'78 School Budget Under Consideration

Tentative budget considerations for 1977-78 were expected to be presented to Board of Education members at last night's meeting of the board at Jefferson School. Full coverage of the session, held too late for this week's Leader deadline, will appear in next week's issue.

The question of funding field trips in the Westfield Public Schools is expected to receive major consideration by the Board of Education as 1977-78 budget discussion and decisions continue.

Based on decisions by Fred G. Burke, New Jersey Commissioner of Education,

the board is considering funding field trips on the premise: "If the field trip is educationally sound, it should be offered to every school age student without cost."

Full funding of field trips by the Board of Education would require that funds be included in the school budget. Up to now, the school budget has not included these funds. Field trips have been paid for by parents. In case of financial need, field trips are paid for by the principal who uses a special fund set up for that purpose by the Parent-Teacher group in each school. Thus, no student has ever

been refused participation in a field trip because his or her parents could not afford it.

Commissioner Burke ruled in two cases, one in Colt's Neck and the other in Springfield, that field trips during school hours should be offered free to each student. The commissioner's decision deals only with field trips during school time. The decision does not affect field trips taken during non-school hours. Such recreational trips can still be offered to students, with funding from parents or through group fund-raising activities.

Republicans Sweep Local Offices

Republicans took a clean sweep of municipal offices in Tuesday's election, with Mayor Alexander S. Williams returned to office and Republicans Jack Meeker and Ron Frigerio taking council seats formerly held by Democrats in both the third and fourth wards.

Only one Democrat, Thomas Pluta of the third ward, will remain on Town Council when that body organizes in January. Both

third ward seats and one from the fourth ward are currently held by Democrats who have a 3-6 minority on the council.

Williams won handily in an 8,628 victory over Democrat Peter Cowles for mayor, sweeping all four wards and losing in only five of the town's 22 districts.

John Brady and incumbent Councilman Charles Brandt won by more than 2-to-1 margins in the first and second wards to defeat Democratic hopefuls David Newall and George Gerson by votes of 2460-1134 and 2414-1004 respectively.

Incumbent Democrat James Eisenmann, councilman from the third ward who is completing his first two-year term of office, failed to carry more than the third district of his ward in his loss to Meeker who tallied 1971 votes to his opponent's 1664 to give the Republicans the first third ward council seat in several years.

A slightly higher plurality was won by Republican Frigerio in the fourth ward who defeated Democrat Robert Berenson by a vote of 2120 to 1697. Frigerio took

all but the first district where he trailed Berenson by 80 votes. The fourth ward seat is currently held by Democrat Arthur Fried who was named to the office following the appointment of Larry Weiss to a judgeship. Fried declined to seek a full term in office.

Total vote cast was 15,541, 77 percent of the 20,132 registered voters in Westfield.

While Westfield voters favored the Ford-Dole ticket for President and Vice-President of the United States, the Democratic slate of Jimmy Carter and

Arthur Mondale won nationwide, although losing in New Jersey.

Local voters cast Republican tallies for all other elective posts except that of U.S. Senator. Former Westfielder Harrison Williams, a Democrat, won locally by a 7587-6959 margin and by a half-million vote plurality statewide.

High man on the local ballot was Congressman Matthew Rinaldo with a 11,730 vote over Democrat Richard Buggelli's 2860. Rinaldo took the 12th district seat in the House of Representatives with 75 percent of the vote cast to be returned to his third term in Washington.

Walter Halpin also led in Westfield and Union County to defeat Democrat Alfred Liotta.

While the Democratic Freeholder slate lost in Westfield, it won by about 10,000 vote margins county-wide. Westfield resident Charles Hardwick, a member of the Republican slate, was his party's top vote-getter for this office in his first bid for county office. Re-elected were incumbents Harold Seymour, Thomas Long and Everett Latimore for three-year terms and Joseph Garrubbo for a one-year unexpired term.

Local voters supported \$225 million in bond issues, senior citizen homestead rebates and dedication of income tax funds but disapproved casino gambling in Atlantic City and increase in game fees and prizes. All the issues but the latter were approved by New Jersey voters.

Oks Home Development

An appeal by C.W. Meyers and R. Williams for a preliminary plan for 13 homes in the Fairacres Ave.-Gallows Hill Rd. area was approved by the Westfield Planning Board Monday night following considerable discussion over drainage plans for the area. A possibility remains that the contractor and the town may cooperate on a drainage program for the tract, but Meyers' plans for drainage meets requirements for the tract.

Approval by the Environmental Protection Agency also must be obtained before building begins.

The Planning Board will recommend to the Board of

Adjustment that a parking variance be given to Raymond's Restaurant on North Ave. A site plan for expansion of the establishment was approved at Monday's session.

Also scheduled for Board of Adjustment action are plans of Dr. Robert I. Oberhand to expand his office and construct an additional apartment area in a residential zone at 320 Lenox Ave. His site plan also won approval of the Planning Board.

A preliminary plat plan and final map for a development by George Kovak was okayed by the Planning Board and will

include a terminus of Munsee Way as recommended by the Town Council.

Westfield Hall, a local church group, was given permission to expand its parking lot at property at 916 Boynton Ave. A 15 foot driveway and lot screening will be required. Dr. William E. Patton was given approval to convert the first floor of a house at 131 South Euclid Ave. into a dentist office and Robert Youngmans was given a 90-day extension on his previous approval for a major subdivision at the corner of Central Ave. and Washington St.

Chamber's Future Topic of Breakfast

The Westfield Chamber of Commerce has invited all business, religious, professional, and community leaders to an open meeting at the First Baptist Church, Elm St. on Wednesday from 7:30 to 9 a.m. "Take a friend to coffee" is the theme for the function which is designed to bring interested and concerned community leaders together in a concerted effort to provide a viable program for the Westfield Chamber of Commerce.

Arthur Fried, Chamber president, stated that the organization has been researching the needs of the community in order to formulate a significant plan for the future, and personally invites Westfield's "thought leaders" to share their ideas for the betterment of the community.

Jubb Corbett, chairman of the event, promises a morning of meaningful exchange among all present and urges interested persons to call the Chamber of Commerce office, 232-6781, between 10 a.m. and 2 p.m. weekdays to respond.

Hearing Tuesday On Animal Bill

A public hearing on a proposed ordinance which would mandate collection by owners of wastes of dogs and cats from Westfield streets, parks and lawns is expected to highlight Tuesday's 8:30 p.m. session of the Town Council.

Introduced in a 8-1 vote last week, the council is scheduled to take final action on the legislation.

Final approval also is expected on an ordinance which would establish an emergency speed limit of 25 mph on Mountain Ave.

Scheduled on Tuesday's agenda is a discussion on Westfield's joining Clark, Scotch Plains and Fairwood in a block grant application for a leaf compost location study and the waiving of a fee for a bonfire at Westfield High School Nov. 24, the day before the traditional Thanksgiving Day game at Plainfield.

Reports on Poll

On Schools

School Superintendent Laurence F. Greene planned to report to the Westfield Board of Education last night about the 1976 Gallup Poll which sampled the public's attitude towards public schools.

Mayor problems, as viewed by the public in the nationwide poll, include the following 10:

- lack of discipline
- integration-segregation-busing
- lack of proper financial support
- poor curriculum
- use of drugs
- difficulty in getting "good" teachers
- parents' lack of interest
- size of school-classes
- school board policies
- pupils' lack of interest.

Dr. Greene also presented to the school board at the public formal business meeting, 11 ways, suggested by the public in the poll, to improve schools. They are:

- more attention to basic skill
- enforce strict discipline
- meet individual needs of students
- improve parent-school relations
- emphasize moral development
- emphasize career education and development of salable skills
- provide opportunities for teachers to keep up to date
- raise academic standards
- raise teacher salaries
- build new buildings
- lower age for compulsory attendance.

Halloween Parade Brings Out the Best in Town

Halloween Parade Brings Out the Best in Town After a "heavy dew" fell last Sunday, the clouds opened up and smiled as the children of Westfield paraded through town.

Leading the parade was the "Spirit of '76" Fife and Drum Corp from the First United Methodist Church of Westfield. During assembly and judging, entertainment was provided by Westfield's 4-H Club's Blue Odyssey musical group.

These were among the outstanding entries in the 1976 Westfield Y's Men's Club Halloween Parade, which saw creativity by the participants.

The top \$25 prize was awarded to the "Old Lady Who Lives in a Shoe" group, consisting of 22 members of the Fairfield Circle-Carleton Rd. area led by Susan MacLean. A \$15 prize was awarded to the 14 member Fife and Drum

Winners of the first place group award, "Old Lady Who Lives in a Shoe," 26 in all, led by Susan MacLean, Corp led by Jim Douglas.

The top winner in the groups of five or less took us back to the beginning of time by the "Prehistoric

Group." Jim Class, John Class, Denise Class and Debbie were the monsters.

Following a tough choice by the judges came the "Pumpkin Patch" led by Linda McStay, followed by Minday and Jimmy Waterhouse, Katie McStay, Stacy Walsh and Heather Gillen. Amy and Peter Sananman won recognition as "Knight and Day."

All of the costumes were donated their prize money to Holy Trinity Catholic Church. (More pictures on page 5)

considered outstanding by judges. Among them were Louise Hydock as a skunk with her tail up in the air, Fred Brilling as King King, Dean Huddleston as a grocery bag, and Jean Chanawater as the Princess

Rebate Filing Deadline Extended

Gov. Brendan T. Byrne has announced that the deadline for applying for the homestead rebate was being extended from Nov. 1 to Dec. 1.

But Byrne urged homeowners to "file promptly" with local assessors. More than 75 percent of local homeowners already have filed rebate forms, according to Westfield Tax Assessor Robert Brennan.

Byrne said the extension would not affect present plans to begin mailing the rebates next April.

The homestead rebates - for the state's 1.4 million homeowners which will average \$190 - are the key form of property tax relief in the income tax package. The rebates will be funded by income tax revenues.

The law creating the rebates set Nov. 1 as the filing deadline. But the Treasury Department did not print applications until the middle of September and many legislators asked that the deadline be extended.

The program itself - involving semi-annual checks in April and October - has also come under criticism because of the administrative costs and the political timing of the checks. Several bills have been introduced to change the rebate system, but none has been passed.

The forms Westfield homeowners are required to fill out and file for their rebate may be obtained at the Westfield assessor's office in the Municipal Building, the Westfield Leader, local realtors' offices and banks.

Nickel Days for the United Fund of Westfield are being discussed by (left to right) Richard and Carol Jordan, owners of the Hickory Farms of Ohio with Richard E. Sameth, first vice-president of the United Fund Board of Trustees, and Linda Maggio, executive director of the fund.

Sandwich Sales to Swell United Fund

Hickory Farms of Ohio store, 215 South Ave. West, is offering nickel sandwiches to all who visit the store tomorrow through Monday. These will be made of rye bread, beef stick summer sausage and swiss cheese with sweet-hot mustard added. Because of the anticipated demand, sandwiches will be limited to two per person.

An unusual feature of the offer is that the store will not be retaining the proceeds from the sandwich sales. These will be donated to the United Fund of Westfield in the name of Hickory Farms of Ohio and those interested citizens who purchased sandwiches.

Another hopefully significant addition to the campaign this year is being

"What are you wearing to the Costume Ball?" A familiar question in the past few weeks as Westfield residents plan their attire for this special Bicentennial event. Two hundred years of history will come alive as guests arrive in costume of every era. Mike and Becky Jenkins reflect a formal period, while Joan and Joe Wright recapture all

Ball Costumes to Reflect 200 Years

Many residents are looking forward to the Costume Ball Nov. 13, not only because it promises to be a social highlight of this Bicentennial year, but also because it offers a unique opportunity to "dress up" in the finery of a by-gone era. Every period in America's 200 year history will be reflected in the attire of the guests. Some will find renting a fabulous outfit great fun, while others have been delighted to discover

that their college tux or a favorite gown still fits. Grandma's trunk has been the source of many marvelous and often mystifying outfits ("people were so tiny then") and many men plan to sport blazers, tails, or a letter sweater, all of which constitute a costume. The Costume Ball is being presented by the Westfield Bicentennial Committee and will take place in the "lavish Victorian Ballroom" at Temple

Emanuel. Festivities will begin when the orchestra strikes up at 8:30. Guests are asked to be "fashionably early."

There will be a Grand March at 9:45 and prizes will be awarded outstanding costumes of the Colonial Period, Gay '90's, Roaring 20's, 30's, 40's, 50's, and a Great American. It is expected that every era will be represented and all, even the 1970's, will be welcome. At 11 p.m. guests will be invited to enjoy "Spectacular entertainment" as

Westfield performers recapture the eras in "sparkling song and dance routines." Refreshments will be served to each table and "spirits" may be purchased throughout the evening. Tickets are limited to the first 500 and are still available at Jeannettes, Bicentennial headquarters at the northside train station or by contacting Patricia Simons of 27 Cornwell Drive. Tables for 10 may be reserved. There will be no tickets sold at the door.

To Swap

Magic Tricks

Future Houdinis and budding magicians will star in a Magic Trick Swap, one of the highlights of the Westfield Memorial Library's Children's Department's observance of Children's Book Week, Nov. 8 to 13.

In keeping with the Book Week theme, "Book Magic," the children's room is inviting all boys and girls from first to sixth grade to bring in their favorite magic tricks, share them and teach them to others. The trick swap will be held on Saturday, Nov. 13, at 3 p.m. in the Hopkins Room, and all children planning to take part must sign up at the children's desk before Nov. 13.

Mrs. Sally Wehr, children's librarian, also will tell stories about magic and show magical films at a Book Magic Story Hour Wednesday, Nov. 10, from 4 to 4:30 p.m. in the Hopkins Room. Passes will be available at the children's desk beginning Nov. 4 for children from grades one through five.

Throughout Book Week, there'll be a special display of books about magic. On display, too, will be a Book-magic mobile.

Jaycee Membership

Breakfast Planned

The Westfield Jaycees are currently involved in a membership drive recruiting young men between the ages of 18 and 35. The Jaycees are an organization dedicated to community improvement and personal betterment. They are engaged in many activities designed to aid Westfield and its citizens, including youth programs, fund raising in support of local charities, etc. In addition, the organization offers its members a varied series of social gatherings, monthly membership meetings and informal activities (softball, touch football, basketball, golf, and tennis).

Those interested in the Jaycees, are invited to a free breakfast orientation to be held Saturday at 8 a.m., at Geiger's Restaurant. Contact Mike Walsh for further information.

St. Helen's Plans Movie Evaluation

The education committee of St. Helen's Church Parish Council invites area residents to watch a feature movie at 7 p.m. Sunday in the Chapel and to learn how to evaluate it critically.

Brother Michael Larratonda, F.M.S., film critic for the archdiocesan newspaper, Advocate, will conduct the film study evening. He will indicate beforehand what a viewer should look for in the contemporary movie to be shown, and will lead a comprehensive discussion following it.

"It is a mark of genius not to astonish but to be astonished," Aubrey Menon

College Night Nov. 11 at WHS

Westfield High School students, who plan to continue their education after graduation, will have an opportunity to meet representatives of over 120 colleges, technical institutes, business and nursing schools at College Night at 8 p.m. Thursday, Nov. 11.

Sponsored jointly by the College Men's Club, the College Woman's Club and the guidance department of the high school, this annual event attracts hundreds of students and their parents who are eager to get first-hand information about institutions in which they are interested. Admissions officers and alumni will be stationed at assigned areas in the cafeterias and in classrooms throughout the school ready to discuss admission policies, courses of study, campus life, expenses and any other questions about their respective schools.

As a special feature of this year's program, Alexander Sidar, executive director of the Middle States Region of the College Boards College Scholarship Service, will be present to discuss financial

aid, grants, loans and available scholarships. Alton Sawin Jr. financial aid officer of Drew University, will also be on hand to advise about financial assistance.

Westfield High School students have many opportunities during the year to obtain information about career planning and colleges. Many college representatives visit the high school each week. A full schedule of these visits is posted on the bulletin board outside the guidance office and appears weekly in this paper. Students may be excused from class to meet with these representatives.

The high school also maintains a career and college resource center in which there is an extensive file of catalogues, manuals and brochures and a computer terminal from which can be extracted a list of schools suited to the individual student's requirements.

Members of the high school Guidance Department are always available for appointments to counsel students on careers and colleges.

Stone Joins YM Staff

The Westfield YMCA has announced the addition of Douglas Stone to its staff as assistant physical director.

Stone, a native of Portsmouth, R.I., was graduated from Springfield College with a B.S. degree in physical education in June of this year.

Doug served with the U.S. Marine Corps for three years on active duty as a telecommunications technician. He also has been a volunteer for the "Tiny-Tot Program" at the Springfield Metropolitan YMCA. He has WSI certification and is also a qualified first aid instructor.

His interests include fitness and conditioning programs, movement education, physical education for the physically handicapped and mentally retarded and values

clarification. According to the Y, his special interests will aid him in his areas of responsibility in the sports program, pre-school classes, aquatic and fitness programs.

With the winter term registration beginning on Monday, Nov. 15, and continuing through to Saturday, Nov. 20, Stone will be on hand to meet both children and parents.

Act on Budget

The board of trustees of the Westfield Memorial Library met in special session yesterday to act on its 1977 budget and salaries.

To Discuss Learning Problems

A community seminar on the topic "Exploring Learning Problems in Children" will be held at Summit Junior High School Auditorium on Thursday, Nov. 18 at 8 p.m., co-sponsored by the Junior League of Summit and Overlook Hospital.

The program is open to parents, teachers and anyone interested in the topic of learning disabilities.

Two outstanding authorities in the field will present their knowledge and expertise: Arnold P. Gold, M.D., professor of clinical

pediatrics and clinical neurology at Columbia University College of Physicians and Surgeons; and

Thomas J. Rubino, R.D., coordinator of learning disabilities, New Jersey State Department of Education.

Moderator for the program will be Margaret Symons, M.D., director of child evaluation service at Childrens Specialized Hospital.

Topics will include such subjects as: minimal brain dysfunction; dyslexia - the hidden handicap.

Friends Continue Service Projects

Friends of the Westfield Memorial Library announce the continuation of two community service projects. A free book delivery service is available to any house-bound resident who wishes to borrow library books. Friends also maintains a file containing names of the officers of all community organizations. This file is available to the public at the library desk. A calendar of these organizations' special events and open meetings will again be on display.

Mrs. D.J. Pratt, chairman of the book delivery service, would welcome additional subscribers to this service. Books are delivered by volunteers every second Friday. Also available for borrowing are magazines and large type books. Arrangements for this service may be made by calling the library desk.

The community organization file is now being brought up to date by Mrs. Cobb Milner, chairman of this project, and will list regular meetings of organizations as well as the officers' names. The

community calendar, which will go on display in January, will list meetings of the Town Council, the Board of Education and the activities of the Miller Cory House as well as the dates of benefits and fund raising events. Mrs. Milner hopes the calendar will act as a clearing house to be used by groups who wish to schedule special events without conflicting with the plans of other organizations. She urges all those interested in listing open meetings and public events to contact her.

Cast aluminum cooking utensils, as contrasted with rolled aluminum, previously discussed, is a rapidly, even heating material. This is due to the casting process. When the molten aluminum is poured into the moulds, minute bubbles appear in the casting. These air bubbles assist in evenly spreading the heat throughout the vessel. It requires much less heat than steel, iron or other materials used in making utensils.

This makes cast aluminum ideal for Dutch Oven cooking, where it is desirable that either meat or fowl be simmered over a low surface heat for long periods of time. Many of these Dutch Ovens can also be utilized as oven roasters.

Lids on cast aluminum pans are generally tight fitting and thus the vapors which condense under the lids drop back into the utensil and baste the commodity being cooked.

Cast aluminum pans have been sold on the representation that they are "waterless." We do not feel any pans or pans should be sold on that premise. If the commodity being cooked, as for example a leafy vegetable, retains a good deal of the water that it was rinsed in, then it may not be necessary to add additional water. The same would apply where frozen vegetables are being cooked. The thing to remember though, is that while no extra water is poured into the pot, there is a sufficient source of water to preclude adding more.

Magic Show Ticket Sales - Mrs. Thelma Hobson, parent volunteer, sells ticket to Robert Rogers at Franklin School.

Magic Show
Scholarship Fund-Raiser

Westfield Parent-Teacher Council chairman for scholarship ways and means, Mrs. Egon Gorsky has announced that a magic show will be held in Westfield's eight elementary schools. The show is scheduled from 3:15 to 4:25 at each school, beginning with Jefferson on Monday, Nov. 8, and ending with Franklin on Wednesday, Nov. 17. A pre-sale of tickets was held at the schools on Oct. 21 and 22. Additional tickets will be sold by Mrs. Gorsky at the door of each performance.

The Magic Show is Parent-Teacher Council's one and only fund-raiser this year for the Westfield Parent Teacher Council Scholarship in Memory of Betty Marik.

The scholarship was established in 1956. It honors the memory of Mrs. Betty Marik, an outstanding

Academic Sessions Open to Public

The Westfield Board of Education has planned the first of three academic sessions, open to the public, during American Education Week, Nov. 14 through Nov. 20.

That first session will be held on Tuesday, Nov. 16, and will provide information about SARI, Systematic Approach to Reading Improvement.

The second session, scheduled for Tuesday, Nov. 23, will deal with BASF, Basic Arithmetic Skills Evaluation.

On Tuesday, Dec. 14, the

teacher in the Westfield school system, and an active member of the community.

The scholarships are awarded to Westfield High School seniors who have demonstrated a sincere desire to further their education. Primary considerations in the selection of recipients are a valid financial need and a strong academic record. The success of a town-wide fair, held biannually, has enabled the council to give a \$2,400 scholarship, payable over four years. Grants of varying amounts have also been awarded. However, at the request, in form of a vote, of the respective PTA's and PTO's in Westfield, the fair will not be held for the next few years. At the same time council and the PTA's and PTO's agreed to continue the Betty Marik Scholarship Fund.

Troop 72 Sponsors
Safety Campaign

Westfield's Troop 72, in its annual fund-raising drive, has chosen highway safety as its theme this year. Under the theme of "A Flare With Every Spare"

they are appealing to friends, neighbors and commuters in the business community to carry at least one package of 15 minute flares in their auto trunks along with their spare tire.

