## Library Board Rejects On-Site Expansion

Consideration of a new library building on an existing town-owned site will be recommended to the Town Council by the board of the trustees of the Westfield Memorial Library following its rejection Thursday night of four proposed plans to expand present library facilities at the Municipal Building.

Sitting as a building and grounds committee, members unanimously voted that none of four different plans proposed by three different architects is acceptable.

The possibility of obtaining some State funding for construction of a new library should be explored, Barbara Irwin, library trustee urged, noting that six libraries in New Jersey have been granted 20 percent of cost grants only recently.

The proposals were presented to the library board and the public at a special session April 5 and were reviewed by the public, town officials and library staff until the trustees' meeting Thursday.

Each of the three architects hired at a total cost of \$15,000 by the Town Council presented one or more design concepts but each, according to Miss Jeanne M. Desrosiers, librarian, presented at least one or more problems, according to a staff critique made prior to Thursday night's meeting.

A Musial-Guerra proposal, described as the "greenhouse plan" because of its subtterranean-skylight approach, was praised for its internal layout but faulted on parking and HVAC (heating, ventilating and air condi-

tioning) aspects. Estimated to cost about \$3.3 million, it could, according to Miss Desrosiers, probably operate with the current staff of 11 fulltime personnel and 22 part-timers.

Possibly four more in staff, the librarian felt, would be needed for either of two plans submitted by a Trenton architect, Bauman and Farid, both of which the staff felt would detract from the exterior of the present Georgian style of architecture of the 30-year old Municipal Building. The HVAC plan was "loose," said Miss Desrosiers, and the internal layout "terribly spread out." Cost of an underground solution to expansion of library space would cost about \$1.5 million, and the above-ground plan \$1.4 million.

The local firm of Eckman-Sincox devised the only plan which would be built behind - and mostly under - the rear of the Municipal Building. Costing about \$2.2 to \$2.4 million, a parking deck layout was described as "imaginative," but staff members felt the internal layout would require perhaps three more in staff and security.

Reaction from absent ex-officio board members Mayor Allen Chin and Superintendent of Schools Laurence Greene revealed that Chin questioned cost estimates of the plans and Greene felt other alternatives are available.

While few of the dozen or so members in the audience-primarily library staff members - spoke at the meeting, their reaction to on-site expansion ap-

peared unenthusiastic to negative.

Twenty-two written comments from residents were generated by a display of the plans in the Waterunk Room of the Municipal Building between April 5 and 15. Fourteen of these recommended the use of Grant School and five others undesignated off-site locations for a new library. Only one favored above ground solution and still another objected to use of any park property or destruction of trees.

Not one of the four board members - President Paul Kollerjahn, Mrs. Irwin, Miss Ruth Tubby or Stacey N. Ewan Jr.

avored any of the four on-site expansion plans. Chairman of the building and grounds committee, Harrison T. Watson, abstained from voting because of a possible conflict of interest.

Urging new construction, Kollerjahn said he would like to see a "model for a model town," possibly on either the Grant School or Elm St. playground site.

During its routine business session, the library board delayed until May a decision on a request for an association of staff members, and agreed to study a suggestion that

Westfield voters, in a continuation of the April 6 school district election, defeated both the current expense budget of \$16,341,972 by a margin of 466 and a capital outlay expense item of \$117,665 for updating science labs at the high school by a margin of 462.

Vote on the current expense portion of a \$20.8 million school budget was 1783 to 1317 and on the science labs 1773 to 1313.

With a total of 3,238 ballots cast out of possible 17,618 registered voters, Donald H. Bagger led the slate by about a 400 margin with 2,317, topping or tying the voting in all four wards and in absentee ballots cast.

Bailey will be sworn into new terms of office at an organization meeting of the Board of Education at 8 p.m. Tuesday.

Tuesday's budget defeat was only the fourth rejection of a school current expense budget in the last 20 years, although a capital outlay item (for a school maintenance facility and a new computer) failed to win voter approval only last year.

The 1969-70 school budget of \$8,275,175 was defeated twice in 1969 - by a 1,008 to 740 vote on Feb. 11 and again by a 2,785 to 2,038 tally on Feb. 25. The Town Council subsequently ordered a \$150,000 cut in expenses.

## School Board Appoints 508 to 82'-82 Staff

Five hundred and eight school staff members were appointed by the Board of Education at its regular April meeting Monday night, held one day early because of delayed school district elections Tuesday.

Of this number, 394 are teachers, 51 secretaries, 12 are aides and 51 custodians.

The number represents a total staff reduction for the 1982-83 school year of 18 and a half positions, although an additional 51 personnel now employed were given notice of "no job assurance" for them at this time. Traditionally, these include employees whose salaries are contingent upon federal or state funding under Title I or Title VI or the state's compensatory education programs and many of

these staff members will be appointed at a later time when funds are approved for Westfield.

Positions included in the "no job assurance" category are two tenured teachers, 29 non-tenured teachers, three secretaries and 17 aides.

A total of 13 staff members will attain tenured status during the 1982-83 school year.

Three staff members whose service spans a total of 55 years will retire at the end of this school year. They are Meveril Jones, an Edison guidance teacher who has been with the system 23 years, Elizabeth Jensen, Edison nurse for 20 years and Thora Morris, McKinley aide for 12 years. Resignations accepted

by the board included those of Robert Larner, Wilson Custodian; James Flynn, high school English teacher; William Lee, special services resource room; and Sandra Neilson, Edison pre-kindergarten.

Cathy Mulvaney and Carol Moser, presidents of the Jefferson and Tamaques parent-teacher organizations, respectively, asked the board to reconsider its decision to eliminate the assistant principalships at their schools.

