Tax Bill to Increase Despite Zero Hike in Town Tab

No increase in taxes for municipal use are forecast in a town budget of \$9.7 million unanimously approved for introduction at a meeting of the Town Council Tuesday night.

But before taxpayers become complacent, they were reminded that total tax levies will indeed be higher in the tax bills they will be expected to meet come next August. Part of this is an estimated hike in county taxes of about 15.4 percent and in school district taxes of about 7.3 percent. A 1982 tax rate of \$2.22, based on rates of \$1,148,000 (new valuations), is anticipated.

The county budget is still under consideration; the \$20 million school budget, still facing final adoption by the Board of Education, will be subject to voters' action April 6.

The municipal budget, according to Councilman Chesney McCracken, finance chairman, is up by 6.6 percent — or \$602,000 — over last year. But the high yield on town investments, coupled with the reduction of five municipal staff positions, has kept the amount to be raised by taxation — \$3,534,950 — roughly the same as 1981. None of the approximate 200 people employed by the town will lose his or her job, it was explained, but some positions have either been phased out or consolidated.

Public hearing and final adoption of the 1982 municipal budget is scheduled for Tuesday, March 9. The budget will appear in its entirety in next week's issue of the Leader.

In his budget message, McCracken said:

"For 1982 we are budgeting total expenditures of \$9,702,000, an increase of \$602,000 or 6.6% over last year. It should be obvious to all that this rate of increase is substantially less than the rate of inflation, and it should be equally as obvious that the absolute increase will permit no new continuing programs or increases in present services, except for a small start on improving street lighting in some key areas.

"Our permitted increase under the law for expenditures subject to CAP is \$356,000, and it is only through the diligent efforts of our Town Administrator and department heads in keeping increases in non-wage expenses to a minimum, and because they have been able to make adjustments in the operations of several departments that will allow us to operate with the equivalent of five less employees, that we are able to stay within this limit. While I am confident that we can continue to operate efficiently with these personnel adjustments, I am fearful that we are reaching the limit in this area of saving.

"The balance of the \$602,000 increase consists of substantial increases in the charges of the Railway Valley Sewerage Authority and the cost of fire hydrant service; new State-mandated charges for refuse disposal and increased pension and social security which, fortunately, for technical reasons are partially outside the CAP. There are also increases to cover last year's increased capital improvement program and to replenish our Capital Improvement

Fund. In addition, we are budgeting amounts to cover the cost of spraying for gypsy moths this spring and for an experimental program to make the revaluation work we have just completed more useful, and a future revaluation less expensive.

"While the CAP law expires by its terms at the end of this year, I don't think that anyone expects it to disappear. There will be a great deal of discussion in the Legislature, but mostly along the lines of modifications that would allow a portion of the increases in certain expenses which are substantially out of the control of the governing body, e.g. pension, social security, insurance, fuel and utility costs, to be taken outside the CAP. There will also be talk of changing the absolute 5% increase to a higher absolute figure, or indexing the ceiling figure to a cost-of-living index or other statistical data. The State CAP, for in-

stance, is tied to the growth in personal income and has averaged about 10.5% for the past five years. All of these various methods or adjustments would bring some relief, but the effect would vary from town to town and from time to time and all have certain shortcomings in terms of a long range solution.

"While I believe, and feel that this Council believes, that Westfield would be better served without any CAP law, I do not think that this is a realistic possibility. It will therefore be very interesting to follow the legislative discussion ahead of us, and to participate in it through close contact with our assemblymen and senators, who represent us. For it is a certainty that without some meaningful changes in the present law our ability to serve the Town's needs in a safe and efficient manner will suffer. In 1981 we were able to live under the CAP by cutting ex-

School Office Changes To Save \$50,000

A restructuring of the business office in the Westfield public schools is planned, effecting savings of more than \$50,000 in non-teaching salaries, according to School Superintendent Laurence F. Greene.

At the direction of the Westfield Board of Education, Dr. Greene has proposed that the business office have a school business administrator and a business office manager in place of an assistant superintendent in charge of business and plant maintenance and an

"Facelift" Plans Revised

The Westfield Memorial Library will be closed Monday in observance of Washington's Birthday — and will be open Saturday, Feb. 13, from 9 a.m. to 5 p.m.

Although plans had been announced last week to close the library at noon Saturday for some "face lifting" in the adult department, the work has had to be postponed, according to Miss Jeanne M. Desrosiers, library director.

Carpeting that was to have been installed in the adult room was not shipped in time, she explained. The work was planned for the long weekend so that patrons would not be inconvenienced.

James C. England

England to Seek Reelection

Westfield Board of Education member James C. England has announced that he will seek a three year term in the April 6 school district election. He was elected last April to fill the unexpired term of

Robert Esson, who resigned due to a business transfer.

In his opening statement to supporters, England said, "The April 2, 1981 editorial in the Westfield Leader said, 'Next Tuesday, we feel, they (the voters) have a greater choice than they have had in many years. We hope enough voters come out to vote to mandate a clear path for the future direction of our schools.'

"The voters in that election chose a new direction

for the school system by electing four new members (44%) — while removing from office the two incumbents who chose to run.

"I am pleased with the results of that election and plan to run on the record of the board on which I proudly serve. Our record is excellent, and I hope we have gone a long way to restore the public's confidence in its Board of Education.

"There is no easy fix to the many and varied prob-

Unger Declines Second Term

Joan Unger announced today that she will not seek re-election to the Westfield Board of Education in the annual school election April 6.

Mrs. Unger stated that time demands of her family, graduate education and employment necessitated her decision not to run for the school board.

She lists the following "challenges facing future school boards:

- adopting an elementary class size policy, with a minimum of 20 students in a class;
- continuing a major maintenance projects in current expense budgets;
- passing a bond issue to finance the balance of necessary maintenance projects and capital improvement items to insure that school facilities are kept up-to-date and energy efficient;
- updating the present family living curriculum for secondary school students; and
- disposing of surplus school buildings.

Mrs. Unger stated: "The quest for excellence in education in Westfield is ever present. I hope that, in some small way, I have contributed toward its attainment."

She expressed appreciation to her family, friends, fellow citizens, supporters and staff members for

Space Heater Ban Ignites Disagreement

An estimated 800 unvented kerosene space heaters could be affected by an ordinance which was introduced by a 5-4 vote at Tuesday night's meeting of the Town Council.

Proposed legislation,

recommended by Fire Department officials, would ban the use of unvented kerosene heaters which they claim endanger the lives and property of residents.

A ban on unvented heaters of this sort has ex-

isted in the town's housing code; the proposed legislation would bring its enforcement under the control of the town's Fire

School Rubbage Fire Causes Little Damage

A rubbish fire in the incinerator room at Roosevelt Junior High School caused minor damage early Monday morning.

The cause of the fire is believed to be the placement of hot ashes in an un-

covered trash container.

The school's automatic fire alarm system activated at 7:45 a.m., according to Deputy Fire Chief Paul Battiloro. He gave credit to the system for early detection and minimal loss.

Neighborhood Watch Aids In Crime Prevention

A woman looks from her window and notices a strange car parked outside of her neighbor's home. She jots down the license plate number. She then hears that the neighbor's house had been burglarized. Her call to police headquarters describing the license plate leads to the arrest and conviction for burglary of two young women.

Another alert resident notices strangers attempting to enter a home on her street. She calls police headquarters and although the burglars flee the scene and are not captured by police the house is not

entered. These two incidents occurred in Westfield as a result of the Neighborhood Watch program. The first one happened right after a neighborhood meeting.

Det. Sgt. Robert Kenny, local coordinator of Neighborhood Watch, feels that the 18-month old program has proved successful in Westfield. "We have noticed an overall reduction in the number of burglaries since the Watch has been instituted," he says. "Of those reported burglaries which include attempts we've noted a significant increase in at-

Franklin School's "Aesthetic Workshop" kept the attention of all its fifth and sixth graders in a recent program sponsored by the P.T.A. Bob Rogers, composer, pianist and conductor for the Broadway show, "Chorus Line," provided an unique experience by having the students sit together for a short recital of a classical piece, "Pictures at an Exhibition," and then he visited the individual classrooms. In small groups he was able to discuss with the children the composition of the piece he played and how they might relate what they learned to other classical pieces of music.

The aesthetic workshop's emphasis is put on the participation of each student in the creative process. Rogers feels that the understanding of a work of art is based on having explored some of the choices and decisions which an artist must make. Listening to Rogers are sixth graders Nicholas Apruzzi, Craig Mastrangelo and Amy Nepo.

To Explore "Adult College" Feb. 22

A counselor from Edison State College, New Jersey's nontraditional college for adults, will be at the Westfield Adult School at 7:30 p.m. Feb. 22 for a group briefing.

No reservations are necessary and the session at Westfield High School is open to the public.

Edison State College is fully accredited and has an open admissions policy. It offers three associate degrees and three baccalaureate degrees. Programs are designed to be flexible, so that working adults can earn degrees at

their own pace and through several methods. Credits toward degrees may be earned in three ways: by transferring credits to Edison that are earned at other colleges, through subject examinations and through portfolio assessment. The assessment option allows adults to present evidence of "college level learning" for evaluation by faculty consultants.

Following the group briefing, adults may set up individual appointments with a counselor to discuss their specific goals and options.

Rescue Squad Honors Volunteers for Service

The Westfield Volunteer Rescue Squad recently held its annual dinner dance to install new officers at the Galloping Hill Caterer's in Union. The affair was arranged by 1981 social chairman, Linda Condon. Among those present at the dinner dance were Mayor and Mrs. Alan Chin, and Joseph Cavanaugh, president of the New Jersey First Aid Council.

Administrative and operational officers for the 1982 year were recognized, as were officers of the past year.

Several awards were also presented that evening for years of service. Fred Wiehl was presented

with a plaque commemorating 30 years of service to the N.J. State First Aid Council. Bob Willard was presented with an award for 20 years of service to the people of Westfield as a member of the Westfield Rescue Squad. Jane Anderson was awarded for 25 years of telephone coverage duty to the squad; Elinor Coogan and Ann Hale were awarded for serving 20 years each as telephone coverage personnel.

