"American Home" Contest Rules.

The Pearsall Company offers \$50, in gold, this amount to be divided into three prizes: \$25, for the first, \$15, for second and \$10, for the third; these are to be awarded to the boys and girls of Westfield (under 19 years of age) for the best and most original plans showing their ideal of a perfect "American Home."

The Pearsall Company does not desire "freak" schemes but will welcome practical, original ideas. Neatness, completeness and correctness of drawings will be a factor in judging the plans submitted. However, the chief count will be based on the best general layout for a substantial, attractive and practical "American Home."

Plans must be submitted on paper furnished by The Pearsall Company which may be obtained at the office of the Company any evening next week between the hours of seven and nine; drawings must be made with black ink.

No restriction is made as to number of rooms but plans must give at least the first and second floor arrangement. Each plan must be on a separate sheet of paper. Basement and attic plans as well as elevations will count with the judges, but the awards will be governed chiefly by the plans for the first and second floors.

Heating, ventilating and lighting schemes may be omitted except as to location of chimney or chimneys for smoke flues.

The plans submitted must call for a home which shall not exceed in cost, in the estimation of the judges, \$5,000.

The plans receiving prizes are to become the property of The Pearsall Company. The Company reserves the right to purchase any of the other plans submitted upon payment of \$10, to the contestant.

The contest shall end at 3 p. m., September 30th. All plans must be rolled neatly and securely sealed; the contestant must not have his or her name appear on any of the drawings but shall write his or her name, address and age on a card which shall be placed in a blank envelope. The roll of drawings and the sealed envelopes are then to be delivered to an official of The Peoples National Bank where twin numbers will be given the packages thus submitted, these numbers to be held in secret by the bank until the end of the contest.

The bank will hold the sealed envelopes until after the judges have reached their decision, the plans being turned over to the judges at the end of the contest, September 30th.

The winning plans will be published in The Union County Standard at the time the award is announced. The editor will present the prizes on the Saturday following the announcement of the winning plans.

The judges shall consist of three well known contractors and two architects who shall have no knowledge of the names of the contestants until the winning plans have been decided upon.

No member or employee of The Pearsall Company may act as judge.

The Pearsall Company expects to erect one or more "American Homes" from the plans submitted but reserves the right to make such changes in the plans as it may deem necessary.

Record Crowd of 1500 Sportsmen See Horses Compete for Money and Purses.

WEATHER MAN IN GOOD MOOD.

So were the Band and the Lemonade Man. Some Records Lowered. One Accident with No Bad Results.

The sporting fraternity—at least that part of it that loves good horse racing—is delighted, and with reason. Last Monday afternoon, at Fairview track, The Westfield Driving and Riding Club gave a money meet that put all others of the kind held recently in these parts away in the shade. Fifteen hundred enthusiasts, the largest crowd that has ever assembled at the track, enjoyed four spirited events; two for money prizes, and two for silver cups.

The Weather Man is a good old soul—sometimes—and he happened to be feeling well on this occasion. The track was in perfect shape, the horses in good trim, and the spectators keyed to harmonize with conditions. Three colored melody makers livened things up a bit, while the man who dispensed soft drinks had a liquid voice that tamed the risibilities as the ginger ale and lemonade which he sold teased the palate.

The four races, which were very exciting, were run off with but one accident. It happened in the third heat of the 2:35 trot. At the three-quarter mile mark Josie D was in the lead and Ithyn and Queen were both trying hard for second place. The wheels of the sulkies collided and were smashed, but neither drivers nor horses were hurt. The 2:30 trot and pace lowered the time one second.

In the first heat of the 2:30 trot and pace Lapy Sidant, owned by O. B. Smith, was distanced. In the second heat No. 2, Louisa Brown took the lead and kept it throughout the heat. Bessie J. in second place broke and gave the place to Barona. During the third heat Louisa Brown, who ran such a good race the previous week, broke at the three-eighths and five-eighths marks. Barona took the lead and Bessie J., who was pushing her opponent hard, broke at the three-quarter mark and gave the heat to Barona. In the fourth heat Bessie J., who had taken the lead from the start, was overtaken at the seven-eighths mark. The heat finished with Bessie J., but a head behind Barona.