The board approved use of Edison Junior High School for a basketball program sponsored by the Recreation Commission June 21 and 22 at a school board cost of \$80 for the two nights.

## Council to Decide Fate Of Budget Tuesday

A decision of how much, if any, to cut from the defeated school budget and capital outlay programs will highlight Tuesday's 8:30 p.m. meeting of the Town Council Tuesday night.

Under law, the council must make its decision by April 28. Councilmen were expected to meet with members of the Board of Education last night to familiarize themselves with the budget proposal. Both the current expense and capital item were defeated by voters Tuesday.

Final action also is expected on a \$50,000 appropriation to improve various streets in town, but no action is anticipated on amendments to the land use ordinance.

According to a tentative agenda, the council will introduce ordinances providing for the purchase of library equipment, a logging recorder for the Police Department, communications equipment for the Fire Department and public works equipment; construction of curbing; and salary schedules for the police department, and graded and ungraded municipal positions.

The board approved use of Edison Junior High School for a basketball program sponsored by the Recreation Commission June 21 and 22 at a school board cost of \$80 for the two nights.

Also winning three year terms on the Board of Education were incumbents James C. England with 1904 votes and B. Carlton Bailey Jr. with 1883. Defeated was Stanley J. Gorsky, the only candidate who did not support the budget.

The defeated current expense and capital outlay budgets were given to the Town Council yesterday; under law the council must meet to discuss budget items with the school board within six days and make a decision on any possible budget cuts by April 28.

Bagger, England and

A change in school election laws eliminating a second public vote on budgets was enacted prior to the next budget defeat Feb. 9, 1971, when a \$9,716,351 budget for 1971-72 lost by a 3,507 to 2,109 vote. Council cut \$153,000 from that year's budget.

Only \$50,000 was slashed from a \$12,618,247 1975-76 school budget by the Town Council following a 2,765 to 2,002 defeat of the school budget on March 11 of 1975, the last year for a budget defeat prior to Tuesday's election.

A capital outlay item of \$196,000 was defeated last year - while the budget was approved by a margin of more than 300 votes. Council ruled that capital funds for a new school maintenance facility, as yet unbuilt, be reinstated but decided that an allocation for a new computer be scrapped.

This week's election, however, was unique in that it is the only one in which voting began two weeks earlier, on April 6, was suspended after only about an hour's balloting, because of a freak April snowstorm, and was resumed two weeks later in temperatures which hit the 60 degree mark.

## Mountainside OKs Budget

Mountainside voters approved a school budget of \$2.4 million Tuesday and elected Linda Esemplare and Camie Delaney to membership on its school board.

The budget, approved by a 400 to 291 vote, calls for a tax reduction of \$129,834.

Esemplare and Delaney, with votes of 461 and 453, defeated candidates George F. Serio, 231, and T. Wayne Treece, 231.

## Board To Organize Tuesday

The 1982-1983 Westfield Board of Education will hold an organization meeting at 8 p.m. Tuesday in the board meeting room at 302 Elm St.

Three successful candidates will take the oath of office for three-year terms on the school board.

The agenda will include election of a president and vice president, setting the time and place of the board's regular monthly meetings and designating an official newspaper for legal notices.

The annual organization meeting is open to the

public. Comments and questions on any agenda item will be received at the beginning of the meeting. The public will have an opportunity to present comments or questions on any educational items at the end of the meeting.

## Two-Family Use On Drake Pl. Denied

The Board of Adjustment, Monday night, voted to deny the appeal of Floyd W. Bruening to continue using property at 601 Drake Place as a two-family house. The Board also heard three other appeals but moved to continue them to the May 17 meeting.

Bruening testified that when he purchased the Drake Place property in 1978 it was being utilized as a two-family dwelling. The house, which is in an RS-50 or one-family zone, has the outward appearance of a single-family home. It is situated on the corner of Drake Place, Palsted St. and South Ave. According to William Butler, Bruening's attorney, two-family houses exist on either side of the property and commercial buildings are across the street on South Ave.

Testimony by real estate expert James Davidson that the continued two-family use would not be

detrimental to the area was disputed by five residents of Roosevelt St. who addressed the board in opposition to the application. George Fritz of 604 Roosevelt St. alluded to a hearing some years ago when residents opposed previous zoning or planning board action on the property. It was understood, he said, that when the house was built in 1974 it was to be a one-family dwelling.

Board member, George Plenty said that to grant the use variance would damage zoning laws. Chairman Mary Herberich said "The property is in a shaky zone because of its corner location, but that was understood when it was built." She added, "I don't want to break up a block of one-family homes." The only board member who voted to approve the application was Albert Wiegman who said that the house is attractive and that continued two-family use would not harm

the street.

The three applications that are being continued to next month's meeting are: Tullio's Hair Spectrum's appeal to place two lettered awnings on its building at 200 Central Ave.; Louis Scalza's request to add a redwood deck to the back of his home at 108 Cedar St.; and Michael and Maureen Toth's appeal to build a porch on the back of their home at 1613 Grandview Ave.

## Fireworks Believed Cause of Blaze

Fireworks are believed to be the cause of a fire that damaged a Central Ave. home Thursday afternoon.

The fire which started in a pine tree adjacent to the home was quickly extinguished and caused only minor damage. "An investigation by Westfield Police Detective Sergeant Wesley Moore and Westfield Deputy Fire Chief Paul Battiloro led to the confiscation of a sizable amount of various types of fireworks which were in the possession of area youths" according to Westfield Fire Chief Walter J. Ridge.