The Westfield Rescue Squad is funded entirely by donation, and those who are members of the Rescue Squad and its telephone coverage unit are all volunteers.

Isaac Stern in Benefit Concert

A gala benefit concert will take place at Newark Symphony Hall at 8 p.m. Wednesday, Feb. 24. Featured will be American violinist Isaac Stern who will appear as soloist with the New Jersey Symphony orchestra under its Music Director Thomas Michalak.

Honorary Cochairmen for the concert and Gala Viennese reception following the event are Governor and Mrs. Thomas H. Kean.

The purpose of this benefit is to aid the New

Jersey Symphony Orchestra. Presently the NJSO is conducting an interim season. The State's largest performing arts institution was silent during the 1980-1981 season, due to lack of adequate finances. Hearing of the Orchestra's plight, Isaac Stern offered to help by performing with the NJSO to raise funds. Encouraged by the violinist's offer, and by a number of other offers of support, including a substantial grant from the New Jersey State Council on the Arts, the orchestra was able to mount a limited season, which began on Nov. 1.

The gala is being sponsored by the orchestra's board of directors and the NJSO League. Chartered bus transportation from many suburban communities will be provided by the orchestra for a minimal charge.

For tickets and general information, write or call the Isaac Stern Gala Committee, New Jersey Symphony Orchestra, 213 Washington St. Newark, N.J. 07101.

Are You Ready to Serve?

A return to volunteerism was recently sounded by President Reagan as a means of replacing governmental assistance with local initiative in many areas. Whether or not one agrees with the current administration's policies, the bare bones fact is that "big brother" will be toning down its role in many aspects of our lives...

Your Tax Cut is Only A Marginal Affair

(Second in a series of four articles)

The Economic Recovery Tax Act of 1981 changes the rules so that taxpayers whose income does not increase will be taxed in a lower bracket for the next few years. The tax tables for 1981 will be changed slightly to accommodate the tax cut from October to the end of 1981...

where that figure would fit next year if your salary stays the same. The brackets for married filing joint returns work this way: Up to \$3,400 you pay no tax. Up to \$5,500 you pay 12 percent. Up to \$7,600 you pay 14 percent. Up to \$11,900 you pay 16 percent. Up to \$16,000 you pay 19 percent. Up to \$20,200 you pay 22 percent. Up to \$24,600 you pay 25 percent. Up to \$29,900 you pay 29 percent. Up to \$35,200 you pay 33 percent. Up to \$45,800 you pay 39 percent. Up to \$60,000 you pay 44 percent. Up to \$85,600 you pay 49 percent. After that you're in the 50 percent bracket. (Actually, there never was a 50 percent bracket before; the percentage was 49 and then 54.)

"EXCESSIVE" PRO-CESS? Editor, Leader; The following letter is a copy of one sent to Mrs. Marilyn Gulotta, president, Westfield Board of Education. Dear Mrs. Gulotta: After having read in the Westfield Leader about the case of Mr. Stanley Ziobro, we have the uneasy feeling that the process now being employed by the Board of Education may be excessive. On the basis of one unsigned complaint and in the absence of additional charges we wonder why Westfield, and in particular Mr. Ziobro and his family have to go through this agonizing period. The record shows Mr. Ziobro to have had a long and successful career in the Westfield public school system. We think it reasonable to request you to explain your reasons for taking such extreme action. Robert and Mary Furstner 118 Nelson Place

OCEAN DUMPING Editor, Leader; In the 1950's and '60's, the United States, in its nuclear innocence, dumped radioactive wastes in the Ocean. The primary reason for stopping such dumping in 1970 was that many of the containers were found to be corroding and leaking. There was great fear that radiation would affect the marine life and enter the food chain - our food chain. Since then, no follow-up studies have been done, no comprehensive plans have been made for the disposal of radioactive wastes, our imperfect nuclear plants are beginning to corrode and fail and are creating additional, unplanned-for radioactive wastes, and our government is working to speed-up licensing procedures and increase our reliance on nuclear energy. Local Officers Receive Exchange Club Honor

The Westfield Exchange Club honored two members of the Westfield Police Department by giving them the annual Exchange Club Policeman of the Year Award. Sergeant Owen McCabe and Detective Bernard Tracy accepted the awards at a recent meeting of the Exchange Club which featured Westfield Mayor Allen Chin and Police Chief James Moran. Mayor Chin presented the Exchange Club with a proclamation marking Crime Prevention month and commending the club for its efforts in support of Crime Prevention.

Chief Moran extolled the merits of Sergeant McCabe and Detective Tracy and recounted the dramatic events of a hostage incident in Westfield which earned the awards for these policemen. Both officers risked their lives by confronting and subduing an armed suspect to free a family being held hostage in their home, he said.

At the same meeting, the club honored one of its own members, Woody Woodward, for conscientiously displaying the American Flag at his home since July of 1959. Woodward received the Club's "Proudly We Hail" award for his efforts in promoting patriotism and love of country.

The program at the meeting also included welcoming Robert Blaha and James Fehon as new members of the club. President Doug Schwarz

commented that the two new members and the "entertaining and important program for the evening signified the growth, vitality and community benefit of the Westfield Exchange Club."

Architects Honor Mountainside Man

The Newark Suburban Chapter of the New Jersey Society of Architects recently hosted its annual Past President's Banquet to honor 1981 president, Gabriel A. Calenda, AIA, of Mountainside.

During the event, held at Fairleigh Dickinson University's Twombly Mansion in Madison, Calenda was presented a plaque in recognition of his dedicated service to the organization.

In recent years, the Newark Suburban Chapter, with more than 250 members, has made it a tradition to honor outgoing leaders in architecturally significant buildings throughout its region. Twombly Mansion designed by McKim Mead and White is one such example. The 100 room mansion has 23 baths and was completed in 1897 at a cost

of \$2 million. Its stately outdoor garden surroundings were designed by Sir Frederick Law Olmsted, the architect for Central Park in New York City.

An architect for over nine years, Calenda has a private practice in Springfield. He has designed many commercial, industrial and residential buildings throughout New Jersey, Pennsylvania and New York. A list of his notable local projects includes the 100 Morris Avenue office building in Springfield, Plaza 22 in Mountainside, the Elizabeth Dental Group Clinic, Executive Plaza 135 in Clark, and the Dante Cerza Furniture Showroom and Monterey Cleaners in Short Hills. The former chapter president is a member of the American Institute of Architects.

GOP Dinner Tomorrow

Congressman Dick Cheney of Wyoming, former Chief of Staff for President Gerald Ford, will be the guest speaker at the annual Lincoln Day Dinner Dance to be held tomorrow at the Town & Campus, Union, it was announced today by County Republican Chairman Alfonso L. Pisano. Other guests of honor will include members of Governor

Kean's cabinet. The event will begin with a cocktail hour at 7 o'clock. Mrs. Lucille Masciale, first vice chairperson, heads the committee. Republican elected officials on national, state and county levels will greet those in attendance.

Ticket information is available by calling the county headquarters.

Grant Will Provide New Protective Equipment for Westfield Football League

Football League

A \$1,000 grant to the Westfield Boys Football League has been made by the McGraw-Hill Foundation, Inc. The grant will enable the league to purchase new protective equipment for its players, Robert Brewster, league president, announced today.

The grant was made in the name of Robert B. Doll through McGraw-Hill's Employee Volunteer Support Program. The program is designed to aid local organizations in which employees of McGraw-Hill and its subsidiaries are actively involved as volunteers, and which contribute to the quality of life in their community.

Doll, presently vice president of the league, has also served as a coach and referee over the past 12 years. A resident of Westfield, he is vice president-circulation for the McGraw-Hill Publications Company. He and his wife, Ann, have two sons

who have played in the league and two daughters. "Concern with the community is a long-standing tradition with McGraw-Hill men and women," said Theodore S. Weber Jr., president of the McGraw-Hill Foundation. "And a vital community benefits us all. We're delighted to provide this back-up to Bob Doll's activity with the Westfield Boys Football League."

"The grant will help us to purchase new helmets, pads and line markers," said Brewster. "Our program teaches basic football skills, as well as sportsmanship to fifth, sixth and seventh grade boys," declared Brewster. "We feel it provides an excellent outlet for youthful energy, while it builds

"A" Wrestlers Quad Meet Winners

Westfield's A Team wrestlers faced Middlesex, Bernardsville and South Plainfield recently in a quadrangle meet at Westfield High School.

Tackling Middlesex easily by a 73-6 score the hometown boys totaled 30 points by noshow alone. Pins were registered by Willie Gottlick (2:15), Paul Jordan (0:45), T.J. Diaz (1:54), Chris Jordan (2:30), Mark Garganigo (0:46) and Mike Noerr (0:30). Decisions were landed by Jeff Lowi (12-1 Superior) and D'Mitri Czarnecki (7-6).

Westfield wasted no time by taking a lead over Bernardsville and maintaining it throughout. Fifty-pounder Nevada Hurt pinned at 1:54. Willie Gottlick proceeded with a fall in 25 seconds. Michael Nepo added marks with an 8-2 decision.

Bernards E. McDowell turned away Paul Jordan in 2:26. T. J. Diaz pulled out ahead 7-6 while Chris Jordan blanked P. Maguire 4-0.

Jeff Lowi decisioned V. Defreitas 7-2 and Mark Garganigo shut out his match with a Superior 13-0 win.

At 80, Mike Noerr went for the fastest pin - :22. Ross Burson couldn't come up with a scoring move on C. Picono. Burson came up on the short side, 4-0. It was then Pete Lima's turn. Lima battled a tough and ready opponent and Bernards took 3 team points by a 7-0 decision.

Wrestling at 95 pounds, D'Mitri Czarnecki pinned at :38 into the second set. Todd Venckus gave away six at the buzzer but Chris Macaluso decided to turn the score in his favor by winning 12-6. With two team wins under their belt, they were now ready for South Plainfield.

Perhaps the toughest of the three visitors, South Plainfield posted 29 points but lost to the Little Devils by 3.

The 45 pounders had a go at it in exhibition wrestling. S.P.'s Brian Besser took a 7-2 advantage over Paco Gonzales in the second frame. Paco had a reverse in the next shot but was shy at the end, 7-4.