In the second heat of the 2:14 trot and 2:17 pace Del Inez, who had the pole, lost the lead at the start. Aron B. jumped into the lead at the quarter mark, but was pushed hard by Powder Boy. The third heat saw Powder Boy run neck-to-neck with Aron B. until at the half-mile mark he broke, and in doing this broke Teller. Powder Boy gradually picked up until, at the seven-eighths mark, he overtook Teller.

The 2:21 trot and 2:24 pace proved to be the most exciting race of the day. The finish of each heat brought thundering cheers and applause. In the first heat Footo Prince stole the lead from Jim Dick at the three-eighths mark, and was pushed hard until at the finish he only defeated Linda Leo, who was a neck ahead of Jim Dick, by a yard.

The second heat saw Footo Prince steal the lead from Hydrastine at the three-quarter mark and Linda Leo step into second place with but a few yards to spare. The third heat proved to be a close race between Footo Prince and Hydrastine. Jim Dick finally succeeded in winning second place at the three-quarter mark, only to break and lose it at the seven-eighths mark.

In the first heat of the 2:35 trot every horse broke at least once.

In the second heat Queen and Ithyn broke at the five-eighths mark and Queen again at the three-quarter mark. Josie D., picked up at the seven-eighths mark and succeeded in getting second place. In the third heat O. B. Smith driving Ithyn was pocketed at the three-quarter mark and in attempting to get out of the pocket smashed into W. French's sulky and the collision smashed the wheels of both vehicles.

Following are the correct results of the meet:

DOLLAR DINNER A HIT.

Railway Republicans Proved Their Worth at Last Evening's Gathering.

The Railway Republican Club gave a Dollar Dinner, last night, in the auditorium in that city, which was a record-smasher for genuine enthusiasm. The dinner was good, the music (a pianist and vocalist) helped to make things interesting, and the tribute accorded the speakers capped the climax.

Charles B. Holmes, Mayor of Rahway, was toastmaster; County Chairman Frank Smith, Commissioner of Banking and Insurance Vivian M. Lewis, Assemblyman Pierce and Schwartz, County Clerk James O. Calvert, William H. Madison, James White, and the Rev. William T. Stuchell, were the speakers. The latter, a Rahway clergyman, a man of large experience and an accomplished speaker, made an excellent address. Commissioner Lewis gave a patriotic talk which was well received. Those present from Westfield were Lloyd Thompson, George Peck, Jr., John Galatian and R. V. Hoffman.

Board of Health Meeting.

At the regular meeting of the Board held in the Town rooms last Friday night, Peter Rossol, formerly a milk dealer in town, and who had his permit cancelled because he used poor feed, was granted a permit to deliver milk. Report was made of the analysis of nine of the milk dealers' produce, taken August 25th. Thomas Dickson stood at the head of the list. Bills amounting to \$40.20 were ordered paid. There were twenty-three inspections during the month, three quarantines and three fumigations. Four cases of measles, three cases of whooping cough and two cases of chicken pox were reported.

Secretary Harden was ordered to notify Mr. Ingram by registered mail that if he did not abate the unwholesome nuisances on his property within ten days the Board would do so at his expense.

Motorcyclist Shield Runs over Dog.

Edwin Shield is now at his home on Broad street badly bruised and cut up from a fall from his Indian motorcycle which he recently purchased from Roy Collins. Shield was riding on Euclid avenue early Sunday evening and at Lennox avenue, the dog, owned by Mr. Hinking of Euclid avenue, ran out into the street and barked. The animal attempted to cross Shield's path and not being quick, the motorcyclist ran over it. Shield was thrown to the ground and bruised and cut but his machine was not damaged. One of the dog's legs was broken by the accident.

