Greene Opts to Close Lincoln, Grant Schools

Westfield School Superintendent Laurence F. Greene recommended Tuesday night to the Board of Education that two elementary schools — Grant and Lincoln — be removed from service in June, 1980, and that implementation of a middle school concept for grades five through eight be delayed until at least 1983 or 1984. Grant has a current school population of 204; Lincoln has 305.

Dr. Greene further recommended that no additional elementary schools be closed in 1982 as he had originally proposed in January. These had included Washington and McKinley Schools.

The superintendent also recommended that the school district delay going to a four-year high school until at least 1983 or 1984.

James J. Krieger was appointed assistant superintendent-secretary by the Westfield Board of Education at its regular May meeting Tuesday night. Krieger is presently the business administrator-board secretary for the Glen Rock Board of Education. He will begin his duties in Westfield on or about Aug. 1 and will replace Howard Tomlinson who plans to retire after more than 30 years of service in the Westfield public schools.

Prior to Greene's report to the board, a spokesman for the Concerned Citizens of Westfield pleaded, as they did in a full page ad in last week's Leader, for additional time to study the effects of any school closings. A handful of the approximately 200 residents at the meeting at Franklin School spoke at the conclusion of the long board session asking for definitions of the school district problems and additional studies.

Dr. Greene asked the Board of Education to make a decision on June 14 and to form advisory committees under each recommendation. If the board votes to close Grant and Lincoln Schools, the following four committees could be formed:

- +An Advisory Redistricting Committee to form new elementary school districts,
- +An Advisory Committee for a Four Year High School to begin study of the needs of that organization,
- +A Middle School Advisory Committee to study phasing in of an upper elementary grade and-or grades at a suitable date, and
- +A Cooperative Use Advisory Committee to study potential shared use of six elementary schools and the two intermediate schools in Westfield.

Dr. Greene's recommendations on Tuesday night reflect a change in his original proposals made in January when he suggested that two elementary schools could be closed in 1980, two more closed in 1982 and that the school district be reorganized from a kindergarten through sixth grade, seventh through ninth grade and tenth through twelfth grade organization to a 4-4-4 or Middle School plan.

Since January there have been 10 town meetings, 11 faculty meetings, three formal board hearings and a number of other meetings with local organizations at which Dr. Greene presented his original proposals and recorded input from the staff and the public.

"I did listen," he said. "I did rethink my recommendations. I did review my data."

The superintendent said his four recommendations were based on three major criteria: educational soundness, fiscal soundness and the "historical tradition of Westfield."

Six school buildings — the Elm Street administration building, Columbus School which is leased to the Union County Educational Services Commission for a county-

wide school for emotionally disturbed students, and four small elementary schools, Grant, Lincoln, McKinley and Washington — were mentioned in Dr. Greene's report in January.

"At an early town meeting," he said, "a citizen advised me to make recommendations based solely on education. I have done exactly that. No recommendation of mine has any relationship to the subject of alternate uses of any buildings."

He noted each of the buildings mentioned in January has been visited by interested people; however, he added, "Should the board decide to close schools, the way would be open for active consideration of proper alternate use."

Dr. Greene's rationale for retaining McKinley School on the southside of town and Washington School on the northside included a response to citizen concerns about distance, safety and neighborhood schools.

"Both the Grant School district and the Lincoln School district were clearly a gerrymander structured deliberately to gain equality of student load at each school," he said.

Dr. Greene said that he has the promised volunteer help of citizens, the Union County traffic office and the police to develop a plan over six months to form new school districts for the six remaining elementary schools.

Dr. Greene said he believes that the following five considerations can be accomplished with a redistricting plan: elementary students can be moved back to schools closer to their homes, crossing of main routes can be reduced, distances students now travel can be maintained or reduced, more neighborhood-like districts can be established instead of the present gerrymander, and the district's present position of equal educational opportunity can be maintained.

The superintendent's timeline proposes that the redistricting plan be developed from next October through March and that the board act on its implementation in June, 1980.

"With reduced enrollments, reduced state aid, reduced spending limits, inflation, impending contract negotiations, and especially escalating energy costs, fiscal integrity is linked inseparably with quality education," Dr. Greene said.

Accepting the challenge of meeting educational fiscal problems, Dr. Greene said that his recommendations were made with "all things considered." He asked the board to study the recommendations over the next month before making a decision. He asked for citizen involvement in serving on advisory committees.

"The most important task facing all of us is to maintain and to improve the excellence of the Westfield schools," he said.

"Perhaps this date will mark a resurgence of interest in the future of public education in Westfield."

Dr. Greene's report includes back-up information and charts concerning student enrollment, present and projected future, and available classroom space for the four categories of students to be served in the elementary schools: regular classes, self-contained special education classes, resource rooms for handicapped students and kindergarten classes. His report includes 41 pages, 16 of which are floor plans showing available classroom space in the elementary schools.

Copies of Dr. Greene's report have been placed in each school, in the municipal library and in the administration building for interested citizens to see.

The superintendent's amended recommendations were presented to the School Board and public on May 15. The board has a special meeting scheduled for June 14 to vote on the recommendations.

Greene's original proposal concerning long-range plans for school building needs was the result of one of

McCracken R-Ward 1

C. Chesney McCracken, banking executive and civic leader, is the Republican nominee for the first ward Town Council seat currently held by Frank Sullebarger. Sullebarger has declined to seek a third term.

In announcing his candidacy, McCracken praised Sullebarger for his service to the first ward and the town as a whole, citing particularly his work on the committee to study vandalism.

Robert Doherty, Westfield GOP chairman, said that McCracken's civic and business background make him "an ideal choice" to represent his ward on Town Council.

McCracken is a trustee of the United Fund of Westfield. He served the Fund in the past as chairman of the major gifts division and also as chairman of the budget review committee. He is a past president of the Westfield Adult School and of the board of trustees of the First Congregational Church. Cannon D-Ward 4

Joseph L. Cannon, announcing that he will seek the Democratic Party's nomination to represent the fourth ward in the Westfield Town Council, has issued the following statement:

"In the past, Westfield has enjoyed a reputation for providing its citizens with quality services and a distinct living environment unique among neighboring communities. However, the last several years have shown a marked disintegration in the quality of life in our community. Town Council has been more interested in keeping the 'status quo' rather than exercising leadership that meets our current and future needs."

"The taxpayers of the fourth ward have been hardest hit, and neglect has increased to an alarming degree. Despite Herb Kessler's active and effective voice in Town Council for the last two years, he often found himself unheard and outvoted by the Republican majority. With Herb's departure, we now risk even further problems."

"If the voters of the fourth ward are to be heard, we must retain our voice. I intend to follow Herb Kessler's active and hardworking role, and I ask for all of your support, both Democratic and Republican, in

Fourth ward resident Alan J. Gutterman has announced that he is a candidate for the Town Council in the June Primary. He has the unanimous endorsement of the Westfield Town Republican Committee. "I plan to campaign vigorously, meet as many people from the fourth ward as is physically possible, and seek out their needs and ideas. I've lived in Westfield for seven years and both my wife, Emmy, and I have been involved in various phases of our community life. Westfield is a well run town with many excellent services and facilities. I would like to add my efforts to the continuance of our outstanding quality of our community," Gutterman stated.

Active in the town, Gutterman served on the initial board of the Neighborhood Improvement Council with Jack Meeker, former third ward councilman and Republican nominee for Union County Freeholder, as well as with Ray Stone, present third ward councilman. He was a founding member of the YM-YWHA of Greater Westfield, has served on the board of directors since its inception and has been vice president for the past two years. He was on the

List Remains Opposed To New Gumbert Field

After touring the entire Gumbert area with local residents and walking off the measurements necessary to construct the soccer field that has been proposed for the wooded buffer zone, Mrs. Betty List, Second Ward Council woman, repeated her opposition to the project. "The existing three softball fields, badly in need of drainage improvements, are already creating hazardous traffic and safety conditions in this relatively small area," she stated. She and the residents agreed that the addition of this field will only intensify the parking and traffic

problems and destroy almost every tree that buffers this area from nearby industry - at an estimated cost in excess of \$100,000.00.

"At a time when inflation makes it difficult for the town to maintain the facilities and services we essentially have, it is essential to consider the needs of all our taxpayers," she added. The group concurred that before undertaking any new Gumbert programs, it is important to put the present fields in proper condition and to solve the urgent parking needs of the area.

"Head Shop" Restrictions Due for Town Action

Ordinances restricting "head shops" in Westfield, providing for improvements to a recreation facility on Lamberts Mill Rd. and increasing the number of applications needed for appeals to the Planning Board are expected to be introduced at a meeting of the Town Council Tuesday night.

The public session begins at 8:30 p.m. Expected to be finalized following public hearings are ordinances creating a youth concerns committee, purchasing four lots in the Munsee Way area for \$30,000, and appropriating \$10,000 for replacement of various storm sewer lines, \$35,000 for sidewalks on

South Ave. from Central Ave. to Westfield Ave., and \$63,000 for public works equipment.

Council is expected to approve an agreement with the county for the improvement of South Ave. and award a contract for improvements to Fairacres Ave.

Westfield YW Representatives To Attend Convention in Dallas

The Board, Trustees and staff of the Westfield YWCA will be represented at the 28th National YWCA Convention in Dallas, Texas, today through Tuesday.

Among (2500) women and girls from YWCAs representing every state in the U.S., Westfield's voting delegates will focus on the YW's "legacy and promise" as the largest women's movement in the world.

According to Mary Enard of Westfield, convention chairperson for the Westfield YW, each YW is a not-for-profit membership organization. Each is committed to fulfilling the purpose and "one imperative" of all YWCAs: "to draw together women and girls of diverse experiences, backgrounds and faiths, in the struggle for peace, justice, freedom and dignity for all people" and "to aim their collective power toward the elimination of racism wherever it exists and by any means necessary."

The growth of YW membership and programs since 1906, when local groups formed the National

YWCA, will underscore projections for future action to be considered by convention delegates.

"Westfield's delegates," says Mrs. Enard, "will join in discussions on societal conditions that now affect women and teenage girls in employment, health and recreation. They will exchange ideas and presentations on the development of YW programs to meet the needs of women in crisis or transition today. And bring back fresh slants on increasing membership and program opportunities for women and girls in the Westfield area."

Mrs. Enard is treasurer of the Westfield YW Board of Trustees. She will be accompanied by Board of Directors members Alice Guttdora, Health, Physical Education and Recreation chairman Michelle Healy; 1st vice-president, and Women's Program chairman, Leslie Best; Y-Teens Program chairman, and staff members Betty Keating, Women's Program Director, and Shirley Renwick, Executive Director.

Westfield Woman Sets New Record At Police Academy, Wins Fitness Award

A total of 861 push-ups and 861 sit-ups—in an hour and 45 minutes. That's the record-breaking accomplishment of Deborah Davidson of Westfield, winner of the physical fitness award presented at the Union County Police Chiefs' Training Academy commencement exercises Saturday at Union College.

The only woman in the academy's graduating class of 47 students, Miss Davidson broke all previous Police Academy records for the fitness award. She completed 41 cycles of alternating push-ups and sit-ups, which is 16 more than the academy goal.

Miss Davidson explained that a cycle of 25, which is what all police students are encouraged to strive for, consists of doing one push-up and then one sit-up and then going on to two of each and so on, up to 25 for a total of over 400 each. "I didn't think I'd make the 25 cycles; I guess I was just in the mood," she said. Two police instructors teach the physical fitness aspects of the course, which emphasizes cardio-vascular fitness. All courses in the Police Academy are coordinated by program supervisor, Chief Joseph Powers.

In her record-breaking stint, Miss Davidson exercised non-stop for one hour and 45 minutes to reach 41 cycles. "Dr. John Wolf, the Academy Director, Chief Joseph Powers, as well as my instructors were really pleased for me. I don't think a woman ever got this award before," she said.

To what does she credit her amazing ability? "I've played tennis for years, was on the Union College Tennis Team, and my partner and I were G.S.A.C. champions for Junior Colleges in the State for women in 1974. In the last two years, I've run sporadically, and I ski and enjoy working in my yard, if I have any spare time."

Deborah Davidson, a life-long Union County resident, was at Union College prior to her attendance at the Police Academy. Her college career began in the College Success Program on the Elizabeth Campus, and she graduated from Union College in 1974 with an associate degree in urban studies. She was active in student government affairs at the college, and said, "Without Union College, I never would have gone to college at all."

In 1975 she received her bachelor of arts in sociology from Fairleigh Dickinson University, and currently has accumulated 18 graduate credits. In Westfield, she was the first woman to volunteer for the Rescue Squad, and has been with the squad since 1974. In addition, she worked as a civilian dispatcher for the town, starting in 1976. She took her initial police examination in 1973, and waited over three years to be hired for a police department job. "When I first started taking police exams, I'd come in quietly and sit in the back of the room. Now things have changed and I believe that women make up at least 10 percent of the total applicants for police exams," she explained.

"It's good for women to be in law enforcement; but it is important not to lower any standards to let them in. They have to be prepared to carry their own weight," she said. On the problems she encountered during her training, she remembers the difficulty with shotgun training. She said humorously, "I had some bruises after that."

Her first police job was in March 1977, with the city of Passaic—"walking a beat." In August of that same year, she was hired as an investigator for the Union County Prosecutor, John Stamler. Her job was to help in assuring that cases go through smoothly on to the assistant prosecutor for grand jury action. "I've had a lot of good opportunities that have come to me—it's mostly being in the right place at the right time," she said.

After this assignment she went to the Major Crime Unit of Union County. However, Miss Davidson has always liked the flexibility that working with a police department allowed and enjoyed the "uniform work" associated with walking a beat. So, in February of this year, she made another change. She was accepted by the Union County Police Department and started her 12-week Police Academy Training at Union College.

