LIBRARIAN'S ANNUAL REPORT.

For the Year There Have Been 29,402 Books Circulated.

The Board of Trustees Free Public Library, Westfield, N. J., have the honor to submit their first annual report as Librarian of the Free Public Library.

The Library contains now about three hundred volumes of which have been added since last April. This is due to the fact that during the past year no additions of books were made. Many of these new books are of great value, notably "The International Encyclopedia," 20 volumes; "The Round-McNally World Atlas; Lord Dunsany's 'The Gods of Pegana'; Gibbon's 'Rome,' and many others.

During the year there have been 39,402 books and magazines— an increase of 4879 over the circulation of last year. Of these 2499 were so-called reference books—history, biography, travel, philosophy, essays, poetry, technical books, art, music, religion, etc. This is a gain of 838 over last year and is a most gratifying and efficient item of progress.

The reading room has been well patronized at all times.

In accordance with the plan approved by the Board of making the library of special help to the public schools, the Librarian and the teachers have been consulted by the Librarian, lists prepared and submitted and numerous books added with special reference to the needs of the schools.

Fifty books have been bought for a "collection" of latest fiction. This collection is increasingly popular and is to solve the troublesome fiction problem.

A technical department is a new feature of the year's work. About thirty names have been advertised and these being used by persons who have not visited the library.

During the year, 495 new names have been added to the list of borrowers, and regret to report the loss of about twenty-five books, mostly juvenile; fifteen of these were destroyed by having been exposed to contagion; rest by removals and the usual losses; two of them were paid for by borrowers—some of the others may be recovered.

Through the courtesy of the local book stores new books are advertised each week.

The Library is indebted to Mr. William Tuttle, Jr. for most generous donations of magazines throughout the year.

The Woman's Club has added to the library its yearly gift of valuable books. The Methodist Sunday School, Doctor Peyton Morgan, Dr. Coles, Dr. Kinch, Mr. Peckham have all contributed.

HOME DEPARTMENT MEETING.

Representatives of Local Schools Confer at Congregational Church.

A meeting was held in the chapel of the Congregational Church, on Monday evening, April 19, in the interest of the "Home Department," a very important department of the modern Sunday school. Representatives of four schools were present: Congregational, Methodist, Presbyterian and A. M. E. Zion.

Mr. Walter M. Irving presided. A welcome was extended by Dr. Loomis, of the Congregational Church. After a very good address on the work of the Home Department, by Rev. A. E. Finn, of Plainfield, a conference was held, which was participated in by Dr. Loomis, Mr. Johnston, Superintendent of the Methodist Sunday school, Rev. W. D. Robeson and others.

Many new members have recently been added to the Home Department of the Methodist school, Mrs. R. F. Hohenstein is superintendent of that department. Schools that have not as yet organized a Home Department are planning to do so, and the Home Department connected with the schools here, hope soon to enroll as members all the people connected with their various congregations who are not members of the Sunday school.

The Home Department has increased very rapidly in America, in recent years. In 1899 there were 4,497 departments with 182,628 members, while at the International Sunday School Convention held in Louisville in June 1908, there were reported 16,073 departments, with 557,634 members.

Last year New Jersey reported 670 departments with 29,434 members, whose voluntary contributions for Missions or Benevolent Work amounted to \$12,039 while the expenses to the Schools for the Home Departments was only a little more than \$3000.

Italians in a Street Fight.

John Long, Jr., and Patsy Bruno, Italians, had a fight on North avenue, Saturday night, and were arrested by Sergeant Caulfield. Recorder Toney held them in \$200 bail to await the action of the grand jury. The charge of carrying concealed weapons is preferred against them. Neither was seriously hurt in the mix-up.

CARNEGIE'S GIFT ACCEPTED.

Provisions Less Exact Than Those of State Law for Library Maintenance.

BUSINESS IS RUSHED THROUGH.

A Storm Sewer Will Relieve Conditions in Embree Crescent But the Town is Unable to Build It.

The Common Council disposed of a few matters of business in double-quick time, Monday night. It might have been a different proposition if a quorum had been present, but Councilman Hohenstein was abed with grip, and Councilman Wilson was absent for some reason, and questions which could not be decided without the affirmative vote of the entire council had to be laid over until another meeting. For this reason the meeting adjourned until next Monday night.

In connection with the recent gift of \$5000 made by Andrew Carnegie, the Council voted to accept the provisions of this gift, which as explained in a previous issue of the STANDARD will not increase the tax rate, as the state law provides that even a larger amount than the \$1500 called for by the Carnegie provision shall be raised annually for the maintenance of the Free Public Library.

The proposition of Town Clerk Lloyd Thompson to lease the Standard Building to the Town for a term of five years was referred to the Property Committee of the Council with power to investigate and to report back its findings to Council, with recommendations. This committee will report at the next meeting.

Recorder Toney reported \$14 collected in fines in court for the month of March.

W. H. Barton asked permission to remove the frame structure from in front of the former Taylor stables, where he desires to build a brick building connecting with the cement structure in the rear. Mr. Barton also asked that his sewer connection be transferred to the Taylor property. The request was referred to the building inspector, surveyor and road committee.

A petition for the extension of the sewer in Lawrence avenue, received from W. A. Marsh and others, was referred to the sewer committee.

A deed for the dedication of May street was received and referred to the law committee.

Councilman Affleck of the road committee reported that the Public Service Corporation had started in to resurface the streets of the town through which its tracks are laid and that work was now going on on Summit avenue. Mr. Affleck reported that the company would fix the Belgian block pavement in Broad street and use concrete between the switches.

Upon recommendation of the road committee, council granted the right to the Home Construction Company to pave certain streets in the former Cory property on Mountain avenue, the town agreeing to pave the street intersections.

The clerk was instructed to write the residents of Embree Crescent that a storm sewer for that section to care for the water from the Golf Club grounds, would cost about \$400, and that the town did not have the money to build the sewer, but if the citizens desired to pay for the sewer by assessment a petition could be sent in and council would have the work done and assess it against the property owners.

L. D. Calkins, the Faber-Lewis Company and others petitioned Council for a grade for Highland avenue, from Mountain avenue to Westfield Gardens. A petition was also received to change the grade of Highland avenue north of the Olank property to Hillside avenue.