TOWN COUNCIL TALKS SHOP.

Some Routine Matters Disposed of at the Regular Meeting in the Town Hall, Tuesday Night.

Monmouth Contracting Co. Awarded Contract For Building Main Line Extension Sewers, Weldon to do the Improvement Work on Prospect Street.

The Regular meeting of the Westfield Common Council was held in the Town rooms on Elm street last Tuesday night. Mayor Alpers and Councilmen Affleck, Hohenstein, Schmidt and Middleditch were present.

The Weldon Contracting Co. was awarded the contract for the improvements on Prospect street from Broad street to Dudley avenue. They were the lowest of six bidders.

On recommendation of Councilman Hohenstein the contract for painting the fire house was given to Alexander Hunt, the cost being \$55.00.

The ordinance to change the line of Prospect street from Dudley avenue to Brightwood avenue was passed on its first reading, although there was an objection filed by several property owners of that street stating that the change would enhance the value of some properties and depreciate that of others. The objection was signed by the following owners: Johanna C. Hussey, Mary Perrine, Mary Winkler, John Herder, Wesley Herder, Bridget O'Donnell, Charles E. Gotlick.

A petition was received from the Westfield Real Estate Co. for the laying of an eight inch sanitary sewer on Hillcrest, Tremont and Stanley avenues and a resolution fixing date of hearing was adopted.

Bills of improvement amounting to \$1,717.85, and expense amounting to \$742.43 were ordered paid. Indebtedness certificates amounting to \$1,000.00 and improvement certificates amounting to \$2,500.00 were ordered issued.

The contract for laying the different sewers throughout the town was awarded to the Monmouth Contracting Co. Their estimate was the lowest of nine bids received at the last meeting.

Building Inspector Cox reported \$34.00 received for building permits and \$39.00 required from the Board of Health for plumbing permits.

A letter was received from Mr. Harrison asking that the improvement assessment on what was formerly all his property on the southwest side of Harrison avenue, 280 feet west of Maple street, be apportioned. This was referred to the Finance Committee.

FOR
AGAINST THIS AMENDMENT.
1. Strike out paragraph ten of Section VII of Article IV, and change the numbers of the following paragraphs to correspond.

SECOND AMENDMENT.

FOR
AGAINST THIS AMENDMENT.
Change paragraph ten of Article V to read as follows:

10. The Governor or person administering the government, and four citizens of the State appointed by the Governor, by and with the advice and consent of the Senate, shall constitute the Board of Pardons. The members of said Board, or any three of them, of whom the Governor or person administering the government shall be one, may remit fines and forfeitures, and grant reprieves, commutations, pardons and paroles, after conviction in all cases except impeachment. The four members specially appointed shall hold office for five years, and receive for their services a compensation which shall not be diminished during the term of their appointment.

THIRD AMENDMENT.

FOR
AGAINST THIS AMENDMENT.
(The different paragraphs of this amendment being necessarily interdependent, are considered as one amendment.)
Change Section 1 of Article VI so as to read as follows:

SECTION I.
The judicial power shall be vested in a court for the trial of impeachments, a Supreme Court, County Courts, and such other courts, inferior to the Supreme Court, as may be established by law, which inferior courts the Legislature may alter or abolish as the public good shall require.

Strike out all of Sections II, IV, V, VI and VII of Article VI, change the number of Section III of Article VI to Section II, and insert the following sections in Article VI:

SECTION III.

Any judge of any of the courts of the State may be removed for disability continuing for one year, or for refusal to perform the duties of his office, by a vote of two-thirds of all the members of the Senate and of two-thirds of all the members of the House of Assembly voting separately, after a hearing before both Houses in joint session.

SECTION IV.