Nevada Hurt led by 5 before pinning D. Rundella and posting the first Westfield points. Willie Gottlick gave up only one mark to end a Superior 12-1 call.

Michael Nepo gave 3 near-fall marks in the last as M. Besser topped him 7-0. South Plainfield's Nick DiGrazia was unable to continue as Paul Jordan gave his team 6 default points.

In defense position, heavyweight Chris Macaluso scores 12-6 in his match.

The Hilton vs. Diaz match ended in a 4-4 draw as each team was awarded 2 points. Paul Zawacki (SP) shot in for the takedown and scored a neutral to hand Chris Jordan a defeat at 67 pounds. The 3-0 shut out brought the team score to 18-8 favoring the All Stars.

Jeff Lowi put the pin on J. Groelly with the score tied in the last set. At 73 and 77 pounds SP came into range as they added a

pin and a decision. Michael Noerr and Ross Burson, who recovered from his previous loss, lifted the score by tallying a Superior and a shutout respectively.

The last three bouts belonged exclusively to the visitors. Had they been able to pin all the way the match would have been theirs. However, only one face off resulted in a fall and Westfield walked away as quad meet victors.

Central Bergen Edges Westfield

The Blue Fins suffered their first setback of the season Saturday with a disappointing loss to Central Bergen Y. Due to the conflicting Union county meet held Saturday in Elizabeth, the team was lacking 12 of their 17 top swimmers in the 13-14 and 15-17 age groups. This proved devastating to the team, though a great effort was put forth by all the remaining swimmers, with several 11 and 12 year olds gamely swimming up in the older age groups.

The meet was extremely close throughout, with Westfield holding a lead throughout the individual events and the first two relays. Central Bergen took the final two relays, however, clinching the victory with a final score of 97 to 92.

First place winners for Westfield were Mike Sommerliad in the 13-17 individual medley and 15-17

freestyle, and Todd Richter in the 11-12 freestyle and breaststroke. Kurt Zilch won the 10 and under backstroke and Tim Markey the 11-12 backstroke.

Scoring second and third place points for Westfield were Ron Dau, David Mills, Austin Burkett, Tim Coultas, Jim Born, Mike Linenberg, Peter Wright, Clark Hawgood, Tom Ucciardi, Binny Jones, Jim Hay, Fred Ahlholm, Frank Rohm and Walter Kemper.

The victorious relays were the 10 and under team of Kurt Zilch, Peter Wright, Frank Rohm and Austin Burkett, and the 11-12 team of Ron Dau, Todd Richter, Mike Linenberg and Tim Coultas.

The Blue Fins will be back to full strength next Saturday when they travel to Red Bank for a meet beginning at 2 p.m.

Knicks, Pistons, Celtics, 76ers Post Wins in 6th Grade QBL

Knicks, Pistons, Celtics, 76ers Post Wins in 6th Grade QBL

Sixth grade WBL play results are:
Knicks 28
Pacers 26

David Dulan hit on a 10 foot shot for the Knicks as they bested the Pacers, 28-26 in one of four exciting 6th grade WBL games played last Saturday at Edison Jr. High. Dulan's winning shot came with 53 seconds left and help came off a remarkable rally by the Pacers who scored 18 points in the final quarter. The Knicks had a well blanced attack with 8 players ending up in the scoring column. Craig Russell and Joey Derubreis had 7 and 6 points respectively, while Chris Emanuel and Mike Linenberg had 4 each. (What was amazing about Linenberg's scoring was the fact that this was the first time the quiet lad every played in any basketball game). Jay McMeeken and Mark Gurla, who provided floor leadership for the Knicks, each hit for key buckets while Kim Aslemian hit on a foul shot. But the heroics of Dulan were matched by one of the finest ball handlers in the entire league, Warren Nagatani. Nagatani didn't score but his leadership, passing and ball control was the key in the Knicks 2 point win.

Dave Monnsinger provided the heroics for the pacers as he scored a game hit 14 points; 12 in the pivotal 4th quarter. Dave Brezenski added 8 while Jay Schiller added a bucket. David Waxberg, who provided the necessary floor leadership clipped in with 2 points and several key assists. But the Pacers, who were shut out in the 3rd quarter, simply had too much to overcome — and too few Monningers to do it.

**Pistons 28
Nets 22**

Doug Kachadorian and Jeff Sherman led the fast charging Pistons to a decisive 28-22 win over the scrappy, but error-prone Nets, 28-22. Kachadorian and Sherman had 8 points apiece and each exercised sound ball control. The fine playmaking of Jason Hagman (4 points) and Phil Cagnassola continues to impress both spectator and opponent alike. Point contributors included Glenn Mauren, Roger Albertson, Brian Slomourtz and Evan Vierra, each of whom had a basket each for the finely timed Piston aggregation. The Pistons are for real.

Tim Glynn had an outstanding game for the Nets, scoring 8 points and blocking several shots and controlling the boards. Jim Jackson, Jeff Yenen and Lowell Schantz scored 4 points apiece with Schantz, the stylish southpaw, chipping in with several very fine assists. Mike Cohen (2 points) and Joey Bilman played aggressive defense while Wayne Ledwink hoodwinked the Pistons with some steals. But the Pistons were too well oiled to be denied.

**Celtics 33
Rockets 31**

The finest basketball game of the current season was played between the Celts and the Rockets with the former besting the Rockets of Pete Houlihan, 33-31. All the elements were there for this classic

with exceptionally fine shooting, brilliant ball handling and overall great team play highlighting the contest. Joey Deer, who again led all scorers with 13 points, played a total game, something his scoring ability tends to overshadow. Deer is a floor leader and with Kevin Zippler, who rises to the occasion in critical situations, combined to hold off the red hot Rockets during the 4th quarter. Zip has 8 points, 5 assists, 2 steals, in this his finest game to date. Lynne Cassidy controlled the boards, chipped in with 4 points and was aided in scoring by Robin Scuggs, Kevin Riley, Peter Kazanoff and Chris Mastrangelo, all of whom scored a bucket apiece.

Andy Guterman had 9 points, 5 in the last quarter, as his team fell short by 2. Guterman was aided in the abortive game for the Nets, scoring 8 points and blocking several shots and controlling the boards. Jim Jackson, Jeff Yenen and Lowell Schantz scored 4 points apiece with Schantz, the stylish southpaw, chipping in with several very fine assists. Mike Cohen (2 points) and Joey Bilman played aggressive defense while Wayne Ledwink hoodwinked the Pistons with some steals. But the Pistons were too well oiled to be denied.

**Lakers 16
76ers 28**

The fastbreak of Tony McCall's 76ers shone in all its splendor as the 76ers dominated the Lakers 28-16 in what McCall described as "the finest team effort of the year". The team defense was led by Kevin Smith and Rob Mollard who never gave the Lakers big man, Jim Mozaki an opportunity to display his scoring skills, although Mozaki had 6 points and 8 significant rebounds for the Lakers. The passing of the 76ers was simply outstanding, as on the fast break it must be. The back court contingent of Tom Ward and John McCall were superb with Ward and McCall sharing 14 points between them. John Esposito had a basket to aid in the scoring. Rob Mollard, in addition to his defensive skills, had 3 baskets, but it was the stellar overall play of Bob Ehret, who stole the show. Tough off the offensive boards, Ehret had 6 points and dominates his position like only he can. Mark Bertrand, Joey LaRosa and Jason Hagwood complemented the team effort with their customary "playing in the shadows" role which very much characterizes all 76ers team efforts.

Kevin Lombardi of the Lakers aided Mozaki in the losing cause with 4 points, while Brendan Flaherty, Gregg Abella and Wendrele each had 2 points apiece. But the backcourt effort of the 76ers, who stole no less than 10 errant Laker passes, simply was too much for Mike Gagliardi's quintet to overcome. No image tarnished here however, for the 76ers just had "one of those games" coaches dream about.

Somerville-Morristown Lost to "A's"

Westfield wrestlers packed a whollop on home turf Saturday by easily defeating Somerville 44-12 then downing Morristown 65-9 in back-to-back mat action.

The ignition cranked at 0:55 with Nevada Hurt in the driver's seat. Next, Willie Gottlick doubled up on back points in the second period that added up to a 6-2 win. Somerville's turn occurred at 57 and 60 pounds. Mike Nepo and Paul Jordan were disappointed by shut outs. T. Gandolfe landed a Major 9-0 and D. Povlick spun the wheel for his team with a 6-0 win.

TJ Diaz clicked to cop a decision for Westfield. Driving hard, Diaz grinded his teeth in determination with a 3-1 victory. Chris Jordan notched 3 team marks and won 6-3 over M. Picchello.

B. Kinney of Somerville brought his team within 3 points by a

"B" Grapplers Lose In Quad Meet

Westfield's Little Devils traveled to Cranford to participate in a quad meet at Cranford High School last Saturday. Taking their first loss of the season from host Cranford, the All Stars rebounded successfully by downing Basking Ridge. Summit handed the B's their next defeat but individually, Westfield's matmen did exceptionally well against outstanding opposition.

Facing Cranford, visiting Westfield won four weight classes and tied along with two Cougar forfeits. The blue and gold captured eight wins. Cranford narrowly defeated Westfield by only two points, 34-32.

With Basking Ridge eagerly awaiting a confrontation with the Stars, the tables turned, this time in favor of Westfield. A 37-33 score reflected wrestling at its best. The teams were tied at the halfway mark as Ridge began their march to take the lead by eight points, 20-12. Westfield countered dramatically by winning the next five bouts in a row. This was all that was needed even though Ridge scored on three remaining weights.

After a brief intermission the action resumed with each of the four teams facing their final foe.

Jaycees to Hold Junior Bowl

The Jaycees will hold the annual Junior Bowl Tournament on March 6 at the Clark Lanes on Central Ave., Clark.

All boys and girls in grades 4 through 12, league and non-league bowlers, are eligible for this tournament with trophies to be awarded for high game and high series winners with recognition to all participants.

Competition will begin at 12:30 p.m. Entry forms are available at the administrative offices at all Westfield Schools, Clark Lanes and Echo Lanes.

