THE WEATHER

WESTFIELD SENIOR HIGH SCHOOL

DEDICATION

In appreciation of his competent guidance as our senior adviser, we, the members of the Class of 1948, dedicate this twenty-seventh issue of the Weather Vane Annual to Weyman O. Steengrafe.

MR. WEYMAN O.
STEENGRAFE
B.S., M.Ed.

Sincere interest in the students, trusty leadership, and active participation in every phase of school life during his five years on the faculty of the Westfield Senior High School have made Weyman O. Steengrafe a respected friend of all.

Born in Newark, Mr. Steengrafe attended Rutgers University. After attaining a B.S. degree, he received a fellowship for a year's graduate work culminated by a degree of Master of Education. Now he is continuing his studies toward a doctorate. Before coming to Westfield Mr. Steengrafe taught seven years in Hillside in the high school from which he was graduated.

Though problems of American democracy is his forte, he has taught American history, economics, sociology, and world geography. For the past three years he has been faculty adviser to the Senior Class and to the National Honor Society.

During the recent war Mr. Steengrafe served as an instructor in the United States Army for twenty months and as a Separation Center counselor for seven months. This experience intensified his belief in world peace through international cooperation.

Last year active interest in government prompted Mr. Steengrafe to run for the state legislature. Although defeated, he gained political knowledge which has made his classes vivid and challenging.

Outside of school Mr. Steengrafe is the director of the Westfield Adult Evening School and a member of the State Speakers' Bureau of the American Association for the United Nations. In his leisure time he enjoys playing volleyball and traveling with his wife.

His enthusiastic support of free discussion by students has constructed within us an unbiased outlook on current problems, and the high ideals which he has instilled in us will always remain criteria by which we may live.

STACEY N. EWAN, JR., B.S., M.A., Ph.D.

I congratulate you upon having reached this important goal in your educational careers. Your achievements have been in direct proportion to the effort that you have put forth. Your further education, whether it be in or out of school, will likewise depend on the effort you expend on it.

In the short space of time that I have known you I have learned to admire your ability to get things done, your initiative in attacking new problems and above all, your friendliness.

My earnest wish for you is that you retain those same characteristics; and as life unfolds before you, it will be a broad, even highway leading to happiness and success.

S. N. EWAN, JR.,
Supervising Principal

ROBERT L. FOOSE, B.A., M.A.

It has been a very real pleasure to work with you this year. Your spirit of cooperation, broad interests, and poise are qualities which are developed to a high degree in this class, as they always have been in Westfield Senior High School.

Now that your careers are about to begin in business, the home, or through work in institutions of higher learning, you are aware of the tremendous challenge of the future. Seek more education, use to advantage the lessons you have learned here, and work everlastingly to make the world a better and more peaceful place in which to live.

CLASSES

Jean Brown

ATTELIA A. ACHARD

Attelia's three initials reveal the "Academic A's" she obtains on her report card. Beneath her quiet exterior may be found a love of fun. If ever a person needs help in a pinch, sincere Attelia will lend the helping hand.

DORIS ANDREWS

Her small stature may fool you, but pretty, playful Doris is as full of pep as a bowl of "Pep." From her experience at the Westfield Sweet Shop, she can make you a sundae that will make your mouth water.

MARY LOU ALTON

Mary Lou is tall with brown hair and big brown eyes. A super figure and a pleasant personality will enable her to go far in whatever field she chooses. Until then you can usually find Mary at the Mountainside Drug-store.

CARMELLA APPEZZATO

"Mella," who can always be heard giggling over something someone has just said, has beautiful long brown hair, a pleasing smile, and a wonderful personality. Her friends, who are many, know her as a pleasant girl to get along with.

FRANK BARRANCO

A good miler in track, Frank always does his best in everything he attempts. Ping Pong is another sport in which he excels. Good looking Frank is usually seen telling a story or joke, or just having a good time.

RICHARD BATT

Dick is one of our top operators in pig skinnery, who also excels in track and tall stories. His congenial personality and witty remarks make him a very popular senior. He always has a consoling laugh for the worst of "Heff's" jokes.

PATRICK BAVOS

Pat, an extremely talented artist and a hard driving guard on the championship football team, has left Westfield High something to remember him by—the class seal of 1948 which he designed. Pat, though very modest, is a "sharp" dresser.

CHARLES BELL

Blond, good-looking Charlie is a quiet, studious, and apparently serious member of our class. Lately the Fire Department has lost its monopoly on red cars to Charlie, who may be seen roaring along in the speedy red '46 Ford.

EILEEN BENNINGER

Helpful "Betsy" is as sincere as they come. Though quiet, she has a wonderful sense of humor which accounts for her many friends. Because of her friendliness and respect for others, her secretarial career is sure to be a success.

JOYCE BERRY

Lively, lovely, and loquacious—that's Joyce. Outstanding in sports, she will nevertheless be known to her fellow classmates as "that girl with the great sense of humor." What would our dark halls have been without her bright, cheery omnipresent smile?

PETER BICKETT

As fine as they come, Pete is a versatile fellow who scintillates personally and scholastically. Our one-time sophomore president is always helpful where needed, whether on the gridiron or in the school. We expect great things from this pillar of dependability.

MILDRED BLOOMSBURGH

With her lovely soprano voice, "Pidge" is an asset to the choir. Usually seen at church meetings or driving in that dark green car, Millie is the center of any group. This lively gal has a lot on the ball!

FAITH BOCKIUS

Faithy, a combination of brains and wit, will always greet you with a pleasing smile and sparkling eyes. Many of her friends are "Pen-pals," and she can always be heard saying, "Guess what? Today I got a letter from——!"

CARL BOLLETER

An easy guy to get along with, Carl enjoys hiking and camping and gets into all kinds of trouble with his few but well-picked "women." WHS has recently obtained another "cowboy," for Carl has just received his driver's license.

ARTHUR BONETTI

Sly and shy Art is often seen cruising around in his slick auto or heard in heated arguments about the Boston Red Sox. Aviation is one of his main hobbies, and he hopes to make it a lifetime job.

JANET BOYER

Jan, sweet and slow to anger, is the girl who arrives just on time or a little late and may be seen dashing down Elm Street at 8:29. She won a place in our hearts as "Kate" in **Berkeley Square**.

MARGHERITA BRACUTO

"Maggie" has a quiet manner about her only when she is in deep thought. She has a smile for everyone and will listen to anyone's troubles or lend a helping hand. Here's luck to a girl who really deserves it.

TERENCE BRADY

Terry, that tall blond Detroit fan, excels in all sports, especially golf, football, and basketball. Being of Irish extraction, he wants to go to Notre Dame. It is said that this winning lad has no trouble getting dates.