1. The Supreme Court shall be organized in three divisions, namely, the Appeals Division, the Law Division and the Chancery Division. It shall consist of a Presiding Justice of the Appeals Division, who shall be styled the Chief Justice, a Presiding Justice of the Law Division, who shall be styled the President Justice, and a Presiding Justice of the Chancery Division, who shall be styled the Chancellor, and eighteen Associate Justices, which number may be increased by law.

2. The Appeals Division shall consist of the Chief Justice, and six other Justices of the Supreme Court to be assigned by the Governor. A Justice of the Supreme Court assigned by the Governor to the Appeals Division shall serve in said division until the end of his term.

3. The remaining Justices shall be assigned by the Supreme Court to the Law or Chancery Division, as the business of the Court may require.

4. Whenever the number of causes before the Appeals Division shall be so great that the Division cannot promptly hear and determine them, the Governor shall, when authorized by statute, temporarily assign five of the Justices of the other divisions to sit in the Appeals Division, which shall thereupon sit in two divisions for the hearing and decision of causes pending at the time of such assignment.

5. Four Justices shall be necessary to constitute a quorum on the final hearing of any cause in the Appeals Division, but the Supreme Court may provide by rule for the making of interlocutory orders by a lesser number of Justices or by one Justice; such orders to be subject to revision by the Appeals Division.

6. On the hearing of a cause in the Appeals Division, no Justice who has given a judicial opinion in the cause in favor of, or against the judgment, order or decree under review shall sit at the hearing to review such judgment, order or decree, but the reasons for such opinion shall be assigned to the Court in writing.

7. A majority of all the members of the Supreme Court, to be presided over by the Chief Justice, shall constitute a quorum for the assignment of Justices, and for the appointment of officers, and the enactment of rules.

8. The Supreme Court shall appoint one or more reporters, not exceeding three, to report the decisions of the Court, and shall by rule define his or their duties and powers. The reporters shall hold office for five years, subject however, to removal at the discretion of the Court.

9. The Appeals Division shall have and exercise the appellate jurisdiction heretofore possessed by the Court of Errors and Appeals, the jurisdiction heretofore possessed by the Supreme Court on writ of error, and the jurisdiction heretofore possessed by the Prerogative Court on appeal, and by the Ordinary on appeal, and such other appellate jurisdiction as may be conferred by law, together with such original jurisdiction as may be incident to the complete determination

of any cause on review, saving, however, the right of trial by jury.

10. The jurisdiction heretofore possessed by the Supreme Court and the Justices thereof not hereby conferred on the Appeals Division, and the jurisdiction heretofore possessed by the Circuit Courts and the Justices thereof, and such further original jurisdiction not of an equitable nature and such further appellate jurisdiction from inferior courts as may be conferred by statute, shall be exercised by the Law Division of the Supreme Court and by the several Justices thereof, in accordance with rules of practice and procedure prescribed by statute, or in the absence of statute by the Supreme Court.

11. The jurisdiction heretofore possessed by the Prerogative Court and the Chancery Court, and hereby conferred on the Appeals Division, and the jurisdiction heretofore possessed by the Court of Chancery and the Chancery Court, and such further original equity jurisdiction as may be conferred by statute, and such further original jurisdiction as is now conferred on the Prerogative Court shall be exercised by the Chancery Division and by the Chancellor and the several Justices of said division in accordance with rules of practice and procedure prescribed by statute, or in the absence of statute, by the Supreme Court, but the Justices of that division shall be under such control and supervision by the Chancellor as shall be provided by the Supreme Court.

12. Terms of the Supreme Court presided over by a single Justice of the Law Division for the trial of issues joined in or brought to the Law Division of the Supreme Court shall be held in the several counties at times fixed by the Supreme Court, but shall, when a full term shall be held at the place and thus now fixed by law for the holding of the Courts of Common Pleas in the several counties.