"Some people may think a college campus isn't the best atmosphere for a Police Academy; but I think it's great! The chief is very fair and he encourages us all to self-discipline," she said. Her feeling is that a police officer has to be alone many times while on duty and must learn self-discipline.

"Chief Powers really sets a wonderful example, and brings out the best in us, and we all get along," she concluded. "I'm really happy right where I am right now."

Orchestral Festival Tomorrow

The Edison Junior High School Symphony and Intermediate Orchestras will participate in the 10th annual Junior High School Orchestra Festival, sponsored by the American String Teachers Association, tomorrow in the Edison auditorium between 10 a.m. and 1 p.m.

Coordinating the event is Theodore Schlosberg, instrumental music director at Edison and director of the Westfield Summer Workshop for the Creative Arts, Inc., who originated the festival in 1970 for the intermediate and junior high school levels. "Instrumental Music Parents of Edison Junior High School," established in 1971, and the first organization of parents for the purpose of supporting and encouraging a music department in a

junior high school in the area, will assist with the arrangements. Participating also will be the Concert and Cadet Orchestras of the Bridgewater-Raritan Regional School District and the Symphony Orchestra of Ewing Township, Trenton. Adjudicating at the festival will be Martin E. LeBeau, professor of music at Trenton State College, and D. R. Kulp, director of music for the West Orange school system. Events of this type provide the opportunity for young musicians to observe and hear their contemporaries perform in concert in an educational atmosphere, and permit the musical directors to gain an objective insight into their accomplishments with their students, according to Schlosberg.

Federal Debt Topic

"Should We Limit the Federal Debt?" will be the topic under discussion when Assemblyman Donald T. DiFrancesco of Scotch Plains addresses the annual meeting of the Republican Conservative Action Club of Union County at 8:15 p.m. tonight at the Woman's Club of Westfield.

Assemblyman DiFrancesco has sponsored a resolution in the State Assembly to have New Jersey join with some 30 other states in calling for a Constitutional Convention to set a limit on the National debt. It is said that nothing, since the British burned Washington in 1812, has so alarmed the Liberal Establishment on the Potomac as the possibility that the taxpayers might act to curtail deficit spending, the cause of inflation.

First elected to the New Jersey Assembly in 1975, Assemblyman DiFrancesco serves on the Institutions, Health and Welfare and the Banking and Insurance Committees. He is the

Donald D. Francesco

candidate of the Republican Party organization for State Senator from the 22nd Legislative District. If his candidacy is confirmed by Republican voters in the June Primary, DiFrancesco will represent the Republican Party in the General Election this fall. Tonight's meeting is open to the public. Guests will be welcome.

Hospital Plans Program To Prevent Thumb-Sucking

Thumb sucking by young children now could mean costly orthodontic bills in the future, but Children's Specialized Hospital will tell parents how it can be prevented.

In recognition of National Better Hearing and Speech Month during May, the rehabilitation hospital will present a program for parents and nursery school professionals on how early preventative methods can overcome thumb sucking and tongue thrust, both of which could lead to or-

thodontic problems and influence speech patterns.

The free program will be held Tuesday at 8 p.m. at the hospital, located on New Providence Road, between Rt. 22 and Mountain Ave.

Mrs. Lorene L. Sherman, a certified speech pathologist on the staff at Children's Specialized Hospital, will speak on the subject and will host a question and answer session, along with an orthodontist.

Those interested in attending the program may call the hospital.

Camp Brett Seeks Funds

Camp Brett-Endeavor cares for 300 youngsters each summer in four separate encampments. These children, age eight through ten, are recommended by various organizations depending on need. Examples are the little girl sent by a welfare agency because of her need for a complete change from her unappetizing environment. Another child, well cared for by a widowed mother, was given ten days of camping experience to enable the mother to have a few days vacation for herself. Two youngsters were offered a temporary haven until a judge could determine where they were to go following the instantaneous deaths of both parents in an automobile accident.

Others come from inner cities, from broken homes, where parents are ill, or for other equally valid reasons. Camp Brett-Endeavor, during its 77 years, has served over 44,000 eight to ten year old deserving children. The camp does not discriminate as to national origin, color, creed or sex and accepts youngsters referred by various organizations and individuals such as school nurses, social services and clergy. The staff is under the leadership of Director David Haddon, serving his 13th year. During the four summer encampments, in addition to love and caring, the youngsters receive generous doses of fun, food, exercise and education. Campers arrive from numerous towns, cities and counties for each of four sessions lasting 10 days each.

The camp depends entirely upon tax-exempt donations made by its friends. The trustees hope that contributions will increase sufficiently this year to erase some of the camp's deficit in order to help more youngsters next year.

Contributions may be sent to Fred Kliner, treasurer, Camp Brett-Endeavor, 119 Meadowbrook Rd., North Plainfield, N.J. 07062.

Girls' Softball

Has 1-2 Record

The Deerfield School Girls' Softball team began their season with a solid 18-11 victory over Watchung's Valley View School, but could not sustain the pace in the second and third games.

In a rematch with Valley View, the Mountainside girls lost the game 12-11, largely due to careless errors, according to Coach Debora Clifford.

Against a fine Roselle Park team, the Deerfield nine played perhaps their most cohesive game of the year, but succumbed 8-6. Playing under different league rules, the girls could not rely on their usual offense of bunting and stealing. "The team really played well in the Roselle game," noted their coach, "and we're looking forward to continuing this in our next games." Kathy Rickerhauser pitched all three games.

Their next home game is against Roselle Park again on Tuesday.

Firework Sales Bring Arrests

Junior high school students letting off fireworks in school sparked a Westfield police and fire department investigation into illegal sales and flea markets held here recently.

The incident at the junior high followed a flea market on Sunday, Apr. 29. As a result, Police Chief James Moran sent three Westfield police officers and asked Deputy Fire Chief Walter Ridge to investigate another flea market on Sunday, May 6, where three area residents were arrested for possession and sale of fireworks. The chief said these flea markets often attract the sale of stolen goods and other illegal practices.

year old Hort St. resident who was released on his own recognizance until his court appearance today, and against a 25 year old East Broad St. resident for atrocious assault and battery. He was held in lieu of \$7,500 bail.

A Westfield High School employee reported Thursday that six black males cut the locks on six bicycles at the high school and rode off with them. Bicycles were also stolen from Lincoln Road and Seneca Pl., and a car battery was stolen from the Forest Ave. apartment parking lot.

An 18 year old Willow Grove Road resident was arrested as a fugitive from a warrant out of Clark for carrying a weapon, burglar tools, contributing to the delinquency of a minor and break and entry.

She is currently co-chairperson, Israel Task Force, Jewish Community Relations Council, a member of the district ethics committee of the New Jersey Bar Association and a member of the nominating committee of the Union County Bar Association. Since 1976 she has been listed in "Who's Who of American Women" and "Who's Who in the East."

Mrs. Span lives at 1 Fair Hill Road with her husband, Gerald, who is also a practicing attorney, and her two children, Henry and Jenny who are students at the Franklin School.

In announcing her candidacy, Mrs. Span stated: "In these times, when people are becoming estranged with government, it is essential that those in government foster and encourage citizen participation and open communications. I believe that I can offer fair, intelligent and responsive representation to the residents of the first ward. I have chosen Westfield as a place to live, a place to work, a place to bring up my children. This is a fine community, but I have noted that our local government suffers from a certain complacency, a lack of initiative and a tendency to cater to special interests, all of which can be very detrimental to the future of our town. I hope to bring to council some of the skills I have developed as an attorney and some of the concerns that I feel as a homeowner and mother of school age children."

Troop 276, NJARC Meet Local Special Needs

The Union County Unit of the New Jersey Association for Retarded Citizens (N.J.A.R.C.) and the Watchung Area Council Boy Scouts are both member agencies of the United Fund of Westfield. Like the other member agencies of the Fund, they serve the special needs of Westfielders.

For the past ten years, Boy Scout Troop 276 has combined the resources of these two agencies. It is a troop for mentally retarded men and boys, ages 11 and older. Members of the troop are able to participate in a variety of enjoyable and educational activities. Troop 276 does all the things that other Boy Scout troops do. Included in their activities is the teaching of community living awareness and skills.

The troop was recently televised on a Channel 9 program focusing on New Jersey events: troop members were preventing erosion at Boy Scout Camp Watchung by spreading wood chips from the old Rockefeller Center Christmas tree. During the winter, they participated in a Klondike Derby, a campingskills race in which they received 44 out of a possible 50 points.

A wilderness survival camping trip is planned for the end of April, and the troop will be going to Camp Watchung for a week or two during the summer.

The N.J.A.R.C. provides Troop 276 with transportation, special equipment and program ideas as well as information, resource people, and financial support.

The following letter, written by a participant in Troop 276, appeared in the January issue of "The Key," the newsletter of the Union County Unit of the N.J.A.R.C.

"Dear Uncle John and Aunt Mary:

"It's Holiday time and I am very thankful for a lot of things. I'm happy and thankful that I have warm clothes and a happy home. I'm happy I go to a school with 'special classes' for me and my friends. I'm happiest about being a Boy Scout. I joined a Special Troop in Westfield, Troop 276, and it is really great! All the other guys are sort of like me—some are older and some younger—but we all get along with each other. We have a blind scout, a scout who doesn't speak too well and there's one who always says he can't do anything and then learns that he can do just about everything when he tries. I've learned how to tie my shoes all by myself and how to tie six different kinds of knots and a lot of things about first aid too. Just this past weekend we went on a hike in the woods and I learned how to tell a fir tree from a spruce tree. I can show you what an Ironwood tree looks like. It's real hard and looks like it has muscles that you have in your arm."

"I'm so glad I learned about this Special Scout Troop. Last year we went camping overnight and I can hardly wait till I go with them this year. And we go canoeing, too. All the other scouts who help our Scoutmaster are really neat—I like them a whole lot. They teach me and are very patient when I don't catch on right away. One guy in our troop has been working hard for almost 10 years and he is almost an Eagle Scout—not quite, but he has a long string of merit badges. He's the Senior Patrol Leader. Oh! another thing we do is, the Senior Patrol Leader assigns different scouts

Westfield United Fund Agencies Join Together to Help — Troop 276 combines the resources of the Watchung Area Council Boy Scouts and the Union County Unit of the New Jersey Association for Retarded Citizens, both of which are member agencies of the United Fund of Westfield. Troop members who recently took a hike in Watchung Reservation, are (from left to right): John Casserino, Scott Gray, Wayne Davison, Richard Hearne — Scoutmaster, Gary Smitheman, Paul de Rozario, Brett Vallone, Joe Vallone, Craig Smitheman, Torin Kelly — Senior Patrol Leader, Joe Vallone — Troop Committee Chairman.

each Monday night to lead the flag salute, the Scout Oath and the Scout Law. We all memorized these things and talk about what the words mean. My Mom says I'm a much better person when I do like the Scout Law says. They all make good sense—about being honest and clean and all that.

"You know—being a Scout is so good I wish boys would join Troop 276. We have room for lots more. These guys come from Cranford, Scotch Plains, Kenilworth, Westfield, Linden and all around. We meet at Grant School in Westfield almost every Monday night. If you

know of any boys around your neighborhood, why don't you tell them to call the Unit office (322-2240) about it. I'll bet there are a lot of parents who think their sons wouldn't have a good time because they don't know how to tie their shoes or something. But like I said, we all have a great time together in Troop 276 and have fun helping each other. Some guys do need more help than others, but that's OK—sometimes two of us help one guy and together we have fun.

"I didn't really write this because I can't write very well. But I told my Mom

what to write. I forgot to tell you that I wear a uniform and I look great in it! I'm proud of being a Boy Scout now that I'm 16 years old and wish I joined five years ago when I was eleven.

"Happy Thanksgiving and Christmas to you. I hope you can visit our troop some time.

Love from your nephew, George"

Both the Union County Unit of the N.J.A.R.C. and the Watchung Area Council Boy Scouts depend on contributions to the United Fund of Westfield to continue their vital services to the Westfield community.

Reception to Honor State Sen. Russo

Friends of Anthony E. Russo will hold a cocktail party-buffet reception honoring the State Senator from the 20th Legislative District on Friday, June 15, at the Town and Campus in Union.

Thomas A. Ehrhart, chairman of the function, said the affair was being held to honor Russo on the completion of 15 years of service as a member of the Township Committee in Union Township. "Additionally," Ehrhart continued, "his friends from Union Township as well as those he has made during his 18 months as our State Senator — want to salute him, both for his service to local government and to the larger arena in which he now serves."

200 at Teacher-Parent Dialogues

More than 200 parents and teachers met at various homes in town in small groups to discuss mutual concerns within schools. These coffees were held during the past two months under the organization of the Westfield Education Association.

Hosts were Mr. and Mrs.

Jon Grossi, Mr. and Mrs. Alan Mysel, Lucille and Stephen Rosenberg, Mrs. Bud Boothe, Mrs. Arthur Kahn, Mrs. Charles Kahn, Mrs. Richard Swicker and Mrs. Robert Vivian.

Because of the interest in the dialogues, the WEA plans to resume the Parent-Teacher Dialogues next fall.

Chinese Auction Marks Lions' 55th Year

Westfield Lions are celebrating their 55th year of service to the community this month. As part of the spring festivities the club has planned a dinner at the Westwood Lounge in Gar-

wood tomorrow and a major fund raiser in the form of a Chinese auction on May 23. The auction will be held at Jefferson School at 1200 Boulevard with the doors open to the public at 7:30 p.m. Seating will be limited with reservations made by calling the club secretary. Tickets also will be sold at the door on first come basis. All proceeds will be donated to club charities.

Chamber Wine and Cheese Meeting for Retailers

Westfield Chamber retail vice president Norman Greco has announced a wine and cheese meeting from 6 to 8 p.m. Monday at Raymond's Restaurant. Greco will report on the progress of the retail division which has been meeting frequently since he assumed his present position two months ago.

