A Word as to Restrictions

The restrictions under which PEARSAI HOME SITES are sold are for the sole purpose of creating and maintaining a Home colony of the very highest character.

They prevent the use of any property within the boundaries for any manufacturing or business purpose whatever, or for any purpose which might constitute a nuisance.

No unsightly houses such as those having flat roofs or buildings of the character known as a two family flat or apartment house may be erected. No fences, except stone, hedges or shrubbery will be permitted within 50 feet of the sidewalk and no solid board fence will be permitted anywhere on the property.

All plans of houses, barns or other outbuildings of any nature whatsoever, and the locations of the same on the plots, must be submitted to the Company for acceptance and approval, which must be obtained in writing before building operations are commenced. These restrictions will prevent unsightly developments and will keep the property absolutely high grade.

PEARSAI HOME SITES are a safe and sound investment. Further information at the offices of

Make Appointments by Telephone

HERE is one of the many time-saving advantages of telephone service.

If you call upon a business man unannounced, he may, perhaps, be engaged, or out of his office, so that your trip is useless—your time wasted.

The hours saved by the use of the telephone at home or at business are worth many times the cost of the service.

Remember, too, that every Bell Telephone is a long distance station.

Fireade's New Degree Team in Action.

Fireade Council No. 718, Royal Arcanum, will hold its regular meeting on April 14th. Aside from the transaction of business there will be special features. The good-time program committee has prepared a fine menu of fun. The annual games will be held and to the winner of each event prizes will be awarded. It is said that the new degree team is a winner. The boys know how to put the initiates through their turns. One of the features of the meeting will be the new degree team in action. There are several new candidates to go through the mill. AN ALL NIGHT DEBATE. BOROUGH HALL OPENED

Legislature Finally Adjourns For Year, After a Long and Stormy Session.

MANY IMPORTANT BILLS PASSED.

Osborne's Attempt to Force Investigation of Governor Fort's Charges Fails of Support.

TRENTON, April 7.—Although final adjournment was set for 3 o'clock yesterday afternoon, the congestion of business in the closing hours of the 133d session of the New Jersey Legislature carried the meetings of the Senate and House over into the early hours of this morning.

The propositions that attracted the greatest attention in the wind-up were the bills providing for the continuation of the re-valuing of railroad property of the State and prohibiting the diversion of subterranean waters outside of the State. As a compromise Majority Leader Edge offered a bill in the House providing that the work of re-valuing the railroad property should be taken up by the State Board of Assessors where it was left off last fall by the Special Commission appointed by Governor Fort. Under the bill the State Board is empowered to make a complete revaluation and to employ at least one of the experts engaged under the Governor. An appropriation of \$400,000 was made to pay for the work. The bill was vigorously opposed by the Democrats, who wanted the Special Commission continued.

In the Senate the McCran bill, around which many charges of mysterious influences of the lobby have grown up, was amended so as to enable the Hudson Water Company, with the approval of the Governor, to carry out its plans for supplying Staten Island with 10,000,000 gallons of water per day from the wells at Belleville. The discussion over the bill was the most violent of the session, and charges of evil influences were freely made during the debate. The bill was passed by the Senate by a vote of 10 to 9.

Senator Osborne, Democrat, of Essex, anticipating that the Republican majority would not persist in following up the charges of corrupt lobby influences introduced by Governor Fort and several newspapers, introduced two resolutions in the closing hours of the session in an attempt to force an investigation. The first resolution called upon Governor Fort to either justify his assertions and statements or publicly retract the same. The other resolution proposed to fix Wednesday, April 14th next, as the time for the Senate to meet for the purpose of hearing any specific charges or allegations made by the newspapers. Both resolutions were immediately referred to the Judiciary Committee, of which Majority Leader Ackerman is Chairman, and nothing further was heard of them before adjournment.

The Senate passed Senator Wakelee's bill amending the motor vehicle act of 1905 by prohibiting the use of block wheels on any motor vehicle in use on any state or county road. The idea is to prevent the destruction of the good roads of the State by these big vehicles.

A bill by Mr. DeUnger, passed by the Senate, makes it a misdemeanor to sell or give away any trolley transfers. Another bill passed by the Senate was Mr. Bedle's measure providing that any person who shall spit on the floor of any trolley car shall be subject to a fine of not less than \$5, nor more than \$10.