13. The Supreme Court may provide by rule for the transfer of any cause or issue from the Law Division to the Chancery Division, or from the Chancery Division to the Law Division of the Supreme Court, and from the County Court to the Law Division or the Chancery Division of the Supreme Court, and for the dividing of complete legal and equitable relief in any cause in the court or division where it may be pending.

14. Nothing herein contained shall prevent the alteration, by law, of any statutory power or jurisdiction conferred upon any court or judge since the adoption of the Constitution in the year one thousand eight hundred and forty-four, and nothing herein contained shall prevent the Legislature from conferring upon any inferior court which may hereafter be established such power or jurisdiction as was exercised by or which may now be conferred upon the inferior courts mentioned in section 1 of Article VI of the Constitution of 1844.

SECTION VII.

The County Courts shall have and exercise, in all cases within the county such original common law jurisdiction concurrent with the Supreme Court, and such other jurisdiction heretofore exercised by courts inferior to the Supreme Court and the Prerogative Court as may be provided by law. The final judgments of the County Courts may be brought for review before the Supreme Court in the Appeals Division. Until otherwise provided, the jurisdiction heretofore exercised by the Courts of Common Pleas, Orphans' Courts, Courts of Oyer and Terminer, Courts of Quarter Sessions, or by the Justices thereof, shall be exercised by the County Courts pursuant to rules prescribed by the Supreme Court. The Justices of the Law Division of the Supreme Court shall be ex officio judges of the County Courts. All other jurisdiction or authority now vested in any court, judge or magistrate with jurisdiction inferior to the courts in this section mentioned, and not superseded by this article, shall continue to be exercised by such court, judge or magistrate until the Legislature shall otherwise provide.

SECTION VIII.

This amendment to the Constitution shall not cause the abatement of any suit or proceeding pending when it takes effect. The Supreme Court shall make such general and special rules and orders as may be necessary for the transfer of all suits and proceedings to the appropriate division or court created by this amendment. Matters pending when this amendment takes effect shall be decided by the Justices or judges to whom they were submitted, and the order, judgment or decree made or advised by said judge or court to which the suit or proceeding shall have been transferred.

SECTION IX.

They shall not be less than thirty-five years of age, and shall have been practicing attorneys in the State for at least ten years. They shall hold office for the term of seven years; shall, at stated times, receive for their services a compensation which shall not be diminished during their term of office, and they shall hold no other office under the government of the State, or of the United States, and shall not engage in the practice of law during their term of office. The Chancellor and the Chief Justice of the Supreme Court, and the Vice-Chancellors and Associate Justices of the Supreme Court, in office when this amendment takes effect, shall be Justices of the Supreme Court until the expiration of their respective terms.

FRIDAY, SEPTEMBER 10, 1909.

NOTICE TO ADVERTISERS.

No advertisements will be accepted after Thursday noon of the day previous to publication. Advertisers should submit their changes of ads. early in the week.

THE STANDARD'S TWENTY-FIFTH ANNIVERSARY.

The Union County Standard will celebrate its Twenty-fifth Anniversary next Friday by the publication of an anniversary number consisting of thirty-two pages and cover. The Edition will be in magazine form, and will be issued as a supplement to the regular weekly newspaper. There will be special articles on the Schools; The Standard Publishing Concern, The Library, Children's Country Home, Park Commission, Woman's Club, I. O. S., Golf Club, Business, Real Estate, The Churches, etc.; the news matter alternating with the advertising pages, and the whole arranged so as to represent the spirit of enterprise and achievement of the town and its institutions.

In this supplement the publishers have aimed to produce something worthy of the progressive spirit of the Westfield of today. Whether the object has been attained is a question for readers to settle in their own minds. We shall let the edition stand on its merits, and shall be glad if any of our advertisers or readers give us a frank, written expression of opinion.

The Anniversary number will be issued free to all regular readers of the Standard and to all advertisers. Five thousand copies have been printed, which is just enough to go around, and newsdealers will be instructed not to give away a single copy other than to those who buy the Standard.

THE SECRET OF SUCCESS.

