in a memorial service to John F. Kennedy. The council also initiated the request for a telephone booth in the school parking lot and purchased a school banner.

Based on the principles of scholarship, leadership, service and character the members of the National Honor Society are selected by the faculty. In the spring a dinner is held to give members public recognition for their achievement.

Although the National Honor Society's primary concern is academic, it also functions as a service club. The fund raising projects of the year were directed toward a scholarship which is given to a graduating senior. The recipient is selected by a special committee of faculty, administration, and students. The NHS members also hosted career conferences, monitored the guidance office reading room, acted as guides on College Night and tutored WHS students.

The 1963-64 officers were: President, George Schmidt; Vice-President, Mary-Dinnis Stearns; Treasurer, Robert Kass; and Secretary, Joan Waltermire.

Senior Literary Club

The Senior Literary Club, under the direction of adviser Miss Mary Learish and president Margaret Werner, endeavored to extend the members' appreciation of literature. The year's activities were begun in November by a lecture on "Myths and Shakespeare." Among the works studied were *Platero and I* by Jimenez and *By the Skin of Our Teeth* by Wilder. The monthly meetings included panel discussions, dramatic readings, and the acting of plays. Culminating the program, was a trip to see the Broadway play *Luther*.

Co-sponsored by Miss Susan Delaney and Mr. John Bauer, the Junior Literary Club aims to broaden the members' literary backgrounds for college and later life. Supplementing the English III course, the program emphasized contemporary literature and included discussions of such works as *The Zoo Story* and *The American Dream* by Edward Albee. Led by president Lee Schlesinger, the year was highlighted by a spring theater trip.

Junior Literary Club

Writers' Club

The Writers' Club aimed through its informal atmosphere to give its members an opportunity to learn and practice all kinds of creative writing from essays and poetry to short stories and plays. Comprised of students who desired to refine their writing, the club met periodically to criticize members' contributions and to analyze the use of new techniques. As their main project, the students published the WHS literary magazine, the *Weathervane*. The group was advised by Mrs. Anne Salibello.

Debate Club

The main purpose of the Debate Club is to provide interested students an opportunity to develop the skills of formal debate. The arguments, prepared at home and presented at intra-club and inter-school contests, included such topics as whether the President should be elected by a direct vote. The club, which was new to WHS last year, was under the guidance of Mr. David Brown.

Opera Club

The Opera Appreciation Club was an innovation this year. Under the guidance of Mr. John Bauer, the club strived to improve the members' cultural background in operatic music. Toward this end the club discussed current productions and listened to recordings of great operas such as Verdi's *Aida* and Bizet's *Carmen*. Highlighting the year's activities, was a trip to the Metropolitan Opera, which allowed the members to apply their knowledge of musical drama.

Folk Music Club

To keep WHS in pace with the growing nation-wide enthusiasm for folk music, the Folk Music Club was established. Meeting during club periods, the group held hootenannies featuring solo or group performances by its members. Highlighting its activities was a school assembly presented by the club in conjunction with the Jazz Club. Miss Margaret Shaw, Mrs. Patricia Hedstrom, and president Fred Tipson guided the club through its first year.

Originated last year, the Jazz Club is now one of the largest in the school. Guided by Mr. Charles Rivera and Mr. Robert Banks, the club aimed to give its members a broader understanding of modern jazz and its history. Meetings throughout the year consisted of record playing, lectures on the history of jazz from Dixie-land to the present, and performances by club members. In addition to concert trips, the club maintained a record library, paid for by club dues, for the use of WHS students.

Jazz Club

For many years the Mask and Mime Club has been one of the largest and most active clubs at WHS. Under the guidance of Miss Carol Brinser and president, John Sheffey, the club served to stimulate interest in the field of dramatics and to provide ample opportunities for development in all phases of play production, such as acting, directing, make-up, lighting, and business. This year the club produced George Bernard Shaw's *Arms and the Man* for the fall play, assisted in the Christmas tableaux performance, and participated in the spring one-act play tournament in Plainfield. To top off its activities the group travelled to New York for a theater trip and held its annual picnic.