"Here in the New Jersey area we have a combination of heavy traffic on the main arteries, such as the Garden State Parkway, the Turnpike, I-287 etc., and some rather lonely stretches as close as 15 miles from Westfield," a troop spokesman said. "Auto safety flares are the surest way of advising oncoming traffic that a disabled vehicle lies ahead. They are commended by the National Safety Council stresses their use at all times, they point out that many motorists forget how quickly it gets dark in the fall and winter months. The council also points out that flares are probably the least expensive accessory a driver may purchase, yet one of the most priceless in terms of human lives if ever needed."

Troop 72 will be making a door-to-door call on Westfield residents during the month of November, offering flares manufactured by Olin Corporation at a special price. Arrangements also have been made for public sale at points around town, according to William Squire this year's fund raising chairman.

Burger to Judge Show

W. Carl Burger, professor of fine arts at Kean College of New Jersey and well-known artist, will judge the entries in the 56th Annual Members Oil and Sculpture Show and Sale of the Westfield Art Association to be held next week.

Mrs. Mabel Winch, chairman of the show, said the annual event will take place in the Wateunk Room of the Westfield Municipal Building. The show and sale will be open to the public beginning Monday.

Members are scheduled to enter their works this Saturday between 9 a.m. and 12 noon. A reception will be held on Sunday from 3 to 5 p.m. and awards will be made at this time.

The public may visit the show from Monday through Saturday next week between 1 and 5 p.m. and 7 to 9 p.m.

Burger received his bachelor of science and masters degrees from New York University and did additional graduate work at Columbia University. He also studied at the Parsons School of Design, the Art Students League in New York, Rutgers University and the New School.

His work has been exhibited in galleries and shows throughout the metropolitan area, including the Montclair Art Museum, the Newark Museum, the National Arts Club in New York and the Newark Public Library. His work has also been shown at the Philadelphia Museum, the Smithsonian Institution, the St. Paul Arts Center in St. Paul, Minn., and the Jackson Art Gallery in Jackson, Miss.

Burger has been the recipient of a number of prizes. In 1963 he won the Prentice-Hall Award in watercolor in the second annual College and University Arts Faculty Exhibition in the Argus Gallery in Madison, and first award in mixed media at the New Jersey State Show in Bernardsville in 1974. In 1974, he also received the first award in the small drawing show held at Ball State University and in 1961 the first award in abstract watercolor in the Montclair Art Museum State Show.

He also conducts lectures

W. Carl Burger

and demonstrations throughout New Jersey.

Burger has also taught at Westfield High School and several other schools throughout the region.

Several awards will be presented to prize winners in the Westfield Art Association's Show. They include the \$150 Westfield Art Association Award itself, the Dr. Bernard Feldman Purchase Award of \$125, the \$40 Denzil and Kay Nichols Bush Award, the \$30 Barrett & Crain Realtors Award, the \$25 Mr. and Mrs. Nate Friedman Award and a number of other merchandise and art supplies prizes and awards.

A painting by Gerald Lubbeck will be awarded as a door prize to a visitor.

Ramble For Club

The V.I.P. Honda Civic Club's recent first annual fall ramble featured a Bicentennial theme and was called an unqualified success. The club's next meeting will be held Saturday morning, Nov. 20 at 9 a.m. on the balcony at V.I.P. Honda, 108 West 7th St., Plainfield.

Regional Board
Okays Pact

A salary guide for teachers for 1976-77 was approved last week by the Regional Board of Education. The contract incorporates negotiated changes in language and the appropriation of \$12,800 toward improving the current Schedule "E" salaries with monies first being applied to positions which the Board of Education and Teacher Association agree are less than comparable positions because of inequities.

The balance will be applied to the remainder of Schedule "E" positions.

Approval was granted for an athletic trainer clinic to be held at David Brearley on Wednesday evenings, Nov. 10, 17 and Dec. 1. John D'Andrea of Westfield will be the instructor.

Miss Dorothy Rites of the Arthur L. Johnson school was placed on the six year level.

Judith Lowe of Montclair State College will be serving as a student teacher in the fine arts department at David Brearley. Mrs. Lookadia Stanik will be the cooperating teacher.

Employment was authorized for Mrs. Lillian Krin of Clark to begin Nov. 1 as IMC clerk at Arthur L. Johnson. Frederick Frey of Garwood will join the David Brearley custodial staff on Nov. 15. Resignations were accepted from Miss Jeanne Brown, resource room aide at Arthur L. Johnson, and Mrs. Helen Gerdes, guidance office clerk at Governor Livingston.

Various Schedule "E" appointments made include the following: Assistant

basketball coach, Robert Cardwell; intramurals coach, fall-spring, Michael Iannelli; Assistant wrestling coach, Frank Froede; Assistant track cheerleader coach, winter, coach, Gary Bobko; Mary Ellen Ryan, cheerleader coach, winter, Gail Shaffer; assistant basketball coach, Neil Sebestyen; assistant basketball coach, Wilbur Sowder; assistant wrestling coach, Frank Rahner; assistant basketball coach, Anthony Falzone; intramurals coaches, fall, Kathleen Soltis, Diane Erdmann, James Hagan; Intramurals coaches, winter, Judith Walck, Robert Taylor, Vincent Albano, Ellen Lawson; intramurals coach, spring, Robert Taylor, Lucianne Edelstein, Judith Walck and Ellen Lawson.

"Heidi" on TV

The popular series "Once Upon A Classic" presents one of the best-loved stories in the world, "Heidi," on Saturday, Nov. 20 at 7:30 p.m. on New Jersey Public Television channels 23, 50, 52 and 58.

OBITUARIES

Henry Dygorski

Henry Dygorski, 60, of 608 Salter Pl., died Thursday in Greece where he was on assignment for the Hudson Waterways Co. of New York.

Born in Haverhill, Mass., Mr. Dygorski lived in Astoria, N.Y., before moving to Westfield nine years ago.

Mr. Dygorski was a graduate of the Wentworth Institute, Boston, and the U.S. Merchant Marine Academy. He formerly was chief engineer on the S.S. Manhattan for 13 years.

He was a member of Sagmore Lodge, F&AM, in Haverhill, and of the Post Engineers Association of New York.

Surviving are his widow, Mrs. Bernice Collins Dygorski; a daughter, Miss Cindy B. at home; his mother Mrs. Lucy Dygorski of Haverhill; a brother, Alfred of Astoria; three sisters Mrs. Dorothy Emerson of Haverhill, Miss Louise Dygorski of Quincy, Mass., and Mrs. Sophie Rae of Montclair.

The Rev. Richard L. Smith of the Presbyterian Church will conduct services at 2 p.m. tomorrow at the Gray Funeral Home, 318 East Broad St. Visitors may call at the funeral home from 2-4 and 7-9 p.m. today.

Mrs. George I. Schroppe

Mrs. Matilda E. Schroppe, 74, of 16 Stanford Dr., Toms River, formerly of Westfield, died Sunday at Point Pleasant Hospital.

Born in Brooklyn, Mrs. Schroppe had lived most of her life here, moving to Toms River 13 years ago.

Surviving are her husband, George I. Schroppe; a daughter, Mrs. Dorothy Jaworski of Lincoln; a sister, Mrs. Dora Addams of St. Petersburg, Fla.; and a granddaughter.

Funeral services are being conducted at 11 a.m. today at the Gray Funeral Home, 318 East Broad St., by the Rev. Steven Szabo, minister of the United Church of Christ in Garwood. Interment will be in Fairview Cemetery.

Frank J. Stengel

Frank J. Stengel, 69, of 37 A-4 Sandra Circle died Sunday in Overlook Hospital, Summit.

Mr. Stengel was president of R.F. Stengel & Son, heating and air conditioning engineers, of Hillside. A 1932 graduate of Carnegie Institute of Technology, Mr. Stengel was a member and past president of the Hillside Rotary Club, a former member of the Hillside Industrial Association and a past master of St. John's Forest Hill Lodge No. 1, F&AM. He was a former major in the Army, serving in World War II.

Born in Newark, Mr. Stengel lived in Millburn before moving to Westfield four years ago.

Surviving are his wife, Ruth; a son, Robert F. of Wayland, Mass.; a daughter, Mrs. Cynthia Bradford of Maplewood; a sister, Mrs. Margaret Otto of Springfield and four grandchildren.

Memorial services were held yesterday afternoon at Christ Episcopal Church, Short Hills. Contributions may be made in his memory to the American Diabetes Association.

Joseph S. Yastine

Joseph Stanley Yastine, 47, brother of Miss Helen J. Yastine of Westfield, died Saturday in a Roanoke, Va., hospital. Formerly of Rahway, he lived in Punta Gorda, Fla.

Also surviving are his wife, Mrs. Sally Ann Yastine; a son, Jeffrey L. and a daughter, Joanne, both at home.

Funeral services were held under the direction of the Ponger Funeral Home in Punta Gorda.

Mountainside Still Republican

The Mountainside Borough Council continues to be all-Republican following the re-election of incumbents Nicholas Bradshaw and Abraham Suckno to three-year terms. Bradshaw polled 2,654 votes and Suckno received 2,612. The lone Democrat running, Elias Hoffman, polled 1,305 votes.

Max Selbst

Services for Max Selbst, 81, of 6 Pine Ct. were held at noon Monday in Wien & Wien, 2030 Kennedy Blvd., Jersey City.

He died Saturday at home. Mr. Selbst was employed by the Bayonne Board of Education for many years. He was a member of the Friendship Group of Temple Emanu-El Westfield, the Bayonne Hebrew Benevolent Association, the Bayonne Star Lodge and the Jersey Harriers Association.

Born in New York, he lived in Bayonne before moving to Westfield 13 years ago.

Surviving are his wife, Henrietta; a daughter, Mrs. Seena Feinman, and a grandson.

United Fund

(Continued from page 1)

made possible by the A&P Supermarket Donation Days. On Tuesday, Nov. 16 (shortly before Thanksgiving) from 8 a.m. to 10 p.m. both the Elm St. and South Ave. A&P Stores will be donating 5 percent of the eligible receipts to the 1976 campaign of the United Fund of Westfield. Donation Day Chairman Mrs. Joan Hogan explained that in order to assure dollars for the United Fund, an identification card must be presented at the store. These cards may be picked up at the United Fund office, 301 North Ave., West, in the northside railroad station. The Westfield Campaign has received \$160,945 in contributions to date, 54

percent of the \$295,750.

General campaign chairman, Joseph A. McGroarty, expressed satisfaction with the response of Westfielders to date. He observed, however, that the difficult or "stretch" period of the campaign is still ahead of us, and he urged everyone who has not yet made a pledge to be as generous as possible. McGroarty added "if the goal of \$295,750 is to be reached, we will need all possible support from every Westfielder."

Parade

Urge Moped Law Changes

Letters have been sent by the New Jersey Congress of Parents and Teachers pleading with State Legislators for speedy passage of amendments to the present motorized bike law.

According to Gibson Le Roy, chairman of Legislative Activity, "One known death of a 15 year old girl and an ever increasing number of accidents due to the lack of reasonable restrictions in the use and ownership of motorized bicycles (mopeds) has aroused the deep concern of an overwhelming majority of our approximately 400,000 PTA families."

The association says it is asking "for the reasonable restrictions" of the bill sponsored by Senator Alexander J. Menza (D-Union), which has passed the Senate and is now in the Assembly Transportation and Communications Committee.

Menza's bill would limit drivers of mopeds to those persons who possess a valid drivers license.

This would immediately prohibit 15 and 16 year olds from operating mopeds, which they can do under the present law.

Menza's bill would also prohibit operation of mopeds on any highway with a posted maximum speed above 40 miles per hour. It would mandate minimum insurance coverage and

would also provide for the reporting of all accidents involving a moped.

The PTA is joined in its support of the Menza bill by the Division of Motor Vehicles, AAA Auto Clubs of New Jersey and the New Jersey State League of Municipalities, The Consumer League and the New Jersey Traffic Officers Association to name a few.

Leading the fight for the PTA in this area is Mrs. Sandra Weeks of Cranford, who is safety chairman of the Union County PTA.

In its letter, the State PTA said, "It is our feeling that most of the opposition to this bill comes from various vested interests connected with the motorized bicycle industry. It is also our feeling that their opposition is short-sighted, since an increasing number of accidents (especially those involving 15 to 17 year olds) will ultimately discourage sales."

Menza said he believes his bill will maximize safe operation of mopeds by imposing basic prudent restrictions, such as mandating the possession of a valid driver's license.

"This legislation assures the safety factor without causing undue inconvenience to the operation of motorized bikes, whose growing popularity I welcome," he said.

Board Adopts Policy On Public Participation

At its Oct. 5 regular business meeting, the Regional Board of Education approved the submission of an application for \$32,494 for use in compensatory education instructional programs for students in all four schools. If the application is approved, the program will run from December through June. Individual and small group instruction will be provided in basic skill development in language arts-reading and mathematics.

A new policy regarding public sessions during board meetings was adopted. The policy states that: 1) The Board of Education will permit only residents of the six constituent communities to address the Board in public session 2) A non-resident of the District may be granted permission to address the Board in public session by the Board President 3) Speakers may address the Board on any one subject for five minutes during the public session 4) Time restricted to the public session may be restricted at the discretion of the board president.

Twenty students with special needs from David Brearley, Arthur L. Johnson and Jonathan Dayton will participate on a camping trip to the Orange YMCA Camp in Stillwater, on Oct. 15, 16, and 17. Forty-seven Jonathan Dayton students will participate on a field trip to Boaton on Friday, Oct. 15.

Mrs. Christine Comerici submitted evidence of having completed 30 credits beyond the master's degree and will have her salary adjusted accordingly.

Dr. Frank Pagano will continue as district dentist for the 1976-77 school year.

Edward Metz of the Jonathan Dayton industrial arts department will be employed on a part time basis during the present school year for the purpose of repairing portable and stationary machinery, appliances and equipment in various school departments.

Montclair State College student Mary DeBlasio will observe home economics classes for 20 hours at Arthur L. Johnson between Oct. 6 and Dec. 17. Miss DeBlasio will do her student teaching at Johnson from Apr. 4 to May 13. Mrs. Linda Kastner is the cooperating teacher.

Mrs. Sharon Brendzel received a maternity leave of absence for the 1977-78 school year with Sept. 1, 1978 as her date of return. A member of the Jonathan Dayton Science Department, Mrs. Brendzel is currently on a leave of absence for the purpose of doctoral study.

Breast Self Exam Program Available

Women's groups interested in a program on "Breast Self Examination" can contact the Overlook Hospital Department of Community Education which is offering the mini-course as a free community service.

Aimed to reduce breast cancer deaths through education about early detection, the program will be staffed by specially trained nurse-members of the Overlook Auxiliary, working with Mrs. Alice Gansler, R.N., coordinator of patient and community education.

The program will include an informational talk, a film, question and answer period, and practical instruction on synthetic breast models for detection of suspicious lumps.

Mrs. Karin Field, parent, Vice Principal Samuel Hazel, Principal Eugene Voll, Jaime Field, student, and Vice Principal Edward Braynock are meeting to contribute ideas for the parent education program on Discipline and the Adolescent, which will be held at 8 p.m. Wednesday at the Roosevelt Junior High School cafeteria.

Discipline Topic at RJHS

Plans are being organized for an evening next week for parents at Roosevelt Junior High School where Principal Eugene Voll, together with Vice Principals Edward Braynock and Samuel Hazel, will open the program, "Problems - Discipline and the Adolescent," at the school cafeteria at 8 p.m. Wednesday.

Guests will be divided into groups to discuss case studies and to critique and offer suggestions. Junior

and Senior High School students, parents, teachers, administrators, and interested members of the community also will have an opportunity to participate. As a follow-up of the seminars which were held by the Board of Education last spring, the evening's program is expected to be of interest to all parents. Mrs. Jackie Valentino and Mrs. Cindy Heinbach, PTO parent Education committee chairpersons, encourage all parents to attend.

To Present Comedy at WHS

The Westfield High School Drama Department will present the comedy, "You Can't Take It With You" Nov. 19 and 20 at 8 p.m. Tickets will be sold at the door.

The comedy, written by George S. Kaufman and Moss Hart, centers on the Vanderhof household in 1937. The Vanderhof family is not exactly a normal one; the basement is used for making firecrackers, the living room is used for ballet dancing, xylophone playing, printing, raising snakes, and writing plays, and the kitchen is stocked with corn flakes.

The play is being directed by Mrs. Harriet Loudon. Assisting Mrs. Loudon are students Marc Fabstein and Cecily Albert. Mrs. Marceline Decker is producing the play along with student Theresa Pringle.

Actors playing the Vanderhof family are: Miriam Burke, George Ryan, Neil Krupnick, Lynn Johansen, Sally Thomlinson and Bill Zack. Also in the cast are Andy Tibbals, Josh Cantor, Craig Wallace, Kent Swan, Randi Nathanson, Kevin Cesaro, Eric Strommen, Diane Wetzel, Maryanne Melloan, Monty Karp, Bill Belig, Chris Udvarnoky and Marty Udvarnoky.

Environmental Field Trip Popular with Students

By Chrissy Quinn
W.H.S. Journalism Student

For the last few years, the Board of Education has been sponsoring a day-long environmental education field trip for sixth grade students.

The students go to the Watchung Reservation where the Outdoor Education Center is located. The Center operates under the Union County Educational Services Commission.

All elementary schools participate in this program. Different schools go on the trip each day, through a span of two weeks. The study areas offered include Ornithology, Entomology, Survival in the Woods and Geology.

Students from Tamaques School had their own opinions on why the Board of Education sponsors the field trip to the Outdoor Education Center.

Lauren Gray from Diane Jankowski's class thought the Board of Education sent the sixth grade students

there "because they would want us to learn about nature, insects and other creatures, and also because they think it would be educational."

Michelle Price from the same class added: "we were sent so we could enjoy nature."

The students seemed to enjoy the trip a lot. Ellen Broadbent said, "I think that the Board of Education sent us on this trip because it was something to learn and we are old enough not to break anything like the binoculars we used in ornithology (study of birds)."

Each student studied two of the courses offered, one in the morning and the other after lunch. Most of the students enjoyed survival in the woods. Frank Deck from Mary Ellen Sullivan's class stated, "I learned how to make tents out of wood, where to find water in a tree and how to make a fire without matches." Another one of Mrs. Sullivan's students said, "My favorite thing was survival. I learned what I could eat, and how

to make a lean-to. It was really great. I hope we can go again!"

Ornithology, the study of birds, also went over well with the students. The students learned about the balance of nature and how to identify different kinds of birds.

Kristen Shuman from Shirley Neibart's class favored the instructions in ornithology. "Our group saw a pileated woodpecker," replied Kristen. "The instructor said we were the first group who ever saw one."

Kathy MacPhee stated: "I learned that if most of the birds in the world were killed, we would not survive more than three months because they eat all the dangerous insects. I had never seen a tufted titmouse before, but the trip to Watchung gave me the opportunity."

Pond life and geology were some courses the students had an opportunity to take. Darren Stolvale stated, "I enjoyed pond life the most. We caught all kinds of things that are in streams and ponds. We studied different creatures in a pan with water, then poured them back into the pond." John Volino stated, "my favorite thing was rocks because I have a rock collection and I found a lot of rocks."

The students added other comments too. Many of them mentioned how nice their instructors were. The field trip seemed to influence many students to help keep their environment clean so the animals would survive. Kim Cleveland from Mrs. Sullivan's class enjoyed the study of birds so much she decided, "I am going to become an ornithologist when I grow up."

Many students wrote to the Board of Education to thank them for sponsoring the field trip. The letters told the school board members all about the trip.

An Unenforceable Law Is Poor Legislation

We think the Town Council should reconsider its "pooper-scooper" ordinance scheduled for a final vote after a public hearing next Tuesday night.

While we admit the motives are excellent, and we agree that no one appreciates stepping in dog wastes or finding evidence of canine or cat visitors on his lawn, it would seem wise for the council to examine the success of other New Jersey communities who have initiated such legislation before the Town Council makes a final decision.

At last week's council session, a proponent of the "pooper-scooper" bill mentioned one shore community, Surf City, which has had such legislation on its books for two years. Personal observation last summer of the ordinance's effectiveness showed little adherence to the letter of the law. Some Surf City dog owners even took their animals for walks in neighboring communities which had no such laws thereby avoiding possibilities of fine if Fido's indiscretions were discovered!

Westfield certainly has greater problems than this issue... and enough problems in enforcing laws against far greater crimes, - youthful vandalism and destruction of property, among them. It seems incongruous to strive hard for compliance to our existing legislation and then turn around and pass an ordinance which even the majority of council might admit is almost impossible to enforce.

Law is defined as a "rule of action established by authority." It seems to us that it will be hard for adults, struggling now to gain youthful respect of the law, to tell them that some laws must be adhered to, but others might be conveniently ignored. Why enact an unenforceable law?

An appeal for dog owners to respect the property of owners, we believe, will be as effective as an amendment to the town code. And as for the felines the ruling would also cover, tell us, gentlemen of the council, how many leashed cats have you seen being walked in your neighborhoods?

New "Caps" Law Affects '78 State Budget

Budget requests for the fiscal year 1977-78 of various departments and agencies of New Jersey State Government are currently being reviewed by the State Budget office. Decision on spending levels and priorities is complicated by a new factor - the "State Expenditure Limitation Law," Chapter 67, Laws of 1976, notes the New Jersey Taxpayers Association. That law, enacted as part of the education financing-tax reform package, limits the growth in certain State expenditures to the growth of State per capita personal income.

New Jersey is the first state in the nation to enact a law imposing "caps" on State spending. State limitations along with laws having a similar objective - restriction of municipal and school district expenditures and county tax levies, are an attempt to assure the taxpayer that the overall tax reform program financed by the income tax will result in controlling the rate of governmental spending growth.

The State spending caps apply to the general operations and capital outlay sections of the budget. Exempt from the limitation are State aid to local governmental units, expenditures of Federal aid monies received by the State, and principal and interest payments on State general obligation bonds authorized by referendum. (Under the State's accounting procedures, bond principal is classified under capital outlay and interest primarily under operations.)

Under the statutory formula, the maximum expenditure for the next fiscal year (1977-78) is calculated by multiplying the rate of growth in State per capita personal income in the previous fiscal year (1975-76) to the current fiscal year (1976-77) by the base amount of expenditure of the previous fiscal year (1975-76). The base expenditure may be adjusted to reflect transfer of costs or functions from the State to local governmental units and vice versa. The maximum expenditure may be exceeded only if approved by voters at public referendum on the November general election ballot of that fiscal year.

