Senior Citizen Housing Waiting List Age Lowered

Senior citizens may apply to be put on the Westfield housing waiting list at age 58 under a new policy adopted by the Westfield Senior Citizens Housing Corporation, owner and operator of Westfield's 172-unit complex on Boynton Ave.

The new policy does not change existing federal and state requirements that tenants must actually be 62 in order to move into the

facility. However, with more than 60 Westfield residents already on the waiting list, not accepting applications until age 62 has meant that "move-in" age of most residents of the building will be in the mid to late 60s. Vacancies have been occurring at the rate of about 12 to 15 per year.

The resolution adopted by the corporation's Board of Directors said, in part, "As a policy we believe some

residents should be at the youngest permitted age, 62, if possible. Accepting pre-applications at 58 will, in time, make this occur. Also, this policy will permit retirement planning in the late '50s with some reasonable prospect of acceptance into the facility in the early or mid-60s."

The new policy is effective immediately. Westfield senior citizens who wish to be put on the list and

who have attained 58 should request a booklet and immediately complete and return the pre-application printed in the booklet. They will be put on the list as of the date their request is received, provided that the completed pre-application is received back in 60 days, otherwise they go on the list as of the date it is received. Requests from non-Westfield residents are

Zone Bd. Approves Central Ave. Homes

An appeal for permission to construct homes at 965 and 971 Central Ave. was finally settled Monday night when the Westfield Board of Adjustment unanimously granted a variance to Theodore J. Romankow to build two one-family homes on the lots.

Romankow had been before the board previously, first in May with a request to build two two-family homes at the site, and then last month when his application for the two single family homes was stalled by board members who wanted

more detail on the type of homes to be built.

The two new homes will be

colonial in style, covering approximately 1800 square feet at each site. Their estimated price will be \$100,000.

Permission was also granted to Stephen and Kathleen Hintze to convert a one-story dwelling at 1110 Columbus Ave. to a two-story home. The applicants will be adding three bedrooms and a bathroom on the second floor.

A 16 by 20 foot family room with a fireplace was

granted to Sandra E. Miller for her home at 757 Kimball Ave. The extension makes the property somewhat deficient in side yard.

Because of reservations about the precedent that might be set by the granting of an upper level redwood deck to Edward Barabas of 1117 Ripley Pl., and some confusion as to the deck's actual size, the board voted to delay action on the appeal until next month. Under the new zoning ordinance, a deck is considered the same as an enclosed addition and therefore part of the prin-

cipal structure.

Mrs. Barabas argued that her home was unique in that all her main rooms are on the second floor where she and her husband hope to construct the deck. She added that the deck will not extend beyond the patio below it.

The appeal of Joann Carrington for permission to extend her one-family home at 432 First St. was approved by the board. The Carringtons will be improving the rear portion of the house by extending it slightly and adding windows and French doors.

Betty List Selects Aides

Second Ward Councilwoman Betty H. List today announced the appointment of two longtime civic leaders - both, coincidentally, the wives of former councilmen - to spearhead her re-election bid.

Margaret McPherson, who will serve as Mrs. List's campaign coordinator, is a 23-year resident and wife of former Second Ward Councilman Frank McPherson.

Anne Hale, named treasurer for the campaign, has been a Westfield resident for 25 years, and is married to former First Ward Coun-

Cannon: West Broad St. Neglected

Joseph L. Cannon, Democratic candidate for Town Council from the fourth ward, stated recently that the area between Lamberts Mill Rd. and South Ave. on West Broad is not receiving appropriate attention from municipal services.

"School crossing areas go unpainted, even after three weeks of full school sessions," stated Cannon. "Residents of the area have been complaining for years about traffic problems, speeding and generally unsafe conditions for their

children," he added. As a resident of the area for over eight years, I share a deep concern for the deteriorating conditions on West Broad St. "More importantly," stated Cannon, "it seems an uphill fight to get a fair share of any municipal service starting from leaf pickup to traffic enforcement. This is the year," said Cannon, "that we can really focus on the issues facing Westfield." I am committed to solving our "poor cousin" role and getting the services we deserve."

Guterman's Walking the Ward

"Walking the ward to meet the voters is a rewarding experience," said Alan J. Guterman, Republican candidate for Town Council from the fourth ward. "I'm enjoying meeting with the residents of our town and getting their opinions about what most affects them. In many cases it is a very localized problem involving just one block or a few homes on a particular street, but our citizens are interested in Westfield and

Columbus, Elm St. Schools To Go on Auction Block

Columbus and Elm St. Schools will be auctioned at a date as yet undecided by the Board of Education following its approval Tuesday night of recom-

Plans also are underway to replace sheds on the Lincoln School property with a maintenance garage;

"In the 'Catch 22' climate of New Jersey," Greene said, fewer students means lower state aid, higher local support, lower caps, higher per capita cost of education, lower the caps. The picture is not bright. The Board of Education must continue to work with others to get the cap law modified.

"Prior to the income tax," Greene continued, "Westfield voters set the cap. They decided whether the budget requested was

too high. With the state aid decreasing for Westfield, it should return budget control to the town. Let the state aid the cities, monitor the cities and improve the education of urban students. Let Westfield citizens monitor Westfield schools and vote funds for the education of Westfield students." A more detailed account of Green's report will appear in next week's Leader.

In other business Tuesday night at the Washington School meeting, the board tabled revisions in the teacher evaluation policy and introduced seven new ones — relating to bomb threats, students deficiency

Citizens to Assist With Redistricting

Parental and citizen involvement in the schools will set some sort of record this year with the formation, by Westfield School Superintendent Laurence F. Green, of four advisory committees and one action committee.

Dr. Greene said that there are plans to establish advisory committees in the following areas: Elementary redistricting, community-cooperative uses of the school buildings, a middle school-junior high school study committee and a committee to study the feasibility of having a four year rather than a three year high school.

Plans to form an "Elementary Redistricting Advisory Committee" were announced this week by Dr. Greene.

According to a Board of Education timeline related to the board vote in June, 1979, to withdraw from service Grant and Lincoln elementary schools in June, 1980, a citizens advisory committee to redistrict students to the six

Some Openings Available In Adult School Term

The fall semester of the Westfield Adult School will begin next week. Monday afternoon classes at Edison Junior High School will be followed in the evening with classes held at the Westfield Senior High School.

Members of the Adult School's board of trustees and citizens committee will have building maps and will help direct students to their classrooms in the high school.

Following the in person registration held last Monday night, more than 1350 students had registered for classes. Prospective students may still register on opening night, Sept. 24, after 7:15 p.m. in the main office of the high school.

Committee Commends Meeker

The Mayor's Advisory Committee on Culture and Beautification has announced that a letter of commendation is being sent to John Meeker, owner of Meeker's Garden Center, in appreciation and recognition of the "attractive remodeling" recently completed at the Center. As its name suggests, the committee seeks to preserve and promote the beautification of Westfield by encouraging private, public and commercial efforts toward property improvement.

The committee also voted at its meeting last week to donate a tree to be planted in town in memory of Mrs. Anthony Gleason. Mrs. Gleason, former supervisor of music at Westfield High School, was for many years a member of the Committee.

Former Mayor Charles Bailey presided at the meeting in the absence of chairman and former Mayor H. Emerson Thomas. Other business included the regretful acceptance of the resignation of Mrs. Herbert Boardman, a long time committee member, who is moving out of town, and the quantity of newspapers is at least a three-foot high stack.

Pickups will be limited to homes on the south side of town. Pickup for the north side of town will be on the next recycling date, Oct. 13.

It is suggested that newspapers be tied in one or two foot bundles, and that clear glass be separated from colored glass.

Routine Session For Town Council

A more-or-less routine meeting is anticipated when the Town Council convenes at 8:30 p.m. Tuesday for its public session in the council chambers of the Municipal Building.

No ordinances are scheduled for public hearing and none are expected to be introduced, but the governing body plans to take action on several contracts and authorize sale of some town-owned property.

Secretaries work from 8 a.m. to 4 p.m. during the regular school year and 8 a.m. to 3 p.m. during the summer months.

The contract, which calls for a pay scale ranging from \$6,147 to \$13,175 depending on the classification of service, length of employment and 10½ or 12 month contract.

The new agreement covers 52 secretaries in the Westfield school system and is retroactive to July 1.

Recognized at Tuesday's meeting of the school board

was the New Jersey Education Association as the sole bargaining agent for the school supportive staff, which consists mainly of custodians, matrons and maintenance staff.

Board, School Secretaries Ratify Two-Year Pact

A two-year contract with the Westfield Association of Educational Secretaries was ratified by both the WAES and the Board of Education Tuesday. The settlement is expected to cost the district an additional \$30,000.

The pact calls for a 7 percent increase in pay the first year and 7½ percent the second year, inclusion in a dental plan the second year of the contract, an additional floating holiday, \$100 grants for improvement of work skills and a 207½ day work year.

Secretaries work from 8 a.m. to 4 p.m. during the regular school year and 8 a.m. to 3 p.m. during the summer months.

Dr. Shen Wins Chemical Society Award

Dr. Tsung Ying Shen of Westfield, vice-president of membrane and arthritis research at Merck Sharp & Dohme Research Laboratories, Rahway, is the first recipient of the American Chemical Society's new Alfred Burger Award in Medicinal Chemistry, sponsored by SmithKline Corporation. Announcement of the \$3,000 award was made today during the society's week-long meeting in Washington, D.C.

Dr. Shen is being recognized primarily for his "sustained creative leadership" in the development of two important anti-inflammatory drugs, indomethacin and sulindac. The drugs are said to have made the most significant clinical contribution to the treatment of arthritic diseases since corticosteroids.

In the anti-inflammatory field, Dr. Shen is known as a creative leader who freely gives of his time to lecture, organize symposia, write review articles, serve on editorial boards, and speak at rheumatology conferences. His 79 technical publications reflect his interest in carbohydrate and nucleoside chemistry as well as the design of compounds to affect membrane processes.

Mental Relaxation, Quit Smoking Courses at YMCA

Registration is underway for the courses, "Mental Relaxation for Better Living" and "Quit Smoking Through Hypnosis" at the Westfield YMCA. "Mental Relaxation" meets on Wednesday evenings beginning Oct. 3 and will run for five weeks. "Quit Smoking" is a two-night course with the first session on Wednesday and Thursday evenings, Oct. 3-4. Separate sessions will run for five weeks with the final session on Oct. 31 - Nov. 1. "Mental Relaxation" begins at 7:30 p.m., "Quit Smoking" at 8:30 p.m.

Instructor Hilda Schwarz, an expert in mental relaxation exercises and hypnosis, studied "Science of the Mind" with teacher, author and lecturer, Dr. Raymond Charles Barker and meditation with Dr. Stuart Grayson. Schwarz has been practicing as a hypnosis consultant for the past four years in Roselle and is now located in Westfield. She is a professional member of the Association to Advance Ethical Hypnosis. She points out that the "Mental Relaxation" course involves no use of hypnosis. She will employ relaxation techniques she has perfected entailing the easing of muscle tension and mental stress.

GOP Freeholder Candidates**Blast Tax-Funded Petition**

Union County Freeholder candidates Blanche Banasiak of Elizabeth, Jack Meeker of Westfield, and Frank H. Lehr of Summit rapped the use of county manhours and materials by their Democratic opponents in the Sunday closing petitions as "highly improper" and pledged that Banasiak, Meeker, and Lehr would avoid "such irregular uses of the tax dollars of the people."

"While we have no objection to a vote of the people on ending the Sunday closing requirements in Union County and believe such votes on public questions have great merit, we strenuously object to the use of the tax dollars of the people to promote this initiative. County manhours, stationary, postage and other county materials used in this freeholder project would better be used providing good county services to all of the people, instead of serving the big business interests that stand to gain if this initiative of our opponents is successful," stated freeholder candidate Blanche Banasiak, the chairman of the last Elizabeth Charter Study Commission.

"We think that it would be more ethical for our opponents to set up a non-governmental committee of volunteers and to use only a checking account with monetary sources from strictly voluntary contributions to finance this initiative. Instead, the

Dr. Tsung Ying Shen

Born in Peking in 1924, Dr. Shen received the B.S. degree in chemical engineering from the National Central University of China at Chungking in 1946. He went to England on a scholarship from the Chinese Ministry of Education to study organic chemistry, first at the University of London where he got the D.I.C. in 1948, and then the University of Manchester where he got the Ph.D. in 1950. He was a postdoctoral fellow at Ohio State University in 1950-52 and a research associate at MIT from 1952 to 1956, when he joined the Merck staff as a senior chemist. He was named director of synthetic chemical research at Merck in 1969, senior director in 1971, executive director in 1974, vice president of membrane chemical research in 1976, and to his present research in 1977.

The Alfred Burger Award in Medicinal Chemistry will be presented to Dr. Shen next March 17 in Houston during the society's 179th national meeting. Established in 1978 by SmithKline Corporation, the award recognizes outstanding contributions to research in medicinal chemistry. It is given biennially in even-numbered years; Dr. Shen is the first recipient.

Mrs. Blodinger Earns Highest Bridge Rank

Mrs. Stella Blodinger of 16 Bell Dr. has attained the highest player rank awarded by the ACBL, reports Richard L. Goldberg, executive secretary of the American Contract Bridge League, who said the award has been won by only 27,000 among the millions who play bridge. The rank was established in 1935.

Goldberg explained that Life Master rank is awarded to players who accumulate 300 Master point awards for success in bridge play, with at least 50 won in demanding regional or continental ranked championship competitions. The number of points awarded winners is related to the size and caliber of the competitive field.