Assemblyman Nichols played a lone hand when he attempted to induce the House to relieve the Judiciary Committee of his bill abolishing the county boards for the equalization of taxes, as recommended by Governor Fort. By a vote of 38 to 18 the House declined to take the bill out of the committee.

The Senate passed Mr. Moore's bill, which provides that where railroads cross public streets and highways at points where there are no safety gates or other device to give warning to the people, contributory negligence of any person injured or killed shall not constitute a bar to an action for damages.

Another bill passed by the Senate was Senator Gebhardt's measure amending the act prohibiting the sale of cigarettes and tobacco to minors. This measure provides for a penalty of \$20, one-half of which is to go to the person who prosecutes the case. Senate 316 also by Mr. Gebhardt received favorable consideration. This is a companion act to the cigarette bill, and amends the act relative to minors playing in billiard and pool rooms. This bill also provides a penalty of \$20, one-half of which is to go to the person prosecuting.

Town Officials Take Part in Dedictory Services at Mountainside, Friday Evening.

A LARGE CROWD IS PRESENT.

Mayor Baechtold and Council Greet Visitors—A. E. Pearsall Presides—Structure Adapted to Needs.

There were giants in those days and, also, there were pygmies. Extremes suggest a blend. A great thing is a blend. It also comes straight. But what a remarkable thing is an average. "Johnny," said the pretty school teacher, "What is an average?" "It is a thing a hen lays on." After being properly spanked Johnny was permitted to resume his studies.

As the average man advances or recedes, so civilization rises or falls. It is because the average man is so much better the world over that there is much talk of International Arbitration for the sake of the Gospel of Bethlehem: "Peace on Earth, Goodwill to Men."

The average of the Mountainside citizen is steadily advancing. The demand is louder and louder for better schools, better roads, better everything. A year or so ago someone conceived the idea of a Borough Hall; the Borough Council were holding their executive sessions in the school house. Whenever a mass meeting was held under Borough auspices the citizens sat around in seats built for children, all doubled up like jack-knives and they spent the next day or two in getting unravelled and pulling the links out of their systems.

But the idea was opposed by some who argued that it was better to wait for a larger population and build something worth while. Alfred E. Pearsall, who gazes at the stars a good deal, ran for Mayor, on an opposition ticket; he was quietly but firmly told to go back on the hill and look for more stars. He saw stars all right.

Well the Hall-ites had their way and last Friday night the new Borough Hall of Mountainside was officially dedicated. And, say; it is a gem of architecture for which the artist, Frank C. Gordon with the technical help of Architect Tabby (Wm. G. Peckham's son-in-law) was chiefly responsible. Both were tireless workers, while Mayor C. A. Baechtold and Judge Laing stood over them with the Riot act: "Keep within the appropriation or pay the excess your selves." Today the wonder is how such an edifice could be built for the sum appropriated. Contractor Wesp affirms that he couldn't buy a tooth-pick with his profit; but being a loyal Mountainsider he is more than content, while all of the people are proud and delighted.

The new Hall was crowded Friday. Many ladies were present. On the platform were: Mayor Charles A. Baechtold, Alfred E. Pearsall, Hon. Charles E. Francis, of Brooklyn; Hon. Lloyd Thompson, Pastor Schneegas, of the union chapel, the Rev. Dr. Steams, and Mayor Alpers and Councilman Afleck, of Westfield, and members of the local council including Recorder Laing, Borough Counsel Frederick S. Taggart and Augustus Schwartz.

Pretty Ruth Stauffer was Thomas A. Murray's accompanist, and quietly improvised at the piano while the audience was comfortably snuggling down in their seats.

Mayor Baechtold's first official act in the Borough Hall was to invite Pastor Scheegus to invoke the Divine blessing which he did with the eloquence of brevity and reverence. Alfred E. Pearsall was introduced as chairman of the evening. He commented upon the lesson of small things. "Little songs are oftenest sung and longest remembered; little words most said and most meant—Love, Home, God; little martin boxes of homes are the happiest; little villages the nearest to being atoms of a shattered Paradise; little hopes bring the least disappointment. When Nature would make anything especially rare and beautiful she makes it little—little diamonds, little pearls, little dew drops.

