MR. JOSEPH F. KURSAR, *Dedicatee*

*Mr. Kursar helping a student
in the lab.*

We, the Class of 1961, dedicate our *Weather-Vane Annual* to Joseph F. Kursar.

Mr. Kursar came to New Jersey from his native Miami Beach, Florida, at the early age of two. He was graduated from Bound Brook High School and attended Rutgers University, where he earned B.S. and M.Ed. degrees. Before coming to Westfield five years ago, Mr. Kursar taught biology and coached at Springfield High School and Asbury Park High School.

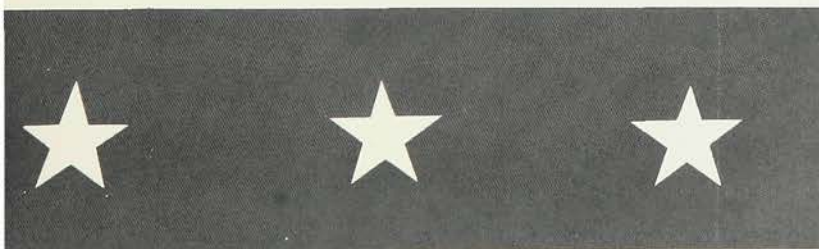

During his service in Westfield High School, Mr. Kursar feels that many students know him best as coach of our swimming team. In his four years as coach his teams have all been outstanding. Together these teams have compiled a record of forty-five consecutive wins without a defeat and two state championships. To the members of his teams Mr. Kursar is best known as "Coach".

To his classes Mr. Kursar has brought humor, warmth, and understanding. These qualities helped a great deal to arouse interest in biology among his students. He believes that each person has potential for success and through hard work can attain his goals. He applies this philosophy both in his coaching and his teaching. It is because of his understanding of us, confidence in us, and enthusiastic support of our class activities that we, the students of WHS, have chosen Mr. Kursar as dedicatee of our yearbook.

The Editor's

Foreword

. . . One hundred years ago, the American people underwent a great crisis, as the ideals and philosophies of the North and the South grew gradually further apart. From this conflict in beliefs arose the Civil War, the great test of two separate ways of life.

