MR. ROBERT L. FOOSE

For the past ten years Robert L. Foose has played the leading role in the lives of many Westfield High School students.

Mr. Foose, a native of Lancaster, Pennsylvania, received his B.A. degree at Franklin and Marshall and went on to obtain his M.A. at New York University. He first appeared on the Westfield scene in 1933 as a teacher of journalism and English. In 1944 he left the Westfield scene to take the part of principal of Haddonfield High School, Haddonfield, New Jersey. In 1947 he made a return engagement to Westfield, where he is currently appearing as our principal.

In addition to his duties in school, Mr. Foose has many outside activities. He is the representative from New Jersey for the College Board Examinations, and is a member of the Board of Directors of the New Jersey School Master's Club which is composed of three hundred men from the state. Mr. Foose is also on the Board of Directors of the New Jersey Council of Education, the New Jersey Secondary School Principal's Association, and Philadelphia Suburban Principal's group. He is now teaching at Rutgers University, and he is also a member of the National Board of the National Honor Society. Mr. Foose is active in church work and is a member of the session at the Westfield Presbyterian Church.

There are many things needed to have a high school with high standards and ideals, but

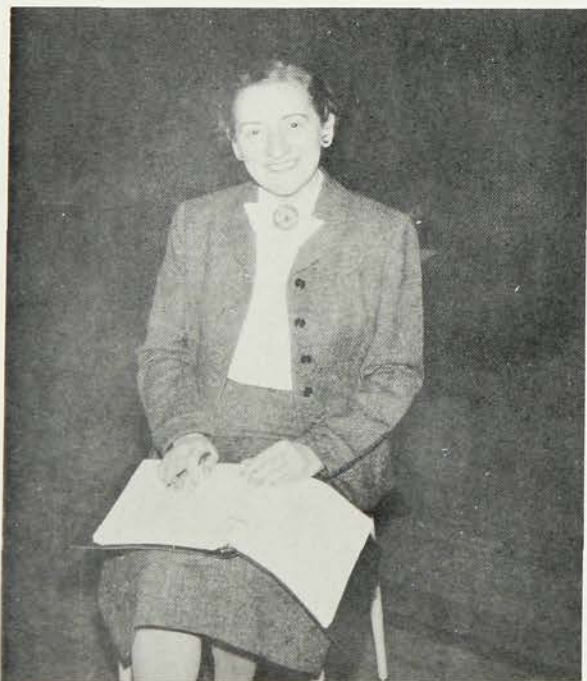

the most important is a top-notch principal, and Mr. Foose has certainly been that. He is respected and admired by all; he is looked to for guidance and inspiration. The Class of 1957 deems it an honor and a privilege to dedicate this yearbook to such a fine man, who will be long remembered.

MISS CAROL BRINSER

Many a budding actress has been discovered in off-Broadway productions, and although Westfield is quite a bit off Broadway, we feel we have a real star in our very able drama coach, Miss Carol Brinser.

"Time is of the essence" might be a very good phrase to describe our busy star. She is constantly rehearsing all school and class assemblies, directing the Senior Play, the Mask and Mime Fall Play, and the One-Act Play. Miss Brinser must also check make-up, sets, and costumes for all major productions, along with teaching speech and dramatics. Our "star" is in demand by the community also, to direct and engage in its productions.

Miss Brinser's career began in Hummelstown, Pennsylvania, where she played her first leading role in "The Cradle and I." Years later she graced the stage of Hummelstown High School, and then soared to even greater heights at Lebanon Valley College. She then went on to the American Academy of Dramatic Arts and later obtained her master's degree from New York University.

Mr. Forssen, known as "Tage" to the entire student body, appears to be the most capable stage hand ever to appear on the Westfield circuit. Tage is given top billing by the members of all the decoration committees in Westfield High School who work feverishly on the decorations of our "one-night stand" productions, for either Tage or one of the members of his staff

must be present during the painting and decorating sessions which precede our dances and our plays. Tage not only supervises, but also does half of the work himself.

Tage was born in Herberga, Ostergotland, Sweden, and did not make an appearance in the United States until 1928. In 1933 he received his final citizenship papers. He made his first

MR. TAGE FORSSEN

local appearance here in the department of maintenance in 1930 and has remained with us ever since, except for a three year period in which he toured with the United States Army.

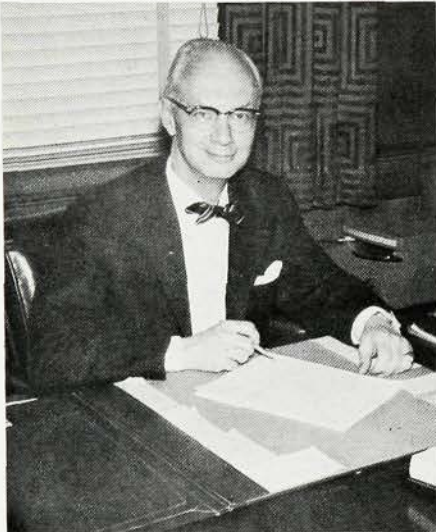

At a meeting of the school board on July 26, 1951, Tage was appointed chief custodian of the new senior high school. His popularity with

the public may be attributed to many different reasons. Certainly paramount is the fact that he loves the students and is quite a child psychologist. With his kind and helpful winning way Tage has made himself a beloved part of the Westfield Senior High School cast, and a milestone in the memories of those who go on.

SENIOR CLASS OFFICERS

Tom and John have led the class quite capably and have supervised and organized all of the projects. Here they are discussing plans for the Senior Banquet.

First row, left to right: Sue Hulse, secretary; Miss Margaret Dietrich, adviser; Bonnie Birdsell, treasurer. Second row: John Swinton, vice-president; Tom Richardson, president.

At each class meeting Sue provided the class with such accurate and detailed minutes that it was fully informed on all matters.

Bonnie is a devoted treasurer. If the class can't earn the money, she collects donations in a tin can. She has done an excellent job in keeping the treasury from going bankrupt.

SENIOR COUNCIL

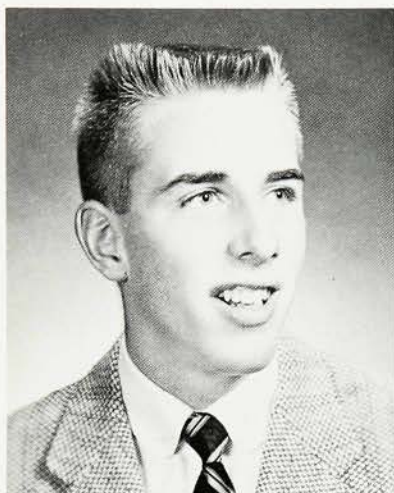

Kneeling, left to right: Tom Richardson, president; Bonnie Birdsall, treasurer; Sue Hulse, secretary; John Swinton, vice-president. First row: Margaret Jeffers, June Frederickson, Pat Dodd, Gail Macgill, Jane Wyman, Kathy Murray, Phyllis Babbitt. Second row: Christy Phares, Perry Fisher, John Ray. Third row: Jack Meyer, Dick Kimball, Doug MacNeil, Ralph Griner, Dave Wuerthele, Hugh Price. Absent: Steve Buck, Amber Riederer.