CAROL BRANDT

We'll not soon forget Carol's lovely voice as she sang in the Christmas program. Carol has not only a voice but also looks, charm, personality, and versatility. No wonder she made such a successful president of the Sub-Junior Women's Club!

DANIEL BROOK

"Snowball" appears to be quiet to those outsiders who don't know him, but he is truly a "howl." The life of any party, Dan is a happy-go-lucky fellow who always tries hard in whatever he attempts to do.

DONALD BROOKS

Very often seen driving his 1923 Dodge with "Fluid Drive" or his 1939 Ford, Don is well known to all. He is a respected member of the WHS "4 year club" and is seen at the "Princess's" quite often too.

DICK BROWER

Dick, a very likable fellow, is well known for his friendly smile and for his wisecracks. He spends most of his time driving his car and following the world of sports. Dick is the life of every party he attends.

JEAN BROWN

Would anyone care to have his portrait drawn? Well, then, the person to see is Jeannie, for she is just the one who can do it. This quiet gal with great artistic talent certainly will become a wonderful fashion designer.

RICHARD BROWN

Tall, blond, and rugged, "Brownie" may be seen hunting in the fall, skiing in the winter, and swimming in the summer. Dick is an all-round capable fellow, a gentleman and a scholar who will long be remembered by all.

DOLAN

H. Hollingsworth

TED BROWN

Ted, who is noted for his marvelous dancing, is about the most sincere person you could want to know. He is always anxious to help his friends and has a wonderful knack of cheering them up with his clever wit.

GEORGE BUCHAN

A good fisherman and an even better hunter, George is popular with everyone, especially members of the opposite sex. This lad with the blond curly hair has long awaited his driver's license; when he gets it—stay off the streets.

SHIRLEY BRYANT

Shirley's pleasing personality has won her many friends in and out of school. She is talented in singing and can also play the piano well. We'll all be rootin' for her success in her study of music at Fisk University.

DAVID BUTLER

Quiet and not very talkative around school, David becomes loquacious when he gets started in a history discussion with Mr. Beckel or some of his fifth period classmates. He is polite, well-mannered, and unusually well versed in world affairs.

BETTY CAMERON

Short and sweet—that's Betty. This girl not only has an infectious smile, but she also has a pleasing manner which brings her many friends. She is a snappy dresser, knowing all the latest styles and keeping up with them.

GORDON CAMERON

To this dapper fellow Florence Nightingale is a troopship on which he served, visiting France, England, Italy, and Japan. As a civilian he yearns for college, where he will study business administration, and for his hobbies, hunting, fishing, and boating.

ELEANOR CAPEN

This petite girl with the pretty long hair and wide hazel eyes seems to have taken for her motto, "I serve." One of our most helpful girls, she aspires to be an artist and is nearing her goal. Good luck!

H. Hollingworth

CLARA CARNEVALE

Here is the girl who proves that good things come in small packages. Her contribution to the fun and merriment in the hallways and classrooms is her spontaneous giggle. As long as "Vic" does not mind, Clara is completely happy.

DONALD CHAMBERS

"Champ" is one of the school's most enthusiastic sports lovers, spending his winters on the "Y" basketball court and the springs on the baseball mound. He is equally popular with both sexes, and he is a swell, all-round fellow.

ELEANOR CHILD

Eleanor, known to all as "Chile," can be seen around the halls talking to her many friends or dashing madly to her classes. Born with a talent for music, "Chile" will certainly go places with her violin. Good work, Chil!

BARBARA CLARK

Lovely hair, cute clothes, infectious giggles, and loyalty—all describe Barbie. Her artistic hand is welcomed by the **Weather Vane** editors and Miss Howard. Barbie, a piano virtuoso and a good student, is a girl we shall all remember.

MARILYN CLEMENTS

Lynn, as Marilyn is known to her friends, is determined to be a radio actress or a good wife. She will go far, for she has a winning personality. Her manners are excellent, and she is always a loyal friend.

BRUCE CLOUGHLY

Our very capable class treasurer does not limit himself to problems of finance. He is an active member of both the Hi-Y and DeMolay. Any spare time is spent engaging in the activities of the choir and the boys' double quartet.

FRANK COALE

Frank's attractive personality has gained him popularity by leaps and bounds. His main interests are science and swimming; and whenever there is a contest, Frank is always in there trying. He shines in those democratic discussions in English class.

Brains? You bet, but a lot more, too. Joyce also possesses pulchritude, neatness, and artistic and athletic ability. Joyce is the gal to whom everyone turns when anything needs to be done. She takes the lead in many activities.

JEAN PRATT

A tailored miss, Jean is seemingly quiet but really fun. A genial girl, she has a knack for doing the right thing at the right time. This plus the will to help others will win her success as a buyer.

DOROTHY QUIMBY

With those sparkling brown eyes and that infectious laugh, Dottie is the life of every party. Tall, vivacious and lots of fun, she can often be seen at lunch-time dashing for that black car. Mysterious but sweet—that's our Dot.

LAWRENCE READ

Behold the man who hasn't missed school for three years! This frequent visitor to Minnesota is a lover of outdoor sports, and his metier seems to be engineering. Larry enjoys sketching buildings and sometimes cuts lawns, probably for filthy lucre.

MARJORIE REEH

Pert and well groomed is Margie. A lovely smile and a twinkling eye add a touch of gaiety to her ladylike charms. A "smoothie" on the dance floor, she's a "brain" in classes. She handled the Student Council records capably.

JOANNE RICHARDSON

That vivacious brunette who flies around in the blue Nash is "Joie." Those flashing brown eyes, along with a ready hello, are part of Joanne's charm. Her favorite expression is "Yes, George!" and dancing seems to be her favorite pastime.

BARBARA RINGEN

"Ringen" is one of the quieter members of our class who really brings fun to all those around her. A short blonde with plenty of the personality and pep which make her popular anywhere, Barbie is a true friend to all.

ANN RITTERBUSH

Ann, with her sparkling smile, has won a place in many of our hearts. Her fame as a horsewoman is perhaps not widely known, for she's a modest miss. Friendly to all, unpredictable Ritter is certainly a top-notch girl.

CARLTON ROBINSON

With that wavy red hair and smooth western drawl, Carl is a true Texan. A friend at all times, he is a swell person and has told us often of his beloved cowboy country and the girl he left there.

JEAN ROBINSON

Jean, possessed of a talent for making friends wherever she goes, will make her way far in this world. Jean is a very nice pleasant girl to have around and is president of one of the clubs outside of school.

PIERRE ROCHAT

Whenever you see the WHS basketball team, you will see little "Moe" shooting baskets or sitting down giving orders to the sophomore managers. Always looking forward to his annual trip to old New Hampshire, he is an avid ski enthusiast.