Principal State financial officials consider the law in its present form to be both unworkable and unrealistic. They point out that based on the formula, in which a budget must be prepared using as a base, a fiscal year two years previous, the current fiscal year's 1976-77 original appropriations law of \$2.853 billion would exceed the cap by approximately \$60 million. They point out requirements for use of Federal per capita income data which are not available. They indicate certain areas where increases in State expenditures will be necessary such as Medicaid, welfare, and mass transit since they have not been fully financed in the current budget. To the extent that these areas of expenditure are increased, other areas of State operations may be forced to accept drastic cuts in order to remain under the overall spending limit.

Legislation to correct technical flaws in the formula has been introduced - Senate No. 1688. Those changes and other administrative problems will be discussed in a subsequent "Know Your Government".

LETTERS TO THE EDITOR

All letters to the editor must bear a signature, a street address and a telephone number so authors may be checked. If contributors are not able to be reached at local phone numbers during Leader business hours, the writer's signature may be notarized.

Letters must be written only on one side of paper and typewritten.

All letters must be in the "Leader" office by Friday if they are to appear in the following issue.

THANKS VOTERS

Editor, Leader:
 The following is an open letter to the residents of the Fourth Ward of Westfield:

Dear Friends:
 I wish to thank publicly the many people who helped with my recent campaign for the Westfield Town Council. I appreciate the efforts of all of you who wrote letters, sent post cards, made telephone calls, and did all the many other jobs necessary in a campaign. I also wish to thank the voters of the Fourth Ward who were so gracious to me when I visited their homes and who took the time to go to the polls and vote for me.

Finally, special thanks to Fran Vardalis, who managed my campaign; Noel Laffan, who took care of campaign finances; Gini Isaacson, who helped with my press releases; and to the Westfield Leader for its generous coverage of the campaign.

The past few months have been a rewarding experience for me, and I enjoyed all of it, both work and fun.

THANKS FOR BLOOD

Editor, Leader:
 The family of Mario J. Gurrieri wish to thank all of you for your contribution of blood at the Gran Centurions on Wednesday. Your generous gestures are greatly appreciated.

Those that were not able to donate at that time can do so on Nov. 17 between the hours of 3 to 7 p.m. at St. Paul's Church, 414 East Broad St. Westfield. Please be sure to state Mario's name and Code No. 3527. Thank you all once again.

DOG ORDINANCE

Editor, Leader:
 There is an ordinance that dogs be licensed in Westfield. (Many aren't.)

There is an ordinance that dogs be leashed in Westfield. (Come visit my neighborhood.)

There is an ordinance that dogs be curbed in Westfield. (Contrary to popular belief, that means street-side.)

With flagrant violations and no enforcement nonexistent, I find it ludicrous that an ordinance has been introduced to "pick-up" after a dog in Westfield.

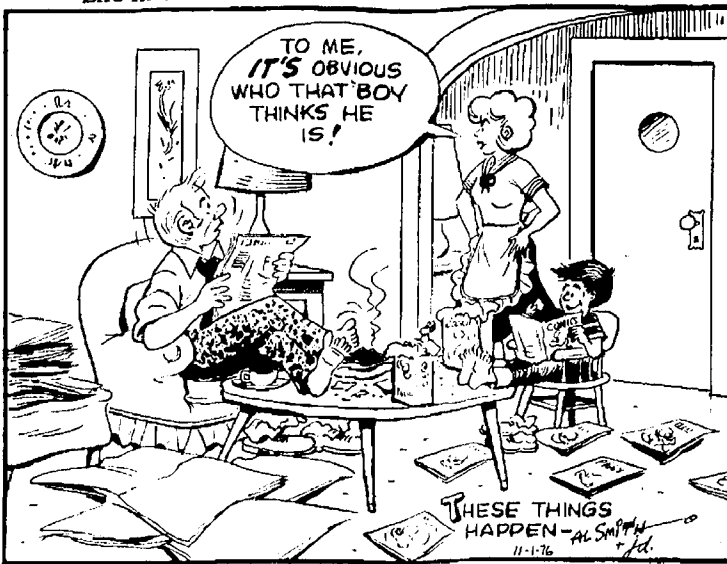

As a dog owner who does obey the existent ordinances, I encourage others like myself to attend the public hearing on Nov. 9. Let us encourage the town to enforce these ordinances before passing more.

At the hearing, I hope to suggest tabling this ordinance until some bite is put into the law and I will suggest a few ideas for positive action to "inform and enforce."

KEEP INVOLVED

Editor, Leader:
 As of this writing, the election is a few days away, and no one can predict, with certainty, the results of the election. But regardless of the outcome, my message to the citizens of Westfield is this: I would like to urge all residents to support and encourage whomever is elected. You have been involved at least to the extent that you voted; please continue your involvement by attending not only the Council meetings, but also some of the numerous committee meetings.

I also want to thank all the people from all over town who worked so hard in the campaign. I especially want to thank Carmen and Anne Marie Vitale, Barb and Tom Pluta, Charles and Ginny Harris, Bob and Shirley Loder, and my wife, Judy, and my children, Jimmy, Tommy, Danny, and Kate. Any success I have had in this campaign is due in large measure to these fine individuals.

 Councilman, Third Ward

RELATED EVENTS

Editor, Leader:
 This past week witnessed two significant events - a Presidential election and mischief night, more properly known as property destruction night. These two events are really not unrelated. In both cases we citizens failed to meet our responsibilities with the end result someday being loss of personal freedom.

In the first case, only slightly more than one half of our population eligible to vote did vote. In the second instance, parents condoned destruction of property by permitting their children to soap windows, throw toilet paper, spray paint, and hurl eggs.

History has taught us that personal freedom endures only so long as citizens are willing to participate in maintaining a nation under laws and not under men. To the extent needs arise that are not handled by as individuals, as families, as neighborhoods, as towns and so on, the State will fill that void. The State must act for the alternative, anarchy, is simply an intolerable condition. As the State moves to meet these needs that we as individuals and small groups have not met, our freedoms will be eroded.

By not participating in our system of government, by condoning acts of vandalism, we are inviting the State to do something that we should do for ourselves. There is simply no free lunch; we cannot get something for nothing, and someday we will learn that the price we pay will be very dear indeed.

William W. Priest
 830 Cranford Ave.

League Lines

Election time has finally come and gone, but this is not the time to relax. There is probably more to be done in this brief period before our renewed governing bodies are inaugurated than there was to be done before the election.

Whether you were in sympathy with the elected or the rejected, your goals for the different governments have a separate existence from the candidates. If your candidate lost, you can still work effectively for a government that responds to your needs. If yours was the winning side, you must continue to support the plans and ideals for which you voted.

One important event will be the reconstitution of various local and county appointive bodies. Do you ever wonder who is on these boards and how they got there? The representatives we elected are pondering over new and continuing appointments right now.

They might even be pondering the creation of new boards to serve new functions. Some officials have the power of appointment, others have the power of confirmation. You have the power of persuasion. If you know of people who, by training, experience, and commitment would be assets to any of these boards, suggest their names. If you know of some lack in the past performance of someone nominated for a post, communicate your objection to those who will be called upon to confirm the appointment.

And, just as the voters do

Portrait Painting
 Mrs. Edward Kucinski, Scotch Plains artist, will demonstrate portrait painting at the Old Cannonball House Museum on Front St. in Scotch Plains Sunday. Mrs. Kucinski will do a pastel portrait of Dennis Krowe who will be dressed in his Colonial New Jersey regimental uniform. Krowe, is program chairman of the Scotch Plains-Fanwood Historical Society.

AUTUMN

Editor, Leader:
 Autumn is a beautiful season.
 Autumn is great and here is my reason:
 I like to rake the autumn leaves.
 I rake them into big, fat sheaves.
 I like to make a birthday cake.
 The candle is the old, brown rake.
 I feel like a hen when an egg she lays.
 And that is my poem on autumn days.

Report From Washington

Congressman Matt Rinaldo

It will be weeks, or even months, before the 1976 congressional election can be fully analyzed and interpreted. But already it is clear that in the 12th District, voters were -- and still are -- concerned over two dominant and related issues: the economy and unemployment.

Everywhere I went in the district during the campaign, constituents told me of the way they are being affected by the rising cost of living. They are troubled over the way inflation acts like an invisible tax, eating away at their income and reducing their purchasing power.

One man, the father of three young children, told me: "You know, congressman, I'm earning more than ever before, but it just doesn't go very far. I'm not able to save anything, and I find myself forced to cut down on essentials for my family..."

For those trapped in the vise of unemployment and inflation, the economic situation has become even harsher. Clearly, a great deal of economic hardship is being experienced.

Throughout the nation, hundreds of men and women seeking congressional office encountered the same kind of reaction during the campaign.

They must now realize, if they didn't before, that getting the nation's economy on its feet and combating unemployment must remain a national priority.

The new Congress must build on the foundation of economic recovery laid during the 94th Congress. In particular, more attention must be paid to stabilizing the cost of living and

creating more jobs in the private sector. Housing construction, which has been showing encouraging signs of recovery during recent months, needs additional encouragement. So does the kind of industrial expansion that assures badly needed jobs.

Experience on the campaign trail also confirmed that Americans want a tighter federal budget with cuts in federal spending -- even if it means eliminating or reducing some programs that they would normally support.

Here, too, lies a challenge for the incoming Congress to stem and reverse the growth of government and replace a Big Brother image with a pattern of governmental service responsive to the needs of the people.

Nor is that all. Programs to fight crime must be extended and improved. Tax reform, tackled in the 94th Congress, should be continued with emphasis on tighter closing of loopholes and the provision of incentives to spur private employment.

The U.S. Postal Service, subsidized by legislation enacted in the 94th Congress, needs to be reexamined with the aim of assuring a more efficient and reliable operation.

Energy conservation and development need more attention and this, too, must be a high priority in the 95th Congress. Programs for research and development of solar, nuclear and other alternative sources of energy -- thus reducing dependence on foreign oil -- will require incentives for private investment.

Congress must also support measures to protect the environment.

MINI-MED TIPS

Vigorous scalp massage is a "no no" if you want to keep your hair, just as vigorous combing and brushing are bad for the hair, according to the New Jersey Academy of Family Physicians.

Shampoo and dry gently, and avoid scalp massage, the doctors advise. Neither the scalp nor the hair roots need massage, and vigorous action, with or without a shampoo, regardless of whether the hair is dry, wet or being briskly towelled dry, is mechanically damaging to the hair.

Similarly, vigorous manipulation of the hair, whether by massaging, shampooing, drying, brushing or combing, tends to break hair mechanically and thus to produce characteristic artificial "alopecia," where the hair roots are still healthy and viable, but there is not much to show for it above the scalp.

The doctors add that all individuals lose from 25 to 100 hairs a day. This loss is usually not noticed until an individual becomes concerned with hair loss, at which time normal hair loss is often aggravated by mechanical loss due to manipulation procedures.

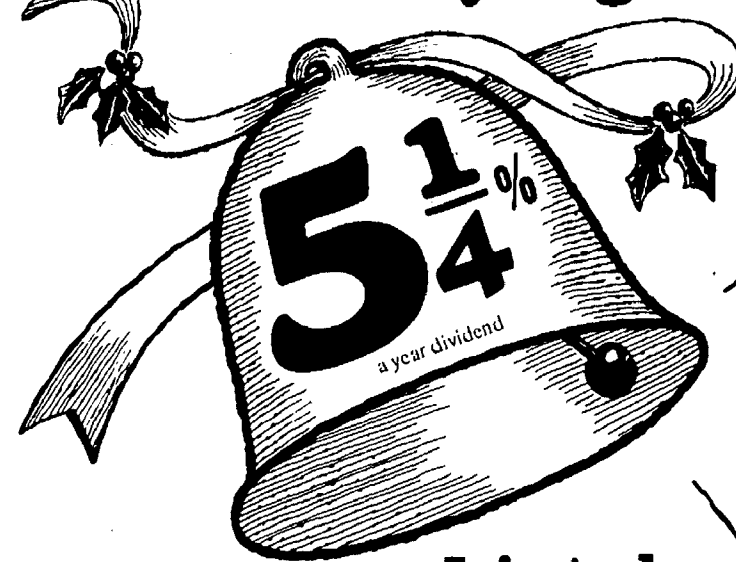

Americans are more concerned than ever that their health is endangered by air and water pollution.

A national investment in cleaner air and water is no longer regarded as wasteful or frivolous; here, too, the incoming Congress has an important role to play.

The overall need is for performance by government without massive new spending programs.

It's a challenging and difficult task, but one that cannot be avoided if the United States is to maintain its position as world leader.

Resident to Coordinate Massing of Colors Sunday

Rutgers University and the City of New Brunswick will host an annual "Massing of the Colors" ceremony Sunday in a patriotic salute to the nation's Bicentennial birthday. Residents of this area will participate in the event which will be coordinated by Gen. William Magalhães of Westfield.

The event will feature a more than mile-long parade, including units of the Rutgers Colonial Guard and military and high school area bands, and a gathering of several hundred flag-bearing groups from Middlesex County communities and other parts of the state at the Rutgers Gymnasium on College Avenue.

The program is sponsored by the Northern Jersey Chapter of the Military Order of the World Wars in conjunction with the New Brunswick Bicentennial Committee and the State University.

Highlighting the activities at the gymnasium will be a "Pageant of Historical American Flags," a musical production staged by the Compton Division of the U.S. Naval Sea Cadets in Perth Amboy, under the direction of Cmdr. James F. Hunt of the U.S. Coast Guard Training Center at Cape May.

The pageant centers on the parade of 14 American flags -- each representing an important era or event in U.S. history -- while a narrator explains the significance of each of the colors.

Musical accompaniment will be provided by a 26-piece band led by George P. Krause, director of music

for the New Brunswick public school system. Cmdr. Hunt led the pageant before a crowd of 200,000 persons July 3-4 at Ft. McHenry, Md., in a performance viewed on national television.

In addition, the program will include welcoming addresses by New Brunswick Mayor Richard Mulligan and Rutgers President Edward J. Bloustein, a special presentation of historical flags flown over North America since the days of the Vikings, and a special ecumenical "Blessing of the Colors" ceremony climaxed the program.

Rev. Frank V.H. Carthy, rector of the Christ Church Episcopal here, and Robert Tanksley, University coordinator of religious affairs, will officiate at the blessing of the colors.

According to General Magalhães of Westfield, a retired brigadier general of the U.S. Air Force and program coordinator, the parade will get underway at Livingston Ave. and Townsend St. at 1:30 p.m., proceed along Livingston to George St., then to Hamilton St. to College Avenue and to the gym.

The parade will also include the bands and color guards of the New Brunswick, North Brunswick and Highland Park high schools; a Westfield file and drum corps, the 50th Armored Division Band of the New Jersey Army National Guard of Elizabeth and the 78th Division Band of the U.S. Army Reserve of Edison.

Krause Heads Dental Society

Dr. Frank Walter Krause of Cranford is the newly-elected president of the 300 member Union County Dental Society. He is cum laude graduate of the University of Maryland Dental School where he was a member of the Gorgas-Odontological Society and Omicron Kappa Upsilon. Dr. Krause also was graduated cum laude from the University of Virginia where he was elected Phi Beta Kappa and from Temple University graduate Dental School where he received an M.S. degree. He served as captain in the Army Dental Corps.

Dr. Krause, a past-president of the Cranford Jaycees, was recipient of the "Town's Outstanding Young Man" award in 1970 for community service. He was also named the area's "Outstanding Jaycee President" and received the chapter's "Keyman" Distinguished Service Award. The N.J. Jaycee organization named him the "State's Outstanding Project Chairman" for his chairmanship of Cranford's first comprehensive "Community Survey."

Dr. Krause was recently honored with the "Citizen of the Age of Enlightenment Award" for scientific achievement by The American Foundation for the Science of Creative Intelligence. He was also selected for publication in Who's Who.

A bonsai enthusiast, Dr. Krause was awarded

Dr. Frank W. Krause

"Illuminated Citation" from the Garden Club of New Jersey for "advancing and sharing the knowledge of Bonsai and inspiring garden clubs with his programs". He is a member of the N.J. Bonsai Society.

In Cranford, Dr. Krause is a trustee of the "Corridor of Heritage," the town's permanent bicentennial project. He has served as president of the Joint Civic Committee, chairman of St. Michael's church air-conditioning fund committee, and has been a member of the Mayor's Advisory Committee on Community Planning, and the board of directors of Cranford Boys' Camp.

New Brokerage Office Opens

A new office of Butcher & Singer Inc., Philadelphia-based investment banker and securities dealer, has opened here at 127-A Central Ave.

The office is the firm's 21st office and the second in New Jersey, the other office being located in Cherry Hill. Other Butcher & Singer Inc. offices are located in New York, Pennsylvania, Ohio, Delaware, Maryland and Virginia.

According to Henry P. Glendinning Jr., president of Butcher & Singer, Ralph Bennett, after appropriate regulatory approval, will serve as manager of the new Westfield office which is intended to serve investor needs throughout all of Union County.

Bennett, a resident of Mountainside, has 15 years experience in the securities business. He is a graduate of the University of Pennsylvania and a member of Echo Lake Country Club.

In addition to Bennett, the office will have three additional registered representatives. They are James J. Kelly, John E. Pappas and William Gardner Jr.

Kelly, a resident of Scotch Plains, is a graduate of Fairleigh Dickinson University. His previous experience includes seven years in the securities

business and seven years in banking.

Pappas, who has nine years experience in the securities business, lives in Cranford, and is a member of the Cranford Rotary Club. He is a graduate of Rutgers University.

Gardner has 50 years experience in the securities business. He is a resident of Maplewood, and is a member of the Maplewood Country Club.

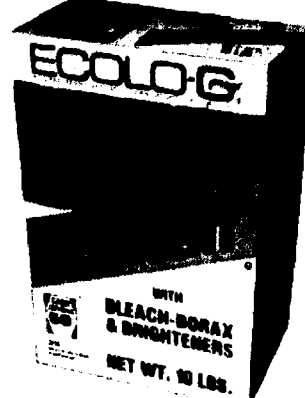

Butcher & Singer Inc. is one of the oldest investment bankers and securities dealers in the United States, tracing its history back to 1764, a full 28 years before the founding of the New York Stock Exchange. One of the firm's earliest customers was George Washington.

The Westfield office will offer the full range of individual investor services.

Name Mrs. Roe To VNHS Board

Jean Roe of 744 Scotch Plains Ave. has been elected to the board of directors of the Visiting Nurse and Health Services, according to an announcement this week by Board President, Mrs. H. Harding Brown.

A member of the Westfield Day Care Center and the Women's Auxiliary of Overlook Hospital in Summit, Mrs. Roe's background covers a broad range of volunteer activities in the health care field. She also is a member of the First Methodist Church in Westfield.

A voluntary non-profit home health agency serving 15 communities in Union County, the VNHS is currently celebrating its 65th anniversary.

Kean College was the scene recently of the presentation of a portrait of Bella Abzug, above, by the artist Bernice Levitte. The artist, long an admirer of the Congresswoman, is a resident of Westfield and has won honors in many shows. She is a scholarship recipient from Cooper Union.

Abzug's lecture was sponsored by the Townsend Lecture Committee and the Feminists for Equality.

ceremony will assemble at the Rutgers gym at 2:30 p.m. A wide representation of civic, religious and patriotic groups from the Middlesex County area is expected to join the festivities, including color units from the following organizations:

All Boy Scout and Girl Scout troops in the county; all American Legion, Veterans of Foreign Wars, and Jewish and Catholic War Veterans posts; the Navy League, college Reserve Officers Training Corps units, military reserve and regular armed forces units in the greater New Brunswick area, and county and state labor organizations.

General Magalhães said that "all organizations that have national or organizational flags or pennants -- including schools, churches, civic and fraternal organizations -- are invited to participate in the parade and the 'Massing of Colors' ceremony that follows in the gym."

Those persons who want to watch the parade along the parade route are also invited to bring along their American flags, he added.

In the event of rain, color-bearing units and other spectators should assemble for the program at the Rutgers gym at 2 p.m.

William J. Kaye of North Brunswick, a past commander of the American Legion Post 25 of Milltown, is parade chairman.

Come meet the oldest and newest securities dealer in Westfield--

Butcher & Singer Inc.

Member New York Stock Exchange, Inc.

On October 25, 1976, Butcher & Singer Inc. became Westfield's newest securities dealer with the opening of offices at 127 Central Avenue.

But it's also one of the oldest dealers in the United States, tracing its history to 1764. Which means Butcher & Singer (through a predecessor) was already 28 years old when the New York Stock Exchange was founded. In fact, one of the firm's first customers was George Washington!

So even though we're new in town, we're old in experience. We haven't been in business for more than 200 years without learning how to give service and personalized attention to clients.

We'd like to show you what we can do for you. Just as we have for Butcher & Singer clients in 21 other cities in seven states.

Nine WHS Students in All-State Chorus and Orchestra -- The New Jersey Education Association annual convention in Atlantic City will conclude with the annual concert of the All State Chorus and Orchestra on Saturday. Photo, at top, shows Joseph D. Ragno, orchestra director, with Ruth Singleton, Dorothy Wetzel and Steven Greene, left to right. Pictured, below, with Edgar L. Wallace, vocal music teacher and director of the WHS Chorus, are (left to right, front row) Betty Solon, Stacey Schroepe and Linda Yegian; and (left to right, in the back row) Molly Schan, Jan Genzer and Lowell Wayman. These nine Westfield High School students were selected from students throughout the state to participate in the concert.

Mtside. Firemen at Conference

Deputy Chief Ronald N. Huter and Capt. Henry Porter of the Mountainside Fire Department attended the fall meeting of the New Jersey State Fire Chiefs' Association in the Egg Harbor City Fire Department Headquarters (Atlantic County).

Reports were heard about state and federal legislation that will benefit all firemen. There were reports of many successful Fire Prevention Week programs.

At the annual election of officers, Chief Louis H. Carlson of Wanaque was elected president. The afternoon session was devoted to an educational program, "The Women's Role in Fire Prevention".

GOP Wins WHS Debate

By Janet Lowenstein

Regardless of how any of the televised debates turned out, the Republicans won at Westfield High School.

On Friday, a formal debate was held in the high school auditorium on "whether our nation should support the Democrat platform, and elect their representatives in the general election."

The assembly was sponsored by members of the high school's Debate Club. The affirmative side was represented by juniors Kevin Kilcommons and John Bruckner. The negative side, which supported the Republicans, was represented by juniors Greg Hayt and Richard Bagger. The moderator was Kevin Smith and the timekeeper was Jim Seeman.