Chief Ridge pointed out the sale or possession of fireworks in the state are prohibited and each year tragic and needless incidents occur through their use.

## Hearing on Proposed Rail, Bus Fares Here

A public hearing will be held at 8 p.m. Wednesday in the Council Chambers of the Municipal Building on proposed increased fares for bus and rail service.

Fares are expected to increase by 16.5 percent on intrastate bus routes, 17.4 percent on inter-state bus routes and 20.1 percent on rail lines beginning July 1. Under proposed rail increases, Westfield commuters would pay \$2.25 one way to Newark, Hoboken or Lindenwold or \$3.75 one way to New York.

Monthly rail commutation tickets would cost \$63 to Newark, Hoboken or Lindenwold, and \$105 to New York.

"Our proposed fare increases for bus and rail service average about 18% above what users are presently paying," said Jerome C. Premo, executive director of NJ Transit. "In conjunction with the recommended fare increases, NJ Transit is also proposing a fare rationalization program which, for the first time in New Jersey, will establish uniform fares for the same

distance travelled." Westfield would be a Zone 4 location.

Premo emphasized that the fare increases and the fare rationalization program that have been proposed by NJ Transit can be revised or amended following the public hearings. "I would like to emphasize that the proposals the staff of NJ Transit made regarding fare increases and the fare rationalization program are not cast in concrete."

Last month Premo advised the NJ Transit board of directors that the agency anticipates a \$66 million deficit for fiscal year 1983, which starts on July 1, 1982 and ends on June 30, 1983, on a proposed operating budget of \$405 million.

In projecting the \$66 million shortfall, Premo said that revenues would be down by \$36 million, which includes a \$19 million cutback in federal subsidies and the loss of one-time revenues of nearly \$17 million. He stated that operating expenses were expected to rise by \$30 million. To compensate for these higher costs and cuts in federal aid, and losses of other revenues, Premo proposed the 18% fare increase.

The fare hikes, if approved, would go into effect on July 1 on Transport of New Jersey and Maplewood Equipment Company bus routes, and 16 other bus lines which receive financial operating assistance from the state-wide public

About 75 Westfield merchants and residents attended a meeting sponsored by the Chamber of Commerce Monday to discuss the impact of the proposed Springfield shopping mall on Westfield.

Using a large map of the area, Saul Drittel refuted the developers' claims that the mall would have little impact on Westfield.

Marketing experts for the mall project 85 percent of its customers coming from a four mile radius. Downtown Westfield, now the most viable business area around, could be seriously affected, Drittel said, refuting claims 40 percent of the traffic would flow east to west on Route 22. Instead, he said "many customers will find short

## Scholarship Winners

Julia R. Dillon and Robert D. Tilton, Westfield High School seniors, have been named winners of four-year corporate-sponsored scholarships in the 1982 National Merit Scholarship competition.

Miss Dillon is the daughter of Mr. and Mrs. Robert Dillon of 615 Lenox Ave. She has been awarded a Sony Corporation of America Foundation Merit Scholarship and plans to attend Harvard University.

Tilton is the son of Mr. and Mrs. Robert J. Tilton of 1435 Grandview Ave. He has won an Ex-Cell-O Corporation Merit Scholarship

and plans to study engineering at college.

The two WHS student winners are among 1,500 students selected for four-year corporate-sponsored scholarships in the 27-year-old National Merit program. More than 1.1 million high school students entered the 1982 competition when they took the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test in 1980. Attaining high scores on their SATS and sustaining high academic achievement in high school courses helped qualify them to become scholarship winners.

## "New Look" Here For Library Week

The Westfield Memorial Library celebrates National Library Week this week with a "new" look — new carpeting was installed last weekend, and the adult circulation desk and security system were moved.

The past year has seen a substantial increase in the number of library card holders, circulation of books and other materials and the use of all library services in both the children's and adult departments. More people are taking advantage of what the library has to offer — a collection of books and periodicals, records and cassettes, talking books and cassette recorders for the handicapped, genealogical and New Jersey history books, 122 framed art prints to borrow, albums for music and drama lovers, microfiche

copies of 2,900 college catalogues, newspapers and magazines on microform and 1,125 free films that were attended by 42,000 children and adults.

Commuters used 3,000 paperbacks from the train station book rack and nearly 25,000 paperbacks were taken from the Stop and Swap rack at the library.

Westfield boys and girls participated in Toddler Time story hour for two year olds, Magic Carpet story hours and Pre-school story hours for three and four year olds. They also attended special bedtime and holiday story sessions, as well as summer story hours in the park.

Westfield library use is on the upswing, with card holders making constant use of all materials, services and programs offered by the staff.

### To Discuss Care Of Aging Skin

Overlook Hospital's Department of Community Education's "Learn At Lunch" program will feature Dr. G. Gruber, dermatologist, on April 29 from 12:30 to 1 p.m. in the

new Center for Community Health Building in room 2A-2B. Dr. Gruber's topic "Good Looking Skin Is Up To You." He will also discuss the effects of the sun's rays on your skin.

## Swim-a-Cross Benefit May 8

The third annual Red Cross "Swim-A-Cross" has been set for May 8 at the YMCA's Wallace Pool, according to Mrs. Bette Lennox, chairperson.

While the event is open to anyone, regardless of age, the youth of the area are encouraged to participate, Mrs. Lennox said.

The purpose of the event is to raise funds for the local American Red Cross Chapter by focusing on the A.R.C.'s swimming and water safety programs. Swimmers seek out sponsors to agree to contribute a tax deductible amount for each lap the swimmer completes. In the past, this has been anywhere from 5c a lap to as much as \$10 per lap, Mrs. Lennox reports.