AUDREY RUMPLE

This blonde bombshell is petite, peppy, popular, and contributes piles of all-round good fun. Rahway lost a grand, enthusiastic gal when Audrey came to us in her junior year. Audrey's greatest ambition is to continue with her singing.

JUNE SAAL

Blonde, peppy June is one-third of an inseparable trio—Norm, June and the black coupe. Friendliness, faithfulness, and a sincere interest in people are assets she may well use in her future nursing career. Those lucky, lucky patients!

ROBERT SALT

The Westfield Diner seems to be Bob's hangout but he can also be seen in that green Chevy. A qualified and respected member of the "4 year club," this young man is expected to follow Greeley's advice and "Go west."

FRANCIS SALVATO

A lover of sports and women, "Babe" can be found at any big event in town. He spends his summers at "The Point" and his school year participating in sports. He was co-captain of the basketball squad this year.

L. Weaver

CHARLES SANDERSON

Charlie, nicknamed "Bing" or "Frankie," is usually found at choir or double quartet. Although he has many friends, at present his interests turn to a certain blonde sophomore. He is sure to go far with his voice and pleasing personality.

NOREEN SCEURMAN

The problems which go with being the **Hi-Eye's** "girl Friday" and write-up chairman of the yearbook don't faze this ambitious young miss. She takes it all in her stride and still has time for those very necessary "A's."

JACK SANDS

Jack has done some excellent work this year on our track team. A fishing enthusiast, he spends much of his spare time mending and adding to his equipment. With his perseverance and personality, we are sure Jack will go far.

BILL SCHARMANN

Studios Bill, although he's quiet, is nevertheless the fellow who can keep his whole class grinning, for he possesses a subtle sense of humor. Bill's dexterous fingers do equally well whether he's playing the piano or puttering around with automobiles.

ROBERT SCHMITZ

There are very few sixty-minute men on any high school football team; however, we've had one here in the person of the modest, rather retiring Bob. Anyone acquainted with "Red" will tell you that he's a darn good mechanic.

ALLAN SCHOTT

Who just made that frightful pun? Why Allan Schott, of course. All of the beautiful blond locks is equally famous for his smooth handling of the trumpet. Friendly Schott is a great admirer of the junior class women—eh Gladys?

CHARLES SCHROPE

Student, athlete, and center of all attractions is Charlie. One of WHS's few three lettermen, Charlie was called the sparkplug of the '47 football team. Besides his accomplishments in sports, his humor and smile make him popular everywhere.

JIM SCUDDER

Here's a boy who will find success. Just ask anyone who knows this well-dressed choir president. The boys' double quartet has also taken up much of Jim's time, and we won't forget his brilliant performance in "Berkeley Square."

BETTY SELLINO

One of the few quiet and shy seniors, Betty with her charming smile and swell personality has many friends. She is always willing to help someone solve his problems and is often seen riding around with Pete in his Buick.

TOM SENSBACH

Although his hair is short, the same cannot be said about the stature of this lad. His spare time is divided between his Ford and a certain someone from Plainfield. Hard working Tommy is bound to succeed in life.

BEVERLY SILBERMAN

"Smooth" is the word for "Bev." This little girl with the short, curly black hair and nice clothes has a sense of humor, a love of good times, and makes a loyal friend. She's loads of fun to have around.

CYNTHIA SMITH

"Semper fidelis" is the best way to describe "Cynn timer." A perfect lady and a wonderful friend, she has won a very warm place in all our hearts. Her charm and good looks assure her fun and success wherever she goes.

SHIRLEY SMITH

Shirley is a tall, graceful girl, with plenty of charm. A true book-worm, she may be found curled up with the latest novel at any time. We know that her dreams of becoming a successful buyer will come true.

WALTER SMITH

Shy although popular, Walt is well-known around school for his fine "slush-pumping." He is also the proud owner-operator of that "cute" little blue auto. The seriousness with which Walter pursues his studies assures him a successful future.

MILLCENT SOMMER

Millicent combines sincerity with enough love of life to make her fun to know. She can be seen on the hockey field, basketball court and such most any time. Her sympathy will soothe those whom she nurses in the future.

MARIANNE STANFORD

Gullible "Mare" will never have an enemy on earth if she remains her sweet and friendly self. Plenty of her energy is worked off in sports, but this little firecracker always seems to be bubbling over with personality and smiles.

MARY JO STEINER

Wacky, fun-lovin' "Joosie" can always find something to laugh about. A terror on the hockey field and behind the wheel of her gray Dodge, she is also one of Miss Grimmer's songsters and is one of our friendliest personalities.

A. SPINDLER

ROSALIE STODDARD

Although deep thoughts hide behind those merry blue eyes, Rosalie has a friendly smile for everyone and a quiet unassuming manner. Her sincerity and talent are sure to carry her far along the road to success at Princeton Choir School.

LUCILLE STUART

Here's a gal with personality and plenty of pep. She is a whiz not only in her studies, but also in the extracurricular activities in which she participates. Lucille is a fine example of a good all-round girl.

ADA STUHLER

Ada, one of our class' most stunning damsels, is the gal who always looks as if she just stepped out of Vogue. In a "new look" dress, or in a gym suit on the hockey field, Ada looks mighty pert.

DONALD SWANAGAN

Although new to WHS this year, Don has already made many friends. He is often seen putting around on his motor scooter. He helped make our fall play a great success and is sure to succeed in his chosen profession.

NORMAN TAPLEY

Norman hails from Maine and can almost always be found telling stories about this Shangri-la up north. Norman plans to go to Alaska after he graduates and hopes to hunt. With his ready smile, we're sure he'll go far.

STANLEY TATE

Stan, a lover of jazz—playing and listening—really makes his saxophone sit up and talk. A member of the band, he is one Mr. Ingram couldn't do without. Being able to assemble things, Stan is sure to go places.

ELIZABETH TAYLOR

Although quiet in school, this giggler is dynamite after 2:35. Being a member of choir and chorus is one of Betty's interests, while sincerity and sweetness are some of her attributes. A good worker and helper, Betty will go places.

R. SPINDLER

J. HALL

AILI TESLOF

This short sweet gal is at home not only on the stage, but on the tennis court as well. With her ever ready humor, Aili can make the best of any situation. We know she will always succeed in every way.

JAMES TOMSON

One of our best basketball players, this friendly senior can usually be found at the "Y." Known as "bones," he is captain of the '47-'48 team and is sure to roll up a grand score in the game of life.

LETTY LEA THOMAS

Letty Lea's unusual brand of wit, which always pops up unexpectedly, makes her a delightful girl to know. The possessor of long dark hair and beautiful eyes, she also has brains. Lots of luck in N. J. C. in future years, Letty.

DIANE TIEDEMAN

Diane is a cool, calm girl who never gets excited but accomplishes everything without a fuss. Being able to give physics and chemistry a whirl in the same year is proof of her scholastic ability. Keep it up, Diane.