The main issue discussed in the debate was taxes, and which platform would reduce them more.

John and Kevin felt there is the need of change, which the Democrats represent. Taxes and unemployment must be reduced. Richard's and Greg's ideas were for the most part the opposite. They felt if a Democrat was elected there would be more taxes, more layoffs, and worse recession than before.

The debate became exciting at times when the opposite side had a chance to cross-examine the speech being made. At times the speech makers were put on the spot because they were unable to answer some of the questions being asked.

The audience, which consisted of English and social studies classes, became excited over many of the things said by the debaters.

Through the debate, it looked as if the affirmative side had won. Then Kevin Smith took a hand count, and the negative side won by a large margin.

Before the debate started, the students were told to choose the team that had more skill in its arguments, rather than on the particular party they would favor in the election.

Westfield Mayor Alexander Williams spoke at an assembly at Westfield High School last week. The assembly was originally scheduled to be a debate between the two candidates for mayor of Westfield. However, the Democratic Candidate, Peter Cowles, was unable to attend due to a previously scheduled California business trip on the day of

the assembly. Mayor Williams, for the first portion of his time, spoke on some concepts of town government. His topics in this area included measuring the efficiency of government as opposed to private sector, and the access that citizens of the town can have to the Town Council. He gave, as an example, Noel Taylor, head of the science department at Westfield High School, who gave a walking tour to some councilmen on the proposed site of Brightwood Park. Mayor Williams admired Taylor's ability to alert the councilmen to ecological aspects of the park.

Then the students in the audience were invited to ask questions of Mayor Williams. Many of the students' questions leaned toward the spending of money during Mayor Williams' term.

These questions on the economy included such topics as the widening of Central Ave., proper street lighting, the paving of Prospect and Hillside Aves., and the cost of using a certain type of curbing on town streets.

In essence, Mayor Williams' replies suggested that it would be in the best interests of the town to spend money conservatively.

The question that generated the greatest audience response was concerned with the reasons for town policemen stopping teenage drivers on the roads at night for no apparent reason, and searching their vehicles and persons. The applause that flowed from the auditorium showed the students' agreement with the points in question. Mayor Williams waited for the audience to quiet down

and responded, "I can't answer the question." He explained that the police must be given leeway to handle their job as they see fit.

According to James

Geoghegan's political theory and practice classes, who arranged the assembly, Cowles was to visit Westfield High School on Nov. 1 and present his views to the classes.

Youthful Magician Performs for Young and Old

Young, old and in-between have been enjoying the magic feats of a youthful Mountaintop magician. A junior at Jonathan Dayton Regional High School, Steven Bloom of Brookside Rd. has been performing his magic since he was in the eighth grade.

He began by appearing with a friend at the PTA fair. They continued by doing children's parties and Bloom proceeded to do a solo act when the friend moved out of the area.

He has since advanced to hospitals and clubs. Among the groups he has entertained recently have been the N.J. Association for Retarded Children, the Geriatric Wing at Overlook Hospital, Summit, a party for patients at St. Barnabas Hospital, and at a party for physicians' children at Union Memorial Hospital, Union. Also amused by Bloom's act have been a cub scout troop sponsored by the Masonic Lodge, children at the Milton School, Chatham where he taught magic at hobby day under the aegis of the Junior Women's League of Chatham and those who saw him perform at Saks Fifth Ave. and F.A.O. Schwarz recently.

Entirely self-taught in magic, young Bloom composes his own routines; his repertoire including over

Edward T. Goldberg, president, New Jersey Association of Realtors installs new officers and directors of Westfield Board of Realtors: left to right, Walter E. Eckhart, James J. Buccola, Nancy F. Reynolds, Frank J. Thiel, Warren C. Rorden, Alice Stroehle, George M. Magee and President Goldberg.

Westfield Board Installs Officers

Officers and directors for 1978-79 were installed at the recent annual installation meeting of the Westfield Board of Realtors.

Honored guests were Edward L. Goldberg of Trenton, president, New Jersey Association of Realtors, Nancy F. Reynolds, director, National Association of Realtors and past president, New Jersey Association of Realtors, and George DiMartino of Livingston, vice president, 8th district, New Jersey Association of Realtors.

Realtors and Realtor-Associates met at the luncheon meeting at the East Winds Restaurant, Scotch

Plains, to see Goldberg install the slate: President Frank J. Thiel, 1st Vice President Alice Stroehle, Second Vice President Warren Rorden, Secretary William W. Maish, Treasurer James J. Buccola and Director George G. Crane. George M. Magee and Walter E. Eckhart are currently serving as directors and Nancy F. Reynolds as director emeritus.

President Goldberg presented award plaques to retiring officers and directors for their service in the previous administration: George G. Crane, Alice Stroehle,

Warren Rorden and Hank Friedrichs.

President Goldberg presented R.R. Barrett Jr. with the Omega Tau Rho Award from the National Association of Realtors recognizing Barrett as a former statewide winner of the Community Service Award and for his long record of service to the Realtor profession.

President Goldberg addressed the Realtors with an update on statewide business conditions, developments in the legislative area and a resume of educational seminars sponsored by the state association.

honor student, is also an expert pianist. Although he loves classical music, especially Bach and Beethoven, he currently is turning his studies to jazz. Someday, Bloom said, he would like to be able to combine his two interests, piano and magic, into his performances.

The son of Dr. and Mrs. William Bloom, he is a member of Temple Emanuel, Westfield.

He expects to perform shortly for the Juvenile Diabetes group, at a benefit for Huntington's disease and at Kessler Institute, West

Orange, in addition to bringing his act to birthday parties in the area. As a member of the Key Club, a service organization at the Springfield H.S., Bloom visits the youngsters at the Children's Specialized Hospital, Mountaintop, every two weeks and performs for them.

Interested in medicine as a possible future career, "I especially enjoy," Bloom said, "helping the sick, both the tots and the aged, to forget their pains for awhile by interesting them in my magic."

Testing Solar Units

Two sets of solar energy panels are currently undergoing testing at Elizabethtown's Green Lane facility in Union.

The panels, or solar collectors, collect the sun's rays, absorbing heat that is passed on to water circulating through copper tubes which are imbedded in plates attached behind the panels. The heated water is continually pumped through the tubes to the heavily insulated and stone-lined

storage tanks. Should the water get too cold at night, the circulating pump automatically shuts off to prevent the circulation of cold water.

Solar heating does offer a feasible future source of energy but by itself is not yet practical. A solar energy unit, such as the one being tested, would cost a minimum of \$1,000 to install and is only 60 percent efficient.

Residents Have Solo Roles in Elijah

Ann Weeks and Ellen May Forsberg of Westfield will be soloists in "Elijah" by Mendelssohn at the Dunellen Presbyterian Church at 4 p.m. Nov. 14 under the direction of D. Eileen Jacob, also of Westfield. The baritone role of Elijah will be sung by Mark Hull, soloist at the Crescent Ave. Presbyterian Church in Plainfield, and Ronald Naldi of North Plainfield, outstanding opera and oratorio singer, will be the tenor.

Ann Weeks, soprano, is a graduate of Marywood College with a bachelor of music degree. She is a member of the Musical Club of Westfield and soloist for the Cranford Dramatic Club. She has performed as soloist with many local organizations in a wide

variety of repertoire from oratorio to musical comedy. Her husband, Dwight, is a real estate broker and they reside in Westfield with their two young daughters.

Ellen May Forsberg, contralto, has appeared extensively in the area in concert and oratorio. She has been a soloist with the Plainfield Symphony Orchestra, the Westfield Men's Glee Club and the Opera Theater of Westfield. She is an active member of the Westfield Musical Club and former contralto soloist with the Presbyterian Church of Westfield. She coaches with Madeline Bartell. She is the wife of Dr. Roy Forsberg and the mother of two daughters and a son.

Mark Jull of South Bound Brook graduated from

Ellen May Forsberg

Central College in Pella, Iowa with a Bachelor of Music degree. He is now studying with Eleanor Steber in New York. He has done a great deal of oratorio, opera, musical comedy and concert work in the area including the lead role with the Westfield

Ann Weeks

Community Players last spring. He has also sung with the Cranford Symphony, the Des Moines Metro Opera Co. and the Cleveland Opera Theater Ensemble. His wife Nancy is a graduate in piano and teaches piano in Mountaintop.

Band to Compete

The Band Parents Association of the WHS Marching Band leave Sunday morning for Oceanside, Long Island, to cheer the band on to what they hope will be the thrill of victory. Having successfully completed their hosting of their second annual Invitational here Nov. 24, the band now winds up its season of competitions.

The Band Parents Association reserved a parents' bus for those interested in going and a few seats are still available at a nominal cost. Anyone interested may contact Ed Petz of 833 North Avenue. The competition at Morris Knolls was cancelled last Sunday due to rain but plans are being made to reschedule it. The band front took first place in Class A at Berkeley Heights Oct. 10.

College Men Seek Members

The Westfield College Men's Club has opened its 54th annual drive for membership, the main fund raising effort to assist young men of Westfield to attend institutions of higher learning, either college or technical school.

The drive is in the form of letters sent to men of the community requesting they join the club and asking a friend to join with them. There are no monthly meetings - only the payment of dues, a scholarship dinner - dance in the spring, and the scholarship awards presentation in the spring as a commitment.

This year the club has elected the following officers: Bruce A. Jamieson, president; Robert E. Ellsworth, vice-president; Donald Alpaugh, treasurer; and Richard Lewis, secretary. Members of the board of trustees include Richard Lewis, Charles L. McGill, Ellsworth, Stuart Mencher, George Plenty, John Jaruzelski, Donald Chichella, James Hay, Robert Fuhrman, James

Kennedy, Thomas Ricker and Robert C. Doherty.

Anyone who has not received a letter and is interested may contact Stuart Mencher, 226 Linden Ave., membership chairman, or Bruce A. Jamieson, president.

To Exhibit At Gallery 9

D. Haskell Chhyu of 12 Oxford Rd., will exhibit her recent drawings in the "Line by Line" show of drawings at Gallery 9, 9 N. Passaic Ave., Chatham, from Nov. 5 through Dec. 1. The other show artists are John Angelini, George Chase, William Gorman and S. Allyn Schaeffer.

A graduate of the University of Massachusetts, Mrs. Chhyu recently returned from Paris, where she studied at the American Center for Students and Artists with Jean Lodge, at the Ecole Nationale Supérieure des Beaux Arts with Matthey and Dayez and at Atelier 17 with S.W. Hayter, well known teacher and engraver. She had a one woman show in Paris and also exhibited in the 83e Exposition de la Société des Artistes Indépendants, the Salon des Artistes Français, where she won a bronze medal, the Salon des Femmes Peintres, Garveurs et Sculptors, and Le Cheval d'Art in Paris, as well as in salons in Bougival, Chantilly, Deauville, Fontainebleau and Maison-Lafitte in France. Her works are included in the collections of the Bibliothèque Nationale and the Restaurant Jamin in Paris, the offices of the Irish Export Board at EEC

Headquarters in Brussels, and the First National Bank of Boston.

Mrs. Chhyu had one woman shows in Massachusetts and Vermont in 1972-3 and has won awards in group exhibitions in the U.S. and abroad. In 1970 she has included in the Monmouth Museum Print Exhibition in Red Bank and at the Salon de Grabado, the Museo Espanol de Arte Contemporaneo in Madrid and in 1971 in the 4th International Pratt Print Competition, the Albany Institute Biennial, the Miniature Society in Washington, D.C., and the Louisiana Watercolor Exhibition. In 1972 she was included in the Hunterdon Print Exhibition, the Old Bergen Art Guild annual traveling exhibition and the Salon de Grabado in Madrid.

Attend Convention

Mary E. Tierney, senior vice president-administration and secretary and Barbara H. Tillyer, assistant vice president, United Counties Trust Company, recently attended the 54th annual convention of the National Association of Bank Women, Inc., in New York City. More than 1,000 women bank officers from 50 states attended.

Grant parents Cappi Post, left, and Gail Pollak help at the checkout table at the annual Grant PTO Book Fair, held in conjunction with the Grant Back-to-School-Night on Thursday. Part of the proceeds from the fair will be used to buy library materials for the Grant Learning Center.

Two of the Forty Cub Scouts of Pack 172 were Kenny O'Brien and David Lavine who participated in a four hour hike last Saturday in the Watchung Reservation.

50 Explore, Hike in Park

Fifty Cub Scouts and fathers of Pack 172 set out last weekend from Benjamin Franklin School for an afternoon of exploring and hiking in the Watchung Reservation. Bill O'Brien

organized the three mile hike and the afternoon's activities including rock climbing, confidence building, and cooking hot dogs.

Bob Kerwin supervised instruction which was given by Frank Rodgers and his two sons, Boy Scouts Ray and Dave Rodgers, showing how to start a fire with only wood. Boy Scouts John Brunquell and Rob Ferencik showed how to start a fire with flint and steel wool.

Hiking, Biking

On Calendar

A ramble, two hikes and a bike ride are planned for members and guests of the Union County Hiking Club this weekend.

A ramble in the Palisades, led by Ray Carriere, will be held on Saturday, with participants meeting just past the Essex toll barrier on the Garden State Parkway at 9 a.m.

On Sunday, Nancy Wolff will lead a hike in the Tuxedo, N.Y. Circular. Hikers should meet just past the Essex toll barrier, Garden State Parkway, at 8:15 a.m.

Also on Sunday, Bob and Anne Vogel will lead a hike in the Mt. Minni Circular, meeting at the Nomahegan Park parking lot at 8 a.m.

A 40-mile bike ride in Northern Somerset County also will be held on Sunday. Meeting place is the Lyons Erie-Lackawanna Railroad Station at 10 a.m.

the luncheon. As an added feature, Chez-Na of Westfield will present a fall fashion show featuring Israeli knit and suede outfits.

Anita Weininger, program vice-president, urges all members to attend.

Mrs. James W. Hagen

Jeanne Giguere, Mr. Hagen Exchange Nuptial Vows

Miss Jeanne R. Giguere became the bride of James W. Hagen on Oct. 24 at St. Helen's Church. The Rev. William T. Morris celebrated the three o'clock nuptial mass which was followed by a reception at Snuffy's, Scotch Plains.

The daughter of Mr. and Mrs. Gerard B. Giguere wore a wedding dress of white organza and a fingertip veil, both enhanced with lace. She carried a bouquet of stephanotis, white roses and gypsophelia.

Mrs. Robert Belair of North Plainfield was her sister's honor attendant. Bridesmaids were Miss Helen Giguere, their sister; Miss Shirley Salfi of Roselle Park and Miss Kathryn Hoey of Fairfield, Conn.

With their floor length dresses of wine colored tulle and matching floral print capes, they carried long stemmed, red roses. The bridegroom, son of

Mr. and Mrs. James J. Hagen of Nutley, had Anthony Garrigan of Westfield as best man. Ushering were his brothers, Michael, Christopher and John Hagen.

The bride attended Nathaniel Hawthorne College after graduating in 1974 from Westfield High School. She is employed by the United Jersey Bank — Central in Westfield.

Her husband, Class of 1971 at Nutley High School, attended Newark College of Engineering. He is employed by Brokaw Engineering Associates Inc. of Princeton.

After a honeymoon in the Bahamas, the couple will reside in North Plainfield.

The bride and bridegroom were honored at a pre-nuptial party by their attendants. The rehearsal dinner was given by the bridegroom's parents at the Ramada Inn, Clark.

Articles Sought For LDA Sale

Articles for the annual garage sale of the Learning Disabilities Association of Westfield and Mountainside may be left now in the garage at 131 N. Euclid Ave.

The sale on Nov. 13 is the main fundraiser for the group which assists learning disabled children by trying to achieve early detection, expanded educational programs and improved medical care for them, also by educating ourselves and others in our communities as to the nature of the children's problems as well as their needs by the educational, physical, social or emotional. Learning disabled children are of average or above intelligence and do not include those with learning problems due primarily to visual, hearing or motor handicaps, to mental retardation, emotional disturbance or environmental deprivation.

Openings for Tour Of Philadelphia

There are openings for a tour of historic Philadelphia on Thursday, Nov. 18, sponsored by the YWCA Ladies Day Out committee.

Alicia Karpati is shown accepting the gold medal and diploma for her cosmetics at the Monde Selection Olympiad held Sept. 11 in London. Pictured with her is the president of the Monde Selection jury.

Alicia Karpati Cosmetics Wins Another Gold Medal

Alicia Karpati Cosmetics, Inc. of Scotch Plains has again been awarded the Gold Medal and Diploma of the Monde Selection Olympiad for Quality Products. In previous years, first in Paris, then in Brussels and Amsterdam, and now in London, products they entered received, besides the Gold Medal, three Silver medals and one Bronze.

Along with cosmetics, various consumer products are eligible for entry in the Monde Selection Olympiad. With main headquarters in Belgium, the laboratory testing and awards ceremonies have been held in different European capitals for the last 12 years. Alicia Karpati products have been entered only in the last four years; each time honored with awards.

The Monde Selection's regulations are extremely rigid. Judging juries are more selective every year. Each entry participates in three different examinations, conducted by a select jury, taken from scientific and research branches throughout the world. The jury is alternated each year. Those products which do not attain 60 percent are points for the chemical and bacteriological analyses part of the examinations are immediately disqualified.

George and Alicia Karpati of Alicia Karpati Cosmetics arrived to the United States from Budapest, Hungary in 1957 with their daughter Noemi. Mrs. Karpati had studied and worked in the Budapest Medical Center and also trained under Dr. Tibor Haller, a leading skin specialist in Central Europe, before becoming his assistant. Until the outbreak of the Hungarian uprising, Mrs. Karpati operated her own business in Budapest where her husband had a leading textile import-export business.

Upon settling in the United States, the Karpatis organized Alicia Karpati Cosmetics, Inc. Their business has expanded to include mail order and clientele throughout the world. Their products are available also on an exclusive basis in various area pharmacies as well as at the main store in Scotch Plains.

Mrs. Karpati, who has lectured at Douglass College and for various clubs and organizations, is also the author of "Awaken Your Sleeping Beauty". The book, an immediate success and completely sold out, was the subject of several feature articles and interviews, including an appearance on WOR's Peter Lind Hayes and Mary Healy show.

Smith President To Be Guest
Jill Ker Conway, president of Smith College, will be the guest of alumnae from the Smith College Clubs of Montclair, the Oranges-Short Hills, Plainfield-Westfield, and Watchung Hills on Nov. 9. Mrs. Conway will speak at noon at Stouffer's, Short Hills, about "The Second Century at Smith" with emphasis on the special role of a women's college in today's world.

Mrs. John H. Taylor of Westfield is local chairman and coordinator for this affair.

GIFTS UNLIMITED is the name chosen by the Greater Westfield Section of the National Council of Jewish Women for its annual holiday bazaar slated for Sunday, Nov. 21, from 10 a.m.-5 p.m. at the Scotch Plains-Fairwood High School. Services by Hadassah members and friends, as well as new items of all kinds, will be sold to the highest bidder. The auctioneer will be Eli Nadelman of Cranford.

Co-Chairing the auction are Alice Cheser and Frances Daich. Heading committees are Bernice Scher, auction items; Miriam Blonsky, Marilyn Edelstein and Bernice Scher, brochures; Lorraine Itzkowitz, Marlene Oslick, Arlene Simon, catalogue; Mrs. Blonsky, Shirley Gold, hospitality; Paula Dropkin, letters; Pearl Berger and Doris Shapiro, mailings; Mrs. Daich, Estelle Finkelstein, Eleanor Maisel, Marilyn Napack, merchants' solicitation; Bunny Barry, mystery balloon; Sebel Silverman, posters; Mrs. Finkelstein, publicity. The admission charge includes refreshments. Members and friends are invited.

Anyone wishing to contribute an article or gift is asked to contact Mrs. Daich. All services and auction items will receive publicity in the auction catalogue and are tax deductible.

President of the Westfield Area Chapter of Hadassah is Marcia Cohen. Mrs. Daich is fund raising vice-president.

All proceeds from this event will go to further cancer research in Hadassah's vast medical complex at Ein Karem, Israel.

A bi-national cancer research project being carried out by Hadassah's Hematological and Immunological Departments, in conjunction with the National Cancer Institute of the U.S. National Institutes of Health, is netting encouraging results for previously hopeless cases of an acute form of Myeloid Leukemia. This pilot project has now been extended to 24 world centers under the auspices of the N.I.H.

UNICEF Cards Now at YWCA

This year, when you send holiday greetings to a friend, send a little hope to a child at the same time with UNICEF greeting cards.

The exclusive area representative for UNICEF greeting cards is the Y's Owl Gift Shoppe, located in the Westfield YW's lobby, 220 Clark St. Shop hours are 9:30 a.m. to 11:30 a.m. and 1 p.m. to 5 p.m. Mondays, Tuesdays and Wednesdays. As of Nov. 13, the shop will also be open on Saturdays from 10 a.m. to 4 p.m.

"Chez-Na" means "beautiful" in any language...

and you will look and feel beautiful when you choose from the "Chez-Na" fall collection of designer's clothes. We love our work and you are going to love us. We cater to you and alter for you at no charge.

Selecting the name of the grand prize winner, a benefit for the scholarship and education fund of the Woman's Club of Westfield, was done at the clubhouse Oct. 27 and announced that noon at the luncheon and fashion show held at the Chanticleer. Travelong, Inc. cooperated with the club in arranging the trip for two to St. Maarten, West Indies. It was won by Mrs. Alfonso Volaro of Cranford. Pictured above, from left, are Miss Diane Truex of Travelong, Mrs. Daniel Bass, Mrs. Anthony J. Stark Jr. and Mrs. Charles A. Jones, club president.

Scholarship Fund Goal Reached by Woman's Club

The benefit luncheon-fashion show of the Woman's Club of Westfield, held last week at the Chanticleer, was successful in reaching its goal this year for the Scholarship & Education Fund.

The decor of Persian red and gold was accented with precious art objects, hand work and historical treasures. The Persian theme was carried out also in colorful caftans worn by the hostesses and committee chairmen and in the musical program of piano solos by Mrs. C.H. Stuhler and songs by Mrs. Walter Macrae, soprano. The Persian Bazaar, supervised by Sara Oriental of Millburn, added to the setting. Hahne & Co. presented a parade of fashions.

