

## Town to Join Nation in Thanks Today for Hostages' Homecoming

All Westfield churches will be open today for prayer and meditation in honor of the return of 52 American hostages from Iran. Church bells will ring all day and the Chamber of Commerce flag committee, headed by Morris Kamler, will continue to fly American flags in the downtown area.

Today has been designated by President Ronald Reagan as a national day of thanksgiving in honor of the returnees.

In a resolution unanimously endorsed by the Town Council Tuesday night, Mayor Allen Chin proclaimed Westfield's participation in the "joyful celebration" this week and expressed the "heartfelt good wishes" to the former hostages and their families.

Norman Greco, president of the Westfield Chamber of Commerce, said that business establishments are planning to fly flags and display the symbolic yellow ribbons today.

"The release of our hostages has brought out patriotic feelings which are unparalleled," according to Dr. Robert Pryor, interim minister of the Presbyterian Church of Westfield who spent 22 years of his ministry in Tehran and is personally acquainted with some of the returning "prisoners of war." According to Dr. Pryor, "The release of our hostages has brought out patriotic feelings which are unparalleled."

"American prisoners of war in Korea were treated far worse than these 52 Americans. American GI's captured by the Vietcong were tortured in inhumane and cruel ways. An American businessman was kept prisoner by terrorists for over three years in South America. A Christian minister from Westfield was kept in solitary confinement for over a year in Japan during WW II. Captivity is not new for Americans. Exuberance in welcoming prisoners home is brand new.

"These hostages have been kept in relative safety and security. Their mental anguish caused by continuously being threatened with death may bring about deep and lasting psychological scars. I do know that some of the Vietnamese (NVA's) (those who spent four to six years captivity) have spoken to the hostage families and in essence have said, 'Look at me! I was in the "Hanoi Hilton" for five years and I'm OK today!' That's encouraging.

"The media carried a picture of some of the terrorists holding our people captive. I recognized one of them. He was older than the rest of the college age 'students'. He owned a car repair shop near where I lived in Tehran. He talked to me at length on two occasions. The main thrust of his arguments against America was the penetration of Western culture (imperialism he called it) into Iranian culture and Iran's soul. He felt this 'corruption' had to be 'cleaned out' and that Ayatollah Khomeine was God's leader to do this.

## Council Approves Pool Improvements

Repairs to drainage systems at the diving and wading pools, the installation of two new hot water tanks in the bathhouses and purchase of a pickup truck for Memorial Pool is assured by the passage Tuesday night of an ordinance appropriating \$17,500 from pool capital and surplus funds for the improvements.

No one spoke at the public hearing held prior to unanimous approval by the Town Council.

At a brief 17-minute meeting - one of the shortest in years - the council also authorized an agreement to furnish health services to

Fanwood, Garwood and Mountainside. Westfield has had a joint program of health services for these communities for some time.

Approved also were 22 special police for 1981. They include Douglas Allen, Barbara Bowers, Jeffrey Boydman, John Fitzgerald, Anthony Garrigan, Richard Graves, Charles Harris, Michael Kurdilla, Harold Magnuson, Anthony Manna, Anthony Mascaro Jr., John Morgan, Robert Mysacchia, Walter Ridge, Elizabeth Rose, Charles P. Ross, Anthony Shaw, Eugene Sianetsky, Richard Stocum, James Stewart, Paul Wygovsky and Paul Zane.

## Tentative Budget Figures Available

Line-by-line expenditures and income and expenditure summary sheet and the long line-by-line expenditure legal-sized forms have been placed in each school building and in the Municipal Library.

Interested citizens may obtain a copy in the business office at the administration building, 302 Elm St., any weekday between 8 a.m. and 4:30 p.m.

The proposed \$18.7 million school budget will be presented to the public at the Board of Education's formal public hearing on March 10, 8 p.m., at Roosevelt Junior High School.

Following the public hearing, the Board of Education will vote to adopt the budget for voter approval at the annual school collection, April 7.

## Special Meeting For School Board

The Westfield Board of Education will hold a special meeting at 8 p.m. on Tuesday, in the board meeting room at 302 Elm St. On the agenda is a discussion about class size in first through sixth grade, a discussion and approval of the cafeteria audit report, a discussion about State aid and approval of bills to be paid.

## Familiar Face Leaves Corner, Burnham Retires from WPD

Shoppers, strollers and drivers who travel in the area where East Broad St. and Central Ave. meet may have noticed something different when they attempted to cross or turn there this week. Jack Burnham, the policeman who directed traffic at that spot for the past eight years, isn't there any more. He retired Friday after 25 years with the police force.

Burnham, who lives in Westfield, performed his duty during temperatures ranging from zero to over a hundred degrees, but since he is originally from the Adirondacks, it was the heat that bothered him more. He enjoyed the regular hours that his job afforded and found it to be routine. He

Jack Burnham noted that unusual happenings seemed to occur when he was either off duty or on relief.

While in the Coast Guard during the Korean War, he served as a radio operator and had continued this interest by obtaining his amateur radio operator's license.

He is an avid reader and history buff, with a special interest in the Civil War. He has visited the Gettysburg battlefield often, and with the free time that his retirement will provide hopes to visit others, particularly the one at Chancellorsville. Each trip to Gettysburg whets his appetite to learn more about the men who fought there and the effect that preceding battles had on its outcome.

He is also interested in the (Continued on page 4)

## Parking Berths Open At Citgo Lot

The municipal permit parking facility at the former Citgo property on Elm St. has room for more all-day parkers, according to Councilman Alan Gutterman, chairman of the parking and transportation committee.

Sixty spaces are available at the site, but only 53 have been rented - at a monthly fee of \$18 - during January. Twelve more parking stalls could be provided - at a town expense of \$1,000 - if a demand is shown, Gutterman indicated, but there is no waiting list for parking permits for the facility at this time.

Fifty nine motorists rented spaces during November, 57 in December, but this use has dropped by four this month, records show.

## Heliport at Armory?

Permission is being sought by the New Jersey National Guard to construct a heliport behind the Army on Rahway Ave., according to letters being circulated in the adjacent residential area.

Facilities at Linden Airport formerly used by air traffic associated with the National Guard have been relocated to Picatinny Arsenal, a drive of several hours from the Westfield Army, according to local National Guard officials.

The Westfield heliport would be used for coordination of activities and emergencies only, according to Lieut. Gerald Fischbein, training officer at the Rahway Ave. Army. Lieutenant Fischbein indicated to the Leader yesterday that use would be seldom - possibly "once or twice a month."

According to the officer, State Division of Aeronautics requirements demand that permission for the heliport be given either by the Mayor or the Chief of Police of the municipality in which it is to be located, despite the fact that the Army property is owned by the State of New Jersey.

Armory officials have assured nearby residents by letter that only essential flights will use the Westfield facility and that their "quietest aircraft" - a small Scout copter - will be used. Military personnel will avoid low flights over homes and operate only during daylight hours.

The Westfield Armory, located on a 12-acre site, was built in 1925 and was first used as headquarters for cavalry units - the 102nd and 117th. Mechanized during World War II, the

divisional cavalry unit is now part of the 50th Armored Division of the New Jersey National Guard.

In addition to being a Westfield landmark, the Army and its personnel have long had good working relationships with the official, and unofficial, community.

Its site has often served as a dumping ground for snow plows after heavy storms and its equipment made available for town use in emergencies. The Army itself has welcomed a variety of concerts, trade shows, etc., as well as high school graduation ceremonies. The building also functioned as a banquet hall - most notably during an appearance here many years ago of then Vice-President Spiro Agnew for a Republican fund-raiser.

## Voters to Fill Four Seats In April 7 School Election

Feb. 26 is the deadline for interested citizens to file petitions to become candidates for four seats on the Westfield Board of Education in the annual school election April 7.

Usually voters elect three citizens to seats on the Board of Education for three-year terms each year; however, this year there is also a one-year unexpired term to be filled.

The term of four of the present nine school board members expire this year. Joan Corbet, Eleanor Kalbacher and G. Holland van Valkenburgh are each completing three-year terms on the school board. Mrs. Corbet and Mrs. Kalbacher are finishing their second three-year terms while van Valkenburgh is finishing his first three-year term. Frederick G. Buhrendorf Jr. will complete a one-year appointment made by the school board last year to fill

the unexpired term of Robert Esson who moved to Kansas last February. Esson had completed one year on the school board. Buhrendorf completed the second year of Esson's term and now the third year of

Esson's term will be filled by a candidate elected by the townspeople on April 7. To date, one candidate has filed a nominating petition for a full three-year term. He is V. William Vincenz.

Citizens interested in

running for the school board for a full three-year term or for the one-year unexpired term of Esson may obtain a nominating petition from James Krieger, secretary to the Westfield Board of Education, at 302 Elm St. any weekday between 8 a.m. and 4:30 p.m.

Nominating petitions must be signed by ten residents and they must be filed with the Board Secretary by 4 p.m., Thursday, Feb. 26. Also the candidate must sign the petition in the presence of a witness.

School board candidates must be able to read and write, be a resident in the district for at least two years and have no interest in any claim against the board.

## Revaluation Process on Schedule, Field Men in Northwest of Town

Tax Assessor Robert W. Brennan announced today that progress on the current revaluation program being conducted by Certified Valuations Inc. is proceeding on schedule. Nearly all of the properties that have sold within the past three years have been inspected and measured. An analysis will soon be made of each of these sales to help determine land value, depreciation trends, certain neighborhood trends and economic factors.

Meanwhile, field inspectors are continuing their task of listing and measuring the nearly 10,000 properties within the town. Photographs also are being taken of each property.

During the next two weeks, field inspectors will be working in the area north of Dudley Ave. and west of Prospect St.

The cooperation of all residents is requested. Brennan has emphasized that all representatives of Certified Valuations, Inc., carry proper identification, and property owners should not hesitate to ask for it. If doubt exists, residents should call the Municipal Building or Police Headquarters immediately.

The goals of this program are to insure an on-going parent-support system within the community and to continue meetings such as this one to share thoughts on parenting.

## Drug Abuse Topic At RJHS Tonight

Alcohol and drug abuse, awareness and prevention will be discussed tonight at Roosevelt Junior High School, beginning at 7:30 p.m. during a special program presented by the Children, Youth and Recreation Committee of the Westfield Parent-Teacher Council. The program is open to adults only, and both parents are urged to attend.

Addressing the audience will be an investigator from the Union County

Prosecutor's Office. His presentation will be followed by a series of small, informal discussion groups. Facilitating those discussions will be members of the Westfield special services department.

The goals of this program are to insure an on-going parent-support system within the community and to continue meetings such as this one to share thoughts on parenting.

## Free Blood Pressure Screening Wednesday

The Westfield Board of Health, in cooperation with the Visiting Nurse and Health Services, will conduct a free blood pressure screening session from 1 to 2 p.m., Wednesday in the Civil Defense Room of the Municipal Building.

High Blood pressure is appropriately called the "silent disease" because in the early stages of the disease there may not be any signs of discomfort which would make a person seek medical attention. The early detection and treatment of high blood pressure can enable affected individuals to lead essentially normal lives.

The Board of Health invites adults who:

- are 35 years of age or older,
- are not under a doctor's care for hypertension (high blood pressure), or
- have a family history of hypertension, or
- have not had a blood pressure test in over a year, or
- stopped taking their high blood pressure medicine (without their doctor's approval).

These are screening tests only. A diagnosis can only be made by a physician. Any individuals found to have elevated test results will be counseled by the Visiting Nurse and referred to their physicians for follow-up care. The next hypertension screening will be from 1 p.m. to 2 p.m., March 4, in the Civil Defense Room.

## Kolterjahn in Third Term As Library Board President

Paul H. Kolterjahn has been reelected to his third term as president of the board of trustees of the Westfield Memorial Library, it was announced today.

In addition to Kolterjahn, who was appointed to the board in 1977, Harrison T. Watson Jr. was reelected vice president and treasurer and Mrs. Barbara S. Irvin was reelected secretary. Watson was appointed to the board in 1979 to fill the unexpired term of Theodore C. Klein. Mrs. Irvin was named to the board last year.

Kolterjahn is senior vice president of Citibank N.A., of New York. Watson is manager of special projects in the ordinary agencies department of the Prudential Insurance Company's corporate home office in Newark. Mrs. Irvin is director of the New Jersey Historical Society Library in Newark. The society library is a research library

Paul H. Kolterjahn on New Jersey State and family history with 60,000 volumes and 1,100 manuscript groups.

### Russo Wants Action On Jury Reform Bills

State Senator Anthony E. Russo (D., 20th Dist., Union County) of Union has called on Senate President Joseph Merino to post for a vote a package of four grand jury reform bills that have been cleared by the judiciary committee.

S-224, the first measure approved by the judiciary committee, would require that everything that transpires before a grand jury, except for actual deliberations, be transcribed. It also would ban persons other than members from being present during deliberations.

A second Russo-sponsored measure—S-226—would ban the introduction of hearsay or other inadmissible evidence, without sufficient justification before the grand jury. S-227 would permit witnesses before a grand jury to be accompanied by counsel. The counsel would be allowed inside the room only during

the questioning of a witness and would not be permitted to address the grand jury.

The fourth measure on which Senator Russo has requested a floor vote, S-229, would make the unauthorized disclosure of any information concerning grand jury proceedings a crime of the fourth degree. Such crimes are punishable by up to 18 months in jail and/or fines of up to \$7,500.

Senator Russo, in remarks to the judiciary committee, said he was convinced the bills he has proposed could work without having an adverse effect on law enforcement in New Jersey. While conceding that some groups, especially prosecutors, objected to his proposals, Russo said he was convinced that "in any legal proceeding in which the freedom of the individual is at stake, we must give him a fair chance to defend

himself against unfounded allegations and inequitable proceedings. Moreover, I believe that a society like ours, which places so much stress on fairness, should do no less."

Russo said the present grand jury system was "a one-sided affair in which the deck can be too easily stacked against the target of a proceeding. I don't want to scrap the system. All I'm interested in doing is to unstack the deck and make the system fair to everyone concerned."

The Russo-sponsored reform measures were approved by the judiciary panel after hearings last year during which testimony was heard from representatives of the Division of Criminal Justice, the Office of Public Advocate, the New Jersey Bar Association, the New Jersey Prosecutor's Office Association, as well as interested citizens.

### Westfield Scouts Fare Well in Klondike Derby

More than 600 Boy Scouts and leaders participated Saturday in the 26th annual Klondike Derby in the Watchung Reservation. This traditional mid-winter sled race, sponsored by Colonial District, Watchung Area Council, Boy Scouts of America, tests how quickly and proficiently Patrol teams can apply their basic Scouting skills in knot tying, first aid, cooking, lashing, measuring, compass use and wilderness survival. Originated by Colonial District, the Derby has been adopted by Districts and Councils across the country.

The Panther Patrol of Troop 235, North Plainfield, placed first in the competition for Scouts ages 11-14. Second over the four-mile course was Cobra Patrol, Troop III, Scotch Plains; third was Bolts

Patrol, Troop 172, Westfield. The Senior event for Scouts over 14 years of age was won by Pegasus II Patrol, Troop 172, Westfield. General Lee Patrol Troop 273, Westfield, came in second while Bear Patrol, Troop 235, North Plainfield and Pegasus I, Troop 72, Westfield, tied for third.

The Panthers from Troop 235, North Plainfield, won first place for the best appearing sled after the race. Second was General Lee Patrol and third the Wolf Patrol, both from Troop 273, Westfield.