Public access TV will record the event.

Watching Troop Seeking Enlistments

Applications are now available for the spring ten-week semester of Union County's children's horseback riding school, the Watching Mounted Troop. Registration will be accepted at the Watching Stable, Glenside Ave., Summit, on Saturday, Feb. 20 and 27 from 10 a.m. to noon and from 1:30 p.m. to 4:30 p.m.

Former troop members, who rode during last fall's session, can register on the first Saturday. New students and former members, who did not ride last fall, can register on the following Saturday. Members must be at least nine years old. Riding experience is not needed.

The nationally acclaimed program teaches youngsters to ride through the "learn by doing" method. Instructors demonstrate to the group what they should do. On horseback and in control of their horses, students practice the lesson and receive help if needed. Group lessons encourage the children to do as well as others in their class.

Two sections comprise the Watching Mounted Troop — the Junior Troop and the Senior Troop. Children, nine years old and older, will be placed in the beginner, novice, intermediate, advanced intermediate and advanced squads of the former. Children, 13 years old and older, who have previous riding instruction, one season in the advanced intermediate squad or the approval of the instructor, will be placed in the Senior Troop.

Membership dues, which vary depending on placement in Junior or Senior Troop and county residency, must be paid upon registration. Late registration will be accepted. Early registration will not.

Information, applications and brochures concerning the Watching Mounted Troop can be obtained by calling or visiting the Watching Stable. The stable office is open every day but Monday from 9 a.m. to 4 p.m.

Playing aggressive defense were Bruce Riker and Mark Bartlett.

With playoffs starting in a few weeks, the tempo is beginning to pick up, as the teams entered their 6th week of competition. Results of last weeks games are as follows:
Pacers 32
Supersonics 23
 Defense was the name of the game as the Pacers beat the Supersonics 32-23. The Pacers played total team defense stealing balls, blocking shots and grabbing rebounds. Scoring was led by Allison Mazur and Charles La Rosa with 10 and 6 points respectively. Tom Cassidy, Joe Murphy and Steve Cohen each contributed 4 points. Rebound honors go to Tom "Dr. T" Cassidy, Chris Hanlon and John Bomba. Clinton Kajinami, John Bomba, Teddy Flynn demonstrated excellent defense. They passed the ball to their guards, allowing Allison Mazur and Steve Cohen to score their points.
 The Supersonics went down to tough defeat at the hands of the scrappy

Fifth Grade Cagers Vie For Play-Off Positions

Pacers. The team didn't seem to have its usual spark but will undoubtedly do better next week. Kevin Schultz came out of his sick bed to play an outstanding game. In addition to scoring 10 points he was all over the court on defense. Also, playing her best game of the year was Shirley Borgese, who came up with numerous steals. Scoring were Greg Johnson, John Niedzwiecki, Doug Kris, Colin Coaway and Jim Robins. Playing his usual aggressive rebounding game was Kurt Zilch. Mike Lofredo played tough defense along with Alex Graf.
76'ers 33
Lakers 20
 The 76'ers continued their improved play with a fine game in the 33-20 victory. Ted Hobbie did an outstanding job in scoring (17 points) and rebounding. Lonnie Friedman and Jessica Di Clerico each had 6 points and Bobby Wischusen had 4. Phil Linden played an excellent defensive game. Doug Cunningham and John

Steuernagel handled the ball well and David Simons helped out off the boards.
 Laker scoring came from Mike Pushko, Greg Kilroy and Mike Smith. John Pushko played well against tough head to head competition. David Lukaszewicz had great hustle. Eddie Connery, Jim Vaccaro and Chris Larsen played their usual good game.
Nets 26 - Trailblazers 20
 The Nets, sparked by the shooting of Jeff Kopelman, 9 pts., Susan Halpin and Mark Kumpf each with 6 pts., Mike Cafaro, 2 pts., and Adam Chersensky 2 pts. proved too much for the good Trailblazers defense. Dave Slavich, Scott Aquilla and Ken Kotonsky paved the way with strong defensive maneuvers.
 The Trailblazers were led by Tom Marshall with 6 points and Chris' Shea, John Macro and Andy Cozewith with 4 each and Chris McEvily with 2.

Tax Bill

(Continued from page 1)

penses to the bone and by starting to charge fees for certain Town services. In 1982 we will make it, we think, by means of the personnel adjustments mentioned above and by using the proceeds of land sales for some short-lived but nonetheless operating-type expenses. The solution gets more difficult each year, and it worries me that soon — perhaps next year — the solution may be only in some drastic cuts in essential services.

"Our General Revenues consist principally of Anticipated Surplus, Miscellaneous Revenues and Taxes, and what the first two don't produce to balance the budget, the third must! The picture for 1982, however, looks very good. Because we budgeted conservatively and controlled expenditures in 1981 and because our revenues, especially our investment income, were higher than anticipated, we ended this year with a robust surplus. This has allowed us to budget a higher Anticipated Surplus figure for 1982 while still retaining a safety cushion for the future. In addition, we expect our Miscellaneous Revenues to continue on a high level in 1982. The combination of these two sources will enable us to keep our tax requirement for municipal purposes at the same level as last year. We are especially pleased to be able to do so this year because we are fully aware of both the impact of the revaluation on many of our taxpayers and the proposed increase in taxes for the schools and the County.

"According to our best present information, the total tax picture for 1982, per \$100 of assessed value, is as follows:

Table with 4 columns: Entity, 1981, 1982 Inc. %, 1982 Est. %

"Please take note of several important points: 1) The actual 1981 rates of \$3.62, \$1.05 and \$8.82 — totalling \$12.49 have been restated using our present best estimate of our rates after the recent revaluation; 2) The School figure has been calculated using the present School Budget and tax levy which will not be voted on until April; 3) We have not yet received official word from the County on our share of its total tax levy — this is our best estimate.

"At the risk of adding more confusion to a very confusing subject, let me try to show how the new rates will affect one hypothetical Westfield homeowner. Using a home which had a 1981 valuation of

Table showing 1981 Taxes for School, County, and Municipal entities.

Table showing 1982 Taxes for School, County, and Municipal entities, including an increase over 1981.

"If an individual's revaluation increase turned out to be less than the 2.8 average, then the tax increase will be less than 14% and conversely, if it was more than 2.8, the tax increase will be higher. Using the above example, anyone who is interested should be able to figure the amount of his new tax, and where it is being used. Please note however, that the amounts to be raised on behalf of the schools and the County are still only estimates, as is the total Town valuation figure of \$1,148,000,000 — although I believe that they are good estimates. Please also note that the new tax figures will not appear on your bill until August.

"I have probably spent more time discussing the tax impact on the individual homeowner than I have on the new Municipal Budget itself. I have done this purposefully, however, because I believe that when 66% of the taxes raised will be for the schools, 20% for the County and only 14% for municipal use, it is important that every taxpayer know how his individual tax bill is affected by the budgets of these three separate entities.

"I would like to commend the Administration and the Council for their year-to-year financial management and work on this budget. The combination of these efforts has put us in a position of having to ask our taxpayers for only the same total dollars as last year for municipal purposes. While the effect of the revaluation will be a tax increase for most homeowners, I believe we have kept it to a minimum, while at the same time maintaining our ability to deliver efficiently the essential municipal services."

Break-In At Drug Store

Cash and drugs were stolen from Tiffany Drugs on West South Ave. Monday night. The burglar apparently hid in the store and remained after closing hours, activating an alarm during the escape. The

burglary was similar to one which occurred at Baron's Drug Store last month. A spate of burglaries was reported to police during the past week. Entries were made to homes throughout the town.

Attempted burglaries were reported by two residents of Highland Ave. last Wednesday afternoon. The owner of one of the homes returned home to find the rear door unlocked and the front door ajar. Nothing appeared to be missing from the home and it is unknown whether entry actually was made. Two homes on the sou-

thern side — one on Cambridge Rd., the other on Greenbrier Ct. — were entered Thursday. In each case entry was made by breaking a window of a rear door. Jewelry, money and cameras were taken from the Cambridge Rd. home; jewelry from the Greenbrier Ct. residence. Coins and jewelry were taken from a South Ave. home sometime between Jan. 27 and Thursday. Entries also were reported at Roosevelt Jr. High, Breeze Knoll Dr., Markin Ct., Carleton Rd. and National Shoe Builders on East Broad St.

A Staten Island woman was arrested Thursday for shoplifting at Foodtown and a Cranford man was arrested Sunday morning for driving while under the influence.

The driver of a car traveling north on Lamberts Mill Rd. between Bayberry La. and Rahway Ave. slid on ice and struck an oncoming car head-on Tuesday morning. Although two persons were injured, neither required hospitalization.

It's official — Sunday is Valentine's Day and "We believe in Marriage Day" in Westfield, Mayor Allen Chin (on the right) presents proclamation declaring Sunday as "We Believe in Marriage Day" to Tom Pluta, (center) president of Holy Trinity Roman Catholic Church's Parish Council, and John Ryan, chairman of the committee at Holy Trinity which joined this nationwide campaign to have Valentine's Day declared "We Believe in Marriage Day."

Jogger Sentenced

Ron Terpak, known as "the Jogger," was given a ten-year prison sentence Friday for sexually assaulting a six-year-old Westfield girl outside the Westfield YMCA in December of 1979. The sentence which was handed down by Superior Court Judge John J. Callahan in Elizabeth will not add any time to the term that Terpak of Rahway is now serving at the Adult Diagnostic and Treatment Center in Avenel. Terpak pleaded guilty to charges in the Westfield case in November in exchange for a stipulation that his sentence run concurrently with the 15-year term he had received for assaults committed in Middlesex County.

the adult room, and 100,192 from the children's department. Patrons also asked more reference questions last year. They asked them on an average of 61 a day. In 1981 they asked 17,903 — 760 more than in 1980. According to Miss Desrosiers' report, the use of films, available to Westfield patrons through the library's membership in the New Jersey Film Circuit, continued to grow. Registered film borrowers increased from 125 in 1980 to 188 in 1981. And last year, 42,000 persons attended the library's film programs, while in 1980, 26,970 enjoyed them.

lems facing this and future boards. Since September, I have been averaging approximately 10 nights per month attending committee and full board meetings. A time commitment of this magnitude can only be justified by the most important cause — our children's education. "I don't doubt we have made a few mistakes; however, I feel we have made far more right decisions than wrong. "During the coming weeks, I will discuss with the voters some of the specific issues the board has faced during the past year and my rationale for voting as I have. I will also discuss future issues as well as spelling out the approaches I would take to deal with them."