YMCA's pool is located at 138 Ferris Pl., and will be open for the Swim-A-Cross from 6 p.m. to 10 p.m. Entry kit are available at the Red Cross Chapter House, 321 Elm St. Sponsors and potential swimmers are encouraged to call the Red Cross for details.

### Print Competition For Camera Club

The Cranford Camera Club will meet at the Cranford Community Center, 114 Mill St., Cranford at 8 p.m. Monday, when Dunster Mead, a member of the Tri-County Camera Club, will judge a black and white and color print competition on two subjects, nature and open.

### B'nai B'rith Women To Confer

"BBW: A Symphony of Women" will be the theme of the sixth annual conference of B'nai B'rith Women, Jersey Region to be held on Sunday and Monday, May 2 and 3, at the Sheraton Heights, Hasbrouck Heights.

Guest speaker will be Daniel S. Mariaschin, assistant to the national director of the Anti-Defamation League.

For more information on the conference, contact Northern New Jersey Council President Edith Ganz.

## Unico to Honor Pafumi With Sports Award Tomorrow

The Westfield Chapter of UNICO has announced its 1982 Brian Piccolo Sports Award winner.

This year's recipient is Salvatore (Sal) Pafumi, son of Tony and Jenny Pafumi of 115 Park St.

Unico's Brian Piccolo award is annually presented to a senior student athlete of Italian American heritage who, in the chapter's interest best exemplifies the qualities and character that Brian Piccolo exhibited.

Piccolo, while not the "super star" in his athletic career, displayed "the outstanding qualities of leadership, sportsmanship, and humanitarian inspiration to all who came in contact with him."

"While battling a fatal and crippling disease, Piccolo inspired others of his teammates to achieve personal greatness and success. Many times he sacrificed his own personal gains and success in the process. It is these characteristics and achievements that prompted the award committee to select Sal Pafumi for this award as its unanimous choice."

Sal is a senior at Westfield High School, and is currently the captain of its track team. A two sports letterman Sal also was an offensive and defensive tackle on

Sal Pafumi

Westfield's 1981 Watching Conference Champions.

While football and other sports are to his liking, it is in track and field that Sal excels.

In 1978, while participating in 8th grade shot put competition he set the record of 38 feet 5 inches, and also the discus record of 121 feet 9 inches, records which still stand today.

In 1979 he received a gold medal in the High School invitational meet and voted as outstanding and most valuable weightman. As a two sports letterman Sal's off the field activities

found time to participate as a coach in Westfield's Little League Baseball, Boy Scout Troop 173, altar boy at his local church Holy Trinity, and participant in the Senior High School Italian Culture Club.

An outstanding award is his award of the "Book of Emerald Award." This is presented to the student of outstanding ability, good sportsmanship, and helpful citizenship while contributing to the high school standards of students in junior and senior high school.

Sal will be honored at the District 10 annual sports award dinner, along with other Union County winners, at 7:30 p.m. tomorrow at the Westwood Restaurant in Garwood, NJ.

Westfield Chapter members, friends and relatives who wish to attend may contact any UNICO member, or committee chairman Charles Casiere.

### Plan Open House At UCTI Apr. 29

A wide range of activities from simple exercise techniques to complex fiber optics demonstrations will be part of an open house to be conducted at Union County Technical Institute as part of the county-wide "Community College Day" on April 29.

The Technical Institute's program will be held in the evening from 6 to 9:30 p.m.

### Gym House Warning Issued

The Union County Division of Consumer Affairs, located within the Union County Department of Human Resources has issued a child safety warning about a gym house.

A fatal accident occurred when a two-year-old's head became wedged between the top step and the platform on the Creative Playthings Indoor Gym House. Two years ago, following two similar accidents, an extensive exchange program was initiated which resulted in the replacement of 49,000 units.

However, since the Consumer Product Safety Commission estimates there may be 137,000 to 239,000 units still in use, the Union County Division of Consumer Affairs is alerting the public that Creative Playthings is renewing its efforts to replace these gym house ladders follow-

ing this recent strangulation death. The replacement program is being conducted in cooperation with the U.S. Consumer Product Safety Commission which advised the firm of the death of a two-year-old California boy on Feb. 9, in an accident associated with a Creative Playthings Indoor Gym House.

Mrs. Bloom, Director of Consumer Affairs, urges owners to contact Creative Playthings immediately to request, free of charge, a new ladder with instructions for easy installation. Owners who have received a replacement ladder since February 1980 need take no action. To request the replacement ladder, call the firm's toll free number or write to: Creative Playthings, P.O. Box 306, Route 147, Herndon, PA 17830.

## Westfield Foundation Receives Exxon Grant

The Westfield Foundation recently received a grant from the Exxon Corporation's Community Service Fund to cover the cost of printing the Foundation's 1981 Annual Report. E. Alfred Herberich, the Foundation's Executive Director and an annuitant of Exxon, accepted the award at a presentation held at Exxon's New York headquarters. The Exxon Community Service Fund program is designed to encourage Exxon employees and annuitants to participate in community activities. The Fund provides grants for individual projects sponsored by community organizations which are eligible under the Fund's guidelines.

Herberich applied for the Exxon grant in an effort to reserve the Westfield Foundation's income for charitable purposes within the Westfield community. The Foundation is a non-profit organization which receives donations from many sources and directs the income from its assets to meet the diverse charitable needs in Westfield. In 1981, the Foundation made 11 grants to various Westfield organizations and managed the investment of assets for four designated endowment funds within the Foundation. Foundations directors volunteer their service and the Foundation is able to operate with minimum expenses. The Exxon grant meets the specific expense of printing the annual report complementing the directors'

## Milton Smith Named "Scout of the Year"

Eagle Scout Milton Smith of Mountainside Boy Scout Troop 177 was named "Scout of the Year" by the Spirit of '76 District of the Watchung Area Council.

