WESTFIELD SENIOR HIGH SCHOOL WESTFIELD, NEW JERSEY

VOLUME 66

Remember that the future is neither ours nor wholly not ours, so that we may neither count on it as sure to come nor abandon hope of it as certain not to be.

— Epicurus

Westfield High School Library

Our greatest weakness lies in giving up. The most certain way to succeed is to always try just one more time.

— Edison

There is no death! The stars go down to rise upon some other shore, and bright in Heaven's jewelled crown they shine forevermore.

- McCrury

I don't want to perish like a fading horse; youth's like diamonds in the sun and diamonds are forever.

— Alphaville

Man is his own star, and the soul that can render an honest and a perfect man commands all light, all influence, all fate. Nothing to him falls early, or too late. Our acts our angels, or good or ill, our fatal shadows that walk by us still. — Fletcher

If it weren't for the dark days, we wouldn't know what it is to walk in the light.

Earl Campbell

In arguing of the shadow, we forego the substance.

— Zily

SHINING IN THE SHADOW

In June 1986, the Weather Vane staff selected the theme for this yearbook. It was our intent to select a theme that would be both representative of and relevant to the student body's experience at Westfield High School. We hope that our theme, shining in the shadow, accomplishes our intention.

To us, the phrase shining in the shadows seems to characterize the student body at WHS. The shining in the phrase represents the uniqueness that each student at Westfield High School possesses. Whether it be the arts, athletics, or academics, we each have our individual strengths that enable us to stand out from the shadows. These shadows may represent the problems of adolesence or the uncertainity of the future, but whatever they represent, the students at Westfield High School have the capability to look beyond these shadows and continue to shine.

THE FOUNDATION

The Foundation is a new organization established this year at Westfield High School dedicated to the questions of human existance (i.e. virtually anything and everything). The club consists of members who read a chosen work of a philosophic nature who then come together in a group format to discuss the piece. The purpose of the club is the enhancement of the individual's awareness to the human condition. This may sound ambitious, but it is done simply through the study of short essays followed by the creation of a forum for discussion in which individuals are able to learn from the insights of their fellow students. Various philosophers have been read by the club throughout the year ranging from Sartre to Jung. The club is open to all schools of thought for it is through variation along with depth of study that understanding can result. The success of The Foundation has been from the dedication of its members to the purpose of learning in order to enhance awareness and understanding.

RADICAL ROCK REACTIONARIES

The Radical Rock Reactionaries is a club for students to increase the awareness of other genres of music besides Top 40. The club was founded in the spring of 1985 by Gil Margulis with the help of advisor Mr. Robert Bruno.

The club attempts to bring"underground" music to the surface and tell the students of WHS that there are other types of music. This is done in two ways.

The first way is to show free movies to the students. Some titles include "Rock'n Roll High School", "The Kids are Alright" and "Rude Boy."

The second and most important way is to sponsor concerts at the high school which include local talents. Some groups that played include Sophosto Funk, The Unemployed, The Leisure Set, The Fundamentals, Lord John, D.U.H., and Whirling Dervishes.

We had a successful concert on December 12 which included Nervous Nerds, The Outcrowd, and Children in Adult Jails. The concert was the first of the year to have tickets sold at the door.

Thanks to Dr. Drummond for being our club advisor.

Have a Real Cool Time and see you on Shakin' Street, and, of course, kick out THE JAMS!!! Oran Margulis Club Member

P.S. Special thanks to Gil Margulis for his spiritual guidance, Tom Pryor, Matt Doherty, Phil Linden, Dave Urbano, Victor Camponile, Tom O'Hara, Julie Choi, and other club members who helped out.

MATH LEAGUE

Math League members meet once a month to take a six-problem "contest," which takes about a half an hour. The tests are then scored, with one point given per correct answer. The top five scores are added to Westfield's compiled score after each contest, and Westfield is ranked against other schools. Every year, Westfield has been one of the top scorers in both the county and the state.

SCIENCE FICTION CLUB

The Science Fiction Club is a group of people interested in saving science fiction in all of its forms. They usually watch films and discuss them. They are a distinguished group: smart, bright, and intelligent. May the force be with all that believe in the Science Fiction Club. May all new forms of life have the force behing them. Good luck all ...