Mrs. Alfonso Volaro of Cranford won the grand prize, a trip for two to St. Maarten. Other prize recipients were Mrs. Kenneth Leslie, Miss Diane Truex, Mrs. Carlyle Wieseman, Mrs. Wm. G. Hudson, Mrs. Robert Savage, Mrs. Earl Thompson, Mrs. Charles Herrmann, Mrs. Denzil Bush, Mrs. Newton Rodgers, Mrs. L.S. Bowlin, Mrs. A.J. Stark Jr., and Mrs. George Aloyeto.

As in previous years, all proceeds from this benefit are allocated to the club's fund which provides scholarships and grants to deserving and qualifying students in Westfield High School. These awards have been presented by the club since its incorporation in 1895.

Even Tots Offered Swim, Gym Classes At YWCA

Even pre-schoolers are included in the holiday season sessions at the Young Women's Christian Association. "Mommy and Me", an exercise program for mothers and pre-schoolers, will now have separate groups for 15 month olds through those two and one half and those from two and a half to three and a half.

"Tips for Tots" presents swimming instruction to those three to five years old, with their mothers, and to those four and five without mom.

Special swim classes are

also planned for kindergarten and for older children under 49 inches tall. First graders and up who are 49 inches or taller (in order to stand in the Y pools with heads above water) may join classes at Beginning, Intermediate and Advanced levels after school and on Saturdays. Advanced swimmers may also take Diving, Speed Skills and Aqua-Sprites Training to prepare them for the synchronized swimming club.

The YW gymnastics program begins with four

year olds in "Tumble Tots" progressing through three tumbling levels and gymnastics classes for grades 1-12. Older girls needing basic floor skills may be interested in Pre-Gymnastics offered Tuesdays and Thursdays at 5 p.m.

For the Junior High girls, there is Trampoline, Cheerleading, Tennis and Modern Jazz.

Registration begins Monday at the YW, by mail, phone or in person.

The YWCA is a member agency of the Westfield United Fund.

Creative Crafts '76 Opens on Sunday

Excitement, novelty, beauty, and humor have been guideposts in the invitation of craftsmen to participate in Creative Crafts '76, according to chairwomen, Mrs. William Gutman and Mrs. Mitchell Bradie, both of Mountaintop. This 11th annual exhibition and sale of contemporary crafts, sponsored by the Sisterhood of Temple Emanu-El, opens Sunday and will run through Wednesday, Nov. 10, from 11 a.m. to 9 p.m., at the temple, 756 E. Broad St.

There is a full array of handcrafted works by 150 professional artisans. Ceramics of all kinds, textiles in great variety, sculpture in every medium, glass in many modern aspects, metals used in diverse ways, wood as fun pieces and as furniture, jewelry from the exclusive finest to the popular and boutique, are among the original items of American crafts in the show.

For example, a combination of usefulness, whimsy, and quality are the "people" puppets of Danny Deangelis. Each of these wooden "people" can be a coffee table, valet, plant stand, or a "friend", according to the desires of the owner and the way in which the limbs are fastened. "You'll look at them and want to be introduced", say chairwomen Grace Gutman and Maxine Bradie.

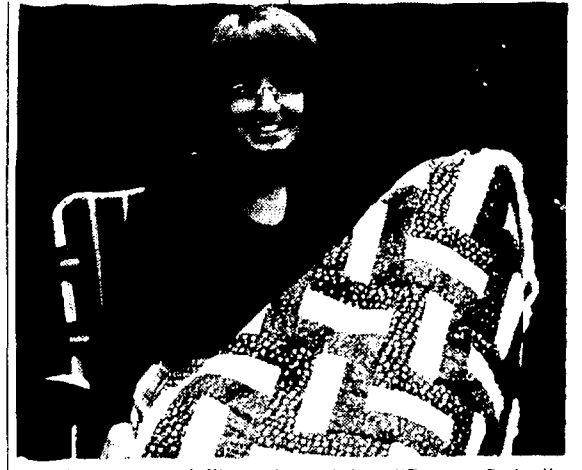

Again combining humor, utility, and novelty are the patchwork applique pillows of Betty Barcan of Westfield. Mrs. Barcan also fashions imaginative quilts to grace a child's bed.

In the realm of beauty are the sculptures of Howard C. Bredlau of Mountaintop. Works of power and esthetic impact have been created from New Jersey sandstone, Vermont marble and green

stone with bases of different woods.

Craftspeople from many parts of New Jersey and several other states are in the show. The chairmen assure "It will be a feast for the eyes".

The "inner person" need not go hungry either as luncheon will be available all day Sunday, and from noon to 2 p.m. Monday through Wednesday. Snacks and home baked cake can be obtained in the Coffee Shop throughout the show. The general admission donation is waived for senior citizens and students.

Betty Barcan of Westfield and her "Roman Stripe" patchwork quilt which will be shown at Creative Crafts '76 November 7-10.

The Rev. James Johnson

Speaker, Soloist Named For World Community Day

The Rev. James A. Johnson and Ethel Regin Ellison have been named as speaker and soloist respectively when Church Women United of the Westfield Area observe World Community Day on Friday, Nov. 5. The program, beginning at 9:30 a.m. with a social period and brief meeting, will be held in the First Congregational Church on Elmer St. All are welcome. The Rev. Johnson, whose

topic will be "Into the Third Century Unafraid," was urban minister to Westfield's First United Methodist Church from 1971-74 and is now pastor of the Clinton Avenue United Presbyterian Church, Newark. He founded and is director of the Interdenominational Choral Society of Newark, a 50 voice choir which has performed extensively singing gospel, spiritual and classic music.

Mrs. Ellison was a member of the Fisk University Choir, the Masterwork Chorus and soloist with the Newark Choral Society. She appeared in an off-Broadway production of "Jericho Jim Crow" and in "Carousel" with the Texas Theatre Art Guild. The mother of five children, she sings with the chancel choir at Clinton Memorial A.M.E. Zion Church and at the Newark Community Center of the Arts.

Overlook Auxil. Plans "Galaxy Of Gifts"

The Overlook Hospital Auxiliary and Gift Shop, which is a major Auxiliary project will hold its "Galaxy of Gifts" boutique on Sunday, Nov. 14, from noon-8 p.m. and on Monday, Nov. 15, from 10 a.m.-4 p.m. and for men only from 9 p.m. at the Beacon Hill Club, Summit. Proceeds will benefit the hospital's new CAT body scanner.

The boutique has been expanded this year to include two floors, adding more space and selling time. It will have gifts for all seasons in all price ranges. Included will be dried and silk flower arrangements, fresh plants and Christmas arrangements; jewelry, scarves, nightgowns, robes, scarves, Advent calendars,

stocking stuffers and wrappings. For the younger set, there are snack sets, bibs, toys, lamps, sleeping bags, clothes, pillows.

Also featured will be ice buckets, trays, glasses, mobiles, tree ornaments, quilts, lamp shades, miniature furniture and

accessories.

A new department "Potpourri" will include watercolors, small graphics, handcrafted jewelry, handbags, baggamon and checker boards.

Refreshments will be available throughout the day and evening.

Fall Festival At Prep School

The Parents Association of the Wardlaw Hartridge School will hold its Fall Festival, Saturday, from 10 a.m. to 4 p.m. at the Inman Avenue campus of the School in Edison. The public is invited.

The Festival will be held in conjunction with Sports Day. Wardlaw Hartridge

will host Montclair Kimberly Academy in soccer, cross-country and football.

Highlights of the fair will feature gourmet foods, a holiday boutique, and tea room. There will be carnival games, candy, stocking stuffers, jewelry, plants and baked goods. Lunch will be served; hot dogs and hamburgers will be available all day.

PEO Chapter Bridge

A dessert bridge will be held by Chapter N, P.E.O., on Saturday evening in the home of Mrs. A.J. Callahan, 1367 Chapel Hill, Mountain-side.

This was discussed at yesterday's meeting of the chapter at Mrs. W.L. Riederer's with Ruth Nornes and Beatrice Windall as co hostesses. The program was the annual Summer Days Auction.

P.E.O., an international organization of 195,000 members, is interested in bringing increased opportunities for women in higher education.

Wellesley Aides

Mrs. William E. Taylor, a class vice president, and Mrs. Harold C. Smith, a class representative, both of Westfield, attended the recent Alumnae Council at Wellesley College.

Dr. Paul Kiell of Mountainside and Westfield and Joseph S. Frelinghuysen of Far Hills will discuss their book, "Keep Your Heart Running" at the Book and Author Tea Nov. 22. Sponsored by the Woman's Club of Westfield, it will take place in the parish house of the Presbyterian Church.

Club Announces Speakers For 25th Book-Author Tea

The 25th Book and Author Tea, sponsored annually by the literature and drama department of the Woman's Club of Westfield, will be held on Monday, Nov. 22, at 2 p.m. in the parish house of the Presbyterian Church. New Jersey authors will be featured.

They are John I. White, "The Lonesome Cowboy" of the early 30s; Mary Higgins Clark from Washington Township, one of the original partners of Aerial Communications, Inc., a creator and producer of radio programs; Patricia Gauch of Bedminster, author of children's books; and Dr. Paul J. Kiell of Mountainside and Joseph Frelinghuysen of Far Hills, collaborators on the book, "Keep Your Heart Running".

Dr. Keill, a clinical psychiatrist, conducts a full-time private practice in Westfield and is clinical assistant professor at Columbia University College of Physicians and Surgeons. Besides his medical publications, Dr. Kiell has written an article for "Runner's World." An advocate of exercise as a necessary part of mental health, he has participated in and finished in the Boston Marathon in 1972, 1973 and 1974.

Joseph S. Frelinghuysen left a successful business career to devote his time to writing and to the exercise he loves. Captured and interned by the Germans in World War II, Mr. Frelinghuysen escaped from prisoner-of-war camp in Italy and found his way back to the British Eighth

Army. He has written a book recounting his war experiences. Once a high-cholesterol, bad insurance risk who thought the best years of his life had passed, Joseph Frelinghuysen by following the program outlined in their new book, "Keep Your Heart Running", ran and finished in the Boston Marathon (26 miles, 385 yards).

Following the program, guests will have an opportunity to meet the authors, buy their books and have them autographed.

Mrs. Harold H. Bracher and Mrs. Lee J. Topp are general chairmen, Mrs. George F. Weinheimer Jr. is in charge of tickets, Mrs. Anthony J. Stark, Jr., hospitality, and Mrs. George W. Fraser is in charge of book sales.

The tea is open to the public. Tickets may be obtained from any member of the committee.

Boro Club Hears From Indian Girl

The Mountainside Woman's Club reports that its international relations chairman, Mrs. Elmer Hoffarth, has received note and picture from Sousa Nita Barley, the 16 year old Cocopah Indian girl, the club has sponsored for five years through the Save the Children Foundation. It is the hope of the club that interest and concern will motivate the tenth grade youngster to continue in school. The club has purchased the book on Indian lore, "Owl in the Cedar Tree", for presentation to the Mountainside Public Library. Proceeds from the sale of this book directly benefit the American Indian Program.

Carol Sard recently attended a reception marking the opening of the new Child Care Center in Summit. She is pictured here with guests admiring one of her paintings which now hangs at the Center.

Carol Sard Exhibits at ArtMakers

Champagne will be flowing from 2:30 to 5:30 Sunday at Artmakers Gallery to mark the opening of an exhibition of recent collages, watercolors and paintings by Westfield artist Carol Sard. The public is invited.

Mrs. Sard, a graduate of Pratt Institute, has been working and teaching at Artmakers for a year in preparation for the showing. Her works are abstract and offer the viewing audience an opportunity to respond with its own interpretation

and imagination.

"My children are my best inspiration for attaching names to my work," commented Mrs. Sard. "My daughter, Elissa, age 8, did not approve of simply calling landscapes 'No. 5 or No. 12'. Frequently, Brian, age 6, would come up with the most whimsical titles."

Located in the center of Garwood at 340 North Ave., Artmakers Gallery will feature Carol Sard's works through Nov. 20. Gallery hours are daily from 10 to 5.

"Pru" has a 5' height (above ground) and 16' girth.

Art Gallery Sponsors Contest

"Pru," is a four ton boulder unearthed by excavators in Cranford in July 1975. At home in front of Terrill Gallery, 1161 Terrill Rd., Scotch Plains, she has given many people pleasure. Last Halloween the owners created a sack dress of orange, painted a pumpkin face, and pinned an astroturf stem on top for Pru. While passers-by have greatly enjoyed the outfit, disappointed exclamations follow each succeeding holiday that Pru doesn't sport a new outfit.

The directors of Terrill Gallery here announce the first Dress Pru Contest open to students of Scotch Plains-Fanwood and Westfield High School students only. Future contests will be held for other holidays and various groups including adults.

The student may enter singly or form a team of up to four students for one entry. The theme of the outfit may be anything depicting winter.

Entries must be drawn and described on one side of an 8 1/2" x 11" paper. Clearly print contestants name, address, phone number and school on the other side and mail to: Terrill Gallery Contest, 1161 Terrill Road, Scotch Plains 07076.

The costume must be designed to utilize weather-proof materials. The winner will be supplied with the materials as described on front of entry sheet by the contestant. Terrill Gallery will be of further assistance if requested by the winner.

All entries must be received by Nov. 17. The winner will be notified by Nov. 24. Pru should be dressed in her prize winning

Mineral Show At Trailside

The annual Mineral Show will be held at the Union County Park Commission's Trailside Nature and Science Center at 2 p.m. Sunday. The exhibit, arranged by the Trailside Mineral Club, will include a collection of rare minerals and polished gems as well as local minerals and crystals. "Time Is Time Was," the story of timekeeping and how astronomers are involved, will be the subject of a program at the Trailside Planetarium at 2, 3 and 4 p.m. Saturday and Sunday at 2:00 p.m., and also at 8 p.m. Tuesday.

Lincoln Federal Distributes 3,283 Yule Club Checks

The Christmas season got off to a prosperous start this week for 3,283 families, with the maturing of their 1976 Christmas Club at Lincoln Federal Savings. Robert S. Messersmith, president of the savings institution, said a total of \$585,000, the highest ever in the history of Lincoln Federal Savings, was distributed to club members when the checks became negotiable. He said it was truly gratifying to see the total again exceed \$500,000 and it also proves the popularity of Lincoln Federal's Christmas Club as a systematic method of saving for the holiday season.

Messersmith said, "Although Christmas Clubs are usually used to accumulate dollars for Christmas shopping, many people use the Christmas Club as a form of regulated thrift and deposit all or part of their club check into their regular account at Lincoln Federal Savings."

"The popularity of Christmas Club has been increasing steadily in recent years and we are extremely pleased to be able to render this important service to the communities we serve."

The new 1977 Christmas Club at Lincoln Federal Savings is now open and all are invited to join. Club classes range from 50 cents a week category up to \$10 weekly, with dividends paid

on all completed clubs. In addition, anyone opening a Christmas Club for \$1 or more, will receive free a glass candy dish with cover. 1977 Christmas Clubs may be opened at any of Lincoln Federal Savings' nine offices in Westfield, Scotch Plains, Plainfield, Stirling, Hillsborough, Brick Town, Eatontown and two in Toms River.

Lincoln Federal Savings is a member of the Federal Savings and Loan Insurance Corporation.

Fireside Forums To Begin Sunday

The first of a series of Fireside Forums, sponsored by the Center for Counseling and Human Development in Cranford, will be held on Sunday at the First Presbyterian Church in Cranford at 7 p.m. Speaking on "How Psychotherapy Heals" will be Roger W. Plantikow, director of the center.

Open to the public without charge, the forums are designed to create an awareness for local residents of the positive value of psychology and religion for human growth.

marcus digs into history

special showing fossilized ivory jewelry

3 Days Only
Thursday-Friday-Saturday
November 4-5-6
At Marcus Jewelers in
Westfield

Stanley Marcus is a romantic at heart so when he saw this jewelry created from ancient walrus and mastodon tusks, he just had to have it for his stores. The entire collection is made from fossilized ivory that was buried in the earth of Alaska for countless years absorbing minerals which give each piece a unique color and pattern. Some are carved in scrimshaw, some are uncarved...all are in unique jewelry settings of sterling silver and 14 karat gold. Dig into history with Marcus and see this rare and great collection.

from the windows of the world collection.

Rabbi Gittelsohn of Temple Israel in Boston returned to Westfield on Friday as guest speaker at a special service marking the tenth anniversary of the installation of Rabbi Charles Kroloff as spiritual leader of Westfield's Temple Emanu-El. Rabbi Kroloff had served as Rabbi Gittelsohn's assistant shortly after his ordination and Rabbi Gittelsohn was the main speaker at Rabbi Kroloff's Westfield installation in 1966.

The 65-voice Bucknell University Chapel Choir will present a concert in the First United Methodist Church in Westfield at 8 p.m. Saturday, the third stop on a three-state tour that will bring the singers to New Jersey and on to Delaware and Connecticut. John Roll, a senior in Bucknell's College of Arts and Sciences and a resident of Westfield, is the choir manager. He is the son of Mr. and Mrs. Edgar Roll of 82 Barchester Way.
Under the direction of music professor William D. McRae, the choir will sing a program of sacred and secular music.
The Bucknell choristers appear for 30 services a year in Rooke Chapel on the campus, give concert and tour performances, and broadcast occasionally. They are trained in a capella works and have built a tradition for this type of music.
The public is invited to attend the concert.

Suburban National Merges with UJB
The merger of Suburban National Bank-A United Jersey Bank, South Plainfield into United Jersey Bank-Central of Elizabeth became effective Monday, Nov. 1, it was announced today by UJB-Central Chairman Leonard Deiner and President William F. Flyge.
The consolidation of the banks, both members of United Jersey Banks, the \$1.9 billion statewide bank and financial services holding company, will create a bank with approximately \$88.1 million in assets. Plans for the merger were originally announced last April, and final approvals were received in early October.
"Our joining together with Suburban National is a natural extension of our marketing area. UJB-Central operates retail banking offices in Mountaineer and Edison offices," Flyge and Deiner said.
Central Avenue and seven other offices in Elizabeth. We welcome the opportunity to serve Suburban National consumer and commercial customers. The same staff members and officers will continue to offer them the same quality banking services at the South Plainfield and Edison offices," Flyge and Deiner said.

is sunday school out-of-date?
It's never out-of-date to understand God, and man, and the true nature of the universe. This understanding is what young people up to the age of 20 gain in our Sunday School. They're taught a warm and practical Christianity, and how to apply it to everyday problems. And as they study the Bible, together with Science and Health with Key to the Scriptures by Mary Baker Eddy, they're preparing to help solve the world's problems in the most forward-looking, fresh, and effective way. Wouldn't you like your children to visit this Sunday?

1st Federal Offers Incentives

Increased dividends and a free party time knife set for members of the 1977 Christmas Club were announced today by First Federal Savings & Loan Association.

According to Executive Vice President Michael E. Barrett, First Federal has increased the dividend for 1977 Christmas Clubs to 5 percent of the average balance for completed clubs. Citing specific examples, Barrett noted that club members selecting \$5 payment plan will pay in a total of \$250 and receive an additional \$6.25 in dividends, while members

selecting a \$20 payment plan will put in a total of \$1,000 and receive an additional \$25 in dividends. Christmas Club payments may be in any desired amount.

As an added incentive, First Federal will give Christmas Club members an attractive, durable three-piece hostess knife set for opening their 1977 Christmas Club at First Federal.

1977 Christmas Clubs may be established at any of the eight First Federal offices, located in Clark, Edison, Freehold, Mountaintop, Plainfield, South Plainfield, Westfield, and Woodbridge.

Pike 25 Years Old Tomorrow

The Nation's bicentennial is not the sole anniversary being celebrated this year. The New Jersey Turnpike is 25.

On November 5, 1951 the Turnpike opened its toll lanes from the Delaware Memorial Bridge to Bordentown, the southernmost 53 miles of the highway, and thereby ushered in a new era in transportation. Two months later, on Jan. 15, 1952, the entire 118-mile length of the toll road to Ridgefield Park was dedicated.

"The story of the Turnpike's first 25 years is an incredible one," said Authority Chairman Francis G. Fitzpatrick, "one of the most striking

aspects of the period is that today's Turnpike bears little resemblance to the four and six lane highway that coursed its way through New Jersey in 1952.

"More than two billion motorists have traveled the Turnpike during that time," he noted, "and it has undergone many and far-reaching improvements that have enhanced not only the service but patron safety as well."

The Declaration of Independence was not signed on July 4, 1776. The last signature was put in 1781.

Rowing Down the Mississippi - Actors from the Mule Barn Theater practice episodes from "Tom Sawyer" at Grant School with the help of sixth grade students Kelly Sherman and Paul Prantz (in foreground). Actors are Lynnda Ferguson and J.R. Beardsley. The play, sponsored by the P.T.A., was presented to teach students famous literature through creative dramatization.

ALL PROGRAMS ARE FOR WESTFIELD RESIDENTS ONLY

James C. West, second from right, is honored on his 90th birthday with life membership in the Old Guard by members, left to right, George Mejia, Gerard Muller, director, and Henry Geremia.

Career Education Old Guard Topic

Anthony Fotiu, career education coordinator for the Westfield school system, was the featured speaker at Thursday's meeting of the Old Guard of Westfield. Fotiu has been involved with career education since 1969 after a long and varied career in teaching. He started with 19 students and now has more than 200 enrolled in his programs.

He stresses that career education is founded on the concept of the totality of education plus work experience through a lifetime.

At present the Westfield schools make available three cooperative academic and work programs. In these programs, the students participate in academic training supplemented with a work experience, thus combining the academic and the practical. One program permits students to work in industrial plants, in offices of lawyers, engineers, doctors, etc. for half a day while spending the other half day in school. Another permits students to work as nurses assistants at Runnels hospital, working a regular shift from early morning and then attending academic courses the rest of the day. As a result of the cooperative experience, some become doctors and others become technicians, therapists, engineers, draftsmen, etc.

Fotiu believes that the combined academic and work experience prepares

students to make career decisions wisely without the disappointments that follow decisions based on incomplete knowledge or the glamorous aspects only of various careers. These programs also achieve excellent results with school-alienated youths, demonstrating to them the relevancy between academic requirements and practical work, thereby rescuing them from ending up as dropouts.

On Friday, Gerard Muller, director, accompanied by members George Mejia, Kenneth Pelton and H.J. Geremia visited James C. West to present him with a life membership badge on the occasion of his 90th birthday. Mr. West was born in Pennsylvania and came to New Jersey in 1909 to become associated with the Star Expansion Bolt Co. of Bayonne. Subsequently he rose to the position of factory manager which he held until his retirement in 1954.