The person who smokes a pack of cigarettes a day will spend approximately \$275 per year to satisfy his or her smoking habit. One way to banish the bad habit of smoking is with hypnosis. The ex-smoker does not take up other bad habits and will experience no withdrawal symptoms. "There is just one requirement for the course," said Schwarz, "and that is that the individual must want to quit."

proper. To use the tax dollars paid by small businessmen who may suffer from this initiative is plain unfair. The manner in which this has been handled is a lazy, thoughtless, and expensive expedient on the part of our opponents. A more public spirited, voluntary approach would do much better and save the taxpayers money besides," concluded freeholder candidate Lehr, who is in his last year as Mayor of Summit.

Planning for Kemp's appearance are (l to r) Hardwick campaign treasurer John Gutai, William H. Democrats for Assembly Urge Increased Benefits

William A. Cambria, Democratic candidate for the Assembly in the 20th Legislative District, has called for speedy enactment of legislation to increase benefits in Workers' Compensation, and criticized the insurance industry for attempting to weaken the compensation for work-related injuries to the actual levels of 1962.

Cambria noted that the present schedule of benefits was established in 1962. "The amount paid for disabling injuries suffered on the job is grossly inadequate, especially when the dramatic increase in the cost-of-living since 1962 is considered. Increasing the benefits is merely a step toward restoring the compensation for work-related injuries to the actual levels of 1962."

"This is a question of justice for working men and women. After all, injured workers have to deal with inflation, too," Cambria stated. He also noted that his runningmate, E. Jonathan Bell of Hillside, shared his concern on the issue and was also committed to improving the Workers' Compensation law.

"On the other hand," Cambria said, "the insurance industry has used its lobbying power to take advantage of the drive for increased benefits as an opportunity to weaken certain aspects of the Workers' Compensation program."

"Writing to Sell for Children and Adolescents," a workshop to help aspiring authors achieve publication through development of writing and marketing techniques, will be held for six Thursday evenings from 7 to 9 p.m., beginning September 27.

From Barbie Dolls To Mastectomy Prostheses

According to writer Charlotte Black, it may have all begun with Barbie.

Barbie was that scrumptious teen-aged doll that delighted millions of little girls a decade or two ago.

Barbie wasn't "just a pretty face." She had curves and she was made of a soft and pliable material. She was almost human.

Out of Barbie grew the vast Mattel toy company. Ruth Handler, Barbie's creator, might still be thinking chiefly of toys, but for an unfortunate stroke of fate.

In 1970 she lost a breast to cancer.

With the advent of less radical surgery, they have made another model, smaller and less extensive than the original one. Both are available.

The Ruthon Corp. claims that their product is significantly lighter in weight than similar products.

Perhaps the best thing they are "selling," though is self confidence, the kind of self assurance only another woman in the same boat can preach.

Both Ruth Handler, president of the company, and Doris, director of merchandising, travel extensively. They work with local cancer societies and counsel women who have had mastectomies.

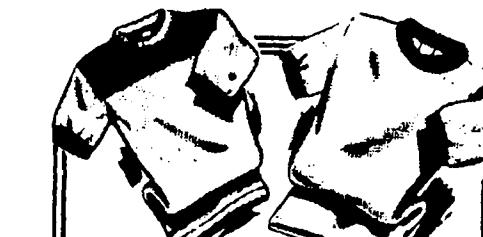

Even the doctors are getting interested, Doris claims.

"I think they used to feel that their job was done when they saved the woman's life. Now they are saying that they want to know more about what options she has after surgery."

The story goes back to Ruth Handler. After her own surgery, she bought every prosthesis she could find in Los Angeles. She even had some custom made. None seemed right.

Finally, she went to Peyton Massey, well known for his work in designing custom prostheses. They worked together two years, and finally felt that they had an appropriate design.

It may have been her very special knowledge of materials, acquired when she created Barbie, that gave the project the edge it needed. They created the Ruthon Corp. to manufacture a very special kind of product.

League of Women Voters Recognize Local Students

Two cash awards were awarded this year to high school seniors for "excellence in the study of government" by the Westfield area League of Women Voters in a continuing effort to encourage citizens to participate in government and politics. Daniel Deegan, who is continuing his education this fall at Villanova, was the recipient from the Scotch Plains-Fanwood High School.

That as a volunteer organization, the League's primary contributions are the talent and hard work of its members and the League must appeal to the civic-minded citizens of Westfield, Scotch Plains, Fanwood and Mountainside for financial support to fund its actions and voter service projects. The candidates' sheets which are mailed in the fall to all voters in the four communities are one of the familiar projects.

Mrs. Lewis expressed her appreciation for the support given to the League and urged all interested supporters to please send their checks to 330 South Chestnut St.

Seeks Tax Bill Payments at Banks

State Senator Anthony E. Russo (D-20th District - Union County) this week called for prompt Assembly action on Senate-approved legislation he sponsored to permit New Jerseyans to pay their property tax bills at banks.

The measure, approved last week on a 35-0 vote in the Upper House, would permit municipalities to designate a bank which would be allowed to accept payments of property tax bills. Taxpayers would also continue to have the option of making payments at their municipal buildings or through the mails.

"I am hopeful that Assembly Speaker Chris Jackman will cooperate by

moving this measure through his House quickly, so that the system can be put into effect in time for payment of taxes for the February-1980 quarter," Russo asserted.

The Senator noted that the concept of paying bills through banks is an old one in New Jersey. "People have traditionally paid various utility bills at their banks while they did their normal banking," he declared. "To allow them to pay property tax bills is a logical extension of this idea."

Russo pointed out that the measure benefits taxpayers, municipalities and the banks. "Taxpayers can

enjoy the convenience of paying their bills while depositing their checks," he said, "while the municipalities save on administrative costs. At the same time, the banks can make use of the money for re-investment purposes."

Sen. Russo said the legislation was suggested by Union County Manager George Albanese.

"Although the tax collection process is not within Mr. Albanese's jurisdiction, I am pleased that he has demonstrated an interest in the welfare of taxpayers by suggesting that I introduce this legislation, which I believe will be beneficial to people in many ways."

N.J. American Legion Officer

Warren R. Davies Re-Elected

At the recently concluded State American Legion Convention held in Wildwood, Warren R. Davies of Mountainside was re-elected to a two-year term as National Executive Committeeman of the organization. In this position Davies serves as the highest ranking American Legion National Officer in New Jersey.

In his acceptance speech, Davies urged the more than 100,000 members of the American Legion and American Legion Auxiliary

to become knowledgeable and active politically. He added, "It becomes more apparent every day that if veterans are to remain an active force in shaping the future we must have our voices clearly heard. It has become equally apparent that the ballot box is the only language politicians understand and it is for this reason that I strongly encourage all veterans to make their feelings known to their elected officials on matters dealing with legislation of concern to veterans and their families. Most importantly," Davies

concluded, "every veteran must register to vote. Then support and vote for politicians who support us and actively seek to defeat those who have turned their backs on the veteran."

Davies, a Legionnaire for 34 years, has served the American Legion in numerous positions on the post, county and state levels. In addition, he is currently serving on the National Public Relations Commission. He is married to the former E. Kathleen Sweetland. They are the parents of two daughters and one son.

Councilman Herb Kessler, right, chairman of the license committee of the Town Council, confers with Lawrence Ponteri, owner of the City Cab fleet which has recently begun business in town.

Kessler Welcomes City Cab

Herb Kessler, Municipal License Chairman, announced today the opening of a new taxi service, City Taxicab and Transfer Company, Inc., which is based at 241 North Ave. West.

Councilman Kessler, who represents the fourth ward, said: "I am delighted that City Cab has opened its doors for business. Westfield's residents can certainly benefit from additional taxi service in this era of energy conservation. I have spoken to Lawrence Ponteri, the president of City Cab, and I am impressed with his dedication to the notion of providing high quality equipment."

OBITUARIES

William T. Halpin

William T. Halpin, a two-time Connecticut state champion bridge player, died Tuesday, Sept. 11, in front of the Westfield senior citizens housing complex where he lived. He was 70 years old.

Born in Bridgeport, Conn., he lived in Westfield for 20 years.

He retired in 1959 after 17 years as an accountant in the New York offices of Western Electric, but for the past five years worked as an accountant for Active Auto Body Inc. in Plainfield.

He was active in several area bridge clubs, and in the early 1930s was twice Connecticut state bridge champion.

Surviving are a son, Capt. Thomas J. USMC, Beaufort, S.C.; a daughter, Laura Colton of Bloomfield, Conn.; a sister, Marie Maguire of Muncie, Ind., and four grandchildren.

The Rev. Robert B. Goodwin, senior minister of First United Methodist Church, conducted a memorial service on Friday at the Dooley Colonial Home, 556 Westfield Ave.

Mrs. William A. Wright

Mrs. J. Marie Bird Wright, 87, of South Ave. West died Wednesday at Rahway Hospital after a long illness.

Born in Oswego, N.Y., she lived in Roselle and Elizabeth before moving to Westfield 13 years ago.

She was a member of St. Luke's Episcopal Church, Roselle.

She was a member of the Abraham Clark Chapter of the Daughters of the American Revolution in Roselle and a former member of the Order of the Eastern Star in Potsdam, N.Y.

She is survived by her husband, William A. Wright; a daughter, Mrs. Jeanne K. Frank; a brother, Raymond Bird of Schenectady, N.Y.; a sister, Mrs. Dorothy Fox of Oswego and two granddaughters.

Arrangements were under the direction of J.C. Prall Inc. Funeral Home, Roselle.

James A. O'Connor

James A. O'Connor, 49, formerly of Westfield, died after a long illness yesterday in St. Joseph's Hospital, Tampa, Fla. Mr. O'Connor, a native of Westfield, moved to Tampa nine years ago.

Mr. O'Connor, a graduate of Holy Trinity High School, was employed by Metropolitan Life Insurance Co. and served in the U.S. Air Force in the Korean conflict.

Surviving are his wife, Mrs. Serita Garcia O'Connor; three sons, Andrew, Daniel and Mark; a daughter, Claire; his mother, Mrs. James O'Connor of Westfield; and two brothers, Robert and David, also of Westfield.

Funeral services will be held in Tampa.

George E. Langstaff

George E. Langstaff, 81, died Friday at the Abbot Manor Nursing Home, Plainfield. He was born in New York City and had lived in Roselle Park for more than 55 years, and in Plainfield for the past two years. His daughter, Mrs. Barbara Kuelling, lives in Westfield.

In 1963, he retired from his position as a cable splicer for PSEG in Elizabeth after more than 45 years of service.

His wife, the late Emma Kackle Langstaff, died in 1973.

In addition to Mrs. Kuelling, he is survived by one son, George F. Langstaff of Martinsville; a sister, Mrs. Irene Eckert of Nutley, and two grandchildren.

Funeral services were held Monday at the Gray Funeral Home, 318 East Broad St., with the Rev. Eugene Rehwinkel of Redeemer Lutheran Church officiating. Interment was at Graceland Memorial Park, Kenilworth.

Alan L. Reid

Alan L. Reid, 59, died Tuesday at his new home at 200 Prospect St. A resident of Westfield for 18 years, he had returned to this community only last week after living in Beach Haven Terrace for seven years.

Born in East Chicago, Ind., Mr. Reid was a graduate of Colgate University and the University of Chicago School of Business. He was a Navy veteran of World War II.

Mr. Reid just retired as a real estate salesman for the Richard Van Dyke Agency in Beach Haven Terrace where he had worked for five years. He previously had been a salesman for Thomas Lincoln Mercury in Westfield. He was a member of the Rotary Club of Long Beach Island.

Surviving are his wife, Mrs. Ruth E. Reid; a daughter, Mrs. Susan D. Penchansky of Harrison, N.Y.; three sons, David C. II of Rye, N.Y., Andrew L., a specialist fourth class with the U.S. Army stationed at Fort Lewis, Wash.; and James W. of Santa Barbara, Calif.; a brother, Dr. David H. of Idylwild, Calif.; two stepdaughters, Mrs. Judith Buldo of Westfield and Mrs. Barbara Jean Johns of Acton, Mass.; and four grandchildren.

Private funeral services will be held tomorrow under the direction of the Dooley Colonial Home, 556 Westfield Ave. Memorial donations may be made to the Union County Heart Fund.

Miss Elizabeth M. Roberts

Miss Elizabeth M. Roberts of Westfield died Saturday at Overlook Hospital. She was a retired secretary with the Department of Agriculture, Washington, D.C., where she had served 40 years. She retired 15 years ago.

A six year resident of Westfield, she was a member of the Foundry Methodist Church in Washington.

She is survived by a sister, Mrs. Anne Griffiths of Westfield.

Funeral services were held Sunday at the Gray Funeral Home, 318 East Broad St., with the Rev. Robert Harvey of the First Baptist Church officiating. Interment took place at National Memorial Park Cemetery, Falls Church, Va.

Police Catch Lumber Thieves

Police apprehended three Roselle Park men early Friday morning for the theft of lumber from a local construction site, and in other news investigated the report of a Forest Ave. resident who had seen three people attempting to steal hubcaps at the apartment complex late Monday night.

Two juveniles and one 19 year old Union man were arrested Sunday for possession of marijuana under 25 grams. On Friday, two area residents were arrested for driving while intoxicated.

Eight youths were apprehended by juvenile officers last Thursday for truancy from the high school, and a 32 year old Livingston St. resident was caught shoplifting at the South Ave. A&P Sunday.

Police officers also investigated juvenile reports of an assault at Hershey's last Wednesday and a strong arm robbery in front of Baron's Sunday. Officers searched the area, but found nothing.

Detectives arrested a 27 year old Roselle Park woman Monday for attempting to pass a forged prescription.

Burglaries were reported on Seneca Pl., Grove St., Forest Ave. and Lincoln Road, where jewelry was stolen, Central Ave., where three chain saws were stolen, West Dudley Ave., where a 10-speed bicycle was reported taken, and Cranford Ave., where \$2,000 in jewelry was stolen.

On Tuesday, a 22 year old Central Ave. resident reported that while in the parking lot of Tony's Tavern, he was punched in the mouth, requiring several stitches.

Redistricting

(Continued from page 1) remaining schools in September, 1980 should function from October, 1979 to or through March, 1980.