PING PONG CLUB

Under advisor Mr. Zimmer, the Ping Pong Club meets twice a month. President Mike Shenoy sets up tournaments between club members and there is also a club ladder where players are ranked and can challenge others above them. There is doubles play, and even though competition is fierce, everyone has a good time.

ITALIAN CLUB

TEESIN

"Santa Lucia" with Rob Del Guidice and his group ... La Festa Natalizia, il nostro Babbo Natale Todd Kaul ... Tombola e Baci Perugina ... La Serata Italiana ed il ballo folclorico ... Let's listen to "Un Bel Di"... No, preferisco canzoni per bambini.

1.

SATURDAY SCIENCE

Once a month the members meet to hear guest speakers talk on various relevant science topics. The group also goes on several field trips each spring to the Smithsonian, the Franklin Institute, and the beach. Cider and donuts . . . Chem Court . . . Nobel Prize Winner Robert Wilson comes to Westfield . . . Where's my free electron laser? . . . change the field trip! . . . Uh, excuse me, how long has this cider been sitting around? . . . If it's Saturday and the moon is full and humidity is 30% and the barometer reads 102.6 KPA, there may be Saturday Science.

FRENCH CLUB

Cette annee le club de francais a plus de 100 membres. Les officiers sont: Marie Raguenaud — Pres; Lisa Broadwell — Vice Pres.; Mike Csorba — Treasurer; Virginie Raguenaud — Sec. Pour souhaiter la bienvenue aux eleves de St. Germain-en-Laye, nous avons organise une reception. Notre fete de Noel a ete un succes. Nos autres activites consistaient de jeux francais, d'une celebration pour Mardi — Gras et de films francais. Le club de francais voudrait bien remercier les professeurs qui nous ont aides pendant l'annee scolaire. Merci donc a Madame Clark, Monsieur Judd, et Madame Didier.
ART CLUB

In 1986-87 the Art Club, under the direction of Mr. Arthur Silveira, had yet another successful, blooming, blossoming, fruitful, prosperous, profitable 'really neato-keen'' year. Many talented sophomores, juniors, and seniors continued the Art Club's tradition of creative fund raisers such as decorated Halloween pumpkins and handmade cupid's arrows delivered to students from their Valentines on St.

Valentine's Day. During its annual Christmas ornament and bake sale, the club raised the second highest amount in its history and is hoping to better its funds next year. The funds raised by the Club go towards sponsoring art related trips and activities during the year.

O.K., the most important thing is to raise student consciousness in "cutsie things" ... short meeting today ... who can't make it? ... I don't know ... make, like, a teddy bear or something ... Really? Is Mr. Silveira's first name Art?

MARCHING BAND

Beginning with August band camp, the members of the marching band participate in many varied functions throughout the school year. Aside from appearances at football games and many band competitions, this year's band performed at the Brendan Byrne Arena during a N.J. Nets basketball game. The band traveled to Orlando, Florida in February for a command performance for Mickey Mouse!

LATIN CLUB

The Latin Club has had a very busy year. In the fall, it held its annual Toga Party. This year, as always, the event proved to be very popular. The Latin Club has recently become involved in community projects. The club used the money it earned from Back to School Night to buy food for the needy. The food was distributed to needy citizens at the Westfield Temple and Holy Trinity Church. The club also continued to fund a child in Egypt using the money earned through candy sales. This year's presidents are Neil Troum and Kim Gosen. The vice president is Mindy Waterhouse. Best of luck to next year's club!

.....

GERMAN CLUB

Die Leiter der Gruppe sind Claudia Roles, Aaron Weber, Matt Wingate, and Bela Bashar. Wir sind zum Winkelmanns Restaurant in Lakewood, NJ, im Herbst gegangen. Dort haben wir deutsches Essen gegessen und wir haben das Lebensmittelgeschaft besucht. Unterwegs hatten wir eine Panne! Fur Thanksgiving haben wirein Canned Food Drive organiziert. Wir haben Gummy Bearen yerkauft. Wir haben auch im Concession Stand gearbeitet. Dieses Geld ist zu Scholarships gegangen. Jedes Jahr haben wir ein Cookie Verkauft. Viele Schuler haben Keks gebacken. Wir planen einen Ausflug im Fruhling. Es macht viel Spass.