Hon. Charles Francis, of New York, spoke for the highest standard of citizenship and declared that the conception regarding the American that was conceived by other nations imposed a great responsibility upon the individual American who had to live up to his reputation. The speaker paid a high tribute to the American flag as a leader in the world's advance.

Dr. Steams spoke for an interpretation of American manhood that has as a basis a solid religious conviction; a reverence for purity in civic and domestic life, rooted and grounded in faith in God. Then it followed that the

LYDD THOMPSON "MAKES GOOD" AS A LEGISLATOR.

Assemblyman Lloyd Thompson's bill requiring slaughter houses to be placed under the control and regulation of the State Board of Health passes the Senate during the closing hours of the session yesterday. Mr. Thompson introduced this bill and a meat inspection bill in the interest of the pure food movement in New Jersey. The meat inspection bill failed of passage, owing to the large appropriation necessary to carry it into effect. Assemblyman Thompson's shade tree bill, and several other local town bills introduced by him also passed the Senate. The local Assemblyman has made an unusual record for the first year in securing the passage of so many bills, several of which were the subject of lively debate on the floor of the assembly. Mr. Thompson took a prominent part in the debate on the railroad re-valuation bill put through on the last night of the session, defending it against democratic attack.

Our town is now on an equal footing with the biggest cities in the country in the matter of cigars. At the National Cigar Stand in Frutcheys' drug store you can get the same brands, at the same prices, that are popular with the smokers of New York and Chicago; 3,000 of the biggest druggists throughout the United States operate National Cigar Stands in their stores and purchase their cigars together. This immense single buying power has made possible some of the greatest cigar values ever known—values like the Black and White, considered by many smokers to be the best 5c. domestic cigar ever produced.

WORK TO BEGIN AT ONCE. ON NEW SCHAEFER STORE.

Arrangements were completed and the contract signed yesterday afternoon whereby work is to be begun immediately on a fine brick and stone department store to be occupied by The F. H. Schaefer Dry Goods Company. The building is to have a frontage of fifty feet and a depth of seventy-five feet. It will stand on the lot of Patrick Traynor, the builder and owner, on Elm Street, adjoining the store of Hutchinson & Son. The frame store owned by the latter concern is to be torn down to make room for a new building.

The new Schaefer store will be the largest in town. The front show windows will be plate glass with prisms above, reflecting light throughout.

There will also be prism glass in the rear. The ceilings will be 14 feet high, and the front entrance will be 12 feet wide with large columns on either side. Large electric lights will be placed in the pillars.

I. O. S. Anniversary Celebration.

The eighteenth anniversary celebration of the I. O. S. will be held on Friday, April 15th, in the Elk room of Reisenweber's restaurant, New York, at seven o'clock. The plans for the event are now complete and all the members of the club with their "best girls" will be present. After the dinner there will be a dance, for which special music has been provided. The committee room will be decorated in the colors of the organization.

COUNCIL AT HOME.

First Meeting in New Town Hall Conducted with Decorum and Dispatch.

TO PLACE EIGHT FIRE HYDRANTS.

J. W. Manhattan Awarded Contract For Laying Cross-Walks—Other Items of Interest.

The Town Council met in the new Town Hall for the first time, Monday night. The Mayor presided, and all the members were present. Things looked spick and span, and business was transacted with dispatch and decorum. The clock, which for so many moons has hung over the rostrum, was missing. The Mayor, however, was equal to the emergency. When it came time to declare a recess, he looked up into the face of that metaphorical time-piece, and declared a recess of fifteen minutes, and time was not confounded by his declaration, for it was just fifteen minutes by the Ingersoll in Assessor Marsh's waistcoat when the Council was called to order again.

In line with the program of Town improvements and on resolution presented by Councilman Hohenstein, Council ordered eight new hydrants placed as follows: Six inch hydrants at Prospect Street and Ethingham Place; Clark Street and Embree Crescent; Lawrence Avenue; Mountain Avenue, north of Kimball Avenue; and four inch hydrants at Fairfield Circle and Washington Street; North Avenue 1000 feet west of Osborne Avenue; First Street, 1000 feet west of Osborne Avenue; South Avenue and South Walnut Street.