Mask & Mime Club

Art Club

Through studying art techniques and freelancing, and sketching trips, the Art Club aimed to further both an interest and an appreciation in the various art fields. Under the direction of adviser Mrs. Clara Grandcolas and president Karin Beyerstedt, the group heard lectures by artists on different aspects of art, including the restoration of paintings and opportunities for the professional artist. Their program was climaxed by a spring trip to a place of art interest.

Ashtrays, plates, figurines — any of nearly four hundred different projects were available to the members of the Ceramics Club. The group, comprised of students enrolled in the ceramics course, explored and experimented with new ideas and techniques in this field. Under the direction of Mr. John Thompson, the students were afforded a great opportunity to pursue their creative interests as well as gain satisfaction and pleasure from the expression of their talents.

Ceramics Club

Bridge Club

Aided by Miss Paula Straw and Mrs. Genevieve Hill, the members of the Beginners' and Advanced Bridge Clubs strived to improve their bridge game. Members of the Beginners' Club were offered an opportunity to learn the basics of bridge, while the members of the advanced group practiced their skills and learned advanced techniques. In addition to playing during the regular club periods, the clubs conducted after school tournaments with neighboring schools.

Girls' Bowling Club

Fun and relaxation were the keynotes of the Girls' Bowling Club, which met every other Friday afternoon at Clark Lanes. Under the supervision of Miss Laura Brown and Miss Brenda Flahault the girls learned sportsmanship and developed their bowling skills. The year was culminated by a spring banquet and the awarding of trophies for high game, series, and average.

Once each week, fifty-four boys headed toward Clark Lanes to engage in one of the nation's largest participator sports, bowling. Guided by adviser Mr. Robert Dello-Russo and president Dick Gault, the club permits boys who are not necessarily involved in other interscholastic athletics to engage in friendly, but highly spirited, competition. To complete its activities, the Boys' Bowling Club entered the annual Union County Bowling Tournament and concluded with a Father-Son Awards Banquet in the late spring.

Boys' Bowling Club

Chess Club

Providing an opportunity for students to learn better chess, the Chess Club also served to create an atmosphere of competition and sportsmanship. Led by adviser Mr. Milton Barnes, the club participated in the Union County Interscholastic Chess League, in addition to sponsoring a club tournament to determine the school champion. The group also entered the New Jersey High School Team Tournament, for which its prospects were very good, since all of the five-man team which placed third in last year's contest had returned.

Stamp Club

The Stamp Club, under the direction of Mr. Robert Duncan, provided the stamp collector with an excellent opportunity to improve his collection. The club members traded among themselves and obtained stamps from other sources with the assistance of Mr. Duncan. In addition, the members' common interest in philately helped to foster new friendships.

Computer Club

Although small, the Computer Club has interesting and useful activities. Guided by Miss Lois Chew, the members learned the fundamental and advanced techniques of operating various calculating machines. To complete the program, the members were introduced to the operation and programming of digital computers.

Bakers' Club

"Learn to prepare a few popular dishes well. Soon you will find yourself master of many." This is the purpose of the Bakers' Club. Under the direction of Mrs. Joan Testa, the members learn and practice basic baking skills, creating their own "pièces de resistance" during club periods.

Sewing Club

The Advanced Sewing Club aimed to give interested students more time for sewing and to help those students not enrolled in the sewing curriculum. Meeting during the club periods, the girls, aided by Mrs. Louise Kosak, perfected their sewing skills while pursuing various sewing projects. Having mastered the basic skills, the members created attractive additions to their wardrobes.

Knitting Clubs

"Knit one, purl one" is the theme of these two clubs which meet every club period. In the Beginners Knitting Club, under the direction of Mrs. Florence Swink, interested girls learn the rudiments of knitting and practice them while making simple, but useful, articles. When they have progressed sufficiently, they may join the Advanced Knitting Club, which Miss Marjorie Rugen guides. Here they work on such articles as sweaters, scarfs, mittens, and even jackets. Besides doing constructive work, the girls are afforded the opportunity to relax and socialize during school hours.

