A real Home-Site should be something more than a mere strip of land, just wide enough to accommodate a house.

Home-Sites offered by The Peersall Company have width—ranging from 62 to 115 feet—ample lawn and shrubbery space. They have depth—from 150 to 250 feet—plenty of garden and clothes-drying space. Many are heavily shaded by forest trees. Others are rolling and terraced. All have every improvement.

One of the ambitions the members of The Peersall Company inherited, perhaps—is to do their part toward making Westfield park-like.

"ARON B" THE STAR

Wine Free-For-All Trot and Pace by Neck from Miss Syracuse and Breaks Record.

MAKES THE MILE IN 2:15 FLAT.

Finest Racing Seen at Local Track Saturday Afternoon—Big Crowd Enjoys the Sport.

Fair weather and the fine condition of the Fair Acres track helped to make the first meet of the Westfield Driving and Riding Club, last Saturday, a red letter day in local harness racing. The star event was the free-for-all in which Aron B not only defeated the much heralded Miss Syracuse but also lowered the time record to 2:15. The entries from Newark, Plainfield, Rahway and Elizabeth brought forth goodly delegations from these places. A large local delegation was in evidence, including prominent local horsemen, among them President, J. S. Irving; Secretary, E. R. Edwards; Treasurer, C. B. Smith, and smiling John Ten Eyck, who worked so hard to bring the races up to the high water mark.

The undefeated trio, Miss Syracuse, 2:10½; Aron B., 2:15½; Lillian W., 2:16½, started in the free-for-all. It had been announced that Miss Syracuse would try to smash the local track record of 2:15½. Aron B. drew the pole, Lillian W., second position and Miss Syracuse the outside. Lillian W. stopped fast, but the real contest was between the other two horses. The first half of the first heat made it evident to all that this would be a horse race. Aron B. set the pace for the entire mile and won by a small margin. Enthusiasm now ran high for some of the wise ones thought the bay mare would turn the trick. The two horses went at each other in the second heat hammer and anvil fashion without a skip or break, with the driver of Miss Syracuse lurching her much of the way and Adam Blair handling the reins like a Geers. They came down the home stretch neck and neck, Aron B. winning by a nose and lowering the local track record from 2:15½ to 2:15. This heat will prove to be, no doubt, one of the most sensational in North Jersey this season. Aron B. is certainly one of the gamiest horses on the race track. Last year he was behind the money one race out of twelve starts. He was foaled in 1901 and sired by Zippo F., 3:18½, a son of Charleston, 2:58, dam Rebecca A., by Arloval 1:45½; grand dam Magic, by Abadiah Star.

Ravenwood won the 2:30 trot and pace in two straight heats. The second place was fought between Colin and Miller Wilkes and resulted in a draw. In the second heat Colin made a bad break during the first half mile, but gathered himself up, made a game dash and came in only half a length behind the winner.

In the 2:30 mixed race Igo captured two straight heats with no great effort. In the second heat Foxy Todd, owned by W. H. Hutchings, came in second but was set back to last place for breaking and running about one-quarter of a mile. Dr. Bill was expected to put up a stiff fight for first place for he is fast and has worked out miles considerably better than 2:30. If necessary he could probably give Igo a good race any day.

In the three minute trot and pace Minnie Gentry won the first heat apparently with no great effort, but was unable to retain her supremacy. The other two heats developed into a contest between Wm. Wortendyke's Tramway, and J. S. Irving's Rachel Audition. However all the horses were well bunched. Tramway won the heat with Rachel a close second. Cecelia Bellini was set back one position for continuous breaking. It took several score ups in the second and third heats to get them off, because most of the starters were green horses. In the third heat Rachel broke, thereby spoiling her chance for first place. This is the first race in which Tramway and Rachel have started and it is predicted that both horses will make good actors in company and will develop plenty of speed.

Starter Hudson, of Plainfield, showed his well known skill in getting the horses off. The judges were Wesley Johnson, of Plainfield, C. B. Smith and Dr. Egol. The timers were Dr. Butler, R. L. Richardson, E. D. Floyd. The prize in the 8:00 class was a suit of horse clothing. In the other three events beautiful silver cups and blue ribbons were awarded the winners. The club expects to hold another high class meet some time in July.

The summary is as follows:
2:30 TROT AND PACE.

PETITION BOARD FOR SCHOOL IN EAST BROAD STREET.

The petition for a special school election to give the voters an opportunity to decide definitely as between the Washington School addition and a second ward site has been numerously signed, and will be presented to the Board of Education next Tuesday night. This procedure seems to meet with general approval, and is expected to set at rest the objections of many that the Washington School vote was not a real expression of the wish of the voters. It is understood that no member of the Board of Education will interpose an objection to allowing the voters a prompt opportunity to express their wishes. No proceedings have been taken by the Board on the Washington School addition proposition, the Board having been informally requested to await the filing of a formal petition for a new election.

FAIRVIEW CEMETERY BONDS.

Bonds of Fairview Cemetery paying 5% interest may be had by those desiring a safe investment upon application to Lloyd Thompson, Treasurer of Fairview Cemetery. The bonds are issued to take up note indebtedness of the Cemetery for improvements to the grounds. A sinking fund, into which a proportionate part of the money received from the sales of lots is paid, has been established for the purpose of paying the bonds when due. The bonds are further secured by the assets of Fairview Cemetery, consisting principally of its extensive cemetery grounds and its large number of available cemetery lots. Fairview Cemetery is not a stock corporation, but is an association composed of the lot owners, and all profits are paid into the treasury of Fairview Cemetery for the improvement and perpetual care of the grounds. The splendid financial standing of the corporation makes these bonds a safe and attractive investment. Interest is paid semi-annually.—Adv.