There were three bidders for the contract to lay cross walks: J. W. Manhattan, the A. L. Clark Stone Company and M. Powers. The former was the lowest bidder. The Town appropriated the sum of \$800 to be used for building cross walks. The bids were obtained for the purpose of getting as much of this work done as possible for the amount appropriated. The work will be carried out under the direction of Town Engineer Vurs.

Ordinances to improve Quimby Street and to place curbing in South Avenue, between Summit and Westfield Avenues, were passed upon final readings.

Four reports received from the Board of Assessors were acted upon and the evening of May 2 set as the date for public hearing. An ordinance for a sewer in Dudley Avenue, from Highland to Mountain Avenue, was passed upon first reading. An ordinance to improve South Walnut Street, was passed upon final reading.

Mrs. Julia O'Brien protested against the vacating of Locust Avenue, and the protest was referred to the Road Committee.

Building Inspector Cox reported permits issued for contracts aggregating \$16,782 for the month of March and sent in his check for \$18 fees, for permits issued.

The Council decided to repair Elm Street from Dudley Avenue to the brook near Orchard Street.

Bills amounting to \$2,508.85 were ordered paid on town account and \$1,079.73 for sewer work in the Westfield Real Estate Company properties.

An ordinance to construct sewers in Mountain, Colonial, Birch and Standish Avenues, was passed upon final reading.

New Business.

By Freeholder Perry.

Resolved, That a committee of three be appointed to examine the bridge on Clark street, Westfield, and report to this board its condition, the necessity of building a new bridge and its probable cost.

On motion of Freeholder Jones the resolution was adopted without dissent, and the Director appointed as the said committee Freeholders Perry, Haviland and Jensen.

By Freeholder Perry.

Resolved, That a committee of three be appointed to examine the bridge on Prospect street, Westfield, and report to this board its condition, the necessity of building a new bridge and its probable cost.

On motion of Freeholder Meisel the resolution was adopted without dissent, and the Director appointed as the said committee Freeholders Perry, Martin and Adams.

By Freeholder Wilbur.

Whereas, the full amount of bonds heretofore authorized by this board to be issued for the building and equipment of the Courthouse have not all been issued; and

Whereas, the elevator contemplated and provided for in the erection and construction of said Courthouse has recently been completed; and

Whereas, the cost of the installing of said elevator is approximately \$3,000; therefore be it

Resolved, That the County Collector be and hereby is authorized to sell three additional bonds of \$1,000 each, known as "Courthouse Bonds," either at public or private sale for a sum not less than par; and that the money so received for said bonds be applied toward and for the expense

of the installation and equipment of the elevator in the Courthouse building; and be it further

Resolved, That the Sinking Fund Committee of this county be and is hereby authorized to purchase said bonds from the moneys now on hand, designated as the Sinking Fund.

Freeholder Randolph moved the adoption of the resolution and on roll call it was unanimously adopted.

By Freeholder Smith.

Whereas, by virtue of the provision of an act entitled "An act to enable Boards of Chosen Freeholders to acquire, improve and maintain public roads," approved March 19, 1889, and the acts supplemental thereto and amendatory thereof, this board has heretofore issued bonds upon the faith and credit of the County of Union; and

Whereas, certain of said bonds of the second series, numbered from one to 150, inclusive, of \$1,000 each, will become due and payable on the first day of July, 1910, said bonds bearing date of July 1, 1890, aggregating in amount \$150,000; and

Whereas, the Board of Chosen Freeholders of the County of Union is desirous of renewing said bonds, therefore be it

Resolved, That the Board of Chosen Freeholders of the County of Union do hereby authorize and direct bonds of the County of Union to be issued for the purpose of renewing the bonds above referred to, falling due on July 1, 1910, aggregating in amount the sum of \$150,000, and numbered from 1 to 150, inclusive; and that said renewal bonds be issued under the corporate name, and under the corporate seal of the County of Union, and be signed by the Director, and attested by the Clerk of the Board of Chosen Freeholders, and that said bonds be designated "Renewal County Road Bonds," and that said bonds be in the amount of \$1,000 each, and in number 150, and aggregating in the amount the sum of \$150,000; that the same be made payable in twenty (20) years from the date thereof, with interest at the rate of four (4) per cent. per annum, payable semi-annually, principal and interest payable at the National State Bank of Elizabeth, N. J.; and that said bonds be properly numbered and the registry thereof kept by the board, and that said bonds be coupon bonds; and that said coupons be signed by the County Collector of the County of Union, and numbered to correspond with the bonds to which the same shall be respectively attached; provided, that the fac-simile signature of the Collector may be engraved or lithographed on said coupons in lieu of actual signing; and be it further