RICHARD TRYON

In this quiet, unassuming fellow we have one of the better untried athletes in WHS. Sincere and well mannered, he is a friend to all who know him. Often seen riding around in his car, Dick is a sane driver.

ABIGAIL TUCKER

"Abby," as she is called by many, is outstanding in her studies, music and sports. She leads in academic subjects and also in her ability to lead our Senior Hockey Team. Her smile and sweet disposition will carry her far.

HERBERT TUORTO

"Turk," as he is called by all, can usually be seen in his car. He is envied by everyone for his innumerable study periods. With his ready smile and pleasing personality Turk is destined to go far in this world.

J. HALL

JOAN TURNBAUGH

Known to her numerous friends as "Turnie," this giggler lightens up any party. A possessor of a lovely soprano voice, she is a definite asset to our choir. She'll always be remembered for that pretty smile and the "cute" giggle.

SUSAN VAUGHAN

Susan, better known as Sue, is well liked by all of her friends, for she has the determination needed to make good in life. Very often, Susan may be found in the typing room busily typing away for other people.

WARREN VICTOR

Although Warren attended Admiral Farragut Academy in his junior year, he is graduating now from Westfield. Warren is an average student but a lot better than average sprinter on our track team. His driving definitely isn't of the latter category.

CARL VILLANE

Pedestrians around town somewhat disagree with "Bob" about his driving ability. Ambitious to become a professional boxer, he is noted for being "quiet" and sincere and for possessing the fine quality of always being ready to lend a helpful hand.

WILLIAM VILLANE

Don't let that loud laugh of Bill's fool you—he is really quite genteel. Neat and well-groomed "Sharpy" may very often be found in the "small boro" of Plainfield. Aspiring to be an engineer, Bill is bound to achieve success.

PATTY FAYE WAHLGREN

Patty's slow moving manner is certainly a welcome calm in the rush of WHS. This along with her blonde hair and "giggle" makes her a friend of both boys and girls. Patty's great artistic ability will undoubtedly carry her far.

JEANNE WALKER

"Mickey" is that cute little number with the winsome smile and that great big horn. This sweet gal always says exactly the right thing at exactly the right time, and she can always be counted on whenever help is needed.

MARILYN WALKER

Although Marilyn came to us from Oklahoma just this year, she has quickly adapted herself to her new surroundings. She is always amicable and willing to listen to anyone's troubles. We wish her luck in her journalistic career.

CLAIRE WATSON

Pep and vitality describe our cute little Claire to a "T." Her cheery manner, vivacious personality, adeptness in all sports, extra peppy cheerleading and good naturedness make her popular with everyone and will surely place her in demand at college.

WILLIAM WEAN

Rather quiet till he gets going with his "gang," Bill is a nice guy to know. He is usually found around Wilson School playing football or baseball. He likes auto racing and records and is a very loyal Yankee fan.

LAURA WEAVER

Laura is a modest, unassuming person with a flair for creative writing and a natural talent for art. Although ostensibly quiet, Laura is well known for her art and should someday achieve her ambition which is to become an illustrator.

MARY LEA WEBB

That unassuming, happy-go-lucky blonde is Mary Lea. A good disposition and a pleasant manner make her friendship valuable. This faithful member of both choir and chorus never fails to greet us with a cherry "Hi!" Happy landings, Mary Lea!

GEOFFREY WHALLEY

Though small in stature, Geoff, the possessor of an infectious grin, is over-flowing with vitality and friendliness. His future looks very promising if he continues the good work he did as manager of the football team.

AUDREY WHITE

Attractive and blonde Audrey is a "brains plus personality" girl, possessing a ready wit. She's fun-loving and conscientious in all that she does. Although she hasn't decided on any career, whatever she attempts is sure to be a success.

DIANTHA WHITE

Although a little vague about certain things, "Dizzy" astounds us all with some of her remarks which pop out at the most inopportune times. She's the brain of many a class and her super special vocabulary will really "wow" you.

JOAN WIAINT

Joanie's cute smile and witty personality make you like her immediately, and her sincerity makes you like her forever. This package of sunshine, who's the life of any hen party, will cheer up many a patient with her sparkling manner.

GEORGE WILCOX

Versatility is the basis of this fellow's personality. He's known to all for his wonderful smile and good sense of humor; yet he has a serious side. The best is in store for this talented class member as an architect.

J. BROWN

ROBERT WILLIG

This tall, handsome curly-haired senior is well known for his wide, friendly smile and those sharp flashy sweaters. Bob's perseverance in his studies and his interest in sports make him almost a novelty around these halls of higher learnin'.

VIRGINIA WILLIAMS

Ginny is always there when needed with a pleasant smile, a helpful hand, and good ideas. These qualities will boost her to the top as a doctor. Her natural curly hair is a source of admiration, especially on rainy days.

ELEANOR WILLIAMS

El is on of the few gals who is demure and charming and at the same time lively and not so serious when the time is right. A pleasant gal with that nice personality, she's a real friend to all.

JANE WILLIAMSON

Blessed with sleek black hair and the gift of gab, Janie is also one of the best-dressed gals in our graduating class. She also has much in the way of brains. "Duke" is certainly lucky to get this charming girl.

BRUCE WILLIS

"I been workin' on the railroad" should be Bruce's cry in years to come. This modest fellow with a quick wit has ambitions to "do things in railroading." Will, an avid sports fan, is envied that '47 Studebaker he drives.

JOHN WILSON

One of the WHS famed championship eleven, "Bullet Bud Wilson" was known for his ability to plow through and get ahead. A sense of humor and his knack for making friends contribute to his success in and out of school.

WILLIAM WILSON

This fellow, whose Arkansas drawl and Model A Ford are well known, has done a grand job as president of the BAC. His manners and friendly personality are among his outstanding qualities, and he's our high hurdlin' track star too!

ROBERT WIMMER

Surely there is not a more willing, sincere, and pleasant fellow in the world than Bob. All outdoor activities appeal to this tall senior who enjoys hunting, fishing, and boating. It is rumored that he wishes to become a veterinarian.

ELSIE WIRTH

That cute little blonde with the sparkling blue eyes and cheery "hello" is Elsie. Her bright manner adds life to any party. Her sincere friendship has endeared her to all who know her. She and a certain brunette are inseparable.

EDMUND WISE

This tall, dark-haired senior is a good second tenor and has been a mainstay in the choir and also in the All-State chorus. Ed also manages to get his name on the honor roll almost every marking period.

JOHN WOOD

Although usually quiet and reserved, this blond boy has a swell sense of humor and is quite active in sports, DeMolay and Hi-Y. His willingness to try and determination to do well will be factors which insure future success.