Big Gathering of Foresters.

Court Provident, 3130, of the Independent Order of Foresters is planning for a big celebration, Monday evening, July 25. Both Court Daly, of Rahway, and Court Cranford, of Cranford, have been invited and many members from these courts are expected to be present. Several will be initiated after which speeches will be made and a spread will follow. Chief Ranger Charles C. Malbury, and Vice Chief Ranger James Barclay, with their fellow members, will be on hand to see that all the visiting and local brethren enjoy themselves.

Notice to the Public.

The ordinance to regulate the use of firecrackers, fireworks, firearms and other explosives prohibits the sale or use of firecrackers exceeding ½ inch in diameter, toy cannon, pistols, (excepting those using paper caps,) and the placing of torpedoes on any car track within the limits of the Town, but does not prohibit the use on the street of firecrackers under ¼ inch in diameter or small torpedoes, nor pin wheels, balloons, Roman candles, etc., on private property.

Opening of Netherwood Summer Home.

The Netherwood Summer Home will open on Tuesday, July 5. The Home has been all refurnished and repainted. We are informed the applications for fresh air are larger than any previous year. Miss Curry will be pleased to meet any of her old friends.

Through the past warm spell Miss Curry has lost nine children from the heat, showing the need for a fresh air home.

A Plan For the Horse.

EDITOR OF THE STANDARD:
Now that the Town Council has shown unusual activity in reference to the dogs in Westfield remaining muzzled until September 1st and that they now assume the human being is protected, I would suggest that this honorable body interest themselves as strenuously in behalf of the dumb beast, "the horse," and appoint a *real live* humane society in Westfield. It would be well for one of the able members to take a day off and sit upon his porch and count the crippled horses that are being driven and cruelly treated by many of the young and inexperienced boys who drive for our local tradespeople, to say nothing of those of more mature years. For almost eight months, I have witnessed a horse being used in this town for commercial purposes that was actually going around on three feet, the fourth being encased in an iron crib so as to enable him to stand up. Thanks to a wide awake official in our rural town of Somerville this horse was seized and disposed of a short time ago. Do you not think it is time that our town awake to the situation and took some action toward the better treatment of the horses?

WESTFIELD WATER NOW COMING FROM THE NETHERWOOD STATION.

Mr. Edward D. Floyd, appointed by Mayor Alpers to meet with the Citizens' Committee of Cranford relative to the water question, reports that we are once more getting water from Netherwood. Two additional wells have been driven at the Netherwood station and it is reported that three more will be driven, so as to give this section a sufficient supply of water.

S. P. C. A. OFFICER VIGILANT.

Causes Arrest of Two Drivers for Cruelty—One Barely Escapes Jug.

The special officer of the Plainfield branch of the Union County S. P. C. A., Mrs. Stephen G. VonHoesen, of Plainfield, is right on the jump in spite of the heated atmosphere. Within the last twelve weeks she has ordered seventeen horses killed, besides looking after numerous cases in the courts. Wednesday morning she had two cases in Westfield.

Joseph Kadish of 314 Plainfield avenue, Plainfield, was taken into custody by Officer Rosencranz on complaint of Mrs. VanHoesen. Kadish was driving an old horse, about 30 years old to a wagon overloaded with furniture. The animal had become exhausted at Roselle but somehow the driver contrived to urge him here. Kadish was hauled before Recorder Toucey and fined \$10 with costs.

Frank Caponetti of 321 First street, Westfield, was detected in the act of driving a horse having a large matted sore under the saddle, by Mrs. VanHoesen and Officer Rosencranz. He was nabbed then and there and brought before Justice of the peace J. F. Millett. The offender was fined \$10 plus \$1.50 for costs. Caponetti was told to give his horse proper medical treatment and was told by Mrs. VanHoesen that next time he would be fined \$20, or sent to the jug, or both.

BIG DAY FOR METHODISTS.

Appropriate Service to Commemorate Beginning of New Church.

Last Sunday was a banner day in the history of local Methodism, when the exercises starting the foundation for the new church were held. The enthusiasm was great, and as the members of the congregation, in turn, dug out a shovel full of earth, the hard struggle of the past seemed to fade away and the new structure, so long dreamed of, seemed to loom into view. The members of the congregation, the Board of Trustees, Sunday School, Men's League, Epworth League and the local Methodist organizations were well represented.

The services opened with a prayer service led by the orchestra of the Men's League. Rev. Dr. A. W. Hayes, pastor of the church, offered a prayer. Speeches were made by Rev. Dr. Hayes, President of the Board of Trustees; William H. Davis, Sunday School Superintendent; James F. Johnson, President of the Men's League; T. T. Hurdader, President of the Epworth League, and others. Among those present who remembered the first Methodist Church in Westfield were Mrs. James R. Ferris, Mrs. J. S. Burhaus, Mrs. Margaret Mapes, Mrs. Julia McQuoid, Mr. E. E. Townley.

