Young Man Dies in Muhlenberg After Accident

John Ryan, Jr., Thrown From Wagon When Horse Takes Fright at Auto

VETERAN OF WORLD WAR

John Ryan, age twenty-five years, of Mr. and Mrs. John Ryan, Sr., West Broad street, passed away in Muhlenberg Hospital this morning where he was taken yesterday morning from a fractured skull which he received when a horse he was driving became frightened at an automobile, ran away and threw the wagon into the street. The falling Ryan struck his head on hard pavement and sustained a laceration of the brain. He was taken to the office of Dr. H. F. Kinch, where he was operated on by the doctor and also by Dr. Kinch, after which he was sent to Muhlenberg Hospital in Plainfield. There were on sides to the wagon which Ryan was riding, and when the horse made a wild dash down the street, the driver, unable to get control of the animal, had to let go of the reins and was then thrown off the wagon. The horse was caught near the Brothers' lumber yard by Al Quipp, who is employed by that concern.

John Ryan was born in Westfield, N. J., as a member of Company B, 10th Base Hospital, and served in the war for seventeen months. He was a member of Holy Trinity Catholic Church. Besides his father and mother, Mr. and Mrs. John Ryan, he is survived by one sister, Mrs. Mary Hann, and one brother, Zachary Ryan, both of this town. The funeral arrangements have not as yet been completed.

Paid \$25 For Selling Ice Cream

Jacob Platt, of 311 South Fifth street, Elizabeth, was arrested by Sergeant Howarth Saturday for selling ice cream under the name of the Ice Cream Company, without a permit or town license.

Platt had a veteran's license issued by the county clerk to Raymond C. Orden, of 469 Third avenue, Elizabeth, on March 10, 1921. He had his discharge papers from the U. S. Army which showed that he was a private in the medical department and was discharged from Fort Ord, N. Y., on August 5, 1917.

Platt was unable to show registration card or driver's license for the car from which he sold the ice cream and he could not show a bill of sale for the car, claiming that it was not as yet paid for. Lieutenant Ward Nelson allowed Platt to return to Elizabeth on his promise to appear before Recorder Beard at court on Monday evening. Platt kept his promise and was fined \$25 by Recorder Beard.

Elizabeth Berry Picker Lost in Mountainside

While he was picking berries in Mountainside, Saturday afternoon, Edward Hardine, of Elizabeth, got lost in the woods and did not find his way for several hours. He was found by Elizabeth late Saturday night as the police had instigated a city-wide search.

Hardine went to Mountainside by automobile with one of his brothers, using the machine in the road and entered adjoining fields and crossed into private property. The owner appeared and started Edward Hardine plunged into the brush and his brother got to the automobile and started away. The latter returned to the spot a few minutes later, and finding no trace of the missing man, went to Elizabeth and reported to the police.

The feeling berry picker eluded the pursuer and then walked until he reached Springfield and took the train to his home.

THURSDAY, SEPT. 29th

Clark-Hyslop Post No. 645, W. M., met in Masonic Hall Thursday evening, and decided that the meeting of the Post will be held Saturday evening, September 29th, instead of twice a month, as many members are away on vacation. Fourteen applicants will be considered at the next meeting. The Post hopes to have their full quota of members by October 1st.

Ordinance As Revised Passes First Reading

Citizens Want Zoning Ordinance Limited to Business Districts, Say Bell Brothers

PUBLIC HEARING AUGUST 22

At the Council meeting Monday night A. C. and T. R. Bell informed the Council they had received 1,700 postal cards signed by citizens who protested against the proposed zoning ordinance and 37 cards for it, and asked if the Council wished to look them over.

Mayor Littlefield said that the Council did not have time to do this and that Mr. Bell had better wait until the ordinance was read by the Council and a hearing set on the measure. Mr. Bell said that the majority of citizens wanted a zoning ordinance for business district and this he was also in favor of. Mayor Littlefield asked Mr. Bell to wait until the public hearing was given on the measure as there was no ordinance before Council to date. T. R. Bell said that he wanted it understood that whatever his brother and himself had done on the zoning matter, they had done for the best interests of Westfield, and that the results had been very gratifying as shown by the postal card returns.

Mayor Littlefield said he could not understand how the results had been gratifying as the zoning ordinance had not as yet been read or passed upon by the Council and a public hearing on the measure not held. Later in the evening Town Clerk Clark read the proposed zoning ordinance, which the Council passed on first reading, and the evening of August 22 was set as the date for public hearing.

The proposed zoning ordinance, which was read by Town Clerk Clark, is printed in full in this issue of the "Leader." The zoning committee of which George W. Frutchey is chairman, worked for several months on the ordinance with experts, engaged by the Town Council, to draft the same. Several changes have been made in it by the committee, since the publication of the proposed measure several weeks ago.

The Doors Are Closed, The Shades Pulled Down

Nearly every merchant has left the town and gone on the annual outing of the Business Men's Association which left Broad and Elm streets this morning for Highlands of Navesink. About thirty cars with over one hundred merchants and their employees left town about 9 o'clock this morning for a grand and glorious day visiting the twin light houses, after which dinner will be served. This afternoon a tour of the military fortification on Sandy Hook will be made.

HIT BY FALLING LIMB

Joe, Conserter, the five-year-old son of Carmine Conserter, of Downer street, was struck on the head by a falling limb Friday morning. At first it was thought his skull was fractured and he was taken to Muhlenberg Hospital, but it was later found he had been badly stunned.