The Union County Park Commission's Police Department will conduct a public auction at 10 a.m. on Saturday at the parking area adjoining the Commission's Administration Building, Acme and Canton Sts., Elizabeth.

Articles which have been unclaimed for six months or longer will be auctioned off. All items will be sold "as is" and on a "cash only" basis. Payment must be made in full and the items must be removed immediately following the sale.

Among the items to be placed on the block will be bicycles, watches, binoculars, tape decks, ice skates, baseball gloves and umbrellas.

These items can be seen on the morning of the auction at 9:30 a.m.

Jerry Crown, chairman, and Don Wortzel display some of the merchandise that has been received by Westfield - Mountaintop R'nai B'rith for its celebrity auction to be held at Temple Emanu-El on Saturday night, Nov. 20. Pat Parson, WCHS radio news anchorman, will be the auctioneer. Refreshments will be served.

Property Owners Meet Wednesday

Frank B. Cassiere, Assistant chief of management, Newark Housing Authority, will be the featured speaker at the meeting of the Property Owners Association of New Jersey at 8 p.m. Wednesday at the Coachman's Inn, Cranford.

Cassiere will address the landlord group on "How New Jersey Landlords Can Participate in Section 8 Federal Rent Subsidy Program." He will outline procedures, benefits, and options, and will answer questions from individuals present.

Also on the program will be Paul Spatz, a heating engineer, who will speak on fuel economy and efficiency for multiple dwelling properties. His talk will include special directives for achieving maximum fuel economy during the up-

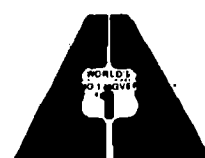

coming heating season.

A third feature of the November POA program will be a legal maintenance symposium, conducted by Walter R. Cohn, POA legal counsel, and Leonard North,

POA maintenance director. The symposium will demonstrate and clarify recent revisions to multiple dwelling regulations by the New Jersey Department of Community Affairs.

Use your "ENERGENUITY"

"Energenuity" is a word coined to get you to think about more ways to save energy. The ones you see here are a few of the common sense ways. You can think of a hundred or so more by using your *energenuity*. A lot of things happen when you do. First, you save money. Secondly, you help conserve our limited supply of natural resources, such as natural gas and oil. Thirdly, you

help America to become less dependent on foreign nations for our energy supply. (Did you know that we're more dependent on foreign oil today than at the time of the embargo just a few years ago?) Wise energy use will buy us the time to develop alternate sources of energy that are now being researched — and protect our way of life.

Upset, Tie Marks WBFL Weekend

It has to rank among the great weekends ever in the 20-year history of the Westfield Boys Football League. Two games Saturday, one seeing the league's only unbeaten junior league club falling on the game's final play. Two more games Sunday, one seeing the senior league's top two teams battle to a 7-7 tie.

SENIOR DIVISION

Bears 7, Colts 7

For 3½ periods, it was your basic battle of the defenses, and two good defenses at that. The Bears drew first blood late in the game on a 50-yard pass from Matt Clarke to John Walsh, with Roddy Yacilla taking in the PAT. The Colts battled right back with Kevin Morris hitting John Kessler late, late with a 25-yard touchdown and Mike Giacome running in the tying action point.

The Bears' defense stood out, with downmen Mike Cotter, John Mehner and Billy Craig, ends Walsh and Ken Cabarle, cornerbacks Dale Boylan and Sandy Ritchie, linebackers Clarke and Yacilla and safeties Tom Bader and Jeff Brown making most of the tackles. On offense, Yacilla and Mehner picked up good yardage and Clarke hit on several long passes.

Ken Schmalz again was the Colts' big runner, picking up 91 yards on 20 rushes. Morris kept the fans on the edge of their seats with more than a dozen on-target passes (not all of which were caught). Defensively, ends Greg Dorchech and Mike Ebert each had 11 tackles, linebackers Giacome and Kessler were outstanding, along with downmen Jeff Schneider, Greg Bunting and Dan Fabiano and safety Dave McCormick and cornerbacks Schmalz and John Schwartz.

Browns 21, Giants 6

Joe Spoto's boys were in complete control, picking up over 250 yards. Pete Bourque was the top gainer (94 yards), but it was Gene Kelly, Todd Jacobs and Sean Murphy (1 TD, 1 PAT each) who scored the points. Opening in the holes were Charlie Ruth, Willie Vaccaro, Charlie Cure, Steve Garvey, Brian McCarthy, Brian Thompson, Chris Canfield and Scott Mazza. Bourque also had 14 tackles at MLB, with lots of help from tackles Kevin Wenta (19) and Jeff Bode (13), ends David Jackson (19) and Nick Dazzo, guard Frank Whedon and safety Mike Horn.

The Giants had jumped to a 6-0 lead when Andy Haesler's 24-yard sprint set up a Jack Baldwin-to-Mike Stamer TD pass. Roger Brewster and Baldwin ran hard behind Stamer, John Taylor and Pete Murphy. Defensively, Brewster was outstanding with 18 tackles from his nose guard position. Baldwin, Doug Bothe, Bobby Saunders, Bill Carlson and Jeff Slavin helped on 'D'.

JUNIOR DIVISION

Bills 6, Raiders 4

You had to see this one to believe it. The Bills trailed 4-0 late, very late in the fourth period. A reverse brought the ball inside the Raiders' 10, but the Green Machine held for three downs. On fourth down, with only two seconds left in the game, B. Keller hit D. Houck (between four Raiders) for a touchdown and the biggest upset of the year.

The Bills' defense played outstanding ball, allowing only two safeties. D. Fabiano, D. Farris, R. McLean, J. Russitano, D. Houck, J. Schmalz, B. Weiner, B. Keller, N. Pollock, W. Devine, D. Klages, P. Denning and P. Froden have been the stickouts on a defense that hasn't allowed a touchdown in two games now. Denning made two TD-saving tackles and Pollock one.

Raiders Chris Grillo and Steve Shields were responsible for the two safeties and got defensive help from Frank Hetem, Jay Factor, John McElroy, Dom Downey, Bill Griffin, Steve Ciarocca, Rick Constantino, Mike Parrish and John Haggerty. Matt Shields went over the 100 mark again (102) with Hetem and McElroy helping.

Jets 32, Dolphins 12

The Jets, behind the running of Billy Byrne and Pete Foley, moved into a tie for first with the Raiders. Byrne had 95 yards and a TD while Foley had 72 yards, two TDs and two PATs. Paul Migliozi (on a 12-yard run) and Don Jones scored the other TDs. Byrne was the top tackler at MLB, while Pat Burgdorff (DE) and Jones (DT) played strong games. Foley, Chris Conroy, Migliozi, J.R. Dembiec and Glen Palmer all helped the defensive effort.

All-Star Grid Dinner Nov. 29

The third annual New Jersey Football All Star Dinner will take place at the Pines Manor in Edison. Dinner chairman Mill Theodosatos announced that Frank Burns, head football coach at Rutgers University, will be the keynote speaker this year.

The format of the dinner is to highlight the top 100 football players in the state of New Jersey as selected by more than 20 sportswriters from around the state. Gene Picker of the Daily Journal coordinates the selections. In the past two years, over

125 college representatives have attended the affair each year. High school seniors from all over the state may attend the dinner and talk with the college recruiters in what Theodosatos calls "Huddle Rooms". These interviews start at 11 a.m. on Nov. 29. The dinner starts at 7 p.m. and each All-Star is a guest and receives a walnut plaque for his achievements on the gridiron.

For more information contact Theodosatos at 1316 Marlborough Ave., Plainfield.

Boxing in N.J.

Behind the scenes in boxing promotion in New Jersey is the heavyweight topic for "That's It In Sports," Monday at 8 p.m. on New Jersey Public Television on channels 23, 50, 52 and 58.

For more information contact Theodosatos at 1316 Marlborough Ave., Plainfield.

Aquasprites to Swim in Mother Goose Land

The Westfield "Y" synchronized swim team and 1975 New Jersey State Champions, the Aquasprites, will start their 1976 season with a trip in fantasy to Mother Goose Land at the Wallace Pool. Children are expected to be pleased to recognize their friends Goldilocks and the Three Bears, Hansel and Gretel, Little Red Riding Hood, the Beauty and the Beast, and many more. Those of the older set will remember the nostalgic Esther Williams type precision swimming.

This year there will be four performances of the show in three days: Friday, Nov. 19 at 8:30 p.m., Saturday, Nov. 20 at 7:30 p.m. and Sunday, Nov. 21 at 6:30 p.m. There also is a special matinee Saturday, Nov. 20 at 2:30 p.m. Tickets will be available at the "Y" and from the Aquasprites. The Saturday matinee will have a special price to all members of bona fide groups of eight or more. There must be one chaperone for each eight children. This is for the Saturday matinee only.

Groups interested should contact Mrs. Ruth Paul. One hour before each performance of the watershow, there will be a boutique of handcrafted items made by the Aquasprites and their friends. Proceeds from the show will be used to help pay traveling expenses for the team for travel in New Jersey, New England and the East Coast to defend their State Championship title.

It is urged that tickets be purchased early because of limited space at the "Y".

Chiefs Lead Soccer Division II

At the end of the sixth round of Division II soccer, the eventual outcome of the final standings remains even more in doubt as a result of the Kicks first loss and a resounding win by the Olympics. The league champion could possibly emerge from any one of seven teams with only three weeks remaining.

Chiefs 2, Cosmos 1

The Chiefs were able to hold on to first place by the narrowest of margins by thwarting a tenacious Cosmos team. The Chiefs scored twice in the first half followed by the come-back goal of the Cosmos. This ended the scoring for the half and the game which turned into a defensive battle. The Cosmos' goal was scored by Christopher Dalton assisted by John Terardi. The Cosmos' defense led by Milan de Pierre in goal, and fullbacks Kevin Sullivan and Steve Murray was able to fight back the Chief's attack. Other outstanding players for the Cosmos were Kenneth Miller at center forward and Keith Verhaben at right halfback.

Timbers 3, Lancers 1

A team effort by the Timbers resulted in a 3 to 1 win over the Lancers. Paul Blanco scored two goals and Brian Lowe one, ably assisted by Dan Brutman, Daniel Biegler, Rocky Pavese, and Crissy Corbet on offense for the Timbers. The Lancer's tally came from Scott Roes with help from Craig Paulson and Steven DeFelice. The Lancers were able to sustain many long but unproductive drives by the

attackers Barry Farbstain and Steven Buontempo. Defensively, Chip Biggs, Steven Bodayla and Dean Luckenbaugh. For the Timbers, Jimmy Fisk played a super game defensively assisted by Greg Gleason, Kurt and Eric Munzinger, and goalie John Townson.

Tornados 0, Darts 0

In a very tough defensive battle, the Darts and Tornados played to a scoreless tie. Holding the defensive line for the Darts were fullbacks John Tretout, Michael Walsh, David Lovejoy and goalie Allan Chandler. The Darts were able to remain undefeated on the strong offensive play of Chris Walswee, Mike Chin, Bruce McLean and Noreen Morris. The Tornados were led by the fine individual efforts of halfbacks Jane Shubitz, Steven Valentino and Joshua Gray who moved the ball well but were unable to score. Game captain, Tom Dettre, made many superlative game-saving clearing kicks ably assisted by Keith Shannon.

Atoms 2, Kicks 1

The Atoms dominated the first half of play, scoring two goals and knocking the Kicks from the ranks of the undefeated. The Atoms' first tally came on a pass from Jill Jamieson to Paul Miller at midfield who dribbled the rest of the way and shot for the score. Paul Miller also scored the second goal on a pass from Joe Longo in the penalty area. The Kicks clearly controlled the action in the second half scoring on a pass from Alex Helander to

Mike Dineen who drilled it home. The Kicks took numerous shots on goal but were repulsed by the defensive work of goalie Scott Bode, fullback Ari Asin and halfback Ed Kim. Other standouts for the Atoms were fullbacks Peter Sherman and Rick Miller. Defensive stars for the Kicks were halfback John Guthrie and fullback Kevin Lyon.

Olympics 10, Thunders 0

In a wide-open contest, the Olympics showed great offensive strength defeating a tough Thunders' team 10-0. The Thunders, with Robert Longacker spearheading the attack at left wing, worked together aggressively and moved the ball well but were unable to get the ball in the goal.

Fullback Vince Gormally and goalie Chris Rupp turned back many of the Olympics' offensive threats.

Olympics center forward Danny Fitzgerald had 5 goals on the day along with single goals by Taylor Wright, Peter Strawbridge, John McCarvill, Jeff Weill and Louis Matino. John Osborne and David Watts gave their usual superlative efforts in their defensive position for the Olympics.

Edison Gridders Win 42-0

Edison Jr. High's ninth grade football team extended its record to 4-1 Friday with an impressive win over Cranford Orange Jr. High School, 42-0.

Fullback Jim Mahar's 100 yard plus yardage and three touchdowns led the Edison attack. For the first time in many years Edison took to the air; quarterback Tom Della Boda hit Les Burke twice for long passes that Les ran in for touchdowns. The ninth graders final touchdown came on a counter by Scott Shaffer.

Fred Lutz's extra point capped off the 42-0 score. The defensive unit of Bell Bowers and John Dooley; ends, Tom Kennelly and Doug Moore, tackles, Greg Lafferty, nose guard, Rick Elliott, Jim Mahar, linebackers, Fan Iannescollia, Scott Shaffer, cornerbacks and Dave Tibbals, Greg Powell, safeties, held Cranford Orange to but one first down the entire game. This was

the defense's second shutout in a row. Other outstanding players were Harry Bourque, Fred Lutz, Les Burke, Jack Clark and Don Cassett.

The offense gained a total of 376 yards much of that on runs by Rick Elliott, Greg Powell, Don Iannescollia, Scott Shaffer and Jim Mahar. Quarterback Tom Della Boda called a fine game mixing his passing attack with strong running.

Boosters Seek Discarded Weights

Weights no longer being used by local boys are being sought by the Westfield School Boosters Association for a local junior high school program. Anyone who wishes to donate weights may call Charles Cosenza, 233-9100, and pickup of the athletic equipment will be arranged.

Wrestling League Elects Officers

At a recent meeting of the Westfield Boys Wrestling League officers for the 1976-77 season were selected. Dick Gottlieb will serve as president while Bob Lowe and Al Wolin will be vice presidents for the junior and senior divisions respectively. John Telling as treasurer, John Brady as secretary and Charlie Burgdorf as publicity director round out the slate. This year will be the leagues 17th and everybody expects another outstanding season with a full range of wrestling activities for local youngsters.

This year's registration will again be at the YMCA and begins Saturday, Nov. 20, from 1 to 4 p.m. and continues on Saturday, Nov. 27, between 9 a.m. and noon. Parents or friends with questions, or with wrestling experience who are willing to assist may phone Dick Gottlieb at 233-6254 or Bob Lowe at 233-8225.

Bicens, 'Quakes Lead Soccer Division

The fourth week of play in the Westfield Soccer Association's Division one saw all eight teams play excellent soccer on the muddy fields of Tamaques Park.

Bicentennial 2-Cosmos 0. The Bicentennials and Cosmos hooked up in a superb soccer match on Sunday with the Bicens' holding of for a 2-0 victory. Scott Breach got the Bicentennials on the board early in the first half as he took a pass from Anthony Valles and drilled it by the Comet netminder for a 1-0 halftime lead. Late in the second half, the Bicens got an insurance goal as John Kennedy fired a bullet into the Comet net with Anthony Valles once again picking up the assist. That was the way the game ended, a 2-0 Bicentennial victory.

Playing outstanding soccer for the Cosmos were fullbacks Jim Morgan and Walter Sabanski. Providing offensive pressure was Paul Valentino while Billy O'Herron played an excellent all round game from his halfback position. Also singled out for his outstanding play was goalkeeper Dave Nathanson who made many excellent saves for the Cosmos. For the Bicentennials, Jim Engelhart and Glen Cruger provided constant offensive pressure and created many scoring opportunities. The defense was led by Dave Fitzgerald, John Biegler and Andrew Gengos.

Goalkeeper Tom Kelly played a super game while recording the shutout. Aztecs 2-Whitecaps 0. The Aztecs and Whitecaps played exciting game. The game was highlighted by constant end to end action and only excellent defense by the Aztecs prevented the Whitecaps from denting the 2-0 margin of victory. Both teams played well in the scoreless first half but in the third quarter Doug Jamieson got the Aztecs on the board with a shot that eluded the Whitecap goalkeeper. Nikhil Singh set up that goal by giving Jamieson a crisp pass right in front of the goalmouth.

Kroll Wins Men's Singles

At 10 a.m. Oct. 24 Steve Kroll met Bob Burks in the singles final of the 1976 Westfield Recreation Commission tennis tournament. At 3 p.m. Oct. 31 the final was over with Kroll a 4-6, 7-6, 6-2 winner over Burks, the 1974 champion.

A marathon match perhaps, even with no-ad scoring being used? No, just a delayed outcome because of the rain which has marred the tournament.

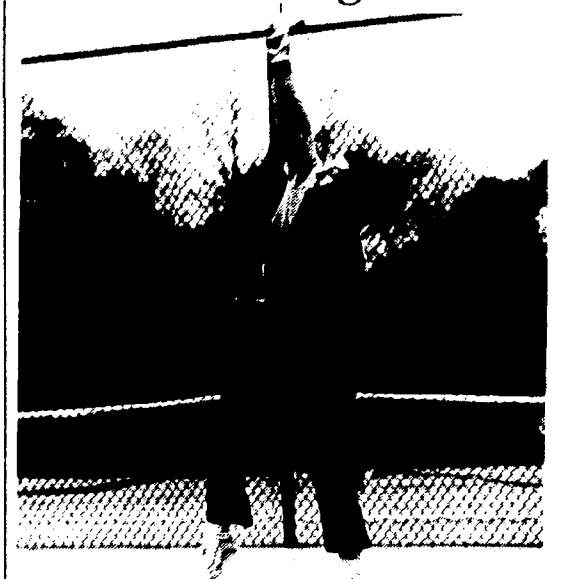

The final started under the threat of rain but it appeared the match would be completed just prior to the downpour as Burks, the fourth seed, raced to a 6-4, 5-4 lead, and won the first three points on his serve in the next game.

Burks' strong groundstrokes had kept Kroll pinned to the baseline, while his returns had minimized Kroll's strong serve.

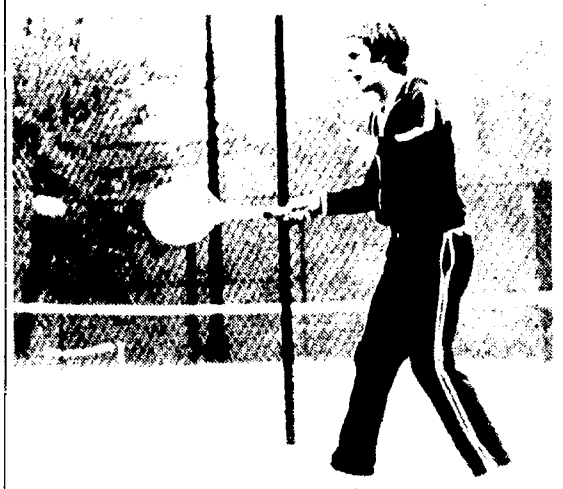

But Kroll shrugged off the four match points and levelled the second set at 5-5. Burks then broke Kroll's serve, but Kroll again broke back to force a tiebreaker. Kroll won the tiebreaker five points to three to even the match. With the score 1-1 in the third set the rains came postponing the match.

When the match resumed a week later under sunny skies, Kroll, serving effectively and rushing the net at every opportunity, won five of the last six games to capture the victory.

Earlier in the day Burks and his partner Leigh Schmalz overpowered the team of Bob and David Berenson 6-4, 6-2 to reach the doubles final. They will face the top seeded team of John Graham and Jacob Chacko Saturday at 2 p.m. at Tamaques Park.

Bob Burks, singles runner-up, serves in finals.

1976 men's singles champ Steven Kroll returns serve and wins the title.

'Quakes. The Earthquakes displayed excellent passing skills on the wet Tamaques field. The 'Quake offense which provided constant pressure was led by forwards Joe Savard, Bill Stanley and Ken Hurley. Goalie Bill Newell was sharp as he sparked the 'Quakes with his clutch saves.

Diplomats got on the board with a goal coming from a breakaway. The Earthquakes got another goal from Giancarlo Dilorio as he was once again assisted by Bruno Didario. The Quakes got their fourth and final goal as Bruno Didario scored an unassisted goal by booting his shot into the nets for a final score of 4-1.	his eleven saves.

Soph Booters 5-2 for Year

By Craig Silver
The WHS sophomore soccer team defeated Plainfield last week to end its season with a 5-2 record. The Blue Devils jumped to an early lead against Plainfield when Paul Brandstein banged a low line drive past the Cardinal goalie. Plainfield fought back to tie the game on a

penalty kick. The penalty kick was awarded when a Westfield player was called for tripping inside his own 18 yard line. Two of the last 3 goals allowed by the Devils came on penalty kicks, resulting from tripping penalties.

Dick Teller scored the winning goal in the waning moments of the game when he fired a high, hard shot past two Plainfield fullbacks and the goalie. It was Teller's first goal of the season.

The sophs outscored their opponents 19-7 throughout the season. Leading goal scorers were Pete Giordano, Gary Swart, Jorge Silva, Dave Hall and Paul Brandstein, all with two goals.

The Westfield High cross-country varsity team poses happily moments after capturing the Union County championship last week at Warinanco Park. The Blue Devils dominated the 23 team race by placing its scoring five among the top 13 finishers of the 160 man race.

Runners Tops in County

By J. Keith Walton

The Westfield High School cross-country team successfully defended its Union County Championship title last Wednesday when it scored a 28 point victory over second place Cranford, 38 to 66. The Blue Devil score was the lowest in the history of Westfield's participation in this championship. Scotch Plains and Roselle Catholic were the next two finishes. Co-captain Mike O'Brien led the Blue Devil assault by winning the individual title in 14:27, setting a new Westfield school record in the process. O'Brien took the lead away from Plainfield's Marc Poulin at the mile mark but then lost it to Scotch Plains' Matt Makowski before entering the Warinanco Park track for the final 600 yards of the race. O'Brien put on a strong finishing kick, however, and burst by Makowski to win the race by 50 yards. In so doing, he became the third Westfield harrier to win the County title and the first since Dave Coleman in 1961.