Monday morning the contractors put a large force at work and the new church will be constructed as speedily as possible. About \$50,000 will be required to complete the structure, of which about \$25,000 has been collected or pledged. When completed this will be among the finest churches in our State and the Methodists of Westfield are to be congratulated on their triumph.

TENNIS AT GOLF CLUB.

The proposed program for tennis at the Westfield Golf Club Courts on July second and fourth has been somewhat changed as those in charge found that it would not be possible to hold mixed doubles.

The plan as it will be carried out, however, promises some good sport. Many entries have been received and all the "crack" players will be on hand. Men's doubles will be played and the winning teams will receive silver cups as prizes.

Miss Beebe Entertains Her Pupils.

Miss Helen T. Beebe of Prospect street, entertained her pupils and their parents at the last musicale of the season given by her pupils on Wednesday afternoon. Miss Beebe's sister, Miss Carolyn Beebe, the concert pianist from New York who is to tour extensively next season under the notable management of London Charlton was present, giving the pupils a musical talk and playing for them.

Confined to His House by Injuries.

Mr. Anthony McDoel sustained more severe injuries than was reported last week, in consequence of a fall caused by the giving away of an extension ladder held with a block and fall. His ankle was badly sprained and the lower leg bruised. He will be confined to his home probably for some weeks.

MR. MERRILL HAS RESIGNED.

Cannot With Justice Occupy a Position Which Places Him in Opposition to Apparent Wishes of Voters.

RESIGNATION TENDERED ON JUNE 10

Action Deferred By Board in Hopes That He Might Reconsider—His Work as an Educator.

Mr. Earle A. Merrill has tendered his resignation as a member of the Board of Education. The resignation was received by the Board and considered at the executive session of June 10. The letter is as follows:

June 10, 1910.

Board of Education,
Westfield, N. J.:

Gentlemen—Had yesterday's vote resulted in the rejection of both propositions it might have been interpreted as a dissatisfaction with the site on one hand, and to dissatisfaction with the failure to provide for additional school facilities on the other. The vote, however, seems to disclose the fact that the voters not only rejected the site recommended by the majority of the Board, but are also not in sympathy with the plans which I had urged as being essential to the continued efficiency of our school system. My convictions are based on a long and careful study of conditions, and therefore are not likely easily to be changed. Under these circumstances I feel that I would not be sufficiently in accord with such alternative plans as may be adopted, to make me a useful member of the Board; and as I cannot with justice either to the school, the Board, or myself, occupy a position which would almost invariably place me in opposition to the apparent wishes of a majority of the voters, I hereby submit my resignation, to take effect on this date. Furthermore, I could not consent to be a party, either directly or indirectly, to the mutilation of the Washington building, and the disorganization of our high and grammar schools, which the minority plan, as offered, necessarily involves.

I am submitting my resignation at this meeting, rather than at the next regular meeting, in order that the necessary changes in committee assignments may be made promptly.

Yours truly,
EARLE A. MERRILL.
Because of Mr. Merrill's great service to the cause of local education, the Board of Education unanimously decided to try to get him to reconsider his decision. Mr. Merrill deferred to this request, but found himself unable to change his views, and sent the following letter:

50 Church Street, N. Y.,
June 10, 1910.

Board of Education,
Westfield, N. J.

Gentlemen—In deference to the request of several members of the Board, I have carefully reviewed the circumstances which led me to tender my resignation under date of June 10. This further consideration has simply confirmed in my mind the necessity and propriety of my action.

Yours truly,
EARLE A. MERRILL.
The Board of Education meets on the evening of July 5, at which time the resignation will be considered and probably accepted.

Mr. Merrill's resignation removes from local educational affairs one of the ablest executives the Board has ever had. He has a great love for detail, and no feature of this work was neglected by him. Rather conservative in his methods, Mr. Merrill aimed for efficiency as the wisest and surest economy. He took a great interest in securing for the schools the best teachers, and was of great assistance to Dr. Sivitz in this respect. He believed in centralized schools, centrally located, and gave considerable time to the formulation of a program that would bring this needed result.

Race Meet at Plainfield on Fourth.

The races at the Plainfield Driving Park on the afternoon of July 4th will be of a high order. There will be a 2:16 pace, 2:18 trot and pace, 2:21 pace, 2:18 mixed, 2:30 trotting, a six furlong running race. Entries closed Tuesday. Several local horses are entered, which with the entries from Plainfield, Elizabeth, Newark and neighboring towns promise a fine afternoon to lovers of harness racing.

The purse offered for the running race is \$125, the purse for each of the other races is \$200 each.

Running Race, 5 furlongs—Merry Sunshine, Lady Ann, Sally Simmons, Genevieve, Molly Bonn, Kilter.

2:15 Trot and 2:16 Pace—Strongheart, Aron B., Lillian W., Foxy Todd.

2:18 Trot and 2:21 Pace—Igo, Mary S., Foxy Todd, Lady Onward, Dr. Bill.

2:30 Trot—Jane Todd or Miller Wilkes, Batcher Boy, Billy F., Helen Nelson, Colin, Tramway.

If you receive an entirely unexpected consignment of sirloin, mushrooms, kippered herring, soap, leeks, sauer kraut, etc., do not be wroth and use swear words, gentle or stern reader. For the local grocers, butchers and marketmen are as innocent and mystified over the affair as you. Our local dealers are not trying to put up a game on their customers, but certain parties with distorted conceptions of a practical joke have succeeded in slipping one over on both dealers and consumers. It seems that these would be jokers have telephoned orders to marketmen and grocers, purporting to come from certain customers. As a result, much annoyance and some injury have been done to both sides. The local dealers are gnashing their teeth over the affair.