SPANISH CLUB

Co-Presidents: Cassandra Lammers Kevin O'Brien Vice-Presidents: Betinna Kohler Susie Sanislow Treasurer: Grace Liang Secretary: B.J. Taylor

El club del Espanol hace cosas para incluir la cultura hispanica en la vida de WHS. The club has many fund raisers such as working at the concession stand at football games, food sales, and our annual Valentines' Day Carnation Sale. The proceeds go to scholarships for the senior Spanish students, and the sponsorship of Aldo, a young Mexican boy. Muchas Gracias a Ms. Jacobus, Mr. Frinzi, Miss Fenstemaker, Miss Elmquist, and Mrs. Hollander, los profesores del espanol.

CHOIR

The 1986-87 choral program consisted of the Choraleers, Concert Choir, and Mixed Chorus. It was an extremely active year which included not only the traditional Holiday concert and Spring concert, but was also highlighted by a trip to Disney World in February. The choirs sing a vertible cornucopia of musical selections. Mr. Beil and Mr. Mathews share the difficult yet rewarding task of directing the groups.

NATIONAL HONOR SOCIETY

During the course of the school year, the members of the National Honor Society, who were selected for their demonstration of scholarship, leadership, service and character, helped finance scholarships for outstanding students. Some of these activities included recycling in town and the annual flea market. Some members also tutored other students as well as helping the staff and faculty of the high school on College and Back-To-School Night.

This year's NHS officers are: Steven Weinstein — President Todd Brecher — Vice President Para Ambardar — Secretary Douglas Krohn — Treasurer

Mr. Anthony Quagliano — Advisor Also, thank you to all the cooperative members and a special thanks to Mr. Quagliano for all his help. Best wishes and good luck to all.

LIGHTING CREW

The lighting Crew is responsible for the stage lights. They work on setting, gelling, designing, and working lights for various productions. They work on the school's major fall and spring productions as well as performances from outsi-e groups. This year the group had the unique experience of working with a professional lighting company to set and run lights for *Medea*.

The Mask and Mime club is made up of students who are interested in pursuing experiences in all aspects of theatre. Members are both actors and technicians who work on the major school productions. This year the Mask and Mime helped sponsor the fall production of *Medea*. To be in the Mask and Mime a student needs only to have a curiosity about the theatre.

CHESS CLUB

The Chess Club meets once a week to match intellectual strategy. This year, President Kevin O'Brien and Vice-President Edward Einhorn, along with Brent Spear, Ross Brand and Thao Vo represented WHS by competing in the Union County Chess League.

YOUNG LEFTISTS

The Young Leftists continued to thrive during the 1986-87 year as we pursued our involvement with political and social issues facing our society. The club provided a forum for learning about the following issues: the plight of Soviet dissidents, the Contras in Nicaragua, abortion, nuclear arms, and the American Indian. In addition, volunteers participated in the soup kitchen in Newark for the third year in a row. One of the highlights of the club's year was a visit by the new Superintendent, Dr. Smith, who came to speak to us about his vision for education and the high school in particular. We look forward to providing future opportunities to explore issues of social concern for the student body.

ASIAN AWARENESS CLUB

The Asian Awareness Club ... This year was the experimental foundation for future ideas, activities and awareness. Positive ideas and activities were brought up and future years will see to the development of these ideas. Founders Horace Jen and Michael Hsu are hopeful that future years will carry on the paths that have been cleared.

S.A.D.D.

This year saw the active emergence of the new students against drunk driving chapter at Westfield High School. The group was founded by Tracy Mencher and Lisa Kolton. The purpose of the group is to increase student awareness of the dangers of drinking and driving, as was seen by the ever-present posters. "Safe rides" was another new service offered to WHS students. The club offered safe rides home to students who chose S.A.D.D.'s volunteers to drive in place of driving under the influence. The S.A.D.D. chapter helped to make the school year a safe one.