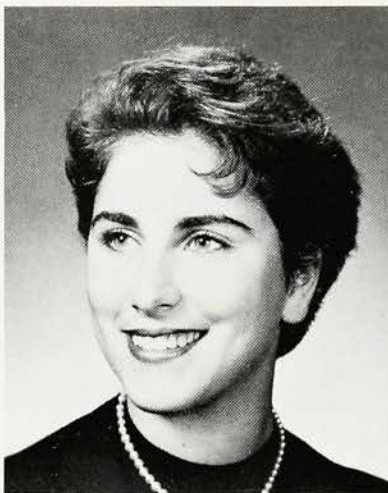

In many respects, the ultimate success or failure of the senior class depends upon its representative body, the Senior Council. The Class of '57 boasted a particularly enthusiastic and energetic council which brought about two entirely new school events and bolstered every class project.

The Senior Council handled the complete organization of the Senior Picnic in October and set the pace of a successful year by making this first endeavor a huge success. The council worked hand in hand with the Boosters to present the first outdoor night pep rally before the Westfield-Plainfield football game. Perhaps the biggest accomplishment of the Senior Council was the alumni- varsity basketball game. The game, which went into a thrilling double overtime before the alumni pulled it out 48-47, was handled, in co-operation with Mr. Duncan and Mr. Lay, by a special council committee. The alumni game showed a profit of \$275.00 and was a highly praised endeavor. The council also supported the Senior Play and the Senior Banquet.

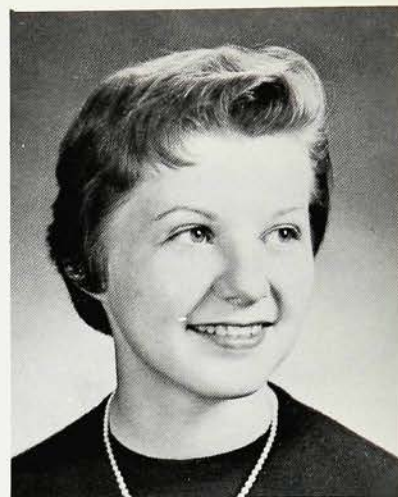

The Senior Council, which was composed of a boy and a girl from each senior homeroom and the senior class officers, was advised by the class adviser, Miss Margaret Dietrich. Meetings were called for Wednesday afternoons whenever they were needed.

SENIOR ACTIVITIES

As is the annual custom, the day before Christmas vacation Miss Grimler leads the second and third year choir members around the halls to sing Christmas carols. This is a tradition which is anticipated by everyone.

OUR JUNIOR PROM

"Beyond the Blue Horizon" provided an ethereal theme for the '56 prom. In the early spring the class elected Bonnie Birdsall and Carol Hoppin as co-chairmen of the dance who in turn picked the other chairmen as follows: Dave Haworth—Band, John Ray—Clean up, Sue Hulse—Coat room, Nancy Byam—Tickets, Amber Riederer—Decorations, Nancy Hughes—Finance, Chris Phares—Invitations, John Wallace—Lighting, Lyn Kimball—Patronesses, June Frederickson—Program, Phyllis Babbitt—Refreshments.

SENIOR PICNIC

In October the class started the year off with a "bang" when they gave the Senior Picnic. With burlap bag and three-legged races, pie eating and pie throwing contests, and baseball games, the picnic was a huge success.

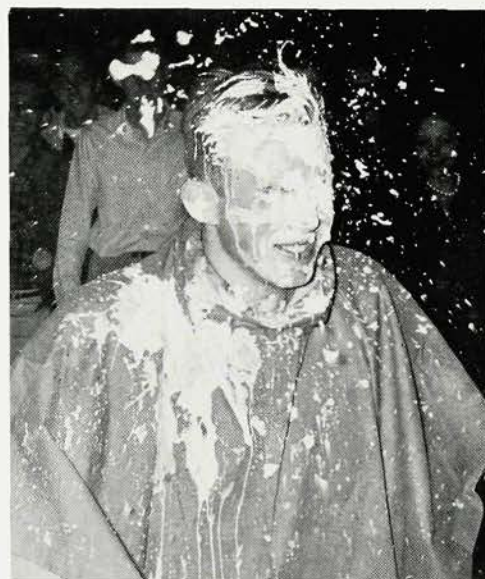

"Just a bunch of old sacks."

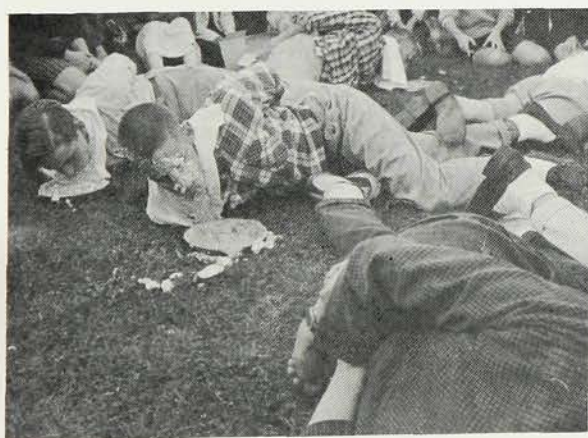

"All it takes is perseverance and a big stomach."

"The race is on!"

"Whipped cream, anyone?"

"What would Emily Post say?"

"Pitcher Verona winds up."

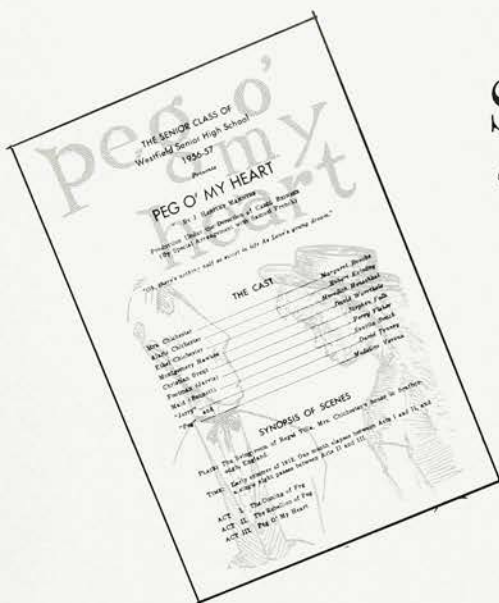

"I'll never eat another pie!"

"Ick!"

SENIOR PLAY

"Peg O' My Heart"

Peg, a poor Irish girl living in New York, became an heiress by the death of her uncle, and was called to England to be reared by an aristocratic aunt. She was like a duck out of water in these surroundings, but she won her way and also a worthy Englishman named Jerry.