According to the superintendent's plans, this committee will be composed of parental volunteers, safety-police officials, school administration principals, Parent-Teacher Council appointees and PTA appointees.

Joel Langholtz, principal of Tamaqua School, and Nancy Schmidt, principal of Wilson School, will serve as chairpersons of the advisory committee.

The specific charge to the committee is "to prepare a redistricting of the six remaining elementary schools for transmission to the Superintendent of Schools."

Dr. Green lists the following criteria for the committee: comparable education in each school, safety, and integration.

"In so far as possible, committee objectives would be," he said, "to establish logical, geographical districts; move children to schools closer to home; reduce crossup of major roads; maintain integrated system; and provide adequate space for future needs."

The committee's report to the superintendent will be due Mar. 15, or sooner.

Dr. Green said that following his evaluation of the committee recommendations, he will either recommend them as submitted to the Board of Education, recommend them with modifications or return them to the committee with his reasons for rejection.

The Board of Education will have the final vote on redistricting students in the schools for the 1980-81 school term.

The board may vote approval of the recommendations as submitted by the superintendent, vote approval with modifications or return the recommendations to the superintendent.

Dr. Greene noted that a number of citizens have volunteered to serve on the elementary redistricting advisory committee. He said that efforts will be made to utilize all volunteers; however, it will be necessary to restrict the number of volunteers from any one school district, so that the committee will be in better balance.

Senior Housing

(Continued from page 1)

logged in, but the size of the Westfield resident waiting list makes it highly unlikely that any units can be offered to them. Several hundred non-resident applications already are on file.

The zoning ordinance of the Town and the corporation's lease from the landowner, the Town of Westfield, both require that Westfield residents be given priority in the tenant selection process, and this priority was approved by the New Jersey Housing Finance Agency in connection with creation of the facility.

In the event that a couple is applying, only one need have attained 58. If one of them dies, the other retains the place in line until the survivor attains 62, and can be offered a unit.

If an applicant under the new policy attains 62 and a unit is not available at that time, the applicant will be held at the top of the list until the legally required age of 62 is attained. Units are offered strictly in sequence of pre-application dates.

The federal subsidy program under which the Westfield corporation operates permits waiver of

the minimum age requirement in the case of applicants who are disabled or handicapped, and several present tenants of the building were admitted under these provisions, even at ages lower than 58. The new policy does not affect such applicants.

In order to meet the requirement of being a Westfield resident, the applicant must have a continuous bona fide residence and domicile in Westfield from the time of application to the time a unit is offered. The residency claim is investigated carefully before the board, which decides on the leasing of each unit, offers one to an applicant.

Organizations interested in supporting the facility by proposing stockholders are invited to contact G.C. Boothe Jr., president, at 1133 Boynton Ave.

Adult School

(Continued from page 1)

has been filled for women, but is still open to males. The divorce seminar for wills, estates and estate planning is still available for those interested in learning basic concepts of estate planning, taxation, wills, trusts, powers of attorney and incompetency proceedings.

Students may still register for Popular and Intermediate Piano and Beginning Belly Dancing which will emphasize authentic dance steps and body toning exercises. Business Math, an introductory course to basic accounting principals; Beginning Bridge and English for New Americans are still open. The English as a second language classes will be offered on two levels for those with no English speaking ability and a second course designed for those of limited ability to speak and understand.

The half-dozen or so applicants at the top of the list, assuming all information and paperwork has been completed, are then discussed by the on-site manager, Alfred Jago, with the board at one of its monthly meetings. The board, if it is satisfied that the application is complete and the residency requirement of the town has been satisfied, will authorize leasing a unit to the applicant when one becomes available. All applications are discussed anonymously, with the board not knowing the name of the applicant.

Once a name is at the top of the list and a unit has or is going to be available, the applicant is contacted to come in, inspect the unit and sign a lease. Occupancy of vacant units has been very rapid, with only a few days intervening in most cases. The Westfield complex resulted from a series of committees appointed by Westfield's mayors in the late 1960s and early 1970s. After delays caused by changes in federal housing policy and New York City's financial problems, the project got a commitment and construction commenced in September 1976. The first tenants moved in November 1977.

The corporation received a \$6,000,000 100 percent mortgage from the New Jersey Housing Finance Agency. Federal Section 8 subsidy funds make it possible for qualified tenants to live in the building by paying 25 percent of their income — no matter how small — as rent, with all other rental costs paid by the program. Applicants with incomes greater than permitted under the federal regulations may apply and occupy units, but they are not eligible for subsidy benefits and have to pay the fair market rents on the units, currently from about \$550 to \$650 per month.

The corporation is run by a board of 15 directors, all Westfield residents, who in turn are elected for three

year terms from a group of stockholders proposed by interested Westfield community organizations. At present about 50 Westfield citizens are stockholders, a term which is misleading because they have no financial investment in the corporation. The corporation is a non-profit one, with no director or stockholder receiving any financial benefits.

In the coming weeks of the campaign, Mrs. Friedman will make specific suggestions on how future challenges can be met and hopes to discuss her plans with second ward residents.

responsibilities under trying circumstances. He joined council in the midst of the multi-family dwelling controversy and represented the feeling of the third ward residents rationally and effectively.

"Since then, Jim has been elected to Council and continues to exhibit the same leadership style. "I'm confident that the third ward voters will reaffirm their original decision to be represented on Council by experience and a proven record."

Caldora re-appointed Bob Mayefskie as treasurer. Mayefskie is a ward leader and committeeman for the Republican Party and is an elected member of the Union County Republican Committee. She holds B.S. and M.S. degrees and works for J.C. Penney Company in New York City.

Lorraine Mayefskie will hold the post of publicity manager for Caldora's campaign. She holds both B.A. and M.A. degrees and is employed by the Elizabeth Board of Education. She lives on Topping Hill Road with her husband, Bob.

She graduated from Rutgers Law School and has lectured at Douglass College and the Brandeis Club. have voter registration and absentee ballot forms with me as I walk in an effort to get these forms to the citizens of the fourth ward. Anyone who was not at home when I visited their area can contact me either at my home or at my office which is also in Westfield, and I will see that they get these forms.

"The enthusiasm and friendliness of the people of the fourth ward is very encouraging, and I'm pleased to be meeting so many of them. One final thought about the benefits of 'walking the ward' — it is one of the best, totally free recreational facilities Westfield has. We live in a beautiful town, and there are many interested and knowledgeable people here. At this time of year, there are many people out working in their yards, and stopping to say 'Hello' can do a lot to keep you believing in Westfield."

New Union County Maps Available:

Union County Freeholder Walter E. Boright announced today that the new edition of the Union County map is now available to Union County residents by telephoning the Office of Public Information at 527-4744.

Freeholder Boright and Union County Planning Board member Vincent Scorese review a county map and note that many updates have been made since the last major printing in 1971.

The new map contains a full street index for each of the 21 municipalities; a listing of county park and recreation facilities; description of many historical sites in the county; emergency police, fire, ambulance, and hospital locations and telephone numbers; services offered to the general public; and a listing of the various county departments and telephone numbers.

Tumbling and Gymnastics at the YWCA

Cartwheels, handsprings and aerials will once again be a familiar sight at the Westfield YWCA as tumblers and gymnasts of all ages ready themselves for fall classes.

For the beginning school aged tumbler, the YWCA offers Tumbling 1 which is an introduction to basic tumbling skills such as cartwheels, rolls and headstands with introductory balance beam skills also included. Intermediate tumbling skills based on those learned in Tumbling 1 are taught in Tumbling 2, including front limbers, back-bend recoveries and continuing beam work.

Upon completion of Tumbling 2, several choices are available to the tumbler, depending upon her specific interest areas. Trampoline class stresses both basic and advanced skills taught on an individual basis according to separate rates of progression. Beginning Apparatus features an orientation to beginning skills in vaulting, uneven bars and balance beam with special emphasis on exercises designed to increase muscle strength and flexibility.

For the serious tumbler, interested in progressing onto gymnastics, Tumbling 3 is offered. Walkovers, hand-springs and tissimacs are learned and perfected in preparation for the harder stunts in Gymnastics 1 (beginning level) and Gymnastics 2 (advanced level). Once a gymnast reaches the level of gymnastics, the four events are included and routines are stressed.

Pre-gymnastics for older girls aged 11 and up, prepares less limber bodies for gymnastics. Similar skills to the three levels of tumbling are taught on an individual basis according to varied abilities.

On the competitive level, serious gymnasts may try out for the YWCA Gymnastics Team on Tuesday and Wednesday at 4:30 p.m.

Choir College Honors

Dr. Lee Bristol

Westminster Choir College held its 54th opening convocation in its own Bristol Chapel.

Part of the ceremony was a tribute in memoriam to Dr. Lee Hastings Bristol Jr., president emeritus of the college, who died on August 10 of this year. Dr. Ray Robinson, president, read a tribute to Dr. Bristol in which he reviewed Dr. Bristol's life and accomplishments, summing up his legacy in three short phrases: "thank God for what he has given; take advantage of the opportunities of today; and have no fear for the future." Dr. Bristol was a Westfield native.

The Women's Bureau offers information and assistance to state and community leaders and to other nations regarding women and work.

Community Center Pre-School To Hold Open House Monday

The Westfield Community Center Pre-School on 558 West Broad St. is holding an open house on Monday from 10:30 to 11:30 a.m. to acquaint the community with its program.

The program is for children ages three to five and is individualized to meet each child's needs. It is a structured program in that every activity is planned, yet it is flexible enough so that children have a choice of activities that interest them. Class sizes are small and the school is well equipped with spacious rooms and modern early childhood furniture and equipment.

Each day the children enjoy free play, songs, stories, poetry, art activities and field trips. Gym activities include simple games and dances, the balance beam, tire play and climbing activities. Colors, shapes, counting, health and safety, and simple science concepts are emphasized through play. There are

many more activities which the director will be happy to describe in more detail.

Lucille Lukaszewicz, head-teacher and director of the pre-school, has had eight years of early childhood teaching experience and feels that the Westfield Community Center Pre-School is an excellent environment for a child's first school experience. The staff provides a warm and loving atmosphere where children will feel secure and grow, she said.

Children may register for the two-day classes which are on Mondays and Wednesdays or Tuesdays and Thursday, or the four day class which is in session Monday through Thursday. All classes are in session from 9:30 to 11:30 a.m.

The Westfield Community Center, a member of the United Fund, offers this program for a very modest fee. For more information, come to Monday's Open House or call Jean Jackson at the center.

Dr. Michael Falcone To Open Office

Dr. Michael A. Falcone, son of Dr. and Mrs. Albert M. Falcone of 502 East Broad St., will open his office for the practice of optometry at that address.

Dr. Falcone was graduated in 1969 from Westfield High School where he was a member and captain of the golf team and a member of the National Honor Society.

He attended the University of Virginia where he was awarded a bachelor of arts degree in 1973 and did post-graduate work at Rutgers University in 1974. He was employed by Danker Laboratories, a contact lens company in Uniondale, N.Y.

Dr. Falcone enrolled at the Pennsylvania College of Optometry where he earned

a bachelor of science degree in 1975, the end of his first year of matriculation. He received the degree of doctor of optometry from that institution in 1979.

In addition to these classes, a complete range of swimming and diving courses are available to every level swimmer from the beginner to the expert. Pre-schoolers can find classes geared to individual abilities both in the gym and pool as well as in combination. Further information is available at the YWCA, 220 Clark St.

The word "comet" comes from the Greek *komeles*, meaning "long haired."

Noted Scotch Plains Artist Westfield Adult Instructor

A Drawing Workshop, taught by noted Scotch Plains artist Karen Halpern, is one of the daytime classes now available through the Westfield Adult School. This new class will meet at Edison Junior High on Tuesdays, 12:30 p.m., beginning next week.

Through this course, beginning and advanced students will have the opportunity to explore techniques of using a variety of simple drawing materials as applied to a range of selected subjects.

The workshop approach will provide the new artist with tools and methods to learn to draw effectively and will stimulate the experienced artist to experiment with a personal language of drawing with a broadened working vocabulary. The suggested projects will allow each student to work at his own level with individualized guidance from the instructor.

Mrs. Halpern was previously an instructor of art in Indiana State University. Her work has been extensively awarded and has appeared in many one-person

shows, and gallery and museum exhibits throughout the East and Midwest, including the Everson Museum of Art, Syracuse, N.Y., the J.B. Speed Museum, Louisville, Ky., and the International Women's Art Festival of the Ford Foundation, N.Y. Her

paintings, which are commissioned portraits, are in numerous private collections in the United States.

Because of increased enrollment at the school, and the hiring of additional staff, a need was felt to help orient the parents new to the school, and for them to get to know the school staff, and the Home and School officers, and each other.

DO YOU WANT TO WORK SEVEN DAYS A WEEK?

We ask your serious consideration of petitions initiated by Freeholder Lattimore seeking a referendum which could lead to a repeal of a Sunday ban on retail sales in Union County.

Seven Days of Retail Sales Could Lead to Demands for Seven Days Availability of All Types of Services . . . If you can buy a shirt on Sunday, why should you not be able to buy a bottle of Scotch, pay a parking ticket, purchase a car, expect full banking services, send your children to public schools or demand that county judges and elected officials be at their desks at the Union County Courthouse?

Sunday Sales, we feel, will squeeze small businessmen out of competition and cause:

- *Higher prices
- *Loss of ratables and increased local property taxes
- *Drain on Municipal services caused by increased demands for police and fire protection
- *More unemployment
- *Abuse of existing energy sources (52 more days a year for heating, ventilating, lighting, air-conditioning, etc.)
- *Deteriorating service in stores (experienced sales personnel cannot be expected to work seven days a week)

QUESTIONS: Do we want laws inspired by politicians — or by the people themselves? What motivates Freeholder Lattimore to lead a fight for Sunday sales? Is Hahne's — which has a branch store in Westfield and has frequently violated traditional Westfield holiday closings — acting in the best interests of our community by actively urging a referendum on "blue laws?"