All retailers are invited to attend as well as other interested Chamber members. Greco hopes to attract even more retailers than the 40 members of the retail community who attended a similar gathering in April.

It is not necessary to prepay but reservations are required for the meeting by contacting the Chamber office or Chamber president Susan Fell.

Guitar Course Offered at YMCA

Guitar instructor and performer David Shaw will be teaching a course in beginning guitar at the Westfield YMCA. Shaw, a student of the guitar and music theory, has taught and performed in the Westfield vicinity for eight years.

The course will begin May 22 and run for five weeks. Classes will be held every Tuesday from 4 to 5 p.m. Fundamental guitar skills such as basic chords, music, finger exercises, strumming, and use of the pick

will be stressed. Gaining mastery of these skills, the student will be introduced to easy songs. Enrollment is limited and the student must be at least 12 years of age.

"With Shaw's teaching and performing prowess along with his enthusiasm in the development of new students, we feel the beginning guitar course will provide a challenging and meaningful musical experience for the novice guitar enthusiast," said Youth Director David Staveley.

WHS Carnival Spotlights International Food, Traditions

by Carolyn Kilponen

The annual International Language Carnival at WHS was held Friday, May 4. This event is produced each year by students in the five high school language clubs (Italian, Latin, German, French and Spanish) with guidance from club advisors.

Each club was given a portion of the cafeteria to decorate and set up with a booth for selling food. The booths featured authentic cuisine of the countries in which the language of the represented club is spoken.

The Latin booth, bordered by two white pillars, offered Greek and Caesar salads, cookies and Zeus juice. The Italian booth, highlighted by Italy's colors of red, white and green, offered sausage sandwiches and cappuccino. The French booth, accented by its large white and blue flag on the wall behind, offered cheese fondue, quiche, rich French pastries and strawberries and cream. Next came the German booth with attractive red and white checked tablecloths, shadowed by a tarpaulin overhead. The Club offered wieners, sauerkraut, bread, rolls, pickles, potato salad

and imported German cookies and candies. The Spanish booth followed with signs reading: tacos, chili, and (mock) sangria sold by the bottle and cup. Surrounding the Spanish booth were crates of colorful flowers, also on sale.

In another section of the cafeteria canvas book bags, bumper stickers, buttons and stationary with printed foreign sayings were also sold.

Other scheduled events included Italian dances, the Maypole dance, bullfights, gladiator fights, and a Can-

Can.

The Italian club again represented the cultural aspect of Italy with a group of Italian singers. Floral skirts were seen swinging

when a group of Spanish club dancers centered around a large hat to dance "La Rapa". Chariot races put on by the Latin club were followed by a colorful Spanish pinata-breaking game.

Sophomore Emma Kuhn working at the Spanish booth selling flowers said, "The Carnival's a lot of work but it was worth it by the support from community members and the good organization of the event."

Junior Dave Dubois agreed and said, "Overall a great time was had by all."

Miss Herma Mochner, German teacher and club advisor said, "I enjoyed the activities and saw an extremely receptive crowd."

New Maintenance Program For State Facilities

Inadequate maintenance of State facilities, a serious and worsening problem which has received little attention, is the subject of a report recently released by the State Commission on Capital Budgeting and Planning. Prepared by the Capital Planning Unit in the Department of Treasury, the report, entitled "Preserving New Jersey's Investments - Recommendations for Improving New Jersey's Maintenance Program," identifies the causes of the problem and proposes corrective measures.

As differentiated from capital construction, which is defined as construction or alteration costing \$50,000 or more, maintenance refers to nonrecurring improvements and additions to property of less than \$50,000. While hundreds of millions of dollars in bonds have been approved by voters for capital construction over the past decade, low priority has been given to the preservation of the facilities constructed. Deterioration of buildings and equipment has continued despite reports by the Governor's Capital Needs Commission in 1968, the Governor's Management Commission in 1970, and the Governor's Capital Needs Commission in 1975, that maintenance of the State's capital investments was being neglected.

The new report focuses on causes of the maintenance backlog such as (1) centralized administrative process requiring the Division of Building and Construction to perform all functions; (2) cumbersome and outdated statutory requirements for advertising, bidding and contracting for maintenance projects; (3) lack of planning and poor preventive maintenance procedures at the Departmental and institutional levels; and (4) inadequate funding. The result of these administrative and statutory conditions is a large accumulation of deferred maintenance projects, delays in execution of projects ranging from six months to three years, escalation in costs associated with delays, and continuing deterioration of facilities ultimately requiring capital restoration.

The report makes six recommendations for improvement, some of which have been proposed by earlier studies, but not implemented: (1) upgrade departmental preventive maintenance operations, establish a statewide maintenance training program, endeavor to attract (technically skilled personnel), and investigate maintenance service contracts; (2) amend statutes to permit negotiated contracts without advertising or bidding for construction projects up to \$20,000 (now \$2,500) and negotiation of contracts without advertising for purchase of construction supplies and materials up to \$7,500 (now \$2,500); (3) decentralize the administrative process by delegating responsibility for processing of projects not subject to advertising and bidding to the Executive Departments; (4) amend statutes to permit waiver of performance bonds from contractors for projects under \$20,000; (5) amend statutes to permit a single bid option on projects under \$20,000 (now \$2,000), initiate multiple bidding on projects over \$20,000 with low bidders supervised by one contractor who assumes total responsibility, reduce the number of contractors from five to three; and (6) require Departments to submit maintenance plans with their requests for capital funds, and where possible increase the level of funding for urgent projects.

The New Jersey Commission on Capital Budgeting and Planning has unanimously endorsed all recommendations in the study. Copies have been sent to the Governor and all members of the State Legislature. In view of the major statutory and administrative changes needed to effect the proposals and the recent history of legislative reluctance to implement the maintenance study recommendations, action is needed to prevent New Jersey's critical maintenance backlog from growing into unmanageable proportions.

GARAGE SALE

Editor, Leader:

Once again the Gigantic Garage Sale held by the Westfield Day Care Center Auxiliary was a huge success. In spite of the unrelenting showers the community turned out for their annual supply of bargains. The rain didn't seem to dampen spirits as much as the merchandise since the same festive atmosphere always found in former years still prevailed.

For those who missed the sale we are sorry. For those who came we know you will enjoy not only your purchases, but also the memory of a fantastic sale whose profits go directly to the children at the Westfield Day Care Center. Last but certainly not least, for those who helped by donating their time, efforts, support and unflagging good cheer in very soggy conditions a heartfelt "Thank You" from the entire auxiliary.

Editor, Leader:

We are grateful for the kind calls and messages received after Julia's letter was published in the Westfield Leader. We are grateful for the help of Mr. Soprano and Mr. McHugh of Edison Junior High School where Julia lost many of her possessions during track practice.

Most of all we are grateful for the fact that two weeks after they had been taken, her things were returned to the locker room.

ABORTION ISSUE

Editor, Leader:

The Religious Coalition for Abortion Rights is protesting a bill in the N.J. Assembly to regulate abortions.

Here's what they're protesting.

The bill, sponsored by Union County Assemblymen Tom Deverin, Ray Lesniak, Lou Bassano, Donald DiFrancisco, William Maguire, and 13 other Assemblymen, establishes a woman's right to know the effects of an abortion on her life and health, and the health of children she may have later on.

It establishes her legal right to know the stage of development of her unborn baby, and what alternatives to abortion are available to her.

It protects women, especially teenagers, from being pressured into on-the-spot abortions, and

Life In The Suburbs

By Al Smith

establishes parents' right to know that their teenage daughter is considering an abortion.

It protects women from the dangers of saline abortions which have been proven 7 to 9 times more lethal to mothers than other types of abortions.

The bill requires that when the baby is aborted alive, life support systems be used just as they would be used for any other baby who is struggling for life.

And the bill requires that for the first time, accurate records be kept, thus forcing abortionists to follow sound medical procedures.

So, the Religious Coalition for Abortion Rights is protesting a woman's right to know, a living baby's right to live, and the obligation of abortionists to protect women.

Investigations have disclosed that women are dying from so-called "safe, legal abortions", and states admit they don't know how high the actual number of maternal deaths is. Women are suffering major complications from so-called "safe, legal abortions," which often require removal of all reproductive organs.

These investigations have uncovered abortion conditions and procedures which border on the sadistic, and legal laxity which permits them to continue.

The Deverin bill is a reasonable response to a critical need and it has received overwhelming support from members of the medical profession. 93 percent of doctors approached about the bill have signed petitions supporting it.

The only people who have cause to object to the Deverin bill are those who are more concerned with the privileges of get-rich-quick abortionists than with the health of women.

TENNIS

TOURNEY SUCCESSFUL

Editor, Leader:

Two weeks ago, Westfield hosted the Union County Girls' Tennis Tournament at Tamaques Park. This event was run by the Westfield Tennis Association with the sponsorship and approval of the Westfield Recreation Commission. Fifteen senior girls and nine junior girls participated. Six trophies were awarded (two in the junior division, two in the senior division, and two in the senior consolation division) and all junior non-finalists were presented with a tennis charm. Three out of the six finalists were

Westfield residents. Thirty-seven matches (half of which involved Westfield girls) were played requiring a total of 51 1/2 court hours.

We wish to thank Westfield tennis players who, for the most part, honored our request to leave courts adjacent to ongoing matches vacant. Special thanks goes to Penny Booth — an excellent and compassionate tournament director. All the girls who entered the tournament were top competitors and very good sports. The encouragement of the Westfield Recreation Commission and the patience of the Westfield tennis players made the tournament a great success.

VIOLENT CRIMES VICTIMS

Editor, Leader:

Hurt, shocked, temporarily or permanently disabled, deprived of income but faced with mounting medical and other expenses — this is too often the plight of innocent victims of violent crime.

In 1971 the State of New Jersey established a Violent Crimes Compensation Board to assist such victims.

The Violent Crimes Compensation Board has, however, encountered serious difficulties in attempting to keep up with its assigned duties — difficulties which appear to arise mainly from inadequate funding, but which in any case have resulted in long delays in the processing and payment of claims. There also has been an evidently inadequate maximum compensation.

To help residents of this vicinity to understand the work of the above-mentioned board, and the problems which it faces, a public meeting will be held at 8 o'clock on Sunday evening, in the Patton Auditorium of the First Congregational Church at 125 Elmer St. in Westfield. At this meeting, sponsored by the World Service Committee of that church, the guest speaker will be Mr. Thomas A. Kaczmarek, chairman of the Violent Crimes Compensation

Board of the State of New Jersey. All interested persons are cordially invited to attend.

RUN-ATHON SUCCESSFUL

Editor, Leader:

The sun shone the morning of Apr. 8, then came the wind, the rain, snow and sleet, but nothing deterred the more than 250 persons who participated in the Spaulding for Children Run-Walkathon.

Youngsters walked the 15 miles with balloons afloat. They started off wearing jackets, removed them to improve sunbats, and then pulled on jackets and gloves at the final stretch.

There was an atmosphere of camaraderie amongst the runners, who stretched their limits in the cause of the free adoption agency. The young woman whose maximum run had been two miles ran six; a champion, whose ultimate had been 30 miles, ran 40.

We do have a concern, however, since less than half of the participants have turned in their monies. We hope it is just a momentary lapse brought on by spring fever.

The free adoption agency is grateful for the support of these hardy, cheerful souls and all the contributors who spurred their actions. We also thank the media — and your paper in particular — for its aid in publicizing the Spaulding for Children cause.

TROOP NO. 502 ACTIVITIES

Editor, Leader:

Girl Scout Troop No. 502 from Tamaques School would like to share some of their troop activities with Westfield. In a poll, I found out that the two favored activities that the troop has done this year have been a swimming party and a program about Self Awareness. All of the Junior Girl Scout troops in Tamaques School met and

had a swimming party at the Scotch Plains Y.M.C.A. It was a "smashing success." Mrs. Glore came to Tamaques and put on a wonderful program for our troop on Self Awareness. She, too, was a "smashing success."

The troop has also finished doing both winter and spring Home Badges. Home Badges are when two or three badges are selected from the Badge Book. Mothers volunteer to run the badges. For four weeks the Scouts report to the home of the mother whose badge they have either chosen or been assigned. The badges that we have worked on so far include Writer, ToyMaker, My Camera, and Hospitality. Mary Beth Dunn is also working alone on the Collector's Badge. She has shared with our troop her large collection of seashells and rocks.

Our troop also worked on the Dramatics Badge as a troop. Under the leadership of Mrs. Vivian O'Rourke, we did many exciting things such as go to a dress rehearsal of the musical play, "Brigadoon," that was being put on by the Community Players. We also learned to express ourselves without the use of words. We have done other exciting things with other mothers.

Our troop doesn't have very many more meetings, but two of the biggest events of the year are approaching very quickly. One is the Girl Scout Fly Up. The other is the Encampment at Camp Lou Henry Hoover. We are now preparing for it under the skilled direction of Mrs. Leona Dunn and Mrs. Battaglia. Everyone is excited about the weekend up at camp. Cookouts and just having fun are two of the highlights of the Encampment. The fifth and sixth graders who have been up once or twice before are excited about the trip, and the fourth graders are all anxious to see it.

I'd like to close this article with some thoughts and opinions about Girl Scouting. Sixth grader Susie Crosby says that she will almost definitely join Girl Scouts next year. When asked about her favorite activity this year, Andrea Malkin exclaimed that she couldn't choose between Mrs. Glore and the swimming party. Allison Zolotor smiled and said that she agreed with Andrea. Selling cookies was fun, too. Mrs. Malkin, our organizer, says that she enjoys working with the girls.

Thank you, Mrs. Malkin and Mrs. Volino, for always being there when the troop needed you. Remember — if you're between the grades of 2 and 12, then it's not too late to join for next year. And if you're over the age limit, be a leader or just "help out." Girl Scouts need you!