"What a downright rotten black-guardly shame!" Margaret Brooke, Meredith Henschkel, and Bob Kolodny.

"If it's against your tender conscience to take me, I'll take you." Madeline Verona and David Tenney.

"Her bag! Ethel's bag!"

VARSITY-ALUMNI GAME

In December the senior class sponsored and planned the varsity-alumni basketball game. The alumni team consisted of lettermen from the last three years. The game ran into double overtime and was won by the alumni 48-47 in sudden death.

Dave Rochat, guarded by Mac Quigley, toes in for a lay-up shot.

Each year the Student Council has made more and more progress in seeking to better the standards of Westfield High School. This legislative body is composed of a representative from each sophomore, junior, and senior homeroom, headed by its four officers and advised by Mr. Shill. An innovation this year was holding open meetings in the auditorium where they could be viewed by all who wished to watch. The council was also responsible for providing buses to transport the students to football games. This year College Night was held again at our school, and it was through the close co-operation of the Student Council that this was made possible. Socially the council sponsors two school dances, the Kick-off Dance in the fall and Mid-Winter Ball at the end of mid-year examinations. Westfield High School students have ample opportunities to contribute their ideas to the Student Council either through their homeroom representative or by dropping these ideas in the Suggestion Box.

NATIONAL HONOR SOCIETY

"Top Banana"

Designed to give recognition to junior and senior students who have achieved positions of high standing in their class in service, scholarship, leadership, and character, the National Honor Society is one club where membership is by invitation only. Students must receive passing grades on all examinations and must be in the upper twenty percent of their class. Membership, however, must not exceed ten percent of the class.

New members are selected each spring by the faculty and are formally inducted at a special assembly program by the National Honor Society. A reception for parents and teachers, at which the induction ceremony is repeated, is held later.

At commencement the National Honor Society awards two cash prizes to the graduates whose class standing has improved most from their sophomore to their senior year.

HI'S EYE STAFF

"Spreading the News"

Our prize-winning newspaper, The Hi's Eye, is published every two weeks by the members of the Journalism II class, assisted by the Journalism I class and advised by Mr. Bernard Thomas. The Hi's Eye informs the students about the various school activities and in addition puts out special issues during the school year.

Annually, The Hi's Eye Staff attends the Columbia Scholastic Press Association Conference. The instruction and lectures at Columbia University plus two days in New York City comprise the high spot of the year for the staff.

This year our able staff was headed by co-editors John Swinton and Carol Hoppin, who have worked admirably well in order that news of the activities of Westfield High School may be spread even further throughout the county and state.

The Weather Vane Magazine staff is composed of representatives from all three classes who volunteer their services or are especially recommended by their English instructors. These students are responsible for selecting and editing contributions from the English classes and the Writer's Club. They also provide the illustrations and the cover design. Bruce Dunning is editor-in-chief, and Miss Dolores Bordner, the adviser.

This year the magazine went to press in March, and the added interest created by earlier publication was especially gratifying. The distinctive, modern cover design by David Leitz served as an invitation to read the sparkling contents provided by many able writers.

WRITERS' CLUB *"Scrape of Pen"*

Although the Writers' Club was composed of a temperamental group that believed in writing what it pleased, there was no meeting at which the club failed to provide original work for criticism.

The members met in the pleasantly informal surroundings of the apartment living room on regular club days and mingled relaxation with business. In the spring the club combined with the school magazine staff in a special meeting at which Elizabeth Inskip Wye, short story writer, was the special guest and speaker.

At the meetings various books and authors are discussed, or a speaker is engaged. Highlights of the year were the Christmas meeting and a trip to New York to see a worthwhile drama. The eighty-eight members of the club are under the guidance of Miss Margaret Dietrich of the English Department.

JUNIOR LITERARY CLUB

"Six Characters in Search of an Author"

The Junior Literary Club was organized to give its members a better understanding of all types of authors and books. Programs at the monthly meetings include student discussions of authors such as John Steinbeck and Edna Ferber, the review of books such as Tolstoy's *War and Peace*, the recording of classics such as *A Tale of Two Cities*, and lectures on such subjects as the work of Paddy Chayefsky, the television playwright. This year the group, almost doubled in membership, aimed for active participation by each member. The group was advised by Miss Gertrude E. Foutz.

As one of its projects, the semi-yearly book reviews were published by the club members, headed by Evelyn Pflug, editor, and Martha Bolger, art editor. Other activities were the annual Mother-Daughter Tea held in the spring and visits to other high school and college libraries.

Y-TEENS AND HI-Y

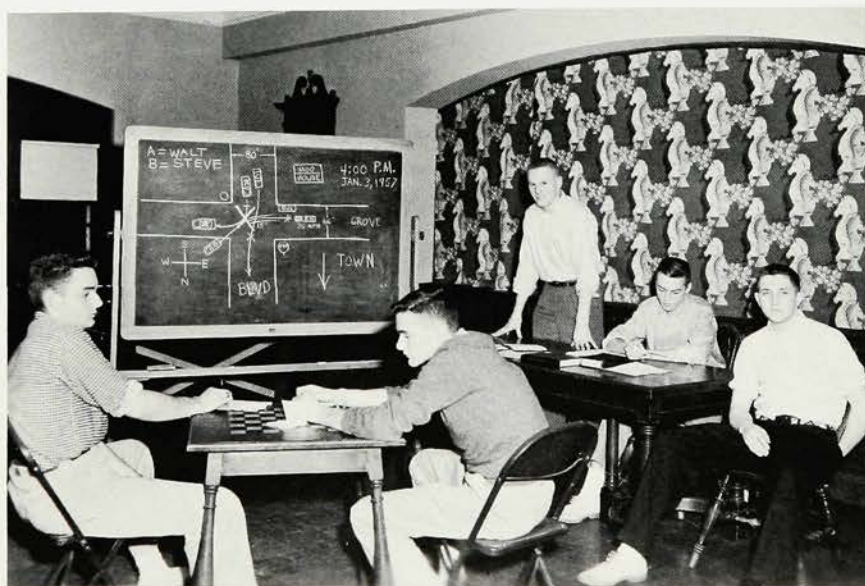

Y-TEENS

Westfield Y-Teens are well known for their services to their own community and to world-wide organizations. There are three clubs of sophomores, juniors, and seniors, each of which carries on its own separate program. Among other things, the Sophomore Club collected and mended clothing which they sent to the refugees at Camp Kilmer and also sponsored a child through the Foster Parents Plan. The junior group, not to be outdone, adopted a family at Christmas time. In addition, they planned a joint meeting with the Hi-Y where they discussed dating problems. And last but not least, the Senior Club held a party for the under-privileged children of Westfield and also managed a bazaar whose profits they gave to the World University Service.

HI-Y

Under the guidance of the local Y.M.C.A., the Westfield HI-Y takes a necessary place in our school and town. Its membership is composed of boys working together to "create, maintain, and extend throughout the home, school, and community high standards of Christian character." This year, the organization was divided into five groups of sophomores, juniors, and seniors. These members had ample opportunities to attend many area conferences, participate in sports, and work on local, national, and international projects.