DORIS WRIGHT

A little gal whose effervescent personality and subtle wit make her fun to have around is Doris. One of her most prized possessions is the family station wagon which can be seen on various occasions overflowing with her many friends.

RACHAEL WURTH

"Rae" is known for her zany quips and fits of giggles. Sports and eating are tops with her on her "favorites list." She will certainly be an efficient secretary since she's always trying to make other people happy in life.

BARBARA YOUNG

Although active in sports, Barbara still finds plenty of time to keep busy in outside activity. As class secretary, she keeps the minutes up to date. A cheery smile, a neat appearance, and a wonderful personality make Barbie welcome anywhere.

ACTIVITIES

Laura Weaver

WEATHER VANE ANNUAL

Under the guidance of Miss Dolores W. Bordner and Miss Harriet S. Howard, sponsor and art adviser respectively, and Mr. Gomer Lewis, financial adviser, Editor-in-Chief Judy Hall and her staff have tried to make the 1948 edition of the "Annual" one to be long remembered.

This year the padded cover of blue and white has been retained, but four pages have been added to the book. The title page features pictures of student gathering places superimposed upon a map of the town of Westfield and has been executed by Laura Weaver.

The editor was assisted in her work by many committees, headed by the following: Noreene Sceurman, write-ups; Eleanor Child, pictures; Pete Bickett, sports; Diane Kessler, class will and superlatives; Janet Driver, activities; Carol Hanson, feature pictures; Paul Piret and Jane Craig, dramatics; Cynthia Smith and Joyce Powell, dedication. Clubs and other school organizations were written up by the president or one of the other officers. Pat Klein and Thelma Larson gave special assistance to the editor.

The Class of 1948 is indebted to Miss Howard's art classes for the sketches which appear throughout the book, and to Miss Colley's and Mrs. Timberlake's classes for some assistance with the typing of material.

HI'S-EYE

In addition to selling candy, frankfurters, and ice cream, the versatile journalists sponsored a cake sale and modified Hi's-Eye policy to include local advertising as a supplementary source of revenue to national advertising and SAT funds. The staff felt that the added income would make possible two more issues than the scheduled four, without affecting the quality of the paper.

Editor Dick Fischer and his associates, Bob Huddleston and Brock Brower, widened the scope of news to embrace all fields of interest to WHS students. "Hi's-Eye" gave front page publicity to the record-breaking accomplishments of the various athletic teams. The sen-

ior play, CBS survey, band concert, music festival, and clubs vied for top news positions.

About once a year some article from the "Hi's-Eye" catches the national eye. This year was no exception, for Huddleston's "High Degree of Social Democracy" was reprinted in the "New York World Telegram," which referred to Bob as a "hard-hitting editor."

Part of the success of the staff activities was made possible by the guidance of Mr. Napoleon Jean Papale, adviser, who worked in close harmony with the group. Through his efforts the separate strands of talent were gathered together into a fine working unit.

WEATHER VANE MAGAZINE

Although the high cost of living hit the school magazine hard, the staff managed to publish two attractive issues. The work on these was done during third period on Thursdays.

The December issue was filled with Christmas cheer and also contained a detailed account of the champion football season so that students might have a more or less permanent record of its glories. The May issue was a spring miscellany and featured the work of underclassmen. A short story contest resulted in awards to Brock Brower, Frances Heerich, and Marcelle Thieboux.

In February the staff entered the two most recent issues in the annual contest conducted by the Columbia Scholastic Press Association, but on account of the National Society induction no delegates attended. A short story, "The Christmas Spirit," by Brock Brower; a poem, "Fragment," by Joyce Gould; and an editorial, "Tribute to a Leader," by Walter Baughman, were entered in the special literary contest.

Officers for the year were Diantha White and Ed Wise, co-editors, and Raymond Grant, treasurer. The very able sponsors were Miss Dolores Bordner, Miss Harriet Howard, and Mr. Robert L. Foote.

The final event of the year was a tea for new members on May 27.

ART CLUB

The Art Club, comprising most of Miss Howard's art classes, contributed much support to town and school enterprises through the members' ability to wield a paint brush and contribute attractive advertising posters. The Mask and Mime Play, Christmas Program, Spring Festival, P.T.A. Fashion Show, Senior Play, and the Band Concert have all benefited from the group's artistic talent.

A group of beginners in oil painting met on Monday afternoons after school for instruction in this phase of art. Those proficient in water color painting entered paintings of scenes about Westfield in the exhibition of high school art held at Bamberger's by the "Scholastic Magazine." An interesting event in this year's club activity was the splendid meeting in February of the Westfield Art Association to which the Art Club was invited.

A good example of the outstanding work of which the members are capable was the decoration of the windows at Doerr's with eerie ghosts and witches at Hallowe'en.

The success of the Art Club was due mainly to the sponsorship of Miss Harriet S. Howard. The club officers are President, Joan Garretson; Vice-President, Laura Weaver; Secretary, Marianna Carl-sol; Treasurer, Jeanne Schaeffer; and Program Chairman, Jean Brown.

LITERARY CLUB

The Literary Club's versatile organization, including both juniors and seniors, has given its members a fuller understanding and appreciation of past and current writings.

Included in this year's programs were discussions of American dramas and novels as well as of foreign literature. At several meetings guest speakers joined the group to add to the variety and reality of the topics presented. In April the club attended "The Winslow Boy."

The officers for the year were President, Joyce Powell; Vice-President, James Podboy; Secretary, Nancy Hardie; Treasurer, Doris Andrews. Miss Margaret Dietrich is to be thanked for her sincere interest as the club sponsor.

WRITERS' CLUB

The Writers' Club, which meets the second Tuesday of each month at the home of a member, acts as a testing ground for the aspiring authors in the school. At the meetings contributions are read and constructive criticism is offered.

During the year short stories, essays, plays, and poems are written and several selections are entered in the "Newark Evening News" Writing Contest. In the spring a Broadway play is attended.

The club is sponsored by Miss Margaret Dietrich and has as its officers Brock Brower, president; Abigail Tucker, vice-president; Gretchen Loesch, secretary; and Cynthia Galdi, treasurer.

GERMAN CLUB

Under the direction of Miss Louise Theurer the German Club meets on the last Thursday of each month at the home of a club member. At these meetings German songs are sung, games are played, and refreshments are served. Occasionally a trip to a German movie in Irvington is substituted for the regular meeting. An annual field trip is taken to New York where dinner is enjoyed at a German restaurant and visits are made to exhibitions of a cultural nature.

The following officers served for the year 1947-1948: President, Bob Hefferman; Vice-President, Ed Wise; Secretary, Virginia Williams; and Treasurer, Carolyn Wellman.

SPANISH CLUB

The members of El Ateneo, interested in speaking Spanish and in learning about Central and South America, devoted their monthly meetings to games, songs, and short plays.