WEEK OF: MAY 17, 1979

AQUARIUS — January 21 - February 19
Lucky in love — at home, away, married, single. Finances are favored — a good time to discuss new opportunities. Family life's less than harmonious; best to stay in background.

PISCES — February 20 - March 20
Friendship — the Platonic variety — is featured now. Career promises aren't fulfilled — yet. Family life can be hectic throughout the weekend. Don't fight it; join in the fun.

ARIES — March 21 - April 20
A preview week — you get a sneak look into future happenings. Influential person contacts you. Good time to think thin — then do something to get yourself into magnificent shape.

TAURUS — April 21 - May 22
Return overdue books, write overdue letters, then sit back and enjoy what's left of a relaxing week. Phone messages can get twisted, so verify matters before you're conclusion-jumping.

GEMINI — May 23 - June 21
Pride can be punctured around the weekend, but avoid the blues — and take on competition. Decorating and painting are favored. Stomach can be a little sensitive.

CANCER — June 22 - July 22
Don't be so obvious in romance. In business, however, be uncommonly forthright. Easy to get immersed in personal affairs of remote acquaintances. Thursday and Sunday are lucky days.

LEO — July 23 - August 22
Keep informed — you've got to be up to the moment. Yours is a supporting role now, but it brings awards. Good time to review miscellaneous papers.

VIRGO — August 23 - September 22

The Westfield Recreation Department believes that "the play's the thing". The young thespians of the Drama Workshop plan to carry out that feeling at 8 p.m. Saturday in the auditorium of the Elm Street School.

Three comedies dealing with life in a veterinarian's office, a ridiculous Mexican law and a valet's ability to outsmart his employer's admirers, will be presented to friends and family. Included in the casts will be Tammi Lowery, Kim Kirkley, Karla Zingerman, Jennifer Freedman, Marygrace Maresca, Susan Crane, Carey Cannon,

Observe Literary Day

On Literary Day, Monday, May 7, students at Jefferson School had an opportunity to interact with members of the community on such diverse topics as film and picture taking, newspaper writing with emphasis on sports, the design and manufacture of children's toys, and techniques for Story Telling.

Dr. Myra Weizer from Kean College, Joe Callabrese, sports editor of the Courier news, and Mrs.

Kathy Veness, a Jefferson parent involved in toy designing, all spoke to various classes about their areas of expertise. Members of the Library-Media Club at Kean College presented children's books to the K-3 grades, using a variety of storytelling techniques. The program was coordinated by Mrs. Lillian Lemke, literary Day chairperson, and Mrs. Emily Robison, Jefferson School media specialist.

Burn Unit Director Visits Westfield Squad

Each month the Westfield Rescue Squad has a training session for its members. At the last session Dr. Frederick Fuller, the director of the Burn Therapy Unit at St. Barnabas Medical Center was invited as guest speaker. Training Lt. Jim Englert made the arrangements.

Dr. Fuller gave a lecture to the members and then showed slides to illustrate

the work done at St. Barnabas, while updating the squad on the latest methods in burn care. A question and answer period followed. As a result of this meeting Dr. Fuller invited the members for a tour of the burn unit, to be conducted at a later date. Applications are available at the squad building and can be picked up anytime for anyone interested in joining the squad.

Historical Society Elects Slate

The Westfield Historical Society celebrated its 10th anniversary with a dinner meeting at Echo Lake Country Club on Thursday. Trustees and officers were elected for the ensuing year, and the group was entertained by William B. Overbay with a slide-lecture on buildings of Westfield.

Outgoing president, Walter G. Perry, presided. Charles P. Bailey gave the invocation. Weyman O. Steengrafe presented the report of the nominating committee, and the following were elected as trustees to serve for the next three years along with the 14 trustees now serving: Charles P. Bailey, Mrs. Roy Carrigan, Mrs. Abner W. Jackson, Mrs. Allen R. Malcolm, George M. Rounds, Weyman O. Steengrafe, and H. Emerson Thomas. Elected to serve on the board of governors of the Miller-Cory House Association were Mrs. William P. Kinneman, Charles P. Bailey and H. Emerson Thomas. Also reelected as officers for the Miller-Cory House Association were Paul C. Bosland, treasurer and William D. Peek, legal counsel.

Walter Perry cited among the accomplishments of the past two years the acquisition of room 307 in the Elm Street School for the storage of memorabilia and artifacts of Westfield and the start of a program to send traveling exhibits depicting Westfield history to schools of the town.

William Overbay's topic "A Tourist Stays Home" was documented with slides of colonial homes, Victorian homes, schools, cemeteries, municipal and commercial buildings that he has been accumulating since moving to Westfield in 1949. His audience consisted of more than 100 members and guests of the 325 member society. One of the guests present who had come for a visit from her home in Palo Alto, Calif. was Mrs. Albert K. (Patricia Rule) Stebbins whose father, Arthur Rule, was instrumental in developing Wychwood in the early 1930's.

**This Is Our View****From the WEA Executive Council For the Teachers of Westfield**

To the people of Westfield who voted in the School Board election last month, we offer a special "congratulations." Alan Lantis, first vice president of WEA, stated: "Not only did the percentage of eligible voters who participated on Apr. 3 increase but the positive vote for the school budget reaffirms the community's support for its local school system."

It appears that in spite of inflation and the toll it is taking on so many taxpayers, a No. 1 priority in this town continues to be the best education possible. It is evident that this monumental task can only be achieved by public involvement, and the recent school board election was one step in that direction.

The newly elected board is likely to find that the next few years will be the most challenging ones for the Westfield's school and Sally Vejnoska spoke to the question of reorganization of our school population at the public hearing of the Board of Education on May 8.

Mrs. Vejnoska, speaking for the professional staff of the Westfield public schools, wished to commend the many citizens of Westfield who have, with their particular areas of expertise, contributed valuable information and concern about the proposed reorganization. The main points that Mrs. Vejnoska wished to bring to the attention of the townspeople are:

***The teachers as a group are neither endorsing nor refuting any reorganizational proposals. It is their purpose to teach within any structure without, of course, losing sight of educational value.

***The teachers must concentrate as concerns of education among which are the implications of a middle school "possibility," the organization of the curriculum, the possibility of expanding laboratory science experiences for all classes in the building, the broadening of foreign language, especially for fifth and sixth graders and smaller classes, with the focus on more individualized instruction.

old age group with experiences to provide enrichment, both indoors and outdoors. Centers are offered in arts and crafts, science and nature, music, movement, drama, and pantomime. Additionally, the classes will establish and integrate language and reading readiness. There will be two groups of children, each group limited to a class size of 15. The first group meets from 8:30-10:30 a.m. with the second meeting from 10:30 a.m.-12:30 p.m. The class instructor is currently teaching Kindergarten and has 10 years experience with a BA in psychology, an MA in early childhood education, and is enrolled in the Rutgers PhD program. More than 100 courses are presented at the Summer Workshop. For a brochure or more information, contact Director Schlosberg at Edison Jr. High School.

Taking part in Science Day test were Westfield High School students Barbara Bernstein, Alice Rowland, Melissa Devalon, Valerie Ho, Tom Shields, David Einhorn, David Buchsbaum, Rafat Risk, Deirdre Trabert, Steve Harrison, Robert Levy, Tod Loofbourrow, Tim Farlow, Peter Hussey, Robert Meyer, John Federici and Robert Cohen.

Students Take Part in Science Day Test

Westfield High School science students competed in the State Science Day Test against 75 other public and private schools in the state on May 12.

The one and one-half hour test was given in several locations across the state. At Fairleigh Dickinson University in Madison, teams of six Westfield students were tested in three different sciences. Teams were selected by science teachers in each area.

Results of this year's test will not be announced for several weeks, but last year's team ranked seventh overall in the state, first in Union County, and first in the state in chemistry. Westfield has sent teams to the competition every year and consistently does very well.

The test involved three areas — biology, physics and chemistry. Although six students will compete on each team, only the four top scores in each area will be used to determine the winner. Prize money is awarded to the schools with the winning teams. Students are given plaques and pins. Merck Company provides

the money for the prizes.

This year's team from Westfield High School included: Physics: Robert Federici, John Federici, Alice Rowland, Tod Loofbourrow, Robert Levy and Tim Farlow; Chemistry: Robert Meyer, Valerie Ho, Dieder Trabert, David Bushbaum, Robert Cohen, and David Einhorn; Biology: Barbara Bernstein, Steven Harrison, Melissa Devalon, Peter Hussey, Thomas Shields and Rafat Risk. The physics team was under the direction of Mrs. Clara Karnish. The biology team was headed by Miss Robert Kresch, and the chemistry team was supervised by Dr. Dorothy Hoffman.

YW Day Camp Offers Varied Activities

Camp Runamok is the day camp operated by the Westfield YWCA for children age 4 to 10. Boys and girls through seven years of age comprise Little Camp, and eight to ten year old girls make up Big Camp, both groups traveling together by bus and sharing the same camp sites at home bases at Echo Lake and the Watchung Reservation.

Activities are varied and designed for the age of each small group, which number from 4 to 7 per counselor,

depending on children's ages.

Weekly drama sessions might be followed by a fishing trip or boating on Echo Lake.

Daily handicrafts and swimming instruction are an essential part of camp life, as are hiking, campfires and nature observation. Fridays conclude each weekly period with trips to Wild West City, The Newark Fire Museum, The Black River and Western Railroad and many others. Camp Director Sarah

Kaiser states "Runamok's goal for each camper is to develop self-reliance, responsibility towards our camp sites, respect for land and the rights and privileges of others to enjoy the same areas. We want them to have reverence for all living things and become conscious of their roles in the natural world."

Full information is available at the YWCA, 220 Clark St.

The YWCA is a member agency of the Westfield United Fund.

Dobbs Offers Buyer Protection

Spring is the start of the home buying season and prospective home buyers are looking for the very best that they can afford to buy. Dobbs Realtors/Better Homes and Gardens, located throughout Central and Southern New Jersey, offers the home buyer the ultimate in Home Protection Plans, to protect that investment.

According to Joseph D. Dobbs, president of the firm, the plan covers both buyers and sellers of previously owned homes from unexpected expenses. If any primary system or specified appliance included under the plan breaks down within one year from the date of closing, it will be repaired or replaced

without major cost to the home buyer. Examples of the systems included under the plan are: plumbing, electrical, heating, hot water heater, appliances including the oven, range, built-in dishwasher, built-in trash compactor and garbage disposal, duct work and the central air conditioning system. An optional two year plan is also available to the buyer at the time of closing.

An added benefit to the seller of the home includes interim protection of specified systems and safeguards against possible litigation on failure of major appliances and systems following the sale. Fifteen days after Dobbs is authorized to sell a home and include the home through the date of closing, the electrical system, plumbing and drainage lines and the hot water heater are all protected for the seller. Should the house

be taken off the market for any reason, the plan is cancelled and there is no cost to the seller.

According to Dobbs, "Warranty coverage has become fairly common in new housing, but still is largely unavailable in the resale market. By far, the greatest number of real estate transactions involve the used house, so it is very important to be able to make this kind of consumer protection available." Dobbs adds, "The Home Protection Plan offers the buyer that something extra people are looking for in the purchase of a home. They get peace of mind with the knowledge that if something major breaks down, it won't cause a major financial problem to have it repaired." The Home Protection Plan is now being offered on any homes listed by Dobbs, Realtors/Better Homes and Gardens in the greater Metropolitan area.

Caps are Bothering Hospitals, Too, Overlook President Reveals

At the annual meeting of Overlook Hospital, Henry G. Parker, president of the board of trustees, emphasized Overlook's success in cost containment in his "State of the Hospital" address. He noted that: "Because New Jersey hospitals are among the most stringently regulated in the nation, the inflationary squeeze is as tough or tougher on hospitals than it is on families." Parker went on to point out that while there is a cap on charges to the patient, there is no cap on what it costs for supplies, equipment and labor the hospital needs to provide good health care.

"The goal of hospitals nationally last year was to limit increases in charges to 13 percent. Overlook's goal was to keep its increase to under 8 percent. With great effort, we did just that. It is particularly significant that we accomplished this while struggling with the problem of a national inflation rate of 11 percent."

Parker delineated some of the major cost containment efforts used by Overlook, including joint purchasing with Morristown Memorial and St. Barnabas Hospitals, and a PAT (preadmission testing) program that enables patients to have doctor-ordered diagnostic testing before entering the hospital for elective surgery, thus shortening their stay and saving the patient money.

Parker also stressed the progress Overlook has made in meeting the health education needs of the people living in its service area. In addition to its lifesaving CPR (cardiopulmonary resuscitation) courses, which 500 area residents have already taken, Overlook has reached over 18,000 people with a broad variety of courses in the last two years. Through community organizations, area industries, evening classes at the hospital, and its TEL-MED information service, Overlook's staff is providing sound information to help area residents stay in the best of health.

In order to continue expansion of outpatient services to meet growing needs, a Center for Community Health is planned for Overlook with completion projected for 1981. Parker explained that in this Center patients will be able to have diagnostic tests, same-day surgery, use a wide variety of other outpatient services, attend educational seminars and use a health education library. All the services of the center are designed to keep people out of hospital beds instead of in them.

Parker announced that the construction of the parking deck is scheduled to resume in June, with completion scheduled before the end of the year. The hospital has filed suit and expects to recover funds from the original contractor and architect.

Describing a \$500,000 two-year federal grant awarded Overlook, Parker said the grant was for an innovative residency program in Internal Medicine and Pediatrics. The residency is undertaken through Columbia University College of Physicians and Surgeons, with whom the hospital is affiliated. The new program will train physicians to handle the human factors of medical care, an area largely ignored in traditional physician training. This is the only grant of its kind awarded to a New Jersey hospital.