The Broad street brick pavement assessment was returned to council without correction. The hearing to be given by council upon the report of the assessment commissioners will take place on the evening of May 17. An ordinance to vacate a section of Embree Crescent was passed upon second and final reading.

Councilman Davis complained of the searchlights used on the trolleys through the business section. Mr. Davis was instructed to take up the question with the Public Service Corporation and also the question of the company using its cars through the town for the purpose of carrying express and freight.

The tax ordinance was laid over until the next meeting.

TO-MORROW IS TAG DAY.

If You Are Tagged, You Must Drop Your Contribution to the Country Home in the Mite Box.

YOUNG LADIES' AUXILIARY IN CHARGE.

From Seven A. M. to Nine P. M. Boys and Girls Will be Tagging Houses, Automobiles and People—An Innovation Here.

Under the auspices of the Ladies' Auxiliary to the Managers of the Children's Country Home, a new feature will be added to the program of receiving contributions for that worthy institution, tomorrow, when Tag Day will be observed. From early morning until 9 o'clock at night one hundred industrious young boys and girls will tag people on the street, visit them at their home and even hold up automobiles—this so that they may place a tag on them, and hold out a mite box in which is to be dropped a contribution to the object. There is no fixed price for wearing a Tag. Everyone is invited to give according to the size of his heart and pocketbook.

Tag Day is a new feature locally, but in many towns and cities throughout the country it has been a custom for many years. In some cities the day is arranged by business societies in the interests of one or more local philanthropic institutions, and always with good results. A large sum of money is raised annually for Christ's Hospital, Jersey City, in this way.

In Westfield, the innovation promises to be a splendid success. The Churches are interested, and the people generally, because of their loyalty to the Home, are eager to help in the work. Business men of the town have cooperated with the young ladies who are planning the day's program.

The young ladies of Westfield who formed a little sewing society to make articles for the December Children's Home Fair and who were so successful in the Labor Day booth at the Fair determined to continue their organization and good works. They therefore formed themselves into the "Young Women's Auxiliary" to the Board of Managers of the Children's Country Home and it is they who will introduce into Westfield tomorrow, the features of Tag Day. They have enlisted the aid of many young people, who, if the weather be pleasant, will make our streets lively, and none we hope will refuse to be "tagged" in such a good cause.

The auxiliary has established headquarters at Casey's drug store. They will be assisted by one hundred boys and girls, who have volunteered to distribute tags. Each of them will be supplied with a mite box and a number of small tags, bearing the date and the name of the Charity. Every train taking commuters to and from New York will be met at the Westfield depot, beginning as early as 7:08 a. m.

To accommodate the Ladies Auxiliary, the Peoples Bank will remain open until 6 o'clock to receive the contributions received at headquarters.

TO FIGHT SUNDAY LAND SALES.

Board of Trade Passes Resolution Condemning the Practice.

The Westfield Board of Trade entered a stout protest against Sunday land sales in this place, at an adjourned meeting in the Standard Building, last night. Following a denunciation of the Sunday sale business by Arthur N. Pierson, the Board passed resolutions condemning the practice. Every effort will be made to keep the land speculators who last summer gave free excursions to the Graceland tract, where land was bartered by a system which dodged the Sunday laws, from again plying their trade in this place. In this connection, the matter will be taken up with the Central R. R. authorities.

There was a large attendance at the meeting. The date of the dinner was held open, awaiting advice from Governor Fort who has said that he will be present. Revisions to the Constitution and By-Laws were read and laid upon the table until the next meeting, when they will be acted upon.

Fireside Council's Prize Awards.

The prizes to members of Fireside Council, Royal Arcanum, were awarded last night, as follows: G. W. Fredricks, pillow; O. W. VanBuskirk, scarf pin; E. J. Hanford, R. A. pin. Following the awarding of the prizes an entertainment was given which was enjoyed in the superlative degree.

TO TARRIA THE STREETS.

The Common Council Passes Sixteen Ordinances on Second and Final Readings.

BIDS TO BE RECEIVED MAY 3.

Only a Few Objections to Improvement, Cumberland Street Property Owners Think It Unnecessary.

Sixteen ordinances to place tarvin upon streets to improve the condition of the roadways were passed upon second and final readings by the Town Council at a regular meeting Monday night.

Ella M. Lambert sent in her written protest against the passing of the ordinance to put tarvin on the street. She complained of the odor, of the increased expense, etc. Alfred Boyd and twelve other property owners on Cumberland street complained against the placing of Tarvin on that street, which it was stated, was not much traveled. To make the property owners pay the expense, would be unfair. For these reasons, Councilmen Malsbury and Davis, of the Fourth Ward, opposed the passage of the ordinances covering Downer street, South Broad street, and First street from Westfield to Rahway avenues. The ordinances were passed, however, but the ordinance providing for the placing of Tarvin on Cumberland street was held up until next Monday night.

The streets to be treated with Tarvin are as follows: Carlton road, Elmer street, Academy place from Boulevard to Summit avenue, Central avenue from Broad street to Lenox avenue, Westfield avenue from South to Washington avenues, First street from Westfield avenue to Rahway avenue, Charles street from Clark street to North avenue, Quimby street from Elm street to Central avenue, Orchard street from Elm street to Mountain avenue, South avenue from Summit avenue to Ross place, Dudley avenue from Mountain avenue to a point 1,000 feet southwest of Clark street, Ross place from Central avenue to Boulevard, Stanley oval, Euclid avenue from North to Mountain avenues, Clark street from North avenue to Edgewood avenue, Boulevard from South avenue to Grove street, Lawrence avenue from Mountain avenue 800 feet north of Dudley avenue, and Lenox avenue from Elmer street to Euclid avenue.

Ordinances to place Tarvin upon roads were introduced and passed upon first readings as follows: Broad street, from Stanley oval to Walnut street; Broad street, from Westfield avenue to South avenue; Park street, from Summit avenue to Central avenue; Mountain avenue, from Broad street to Euclid avenue.