BILLIARDS CLUB

As a result of last year's success, the Billiards Club welcomed many new members this fall. In its second year, the club has expanded quickly. Now there are up to fifteen matches per week. These matches are held in the member's homes and are used to determine the over-all champion at the end of the year. The winner is presented his trophy in June. This year's club presidents are Scott Luckenbaugh and Mike Shenoy. The advisor is Mr. Seiler.

PSYCHOLOGY CLUB

The Psychology Club is dedicated to broadening the horizons of psychology under the expert supervision of Mr. Cilo . . . yeah right . . . how many "first" meetings have we had? . . . and HOW many people signed up during Club Day . . . all those wild letters to homerooms . . . WHERE is Mr. Cilo? . . . is there even a Psych Club that exists? yes, we will definitely do SOMETHING this year!!! . . . first we have to locate the Mental Health Players

THE CODE "BLUE" TEAM

The Code Blue Team is a group of dedicated well trained individuals within the secondary school environment who are joined together for the purpose of rendering cardiopulmonary resustation (CPR).

A "Code Blue" is an emergency situation where a person is suddenly rendered unconscious through trauma or medical emergency and there is reason to suspect that a life is threatened.

The Code Blue System is dedicated to the memory of Mrs. Evelyn N. Brown, a teacher in the Westfield School System for over thirty years. Mrs. Brown died suddenly in Edision Junior High School in 1985.

"Annie, Annie are you okay?"; "Anyone need mouth-tomouth?"; "5 to 1"; "How about doing the Heimlich with me?"; "Are you certified?"; "15 to 2"; "Righty tighty"; "lefty, loosy"; "Where are those blue bags?"

Tri-Captains: Michele Graham, Ken Wigg, Russ Simon. Secretary: Heather Heatly. Lieutenants: Michele Andre, Karen Clyne, Eileen O'Donnell. Treasurers: Heather Mathews, Krissy Jeremiah.

THE LAW FORUM

The Law Forum is composed of a group of seniors, juniors, and sophomores who are interested in law and/or a legal career.

The students meet regularly after school, to work on their primary activity which is to develop a ``Mock Trial Team.''

The Mock Trial Team competes in the annual Mock Trial Competition sponsored by the New Jersey Bar Association. Competitions take place at the county, regional, state, and

national level and the WHS team is the former Union County champion and has competed in the Northern Regional Championship competition.

The WHS Football team ended the season with a 3 game winning streak and a record of 5 wins and 4 loses for the first winning season since 1982. The highlight of the season was a victory over 8th ranked Summit. In the traditional Thanksgiving Day game against Plainfield the Blue Devils defeated their opponent fairly easily. The 20 senior team members contributed to the fine season and ended their career on a positive note. This year the team also saw the rise of many super juniors who should lead the team next year.

The 1986-87 Girls Varsity Soccer Team had a very successful season with a 17-6-1 record. This record is a mere fraction of their accomplishments which include the Watchung Conference Championship, The Union County Championship, and the team reached the North Section Group IV Championship game. This fine team was lead by the fine coaching of Coach Kapner, Coach Bristol, and Coach Cherewich.

The 1986 Boys Varsity Soccer Team had an outstanding season. Led by a strong group of seniors, the team captured the North Jersey Section 2 Group 4 title for the third year in a row and added its first Group 4 State Championship. This led to a number one ranking in both the county and the state. Individual honors went to Mike Drury, Steve Locker, Brad Shapiro, Tony Frasso, Chris Freer, and Anthony Coleman who were named 1st Team Union County. In addition Raul Barroso, Kevin Tracy and Tom Ward were named as second team members and Gregg Schmalz was named to the third team.

BOYS' CROSS COUNTRY

The 1986-87 Boys' Cross Country team had a very successful season with an 8-1 record this year. The year was marked with the participation and dedication of many seniors. These seniors were the true leaders of the team, for all senior members received varsity letters. The team also had strong runners from the junior class. The juniors should provide for an outstanding team next year.