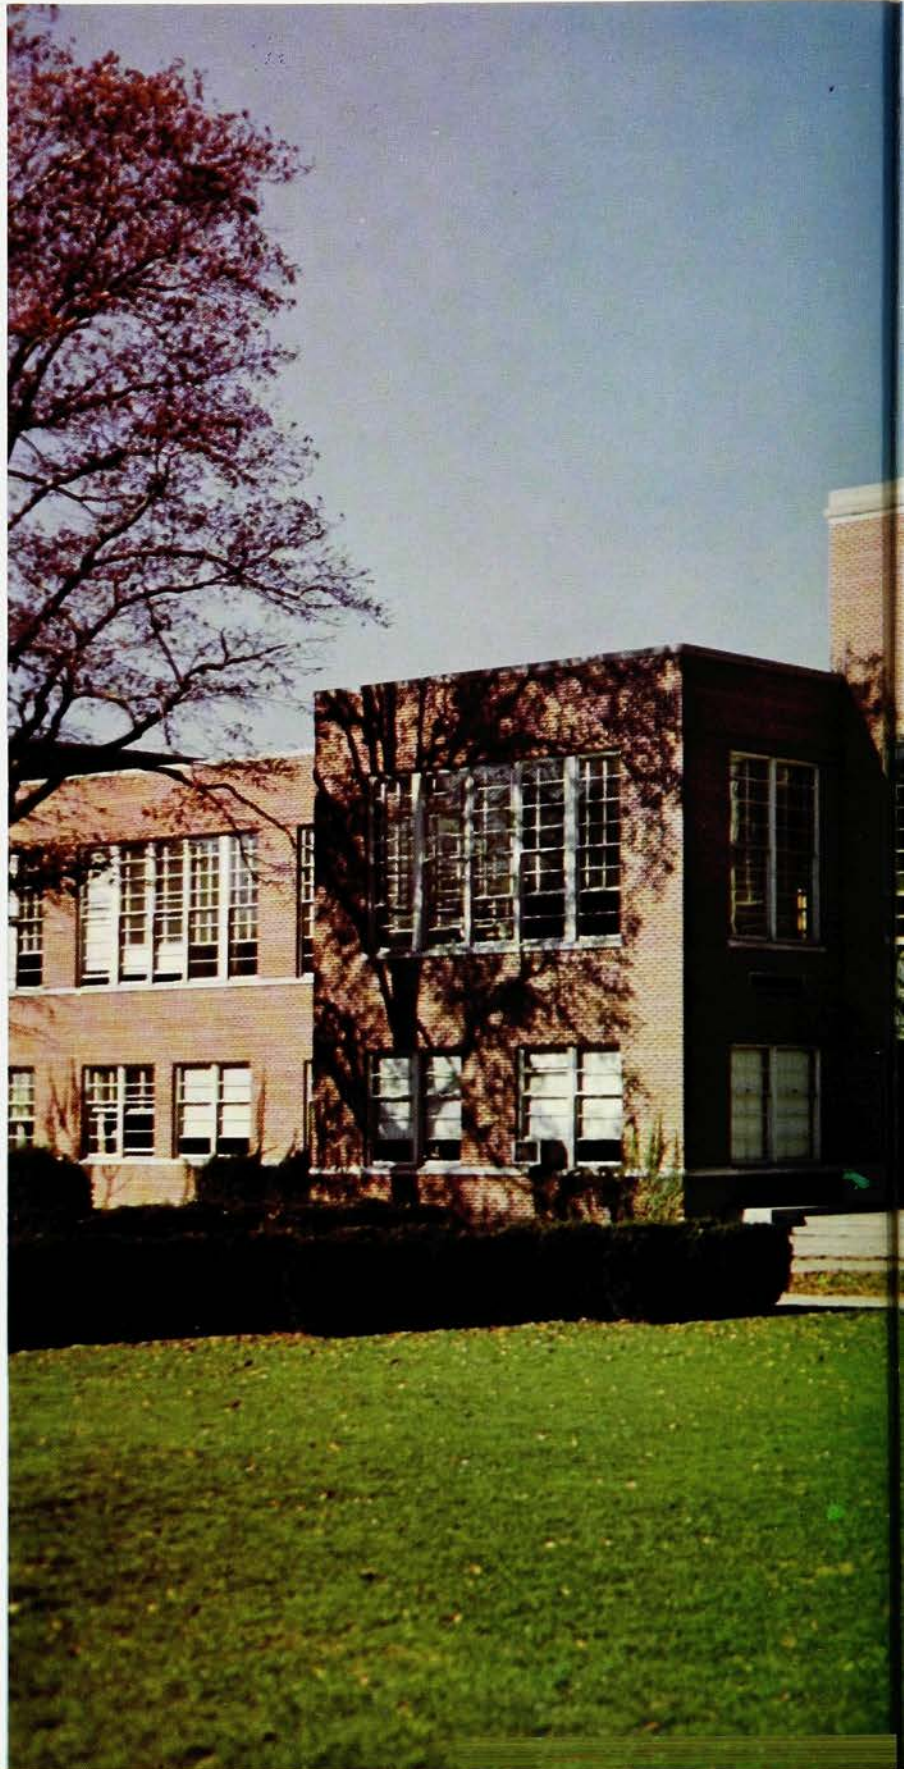

In a similar way, we as students find vast differences among our own ideas and goals, and so high school becomes our testing ground, as we meet the challenge of learning and, in part, begin to determine our future.

The Civil War was a great battleground, in which men fought for what they believed was right. Throughout our lives there are conflicts and struggles, and we take stands, defend them, and, if we are wrong, accept new ideas in place of our own.

We are molding our lives, just as the Americans did in 1861, when they chose to fight. The fruit of their efforts became a unified, powerful nation. But now it is 1961, and here is what we have done. . . .

In Memoriam

"Pure is that remembrance, which the wise and good leave in the hearts that love them, when they die. . . ."

—Thomas Moore

In early November, Mr. Alexander S. Baloga, Westfield High School chemistry teacher, passed away. Perhaps the vacation which came at this time was fitting, for the halls were empty and still; even the chemistry lab in which the well-liked teacher had met with his students was reverently silent. His death was sadly felt throughout the entire school. Mr. Baloga endeared himself to those who were privileged to sit in his classes. Through the years we shall cherish the memory of a good friend and teacher.