Ordinances to place oil on the streets were introduced and passed upon first readings as follows:

Broad street from Central avenue to Stanley oval; Broad street, from South avenue to Scotch Plains road; Park street, from Summit avenue to Rahway road; Downer street, from South avenue to Union road, and Mountain avenue, from Euclid avenue to Mountain side.

Ordinances to place oil on Elm and Prospect streets, from North avenue to Broad street, were held up for further consideration, the majority of Council not favoring oil for streets connecting directly with the brick pavement in Broad street.

Council decided to receive bids for the improvements of the roads with Tarvin and oil treatments, on Monday evening, May 3.

I. O. S. Anniversary Dinner Wednesday Night.

The I. O. S. of Westfield will celebrate their seventeenth anniversary by a dinner and dance in the Log Cabin Room of Healey's Restaurant, New York, next Wednesday evening. The ladies will be on hand to help make memorable the occasion.

Arnold—Bromley.

The marriage of Miss Mary Warren Bromley, daughter of Mr. and Mrs. Isaac Bromley, of New Haven, Conn., to Douglas Cole Arnold, of this town, took place Wednesday evening at the United Church, New Haven, at six o'clock. A number of Westfielders attended the wedding and the reception which followed at the Bromley home.

HOBOS MAKE A HAUL.

Enter Six Houses on Boulevard and Summit Avenue and Steal a Quantity of Silverware.

SOME MONEY ALSO TAKEN.

Town Attorney Oliver Heard Suspicious Noises and Telephoned Police—Worked in Stocking Feet.

Fastidious burglars plied their trade in this place, early last Saturday morning. They gained entrance to six homes on the Boulevard and Summit avenue, and stole a quantity of silverware and some money. Entrance in each case was made by a rear window, and the men confined their operations to the kitchen and butler's pantry.

At the home of Town Attorney Paul Q. Oliver, the burglars made the biggest haul. Here they procured about \$350 worth of silverware, and carried off a drawer of the side-board. Some of the stolen property was found strewn about the lawn of adjoining properties later in the morning, and the drawer was found in the woods, some distance from the scene of operations.

Lawyer Oliver was aroused from his sleep shortly after two o'clock by suspicious noises, and fearing that burglars were below, he cautiously made his way to the telephone and notified the police. Men were hurriedly sent from head quarters, but the quarry had escaped with the booty, and the only evidence of their presence were the looting which they had done, and the tracks of stockinged feet across the lawn.

Later in the day the police were informed that other homes in the neighborhood had been entered. Councilman Robert H. Middleditch suffered the loss of \$200 worth of silverware (all insured); \$19 in money was stolen from the home of John Tinkey, of Summit avenue; at the home of Theodore Pleister Summit avenue, two pocket-books containing \$15 in money, and two bank books, one of the Westfield Trust Co., and the other the Fidelity Trust Co., of Newark, were stolen; the burglars were satisfied with the whole sum of fifteen cents, stolen from the home of W. L. Canfield, Summit avenue, and at the home of T. M. K. Mills they got stage fright.

The burglars, it is thought, are hobos, who know enough about the art to work the first story. They must have gone about their business very cautiously, for in the cellar of the Canfield home there was a spirited Boston bull terrier, whose business it is to growl and bark whenever he hears a passing footfall. During the burglarizing the pup never so much as whined.

The police have been busy searching for clues, but at this writing no evidence worthy of the name has been secured. Chief O'Neill desires to caution all property owners against carelessness. An effort should be made to have all windows and doors bolted and locked each night. Westfield has been particularly fortunate in respect to the small number of burglaries committed within recent years, and the judicious exercise of care on the part of property owners will assist the police. When a burglar can gain entrance to a house without disturbing the inmates it is pretty certain that some one has been careless.

L. A. BUDELL A VICTIM OF APOPLEXY ABOARD SHIP.

Westfield Man Succumbs While on Business Trip to Italy.

Louis A. Budell, of Fourth avenue, Westfield, died suddenly of apoplexy on board the steamship Koentgen Louise, of the North German Lloyd Line, last Sunday. Mr. Budell was on his way to Italy where he expected to remain during the summer months. He was to have been joined there later by Mrs. Budell and two daughters. His family here were advised by cable, and the body will be shipped home.

Mr. Budell was born in Germany, June 19, 1830, and came to this country when a boy. He was a veteran of the Civil War, and was with Sherman's army on his "March to the Sea." Mr. Budell had lived in Westfield for over thirty-five years. His business kept him much of the time abroad, and he had crossed the ocean nearly fifty times. He is survived by a wife and seven children: four daughters, Ada, Janet, Beatrix and Hortense; and three sons, Louis, Alfred and Victor.

MARATHONS CLOSE BASKETBALL SEASON WITH A VICTORY.

Win Third Game From the Alpha Sigma's
by Score of 50-12.

The Marathon A. A. basketball team won the last game of the season which was played with the Alpha Sigma five last Friday night, at the Casino, to the tune of 50-12.

Mr. Heinicke used the whistle quite frequently and the players made him hustle to keep out of the way. The Marathon five has made great progress in the art of playing basketball in the past season and is going to turn out one of the best teams in this vicinity next year. The large audience which attended the game saw one of the best games of the season, and then enjoyed a dance which lasted until twelve-thirty in the morning. The line up:

No Rest Day or Night

"I would lay awake for hours without any apparent cause, or dream terrible dreams which would bring on extreme spells of nervousness. After taking Dr. Miles' Nervine and Tonic for awhile I could sleep well, and the nervous spells have left me." MISS ALMA HUG, R. R. No. 4, Canal Dover, Ohio.
Without sleep the nervous system soon becomes a wreck, and the healthful activity of all the organs obstructed. Restful, body-building sleep accompanies the use of Dr. Miles' Nervine because it soothes the irritable nerves, and restores nervous energy. When taken a few days according to directions, the most restless sufferer will find sleep natural and healthful. Get a bottle from your druggist. Take it all according to directions, and if it does not benefit he will return your money.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

"It is astonishing," remarked a well
 known authority on Diseases of the skin,
 "how such a large number of people,
 especially ladies, are, by attractively
 written advertisements, induced to pur-
 chase some one of the many so called
 Beauty Creams now on the market, not
 knowing, of course, that they mostly
 contain oily or greasy substances that
 clog the pores of the skin, and are, for
 that reason, the very worst thing that
 they could possibly use. My treatment
 of Pimples, Blackheads, Blisters and all
 eruptions of the skin, are as follows and
 has invariably proved very successful.
 Wash the face carefully every night
 before retiring with warm water and
 a little oat meal tied up in a small cloth
 bag, then, after drying well, use the
 following inexpensive and perfectly
 harmless prescription, which can be
 filled at any Drug Store. Chloroform ½ oz.,
 Ether 1 oz. Alcohol 7 oz. Use this mix-
 ture on the face as often as possible
 during the day, but use night and morn-
 ing any way, allowing it to remain on
 the face at least ten minutes, then the
 powdery film may be wiped off. Do
 not wash the face for some little time
 after using. By following this simple
 treatment, you will soon have a clear
 and Brilliant Complexion.