All first place winners received a miniature sled handmade by Paul Hahn, Westfield.

Serving in case of accident were the Rescue Squads of Fanwood and Westfield.

### Saltwater Fishing Classes Scheduled

The Watchung Saltwater Fishing Club will begin its 13th year of fishing instruction shortly. Acknowledged experts and club members will present a basic course designed for beginners, as well as those interested in brushing up on basic techniques. The club's advanced course, the first in New Jersey when introduced in 1979, will continue.

During the basic course, lectures and personal instruction will cover topics including: fishing from one's own boat, party boats, and charter boats; fishing from beaches, jetties, bays, and inlets; terminal tackle, knots, and equipment care. Speakers will include Milt Rasko, Jersey Coast expert and author; Dick Kondak, international big game tournament specialist and technical representative for Hydrosports boats; and Art Hilliard, captain of the Highlands charter boat "Rip Tide."

The advanced course is designed for those who have mastered the basics with lectures concentrating on offshore and shark fishing, work with fishing electronics, rig baits, study of fish biology behavior, and a little oceanography. Discussions on outfitting offshore boats will include a demonstration trailered offshore fishing boat. Speakers will include: Pete Barrett, editor of the Fisherman; Steve Pepe, Jersey Coast shark specialist; Frank Rusch, tackle and fishing expert from Newark Sinker Company; Stuart Wilk, New Jersey Region Recreational Fisheries Coordinator for the National Marine Fisheries Service; and representatives from nationally known marine electronics firms.

Both courses run for seven weeks and will be held in conjunction with the adult education program at David Brearley Regional High School in Kenilworth. They begin on Thursday, March 5 at 7:30 p.m. and continue on Thursdays at the same time. Course fees include all class materials, instructional charts, and booklets. There will be door prizes awarded and certificates issued to those completing both courses.

Further information is available from John Wilkinson of Westfield.

### Mountainside Plans Adult Ski Trip

The Mountainside Recreation Commission will sponsor a day-long ski trip for adults on Tuesday, Feb. 10, to Shawnee Mountain in the Poconos.

The registration fee includes bus transportation and lift ticket. Rentals and lessons also are available.

The bus will leave the parking lot at the Mountainside Municipal Building at 7:30 a.m. and return at 6:15 p.m. Registrations are currently being accepted at the Recreation Office weekdays between 9-11 a.m. and 2-4 p.m. For additional information, readers may call the Recreation Office at the Mountainside Municipal Building.

You can speed up the time it takes to take pressure if you boil them in salt water for about ten minutes, cut off their ends, insert a nail and put them into a very hot oven.

### Hardwick Lauds Volunteers

Three frequent volunteers meet with Assemblyman Hardwick (l-r) Don Anderson, Chuck Hardwick, Chris Mueller, Ruth Van Benschoten.

"Volunteerism has acquired a negative connotation with some people today," Assemblyman Chuck Hardwick (R-Union) said in a recent meeting of his volunteer staff. "The reality is that volunteers are an essential aspect of the efficient operation of a legislative district office and are needed to maximize a legislator's ability to serve the people in that district."

The Westfield assemblyman gathered some of his volunteers together to discuss future goals and objectives, expressing his appreciation for past service. "I'm tremendously grateful for the high calibre of dedicated volunteers who have worked with me." The number of volunteers varies with some working on a relatively regular basis and others on specific projects. Several college students have conducted surveys, the most recent a canvass of drinking attitudes and habits among teenagers.

Currently Chris Mueller, a frequent volunteer, comes to Hardwick's district office in Westfield two afternoons each week as part of an internship program related to her political theory class. Chris clips pertinent articles from newspapers within the district, files Assembly bills, works on index cards and occasionally assists Hardwick's office manager with clerical duties. After four months service, Chris says she "just loves politics" and feels that a lot of her contemporaries just don't know what's going on. "I consider myself very lucky to have this opportunity," the enthusiastic teenager added.

At the other end of the age spectrum, one of the Assemblyman's most devoted volunteers is Ruth Van Benschoten, a retired statistical research em-

ployee. A veteran volunteer of two of Hardwick's campaigns, Mrs. Van Benschoten utilizes her statistical background by keeping accurate mailing and telephone lists. Working about two days per week, the senior volunteer alternates her time between home and office. Her reason for volunteering is two-fold. "I like being involved in the political world and have very definite ideas about politics. I'm working for Chuck Hardwick only because I believe in what he stands for," she emphasized.

Don Anderson, who served as the Assemblyman's Cranford campaign chairman, also served as coordinator of volunteers for the Reagan-Bush Committee which was managed by Hardwick. A management consultant, Anderson continues to work closely with the second-term Assemblyman whom he describes as a man com-

mitted to not only popular issues but unpopular ones as well. "I always applaud the integrity with which Chuck Hardwick considers issues. He works diligently to keep his finger on the pulsebeat of his constituency," Anderson indicated.

A former office manager for Hardwick, Mrs. Alfred J. Richardson now volunteers time whenever the Assemblyman needs her. The Westfield resident headed a group of 15 volunteers who made telephone calls within Hardwick's district to discover areas of voter concern and to determine voter preference. The canvassers were pleasantly surprised at the cooperation of those called. Mrs. Richardson couldn't recall any rude replies. "I found that people were very pleased with the personal contact and it didn't matter what their party affiliation was. They were just pleasantly surprised that a

legislator was actually interested in their opinions," she amplified. Assemblyman Hardwick pointed out that if it weren't for volunteers, religious groups, Scouts, Little League, charitable causes and fraternal organizations, couldn't function. "So it is with a legislator's office if he wants to maximize his effectiveness to his constituency," Hardwick concluded.

### Republican Club Hears Surrogate

Union County Surrogate Walter Ulrich spoke to the Westfield Woman's Republican Club at a meeting Jan. 20 at the home of Mrs. John M. Daubenspeck. He told of the duties of his office and answered many questions in regard to wills and probate.

### Capital Savings Assets Over \$169 Million

Charles J. Pfost, president of Capital Savings and Loan Association with offices in Cranford, Fanwood, Orange, Westfield and the Linden-Roselle area, has announced that total resources have surpassed \$169 million as evidenced by the association's statement of condition released for the 12 month period ending Dec. 31. This represents a growth of some \$150 million over the past decade. The association was only \$19 million in assets at year end for the same period ten years ago.

"Capital Savings has grown in many ways during the past decade, most notably in asset strength, office expansion and increased customer services," Pfost said. "This is indeed a tribute to our many members and friends who have placed their confidence and continuing support in our Association along the way," he continued, "and we are sincerely grateful for their loyal patronage."

Capital Savings provides its members a complete line of savings and home financing services, including the nation's top rates on interest-bearing checking accounts, regular passbook savings and all types of investment certificates, with interest compounded daily.

The association is a member of the Federal Savings and Loan Insurance Corporation (FSLIC) which insures accounts to \$100,000.

According to Pfost, total assets at Capital Savings now stand at \$169,046,943 and members' savings have advanced to a new high of \$144,408,422. In addition, the institution's mortgage loan portfolio has reached \$121,847,525 as compared with just \$16.5 million for year-end 1970.

Brownie Troop 657 of Washington School visited the Cranford Health and Extended Care Center last month to sing carols and distribute handmade snowman cards. Highlights of the troops activities to date include a nature walk to Echo Lake Park, the making of pine cone peanut butter bird feeders, a visit to Trainside Nature Museum and the completion of two Brownie Circles (badges). Troop leaders are Ruth Redersdorf and Colleen Kenney.

Working as volunteers at Super Sunday, sponsored by the United Jewish Campaign of the Jewish Federation of Central New Jersey are (l-r) Carol Cohen of Westfield, co-chairperson of Super Sunday, Senator Anthony Russo, (D) 20 District, Dr. Sam Gray of Westfield, David Dopelman of Westfield and Holmes Miller of Westfield.

### Super Sunday - a "Smashing Success"

"Super Sunday, the kickoff of the 1981 United Jewish Campaign of the Jewish Federation of Central New Jersey was a smashing success," reported by Murray Pantner of Hillside, general campaign chairman. According to Super Sunday Co-chairpersons Burt and Carol Cohen of Westfield and Jackie and Steve Rose of Mountainside, "Super Sunday exceeded the goal set for the day by over \$20,000." The purpose of Super Sunday was to bring all members of the Jewish community together to raise

funds for the annual campaign which support social services in Central New Jersey, Israel and around the world. More than 300 volunteers from 21 communities in the area serviced by the Jewish Federation of Central New Jersey which includes Elizabeth in the eastern part of Union County and all of the communities to the Warren - Watchung area made over 8800 telephone calls from the Solomon Schechter Day School in Cranford. Several elected officials joined the volunteers in

making telephone calls to raise the desperately needed dollars to support the human services provided by the United Jewish Campaign. They included State Assemblymen C. Louis Bassano, (R) 20 District, Raymond Lesniak (D) 21 District, William Maguire (R) 20 District, and State Senator Anthony Russo (D) 20 District. "Super Sunday exceeded all of our expectations," said Sylvia Brailove, president of the Jewish Federation of Central New Jersey. She went on to say that, "Not only did we raise more money in a one day effort than ever before, but the spirit that filled the room was the most positive statement that could have been made."

The Jewish Federation of Central New Jersey, which sponsors the annual United Jewish Campaign supports social services for Jews in Israel and around the world and through the following local beneficiary agencies: B'nai B'rith Hillel at Rutgers University, Central New Jersey Jewish Home for the Aged, Hebrew Academy of Central of Central New Jersey, Jewish Association of Centers and Y's (JACY), Eastern Union County YM-YWHA, Greater Westfield Jewish Family Service, Jewish Educational Center, Kean College Jewish Student Club, and the Solomon Schechter Day School.

Barrett & Crain, Inc., Realtors, is displaying apple people made by students of Deerfield School, Mountainside.

These Fifth Grade students created various characters of Amerienna with an apple and found materials. After carving faces and drying out the apple, each student added hair and clothing to create a figure complete with headress and tools. Some of the characters represented are Colonial ladies knitting, making butter and gathering flowers; Norsemen looking at the New World and such famous historical figures as Columbus, Lincoln and Washington. The work was created under the direction of Lois Redding, art instructor. Also in the Barrett & Crain window are curvial houses for sale.

### Y Offers Variety Of Swim Classes

The Westfield YMCA recently announced plans for its pre-spring program session. Included in the program are a variety of swim classes for participants of all ages. For infants and toddlers six weeks to four years of age the certified staff is offering parent-child (Tiny Tadpole) classes. Included in the preschool age offering are beginner (Tadpole II) and fearful beginner classes. The traditional YMCA progressive swim classes are being held for children 6-

14. Included in the progression are polliwog, minnow, fish, flying fish, shark and porpoise classes. The Red Cross and YMCA certified aquatic staff also is offering a variety of classes for the older participant including advanced lifesaving, adult semi private and group swim lessons and swimnastics. The Westfield YMCA aquatic program not only includes swim instruction, but also a wide offering of recreational swims for the adult interested in getting and staying in shape. Registration for these and other YMCA classes begins Feb. 2 at the YMCA.

Hostages

(Continued from page 1)

"Our people were captured by angry men who hate what the American way of life has done to Iran. America to Iran means transistors more than treachery, supermarkets more than spies, western plumbing more than western probing into internal affairs, high-powered advertising more than heinous crimes against humanity.

"Whereas, 52 American citizens were held hostage in Iran, through no wrongdoing of their own and while conducting legitimate personal and government business, for a total of 444 days, and

"Now, Therefore, be it Resolved that the Mayor and Town Council, on behalf of the citizens of the Town of Westfield, wish to join in the joyful celebration this week of the former hostages' return to the United States, a nation that will never forget the ordeal through which these men and women have gone and that hopes such an incident will never again happen to freedom loving people, and

"Be it Further Resolved that the heartfelt good wishes of the Town of Westfield be expressed to the 52 former hostages and their families along with the prayer and hope that they will enjoy much deserved good health and happiness in the future."

"Khomeini a Demagogue," Claims Rotary Speaker

"Khomeini is a fanatic and a demagogue" asserted Howard Rosen at a meeting last week of the Scotch Plains-Fanwood Rotary.

Rosen, an attorney with Rosen, Gelman & Weiss in Newark, served as a member of the U.S. Delegation to the 34th Session of the United Nations General Assembly (1979).

In his discussion of "The United Nations, the United States and the Middle East Today" Rosen cited four examples of how the United Nations had failed in being stable in the Middle East.

Rosen said the fourth example was that Israel is still threatened by the Palestine Liberation Organization. Rosen said that the UN has increased tensions in the Middle East by its support of PLO terrorists.

While a delegate to the UN, Rosen served on the "Second Committee" which

Sam Hazell, principal of Edison Junior High School recently visited Jefferson School to conduct an informal orientation discussion with parents of fifth and sixth graders.

Resident to Lead Quilting Workshop

The Arts Workshop of the Newark Museum is offering a diversified series of weekend classes during February.

### Center Appoints Pre-School Head

Edward J. Smith, ACSW, executive director of the Westfield Community Center has announced the appointment of Eileen Levitt of Westfield as director-teacher of the center's pre-school.

Mrs. Levitt brings an extensive background in early childhood education including nursery school and kindergarten. She holds a B.A. and M.S. in early childhood education from Brooklyn College.

She believes in a philosophy of flexibility and feels it is "very important to work with each child as an individual to understand the child's needs and to develop a program geared to his social, emotional and educational growth."

The pre-school was started in 1963 to provide an opportunity for cultural enrichment, socialization and school readiness for area children three to four years of age. Youngsters may attend two to four, two hour morning sessions per week. In order to maintain the small class structure, enrollment is limited. A nominal fee is charged. There are a few openings available.

Further information is available at the center, a service provided by gifts to the United Fund of Westfield.

### Commands Squadron

Lt. Col. Richard B. Harper Jr., son of Mr. and Mrs. Richard B. Harper Sr. of 316 Locust Ave., Garwood, was recently named commander of the 55th Aeromedical Airlift Squadron at Rhein-Main Air Base, West Germany.

### Feb. 26 Deadline For Bd. Nominees

The Union County Regional High School District No.1 announced that nominating petitions for filing for election to the Board of Education are available in the Office of the Secretary to the Board of Education. This office is located on the second floor of the Jonathan Dayton Regional High School, Springfield. Petitions may be received at this office any school day between 8 a.m. and 4:15 p.m. Petitions must be completed and returned to the board secretary by 4 p.m. on Thursday, Feb. 26.

The Union County Regional High School District No.1 provides secondary education for students from Berkeley Heights, Clark, Garwood, Kenilworth, Mountainside and Springfield. This year candidates may seek election to a Board seat in Berkeley Heights, Clark and Kenilworth.

### YMCA Garage Sale This Saturday

Saturday is the date for the mammoth Garage Sale at the YMCA. The event, being sponsored by the parents of the swimmers and divers, will run from 10 a.m. to 4 p.m. Featured will be items of value from the households of more than 100 families who have contributed to the sale.

The parents committee will also make browsing more enjoyable by having refreshments available. All proceeds of the sale will be used to underwrite the costs associated with sending the qualifying swimmers and divers to the YMCA National Championships at the Swimming Hall of Fame, Fort Lauderdale, Fla.

### Parentcraft Class Wednesday

Overlook Hospital's next class on Parentcraft will be held Wednesday. With information for both mothers and fathers, the class will include discussion on the physical and psychological changes during pregnancy and how to cope with them, as well as proper nutrition during pregnancy.