Heater Ban

Department, which has cited tragedies resulting from misuse in other communities, but none here. Public hearing and final action on the ordinance is expected at the Feb. 23 meeting of council. Voting against the prohibition on unvented kerosene heaters were Councilmen Alan Gutterman, Clifford Sheehan, Chesney McCracken and James Capone while those in favor included Councilmen Raymond Stone, Garland Boothe, Betty List, John Brady and Mayor Allen Chin. While Brady said while he favored introduction of the ordinance, he was uncertain as to his support at the Feb. 23 meeting. "Regulate, don't prohibit their use," urged Gutterman, adding he felt that passage of the ordinance could jeopardize users' residents under their homeowners' insurance. Modern kerosene heaters are UL (Underwriters Laboratories) approved, he said, and they can substantially reduce heating costs. Outlawing them he said, is "legislating against people."

Sheehan, who provided the estimate of 800 owners of kerosene space heaters as a "realistic figure," said that roughly 10 percent of local residents have invested \$20,000 in these heaters during the last 18 months. "Maybe we should offer to buy them back... or permit them under a grandfather clause... or offer inspection," he suggested. The UL label, responded Stone, is "misleading," and applies only to construction. Abuses, he added, will increase, and so will fires. Boothe, who claimed some of the unvented heaters are in use in apart-

ments and buildings in downtown Westfield, said there are "too many dangers."

To be discussed in private conference session next week by council is a dispute between Patrick Minogue, high bidder at a recent town auction for a lot on Prospect St., and Arthur Wendland, also of Prospect St., who seeks to buy the lot himself. The issue revolves around legal technicalities concerning rights of contiguous owners.

Unanimously approved by council was the transfer of property on West Dudley Ave. and an appropriation of \$17,000 for replacement of a concrete deck at Memorial Pool. Granted were the transfer of a liquor license from La Cigogne on North Ave. to Al-Cap at the same premises, a florist's license for LeGarde Manger Inc. at 117 East Broad St. and a raffle license for the Franklin School PTA. A resolution approved the sale of town property at the rear of 440 North Ave. East to McDowell Heating for \$22,000.

Love Defined . . .

Sunday being Saint Valentine's Day, what better time to think about what "love" means.

This question was considered recently by the residents of Ashbrook Nursing Home in Scotch Plains. Here are some of the definitions offered by people who've lived long enough to understand life — and love — best of all:

"Love is an itching around the heart," said a 69-year-old woman confined to a wheelchair.

"Love is a hug and a kiss, and if the person being hugged doesn't like it, give them another and another until they do like it," advised an 80-year-old gentleman who has difficulty seeing.

"Love is family, people in general, kindness, thoughtfulness and togetherness; God is love," according to a 75-year-old whose children haven't come to visit in a year.

Finally, a 72-year-old former teacher said: "Love is different for different times in your life. When you are young, you are 'in' love. But as you get older, love is in you!"

The Sonics now in a three way tie for first, had excellent play from Bob Gladden, 12 points and excellent playmaker Neil Horne scoring 8 with numerous assists and rebounds. Mike Kassinger at forward and center helped the Sonics first quarter start with four of his six and Hampden Tenor was tremendously strong on the defensive boards.

Trailblazers 51 Lakers 28
 The amazing 'Blazers broke out to a 11-2 first quarter lead and never relinquished it, using a pressing zone defense which forced the Lakers into numerous turnovers. Chris Freer led the offensive surge with 16 points, followed by Frank Quinn 14 points Lou Russell 11, and Kevin Stock 8 points. Doug Krone and Mark Napoliello controlled the offensive rebounding while Freeman and Steve Weinstein dominated the defense boards.

The Jazz also featured a switching defense that stopped the Knicks with 3 points in the first half. Leading the scoring were Neal Bradley with 12 and Paul Keld with 10. Glenn Slocum had 4 and Todd

Brecher 2.
 Excellent defense ball handling by Guy Koppe and Chris Cagnassola. Glen Slocum effectively clogged the middle and pulled down 16 rebounds.
 The Knicks couldn't quite get a constant offense together, however at times Stephan Dolling, Scott McNeil, Tom Hanna and Eric Hutton were able to get loose and provided a fine offensive display. Joe Triarsi, Steve Hinnel, John Burkowski, Mike Losasico, and Jim DeWitt played fine defense.

The Tigers fought back into contention with a win by Paul Cavachire and a pin by Lee "Steady" Topar while Ned Seal continues to show great improvement in a tough loss to his opponent. The Leopards put up the final points to insure victory when Brian Cheek, Chris Donzella and Eddie "Fingers" Daniel scored

Cougars - 27 Lions - 20

Cougar Todd Darrow started the scoring with a tie while Chris Wojcik registered a fall. The Lions exploded with wins by Paco Gonzalez, James Chmiellak, Kelvin Wise and Kevin Williams to take the lead. Coach Hunsinger, realizing the Lions wanted the victory, fired up his grapplers and registered points on the score board with wins by David Cavan, Eugene Watkins, Glen Kurz, David Shapiro and Craig Hunsinger. The Lions added points with a tie by Damien Lyon and wins by Michael Dodd and James Piegari, but Cougars Matt Vergamini and Michael Freedman showed their talents by scoring decisions to edge out the scrappy Lions.

Lions, Leopards Win

Lions 14 Tigers 13
 The Lions pulled out this victory after a see-saw battle that saw the score change several times as the fans sat on the edge of their seats throughout this exciting match. Lion Paco Gonzalez and Tigers Alex Stoler started with a tie. Then Tigers Joel Kamins, Paul Cavachire, Young Song and Lee Topar put valuable points up on the score board while Tim Quirk wrestled well and showed improvement. The Lions began their rally with Damien Lyon, Kevin Williams and John Povalak each scoring impressive wins. Tigers Jeff Maynard looked great with a pin over a very tough opponent as he keeps improving.
 Coach Miller was pleased with the wrestling skills of Kamins and Gragnano who are looking forward to the town tournament. With the victory hanging in the balance Lion James Piegari moved in fast to pin his opponent as Coach Saunders jumped for joy when his team registered an important victory.
Leopards 39 Cougars 27
 The Leopards almost lost their spots as the Cagey Cougars came at them with drive and determina-

Glen Kurz of the Cougars slips his arm under opponent's in an attempt to turn him to his back. In doing so, Kurz scored 2 near-fall points.

tion. Leopard Richard "Ironman" Kielbasa scored another impressive win to start the scoring when David Goldner went to the mats and pinned his opponent for the Cougars while teammate Chris Wojcik, Tim Martin and Adam Burstein all registered points with decisions.
 At this point "Pop" Grabel looked worried when Matt Fahey and Michael Davidson went on to the mat all fired up and pinned their opponents. The Leopards' team spirit took over as Anthony Reinoso, Casey Noerr, Jim Luersson, Danny Haag and Louis Rettino added big points on decisions.
 Coach Hunsinger gathered his remaining grapplers and told them

"go out and pin those Leopards." Cougars Glen Kurz and David Shapiro started the attack by scoring decisions while Eugene Watkins and Randy Wojcik scored impressive pins. The Leopards on the edge of defeat reached back and came to the mats with spirit and drive that makes them a super team. Brian Cheek pinned a Cougar while Chris Donzella and Eddie "Fingers" Daniel had to fight off a couple of real tough foes to pull out a narrow win as the Leopards extended their winning streak.

Senior Grapplers Trounce Plainfield

Despite a loss to Cranford two weeks ago, the Westfield Senior League came out victorious as it hosted Plainfield Saturday afternoon. The boys started very strong, winning the first 11 matches --

The Jordan brothers, 60 lb. Paul and 65 lb. Chris, showed the Plainfield boys some moves that they never had seen as they both won easily, Paul with a pin. Danny Hague, Mark Garganigo and John Kielbasa all won by forfeit. Kielbasa later wrestled an exhibition match with a heavier boy and put the Plainfield wrestler away in the second period. Butch Miller (90 lbs.) pinned his opponent in the third

period. Butch later pinned his second opponent in an exhibition match. Doug Cheek at 95 lbs. won 17-4 in a match that was never close. Anthony Coleman at 100 lbs. and 105 lb. Marc Giaccone both pinned quickly. Brian Noerr posted a win at 112 lbs.; and then Andy Robinson, senior league heavyweight, pinned his opponent in 55 seconds of the first period.
 After the match was completed a few additional

bouts took place to give everyone some mat time. Raymond Hurt went three periods with a heavier boy, showing him that experience is very important. Later, Kevin Barden wrestled a much heavier boy and showed the Plainfield coaches that big muscles only look good. Kevin threw every move in the book at the boy, and the final outcome was 10-4 -- a Westfield victory and a very happy Kevin Barden.

THE CHOICE IS YOURS

Q. How do I choose a good dentist for my family?

open the phonebook, close your eyes, and point.

A. You will first want to locate a dentist who practices general dentistry to take care of all your family's routine dental needs. He or she will then be able to recommend any specialists you might require, such as an orthodontist. Make your choice only after careful consideration. Asking a friend or neighbor for the name of their dentist is a good idea. Also you might ask your physician or pharmacist, or call the local dental society for suggestions. Central American Crisis Feature Of Methodist Meeting

"Central America: Hope Amidst Horror" will be the topic explored by Beverly Treumann at the Westfield United Methodist Church at 7 p.m. Sunday.

Treumann was one of very few North Americans to work in Nicaragua's National Literacy Crusade in 1980. She spent eight months in Nicaragua, teaching in the government program and living with a 10-member mountain family. The Literacy Crusade was one of the first efforts of the government after the Sandinista victory in that country.