Resolved, That the Director of this board and the County Collector be and are hereby authorized to cause said bonds to be prepared, printed and executed; and be it further

Resolved, That in accordance with the provision of an act entitled "An act to authorize counties of this State to renew mature and maturing bonds," approved April 24, 1902, said bonds be sold at public or private sale for the best price that can be obtained for the same, but not for less than par value; and be it further

Resolved, That this board provide by taxation yearly and every year for the payment of said bonds and interest thereon until the said bonds shall be redeemed, a sum of money sufficient to pay the interest on said bonds as the same shall become due and payable, and to pay and discharge the principal thereof when the same shall become due.

Freeholder Robison moved the adoption of the foregoing preamble

and resolutions, and on roll call they were unanimously adopted.

By Freeholder Jones.

Resolved, That a committee of three be appointed to investigate the need of a new bridge on Marlon avenue, near South street, New Providence borough, the committee to report at the next meeting of this board the advisability of constructing the bridge, with the probable cost of the work.

On motion of Freeholder Haviland the resolution was adopted without dissent, and the Director appointed as the said committee Freeholders Jones, Darby and Swain.

By Freeholder Smith.

Resolved, That a committee of three be appointed to examine as to the need of and probable cost of rebuilding the culvert crossing Westfield avenue, near Beechwood avenue, Westfield, made necessary by its present condition, also to meet the change of grade of Westfield avenue about to be made by the town authorities.

On motion of Freeholder Thompson, the resolution was adopted without dissent, and the Director appointed as the said committee, Freeholders Smith, Thompson and Jones.

By Freeholder Wilbur:

Resolved, That the annexed bill for the official search for postoffice property at Plainfield, N. J., be and is hereby ordered paid by this board in the first instance, in case it shall be found on due investigation that such payment is legal and proper.

Freeholder Wilbur moved the adoption of the resolution, and on roll call it was unanimously adopted.

By Freeholder Randolph:

Resolved, That a committee of three be appointed to inspect an old wooden bridge at Race street, Rahway, N. J., and report on the advisability of putting in a concrete arch.

On motion of Freeholder Garrison the resolution was adopted without dissent, and the Director appointed as the said committee Freeholders Randolph, Garrison and Robison.

The One Party War Cry.

By many one-party rule is regarded as dangerous to national growth. It has been said, over and over again, within the past few months, that conditions were calling for a change in party administration, the party in power, having for so long had full swing that it was becoming defiant and arbitrary in its practices.

There is a grain of truth in this argument, but it is not the whole truth. One-party power has very little to do with good government which rests solely upon the consent of the governed. Party lines have not been finely drawn since Cleveland's second administration. Parties are dominated by politicians who will give the people what they want—provided the people insist upon getting what they want. Any party is likely to be arbitrary when the people do not care; but let any party feel the thrust of public indignation and immediately the leaders begin to make concessions.

Within the last four years one investigation after another has been undertaken, and exposures made which reflected on the fair name of the representatives of both parties. In all the investigation business there has been little offered to show that either party was uncorruptable—humanity has its faults, and Providence seems to have distributed them without regard for political preferences of creeds. It is a noteworthy fact that the Republican party with all its faults has produced men with courage and brains to fight for the common good; but for them we might not have been so alive to our short-comings as we are today.

So, when the slogan of one-party power is raised, think it over! The world does not stand in need of new parties and creeds; there are more than enough of them to go around. The world needs men of courage, honesty and common sense. When the people are wide awake and about the business of citizenship the party is their servant.

Let Us Help the Borough.

THE UNION COUNTY STANDARD proposes, or, at least suggests, that it would be a good thing for Westfield to present the Borough of Mountainside, originally a part of Westfield, with an American flag. With that idea in mind, we will next week open a Mountainside Flag Subscription List, no individual subscription to exceed 25c. Here we have an opportunity to inculcate in the minds of the Westfield boys and girls a sentiment of graceful consideration well worth whatever it may cost, and the heads of families may see the wisdom of taking the initiative in so patriotic and neighborly a compliment.