1961 Senior Class Officers

SEATED, left to right: Joan Siegel, Secretary; Miss Margaret Dietrich, Class Adviser; and Randy White, Treasurer. STANDING: Art Garvin, President; Hank Burk, Vice President; and Sandy Dashiell, Assistant Treasurer.

To underclassmen the Senior Class means many things. It means the privilege of using the Senior Door, of going to the Senior Picnic and the Senior Banquet, of having a Prom given in your honor, which you can attend without paying any admission price.

To the seniors their class meant something more. It meant friends—friends they had seen all their lives—who would now be going into the world to fail or succeed. To the seniors this was a year of realizing a thousand ambitions. It was

the year that Westfield beat Plainfield in the Thanksgiving Day Game—the first time in twelve years.

More than that, the Senior Year was the final year—the year when all education and slave labor over books would be put to the final test. Students either awaited returns from the colleges or they began to think about just what they were going to do to take their part in the world.

This year was an end, but it is also a beginning.

MISS MARGARET B. DIETRICH
Senior Class Adviser

If you were to make a list of names of the people who had helped you to become a better citizen, Miss Dietrich's name would be near the top. Five or six years ago she took over the position of Senior Class Adviser, and decided to give the word a new meaning. Little by little, different innovations began to appear. The Senior Council was founded and rose to a position of influence. The ideas of having a Senior Banquet and a Senior Picnic materialized, and then became tradition. Throughout the High School, senior activities grew in size and stature until they had become the foundation of the school. During the time she has remained here, Miss Dietrich has become a part of all of us. She is a wonderful part, and not one that we will forget.

Senior Olympics

Our picnic was held on October 7, 1960. In addition to the softball game, the tug of war, and the shoe hunt, we competed in sack races, clothing races, a cracker-balloon race, obstacle races, a pie-eating contest, a water-balloon toss, and a three-legged race. Bonnie Bauer, who was general chairman of the picnic, presented the Olympic Awards.

"I've got a stomach-ache!"

"Slugger"

"Play ball!"

"Hi, Uncle Joey!"

"Mmm—good!"

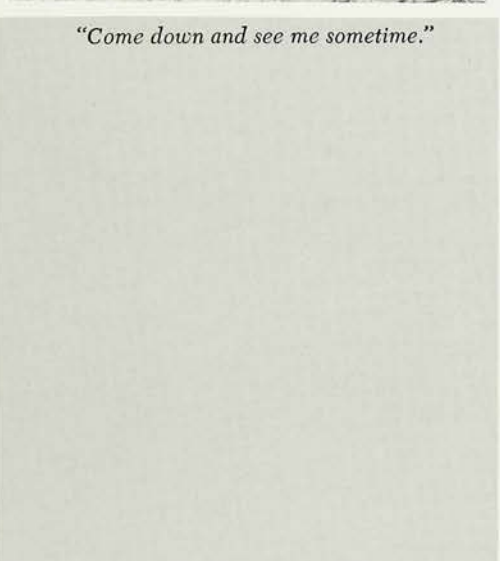

"Hi, pie-face!"

"Who made this pie, anyway?"

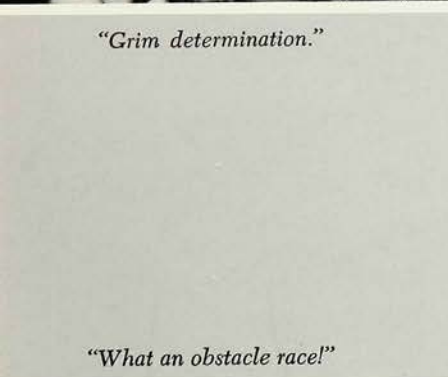

"Grim determination."

"Come down and see me sometime."

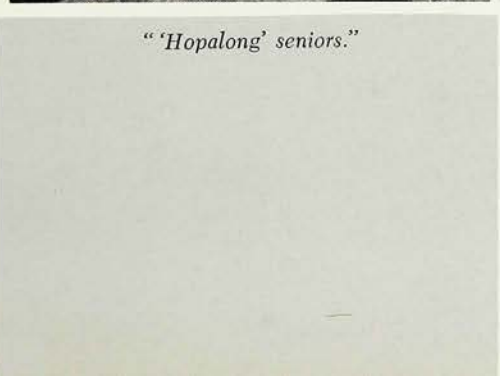

"Um—those new sack dresses!"