Lost for Thirty Hours in Adirondacks, Westfield Girl Has Thrilling Experience

Miss Nettie Carnes, daughter of Mr. and Mrs. A. D. Carnes, of 315 West South avenue, had an exciting experience with a party of friends in the wilds of the Adirondacks on Saturday night and Sunday when they lost the trail while climbing Black Bear Mountain. The party consisting of the Misses A. T. and Gertrude Kennedy, school teachers, in New York; Miss Edna Van Wageningen, of Rockville Center, L. I.; E. W. Manning, of Mount Vernon, N. Y., and Max F. Bler, of Brooklyn, left the Eagle Bay Hotel at 2 p. m. on Saturday afternoon to climb the mountain. They were found at 4 o'clock on Sunday afternoon, by a dog belonging to one of the guests of the hotel who was one of several searching parties who went to look for them.

The party kept fires going all Saturday night and the young men spread their rain coats on the rocks to make things as comfortable as possible for the girls. The only food they had during the thirty hours

Band Concert at Mindowaskin Friday Night

Sunday's Concert Abbreviated Owing to Heavy Showers—Attendance Small

NEXT PROGRAM ATTRACTIVE

The regular concert by the Westfield Band will be held Friday evening in Mindowaskin Park, and we trust the weather will be more favorable than it was last Sunday afternoon.

Many citizens had gathered to listen to the excellent program which had been prepared by Director Bartow, but the shower came up and some of the numbers had to be cancelled. But the numbers which were played were very fine as was shown by the applause which was given. The attendance Sunday was not as large as was expected by Director Bartow, as there were not as many out of town people, due possibly to the fact that they did not know about it. We hope when the next Sunday concert is held the attendance will be larger. Tell your out of town friends about it and invite them to come and enjoy the program with us.

The program for Friday evening is as follows:

- PART I.**
- "Star Spangled Banner"
 - March, "Liberty Lads," Holzman
 - Overture, "Morning, Noon and Night," von Suppe
 - Waltz, "Rondez Vous," Wiegand
 - (a) "Scarf Dance," Chamnade
 - (b) "Japanese Sand Man," Felst

- PART II.**
- Excerpts from "Erminie," Jakobowski
 - Paraphrase, "Rocked in the Cradle of the Deep," Lovenberg
 - Popular Hits... Shlpero, Bernstein
 - March, "The Rookies," Mann "America."

Dog Survived Poison; is Shot by Policeman

Until Tuesday Councilman and Mrs. W. H. Sawtelle, of Marlon avenue, were the proud owners of a pet Scotch Sheep Dog, which was 10 years old and the playmate of their little daughter. They got the dog when he was a pup and Monday an automobile running in South avenue, near their home struck the dog and injured him internally.

Councilman Sawtelle administered 2 drams of prussic acid to his pet in order to put the dog out of misery. He then telephoned the police that the dog was dead and requested that the carcass be removed. Officer Brady went to get the dog and when he arrived, found the animal had regained consciousness. Officer Brady dispatched the dog with two shots from his trusty revolver. Councilman Sawtelle is at a loss to know how the dog survived the large dose of poison.

DENTIST NOT TO MOVE

Dr. Robt. H. Thompson wishes to state that he has not made any plans to move his office from 526 W. Broad Street, as has been rumored. He will continue to have his office at the above address.

Citizens Will Build Sewer at Own Expense

Permission Granted Clark-Hyslop Post to Hold Block Dance August 25th

PUT WIRES UNDERGROUND

The report of the Street Committee, of which Councilman Page is chairman, was the most important item of business to come before the Town Council at its regular meeting Monday night. Councilman Page reported that the property owners in Benson place, who petitioned for a sewer, were going to build the sewer at their own expense. Mr. Page also reported that a sewer was to be laid in Eaglecroft road, and that the committee was endeavoring to get gas and water pipes in the street. The report also told of how Engineer Mosher was instructed to furnish the State Highway Commission with a map of North avenue, over which the State has control, the road being a part of Route No. 9. The committee recommended a change of grade for sidewalks in Central avenue between Broad street and Lenox avenue and an ordinance for this improvement was introduced and passed on first reading and a hearing set for the evening of August 22nd.

Upon recommendation of the committee, the telephone company was granted permission under their franchise to go ahead and place underground conduits for their wires in Prospect street, East Broad street, Lenox and Harrison avenues.

A temporary improvement note for \$9,016.57 was ordered issued. The request of Thomas Logust, to have a licensed pool parlor in East South avenue, was refused. Permission was granted Holy Trinity Roman Catholic Church to move the rectory to another part of the church property and to build an addition, which is to be stuccoed. Permission was granted Clark-Hyslop Post, Veterans of Foreign Wars, to hold a block dance at The Plaza on Thursday evening, August 25, providing the Park Commissioners give their consent. The reports of town officers for July were as follows:

Treasurer Gilmore, expenses \$85.75; balance \$13,024.17; Collector Clark, taxes collected \$10,770.53, costs \$338.81; Building Inspector Moffett, 29 permits issued for buildings, aggregating \$168,450, fees \$194.06; Engineer Mosher, \$29.93; Recorder Beard, fines collected \$196. of which \$143 goes to the State; Town Clerk Clark, \$119 for license fees; Overseer of Poor Cox, expenses \$346.76, balance \$311.07; Secretary Hardon, of the Board of Health, for permits, \$51; Chief of Police Rosecrans, arrests 25, summoned 43, accidents 6, cases of breaking and entering 3, houses reported empty for the summer 69, lodgers 6, permits issued 21. The meeting was presided over by Mayor Littlefield.

Four Weeks From Today Public Schools Will Open

The public schools of Westfield will open four weeks from today, September 7th, with a complete corps of competent teachers.