Aeronautics Club

If you heard model airplanes flying on the playing field during club periods, it was the Aeronautics Club. Supervised by Mr. Milton Luxemburg, the club's objective is to promote and develop an interest in aviation. Through movies, discussions, and flying model airplanes, the members investigated the basics of aeronautics. In addition, the club heard lectures by pilots, aeronautical engineers, and men from the field of aerodynamics.

Model Airplane Construction Club

After seeing several model airplanes constructed by Mr. Tonnesen in the wood shop, several interested boys asked him to sponsor a club for model airplane enthusiasts. As a result the Model Airplane Construction Club was organized with Mr. Bjarne Tonnesen as adviser. The members first produced tool kits and then constructed and flew their own model planes. A contest held at the end of the year to determine the best model airplanes built climaxed the club's first year.

Auto Club for Girls

Unique, strange, but practical, the Auto Club for Girls endeavored to acquaint its members with the basics of auto mechanics. Meeting during club periods, Mr. Robert Dello-Russo instructed the group on tire changing, brake servicing, and car lubrication. In addition, they worked under the hood on such automotive parts as the fuel pump and carburetor. With this experience the girls gained important knowledge of how to take care of minor and yet common problems that may occur on the road.

Earth Science Club

If you are an amateur rock hound, stargazer, or skin diver, the Earth Science Club is the place for you. Under the guidance of Mr. Norman Koury, the club members studied the physiographic, atmospheric, and oceanic phenomena of the earth. Highlighting the year's program were observations of the moon, planets, and constellations through the school's own telescope, and visits to the American Museum of Natural History and the Franklin Mine at Franklin, New Jersey.

Advanced Biology Club

Directed by Mr. John Elder, the Advanced Biology Club gives the able student a chance to study, work, and complete projects at levels beyond that of biology class work. During the meetings the members report on their research and discuss topics of contemporary interest in the various specialized fields of biology.

Microbiology Club

The primary aim of the Microbiology Club was to promote a greater student interest in the field of microbiology. The club adviser, Mr. Joseph Kursar, wished to give their own students an opportunity to explore the field on their own and to complete individual projects. Their meetings included films and speakers in addition to discussions on their various experiments such as the culturing of microorganisms, the environmental effects on bacteria, and regeneration.

Physicians Club

With an awareness of the physician's increasingly important role in society, the Physicians Club was organized last year. Designed to stimulate student interest in the field of medicine, the club's program included talks by local physicians, a lecture on pre-med studies, and a discussion of the work in medical laboratories. Under the direction of Mr. Robert Sanislow, the year's activities were culminated by a trip to Overlook Hospital.

Dedicated and expertly trained nurses are in great demand in today's ever-growing world. Since 1956 the Future Nurses of America Club, under the supervision of Mrs. Valerie Barber, has organized students who feel they would like to meet this demand. During the year, the club members supplemented their program with volunteer work at nearby hospitals. They also heard lectures by guest speakers, who acquainted the girls with specialized areas of nursing. The high point of the club season was a field trip to tour a local hospital.

F.N.A.

Under the direction of Mrs. Barbara Echtermann and Miss Laura Brown, the Future Business Leaders of America Club is a branch of a national youth organization. Through demonstrations and lectures by businessmen and faculty members, and group discussions, the members gain a better understanding of the business world. Field trips to business corporations such as I.B.M., Esso Research, and Bell Labs give the members an opportunity to observe actual business conditions. For those members continuing their education past high school, programs are conducted to acquaint them with local business schools. The year is highlighted by a day spent by members with local businesses.

F.B.L.A.

F.T.A.

The main objective of the Future Teachers of America Club is to acquaint its members with teaching as a career. The J. Isabella Dodds Chapter provides students with first hand, professional information. The club enables the interested students to visit one of the New Jersey state teachers' colleges in the fall and also to visit other Westfield schools for a day in April. The future teachers served WHS by acting as guides on Back-To-School-Night and by helping teachers. Under the supervision of Miss Brenda Johnson and Miss Margaret Bjerklie, the club heard speakers, saw films, and discussed the problems of today's teachers.