During the past year, according to Parker, Overlook has provided the highest level of community service in its history. The Mobile Intensive Care Unit (MICU) has made over 1,600 calls; the outpatient clinic has recorded 7,000 visits; the public health nurse, provided to the community by Overlook, has overseen

Reviewing the annual report of Overlook Hospital are board of trustee officers, seated (l to r) John D. Stewart, vice chairman, of Westfield; Robert E. Heinlein, president, of Summit; Henry G. Parker, III, chairman, of Madison; standing (l to r) are Robert J. Daeschler, secretary, of Short Hills and Edwin C. Sagurton, treasurer, also of Short Hills.

8,000 visits; there were 20,000 service visits by the Home Care Department; and Hospice made over 2,000 calls to terminally ill patients.

The annual meeting included remarks by Medical Staff President Dr. Charles E. Dooley regarding the concern of the medical staff about growing federal regulations in medicine. Dr. Dooley also paid tribute to Dr. Arthur E. Tator of Summit for his 54 years of service on the Overlook staff.

Mrs. Betty Weiss, president of the Overlook Auxiliary, reported the Auxiliary's two-and-a-half year pledge to contribute \$400,000 for the CAT Scanner was met this year. Gifts to the hospital from the auxiliary for the year totaled \$163,000.

In his financial report, Edwin C. Sagurton, treasurer of the board of trustees said the financial operations of Overlook Hospital for the year 1978

Meira Program Wednesday Benefits Israeli Youth

She is a graduate of Fairleigh Dickinson University with a B.A. degree in music and is presently a cantorial student at Hebrew Union College Jewish Institute of Religion in New York. Sunday is 'Wash Day' At Miller-Cory House

Visitors to the Miller-Cory Museum, 614 Mountain Ave., on Sunday will be treated to a recreation of an 18th century Wash Day. The education committee of the museum has held workshops during the spring to teach museum volunteers how to make laundry soap and starch, and these early methods will be discussed and demonstrated in addition to the actual laundering of clothes.

The Colonial housewife rarely did a wash more than once a month and frequently only three or four times a year. Not only was the actual job of washing a big project, generally done out of doors in a large kettle over an open fire, but the advance preparation was also very involved. Home-made soap and starch were used and the production of each was a very time-consuming job.

Soap was made by combining cooking grease and lye. Lye comes from filling a "leech barrel" with ashes and adding water until the lye trickled out an outlet in the bottom of the barrel. The grease and lye were boiled together in a large pot over a fire out of doors. It took about six bushels of ashes and 24 pounds of grease to make one barrel of soap.

According to the "Pucuntuc Housewife" published originally in 1805 by the Women's Alliance of the First Church of Deerfield Mass., to make starch one must "peel and grate a quantity of potatoes, put the pulp into a coarse cloth between two boards and press it dry. Mix the juice with an equal quantity of water. In an hours time it will deposit a fine sediment, on which pour boiling water, and your starch is ready for use. Or dry the sediment in the sun and keep for future use."

The museum will be open from 2-5 p.m. and in addition to the demonstrations of Wash Day techniques, Mrs. Ruth Foster will display her collection of early irons. Trained docents will be available to show the visitors around the 18th century farmhouse and surrounding grounds. A small admission is charged.

Westfield's Sidewalk Art Show in 37th Year

The Westfield Art Association will hold its 37th annual sidewalk show on Saturday at Mindowaskin Park. In the early forties, the outdoor art show at Washington Square in New York City was already an institution but the phenomenon of the sidewalk show as we know it today was unknown in the suburban communities of New Jersey. It was in 1942 that Janet Taylor, a board member of the Westfield Art Association and then art director for the Village Improvement Association of Cranford, inspired to a sidewalk exhibition of art in Cranford. Critics of the proposed show protested that this kind of event could only succeed in a large city and was not feasible in a small suburban town.

'Sewing for Kids' Class Begins Wednesday

Mommies, grandmothers and even dads can learn to sew for children if they take the "Sewing For Kids" course on Wednesday, May 23, 30, June 6, 13, and 20 from 1 to 3 p.m. and repeated in the evenings from 7:30 to 9:30 p.m. Both sessions will be held at the Cooperative Extension Service, 300 North Ave. East, and will be taught by Mrs. Carolyn Y. Healey, Extension Home Economist.

Mrs. Healey said that with the cost of children's clothes increasing, parents need to find ways to clothe children without spending so much money. "The way they grow so fast, it is foolish to spend a lot of money for outfits that will be too small in a matter of a month or so," she said.

Newcomers Coffee Wednesday

The Newcomers' Club of Westfield will be sponsoring a Prospective Members Coffee on Wednesday at 9:30 a.m. in rooms C & D at the YWCA. This provides residents of Westfield who have lived here two years or less an opportunity to become acquainted with other newcomers and with the club itself.

Newcomers offers a wide variety of activities to enjoy and committees on which to work. The club's purpose is to extend a friendly greeting to newcomers in town to help them meet other recently arrived residents and to do everything possible to make them feel welcome and a part of the community.

Resident Organizes Dance

A dinner-dance was recently held at the Coachman Inn, Cranford, for the benefit of the Central New Jersey Chapter of the Leukemia Society of America, Inc. The event was organized and run by Mrs. Mary Banda of Westfield, a Board of Trustee member of the Central New Jersey Chapter.

The event raised \$2,700 for the society's programs of research, patient services and public and professional education.

Harvey H. Richer, president of the Central New Jersey Chapter of the

Leukemia Society stated that this was the first dinner-dance for the chapter and praised Mrs. Banda, her family and friends for their hard work that went into making the event such a success.

The Central New Jersey Chapter, serving the counties of Hunterdon, Mercer, Middlesex, Monmouth, Somerset and Union is a non-profit health agency that concentrates all of its efforts on the problems of leukemia and allied disorders of the blood forming tissues, such as lymphomas and Hodgkin's Disease.

The following year, in 1943, the Westfield Art Association, founded in 1921 and one of the oldest art associations in the state, held its first sidewalk show at Mindowaskin Park, where it has been an annual event ever since. The Westfield Leader made note of the show by printing a request that the parents of the little three year old "art patron" who wished to buy a painting for 16 cents get in touch with a member of the art association to receive a painting for the little girl. From 9 a.m. to 5 p.m.

Mr. Chase Acito and his son, Neil, are arranging a musical event to take place between one and two in the afternoon. The rain date for the show is May 26.

Bunny Jackson of Plainfield, shows the prizewinning silk screen print, "Carrots," which she will donate to the Westfield Art Association Sidewalk Show at Mindowaskin Park, Saturday (rain date May 26) 9 a.m.-5 p.m. All visitors signing the guest book will have an opportunity to win the print.

Alcoholism Council to Hold Benefit Musical Performance

The Union County Council on Alcoholism will sponsor a benefit performance of the New Jersey Theatre Forum's current hit, "Side By Side By Sontheim" on Thursday evening, May 24, at the Forum Theatre in Plainfield.

A Broadway success for two seasons starring Hermione Gingold, "Side By Side By Sontheim" is a showcase of songs written by one of America's great lyricist-composers. Stephen Sontheim wrote the lyrics for such hits as "West Side Story," "Gypsy," "A Funny Thing Happened on the Way to the Forum" and both lyrics and music for "A Little Night Music," "Company," "Pacific Overtures" and "Follies."

NEWS OF YESTERYEAR

from McDowell's

200 Years Ago
May 31, 1779: A Westfield resident bemoans the loss of his wife by elopement with the aid of a resident of the Scotch Plains. In the following lines: Since it was my fortune to be joined To such a wretched mate, I've strove to reconcile my mind To my unhappy fate. I've borne insults and threats likewise I've strove far to persuade, But that that's hardened so to vice Regard not what is said. Without a cause she left my bed And broke her marriage vow. So basely from me she has fled Who then can blame me now? Then pity my unhappy fate. Beware a woman's art, For off within a snowy breast Lurks a deceitful heart!

100 Years Ago
Fanwood, 1875: As we always refrain from the use of profane language, it is impossible to allude to at any length to the condition of the plank walk between Westfield Ave. and the old site of the Fanwood depot. Many of the unfortunate pedestrians

of the village are loud in their expressions of joy at the departure of winter; as they can now utilize short lengths of stove pipe in protecting from laceration by loose and broken boards that part of the human structure anatomically known as the tibia, but in ordinary Jersey, "shins"; still it is inconvenient, in warm weather, to be compelled to carry slices of salt pork to apply to foot wounds likely to occur from rusty nails.

50 Years Ago
Sports, 1929: In the first of a three game series, the Westfield Hawks and the Cranford Dixie Giants played ten innings to a tie at Recreation Park, and, then, "the crowd fought it out on the diamond in a young riot." The fight was confined to the spectators, and likewise ended in a tie. On the following Sunday, the field was entirely surrounded by policemen. P.S. The Hawks won the series.

10 Years Ago
Westfield, 1969: For the first time in history, Westfield voters defeated a school budget proposal. The \$3.2 million proposal was defeated by a 4.3 margin.

Colts Neck vs Westfield

The Westfield Blazers shutout Chatham 6-0 to record their seventh consecutive victory of the spring soccer season. Westfield's team depth and intense offense pressure broke the game open in the second half with 5 goals. Christin Quinn and Susan Oligvee which bounced off the cross bar near the left post, after excellent dribbling on the line. East Brunswick had three shots on goal well controlled by Susan Norfolk and later by Jennifer Gross. In the second half while Westfield had only one shot on goal, East Brunswick hit Westfield's goal with 12 shots of which only two went over the bar.

Remarkable defense was played by Elizabeth Little, Kathy McCaffrey and the half back line with Betsy Manuel, Noreen Morris and Diana Donayre. East Brunswick left wings were well controlled by Diana Donayre and Kris Dalseg while Noreen Morris rarely left their striker room enough for maneuver. Betsy Manuel and Elizabeth Little nullified all offensive combinations by the right winger. An even score by the end of the first half was the just result.

In the second half things were different. Marisa Herne and Cathy Houlihan strengthened the full back line but Jennifer Gross was the key to what happened. Without her, the forward line was too light for the East Brunswick defense, but with her the Westfield goal was locked up for good. For nearly 30 minutes they were assailed by the East Brunswick forwards, only to be stopped by the defense.

The game ended when Westfield started to press on the attack but the quick pace of the first half had taken a toll on the players. It was an eventful game in spite of the 6-0 score, with Noreen Morris firing one of her usual shots point blank at the face of an East Brunswick defense who had to be attended on the field, and Betsy Hazard taken off the field because she was wearing a cast over a sprained thumb. Well refereed, it was probably the best game this team has played. Mary Taylor and Kelly Sherman were missed.

East Brunswick 2 Westfield 6

Westfield played again another excellent defensive game against the powerful East Brunswick team. After an insecure start that permitted the first goal, Westfield's defense closed in and blocked many opportunities worked by an aggressive opponent. Elizabeth Little, Katie Houlihan were excellent in blocking and lofting. Noreen Morris, Kelly Sherman and Betsy Manuel were in the midfield defending and feeding the forward line. Noreen was three times close to scoring with direct shots from the distance. Mary Taylor added power in the midfield.

Westfield's forwards found their match in a strong defense by East Brunswick which did not allow the passing skills of Diana Donayre, Kris Dalseg and Betsy Hazard to show. Susan Oligvee working her debut in the left wing showed impressive dribbling and effective passing. Jennifer Gross repeated her previous great performance. Her skill in goal kept the score to 2-0.

Christin Quinn and Susan Oligvee which bounced off the cross bar near the left post, after excellent dribbling on the line. East Brunswick had three shots on goal well controlled by Susan Norfolk and later by Jennifer Gross. In the second half while Westfield had only one shot on goal, East Brunswick hit Westfield's goal with 12 shots of which only two went over the bar.

Remarkable defense was played by Elizabeth Little, Kathy McCaffrey and the half back line with Betsy Manuel, Noreen Morris and Diana Donayre. East Brunswick left wings were well controlled by Diana Donayre and Kris Dalseg while Noreen Morris rarely left their striker room enough for maneuver. Betsy Manuel and Elizabeth Little nullified all offensive combinations by the right winger. An even score by the end of the first half was the just result.

In the second half things were different. Marisa Herne and Cathy Houlihan strengthened the full back line but Jennifer Gross was the key to what happened. Without her, the forward line was too light for the East Brunswick defense, but with her the Westfield goal was locked up for good. For nearly 30 minutes they were assailed by the East Brunswick forwards, only to be stopped by the defense.

The game ended when Westfield started to press on the attack but the quick pace of the first half had taken a toll on the players. It was an eventful game in spite of the 6-0 score, with Noreen Morris firing one of her usual shots point blank at the face of an East Brunswick defense who had to be attended on the field, and Betsy Hazard taken off the field because she was wearing a cast over a sprained thumb. Well refereed, it was probably the best game this team has played. Mary Taylor and Kelly Sherman were missed.

East Brunswick 2 Westfield 6

Westfield played again another excellent defensive game against the powerful East Brunswick team. After an insecure start that permitted the first goal, Westfield's defense closed in and blocked many opportunities worked by an aggressive opponent. Elizabeth Little, Katie Houlihan were excellent in blocking and lofting. Noreen Morris, Kelly Sherman and Betsy Manuel were in the midfield defending and feeding the forward line. Noreen was three times close to scoring with direct shots from the distance. Mary Taylor added power in the midfield.

Westfield's forwards found their match in a strong defense by East Brunswick which did not allow the passing skills of Diana Donayre, Kris Dalseg and Betsy Hazard to show. Susan Oligvee working her debut in the left wing showed impressive dribbling and effective passing. Jennifer Gross repeated her previous great performance. Her skill in goal kept the score to 2-0.

Hedgehopper League

The rain caused the postponement of all the Hedgehopper games scheduled at 11:30 to Tuesday evening. The results of the early games follow.