The children and teachers have all had a pleasant summer and will return to their duties with renewed vigor. Pupils entering the Westfield schools must on entering school present their promotion cards from the school which they last attended. Pupils who attended the local schools last year must present their promotion cards with their present address filled in and signed by the parent.

THEATRE NOTES

While the temperature has gone slightly down in the last week, the theatrical thermometer shows a distinct rise and no less than five new plays will arrive during the week. Every night but Friday is scheduled for a new arrival. A very happy disposition of things for those who hate to miss a first night and who hate to rush from one opening to another on the same night.

Bijou—"March Hares"
 At the Bijou, tomorrow night, the Shuberts will present their first play of the new season. It will be "March Hares," a new comedy by Harry Wagstaff Gribble, who wrote "The Outrageous Mrs. Palmer." The story deals with the complications that arise when four extremely temperamental persons endeavor to run counter to what are called conventions. In the cast are Lucille Watson, Adrienne Morrison, Alexander Onslow, Norma Mitchell, Gertrude Purcell, Brandon Peters, Frank Dukum and Charles Warburton.

Casino—"Tangerine."
 Tuesday's opening was a glorious return of Julia Sanderson in the season's first musical comedy, "Tangerine." The story tells the tale of several husbands who refuse to pay their alimony and are pining away in the Ludlow Street Jail. They make their escape to the tropical Isle of Tongerine "where women do all the work and men sit about in steamer chairs" and, presumably, sing about it. The book is by Guy Bolton, Philip Bartholomae and Lawrence Langner; the lyrics and music are by Carlo Sanders and Howard Johnson. Besides Miss Sanderson, the cast includes Jack Hazard, Frank Crumit, Martha Lorber, Gladys Wilson, Billy Rhodes, Harry Pack, Joseph Herbert, Becky Caudle, Jeanette Methven, F. A. Leonard and Wynne Nunn.

Edging—"Idlers of 1921"
 Monday's opening is not strictly a first-night as it appeared several weeks ago at midnight in the Shubert Theatre and was greeted so heartily that it encouraged the players to carry on for a real engagement of two weeks or so. "Idlers of 1921" is an aggregate of players who are disengaged at the present time—hence the title. It is practically a young lamb's gambol, out of season, as most of the players are Lambs. The revue, which is in two acts, was written by Will Morrisey, staged by Leon Errol and W. H. Burnside. And the list of players includes Ed Wynne, Heriberto Corthell, Earle Fox, Ethingham Pinto, Tom Lewis, Reginald Barlow and many other well-known Lambs.

Frazee—"Duley."
 On Saturday, the much-heralded "Duley" will "come out of the west" (like young Lochinvar) and settle down for a season's run (if advance praise means anything) at the Frazee Theatre. George S. Kaufman and Marc Connelly are the authors of this play which deals with a prattling, eager young wife who talks so much and so freely that she almost ruins her husband's business. But in the end, everything turns out well (as things seem to do for the clinging little Duleys of this world) and "they live happily ever after." Lytne Fontaine will play "Duley" and in the cast with her appear Gregory Kelly, John Destley, Constance Pellissier, Norma Lee, Wallis Clark, Gilbert Douglas, George Allison, Howard Lindsay, Harry Lifford and Elliot Nugent.

Selwyn—"The Broadway Whirl."
 "The Broadway Whirl" has shifted from the Times Square Theatre to the Selwyn, and "Snapshots of 1921" have moved on to the Apollo, where they will continue indefinitely.

Times Square Theatre—"Honors Are Even."
 The Selwyns will present Rol Cooper Megrue's latest comedy "Honors Are Even" with William Courtney and Lola Fisher as its co-stars, at the Times Square Theatre, tonight.
 In "Honors Are Even" Mr. Megrue is said to have written another smart comedy embodying all the scintillating qualities of its immediate predecessor, "Tea For Three." As usual human nature affords him the arena for a battle of wits, but this time he utilizes it as a background for the unfolding of a delightfully refreshing love-story. A spoiled daughter of society is its heroine. Weary of the amusement of declining matrimonial proposals, this

fair lady finds herself craving one in a quarter from whence it is not forthcoming. The hero is a bachelor-playwright whose broad life experience has taught him that things too easily obtained are of little value. He therefore withholds his confession of love until he has involved its object and himself in situations from which it takes the combination of masculine logic and feminine ingenuity to extricate them.
 Surrounding Mr. Courtney and Miss Fisher is a notable company of players, the cast for "Honors Are Even" including Horace Sinclair, Boots Wooster, Paul Kelly, Henry Mowbray, Eleanor Woodruff, Clifford Dempsey, Horace Pollock, Ambrose Martin, Ralph Simone, Mabel Stanton, and Laurence Redmond. The comedy is staged under the personal direction of the author who insists that the curtain will be raised promptly at 8:30 tonight, and that no one will be seated there-after until the end of the first incident in the first act.

Palace—"Vaudeville."
 George Jessel's revue, "Troubles of 1921," shares headline honors at the Palace this week with the two famous screen stars, Marjua Mansfield and Crane Wilbur, who appear in "Right or Wrong," by Samuel Shipman. Else and Paulson, noted ice skaters; Miller and Mack, comedy dancers; Harry Holman & Co., Bob Hall, Ely, young lady juggler, and Bill Robinson, complete the bill.