"What an obstacle race!"

"Now to catch a breath!"

"'Hopalong' seniors."

"So, I was right after all!"

Henry Burk, general chairman of the play, and the committee chairmen led the class in its successful production of Charley's Aunt.

"Auntie, what does he mean?"

Westfield High enjoyed its best football season in a decade this year. Under the continued guidance of coach Les Zorge, the Blue Devils amassed a total of 196 points against the opposition's 86. Only narrow losses to Butler and Roselle marred an otherwise perfect season, including stunning victories over Rahway and Columbia. Dolman, Griner, Weiss, Ellis, Nelson, and All-State Pete Braun solidified the forward line, while Mannino, Galauski, Kovacs, and Dave Reitze provided the scoring punch. Westfield's very successful season was climaxed by a stirring victory over our arch rival, Plainfield, on Thanksgiving Day.

"Dave Reitze rounds right end on his way for a long gain."

"Coach Zorge gives Ross the word."

"Coleman, Gehrlein tie for first."

In his first year as head coach, Mr. Walt Clarkson guided the team to a season unparalleled in recent Westfield history. The harriers scored the lowest point total ever recorded by our school in the Union County Championships. This race was the highlight of the season in which five Westfield men, for the first time, all ran the course in less than fourteen minutes and finished in the first thirteen out of eighty competitors. In

dual meets, the team scored three shutouts and a significant victory over Columbia, who went on to win the state championships.

Alternating in the number one spot for the Blue Devils were Dave Coleman and Sarge Gehrlein, who turned in an excellent season. Other harriers who scored consistently were Captain Brian Mackie, Bill Dowell, and Dick Zaperanick.

This year was Westfield's rebuilding year in basketball. John Lay's courtmen had a rough schedule but played admirably considering the inexperience of the team. Co-captains Clancy and Higgins sparked the club with Dave Taylor providing a strong scoring punch. Westfield looks forward to the return of two of its starting

five, Dickie Myers and Bob King, next year as Westfield will again become a strong conference contender. This year's season was highlighted by some very close ball games including a thriller with Hillside which found our courtmen on the long end of the 51-50 score.

Head coach Walter Clarkson, assisted by Mr. Peter Schmidt, coached this year's swimming team to a perfect season—12 dual meet victories, the Union County championship and the New Jersey state championship. The team extended the dual meet victories to 57 in a row, and the county victories to 5 without a defeat.

The dual meet schedule was one of the toughest ever undertaken by the mermen. They were

up against such outstanding teams as Columbia, Seton Hall, Pingry and Trenton. Many new records were established by the team including two new state records. Dan Nichols, captain, was ably assisted by seniors Jeff Hitchings, Frank Dolman, Gordon Smith, Bob Schreck, Skip Rollins, and Ward Jones; juniors Greg Weiss and Clahk Byam; sophomores Bob Chambers, Mike Ketcham, Bill Haney and Kurt Kaufmann.

After only three years of varsity wrestling, the Westfield matmen showed surprising ability this year. Under the coaching of Gary Kehler, Westfield ended the season with a fine record, including victories over Plainfield and Cranford as a result of a great team effort.

Doug Wight, Joe Petrucione, Ken Cornell, Jay

Benedetti, Charlie Mannino, Barry Fritz, Art Jennings, Ron Vigilanti, Bob Adalar, Dave Morash, and Pete Braun were the mainstays of the team. With some good prospects, JV wrestlers, and returning lettermen, we should look forward to another excellent season next year.

The 1960 track team experienced a very respectable season with a record of 8-1. The Blue Devils had a well-balanced team, with several boys doing exceptionally well. Ed Miner placed first in the 220 in the State Championship, and Bob Duncan broke all previous WHS records in

the shotput. The 1961 squad looks forward to another successful season, with the return of Roger Yockel in the quarter mile, Dick Zapanick in the half mile, Rich Fremon in the high jump, Bob Rainey in the hurdles, and Bob Duncan in the shotput.