Cougars 5 Jaguars 3

Dean Huddleston led the Cougar hitting with two triples and a homer. A home run by Nat Timmins, a triple by Duncan Auld and singles by Jason Hagman and Neala Troum kept the runs coming for the Cougars. The Jaguars were kept in check by the pitching of Brennan Smith, Dean and Nat.

Pumas 3 Leopards 2

The great pitching of Andy Guterman, Peter Delazaro and Timmy Girentiled the Pumas once again to a close victory over the Leopards. Leading the hitting attack with two hits apiece were Peter Delazaro, Andy Guterman and Edward Daniel, who also recorded two RBIs. Danny Chorost, Tommy Cannarella, Michael Cohen, Kenny Lambert and David Lowi also contributed to the victory.

Condors 3 Lions 2

In a game that went to the final two innings without a run having been scored, the Condors defeated the Lions 3-2. There was excellent pitching by Billy Bellomo and Clint Factor while Seth Kamenstein contributed two fine fielding plays. The offense was sparked by Clint Factor's double and Seth Kamenstein's two run single.

Cheetahs 17 Panthers 1

A 13 run fifth inning broke open a formerly tight game to give the Cheetahs a 17-1 win over the Panthers. The Cheetahs again had superior pitching from Jason Miller, Greg Knudson and Eddie St. John. Cheetah power came via Ken Riley's long two-run homer, Ron Dau's and Eric Gormer's triples; and John Callahan's bases-clearing double. Karen Wysock, Deane Fizzell and Bryan Calvert also delivered clutch hits. Ross Brand made several outstanding fielding plays while Jay McMeek and Timmy Flynn shored up the strong Cheetah defense.

Cup Hopes Dashed

In a disappointing game in the State Cup semi-finals, Westfield's Premier II soccer team lost 5-1 to a powerful all-star team, the Berkeley Patriots. This squad was composed of the best players from various soccer clubs in Ocean and Monmouth counties. The game was closer than the final score indicated as the Patriots tallied twice in the closing minutes, on breakaway goals as Westfield pressed to get back in the game. Although out-manned Westfield had a number of near goals with the breaks generally going against the Westfield club. The lone Westfield goal was scored by J.D. Dilorio on a pass from halfback Cam Dunnan to wing Tony Valles, back to the inside.

Westfield Div. 2 Premier 2 South Orange - 0
Coach Paul Ganas' Premier II team bounced back on Sunday with a league win over South Orange 2-0. The game was fairly evenly played with Westfield having 18 shots on goal and South Orange fourteen. Good goalkeeping by Pete Kellogg and Glenn Bleiweis enabled them to register their 6th shutout in 12 games. The keepers were greatly assisted and well protected by fullbacks Drew Kronick, Bob O'Herron, John Coates and Mark Holmes, all of whom blocked numerous shots between the 10 and 18 yard lines relieving the pressure put on by South Orange.

The halfbacks, Frank Blanchette, Joe DiBella and Joe Dazzo, led by Cam Dunnan's first period goal on a pass from Mark Bleiweis kept the South Orange goalkeeper busy. The second goal was scored by Mark Bleiweis on a centering pass from Bruno DiDario. These two forwards, combined, accounted for half the shots on goal. Forwards Tony Valles, John Schwartz, and J.C. Dilorio rounded out the attack with Tony's crosses to Dilorio and Schwartz keeping South Orange's keeper on his toes. This win kept Westfield's Premier II team at the top of their league with a 7-0 league record, an 11-1 spring season record, with three league games to play.

Soccerama May 26

The second annual Westfield Soccerama will be held on Saturday, May 26, rain or shine. All of the spring Westfield Soccer Association teams will participate (except the Division V Premier team which will be competing in another tournament). The teams are broken into various groupings to ensure some fine soccer and the claim to be a Westfield leader in their grouping.

The games will all be a maximum of 50 minutes long with all M.N.J.T.S.A. rules to apply. However, the game between the Division I and Division II Premier teams will be 90 minutes. The day will conclude with a coaches game made up of the Westfield Soccer Association members, the spring coaches and their active assistants.

All of the games will be played on the fields behind the Tamaques School with the earliest games beginning at 8:30 a.m. and continuing throughout the day until 6 p.m.

University League

Rain interrupted the schedule of the University League last week. Therefore, there has been no change in the standings of the teams.

Irish 6 Pirates 5
In a close battle, the Irish rallied for 4 runs in the last two innings to edge the Pirates 6-5. Sparking the rally were hits by K. Miller, P. Rehwinke, J. Schneider, G. Mueller and W. Devine. Devine's seventh inning hit drove in the clincher for the Irish. Other hitters for the Irish were R. Parisi and S. Kosch. Pitchers Andy Ham and Pat Rehwinke held the Pirate batters to four hits.

The loss to the Irish was a heartbreaker for the Pirates. Kevin Price pitched fine ball for five innings, striking out eight batters and allowing only four hits and two runs. The Pirates started off with consecutive hits by Mike Dineen, Ari Asin and Brian Bernstein, but had to settle for only two runs. In the fifth inning, after two outs, Eric Czaner, Doug Unger and Mike Dineen loaded the bases on walks. Ari Asin's single then drove in two runs.

Lions 7 Bruins 6
Playing catch-up ball, the Lions overtook a hard fighting Bruins team in the last inning on a two run triple by star second baseman Carl Kumpf. Heavy hitters for the Lions were Mike Hone, Matt

Kavaney and Curt Gilford. Linden Hu and JR Dembiec combined to give a great pitching performance.

Bulldogs 12 Pirates 9

On a game called because of darkness after the fifth inning, the Pirates led by a score of 9-5 going into the fifth. They allowed the Bulldogs to score seven runs that inning and walk off with a victory. The Pirates scored three runs in the top of the first inning. Mike Dineen led off with a solid single and was driven in by Kevin Price's single. George Colonias received credit for an RBI in that inning too. The Pirates then scored in every inning. They were led by the fine baserunning of Paul Goski and the hitting of Kevin Sullivan and Mike Gelfand. Brian Bernstein had four RBIs on the day.

Irish 8

Big Green 7
In a see-saw game, the Irish jumped to a three run lead on hits by Devine, Rehwinke and Gerisi. Big Green bounced back to tie at three all and then kept pecking away at Irish leads until the last of the seventh when they fell one run short. S. Kosch had a long homerun for the winners. W. Devine had three hits, K. Miller, P. Rehwinke and M. Gerisi two each and J. Schneider had one. On the mound for the Irish were W. Devine and P. Rehwinke who choked off the Big

Green 7th inning rally.

Pirates 9 Middles 9

The Pirates and Middles fought to a 9-9 standstill. The Pirates put on their hitting shoes and came through with seven runs in the last three innings to tie the Middles. The Pirates struggled back from a 6-2 deficit in the fourth, on consecutive singles by George Colonias, Mike Gelfand and Kevin Sullivan. The Middles came back with two more runs but were cut short by a fine catch by Pete Price, Ari Asin and George Colonias all hit doubles as they led the Pirate attack.

Division V Teams Split Victories

South Orange 2
Westfield Premier 1
Westfield's Division V Premier team was upset by South Orange in the rain on Sunday by the score of 2-1. South Orange played a smart heads-up game with excellent passing and teamwork scoring their first goal in the first period. Although Westfield consistently broke up their well executed plays, Westfield was unable to exhibit a similar pattern of coordinated teamwork.

About halfway through the third period Westfield tied the score with Center Halfback Anthony Coleman's clearing kick being picked up by Left Wing Brad Shapiro at Center Forward Kenny Lane who then outraced the South Orange defenders and scored the tying goal. However, South Orange came back late in the final quarter to score the winning goal.

Coach Zuniga praised the fine defensive work of the halfbacks, especially John Capano, Kevin Tracey and John Diaz whose constant hustle and aggressiveness thwarted the repeated South Orange attacks, as well as fullback Mike Kassinger who did a yeoman's job in holding the final defensive wall. On offense, the Coach just wished that the team's excellent front wall could have put together a coordinated team effort rather than a series of individual rushes although he did point out that Brad Shapiro was able to set up some possible scoring attacks with his fine passing. However, the team's leader in this game was Goalie Jim Fox who set the stage early in the game when he smothered a South Orange penalty shot and then consistently made fine outstanding saves to keep Westfield in the game.

Westfield Rangers 1
Woodbridge 3
Westfield's Division V Rangers played their toughest game of the season against Woodbridge Sunday and came away weary but victorious. The Rangers expected a strong Woodbridge club, who came to play with a 4-1-1 season record, not much different than Westfield's 5-1-0 record.

The Rangers began the scoring with Tim Nolan scoring his first of the day, followed closely by a penalty kick tally by Nat Timmins. But even with the efforts of the halfbacks, Mike Noerr, Jeff Hurley, B. J. Taylor and Peter Tomassi, the Woodbridge forwards were able to score three times before the end of the half.

The second half brought the momentum back to Westfield and to Tim Nolan. Tim scored the tying goal in the third quarter from a Ron Eibschutz pass. Eibschutz easily playing his best game of the year, constantly set

plays for Nolan, Jeff Pinkin and Mike Csorba, but the Woodbridge goal keeper played the angles and shut down numerous attacks.

Finally in the fourth quarter on a feed from Eibschutz, Michael Wolfson put in his second goal of the season to put the Rangers ahead and provide the margin for victory. With only five minutes to play, a penalty kick was smothered by Ranger goalie Peter Valli to save the game and bring the Rangers season record to 6-1-0.

Today the Rangers play their rematch with Metuchen at 6:30 p.m. on Tamaques School Field 1. Westfield Blues 3
Clinton Kicks 1

The Blues notched their fifth win of the season, scoring all three goals in the first half. The game was marked by an outstanding performance at fullback by Pat Houlihan, who tackled solidly, marked well and cleared the ball out of the danger zone. On the other flank, Todd Prybylski turned in another sound game by keeping his winger tightly under control.

The first goal was scored from a corner kick by Hampden Tener which bounced off the Kicks' keeper into the goal. Then an accurate throw-in from Gregg Ward went to Karam Singh who dribbled along the goal line and squeezed the ball between the keeper and the post for goal number two. The third goal was scored when Neil Lewis threaded a pass between the Kicks' defenders which allowed Karam to run onto and score from close-in. The Kicks replied with their only goal in the second half.

In the forward line David Lowi had another strong game as winger. Vincent Chen played aggressively and was unlucky not to be rewarded with a goal on at least two occasions. Matt McTamoney laid off some clever passes and Gregg Ward came close to scoring with a left-footed shot. Richard Seely in the unaccustomed position of left wing played well.

At fullback, Neil Horne and Hampden Tener played intelligently, building up attacks with good passing to the forwards.

Rahway 4
Westfield Colts 0
The strong and undefeated Rahway squad handed the Colts their first shutout. The first half started on a very fast and rough pace. Rahway was all over the field and until Westfield settled down and marked closely, it looked like a runaway for the home team.

The scoring by the opponents was not always deserved. The first and second goals occurred when the ball was blocked by one of the Westfield defenders and Chris Dembie did not have a chance to stop them. The third goal in the second

half was a well deserved score by the opponents. The fourth was again the result of a fluke play and the goalie and the defense cannot be faulted.

In goal Chris Dembie performed well in the first half. In the second half he played a good left wing. Fullbacks Kevin DePalmer, Gregg Cruger and Charles Mueller played well and stopped the onrushing home team. Zane Bell and Mark Reblitz played fullback positions to reinforce the defense and they contributed a lot to the effort. At halfback as always Marc Pizzi and Marc Halpin played a super game. They tried very hard to support the forwards and the defense. Both players worked hard and their effort must be commended.

The forwards had an off day. Gregg Schmalz could not do it alone. He had a great chance to score but the Rahway goalie made a super save. Paul Emmanuel, Warren Nakatani combined on the right side and they played very well. Mike Norfolk was all over the field but lady luck was not with him. The left wing was under great pressure by the opposing fullbacks. They were big and strong, but Katie Feingold did not give up and she did not back off. She played very well and tried hard. The whole Westfield Colts team should be proud for the good game they played. In goal during the entire second half was John McCall, who after a very strong first half played a super goalie and he made numerous stops. He also cannot be blamed for the goals. It was a strong effort by John.

Next week's opponent on Saturday will be New Providence, while on Sunday at home they play Rahway again. Chatham will be the last game. The Westfield squad should place second in the division and that is a very commendable effort.

Wagensommer
ETA Champ
Yvette Wagensommer scored her third Eastern Tennis Association tournament victory of the 1979 tennis year on May 9, defeating Beth Daalenan of Westfield, 7-6, 4-6, 7-6 in the finals of the Spring Tournament at Willowbrook in Wayne.

Before reaching the finals, she ousted Ellen Fusco of Ridgewood, 6-3, 6-1, Kirsten Kossman of Englewood, 6-0, 6-0, Beth Dillmeier of Berkeley Heights, 6-4, 6-3, and Kirsten Loft of Westfield 6-4, 6-0. Wagensommer will be a freshman at Tulane University next fall, where she plans to continue her tennis career.

Div. III Premier Booters

Split Weekend Action

Weekend results of Westfield Soccer Division III Premier teams were:

Westfield 13
Watchung 0
Westfield demolished Watchung Sunday, 13-0, to clinch the divisional title. Leading Westfield in scoring was Mike Shuvart with four goals. Then came Dominick Frasso and Brian Lowe with two goals apiece. Danny Fitzgerald, Nikhil Singh, Tom Miller, and Bill Macaluso each put one in the net. Joe Longo did not have an exciting day in goal, making only two saves in the first half. Mike Chin, and Scott Reblitz did a great job of controlling the ball on the slippery turf. The rain didn't bother the Westfield defense, as Milan diPierro, Greg Gleason and Bill Macaluso stopped the Watchung offense repeatedly.