Strand Theatre, Plainfield
 A double feature program will be shown at the Strand today and tomorrow. Alice Lake in "Over the Wire," a society drama of love and adventure, and Edith Hallor in "Just Outside the Door." Friday and Saturday, Gloria Swanson in "The Great Moment," by Elinor Glyn, author of "Three Weeks." A comedy entitled "Alfalfa Love," featuring Brownie, the World's greatest dog actor. A Strand Topical Review and a Bruce Seaside, "The Isle of Desire," will complete the program. Monday and Tuesday, a special selected double feature program, William A. Bracy's latest photo-dramatic production, "Life," with an all star cast, and Gladys Walton in "The Man Tamer," a story of circus life.

New York Strand Theatre
 In "A Midnight Bell," the photoplay version of Charles Hoy's famous stage play of the same name, which is at the Strand Theatre this week, Charles Ray gives an amusing portrayal of a rubber heel salesman full of enthusiasm and resiliency. "A Midnight Bell" is the latest of the young star's own screen products, produced and directed by himself.

Other film features are a new Shub Polara comedy called "The Whopper," a second of Jack Eaton's "Sport Pictorials" and the Strand Topical Review of interesting news features.

The famous "Pagliacci" Overture, (Leoncavallo) played by the Strand Symphony Orchestra opens the week musical program. The prize soloist on the concert program is Catarina Guerrieri, a coloratura soprano. Miss Guerrieri will make her debut at the Strand with the singing of "Una Voce Poeta Pa."

SUGAR COATED PILLS OF WISDOM
 Compounded on the Typewriter From "Aesop's Film Fables," by Aesop, Jr.

THE COUNTRY MOUSE AND THE CITY MOUSE
 Be it ever so crumbled there's no bread like your own.
 Home is happiness' headquarters according to "The Country Mouse and the City Mouse" film fable.

Mice and men—and women—appreciate the real thing after they have seen, or tasted, the imitation.

Heed not the "kidding" of strangers lest there be hidden motive in their headquarters.

Cooks are known by the food they serve.

"Home Sweet Home" is the moral song in Father Aesop's tale of "The Country Mouse and the City Mouse."

An ounce of cats is worth a pound of menus.

The richer the food, the greater the indigestion.

It's a long meal that has on dessert an empty stomach.

—Aesop's Film Fables.

BUG VERSE IN AESOP
 The interest aroused in humanizing insects and animals by the screening of "Aesop's Film Fables" has inspired a press paragrapher to pen the lines that follow:

THE BUGAMUST
 A June bug married an angleworm;
 An accident cut her in two.
 They charged the bug with bigamy.
 Now what could the poor thing do?
 The author of the above verse must have seen "The Lonesome and the Bums" wherein the bugs raised so many bug-gets they didn't know what to do.

MEREELY MOTOR CAR MIRTH
 Motocare experiences, whether they take place in the home garage or along the road, are usually worth hearing. Every car owner gives evidence of a barber's conversational ability, when it comes to talking about the "bus." All

does not run smoothly for the motorist but he has plenty of good fun now and then. Jokes about the automobile have wide appeal among both riders and drivers. On the screen in "Topics of the Day" Films such smiles are very popular with American audiences. Here motocare mirth:

Side Stepper
 Salesman (at automobile show)—"Are you interested in a new motor car?"
 Pedestrian Visitor—"Now, I'm just seeing how it feels to dodge 'em without gettin' hit."—Vaudeville News.

Bathing Model
 Speedo—"What kind of a car have you?"
 Peppo—"A Venus Four."
 Speedo—"Oh, I see; a stripped chassis."—The Dirge.

Like a Mule
 Pedestrian (conversing with friend in automobile)—"Is it a self-starter?"
 New Driver—"No, I have to crank the old boat. I'll say she's a self-stepper, though!"—Detroit News.

Not Her Brand
 Helen—"Why did you pass him up, May? I thought you liked him."
 May—"I liked him well enough, but I couldn't go through life with him. I didn't like the make of his car."—National Hotel Reporter.

The Mice agreed it would be well Upon the Cat to hang a bell So that when 'lubby came around The bell would give a warning sound.
 An old mouse thereupon arose And said, "The stunt that you propose is great—there's no denying that, But—why te konna bell the cat?"
 Moral—Big talk is a total loss. Lenses with deeds you come across.

REPORTS ON MILK AND WATER TO HEALTH BOARD

The Board of Health met in the Town Hall Friday night and Health Officer Carney submitted a milk analysis, relative to the quality of the Raritan Valley Farms milk, in which he showed that the milk was considerably above the average. This company also wrote the Commission that they desired reports of the analysis of their milk in the future in order that the company may keep informed of the result. The board ordered Officer Carney to furnish.

Mr. Carney also made the following report for the month of July: contagious diseases, eleven deaths, eleven marriages and four births. A report was also made of the water supply. The test showed a very good quality of water was being furnished for domestic uses.

Nineteen plumbing plans were inspected and accepted and twenty-two were passed. Secretary Harden reported he had received \$61 for permits issued. After bills amounting to \$245.01 had been ordered paid meeting adjourned.

POLITICAL PARTIES AROUSING FOR FALL CAMPAIGN

On Wednesday, 23rd, there will be a smoker for the men, while the ladies will enjoy a theatre party at one of the downtown houses. Thursday, has a mammoth field day program on the wonderful athletic field at the Michigan State Fair grounds. Ring cups will be awarded as prizes. Events under A. A. U. rules. The evening of 22nd will be spent at the ringside when thirty-six rounds of boxing, with every consideration an ex-service man, will be staged.

Friday is parade day. When the merry marchers return to the encampment grounds they will find prepared for their delectation, great piles of whole steers, roasted over live coals, barbecued in the manner known by the expert caterers of the State.