Couples will have the opportunity to see the growth and development of a baby by viewing the film, "Having a Healthy Baby Pregnancy."

The class will run from 8 to 10 p.m.

Two of the five new French students at Oak Knoll School of the Holy Child in Summit are new residents of Westfield. Laurence Fourie (right) and her brother Frederik (second from right) are the children of Mr. and Mrs. Michel Fourie of Carol Road, who arrived here from France last year. Dr. Fourie is working as a senior research chemist for M & T Chemicals, a subsidiary of a French petroleum company. Here they pose with Jean Philippe, Laurence and Natalie Lamarcade of Scotch Plains, whose father works for the same company.

### Y's Spring Term Lists Varied Class Offerings

Registration for the Westfield YMCA's early spring program term begins at 9 a.m. Monday. Classes will begin the week of Feb. 16. "Your YMCA is offering a variety of exciting social development courses designed to meet individual interests," says Y Youth and social Development Director David Staveley.

The curriculum includes beginning and advance dog obedience, fashion modeling, quit smoking through hypnosis, mental relaxation for better living, guitar, beginning piano and international folk dance.

The dog obedience courses meet Tuesday evenings beginning Feb. 17 and runs for eight weeks. Beginning meets from 7-7:45 p.m., Advanced from 7:45-8:30 p.m. Taught by professional dog obedience instructor, Linda Gregory, beginning dog obedience will train the owners to train their dogs to obey such commands as "heel," "sit-stay," "come," and a variety of other commands. Leash training is emphasized. Owners will need to supply a six-foot leash and choke chain. Dogs should be at least four months of age.

Miss Gregory will also instruct advanced dog obedience. This course will stress use of the same commands studied in the beginning course but will emphasize off-leash

training. Advance dog obedience is especially appealing to owners with dogs which need large amounts of outdoor space, aspiring show dogs, or just want their dogs to behave equally well off the leash as on it. "A dog can be a most pleasant companion," says Gregory, "especially when he or she is well-behaved." The first evening will be a problem solving clinic at 7 p.m. Beginning and Advanced owners should attend at this time. Do not bring the dog to this class. Individual problems and solutions will be discussed.

Fashion Modeling is a ten-week self-improvement course which meets on Tuesday evenings from 8-9 p.m. beginning Feb. 17. "This course is designed to meet the needs of men and women interested in developing poise, dressing skills, proper use of toiletries and make-up," says instructor Joyce Conover, owner of the Joyce Conover Modeling Agency in Westfield. "It is equally valuable to anyone investigating professional modeling as a career or learning about high fashion for personal use. The course includes photography sessions and culminates in a fashion show for friends and relatives. All classes are taught by professional models.

"New Year's resolutions are always difficult to keep and resolving to quit

smoking cigarettes is among the most difficult," says Hilda Schwarz, YMCA Quit Smoking Through Hypnosis instructor and professional member of the Association to Advance Ethical Hypnosis. The two-night class meets on Wednesday and Thursday evenings from 7:30-8:30 p.m. beginning Feb. 18-19. Due to the popularity of this course and limited space, there will be five separate two-night sessions running through March 18-19. "With hypnosis, the former smoker does not take up other bad habits and there are no withdrawal symptoms. The only prerequisite for this course is that the smoker must sincerely want to quit."

Schwarz also instructs "Mental Relaxation for Better Living," a five-week course beginning Feb. 18. The Wednesday evening class meets from 8:30-9:30 p.m. It is designed to expose the student to a variety of mental relaxation exercises designed to relax the mind and help the individual cope with this stress-filled, fast-paced society. The skills learned here can be utilized in the home or the office in order to experience the most wonderful experience of complete relaxation of mind and body. And it takes just five minutes. "This course uses no physical

Westfield YMCA dog obedience instructor Linda Gregory with "Trevor." Miss Gregory's course is one of many social development courses offered at the YMCA.

exercise whatsoever," says Schwarz. "Through practice the student will learn what method of relaxation works best for him or her."

The musically inclined are offered "Beginning Guitar" and "Beginning Piano." Guitar is taught by David Shaw. Shaw has studied, instructed and performed in the Westfield area for 10 years. The course will emphasize basic notes, chords and finger exercises. Students will progress into easy songs. The eight-week course meets Wednesdays, beginning Feb. 18. Class time will be 4-5 p.m.

Piano is taught by Frank Alexander, who is studying music education at Kean

College having also studied at Manus School of Music. Basics of piano playing are taught such as finger exercises, bass and treble clef and easy songs. Private instruction will be given. Half-hour time slots are available between 9 a.m. and noon on Saturdays. The class meets for eight weeks beginning Feb. 21. For both guitar and piano, any student of intermediate or advanced level should contact the YMCA with such information as lessons can be set up for them.

Further information concerning course content and fees is available from David Staveley at the Westfield YMCA.

People who have \$10,000 to invest aren't the only ones who can earn high interest rates.

For those of you who have only \$3,000 to invest, and want it invested for only 26 weeks at the rate for \$10,000 certificates, consider the maximum security of a 26-week certificate from First National State.

Deposit any amount from \$3,000 to \$9,000 (in increments of \$1,000). WE LEND YOU THE DIFFERENCE AND CHARGE NO INTEREST ON THE LOAN. Your certificate may be automatically renewed for additional 26-week periods at the rate prevailing at that time. Federal regulations prohibit compounding of interest during the term of deposit.

If you prefer a longer term and have only \$1,000 to invest, we recommend another safe, high-interest certificate. Our Special Investment Certificate.

Lock in today's high rates for the next two-and-a-half years. Interest is compounded daily from day of deposit when paid at maturity, and the rate is guaranteed for the term of the deposit.

If you like, we'll either mail you a check for interest earned on your Special Investment Certificate at the end of each quarter, or it can be deposited into your checking account.

Both types of certificates are insured to \$100,000 by the Federal Deposit Insurance Corporation.

\*Substantial interest penalty is required for early withdrawal.

Annual yields are effective when principal and interest are left on deposit for a full year at the same rate.

Bank Reports Record Earnings

W. Emlen Roosevelt, president and chief executive officer of the National State Bank, reported a 15 percent gain in net income for the year 1980. This represents the second successive year of record earnings for the bank.

Net income amounted to \$6,905,000 compared to \$6,003,000 earned in 1979. On a per share basis, net income for the year represents earnings of \$2.30 compared to \$2 for 1979. Income before securities transactions increased 14.98 percent to \$9,281,000, compared with \$8,066,000 in 1979.

Life In The Suburbs

By Al Smith

REPORT FROM WASHINGTON by Congressman Matt Rinaldo

Where should Congress cut the budget to slow inflation without emasculating programs that the public demands? The new director of the Office of Management and Budget, David Stockman, must grapple with that tough question in an attempt to avoid another \$65 billion deficit that is contributing to inflation, high interest rates, and a decline in American living standards.

non-profit organizations; certification by health agencies; and approval of the program by the health service area managers. This does not include the variety of steps taken at the local level to obtain proper zoning and funding to match the federal grant.

It also seems that once the grant application has been approved, little attention is paid to assessing the results. Did it work or not? The Federal Assistance Reform Act, which died in the last Congress, would encourage consolidation of these programs and promote more efficient management through a single financial audit of all federal programs in one jurisdiction.

ASSEMBLYMAN LOU BASSANO 20th DISTRICT TALKS FROM TRENTON

It is customary for Governors in New Jersey, at the end of each year, to reminisce about the preceding 12 months of their Administration and look forward publicly to the coming 12 months. These official reminiscences and predictions normally attract a good deal of media attention and even more when the Governor involved is heading in his final year in office, as Gov. Byrne is in 1981.

In his recent look back, the Governor said the failure to win approval of legislation to reform the state's no fault insurance system as well as the lack of any action on reform of the Civil Service system stand as his Administration's most significant disappointments.

The selection of those two areas is not surprising since attempts at reform of the insurance system have been made for the past seven years - almost since the Governor assumed office - while Civil Service reform proposals have been gathering dust in the Legislature for nearly four years.

While it was not mentioned by the Governor, the constant fiscal turmoil of the past several years stand in my view as a failure of some significance - a failure to chart a realistic and comprehensive fiscal policy for New Jersey. The state seemed to move from year to year and from budget to budget amidst crises, gloomy predictions of abolition of programs and employee layoffs, and cutbacks in education, health and other services.

But, it was when the Governor ruminated about the coming year that he opened the door - inadvertently or not - to a controversy which may well dwarf any of his entire Administration. In an almost casual, off-hand manner, the Governor

said he intended to ask the Legislature to enact a ban on the sale of handguns as well as a requirement for individuals now owning such weapons to voluntarily turn them in to law enforcement authorities.

The Governor's proposal is totally unworkable. First, it totally ignores the reality that banning handgun sales in New Jersey will merely send those who wish to purchase one into New York, Pennsylvania, or Delaware where such sales are legal. There is, also, no method to stop anyone from bringing a weapon into New Jersey from another state and giving it to a resident here.

Secondly, asking handgun owners to turn in their weapons will not exactly result in a flood of people into local police stations. Obviously, a criminal who

uses a pistol to holdup other people, stores, businesses, or banks is not about to turn the gun over to anyone, especially the local police. Consequently, law-abiding citizens who have purchased handguns for protection will be reluctant, indeed, to turn them over.

It is ironic, indeed, that the Governor's sudden upsurge of interest in banning handguns came within two weeks of his veto of a bill to impose additional jail sentences upon individuals convicted of using such weapons in the commission of a crime.

It seems to me that a five or 10-year additional jail sentence will be a far more effective deterrent to the use of handguns than a Governor's Legislature's request that the weapon be turned in to local police, even if that request is written into state law.

Should the Governor follow through on his request and ask the Legislature to enact the handgun sale ban and the voluntary surrender of the weapons, it is a virtual certainty that his end of the year reminiscences in December of 1981 will include this request on his list of failures.

A reader writes: Your answer to the parent, who had some question about getting Cable TV, was an insult to anyone who has children and knows how difficult it is to set limits once you open the door to something like cable TV. You know very well that after a while it is quite normal to start giving in, rather than stand firm and fight. I say it is better to keep unnecessary temptation out of the house, thereby avoiding the potential to argue, than to be permissive and permit it to occur. Woe to the world with liberals like you!

good student, has friends and is a fine young lady. But I am afraid she will be influenced by all the stories of incest, rape, murder and other traumas. She says she just enjoys them. Do you see any objection to her seeing these programs?

Answer: Since you have no complaints about your daughter, and feel she is fine in every way, I don't believe that she would be influenced by the soap themes. Watching the soap operas, or daytime dramas as many like to call them, is extremely popular and growing more popular every day. Many college students tell of the crowded lounges at schools - where students rush from classes to see if Luke and Laura are still running from the murderous Fred Smith, etc. This has become a national pastime. Many watch the program because 1) it is an escapism from the real pressure of everyday life 2) it represents pure fantasy as we root for our heroes and heroines 3) it makes the days more enjoyable as we see familiar faces come into our home. I would have had more questions about your daughter had you indicated she was withdrawn, a poor student, etc. So let her enjoy the programs - why don't you try 'em - you'll like 'em!

A Mother writes: I am interested in your opinion about TV soap operas. My 15 year old daughter rushes home from school to watch "General Hospital" and "The Edge of Night." Whenever she's home she likes to watch the other serial shows. She's a

Without eliminating any of these programs, Congress could still save as much as \$9 billion annually by streamlining their administration, according to recommendations of the Advisory Commission on Intergovernmental Relations. The commission found that the real purchasing power of federal aid to states and localities, in terms of what an inflated dollar buys, may decline by 8.3 percent in 1981.

States and localities would support cost savings through better and less frequent auditing, paperwork consolidation of duplicative grant programs, greater simplification of regulations, and less federal interference. That would place responsibility with local and state officials to administer the programs.

Federal regional offices and agencies in Washington now put applications through the wringer, but have very little knowledge of whether they actually work or not in the field. One typical grant description of a community drug abuse program, which I selected at random from the Catalog of Federal Domestic Assistance, requires the following:

Preapplication consultation with the National Institute of Drug Abuse; review by state agencies and regional clearinghouses involved in drug prevention; approval by local government with participation by

Wenda Reichard won the Girl Scout Name the Road contest. Her prize is a \$50.00 Savings Bond.

### Scout Finds Prize at End of "Rainbow"

Wenda Reichard, a Girl Scout in Troop 503, Westfield, is the winner of the Name the Road Contest sponsored by Washington Rock Girl Scout Council. Wenda's entry of Rainbow Road was selected for the official name of the entry road to Camp Hoover, the Girl Scout property in Sussex County. Wenda, a fifth grader in Wilson School, submitted the name, Rainbow Road, because rainbows remind her of "pretty things and good times" which seemed appropriate for Camp Hoover.

Her prize is a \$50 Savings Bond.

Washington Rock Girl Scout Council sponsored the Name the Road Contest to call attention to the road development currently taking place at Camp Hoover. The road work is the first part of a major expansion and improvement plan for the camp. The Girl Scout Council is currently running a Campaign for Camp Hoover to raise funds for the capital improvements. Peter J. McDonough of Plainfield is chairman of the campaign.

### Trailside Features Care of Cacti

"The Care and Behavior of Cacti and Succulent Culture," a workshop on the complete care of such plants as golden barrel and jade, will be held at the Trailside Nature and Science Center, Coles Ave. and New Providence Rd., Mountaintide at 2 p.m. Sunday.

Allan Kane of Craiford will discuss successful methods for growing these plants, normally found in arid regions. The slide and talk show will focus on the importance and use of proper light, water and fertilizer schemes, drainage, and soil.

Visitors to this Union County Department of Parks and Recreation facility will learn how to cultivate cacti and succulents and how to solve common problems that plague them.

Each Saturday, Trailside, in conjunction with Hills and Trails, Clark, sponsors cross country ski clinics. Equipment care and maintenance, first aid, cold weather attire, and, of course, ski techniques, highlight each class. The 9 a.m. session runs until noon if there's snow, or until 10 a.m. if there's none.

### Antique Gun Display Sunday

Reproductions of antique guns made by Panwood resident, Richard Harris, will be on display at the Osborn Cannon Ball House Museum, Sunday, Feb. 1 from 2 to 4 p.m. Harris who is now a student at Gettysburg College, made his first gun from a kit he received back in 1972. The guns are exact reproductions of their famous forebearers and to complete them takes time and patience. Often the stocks are semi-carved, but they must be finished by hand, stained and rubbed over and over again with linseed oil to obtain a rich, hard finish. Harris will be working on an 18th century Pennsylvania rifle, his latest project. He will have his tools along so visitors may see the various steps required to finish a gun. One of the most interesting guns he will display, will be a Charleville musket made in France and used in the Revolutionary War. It is almost six feet tall and has a

The Pennsylvania State University board of trustees has named two local residents to its recently reorganized Penn State Fund Council.

Lawrence G. Foster, a 1948 University alumnus from Westfield, corporate vice president and assistant to the chairman of the board of Johnson and Johnson, was "named" last year by University President John W. Oswald to head the council.

Foster is a past president of the Penn State Alumni Association and was named a Distinguished Alumnus of the University in 1979.

First-time members of the Penn State Fund Council include Philip H. Cease of Mountainside, vice president of personnel for Kinney Shoe Corp. and a 1949 Penn State graduate.