Radio Club

If you heard the call "CQ, CQ" or Morse code signals during the day from room 142, you knew that the Radio Club was operating. Directed by adviser Mr. John Roche and president Jeff Porter, the Radio Club was comprised of student "hams" and those interested in obtaining amateur radio licenses. The club offered lessons in Morse code, standard broadcasting procedures, and transmitter and receiver maintenance. For its main project, the club tested and installed a new antenna.

Technicians Club

What adds the final professional touch to many of our stage productions? It is the work of the Technicians Club. Under the direction of Mr. William Hansel, these boys operated the lighting panel and other backstage accessories for assemblies, plays, and concerts. Through the study of color psychology and its practical applications, the members learned to perform the behind-the-scenes magic that transforms the stage into a kaleidoscope of color and sound.

Library Council

The Library Council is an important service organization which provides interested students an opportunity to serve their school as well as learn the operation of a library. A vital part of the school, the library depends upon the council for its smooth operation. Under the guidance of librarian Mrs. Marian Pusak, the club members processed new books, cared for periodicals, shelved books, and created displays. It, however, is not all work for the council, for they enjoy picnics in the spring and fall and have a mid-winter party.

Service Club

The Service Club, comprised of members from each homeroom, endeavors to help others in the community and abroad. Under the direction of Mrs. Lorna MacDougal and Mrs. Frances Sutherland, the club gathered used clothing for the Caney Creek Community Center in Kentucky and collected funds for the Children's Specialized Hospital. In addition, the group packaged gifts for needy children overseas and kept our AFS students informed of the affairs in Westfield while they were away.

The members of the Junior-Senior and Sophomore Slide Rule Clubs learned the various operations of the slip stick during weekly meetings. After mastering the fundamentals, the students applied their skills to practical problems. Miss Dama Hill and Mr. John Montag helped the members to achieve speed and accuracy in slide rule calculations, which are essential in simplifying computations in advanced science courses.

Slide Rule Club

"That other publication is all wet." Photographer Mike Urban sinks to new lows while working for the *Hi-s Eye*.

"Yeah! Yeah! Yeah!" Jim Smith, the first blonde Beatle, exhorts the crowd at the student-faculty volleyball game.

"But they'll never top the class of '63." Mr. Scott holds forth on the shortcoming of the present class.

"You want me to twist?" WHS'ers are caught by the camera at the Senior Superlative Dance.

"Twas the night before Christmas . . ." Mr. Scott's English class enjoys a Christmas party.

"Hurry up, Mark. We've still got two tires to go." Mr. Taylor finds himself in a "tremenjous fix."

"Here comes another care package." Students lower Prom decorations from the art room.

"Have a heart!" Bridge is the order of the day when a group of seniors get together.

"Hold it. I think you're going to like this one." Mr. Berkebille poses one of the many senior portraits.

"Boy, those girls' field hockey games are fantastic!" Physics students calibrate distances on their parallax viewers.

Senior Picnic:

"Oops, there go my pants!!" Seniors Cathy Tice and Bob Graf demonstrate their abilities in the "Hindu Hop."

On October 11, 1963, members of WHS' class of '64 thronged to Westfield's Flushing Meadows, alias Tamaques Park, for their first major event as seniors, the senior picnic. This year the theme was "Senior World's Fair," and all of the activities followed this theme. Mark Taylor, the general chairman, organized and directed the games which were "Russian Roulette," "Hindu Hop," "Blast From Behind," "Civil Rights," "International Relations," "Paris Originals," "Roman Holiday," and "Soft Unisphere." In addition, a huge picnic basket was auctioned and sold to the highest bidder. A large part of the success of this year's picnic was due to its excellent publicity, directed by Fred Onksen.

"Queen for a Day" Senior class vice-president Jim Smith shows the on-lookers the latest "Paris Originals."

After the Fall. Phyllis Doornbos tries to catch a water-filled balloon.

"Does the auctioneer go with the picnic basket?" Karen Olson conducts the picnic basket auction won by Gordon Meigs' bid.

World's Fair

"Who put ants in my pie?" Hungry seniors see who can eat "the mostest the fastest."

"Who says three legs aren't better than two?" Kathy Forbes and Fran Fittipaldi hop towards the finish line.