Stephen Phillips, the English poet and dramatist, famous the world over for having written "Herod" and "Paola and Francesca," is bankrupt and in such financial straits that he has not the price of a railway ticket from Brighton to London. Phillips is somewhat of a genius too, and certainly his contributions to modern literature have been of sufficient worth to mark the author as a "man of letters."

Clyde Fitch, the popular playwright, died recently a rich man. Fitch lived luxuriously, and wrote to suit the taste of the elect of the Great White Way. He knew his audience better than most men of his calling; he was always clever, but most of what he wrote will be as easily forgotten as it was glibly expressed. Fitch was successful at any rate. And, as the New York Sun suggests, he might have been far less successful—that is less prosperous—if he had been more of a genius, a circumstance which possibly is reason enough for Mr. Stephen Phillips' pecuniary embarrassment.

Two Americans discovered the North Pole and the question of priority of discovery will probably be

a lively discussion for some time to come. Meantime Johnny Bull is asserting his priority of ownership, because, as one English diplomat asserts, the Pole may be a part of the Dominion of Canada. Statesman had better beware of laying too much stress upon claims of ownership; otherwise some ardent exponent of anti-graft will accuse them of being in league with the Ice Trust.

AN ATTRACTIVE OFFER.

To the boy or girl of an artistic turn of mind the offer made by the Pearson Company ought to be attractive. There is opportunity for originality in the design of a home, and there is no limit to the character of the effort; the contestant may not only develop his own ideas and resources, but may acquire, by painstaking and forethought, practice which in future years may bring him larger emoluments—not to mention increased power of perception and appreciation.

The man who can design his own home is an individual and an economist.

Justice Gaynor's letter announcing his candidacy for Mayor of New York, when boiled down to the bone reads: "Heads I win, and tails you lose."

It is unreasonable to expect a woman to pay 9c a quart for milk when her husband complains that he can't buy a good cigar for less than 10c.

Well, now that The Pole has been found who will be so bold as to assert that it is of any earthly use.

Note that Atlantic City is still outside of the Moral Zone.

And the rich man died.

A Promise to Pay

Would you accept a stranger's note? No. Then why accept from a stranger any other promise to pay? A fire insurance policy is such a promise. Ought you to accept it without knowing all about the company? Your usual business confidence is based on knowledge. Why make an exception in that part of your business which deals with insurance? A name is worth nothing on any kind of a promise to pay unless it is backed by character and resources.

The Hartford Fire Insurance Company

favours insurance knowledge, particularly about itself. Its promise to pay has never gone to protest. Its obligations to its policy-holders are backed with such a good reputation and such ample financial resources that the more you know about it the more you will want protection by its policies.

Credit is Extended to You

Credit is defined to be the trust or confidence placed by one individual in another when he assigns him money or other property in loan, and gives him a stipulated time for repayment. The credit so extended is often spoken of as going in debt, and is viewed in some quarters with a sort of horror. Paradoxical as the assertion may seem, it is safe to say that no man ever accumulated much property without judiciously going in debt. The fact that a young man has the courage to go into debt to provide a home for his family of itself inspires confidence; and so in the larger and more speculative deals in real estate, the man who has the temerity to go judiciously into debt, leaving a safe margin between his assets and his liabilities, is looked upon with favor by bankers and capitalists who extend credit, as it is to their advantage to keep their money employed on good security in earning interest. If every one were to wait until he could pay cash in full for each parcel of real estate he purchased, the transactions in real estate would be limited in number and a few individuals would be large land owners. This state of things is overcome by the partial payment of the purchase price in money and by the giving of credit for the remainder.

We are selling our choicest lots in Manor Park and Westfield Highlands for \$10 down and \$5 month. We will build you a house for \$500 cash.

Dog Pays for Gas.