WE WANT YOU TO SHOP WESTFIELD — BUT ONLY SIX DAYS A WEEK!

Some people have been misled into thinking that Sunday retail sales will boost employment; in truth, Sunday sales will primarily boost overhead, a factor which will only be passed on to consumers through higher prices.

IF YOU HAVE SECOND THOUGHTS ABOUT SIGNING A PETITION SEEKING A REFERENDUM ON SUNDAY RETAIL SALES . . . Call Walter Halpin, County Clerk, TODAY at 233-9399 and ask that your signature be removed from the petitions circulated by the Union County Board of Freeholders, who, we believe, acted both illegally and immorally in instigating these petitions at taxpayers' expense.

If you still believe that the electorate should decide the issue, we urge you to consider the economical, ecological and personal consequences of expanding Sunday retail sales. We think that those who have the best interests of their town and county at heart will vote NO if the "blue law" referendum reaches the November ballot.

THURSDAY, SEPTEMBER 20, 1979

Total Property Tax Levies**Rise in All 21 Counties**

The \$165.4 million overall increase in total property tax levies for New Jersey counties, municipalities and school districts in 1979 was geographically distributed throughout the State, reports the New Jersey Taxpayers Association. Total taxes imposed in each of the Garden State's 21 counties increased over their 1978 total. In 1978, six counties had decreases in their total levy from 1977; and in 1977, the first year in which the 1976 Tax Reform program impacted on local budgets, 19 out of the 21 counties had decreases in property taxes from 1976.

Dollarwise, Bergen County had the largest increase — \$22.2 million. However, this represented a 4.7 percent rate of growth while the statewide growth was 5.0 percent. Largest percentage increases in total property tax levy occurred in Gloucester County (10.1 percent), Hunterdon County (9.7 percent) and Cape May, Ocean and Salem Counties (all 8.2 percent). Smallest increase was in Hudson County — 1.1 percent. Of New Jersey's total 1979 property tax levy of nearly \$3.5 billion, nearly \$2.2 billion or 62.5 percent occurs in the seven counties of Bergen, Essex, Middlesex, Union, Monmouth, Morris and Hudson.

As previously pointed out by NJTA, property taxes are trending upward again because (1) the State aid programs were not designed to expand or keep abreast of inflation, and (2) local budget "leaps" limit the growth in spending and taxes but do not freeze it. Even so, the 1979 property tax increase of 5 percent is still well under annual rates of growth during the early 1970's. In fact, if the \$273 million of homestead rebates, which were paid directly to eligible homeowners in July, are deducted from the total 1979 levy, then the New Jersey local property tax level is lower than in 1976.

In Union County, combined total property tax levy for the county, municipalities and school districts rose from \$252,276,079 in 1978 to \$263,812,900 in 1979, an increase of \$11,536,821 or 4.6 percent.

States Seminar For Home Buyers

Would you like to know how to buy a home with little or no down payment? Or whether a house is properly insulated? Or maybe what happens when you sign a contract to purchase real estate?

These questions and other informative topics will be aired at a home buyers seminar at 8 p.m. Thursday, Sept. 27, at the Hotel Suburban, Summit. The public is invited to attend.

WEEK OF SEPTEMBER 20, 1979

AQUARIUS — January 21 - February 19

It's a pleasure to be an Aquarius now — you're entering a lucky and romantic cycle. Encouraging news arrives on the weekend. Intuition can be weak Monday-Wednesday.

PISCES — February 20 - March 20

Romance gets off to a slow start, but as of Monday you're on cloud nine. Improvement is current keyword: brighten home surroundings, splurge on a snazzy new outfit, work on your physique.

ARIES — March 21 - April 19

Excellent chance for reconciliations this period, so don't hesitate to resume old relationships or to take the lead by giving him/her flowers and chocolates. Watch out for colleagues fishing for too much advice.

TAURUS — April 20 - May 22

It's likely that you'll feel a little stale now unless you do something super-constructive. Could be a little overwhelmed by a friend's kindness. Don't look for strings — they're not attached.

GEMINI — May 23 - June 21

Autumn is in the air, but the season has a springtime feeling: friendship is budding, clever ideas are perking away. A troublesome obligation can be fulfilled easily on the weekend.

CANCER — June 22 - July 22

Week offers events that challenge your Cancer ingenuity: it's been a while since you've risen to so many occasions. Details are critical — in financial and romantic areas.

LEO — July 23 - August 22

Possible to be susceptible to little colds, so take all reasonable precautions. It's also likely that you're sensitive to remarks of loved ones. Financial gains favored Tuesday.

VIRGO — August 23 - September 22

A mobile week. You can be putting in more miles than planned, and spending the weekend at an undreamed-of spot. On the whole a successful time, with small financial gains likely on Tuesday.

LIBRA — September 23 - October 22

A good time to make commitments to health program ... and to a romantic partner. Financially, you're feeling a little too carefree for comfort — and it may be wise to hide those charge cards.

SCORPIO — October 23 - November 21

Priorities can get shuffled around. Make a special effort to give the most attention to the jobs that really require attention. Social activity makes for a festive weekend.

SAGITTARIUS — November 22 - December 22

Domestic matters are claiming your attention ... finally. Attack chores with zest and imagination. Financial question remains unsettled. Don't rush things: solution is forthcoming.

CAPRICORN — December 23 - January 20

A week featuring little jaunts and touches of glamour. Loved ones act in unexpected ways on weekend. Monday-Tuesday can include a bonus — plus a shocking bit of news.

BIRTHDAY THIS WEEK

Artistic, precise, and in love with anything beautiful. Your problem is that you can compromise too much in your quest to make everyone happy. You'll find that you have to take more risks, go out on more limbs, if the year ahead is to stay on course. Gains in career and education likely in new year.

BORN THIS WEEK

September 21st: actress Sophia Loren; 21st, author H. G. Wells; 22nd, actor Paul Muni; 23rd, actor Mickey Rooney; 24th, novelist F. Scott Fitzgerald; 25th, commentator Barbara Walters; 26th, poet T. S. Eliot.

LETTERS TO THE EDITOR

All letters to the editor must bear a signature, a street address and a telephone number so authors may be checked. If contributors are not able to be reached at local phone numbers during Leader business hours, the writer's signature may be notarized.

Letters must be written only on one side of paper and typewritten.

All letters must be in the "Leader" office by Friday if they are to appear in the following issue.

SCOTCH PLAINS PLAYERS APPEAL FOR BUILDING

Editor, Leader:

For over 19 years, the Scotch Plains Players have been an active and vital non-profit theatrical organization in the community, dedicated to bringing our fellow citizens dramatic and musical productions of the highest professional quality. In recognition of this fact, the Honorable Alan M. Augustine, Mayor of Scotch Plains, proclaimed the week of May 4-10, 1979 Scotch Plains Players week.

The Players proudly boast of a membership that includes teachers, electricians, lawyers, and architects, as well as retirees, homemakers and students. With our combined talents we presented this past season, the musical comedies "Pippin" and "Funny Girl" and the musical drama "Shenandoah." All three productions were critically acclaimed in all the local newspapers and this, no doubt, was a large factor in our audiences for all three productions to be in excess of six thousand persons. The size of our audiences has been very gratifying to us because we feel that our efforts are recognized, appreciated and supported by a broad base of people in the community.

At the present time, the future of the Scotch Plains Players is in doubt. Rising costs and the lack of a place to call our home are severely jeopardizing our plans for not only this season, but for any season to come. Since we must mount our shows in rented facilities, we are forced to schedule around plans of the owners which quite often creates a hardship for the players. While the Board of Education has been extremely cooperative, rental costs of the auditorium and custodial fees have seriously inhibited our ability to present our productions at prices affordable to all. As an organization which prides itself in enriching the cultural level of the community, it hurts us deeply to be forced to raise the price of tickets to account for factors beyond our control.

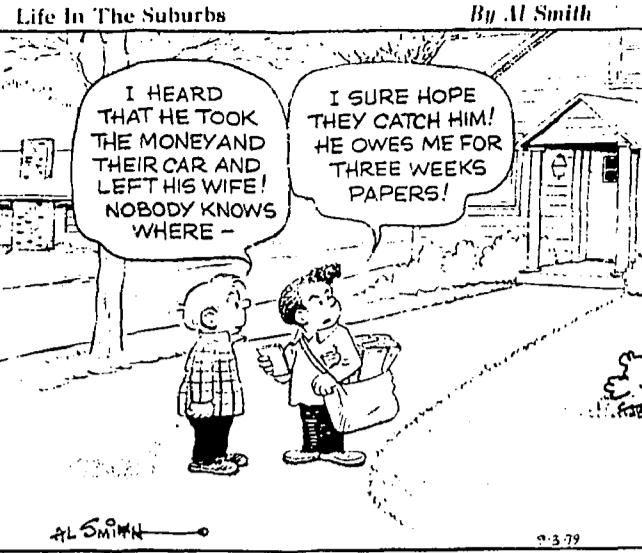

As we approach the opening of our twentieth season, it is obvious to us that we desperately need a place to call home - a place where we can mount our shows free of excessive conflicts and unnecessary costs.

Almost any type of structure is adaptable for theatrical purposes. The Players need your help and we are now reaching out to the community to whom we have given so much pleasure to assist us in continuing to do so.

We are, of course, a non-profit organization. Occasionally, our production receipts allow us a little to put aside in our building fund. This small sum is hardly sufficient for us to strike out on our own, but it does provide us with a

Thanks to you it works...

base upon which an agreement between the Players and a donor can be reached.

Many community theatre groups are associated with the Recreation Departments of their municipalities or with their Board of Education. We would also welcome such an arrangement, and perhaps contribute to the budgets of these public entities from the proceeds of our productions.

There are many possibilities that can help the Players meet and overcome the challenge of rising costs. If you possess any type of building which you would be willing to donate or lease on a long term basis to the Players, please contact the undersigned.

With the help of our municipal officials, or with private assistance, we have no doubt that the Scotch Plains Players can and will continue to provide a source of theatrical expression for all members of the community who wish to join us, and to provide first rate productions for our audience.

Thank you

THE YW AND ABORTION

Editor, Leader:

The YWCA is a questionable candidate for United Fund membership, yet, once again they will benefit from donations.

The YW is a member of the Religious Coalition for

Abortion Rights, a group lobbying for the unrestricted right to abort unborn children.

Catholics, especially, should be wary of this YW affiliation.

The Religious Coalition targeted Catholic Bishops for their opposition to abortion. They defamed the intention of the Bishops and threatened them with an end to ecumenical dialogue. They compared Knights of Columbus anti-abortion literature with Ku Klux Klan material.

At last report the Coalition budgeted \$300,000 to lobby lawmakers against the Bishops' position.

The monetary link between the YW and pro-abortion activity is indisputable. All local YW's are mandated to contribute a portion of their incomes to the National YW which supports pro-abortion policies.

And we can only assume that the \$300,000 to oppose the Bishops came from coalition members such as the YW.

Should an organization qualify for United Fund money when its money is used for political purposes, and when it lends its prestige to statements which can only arouse anti-Catholic bigotry?

The fact is the local YW can not deny responsibility for the actions of the Religious Coalition as long as it remains a member.

The YW's continued affiliation, in spite of increasing complaints by United Fund contributors over the past three years,

is a major concern for the YWCA.

Union Students Return to Classes

More than 5,300 Union College students returned to classes on Monday at the main campus in Cranford and at the Elizabeth Urban Educational Center.

The fall semester opened two weeks later than scheduled as the result of a walkout by members of Union College chapter, American Association of University Professors. The college and the chapter reached agreement on Friday (September 14) on a one-year contract, providing a seven-and-a-half percent salary increase for 96 full-time faculty members and three full-time librarians, and an increase

in the class size. "The college is still under considerable fiscal pressures, but with the full cooperation of the faculty ways will be found to overcome them," Dr. Saul Orkin, president of Union College, said.

Dr. Orkin added that all students will be provided a full 16 weeks of instruction as required by state regulation, and that a revised calendar for the 1979-80 academic year will be announced in the near future.

A special period of late registration will be conducted from 9 a.m. to 8 p.m. today.

Concert Tickets Due Next Week

Members of the Westfield Community Concerts Association will receive their season tickets early next week, according to Mrs. Frederick D. Walters, second vice-president and membership chairman of the group. She also announced that a limited number of memberships are still available for music lovers who missed the spring campaign or are newcomers to the area.

The new season begins in Westfield Oct. 16 with a performance by the Cloud Gate Dance Theater of Taiwan. Although attendance for all concerts is limited to the membership with no tickets available for individual programs, any member is entitled to attend

the concerts in Plainfield and Summit on a space available basis. The first of the twelve concerts will be given in Plainfield on Oct. 7 when Hans Richter-Haaser, pianist, will appear.

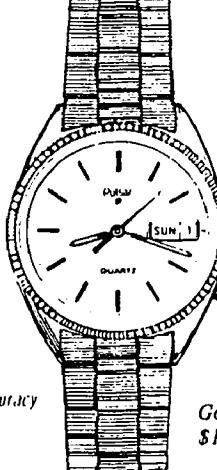

Other artists for the Westfield series include Stecher and Horowitz, duopianists; Kathleen Battle, soprano of the Metropolitan Opera; and the Paul Kuentz Orchestra of Paris.

Information for prospective members may be obtained from Mrs. Walters and the secretary, Mrs. James Chiarillo. In addition to the regular membership, student membership is also available. All concerts are given in the auditoriums of the high schools in each community.

Union Conference Oct. 18-20

More than 75 college administrators and educators from 16 states will participate in a three-day conference-workshop on the humanities planned for Oct. 18 through 20 at Union College.