"Pie today, Metrecal tomorrow!" Sue Matt proves herself to be the "champion pig" of the senior class.

"Lookout Mets, here I come!" Jane Shapiro takes a determined stance in the game of "Soft Unisphere."

"Hey, Al, you've got a rip in your pants!" Under the inspired leadership of 273, the second floor homerooms triumphed. What happened to 106?

"Trapped!" Miss Theurer gets her man.

"And to think we gave him a 'Good Guy Sweatshirt.'" The camera immortalizes detention hall.

"Plug it in. See?" Mr. Ellis conducts an algebra class.

"I'll see you Joan and raise you five." Joan Waltermire, Janice Catalanotto, and Scott Miner gamble away Senior Play ticket money.

"Look lady, I thought 35 from 50 was 15." The lunch line ends at the cashier.

"The boys' gym class will now present their interpretation of Stravinsky's *Rite of Spring*." The Skins challenge the Shirts in gym class basketball.

"Who me, work? Ha." Joan Waltermire struggles home after a trying day in the yearbook office.

"All's quiet in the gravel yard." The research work everyone forgot to do over the weekend starts to shape up at ten after eight Monday morning.

"Every little bit helps." Gayle Strange uses Liz Kahn as a dummy as she demonstrates make-up technique to a speech class.

"Batter up!" In the Spanish club the Christmas season is celebrated with the breaking of the piñata.

"Aw, come on, kid, let my finger go." Doug Horne undergoes the dental checkup ritual.

"Reaching for the stars . . ." Kit Peck puts up the sky for a WHS dance.

"Now, little girl, tell us about the toothpaste test at your school." Carol Henry, drum majorette, and Shari Galligan, cheerleading captain, rehearse for a pep assembly.

"What's big and green and lives in the sea?" Dennis Brotman indulges at the band picnic.

"See Spot run." Bob Haig explains a point to fellow classmen.

Close Up

"Move the fences in." Wes Allman waits for the big one.

"Come on, Schmidt. You've got to have a good-looking one." Bob Kass elucidates on the talents of Herbie Mann.

"Sophomores get smaller every year." Hank Barrows awaits the Salvation Army.

"Cigars, cigarettes . . ." Gail Falkenberg impersonates the model girl athlete.

"Look deep into my eyes." Rick Shapiro puts his abilities to work on the make-up crew.

Senior Play

The stage at WHS assumed oriental splendor on the evenings of February 8 and 9 as the senior class presented their class play, *Lute Song*. Chosen for its unique qualities and ample opportunity for student participation, the drama revolved around the inner turmoil of a young Chinese scholar, forced to abandon his home life for the Imperial Court.

Miss Carol Brinser, aided by Candy Small, Sandi Duncan, and Gwen Andrews, directed the cast of 75 with the lead roles played by Vicki Hsu, Jim Smith, Craig Miller, Charles Henderson, and Dorothy Croker. Led by high ticket salesman Bob Haig, the ticket sales reached a record for senior plays.

"Honorable ladies and gentlemen . . ."

"My son-in-law, I am much too cognizant of your inclinations to risk allowing you to make this journey."

"Honorable parents of my husband, your servant brings your food."

The royal family and their servants.

"In you I salute a being more faithful than any I have known."

"Have you no wish to play of love and joy, my Lord?"

Miss Brinser explains some stage business to the student directors and committee chairmen.

"This family will become a menace to public decency! Six rations!"

The cast and crew are given some last minute pointers.

"At least you can't use it for a bookcover."

"I want to hold your hand!"

Around

"Gee, ten minutes and I've only read 876 pages."

"Flash ... Taylor's Tennis Balls up $3\frac{3}{8}$."

"Come on, don't bother us while we're studying."

the Halls

"Let's see, you can be best-looking, and I'll be most popular."

"My first acceptance."

"The administration will censor that number."

"You're destroying half the education a WHS student gets."

"I didn't know we had rats in this school!"

"Miss Brinser receives her monthly pittance."

"Now be sure to give us twenty minutes to get out!"

"Go directly to jail . . . do not pass go . . . do not collect \$200."

"What do you mean *War and Peace* is an overnight book?"