In 1960 John Lay's nine compiled a 6-9 record. The team had some fine players and played some close games, but in the final analysis fared less well than it might have. Charlie Felter, Dave Wilday, and Charlie Getter sparked the hitting, while Dickie Myers and southpaw Smitty Lan-

ning were consistent performers. In 1961 Coach Lay looks forward to the veteran players, Art Garvin, Dave Wilday, and Dickie Myers, to solidify the team. Strong in hitting and not quite so strong on the mound, Westfield should field a worthy team for her opponents.

tennis

FIRST ROW: D. Richardson, B. Shaffer, J. Hitchings. SECOND ROW: Coach S. Bunting, J. Thomas, M. Sargent, J. MacNamara, H. Marshall.

As has been the tradition of the tennis team in recent years, Sam Bunting's squad continued their winning ways in 1960. The fast-moving squad, led by Captain Bill Gilson and Bob Durgan made a very good showing. At the end of the season, the team boasted a record of 25 straight victories in two years, and even more impressive is their record for the past five years. Mr. Bunting's courtsters have won 60 of

their last 62 matches.

Lettermen Hank Marshall, Jim Thomas, and Malcolm Sargent, and sophomore Dave Richardson helped to bring the Central New Jersey Championship to Westfield.

The 1961 team will miss the services of Bob Durgan and Bill Gilson, but should do well with the return of Dave Richardson and Bill Shaffer.

Under Coach Gary Kehler last year's golf team compiled a perfect record, extending their unbeaten string to over twenty matches. The team also won its second consecutive Union County Championship and finished fourth in the rain-swept State Championships.

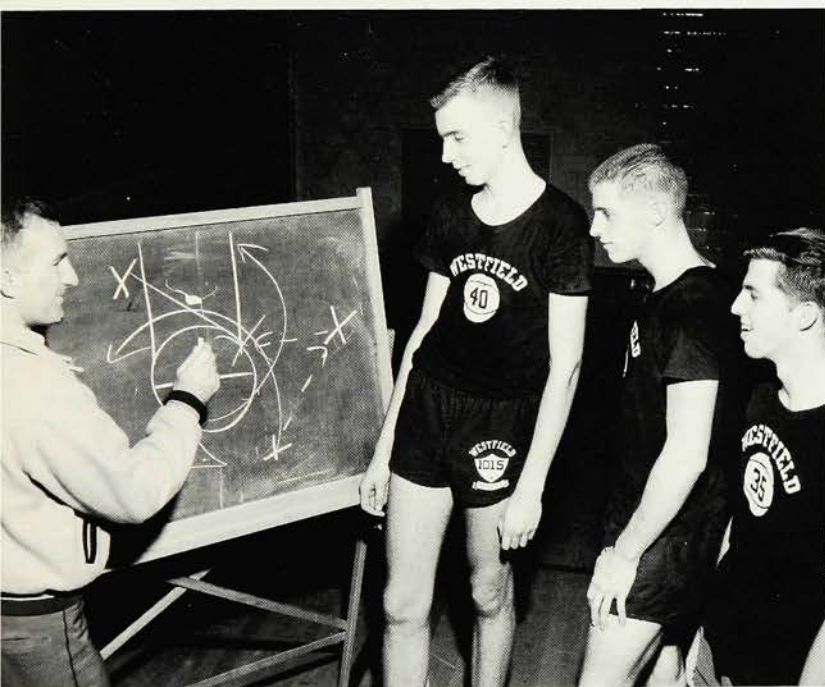

The mainstays of last year's team were lettermen

Jim Grant, Barry Hartigan, Bob Michaels, Larry MacBean, and Tom Pearsall. Since all of these boys are returning for the 1961 season, accompanied by a transfer student, Dave Taylor, the golf team should be one of the finest our school has ever produced.

cheerleading

This year the cheering squad did an excellent job in rousing school spirit at football and basketball games. They made up many new cheers and enthusiastically led our school to victory. Practice was held three times a week under the supervision of Miss Frances Daniel. The cheerleaders are: seniors—Ursula Plinton, captain; Hope Read, manager; Bobette Stern; Georganna Trenner; juniors—Katherine Harris; Priscilla Hinebauch; Betty Ann Weaver; Carolyn Newman; sophomores—Jane Kennedy; Susan Schaub.