Members of the Hi-Y try a hypothetical traffic case at one of their weekly meetings.

FRENCH CLUB

"French Without Tears"

Under the supervision of Mr. Gaston Gesner, the French Club seeks to instill in its members a better understanding of the French language and people. Through the club, many members acquire French correspondents their own age, from whom they are able to learn directly about the life and customs of France.

By means of a number of committees, the members enjoyed a large variety of programs during the monthly club meetings. They took the annual spring trip to New York City, where the club first visited a French restaurant, then attended a French movie, and finally went aboard a French ship.

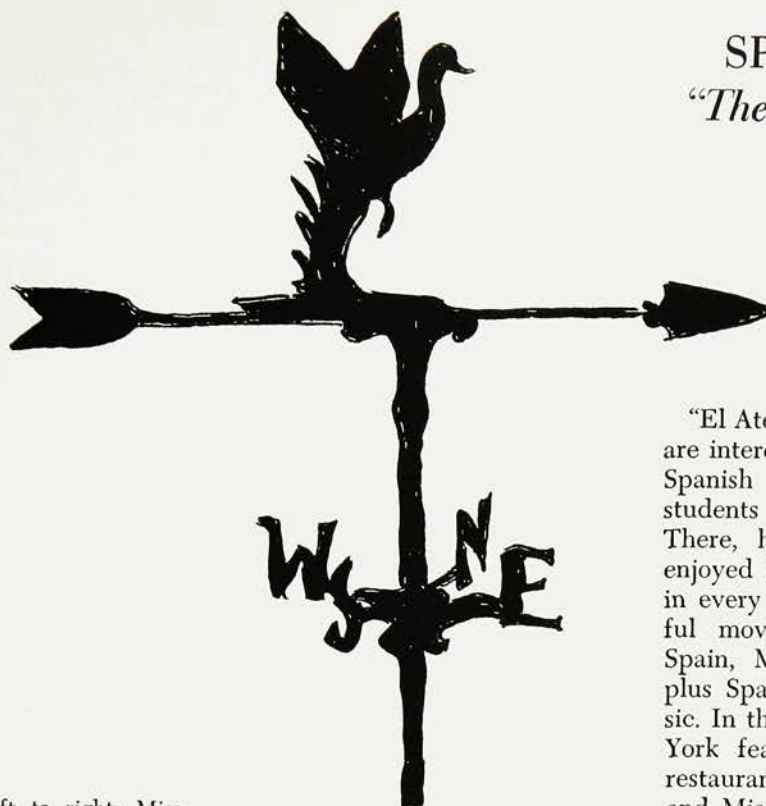

LATIN CLUB

"Road to Rome"

For those who wish to further their knowledge of that "lost language," the Latin Club offers many opportunities. Under the guidance of Mr. Kenneth Smida and Mr. Samuel Bunting, the club encourages its members to enjoy the Latin language and to understand the customs of the Roman people.

The club activities during the year included Latin games, quizzes, songs, and contests through which the members were able to apply their knowledge of the language. The Latin Club also enjoyed affiliation with the Junior Classical League on both state and national levels.

SPANISH CLUB

"The Spanish Tragedy"

"El Ateneo," the club for those who are interested in learning more about Spanish life, accepted all Spanish students into its club membership. There, happy seniors and senioritas enjoyed the gay atmosphere present in every program. There were colorful movies and film strips about Spain, Mexico, and South America plus Spanish games, songs, and music. In the spring came a trip to New York featuring a Spanish museum, restaurant, and movie. Mr. LaCosta and Miss Hermo, the advisers, helped to achieve this atmosphere and added color to the programs.

ART CLUB *"Fresh As Paint"*

Besides painting, sketching, and sculpturing during regular club periods, the Art Club has been fortunate enough to have several speakers and artists work with them. Other unusual and interesting programs during the year included movies and a field trip to New York. Some of the varied activities this year were set designing, decorating for the Junior Prom, operating lights for the Band Concert and Music Festival, creating school posters, and exhibiting art work at the Y.M.C.A. The members also entered the annual Hallowe'en poster painting contest.

Then enthusiastic discussions are held on new trends in needlework. During the meetings the girls work on their own projects and exchange interesting ideas on new patterns, new stitches, and styles. This group usually presents an exhibition of its work in the trophy cases and also engages in charitable work.

BRIDGE CLUB

"The Ace Is Trumped"

Fifty-five bridge enthusiasts of the senior class organized the Bridge Club this year, under the guidance of Mr. Joseph Kursar. The main objective of the club is to teach its members how to play bridge and to improve their game. To attain this goal, the club invited bridge-playing mothers of the members to assist at the meetings. The club wrote in to the editors of bridge columns in local and New York newspapers for "helpful hints". Each member also received a mimeographed sheet explaining the Goren point system and other vital facts about the game.

The J. Isabella Dodds chapter of the Future Teachers of America was chartered this year in response to an increasing interest of students in teaching, and was sponsored by Miss Louise Theurer.

The purpose of this club included encouraging students to investigate teaching as a career, providing opportunities to learn more about the teaching profession, and serving the school. In keeping with these goals members heard speakers, saw films and discussed pertinent problems. A trip to Trenton State Teachers' College was an occasion on which students could inspect New Jersey's teacher training program. A day spent in the elementary schools of Westfield gave an opportunity for a bird's eye view of elementary school teaching.

TECHNICIAN'S CLUB

"Lights Out"

Members of the Technicians' Club have an important job in carrying out many of our school activities. They must learn to operate the school motion picture projectors and to set up and show all the films used in the classroom, club, or assembly programs. Tape recorders, phonographs, slide projectors, and visual aid equipment of all types are also operated by club members. Some of the boys are instructed in the operation of stage lighting. These boys run the lights for all school productions, assemblies in the auditorium, and many of the outside programs.

COLLECTOR'S CLUB

"You Can't Take It With You"

Organized more than thirty years ago, the Collectors' Club is one of the oldest in the school and one of the most interesting. It was originated by our vice-principal, Mr. Harold Thompson, himself an ardent collector of Indian relics. The club gave each boy an opportunity to display his collections at club meetings and to explain with enthusiasm why and how these treasures were found. The boys collect stamps, coins, relics, and many other articles.

BOATING CLUB

"Sailor Beware"

The Boating Club was formed principally to further interests in sailing and small boat handling. Mr. Ellis, the club's sponsor, takes an active part in club activities by instructing the club in such phases of boating as navigation and water safety. The programs so far this year have included a discussion on "Common Emergencies" and a film on the 1954 Bermuda Race, narrated by a member of the club. Planned activities include a visit to one of the boat shows or a trip to the shore.