Treumann also spent six months in Mexico and returned to Central America last summer to visit refugees from El Salvador in Honduran camps. She is a member of the Unitarian Universalist Service Committee, an agency working to alleviate suffering caused by economic, social and political problems. UUSC has earned a reputation for sensitivity to local needs and cultural patterns.

Treumann combines her grassroots experience with historic and policy analysis of the current war in El Salvador and U.S. involvement in Central America. During 1981 she toured the midwest addressing more

Beverly Treumann

than 90 audiences. The complexities of the conflicts in Central America and the severe human conditions that result are an important part of her presentation. She will challenge the groups to examine the U.S. policies toward that region and pose feasible alternatives to the present course.

Treumann is a graduate of University of Massachusetts-Amherst with a degree in social thought and political economy.

The United Methodist Church's Board of Global Ministries is hosting Treumann's 10-day speaking tour in Northern New Jersey.

Tickets for the series are available at the offices of all league participating houses of worship and at the door for each individual lecture.

Dr. Michael Ryan, associate professor in Theology, Drew University will speak on "The Dilemma in Poland - Opportunity or Disaster?" March 2.

The March 16 speaker will be Dr. Douglas Simon on "China - U.S. - U.S.S.R. - The External Triangle." Dr. Simon is associate professor of Political Science at Drew University.

The final lecture will be given March 30 by Yohanan Ramati, international lecturer and scholar with expertise on the Middle East. The topic will be "Christians and Jews in Lebanon."

The League of Religious Organizations, comprised of 14 local religious institutions, is providing this opportunity to hear these experts speak on different aspects of the peace process.

Church Women to Embark On "Oriental Adventure"

Dr. John P. Marvin, interim senior pastor of the Westfield Presbyterian Church, will transport members of the Woman's Association on an "Oriental Adventure" at 12:45 p.m. Thursday, Feb. 18, in the Assembly Hall of the Parish House, 140 Mountain Ave. His slide program will include spots of religious significance as well as scenic views of Japan, Taiwan, Hong Kong, Thailand, Singapore and Hawaii.

Ten years ago Dr. Marvin and his wife began taking groups on religious heritage tours following in the footsteps of the great leaders of the faith from Jesus and Paul, Luther and Calvin, and the Pilgrim fathers to our missionary

heroes in the past century. Other trips traced Sheldon Jackson across Alaska and visited the Passion Play in Oberammergau. Next June they will follow "The Crossbearers," the Crusaders from Paris to Milan, Dubrovnik and Thessalonika as well as Paul on his "Macedonian Call."

Luncheon reservations must be made through the Circles or by calling Mrs. Byron Campbell, 316 Canterbury Rd., no later than noon Monday, Feb. 15.

Arrangements are in charge of Circles 7, 2 and 13 under the leadership of Miss Jane Drager and Mesdames, Nigel Harlan and E. Ray Huey. Mrs. Elliott Denslow will lead the devotions.

Kroloff Social Justice Panelist

Rabbi Charles A. Krolloff of Temple Emanu-El will be among panelists for a March 30 program focused on the topic, "Is Social Justice Possible in the 80s?"

The event, being planned by a steering committee of representatives of the Temple, the First United Methodist Church and the Westfield YWCA, will begin with dinner at 7 p.m. at the Methodist Church, with the program at 8 p.m.

Krolloff will discuss one of the evening's sub-topics, "Prospects for World Peace."

In addition, "Hunger in Westfield" will be addressed by the assistant director, of New Jersey CROP,

James Simpson, and the organization's associate director, Marie J. Varley.

Other panelists, to be named shortly, will center their discussions on the topic, "With Justice for All."

The Planning Committee is hopeful the coalition eventually will attract representatives of other local organizations and members of the clergy.

Michelle Healy, YWCA president, will be moderator.

Reservations for the dinner may be made by contacting the YWCA, Clark St. Those not wishing to attend the dinner are invited to the free program.

Series to Explore International Issues

The League of Religious Organizations of the Westfield-Mountainside area will present three speakers on international issues.

In response to public interest the league will offer its second annual lecture series, a follow-up on the theme "Is Peace Possible?" Lectures will be given on Tuesdays, March 2, March 16 and March 23, at the Presbyterian Church, 140 Mountain Ave. All lectures are at 8 p.m. and ample parking is available.

Tickets for the series are available at the offices of all league participating houses of worship and at the door for each individual lecture.

Valentine Concert At FUMC Sunday

The premiere performance of the works of sacred music by Vincent Di Mura, 21, will be given in a Valentine's Day concert Sunday at 3 p.m., in the sanctuary of the First United Methodist Church, 1 E. Broad St., sponsored by Wesley Singers. All are invited.

Tickets are available in the church office and will be sold at the door.

According to Philip Dietterich, minister of music at the church, "This will make a fine Valentine's Day present since Di Mura's music is fresh, full of vitality and readily accessible to the listener. It is not difficult, bitter, puzzling music, but expressive, full of life and easy to understand."

An ensemble of musicians, mostly from the Manhattan School of Music, New York, will perform the works for soprano, mezzo-soprano, tenor, strings, guitar, percussion, organ and tape. The pieces include "Opus 13," a string quartet depicting four impressions of the crucifixion of Christ; "Isaiah," a cantata with text taken from the biblical prophecies of the book of Isaiah, and "Celebration," Opus 14, with text from the Sanctus and Agnus Dei of the Roman liturgy.

One of the objectives of the Music and Arts Ministry of the First United Methodist Church is to encourage young and talented musicians in their work. Di Mura is currently studying piano with Constance Keene at the Manhattan School of Music and is a teacher at the Ta'Cher Music Studios, Middlesex.

Concert to Benefit Contact-We-Care

Contact-We Care, 24-hour area hotline for the troubled, will sponsor an evening of contemporary Christian music at 8 p.m. on Feb. 19 at Willow Grove Presbyterian Church, Martine Ave. and Raritan Rd., Scotch Plains. The concert will feature Peter Episcopo with Peggy Pursel. A small donation will benefit the 1982 budget of the round-the-clock teleministry.

Episcopo, a Springfield musician, produced his first commercial tape

"From the Heart" in 1981. Pursel is also a local Christian musician.

Organized in 1975, Contact-We Care is staffed by some 100 trained adult volunteers. The center handles an average of 1,000 calls a month from people in any kind of adversity and needing a listening ear. The center also offers Deaf Contact, a teletypewriter system for the deaf. Contact-We Care may be reached at 232-2880. The Deaf Contact number is 232-3333.

To Celebrate "Marriage Day"

"We Believe in Marriage Day" will be celebrated by the Archdiocese of Newark on Valentine's Day.

To support marriage and family life, all 50 governors and President Ronald Reagan have been asked to sign a proclamation for nation-wide support.

"We Believe in Marriage Day" will be celebrated

throughout parish communities to raise the consciousness of the modern world to the need for commitment and Christian community.

Renewal of marriage vows, special liturgies, programs involving married couples and families are scheduled.

Heather Hylan, a page at the Westfield Memorial Library, is pictured with the Valentine display currently featured at the library. The early Valentines are from a scrapbook of turn-of-the-century greeting cards saved by the Kirkwood family of Westfield.

Arrangements for the display were made by Anne Wood, display case chairman for the Friends of the Westfield Memorial Library.

Victorian Finery On Display

Visitors to the Osborn Cannonball House Museum Sunday will see a glimpse of Victorian finery. Mrs. William Elliott, curator of the Scotch Plains museum, has assembled from the museum costume collection, a variety of accessories worn by fashionable Victorian ladies. The exhibit will include fans, parasols, combs, lace collars, capelets, gloves and beaded bags. One of the parasols to be displayed is more than 150 years old and originally belonged to Mr. Elliott's grandmother. It was in her bridal trousseau. The small, ruffled parasol is made of pale green taffeta and it has a carved wooden handle. Presumably the dainty parasol was used to protect milady from the sun, but more often it was used in a flirtatious manner on Sunday afternoon walks. The Osborn Cannonball House, located at 1840 Front St., Scotch Plains, is open to the public every Sunday from 2 to 4 p.m.

Mermen Win County Championship

By Ted Ritter
The Westfield High School boys swimming team won its 27th consecutive Union County Championship last Saturday, beating the second

place team, Union Catholic, by 73 points. Junior Chris Nolan led the Blue Devils to victory, taking first place in two individual events and a relay. Nolan shattered the

Westfield High School record in the 100 backstroke, set by John Ketcham in 1966, with an outstanding 55.942. The old record stood at 56.000. Nolan also captured first in

the 50 free with an impressive 22.810 and swam the backstroke leg of the winning 200 medley relay with senior Steve Ribbecky (breast), senior co-captain James Morgan (fly), and senior co-captain Ted Ritter (free). This relay clocked at 1:43.569 and just missed the county record, held by Westfield, which stands at 1:43.2.

Westfield placed in the top third in six of the twelve events, including diving which was held last Friday. Senior co-captain Ted Ritter placed second in the 100 free with a personnel best time of 50.540 and third in the 50 free clocking at 23.265. Senior Steve Ribbecky placed third in the 100 breast with a time of 1:07.804, also a personnel best time. Westfield's strong diving team, freshman Matt Frawley, junior Bruce Conover, and junior Bruce McClean, took first, second, and fourth respectively, gaining 40 points for the Devils before the swimming events began.

Freshmen Greg Hackenberg, Greg Czander, Chris Banta, and Bill McMeekan all recorded best times and scored valuable points. Sophomores Jack Ribbecky, Alan Schmidt, and Paul Savin also turned in outstanding best times, contributing to the teams win. At the end of the meet Coach Perry Coultas commented: "Everyone did a super job today; no exceptions."

Center Jack Baldwin and Best led the Devils scorers with 11 and 10 points, respectively. Jerry Basto, making the switch from forward to guard with relative ease, adding nine points.

Cagers Lose Two More, Record Falls to 3-16

By Eric Kirschner
The Westfield High School boys basketball team, facing two of the strongest teams in the state last week, saw its record fall to 3-16 with losses to both Plainfield and Linden.

The Devils were able to hold the fourth ranked Plainfield Cardinals close for a time, but the redman were eventually able to post a 57-40 victory.