WILL PLAY NO MORE GAMES AT HOME FOR LACK OF SUPPORT.

The Westfield Cubs in a well played game with the Newark Y. M. C. A., at Recreation Park, Saturday afternoon, were defeated by the close score of 3-2. In spite of the good game of ball put up by the Cubs they have received poor local support and Manager McDonald announces that his team will play no more games this season at Recreation Park. All games will be played away from home. Cerero and Johnson scored the runs for the Cubs and Blair, Reh and Francis for the Newark Y. M. C. A.

EDITOR STANDARD,
Westfield, N. J.

In an article on a Westfield gymnasium, written by Miss Mildred Bunce, in the last issue of the STANDARD, Miss Bunce stated that a friend of hers had said the "Westfield Casino was the only place of amusement in the town but that he did not care to be seen there," intimating that the Casino was an undesirable place of amusement.

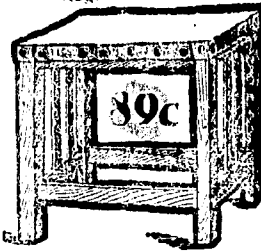

I disapprove of this not only on my own behalf but also that of my patrons. I cannot understand the statement, unless the essay was written before I undertook the management of the building. Coming direct from New York City I know nothing of the class of patrons patronized by the previous management. I do not believe in cheap vaudeville and therefore struggle out of the program,

TOWN NOTICES.

Special Ordinance No. 314.

Ordinance to improve North avenue from the east line of lands of the R. of N. J. to Westfield avenue.

Resolved by the Council of the Town of Westfield, in the County of Union, N. J., that North avenue from the east line of lands of the R. of N. J. to Westfield avenue be improved in the following manner:

By setting the existing curb on the west side of the street, and replacing broken and defective curbs.

By setting new 4x16 inch blue curbs on concrete on the west side of said street.

By constructing vitrified brick sidewalks four feet wide on each side of the street, and gutter lines.

By macadamizing the street for a width of eight feet on each side of the gutter line, with a 1/2 inch binder.

By re-surfacing existing macadam with a 1/2 inch binder at the expense of the Town.

That so much of the cost of such improvements as shall be assessed upon the property benefited thereby shall be paid by the Board of Assessors.

That such improvements be made and completed under the supervision of the Town Surveyor.

That this ordinance shall take effect immediately.

Advance Club Elects Officers.

The Advance Club held its annual meeting at the home of Mr. and Mrs. Malcolm B. Dutcher, of Dudley avenue, last Friday evening.

The following officers were elected: President, C. R. Pitcher; first vice-president, Wilson Macomber; second vice-president, John B. Douglas; secretary, Mrs. C. R. Pitcher; treasurer, Alex. McL. Rowland.

After the business session, a social session with music and recitations followed. The club is in a prosperous condition. This will be the last meeting until fall.

A CORROBORATION.

Of Interest to Westfield Readers.

For months Westfield citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills, by residents of this locality.

Would these prominent people recommend a remedy that had not proven reliable?

Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement?

No stronger proof of merit can be had than cures that have stood the test of time.

The following statement should carry conviction to the mind of every Westfield reader.

William Schwartz, 19 E. Scott Place, Elizabeth, N. J., says: "I was a victim of kidney complaint for some time. My back was very weak and ached intensely, especially after I had contracted a cold or was exposed to damp weather. I often felt as if I could not endure the pains in my head and an annoying kidney weakness distressed me night and day. Physicians' medicines did not help me and when I heard of Doan's Kidney Pills, I procured a supply. After using about three boxes my kidneys were restored to a normal condition and the pains in my back were removed."

THE TEST OF TIME.

On June 20, 1908, Mr. Schwartz said: "I have had occasion to use Doan's Kidney Pills since 1903. I am still as strong in my praise of this remedy as ever."

For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

If You Find the Balloon and Find It You Get a Box of Cigars Free

On the nights of July 2 and July 4th I will send up two big balloons from the front of my Cigar Store on Broad street. In each balloon will be a small package, entitling the finder to a box of cigars free of charge.

Those who love sport for sport's sake will find enjoyment, and compensation, too, in following the balloons to their destination, getting the package and returning it to my store, where they will receive the reward. The cigars are selected from my best stock, retail at 10c each, and there is no better smoke in the market. All the cigars in stock are A-1, and if you smoke them once you will smoke them all the time. Come in and select a favorite brand.

I also have on sale a fine display of fireworks. Will sell only the kinds permissible under the town ordinance recently passed, as I have no desire to violate the law.

We have a big stock of Balloons for sale. The Pool Parlors are open every day and evenings. The best is offered to the best at

Fireworks of All Kinds Except Those Kinds
Which it is Unlawful to Sell Can be Bought at

Albert E. Snyder's Stationery & Sporting Goods Store

We have a splendid stock on hand—come in and look it over before you purchase your supplies for celebration of the Glorious Fourth.