ARTHUR CHILDS

Arthur Childs, colored, died at his home, 524 West Broad street, on Saturday afternoon, after an illness of eight months duration. He was born in Greenville, S. C., and had been a resident of Westfield for 12 years. He was in his thirty-seventh year. For the past 11 years, he was employed in the street department of the town. He was a member of the Royal Arcanum, Council No. 37, of Elizabeth; Knights of Pythias Lodge No. 607, of Westfield, and St. Luke's Society No. 706, of Westfield, and a trustee of the A. M. E. Zion Church in Downer street. He is survived by his widow and one sister, Mrs. Lulu Brown, who resides in Newark. Funeral services were held in St. Luke's A. M. E. Zion Church yesterday afternoon, Rev. Mr. Lewis, the pastor, officiating. Interment took place in Fairview Cemetery.

ROBERT G. WILSON

Robert Green Wilson, 59 years old, a brother of Mrs. Henry R. Forster, of 318 Academy place, died at the residence of his sister on Saturday. He was born in Brooklyn, February 12, 1862, and had been a resident of Westfield for 23 years. He had been in failing health for the past two years. He was unmarried. Besides his sister, he is survived by one brother, Charles M. Wilson, of Brooklyn. Funeral services were held from Mrs. Forster's home Monday afternoon at 3:30 o'clock, Rev. Jas. A. Smith, rector of St. Paul's Episcopal Church, officiating. Interment took place in Fairview Cemetery.

FUNERAL OF JAMES BATES

The funeral of James F. Bates, who died on Wednesday, was held Saturday at 9 o'clock from Holy Trinity Catholic Church. There was a solemn high mass of requiem at which Rev. H. J. Watterson was the celebrant; Rev. E. F. Murphy, of Roselle, deacon, and Rev. M. A. Magner, sub-deacon. There was a large attendance of friends and relatives and the floral tributes were many and beautiful. The interment was made in St. Mary's Cemetery, Plainfield. The bearers were John J. Foley, Frank Tully and George H. Riley representing the Knights of Columbus; Lawrence Powers, St. Michael Tully and James Rochford representing the Holy Name Society.

MAD DOG BITES BOY

A bull dog, belonging to Russell Kates, of Plainfield, escaped from its home Friday and came to the home of A. R. Rule, on Woodland avenue. The animal on its rampage bit Robert Johnston, the four-year-old son of Mr. and Mrs. W. Johnston, of Columbus avenue, and William Young, of Woodlawn avenue. Neighbors telephoned to the police and Lieutenant Edward Nelson at once responded and the animal was caught and taken to the police station, where it was shot. The head was sent to Trenton for analysis. The Johnston boy was bitten in the face and Young had one of his legs bitten; both of the boys are taking the Pasteur treatment.

TALK OF COVERING BROOK

RUNNING THROUGH TOWN
At the meeting of the committees of the Town Council held Friday night to talk over the business which was to come before that body on Monday night, the property owners who own property on Broad street, in the business section, had a conference with the Council in regard to covering the brook which runs through the business section and back of the stores. It was the general opinion of the members of the Council and property owners that the brook should be covered and a storm sewer made of it. While nothing definite was done in the matter, the Council will take the matter up with the property owners at a later date and something of a definite nature will be decided upon.

AUTO HIT TWICE BY TRUCKS,

THREE INJURED IN COLLISION
An automobile driven by Harry Blwise, of Mountain avenue, Mountaineide, was struck twice within five minutes Wednesday afternoon by two motor trucks at Springfield avenue and Sayre street, Newark. In the second collision, Daniel Blwise, 3 years old, was injured on the head, and Mrs. Gussie Simm, who was in the car, was bruised on the back. Nine-year-old Marie Pettuty, of 13 Sayre street, who was standing nearby, sustained injuries to one of her legs. She was taken home by a neighbor, but the others refused aid. The Blwise car was first struck by a truck owned by Schiffenhaus Brothers, of Newark. Five minutes later, while the car was standing at the same corner awaiting repairs, a motor truck of the American Railway Express Company, driven by John Prabet, also of Newark, skidded on the wet pavement, struck the smaller car and injured the occupants.

THE HAY FEVER

SEASON IS HERE
The hay fever season is here. Intermitting sneezes and a continuous overflowing of the tear ducts indicate it. The ailment makes its annual appearance in August, being caused by pollen blown from weeds and scattered in the air. Rld your yards and vacant lots of weeds and thereby eliminate this dread disease.

BUICK

Presenting The New Buick Four

The new Buick Four is a distinctively Buick creation in every feature of design and construction. It embodies those principles of construction that have characterized Buick automobiles for more than twenty years.

The engine is of the famed Buick Valve-in-Head type. The bore is 3 1/4" — the stroke, 4 1/2". Wheel base, 109", turning radius, 36'.

A Marvel carburetor with the new automatic heat control insures proper vaporization of the common low grade of commercial gasoline.

Multiple disc clutch, the transmission and universal joint are of standard Buick construction—the universal joint

being lubricated from the transmission.

The rear axle is the three-quarter floating type, with semi-elliptical type springs front and rear. The frame is a deep channel section, strongly re-inforced with four cross members.

High pressure Alemite system provides lubrication. Delcoequipment with Exide battery insures efficient starting, lighting and ignition.

All models have non-glare headlight lenses—all are complete with tire carrier and extra rim. Closed models are equipped with adjustable windshield visors, windshield cleaner, dome light, ventilating windshield, adjustable windows, and sun shade in rear window.

To the Newcomer—We Welcome you to Westfield and ask that you will call on us for information on all matters pertaining to the town. Our telephones are 407-408.

The public enjoys swimming, private capital has found it profitable. Provide a Swimming Pool. able to conduct swimming pools, every beach and available water front is thronged with men, women and children who enjoy swimming and bathing in places where they can learn to swim. Westfield has not been provided by nature with a river or a lake suitable for swimming.