PHOTOGRAPHY CLUB

"I Am a Camera"

The Photography Club is open to any student interested in photographing and developing pictures. Mr. Noel Taylor, the club's adviser, gave the group helpful tips and taught them the finer points of portrait photography. During the year a photography contest was held among interested members of the club. The winner was awarded a gift certificate from a well-known photography store.

NATURALIST'S CLUB

"The Bad Seed"

To increase the knowledge of natural science was the ardent aim of the Naturalist Club. This was often done by friendly discussions among the members. At each meeting two members gave a report on an animal, describing its structure, habits, and habitat. After the report, others discussed the topic further and asked many questions. The club's program also included seeing movies concerning natural science and going on field trips on Saturday morning to study animals in the natural habitat.

GOLF CLUB

"Tea and Sympathy"

Although some boys were excellent golfers before entering the Golf Club this year, everyone profited from participating in its various activities.

The club was able to obtain movies about the golf game, the leading golf players, and the better golf courses throughout the country. They listened to speakers, among whom were some professionals from near-by golf courses. The members also took trips to the miniature courses and driving ranges in the surrounding area.

AUTO CLUB

"Solid Gold Cadillac"

Another addition to our growing list of extra-curricular activities was the Auto Club. It was formed this year to give boys the opportunity to work at restoring old cars or to make improvements on their own autos. The membership was limited to students having a license and a car of their own, in order to readily work on them during their meetings. To further expand their program, the members showed films and took trips. Mr. Robert Dello Russo served as a capable and experienced adviser to the club.

Left side, front to back: Dominick Appezzatto, David Kleezer, secretary-treasurer; John Steuernagel, Al Marshall, Bill Smith, vice-president. AERONAUTICS CLUB

"The High and the Mighty"

The main objective of the Aeronautics Club is to help further the interest in aviation within the school and to help the beginner to learn the principles of airplane modeling. With the aid of discussions, movies, and actual experience, the members learn how to fly model airplanes. Competitions among the members test the durability of the crafts and the handling skill of the operators, as well as providing an interesting pastime. The enthusiastic and competent adviser to this group is Mr. Milton Luxemburg.

GUN CLUB

"Annie Get Your Gun"

Newly formed this year, the Gun Club is advised by Mr. Milton Barnes. It was formed by boys interested in target shooting. The club used the rifle range at the National Guard Armory on Rahway Avenue; Ray's Sport Shop on route twenty-two also granted the use of their range. The members' aims are to improve their skills, using both small bore rifles and pistols. President Peter Farrow, Vice-President Buddy Krebs, and Secretary-Treasurer Peter Stevens have kept things moving.

MASK AND MIME MEMBERS

A club as large as the Mask and Mime needs a smaller governing body to plan its programs. This then is the function of the Mask and Mime Council, which is composed of the four officers, the committee chairmen, and their alternates. The main function of the council is to prepare the agenda for each meeting. The choice for the fall play is determined by the council. Any amend-

ments to the Constitution are reviewed and voted on by this group also. The council draws up a slate of candidates for each of the four offices which is then voted on by the Mask and Mime Club. Another important duty is to choose the various committee chairmen and their alternates. Any major discussion is thoroughly debated by the council before being brought before the club itself.

MASK AND MIME COUNCIL

The Mask and Mime Club is the dramatic society of the high school. The membership includes both boys and girls who desire to learn more about dramatics and the work that takes place behind the scenes.

This year the Mask and Mime Club's fall play was "A Roomful of Roses," a new play recently produced on Broadway. The club also joined with the choir in presenting the Christmas tableaux with various members participating in the scenes. In the Spring Festival of Music, the various committees of the club help with the back stage duties. Each spring, the club as a member of the Plainfield Area Little Theatre Council produces a one-act play for competition. Some of the school assemblies were sponsored by the club; one of these was a program of monologues by Miss Virginia Sales.

The Mask and Mime Club owes much of its success to its adviser, Miss Carol Brinser.

FALL PLAY

"A Roomful of Roses"

When Nancy Fallon learns that her fifteen year old daughter, Bridget, of a previous marriage, is coming to visit her after an absence of eight years, she prepares a roomful of roses to welcome the girl. There are many emotional conflicts and awkward situations as Bridget, a lonely and rebellious girl, is won over by her mother's love.

"I knew you would feel resentful and hurt, but I never dreamed it would be like this!" Lyn Kimball and Carol De Chellis.

"Another girl? But you never told me about another girl!" Carol De-Chellis and Jack Reis.

"Ronnie's sister says we smell like Ronnie's dog George, and she won't let us play with her baseball." Ricky Mumford and Lyn Kimball.

CHRISTMAS TABLEAUX

"Now when Jesus was born in Bethlehem of Judea in the days of Herod the King, behold, there came wise men from the East to Jerusalem." —Matthew 1:1

BEHIND THE SCENES

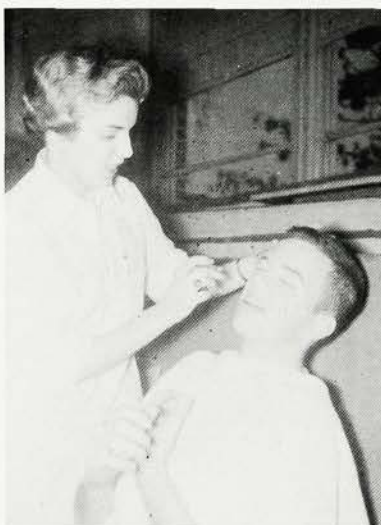

Parting a one-inch crew cut is a tedious operation.

Margaret gets a last minute touch-up before zero hour.

These two geni were the dog fight, thunder and rainmakers.

Perry grimaces as Gretchen slaps make-up on his face.

"The boys get the once over!"

Because of his habit of "wetting" when nervous, this young canine actor needed a constant guard.

A lighting crew is essential to any play.

THE CHOIR

"Of Thee I Sing"

The Choir is the ultimate in vocal music at Westfield High School. Well known throughout the state, it is generally regarded as one of the best high school choirs in this area. It gives six traditional performances every year: three performances of the Christmas Tableaux, two of the Spring Festival, and one performance of the Easter Program. The choir is sometimes asked to sing at outside functions throughout the year, and this year they sang for the Westfield Women's Club at a special program. Membership in the group is determined by the results of auditions. Of those who try out approximately one-third are accepted; consequently those chosen regard it an honor to be a member.

The offices of the Choir are President, David Hayworth; Vice-President, David Craver; Treasurer, Phyllis Babbitt; Boys' Secretary, Kenneth August; and Girls' Secretary, Sandra Tosto.

Strains of "Dona Nobis" become a familiar sound around Westfield High School, when the choir practices the Christmas Tableaux recessional. Singing are Margaret Brooke and Tom Fleming.

GIRLS' CHORUS II

This year the advanced Girls' Chorus, composed of seniors and underclassmen who show ability in choral work, is larger than it has ever been. In the school Christmas program the Chorus, under the direction of Miss Janet Grimler, sang "The Virgin's Slumber Song," "Slumber Song of the Madonna," "Little Child of Mary," "I Wonder As I Wander," "Swedish Dance Carol," and "Noel." The Chorus also appeared in the Spring Music Festival.