Of special note this year were the Christmas meeting at the president's home, where carols were sung and the famous pinata was broken; the visit paid the club by Jim Wilcox, who lives at International House; and the trip to New York after initiation.

Barbara Fish, president; Ada Stuhler and Phil Brown, vice-presidents; Dolores Rakowski, secretary; and Janice Crow, treasurer, worked effectively under the able direction of Miss Hemphill and Mr. Bunting.

LATIN CLUB

The Latin Club extends the opportunity to Latin students of learning to appreciate better the Roman language and customs and of being entertained at the same time. The members participated in such games as Latin charades, vocabulary games, and many other contests which enabled them to display their knowledge in an amusing manner. The club has once again had a successful year under the guidance of Miss Gertrude Foutz and Mr. Edmund Allen, advisers.

The officers, under their official Latin titles, were Cōsul, Bonnie Bunting; Vice-Cōsul, Lynn McDavid; Scriptor, Lila Mudge; Quaestor, Sally McCoy; and Vice-Quaestor, Harry Montgomery.

FRENCH CLUB

Le Quartier Latin, our French Club, has had a long and distinguished record. Its present advisers, Miss Gertrude Foutz and Mr. Gaston Gesner, are largely responsible for its success, and the beautifully drawn and painted posters that announce its monthly programs suggest the value and interest of its programs.

Usually the pièce de résistance for the year is a delightful excursion to New York where luncheon at a French restaurant is enjoyed and a French film is viewed.

The officers are President, Eleanor Child; Vice-Presidents, David Hicks and James Podboy; Secretary, Jane Heitkamp; and Treasurer, Dianne Tiedeman.

FORUM CLUB

The main purpose of the Forum Club is to foster interest in political, economic, and social issues of the day. Each student who likes discussion receives a chance to express his opinion, and thus meetings are diversified and interesting.

This year the club organized and participated in an assembly program on universal military training which featured guest speakers, took trips to the "Herald Tribune" Forum, sent speakers to WAAT and to county forums, as well as holding monthly meetings on timely subjects. A dinner party with a guest speaker concludes the season.

Miss Mildred Fox sponsored the group, and Geraldine Dysart served as president.

CATALYST CLUB

Under the leadership of Mr. C. Blair Rogers, the adviser, the Catalyst Club endeavors to further interest in chemistry in as many students as possible.

Meeting monthly, the group presents varied programs including movies on chemistry, lectures on many important subjects, and many exciting discussions. Demonstrations are also given, and in the spring a trip is taken to some interesting plant or exhibit.

Mr. Rogers was assisted by President, John Armantrout; Vice-President, Lynn McDavid; Secretary, Dianne Tiedeman; and Treasurer, Terry Brook.

CHESS CLUB

The year 1948 marks the eighth year of the Westfield High School Chess Club. During this period the Chess Club has engaged in scholastic competition and has won thirty-one games, tied one, and lost one—a notable record.

At the regular Tuesday afternoon meetings the members engage in intracub competition and receive instruction on the fine points of the game from Mr. Gaston B. Gesner, the club adviser.

Club officers this year were President, Dick Ritterbush, and Secretary, Franklin Klion.

COLLECTORS' CLUB

The Collectors' Club this year is unique in one respect—each of its members has a different interest along with a common one. The different interests of the club's devotees are stamps, coins, cameos, minerals, airplane models, photographs, and old books. The common interest is collecting.

The club is sponsored by Mrs. Olive Hammel Timberlake and holds its meetings on the second Tuesday of each month.

The officers are Harold Potts, president; Bob Podboy and Paul Laughlin, vice-presidents; Jim Podboy, secretary; and Bill Kuhlke, treasurer.

LIBRARY COUNCIL

This year, as usual, the Library Council has been a very busy organization. About twenty students have devoted two periods a week to signing slips, charging and collating books, mounting pictures, et cetera.

The Library Council has had a social calendar. In the fall the members held a party for the Cranford, Summit, and Scotch Plains Councils. On March 23 a delightful tea was held in honor of Mr. Gesner.

Under the direction of Miss Scott and Mrs. Hall, the Library Council and its efficient officers, Edna Kirn, president; Flora Van Hecke, vice-president; and Naomi Greifer, secretary, have had a most successful year.

TECHNICIANS' CLUB

The Technicians' Club, under the direction of Mr. John W. Thompson, consists of a group of seventeen students who show all motion pictures used in the school and devote their free periods to this service.

The club members are trained to operate the machine and to make minor repairs and adjustments. They give pre-views of all films for assembly, sports, club and classroom programs and then show the films for the benefit of the students.

The president of the organization is Jim Scudder. He is ably assisted by Warren Hopkins, vice-president; Jack Cardoza, secretary; and Ted Schasny, treasurer.

HI—Y

Under the leadership of Mr. Donald Babcock, Boys' Work Secretary, and Mr. Graham Beckel the Westfield Hi-Y Clubs completed their most successful year.

National recognition was given the Westfield Hi-Y for outstanding work on behalf of the World Youth Fund. It raised more than fifteen hundred dollars.

The Hi-Y has also sponsored discussion groups, an assembly program, and dances, including the annual New Year's Eve Dance.

The officers of the Senior Blue and White Chapters are as follows: E. Wise and B. Fox, presidents; W. Smith, W. Wilson, vice-presidents; P. Rochat, R. Willig, secretaries; J. Scudder, P. Bickett, treasurers; R. Herr, R. Hefferman, chaplains.

SERVICE CLUB

Under the guidance of Miss Alice Pelton the officers of the Service Club, President, Peggy Hollberg; Vice-President, Patricia Murphy; Secretary, Betty Sue Stewart; and Treasurer, Lois Sollenberger, have planned the numerous activities of one of the school's most useful groups.

The regular activities consist of ushering, delivering notices, assuming corridor duties, and doing office work. A major outside activity is the selling of greeting cards for Mr. White at Christmas time, a successful project conducted under the direction of committee chairmen.

Every active member of the one hundred and fifteen in the club contributes one period a week to club service.

JUNIOR RED CROSS COUNCIL

The Junior Red Cross is not an actual club or extracurricular activity of the school, but the organization has added an excellent record of service and generosity to the many attributes of our school.

The notable response and assistance on the part of every student has brought the Junior Red Cross Council through with flying colors on every drive sponsored.

The first of these drives was the membership drive, the goal being one hundred per cent. The second campaign was a clothing drive, an annual undertaking not conducted under the auspices of the Red Cross but carried out under the guidance of Miss Hewitt, supervisor of the Red Cross in WHS, with the aid of the faculty and students.

Other praiseworthy undertakings have included ash trays for disabled veterans, gift boxes for Europe, and painted decorations, also for disabled veterans. The ash trays were made by the woodworking department; the gift boxes were bought with funds collected by the entire school; and the decorations were painted by the art department. These and other commendable service activities constitute a fine record.