"AMERICA—First, Last and All the Time—A M E R I C A."

Westfield youngsters walk miles to enjoy the pleasure of swimming in the small lakes near the town. Others take advantage of the swimming pools provided through the wisdom and foresight of Plainfield's Board of Education. Westfield has provided playgrounds that are famous throughout the State by reason of their efficient management, but no serious effort ever has been made to supply one of the most valuable aids to athletic development. Swimming is recognized as the most healthful exercise and every child should be taught to swim.

There is space in the rear of the High School that is sufficient and available for conversion into a swimming pool. The cost would not be prohibitive and the investment will pay ample return in health and contentment.

The renewal of the Sunday Band Concerts revives another one of the most attractive features of Westfield life. These concerts have been popular from the day of their inauguration and the first program of this season shows the merit of the organization, although the shower made it impossible to complete the program. The public has learned where they can hear good music and Westfield's band has become a State attraction. The announcement that the organization will give a concert is sufficient to attract thousands of music lovers and the Sunday concerts have brought many desirable visitors to Westfield.

The members of the band are entitled to the gratitude and the

generous support of the community for their part in the concerts is voluntarily given. The band has been fortunate in retaining the leadership of Director Bartow and he is to be congratulated for the wholesome spirit of co-operation that his associates have given.

Recently the editor of THE LEADER was asked why Answering this paper carried so a Question. much advertising for Newark and Plainfield merchants. The questioner was a Westfield merchant who had been invited to increase the size of his advertising space.

The answer was simple for the reason Newark and Plainfield merchants buy advertising space wherever they find it pays to buy it. They have found that Westfield people read THE LEADER and rely on it as a good guide for buyers. Newark and Plainfield merchants frequently sell goods to Westfield people that can be bought at the same price in Westfield, but the customers are not aware of that fact because the Westfield merchant has not advertised the goods or his prices.

The majority of people have learned that an enterprising wide awake merchant believes in advertising and studies the art of advertising just as carefully as he learns the best method of buying goods. A well bought stock may be half sold but it is likely to remain just half sold if it is not fully advertised.

It is possible for a merchant to exist without advertising, but mere existence is not gain and the purpose of any business is to profit and progress. Every successful merchant in the history of American commerce has been a liberal as well as judicious advertiser.

In every community merchants can be found who have been in business for years, but they have made no notable success. They have lived and they have not failed in business, but they never have gotten beyond certain limitations and eventually dry rot sets in and their business gradually vanishes.

The majority of the great merchants of this country started in small towns where they learned the value of letting the public know through the local newspapers that they had something for sale. All of the successful business men have not gone to the great cities, but they have found they could be prosperous and do a large business in a small town if they advertised wisely and attracted trade.

A local newspaper like THE LEADER is always read with more care than the great metropolitan daily and its limited size provides better opportunity for displaying advertising. City merchants must advertise in twenty or thirty papers to reach their customers. The local merchant who advertises in THE LEADER reaches every household in Westfield and its neighboring boroughs.

The mere mention of a merchant's name and his business address means nothing to a person who wants to buy something. The customer rarely cares what your name may be. If you have the goods to sell at the right price and proclaim that fact in an intelligent advertisement the buying public will seek the store and patronize you.

The merchants of Newark, Elizabeth and Plainfield advertise in Westfield papers because they know Westfield people read the home papers regardless of how many city papers they may buy and they trade with merchants that advertise.

Congress must not adjourn without taking some action that will readjust the present system of Federal taxation. Congress cannot in good faith to the business of the country dissolve until it has made a definite effort

to lessen the burden or distribute it more equitably in some way.

The Republican party was swept into power by an overwhelming majority because the people believed it would live up to its pledges. It cannot fail to redeem every one of them as far as can reasonably be done.

The talk of an adjournment of all tax legislation until next year does not inspire public confidence. If taxation can be readjusted next year it can be done this year and every delay now will be prejudicial to party success in 1922.

Business has been waiting, industry is halting and financial affairs need clearing immediately. Congress cannot stop now for the public wants action that will be clear and definite.

Get All the Heat out of your Coal

Save Coal Sensibly
Alive, clean, clinker-free fire—the sure result of the exclusive Boynton Square Pot construction—takes all the heat there is in the coal and sends it into your rooms. That's economy and good judgment.

You can cut down the amount of coal you burn in your present equipment by using less heat, but you won't find much pleasure in the saving.

It's better—much better—to have all the comfort of warmth by installing a Boynton Square Pot Furnace or Boiler. Though very easy on the coal pile (saving 15% to 25%) it protects you from the misery of indoor shivering.

A. L. CONVENTION

SEPTEMBER 15, 16, 17

John G. Emery, National Commander of the American Legion; United States Senator Porter James McCumber, of North Dakota, and Congressman Joseph W. Fordney, of Michigan, have accepted invitations to attend the third annual convention of the American Legion of the Department of New Jersey and its Ladies' Auxillary, to be held in Ashbury Park on September 15, 16 and 17th.

National Commander Emery will address the Legionnaires on Thursday, September 15, the opening day of the convention. It will be his initial appearance in New Jersey since succeeding F. W. Galbraith, Jr., whose untimely death, caused by accident, made possible the promotion to his present office. It is expected he will deal with the question of the bonus situation, now before Congress for settlement.

Senator McCumber and Congressman Fordney will share oratorical honors on the platform Friday, September 16. These two men are recognized as the most conspicuous figures in Congress in fighting for legislation endorsed and favored by the American Legion. Both of these legislators enjoy reputations as forensic speakers, and their talks will deal largely with the recommitment of the five-fold bonus compensation bill introduced by the latter in the early days of the present session of Congress.