pep squad

The purpose of the Pep Squad, made up of sophomore, junior, and senior girls, is to promote school spirit both before and during rallies, games, and meets. The group works along with the cheerleaders in encouraging the athletes with songs and cheers. This was the first year in which a pep squad such as this has been included in the extracurricular activities of WHS. A place has been provided at games for them to sit together. The officers of the Pep Squad are: President, Bambi Eddy; Vice-president, Barbara Smith; and Secretary, Martha Johanson.

basketball

After school basketball for girls is composed of many interested sophomores, juniors, and seniors who learn to develop skills, sportsmanship and team co-ordination. The teams' goals are to win the intramural and interscholastic tournaments which are played throughout the season. Whether they win or lose, the girls receive a fine program of an exciting and stimulating sport.

field hockey

This year five teams participated in the after-school field hockey programs. The two sophomore, two junior, and one senior team practiced on Monday and Wednesday afternoons. The season ran from early October through November during which the girls played against Summit High School, and Princeton High School where they emerged tired, muddy, but victorious.

modern dance

The modern dance club enables those interested in the dance to become proficient in its fundamental skills and to appreciate modern dance as a performing art. Variations of sound, time, and quality of movement are used in exercises as well as in choreography. This year the Modern Dance Club has participated in several symposiums in New York, and has been fortunate in having Miss Alice Helpburn as instructor.

Beth Green, chairman, assisted by Miss Alice Helpburn, instructor.

leaders' club

The Leaders' Training group, which meets every Tuesday morning, is composed of girls holding responsible positions of leadership in their individual gym classes. During the meetings, discussions are held concerning problems which develop, direction of gym classes, and the many responsibilities of leadership. Other activities include marching and preparing for the spring Physical Education Program.

girls' sports council

The Girls' Sports Council had a very active year. Some of their major activities were the annual Fall Sales, the Country Dance, and the G.S.C. dessert. The girls also revised the Westfield Awards System. This year's council sponsored outstanding "fight" posters for all sports, a G.S.C. picnic, and the exciting student-faculty volley ball game.

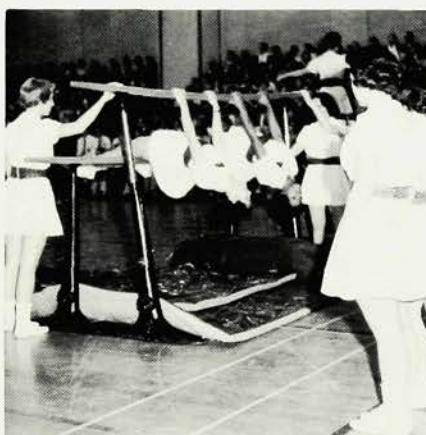

gym program

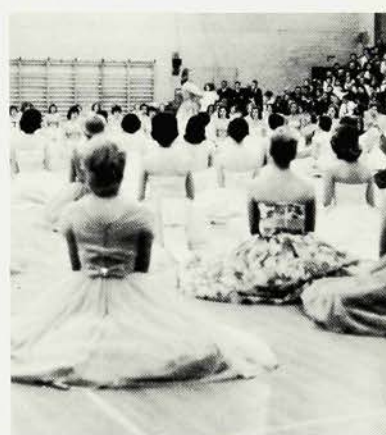

The Annual Girls' Gym Program, which highlights the efforts of all the girls in the student body, was held in April. The girls participated in a program showing their skills in such fields as marching, dancing, and gymnastics. The climax of the evening was the traditional marching competition and the presentation of awards.

marching band

This year the marching band has done an outstanding job in creating pep and enthusiasm at our school football games. It has led Westfield and its opponents in the National Anthem and has presented one of its unique marching routines during the half of every game. The band has also aroused a great deal of school spirit for the Blue Devils at Pep Assemblies. The success of the 1961 marching band is due to the excellent direction of Mr. Robert Banks.

girls' chorus I

Girls' Chorus I, composed mainly of sophomores, provides excellent training for beginners in the Music Department. In the fall the group elected Barbara Dilts, chairman, and Judy Hitchcox, vice-chairman. Girls' Chorus I is under the direction of Mrs. Smith and is accompanied by Carol Vanderbilt and Jane Tucker.