The 7-13 record of the 1986-87 Boys' Basketball Team is a little misleading. The team comprised of 5 seniors and 7 juniors played one of the toughest schedules in the state. Some bright spots of the year was the teams victories over Plainfield, Cranford, and Kearny. Senior Rob Gladden was consistently in double figures and senior Tom Kelly led the team at all times. Next year juniors Dave Brown and Mark Nelson should be ready to avenge their losing season.

Under Coach Coultas the 1986-87 Boys Swim Team posted an impressive 12-2 season. For the 31st year the team won the Union County Championship, they also placed 2nd in the Pirate Invitational and were Watchung Conference Champs. The teams strongest members were two juniors, Chris McFadden and Aaron Weber, who both set new records in their respected events. Since the team was very well balanced, they can expect a strong team for next year.

The 1986-87 Boys' and Girls' Winter Track Team had a terrific season. As a team they were declared the NJSIAA State Group IV Champs, runnerups in the UCIAC Relays, and the second place winners in the East Brunswick Relays. The team which is made up of 46 members had only 12 seniors so they can expect a nice healthy season next year.

BOWLING

Top left: S. Luckenbaugh, K. Schultz, Coach Tirone, Bottom row: E. Pringle, M. Csfaro, C. Pass

The bowling team consists of five bowlers who bowl for high series and games against other teams. The team progressed greatly throughout the season, but was plagued by close matches. The team's final record was 5-9, seven of the matches they lost were by a mere game. The team finished ninth in the Watchung Conference and showed their strength in the County Tournament by finishing fourth. In the states the team did not fare very well and they placed tenth.

CHEERLEADING

The 1986-87 winter cheerleading squad consisted of Karen Capuano, Lyree Burke, Kristen Pray, Krista Dietterich, Kimbernyse Lindsay, and Janet Rousseau.

Head Coach Bob Brewster and assistant coaches Peter Lima and Robert Bruno led their 1986 baseball team to a 18-11 record. They won the UTC Tourney 9-6 over Linden and received a second seeding in the Union County. Mike Connell, Daily Journal Athlete of the week, and ace pitcher Chuck Mueller aided the young team to WHS's best season ever.

The 1986 Boys' Tennis team coached by Tony Berardo had an outstanding season. The team had a 23-2 record and had numerous title victories. The team was the Union County Champions, Watchung Conference Champions, N.J. State Section 2 Group 4 Champions, N.J. State Group 4 Champions, N.J. Public School Champions, and N.J. All State Champions. With the combination of all these titles the team was declared the number one team in New Jersey. The season was marked with excellent play by many members and an undefeated season by second singles, Joe Deer.

FOOD, GLORIOUS

Bag it, buy it, leave it ... or forget it.

Bag It: Many students prefer the "Bag Lunch" - waking up at the crack of dawn to throw together that P.B. & J. sandwich, a bag of chips, and an apple (sometimes they can get Mom to make it).

Buy It: The infamous ''Rainbow Lunch'' needs no introduction. For the brave at heart and strong of stomach, the traditional cafeteria meal offers a highly nutritious, economical, and flavorful alternative to the "Bag It" method. (Great for those on a salt-free, sugar-free and taste free diet.)

Leave It: It is rumored that a few courageous students, hungry for a challenge (and for good food) have ventured to realms unknown, those beyond campus borders in search of culinary excellence: Burger King, Buona Pizza, Roy Rogers, Kentucky Fried Chicken, Duke's, Hershey's, Root's, Ping's, and of course Mickey D's . . .

TRANSPORTATION

Mobility takes many forms here at WHS. There is the traditional "hoofing it," better known as (ugh!) walking. For a few industrious students, the preferred method is "sidewalk surfing," or skateboarding. The bicycle racks are jam-packed on most days, as are the mopeds and motorcycle parking areas.

The passage of the recent bond issue called for construction of a 7-runway airport with a fully equipped control tower and multi-level terminal. Thus, future WHS students will be able to fly to school. Ultralight aircraft and helicopter ports are also in the plans. Until then, the automobile will have to suffice; whether it is an old clunker or a 1987 Porsche 959.