"With all the bacteria on these floors, we should be able to get some good recordings."

The Latin Club celebrated the Liberalia.

"We Tareyton smokers would rather fight than switch."

International

Carnival

"Looks like Watchung Stables."

The Mardi Gras was the theme of the French corner.

The Spanish Club celebrated the Fiesta de la Virgen de la Macarena.

"Adios muchachos companeros de mi vida."

The language department celebrated its third annual International Carnival with a cosmopolitan mixture of Europe's most famous holidays: the German Beer Festival, the French Mardi Gras, the Spanish Fiesta de la Virgen de la Macarena, and the Latin Liberalia. Under the direction of general chairman Bob Haig, each language club prepared songs, dances, skits, and decorations relative to its theme. Refreshments typical of the cuisines of the four countries were served in the boys' gym while the entertainment was presented in the varsity gym. Highlights of the evening included a Roman chariot race, a French can-can dance, a Spanish bullfight, and German songs and dances.

"Alms for the poor."

The German Club dramatized the Munich Beer Festival.

Finally We're

"Senior class 4-H awards." Bob Haig, Randy Blair, and Allen Waltman receive their "hero badges" for being the three highest Senior play ticket salesmen.

"What you've got to have for tuba playing is lots of lung space." Rick Thiele is caught by the candid camera.

"Get me to the church on time." Jim Noonan comes forward to receive his Senior superlative award.

"This was in the lost and found with your name on it." Class president, Doug Eakeley, presents Alan Dunning with 273's prize for high homeroom in Senior play ticket sales.

"Mr. Duncan forgot to schedule us!" Mark Rowe poses with his football squad.

Seniors!!!

"Shoot man, you don't tell any senior where to sit!" Seniors file into the auditorium.

"Put this kid on Metrecal." In one period 583 seniors were measured for caps and gowns.

"Hey, wait a minute. I can't swim!" Seniors give Doug Eakeley a helping hand to swim practice.

"V for victory ... their finest hour." Seniors beat the "fuzz" at their favorite game.

"I always wear a straight skirt on the wrong day." While the sophomores and juniors stand, the seniors take their seats for a pep assembly.

Westfielders

"Wait a minute, that bell was for study lunch!"

"We throw all our no-deposit bottles in the parking lot."

"Stand still while I make you into a mouse!"

"Gee, the faculty's got coed gym classes. Why can't we?"

"W-E-S-T-F-I-E-L-D"

on the Move

"The loser has to eat this lunch."

"I forgot to tell you, I dropped that one."

"Is this the line for marriage licenses?"

"The Return of the Native to The Glass Menagerie."

"Ho, ho, ho, and a bottle of . . ."

"A cynic guards his hub caps."

Arabian Nights . . .

"In an atmosphere of Arabian Nights . . ." General Prom chairman, Vicki Hsu, welcomes Prom-goers in the receiving line.

On May 3, 1963, the classes of '63 and '64 entered the mysterious and romantic world of the "Arabian Nights." Pink and gold murals depicting the Eastern skyline, a harem, and fanciful genies, golden domed towers which graced the walls, and a market place filled with genuine Arabian wares provided an oriental atmosphere. Thanks were due to Vicki Hsu, general chairman of the Prom, and to her committees for taking us on a flight into the magical East.

"Do you think they got our corsages at the same place?" Judy Belluscio and Carol Henry bring in some of the many flowers.

"Let's stop this segregation and get to work." The decorating committee takes a break.

Through the Looking Glass . . .

"Do I get a silver star on my forehead too, Lee?" Lee Schlesinger, general chairman, discusses prom arrangements with his committee chairmen.

"Gee, did I get paint on my feet?" Under Mrs. Schenk's direction, the art committee paints the large wall murals.

From the Mad Hatter's tea party to the Queen's garden the ins and outs of Alice's Wonderland provided a charming setting for the 1964 Junior Prom. Alice and the White Rabbit acted as guides on the evening of May 8 and took us into the fantastic world of Cheshire cats and Mad Tea Parties. Lee Schlesinger and his capable committees were to be praised for the Class of '65's memorable Prom.