Girls' Chorus I performed in the Christmas Program and the Spring Music Festival. In the Music Festival the girls sang "The Lobster Quadrille" and "Father William" from the Alice in Wonderland Suite.

girls' chorus II

The advanced Girls' Chorus II is composed of seniors and underclassmen who show ability in choral work. The officers of Girls' Chorus II are Joyce Emanuel, chairman, and Linda Minkel, vice-chairman.

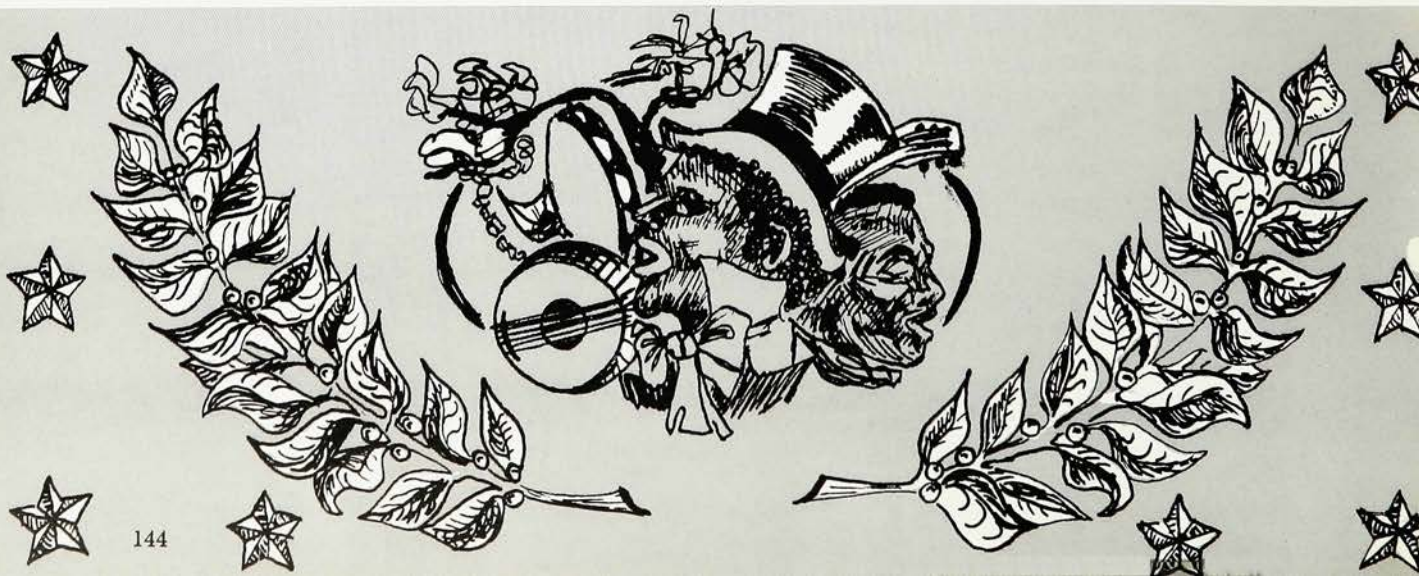

Directed by Mrs. Gleason and accompanied by Diane Varenhorst and Catherine Price, the girls appeared both in the Christmas Program and the Spring Music Festival. In the Music Festival Girls' Chorus II sang "Hark! The Echoing Air," "A Song of Music," "Ave Maria" in Latin, "Peaceful Evening" in French, and "O Light of Day" in German.

boys' glee club

The Boys' Glee Club, under the direction of Mrs. Gleason, is a group of sophomore, junior, and senior boys who show musical ability. The Glee Club appeared with the Girls' Chorus I and the Girls' Chorus II in the Christmas Program, and performed in the Spring Music Festival. They sang the "Soldiers' Chorus" from Faust, "With A Hundred Pipers," two Italian folksongs in Italian, and "The God Who Gave Us Life" from the Testament of Freedom in the Music Festival.

The officers of the Boys' Glee Club are Donald Day, chairman, and John May, vice-chairman. The group is accompanied by Bonnie Burd and Robert Gilbert.