### Splint Weaving At Miller-Cory

The historic 18th century farmhouse known as Miller-Cory House at 614 Mountain Ave. will be open on Sunday, Feb. 1 from 2-4 p.m. with trained docents in costume to give guided tours through the museum. John Steuernagel will demonstrate splint weaving, an 18th century chair making process that is not rush or cane.

Miller-Cory House is a living museum that tries to recreate as authentically as possible the daily living and seasonal work of an 18th century farm family in the West Fields of Elizabethtown. Special activities that are

highlighted at the house on Sunday afternoons are based on in-depth research of material such as diaries, records, wills, manuscripts, account books and archives.

Miller-Cory has built a library of reference books and material for the use of their volunteers and persons interested in studying the colonial period. There are exhibits and displays available for school groups, study sheets and teacher guides. Slide lectures and speakers with craft instruction and how-to sheets are also available. For information, contact the museum at 232-1776.

**"Do I Smell Gas?"**

**HERE'S WHAT YOU SHOULD DO IF YOU SMELL GAS**

YOU—AND EVERY MEMBER OF YOUR FAMILY SHOULD KNOW THIS: (Even if you don't have gas service in your home)

Natural gas has a better safety record than any other form of energy and you can help to keep it that way by using it properly and by knowing what to do if you smell gas, whether the odor is in your home, the building you are in—or even outdoors. The odor of gas—indoors or outdoors—indicates potential danger.

Natural gas itself has no odor. A harmless chemical is added which gives off the characteristic "gas smell" so you can easily detect a gas leak. If you ever smell faint whiffs of this odor do the following:

1. Check to see if a pilot light is out, or if a burner valve is partially turned on. If you cannot find the source of the odor, call us at once. Open windows and doors to dissipate gas.
2. Never light a gas appliance if a strong odor of gas is present—and never use matches to look for gas leaks. Avoid operating any electrical equipment—including light switches or thermostats.
3. IF THE ODOR IS EXTREMELY STRONG GET OUT OF THE BUILDING IMMEDIATELY AND CALL US FROM A NEIGHBOR'S PHONE.

**A GAS ODOR CAN OCCUR IN A HOME OR BUILDING WHICH DOES NOT HAVE GAS SERVICE.**

If this happens, open all doors and windows and call us at once. Do not operate any electrical equipment, including light switches or thermostats. If the odor is extremely strong, follow step 3 above.

**A GAS ODOR MAY BE PRESENT OUTDOORS.**

If you detect a gas odor outdoors do not try to locate the source but call us right away. Even though most outdoor "gas odors" are caused by other reasons, we will investigate them immediately.

Members of the Central New Jersey Lung Association look over the Freedom From Smoking materials after announcing the start of the campaign to help area residents who want to stop smoking to kick the habit. Left to right are Dr. Brian Collins (of Westfield and Elizabeth), chairman of the medical advisory committee, Patricia Watson, R.N. (of Garwood), chairwoman of the out-patient services committee, Ruth Ann Wiggins R.N. (of Summit), chairwoman of the program committee and Eugene F. Rodgers (of Mountainside), association vice president.

## Lung Association Offers 20-Day Freedom from Smoking Program

"Do It For Someone You Love."

That's the theme of an innovative program being offered by the Central New Jersey Lung Association -- the Christmas Seal People -- to help smokers kick the habit.

The Freedom From Smoking Program was developed by the American Lung Association after four years of research and testing, according to Eugene E. Rodgers of Mountainside, vice president of the Lung Association.

"The program," Rodgers said, "offers a step-by-step way to help smokers to quit on their own without attending group sessions or special classes."

Packed into a comprehensively written and illustrated manual, the program provides an easy approach to kicking the habit in 20 days.

Rodgers said that the target date for people to start the program is Valentine's Day, Feb. 14.

Area residents who would like to obtain a copy of the "Freedom From Smoking in 20-Days" booklet should write to the Central New Jersey Lung Association, 1457 Raritan Rd., Clark, NJ 07066. Requests will be filled in the order in which they are received.

"In order to increase the effectiveness of the program for the smoker," Rodgers said, "the association is requesting subscribers to donate the price of one carton of cigarettes" to demonstrate their personal commitment to stop smoking.

Included in the 20-day manual is a reply card which the smoker returns to the Lung Association when the first phase of the cessation program has been completed requesting the "A Lifetime of Freedom From Smoking" manual, which the association will forward without charge.

Manual number two is a special maintenance program designed to help the smoker from backsliding into the old habit.

"In manual number two," Rodgers continued, "events that cause smokers who have quit from starting to smoke again are anticipated."

## Kean in Race for Governor

Thomas H. Kean, former Speaker of the State Assembly, announced his candidacy for governor of New Jersey during a special televised five minute address from his home Tuesday night.

In announcing his candidacy, Kean (Republican of Livingston) pledged to "lead an across-the-board attack on violent crime" and said that as governor he will sign a death penalty law as well as a law to provide mandatory jail sentences for crimes committed with a gun.

"I have come to the conclusion that we must have the death penalty in New Jersey," Kean said. "Nothing else seems to have worked as a deterrent." Kean also told the citizens of the state that he would "crack down on those who continue to dump toxic wastes and endanger our state's precious water supply."

Thomas H. Kean

The former Assembly leader stressed the need to revitalize the state's economy and pledged to lower taxes in order to stimulate growth and productivity in the Garden State.

Kean said that state government has grown too large and that he supports efforts to return control of services to local communities through home rule. "I want to give back to the mayors and councils the powers that are rightly theirs."

## Local Personalities On Cable TV Show

A discussion of school vandalism in Mountainside will be the topic of an interview show to be seen during the next two weeks on cable television.

Host Paul Spychalla of "Fortnight" interviewed four guests who shared their knowledge and feelings about vandalism. To be seen in the program are Dr. Margaret Kantes, Mountainside superintendent of schools; Beth McLaughlin, Deerfield School Student Council President; Wayne Treece, ad hoc advisory committee against vandalism chairman; and Dr. Arthur Williams, Board of Education president.

Viewing times for the half-hour show will be Tuesday, Feb. 3, and Tuesday, Feb. 10, at 7:30 p.m.; also on Thursday, Feb. 6, and Thursday, Feb. 13, at 7 p.m., on Channel 3.

## Local "Quiz Kid"

Kirra Jarratt of Westfield was a member of the Gill-St. Bernard's "Quiz Kid" team which placed second in both recent round robin varsity and junior varsity competitions.

## Edison Staff Continues Tradition

The Edison Junior High School staff continued its winter holiday tradition of donating funds to the Star-Ledger Christmas Fund in lieu of exchanging greeting cards. The collection, which was on a voluntary basis, was arranged through Mrs. Betty Hetherington, Edison reading specialist. As each person contributed to the fund, a greeting card was placed on the bulletin board in the faculty dining room, which added seasonal brightness to the room and some brightness to the lives of the fund recipients.

## Latin Club Plans Feb. 7 Paper Drive

The Westfield High School Latin Club will sponsor a paper drive on Saturday, Feb. 7, from 9-4 p.m. to benefit the scholarship fund.

This scholarship is awarded annually to the most worthy senior Latin student to further an education in the classics. Beside the scholarship, many service awards are given at the end of the year to students who actively participate in the Latin Club throughout the year.

Those who wish to have the club pick up papers on Saturday may call the high school, extension 339, any time between 3 and 5 p.m. from Feb. 4 to 6. No magazines will be accepted.

Chris Hupp and YMCA teen adviser David Grandell square off in Friday night basketball at the Westfield YMCA. Teens can play on Saturday nights from 7-10 p.m.

## YM's Teen "Drop-In" Center Opens Tomorrow

The Westfield YMCA will open its new teenage "Saturday Night Drop-In Center." This weekend beginning at 7 p.m. tomorrow. Activities include gymnasium (7-10 p.m.), game room with ping-pong and pool tables (7:00-10 p.m.), racquetball on courts 1 and 2 (sign-up for half hour court periods between 7-10 p.m.) and swimming in the YMCA's Wallace Pool (8:30-10 p.m.).

"This program is an extension of the Y's popular Friday Night Drop-In Center," says YMCA Youth

and Social Development Director David Staveley. "The big difference is that there is more time available for the teens to enjoy the facilities."

The program is intended for teenage boys and girls in grades 7-10. The YMCA will provide two racquets and one racquetball for each court.

Further information is available from David Staveley, YMCA, Saturday, Feb. 7, there will be a special concert sponsored by one of the YMCA's Hi-Y clubs in lieu of recreation.

**6,000 to Attend Classes at Union**

Union College will open its Spring Semester on Feb. 2 with a projected enrollment of 6,000 students, it was announced today by Dr. Saul Orkin, president.

The anticipated 2,300 full-time and 3,700 part-time students will select from 28 options in the areas of the arts, sciences, business, engineering, criminal justice and human services, Dr. Orkin said, including five new options for the first time during the 1980-81 academic year: gerontology, an option in the human services curriculum, and four fine arts options — music, drama, dance and visual arts.

**Diabetes Foundation Briefs Members**

County residents Frances P. Del Sordo and Karen Levin played an important role in the Juvenile Diabetes Foundation's first Northeastern regional conference held in Secaucus over the weekend. The foundation held the three-day training session to help its members with fund raising efforts, public education and special events preparation.

"JDF is going to contribute more than ever to research this year," according to Del Sordo, president-elect of the Union Chapter of JDF. "The only hope for this continent's 11.5 million diabetics lies in research, and there's an awful lot of work to be done," she said. JDF has one of the highest ratios of money going directly to research vs. administrative costs of any U.S. or Canadian charity.

Diabetes, a leading cause of death by disease in this country, kills an estimated 300,000 persons annually and is the leading cause of new blindness. "JDF is really fighting two diseases," Levin, treasurer, stated, "diabetes and ignorance. People just don't realize what a serious health problem diabetes is."

Since becoming an international voluntary health organization some seven years ago, JDF has given over \$10 million to diabetes research.

An itinerary of events over the weekend not only included individual state meetings and developmental workshops, but also a tour of Rockefeller University in New York, New York, which is dedicated to research in the biomedical sciences.

After an extensive tour of the laboratories, research demonstrations and clinic involved with extensive experimental work on diabetes and its complications, Dr. Anthony Cerami and the other investigators attended a luncheon with the group which culminated in a questions and answer period.

This is only one research facility of many that the JDF has supported with appropriations for work in the fields of diabetic neuropathy, vascular disease, blindness, automatic and implantable glucose sensor and insulin pumps. This year the JDF has awarded \$2,799,745 to support 65 research grants, five career development awards and 41 postdoctoral fellowships.

**Troop 77 Grows in Tradition**

Troop 77, sponsored by the vestry of St. Paul's Episcopal Church of Westfield and under the leadership of Irwin Shmurak, Scoutmaster, and George P. Gross, troop committee chairman, was classified as an Honor Unit by Boy Scouts of America in 1979, and again in 1980. Honor Unit status is granted on the basis of a score of 70 percent on a test of items on which a good troop is judged: Troop 77 scored 90 percent in each of the most recent years.

Assistant Scoutmasters include Bill Holt who originated the Great Canoe Race. At least one informed leader, Fred Egner, was among the original Cub Scouts when organized in America. Other leaders are Clayton Kines, Rich Lee, Pete Migliorini, Bill Oehler and John Oehler Jr.

In addition, 46 scouts were registered as of December 1, 1980, up 50 percent over the previous year and 19 active committeemen, up 90 percent over the previous year. Twenty seven new troop members were registered during the year as scouts.

Between Dec. 1, 1979, and Dec. 1, 1980, 21 boys earned 28 progress awards. Some 488 boy-nights of over-night camping were enjoyed by 53 scouts. Twenty nine participated in the Klondike Derby, and 13 entered the Great Canoe Race.

The troop was outstanding in its participation in the May Watchung Area Council Scout Show. Troop 77 also won the largest number of first place awards and the largest total score in the Colonial District's Father and Son encampment at Four Seasons Outdoor Center in October.

The boys in the troop serve their sponsor by snow removal and leaf raking at St. Paul's Church. They also are active in recycling.

The troop began in Westfield as Troop 3 in 1923. In 1927 it was sponsored by St. Paul's Church as Troop 77, becoming Troop 77 about 1933, functioning continuously except for a two-year period in the 1950's. This gave rise to the establishment of Troop 273 at Jefferson School, an active troop at this time.

Several of Troop 77's leaders hold the Silver Beaver Award for outstanding service to scouting; many had earned the rank of Eagle Scout. Adult leaders, collectively, have given 198 years of service in scouting.

Coming events for the troop include Scout Sunday services at St. Paul's Church, the annual troop father and son indoor winter camping at Four Seasons Outdoor Center, and a camping week-end in the new winterized building at Camp Watchung. The year's second Court of Honor will be held in February.

Boys ages 11 to 18 are eligible to join. Those interested or who wish to inquire should visit at a regular Monday evening meeting of Troop 77 in the rear auditorium of St. Paul's Church, East Broad St.

**4-H's Will "De-Bug" Area In Caterpillar Hunt**

The Union County 4-H members will conduct a bug removal project during the month of February under the direction of Conrad Oberle and the County 4-H Agent.

They will remove tent caterpillar eggs from trees in the area.

The month of February is "prime" time for removal of the eggs. A prize will be given (dinner for two at Gino's) for the 4-H member who collects the most caterpillar eggs. Those who have a problem with caterpillars in the area may give the 4-H Agent a call at offices at 300 North Ave. East.

The high school students donated almost 1,000 hours of working with the patients at the pediatric rehabilitation hospital for disabled children and adolescents. Both have decided to pursue careers in the health care field.

**Almost All Employment Covered by Social Security**

A person's eligibility for social security benefits depends in large measure on the number of credits, or quarters of coverage, he or she has earned. Almost all employment, including self-employment, is covered by social security. A certain amount of work in covered employment is needed before a worker or his or her family can become eligible for social security payments.

In 1981 an employee earns one quarter of coverage for each \$310 of covered annual earnings up to a total of four quarters for the year if annual earnings are \$1,240 or more. No more than four quarters can be earned for any one year. The amount of covered earnings needed for a quarter of coverage increases automatically each year to keep pace with increases in average wage levels.

Individuals who are employed as domestics in a private household face a slightly different situation. Their earnings are covered by social security if they amount to \$50 or more in cash from a single employer during a 3-month calendar quarter, and they earn one quarter of coverage for each \$310 of covered wages up to a maximum of four quarters for the year.

Farm workers, too, have a special situation. Their wages are covered by social security if they receive at least \$150 in cash from an employer during the year of if they are employed for 20 or more days during the year and paid in cash on a time basis — whether by the hour, day, week, etc. — regardless of the amount. Farm workers get one quarter of coverage for every \$310 of covered earnings, up to a maximum of four quarters for the year.

An individual who works for a member of his or her family may not be covered for social security. Under the law, work done by a child under 20 years of age for a parent or work done by one spouse for another is not covered. However, work done by a parent for a son or daughter in connection with the son's or daughter's business is covered.

A self-employed individual earns one quarter of coverage for each \$310 of covered self-employment income, up to a maximum of four quarters for the year. A self-employed person's income is covered by social security if he or she has a

**Muhlenberg Acquires CT Scanner**

Muhlenberg Hospital has added a computed tomography (CT) unit to the department of radiology.

A CT unit is an advanced imaging system utilizing x-ray detectors and a computer to create various views of the body. It has been widely acclaimed as the greatest breakthrough in diagnostic imaging since Wilhelm Roentgen discovered the x-ray in 1895.