All seven Blue Devil runners placed in the top 20 of the 23 team, 160 man race. Junior Dave Miller followed O'Brien across in fifth place with a time of 14:47. Senior Chris Paul took eighth in 14:52 with sophomore Tim O'Brien finishing 11th at 15:03. Junior Mike Bailey was Westfield's fifth

scorer, placing 13th in the race with a 15:09 performance. Senior co-captain Terry Brady and junior Colin Kerwin added displacement depth, finishing 15th and 20th with times of 15:16 and 15:24.

Coach Walt Clarkson called the performance "one of the finest big meet finishes ever for a Westfield cross-country team," noting that the Blue Devils have only won the team title six times in the more than thirty year history of the meet.

The Blue Devils ran in the Watchung Conference Championships yesterday, too late for leader deadline, and will be running in the State Sectional Championships on Nov. 6. The Devils are defending champions in the state sectionals and they will be trying for their 9th win in this competition. The Harriers are expecting stronger competition this year, especially from Morristown, Columbia and Cranford, all teams with sufficient depth to mount a successful attack.

If Westfield places in the top five teams in the sectionals, as the Devils have never failed to do, then they're on to the State Groups on Nov. 13. A first or second place finish in the State Groups could then send the harriers to the State All Groups to be held on Nov. 20.

...JV Harriers Also First

Following the footsteps of the varsity team, Westfield's JV cross-country team placed first in the Union County Championships last Tuesday at Warinanco Park.

A triumvirate of Westfield JV runners, Dennis McGale, Tim Henshall and Kevin Kerwin, quickly established a dominant lead. The lead, never in danger, frequently changed hands but in the end McGale took first place at 11:46 followed by Kerwin in second at 11:48 and Henshall in third at 11:50. Plainfield, their closest competitors, took fourth and sixth places. Westfield's next runner, Gary Miller, finished eleventh at 12:17, with Terry Napier, Mike Elder and Drew Schenbre finishing just behind in twelfth, thirteenth and fourteenth.

In the developmental race, for JV seniors and second-team varsity runners, Westfield swept the first six places to turn in the

lowest score possible, 15, in its victory. Bob McDonough was first at 12:11, Jon Slates was second at 12:26 and Dave Quackenbos was third at 12:29. Fourth place went to Zeb Stewart, fifth to Ron Weiss and sixth went to Bob Mullen.

Before the race, Coach Walt Clarkson said he expected seven Westfield runners to be in the top fifteen and that the trio of McGale, Kerwin and Henshall would be right up in the thick of the race. Therefore, the excellent performances turned in by the JV team came as no surprise to Coach Clarkson. With the Union County Championships under its belt, the Westfield Cross-Country team will be trying for yet another victory at the State Sectional Championships this Saturday. The Watchung Conference Championships held yesterday were to late for deadline.

PAL to Field Cage Teams

The Westfield PAL will again in 1976 field both 7th and 8th grade basketball teams. The teams will play nearby town PAL's, a schedule of approximately 15 games is now being arranged. Tournaments which are usually played in late February and March will also be entered. The schedule is arranged in cooperation with the Westfield Basketball Association which directs the in-town basketball

program for grades 4 thru 9. On Saturday, at 9:30 a.m. at Roosevelt Jr. High School 8th grade boys from Westfield are invited to the first tryouts in determining the 8th grade team. Later in November the 7th grade boys from Westfield will have tryouts. The program is under the direction of PAL board members Bob Kenny and Terry Brady. Interested coaches should contact Brady (233-6636).

Town Tennis Tourney Nov. 13

The New Jersey Town Tennis League, a summer municipal team match program for boys and girls of ages 10-17 from 51 communities in the state, will hold the "Kodel Town Tennis Indoor Tournament" at the Inman Racquet Club in Edison, Nov. 13 as part of its winter schedule of events for youngsters in the program.

The sponsor of this indoor tournament is the Eastman Chemical Products subsidiary of Eastman Kodak Company, manufacturers of Kodol Polyester fiber, which is used extensively in tennis and other sports clothing.

The league and its tournaments have been organized by the Youth Tennis Foundation of Westfield whose purpose is to enable every youngster in the state to have the opportunity to enjoy playing tennis as part of a town team. The Kodel Tournament will bring together those players who excelled during the summer matches

and tournaments, and have expressed an interest in further competition.

Some of the towns to be represented in the tournament include Union, Westfield, Clark, Cranford, Edison, North Brunswick, Plainfield, Elizabeth, Florham Park, Chatham Township, Berkeley Heights, Mountainside, Springfield, Passaic Township, Wayne, West Orange, Glen Ridge, Millburn, Short Hills, New Brunswick, Bridgewater, Raritan and Linden.

The favorites in the four divisions of the tournament are Joe Kennedy of Millburn and Bill Olsen of Berkeley Heights in advanced boys, Yvette Wagnonsommer of Westfield (Nomahegan) Patty Hogan of Cranford in advanced girls, Rick Yawyer of Westfield and David Clapp of Bridgewater in youth boys, and Steve Chwatek of Passaic Township and Wendy Garbin of Westfield in juniors.

Tri-Delta Hosting Dinner

Celebrating its founding at Boston University on Thanksgiving Eve in 1888, Delta Delta Delta will meet for dinner in the Woman's Club of Westfield at 7 p.m. Wednesday evening, Nov. 10.

Mrs. Louis Bauer of Upper Saddle River will speak on "Greek Americana". Taped music from Tri-Delta's convention, featuring Tri-Delta

and patriotic songs will add to the evening. Joining the Westfield chapter will be the Northern New Jersey and the Bergen County chapters.

Mrs. Lawrence Wouters, chairman, is being assisted by Miss Shirley Wright, Mrs. Clyde McBride and Mrs. Robert Morbeck. Reservations may be made by calling Miss Wright or Miss Rowene Miller, president.

Ash Brook Golf

The Women's Golf Association of Ash Brook held a point tournament for the final event of the season with 4 points for an eagle, 3 for birdie, 2 for par (full handicap). Winners were: 18 hole group: first, (tie) Mrs. Wynn Kent, Mrs. Donald Chicella 36; second, Mrs. Seemon Pines 32; low gross, Mrs. Kent 87; low putts, Mrs. Edwin Meaney 30.

9 hole group: first, Mrs.

Henry Lawyer 16; second, Mrs. Roger McNeill 12; third, Mrs. Fred Riess 11; low gross, Mrs. Lawyer 58; low putts, Mrs. Lawyer 18.

Rain Continues to Plague Junior Booters

The weatherman missed again and the seven, eight and nine year olds played their sixth games of the season on wet, soggy and very sloppy fields. However, the rains did end and the sun did shine through for the Sunday afternoon matches.

It is not certain at this point whether this year's players will ever know how to play on nice dry lush green soccer fields. The crowds watched some really outstanding soccer played despite the inclement conditions. There were games on both Saturday morning and Sunday afternoon. The Saturday morning matches resulted from some previous games cancelled due to rain.

The score results indicated several significant upsets and tremendous improvement in the ability of the respective players and teamwork. All the youngsters played real well and each and every one is to be commended for his individual effort. It is obvious from their enthusiasm on the field that each player is really enjoying soccer.

Southern Division

Saturday

Beavers - 2 Elks - 1

Both teams played an outstanding match and were fairly evenly balanced. The Beavers' goals were scored by William Townsend and Jim Post. Very substantial team support came from Beavers' Matt Frawley, Timmy McCabe, Jeff Dembiec, Robert Rogers and Jim Brandt. Scott Booth, Christopher Kurz, Louis Peluso, Todd Bixler, John Juelis, Mitchell Horlick and David Gelfand played good strong games.

The Elks were on the defensive for most of the first half with outstanding goaltending by Robert Rowland. Also excellent defense by Mark and Andrew Bradley. In the second half with the score 2-0, the Elks broke through good teamwork with Robert Fuller actually booting in the goal to make the score 2-1. In the last minute of play with Chris LeWand, Damon Quirk and Neal Bradley on the field, the Elks just missed scoring the tying goal. The Barresis' Tom and Regina and Glenn McSweeney helped make it an exciting game with their play particularly in the second half.

Sunday

Leopards - 7 Bobcats - 0

The Bobcats showed tremendous improvement and played an excellent game against a pretty rugged opponent. Both teams filled the match with outstanding play. The Leopards led 3-0 at half time with two goals booted in by John Pepper early in the first quarter with John Carlo Ganas scoring one goal in the second quarter.

Ganas went on to score two more goals in the second half and a goal each was scored by Jim Miller and David Meeker. Kevin Graney had an assist from his position as half back. Other good offensive play came from Al Weigman, David Rose and Robbie Schmalz. The Leopards' defense was anchored by

outstanding play by Chris Alpaugh, Gregg Cruger, John Graney, Philip Stumvoll and Matt Cronin. The Bobcats are credited with putting forth a real genuine effort both offensively and defensively. Outstanding Bobcat performance came from forwards Danny Jacobson and Bridget Littman. Defense men Kevin Clabby, Peter Tomfohrde and Timothy Sheller put in a good game.

Hawks - 2 Dolphins - 0

This match was a hard one for the Dolphins to lose as they really played to win and exhibited tremendous improvement in soccer techniques through concerted coaching effort. The first Hawks' goal was made by David Gutterman on a pass from Billy Lister. The second goal was made by Lister assisted by Kevin Tracey. Good Hawks' defensive play was shown by Jamie Rich, Donald Reeves and Daniel Soucek. Goal keeper Richard Rocco succeeded in accomplishing his third shutout of the season.

The Dolphins defense was highlighted by Jamie Meiselmann who played very well in goal and center fullback Frank Quinn. The front line of Mike Perry, Susan Stokes, Alfred Priscoe and Scott Fehsenfeld had a number of opportunities to score but unfortunately neither had the magic formula to put the ball in the net. Keith Komar and Steve Tuzier put in strong games as half backs.

Bulls - 0 Elks - 0

Both teams played to a hard fought tie. The several scoring threats by both teams were always thwarted at the last instant by fine respective defensive efforts. Outstanding for the Bulls were goalie Paul Donolo, who handled many scoring attempts flawlessly and Bruce Hurley, left wing, who played well both offensively and defensively. Mike Herd, Craig Nye, Marc Codella, Dave Herd and Kevin DePalmer lead the defense. Pat Dineen, Dave Lomnitz and Jeff Hurley played very well for the offense.

The Elk front line, Robert Rowland, Michael Edmundson, Chris King, Tom Barresi and Andrew Bradley had several excellent chances to score which were stopped at the last moment. Damon Quirk playing goalie for the first time, did not allow a single goal. Standout performances were seen from half backs Mark Bradley, Matthew Quirk and Glenn McSweeney. The fullbacks John Pavese, Regina Barresi and Neal Bradley stopped several Bulls breakaways throughout the game.

Sharks - 7 Cougars - 1

The last game of the afternoon matched the Sharks and the Cougars. The play was much closer than the score indicates. The aggressive defense of Christin Quinn, her best game of the season, Jeff Longo, Fred Hansen was supported well by Kurt Famulare, Brian Quinn, Robby Pierce and Mat

Kunkle. Eric Berger again made the difference at mid-field by intercepting and distributing the ball with good passes to very inspired Sean Dougherty and a brilliant Peter Latartara.

For the Cougars David Gilgallen tied the game early in the first half. Although they fought hard and showed tremendous improvement over previous weeks, the Cougars could not hold back the Shark scoring attempts. Paul Maravetz played both center half and later center fullback and kept the play balanced with his long kicks to the forward line. Showing improvement at the right wing and right fullback was Todd Silbergeld, who played his best game. The Cougars played very well.

Beavers - 11 Pumas - 0

The Pumas were up against one of their toughest games of the season and are really to be commended for putting forth a magnificent effort defensively.

The Beavers' goals were scored one each by Mitchell Horlick, Matt Frawley, Scott Booth and Todd Bixler. Robert Rogers and Jim Post each scored two goals and Jeff Dembiec scored three. Joe Triasi, a brand new seven year old, played very well both in fullback and in forward position. Outstanding team play was also seen by Tim McCabe, Jimmy Brandt, John Juelis, David Gelfand and Bill Townsend. The younger contingent of John Curley, Louis Peluso and John Mackin all played a very strong game.

For the Pumas excellent defensive play was seen by Anthony Coleman, Mike Connell, Patrick Vidaver and Billy Crandall. The Hutton boys, Jim and Eric, and Margaret Latartara put forth their best efforts offensively as usual.

Northern Division

Saturday

Pythons - 1 Tigers - 0

The Pythons scored early on a crisp kick by centerforward Brian Morris set up by a cross pass from his wing Jamie Petrik. A strong defense that held the Tigers scoreless was led by halfback Neil Munzinger, David Hone and Chris Tiliyou; fullbacks, Laura Frantz, Greg Wolf and Tim Nolan; and goalie Jay Abella.

The Tiger defense that kept the game close was sparked by Doug Yarrington and David Dillon. Tiger goalkeeper, Mike Gruba turned in a fine game as did forwards Terry Hurt and Bobby Kelly.

Cheetahs - 1 Jaguars - 0

In the closing minutes of a closely contested game Rama Deodato of the Cheetahs scored the games only goal on a pass from Paul Munz. The Jaguars displayed excellent team skill and determination as

the improving Cheetahs kept the ball in the Jaguar territory most of the game. Jaguars' Charles Karustis, Anthony Spoto, Matt Cotter and Brian Meyer constantly attacked the ball and stopped various Cheetah drives spearheaded by Binny Jones, Rich Covington and Yoay Gery. Cheetahs' Dave and Scott Luckenbaugh and Jeremy and Jonathan Dowell turned in strong efforts at their defensive positions.

Badgers - 3 Lions - 1

Two quick scores in the opening minutes of play by Badger wingers Timmy Muldoon and Art Pearce typified the dazzling offensive teamwork that frequently brought an exciting crowd of spectators to its feet. The Lions' hustling defense, sparked by Jonathan Fuhrman and Craig Russell, broke the Badger onslaught and repeatedly turned back aggressive drives by Badger forwards John Staagard, Billy Vivian and Matt Zanger.

Regaining their momentum, the Lions' forward line pressed the attack. Repeated scoring attempts by Tom Duhig and Dave Schnitzer were halted by a tough Badger defense led by Bob Gude, Robby Applebaum, Kelly Kinsella and Mike Wolfson until Schnitzer landed a well-aimed score that put the game back in doubt.

The second half saw a battle of the goalkeepers as the Badgers' Craig Caruana and the Lions' George Kramer remained cool under constant pressure, breaking up many scoring attempts. Fighting to extend their lead, Badger half backs Chris Gould, Dennis Kinsella and John Warrington roamed the field, deflecting Lion attempts to launch scoring drives and executing good offensive playmaking that culminated in the third and final goal being tallied by Badger forward Sean Diver in a thrilling, action play.

Eagles - 1 Bears - 0

The Eagles finally broke into the winning column with a high powered offensive game against the Bears. The forward line of the Eagles comprised of Brian Mitchell, Robbie Carney, Lenny Arcuri, Tom Kocaj and David Good, ably supported by halfbacks Drei Krikliwy, Kevin Hall, Tommy Reiss, Andy Grey and Rusty Walker put constant pressure on the Bears' goal. The Eagles had numerous near misses until midway in the fourth quarter when Lenny Arcuri found the mark on a rebound off the Bear goalie. Playing an outstanding defensive game for the Eagles were Terry Glynn, Sammy Rapuano, Warren Wood, Tom Donnelly and goalie Tony DiAmore who played his position with great confidence.

The steady ball control of Bear center half George Roscoe contributed to the closeness of the game. Bear fullbacks John Cowles and Jim Dulan made many fine defensive tackles which took some of the pressure off goalie Mark Davidson who

turned in another strong performance.

Panthers - 2 Wolves - 1

The Panthers overcame an early 1-0 deficit to come from behind and edge the Wolves 2-1 in an exciting well played match. After a 1-0 lead on an early goal by David Zupko after Jimmy Dodd's pass, the Wolves ran into a solid defensive wall with outstanding plays by Richard Harris and David Cowell. Mike Walsh's goal evened the score at half-time. In the second half, the lone score was notched by Mike Drury on a fine play after constant pressure was applied by Gregg Frigerio, Jim Stanley and Chad Newsome. The game was extremely fast paced with end to end action resulting in several close calls that could have turned the outcome either way. Brian Walsh, Aldo Kosuch and Chris Ritchie were among those getting off good shots for the Wolves, while Mike Walsh and Mike Drury of the Panthers rushed for several good opportunities.

Sunday

Wolves - 7 Lions - 0

The Wolves' Aldo Kosuch, David Zupko, Kevin Houlihan and Brian Gillen combined for a total of 7 goals to match a win over the much improved Lions. The Match was characterized by smooth passing and fine positional play on both sides that won the appreciation of the knowledgeable soccer crowd on hand. The Lion defense, with outstanding plays by Eric Schriver, Sarah Cozewith, Tim Yorkel and Jonathan Fuhrman, amply demonstrated the basic techniques of tackling, trapping and clearing. Winger Andrew Graf was seen leading several breakouts for the Lions. The Wolves' defense led by Rolfe Gotsch, Joe Carnevale, John Telling and Timmy Dodd continuously came up with big plays with passes to forwards Chris Ritchie, Kelly Walsh and Hampden Tener.

Panthers - 5 Tigers - 1

Mike Walsh's three goal effort paced the Panthers to a 5-1 win over the Tigers. Also scoring for the Panthers was Jim Stanley and Mike Drury on a penalty shot. Mike Sadowski, Jason Berger and Marc Napoliello all played fine games to help in the winning effort. For the Tigers, Bobby McTamoney scored the goal ably assisted by Kenny Weill. David Lavine, Dave Yarrington and Doug Sherman led the Tiger forwards in an outstanding effort.

Eagles - 4 Jaguars - 0

The Eagles swooped down again on Sunday against the valiant Jaguars and came away with another win. The Eagle goals were scored on breakaways by Lenny Arcuri, Tom Kocaj and Kevin Hall and on a penalty kick by Terry Glynn. Other Eagle forwards Brian Mitchell, David Good and Tom Hanna also applied constant pressure on the Jaguar goalie Ken Burke who made several spec-

Overtime Win For Booters

By Mike Bartok

After possibly being psyched out in losing to Scotch Plains and Jefferson, the varsity soccer team quite probably "out-psyched" St. Joseph's last Saturday for a 1-0 overtime win.

The booters had lost two in a row for the first time this season to Scotch Plains and Jefferson. Scotch Plains was sky high for the Devils, knowing that if they lost they would be out of consideration for the county tournament. The Raiders also knew that they had not lost on their home field in ten straight games. Against Jefferson, Westfield was apparently intimidated by the Minutemen's physical tactics and a harsh sideline crowd.

After the Jefferson game, Coach Jim Geoghegan felt that the booters needed a psychological advantage over their opponents because he believed that "the only thing keeping the team from greatness was its confidence." So, Geoghegan decided to change the pre-game ritual. Instead of the usual bus ride to the game, the team meditated during the trip, in order to totally relax before the game.

While at the beginning of the St. Joseph's game much of the team appeared as though they were still in meditation, as the game went on, the booters became stronger and stronger. The Westfield defense stymied St. Joe's attack throughout the game, and the Devils' offense, after getting off only one shot in the first half, began to click. Although the score remained 0-0 after regulation play was over,

Westfield controlled the tempo consistently throughout the second half and particularly in the fourth quarter. Early in the overtime, tri-captain John Krakora got the ball at midfield and completed a perfect pass to Junior Ralph Diorio who was streaking down field. Diorio broke away from the two defenders and out-maneuvered the goalie to score his fifth goal of the season, which leads the team.

In the final moments of the overtime, St. Joe's put on substantial pressure, but was unable to score off sophomore goalie Rob Fishbein. St. Joe's had four indirect kicks in the last minute of overtime, with Fishbein making saves on two, another one blocked by Krakora and Bill Harries.

tacular saves including two other penalty shots. Eagle halfbacks Drei Krikliw, Tommy Reiss, and Andy Grey and Rusty Walker ably supported the forward line as well as the defense which was anchored by Sammy Rapuano, Tom Donnelly, Terry Glynn and Tony DiAmore who collectively did not allow a single shot on the Eagle goal. The Jaguar fullbacks Audra Sacco and Dave Belkin turned in an outstanding game.

Pythons - 3 Bears - 1
The Pythons outlasted the Bears 3-1 behind the hat trick performance of Brian Morris. Also turning in strong efforts for the Pythons was Jamie Petrik, Kurt Chessman, David Hone, Greg Wolf and goalie Jay Abella. Forwards Andy Collins, Rich Seely, Paul Kietlyka, John Meier and Jeff Strawbridge played their best game of the season for the Bears, while Brian Wortzel scored his first goal with a text book shot in the upper left corner. George Roscoe is credited with the assist for his set-up pass.

Badgers - 7 Cheetahs - 0
The Badgers passing

game with beautifully executed combinations by wingers Timmy Muldoon and Art Pearce, center half back Dennis Kinsella and forwards John Staagard, Billy Vivian, Mike Wolfson and Sean Diver clinched a 7-0 win for the Badgers.

Although the Cheetahs did not end up on the score card, they were never out of the game as half backs David Falk and Amy Shubitz, fed winger Rama Deodato to maintain constant pressure on a potent Badger defense led by Craig Caruana and Sean Diver, alternating at goalkeeping duties and fullbacks Robby Applebaum, Bob Gude and Kelly Kinsella. The Badgers' offensive play quickly turned into a duel between their wingers with Art Pearce landing 5 of the goals and Timmy Muldoon 2.

A strong Cheetah Defense was sparked by B.J. Taylor, but outstanding ball control by Badger halfbacks Chris Gould, Dennis Kinsella, Tracy Mencher and a scrappy John Warrington set-up the scoring drives while maintaining an impenetrable screen against the strong Cheetah effort.

Girls Seeded No. 1 in County

By Nancy Kupfer

The Westfield High School girls tennis team ended its sectional play with a 5-0 win over Montclair on Thursday, and advanced into the Group 4 state semifinals where they met Ridgewood on Tuesday, too late for the Leader deadline. If the girls survive the semifinals, they will enter the finals in Princeton tomorrow.

In the match against Montclair, Kim Schmidt, the two time state interscholastic singles champ defeated Kyle Copeland 6-3, 6-1. Second singles player Marion Dieme defeated Pam Danforth 6-2, 6-1 and

Beth Daaleman routed Jill Cassidy 6-0, 6-0. In the doubles competition Pam Stites and Terry Moore won 6-0, 6-0 over Diane Yeutter and Cindy Seigel, and the second doubles team of Janie Taylor and Barb Quackenbush defeated Clorinda Argondizza and Sue Regan 6-2, 6-0.