Torin Kelly, a member of Boy Scout troop 276, presents a United Fund of Westfield poster to Joseph Bei, owner of the Castle Bootery. United Fund posters, which have been distributed throughout the downtown Westfield business district, proclaim, "Of the people, By the people, For the people. The United Fund of Westfield." The Watching Area Boy Scouts is one of the 16 member agencies which will be helped by the 1979 United Fund Campaign.

"Toddler Time" At Library

A "Toddler Time" Story Hour for two-year-olds and their mothers will be held in the Children's Department of the Westfield Memorial Library Friday, Sept. 28, from 10:30 to 11 a.m.

Children are being registered now for the program, which is open to all those who have not attended a "Toddler Time" before.

Mothers, according to Mrs. Sally Wehr, children's librarian, should come prepared to sit on the floor with their children.

She described the session as a "basic introduction to story time and related activities." It is designed, she explained, to help parents encourage their

children to enjoy literature and to start reading. It also will introduce boys and girls to the regular library story hours and book-related home activities and show parents and their children what's available at the library.

Boys and girls are not expected to sit quietly for the program, Mr. Wehr added, since the session is geared to active children as well as shy, quiet ones.

There will be very short stories, simple games and songs, in which the boys and girls will participate, and puppets. Lists of books for toddlers and adult books to aid parents will be available. Registration will be limited.

Friends Want More to Join Them

Mrs. A. W. Hubbard, president of Friends of the Westfield Memorial Library, has announced the opening of its annual membership drive. Membership is open to all residents and dues help support the services of the Friends.

Services performed by the Friends include delivering books to shut-ins, coordinating the work of library volunteers, responsibility for the display case, community calendar and Xerox machine at the library. The Friends handle a memorial and gift book plan and stock the Stop & Swap Rack at the Railroad Station. Through their annual book sale and other fundraising projects last year, the Friends donated \$2200. to the library to be used for additional book cassette packages for the children's department and for editing equipment to implement the new film circuit.

The series of Sunday afternoon programs that are open to the public without charge will again be sponsored by the Friends. This year's first program as announced by Mrs. Harry F. Reid, program chairman, will be held Oct. 21 and will feature Jean Yueh, demonstrating "Chinese Cooking - Traditional to Contemporary via the food processor."

Other scheduled programs include "Renaissance Music" featuring members of the Choral Art Society of New Jersey on Dec. 9; Carl Schafenberger discussing "What Does Handwriting Show?" on Mar. 23 and

It's The Year Of The Child ... Sleepy Hollow Restaurant, Scotch Plains, Capital Savings and Queen City Savings all paid tribute to The Year of The Child by contributing \$1,000 to the new Children's Medicine Center at Muhlenberg Hospital in Plainfield. When complete, the center will provide modern facilities to care for children and adolescents. Pictured are (l-r) Gordon Patterson, Goldblatt and Patterson; Charles Pfost, Capital Savings; John Hohman, Muhlenberg Hospital; Sam Sidorski, Sleepy Hollow Restaurant; and George Ferretti, Capital Savings. The money was raised by patrons of the restaurant who donated 37,839 pennies by filling a six gallon jug within a two-year period. \$1,000 was given to the Hospital; the remainder was raffled off to a lucky winner.

Lori Swingle, Medical Student

Lori Ann Swingle of the class of 1974 of Westfield Senior High has entered the Pritzker School of Medicine at the University of Chicago as a first year student. Lori was graduated magna cum laude from Barnard College of Columbia University in 1978 with a degree in chemistry.

While in college she was the recipient of the American Chemical Society Award in analytical chemistry and a National Science Foundation Summer Research Scholarship to work with Dr. Stuart A. Rice at the University of Chicago in the field of chemical physics.

As a result of her research in Chicago, she co-authored a paper published in the "Chemical Physics Letters" Nov. 1, 1978 entitled "On the Continuity of State Between Amorphous Solid and Liquid Water."

Lori is a member of Phi Lambda Upsilon, the honorary chemical society. Upon graduation from Barnard, Lori worked for a time at Rockefeller University in New York City as a research assistant to Dr. Nam-Hai Chua in the field of genetics.

Miller-Cory Re-Opens Sunday

The Miller-Cory Museum, 614 Mountain Ave., will re-open this Sunday for the fall season. The museum, open Sundays from 2 until 5 p.m. September to June, features each week a special activity related to the seasons of the farming year of the late 18th century.

During the late summer and early fall, the farmer and his family were busy harvesting and preparing foods to store for winter consumption. In addition to cultivated crops, these early families depended also on plants and berries, etc. that grew wild. The varieties and uses of these fall wild edibles will be featured this Sunday.

The museum, in addition to being open regularly on Sunday afternoons, is available for group tours during the week. To make arrangements for a special tour, contact the museum office.

Clive Barnes Launches College Club Programs

Presently on the staff of the New York Post, Barnes continues to share his expertise with the public and to stimulate critical thinking in the artistic world. Time magazine observed that Barnes

"expanded his jurisdiction beyond that of any previous dance critic by reviewing dance halls and discotheques, films and the opening of the Mets. Baseball players, he concluded, are no match in grace and strength for male ballet dancers." According to Newsweek Clifton Daniel said of him, "He's an intelligent, perceptive, well-informed man who writes very well. He's knowledgeable about the arts, including the theatre. Aside from that, he's a nice fellow."

Meet this acclaimed critic at this initial College Woman's Club program for the 1979-80 year. Members may bring guests and prospective members are always welcome.

Forum Comedy Opens Sept. 27

New Jersey Theatre and senior citizens. Special rates are also offered to groups of 20 or more.

Watercolors on Exhibit

Betty Stoppel, local artist and teacher, is currently exhibiting watercolors in the window of Joy Brown, Inc., Realtors, 112 Elm St. The paintings will remain through the month of September.

The artist, who received her BFA degree from Miami University, now works exclusively in watercolor and is a full time professional. During the past year she participated in an invitational exhibition at the Squibb Gallery in Princeton as well as at the Fairleigh Dickinson University Spectrum '79 show, and had two one-artist shows.

In 1978 and 1979 she received awards in the National Arts Club annual watercolor show and the Catherine Lorillard Wolfe Club annual in New York City and exhibited with the Audubon Artists at the National Academy. She also received an Award of Excellence at the Somerset Art Association annual, the first award for landscape at the AAPL-NJ annual, and the cover award in the Essex Water Color Club show as well as 26 other awards during this time.

She was awarded a Fellowship grant by the N.J. Council on the Arts for 1977-78 and has exhibited in the American Watercolor Society annual, in the

Newark Museum, Trenton Museum, Drew University, Rider College, Morris Museum, Stockton College, Bergen Museum and the Newark Library, among others.

She teaches six watercolor classes including her recent affiliation with the Du Cret School of the Arts and is a member of the New Jersey Water Color Society, AAPL, Artists Equity, Essex Water Color Club and several art associations, including the Westfield Art Association.

Joy Brown Realtors performs a fine dual service in providing the Westfield Art Association members with a place to exhibit, and the public with a place to view the products of local talent.

WHS Marching Band**Hosts W. Va. University Unit**

In an out-pouring of cooperation, members of the W.H.S. Marching Band, the Band Parent's Association and its alumni, and other Westfield residents joined together Friday, to host the members of the West Virginia University Marching Band who were to perform at the Syracuse vs. West Virginia football game at the Meadowlands on Saturday and the N.Y. Jets game on Sunday.

John Wevers, W.H.S. band director, received an urgent call the previous Tuesday from the WVU band director, Don Wilcox, asking for assistance in placing his band members in homes overnight, an earlier arrangement having fallen through. Westfield was requested to place half of a total membership of 300 with Cranford placing the remainder.

At a meeting of the W.H.S. Band Competition Committee that evening, Wevers sought the help of the Band Parents in fulfilling the request. The following morning, band members were notified and asked to seek the help of their parents. Barbara Spato and Laura Notarmaso began a telephone canvass and by Friday had placed better than half of the WVU band members in homes of band parents and, in some cases, those of neighbors and friends not associated with the W.H.S. Marching Band.

Hosts provided dinner and sleeping accommodation for the visiting band members Friday, and breakfast and transportation to Cranford to board their buses at 7:30 a.m. on Saturday.

To show their appreciation, the entire West Virginia Marching Band mustered at the High School football field and performed an exhibition of their opening and half time numbers for those

The Constitution along with pictures of the signers that represented New Jersey and a Letter of Proclamation from the Mayor's office may be seen. This exhibit was done by Jean Enders, D.A.R. Constitution Week chairman. The organization urges all residents to display their flags during this commemorative week. Current homes for sale may also be seen at the realtors' office.

Rinaldo "Family Picnic"**Sunday**

Several hundred supporters of Congressman Matt Rinaldo are expected to attend his annual family picnic on Sunday, Sept. 23, at the picnic grounds of the Knights of Columbus on Jeanette Ave., off Morris Ave., Union.

The affair is sponsored by the Rinaldo for Congress Committee and is open to the public. It will be held from noon to 5 p.m., rain or shine.

Tickets to the affair may

be purchased from the committee at 1961 Morris Ave., Union.

The picnic includes clams on the half shell, clam chowder, chicken, roast beef, sausage, hamburgers, hot dogs, corn on the cob, beer, soda, cake, and coffee.

There will be a band for dancing, games for children, and prizes for the winners. In the event of rain, the picnic will be held in the Knights of Columbus Hall.

Women's Week at Union

Women's Week at Union College — Sept. 24 through 28 — will be highlighted by a series of lectures-discussions to be held between 12:15 and 1:30 p.m. at the Cranford Campus.

The series, sponsored by the Woman's Center, is open to Union College students and to women from communities surrounding the college. They will be held in the College's Sperry Observatory.

Under the direction of Center Director Dorothy Cooper and Paula Storch, the series will focus each day on a different aspect of issues faced by women.

Monday's program will explore "What a Woman Is." Questions such as where women fit in, what are the myths and what the realities, will be discussed.

Tuesday's session will concern women's roles in relationships and how they

Blood Donors Needed

A Red Cross Community Blood Bank will be sponsored by the First Baptist Church, 170 Elm St. Monday, Oct. 8, from 2 to 7 p.m. The hours have been adjusted for the convenience of the commuters.

The Red Cross Blood Bank covers all residents of Westfield and Mountainside for their blood needs. Also, credit for blood replacement may be transferred at the donor's request to any hospital in the United States, Canada or Puerto Rico. Persons between the ages of 17 and 65, weighing at least 110 pounds may be donors. Seventeen year olds need written parental consent.

Cambria Urges Middle Income Tax Relief

William A. Cambria, Democratic candidate for the Assembly in the 20th Legislative District, has called for a program of tax relief for middle-income taxpayers, senior citizens, and homeowners. Cambria said the program is necessary "because we continue to be faced with a steadily increasing cost of living."

In describing his proposal Cambria said, "The thrust of the program would be aimed at helping the middle-income homeowner so frequently shortchanged by the existing tax system, and senior citizens who are often forced to deal with inflation on fixed incomes. One of the most tragic aspects of our present inflation is that it is most severe in essential areas — food prices, home heating costs, gasoline. The state should act to cushion the impact of these costs on those who are being squeezed the hardest."

Cambria also noted that

Joins Eckhart Staff

Eckhart Associates, Inc., Westfield Realtors with offices at 223 Lenox Ave. has announced the appointment of June Shepard Pawelec to its sales staff where she will specialize in the sale and leasing of residential and commercial properties.

Mrs. Pawelec received a bachelor of arts degree from Tufts University and a master of science degree from New York University. Prior to her present affiliation, Mrs. Pawelec has been an elementary and junior high school teacher, an antique collector and dealer, and a decorating consultant. The holder of 12 patents in the computer field, Dr. Thomas has worked on Telstar with orbital and directional control for Bell Labs. He has also worked with data transmission, including the picture/phone.

Dr. Thomas is a member of Eta Kappa Nu, national honor society for engineers, and Pi Epsilon Tau, national literary society, and is a lecturer at the Hayden Planetarium. He is also a former North Plainfield councilman.

AAI is the group that operates the Sperry Observatory with Union College. All meetings are open to the public free of charge.

Surrogate to Discuss Estate Planning

Larry J. Lockhart, director of the Union County Department of Human Resources, announced today that the new senior citizens radio program of Station WJDM under the title "What Senior Citizens Want to Know" will take place at 12:15 p.m. Wednesday.

Lockhart said Mrs. Evelyn Frank, president of the Senior Citizens Council of Union County will have Walter E. Ulrich, Union County surrogate, and James F. Keefe, deputy surrogate, as per guests. They will discuss wills and estate planning.

Friday's session will deal with the definition of a woman, particularly in terms of equality and how women can be self-determining and more effective.

All Women's Week sessions are free of charge. For further information, contact the Women's Center.

Chicago Bridge Elects Mansell

James R. Mansell, a resident of Westfield from 1964 to 1974, has been elected a senior vice president of Chicago Bridge & Iron Company.

Mansell, a CBI vice president since 1970, assumed responsibility for the firm's engineering and research departments earlier this year. He also has served as engineering manager, district sales manager in New York and Houston, and as manager of contract engineering.

Earlier in his CBI career, which began in 1955, he was a schedule coordinator for southwestern operations and worked as a contracting engineer in the Houston and New York City sales offices.

He and his wife, Alice, who now reside in Hinsdale, Ill., have two sons, Bob, 25,

Airman Teresa Tiller At Chanute AFB

Nancie Gordon At Keesler AFB

Airman Nancie L. Gordon, daughter of Mr. and Mrs. William D. Gordon Jr. of 629 St. Marks Ave., has been assigned to Keesler Air Force Base, Miss., after completing Air Force basic training.

Cambria said that the tax relief program could include several elements, affecting both local property taxes and the state income tax. Details of these elements would be issued shortly, Cambria noted.

"The program must, of necessity, be limited, so that the revenue drain is not too severe. But it is essential that there be specific relief for our middle-income taxpayers, senior citizens, and homeowners, and that we benefit our economy, aid energy conservation, and create jobs," said Cambria.