Forward, Troy Best, formerly a member of the Plainfield squad, was the Devils top performer, pacing all scorers with 21 points. Forward Gary Williams led Plainfield with 16 points.

Despite the Devils so-so performance versus Plainfield and the eventual 14 point margin of victory, Westfield gave the eight ranked Linden Tigers an unexpectedly tough battle.

Combining a tenacious defense with a patient effective offense, the Devils entered halftime down only 19-15. Westfield then shocked the 15-2 Tigers by reeling off eight unanswered points to open the third period. The Devils held the four point lead until midway through the quarter when Linden exploded, registering 17 of the next 19 points for a comfortable 38-27 lead and an eventual 57-43 victory.

Center Jack Baldwin and Best led the Devils scorers with 11 and 10 points, respectively. Jerry Basto, making the switch from forward to guard with relative ease, adding nine points.

trast between the two games last week (besides Westfield's overall performance), it was the regular action the Devil bench was in the latter game. Coach Joe Soviero played only the five starters versus Plainfield, but the entire squad was utilized against Linden. The Devils were shooting an astounding 55% (12 of 22) in the first two and half quarters of the Linden game, a figure largely responsible for their early success.

Linden's only two losses of the season were predictably against Plainfield.

Cagerettes Defeat Cranford, Near End of Season

By M. Fleming
The Westfield High School girls' varsity basketball team won its third game of the season in a tough 44-42 battle against Cranford last week, only to lose its next two games to the Plainfield Cardinals, 61-31, and the Linden Tigers, 44-40.

Westfield trailed Cranford throughout most of the game until the fourth period when the cagerettes broke loose to net 16 points to catch the Cougars. The Devils knotted the score at 40-40. The Cougars quickly answered back with two points to tie it up again. A lay-up drive by senior Devil forward Andrea Rottenberg midway through overtime resulted in the game winning points.

Despite losing a key defensive player, starting guard Lisa McGowan who fouled out in the fourth period, the Devils were able to hold off Cranford the remaining minute to steal the victory.

Cranford had led Westfield the entire game, until the final minute of regulation time. Overtime was the first opportunity the cagerettes had to pull ahead. Cranford outscored the Devils 19-17 in the first half while the cagerettes led Cranford 23-21 in the second.

Rottenberg and junior guard Rosann Fusaro each tallied 11 points for Westfield.

Weak third and fourth periods lost the game for the cagerettes when they faced the Tigers. WHS scored a mere nine points in the two quarters combined, less than the total score in either of the other periods.

Linden Capitalized on Devil mistakes during this time to outscore WHS 10-5 in the first quarter and 14-4 in the third.

Westfield played exceptionally well the rest of the game, enabling the cagerettes to keep the game close. They led the Tigers 20-17 by the end of the first half, only to fall behind again in the third period. The Devils came back again in the fourth, only to fall two baskets short of catching the Tigers in the final seconds as Linden froze the game to hang on for the victory.

Junior guard Noreen Morris netted 14 points to lead Westfield. Fusaro and McGowan contributed eight and seven points, respectively, for the Devils. McGowan was five for five from the foul line.

When Westfield met Plainfield, the Cardinals took the lead right from the start, scoring 13 points to WHS' 2 in the first period. Westfield never came within range of the Cardinals (16-0) who are ranked first in the country and second in the state. Plainfield continued to build its lead throughout the rest of the match.

Rottenberg again led the cagerettes with 13 points and several offensive rebounds.

Westfield (3-14) will finish out their regular season this week, facing

Roselle (too late for the Leader deadline) and Rahway on Wednesday, away at 3:45. The cagerettes will play their first county game this Saturday. "One of our goals for

this year is to win at least one game in the counties," said varsity coach George Kapner. "I've never had a team do that before." The Devils' opponent for the match is not known yet.

JV Cagers Lose To Linden, Plainfield

By Paul Rodin
The WHS boys' JV basketball team dropped its record to 5-15 last week losing to Linden 37-32 and Plainfield 86-49.

Against Linden, the Devils utilized a 'slow down' offense keeping possession of the ball for the majority of the first quarter and ending it with a slim 6-4 lead.

In the second quarter, Westfield still played conservatively and prevailed offensively, but the team's 2-1-2 zone defense could not stop the Tigers from scoring and keeping the pace. This constant battle went on until the end of the third quarter when Linden tied the game up at 22 all.

Midway in the final quarter, Linden turned the tables around stealing a three point lead with three minutes left to play.

Westfield fought back hard tying the game up at 32 all with less than two minutes left to play. Linden suddenly rallied off five points snatching the game.

The Devils were led by Chris Rupp with 10 points followed by Dan Hauck with 8 points.

Against Plainfield, Westfield was out-jumped losing numerous offensive and defensive rebounds to the Cardinals.

The Devils' 2-1-2 zone defense was unable to keep the Cardinals from rallying 34 points to the Devils' 6 in the first quarter.

Due to Plainfield's height advantages, the Cardinals completed 71% of the shots taken from the floor and stunted the Devils who only completed 48% of the shots taken from the floor.

Rupp led the Devils with 24 points followed by Johnny Miles with 11 points. Rupp and Miles were also tied with five offensive rebounds each. Plainfield was led by Darren Scott who contributed 18 points to the Cardinals' score.

Tomorrow the team travels to South Plainfield to compete at 6:30 p.m. The Devils' new 'slow down' offense should prove to be in direct conflict with South Plainfield's usual fast pace. The only trouble Westfield may have is its vulnerable defense and lack of height.

JV Cagerettes End Year 5-10

By Paul Stenbjorn
The WHS JV girls basketball team concluded its season by dropping decisions to Plainfield (40-31) and Linden (60-45).

The Devils were leading Plainfield 21-19 after three periods of play when Plainfield exploded scoring 21 points to Westfield's ten in the final stanza. The Cagerettes were led by an 18 point performance by forward Nancy Kasko.

The JV'ers also managed to keep pace with Linden trailing by just one at the end of the first

period and by only six at the half. In the second half Linden slowly pulled away and finally won by 15. The Devils were led by three players who scored in double figures: Ilana Volkov 13 points, Kasko 10 points and Kathy McNally 10 pts.

The JV Cagerettes finished their season with a 5-10 record (with one tie). They were led by freshman Nancy Kasko who finished the season with a 10.4 point per game average and guard Kathy McNally's 8.0 ppg.

Bowlers Split Week's Games

By Chris Loder
The WHS Bowling team split its two games of the week, last week as they lost to Clark 7-0, and beat Union Catholic 7-0.

In the Clark match, Manny Carlino's 615 series was not enough as the Crusaders totally dominated the Blue Devils.

The bowlers, however, came back with a strong match against Union Catholic. In the first game, the Devils rolled in a 925, thanks mostly to David Russo and Darren Teitsworth. Russo bowled a 241 while Teitsworth bowled a 221.

Russo continued his hot shooting with a 200 in the second game. Scott Leshick helped the Devils in the second game as he rolled in a 184.

In the third and final game, junior Carlino bowled his best game of the day, a 196, to pace the Devils. Chris Troy scored a 179 in the game. The win upped the bowlers record to 8-4 on the year.

The bowlers play its final game of the year, today at 3:20 at Echo Lanes.

Wrestlers Have Their Ups and Downs

By Bob Vidaver
The WHS wrestling team (6-7-1) continued its roller-coaster season with a big win over Union and a big loss to Scotch Plains this past week.

On Wednesday the Blue Devils defeated Union 27-23 in a match that was decided long before the heavyweight clash. Westfield jumped out to a commanding 27-6 lead, winning six of the first seven weights contested. The impending blowout never materialized, however, as Union took the five bouts, to make the difference a mere four points.

The Farmers forfeited the 101-pound class, but took 108 by a third period pin of Milan DiPiero. The Devil squad then began to make its move, starting with Darren Pinto (115), who took a 7-4 decision. Jim Dodd (122 lbs.), wrestling in his first varsity match since last season, had little trouble with his opponent and posted a 4-1 win. In a fiercely contested match at 129, Gary Trenker came from behind in the third period and pinned his man at 5:18.

Matt Shields rolled to his 16th consecutive victory at 135, packing his outmatched opponent in 1:50. Shields looked sharp during the brief match, picking up back points only 45 seconds into the bout.

One hundred 41-pounder Jeff Miller's 5-2 win made the score 27-6. It looked like a blowout for the Devils, but, as it turned out, the matmen scored no more points.

At 158, Ken Hurley had a 3-2 lead with only 15 seconds left in his match but was reversed by his opponent and put on his back at the buzzer for two more points. Hurley lost the match 6-4, yet he was awarded the final point for a 2½ minute riding time advantage.

The heavyweight "Battle of the Gridiron Stars" alone was worth the price of admission, as it featured the star running backs (not to mention wrestlers) of both Westfield and Union. Captain Mike Giacone took on Al Smith, but Smith came out on top with a tense 5-2 decision.

Both grapplers spent the first period carefully searching the other for a weakness. Smith found one and shot for a takedown with only 7 seconds left in the period. Smith escaped Giacone early in the second period, and the rest of

the period was neutral. Giacone then escaped Smith early in the final period, and the wrestlers were again neutral. However, with 29 seconds left, Smith took Giacone down for the second time. Giacone escaped just before the buzzer, but it was too late, and Smith took the win.

In the Scotch Plains match last Saturday, the matmen won the first match, the last match, and absolutely nothing in between, en route to a 44-9 defeat. The undefeated Raiders, ranked in the state's Top 20, allowed Westfield to win only the 101-pound and heavyweight

classes. John Schaefer amassed almost five minutes of riding time on the way to an easy 5-0 win. Eleven matches later... Giacone pinned his Raider opponent in 3:17 to wrap up the Westfield loss.

In other bouts, Trenker and Tom Miller (148) each dropped 5-2 decisions, and Shields was upset 3-0 for his first loss of the season. Hurley was again the victim of some very bad luck. He had a 6-2 lead early in the second period, yet he lost by a fall 1:37 into that period.

Tomorrow the pacmen travel to Kearny and host Linden next Wednesday.