Troop 177 Scoutmaster Dick Miske was awarded a certificate of appreciation for his service to both the Boy Scout Troop and to Cub Pack 177 in Mountainside. These awards were presented at the district's annual awards dinner.

Milton Smith is in his sixth year of Scouting. He currently serves as troop scribe, assistant senior patrol leader, instructor, and member of the Leadership Corps. He has served as a patrol leader.

Milton joined Troop 177 in 1976 after receiving the Arrow of Light from Cub Pack 177, Mountainside. Other Scouting awards he has earned include the God and Country Protestant Religious Medal, Interpreters Strip in Spanish, World Conservation Award and the All Out for Scouting Award.

In 1980, Milton was inducted into the Order of the Arrow, an inter-Scouting organization that promotes camping. He now serves on the local Lodge's Executive Board as Communications Chairman.

Last summer, Milton attended the 10th National Scout Jamboree at Fort A.P. Hill in Virginia. At the Jamboree, he served as scribe for his Jamboree Troop and as a hometown news youth correspondent. There he won second prize for Jamboree journalism in his subcamp.

This summer, Milton will attend the Philmont Scout Ranch in New Mexico. This high-adventure camp offers hiking in the Sangre de Cristo Mountain Range.

An active member of the Union County 4-H program, Milton raises puppies for the Seeing Eye in Morristown. In his spare time he collects stamps and coins, ice skates and plays golf. He enjoys traveling and reading.

Troop 177 is sponsored by the Community Presbyterian Church in Mountainside. Meetings are Wednesday nights. The Troop goes on monthly campouts to

North Jersey camps. Summer Camp will be spent at Sabattis Adventure Scout Camp in the New York Adirondacks and Philadelphia Council's Treasure Island Scout Reservation.

The Spirit of '76 District includes Mountainside, Summit, Berkeley Heights, New Providence and Passaic Township. Watchung Area Council includes all of Union and Somerset County, plus parts of Middlesex and Morris County. Over 13,000 boys and 3,000 adults participate in Council sponsored Scouting activities.

## Public Invited To Share Yorktown Battle Renactment

A slide and sound program on the recent Bicentennial Yorktown celebration is scheduled for the April 27 meeting of the Scotch Plains-Fanwood Historical Society. Donald Widdows, vice president of the Westfield chapter of the SAR and Mrs. Wid-

dows, Regent of the Cranford Chapter of the DAR, will share the re-enactment of the Yorktown surrender which took place in Virginia last October.

Widdows will show slides of the Colonial and British troops in mock battle, the parades, the multitudes of people, a mock sea battle and the many encampments throughout the park. Twenty-five thousand people daily attended the first three days of the celebration, and on the fourth day, spectators and participants totalled 60,000.

In 1781, Lord Cornwallis, surrendered to General George Washington at Yorktown in the final British defeat of the Revolutionary War. This meeting is open to the public and will be held at 8 p.m. in the Curran Meeting Room of the Scotch Plains Public Library on Bartle Ave.

## Local Democrats Oppose Military Aid To El Salvador

At its April 5 meeting at the Westfield Motor Inn the Democratic Club of Westfield voted to oppose further military aid from the United States to El Salvador, and called for a negotiated settlement of the civil war in that country. The vote followed a presentation by William P. Ford, from the North Jersey Interreligious Task Force on El Salvador.

Ford, whose sister was one of four missionaries who were murdered by national guard troops in El Salvador, described the misinformation given by United States government authorities. Secretary of State Haig testified to Congress that the most likely explanation for the missionaries deaths was that they were running a road block. At that time, Haig had in his possession evidence to refute this possibility, but, according to the speaker, ignored the information that the missionaries were bound and shot at close range. Ford stressed that further military aid to El Salvador would only result in the

murder of innocent civilians.

Following Ford's talk, the Democratic Club discussed the issues involved before adopting the resolution opposing military aid and supporting a negotiated settlement. Congressional candidate Adam Levin attended the meeting, as did Christine Kelley, the West-

field campaign manager for his primary opponent, Barbara Sigmund. Although they did not take a formal position on El Salvador, both addressed the meeting. Both candidates have been invited to attend the next club meeting on May 10, when the Democratic Club will vote to endorse a candidate for the Seventh Congressional District.

## New Textbooks Are Proposed

The Westfield Board of Education has three textbooks proposed for adoption for the 1982-83 school term at the Board's May 18 formal business meeting.

The textbooks were proposed at the Board's April 19 business meeting and are available for public and staff members to see in the office of instruction at 302 Elm Street. The proposed textbooks are:

\* "Physics, Parts I - II," for twelfth grade science and AP physics classes are WHS. The text was written by Halliday-Resnick and published by John Wiley and Sons.

\* "Biological Science," for eleventh and twelfth grade science and AP Biology II classes at WHS.

The text was written by W.T. Keaton and published by W.W. Norton.

\* "Earth Science," for ninth grade students in science and earth science classes at the two junior high schools. The text was written by Coble, Murray and Rice and published by Prentice-Hall.

## May 1 Open House On Astronomy Day

To Exhibit Projects Saving Energy

A number of Westfield students will participate in the 1982 Student Exposition on Energy Resources (SEER) Friday, April 30 at the National Guard Armory in Morristown. Several hundred students will exhibit projects on energy conservation and the development of new energy sources and compete for prizes in three divisions.