MISS LOUISE BAKER SURPRISED.

Friends Pay Her a Visit at Home of Mrs.
 Paul Schladsensky.

Miss Louise Baker, of South Avenue,
 received a linen and variety shower at
 the home of Mrs. Paul Schladsensky, on
 Elm Street, last Saturday afternoon.
 The shower, which was a total surprise,
 was arranged by Mrs. Paul Schladsensky
 and Mrs. E. E. Baker.

Mrs. Schladsensky's home was deco-
 rated with Japanese umbrellas, lan-
 terns, etc. Miss Baker was greeted by
 over seventy guests from Westfield,
 Plainfield, Newark, Elizabeth and New
 York City. At the appointed time, Miss
 Baker was seated beneath a large
 Japanese umbrella, which was suddenly
 let down, showering many handsome
 and useful gifts upon her. Master
 Horace Baker and Miss Louise Baker
 proceeded Miss Baker to her seat, draw-
 ing a basketful of gifts which the
 large umbrella could not hold. The
 afternoon was concluded by selections
 on the piano by Miss Escombe, a recita-
 tion by Mrs. John Locke and refresh-
 ments.

AUTO RUNS DOWN CYCLIST.

Norman Smith Hurt in Collision With Mr.
 Ketcham's Touring Car.

Norman Smith, of Clark Street, was
 run down by Mr. J. C. Ketcham's tour-
 ing car, last Sunday afternoon at the
 corner of Prospect and Broad streets.
 Smith was riding a bicycle along
 Broad Street, toward Elm Street, when
 at the corner of Prospect Street, Mr.
 Ketcham's automobile (driven by him-
 self) swung down upon him from Prospect
 Street. It struck the rear wheel of
 Smith's bicycle upsetting him; the
 front wheel of the auto ran over his leg
 at the knee and the rear wheel over his
 foot. Smith was slightly bruised by
 reason of the accident, and his bicycle
 was destroyed.

The Old Depot Building Plot Sold.

David Haylor purchased this week
 through the agency of Walter J. Lee
 of the "Flatiron Building" the fifty-
 three frontage on Elm Street and seven-
 ty-nine feet on Quimby Street and the
 building known as the "Old Depot" of
 the Central R. R. of N. J. Mr. Haylor
 is a great believer in the future value
 of Westfield and is carrying out the
 lines as laid down by his elder brother
 Frank, and who was his predecessor in
 purchasing in Westfield, he having
 bought the corner lot of Boulevard and
 Washington Street, through Mr. Lee
 sometime ago.

Mr. Lee has also sold for Harry Un-
 gerer his house and two acres on Wood-
 land Avenue to a New York party.

IMPORTERS RETAILERS

Our Department of
Decoration

WE employ a corps of experts in connection with our Upholstery Store whose
 business it is to plan and scheme for you in the proper decoration of
 your home.

In this department you may be relieved of all or much of the worry of furnish-
 ing a new house, or refurnishing an old one, or of simply decorating a room—most
 people know how much worry that is at times.

Our experts will relieve you of as much of the burden as you elect, going so far
 as to map out the decorative scheme and indicate the colors that will be appropriate
 and harmonious, select the furniture, carpets and draperies, make them up for you,
 hang them, completing your home even to the wall ornaments, pictures, art goods,
 and books if you say so.

This is a service that we cannot overestimate.

We will be glad to have you confer with our Department of Decoration.

Put Your Furs in
Cold Storage

Ours is the only cold storage plant in the State of New Jersey, and it is located
 right here in our building and is constantly under the direct supervision of an
 expert furrier.

Only recently we have enlarged this plant to double its former capacity to keep
 pace with the growing demand being made upon us for cold storage.

Our methods are scientific and insure absolute protection against everything
 that could possibly affect the brilliancy, luster or life of furs. We protect them from
 the ravages of moth, the injury wrought by climatic changes, and keep them in a
 wholly sanitary condition. Besides we protect them against fire or theft.

Think of the satisfaction to be able, when Fall comes, to take your furs out in the same fine condition
 in which you left them with us, all ready for use.

Our charges are extremely moderate—you will be surprised at the little it costs for the great amount of
 protection we give you.

In addition to furs and fur-lined overcoats, we store other apparel and rugs and draperies.

During the Summer we will be glad to remodel or repair your furs in the most expert manner, modeling
 them according to the latest edicts of fashion.

WHEN HER BACK ACHES.

A Woman Finds All Her Energy and
 Ambition Slipping Away.

Westfield women know how the
 aches and pains that come when the
 kidneys fail make life a burden. Back-
 ache, hip pains, headaches, dizzy spells,
 distressing urinary troubles, all tell of
 sick kidneys and warn you of the
 stealthy approach of diabetes, dropsy,
 and Bright's disease. Doan's Kidney
 Pills permanently cure all these dis-
 orders. Here's a proof of it in a West-
 field woman's words:

Mrs. C. E. Simpson, 59 Elmer St.,
 Westfield, N. J., says: "For a long
 time I had such acute pains in the small
 of back that I could hardly get around.
 Dull headaches and dizzy spells also
 bothered me. Upon arising in the
 morning I felt just as tired as when I
 went to bed. My whole system seemed
 to be run down. A physician whom I
 consulted told me that my kidneys were
 disordered but that my medicine did not
 help me in the least. I at length learn-
 ed of Doan's Kidney Pills through a
 friend who spoke highly of them and I
 decided to try them. The first box
 brought me great relief and when I had
 used several more, there was not the
 slightest symptom of kidney trouble
 remaining."