Mermaids Lose Title To Union Catholic

By Karen Bellew
The Westfield High School girls' swim team's five year reign as Union County champion ended as Union Catholic took first place with 338 points. Among the ten teams competing in the championship meet, Westfield placed second with 313 points. Governor Livingston finished third with 147 points.

Westfield and Union Catholic were head to head throughout the meet, with UC taking first place in six events and Westfield taking first place in two events. Coach Marilyn Diamond commented that a few of the races could have turned the meet around.

In the 200 medley relay, Tracey Hayes of UC pulled out ahead of Patty Wysock. Then Janney Zonneville pulled Westfield even. Fran Schmidt kept the race even. Alice Petrucci (UC), however, touched out Jenny Frawley. Westfield finished second with a time of 1:56.714, which was .7 under the county record of 1:57.4.

In the 200 free, Betsy Liebers (GL) and Lisa McCarthy (UC) placed first and second. Jenny Horner and Laura Clarkson laced fifth and sixth with times of 2:15.847 and 2:16.245 respectively.

Zonneville and T. Hayes were neck and neck throughout the 200 IM, but Hayes touched out Zonneville, who clocked a 2:13.853 to place second.

Kelly Scott and Jenny Frawley placed fourth and sixth in the 50 free with times of 26.252 and 26.496 respectively.

In the diving event, Stacey McCall took first place with 154.4 points. Amy Avis finished second with 146.8 points and Cathy Smith was sixth with 116.65 points. After the diving event, Westfield led Union Catholic 146-141.

In the 100 fly, Debbie Zimmer and Kathy Keoughan battled for first place. Zimmer placed se-

Stacey Mc Call, a sophomore at Westfield High School, is the Union County High School Diving Championship winner. The event took place Friday evening in the Thomas Dunn Complex in Elizabeth. Stacey finished first in a field of 13 divers representing high schools from all over Union County. In addition to this award Stacey is also currently the Union County champion for 1981 in the 13-14 age category.

cond in a time of 1:03.978. Lisa McCarthy and Alice Petrucci took first and second place in the 100 free, but Scott and Frawley finished third and fourth in times of 56.6 and 57.963 respectively. UC was then back in the lead with 208 points to Westfield's 197 points.

In the 500 free, UC swept second, third and fourth place. Cory May placed fifth with a time of 5:46.608, while Laura Clarkson finished sixth in a time of 6:01.071.

In the 100 back it was a three-way battle for first place. UC took first and second place. Patty Wysock placed third, clocking her time of 1:06.226. Cory May was fourth with a time of 1:07.989. After the backstroke event, UC had a 33 point advantage over Westfield.

Zonneville captured Westfield's only first place swim, in the 100 breast with a time of 1:10.562. Kiki Roll and Cathy Wagner took third and fourth place, clocking 1:12.856 and 1:14.614 respectively.

Westfield accumulated 39 points in the breaststroke event. However, Union Catholic continued to lead, 311-296.

In the 400 free relay event, UC clinched its victory, placing first. Schmidt, Zimmer, Scott and Roll finished second, clocking 4:10.982.

Coach Diamond concluded, "All the girls did very well. I couldn't have asked for any more."

Last week, the mermaids defeated Summit 58-15 and Watchung Hills 62-11.

Westfield swept first place in every event. Patty Wysock was a double winner, placing first in both the 100 fly and 100 back, with times of 1:05 and 1:07 respectively.

Kelly Scott was also a double winner, capturing first place in the 500 free and tying for first place in the 50 free, clocking 5:35.5 and 25.5.

Gottlick Breathing Fire as Dragon

His senior year at Westfield High School, Phil Gottlick was a hot item. Maryland wanted him. Rider had him all but signed. Drexel got him. "Coach Jack Childs called me up and talked to me," said the 142-pound grappler. "I never even heard of Drexel before that. My father did some

research and found out that with academics and athletics combined Drexel had the most to offer."

People now know Drexel for its wrestling as well as its academics. Phil is currently 6-2 in dual meet competition — one of those victories coming over the University of Maryland. He is also one of the many

underclassmen who start on this year's Dragon squad.

Gottlick twice went to the state championships in high school and he figures to do even better in college. "College wrestling is so much harder than high school. The college coach expects more of you," Gottlick thinks.

Phil Gottlick seems to have made a smooth transition from high school champion to college contender. What was once a hot item in high school is slowly turning into a hot item in college. Gottlick is a business administration major.

Morgan Swimming For Villanova

Sophomore Dan Morgan, a former cross country and swimming competitor at Westfield High School, is competing in his second season as a member of Villanova's varsity men's swimming team. The Wildcat record is currently 6-4.

Dan, a Chemical Engineering major in the college of Engineering, is one of four children of Arthur and Anne Morgan of Westfield.

While at Westfield High, Dan earned four letters in swimming, and also ran on the cross country team. In swimming, Dan was named most valuable player, and was captain in his senior year. At Villanova, Dan has already earned dean's list honors.

by Adam Sommerstein

Jeff Kasko and Barron Chambliss won the 60-yard high hurdles and the 440 yard run, respectively, as Westfield tied for second place in the 37th annual Northern New Jersey Interscholastic track championships last Saturday at the Jersey City Armory.

Westfield and Snyder both had 15 points. Christian Brothers Academy won the meet with 19 points.

Kasko, who won the high hurdles in this meet last year as a junior, repeated his performance with a 7.8 in the final. Kasko had easily swept through the quarter-final and semi-

final rounds also with a pair of 7.8 runs. In winning this event two years in a row, he joins a short list of Westfield athletes who have won an event in New Jersey's oldest invitational more than once. The only other two Westfield trackmen who accomplished this were Ed Morton in the high jump (71-72) and Frank Kelly in the 60 yd. dash (75-77).

No less spectacular was Chambliss' victory in the 440. His time of 52.5 in a qualifying heat was followed by a 52.3 in the final. Chambliss took the lead from the start and never

looked back again until he had crossed the finish line. Sophomore Andy Jacob did well in taking 3rd place (4:35.8) in the mile. Other good times were produced by Kelvin Blanton (6.8) and Rich Forbes (6.8) in the 60 yd. dash. Forbes made it all the way to the final but was questionably ruled not to have finished in the top five. Hans Dietterich ran a 53.8 440. Tom Splaine produced a time of 10:14 in the 2-mile run. Dave Nathanson had a good indoor time of 2:06.8 in the 880-yard run.

The very next day, the boys' 2-mile relay team of

Jim Fisk, Brian Bernstein, Greg Kasko and David Fitzgerald placed sixth in the prestigious Princeton Relays. The team's combined time of 8:08.8 just missed cracking the top five.

This Sunday, the team will run in the Group 4 Championship. The top five finishers in each event will then compete in the All-Group Championships.

The Westfield Y boys' "D" team traveled to the Shore Area for their swimming meet. Lacrosse Time Is Here Again

Lacrosse, claimed to be one of the great team games on the American sports scene, is flourishing in the United States on all levels, and continued growth is anticipated since any child can learn to play the game. Children and parents who would like to participate or view this sport in action may attend practice every Wednesday night at Jefferson Grade School from 7 to 8:30 p.m. in the gym. The local spring program is beginning and officials hope to begin organizing teams soon. Children from third to ninth grades are welcome.

Matmen Hammer Hillside 64-11

Perhaps taking a loss is not too difficult for some but when the loss results mainly from forfeits this certainly must hurt. Visiting Hillside felt that last Tuesday is a dual match with Westfield. The Hillside dropped 36 points from no-shows mostly in the upper weight classes.

Steven Weber, Jeff Eckert and Koller Walsh won to give the Little Devils a big boost. Losses occurred at 63, 67 and 80. Coming through for the home team further on were

Mark Hoffman and Matthew Brown.

Five exhibition bouts were scheduled in place of regular matches. Andrew Hanlon, Ryan Venckus, Scott Hunsinger and Chris Macaluso took care of their rivals easily.

"B" team wrestlers are now at the heart of the season when competitors begin to get tougher. Upcoming events with South Plainfield, East Windsor, Somerville and Mannville will see the Little Devils working hard at practice sessions.

Devil Swimmers Lose to Ridge

By Ted Ritter
The Westfield High School boys swimming team was recently defeated by Ridge by a score of 111-61 and as of Leader deadline, stands as the Blue Devils first loss of the season. The mermen's record now stands at seven wins and one loss.

The meet started off on a sour note for the Blue Devils as the winning 200 medley relay team was disqualified due to a false start. Despite the loss, Westfield was able to turn in many personal best times. Senior co-captain James Morgan swam an outstanding 100 fly taking first with an impressive 56.3, junior Chris Nolan won the 50 free with a 22.8, and Westfield's formidable diving squad, freshman Matt Frawley, junior Bruce McClean, and junior Bruce Conover, took first, second, and third respectively.

PAL Sixth Graders In 39-38 Thriller

Missing Marc Nelson, a "genuine piece of article" on the sixth grade PAL team, Tom Ward's contingent rose to the occasion and held off a strong rally in the fourth quarter to defeat South Plainfield, 39-38. The losers played valiantly and their 13 point scoring burst in the last quarter fell shy by one as the final shot with one second left went around the hoop — and out. The full court press of the locals stemmed the tide as did the defensive work of center Jim Mozaki.

The situation did not look good when, with about three minutes to go in regulation time, Westfield was losing by five points. However a strong pressure defense forced some key turnovers and the tide changed. With less than a minute to go Jeff Kopelman came up with the ball during a flurry of action and put in the winning basket. Kopelman finished with 8 pts., Darryl Robinson had 8 points, Lee Krasner 7 pts. and Ted

disappointed to a one point margin. But, like E.F. Hulton, "when Tony McCall instructs, the team executes." Staff of Ward, McCall and John Esposito one of finest assembled. Kudos to League President Dick Brown for such foresight, but players and parents were especially to be lauded for the support and enthusiasm.

Fifth Grade PAL Cagers Undeclared

Although St. Mary's was taller, Westfield showed great desire and hustle and held their own under the boards. This effort was led by John Niedzwiecki, Tom Cassidy and Sean Lucas. The opponents' zone defense gave the fifth graders some trouble at the start of the game, but Greg Johnson, Charles LaRosa and Lonnie Friedman worked the ball nicely and soon got on the right of fence track.