The Legion's program of work on Americanization will also be discussed from the platform by speakers from National headquarters. It is not unlikely this subject will be one of the principal discussions during the re-unions.

FIELD ALL STARS DEFEAT GARWOOD A. A.

Sunday the Westfield All Stars travelled to Garwood and the first game of the series. The Garwood A. A. with the reputation of the All Stars came home with a victory. Thorne started in for Garwood, but was knocked out in the first inning when singled after two were out. He tripled to right center, and on Ehmling's hit to right. He was on the mound at the end of the second and pitched good allowing three hits and one

run. The fourth Walsh got his record, reached second when he dropped Lee's hard smash, and on Van Doren's infield out and on Van Doren's infield hit. Garwood got its only run in the second when Nelson walked Dameth and Pfaff hit for a double respectively. The game was on the mound for the first time and outside of the ninth Garwood helpless and allowed three hits. He fanned five men. Box score:

GOLF TOURNAMENT

Friday afternoon William of Upper Montclair, took E. Donahue, of Shackamaxon into camp in the final round at the Country Club golf tournament. The Westfielder went down at 5 up and 4 to play. The Shackamaxon player had had a long match with Bruce Campbell of Trenton, in the morning, and had expended much of his energy. A large gallery saw the finalists off and the match for the first hole was close. Reekle made a 4 on the sixth and took the Donahue was wild on the seventh and his erratic playing lost that hole. He was then four but managed to halve the eighth and ninth at par. Donahue took the tenth hole when he made a short putt for a birdie 4. It happened, this was the only hole Donahue was destined to win. On the eleventh and twelfth were great matches between Donahue and Campbell in the semi-final. It was much closer competition than the final round and aroused considerable enthusiasm among the gallery. Try as he could, Campbell could not gain the lead, although he was abreast of the Westfielder on several occasions.

FIELD CATHOLIC CLUB HERE THIS SATURDAY

Saturday the Legionnaires will be on the Plainfield Catholic at Recreation Park. This is considered one of the best around Plainfield and they are living up to their reputation. A few weeks ago they defeated the All Stars in a hard fought match at Plainfield by the score of 10 to 5. As most of the All Star players are on the Legion team there is to be a hard battle when the two teams meet. O'Keefe, who played against the All Stars, is no doubt be in the box for the Field Club, and Van Doren, the captain, will be on the mound for the home team. Saturday's game was called off on account of rain that fell around noon and rendered the field impossible for play.

The Legion's line-up for Saturday: cf., Lounsberry, 2b., Walsh, 1b., Doren, p., Marengli, rf., 3b., Moffett, cf., Kep- Davies, 1b.

The press continues to justify its existence. It draws its pay regu-

O. M. D. TOURNAMENT SATURDAY, AUGUST 13th

The annual open men's doubles tournament of the Westfield Tennis Club will start Saturday, continuing on the 14th and, if necessary, the following week-end. This tournament was originally scheduled for August 6, but was postponed with the permission of the United States Lawn Tennis Association. Entries should be mailed to D. Donaldson, chairman of the tournament committee, 111 Prospect street, Westfield, N. J., to reach him not later than 8 p. m. Thursday, August 11, when they close.

AUTO SHOW JAN. 7-14 IN GRAND CENTRAL PALACE

The annual national automobile show January 7 to 14, will be held in Grand Central Palace, New York, as heretofore. Arrangements had been made to exhibit in Madison Square Garden, it being understood that the Palace might be converted into office suites and thus be unavailable. An option was taken on the Garden with the understanding that the larger quarters of the Palace would be utilized if available.

AUTO LICENSE MUST NOT BE OBSCURED BY BAGGAGE

State Motor Vehicle Commissioner Hill has issued a notice that owners of motor cars must display their numbers on the cars so as to be plainly visible, and not obstructed by bumpers, baggage or other impediments. He also announces an inspection to be held soon, to note the cars with the numbers obscured, and will direct arrests for violations.

SUIT FILED IN DISTRICT COURT

Three Circuit Court actions were filed with Court Clerk Runyon Thursday, to be listed on the October calendar of the court. Augustus C. Nash, acting for Abraham M. Sacarny, of Plainfield, filed suit against Emilddo Lattanzio, also known as Charles Lantz, to recover \$129.59.

Firestone

30x3 1/2 STANDARD NON-SKID

The Fastest Selling Tire In America

The increasing popular demand for the Firestone Standard 30x3 1/2 inch tire over a period of years has given us big volume. Our Plant No. 2 devoted wholly to this size tire with a capacity of 16,000 tires and 20,000 tubes per day cuts costs on every operation. On May 2, we dropped our price to \$13.95 passing on to the car owner the full benefits of this big sales volume and this labor-saving plant. This tire has been our standard for years—four plies long staple fabric—extra gum between plies—heavy non-skid tread. The greatest value ever offered car owners. Insist on Firestone.

Our Cord Tire Values

Firestone Cord tires are made exclusively in Plant No. 1. Our process of double gum-dipping each ply of cord gives thicker insulation. The massive non-skid tread, with extra thickness where wear is most severe, gives real effectiveness in holding the car against slipping and adds many extra miles of service.

Firestone Cord tires are sold at the lowest prices in cord tire history: 30x3 1/2, \$24.50; 32x4, \$46.30; 34x4 1/2, \$54.90.