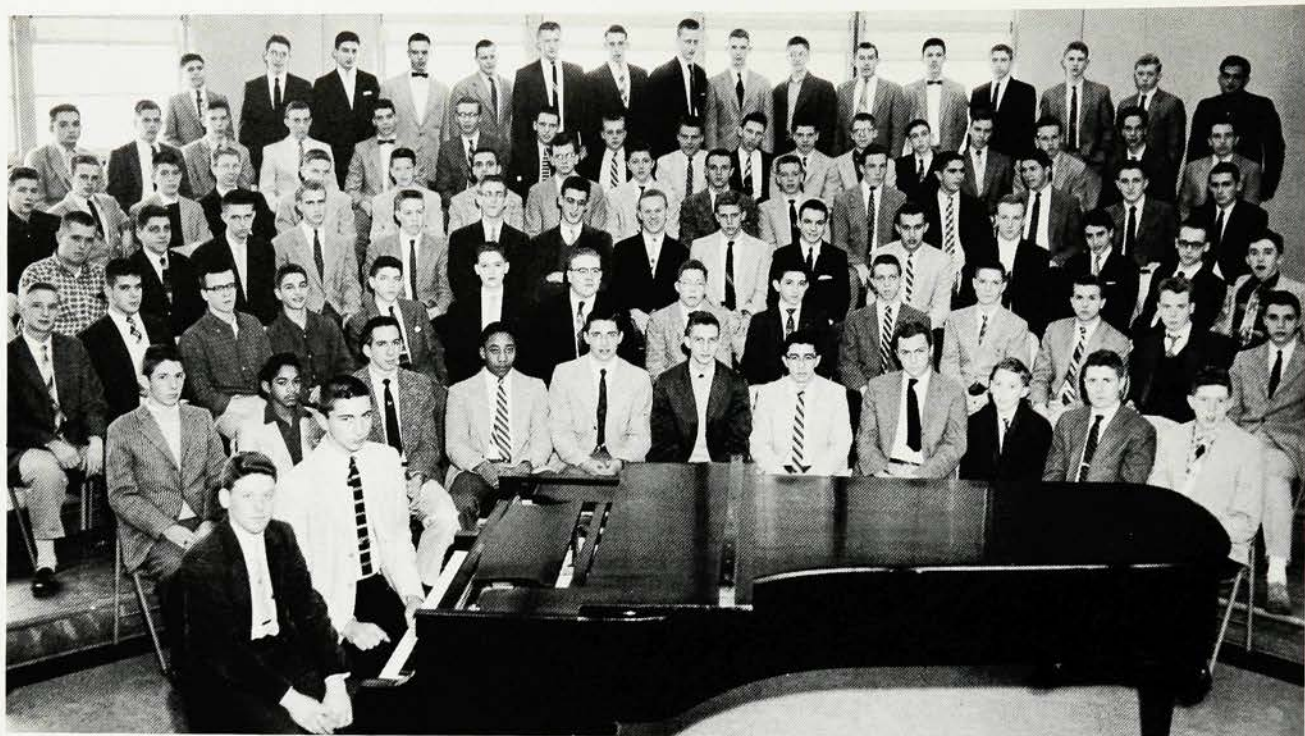

GIRLS' CHORUS I

Composed largely of sophomores, Girls' Chorus I provides excellent training for beginners in the music department. In the fall the chorus elected Lorraine May, chairman, and Mary Ellen List, vice chairman. Accompanied by Lorraine May and directed by Miss Janet Grimler, the group sang "O Lovely Star" and "Rise Up Early", in the Christmas program given December 7 for the student body. The girls also made an appearance in the Spring Music Festival.

BOYS' GLEE CLUB

Under the direction of Miss Janet Grimler the Boys' Glee Club has entertained on important occasions throughout the year. In the school Christmas program, the boys sang "Go Tell It on the Mountain," "Mary Had a Baby," "The Stars," and "The Winter Song." Besides singing for the Franklin, Jefferson, and junior high schools, the Glee Club made its annual appearance in the Spring Music Festival. Among other selections, they sang excerpts from "The Testament of Freedom."

BOYS' PREPARATORY GLEE CLUB

This musical group of about fifty boys may be compared to Girls' Chorus I. Although these boys do not actually sing in performance, they do sing in class, practicing and studying the fundamentals of correct singing. At the beginning of the year, Jack Gill was chosen chairman, and Bill Lane, vice-chairman of the group. For their mid-year exam, the boys sang "Let Us Break Bread together."

Accompanists: Allan Fisher, Malcolm Mackenzie. First row, left to right: Bob Muller, Mickey Martin, Bob Fish, Jim Lambert, chairman; Bill Grotefend, vice-chairman; Dick Kimball, Nunzie Greco, Carson Bates, Kenny Sims, Jim Mackie, Tom DiMaio. THE TWELVE . . . *"My Fair Lady"*

The Twelve, a group of senior girls, entertained at many functions both in and out of school. Besides performing at P.T.A. meetings and the school sponsored "Turkey Trot," the girls sang for the Senior Auxiliary and the American Legion. The group also made their annual appearance in the Spring Music Festival. The "12," ably accompanied by Melinda Scott and Gail Schenkel, sang these songs during the year, "Someone To Watch Over Me," "Blue Room," and "Where or When?"

THE THIRTEEN . . . *"Close Harmony"*

Always a treat in Westfield High is the appearance of the thirteen. This year's group performed at the "Turkey Trot", singing "Little David, Play on Your Harp," "On the Street Where You Live," "Sweet Georgia Brown," and "Sipping Cider." Previous to this the group sang for the P.T.A., the American Legion, the Spring Festival, and the United Nations Day festivities in Roosevelt Junior High School. Other selections sung by the boys included "Fine and Dandy," "It Had To Be You," "My Ideal," and "Standing on the Corner."

THE BAND . . . *"Distant Drums"*

Besides adding to the spirit of our football games, cheer assemblies, and weekly assemblies, the band also gives two annual concerts under the direction of Mr. Robert Banks. Selections from their winter Band Concert, "Tempo 57," were *My Fair Lady*, *Meditation*, *Mardi Gras*, *Elsa's Procession In The Cathedral*, and *French Quarter*. During the football season the band surprised the spectators with a variety of elaborate formations done to a waltz step. In May the group gave their informal Spring Pops Concert.

Members of the band are intent on their music during the winter concert, "Tempo 57."