For sale by all dealers. Price 50 cents.

Senior Class Enjoys a Spread.

The Senior Class (1909) of the West-
 field High School held a spread last
 Friday evening in Mr. F. A. Taggart's
 automobile garage on Clark Street. All
 arrived at about nine o'clock and had
 "a jolly good time," until eleven
 o'clock when refreshments were served.
 During the ice cream and cake course
 Mr. Springstead, Mr. McCutcheon,
 Miss Markley and Miss Mann, the mem-
 bers of the faculty present, each made a
 speech. Later the class, having given
 "Three cheers for 1909, and the class
 spread!" dispersed for the night.

SHOO-FLY! YOU'RE A GERM PURVEYOR!

That bothersome little house fly, which has no excuse for living, anyway, has been placed in the category with the Jersey Mosquito of Salt Meadow fame—a purveyor of deadly germs—and science is now endeavoring to discover a way for its extermination. Recent investigations show that ordinary house flies have been found carrying 880,000 bacteria a piece—this from an examination of twenty-six dwelling-house flies—and other species are said to carry an average of 420,000 bacteria.

Organizations all over the country, and particularly Merchants' Associations, are on the war path. The fly must go. But the great problem is how to get rid of it. As in the case of Mosquitoes, it will cost a pretty penny. Boston has voted \$100,000 for the purpose, and in other of the larger cities where flies are an abomination, money is being appropriated. In Pennsylvania it is a matter of economy. A Germantown resident caught typhoid fever and sued the city for damages. An entomologist convinced the jury that his client had contracted the disease from flies which had carried the infection from a polluted stream to the food exposed in the plaintiff's house. The man won his suit and the city had to pay the damages. The Quakers figure that it is cheaper to exterminate flies than to be involved in costly litigation.

In this connection, we shall expect soon to hear from New Jersey. Such cities as Newark, Paterson, Jersey City, Trenton, Elizabeth, Plainfield, yea, verily, Ocean Grove and Westfield, beg to be rid of flies of all kinds. The Spider of course still has a predelection for fly meat, but he can't work fast enough. And—here's the rub!—alas, the Poor Spider is a victim of Fly Bacteria!

Reports are alarming. The fly increases at an astounding rate. Money must be used freely to prevent its propagation and to check the spread of the fatal maladies which it carries about with it. "as it crawls up the walls yet it never falls." We hope that Merchants Associations everywhere shall decree the doom of the House Fly; that every housewife shall exercise caution in her culinary department and wield the broom and the fly killer mercilessly; that placards, distributed broadcast, shall arouse right thinking, sanitary loving individuals to a sense of the danger of this pestiferous insect. Still, and until the movement is in full swing, we are prepared to admit, in the language of the late Billy Baxter, that the House Fly, as the Jersey Mosquito, "will continue to

do a good conservative business at the old stand."

A LAW TO PREVENT DRUNKENNESS.

Those addicted to the use of intoxicants, and even those who have a tendency in that direction are cautioned less they run athwart the law passed during the closing hours of the state legislature, and by the provisions of which the governing body of every municipality is required to appoint three reputable citizens who shall constitute a Board of Protectors to determine the status of every man who drinks beverages of any kind.

The Bill containing these provisions and entitled "An Act for the Prevention of Drunkenness," became a law last Friday morning, when it was signed by Governor Fort. The law specifies not only that drunkards shall be refused the sale of liquor, but those who may fall a victim of the drink habit also. When the Board of Protectors is appointed in any particular municipality, its first duty shall be to investigate the causes of drunkenness within its jurisdiction. Having judicially determined that the condition is largely due to the excessive use of intoxicating liquors, it will remain for the protectors to apply the remedy. This is to be accomplished by mailing to every licensed liquor dealer in the municipality a notice to desist from selling intoxicating liquors to any resident or frequenter of the municipality "who is an habitual drunkard or is likely to become a drunkard by the use of intoxicating liquors."

It is incumbent upon the Westfield Common Council to appoint a Board of Protectors at the next meeting, or as soon thereafter as possible. Once the law is made operative in Westfield, if notorious drunkards are hailed before the local magistrate for the old offence, or are seen upon the streets in a state of intoxication, there will be reason for investigation. The dealer who knowingly sells to a drunkard or near-drunkard, after warning, is made a subject to a penalty of \$50 for a first offence, \$100 for a second offence and \$200 for a third offence. In addition his license may be forfeited on the third call.

Help along a worthy charity.

JUNIORS IN THE LEAD.

It Looks as Though They Would Capture Inter-Class Basketball Trophy.

In three of the six inter-class games for championship banner, the Junior class (1910) is in the lead. There being two banners, one for the boys and the other for the girls, the boys and girls points are counted separately. The points stand as follows:

	Boys	Girls
Seniors, (1909)	0	0
Juniors, (1910)	1000	1000
Sophomores, (1911)	1000	0
Freshmen, (1912)	0	500

Mr. Springstead and Mr. McCutcheon are acting as referees throughout the contest.

Last Friday the Juniors defeated the Seniors, girls, 20-1, and boys 16-13. This game was exciting and close.

Tuesday the Freshmen played the Sophomores boys; score, 32-0 in favor of the Sophomores; girls, 12-4 in favor of the Freshmen. The Sophomores' four points were gained by fouls.

Thursday, the Juniors defeated the Freshmen boys, 64-4; girls, 0-0.

To-day, Friday, the Sophomores play the Seniors; Monday, the Sophomores play the Juniors, and then you'll see a hot time, although the Juniors feel assured of victory.

Tuesday the contest ends in the Seniors playing the Freshmen.

to the Library's shelves of reference books.

On application, The Newark Library has made several loans of books on special subjects.

In January, extra sessions were added to the schedule and a desk assistant engaged for four sessions each week.

Early in the year, reading lamps were placed on each of the reading tables, adding much to the comfort of the Library patrons.