The exposition has as its purpose the development of an increased awareness among school-age youngsters of present-day energy problems. Students are encouraged to think creatively about serious energy concerns and to develop exhibits which portray their ideas about possible solutions.

Astronomy Day (May 1) will be celebrated by Amateur Astronomers, Inc. at the Sperry Observatory on Union College's Cranford Campus with a free open house for all interested stargazers.

The observatory, which is jointly operated by the college and members of AAI, will be open to the general public from 10 a.m. to 4 p.m. and from 6:30 to 11 p.m.

The 10-inch refractor telescope (one of the largest of such instruments on the East Coast) will be utilized to view the sun with a hydrogen alpha filter. Slide shows on topics of current interest relating to astronomy will be shown during the open house hours.

Star Party Chairman William Rollo said there will be telescopes available on the grounds of the

Observatory for outside evening viewing of the skies. Members of the club will be on hand throughout the day and evening to answer questions and explain what is being viewed through the telescopes.

Observance of Astronomy Day was first initiated in 1978 by a West Coast group called Astronomy for America. These amateur astronomers wanted to call attention to the observation facilities available in local areas and make the public more aware of astronomy and space science. The following year, astronomers all over the country were asked to join the observance.

In case of questionable weather, the Observatory's special sky information telephone number (201-276-STAR) may be called for announcement of possible cancellation.

The public is invited to the astronomy open house free of charge, Rollo said.

## Bluegrass Sounds to Augment Race of Concrete Canoes

Thirteen teams of engineering students, representing colleges and universities throughout the country, will again prove that concrete canoes do float during Saturday, May 1's "Second Annual Concrete Canoe Race and Festival" in Echo Lake Park.

Three men's, women's faculty and co-ed races plus finals for each section will take place in the park's upper lake, Westfield. The day-long festival, sponsored by the New Jersey Institute of Technology (NJIT) Chapter of the American Society of Civil Engineers (ASCE) in cooperation with the Union County Department of Parks and Recreation, begins at 10 a.m. and runs rain or shine. The McCarthy Brothers, a bluegrass band, and refreshments add to the event. The public is invited.

Teams from NJIT, Rutgers University, Nassau Community College, Hudson Community College, City College of New York, the State University of New York at Amherst, Columbia University, Union College in N.Y., Bucknell University, Swarthmore College, Lafayette College, Norwich University and the University of Akron will compete in the 700-yard triangular course matches. Single blade paddles measuring no more than eight inches wide are their only means of power and motion.

Twenty students make up each team. They are undergraduates at their schools, civil engineering or naval architecture ma-

jors and members of ASCE. The two-member crew together with the rest of the group designed and constructed the concrete canoes following strict rules and regulations provided by the ASCE and the American Concrete Institute (ACI).

Their crafts must be molded out of ferro-cement materials with hydraulic cement as the primary binding. Reinforcements must also be ferrous. Nonmetallic substances, such as fiberglass, nylon or rayon, are not permitted. There are no seats or steering devices of any type in the canoe, but loose kneeling pads and blocks for bracing paddlers' feet are permitted. All paddlers must wear a Coast Guard approved flotation device whenever their canoe is in the water. And, of course, good sport-

manship rules will prevail.

Awards will be presented for first, second and third place in all races based upon elimination heats. ACI will award a citation to the team with the best constructed and designed canoe.

Details concerning the "Second Annual Concrete Canoe Race and Festival" can be obtained by calling NJIT or the Union County Department of Parks and Recreation.

## NEWS FLASH!

(Rooter Int'l.) DATELINE WESTFIELD

Authorities have confirmed that the massive traffic jam which literally closed Westfield last week was due to the unexpected arrival of the entire British fleet enroute to the Falkland Islands.

According to Ken and David Welch, owners of Cooky's at 107 East Broad Street, the commander of the British fleet narrowly averted a mutiny by agreeing to allow each seaman a two-week supply of Cooky's Internationally Renowned English Scones.

The fleet had hardly cleared the Port of Newark when A. Haig arrived via helicopter to arrange procurement of Cooky's Famous American Buttermilk Biscuits. Mr. Haig eloquently explained that the biscuits would be invaluable during negotiations in Buenos Aires.

We at Cooky's are proud.

ZIOBRO HEARING

We, the supporters, of Mr. Stan Ziobro feel his rights are being thoroughly violated by school board attorney, Joseph Rizzi's request to have the hearing closed.

We also feel that by indicating that the case be held in Newark in the judge's chambers and not in the County Superintendent's seat in Westfield is a deliberate effort to dilute and deny Mr. Ziobro his widespread support.

THANKS SUPPORTERS

I wish to express my sincere appreciation to all my friends and supporters who helped and encouraged me during my campaign for election to the Westfield Board of Education.

AT&T SETTLEMENT

In January, the Justice Department and the AT&T Company agreed to a proposal which would modify the Consent Decree and put an end to the costly antitrust suit that has been dragging on for the past several years.

THE MAN WHO LIKES HIS SHADE UP SO THE MORNING SUN CAN COME IN -

The new kid on the block enjoys one advantage - a fresh view of the territory! As your "freshman" Assemblyman, I've been taking a close look at state government, checking out my preconceived notions.

To begin, eight of our Assemblymen are Assemblywomen, a distressingly small representation which I would like to see increased.

Win or lose, it has been a very rewarding experience. I have met many wonderful people who shared their opinions and concerns with me.

If I am elected to the board on April 6, I will do all I can to implement the basic philosophy of my campaign - Rapport, Realism, and Respect - in all areas of my duties as a member of the board, and to maintain the highest standards of education for our students.