It was stated that the "Safe and Sane Fourth" ordinance, recently passed by the town council, would be violated so as to make a "test case." But the ordinance will not be violated. We will sell only such kinds of fireworks as are permissible under the ordinance. All our customers, therefore, can celebrate a "Safe and Sane Fourth" without fear of being haled into court.

By now! The Best Brands of Fireworks. There is Nothing Dangerous in what we Sell.

THE L. O. S. AT CONEY.

Twenty-one Members Enjoy Dinner and Sights of Luna Park.

Twenty-one L. O. S. boys and girls enjoyed the annual outing to Coney Island, Monday night. The trip to and from Brooklyn and the Island was made by special trolley. Fellowship's shore dinner was served after which Luna Park and Steeple Chase Park were visited.

The trip was a thriller from start to finish. Planes were passed on the car and at the Island; but the real fun was "doing Coney." Every "big show" was taken in and there were some bumper car journeys on the "Teepee" and in "The Dragon's Cave. Charles Kimball met the natives to talking when he discovered and climbed the "North Pole."

The company arrived home on the 12 o'clock train, rather tired but happy and wishing that the outing might be a weekly rather than an annual event.

Those present were: President and Mrs. G. F. Cruttenberg; Mr. and Mrs. Robert W. Harden; Mr. and Mrs. Fred P. Condit; Mr. and Mrs. Charles E. Kimball; Mr. and Mrs. Arthur E. Smith; Mr. and Mrs. Robert V. Hoffman; Mr. and Mrs. Thomas LeClair; Mr. and Mrs. Arthur H. Moody; Mrs. Harold Thompson; Miss Chas. B. Jones; Arthur D. Tuttle and John McCormick.

Field Day Games of Baptist Church.

The Sunday School of the Baptist Church observed annual field day Saturday afternoon. The weather was all that could be desired, and there was a large attendance of members of the Sunday School and their friends to witness the games and enjoy the outing on the spacious lawn. There were jumping contests, foot races, obstacle races, potato races, tag-of-war, indulged in by the boys and men. At the same time the girls and ladies were having a good time playing games on other parts of the lawn. After the games the ladies served ice-cream and cake to all.

Big Union Excursion on July 12.

The pupils, teachers, officers, parents, and friends of the Sunday Schools of the Methodist, St. Paul's Protestant Episcopal, Congregational Churches of Westfield; the Baptist, Presbyterian Methodist, St. Luke's Episcopal Church, of Roselle and the Methodist Church, of Aldene will unite in a big union excursion to Ocean Grove, Tuesday, July 12. So many have planned to go that the excursionists have been divided into two sections. The trains leave Westfield at 8:15 and 9:15 a. m. and Roselle at 8:30 a. m. Returning the trains leave Ocean Grove at 8:30 and 9:30 p. m.

Athletics.

Teams from the Federation of Men's Clubs will play base ball games on the morning and afternoon of July 4. The winners of each game will play the rubber at a later date.

In the finals for the club championship at the local Golf Club grounds Saturday afternoon, Joseph Sherman, Jr., defeated A. E. Kellar, 10 up and 8 to play. Mr. Sherman is now hailed as the club champion. The prize was a gold medal to the winner.

Some of our local automobilists will take part in the annual hill climbing contest of the Plainfield Automobile Club, on Johnson's Drive up Watchung Mountain, North Plainfield, July 3 at 1:30 p. m. There will be eight contests.

Woman's Missionary Society Meet.

The Woman's Missionary Society of the Methodist Church held an open missionary meeting at the home of Mrs. T. T. Hartneger, 401 Prospect street, yesterday afternoon. After the business session a social and literary session was held. Refreshments were served.

—Mrs. Charles Lord, of Lenox avenue, entertained the ladies of the Turners Park Sewing Circle last Friday.

FRIDAY, JULY 1, 1910.

Would you wear an air of ease—
Why not Westfield? If you please.

Mr. Merrill's Resignation.

Mr. Earle A. Merrill, who has tendered his resignation as a member of the Board of Education, is one of the ablest and most conscientious workers who have ever served the people of Westfield in this capacity. Thoroughly conversant with the local school system, he placed emphasis in the proper place—efficiency. Mr. Merrill was ever willing to give of his valuable time and strength to increase the efficiency of the local public schools.

That the recent proposition advocated by him was defeated, was due to an unpopular site, and because, some feared, increased school expenditures at the present time would be too much of a burden on the town. Mr. Merrill, however, has deemed it expedient, even essential, for him to resign from the School Board, because he feels that there is a lack of confidence in him. If there be any who count his work of little consequence, so much the worse for them, and so much the worse for Westfield. However, there are many, even among those who recently opposed him, who believe that Mr. Merrill was fighting for a principal and he is consequently looked upon by these as a man whose services to the cause of education in Westfield have been of permanent and far-reaching consequence. Mr. Merrill's resignation is a matter of deep regret.

Independence Day.

Under the new regime Westfield, along with the great metropolis and other cities and towns, is to have what is known as a safe and sane observance of the Fourth. "What!" cries the old inhabitant, with fond memories of youthful days, "do they intend to abolish pyrotechnics and noise-making devices? Are we to increase the number of Sundays in the year by one?"

Not at all. The S. and S. idea is to have a one-day celebration in honor of July 4, 1776, instead of an extended celebration lasting from three to five days. Again few well-balanced persons will object to the children having the day of boisterous fun, but the time has come when many realize that adults, too, should be shown some consideration. Let the children celebrate to their heart's content for a reasonable length of time, but no false notions of patriotism should put the means in the children's hands of mutilating themselves.