STUDENT COUNCIL

This year the Student Council, in its third year of organization, started to develop as the governing body of the school, a position it should rightfully hold. With many enthusiastic and intelligent representatives, its main object seemed to be to show the student body that the council is a living organization. Accomplishment came through the well-remembered assembly program in January.

Another task the Student Council undertook was the cleaning up of the grounds. Their approach was twofold: first, through a poster campaign and secondly, by direct contact with homerooms.

The council also conducted a club activities poll which was not very successful in the sense that few students were interested enough to give full answers. However, recommendations for new clubs grew out of this survey.

It became evident throughout the year that Westfield High School's Student Council will become a powerful organization only when the student body gives its full support, elects the best representatives and officers, and takes an active interest in the council's activities. No one can doubt that great strides in this direction took place this year. It is hoped that the Student Council will continue slowly and definitely to become the coordinating factor in student activities.

This year's officers were President, Ted Frankenhach; Vice-President, Richard Wheeler; Secretary, Marjorie Reeh; Treasurer, Nancy Harkrader. Mr. Harold S. Thompson and Mr. N. J. Papale were the advisers.

NATIONAL HONOR SOCIETY

To create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage development of character are the aims of the Westfield chapter of the National Honor Society, whose sponsor is Mr. Weyman O. Steengrafe.

At the beginning of the year the senior members were Cynthia Smith, Dianne Tiedeman, Frances Heerich, Lucille Stewart, Marjorie Reeh, Carol Hanson, Bob Huddleston, Bill Glimm, Pete Bickett, Ed Wise, Janet Driver, Judy Hall, Letty Lea Thomas, Eleanor Child, Joyce Powell, Noreene Scurman, Lucille Stuart, Abigail Tucker, Virginia Williams. However, on March 12 the membership of National Honor was increased by the addition of the following seniors and juniors to the roster: Faith Bockius, Susan Evans, Jean Frickman, Joan Garretson, Sally Haynes, Paul Piret, Laura Weaver, Diantha White, Jane Williamson, Despy Alvanos, Norine Braun, Brock Brower, Gertrude Bunting, Teresa Cacchione, Stuart Campbell, Marianna Carlson, Frederick Entwistle, Grace Gracey, Jane Heitkamp, Ann Smyers, Elizabeth Stornelli, Lois Walker, Wesley Yordon.

This very impressive ceremony was performed in assembly for the second time. The new membership was kept secret until the initiation service.

The officers for the 1947-48 year were President, Pete Bickett; Vice-President, Bill Glimm; Secretary, Dianne Tiedeman; and Treasurer, Joyce Powell.

This scholarly group is obligated to the difficult task of holding as high as possible the intellectual standards of the school and of stimulating classmates to higher and more worthy achievements.

MASK AND MIME

Mask and Mime, the high school dramatic club organized on the plan of a little theatre, had a membership this year of more than two hundred and fifty. The first project for the year was the presentation of the fall play, "Berkeley Square," a period play by John Balderston. This play was chosen by the club's council, the governing body, which includes the four officers, eight chairmen of standing committees, and the club's adviser, Miss Carol Brinser.

Highlights of the meetings were a program of monologues: "Bargain Basement," "Little Red Riding Hood and the Wolf," and "I'm so Mechanical"; tryouts for a one-act play, and tryouts for the Christmas tableaux. The club helped with general assemblies, especially with the General Electric House of Magic and the Washington's birthday program.

As a Christmas service project the club donated food, clothing, and toys to a needy family. In the spring a one-act play, "The Valiant," was entered in the Newark University one-act play festival. In April, one hundred and seventy-two students saw the Theatre Guild's production, "Allegro."

The officers for the year were Diantha White, Kay Dodge, Joanne Beane, and Bruce Love.

The fall of 1947 witnessed perhaps the greatest football team produced from within the ivy-covered walls of WHS. It made the flawless record of ten wins and no defeats.

Coaches Freeman, Ellis, and Gerber look forward to another season in which they will have a tough time filling the shoes of men like Capt. Gerry McGinley, "Bullet Bud" Wilson, Quarterback Charlie Schrope, Tackle Bob Schmitz, and a host of others.

At the close of the season the Blue Devils were awarded the possession of

UNDE

the trophy emblematic of the Group III, Section II, State Championship. In winning ten games the "Elm Streeters" rolled up 355 points to 106 for their opponents. They had enjoyed the third undefeated season the Blue Devils have had in the past seven years under the leadership of Coach Joe Freeman.

Among the thoroughly enjoyable conquests by this team were the 26-15 revenge wreaked on Columbia, the 48-0 shellacking given to West Orange, and the final triumph in crushing Plainfield 32-12.

FEATED

BASKETBALL

The 1947-1948 basketball team compiled the best record of a Westfield aggregation since 1941, and it has been compared with the best of Westfield's teams.

Mr. Gomer Lewis, coaching for his fourth year, was fortunate in having a wealth of material with which to work. Two men had two years under his guidance and four others had had a year's experience. From the sophomore class came one varsity contribution.

The team started out with an easy 58-24 win over Somerville, but victory was short lived, for a red hot Summit team cooled Westfield 52-49. A skein of six straight victories was then wound, including wins over Plainfield, 48-41; Regional, 51-45; and Summit in a return game, 54-48. Columbia handed the Blue Devils their second defeat of the year, pulling away in the second half, 58-47. The team went on to finish the regular season, winning five more games and losing one. Plainfield scored an upset victory, but Regional was again soundly trounced 55-43.

Westfield, for the first time in its history, went to the semi-finals of the County Tournament. Although they lost here, they went on to win the consolation game for third place.

In the State Tournament the Blue Devils also exceeded previous records in going to the sectional finals before being upset by Edison 46-34.

Several records were set including game and season scoring honors by the team and by an individual, Terry Brady, stellar forward.

BASEBALL

With a predominance of first-year men the 1947 WHS baseball team lacked the experience and power that counted in the pinch and because of this lost a goodly number of contests with close scores. There were days when the team's hitting potentialities did not develop, and there were others when the fielding averages dropped considerably. Often games were lost through careless mistakes. It was not surprising, therefore, to see the nine drop all but three of their scheduled encounters, even though at times they showed a finesse that gave hopes of better times. However, they showed improvement throughout the season.

This season Coach Noel Taylor starts with five returning lettermen who should form the nucleus of a fine team. In Ted Frankenhach, Sam Mitchell, and Rudy Stanzel he possesses three slugging infielders, who have improved considerably; for the field tasks he boasts Charlie Schroepe and Jim Scott. The opening at second base will be contested for by Ron Seaman, who ably substituted there last year, while the heavy pitching chores will be borne by Ed Clark and Don Chambers. Nevertheless, the openings for new material are unlimited. Considering everything, Coach Taylor predicts a winning season.