"The new unit at Muhlenberg Hospital, a GE 8000, exemplifies the rapid technological advancement in CT units that has occurred since 1972, when the first Scanners were introduced," explained Edward J. Dailey Jr., hospital president. "This addition to our department of radiology will allow us to better serve the residents of the Central New Jersey area."

Advancement of CT techniques has allowed all members of the health care profession to move into an era in which it is frequently possible to obtain more definitive information regarding any forms of disease without hazard or discomfort to the patient.

"We wish to thank every member of the Muhlenberg Hospital family including the Auxiliary, the board of governors, medical-dental staff and all of our employees for their help in allowing us to provide the most up-to-date, modern diagnostic techniques to our community residents," Dailey said.

**Toastmasters Elect Schellhardt President**

Leroy F. Schellhardt of Livingston will be the president of the Westfield Toastmasters for 1981.

Schellhardt, an engineer with the Western Electric Company in Newark, was elected at the club's most recent meeting at the Scotch Plains Library. He will succeed Dr. Adam Feret of Westfield. Also elected were: Joseph M. Kowal, educational vice president; Stanley F. Rodak, administrative vice president; Angelo Morganti, sergeant at arms; Gaye R. Korley, secretary; and Robert A. Stalknecht, treasurer.

The Westfield Toastmasters Club, chartered in 1961, is one of about 3,500

**More Drunken Drivers on Pike**

State Police units patrolling the New Jersey Turnpike arrested 853 motorists in 1980 for driving under the influence, ten more than the 843 in the prior year.

Capt. George Mucci, commander of Troop D on the Turnpike, stated the "on-going vigilance" of roadway patrols is part of a continual effort by Troopers to reduce accidents on the toll road.

"Our patrols have standing orders to pull over erratic drivers," he stated. "Anyone impaired by alcohol or narcotics has no business driving anywhere, let alone on the Turnpike with all its traffic."

Captain Mucci also commended Turnpike toll-collection and maintenance personnel for their help in aiding Troopers to apprehend impaired drivers. "They advise us promptly whenever they spot erratic drivers," he said.

**School PR Person To Present Workshop**

Maggie Cimei, coordinator of school-community relations for the Westfield public schools, will present a workshop on "Communicating Critical Issues" at the New Jersey School Boards Association Community Relations Seminar in East Brunswick Saturday afternoon.

Mrs. Cimei, representing the Northern New Jersey Chapter of the National School Public Relations Association, and Judy Peoples, representing the Southern New Jersey Chapter of NSPRA, will conduct the workshop, one of four being offered at the seminar.

Saturday's conference is open to school board members and school administrators looking for practical techniques to use in establishing and maintaining an effective on-going communication program with their various publics.

### "Makin' Whoopee"

At Roosevelt Feb. 6 and 7

On Friday and Saturday nights, Feb. 6 and 7, the Roosevelt Jr. High School stage will be transformed into a roaring college campus of the 1920's when the Washington School PTA presents an original musical comedy entitled "Makin' Whoopee". A matinee performance, especially for the children, will take place at 2:30 p.m. on Saturday, Feb. 7.

Washington School parents are busy producing, directing, acting, choreographing, painting, singing and doing everything it takes to put on a Broadway style musical such as "Makin' Whoopee". And it is all for the children who not only enjoy watching their parents and teachers on stage but also benefit from the show's proceeds which are used by the Washington PTA to purchase extras for the school. The Washington School Show was formerly the Grant School Show and is now in its 33rd yr.

Beverly Yamada, Costume Designer for the show, has announced that 23 "seamstresses", all Washington moms, are presently at work on the fancy costumes of the 20's. She is assisted by Sophie

Stappas, Chorus Director, Cindy Heinback, has 30 parents in her chorus ready to belt songs such as Tiptoe Through The Backfield, Miss Pork University, Sweet Fanny Wood and I Wonder What's Become of Boom-Boom. Even before the curtain goes up, Bill Shepherd and his band, veterans of many Grant School plays, will have every foot tapping and ensure a lively tempo throughout the show. Louise Andrews, music director, will be at the piano.

"Makin' Whoopee" was written by Hank Glass, Ellis Rowland and Kent Simon. It is produced by Geri Knudsen and Jane Kelly; directed by Sue Smith, assisted by Pinky Luerssen; choreographed by Carol Tener and Bill Inglis, assisted by Carolee Meglaughlin. Set designs are by Jim Hermiston, assisted by Anne Wischusen and Ro Clarke. Construction of the sets is under the guidance of Tony De Crescenzo and Jim Hermiston. Linn Smith is the stage manager.

Tickets for all three performances are available at Robert Treat Liquors and Jeannette's, Westfield.

Parent members of the "Makin' Whoopee" chorus whoop it up during a recent rehearsal. The Washington School Play will be performed in the Broadway tradition by moms and dads. Shown above, left to right, Charlotte Mren, Alice Dillon, Joyce Strommen, Don Smith, Charles and Margo Komar.

"Fanny Wood Fannie", Joy Davis of Washington School's "Makin' Whoopee" is being fitted by, left to right, Sophie Stappas, Assistant Costume Designer, and Beverly Yamada, Costume Designer. "Makin' Whoopee" will be shown at the Roosevelt Jr. High School on February 6 and 7.

### Mail Course On Money Offered

"Your Money Matters" is a repeat of last year's home-study course offering. It was developed by Denise Matejic, extension specialist in financial management, Rutgers University, to provide comprehensive information on budgeting, credit, insurance, and the financial aspects of housing, saving, and investing. Each of the five units is a self-contained learning

package including fact sheets and a quiz. You have two options when enrolling. One is the home-study correspondence course where completed quizzes are mailed back to Gwen Waranis, Extension Home Economist, to be corrected and returned to you. Participants who complete all five quizzes will receive a Cook College Certificate. "Your Money Matters" is also available as a self-

study course for those who want it primarily for reference.

There is a charge for the correspondence course and the book. The fee is to help cover the cost of printing and mailing. For information contact Union County Home Economics Extension Service, 300 North Ave. East, Westfield, N.J. 07090.

Mailing begins tomorrow.

### "Life in the Theatre" In Plainfield

New Jersey Theatre Forum is presenting "A Life in the Theatre" through February 15. "A Life in the Theatre," David Mamet's story of two actors and their problems, both in front of and behind the footlights, will feature Pierre Epstein as "Robert", the older actor who is teaching his craft to "John", the younger actor, played by Robert Aberdeen. Peter Brill, currently a student at Rutgers University, will play the role of the Stage Manager. "A Life in the Theatre" will be performed Thursday, Friday and Saturday evenings at 8:00 p.m. and Sunday afternoons at 3:00 p.m. Tickets are available at New Jersey Theatre Forum's Box Office located at 232 East Front St., Plainfield. Discount three show cards are still available.

Pierre Epstein was born in France, and after studies at the Sorbonne and Columbia University, made his acting debut in the Off-Broadway production of The Three Penny Opera. His Broadway credits include

Sly Fox, A Shot in the Dark, Thieves and last season's Filumena. Off-Broadway credits include God Bless You, Mr. Rosewater, Promenade and appearances at Second City. In regional theatre his work includes performances at the Phoenix Repertory Theatre, the Lincoln Center Repertory Theatre and the New York Shakespeare Festival. Epstein has been seen in four films including Love and Death and Simon.

Robert Aberdeen has appeared in numerous Broadway productions, including Billy, Fiddler on the Roof and The Royal Hunt of the Sun. Off-Broadway appearances include A View from the Bridge, The Subject Was Moses and Me and Juliet. A professional magician, Aberdeen has toured with an international production of The Magic Show and had his own television special, Magic Maestro Please. Last season he appeared as the American Soldier in New Jersey Theatre Forum's production of See How They Run.

### Y Plans Caribbean Cruise

The cruise meeting for the 10 day trip to the Caribbean, sponsored by the tour committee of the Westfield YWCA, was held on Friday, Jan. 16th. Cabins are available in certain categories for the cruise which is planned for May 20 to May 30.

A trip that starts from the YWCA means no journey to the airport on your own, no handling of baggage, no petty details to worry about. The Sitmar luxury liner, the T.S.S. Fairwind, sailing from Port Everglades, Florida, stops at Island ports not easily reached on most Caribbean cruises. St. Maarten is divided between French and Dutch colonial interests with 100 percent free port shopping. Antigua is British and has many lovely bathing beaches. Barbados is known for its "platinum Coast", site of many elegant hotels. Martinique is French with

famous Mt. Pelee—a second Pompeii. St. Thomas is renowned for its international duty-free shopping as well as skin-diving, snorkeling and sun bathing. No two islands are exactly alike.

Whatever your idea is of a vacation, this cruise offers it all: history, shopping bargains, the lore of pirates, underwater explorations, and sun worshipping! The T.S.S. Fairwind has the elegant dining, gracious service and a host of activities and entertainment. Further information can be obtained from the YWCA, or from Dick Turner of Turner World Travel, Inc. of Westfield.

In old restaurant lingo, "Eve with the lid on" was a piece of apple pie.

Mozart's Abduction from the Seraglio Overture, Ives' The Unanswered Question and Le Coq d'Or Suite of Rimsky-Korsakov are the other selections of the program, all musical masterpieces.

Mr. Wolosonowich is a well known soloist. He is a graduate of the Juillard School of Music in New York City, where he was the student of Ivan Galamian and Louis Persinger, both world known musicians. He has a distinguished career as a violin soloist with over 1200 recital engagements to his credit in the states of NJ, NY, and Pa. He also performed with the Rochester Philharmonic Orchestra under Eric Leinsdorf and, at one time, he was violin soloist for the Ballet Russe de Monte Carlo, The Linden born violinist appeared as a soloist with N.J. Community orchestras 21 times, and gave three recitals on

Suburban Television, originated on Service Electric Cable T.V. in Allentown Pa. Besides his concert appearances, Mr. Wolosonowich also presents lectures on violin making and the violin sound for school assembly programs.

Brahms' Violin Concerto in D is a concert piece which often appears on the repertory of world known virtuosi of this instrument. It is the only violin concerto of the German Romantic master. Brahms' extreme self-criticism led him to destroy much of what he composed, and the limited number of works that survived the composer are considered to be of a uniformly high quality.

Charles Ives' Unanswered Question is a work which will delight lovers of 20th Century American Music. It is a dialogue between a solo trumpet and flutes. The flute section will be composed of Mayda Cohen, Helen Hillinsky, Leslie Minion, and Virginia Wight. A feature of Ives' miniature tone poem is that it requires an assistant conductor. This function will be filled by Henry Babcock. The trumpet soloist will be Gerson Horowitz. Both Mr. Babcock and Mr. Horowitz are instructors of instrumental music in the Cranford school system.

**David Robinson Married In Pa.**

Roberta Ann Fuccella and David Robinson were married Dec. 27 at Our Lady of Mt. Carmel Church, Doylestown, Pa., with Msgr. Martin McDonough officiating. The bride is the daughter of Mr. and Mrs. Carl J. Fuccella of Lahaska, Pa.; the bridegroom's parents are Mr. and Mrs. Walter Robinson of Medford, formerly of Westfield.

The reception was at the Doylestown Country Club.

The bride, given in marriage by her father, wore a white crepe blouse with a flared skirt and chapel length train. The bodice had a high neck band and shepherdess sleeves, lace inserts of Brussels lace in panels and ruffle trim on the wrist, neckline and hem. The full chapel veil of embroidered net in a flower garden pattern across the border and edged in embroidered

ruffles, was attached to a flower decorated cap. She carried a cascade of white roses, stephanotis, white carnations and dianthus.

Suzanne Hutchison of West Hartford, Ct., was the maid of honor. The bridesmaids were Donna Fuccella, Lisa Fuccella Pamela Tyl, sisters of the bride, and Darlene Robinson, sister of the bridegroom. Their long dresses were teal, with hoods, Brussels inserts embroidered on the shoulders, long sleeves and softly gathered A-line shaped skirts. They wore hair combs of sonia roses and baby's breath. Their cascade bouquets were of sonia roses, white starburst mums and baby's breath.

The best man was Robert Shepler of New York. Robert Fuccella of Lahaska, Theodor Daniel of

(Oklahoma, and Ernest Parizeau and Gary Robinson, both of Medford, ushered.

After a wedding trip to Martinique, the couple plans to live in Durham, N.C.

The bride graduated from Central Bucks East High School, Buckingham, Pa., and Duke University, Durham, N.C., where she received her B.S. in nursing. She is a registered nurse in the recovery room at the V.A. hospital in Durham.

Mr. Robinson graduated from Westfield High School and Duke University. While at Duke he played number one singles for the tennis team. Presently Mr. Robinson is a medical student at Duke.

Mr. and Mrs. Walter Robinson hosted a cocktail rehearsal party at the Cock'n Bull Restaurant in Lahaska.

Making final arrangements for their presentation on the mathematics curriculum to the Westfield High School P.T.O. Board are Mr. Peter Schwelhardt; Mrs. Kathy Stephens, chairman of the department; and Mrs. Patricia Baer. The program will also include a question and answer period. All members of the community are invited. The meeting will be on Feb. 2 at 8:00 p.m. in the high school library.

### Woman's Club Schedules Feb. Activities

The Woman's Club of Westfield has scheduled its February department activities. Meetings are at the clubhouse. Mrs. Harry Haslett, chairman of the recreation department, has announced the group will meet on Tuesday afternoon for an afternoon of bridge. Dessert and beverage will be served by the hostesses of the day Miss Elizabeth Steenhuisen and Mrs. Roy C. Carrigan.

The Crafts Department with Mrs. Warren Beatty as chairman, will meet on Wednesday at 9:30 a.m. and work will continue on the glass decoupage bowl. Bring a sandwich; dessert will be provided by Mrs. L. John McHugh.

Members are asked to bring soap, jewelry and small containers for flower arrangements to the social services department meeting, Thursday, Feb. 5 at 10:30 a.m. Dessert and beverage will be served by the hostesses of the day Mrs. James M. Kilkenny and Mrs. Joseph A. Dorne. Mrs. C. Minot Fogg is chairman and Mrs. William F. Peiffer, co-chairman of the group.

The International Affairs

Department with Mrs. Willard S. Magalhaes as chairman, will meet on Wednesday, Feb. 10 at 1 p.m. The program, "It's Your Country, You Must Make It Work", will be presented by Mrs. Arthur Tomnesen, New Jersey State Federation of Woman's Clubs Public Affairs Chairman. Guests are invited to attend.

Mrs. Russell F. Elsener, chairman, announced that Mrs. Vaughn A. Newill will present pictures and commentary on the Canadian Rockies to the travel department Friday, Feb. 13 at 1 p.m. Mrs. Newill, her husband and three children took a motor trip, camping enroute, to Niagara Falls, ferrying across the Georgian Bay and then on to Jasper, Banff and Lake Louise. The trip included visiting four Canadian National Parks and a Glacier and Yellowstone National Parks on the journey home.

Mrs. J. Wallace Gentles, Hospitality Chairman, will be assisted by Mesdames Thomas A. McCarthy, W. Neil Pierce and Adam P. Piret.

### Sisterhood Plans Winter Weekend

The Sisterhood of Temple Israel of Scotch Plains-Fanwood will hold its annual winter weekend at Grossinger's from Friday, Feb. 20 through Sunday, Feb. 22. This weekend is at the end of the local school vacation week.