Those who believe in good roads and are interested in knowing what is being done to develop a good road system in the State, County and Town should attend the open meetings of the Board of Trade in the Town Hall, Prospect street, Thursday evening, April 21. Do not forget

the date, the place and the subject!

The Hon. Charles Evans Hughes is demonstrating what a man with brains and courage can do in public office. The house cleaning in the Empire State is a sweeping vindication of his policies, so to speak.

When Teddy comes sailing home again—Hurrah!

After so much strenuousness, what a tame place the jungle must be.

What's the matter with the Commoner?

Halley's Comet must be a heat generator.

The meter, we should say, originated in a place where they use gas exclusively.

The Easy Way.

Ladies! Do you know what it means to have your house cleaned by Electricity. It means that your rugs and furniture are made the same as new with out removing them from the floor or putting you to any inconvenience while going through that terrible ordeal of house cleaning. Rummage Sale.

The Woman's Guild of St. Paul's

Church will hold a "Rummage Sale"

for three days, April 28th, 29th, 30th, at

the Cooper house on Broad street.

Any person having discarded articles

of men's or women's clothing, furniture

or kitchen-ware, shoes, books or hats,

will please notify a member of the Guild

and a wagon will be sent for the articles.—Adv.

The Value of Mortgages

Half of the business of the world is done on paper, and if you are desirous of securing your own home, and find it is not convenient for you to pay cash, you are entitled, and it is also a good business, to secure a mortgage, on good collateral, your house.

If being your own landlord and having the kind of a home you want with plenty of grounds, and congenial and desirable location where values have increased at the rate of 25% per annum for the past four years, appeals to you, communicate with THE WESTFIELD REAL ESTATE COMPANY, and they will submit plans and finance the proposition, relieving you of the many details.

NOTICING JOBS REALTY CO., SALES AGENTS.

Mr. Landlord!

Do you realize that your house well painted and artistically decorated will return you twice what this work will cost. Your house will sell quicker. If you want to rent, the increased rent will soon pay for this decorating investment. You will get a better class of tenants.

NOW IS DECORATING TIME.

Why Real Estate is the Best Investment

Real Estate is the most judicious investment, as it enhances in value the most steadily, and yields the best returns. The SECURITY, the INCREASE, and the INCOME are the three essentials to be sought for making an investment.

We have just listed a property which has these three essentials. It will be wise to investigate.

SAVE METHODICALLY

There is no better way to acquire this habit than by becoming a

Building and Loan Shareholder

The regular once-a-month-payment does the trick, and before you know it you have a solid foundation laid for future needs.

Should you want to buy or build a home we will loan you the money at 5% interest, allow you to pay it back in monthly installments, and in amounts about what you would pay for rent. If you are ambitious our plan will appeal to you.

McDonald has scheduled the fast team from the Corn Exchange Bank, of the Associated Bank Clerks League, of New York City, for Saturday afternoon, May 7, at Recreation Park. In the mean time the team will be in training and will be playing out-of-town games. McDonald is willing to challenge any non-professional team and feels confident of success.

NEEDFUL KNOWLEDGE.

Westfield People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, headaches and dizziness may occur and the victim is often weighed down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy, Bright's disease or diabetes. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal.

You can use no better remedy than Doan's Kidney Pills. Dr. J. Westfield

John Dimler, 85 Elmer St., Westfield, N. J., says: "For some time I suffered from kidney trouble and though I used several well known remedies, I failed to find relief. My back was very painful, I had frequent headaches and my health became much run down. I also consulted a physician, but his medicine failed to benefit me. There were also other symptoms which showed that my kidneys were disordered and when Doan's Kidney Pills were brought to my attention, I procured a box at Frutkin's Pharmacy. They gave me such prompt relief that I continued taking them until I was cured. I cannot say too much in favor of Doan's Kidney Pills.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

W. A. A. C'S WIN.

Defeat Knickerbockers at Recreation Park—Score 9 to 2.

The Westfield Amateur Athletic Club team defeated the Knickerbocker A. C. nine at Recreation Park by the score 9 to 2 last Saturday afternoon. The enthusiasm of both players and spectators was remarkable considering it was the first game of the season. McDonald's team took the lead in the first inning and held it all through the game. Fred McDonald was umpire.