"This program is good not only for the people in the 20th District but also beneficial to the State as a whole."

The airman will now receive specialized instruction in the air operations field.

Swingline Promotes

John B. McEvily of Westfield has been named vice president of marketing for the consumer products division of Swingline.

Before joining Swingline as national sales manager in 1978, McEvily was marketing manager for Black & Decker.

To Share AFS Experiences Wednesday

Candy Cure, a AFS international-intercultural student, will be guest speaker for the AFS chapters' first meeting of the year. Candy, who spent the summer at the home of Attorney and Mrs. Juan P. Calupig, San Nicolas, Ilocos Norte, Philippines, will give a slide and talk presentation about her visit. The meeting will be held at the home of Mr. and Mrs. Charles Cure, 810 Shadowlawn Dr., at 8 p.m. Wednesday. Mrs. Vegstedt, chapter president, has extended an invitation to anyone who would be interested in joining the AFS Chapter at this time.

The AFS chapter sponsors the student club at the Westfield Senior High School. The new officers for this year are Candy Cure, president; Pam Fromhertz, vice president; and Andy Swimmer, secretary-treasurer. The AFS Club will hold a reception for all interested students Tuesday at the Westfield Senior High School, at 3 p.m. in Room

183, the portable building. Guest of honor will be Brett McEwan from New Zealand who is staying at the home of Mr. and Mrs. Robert Smith and Gregg Smith of Westfield.

Any one who is interested in the U.S. domestic, American abroad, American summer or short term exchange programs,

may have the opportunity at this time to inquire and join.

AFS offers its students an educational opportunity by providing an in-depth, intercultural experience;

stressing the growth and development of the individual. In addition, school program students receive a year of formal schooling.

AFS is not a tour, nor is it a summer or a year of vacation, but an educational experience. The AFS experience was also, shared by Carol Engel who spent the summer in Argentina; and is the daughter of Mr. and Mrs. Charles Engel.

And by Mary Trertola, daughter of Mr. and Mrs. Edward Trertola, who spent the summer in Norway.

Tickets will be on sale on Thursday, Sept. 27, at each elementary school from 8:30 to 9 a.m.; checks are to be made out to the Westfield Parent-Teacher Council. Tickets are being sold on a first come, first serve basis. Tickets will only be sold to Westfield students and children of school age, not parents, because shows will be well monitored at each performance by 35 mothers, a policeman and a fireman.

If a child is unable to use a ticket, he is asked to turn it in to the school representative.

Police Recruit Training Begins Oct. 1 at Union

The 40th session of the Union County Police Chiefs' Training Academy for law enforcement recruits will open on Oct. 1 at Union College, it was announced today by Dr. John Wolf, academy director and chairman of the college's Department of Criminal Justice.

The Academy, which is operated jointly by the Union County Police Chiefs' Association and Union College, provides basic training for new recruits in law enforcement agencies in Union County.

The Academy's 12-week basic program includes such topics as administration of justice, patrol practices, group behavior, physical skills, investigations, highway safety, fingerprinting, interviewing techniques, crime scene sketches, and traffic control.

A special orientation for new recruits will be held on Friday, Sept. 28, at Union College.

Teachers Endorse Hardwick, Bassano

C. Louis Bassano and Chuck Hardwick, Republican incumbent Assemblymen, have been endorsed by the New Jersey Education Association's Political Action Committee in state legislative races.

"Lady on the Rocks," an original drama about a woman's alcoholism and its impact on her family, will be presented at 8 p.m. Saturday, Sept. 29, in the auditorium of Overlook Hospital in Summit.

The professional production is being sponsored by the hospital's alcohol treatment program as a community service. The play, which was commissioned by the National Council on Alcoholism, concerns a middle-class wife and mother whose problem is recognized by everyone but herself. The performance will be followed by a panel discussion led by Arthur McLellan, MD, director of Overlook's Division of Community Health. There will also be an opportunity for audience questions.

Actors in the drama include Deidre Owens, who is currently appearing in an off-Broadway production of "Richard the Second," and Robert Fitzsimmons, president of the Actors Equity Library Theatre.

Free on-site parking will be available.

Overlook to Present Drama on Alcoholism

Members of the discussion panel include Blanche Rifendifer of the Alcoholism Treatment Program at Overlook; Chuck Rifendifer, Alcoholism Counselor at Morristown Memorial Hospital; Bent Jensen, personnel supervisor at ATT-Long Lines, and Melvina Jensen, director of volunteers for the Overlook alcoholism program.

Advance ticket purchase is advised due to the limited capacity of the Overlook auditorium. A small donation is requested to help defray the cost of the production. Tickets may be purchased from 4 to 8 p.m. in the lobbies of Overlook and Morristown Memorial on the following dates: Sept. 21, 24, 26 and 28. They may also be purchased on the same dates from 11 a.m. to 2 p.m. at the Summit office of the Summit and Elizabeth Trust Company.

Free on-site parking will be available.

Youth Symphony

Plans Auditions

Dr. Jean McDermott, supervisor of music for the Westfield Public Schools, attended a luncheon meeting Thursday at which the formation of a new youth orchestra was announced to public school music supervisors and teachers.

Called the New Jersey Youth Symphony, Union County, the group will be conducted by George Marriner Maul, assistant conductor of the New Jersey Symphony, with which the Youth Symphony is affiliated. Maul, a graduate of the University of Louisville, has extensive experience both as a violist and conductor, most recently as assistant conductor of the Opera Orchestra of New York.

The Youth Symphony will begin its weekly rehearsal schedule on Tuesday, Oct. 16 at 7 p.m., also at Summit Junior High School, in preparation for its first concert Dec. 2 in Westfield.

Retarded Citizen Advocates Seek More Volunteers

The Citizen Advocacy program of the Union County Unit of the New Jersey Association for Retarded Citizens is currently recruiting volunteers to pair with developmentally disabled persons (proteges). The volunteer, also known as an advocate, spends time regularly with a protege by whatever arrangement the two wish to work out. Guidance is offered in such matters as shopping, recreation and personal care. A knowledge of mental retardation is not necessary to be an advocate.

All advocates receive an orientation and are provided with support and guidance from the Citizen Advocacy staff. Any person interested in volunteering or wishing to learn more about the program can contact the coordinator, Hal Watter, at the unit office, 60 South Ave., Fanwood.

Memorial Conference Begins Fall Program

The Westfield Soccer Association kicked off its Fall Program on Sunday, fielding 36 teams in Division V (7, 8 and 9 year olds) with a new record of 612 players in this age category alone, continuing the incredible growth of soccer in Westfield, which began 9 years ago with 37 players on 2 teams. Memorial Conference Results were:

MEMORIAL WEST DIVISION

Huskies 3	Elks 1
Buffalos 6	Wolves 2
Bisons 3	Cougars 1
Bobcats 1	Mustangs 1
Bobcats 1	
Mustangs 1	

In an exciting tie the Mustangs were led by Jeff Pinkin, who scored in the first half on a sharp shot in front of the goal. The Bobcats tied the game in the second on a classic, 3-assist team effort, with John Hinson taking the ball at midfield, passing neatly to wing Michael Dodd, who slipped it over to Kevin Stock who then put the ball precisely on Matt McTamaney's right foot; Matt smashed it into the top center of the net. The Mustangs held the tie in a see-saw battle with good play by Peter Meyer, Seth Kaminstine, Kevin Schultz at center half and Brian Meade, who played nicely at left wing. The Bobcats defense was led by center fullback Mark McCaffrey and left fullback David Taylor, who played extremely well after joining the team on the day of the game. Mustangs Debra Ernest at right fullback, Jerry Infantino, Jay Unger, Brooke Vernick and Stephen Miller played extremely well to hold the Bobcats in the second half. Jack Dulek, Charles Foley, Alex Graf in goal, Heather Mason, Catherine McTamaney, Louis Rettino and Alisa Shahr rounded out the Bobcats attack with Michael Payne, who played like a tiger at right half.

Buffalos 6 Wolves 2

After being down 2 to 1 at the half, the Buffalos began to work like a team toward a strong finish. Gregg Schmalz scored five times and George Green had one assist and a goal on an assist from Katie McGeary. John Niedzwiecki at forward and

Buffalo right half Kristi Mannino brings the ball up against the Wolves.

halfbacks Sean Ahern and Kristi Mannino kept the offense humming with fine passing. Defensively, fullback Woody Weldon and Jason Hagman kept the pressure off goalie Jamie Del Guidice who made several saves.

The Wolf offense was led by scorers John Schaeffer and Mark Bertrand. Eric Gerckens got the assist on John's goal. Ron Dau at halfback and Amy Nepo at full back turned in strong performances. Goalie Ross Bunson was very effective in stopping many scoring opportunities.

Bisons 3 Cougars 1

The Bisons scored a 3 to 1 victory over the Cougars in a well-played season opener. Brandon Lopresti scored three goals for the Bisons: two in the first quarter on beautifully executed crossing passes from Patrick Houlihan.

David Dulan starred in the goal for the Bisons being credited with eight saves two of which were point-blank shots.

Adam Rosenbaum, Mike Stamberger, Josh Youdovin and Matt Daley turned in solid offensive efforts keeping constant pressure on the Cougars defense.

The latter half of the game had many near misses until two consecutive goals were scored by Huskies forward David Shapiro. Goalie Matt Davis and fullback Matt Fontana helped hold the Elks scoreless in the last quarter. Many good

trolling mid-field nicely. In spite of a fine offensive effort led by Greg Ward, Christopher Pass, Steve Kroll and Melissa Williams culminating in a long high goal from the wing by Greg Ward, the Cougars were unable to overcome the Bison's lead, but did hold the Bisons to a single score due to the fine defensive efforts of Chris Weingram as goalie and John Duffy, John Macco, Kirsten Onold, David Hancock and Chip Stewart among others in the back.

Muskies 3 Elks 1

The Huskies started off the season with a 3-1 win against the Elks, in a game more exciting than Soccer Bowl '79. Both teams showed remarkable team work for their first game.

Strong defense marked the scoreless first half. Dennis McGorty and Billy Reynolds contributed greatly to the Huskies defense while Tim Glen, Mike Hamilton and Glen Piegarri did a fine job for the Elks.

The Elks scored early in the second half on a strong shot by Billy Ward. Huskie halfback Doug Kris retaliated quickly with a goal for his team. Doug also made many fine defensive plays during the game.

The latter half of the game had many near misses until two consecutive goals were scored by Huskies forward David Shapiro. Goalie Matt Davis and fullback Matt Fontana helped hold the Elks scoreless in the last quarter. Many good

clearing kicks were made during the game by Tom Brodo, Nicholas Hanson, Scott Goodsite, Chris Gilbert and Josh Hager, with assists by David Reynolds, Lannie Peretti and Sophie Hanson.

MEMORIAL EAST DIVISION

Leopards 4	Bears 2
Cheetahs 3	Pythons 2
Colts 6	Tigers 2
Eagles 1	Badgers 1
Panthers 1	Jaguars 1
Leopards 4	
Bears 2	

The Leopards showed great team work with Tracy Martin in her debut as goalie. She didn't allow a goal till the 4th quarter. Peter Lima at center fullback constantly turned back the thrust of the Bears and got the ball back to Daniel Ginsberg who dazzled the crowd with his dribbling and scoring (he had 3 goals). Paul Nazzaro scored a key goal for the Leopards.

Mike Fitzgerald, Tom Grant, Austin Burkett, Kyle Bergin, Laura Moran, Ian Rhodes, Tony Vazquez, Lisa Vincenten and Megan Walsh all played very well for the Leopards.

The Bears this weekend were led by Benton Cummings with 2 goals along with Meryl Klinghofer with an assist. Mike Noerr played tough defense. The Bears all and all played a very good game and should do very well during the season.

Cheetahs 3 Pythons 2

Cheetahs and Pythons played a hard fought game which the Cheetahs won 3-2 in the closing minutes of the game. In fact, the game could have gone in either direction with both teams missing close shots on the goals.

Cheetahs scored early in a fine cross by left winger Leigh Stokes to centre forward Karam Singh who shot the ball into the goal. The second goal also by Cheetahs resulted from some good team work between Craig Petrus and Karam Singh with Matt Kaelbein tapping the ball into the goal.

Pythons scored the next two goals to tie the score. Both goals were scored by Zane Bell with fine assists from John Pallarino and Jay McMeekan. Cheetahs third and last goal was also scored by Karam Singh on a timely pass by Kerry Hertel who played left and center half back.

Pythons' goalies Michael Shomaker and Steven Cohen and Cheetah's goalie John Laurito made several key saves. Cheetah's full backs Gregory Devitt, Mike Linnenberg, and Steven Manning played well in

Boosters Kick Off Season

The Westfield School Boosters Association, an all volunteer, non-profit organization that supports many school extracurricular activities, such as interscholastic and intramural athletics for boys and girls, the band, cheerleading, etc. has kicked off its season with the sale of Booster Buttons and the "550" Decal, so named for it is the approximate number of students participating in the various school athletic programs.

All monies raised by the

association are returned 100 percent to support the students in such activities as the All Sports Recognition Dinner, supplementary equipment for sports programs, five annual scholarships to graduating seniors, totaling \$2500 and plaques for all senior athletes.

The Westfield Boosters Association appreciates all contributions to sustain their supporting efforts. Residents may make a tax deductible \$5.50 donation to support the Boosters by joining the "550" Club and by displaying the decal.

Checks may be mailed to the Westfield Booster Association, Box 594, Westfield, N.J. Decals as well as Booster Buttons may also be obtained from members of the Booster Association.

Employers can obtain certification for the Targeted Jobs Tax Credit (TJTC) for eligible workers already on their payrolls from the nearest job Service office.

Girls Division Boasts 250 Players

Director Dennis Kinsella presents game ball to coaches Stokes and Kelley at season opener which took place at the Tamaques School fields.