The School Proposition.

The disposition of the Board of Education to afford the fullest opportunity to the voters to settle the school question as the voters think it should be settled is to be heartily commended. Notwithstanding that the Board has already been authorized to build the Washington school addition, though by a narrow majority, it is true, it at once showed its intention to let "the people rule" by postponing action pending the necessary legal steps to procure a new election when the people might vote with a clearer knowledge of the relative merits of an addition to the Washington school and a school on a second ward site. Every member of the Board is expected to vote for the new election when the petition is filed, and every member will thereby declare his sympathy with popular rule. For this attitude the people should commend the Board.

A Case in Point.

That the dresses of sweet girl graduates should be as "simple and

inexpensive as possible," is an idea not altogether preposterous is shown by the experience at the Washington Irving High School, New York, Monday night. Of the 243 girls, 27 wore dresses costing not more than \$1.00 each, while others wore dresses costing from \$5 to \$75. None of the 1,000 spectators could pick out the dollar garments. Of course this is an extreme case and the girls were not subjected to minute inspection, and naturally they did not wear hats. Nevertheless this suggests what may be done.

As before remarked the offices of the Tax Collector, Board of Assessors, Town Clerk, Town Surveyor, the Police Station and Recorder Toucy's Court are at 121 Prospect street.

Some Important Local Questions.

Now that the flood of June weddings is subsiding, many of us have more time to consider important matters concerning local improvements which will come up before the July meeting of the Board of Trade. At this time the committee appointed to consult with the officers of the Central Railroad of New Jersey in trying to get a better telegraphic service, and to have the stations and tunnels better lighted and protected at night, will make a report. The matter of improved mail service and the Federal census enumeration will also come up.

Even though these hot days predispose to thoughts of vacations, hammocks, loafing and outings, it hardly seems too much to ask all our residents to co-operate with the Board of Trade in trying to make Westfield one of the banner towns along the Central.

An example of good work done by the Board of Trade is the recent United States census enumeration. It was reported that the census had been taken in a loose manner. The Board at once took up the matter with the supervisor of census for our district, Mr. Hoagland, who has done his utmost to give us an accurate enumeration. It goes without saying that a correct knowledge of the population as well as the increase of same, and of our resources is one of the town's assets.

The condition of the two Central stations and the tunnel at night is not alluring. The Town Council and Police Department have dealt with the gang of rowdies in an efficient way. But the stations are poorly lighted at night. The tunnel is a main thoroughfare of the town, but is also poorly lighted and contains puddles of water after each rain.

For a town of our importance, Westfield has not adequate night telegraph service. There is no night telegraph operator at the railroad station. In order to send a telegram at night one must visit or telephone the person in charge of station. He telephones the message to the tower, and the tower telegraphs the message to its destination. Incoming night messages are supposed to follow the same channel. The Western Union has announced recently that telephone subscribers may telephone night messages to certain offices such as Plainfield, Newark or Orange, which offices will telegraph all messages so sent. Of course all this is annoying and unsatisfactory.

Co-operation of our residents with the postmaster and Board of Trade will help us to get a better mail service. The present postmaster and assistant postmaster, with the efficient corps of clerks and carriers

are working to better the local mail service, but more can be done. At the last meeting of the Board of Trade Mr. Gale stated that the amount of daily mail received at the local postoffice was very uneven, especially on the days when the local papers came out and on the first of the month. At such times the office does not have a sufficient number of sub-carriers to assist the regular carriers, and some of the mail has to be taken back to the office and delivered on the following day. Mr. Gale said the government recently had allowed an auxiliary service of twenty-four hours, and that an additional carrier probably would be allowed this fall. It was stated that if there was a mail box at each home the carriers could cover their routes in one-third less time than at present. An early morning mail to New York would be a convenience to our business men and others.

Adopted by the Town Council June 17, 1907.

Security Company Elect Officers.

The Security Investment Company held its annual election Thursday night. The officers elected are as follows: Dr. Theodore H. Harvey, president; A. B. Hutchinson, first vice-president; E. B. Woodruff, second vice-president; Frederick S. Taggart, secretary; James G. Cusey, Treasurer.

Proposal for Bridge.

Sealed proposals will be received by the Committee of the Board of Chosen Freeholders of the County of Union, at the Town Hall, Westfield, N. J., for the construction of a bridge on Millington Place, Westfield, N. J.

Plans and specifications may be examined at the office of F. J. Hubbard, County Engineer, 201 Park Avenue, Plainfield, New Jersey, or at the residence of the undersigned, JOURNAL PHARMACY, Chairman Committee.

Laird-Gilpin.

Miss Caroline E. Gilpin, daughter of Dr. and Mrs. Fletcher Gilpin, of Newfoundland, Pa., and a sister of Mrs. Harvey, and Dr. George S. Laird were married at the home of Dr. and Mrs. Theodore E. Harvey, East Broad street, Saturday evening at eight o'clock.

Rev. Dr. W. I. Stearns, pastor of the Presbyterian Church performed the ceremony. Miss Mabel G. Bardick, of Stapleton, S. I., was the maid of honor, and Dr. William King, of Calumet, Mich., was best man. The ushers were Clinton D. Gilpin, a brother of the bride, and Dr. Frank Warncke, of Elizabeth. It was a pink and white wedding. The bride was beautifully gowned in white satin and wore a veil of tulle. She carried a bouquet of bridal roses. The maid of honor was attired in a pink satin gown and carried a bouquet of pink sweet peas.