The complete range of Grossinger's social and recreational facilities will be available. The Full American Plan (3 full meals) per day will be included plus a cocktail party. First-class accommodations, with private bath and TV are available in the Harry G. wing. This weekend is open to both Temple and non-Temple families. Teenagers, children, and adults are welcome.

For reservations and further information, please call Mrs. Ruth Milgram of Scotch Plains. A deposit is required.

### Sharing Night At McKinley

McKinley P.T.O. plans a Sharing Night, Feb. 11, from 7:30 to 9:30 p.m. in the school auditorium. Parents, students, faculty and McKinley neighbors are invited to come, bring their hobbies, collections, or special talents to share with each other. Exhibitors may explain reasons for their choices and what pleasures and difficulties they may have encountered.

Contact McKinley School office for further information.

### Alumnae To Meet

The Westfield Alumnae Chapter of Delta Delta Delta will meet at the home of Mrs. Carl Shipston, 11 Lori Dr., Somerville, at 11 a.m. on Wednesday for a sandwich luncheon. Following the luncheon and a short business meeting, the group will tour Duke Gardens.

### Art Topic Of Library Program

The Friends of the Westfield Memorial Library will present a slide program on The Spirit of American Painting commented by Victoria Chane and Jeanne Fulford on Sunday, Feb. 8 at 3 p.m. at the library. The program will cover American painting from the late 1600's to the art of today briefly summarizing the artists' background, style and technique.

Mrs. Chane and Mrs. Fulford are members of the Historic Arts Committee of the Junior League of Elizabeth-Plainfield. This volunteer committee presents slide programs to the schools in the Elizabeth-Plainfield area and have reached over 50 schools this year with the American art program. A presentation on Black African Sculpture is also offered and the group is currently developing a program on The Art of China which will be available next year. To finance its volunteer programs, the League's current money raising projects are its cookbook entitled Simply Superb and The Jumble Store, a thrift and consignment shop in Cranford.

The program is free and open to the public.

### Story Hours Set At Library

Children are being registered through Feb. 5 for the Magic Carpet Story Hours of the Children's Department of the Westfield Memorial Library.

The programs, designed for children from kindergarten through third grade, will be held on Feb. 5, 12 and 26 and March 5, 19 and 26.

Jack Cohen, the owner of Made In America, presenting the gift certificate for a Cuisinart to Judy Mencher, co-chairman of the Parent-Teacher Council Scholarship Benefit.

Tickets are being sold for a fund raiser by the parents of all Westfield PTA-PTOs. First prize is the Cuisinart. Winners will be announced Sunday at 5:30 p.m. at the Benefit reception at Westfield Tennis Club. The winner need not be present.

Westfield Welcome Wagon vice president, Mrs. Tony Dean, presents a club contribution of \$134 to Mr. John Duelska, president (center) and Mr. Rich Pfeiffer, vice president of the F.M.B.A., to be used for training aids and needs of the association. Members and guests attending the December Welcome Wagon luncheon contributed one half of the amount which was matched by the club treasury.

Prospective members of the Newcomers' Club of Westfield, from left, Betty Lou Yevich, Pauline Harris and Newcomers' President Mickie Hamilton discuss the varied club activities at a recent coffee.

The February Luncheon will be held February 4th at Evelyn's Seafood Restaurant, Westfield Ave., Elizabeth. Cash bar opens at 12:15 p.m. and luncheon will be promptly served at 1 p.m.

Reservations should be made with Danielle Walsh, 1685 Grandview Ave. by tomorrow.

### Y To Host Women New To U.S.

A coffee for area residents new to the United States will be sponsored by the World Mutual Service Committee of the Westfield YWCA, Thursday, Feb. 5 from 9:30 to 11:30 a.m. at the YW, 220 Clark St.

The YW sponsored a similar event last month and the response, according to YW officials, indicated that many individuals new to this country wish to have regular get-togethers to become acquainted and have an opportunity to practice speaking English in a group setting.

Shirley Renwick, YWCA director, said the association will host the morning sessions on March 5, April 2 and May 7. Natives of various countries will take turns providing refreshments. A group of Japanese women will host the Feb. 5 session and also will give a talk and show slides of their native country.

Membership in the YWCA is not required to attend the events. Information is available by calling the Westfield YWCA.

### Collegians

Jim Tilton, son of Mr. and Mrs. Robert J. Tilton of 1435 Grandview Ave., achieved dean's lists status at the University of Delaware with a perfect 4.0 average last semester. He is now in the final year of a special four year program in which he will earn both a B.S. and M.S. in chemical engineering.

The dean's list at James Madison University, Harrisonburg, Va., includes Jane E. Hughes of 741 Belvidere Ave.

Suzanne E. Tegen of Chatham, formerly of Westfield, has been added to the college honors list at Centenary College, Hackettstown.

Judy Dorsell, a senior at Salem College, Winston Salem, N.C., achieved placement on the dean's list for the fall semester.

Debra A. Kaufman, daughter of Mr. and Mrs. Sidney B. Kaufman, 16 Plymouth Rd., was named to the fall semester dean's list at Alfred University, Alfred, N.Y. She is enrolled as a senior in the College of Liberal Arts.

Diana K. Lloyd, daughter of Mr. and Mrs. Arthur G. Lloyd, 22 Rutgers Ct., was selected to be included on the dean's list for the fall semester at St. Lawrence University, Canton, N.Y.

Lafayette College, Easton, Pa., has announced that A. Kevin Cimei, son of Mr. and Mrs. Anthony G. Cimei, 980 Lawrence Ave., was named to the first semester dean's list. He is a freshman engineering student.

Shown at a recent board meeting of the Choral Art Society of N.J., Inc., are Westfield residents, Barbara Vierschilling, Elsa Hahn, Rita Schnell, Rachel Hylan, and Francis Bremer. The board met at the home of Evelyn Bleeke, musical director, to discuss plans for the remainder of the concert season.

### Plans For Spring Concert Underway

Rehearsals for the spring concert of the Choral Art Society of N.J., Inc. resume Jan. 20, and will continue every Tuesday evening at 8 p.m. at the First Baptist Church, 170 Elm St. The spring concert, to be presented on May 16, will include the Lord Nelson Mass by Haydn, the Te Deum, Ave Verum Corpus, and Adoramus Te Christe of Mozart, and Misericordias Domini by Mattinger.

The Choral Art Society welcomes new members

and anyone wishing further information may call Francis Bremer.

Funding for this concert will be made available by a grant from Mobil Foundation, Inc. through recommendation made by employees of Mobil Chemical facilities at Edison and Plainfield and by a grant from the New Jersey State Council on the Arts in cooperation with the National Endowment for the Arts.

### Y Schedules Many Trips

A trip to the Philadelphia Flower Show will be among the latest series of tours sponsored by the Ladies Day Out Committee of the Westfield YWCA.

The flower show trip is set for Thursday, March 12, and attendees will have an opportunity to see the Civic center in Philadelphia, transformed into a canal town replete with historic shops and a wide offering of horticulture and floral arrangements.

The YW's regular trip to East Reading, Pa., a shopping mecca, will be Saturday, March 28.

"The Reading trip is a must each year," says Joyce Foley chairman of the YW committee which plans the day tours. "Everybody wants to find bargains and Reading is the spot to do just that."

Philadelphia is the destination of an April 18 trip, with a visit to the Norman Rockwell Museum and lunch at the City Tavern. Participants also will be able to view some of the Quaker City's historic sites.

The General Motors plant in Linden will host a trip on April 30 and committee organizers say scheduling of this trip came after many people requested a chance to tour an assembly plant. The tour will be followed by a stop at El Pescador, Roselle Park, for a late lunch.

A trip is scheduled to Milleridge Village, a Long Island architectural setting with many shops, on Thursday, May 7. Lunch will

be served at the Milleridge Inn.

A repeat of last year's Chinatown tour is set for Tuesday, May 12, with trippers scheduled to have Dim Sum lunch and tour the area. Ruth Tinervin, a Westfield resident and a native of Shanghai, will accompany the group. A day in the Pennsylvania Dutch country is planned for Thursday, May 21, with a tour of the area and lunch at Miller's, a famous restaurant where food is served family style.

Theatre trips, which Foley says are popular among local residents, include one to Woman of the Year, starring Lauren Bacall, on May 13, and another to the Easter Show at Radio City Music Hall on March 25. A trip also is planned for the Watchung View Inn for June 17.

The tour season will kickoff Thursday, Feb. 12, with a winter-break trip to Harrah's Casino, Atlantic City. Those in attendance also will have a chance to walk the boardwalk in the beach resort.

Foley points out that the popularity of the trips necessitates early registration. Information about prices and sign-ups may be obtained by calling the YWCA, 220 Clark St.

Betty Keating is head of women's programs at the Westfield YWCA.

### China Topic For DAR

The Westfield Chapter, Daughters of the American Revolution, will meet at the home of Mrs. John M. Daubenspeck tomorrow. A pot luck luncheon will be served at noon, with Mrs. Francis A. Florin and Mrs. George A. Lewis as co-hostesses. The guest speaker will be Mrs. R. E. Comstock Jr., who will give an illustrated talk on her trip to China. A business meeting will be conducted by Mrs. Gordon O. Perkins, Regent.

The ancient Greeks tried to make rain by dipping oak branches in water.

### Antique Show At Temple, Feb. 22

The Greater Westfield Chapter of Women's American ORT will hold its 7th annual Antique Show on Sunday Feb. 22, from 11 a.m. to 6 p.m. at Temple Emanu-El, 756 East Broad St.

Over forty antique dealers will display their selections of antique jewelry, furniture, glassware and silver. Children under 18 will be admitted at no charge. Refreshments will be available all day.

Mrs. Irene Stella of Paramus, is directing the show.

# Dial Down and Save!

Don't let the drop in temperature get the best of you and your energy dollars. Dial down this winter and save three ways:

## SAVE MONEY!

For every degree you lower your normal thermostat setting, you save 3% on your heating bill.

## SAVE WEAR & TEAR!

Changing the setting up and down frequently only causes wear and tear on your equipment, and may result in higher heating bills. An automatic clock thermostat can change the setting for you.

## SAVE ENERGY!

The less energy you use today, the less we will depend on foreign oil imports in the future. And America needs your help to gain energy independence.

This winter, be a conscientious conserver. Dial down to the lowest comfortable setting during the day and even lower at night or when you're away on vacation.

William Belig, the son of Mr. and Mrs. William Belig, played the part of Linus in "You're a Good Man, Charlie Brown," the fall production at Davis & Elkins College, Elkins, W. Va. A sophomore, he has also had roles in two other plays.

Providing cheer with bedside flower arrangements for Lyons Veterans Hospital are Rake and Hoe Garden Club members, from left: Mary Gilroy, Ginny McElroy, Donata Smith, Elly Risch, community projects chairman, and Frances Torgersen. Flowers are supplied by the club three times a year for the bedside arrangements.

## Hair Salon To Help Spaulding

Upon hearing about our new fund raising venture, a Spaulding for Children volunteer auxiliary member quipped, "We'll use our heads to help Spaulding!" The Great American Haircut at 277 Park Ave., Scotch Plains will be celebrating its grand opening from Saturday, Feb. 28 through Friday, March 6 and will donate 50 percent of its receipts to the free adoption agency from customers who indicate they are supporters of Spaulding for Children.

Angelo, who owns a successful salon in Westfield, is expanding and approached Spaulding for Children because he believes in its aims and purposes. Spaulding for Children is a non-profit, free adoption agency certified by the state of New Jersey. It places special needs children with permanent, loving families. The hard to place children fall into the following categories - older white, Hispanic or native American youngsters, 13 years and older; black or interracial children - boys, 7

years and older; girls, 10 years and older; brothers and sisters who should remain together; and children of all races and all ages with significant mental, emotional or physical disabilities.

Interested persons may participate in this mutually productive activity between Spaulding and the Great American Haircut by using the coupon which will be found in the advertisement in the local newspapers or by sending a self-addressed, stamped envelope to Spaulding requesting a coupon. The address is Spaulding for Children, 36 Prospect Street, Westfield, N.J. 07090.

Spaulding supporters will be eligible to win a blow-dryer, which has been donated by The Great American Haircut.

Put aside a date from February 28 through March 6. "Use your head and help Spaulding."

# Fund-Raisers to Help Send Swimmers to Championships

The 1980-81 season marks the first year in which the Westfield YMCA is sponsoring competitive swimming and diving teams for both boys and girls. This year the YMCA supports five teams: Two boys teams, two girls teams and a diving team. More than 130 young athletes compete under auspices of the Westfield YMCA.

YMCA League sponsors the North and North-South Championships. The culmination of each competitive season occurs late in April when selected team members travel to the Swimming Hall of Fame, Fort Lauderdale, Fla. to compete in the YMCA National Swimming and Diving Championships.

While the YMCA sponsors all these dual meets and championship events, the parents of the individual swimmers and divers bear the costs associated with attendance and competition. The Parents Committee each year conducts fund raising activities to help

defray the very high and growing costs of the national qualifying times and exceed the Westfield YMCA qualifying times. The divers must develop a full list of dives five required dives and six optional dives. The divers must also compete in the same championship events required for the swimmers.

## Fourth Grade Action Continues

Only U.C.L.A. and Duke remain undefeated in the eight team fourth grade basketball league, as Kentucky's win streak bite the dust in the fourth week of action. The teams seem to be getting more evenly matched as the season wears on.

Indiana 14, Kentucky 10. The tall, talented Indiana club, helped by a flurry of points early in the third quarter, overcame the stubborn and previously unbeaten Kentucky Wildcats.

Indiana was led by Greg Kilroy's 6 points, while Darrell Robinson and the Pushko brother, Mike and John, chipped in with 2 points each. Jim Robins sank two important foul shots late in the game. The defense was led by Chris Ward, Joe Tinerin and Mike McIntyre. Leading rebounders were Sean Lucas, Joe Scarp and Young Sug Song. Sean Duggan and Sam Kimmerling handled the ball well in the backcourt.

Kentucky was led in scoring by point guard Tom Cassidy with 6 points. Forwards David Oliveira and Chris Hanlon rebounded well and chipped in with 2 points each. Charles LaRosa, Oram Margulis and J.R. Ryan handled the offense with their usual smoothness from the backcourt. Bruce Lowe, Mark Kumpf and Charles Von Isenberg had key offensive rebounds in the first half.

Notre Dame 16, Princeton 14. In a balanced attack led by Sean Cunningham with 6 points and Tim Dursee and

Bryan Beller with 4 points each, Rutgers defeated Notre Dame by the score of 25 to 16. Also contributing to Rutgers offense were Jeff Pinkin, Adam Kois, Jenny Hughes, Jon Bomba and Eric Elias with 2 points each. Rounding out the overall good team effort was Lisa Reifer with a strong defensive effort.

Notre Dame was led by Chris McEvily with 6 points. Dave Lukaszewicz, Ron Shovlin, Allison Mazur, Craig Curty and Eric Markey each had an important 2 points. Dan Haag played well at guard with 3 points. Ed Connerly with 2 points and Greg Pulaski with 2 points. On defense the Bruins were led by Joe Murphy and Jeff Carovillano, Andy Cozewich, Ken Vorhees, Mike Shomaker and Dave Darmory.

Maryland gave a strong defensive effort led by Craig Pettus, Steve Dury, Mike Smith and Robbie Roth. The only Maryland score was by Bobby Moskalko who played an excellent game. Keith Graf, Kyle Bergen, Bobby Wischusen and Chris Brandley hustled throughout. Dan Donayre, who just joined Maryland, added both defense and ball handling.