The 1986-87 school year saw many great advances in the creative genre that is fashion. Footwear such as Docksiders and Reeboks were around but L.L. Bean's Maine Hunting Boots, otherwise known as "Duck Shoes," made a big comeback after a few slow years. The style in pants was definitely pleated and tapered. Also, cut-off sweats with WHS boxers hanging out were the rage for gym class. For girls (most of the time anyway) tapered skirts, miniskirts, ribbed skirts, and the ever-popular denim skirts could usually be seen shuffling down the hallways. College sweatshirts ranging from Azusa Pacific U. to Yakima Community College (there are no colleges beginning with "Z") worn over turtlenecks or knit shirts came out in droves this year. In the area of outerwear, long, dark over-coats were a must have. Even better were jean-jackets, especially those with wild artwork on the back. Some accessories for the well dressed student were bows, for girls, and scarves for both sexes. In the final analysis, fashion at WHS has improved.

YEAR IN

SCREW-UPS:

Bd. of Ed.: At the last minute, the Bd. decided that the assimilation of ninth graders into the high school must wait another year due to a lack of lockers, chairs, and Hostess Twinkees.

Soc. Studies Dept.; Mrs. Leuchten's classes became Miss Stark's, Dr. Hornish took over for Mr. Gradman, Miss Stark went on Maternity leave, and . . . Who's my History teacher now!

Fieldhouse: We were homeless, all our games were played away. The question remains - is graduation going to be away too? In Hoboken perhaps? Or maybe in Peapack?

Attendance: A death in the family (B-3 under the new policy) was CHARGEABLE, yet going on a field trip to "math day" or the Great Swamp was not. And another thing: some abscences were "EXCUSED and CHARGEABLE", some "UNEXCUSED and CHARGE-ABLE", but what happened to the "LOOK, I didn't FEEL like COMING TO SCHOOL today" category?

Hall Monitors: Apparently, the administration felt that students are not responsible enough to go to the bathroom, go to their locker, go to the library, or to speak to one another without the expressed written consent of their parents and grandparents, all of their teachers, Dr. Petix, the (invisible) lunch teacher, Buddha, the Prince of Wales, Ronald Reagan, and Helen Keller.

REVIEW ...

MUSIC:

1986 was a great year for music. Top names of the year were: Genesis, Peter Gabriel, Steve Winwood, Billy

Joel, Bon-Jovi, the Talking Heads, the Police, Whitney Houston, Anita Baker, Janet Jackson, the Smithereens, REM, Eric Clapton, and many others. Music has

become so much a part of student life that a jukebox was established for students to listen to during their lunch periods. Benefit concerts following in the footsteps of Live Aid have also been popular. The Crackdown Concert in New York City, the Amnesty International Concerts, and the Sun City Anti-Apartheid album made music news during the past year.

SPORTS:

It was, well, to say the least, a great year in sports. Our favorite underdogs, the New York Mets, were awesome. They went all the way this year and became the 1986 World Champions. Likewise, the New Jersey (or New York, depending on where you live) Giants won the Superbowl. In addition, Dennis Conner with his crew on the *Stars and Stripes* brought the America's Cup back to the U.S.

Closer to home, the 1986 Lacrosse and boys' soccer teams both won state championships in their respective divisions. The football team also had its best season in several years. The boys' indoor track team captured the State Championships while both the girls' and boys' swim teams won the Union County Championships and the girls' team went on to become state champs.

CONCLUSION

It is not always by plugging away at a difficulty and sticking at it that one overcomes it; but, rather, often by working on the one next to it. Certain people and certain things require to be approached on an angle.

— Gide

We are all in the gutter, but some of us are looking at the stars.

— Wilde

I've always made a total effort, even when the odds seemed entirely against me. I never quit trying; I never felt that I didn't have a chance to win.

COLOPHON

Volume 66 of the Westfield High School *Weather Vane* produced and edited by the 1986-87 *Weather Vane* editors and staff, was published by Herff Jones Yearbooks, in Gettysburg, Pennsylvania.

The 1987 *Weather Vane* was printed entirely on 80 pound bordeaux paper stock. The vista custom design cover is antique plum and blind embossed with silkscreen lettering. The cover dye was school designed. The endsheets are ivory EX10 paper with black ink. The printing was done in a grade black using the offset lithography process. The binding is Smyth sewn.