This past Sunday the soccer season began for the Girls Division of the WSA.

Hours of planning by co-directors Dennis Kinsella and Alfred George Rogers, assisted by Division IV director Fred Priscoe and Division III director John Stokes, were rewarded with what appeared to be totally balanced teams for the fall play. This year's 250 plus participants are divided into two divisions - IV, for girls born in 1967 (6th grade) through 1969, and III, girls born in 1967 (7th grade) through 1964. The decision was made to split the program because of the large numbers at sign-up time. Last year was the first of the girls' program also headed by this year's co-directors. Kinsella stated,

"The quality of play and the patience of the coaches is a fitting tribute to this fine program for the youngsters of our community."

Jim Dodd, director of the fall program, extended his compliments to the directors and participants and wished them a successful season and the hope that the beautiful weather will continue.

Of particular importance was the fact that approximately 800 spectators attended the games. Their cheers were heard in Tamaques Park from the two girls' fields at the rear of Tamaques School where, incidentally, all girls' games will be held this season. League play begins this Sunday at 12:30 p.m. on both fields.

"Why not plan to attend one or more of the games. You will find the games most rewarding," stated co-director Rogers. Below is a sampling of this past Sunday's events.

**Fireflies 1
Grasshoppers 0**

The Fireflies opened the fall soccer season with a tough 1-0 exhibition game victory over the Grasshoppers. Both teams displayed a strong defense and a hustling offense. The Fireflies kept the offensive pressure on the Grasshoppers and with time running out in the first half and the ball deep in Grasshopper territory, Sally Stokes took a beautiful inbounds pass from Laura Halpin, and drilled the ball into the corner of the goal for the only score of the game.

The Grasshoppers opened their season with an exhibition victory as there were some outstanding performances on offense by Kris Jeremiah, Todd Conover and in her debut Stacey Muller, as these three consistently fought to put the ball in the Panther goal. On defense there was a fine performance by the full backs and John Fox and by Ryan Venckus who defended the goal. The Panthers also had some fine performances by Susan Gregory Devitt, Mike Linnenberg, and Steven Manning played well in

the second half.

**Blue Jays 1
Cardinals 0**

The Blue Jays, led by Captain Wendy Mertz, opened the season with a hard fought 1-0 decision over a very good Cardinals team. The single score came midway in the 2nd half when wing Ellen Ryan chipped a high shot over the goalie. Closely assisting were Carla Rice, Meredith Morgan and Wendy Mertz. Sharon Johnson was outstanding as the center full-back as was goalie Patti Gaffney. The remaining team, including Erin Doyle and Jocelyn Brotman, showed tremendous effort.

The first half was scoreless with the Cardinals pressing hard, attempting to score with shot after shot on goal. Susan Heveret played a fine offensive game at right inside. Bridget Littman fed the ball to Kelly Kinsella, who had several shots on goal, but was turned away by a strong Blue Jay goalie. Jill Voorhees played a super game at center full-back, keeping the offensive

team from scoring.

**Ladybugs 1
Quails 0**

The Ladybugs had their opening game for the Division III group. Right from the beginning the forward line Sally Stokes and Suzanne Williams, played a great game. Players who backed them up included Jacqueline Davidson, Heidi Arnold, Betsy Maslin and Susan Braden.

The Quails' coach, Marge Swist, was proud of her team's first game.

The first game of the season for the Quails proved that soccer has a lot of excitement and competition. Their opponents the Sandpipers displayed just that. In the first half, the Sandpipers led the game with the first goal. The Bees were scored by Norreen Morris, with an excellent play by Alicia Sacco, Kathy Harcourt and Carrie Morgan.

Carin Diaz, the goal-keeper, made many saves and was assisted in the defense by Debbie Lawson, Carolyn Gross, and Diane Donayre.

Playing well also for the Bees were Kim Simons, Meredith Alberts, Lisa McEnerley, Cindy Kudron, Karen Schneider and Lisa Fleischmann.

Early in the first quarter Tracey Muldoon, Crickets' right-wing, took a corner kick to start what was to become the first score of the game.

Rather than sending the ball across the center, Muldoon passed the ball to Beth Pryor. Beth turned and passed to Christine Nakatani who sent the ball to the corner of the net for the Crickets' first tally.

The Crickets, working like a team which had played together for a season rather than two hours, pressed continually through the 2nd and 3rd quarters but to no avail. Sparked by their mid-fielder, Audra Sacco, the Crickets moved the ball smoothly from one side to the other in an attempt to set up a second score. Although the Cricket defense gave up two goals, credit must go to the strong defensive squad, led by center full-back Ingrid Kasaks. Supporting Ingrid were Susan Curtis, Chrissy Gilgalion and Alvina McTeigue, put the pressure on the Ladybugs defense, which led to a 0-0 tie after the first half.

With terrific support from the halfbacks Kelly Sherman, Shelly Letto, and Laura Beltz, the Locusts were able to score their first goal of the season. The score came through Sally Parizeau at the end of the second half which gave the Locusts their first victory.

Defensively Cathy Houlihan, Laurie Lipson, Alicia Mullaney, and Janet Clark, Dena Lenard, Jill Cheeseman and Jackie Morda played very well. The halfbacks, Meg DeOliveira, Jennifer Ortleib, Mary Ellen Farrauto and Sonya Knuetell were all over the field trying to blunt the Locusts' strong attack. The full-backs, Jeanne Lind, Lori Koslowsky, Lucia Vietro, Mindy Schackman and Kerry Walsh, worked very hard and stopped numerous attacks on goal.

Even though 4 goals were scored, Kerry Anne McGeary stopped many shots on goal. Coach Priscoe feels the Ravens have the potential and with more practice will be back even stronger next week.

**Sandpipers 3
Quails 2**

The Sandpipers won the season exhibition opener 3-2 over the Quails. The Sandpipers' offense was led by Andrea Rennison - 2 goals, and Shannon O'Boyle - 1 goal, with strong support from Debbie Conabey, Kristal Hardy, Laura Melton and Suzanne Frerecks. Joy Shields led the Sandpipers' defense with assists from Tracey Dorkoski, Sarah Kreisman and Gina Miraglia.

Quails' coach, Marge Swist, was proud of her team's first game.

The first game of the season for the Quails proved that soccer has a lot of excitement and competition.

X-Country Team Starts Season with Edison Win

By Tom Kennedy
The Westfield High School boys' cross country team opened the season on a high note last Saturday, as they won the Edison Invitational, held at Roosevelt Park in Edison.

The harriers won easily 104-147 over Edison, despite losing tri-captain Pete Abitante, who tripped and fell during the race.

John Tegen led the Blue Devils, finishing fourth with a time of 15:24 followed by Cliff Sheehan, who finished 15th with a time of 15:45.

Both Tegen and Sheehan

got off to slow starts, with Tegen in 15th and Sheehan 25th after one mile. But Tegen slowly moved up through the field during the last two miles to move into fourth place, where he finished. Sheehan, meanwhile, came through with his usual strong finish passing several runners in the last half mile, to finish 15th.

Other scoring runners for Westfield were Tim Savage (16:01), who finished 20th, Doug Massey (16:03), who finished 22nd, and Jim Rorden (16:24), who

finished 45th. Savage, Massey, and Rorden also got off to slow starts. Savage and Massey ran close together for most of the race and Rorden followed behind them to finish where they did. Even though Coach Clarkson was not pleased with the manner in which the race was run, he was looking for his runners to stick together and run with each other. He was happy with the victory and looked at it as the first step towards what he hopes will be a very successful season.

The harriers competed against Union Tuesday (too late for the Leader deadline) and they travel to Warinanco Park tomorrow to compete in the Stewart Memorial Invitational.

Ramble to Begin Hikers' Weekend

The South Mountain Reservation Ramble, slated for Saturday, opens this weekend's schedule of events for members and guests of the Union County Hiking Club. Leader Nat Coyne will meet participants at the Millburn Railroad Station at 10:30 a.m. for this six-mile event, which includes a picnic lunch.

Margo Preuss will lead the walking tour of Princeton University on Sunday. Those interested in the tour will meet on campus in front of Nassau Hall at 1:15 p.m.

The eight-mile High Mountain Circular also is scheduled for Sunday. Hikers will meet leader Simon De Vries at the Ramapo Bank, Valley Road, Wayne, at 10 a.m. for this hike which includes climbing steep mountains. Participants are asked to bring lunch.

Frosh Runners Win Invitational

The combined Roosevelt-Edison freshman cross-country team opened its season Saturday with a convincing victory in the Edison Invitational.

Competing against 19 other schools in the A division, Westfield took the title with a score of 55 points, outdistancing its nearest opponent, Kawamech of Union, by 63 points. Kawamech scored 124 for second while Piscataway placed third with 174 points.

Captain Greg Kasko led the Westfield charge by placing first after leading the race by a wide margin throughout the course. His time of 11:03 for the 2.1 mile distance was the fastest frosh time of the day and one of the top ten best performances ever by a Westfield junior high runner.

Teammate Eric Mertz finished in fifth place with a time of 11:18 while Jeff Ansell made it three Westfield in the top ten by

coming in ninth at 11:33. Matt Cordes and Jim Fisk sealed the Blue Devil victory with placings of 18th and 22nd. Cordes ran 11:50 and Fisk 11:55.

Captain Walt Clarkson noted that the freshman performance was one of the most balanced races he had seen for an early season meet. "They performed like veterans even though the group has been together for less than three weeks," Clarkson said.

The high school junior varsity team secured a third in its race against 27 opponents over a 2.5 mile course. Senior Tom Brown took ninth in 13:34 and sophomore Dave Fitzgerald 11th in 13:37 to lead the JV performance. Westfield scored 121 points against Steinert's winning total of 74 and St. Joseph's 93 points.

Seniors Kevin Brady and Dave Lightisher came in 26th and 30th with times of 14:02 and 14:05 with junior Tom Wimmer 45th in 14:21 to finish the WHS scoring.

Mindowaskin Swimmers Honored at Team Party

The Mindowaskin Swim Club honored the entire competition swimming and diving team at a party and awards ceremony to mark the completion of the 1979 outdoor season. Swim coach, Mary Krakora and diving instructor and coach, Paul Steck, presided over the awards portion of the celebration.

Each member of the team received a participation certificate which highlighted the attainment of the individual goals of each team member. Several "special" awards were made, prominent among which was the selection of Grace Tripp as honorary cheerleader, and the designation of several team members as "Pool Rats" in recognition of their seemingly constant presence at the pool — morning, noon and night, including weekends and holidays.

A special note of thanks from the team went to Fred Rica, who supervised and conducted the teams' annual fund raising car-wash, and Ole Caroe, who constructed a new team record.

Men's Singles Ladder Ends

The Westfield Tennis Association's annual men's singles ladder officially came to a close at midnight Sept. 3. Since the start of play in late May, 245 matches were recorded, making this the most active year in the history of the ladder.

The final ladder standings reflect players active as of the final day of play. Players with eight or more ladder matches are eligible for ladder awards, to be presented later this fall. The final standings are:

1. Joe Masterson
2. Fred Polak
3. George Deckner
4. Brian Lewis
5. Bob Lyon
6. Brad Becken
7. Don Lyon
8. Bruce Phillips
9. Joe Caratzzolo

Bootsers Win Opener

By Greg Loder
The Westfield High School soccer team won its opening game by beating North Plainfield by the score of 3-0 on Saturday.

Senior Paul Tracy led the team by scoring two goals in the second and third periods. Junior Joe DiBella scored the other goal on a penalty kick from the result of Gary Turi being tripped inside the penalty area. DiBella's goal came in the fourth period.

In the second period Tracy blasted a shot, 20 yards out, into the upper right corner of the North Plainfield goal. Tracy added

an insurance goal in the third period with a low shot into the right corner.

Junior goalies Pete Kellog and Doug Cooper combined for the shutout. Westfield dominated the game keeping the ball in the North Plainfield end of the field and outshot North Plainfield 38-4.

CORNER KICKS: The soccer team will face Linden today at Linden. Tuesday the team will play its home opener against Edison Tech at Recreation Field (rather than Tamaqua Park). Westfield plays five games at Recreation field this season.

Warriors Win Opener 10-0

If the 9th grade soccer team from Roosevelt Junior High feels any internal pressure it wasn't obvious last Friday as it overwhelmed Johnson Regional at home, 10-0, in their season opener.

This squad led by tri-captains, Tom Miller, Nikhil Singh and Brad Upman know that the last two Roosevelt soccer teams have a combined record of 24 wins, no losses and no ties. They also know that they can become the first Warrior squad to go undefeated and untied through two years since their 8th grade record was 7-0-0. But 12 games against competition the caliber of Union, Chatham and Pingry can make keeping an unblemished slate an awesome task. They feel they can do it, their coach says they can and Friday they showed how they intend to do it.

Within one minute of the opening kick-off captain Nikhil Singh took a pass from his wingman Todd Lauster and headed in the first of his four goals for the day. Thirty seconds later Singh crossed a pass which Jeff Schmalz pounded home. Halfback Ron Johnson then received a pass from winger Mike Schuwart

and with a beautiful hitch step fired a goal from ten yards out. The first period score read RJHS 3, Clark 10.

The next two periods

belonged to the reserves and they maintained the same relentless pressure with Rich Forbes getting two goals on assists from Gene Corcoran and fullback Dom Frasso who put himself in the scoring column later with a successful penalty kick. Milan diPietro was awarded the chance to take another penalty kick for his excellent defensive work and he got the tenth Roosevelt score.

Halfback Dan Fitzgerald

got an assist on one of the

Singh goals as Bill Macaluso, Frasso and captain Brad Upman along with the entire Roosevelt fullback crew erected a defense which allowed Clark only 6 shots at goalies

Clark only 6 shots at goalies

Joe Longo and Bill Newill. The Warrior offense fired 32 shots at the Clark goal, an indication of the total Roosevelt domination of the contest.