HUNG UP

A woman writes: I have been married for 15 years and I do not know whether to leave my husband or remain in a dead marriage. I married when I was very young. My father was alcoholic, verbally and physically abusive.

Answer: I have seen some of these films. You might enjoy engaging in some of the sexual situations if you are acrobatic or gymnastic!

A teenager writes: I am 15 years old. I do not like writing about my problem because I do not want anyone to know who I am, but I need help with a problem.

Answer: Frequently, we marry for many reasons. Hopefully, they heavily include love, liking, sharing, compatibility in interests, values and goals.

Still as your representative, I know it will be important to speak out. Distressingly, I've found that much Legislative action is politically motivated, and legislators vote too often on party lines, without considering the merits of a proposal.

## Students and Alcohol Seminar At Roosevelt Cafeteria April 29

Keynoting the three-part "Students and Alcohol" seminar to take place Thursday, April 29, at 8 p.m. at RJHS cafeteria, will be former Senator Anthony E. Russo of Union.

Senator Russo's presentation, "Teenage Drinking and its Effects," will be followed by the film "Chalk Talk" with Father Martin, and small discussion groups led by Union County Council on Alcoholism staff members.

The event is open to the public; parents of children in grades 5-12 are urged to attend the program.

Russo has spent nearly 20 years as a public official. He was mayor of Union (1974); township committee member, 1962-67, 1970-78; assistant Union County Attorney 1966-68. Elected to the state legislature in 1977, he served on the institutions, health and welfare committee.

The guest speaker, a graduate of Lafayette College and Rutgers School of Law, has described teenage drinking as "one of our most serious social problems." While in the Senate, he exhorted governors of New York and New Jersey to raise the drinking age to 21 in both states.

Lowering the age to 18 several years ago was "a great mistake," he has stated. It lowered the age at which youngsters try to "obtain alcoholic beverages to 15. What had been a high school problem is

Father Martin discusses alcohol and alcoholism in the film "Chalk Talk" (revised). The clergyman addresses the reasons people drink; the effects of alcohol on the mind and body; and the symptoms of excessive drinking/addiction. He compares alcohol and other because of similar effects on the system; excessive drinking patterns are explained.

P-T Council chairmen Peggy Dunleavy and Nancy Walbert have planned the seminar so that parents can learn more about alcohol and alcohol abuse in their children. It is estimated they say that 90

percent of teenagers today have tried alcohol, that there are 36,000 teenage alcoholics in the state, a majority of these teenage drinking began in 7th and 8th grades, and that the leading cause of death in the 15-19 age group is the automobile accident and close to 60 percent of teenage accident deaths are alcohol-related.

## Jaycees to Hear Hardwick Saturday

The Jaycees will sponsor a free spring membership breakfast at Geiger's Cider Mill Restaurant on Springfield Ave. at 8:30 a.m. Saturday.

State Assemblyman Chuck Hardwick will speak. The agenda includes an informal slide presentation of the organization and its activities, both civic and social.

The Westfield chapter is currently one of the largest and most active in the state with more than 150 members. Membership is open to all Westfield area men between the ages of 18-39.

Activities include community service and sports social and self-improvement programs.

More information is available from John Ricker at Barrett & Parker, Inc., 43 Elm St.

## Student Exchange Salutes Kullmans

Youth for Understanding (YFU) has saluted Jim and Ellie Kullman, Westfield volunteers who have given generously of their time to work with the placement and support of high school age international students and to present the opportunity of an overseas experience to American high school age students in this community. Through their efforts, the community is involved in international youth exchange.

Youth for Understanding joins the President of the

United States in recognizing National Volunteer Week, April 18-24. He states in his proclamation, "That spirit of giving freely to one's neighbors is the wellspring of compassion underlying the essential decency of American life." Youth for Understanding volunteers open opportunities for students-families to broaden their scope of vision beyond the United States, in an appreciation and understanding of the world, with the belief the effort can further world peace.

## Students Observe Library Week

In observance of National Library Week this week, the children in McKinley School released "Let The Book Bug Bite" balloons. Attached to each balloon was the following message: "National Library Week - April 18-24 - What book have you read or are you reading this week? In what city and state did you find this balloon and message? If you are still in school, what grade are you in and how old are you? Please send this message back to us at McKinley School."

Westfield, New Jersey 07090."

A student representative from each class wrote this message on a self-addressed postcard and attached it to a balloon. The students in the school gathered together for the releasing of the balloons.

As part of "Visit Your School Library Day" during National Library Week, librarians from the Children's Department at the Westfield Memorial Library were invited to attend the balloon send-off and to meet the students.

## Shadow Traffic Gal Speaks To Rotarians

Susan Murphy, from Shadow Traffic presented a program on the service of the Shadow Network supplies at the Westfield Rotary Club last week.

The Shadow network provides radio stations with traffic conditions through out the New York City and Philadelphia metropolitan areas. This organization grew out of a C.B. club in Philadelphia and utilizes C.B. radios that can be operated by a telephone. These are stationed in key traffic areas so that the C.B. transmissions can be monitored by phone.

Information from C. B. monitoring, constant

telephone contacts with police, and observations radioed in from five aircraft are compiled in a central location and from there released to the radio stations. Participating stations do not pay for the service. They give Shadow Network advertising time which Shadow sells to generate income.

This week, the Westfield Rotary Club is joining other area clubs in housing and entertaining a group of people from Sri Lanka and India. The purpose of the visit is an exchange of ideas and cultural experiences.

Susan Murphy, left, of Shadow Traffic, addresses the Westfield Rotary as Jim Fleming, member, listens.