Duke 21, Princeton 14. Duke scored a hard fought

victory over a tough Princeton team, as Jeff Kopelman (8) Lonnie Friedman (4) and Bill Callahan (4) led the scoring. Also scoring were Greg Johnson, Mike Dodd, Mike Loffredo and John Gelfand. Strong rebounding was led by Roy Jansen, Sue Halpin and John Starnagel. Good ball handling was shown by Dave Briemer.

Duke showed alertness by passing to the open man on many occasions. Princeton scoring was led by John Niedzwiecki and Ted Hobbie with six points, followed by Jerry Infantino with 2 points. Playing super defense was Randy Wojcik, Allison Connelly, David Stravack and Terry Quinn. Good rebounding by Jay Koslowsky, Phil Gallagher, Tom Price and Chris Larsen kept the game close in the first half.

## Westfield Extends Win Record

The Westfield YMCA Girls C Division swim team defeated the Morristown Y Team 129-61. This victory marked the first dual meet in the second half of the season and raised the record of the team to 16-0.

In this meet, the team's eight and under swimmers made a particularly strong showing in the individual events. Lauri Peterson took first place in freestyle and in backstroke while Melissa Zemsky took first place in breaststroke and second in butterfly and third in backstroke. Brandi Wright scored a second in freestyle; Heidi Cuppari placed second in breaststroke and Kristen Nevin scored fourth in freestyle.

A new record in 13-14 backstroke was set by Patti Wysock. In the scoring events, the Westfield girls won thirteen of the eighteen individual events and three of the four relays. Karen Lineberger and Erin Scott led the way with two first places in individual events. Other individual winners were Maureen Barisonek, Kelly Scott, Mariannen Caroe, Ria Cuppari, Debbie Conabee, Jennifer Horner, Ellen Kinney, Patti Wysock, Christina Caroe and Jennifer Frawley.

fluid guard-forward turned in the most awesome scoring show of the year by pumping in 24 points in three quarters. Glenn McSweeney returned to score seven big ones while Kevin Stock and Steve Weinstein each pumped in four points. Doug Krohn scored a foul shot and Mark Napoliello played tough underneath for the winners.

A much improved and balanced Celtic attack just couldn't stop Freer. John Telling came up with a big game scoring 10 points while Frank Quinn hit nine and Todd Graff eight. Ron Tate scored the same as Brad Shapiro with four, and Greg Cruger hit a hoop for the losing side.

YMCA Girls Lose Three Swim Meets

The Westfield YMCA Girls D team turned in several impressive performances over the past two weeks even though it lost three meets - 92-69 to Summit, 122-66 to Shore Area, and 97-63 to Raritan Bay.

Three relay units earned first places for Westfield over the three meet period.

The medley relay unit of Kerry Lucke, Nancy Haushalter, Kim Czander and Laura Clarkson defeated Raritan Bay in the 15-17 bracket. In freestyle relays, two 10 and under units were victorious. Stacy Rumphrey, Maureen Kinney, Maureen King and Jennifer Stagaard defeated Summit while Sandra O'Brien, Stagaard, King and Kinney beat their Shore opponents.

# Panthers, Wildcats Big Weekend Wrestling Winners

The Panthers and Leopards took back-to-back matches, the Wildcats split and the Tigers recouped in Saturday-Sunday wrestling action at Westfield High School.

**Panthers 27**  
**Lions 26**  
This squeaker had the spectators on their feet cheering wildly as the Panthers pulled this one out. Adam Burstein was the victor in a very close, hard wrestled match.

Pete Lima, Paul Bolman and David Shapiro went on to decisions. Adam Pizzi and Jim Piegari's moves are constantly improving. The Lions clenched their teeth but came up on point shy of at least a tie. Plugging away with points were Glen Kurz, Tom O'Hara, Matt Marotta, Michael Conheeny, Sean Cunningham, John Marotta, Douglas Kachadorian and Sean Nichols. David Hancock pinned his opponent with a nice move. David Lewandowski, Jason Calvert and George Hayden kept plugging away for those extra points. Nevada Hurtt looks to strengthen his weight class.

**Panthers 33**  
**Cougars 25**  
David Shapiro wouldn't settle for less than a pin this time. Greg Schmalz also added to his pin record. The Burstein boys decided along with Doug Cheek, Paul Bolman, Greg Ward, Johnny Povalac and Adam Pizzi. Sam Wunderle's techniques are much improved, with Eric Reiser working overtime on the take down. The Cougar team hung in there all the way at this match. Andrew Davis did an excellent job by racking up Cougar points. Triple "Mattmen" Brown, Fontana and Davis also earned Cougar points, along with Karl Meissner.

Pin poppers today were Craig Hunsinger, Dorwin Culver and Michael Noerr. Culver was very aggressive and did a super job. Closing in a draw, Randy Woycik's good techniques kept him from a loss.

**Leopards 46**  
**Tigers 16**  
The Tigers got off to a good start but the strong Leopard team took over from the third match.

Leopard decisions: Brian Carovillano, Koller Walsh, Chris Jordan, David Lowi, Ken Kotovsky, Ryan Venckus, Jeff Lowi, Bryson Coopersmith and Todd Venckus.

Pins by Paul Jordan, Brendan Doyle, Ross Bunson, David Rennyson, Scott Bunson and Russell Halluin rounded out a Leopard win. Jeff Eckart was the Tiger driving force with a start-off pin. John Hinson gave the Tigers a reason to cheer when he came up a winner in a well grappled match. Mark Garganigo, Greg Johnson and Mike Friedman showed the fans an excellent exhibition of skills. Tim Quirk wrestled hard. Eric Brody has the spin down pat, with Lee Topar looking for a rematch.

**Leopards 41**  
**Lions 13**  
Beginning wins in the lightweight class spurred the Leopards on to victory Sunday.

Steven Rennyson's first period points was the only pin for the Leopards. Decisions were turned in by Andrew Hanlon, Paul Jordan (15-0), Koller Walsh, Chris Jordan, Brendan Doyle, Ryan Venckus, Jeff Lowi, Jack Duels, Ross Bunson, David Rennyson, David Lowi, Todd Venckus and Ed Daniel (7-0). Glen Kurz sparked the Lions for points with a masterful pin. Scott Ghedine and Dan Ruprecht along with Kevin Bardin (8-0), and Andrew Cary also tallied for the Lions. Tom O'Hara wrestled a great match, and Doug

WBWL wrestling event shows grappler going for a cradle hold.

Kachadorian proved to be a well-rounded matman.

**Wildcats 28**  
**Cougars 20**  
The willing Wildcats wound up on top Saturday by taking on the Cougars one at a time.

Go-get-'em Craig Korb gave his team spirit from the Start. The lightweight class really poured in on Pat Monninger, Kevin Williams, Michael Nepo, and Jay Koslowsky were all in the winner's circle. Chris McEvilly, coming on very strong this year, pinned his opponent as did Kevin Williams, Steve Knepper and Paul Heavey.

Other decisions by Michael Payne and Jason Kunicyk put the Wildcats on top for good. Philip Freeman's moves showed good form. Mike Fitzgerald keeps coming on strong. Kevin Williams exudes nothing but confidence on the mat. Phillip McCormick and Scott Parisi putting in overtime at practice sessions. Jim Monninger up and coming with new techniques. The Cougars tried to break away from their opponents' grasp to no avail. The Cougar team is a persistent one and refuses to

give in without a battle. Pins by Craig Hunsinger and Michael Noerr tallied big points. Decision addition was made by Matthew Fontana utilizing good skill, Randy Woycik adding to his record, Matthew Brown with a hard fought match and C. Meissner who split two matches. Steven Webber also split matches. Butch Miller is getting psyched for his next opponent.

**Tigers 41**  
**Wildcats 32**  
The Tiger team regrouped and got together a win by fighting off the opposition in a hard driving effort.

Jeff Eckart once again began the day by putting the Tigers in the win column. Consistency in the mid thru upper weight classes gave the tigers the edge they needed. Pinning: Scott Galligan, Tim Duhig, Mark Garganigo, Greg Johnson, Michael Friedman and veteran Chris Macaluso. Decisions: Eckart, John Hinson, Lee Topar and Mark Hoffman. Drew Roundtree, usually having to wrestle more experienced grapplers, gains knowledge with every match. T.J. Diaz drew his opponent in one of

the best matches of the weekend and Michael Friedman's reserve cradle was a awesome.

Saunders' Wildcats scored their highest so far which gave him a great deal of Satisfaction. Steve Knepper, Andrew Robinson and Michael Nepo continued to be powerhouses with pins. Pat Monninger split two with a pin in his second rivalry. Chris McEvilly refused to give in to a more experienced opponent and stayed on with a draw. Keith Williams went to the win column and Kevin Williams took complete charge of his match. Mike Fitzgerald and Scott Parisi are becoming quite aggressive matmen and Tom Gottlick is consistent on the reversal and working hard on the escape.

The Wildcats head for their next match with renewed confidence since many of their teammates have returned from the injury or illness list. One of those on that list, Jay Koslowsky, had back-to-back victories. Graig Korb did it again with yet another decision for Wildcat points. Jason Kunicyk and Brandon Lopresti and getting in shape for this week's match. WBWL Schedule: Jan. 31 - Saturday, 9:30 a.m. (Tigers vs. Cougars, Wildcats vs. Lions, 11:30 a.m. Panthers vs. Leopards, Feb. 1 - Sunday, 1 p.m. Panthers vs. Cougars, Lions vs. Leopards, 3 p.m. Wildcats vs. Tigers.

**Local Matmen**  
**Win for Union**  
Fred Peoni and Tony Reeder, both of Westfield, won by decisions as the Union College wrestlers dropped a 27-15 match to the Lafayette College Jayvees on Jan. 17 at Easton, Penn. Peoni, wrestling at 150, decisioned George Massin, 403, while Reeder outpointed Louie Lane, 6:2 at 167. Also wrestling for Union was Dave Grandell of Westfield at 142.

There will also be singing and dancing workshops offered along with the opportunity to make a traditional instrument called a "shkere."

# JV Matmen Up Record

By Bill Carlson  
The Westfield JV wrestling team improved its record to 5-2 as the Blue Devils defeated Hunterdon Central 30-28 last Friday while crushing Linden the previous Tuesday 58-21.

In the match against the Red Devils of Hunterdon Central, both squads were plagued by forfeits. Westfield forfeited the 101 lb., 108 lb., and 115 lb. weight classes, while the Red Devils forfeited the 188 lb. and heavyweight classes. Westfield's Gary Trenkar (122 lb.) opened the match as he pinned his opponent 12 seconds into the final period. Frank Whedon (141) scored an impressive 16-1 superior decision over his Hunterdon Central opponent. Whedon came close to pinning his opponent several times during the match, however, his opponent managed to avoid being pinned. The victory was worth five team points for Westfield.

Tom Miller (148) proceeded Whedon with a 5-0 decision over his Red Devil opponent. Miller's five points all came in the first period. Westfield's Jeff Miller (135) wrestled his opponent to a 2-2 draw. Miller took down his opponent in the first period, but was then reversed ending all scoring in the match. Paul Edwards (170) of Westfield also wrestled to a draw. Each team was awarded two team points for each match. Westfield's Pat Burdorf (125) and Ken Hurley (158) each were defeated by decisions 4-0 and 5-1 respectively.

Hunterdon Central's two forfeits in the last weight classes gave Westfield the margin for victory. Against Linden, Westfield had already won the match before it began as Linden forfeited six weight classes.

Although Westfield knew they had won the match, it was evident in the three matches wrestled that Westfield was clearly superior. Barron Cambis (129) after taking a major lead in the first period, pinned his Linden opponent 40 seconds into the second period.

Westfield's Gary Trenkar (122) and Mike Schmidt (141) each won by superior decisions by the score of 15-2 and 16-4 respectively.

The final score of the match was 58-12 as Linden's only points came on two forfeits by Westfield. The Blue Devils will face Scotch Plains tomorrow night at Westfield.

# Devil Cagers Defeat Strong County Teams

By Greg Loder  
The Westfield High School basketball team launched itself into the Union County limelight last week with wins over county powers Union and Roselle Catholic. Westfield, now 10-3, defeated Union 58-42 and Roselle Catholic 51-46.

The Union victory was a crucial victory over the returning County Champions while the Blue Devils led the game most of the way. Union pulled within four points of Westfield with only 3:34 remaining. Westfield was making many mistakes which led to the Union comeback but the Blue Devils exploded for a 15-3 surge to halt the Farmers. Seniors Charlie Frankbach and Eric Carter led the spurt with four points each in the three and a half minutes.

Frankbach led the Blue Devils in overall scoring in the game with 15 points. Westfield jumped out to a nine point lead in the second quarter on some good outside shooting and a tight 3-2 zone defense. This defense was successful in controlling the boards and neutralizing the inside play of the Union center.

Richard Yawger, Frankbach and Jack Hall were able to control both ends of the rebounding during most of the game. Hall was the high rebounder for Westfield with nine. Behind Frankbach in the scoring department were guards Kerry McDevitt and Carter, and

Yawger. The cagers showed balance again with Carter scoring 12 points, McDevitt 11 and Yawger 10. Yawger scored many of his 10 points from the outside as he was able to draw the taller Union center away from the boards.

The other Blue Devils game was not as easy as the Union game and was not decided until the final minutes.

Roselle Catholic slowly cut an early Westfield lead and took the lead themselves in the middle of the second quarter. The third quarter saw both teams exchange baskets and ended with Westfield leading by only four points.

Co-captain McDevitt scored the most vital points of the game as he hit both ends of a one and one with :58 seconds remaining to give Westfield a five point lead and the ball game. Westfield looked as if they were going to bury Roselle Catholic as the Blue Devils scored 10 unanswered points to open the game. Frankbach and Hall each scored four points in the beginning.

When Roselle Catholic took the lead at 21-20 senior Mark Jenkins came off the bench to score two straight jump shots to put Westfield out front for good.

In the physical game under the boards the Westfield defense did a superior job against the taller Lions from Roselle Catholic. The Lions' center Willie Andrews, who stands

about 6' 8", was shutdown for a good part of the game as the zone defense did an outstanding job. Frankbach again led Westfield scorers with 17 points. Carter tallied four assists in the game.

Westfield's rebounding strength has been a surprise this season. Frankbach credits the rebounding to Coach Joe Soviero putting emphasis on quick defense and boxing out. Soviero adds that the team has to move on offense and always concentrate on the defensive play.

This year's team is not a surprise to many, but what is a surprise to the players and the coach is the lack of support from the student body.

"It is a little discouraging: would be nice to play for a big crowd," said Frankbach. Soviero assesses the crowd as being a sixth man that helps the players play better. He is surprised that the team is winning and there is not a great deal of student support.

**DOUBLE DRIBBLES:** Frankbach leads the team in scoring with a 12.6 average per game followed by Yawger who has a 10.4 average. Westfield will have a very tough game tomorrow night away against neighboring town Clark. Clark has lost only two games all season. Westfield jumped from 10th place to fifth in the Daily Journal County Poll.