Lancers 2 Hurricane 1
The Lancers eked out a 2 to 1 victory over a tenacious Hurricane team on the opening Sunday of Fall soccer. David Bourassa scored a goal for the Hurricanes in the opening minutes of play. He received fine assists from Anthony D'Amore and Todd Prybylski on the play. The Hurricane half-backs, Mark Adams and John Marsh, and led by Mike Holliday, moved the ball well with clean passes.

After being down 1-0 in the first half, the Lancers came out re-grouped after half-time. Forwards, Steven Botulinski, John Diaz, Angelo Bencivenga and Glen McSweeney passed and shot extremely well, and if it hadn't been for the excellent goalkeeping of Hurricane David Good, the Lancers might possibly have scored more often. As it was, Lancer halfback, Ralph Bencivenga, lofted a ball from 20 years

out over the outstretched arm of the goalie to even the score. This gave the Lancers halfbacks of Jimmy Russell, Richard Showfety, Paul Mauer and Ed by center halfback Chris Alpaugh the momentum to move the ball upfield and to feed it to forwards John Hopkins and Tim Dodd, who fired shot after shot. One shot paid off for Dodd who scored the winning goal unassisted.

The remainder of the game, the Hurricanes were able to control the pace led by inside forward Mark Bradley and fullbacks Brent Spear, Andrew Bradley and James Harris.

The Lancer's defense was superb. Fullbacks, Peter Tomohrde, John Borkowski, Jim Born, Mark Hampton and center fullback Eric Gibson cut the ball off numerous times and worked very well together to limit the Hurricanes to one goal.

The diving team from Mindowaskin was undefeated in 1979 dual meet competition. Coach Paul Steck honored five of the team members who participated in every dual meet. These divers were Rio Cuppari, Joan Merlo, Leigh Ann Waldvogel, John Merlo and Matt Frawley. In addition, two divers set records and were honored — Matt Frawley set a new club record of 141.15 in four dives for boys 11/12 and Carol Hay set a club record of 201.60 for five dives for girls 13 and over.

Several new Mindowaskin club records were established in 1979 for relay swimming both freestyle and medley. Each swimmer participating in a record-setting performance was given a token prize to commemorate the feat.

After all the awards were presented and all the cake eaten, the team ended the evening in a matter befitting a gaggle of swimmers. Selected team captains chose sides for a water-polo game.

The Junior Olympic Archery Development Program of the Watchung Bowmen will again conduct archery classes for boys and girls. These popular archery classes will resume for the fourth year at 9 a.m., Saturday, Sept. 29, at the club's indoor range at Wood and Linden Aves. in Linden.

The program is run on a bi-weekly basis by Tony Murawski of Mountainside, who is a certified National Archery Association instructor and who has taught archery to over 300 boys and girls between the ages of 9 and 18 since the pro-

gram's inception four years ago. Murawski emphasizes that one of the benefits of the archery program is that a youngster can proceed at his or her own pace to any one of eight levels of achievement, from Junior Archer to Olympian.

He is assisted by Herb Hunt of Elizabeth and other adult members of the Watchung Bowmen.

Equipment can be rented at a nominal charge.

For further information,

individuals may call

Division V Soccer Results

The fall soccer season got off to a boomerang start on Sunday. Blessed with blue skies and warm weather the Jefferson Conference of Division V enjoyed a fine afternoon.

JEFFERSON SOUTH

Gators 7 Cobras 1

The game was exciting and run, run, run from start to finish. The Gators went quickly to the offense and scored the first goal of the game, by Stephen Dzury, set up by forwards Mark Pizzi and Eric Sommolet. The Gators stayed on offense and controlled the ball in the Coyotes end with two more goals for the Gators, 1 by Mark Pizzi and another by Adam Pizzi. Strong work by full backs and half-backs, Bob Shouling, Keith Graf, Ted Bourque, Dennis Joy and Bob and Roland Shoulin kept the Coyotes on defense. The second period started with a strong Coyote offense. Gator Goalie Chris Roy made several saves before Dale Waxberg of the Coyotes scored their first goal. The Gators came back with saves by Coyote goalie Ryan Singel and exciting, solid play by Phil McCormick, Lonn Friedman and Steve Ortleb. But top work and kicks by Goalie Chris Roy put the Gators on offense and with help from his teammates, Marli Vogel, Jill Berger, Jim Vaccaro Nocole Rothchild, Jonathan Rosenberg and assists by Steve Dzury and Adam Pizzi, Forward Mark Pizzi scored two more goals.

Terriers 2 Greyhounds 0

The Terriers opened their season with a 2 to 0 shutout over the Greyhounds in a tight defensive battle. Charles Brown ended a scoreless tie early in the second half for the Terriers with a goal aided by the passing of Marc Garganico. Steller defense by the Greghounds Shawn Brennen, David Briemir and Greg Johnson kept the balance of the Terrier's offense of Maureen McCabe, Kenneth Goski and Jeremy Burgess constantly hustling.

The second goal matched superior goalie Jonathan Fahey of the Greyhounds against the Terrier's outstanding forward Kevin Lombardi in a penalty shot situation. The outcome provided the Terriers with a two goal lead. The balance of the game was a stand-off of Greyhound offense lead by Kristina Pouch and Stephen Burtowski against key defensive moves by Jonathan Bomba, Scott Parisi, Tom Prvor and Melissa McEnery. The combination of Matthew Brown in goal and Peter Wagner at halfback was instrumental in stalling the Greyhound attack for the day, combined by timely hustle of Shannon Curry, David Cook and Bill Aronson to register the Terrier's first victory.

Pumas 2 Bulldogs 0

The Pumas, coached again by Jack Bilman, collared the Bulldogs in a 2-0 hard-fought game.

Puma Mike Csorba scored early in the first half, assisted by forwards Chris Glerisch and Lynn Cassidy. In the last minute of play the same combination worked again, with Csorba scoring a second goal. Right wings Tom Andreola and Scott Gilgallon, and mid-fielders Heather and Christa Healy, Tom Hanlon, Doug Horlick, Craig Gilgallon and Nichole Czarnecki kept the ball moving.

Puma defense, anchored by Joey Bilman and D'mitri Czarnecki, who alternated at goalie and center full back, held the line against aggressive Bulldog play. Fullbacks Tom Cassidy, Debbie Bilman and Greg Pulaski helped keep the Bulldogs at bay.

The Bulldog defense led by Tom Rissee in goal, with assistance by Sanford Osborne, Chris De Agazio, Brian Mellen, and Kelly Martin prevented many Puma points. Out-standing Bulldog offensive action saw Kyle Bryan, Bryan Beller, Brian Gruseke and Joey Caramico carry the ball into Puma territory.

Hornets 2 Cobras 1

The Hornets outlasted the Cobras 2-1 in a closely played low scoring opener for both teams. The Hornets jumped out to a 2-0 lead on goals by Kevin Zipper with assists from Jason Meyer and Ed Brolin.

The Cobras fought back with a goal by Danny Chorost and solid pressure by Darryl Robinson and Joe

Ucciardi. Solid play by Amy Rumphrey, Stacy Rumphrey, Keith Rich and Jonathan Meyer prevented the Cobras from tying the game.

JEFFERSON NORTH

Sharks 7 Bulls 3

The Sharks took a bite at the Bulls and came up with a 7 to 3 victory. Goals were contributed by Katie Feingold, with four goals, Jimmy Wilton with one goal and Rachel Kreisman with one goal.

The Sharks goal was strongly protected by Lee Clarkson, Frank Mazzilli, Robbie McCoid and Tommy Sprague. Shawn Beddoes performed outstanding goalie techniques, holding off many attempts by the Owls.

Rachel Kreisman, Karen DeGutis, David Hansen and Danny Rappoccio gave great support to the Shark's front line in setting up offensive attacks.

Vincent Chen of the Bulls scored two of their goals. The third was booted in by Warren Nakatani ably assisted by Danny Donayre.

Chris Macaluso performed well in defense in the second half while Chris McEvily, as striker, gave the Bulls strong support on offense.

Lions 0 Pintos 0

The Pinto offense was sparked by an aggressive front line led by Mark Tabs, Jerry Hughes and Doug Kacha Dorian who peppered the outstanding Lion Goalie with over 25 shots. Scott Gilligan, Chris Getz, Eric Pringle and Lorraine Liszewski also sparked on the front line. Flanking Doug at the Halfback positions Irene Kalinowski and Kristen Deegan played great two way soccer. The defense was led by center fullback David Brzezinski also aided by Fullbacks Jason Rietzke, Tara Deegan, Paul Stanzel and Meghan Muldoon. Chris D'Eufemia and Jerry Hughes alternating between goalie and right wing shared the credit for the shut-out.

The Lions offense was led by Jeff Yemin, Tom O'Hara, Mary Alice Kelly, Tim Duhig and Toni Diaz. The halfbacks Mike Kelly, Mark Hoffman and Mike Pietzner played hard and determined. The fullbacks Jessica Lowi, Maura Duhig, Robert Longo and Karl Keber stopped the numerous attacks of the Pintos. Jeff Lofi at goal made outstanding saves in the last quarter.

Jackals 5 Beavers 4

The Jackals defeated the Beavers in a vigorously contested battle ending at 5-4. The dynamic combination of Ron Eibachutz assisted by wing Edward Daniels scored 3 goals. Edward Daniels scored an exciting, unassisted goal and the final goal was scored by an indirect kick by Ron Elshutz. Scott Hevert's controlled dribbling added much to the forward line of Jonathan Gelfand and Teddy Hobbie. Scott Adams played an outstanding defensive game as both center full-back and second half goalie. Teddy Hobbie, first-half goalie, made several good saves.

Jonathan Gelfand played an aggressive 2nd half as center full-back while Bobby Kornick's heads up ball game as half-back was strongly supported by David Russell, Ryan Piesco, and Peter McDevitt. The other full-backs who stopped the onslaught of the aggressive Beavers included: Courtney Zener, Dianne Dean, Billy Howes and David Russell.

The top scorer of the Beavers was John McCall, whose talented right foot scored two of the four goals. The brother combination of Joe and Charlie LaRosa clicked for the other two goals. Offensive minded Center Half-backs Pete DeLazaro, along with Eddie Walther, Eddie Bonney and Jimmy Rokohi kept the ball in the opponents end of the field for much of the game.

Sweeper Anthony Budisco was the team's defensive

Hawks 8 Pandas 0

The Hawks played an aggressive inter-conference exhibition game against the Pandas to win 8-0. Hawks Chris Dembiec scored 6 goals while Michael Cafaro and Mike Gagliardi each scored one. The team was aided by good playing from Trey Flynn, Michael Cohen, James Mazaki and Erik Markey.

In spite of the score the Pandas put forth a strong effort. Adam Sandlar turned in a fine performance at goal. The rest of the Pandas which included Jon and Phillip Cagnassola, John and Steven Callaghan, Marc Hardy, Derek Henwood, Christine Kmetz, Steven MacLean, Daniel Schnitzer, Blaker Sutcliffe, Raju Verugopal and James Cole all played well.

Johnson's Explorers

Take Division Title

The Explorers, coached by former Westfielder Bruce Johnson, won the western division of the Stratford N.J. Pony League.

Johnson, who coached 15 years in Westfield football and baseball, saw his club get off to a 2-5 start, four of the losses by one run.

"Then I gave them the talk about W's and L's," he said. "They thought just because they were playing good was enough."

"I told them when I talk to my Dad or Charlie to my

record is," they don't want to know how well we are playing. They want to know what our record is."

After that night, the team went 8-2 and won the division.

The Explorers then lost to the heavily-favored Lancers, who had a 15-2 record (one loss to Explorers) in the playoffs 2-1 and 17-13.

"It was a fun season," Johnson said. "It was my first time coaching outside of Westfield."

Baseball Leagues To Hold Meeting

The annual meeting of the adult membership of the Westfield Baseball Leagues, Inc. will be held at 8 p.m. Wednesday evening at the Waterbury Room of the Municipal Building. Any adult participating in any Westfield Baseball League activity thereby becomes an adult member.

Reports of the various league activities will be presented and election of officers for the upcoming year will be held at the meeting. The nominating committee will present a slate of candidates for office that will include George

Drabin, president; Bob Parkinson, vice-president; Don Chicella, secretary and Bob McMillen, treasurer.

The proposed candidates for other offices include George Kley, University League Director; Dan Pugliese, Summer League director; Paul Sinnicke, equipment and Ralph Miller, sponsor relations.

A "commitment to serve" had not been received from the candidates for other league offices at press time and those candidates will be presented at the annual meeting.

Division III Soccer Results

Earthquakes 4 Whitecaps 1

The Earthquakes opened the WSA season with a 4-1 victory over the Whitecaps. The Quakes iced the game with two goals in the opening period. Halfback, Matt Frawley, broke up a rush and moved the ball up the right side and fed a pass to Winger, Paul Marevetz; Paul crossed the ball in front of the Caps' goal when Inner Chris Diaz scored. Again, the halfback line stopped the Caps and got the ball forward, Paul Marevetz, and Chris Diaz kept the ball in the Caps' penalty area until leftwing, Tom Gordon could move in and beat the Caps' goalie.

Blizzards 1 Skyhawks 0

The Blizzards opened up the season with a win over the Skyhawks. Eric Munzinger played an outstanding game in goals for the Skyhawks, until four minutes to go in the game, when Billy Lister collected the ball on the 35 yard line and hit it high over the goalkeeper's head into the net. Menzinger had no chance to stop this one. The Blizzards half back line was very strong. Jack Ribecki, Ed Hang and Kevin Davis all had a good day. Greg Pryor played a game in goal for the Blizzards, making several key stops. Taylor Wright dominated the full back position along with Billy Lister and Greg Nye. On the forward line for the Blizzards were Arthur Pearce, David Lane, Pat Brady, Todd Silberg and Tom Lalor. The forwards kept the pressure on the Skyhawks more so in the first half.