The girls undefeated 15-0 season places the team in the first seed position of the Union County Championships, and each of the seven starters also received a first seed position in their respective events for the championships, which will be played on November 9-10.

Girls End Season With Two Victories

By Maura Clancey

The WHS girls field hockey team completed its regular season by defeating both Cranford and Roselle Park, 3-0 and 2-0 last week.

Against Cranford, Westfield excelled both offensively and defensively. Forward line member Jacki Booth had an outstanding day, scoring two of the three goals and bringing the ball downfield many times. Peggy Morasso scored the third Westfield goal.

Fullback Robin Lawyer played an excellent game along with goalie Beth Rennicks, who turned away ten shots.

The Westfield offense registered 19 shots on goal. In the game with Roselle Park, Westfield completely dominated the play.

Both Alison Frawley and

Booth scored goals for Westfield, while the attack totaled twenty shots on goal.

Roselle Park had a few breakaways, but were checked by the Westfield defense. Rennicks made five saves on the way to her sixth shutout of the season.

Presently the girls' record stands at 11-2-2. Coach Carol Donner was pleased with her team's performance and hopes that they will continue to do as well in their post-season play.

The girls have been seeded second behind Union in the State Tournament. Yesterday they played seventh seeded Montclair in the first round, (too late for Leader deadline). In the semi-finals of the Union County Tournament the girls will face Pingry, sometime before Nov. 8.

JV Booters Extend Win Streak to 4

By Steve Sherwyn

The Westfield JV soccer team ended its regular season on a high note as they extended their winning streak to four by defeating Scotch Plains, Thomas Jefferson and St. Joseph of Metuchen.

Westfield finished the regular season with a record of 8-4-1 and is now preparing to meet Thomas Jefferson of Elizabeth in the first round of the Union County Tournament. Since Jefferson is seeded third and the Booters are seeded sixth in this eight team tournament, the game will be played at Elizabeth on Thursday Nov. 4 at 1:00 p.m.

The big man for Westfield this past week was Joe Antonuccio, who scored 3 goals and was involved in another. Antonuccio scored two of his three goals in what might be the most important game the Booters have played this season. It was a 2-1 victory over Thomas Jefferson in which Antonuccio led the way.

Playing on their home field and having an extremely vocal crowd behind them the Jefferson team came out on fire, but the Devils defense quickly put out the fire with aggressive play. Midway through the first period a Jefferson fullback was called for a hand ball inside the Jefferson penalty area. As a result of this, Westfield was awarded a penalty kick. A penalty kick almost always results in a goal and Antonuccio wasn't going to let this time be an exception.

Gymnasts Lose

By Liza Daly

The Westfield High School Gymnastic team met with J.P. Stevens of Edison last Tuesday but were defeated 71.05 to 57.35. John La France was among one of the high scorers of the team.

He received a 6.5 on vaulting. Also competing in this event were Margaret Kowalczyk and Barb Donlan. John also received the highest score for the uneven parallel bars, a 5.55, followed by Judy Handler, Mary Ann Yateilla and Elaine Schwartz.

Margaret Kowalczyk held the highest score for Westfield on the balance beam, because of her superior moves. She was followed closely by Donna Comby, Mary Beth Boyle and Zorina Bowers. In floor exercise, Donna Comby, one of the captains, received a

as he drilled a shot passed the Jefferson goalie for a 1-0 Westfield lead.

The 1-0 lead looked big as Andy Morse was turning in his best performance of the season in the goal for the Devils. However, midway through the second period, Jefferson tied the score on a head off a corner kick. The game remained tied throughout regulation and went into overtime.

In the first five minute overtime neither team mounted a serious threat. However, with a little over a minute left in the second and final overtime Britain O'Connor was pushed down inside the Jefferson penalty area. As a result Westfield was rewarded its second penalty shot of the game. Again Antonuccio was designated to take the shot. Jefferson protested angrily, but to no avail. Antonuccio stepped toward the ball and waited for the official to whistle the ball into play. The whistle blew, Antonuccio stepped into the ball, there was a roar from the Devil bench as the ball sailed into the goal for a 2-1 Westfield victory.

In the win over Scotch Plains, the lone goal in the game was scored by Tim Brownell off a Joe Antonuccio corner kick for a 1-0 Westfield victory. In Westfield's third victory of the week over St. Joseph goals were scored by Pete Giordano off a Jamie Roberts head pass and by Joe Antonuccio off a pass from Pete Giordano for a 2-1 Devil victory.

Devils Swamp Nutley, Meet Mighty Mounties Saturday

By Larry Cohen

In a game dominated by the Westfield defense, highlighted by five Devil interceptions and two fumble recoveries and marred somewhat in the first half by penalties, Westfield crushed Nutley 31-2, last Saturday.

"We gobbled them up," was the way head coach Gary Kehler summed up the defensive performance. Nutley was held to five first downs and a meager 32 yards rushing for the game.

Coach Kehler was pleased with the pass rush of the defensive line and gave it much of the credit for causing the seven Nutley turnovers, three of which led to Westfield scores. Defensive back Dennis Gibbons collected a fumble recovery and two of the interceptions.

Sixteen penalties totaling 187 yards (the total yardage for Westfield and Nutley combined in the first half was only 154 yards) slowed the action down considerably in the first half. The Devils have been penalized quite heavily all year, but Coach Kehler is not exactly sure why.

Saturday the Devils will play a game which is very important as far as the playoffs are concerned. The visitor will be powerful 5-1 Montclair, a squad Coach Kehler calls "the best team we have faced this year."

The Mounties only lost came two weeks ago to East Orange, which is 4-1 and is ranked 19th in the state by the Star Ledger. Otherwise, Montclair has been awesome, racking up 144 points thus far while allowing only 29.

On offense, the man to watch is Iron Williams, surely one of the best backs in the state. Through the first six games, Williams, a senior, has already rushed for over 1,000 yards, something no one has ever done before in one season at Montclair. In one game earlier in the year, he broke loose for 300 yards.

Complementing Williams in the backfield will be another senior, Mark Tyree, who has gained over 400 yards rushing. Surprisingly, neither of these two played offense for Montclair last year.

Quarterbacking the Mounties for Coach Butch Fortunato will be senior J.R. D'Alessandro. Obviously, Montclair does not have to pass very much, but Coach Fortunato calls

D'Alessandro "an excellent ball handler."

The Montclair defense, according to Coach Fortunato, "bends but does not break." It centers around interior linebacker Dave Lovett, who also plays center on offense. This 6'3" 220 lb. senior did not even play football last year because he wasn't interested, but Coach Fortunato feels that so far this year he has "really done an all-state job."

Things didn't start out as well as they ended up for the Devils last week. K.C. Knobloch's opening kickoff was returned 68 yards to the Westfield 24 by Nutley's Bill McDonald. Knobloch, the last man McDonald had to beat, made the touchdown-saving tackle.

No harm was done, however, as the Westfield defense allowed the Maroon Raiders only two yards on three running plays. Joe DeFurias' 27 yard field goal attempt was then wide and short.

The Devil's first score, a 34 yard Knobloch field goal, came after Bill Rippe recovered a Nutley fumble. On Nutley's next series, Gibbons picked off a pass, but his long return was nullified by a penalty. Eight plays and four infractions later however, quarterback Dean Boylan hit Scott Selert with a beautiful 27 yard touchdown pass.

With only 20 seconds remaining in the half Boylan connected with Selert again, this time on a five yard scoring toss which sent Westfield into the locker room up, 17-0.

The Devils put two more scores on the board in the third quarter. The first, a two yard plunge by Bob McNally, was set up by Frank Kelly's 28 yard gallop. Kelly scored the Devils' final touchdown on a five yard run, five plays after a Knobloch interception.

Nutley finally got something going in the fourth quarter, mostly behind the passing of quarterback Mark Scioscia. Six running plays totalling four yards and three pass completions totalling 71 gave the Maroon Raiders a first down on the Devil's 11 yard line. The big play in the drive was a 44 yard bomb to Alex Siegnano.

Gibbons thwarted the drive, however, with his second interception, but he

was tackled in the end zone for a safety, accounting for Nutley's two points.

FIFTH QUARTER

The safety was the first time Nutley has scored on Westfield since 1970... The Westfield defense rarely allows the opposition a sustained drive, but they have been susceptible to the big play. Coach Kehler calls Williams "a big play breaker"...

Boylan, who did not throw a touchdown pass in the first four games, has now thrown three scoring tosses in the last two contests... Starting halfback, cornerback and punter Owen Brand missed the entire game due to a leg injury, but he is expected back on Saturday. Knobloch filled in well at all three

positions... McNally, usually associated with his offensive skills, has the qualifications of an all-state linebacker according to Coach Kehler...

Next week: A look at the New Jersey playoff system and the Devils' position in the race.

Sophs Take Nutley 38-0

By Phil Robinson

Led by the strong play of the defense and special team units, the WHS sophomore football team continued its march to an undefeated season Monday, trouncing Nutley's Maroon Raiders by the score of 38-0.

The Devil defense, in an incredible performance, completely halted any offensive attack Nutley could muster. Holding the Maroon Raiders to just two total yards offense, negative two yards rushing and four yards passing, the Westfield defense recovered two fumbles, intercepted three passes and twice sacked Nutley quarterback Malzienski. The fumble recoveries, one by defensive end Steve Bodmer, the other by defensive tackle Mark Frega were eventually converted into Westfield scores. Malzienski's passes were intercepted by John Byrne, Fred Murphy, and Jim Tyler. Kent Baldwin and Eric Froden were responsible for the quarterback sacks.

The special team units contributed their first touchdowns of the year, both by Byrne. Late in the second quarter Byrne returned a punt 65 yards for the score. His second came on the opening kickoff of the second half. Picking up a bouncing football at his own seventeen yard line, Byrne proceeded to run 83 yards breaking four tackles in the process.

Westfield's winning touchdown came on their first possession. Halfback Ted Allen scored on a one yard plunge. The 43 yard, 9 play drive, engineered by quarterback Jack McCarthy, featured the running of Allen, who picked up 33 yards in six carries. Allen scored a second touchdown on a three yard run. Fullback Todd Kehler added the two other Devil touchdowns on sweeps of eight and five yards. With kicker Neil Desmond out with a shoulder injury, the Devils restricted themselves to two point conversion attempts. A three yard blast off left guard by Byrne was the only successful try.

While Nutley's record fell to 0-4-1, the Devils improved theirs to 6-0. The sophomores play Montclair tomorrow morning at 10 a.m. in Montclair.

Nutley Edges Beavers

By Andrew Rothman

The Westfield High B-squad ended its five game winning streak last Monday when they were edged by the Nutley Raiders, 3-0.

Beaver coaches David Cilo and Robert Brewster faced their first problem before the game began. K.C. Knobloch, who usually held the Beaver kicking duties, did not play as he started in the varsity's Saturday victory. In his place Butch Woolfolk made his kicking debut. Woolfolk started things off in the right direction, and then in the wrong. His game opening kickoff, a line drive, hit the first Nutley defender, Warren Pease, squarely in the facemask. The ball rebounded right back into Woolfolk's hands and the Beavers gained possession on their 48 yard line with six seconds elapsed.

But, that was the extent of the Beaver's good fortune. Though they out-rushed and out-passed the Raiders, they could not put any points on the board.

Once again the Beaver defense was awesome. Basil Bourque, Chris Compton,

Pete Smith, John Iglar, and Mark Andrews all registered SAC's. Along with tackles Jim Bloom and Dave Pryor, they held the Raider ground game to 38 yards.

The Raiders could find no offensive relief in the air as the Beaver defensive backfield of Dave Tomalonis, Chuck Murray, John O'Donnell, and Woolfolk did not allow Nutley QB Mark Scioscia to connect on any of his four pass attempts.

In the closing minutes of the first half, with the Raiders entering Westfield territory, O'Donnell made a key interception. He had been covering the intended receiver closely, but the pass was thrown high. O'Donnell leaped and blocked the pass. Just before hitting the field he grabbed the deflected pass, thus halting the Raider drive.

Offensively, the Beavers far outplayed Nutley. Beaver backs rushed for 128 yards and 8 first downs. The Raiders gained only 2 first downs. Beaver quarterback Matt McDonough threw well completing 7 of 9 passes for

40 yards. Mark Ciarrocca had three receptions for 14 yards. Mark Ciarrocca had three receptions for 14 yards.

Leading the Beaver ground game were Compton with 49 yards and Tomalonis, with 33 yards. Turnovers proved to be the nemesis of the Beavers. They lost the ball five times to Nutley, but the Raiders did not repay in kind, losing only one possession.

With four minutes remaining in the game Raider Joe Russo intercepted a McDonough pass on Westfield's 16 yard line. The Beaver defense held and the Raiders were faced with a fourth and 8 situation. But, because of the excellent field position obtained in the turnover Nutley kicker Andy Rylen was able to hit a 14 yard field goal.

The Beavers received the ball with one minute remaining but were unable to move into scoring position in that time.

The 5-1 Beavers meet Montclair next Monday at home. Kickoff is at 3:45.

The launching of one of several adult Monarch butterflies is observed by Jefferson School students as their teacher, Mrs. Mayzette Stover gives them final instructions. Standing are Mrs. Roberta Geyer, 34 teacher, Robert Meyer, principal and Mrs. Lenore Kalbacher, Board of Ed. representative.

Capital Savings Offers Reproductions

Charles J. Pfost, President of Capital Savings and Loan Association with offices in Cranford, Fanwood, Orange and the Linden-Roselle area, has announced that the institution is offering, for a limited time only, a choice of 20 chrome-framed art reproductions to savers making a specified deposit to a new or existing account at any office.

According to Pfost, anyone depositing \$100 or more in a new or present account can purchase an attractive reproduction by such masters as Picasso, Chagall, Toulouse-Lautrec and contemporary artists at a price substantially below retail value.

To Lead Workshop

Theodore J. Gershon, director of special needs at Union County Technical Institute and Vocational Center (UCTI-VC) in Scotch Plains, will co-chair a legislative training workshop during the New Jersey Education Association Convention in Atlantic City tomorrow.

The session, sponsored by the New Jersey Association for Vocational Education Special Needs Personnel, will introduce participants to the legislative process, and help them to establish a Legislative Task Force Network to let them become more involved in their local legislative process.

Board Okays Objectives

The Westfield Board of Education has approved the following eight objectives, prepared by School Superintendent Laurence F. Greene, for the 1976-77 school year:

1. Direct district participation in Thorough and Efficient. Report regularly to the Board of Education concerning short and long term effects of Thorough and Efficient on the goals, objectives, programs, staff, and finances of the Westfield Public Schools.

2. Revise and develop curricula in the areas of Literature, Business Education, and Economic Education.

3. Complete district wide guidance program.

4. Review data re Edison and Roosevelt junior high schools and submit a

recommended plan of organization by June, 1977.

5. Develop a comprehensive plan for staff development and in-service training.

6. Reconstitute the role of department chairpersons with emphasis on supervision of instruction and management by objectives.

7. Evaluate resource rooms for the handicapped and develop plans for their use in the instruction of handicapped students not presently enrolled.

8. Prepare report projecting use of the computer in the area of instruction, business, personnel, and special services.

The lost and found columns have no meaning for those who have lost their nerve.

Jefferson Students Free Butterflies

The scene: A bright grassy area outside the Jefferson School classroom. The time: A sunny afternoon in October. The occasion: The official launching of five Monarch butterflies which the children from the classrooms of Mrs. Mayzette Stover and Mrs. Roberta Geyer have raised from the caterpillar stage.

The boys and girls in these two cluster classrooms have been studying the life cycle of the butterfly. They have observed the Monarch progress through all its stages and have watched it emerge as an adult.

Before the outdoor launching of the adult Monarch, identification

tags were attached gently to the wings and the data sent to Dr. F. Urquhart, zoologist from the University of Toronto, Canada. Dr. Urquhart published the cover story in the August issue of National Geographic. Letters to Dr. Urquhart from the children will accompany the data. The children will ask him questions as well as relate their own observations.

The instructions for this project were given by Mrs. Molly Monica of Berkeley Hts., who is conducting field studies for Dr. Urquhart. Mrs. Monica will be at Jefferson School today to speak and give a demonstration to the children in grades one through four.

...and teacher, Mrs. Mayzette Stover, Jefferson School children anxiously await the maiden voyage of a Monarch butterfly which they have raised from a caterpillar.

Overlook Receives \$240,000 For Alcoholism Treatment

A third year grant for \$240,000 has been received by the Overlook Hospital Alcoholism Treatment Program from the National Institute of Alcohol Abuse and Alcoholism, completing the original three year grant initiated in 1974 for a \$1,000,000 total.

Citing the Overlook Alcoholism Treatment Program as one of the most comprehensive in the state, Dr. Arthur S. McLellan, Director of Community Medicine and Medical Co-Director of the unit with Dr. Daniel J. O'Connell, Director of Psychiatric Services, today pointed out:

"Overlook's program is geared to help the alcoholic, and members of the family, at any stage of need: outpatient, in-patient, emergency, detoxification, counseling, group therapy, vocational guidance, evening and weekend meetings and programs."

With an active monthly caseload of 400 patients, Overlook's Alcoholism Treatment Program is helping increasing numbers of patients in the Overlook

community.

The disease of alcoholism crosses the levels of age, sex and socioeconomic status, according to Overlook's experience. Patients range in age from 15 years to over 75, are almost equally divided as to male and female, and come from all income levels.

"A surprisingly high percentage of hospitalized patients are in hospital with alcohol-related diseases or alcohol-related accidents," he pointed out.

ATP staffers have been working with the medical and nursing staffs to intervene with early help to patients who are more receptive at a time of hospital crisis, identifying the underlying problem of alcoholism and offering a program for recovery.

"Many patients come into the program through family members who have contacted Overlook and received help from Al-Anon (for spouses) or Alateen (for children of alcoholics), both of which meet regularly at Overlook," Dr. McLellan commented.

Alcoholism is the fourth leading disease in the United States and its destructive force on the individual, the family and the community cannot be overstated, in Dr. McLellan's opinion.

"We are trying to reach people in early stages of this progressive and complex disease," he emphasized. "Many people are operating successfully in their jobs, but realize they are heading in a destructive direction. They should seek help as they would in any other disease - and they can get it by simply calling the Overlook ATP at 522-2876 (522-2000 after 5 p.m.). Sympathetic, concerned counsel and direct constructive help are as near as the telephone."

"Know thyself and do your own."

To Present Portrait Of County Nov. 17

"Portrait of a County" will be presented to the public by the Union County Cultural and Heritage Programs Advisory Board, Wednesday, Nov. 17, at 8 p.m. in the Union County Court House rotunda, Broad St., Elizabeth. The occasion celebrates the culmination of a project begun two years ago to gather a photographic history of the county. There will be a program of reminiscences and music, followed by a reception in the rotunda. The new publication of the board, "Union County Almanack," will be released.

The Cultural and Heritage Programs Advisory Board, a county agency supported by the Board of Chosen Freeholders, serves all residents of Union County through its cultural and heritage programs. At the Nov. 17 meeting, the board will honor municipal liaison representatives, bicentennial chairmen, members of Bicentennial Committees, and those who shared in the preparation of "Union County Almanack" and "Portrait of a County," lasting reminders of the bicentennial.

Board member, Zara Cohan, professor of fine arts at Kean College, developed the program when a cache of old photographs were discovered in the court-house. After an exhibition of these pictures in the rotunda, each community gathered pictures and held a month long exhibition, beginning in February 1974 and concluding in July 1976. Bicentennial chairmen and municipal liaison

representatives in each municipality cooperated with local libraries to collect material and mount exhibitions. The board provided plastic frames and technical assistance.

The permanent exhibition of "Portrait of a County" in the Court House rotunda contains photographs from all 21 communities in the county. Historical vignettes and photographs are also used in "Union County Almanack," the 32 page booklet written by Sid Frank of Springfield. Author Frank wrote the lyrics for "Jerz," "More Jerz," "Rebel," and a new musical about North Carolina.

Many of the photographs in the new publication were displayed originally at "Portrait of a County" in the various communities. Sketches, autographs, and other photos for the booklet have been loaned by the Elizabeth Public Library, Exxon Research and Engineering, Sea-Land Corp., and private collections. Graphics were under the direction of Martin Holloway, Fine Arts Department, Kean College of N.J., assisted by James Rednizak and other students in the graphic arts.

Copies of "Union County Almanack" will be available free of charge at the Nov. 17 public celebration, and following the release, at the County Courthouse, the public libraries in Union County, and the Cultural and Heritage Programs Advisory Board, MacKay Library, Union College, Cranford.

Walsh Joins College Staff

Edward Walsh of Scotch Plains has begun his duties as director of public information at Middlesex County College. His appointment was announced by Dr. Robert G. Harris, president of the college.

A journalist with more than 20 years experience in the newspaper, public relations and publication fields, Walsh had served since 1970 as an assistant to the vice president of public affairs at Union College, Cranford. He functioned primarily as director of publications as well as coordinating the activities of the Union College Alumni Association.

Beginning his career as first a circulation advisor and then reporter for the Bergen Evening Record, Hackensack, Walsh went on to editorships at the Ramapo Valley Independent, Suffern, N.Y., and the Suburban News in Westfield. He also served as an assistant editor at the Paterson Evening News. A past president of the Westfield Area Chamber of Commerce and a former vice president of the Scotch Plains Community Fund, Walsh acted as publicity director for the New Jersey Association of Advertising Publishers and was ap-

pointed by the Mayor to serve on the Westfield Community Development Corporation.

An alumnus of Bergen Junior College and Fairleigh Dickinson University, Walsh took part in 13 major campaigns and seven initial landings with the U.S. Naval Amphibious Forces in the Pacific Theatre during World War II. He and his wife, Margaret, reside at 1636 King St. in Scotch Plains with their son, Timothy, a sophomore at Scotch Plains-Fanwood High School.

Two Assailed Outside Tavern

William Jackson of Piscataway reported to police Monday that he and a companion, Abraham Zisholz of Clark had been assaulted in the parking lot of Tony's Tavern on Central Ave. Mrs. Mary Withers of 205 Cacciola Pl. also reported an assault on that day.

A larceny at the 108 Elm St. Smoke Shop was reported to police yesterday and a break-in at 722 Carleton Rd. Oct. 30. Included on the blotter this week also were numerous complaints of Halloween-season vandalism.