The interior of the Harvey home was a bower of palms and pink and white roses. Over seventy guests were present at the wedding reception from Westfield, Elizabeth, Stapleton, S. I., Newark, Brooklyn, New York, Washington, Caldwell, Calumet, Mich., Belfast, Maine, Attleboro, Mass. The bride was graduated from Wellesley College and many of her college friends were present. Dr. Laird is prominent in local and neighboring medical circles. After a wedding tour the happy couple will reside at 125 Central avenue and will be at home to friends after September 15.

SAVE METHODICALLY

There is no better way to acquire this habit than by becoming a Building and Loan Shareholder

The regular once-a-month-payment does the trick, and before you know it you have a solid foundation laid for future needs. Should you want to buy or build a home we will loan you the money at 5% interest, allow you to pay it back in monthly installments, and in amounts about what you would pay for rent. If you are ambitious our plan will appeal to you.

The Telephone—A Friend in Need

WITH a telephone at home, the business man does not feel the urgent necessity of being at the office.

Without a telephone, frequently he goes to business when he should stay indoors, sometimes thus developing a serious sickness from a slight indisposition. A telephone would keep him in touch with his place of business, and his place of business in touch with him, so that all ordinary affairs of the day would go on as though he were at his post.

It does not matter how far a man lives from his office, for Bell Telephone Service is both Local and Long Distance.

For East Broad Street School.

Westfield, N. J., June 30, 1910.
Mr. Robert V. Hoffman,
Editor of the STANDARD.

Dear Sir:—
Permit me to express my opinion in
your valuable paper relative to the
location of the new school, as I am one of
those 322 voters that voted against both
propositions on June 8th but not on
account of the Peckham site being a
swamp or because the Washington
School addition is inadequate, but be-
cause there is an urgent need for a
school situated in the territory between
East Broad street, Harrison avenue and
Chester street.

Inasmuch as the larger part of the in-
crease in pupils to be taken care of at
present and in the immediate future is
in the kindergarten, primary and gram-
mar grades, consequently the next new
school ought to be built so as to be a
convenient distance for the pupils.
The children from our section of the
town, (Westfield Park) have now about
a one and one quarter mile walk twice a
day to attend school sessions. On ac-
count of this long walk we can send only
a few of our children into the kinder-
garten and have to keep the primary and
grammar scholars at home many a half
session during bad weather which is
very undesirable.

It also appeals to me and many others
to be poor business policy for our town
to destroy \$10,000 worth of Washington
school property in order to make the
proper connection between the old and
the new building, as on the other hand
\$10,000 would buy a nice school site
where more convenient and desirable.
Besides such a site will have to be bought
soon anyhow; could be bought cheaper
now than in a year or two and would
increase the assets of the town.

I would like to remind Mr. Winter
Davis (now being a member of the
Board of Education) of his remarks
made in the STANDARD about two years
ago when we helped the fourth ward
in their fight for the McKinley school. Mr.
Davis at that time said that the people
in our section can be assured if they
help the fourth ward to have the McKin-
ley school, Mr. Davis and the rest of
the people on that side of the R. R.
would help us to locate the next school
in our neighborhood.

Trusting that the honorable Board of
Education will reconsider the whole
school proposition with due regards for
our section, Westfield Garden, Stanley
Oval and East Broad street.

I remain very respectfully yours,
FRANK J. BORER.

No. 46 Lincoln avenue.

—Miss Pearl Lambert who has been
spending some time with Mrs. Austin,
of Orchard street, has returned to her
home in Madison.

MacDougall-Westenfelder.

Miss Wilhelmmina Westenfelder and
Mr. David C. MacDougall were united in
marriage at the home of the bride's par-
ents, 672 Rahway avenue, Saturday eve-
ning, at eight o'clock. Rev. W. T. S.
Lambert, pastor of the Mt. Pleasant
Baptist Church, of Newark, officiated.

The Westenfelder home was hand-
somely decorated with palms, ferns,
roses, carnations, yellow, pink and
white being the major colors of the de-
corations.
The bride wore a magnificent hand-
made Renaissance and Princess lace
robe, studded with hand embroidered
medallions over white satin. She car-
ried a shower bouquet of lilies-of-the-
valley. Her veil was draped with an
orange blossom wreath. The bride was
given away by her father, Mrs. C. L.
Harris, a sister of the bride, was matron
of honor. She wore white chiffon over
yellow silk. Miss Sue Trimmer the
bride's maid wore yellow crepe de chene.
Both matron of honor and bride's maid
carried bouquets of French marguerites.
Mr. William H. Campbell, of Bayonne,
was best man and Mr. Leslie B. Wood-
ruff, of Elizabeth, and Mr. G. Freder-
ick Cooper, of Douglaston, L. I., a
nephew of the bridegroom, were the
ushers. The bride's gift from the bride-
groom was an opal ring surrounded by
diamonds and the bride's gift to the
groom was a handsome gold watch.

A reception followed the wedding.
Guests were present from Newark,
Westfield, Jersey City, Bayonne, Phila-
delphia, East Orange, New York, Dou-
glaston, L. I. and Brooklyn. The couple
took a honeymoon trip to Newport, R.
I., and other points in New England.