Nationals 10
Mountainside 0
The Westfield Division 3 Colonials traveled to a soggy Mountainside field expecting a strong rematch of a close earlier game. Instead they found a lack-luster squad that was only able to mount two real threats the whole game. David McEntee stopped both, one on a brilliant leap where he was able to punch the ball over the goal. The scoring was as follows: Steve Kantor 4, Tom Gordon 3, Chris Walsever 1, John Terardi 1, Jay Halsey 1.

Nationals 7
Scotch Plains 2
The undefeated Colonials were unable to break the Scotch Plains defense until about the 15 minute mark. Jay Halsey took a pass at the 18 yard line and turned and shot. It was blocked but he alertly got the rebound, fired a volley kick into the upper left corner of the net. The team went wild, and by the time they had quieted down the score was 4-0. John Terardi, Steve Kantor and Tom Gordon scored.

In the second half Kantor scored again and then Scotch Plains broke the tough fullback line of Steve Shields, Jeff Alpaugh and Kurt Munzinger.

The fourth quarter saw goals by Halsey and Kantor and another score by Scotch Plains.

Nationals 6
Carteret 0
The first quarter saw Carteret put the only real pressure of the whole game. Westfield began to dominate taking numerous shots but not finding the net.

At the start of the second quarter Kurt Munzinger took a loose ball from in front of the net and kicked it home for the score. Matt Petrik got the second on a lead pass from Jay Halsey.

The halfback line of Chris Walsever, Dave Ryan and Ed Haag played a super game, constantly beating the larger Carteret players to the ball and with their accurate passing, set up many more opportunities. In the second half Jay Halsey scored on a penalty kick and Steve Kantor, who had been constantly harassed by several of the opposing players, finally broke through for a score. John Terardi closed out the scoring by alertly following after a blocked penalty shot.

Once again the fullbacks John Houlihan, Steve Shields, Ed Munzinger and Jeff Alpaugh shut off all attempts to break through. Comets 8
Metuchen 1

With a little help from his friends, Todd Feinsmith scored the hat trick plus one, putting in four goals in the Westfield Comets' 8-1 rout of Metuchen. Only the aggressive play of a very gutsy Metuchen goalie kept the score down as much as it was. Feinsmith's, and Westfield's, first goal came in the

first period following an assist from Kent Cruger and aggressive pursuit of the ball away from the Metuchen goalie. Metuchen countered later in the period with a penalty kick after a hand ball.

In the second period the Comets opened the scoring floodgates with four goals. Richard Forbes scampered around the Metuchen fullbacks and blasted a shot into the corner for one goal, Joel Sorger beat Tom Fleming to a rebound off the goalie on a shot by Forbes for the second, Fleming blasted in a long hard shot on a pass from David Watts for the third and Sorger got his second goal of the period with good second effort after fine passing from Booth to Forbes for the fourth.

In the third period it was all Feinsmith. Ed Kim assisted on one goal and Feinsmith beat the man covering him in the middle to score. Tom Fleming assisted on the next with a pass to the side that Feinsmith put in. The final goal of the day for Westfield and Feinsmith came as Kent Cruger's kick bounced off the goalie and the ever-alert Feinsmith chipped the ball in. It was the perfect end to an offense-oriented day.

Rahway 1
Westfield Comets 0
The Westfield Comets fell from the undefeated ranks on Saturday as they lost to Rahway 1-0 in a game in which Westfield once again displayed their comeback ability, but this time the effort unfortunately fell short of a winning performance. For awhile in the first period it appeared that Rahway might run away with the game as their offense dominated the field and they scored on a well-placed shot into the far side of the goal. But the Comets refused to give up and the defense of fullbacks Andrew Hussey, James Norfolk and Taylor Wright and goalie Paul Frantz held off the hard-charging Rahway team who took 26 shots at the goal.

Frantz played an excellent game in goal making 16 saves and limiting Rahway to the one goal for the rest of the game. Typical of the perseverance of the Westfield team was the all-out play of Jack Ribbecky. Ribbecky gave more than 100 percent effort throughout the game, especially in the fourth quarter when a pulled muscle slowed him down but did not hamper his aggressive play. Westfield seemed to gain strength as the game went on, and in the fourth quarter the forward line of Forbes, Feinsmith, Watts and Cruger seemed almost ready to break through and score, but could not before the game ended.

Randolph 5
Westfield Comets 1
In a game that was closer than the score indicated, the Westfield Comets lost to Randolph 5-1. Westfield dominated the first quarter and it appeared that it would only be minutes before they would break through and score. Then in the second quarter Randolph exploded for three quick goals and added a fourth in the third quarter.

Westfield finally broke through to score in the third quarter as team leader Richard Forbes took a pass from Joel Sorger in the Westfield end of the field, and out-raced the Randolph defenders and boomed in a hard shot off the goalie. His effort raised everyone's spirits and the line of Sorger, Feinsmith, Forbes and Fleming began to out-shoot Randolph. It was obvious that the hard play of Westfield's halfbacks Jack-Ribbecky, Bruce Conover, Thomas Paul and Lowell Jones was beginning to wear down Randolph, but the

Linksmen

Fail To Qualify

By Tom Hale
The Westfield High School golf team, hampered by continuous rain and chilling temperatures, failed to qualify by five strokes in the State Districts at Rutgers University.

This loss forfeits the linksmen's chances for the State Finals at Bamm Hollow Country Club. Greg Wichelns led the team in this 18-hole match firing a 77, with a 38 on the front nine and 39 on the back. Greg attributed his round to "consistent" play and managing to hit twelve greens in regulation. John Sidorakis kept the pace with a 79, shooting 39 going out and 40 coming back. Starting the round with a birdie on the first hole, Sidorakis was one under par after five holes. John Meeker and Bill Sutman, plagued by rain and "bad luck", shot 88 and 89 respectively.

Last Thursday the team trounced Cranford 16-1 to 1 1/2, boosting their record to 9 and 2. Playing one of their best matches of the season, three players: Greg Wichelns, John Meeker and John Sidorakis, fired two-over-par rounds of 38. They were followed closely by Bill Sutman with a 40. Larry Jackson and Gerard Meyer contributed 43 and 45 respectively to wrap up the Devil win. The linksmen go against Seton Hall away at 3:30 today.

Girls Up Softball Record

The Westfield High School girls' JV softball team upped their record to 5-3 when they defeated Linden 14-7 last week.

The winning pitcher was Jackie Costantino (1-1), who allowed only one run and two hits. Janet Quackenbush in her first appearance as pitcher allowed six runs due mostly to her inexperience. Jackie Cardillo wound up the pitching game, pitching one and a half innings allowing only two hits and no runs.

Fine defensive games were also played by Jane Weisman at first and Beth Wellnitz in right field.

Offensively all of the Devils played consistent games, while Lynne Tomfohrde had the team's only two base hit. Lynne and Jane also led the team's RBI's with two apiece.

Miss Frankenbach

Cedar Crest MVP

Catherine Frankenbach of Westfield has been voted the most valuable player on the varsity lacrosse team at Cedar Crest College in Allentown, Pa. The announcement was made at the annual varsity banquet held at the conclusion of the spring sports season.

Catherine has been a member of the varsity lacrosse team at Cedar Crest for the past two years. She is a sophomore at the 112 year old women's college.

The 1977 graduate of Westfield Senior High School is the daughter of Mr. and Mrs. Charles H. Frankenbach.

shots just would not go in. A fourth quarter goal by Randolph still did not stop Westfield from continuing the pressure. Tom Fleming boomed a shot that just missed and he was close on three other efforts. Kent Cruger headed a Richard Forbes corner kick to Lowell Jones whose shot also just missed going in. After the game, Coach Howlett expressed pride in his team for the way they kept trying in the face of the high score and some shots that just would not find the net. Westfield will seek to reverse all of that when they take on Randolph again this coming Saturday.

Jr. Batsmen Defeat Roselle, Hillside

By Jeff McGill
The Westfield High JV baseball team defeated Roselle and Hillside last week to up its record to 8-7. The Union County JV Tournament game scheduled for Saturday against Johnson Regional was rained out.

Against Roselle Tom Della Badia spun a no-hitter as the Devils steamrolled their way to an 18-3 victory. Della Badia faced 23 batters in the game shortened to six innings by a curfew. The only runs that marred his performance came in the bottom of the fifth on three costly errors. Della Badia struck out six and walked but one in this his first starting assignment of the season.

As Della Badia breezed along, the Westfield line-up gave him plenty of support. The Devils exploded for eight runs in their half of the third, but managed only two hits. Mike Napoliello "knocked" in a run by walking with the bases loaded and Mark Lavender drove in a run with a fielder's choice after two runs scored on errors, giving the Devils a 4-0 lead. The big blow of the inning came with Jim Marvosa at the plate. After missing a suicide squeeze, Marvosa redeemed himself by blasting a grand slam homer to deep left-center field, giving the Devils a 8-0 advantage.

Westfield brought five more runs across the plate in the fifth. With Lavender and Marvosa in scoring position, Mike Elliott singled sharply to left for

two RBI's. Brad Bonnetti brought home Elliott with a run scoring single, while Greg Hobson's single added one more run to the scoreboard. The last run scored was by way of a Roselle error as the Devils emerged from the inning on top 13-0.

After defensive lapses by the Devils allowed three unearned runs to score in the bottom of the fifth, Westfield closed out the scoring with five additional runs in the sixth. Eric Carler doubled in Elliott who had previously gotten on with a double. Bonnetti singled in a run as did Hobson. Napoliello then ended the massacre with a two run triple to right center for an 18-3 win.

Chambliss, Bonnetti and Elliott all had two hits with the latter two also driving in a pair of runs. Hobson had three hits and his two RBI's raised his team leading total to 23. Napoliello had three RBI's as well, in the Devils' second biggest win of the year.

Against Hillside Rick Elliott came down from the varsity squad to bolster the pitching staff, and the move proved successful in the 9-4 victory.

Leading 3-1 going to the third, Westfield pushed across the winning runs. Tom Ripberger started things off by singling to left. He then stole second base. With the catcher's throw going into centerfield Ripberger moved over to third. When the centerfielder couldn't find the handle on the ball, Ripberger took advantage and

came home. Hobson's fourth homer of the year, a solo shot, provided the winning run as the Devils led 5-1.

After an RBI single by Chambliss in the fourth, the Devils brought home their final runs of the game in the sixth. Carter tripled home Marvosa for a run and Chambliss came through again, this time with a two run double.

Earlier, in the first inning, a Rick Elliott triple was good for two RBI's. Marvosa then proceeded to single in Elliott for a 3-1 lead that was never relinquished.

Three of the four Hillside runs were scored in the sixth as a result of two hit batsmen and two walks. Other than that, Elliott pitched a strong ballgame, limiting Hillside to a mere three hits.

Chambliss' two hits and three RBI's led the way for the Devils offensively. Hobson's two hits extended his hitting streak to six games. Marvosa continued his hot hitting of late with two more hits.

LINE DRIVES: The 18 runs by the Devils against Roselle equalled their season high against Montclair (18-1). In beating Hillside 9-4, it was the first time the Devils won a game scoring less than 10 runs... The washout of the Johnson Regional game will be made up, unknown as of Leader deadline... Westfield takes on Union away today at 3:45.

Stickmen Lose Two

By Greg Loder
The Westfield High School lacrosse team lost two close games last week losing to West Morris on Thursday by the score 6-2 and to St. Joseph's on Saturday 8-7.

The lacrosse team played one of its finest games of the season although losing to West Morris even for two and a half quarters. Smith made 19 saves having to face 35 shots.

In the first period of the West Morris game, the Blue Devils scored first when Bruce Roberts checked the ball away from the West Morris goal and Shaun Flaherty picked up the lost

ball and shot it into the open goal. Senior Bruce Roberts tied the score 2-2 when he poked in a rebound from a Harry Baroque shot.

The lacrosse team lost a heartbreaking game to St. Joseph's, as St. Joseph's won the game with 11 seconds left in the game.

Westfield led most of the rain-plagued game. After the first period Westfield led 2-1 on goals by John Horn and Gary Turi. Horn picked up a loose ball and put it by the St. Joseph's goalie. Turi fired an outside shot beating the goalkeeper.

The Blue Devils came alive in the second period, scoring three goals and taking a 6-4 lead at half. Tom Gilday scored back to back goals both identical and two minutes apart as he fired both shots into the top corner of the goal. With 30 seconds left in the half Chris Davis scored taking a pass from Shaun Flaherty.

In the beginning of the second half Fred Kessler scored putting a waist high shot past the goalie. Midway through the fourth quarter Gilday scored his third goal of the game.

The Blue Devils next and final game of the regular season will be Monday at Fairlawn at 3:45. The Blue Devils are now 1-10.

Division IV WSA results are:

Berkeley Heights Blues 0

The Kicks completely overwhelmed Berkeley Heights at Sycamore Field on Sunday, allowing Berkeley only five shots on goal throughout the entire game. In the first half the fullback line of superfoot Joe Carnivale, Kevin Houlihan and Drei Krikliwy contained the Blues and fed the ball in continuously to the Kicks' forwards. Bobby McTamoney and Adolf Zuniga had many chances in the first half but all their shots were wide. Greg Frigerio and Brian Noerr played a wonderful half, containing the Blues so well that goalkeeper David Meeker handled the ball only three times before the skies opened to drench the players just at the half time whistle.

After the half time break, the Kicks returned to their antediluvian efforts and put over three quick goals to seal the game. The first score was by Burglar Brian

Morris, who bedeviled the Blues repeatedly with his fancy footwork, and then scored from 25 yards out on a booming loft kick over the goalkeeper's head. Within a minute Rob Schmalz scored on a smash directly in front of the goal and moments later Mike Holmes positioned himself perfectly at the left side of the goalmouth to take a relay pass from the Kicks' right wing and right inner and tap it across for the third goal. David Lomnitz and David Gutterman, at opposite wings, and Tim Dodd at halfback contained the Blues effectively in the second half.