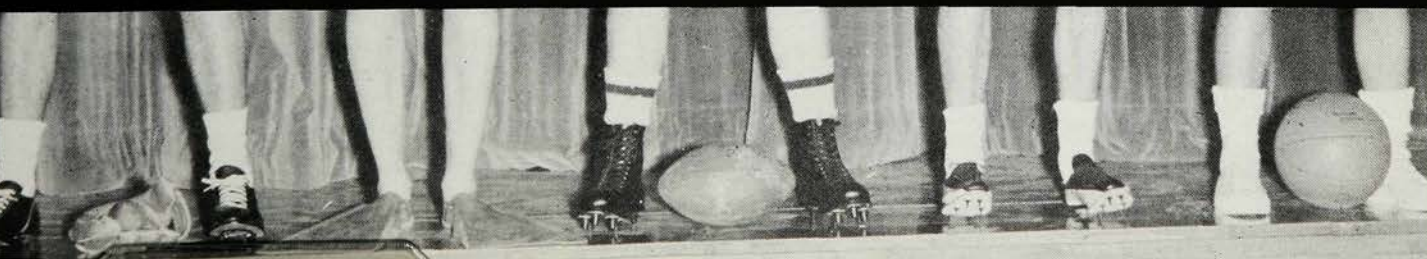

THE ORCHESTRA . . . *"Fit As a Fiddle"*

Although it was considerably smaller than usual this year, the orchestra did a good job in providing music for the Mask and Mime Play, the Senior Play, and several assemblies. This group also played selections in the annual Spring Music Festival. In spite of its handicap the group, under the expert direction of Mr. Robert Banks, has lived up to the standards set by previous orchestras.

First row, left to right: Marie Shepard, Jo Anne Myers, Tom Sisko, Carolyn Pollard, Sue Merrill, David Alles, Bruce Graham, Virginia Clarkson, Paul Burbage. In the opening game of the football season, Union bore the brunt of a powerful Westfield attack, led by Jim Lambert and Tom Hill. The Devils were up one at the close of the third quarter, but misfortune carried the ball to Union deep in Westfield territory and ended the game in Union's favor, 13-7. Then in the second game, led by All-State quarterback, Bob Scarpito, Rahway completely out-classed the Devils 28-0. In the third game Perth Amboy defeated them 21-7.

Westfield took the field against Roselle Park, knowing that a fourth loss would put them past the point of no return. With Dave Hackenburg calling the plays, Jim Lambert and "Tank" Broadbent led the way, as we notched our first victory, 32-12. After losing again to Columbia, the now determined Devils rampaged for three straight wins, Bound Brook, Regional, and North Plainfield.

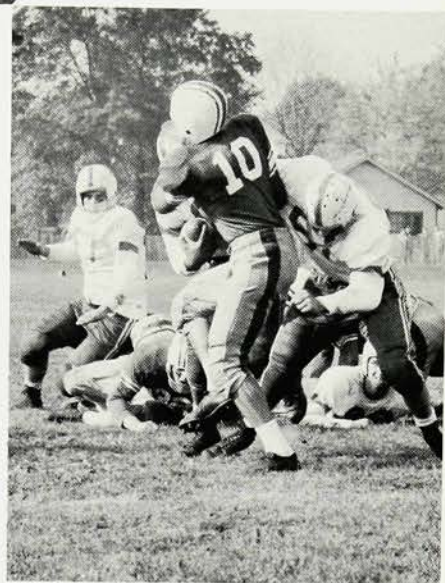

Although Westfield played their best game of the season on Thanksgiving Day, the Plainfield team gained a victory of 19-6. Our players penetrated deep into Cardinal territory four times, but were unable to score, until John Ray got the ball, eluded two tacklers, and made a touchdown.

Co-captain, Jim Lambert, escapes the grasp of a Columbia tackle and scampers for a short gain behind the blocking of Left End, John Ray.

In a 32-12 rout of Roselle Park, Jim Lambert scores for Westfield; Hank Schleckser blocks as Lelli, Park quarterback, attempts to stop the advance.

Dave Hackenberg, quarterback, snares Gene Scott of Rahway for a three-yard loss.

Fleet-footed fullback, Larry Shaffer, skillfully eludes a North Plainfield back, and gives the Westfield team a boost for its 15-0 victory.

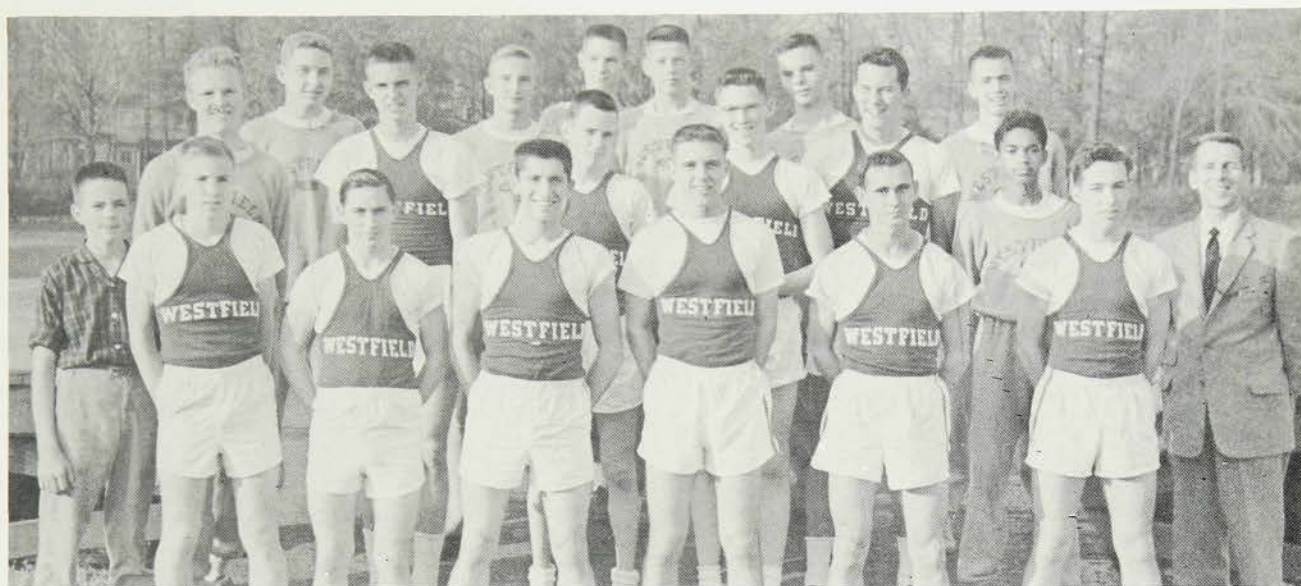

Co-captains, John Ray and Jim Lambert, encourage the team at the football rally before the Thanksgiving Day game.

This year's pack of harriers was probably the best cross-country team Westfield High School has ever known. After dropping meets to the Union County champs, Jefferson, and also to Hillside, the hill and dale boys won eight straight meets to finish with an 8-2 record. Westfield placed fifth in the Union County meet with ten teams entered and ranked fifth in the

New Jersey State Championships with a field of 31 teams.

Letter-men in the 2½ mile run were Skiggy Appezzato and John Swinton, co-captains; Tom Sisko, captain-elect; Dave Craver, a senior; and Ron McIntyre, a sophomore.