"You really don't know how hard this job is." Members of the decorating committee cut the many feet of crepe paper.

"This is going to be the best prom ever!" Bill Mamen presents one of the large flats.

Mid-Winter Ball

"Did I really win?" Student Council president, Bill Elcome, congratulates Joy Brown on being elected Snow Queen.

"Presenting the '64 Snow Queen."

At the conclusion of a week of extensive study and application in the sphere of academic endeavor, the annual Mid-Winter Ball was held on January 25, 1964, in the varsity gymnasium. The motif was an evening in the Swiss Alps, and music was provided by the sixteen piece University of Pennsylvania dance band. The highlight of the ball was the crowning of Joy Ann Brown as Snow Queen. In addition to providing an enjoyable and successful evening, money was obtained for the support of our American Field Service student.

"You twist so fine!"

"Yes, sir, this bass belonged to my great grandfather." This is only part of the sixteen piece band.

Students Ham It Up

"What's new, Al?" Allen Waltman does some research in the library for his history current events report.

"Well, Beege, you're finally taller than somebody!" Barbara DiTrollo, Joan Waltermire, and Vicki Hsu clown it up at Girls' Citizenship Institute.

"That's right, I'm taking a major in guitar." Cortney Colletti entertains some girls while on the way to a folk singing session.

"See Mr. Scott read. Will Mr. Scott approve? Mr. Scott probably will not approve."

"Wait'll he sees what's on his seat."

"This is a genuine Greek plate made in Japan." Leslie Thompson tells fellow students about her experience in Greece as an AFS'er.

"I'll give you one more chance, who is the greatest?"

"My petition only had one signature — Miss Theurer."

"In case of fire, women, children, and Democrats first."

"I use Cover Girl make-up."

"Hey, Mark, what do I do now?"

"Our first voluntary assembly."

Funny Side

"How marvelous to see you . . . hey, Bob, who was that?"

"Honest, we found it in the dumb waiter!"

"Let's see, fanaticism, fancy dress, . . . ah, *Fanny Hill!*"

"This month the biology department has its exhibit in the display case!"

"Heave ho, in ya go!"

"Whatever you do, don't leave the gate open!"

Each Student Contributes

"You see, it's better if you look at it my way." Perry Samuels, *Hi's Eye* co-editor, offers some advice while the staff works hurriedly toward a Thursday deadline.

"The only thing that could save us now is a fairy godmother." The sewing curriculum's fashion board meets to plan the 1964 fashion show.

"And, we have parties till four in the morning!" At the AFS assembly Leslie Thompson, Sheila Klaiber, and Rosa Machado, our foreign exchange student, tell about their experiences.

"Darling," she sighed, as . . . The book store is a busy place.

"We're coming, Mr. Hapeman. Watch out!" The traditional Thanksgiving pep rally ends with the bunny hop.

to School Life

"Oh, look. A new routine!" The band performs during half-time.

"Elder's bait and tackle . . . come on in if you can stand the stench." Biology II students dissect the shark.

"Well, you guys *might* beat the Mets." Mr. Koury gives the baseball team some pointers.

"Hoist the mainsail and lower the captain." The boys wonder if they can get it out of the wood shop.

"On the first shot of the gun the boys will start running. On the second shot the girls will start chasing them." The girls listen to instructions at the Senior Sister picnic.

"Bear in mind your labor is for future hours."

Richard Horne

The Class of 1964 has not come to an end, but to a beginning. The lessons to which we have been exposed during the past three years now become the guidelines for our future living. Whether our paths lead to business, higher education, or the service, these labors and pleasures have prepared us for our role in this complex age.

It has been the privilege of the *Weather Vane* staff to chronicle the events of the past year at Westfield High. The molding of a yearbook can be difficult work, but it was made far easier by the many pleasurable moments that have been shared by a group working toward a common goal. On behalf of the staff we express our sincere appreciation to our dedicated advisers, Mr. Frank X. Scott and Mrs. Betty H. Schenck, and the many others who have helped in various ways, particularly our tireless photographer, Jim Atherton.

To each of you we offer our thanks for your support and best wishes for the future.