BILL WILSON

SWIMMING

The return of six lettermen, Co-Captains Gerry McGinley and Frank Coale, Bob Clotworthy, Bill McKim, Spencer Foote, and Bud Weiland, helped to insure the swimming team of one of its best seasons. Edmund Allen was coach and Don Mackay, manager.

In its initial contest with Pingry the team emerged victorious, 30-27. Then after losing the next two meets to Snyder and Plainfield, the natators overpowered Irvington, 30-27. Although hampered by illness, the Blue Devils finished their season with four wins, two ties, and seven losses.

The team's record at several big meets was noteworthy. At the State Meet held in the Rutgers University pool WHS placed fourth. Bob Clotworthy for the second time won first place in diving; Ken Welch placed fifth in diving; Frank Coale came out second in the 200 yard freestyle; and Gerry McGinley placed fifth in the 100 yard breaststroke. The medley relay team, composed of McGinley, McKim, and Coale, who substituted for Weiland, won fourth place. At the Eastern Scholastic Championships at the Trenton High pool, Bob Clotworthy won the high school diving crown.

At the conclusion of the season Ken Welch, Bob Herr, Brock Brower, and Don Mackay also received letters. Bob Clotworthy was elected captain for the 1949 season.

GOLF

On March 5 Coach W. Eugene Johnson, Jr. issued his first call for boys interested in golf. Twelve boys reported, among whom were four lettermen from the 1947 team, Terry Brady, who placed third in last year's State Tournament, Bill Miller, Bob Willig, and Bill Graver.

As the team has a rough ten game schedule plus the County and State Tournaments this season, it is fortunate to have veterans who placed third in the team standing in the State Tournament in 1947.

TENNIS

Coach Sam Bunting's "racketeers" will once again be led by their number one man, Bill Coumbe. The squad also expects to hand out defeats through the able playing of Don Wight, who was unable to play last year, and lettermen Johnny Hubbard and Paul Torgerson. The team has taken four state championships in the last few years, and hopes are high of adding another to this record by the end of June.

A full schedule has been planned including matches at home and away with Pingry, Millburn, the Oranges, Plainfield, Morristown, and Perth Amboy.

TRACK AND CROSS COUNTRY

The Westfield spiked-shoe boys began with the "modified Marathon" races over the two and one-half mile course at Warinanco Park last fall. With only one letterman returning from last year's crack squad, the winged-footers did well, hitting their high spot when they trounced Regional and Thomas Edison in a double dual meet. The lettermen are Bob Mulcahy, Jack Sands, Gene Van Ronk, Buster Mott, and Alec Wanamaker. The last three will return to insure a good foundation for next year's squad.

Coaches Melvin Michaels and Clarence Jones are following the indoor tuning up period with the colorful Penn Relays, and the Seton Hall and the Long Branch relay meets, as well as with a number of dual contests. Then as a climax to the season come the Northern New Jersey State meet and the Union County Championship meet.

The team this year appears to be well balanced. Captain Bill Wilson and Art Hartigan are the hurdlers; Rick McGinley, Charley Mekeel, Art Sox, and Bill Hooper seem the fastest sprinters; while Mel Peterson, Gene Van Ronk, and George Edwards are the top 440 men. In the longer races, the half mile seems to be well handled by Buster Mott and Dick Welch, while the milers are Bob Mulcahy, Jack Sands, Jim Yordon, and Alec Wanamaker. The field events, although traditionally weak on the Blue and White campus, have Danny Brook soaring in the pole vault and Gerry McGinley, Bob Herr, Jay Eibelhauser, and Dick Brown heaving the weights.

G. A. C.

The Girls' Athletic Council, composed of one representative from each homeroom, meets weekly to discuss the affairs of the Girls' Physical Education Department. Led by Cynthia Smith, president; Barbara Fish, vice-president; Bonnie Bunting, secretary; Marjorie Ruh, treasurer; and Mrs. Rogers, sponsor, the girls sold kerchiefs and car plaques and held a country dance, a record dance, and a two-way dance with the B.A.C.

Six girls represented WHS at the North Jersey Field Hockey Tournament. Barbara Fish, Pat Kinkead, and Norinne Braun were selected for the North Jersey school girls' team. Many girls also participated in two modern dance symposiums.

B. A. C.

The Boys' Athletic Council, sponsored by Mr. Robert Duncan, director of Boys' Athletics, is the responsible governing body for boys' athletics.

The group is composed of elected representatives from each homeroom. The officers for this year are Bill Wilson, president; Bob Clotworthy, vice-president; Dick Fischer, secretary; and Pierre Rochat, treasurer. The council, besides serving as a policy making, sponsors teams in almost all sports, buys their equipment, makes their schedule, and awards honors. It certainly has been successful in maintaining athletics in the Westfield High School on a high plane.

GIRLS' SPORTS

Because of the varied and extensive sports program offered to girls in WHS, every girl has the opportunity to develop skill in at least one activity which interests her.

This year the program included field hockey, basketball, badminton, modern dance, dual sports, country dancing, marching, and officers' training. A new precedent was established when the boys were invited to join the girls' fencing. Again the spring gymnasium demonstration was given.

Led by Mrs. C. Blair Rogers and Miss Doris Acker, assisted by the G. A. C., the program has been carried out thoroughly and effectively for the benefit of all the girls.

CLASS WILL

We, the ambitious but discouraged class of 1948, our college applications unanswered and our futures dim, do hereby bequeath in our Last Will and Testament, to those still fired with the desire to learn and not yet disgruntled by tired teachers and independent employers, all those things dear to us which we are leaving behind as we pass through these ivy-supported walls into the great wide world.

FIRST: To the junior boys we leave one "unused" tube of shaving cream for that five o'clock shadow.

SECOND: To the future back row choir sopranos we leave pogo sticks for the Christmas program.

THIRD: To the junior girls we leave lonely Saturday nights without our Senior Boys.

FOURTH: To Miss Scott we leave a sound proof booth to sit in during her library studies.

FIFTH: To all future classes we leave the fable of a new school.

SIXTH: To all those who "visit" the mountains we leave the threat of parking meters.

SEVENTH: To "Tyrone" Steengrafe the senior girls leave a pair of blinders.

EIGHTH: To Miss Hewitt we leave a much needed supply of "thinking caps" and some pencils that really "do" do Algebra.

NINTH: To next year's football team we leave "YO."

TENTH: To Miss Bordner we leave a venetian blind for the peepin' public.

ELEVENTH: To the relief of some and to the sorrow of others we leave.

Signed and witnessed in the wee hours of dawn when John had only one wife and when Jack Benny was thirty-nine.