At Coto Saint Andre (Isere) they have a curious tax on dogs. Gas has been introduced into the commune, and the friend of man is to pay for it. All dogs are to be taxed as dogs kept for pleasure, but in the case of subscribers to the gas undertaking their dogs of whatever species are to be treated as watch dogs and will be exempt.—London Globe.

Not Disinterested.

NEWS OF THE THEATRES.

The Plainfield Theatre.

The amusement loving public of this city will be gratified to learn that Joseph M. Weber's brilliant New York success "The Othello," by Edward Locke, with incidental music by Joseph Carl Brill, is the attraction announced at the Plainfield Theatre, this evening, Sept. 10th.

The story of the play is said to be refreshing and charming, a welcome departure from the ordinary stories one finds in plays, a story so set off with appealing humor and prettiness that it finds a responsive chord in the hearts of its auditors. The piece will be presented by a splendid cast of Broadway players.

S. H. Dudley, one of the best known and withal faintest colored comedians on the stage, will head the famous "Smart Set" Company at the Plainfield Theatre tomorrow, Saturday, Sept. 11, matinee and night. The organization will present a new three act musical comedy entitled "His Honor the Barber." The offering is said to be the best in which this remarkable troupe has appeared in years.

The musical programme in Geo. M. Cohan's American-Parish Girl show "The American Idea," which will be seen at the Plainfield Theatre, Monday, evening, September 13, includes "In Gay Parade," "Brothers and Sisters," "Sullivan," "They Always Follow Me," "Too Long From Long Ago Square," "We're Supposed to Be," "F-A-M-E," "Cohan's Pet Names," "Order Wedding Bells For Two," "American Ragtime," "Whoopee-La-La," "The Bold Gen. comes" and "The Garden That Blooms For Two."

"Paid in Full" is a drama whose tremendous success and extraordinary popularity have made it a notable chapter in the theatrical history of this generation. It will be given here on Wednesday, September 15.

"Paid in Full" needs no introduction to theatregoers. It has had the prestige of two years' solid run in New York, and has been applauded in the course of the last two years by the millions who have seen the five companies engaged in its representation.

At Proctor's This Week.

The show at Proctor's Plainfield Theatre for the coming week is one of the best that has been offered at this popular playhouse during the present season and you should not fail to see it. The life motion pictures are changed daily and the vaudeville Monday and Thursdays.

The bill for the latter part of the week includes the DeVoe Trio, three very clever novelty gymnasts; Kelly and Catlin, the Chinaman and the coon; Winnie Crawford, the Girl in Trousers; and Outright and Aldrich in a very amusing comedy sketch entitled "All's Fair in Love."

CURE YOUR KIDNEYS.

Do Not Endanger Life When a Westfield

Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, humors, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them? Don's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one of the symptoms of kidney disease, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Westfield testimony:

Mrs. H. Wragg, 57 Minor street, Westfield, N. J., says: "My husband complained of sharp pains through the small of his back, which extended into his loins. He was also greatly annoyed by headaches and dizzy spells. The unusual conditions of the kidney secretions plainly showed that his kidneys were affected. Deciding to try a reliable kidney remedy, he procured a box of Don's Kidney pills at Bruley's Pharmacy. In a short time the kidney secretions became clear, the headaches ceased, and the pains in his back were eliminated. He is now feeling ever so much better, and gives Don's Kidney Pills the credit."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Don's—and take no other.

Dr. Abernethy, the great English physician, said, "Watch your kidneys. When they are affected, life is in danger." Foley's Kidney Remedy makes healthy kidneys, corrects urinary irregularities, and tones up the whole system. Gale's Pharmacy.

Testifies After Four Years.

Carlisle Center, N. Y., G. B. Burhans, writes: "About four years ago I wrote you that I had been entirely cured of kidney trouble by taking two bottles of Foley's Kidney Remedy, and after four years I am again pleased to state that I have never had any return of those symptoms, and I am evidently cured to stay cured." Foley's Kidney Remedy will do the same for you. Gale's Pharmacy.