In the first inning the Knickerbockers started with two strike outs and a put out. Hunt of the W. A. A. C., found Ortleib for a two bagger and scored on a hit off Wilcox. Neither team scored in the second inning.

In the third inning the Knickerbockers tried the score when Coddling let Danker walk and gave Collins and Quigley a hit.

The fourth inning saw Ortleib single, Meyers single and Hanford hit to right field, thus scoring Ortleib. In the fifth McDonald's team scored two runs. Wilcox singled and then "Oy" Young stole a two bagger from Coddling. Then

Hunt hit a sailor to Bush in centre field and "Oy" crossed the plate.

The Knickerbockers were unable to score for the rest of the game, but the Amateur nine registered two runs every inning.

The inning score was:
K. A. C. 0 0 1 1 0 0 0-9
W. A. A. C. 1 0 0 2 2 2 2-9

The batting order:

W. A. A. C.—A. Hunt, r. f.; G. Dallas, 2 b.; G. Young, l. f.;—C. W. Maxwell, c. f.; C. Wilcox, s. s.; O. Young, 3 b.; D. Green, 1 b.—p.; Douglas, c. f.; Coddling, p.; M. Smith, r. f.

Borough Hall Opened.

Continued from page one.

Borough Hall of Mountainside would be a temple of justice and right.

Hon. Lloyd Thompson was another serious speaker. He said among other things that it would be more to the credit and dignity of the voters if they would take the trouble to get out at the primaries, to put forward only reliable, wise and patriotic men, of the statesman rather than the politician class. Were the citizens to do that the humiliating exhibition of political rascality in certain legislative bodies would not be possible. He explained the absence of Assemblymen Schwartz and Pierce who were detained by duties at Trenton and whose good wishes and congratulations he had been authorized to tender.

Mayor Alpers, of Westfield, received a warm reception when he was introduced. He said he felt like one of the family and was flattered and proud of the relation. Mountainside had beaten old Westfield in the matter of a municipal building; but the progressive spirit of the mother town had developed an over-expensive proposition as to a Town Hall and was now taking a new look at the field. But Westfield could be relied upon to do the right thing when the time came. The speaker made some playful remarks regarding the Chairman with whom he could not always agree as to methods; but whose sincerity and patriotism and progressive spirit when he edited the STANDARD were never to be doubted. Mountainside was to be congratulated upon having him for a citizen.

Frederick S. Taggart, Mountainside's attorney, told why Mountainside had politically set up house-keeping for itself. Westfield commuters needed improvements that the farming population of Mountainside could not be reached by—sidewalks, electric light, gas, sewage, and many other conveniences that could not be extended to the scant and scattered population of Mountainside. He predicted a great future for Mountainside as a retreat for factory-stuffed and business-crowded Westfield. Already the mountain roads were swarmed by pleasure-seeking pedestrians on fine days. Farms had been changing hands and that argued for a broad policy. This intimacy with the board of officers assured him that, while conservative, the members of the Council were progressive and wise on every public question.

Judge Laing was the last speaker.

An All Night Debate.

Continued from page one.

At night, the Upper House passed the anti-male bill by Mr. Brown. This measure authorizes the following registration fees for automobiles: \$3 for first class, less than 10 h. p. \$5 for second class, 10 to 15 h. p. \$10 for third class, 16 to 20 h. p. \$15 for fourth class, 21 to 25 h. p. \$20 for fifth class, 26 to 30 h. p. \$25 for sixth class, 31 h. p. and over.

One of the most important bills of the present session was passed by the Senate when favorable action was taken on the measure introduced by Senator Ackerman for the president, Senator Frelinghuysen, applying to bucket shops. In speaking for the measure Senator Frelinghuysen said that the bill was introduced at the request of Judge Carey. It makes it a misdemeanor to conduct a bucket shop and the penalty is a fine of \$1,000 for a corporation and \$500 for an individual who shall be convicted of violating the law. Senator Frelinghuysen said the bill would not interfere with the business of legitimate stock brokers. It is a copy of the New York law on the subject.