A very popular group in Westfield High School is the boys' specialty group, The Thirteen. This year the boys sang for the Old Guard, The Men's Club of the Methodist Church, and several other organizations. They appeared with The Twelve and sang for the United Nations

Day festivities at Roosevelt Junior High School, The American Legion, and Back-to-School Night. The Thirteen sang "Shortnin' Bread", "Siberia", and "Sixteen Going on Seventeen" in the Music Festival.

the choir

The Choir is the most advanced vocal organization in Westfield Senior High School. Therefore, membership in the Choir is the ultimate goal of all of the students in the Music Department. This year the Choir sang for the P.T.A. and performed in the Christmas Program, the Spring Music Festival, and the Easter Program. In the Music Festival the Choir sang "Crucifixus", "Since By Man Came Death", "Shir-Ha-Emek" in Hebrew, "Jewish Spring Song" in Yiddish, and "By The Waters of Babylon." They also presented "Arma Virumque Cano" in Latin,

the carol ensemble

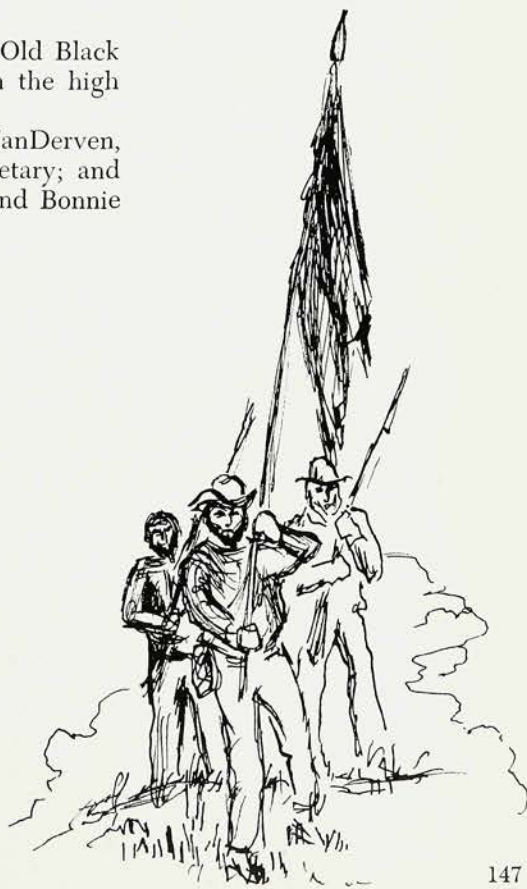

"The Area of a Regular Polygon", "Geographical Fugue", and "That Old Black Magic" for a special series depicting the different areas of study in the high school.

The officers of the Choir are Robert Duncan, president; George VanDerven, vice-president; Gail Burdett, girls' secretary; John Griner, boys' secretary; and Deborah Brix, treasurer. The accompanists are Constance Poranski and Bonnie Burd.

The Carol Ensemble is a group composed mainly of second and third year Choir members. The ensemble sings a selection of Christmas carols before each presentation of the Christmas program. In addition to singing before the Christmas Program, the group is led by Mrs. Gleason around the halls to sing Christmas carols on the day before Christmas vacation.

christmas tableau

The annual appearance of the Christmas Tableaux is long anticipated by everyone. In December it combines with the Choir to present one of the most inspirational programs of the Christmas Season.

Miss Dolores W. Bordner

We, the members of the 1961 *Weather Vane Annual Staff*, wish to express our heartfelt appreciation to Miss Dolores Bordner. She has always been willing to give of herself with endless patience, understanding, and imagination. Miss Bordner, yearbook adviser and founder of the *Weather Vane Magazine*, has been teaching at Westfield Senior High School for thirty-four years. We owe her far more than this small tribute, for all that she has been and done.

national honor society

The National Honor Society is more than an honorary club for junior and senior students with a high scholastic standing. The members, who are chosen from the upper twenty per cent of their class, must also show qualities of leadership, be of good character, and have been of service to Westfield Senior High School. This year's Honor Society has proved to be an active club rather than simply an honorary one, and throughout the year they have enjoyed many interesting and informative programs. In service to W.H.S., many of the members are available for tutoring students who have been absent because of long illnesses. Each year the Society awards two cash prizes to the two graduates whose class standing has increased most from their sophomore to their senior year. In addition to this, for the first time, the club is offering a scholarship to a member of the senior class. To raise money for this scholarship, the Society sponsored a dance for the entire student body.