The Librarian is indebted to the Trustees for generous co-operation and valued suggestion and help in the administration of the work of the Library.

Respectfully submitted,
GERTRUDE T. BARR,

OBITUARY.

Thomas B. Kniffin.

Capt. Thomas B. Kniffin, a senior member of the firm of Kniffin & Demas Company, crockery merchants, at 48 Murray St., New York City died on Wednesday morning, April 21st, 1909 at his residence, 303 Prospect street, Westfield, N. J. Mr. Kniffin was one of the old china merchants of New York city, having started in business in 1855. He was born in Newburgh on the Hudson in 1832 and came of Revolutionary stock. He was a great grand son of Major Samuel Logan of the Continental Army. Had long been a resident of Brooklyn, a member and officer of the Tompkins Avenue Congregational Church; and a charter member of the 47th Regiment serving fourteen years in the National Guard. He is survived by a son Mr. Sidney L. Kniffin and daughter Mrs. Carrie L. Rowland, both of Westfield. Funeral services on Saturday at half past two p. m.

Our Daughters—What Are We Teaching Them?

Are we training them to be honest and self-supporting citizens?

Hundreds of employers, harassed and irritated with incompetent, inaccurate, unlikable girl employees, will answer "No!"

Are we training them to be good housewives?

Hundreds of young husbands, wondering why they cannot make both ends of their income meet, will answer as emphatically "No!"

These questions are asked and answered in a series of articles, by well-known writers, the first of which appears in Woman's Home Companion for May.

Ladies World.

The rage for souvenirs and gifts, "to take home to the folks," has made a splendid opening for women who can make dainty articles of almost any description. If this line of work appeals to you, no time is better than the present to start in it. First study well the thing you can make best and can supply a large demand for. Then study localities. If you are a home body, perhaps you can start a booth in your own town. If you have the wandering

spirit, branch out and go as far as you dare. You will enjoy the change of scene, the new faces and new experiences. Write to the big hotels or the management of summer resorts and find out what commission or rent they will charge. Do not expect they will allow you valuable space free of charge. They are furnishing you patrons and advertisement, and will expect you to pay therefor. Spend your utmost limit on a first-class location. "What Women Can Do to Earn Money," in the Ladies World for May.

Proceedings of the Board of Chosen Freeholders of Union County

[OFFICIAL.]

Regular meeting of the board of Chosen Freeholders of the County of Union, N. J., held on Thursday, April 1, 1909, at 2:30 p.m.

Roll call showed the following members present: Director King, Freeholders Adams, Cady, Cladek, Crane, Darby, Doane, Harrison, Hurland, Jones, Jones, Krouse, Martin, Moberg, Perry, Robinson, Smith, Stephan, Swain and Wilbur—20.

On motion of Freeholder Cady it was ordered that the reading of the minutes of the previous meeting be dispensed with, and that the same be approved as per printed copies on the members' desks.

Communications

The following petition was presented and read:

To the Honorable Board of Chosen Freeholders of Union County: Gentlemen—We the undersigned and citizens of the city of Rahway recommend the appointment of Alfred T. Crane, Sr., as bridge tender of the Milton Avenue draw-bridge.

M. V. COMPTON,
C. B. HOLMES,
CHARLES HOWARD.

And 32 others.

On motion of Freeholder Stephan, received and referred to Committee on Milton Avenue Draw-bridge.

The following petition was presented and read:

Elizabeth, N. J., March 5, 1909.

To the Honorable Board of Chosen Freeholders of Union County:

Gentlemen—I do hereby make application for the position of bridge tender on South First street bridge, which is about to be opened.

I have had experience as a machinist, during which time I have operated electric crane and motors. With this knowledge I feel confident to apply for the above position and respectfully ask your careful consideration of the same.

Very truly yours,

JOSEPH SMITH,
133 Liberty street.

Signed by Louis P. Horning, Mahon Bros., J. Brucklacher and Jacob Meloth.

On motion of Freeholder Cladek, received and referred to Committee on South First street bridge.

The following petition was presented and read:

Roselle Park, N. J., March 27, 1909.

To the Honorable Board of Chosen Freeholders of the County of Union, N. J.

Gentlemen—We, the undersigned, residents and property-owners of the borough of Roselle Park, N. J., do respectfully petition your honorable body to improve the conditions now existing on the county road of Westfield Avenue, running through this borough.

The Avenue has been nothing but a mud road during the past winter, and now we are having the benefit of three or four inches of dust, which the automobiles and winds are carrying through the air, and annoying the residents and pedestrians who are compelled to travel or live in this vicinity. These conditions are a detriment to health, and a drawback to prospective property buyers and residents.

Westfield Avenue is one of the roads most used in the county, and is now and has been, in the worst condition of any county road in our county. The section it runs through is one of the fast-growing and developing sections of the county.

When Westfield Avenue was widened, the people of the county were assured that it would be one of the finest boulevards in the state.

We, the undersigned, pray and petition your honorable body to have repaired the macadam road and make dust-proof, and also request the Public Service Corporation to repair the road now between their trolley tracks, which now is in a deplorable condition, dangerous for conveyances to cross, as the rails are three or four inches above the road in places.

Trusting that this petition will meet with your hearty approval, and be granted at the earliest possible date, we are,

Respectfully yours,

WILLIAM A. BEMBRIDGE,
JOHN C. BENDER,
ROBERT GORDEN.

And 50 others.

On motion of Freeholder Swain received and referred to the County Road Committee.

From John T. Earl as follows: Union Township, Union County, N. J., March 25, 1909.

Aaron D. Crane, Esq., Member Board of Chosen Freeholders.

Dear Sir—I write you in behalf of myself and other property-owners residing on Morris Avenue, in Union Township, between Cherry street and the Elizabeth City line.

The dust from passing automobiles has become almost intolerable. As you know, most of the houses at that point are situated on the east side of the street, and the prevailing summer winds give us the full benefit of the clouds of dust thrown up by the large and ever increasing number of automobiles passing that way, most of them at high speed. I leave you to imagine the discomfort and annoyance to those who desire to sit on their front porches, or even keep their front windows open on a hot day.