There are Firestone Dealers Everywhere to Serve You

Motor Efficiency vs. Gasoline Efficiency

Why the Standard Oil Company (New Jersey) Maintains a Great Experimental Department

THERE is a point beyond which the efficiency of a motor car or truck cannot be guaranteed by its manufacturer. Thousand dollar cars have been known to render longer and more satisfactory service than others which were valued at two or three times as much.

Your task is to find a consistently good gasoline, adjust your carburetor to it, and use no other. Our work is to see that this gasoline is constantly up to standard; to make sure that you can get it wherever your business or pleasure takes you in the field served by the Standard Oil Co. (N. J.); to improve it when possible through the efforts of specialists in our Development Department.

Mechanically your "job" was perfect when it came to you from the factory. The best of materials, commensurate with the price of the car, were used in its construction. The car was as nearly ready for efficient service as the manufacturers could make it.

Follow Expert Guidance
Our development men are at work seeking still further to improve our products. These experts have devoted their lives to study of the refining business and the relation between the properties of the oils and the service which they render. They deal only in facts. You can't go wrong in following their guidance.

How do you select Motor Fuel?
From this point the responsibility for efficient operation of your motor lies largely with you (who must select and purchase fuel and lubricants) and with the refiners.

part thereof, it shall be the duty of the Council to vote upon said petition within ninety (90) days after the date of the same by the petitioners to the Town Clerk. If, however, a petition against such amendment, supplement or change be presented, duly signed and acknowledged by the owner of twenty per cent or more of the lots in the district or part thereof proposed to be altered, or by the owners of twenty per cent of the front lots upon the streets immediately in rear of such frontage, or by the owners of twenty per cent of the lots on the opposite side of the district or part thereof proposed to be altered, such amendment shall not be passed except a three-quarters vote of the full membership of the Town Council. If any area is hereafter transferred from one district to another by a change in district boundaries, by amendment, as above provided, the provisions of this Ordinance regarding buildings or premises existing at the time of the passage of this Ordinance shall apply to buildings and premises existing in such transferred area at the time of passage of such amendment.

12. Completion and Restoration of Buildings:— Nothing herein contained shall require any change in the plans, conditions or designated use of a building for which a building permit has been heretofore issued, or for which plans are on file with the Building Inspector at the time of the passage of this Ordinance and for the execution of which a permit may be issued within thirty days of the passage of this Ordinance, and the construction of such building, in either case, shall have been fully prosecuted within three months of the date of such permit, and the second tier of beams, including the second tier of joists, shall have been completed within six months of the date of such permit, and the entire building shall be completed according to such plans as have been filed, within one year from the date of the passage of this Ordinance. Except for the uses prohibited by this Ordinance, nothing in this Ordinance shall prevent the removal of a building destroyed to an extent of less than 50 per cent of its value, or the foundations, by fire, flood, act of God or act of the enemy, subsequent to the passage of this Ordinance, or shall prevent the continuance of the use of such building or part thereof as such use was at the time of such destruction, or prevent a change of such existing use under the limitations provided in this Ordinance. Nothing in this Ordinance shall prevent the restoration of a building destroyed unsafe by the Building Inspector.

13. Certificate of Occupancy:— It shall be unlawful to use or occupy any building or part thereof, hereafter erected, changed, converted or used wholly or partly, in its use or occupancy, until a certificate of occupancy shall have been issued by the Building Inspector. Such certificate shall show that the said building or part thereof and the premises thereon conform to the provisions of this Ordinance. It shall be the duty of the Building Inspector to issue a certificate of occupancy within ten days after a request for same shall be filed in his office by the owner of a building or premises provided that said building or part thereof and the premises thereon conform with all the provisions herein set forth.

Under such rules and regulations as may be established by the Board of Appeals, a temporary certificate of occupancy for part of a building may be issued by the Building Inspector. Upon written request of the owner, the Building Inspector shall issue a certificate of occupancy for buildings or premises existing at the time of the passage of this Ordinance, after inspection, the use of the buildings or premises conforms to the provisions of this Ordinance. Except for new buildings, each applicant for a certificate of occupancy shall pay for the same the sum of five dollars to the Building Inspector.

14. Violations and Penalties:— Any and every violation of the provisions of this Ordinance, by the owner, general agent or contractor of a building or premises where such violation has been committed or shall be committed, or by the owner, general agent, contractor, lessee or tenant of any part of a building or premises in which a violation has been committed or shall be committed, and the general agent, architect, builder, contractor or any other person who commits, takes part or assists in such violation, or who maintains a building or premises in which such violation shall exist shall be liable for every day that such violation continues, be subject to a fine of not more than one hundred dollars. The penalties for such violation shall be had by the Building Inspector in the manner prescribed in any law or ordinance effective in the Town of Westfield.

14. Validity:— The invalidity of any section or provision of this Ordinance shall not invalidate any other section or provision hereof. It is further ordained that this Ordinance shall take effect immediately and adopted August 10, 1921.

CHANCERY OF NEW JERSEY.

Virginia Johnson: In virtue of an order of the Court of Chancery of the State of New Jersey, on the day of the date hereof, in and whereof Mary M. Roll is complainant and you and other are defendants, you are required to appear in answer to the complainant's bill before the seventeenth day of August next, or in default thereof decree will be made against you. The Chancellor shall think equitable.

Said bill is filed to foreclose a mortgage that was made by Susan Badgley and wife to Susan Badgley, dated November 1, 1918, recorded in Book 63 of Mortgages in Hudson County, New Jersey, at page 10 and which covers lands in the Township of New Providence, Union County, New Jersey, and you are made defendant because you are one of the persons named in the bill at law of said Samuel Badgley, deceased, and by virtue of that bill you have some interest in the said premises.