Due to the strong protest registered by President Frelinghuysen, Mr. Gehhardt's bill to regulate fire insurance companies was defeated by a vote of 10 to 4. The bill made it compulsory for fire insurance companies to certify that they have not entered into any agreement to fix or maintain rates.

Council At Home.

Continued from page one.

The deed of the Faber-Lewis Company, dedicating streets in Westfield Gardens, was accepted.

Edward Gibby, member of the Board of Assessors, requested Council to appoint someone else in his place to act upon the Clark street sewer assessment on account of being an interested party. Mayor Alpers, with the consent of the Council, appointed Joseph Perry to act upon this particular assessment.

Mayor Alpers again called attention to the public meeting to be held in the Town Hall on Thursday evening, April 21, under the auspices of the Board of Trade, at which Robert Meeker, State Deputy Commissioner of Roads and Freeholder Charles A. Smith will speak on Permanent Road Improvements. Every member of Council has signified intention of being present. It is planned to make this meeting the most interesting and instructive ever given under the auspices of the Board.

COLUMBIA UNIVERSITY GLEE CLUB AT CONGREGATIONAL CHURCH.

The Columbia University Glee Club will sing at the Congregational Church on Friday evening, April 22. The concert will be given under the auspices of the Men's Club, and for the benefit of the Church Building Fund.

The Columbia Glee Club consists of fifty members. A good program has been arranged. The object is worthy and those who attend will enjoy an evening of music, supplied by a company of trained singers, who have never been heard here before.

Miss Edith Gladwin Entertains.

Miss Edith Maie Gladwin entertained a number of her friends in the Sigma Phi Society by a luncheon given at the home of Mrs. H. B. Tremaine, on Westfield Avenue, last Monday afternoon. The dining room and table were prettily decorated in lavender, the society's color. After the repast, the afternoon was spent playing "Hearts." Those present were Misses Mildred Bunce, Madelyn Worth, Helen Wilson, Grace Collins, Pauline Ralli, Adele Coddling, Catharine Alpers, Margaret White and Alice Knight and Edith Palmer, of Fanwood.

THEODORE A. BALL, WESTFIELD NURSERIES

GROWERS OF

FRUIT, SHADE AND ORNAMENTAL TREES

And All Hardy Plants for the Lawn and Garden

Westfield, N. J., April 6, 1910

Dear Sir:

This week I will not enumerate any of the many items I have in the nursery line. The fact is, I have so complete a line of everything that will grow well out doors in this locality, that a list of what I haven't in stock would take less space.

One of the items I am short of, and I hate to say it, is cash; and to get the all-powerful dollar, I am offering the full value for it.

I am not offering any unknown or untried novelties, for which you may be required to pay five or ten times the value, and then do the experimenting with it for the introducer, and in two years find its only rightful place is in the brush heap; you'll get nothing of that kind here.

I have a large force of expert tree diggers and planters, but require more. I also need one or two landscape gardeners.

I also want a young man to assist in office work. I want all of the above mentioned help as soon as possible.

Yours truly,

THEODORE A. BALL.

NOW BOYS AND GIRLS AND GROWN-UPS WHAT'S YOUR GUESS?

The Standard Census Contest Began Tuesday, February 1 and Continues Through February, March and April.

As heretofore announced in the STANDARD prizes will be given to guessers as to the population of Westfield in 1910, according to the federal census to be taken next Spring. The terms of the contest are as follows:

To the one making nearest correct guess as to the population of Westfield, a prize of Ten Dollars in gold will be given; to the one making the next nearest guess Five Dollars in gold will be given; and to the third, will be given a year's subscription to the STANDARD. All guesses must be addressed "Census Contest" and sent to the STANDARD by May first. It is not necessary to be a subscriber to the paper. All ages, colors, creeds and nationalities are welcome. This offer should appeal to the bright boys and girls of Westfield, who are always glad to get money either for spending or to start a bank account, or would be glad to get a bright, independent new way paper, every week for a year.

The contest will open February 1st, 1910 and close April 30th, 1910. All guesses must be made over the signature of the contestant. No aliases allowed.

Cut this out, and fill in blank, and mail or deliver to "Census Contest," STANDARD, Westfield, N. J.

Census Contest:

THE UNION COUNTY STANDARD.

I guess that the population of Westfield as determined by the census enumeration in the year 1910 will be _____