The terrific speed at which these vehicles are driven at this end of the township, continually arouses the indignation of us all (particularly those families in which there are small children), but this is an evil which we come to regard as beyond the power of the authorities to cope with. However, what we would greatly appreciate is sufficient oil on the street to keep down most of the dust. I am therefore writing you in the hope that you will look into the matter, and if necessary, present it to the proper committee, or at the next meeting of the Board of Chosen Freeholders.

Once last summer Morris Avenue was pretty thoroughly oiled above Cherry street, and also from Morris Avenue to the city line, but that little strip of roadway to

which I have called your attention would have been neglected entirely had it not been for the interference of one or two ladies of the neighborhood, who, with some difficulty, induced the men to put some oil on that part of the street, so that it received a thin dressing. I am under the impression that this difficulty was due to a mistake on the part of the men in interpreting their orders, but in order that we may get at least all that is coming to us this year under the regular ruling, and as much as your honorable body sees fit to give us, I have thought it well to lay the facts before you.

Thanking you in advance for your kind attention in the matter, I am,

Yours respectfully,

JOHN T. EARL,
565 Morris Avenue.

Elizabeth, N. J.

On motion of Freeholder Swain received and referred to the County Road Committee.

From Sheriff Kirkland as follows: March 15, 1909.

To the Honorable Board of Freeholders.

Gentlemen—I would respectfully ask you to authorize W. R. Codrington, your county attorney, to act as counsel for the Sheriff's office, and oblige.

Respectfully yours,

ROBERT J. KIRKLAND,
Sheriff.

On motion of Freeholder Krouse received and placed on file.

Reports of Committees.

By the committee to settle with the County Collector.

Elizabeth, N. J., March 25, 1909.

To the Board of Chosen Freeholders of the County of Union.

Gentlemen—Your Committee, on Collector's Reports, begs leave to report that it has examined his books, vouchers, coupons, warrants and receipts, bank and check books, and find that the same are correct and agree in every particular. We find that his receipts from January 1, 1909, to date amount to \$643,536.52, and that his disbursements for the same period amount to \$585,757.52, leaving a balance in hand of \$57,779, which is on deposit in the hands of the credit of the County Collector.

Respectfully submitted,

S. P. T. WILBUR,
JOHN N. CADY.

WILLIAM H. GARRISON,
Committee.

On motion of Freeholder Jones received and placed on file.

By Committee on Soldiers' Headstones, etc.

Elizabeth, N. J., March 23, 1909.

To the Board of Chosen Freeholders.

Gentlemen—Applications for monuments to mark the graves of the following soldiers have been made to our committee, and are respectfully submitted for your approval.

The following applications have all been investigated and approved by the supervisor, and your committee would recommend that their request be granted.

By Committee to settle with the Sheriff.

To the Board of Chosen Freeholders of the County of Union.

Gentlemen—Your Committee on Sheriff's Account, begs leave to report that the receipts from the Sheriff's office from November 15, 1908, to April 1, 1909, amount to \$1,653.32, and the disbursements for the same period to \$3,309.37.

Your committee further reports that it will be difficult to ascertain whether or not the Sheriff's office being on a salary basis is a saving to the county, until a year has elapsed, for the reason that numerous items, which under the fee system were paid to the Sheriff, and charged to the County account, are now paid to the Sheriff under the salary basis, so that there should be a considerable saving in the County account by reason of the Sheriff being placed on a salary basis.

Very respectfully,

JOHN ROBINSON,
J. HERVEY DOANE,
E. K. ADAMS,
Committee.

On motion of Freeholder Smith, received and placed on file.

By Committee on Surrogate's Account.

To the Board of Chosen Freeholders.

Gentlemen—Your Committee on Surrogate's Account respectfully reports we have examined the books and vouchers of the Surrogate for the month of March, 1909, and find them correct, and the net receipts are \$713.99, which amount has been turned over to the County Collector.

CHARLES A. SMITH,

Committee.

On motion of Freeholder Swain resolution was adopted without dissent, and the Director appointed as the said committee Freeholders Cladek, Crane and Krouse.

By Freeholder Krouse: Whereas, Mr. John Farrell, a former and highly esteemed member of this board, is sorely afflicted by the loss of his beloved daughter, Miss Estella Farrell, the all-wise Father having been pleased to move her from this world of sorrow.

Committee.

On motion of Freeholder Swain received and placed on file.

By Committee on Fifth Avenue Bridge, Roselle, N. J.

Elizabeth, N. J., April 1, 1909.

To the Board of Chosen Freeholders.

Gentlemen—Your Committee is pointed to make an examination and report as to the condition of the bridge over stream on Fifth Avenue near Spruce street, Roselle, N. J.

would respectfully report as follows:

We have examined the bridge and find the walls in very good condition; the bridge flooring is rotten, and has gone to pieces in several places; it is unsafe for travel.

The present bridge is about forty feet in length between the footings of the avenue.

Your committee would respectfully recommend that the bridge walls be extended at the southern end, so as to run across the sidewalk of the street, the extension being about fourteen feet in length.

They also recommend that the whole bridge be covered with a deck of steel beams and brick or concrete arches, the whole cost of the work not to exceed the sum of \$900.

Respectfully submitted,

HENRY KROUSE,
JOSEPH PERRY,
W. H. SWAIN,
Committee.

Freeholder Darby moved that the report be received and recommendation adopted, which was so ordered on roll call by an unanimous vote.

New Business

By Freeholder Jones:

Resolved that a committee of three be appointed to report on the advisability of replacing the wooden bridge on the road leading from Berkeley Heights to Union Village with a concrete T beam bridge and report at the next meeting of the board as to the probable cost.

On motion of Freeholder Swain the resolution was adopted without dissent, and the Director appointed as the said committee Freeholders Jones, Cady and Darby.

By Freeholder Doane:

Resolved, That a committee of three be appointed to investigate the condition of the culverts on the mill road, at East Second street, where the street railway crosses.

Said committee to confer with the Public Service Corporation as to its responsibility for the condition of these culverts, and report its findings and recommendations at a future meeting of this board.

On motion of Freeholder Krouse the resolution was adopted without dissent, and the Director appointed as the said committee, Freeholders Doane, Krouse and Martin.