The Blues' only threat came in the final period when goalkeeper Steve Botulinisky made two saves singlehandedly on Blues' breakaways, the first while trapping the ball on his knees and the second by charging the Blues' forward and forcing a wide shot. Rob Schmalz then scored the final goal off a short pass from Bobby McTamoney to put the game on ice.

Softball Team Romps Over Four Opponents

By Phil Privitere
The Westfield High School softball team won all four of its games this week, including a 16-1 romp of Roselle Park on Saturday in the semi-finals of the Union County Softball Tournament.

In the Roselle Park victory, the game was close until the Westfield fifth and sixth innings when the Devils exploded for six and seven runs respectively to end all doubt. Entering the frame, Westfield held a slim 3-1 lead courtesy of secondbaseman Mary Curral's two-run double in the second and an unearned run in the first. With two down in the fifth, leftfielder Pam Kraft and pitcher Bonnie Bell hit consecutive singles. Then thirdbaseman Becky Davenport who had three hits for the day, produced an RBI single to score Kraft. Pinch hitter Lauren Shapiro, batting for Denise Comby, then drew a walk to jam the bases and rightfielder Hillary Ballin followed with another base on balls to score Bell with the second run of the inning.

Cheryl Gleason, Mary Curral and Heidi Anderson rapped consecutive singles and Chris Diemer walked before Kraft, the 13th batter in the inning finally skied to center to end the siege. However, the Devils did not let up in the top of the sixth either as five of the first six batters singled and once again Westfield sent up 13 batters, while scoring seven times. Sophomore pitcher Bonnie Bell went the distance for Westfield notching her 13th win of the

season, yielding two hits and striking out three, however walking nine batters.

Against Linden last week, the Blue Devils took an easy 17-2 decision as Pam Kraft and Mary Curral provided the power with Kraft picking up a double and a triple while driving in two runs and Curral going two for two with Kraft picking up a double and a triple while driving in two runs and Curral going two for two with a solo homer and three RBI's. Bell was once again the winning pitcher for Westfield allowing just two hits and striking out three. Cheryl Gleason also had two hits and drove in a run for Westfield as they banged out 15 safeties for the afternoon.

At home against Roselle, Heidi Anderson and Jackie Cardillo combined for a one-hitter as Westfield again destroyed its opposition, 12-2. Anderson hurled the first six frames for Westfield and was charged with just two unearned runs as she improved her mark to 3-0, and Cardillo finished up with an inning of scoreless relief. Once again, Mary Curral had a perfect afternoon going four-for-four, scoring three times and driving in a run while pitcher Anderson helped her cause with a single a homer and three runs batted in. The Devils scored four times in the first and five more in the third to decide the issue quickly. Defensively, the Devils were horrendous committing five errors, two each by Comby and Davenport who play the corners for Westfield.

At Hillside on Friday, Bell and Cardillo combined for a 9-2 win as Bell started and pitched four superb innings of shutout ball, allowing one basehit, fanning six while walking only one. So sharp was Bell, that Hillside managed only one ball out of the infield during her four frame stint. Hillside actually out-hit Westfield seven to six but they handed the Blue Devils the game as they suffered a complete defensive collapse in the third inning, when they mishandled four groundballs. Westfield took full advantage as they rallied for eight runs, six of them unearned. Valerie Wright delivered the key blow in the onslaught drilling a two-run triple to right-center and then scoring when the relay throw got away from Hillside thirdbaseman Terri Hutter. Denise Comby and Hillary Ballin set up the final two runs of the inning as they both laid down perfect drag bunts which went for basehits. Again the Westfield defense played sporadically, committing four miscues including two by centerfielder Heidi Anderson; however, she compensated for her errors with a tremendous one-bounce throw to catcher Chris Diemer in time to gun down Hillside runner Carol Driscoll at the plate in the fifth inning.

Extra Bases: Bells ERA now stands at 1.26 to complement her 13-0 record. Curral enjoyed a sizzling 9-for-13 week with 7 RBI's. At one time she hit safely in six consecutive at bats. Curral leads team with a hefty .509

Trackwomen 5th in Conference

By Mary Vidaver

The Westfield High girls' track team lost to Linden, 84-34, last Tuesday, and competed in the Watchung Conference on Saturday. The team placed fifth overall out of 11 teams.

In the conference Erin McCormick placed second in the mile and two mile races with best seasonal efforts of 5:48 and 12:23, respectively. She was beaten only by County champion, Mary Beth Hogan of Cranford. Jean Duvall placed third in the two mile with a time of 12:28.7, also a best seasonal effort.

In the 880 yd. run Kathy Hurley placed fifth in 2:33.9. Cathy Morris placed fifth in the discus with a throw of 88' 3 3/4."

In the Linden dual meet Beth Wheeler led the team effort. She competed in three events, placed in all of them and set a new school record of 4'9" in the high jump. She might have jumped higher except for an unfortunate accident. On her second attempt at 5'0" she slipped and scraped her leg and although she tried her third jump she had lost her momentum and she placed third in the event. This same injury caused her inability to compete in the conference.

Wheeler placed second in the 110 yd. low hurdles in 17.0. Her long jump of 14'1" also gained her a second place in that event.

Distance runners, McCormick and Duvall, also shone in the dual meet. McCormick easily won the mile in 5:51.5. Duvall left Linden behind to win the two mile in 13:42.6. Duvall also won the 880 yd. run in 2:37.7. Behind the two front runners were Mary Vidaver, placing third in the mile (6:47.0) and Hurley, placing second in the two mile (14:35.1).

In the sprints Chris Kelly took third in the 100 yd. dash with a time of 13.5. Diane Pollak took third in the 220 yd. dash, running 29.4. Finally, Janice Boatwright took third in the 440 yd. run, running 69.0.

It was a rough day for the weight team as Linden swept both the javelin and the shot put. In the discus though, Morris threw a 93' 5" to place second, while Judy Cauterucci threw her best seasonal effort, 86' 2", to place third.

Devils Batter Hillside, Lose 5-2 to Roselle

By Lisa Ellen

The WHS Blue Devil batsmen battered four Hillside pitchers for 16 runs on 14 hits for a 16-1 drubbing after losing to Roselle 5-2 earlier in the week.

Gary Moore gained his third victory without a defeat as the senior righthander limited Hillside to just five hits and one run. Moore also struck out three and did not yield a walk in the seven inning effort.

The Devils meanwhile collected 14 hits including a home run, two triples, and a double.

Keith Colicchio virtually put the game away for the Devils as his three run homer in the fifth inning gave the batsmen a 7-0 edge.

Colicchio's line drive shot down the left field line scored Tony Tobey and Rich Cotter, both of whom singled to lead off the inning.

The seven run lead was not enough for the batsmen as they exploded for nine runs in the bottom of the sixth inning.

Mike Ruth started things off for the Devils as he drew a lead off walk and eventually scored on an error. John Byrne, who reached on

an error, stole home for the second run of the inning, and Tobey followed with a triple to deep centerfield to score Bill Gingerich. Tobey crossed the plate on the same play as the short stop committed the third Hillside error of the inning.

Cotter then lined a single to left, and Fred Lutz followed with another single to leftfield. Colicchio and Chris Nelson produced run-scoring singles sending Cotter and Lutz in with the fifth and sixth Westfield runs of the inning.

After both runners scored on a wild pitch, pinch hitter Rick Elliott ripped a double to deep centerfield and scored the final Devil run on pinch hitter Tom Rokosny's single to left.

The Devils sent 13 men to the plate in the inning.

The other Westfield runs came across in the second and fourth innings. Cotter got the batsmen going in the fourth as he lined a triple to deep centerfield and came across on a run scoring single by Lutz.

Lutz scored on Colicchio's r.b.i. single, and the final Devil run in the inning was

scored when Byrne drew a bases loaded walk to send Pete Faherty home.

The first Westfield run of the game came across in the second inning as Colicchio drew a two out walk, advanced to third on a stolen base and a Faherty single, and scored on an error.

The Devils led for the entire game, as Hillside scored one in the top of the sixth. Sonny Robotozzi reached on an error, and came across on singles by Ron Lord and Mike Cifelli. Moore ended the Hillside rally when he induced Steve Karlik to fly to rightfield for the final out.

Against Roselle, the Devils did not have much luck as they stroked the hits but managed only two runs. After Roselle took an early first inning 1-0 lead, the Devils came back with one in the second as Lutz singled and then scored on Faherty's triple.

The score remained knotted at 1-1 until the fifth inning when Roselle broke through for three runs. Two walks, two singles, and one error accounted for all three Roselle runs. Roselle added an insurance run in the sixth on a walk, two stolen bases,

and an error. The Devils came back with one in the seventh as Byrne singled and came around on a Gingerich single, and an error, making the final 5-2 Roselle.

Ruth was tagged with his third loss with only one victory, as the senior righthander limited Roselle to five hits. Ruth struck out three and walked three compared to eight strike outs and one walk for Roselle hurler Jim Massaro.

DIAMOND DUST
The batsmen were led by Colicchio who went three for three, scored three, and drove in five. Cotter followed with three hits in four trips to the plate and scored three runs. Tobey and Lutz both went two for four at the plate and each scored twice for the Devils. The Devils committed just three errors to six for Hillside. In the Roselle game, the batsmen were led by Byrne who went three for four at the plate and scored one run. Faherty and Gingerich each had two hits apiece. The Devils face Union away today at 3:45 p.m. after playing Elizabeth and Cranford earlier in the week.

Trackmen Edged for Title

By Tom Kennelly

The boys' track team, led by four first place performances, narrowly lost the Watchung Conference Championships to Elizabeth and Plainfield last Saturday. Earlier in the week the track team defeated Linden by the score of 99-32.

In the Conference Championships, Westfield's top performance came in the mile where George Abitante held off Plainfield's Tracey Stepany to win the race with a personal best of 4:20.6. Abitante and Stepany ran the first three laps stride for stride, but Abitante took advantage of his strong kick, pulling away from Stepany on the final lap.

Tim O'Brien also had to fight off the challenge of the strong Plainfield distance runner as he defeated Stepany in the two mile with a time of 9:45. The two ran together on the rain soaked track for the first six laps, but O'Brien pulled away from the tired Stepany to win the race.

In the javelin, Craig Plant turned in his best throw of the season to win a competitive javelin competition with a throw of 190'8".

Bob Heinbokel took Westfield's final first place, as he won the pole vault with a vault of 12'.

Allen Smith turned in a strong sprint performance, finishing second in both the 100 (10.0) and the 220 (23.0). Smith, taking advantage of his quick start, led for most of the way in the 100, but was outstepped at the tape.

The other Devil distance runners also fared well in the meet. Cliff Sheehan (4:29) and Tim Savage (4:30.5) finished third and fourth respectively in the mile, while John Tegen (10:03) and Zeb Stewart (10:11) were third and fifth respectively in the two mile. Jim Morris added a fifth in the 880 with a time of 2:03.2 to round out a strong distance performance for Westfield.

Other scorers for Westfield were Kevin Kerwin (11'6") third in the pole vault, Eldy Halsey (176'7") third in the javelin, Jim Morris (5'6") third in the high jump, and Tom Bryant (53.4) and Mike Henry (54.2) fourth and fifth respectively in the 440.

The Devils got their final points from the mile relay team of Smith (53.6), Tom Brown (54.5), Bryant (54.5), and Abitante (53.0) which finished second with a time of 3:36.9.

Against Linden, Westfield dominated the meet, winning all the running events plus the pole vault and

javelin.

Allen Smith, winning three events, and George Abitante, winning two events, led the Blue Devil effort. Smith won the 100 (10.4) and the 220 (23.8) and Abitante won the 880 (2:04.3), while the two of them tied for first in the 440 (3:36.1).

Other winners for the Blue Devils were Jim Scott in the high hurdles (15.8), Tom Brown in the mile (4:36.9), Jim Scarpone in the intermediate hurdles (43.5), Tim O'Brien in the two mile (9:50.5), Eldy Halsey in the javelin (186'5") (1), and Kevin Kerwin in the pole vault (11'7").

Westfield also won the mile relay as the team of Tom Bryant (54.4), Mark Osenga (53.7), Tom Brown (53.6), and George Abitante (54.0) won with a time of 3:35.7.

SPARE SPIKES... In the Conference Championships Westfield missed second place by only one point... The Devils competed in the New Jersey Relays Tuesday (too late for the Leader deadline)... The trackmen face Plainfield today in Plainfield at 3:45... The Blue Devils will be looking to avenge last week's loss to Elizabeth and Plainfield Saturday in the Union County Championships.

Netsters Raise Record to 12-2

By Andrew Loft

The WHS boys tennis team won both of its matches last week by defeating Linden and Pingry to raise its record to 12-2.

Against perennial county power Pingry, Westfield captured first and third singles and both doubles to win 4-1. At first singles Jeff Factor, after falling behind 5-3, 40 love, held off seven set points and went on to win 7-6, 6-3.

Dan Perach at third singles swept by his opponent 6-3, 6-4. Perach relied on a powerful service game and strong groundstrokes. In winning, Perach

raised his record to 13-1, tops on the team.

The first doubles tandem of Mike Harris and Lee Miner topped their opponents 6-3, 7-5 firing on a combination of strong serves and volleys to win. At second doubles Frank Padula and Rick Yawger also won in straight sets 6-3, 6-2 while playing in their sixth match together.

Second singles player Andrew Loft lost his second match of the year 7-5, 7-6. Being unable to keep the ball deep in the court off his groundstrokes caused him to lose by allowing his opponent to reach the net

where he was able to put away volleys.

In the team's other match it defeated Linden 5-0. Both doubles teams again won in straight sets while giving up only seven games between them. Also all three singles players won with Perach and Factor defeating their opponents without dropping a set.

The teams regular season match against Delbarton scheduled for last Tuesday was postponed so the team could play its first round of the state tournament. This match was also against Linden, but was too late for the Leader deadline.