Coach Ken Smida has two returning letter winners for next year plus two more boys who broke into this year's scoring.

An experienced team, good coaching, and an abundance of spirit were the contributing factors which helped the Laymen hand the school one of the best seasons in its history, 15-3. After taking the first 12 games straight, it was rather obvious that every man on the Devil Five was a well-rounded ballplayer. John Guthrie and a sophomore, Ken Hite, were the leading play-

makers, while Roger Love, Mac Quigley, and Spencer Thompson all had double-figured averages. Thompson and Love usually controlled the boards, but Bill Kingsbury and Jody Freeman were always there to pick up the strays. After this excellent season, the Laymen were downed in an overtime duel by Sacred Heart in the record round of the Union County Tournament. The Devils had been seeded fifth.

From left to right: Co-Captain Bob Reddell, Coach Kursar, Co-Captain Bob Fish.

In his first year as coach of the Blue Devils, Joe Kursar turned out a particularly strong team that compiled a 12 and 1 record over the past season. The only team to beat the Devils this year was the Columbia team from South Orange, but the Devils came back in a return meet to snap their 34 meet winning streak.

During the season, Coach Kursar's boys, broke several school records. Co-captain Bob Reddell lowered the school mark in the 40 and 50 yard freestyle events, while Terry Bentley set a new record in the 100 yard breaststroke. Co-captain Bob Fish lowered the school record

in the 120 yard individual medley, and a team of Jay Pierson, Terry Bentley, Pete Wilday, and Ted Gates cracked a school record in the 160 yard medley relay.

Pete Wilday hits water for the medley relay against Pingry.

The 1956 track team was composed mainly of inexperienced boys who managed to achieve a record of two wins and four losses. The Blue Devils beat Linden and West Orange, while suffering losses to Rahway, Plainfield, Regional, and Bound Brook. Westfield's strong points were the quarter mile, half mile, high and broad jumps; while the sprints, weights, and hurdles were basically weak. The outlook for 1957 is much brighter, however, because the six returning lettermen should form a strong nucleus for a winning team.

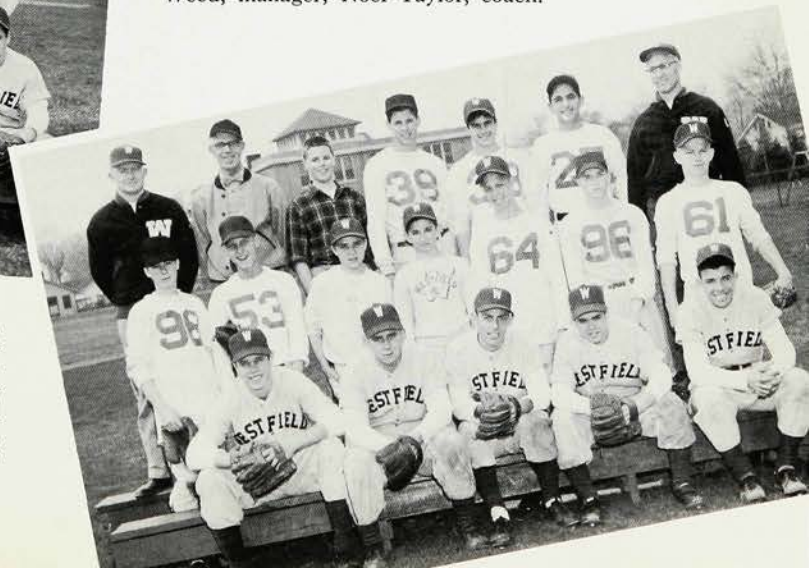

In 1956 the Blue Devil baseball squad compiled a record of 3 wins, 9 losses, and 1 tie, but Coach Noel Taylor hopes to swing back into form this season. His team will be composed mostly of former J.V. boys, since six of nine '56 letter-men graduated and one moved out of town. Short-stop Jim MacBean and third baseman Frank Novello are returning to the fold, while George Reasor, Joe Freeman and Pete Wilday should add strength to the Blue attack. The boys are looking forward to games with Rahway and Union, two real thorns in Westfield's side last season. As usual, Westfield will compete in the Union County Baseball Tournament.

TENNIS

Hoping to improve upon an undefeated record and the county championship last year, the tennis team has set its sights on the state meet this season. Coach Sam Bunting has five returning lettermen who will form the nucleus of the team. Tom Richardson, Terry Bentley, and Perry Fisher will probably handle the singles as they did so capably last year. Bob Kolodny and Steve Falk, last year's other two lettermen, will probably handle the doubles along with any new talent. Jefferson and Plainfield, perennial tennis powers, will probably have good teams, but Westfield looks like the team to beat them in the Union County and, possibly, the state meets.

GOLF

"Tea and Sympathy"

Coach Gene Johnson's golf team is hoping to back up last year's powerful record. The linksmen won 13 of 15 dual encounters last season and brought home the bacon in the Union County Tournament. John Guthrie, a junior, is the only returning letterman. This year, however, Frank Bell, Jay Pierson, and Larry Kelly are bright spots in the W. H. S. golf picture.

There was evidence that the cheerleading squad worked hard to attain good results. A major alteration took place when many of the motions were changed to larger, more emphasized movements, to encourage more enthusiasm and school spirit. The group, advised by Mrs. Gertrude Rogers and Miss Patricia MacFarland, was divided into varsity and junior squads. The varsity squad, composed of the senior girls, was led by Amber Riederer, captain. The Junior Varsity consisted of the rest of the original squad. A new captain was chosen every two games.

Enhancing our football panorama this year was the peppy twirling squad. Led down the gridiron by its captain, Mary Ann Leedom, the squad performed a different routine for each game. As evidence of their early morning and after school practices, the girls displayed several new and unusual marching steps throughout the season. This year for the first time, the senior members of the squad received their own award at the annual Booster Club Banquet.

The council, which was advised by Mrs. Gertrude Rogers and Miss Patricia MacFarland, gave the physical education department helpful suggestions for class and after school activities. It also sponsored various projects, two of which were selling Westfield Loyalty Badges and giving the annual "Turkey Trot."

GIRLS' GYM PROGRAM

Climaxing the school year in May is the Annual Girls' Gym Program in which all girls participate. The performance is given under the supervision of the Girls' Athletic Department. This program demonstrates the skills the girls have attained in marching, dancing, and gymnastics, and gives the parents an opportunity to observe their daughters' achievements.

Singing "The United Nations on the March" the Leaders' Training group wove intricate designs as they marched in the Girls' Gym Program.

"Forward Hunch!" Gym classes march into position to a familiar command.

Flying sticks, cramped knees, and a deafening clatter will always remind these girls of their attempts at "Sticks" as this game was commonly called.

With unusual but graceful movements, the girls demonstrated their skill in Modern Dance.

Look, Ma! No arms!

By hopping, sliding, and hitting coconut halves together these girls entertained their parents with the fascinating "Coconut Dance".