By Freeholder Wilbur:

Resolved, That a committee of three be appointed to investigate the condition of the sidewalk on the bridges on Park Avenue and Prospect Avenue, over Cedar Brook in the city of Plainfield, and report at a future meeting of this board.

On motion of Freeholder Darby the resolution was adopted without dissent, and the Director appointed as the said committee Freeholders Wilbur, Martin and Perry.

A HOME-MAKING ARTS EXHIBITION

The Wanmaker Galleries Present an Unusual Demonstration of Furnishings and Facilities

For the Embellishment of the Home

This great sixteen-story Wanmaker Building, requiring a full city block, has caused much amazement and been buried in much mystery, ever since its plans were first unfolded.

And its real purpose is quite as much a mystery today, to the majority of the public. The distinctly NEW thing is always hard to comprehend.

Who ever heard, before, of a commercial building in which was constructed an Auditorium, comfortably holding fifteen hundred people?

Who ever conceived before, of a "House Palatial" as a continuous public exhibit of correct and elegant furnishings?

What other store, selling furniture and furnishings at closest competitive prices, ever built up the most complete and expert bureau of Decorators and Assemblers, to give advice and aid, WITHOUT COST, to all its customers who wished to secure decorative effects artistically perfect, in color-harmonies and association of furnishings?

Of course, it is hard to make housekeepers realize the tremendous import of this FREE DECORATIVE SERVICE. But the ultimate result will be to raise the standard of artistic furnishing of American homes. The same artistic genius and expert skill that have built and decorated the "House Palatial," that are furnishing the homes of wealth and palaces of public entertainment, are AT YOUR SERVICE for the simplest Summer furnishing, to make the cottage home refreshing to the body, restful to the eyes, and a delight to the artistic senses.

These eight Galleries of Furnishing and Decoration are holding their Spring Reception for artistic and practical housekeepers. Every Gallery will be in full dress. Much is shown that you have never seen before. There are scores of special demonstrations of fascinating interest. The Galleries are vibrant with inspiration and artistic suggestion to all who have home-beautifying at heart.

F. H. Schaefer & Co.
Broad Street, Westfield, N. J.

MRS. FRANEK IS INSISTENT.

Although Properly Owner She Wants the Town to Care for Her.

Mrs. Catherine Franeck, of Spring street, has been keeping the overseer of the poor and members of the common council busy. The overseer has given her one order of groceries at the town's expense, but she thinks she should have one every week. Friday afternoon she visited a local grocery and asked for an order of goods, but was refused. After some words she was ejected from the store. From there she went to the home of Overseer Fitch on Prospect street and became so loud in her talk that Officer Caulfield was called and took her away. She next went to the home of Councilman Davis, of the Fourth Ward, and was told by him to see Mr. Fitch. Councilman Hohenstein has also been called on and even Fire Chief Decker has not escaped. The other councilmen who have not been seen are waiting in some anxiety. The story of the case is that Mrs. Franeck owns some property in this place and the overseer, as well as the council, do not think she should be a town charge. She is very persistent and seems determined that the overseer shall provide for her at the town's expense. She is an old woman and entitled to sympathy, and if she had no property there is reason to believe that the town would take care of her.

THE PEARSALL CO. ISSUES BOOK.

This Hustling Concern Gives Complete Statement of Westfield's Advantages.

The young man of the present generation will do wisely to profit by the advice which The Pearsall Company has been and still is putting out, straight from the shoulder, in plain simple statements made through the advertising columns of the newspapers, by personal talks of the six members of the Company and more recently by way of a splendid many paged, highly illustrated book entitled "Own a Home in Westfield." This Company was incorporated in 1906 and but little was heard of the why and wherefore for such formation by certain members of the Pearsall family. But as time went on it was learned that the Company had secured the finest business section of Westfield, including both sides of Broad street south of Prospect street. A little later a splendid forested tract on Westfield avenue and Grove street was said to have come under this Company's control. Six months ago the fifty acres comprising the Embree Estate up in Embree Crescent was taken over by the Pearsall Company soon to be supplemented by a ten acre tract purchased from John S. Burhaus fronting on two sides of Prospect street near Brightwood avenue. Shortly afterward the real estate men of Westfield found the Wolf Grove on Summit avenue and Grove street had been added to the Pearsall collection. A fine strip of some 1,500 feet fronting on Prospect street, Newton Place and Elm street next came into the Company book of holdings, this purchase being quickly followed by a strip of several hundred feet on the southerly side of Prospect street, next to the Brightwood Forest Tract in Embree Crescent.

Several very catchy phrases were soon made general talk through the Pearsall advertisements and literature, these including "Why Not Westfield," "Where the Business Is," "A Home Among the Trees," "Young Man, Get Your Home Site Now," and "Marry in Your Own Home."

Twelve plated forks, bearing a monogram, were found by the police in a lot near Central avenue, Tuesday. They proved to be some of the goods which were stolen from Town Attorney Oliver's house, last Saturday morning.

Just as They Grow!

SOME folks are accustomed to vegetables that have been picked for a day or two, carted for miles and exposed to all sorts of weather and frequent handling in markets. They have little idea of the taste of vegetables fresh from the farm. The indescribable difference can be observed by trying the famous

"Royal Scarlet" Canned Goods.

The vegetables packed under this brand have that fresh, snappy taste that makes you long for the country. They are selected with the utmost care, picked at just the proper time, and put up "right on the spot." They are handled but once and have no chance to deteriorate or lose their flavor. They come to you just as they grow. If you want to taste vegetables in perfection, try the ROYAL SCARLET BRAND. You will find them a revelation in flavor and a discovery in economy—you can have fresh vegetables the year round at a trifling cost. We carry the full line.

—Honorable Council, Royal Arcanum, had a regular meeting in last evening in Arcanum Hall.

We often wonder how any person can be persuaded into taking anything but Foley's Honey and Tar for coughs, colds and lung trouble. Do not be fooled into accepting "own make" or other substitutes. The genuine contains no harmful drugs and is in a yellow package. Sold by all druggists.

Why be annoyed with poor delivery service when you can get good service as well as good goods at Windfeld's?