# 5th Grade PAL Cagers Defeat South Plainfield

Tom Ward's dramatic 12 footer "at the buzzer" provided the winning margin as the local 5th grade PAL warriors provided the home town fans with a sensational come from behind win, 33 to 32 over South Plainfield this week. Down by 5 points with 2:10 to go, Andy Guttmann took an offensive rebound and tallied two vital points to pull the winners within 3. Joe Deer, who had 13 points and was the leading scorer, then dropped in a curcial basket from the top of the key to make it 32-31 with 1:26 seconds to go. A travelling call against South Plainfield and the locals called time out with: 05 on the clock. Ward then simply took the pass from John McCall and drove to within 12 feet and tossed in the ball "through the hoop without touching the rim" for the winning points. Chuck Mollard, who took in 5 rebounds, had 6 points to go along with his steady play, while Guttmann dunked in 4 points. Mark Pizzi and Ron Suggs scored 2 points apiece with Suggs having two steals.

There really were "2 games" that Ward's quintet played. In the first half, his cagers were lacklustre and guilty of erratic passing and slovenly ball handling. The poor passing was a continuation from last weeks 4 point defeat at the hands of Holy Spirit of Union. Whatever Ward and Assistant Coach McCall said at half-time must have had a touch of Rocknes' famed Gipper speech, for his classy cagers scored 26 points in the 2nd half, versus their paltry 7 points in the initial 2 quarters. Ward and McCall, when queried as to the difference on last weeks

disappointing loss, echoed almost in one voice - "we moved much more aggressively than last week and stuck it to 'em in the last quarter especially!" Singled out by McCall was the superb work of the forwards Dan Ginsberg, Ron Suggs and Joe Deer with Mollard's rebounding playing a vital role in this show stopper. Still, the locals have to display much better passing and execution or run the risk of heart stopper each week for Coaches Ward, McCall and Irv Brand, which is something the staff doesn't admittedly cherish.

Nine-year-old Scott Koenigsberg of Union (left) and 11-year-old Jim Sweeney of Westfield (right) display trophies they received for capturing first and second place in the Nine to Eleven Year Old Division of the Second Annual Skate, Pass and Shoot Contest at the Warinanco Skating Center, Roselle. Koenigsberg completed the course in 19.5 seconds, while Sweeney completed it in 27.5 seconds. Sponsored by the Union County Department of Parks and Recreation, the contest tested hockey skills such as skating, passing and shooting.

# Mermen Split Meets, Lose to Lawrenceville

By Ted Ritter  
The Westfield High School boys' swimming team split its two most recent meets, losing to a well seasoned Lawrenceville team 113-58, and sinking Plainfield, 130-39. The team's record now stands at five wins and one loss.

The only winner in the Lawrenceville meet was senior tri-captain Art Schmidt in the 100 backstroke, clocking at 57.56. Also in the Lawrenceville meet, Junior Matt Bagger just lost the 100 breast by five one-hundredths of a second, Bagger touching at 1:06.87 and Dowd, from Lawrenceville, touched at 1:06.82. Senior diver Doug Brugger dove extremely well to his seasonal best score of 200.80 for six dives. Doug's diving teammates sophomore Bruce Conover and sophomore Bruce McLean took second and third to Brugger.

In the Plainfield meet, the Devil swimmers took first in every event of the meet and allowed Plainfield to take

only one second place, in the 50 free, won by Bagger of Westfield; second went to J. Sawyer, of Plainfield. Bagger's winning time was clocked at 24.6. Westfield captured 1-2-3 sweeps in three events and 1-2 finishes in six events, leaving only one event behind. Senior tri-captain Ned Banta took first in the 200 free with a time of 2:00.62, leading a 1-2-3 sweep. Sophomore Eric Czander also led a 1-2-3 sweep in the 200 I.M., recording a seasonal best time of 2:21.1. Art Schmidt, in the 100 back, won with a time of 57.9 and also led a sweep. Junior Ted Ritter led another sweep and won the 500 free with a time of 5:32.4. Senior tri-captain Bill Weimer captured first place in the 100 fly (1:04.6), followed by fellow captain Banta (1:06.5). Senior Scott Hackenberg won the last individual event of the meet, the 100 breast, touching at 1:11.5, a seasonal best. All Devil relays placed first and second to confirm the team's fifth win.

# Grapplers Trounce Linden, 59-5, Fall to Unbeaten Hunterdon

By Doug Boothe  
In last week's matches, the Blue Devil wrestlers (3-4) wanted to win. One was easily obtained, by trouncing an inexperienced Linden squad 59-5. In the other match, which pitted the Westfield grapplers against the visiting southern Jersey powerhouse Hunterdon Central, the WHS matmen kept the score close until Central clinched the victory with four successive victories, starting at the 148 pound weight class.

Spearheading the matmen's attack against the unbeaten Hunterdon squad, currently ranked third in the state by the Star-Ledger, were seniors Marc Wolin (108 lbs.), Brian Sullivan (135 lbs.), and Phil Gottlock (141 lbs.), and juniors Mike Giacone (Hwt.) and Matt Shields (122 lbs.).

After a loss in the 101 lb. slot (Milan dePierro was decided 3-0), and with Central ahead 3-0, Wolin put the grapplers ahead with a pin. The pin, which was Marc's third pin of the year and upped his season tally to 9-1, came only one minute and three seconds into the match. Marc has yet to lose in 1981.

Unfortunately, Westfield's 6-3 lead was quickly erased by a forfeit.

In an exciting match in which he scored seven

points in the last period, Shields decided his 122 lb. foe 11-9 to knot the score at 9-9. The intensely fought third period saw Shields quickly reverse his foe, but Hunj adversary reversed him. Matt was awarded a penalty point before he reversed his foe, and before he tallied two near-fall points. He then fought off a last second reversal by his opponent to win 11-9. His record for the year now stands at 10-1.

Continuing the see-saw match, Hunterdon won the 125 lb. slot, as WHS' Neil Palmer was decided 11-1 and Hun led 13-9.

The grapplers, behind the efforts of Sullivan and Gottlock, rallied to forge a 15-13 advantage. Sullivan, who has won two straight matches and raised his seasonal record to 2-3, broke a 2-2 stalemate in the third period when he reversed his opponent. He added a point to his score by his riding time advantage, and won 5-2.

Gottlock put the grapplers in the lead temporarily with a 7-0 shutout of his Hunterdon foe. This decision, the first time this year that Phil has not scored a superior decision or pinned his opponent, keeps Gottlock's unbeaten string intact. His record now stands at an unblemished 11-0.

After Gottlock's decision, Hunterdon won the 148 lb., 158 lb., 170 lb., and 188 lb. contests.

Although he scored the matches opening takedown, Bill Kahn (148 lbs.) was decided 10-3. His record now stands at 7-2.

Andy Haesler (158 lbs.) lost his first varsity match in the third period. Haesler carried a 4-2 lead into the period, but his central foe reversed and pinned him with only 18 seconds remaining in the match. This change in events saw the momentum and enthusiasm move towards Hunterdon.

The clinching victory for Hunterdon came one minute and 11 seconds into the 170 lb. match, when Bob Lowe was pinned. Hun's final six points were accumulated when Lowell Higgins (189-105) was pinned. It was Higgins' second setback of the 1980-81 season.

The grapplers got the last word, when junior heavyweight Giacone packed his opponent in 21 seconds, but it was too little, too late. The pin was the fifth pin for Giacone this year.

In the week's earlier match, the grapplers led from start to finish, and no grappler lost his match.

Sophomore Milan dePierro (101 lbs.) started

everything on an upswing he pinned his opponent in 3:13.

The grapplers forfeited the 108 lb. spot, but 115 lb'er Wolin decided his opponent 10-1. For more than three-quarters of the second period Marc had his adversary in a pinning position. Time ran out before the pin was called, so Marc was awarded three near-fall back points. Shields followed Wolin with a 12-2 thrashing of his 122 lb. opponent. Matt tallied four points in every period.

Senior Neil Palmer 129 lbs.) won his first varsity match this year with a pin. His pin, which came at 3:35, established Neil's seasonal record at 1-4-1.

Sullivan followed Plamer with a close 4-0 decision of his 135 lb. opponent. This victory was Brian's first varsity win.

Pins, pins, and more pins came after Sullivan. Gottlock, who dropped his opponent in 3:34, netted his sixth pin this year. Sophomore Tom Miller (148 lbs.) obtained his first varsity pin against his Linden foe. The referee's slap, which designates a pin, came right at the second period buzzer (4:00). His victory evened his varsity record at 1-1.

Seniors Bayard Clark and Higgins, along with junior Haesler, followed with first

period pins. Clark (158 lbs.) packed his adversary in exactly one minute. It was the third pin of the year for Clark, and it upped his seasonal record to 6-4. Haesler (170 lbs.) followed with a pin in a minute and 50 seconds. It was Andy's first pin of the year.

If you blinked after the ref blew his whistle to start the 188 lb. match, you would have missed it. Higgins picked up his man, maneuvered him around a bit, and then placed the opponent face-up on the mat... all in just 14 seconds.

After Higgins' quick pin, the Linden team was penalized a team point for unsportsman like conduct because his foe did not take his loss quietly.

Giacone (hwt.) did not have a change to pin his opponent, because Linden didn't have one.

**RIDING TIME**... The grapplers were scheduled to travel to Plainfield last Tuesday (too late for Leader deadline) and are scheduled to compete tomorrow at 7:30 against Scotch Plains!

It is said that if a spider crawls toward you you are in for a quarrel.

# Westfield Records Fall On Fast Princeton Track

By Glenn Cruger  
The Westfield High School winter track team competed in two relay meets, the Union County Relays and the State Relays. The team placed third in the county meet which was held at Elizabeth High School. In last Saturday's state meet, two Westfield winter track records were broken on the fast Princeton track.

team in third with a time of 11:12.8.

In the two mile relay, John Cacchione led off his half in the lead, then dropped back for the remainder of his effort. Cacchione was followed by Jim Fisk and Mike Dietz, and an anchor leg by Greg Kasko which placed the team third with a time of 8:54.1.

The 880 yard relay team of Richard Forbes, Mark Schafer, Jeff Kasko and Mike Henry won their heat and placed fourth overall with a time of 1:43.3.

Also placing 4th was the shuttle hurdle team of Pete Kellogg, Mark Schafer, Mike Henry and Jeff Kasko. The combined time was 32.7.

The mile relay team of Richard Forbes, Pete Kellogg, Mark Schafer and Mike Henry placed 6th in 3:51.2.

The state meet started out well with the shuttle hurdle team (Schafer, Kellogg, Henry, and Kasko) breaking

the school record and winning their heat with a time of 31.9. Kasko posted the quickest of the times running his leg in 7.5 seconds.

Cliff Sheehan set the other Westfield record with his mile effort of 4:18.6 to anchor for the distance medley team. Sheehan moved the team from ninth to third place with his record breaking effort.

Other participants in the distance medley were David Fitzgerald in the half, Mike Henry in the quarter, and Greg Kasko in the mile. The team totaled a time of 10:44.9.

The spring medley team was led by Billy Byrne and John Schafer in their 220 yard sprints, and were followed by David

nathanson in the quarter mile. Karl Trecker turned in Westfield's fastest half mile time of the day to place the team in second for their heat.

Other efforts of the day include the 880 relay by Mark Schafer, Jeff Kasko, John Schafer, and Billy Byrne, and the two mile team of Cacchione, Jim Fisk, Eric Mertz, and Dan Brady.

In the Cardinal Hayes Games in New York on January 17, two Westfield milers won their heats. David Fitzgerald won his heat with a time of 4:35, and Greg Kasko won his with a time of 4:42.5.

This week the team will be looking for individual efforts in the Union County Championships.

In the counties, the distance medley team and the two mile relay team fared the best of the Westfield teams entered in the meet, each finishing in third place.

Mike Dietz, leading off the distance medley team finished his half in 2:09.1 and started the team off in second place. Billy Byrne finished his quarter leg in 54.7, and Greg Kasko ran his mile in 3:26.1. David Fitzgerald, anchoring the mile leg for the team, finished with a 4:41.0 to place the

team in third with a time of 11:12.8.

## JV Cagers Lose Two

By Andy Kaplan  
The Westfield High JV basketball team dropped two more games last week as it was defeated by Union 57-40 at home on January 20 and by Roselle Catholic 46-34 last Friday in Roselle.

Against Roselle Catholic, the Blue Devils, now 3-10, trailed by just two at halftime and tied the game at 25 early in the third quarter. After that point, however, Westfield made just three of 28 shots as Roselle Catholic systematically mounted its lead. Until their shooting went cold, Westfield had shot a respectable 48 percent from the floor.

Forward Kevin Lasher led Westfield with 12 points, most of them coming on shots from the 15-foot range in the first half. Lasher has been the Blue Devils only outside scoring threat this

season. Forward Dick Harlen added eight points for Westfield and center Jack Suto had six.

Westfield fared no better against Union as the Farmers led all the way en route to a 17 point victory. Union broke a 7-7 deadlock midway through the first period and built a 19-12 lead by the end of the first quarter, a lead which Westfield never challenged.

Forward Frank Christmas was the leading Blue Devil scorer with 13 points. He also got five rebounds. Suto contributed nine points and five rebounds while center Jerry Basto scored eight points and had three rebounds.

Westfield's next games are tomorrow at 6:30 against Johnson Regional in Clark and Tuesday at 6:30 at Union.

## JV Girls Defeat Cranford

By Maria Fleming  
The WHS girls J.V. basketball team won again last week, its latest conquest over Cranford in a close 35-31 match.

Offensively, WHS was led by guard Rosan Fusaro and forward Noreen Morris, each tallying a game high of 10 points, and by forward Lisa McGowan who chipped in 7 points.

Westfield was ahead throughout the entire game, building a steady lead over Cranford in the 1st, 2nd, and 3rd quarters, only to lose it in the 4th period in which Cranford game within 3 points of the Devils. A tight defense supported by McGowan, Morris, Fusaro and guards Carol Traynor and Cat Chapman was able to hold Cranford to a 4 point difference, enough for Westfield to win the match.

## Cagerettes Lose Again

By Eric Kirschner  
The girls basketball team lost its fourth consecutive game as it was trounced by the Cranford Cougars 59-39.

The Cougars led from the start and by early in the second quarter had built a 23-6 lead. Cranford dominated the remainder of the game, never allowing the Devils to come closer than 12 points.

Westfield was led by Linda Kolsuch (12 points) and Jenny Huger (11 points, 13 rebounds). The Cougars (7-3) were led by Pam Baublis and Kathy McNeerney, each with 15 points.

The loss, the Devils sixth in the last seven games, drops their record to three wins and eight losses while also dimming Westfield playoff hopes.

The Devils host Elizabeth

**FAST BREAKS**... the Devils shot only 19 of 61 from the field (31 percent), while Cranford hit for 50 percent of their shots (25 of 50) ... the Devils committed 22 turnovers down from their high of 31 versus Union Catholic ... Westfield plays three crucial games this week: Linden, Hillside, and of course Elizabeth.

### High Scores, Upsets Highlight Senior Division Court Play

High scoring games and several upsets marked the end of the seventh week of play in the senior division of the Westfield Basketball Association.

Nets 68 - Bullets 52 In the high scoring game of the day, the Nets defeated the Bullets by a score of 68 to 52.

The Rockets came from behind in the second half to defeat the Celtics, 58 to 39.

Pacers 46 - Sixers 31 The Pacers pulled out to a big lead in the first half and maintained it in the second half to defeat the Sixers, 46 to 31.

Knicks defeat Cavs The Knicks were awarded a victory over the Cavs by forfeit when the Cavs were unable to field five players to start the game.

The standings at the end of the seventh week of play are:

Team	Points
Knicks	6-1
Celtics	4-3
Lakers	4-3
Rockets	4-3
Suns	2-5