PRICES BELOW COST

Crowds Grow Greater as
Bargains Reach Their
Climax IN THE BIG Watson Sale

It seems a shame to sell good clothing at the absurdly low prices now offered on the entire Watson stock.

But the fact is we can't let sentiment stand in the way, as it is imperative that all stock be closed out regardless of price in order to settle the Watson Estate.

Hence these unsparing reductions:

BILL
FRASLEY SAYS!!

Young man, avoid the variegated hued, barber pole striped summer
liquid concoctions—there's danger in them.

If it is stored away in the attic, time worn and dust covered, particularly if there are children in the family, brighten it up and hang it in the dining room:

GOD BLESS OUR HOME.

The "Standard" conducts an up-to-the-minute print shop for turning out both the ordinary and the de luxe; expeditious, meritorious and price righteous.

Some of the sweet girl graduates are taking post-graduate courses in kitchen economy and up stairs callisthenics while others are scanning hammock literature.

Comment is scattering shot; it generally hits more than the intended mark.

With the connection intended to be as obscure as possible, Harrison avenue runs through what was once the town circus lot.

When the town water proposition gets healthy and lusty enough to wake up real public interest, beware of the concealed hyperdermic and the injection intended to put it to sleep.

It is a cruel blow to push a man into political preference without first asking his consent.

Oh, thou white winged dove of peace, please hover over Dudley avenue; for a time at least.

There is such a thing as overdoing salt water bathing; it makes some people dippy.

A bungalow is a four hundred dollar apology for a house into which you may squeeze four thousand dollars worth of furniture.

The conventional flaring banner—"Welcome to our city"—reads to the visiting cynic: "Leave your loose change here before you go home."

It is time to be suspicious of originality when a man is solicitous about her hair being on straight.

And now the lemon and the lime.

The heading of a wife's advice, now and then, would be mighty effective medicine for the most of men.

Fish net shirt waists are a catchy fashion fad among the sea shore resorters.

Bye and bye the man with a jag will be able to frame up the home excuse that he became dizzy from tracing the course of air ships.

Here's A Fence That Once Up Will Stay Up

You Can Feel the Heart-Throb of the Universe

The Modern
Method is ::

By Telephone

Quickest
Surest
Least Costly.

By the ring of the bell, the call to the Hello Girl---and zip!---you are talking with your salesman in Chicago. By the same method you are keeping in touch with the business activities in every part of the country in a more direct, a more satisfactory way than by correspondence. Because of the telephone the world has grown smaller while business has manifolded in character and scope. And, too, your own work has been lessened. You may enjoy hours of leisure with a telephone near at hand that you could not otherwise enjoy. The telephone has not only meant a saving of time and a broadening of activity, but it has added to enjoyment, increased comfort and lessened worry.

This is the story of a world-wide activity. It is likewise the surest route to success and increased comfort in a smaller way. The Town of Westfield has an enterprise known as the **WINDFELDT COMBINATION MEAT, GROCERY and VEGETABLE MARKET** which aims to give every house-wife in the community which it serves the same degree of comfort that is afforded the captains of industry and by the same means---**THE TELEPHONE**.

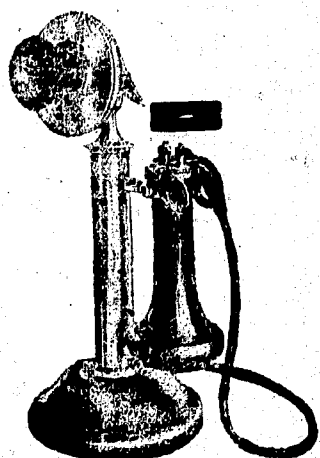

The chief plaint of the house-wife is the bother of marketing, the answering of the call from the butcher, the baker, the candlestick maker. She must leave her work, or excuse herself to a caller, in order that she may attend to her marketing. What would she give to be rid of these annoyances?

She need give nothing but co-operation in a plan which if generally adopted will save her time and worry. A part of the Windfeldt Combination plan is to have customers shop by Telephone. We have the system and the service whereby this can be done. Listen!

Many of our customers are supplied with telephones; those who are not ought to be. Those who are, if they will, can do all of their marketing at any hour of the day by telephone. Their orders will be taken, an itemized statement delivered with the goods at any hour of the day required. This is the simplest, the quickest and the most convenient way of marketing. You need not be bothered with coming to our store. You know our brands and we know your wants and we can supply them to your satisfaction without your personal supervision. If you should not be satisfied, if some mistake should be made, we will readily and cheerfully make amends. You can be spared, also, from interruptions in your household duties by the order clerk. The Telephone is near at hand---**USE IT**.

And those who have no telephones in their homes---this is the time for you to have one installed. The rate is reasonable, and the saving and bother is more than compensation for the nominal cost of telephone service.

Figure it out for yourself. By jotting down what you want when you feel the need of it, then by telephoning to our store, you will be saved, at least thirty minutes each day---not to mention the inconvenience of interruptions and the difficulty in picking up the thread of activity again. Continuity of effort in a given direction is an economy, the value of which cannot be computed in dollars and cents. But you know the worth of marketing by telephone. You have thought of it many times---thought and worried, too. This is the time for you to co-operate with us and thereby lessen your domestic troubles, and increase your social comforts.