Winterguard In Third  
Competition This Sunday

By Leigh Montana  
WHIS News Service  
The Westfield High School Winterguard will travel to Busch Gardens, Va., for its last competition on April 25 and will accompany the Westfield Marching Band.

The colorguard, consisting of 14 flags and six rifles, has competed in three competitions this season, placing second twice.

The guard, organized two years ago, is directed by David P. Shapiro, band director. Its instructor, Candace Golding, has been with the guard since October, to sharpen marching and twirling skills.

Senior Claire Cotter, guard captain, has been a flag twirler for four years. Assisting Cotter is Junior Heather Henderson, a rifle twirler, who will be guard captain next year. Junior Nancy Micione, a flag twirler, will assist Henderson.

Winterguard is a highly competitive activity. Each guard executes a routine, accompanied by music. There are different effects.

The most popular styles are Military and/or dance. Every guard has only one chance to perform its act of from 4 1/2-7 minutes, but a competition usually lasts for four hours.

There are three classes, novice and intermediate and advanced. The Westfield Winterguard and other newly formed winterguards are in the novice division.

After gaining the necessary experience from participating in more Winterguard competitions, the Westfield Winterguard will move up through the higher classes and compete with the other advanced guards.

Other members of the Westfield Winterguard are Flag twirlers Joan Hoffmann, Paula Wallmann, Holly Henderson, Diane Flynn, Karen Hendrazak, Tricia Brennan, Lisa Brostek, Denise Feinsod, Cindy Gottlick, and Leigh Montana; and rifle twirlers Karen Tabor, Maryanne Kelly, Marybeth Clarke and Vida Edwards.

Exxon shares its talents with students — Michael Mulvihill, teacher at Edison Junior High School, shows students Tracy Catanzaro, Sue Becker and Marey Kessler a scale model of a crude oil processing unit constructed by engineers at Exxon Co. prior to building the real thing. Through the efforts of Andrews and Czarnecki of Exxon, this unit is on loan to Edison and Roosevelt Junior High School for the duration of the school year. This presentation was arranged through the school system's STS (Sharing Talents and Skills) office.

Arts and Crafts Exhibit Saturday

The annual Arts and Crafts Show featuring the work done in the Westfield Recreation Commission's Winter Workshops will be Saturday from 10 a.m. to 4 p.m. in the auditorium of the Elm Street School, 302 Elm St.

Ruth V. Hill, director of recreation, announces that projects created during the fall-winter season will be on display and will include examples of work done by teens from the Edison and Roosevelt Junior High after school workshops in metals, woods and graphic arts. There will be works by the fourth, fifth and sixth grades in the commission's "Art for Fun" program and sculpture, photography, pottery and crafts work by ages 14 and up at the Commission's Elm Street Center.

Members of the Recreation Department's staff will be on hand during the exhibition to discuss their workshops, the exhibits and plans for the next season. "It is exciting to note the growth in the development of skills by our youth in sculpture, pottery, photography and art from year to year," Mrs. Hill noted.

Workshop instructors participating will be Gladys Reimers, sculpture; Kay Stephens, crafts; Rachel Sullivan, hand pottery; Frederick Reimers, (wheel) pottery; Vincent Rivici, photography; Thomas Reynolds, woods; Raymond Bever, metals; Donald Partington, graphic arts, woods and metals and Joseph Hawkins, "Art for

Spring Auditions For Musicians

Young orchestral musicians entering grades 8-12 in the fall are invited to audition for the 1982-83 season of the New Jersey Youth Symphony on Friday, June 4 or Saturday, June 5, at Summit Junior High School. In addition to its regularly scheduled season of five free concerts throughout the area, the youth symphony, under the direction of conductor George Marriner Maul, is planning a New York performance, a benefit "Pops" concert, and participation in an International Music Festival-Competition in Belgium, in the spring of 1983.

Further information is available from NJYS, P.O. Box 477, Summit, 07901.

A winner from last season exhibits her winning picture.

Rachel Sullivan shows a fine point budding artist.

To Preview  
Honda Line  
Saturday

The Eardly T. Petersen Company, 224 Elmer St. has announced the introduction of the Honda Power Equipment Line. While the company primarily features the rotary mowers made by Honda tillers, portable generators and snow blowers will soon be available.

Honda continues its reputation of precision crafted products with their entry into the power equipment market place.

"The mower engine Honda makes has long been considered by the commercial trade to be the finest available, and the construction of the cutting deck, bagging system, and even control cables and linkages is unsurpassed," said personnel at Eardly Petersen's.

Honda has pioneered a Roto-Stop blade brake device that has been adopted by the U.S. Government as the standard by which all future mowers shall be measured, and its three-speed operator — adjustable self-propelled model offers a selection of comfortable walking speeds.

The Eardly T. Petersen Company will host an open house from 9 a.m. - 5 p.m. Saturday, to introduce the Honda power equipment line. Free refreshments, will be available at this preview of the new Honda mower line.

"I switched to gas heat because I needed some work done on the old oil furnace. I felt it would be more economical for me to go to gas heat, so I converted. The gas heat has been fine. We have no noise, and there's no problem with delivery of fuel. In a number of years it will pay for itself."  
George Hoffman, Hawthorne, N.J.

"We like gas heat because it's very convenient and very clean. We use to have to clean our rooms, drapes, and curtains more often with oil heat than with gas heat. And gas heat is very quiet and economical. We found that we're saving more money in spite of the fact that the gas rates went up. Really I'm not kidding."  
Theresa Mussano, West Paterson, N.J.

"I converted my house from oil to gas heat about a year ago. I have saved at least 30% off my fuel bill and, on top of that, by converting to a gas hot water heater I have enough hot water for five members of my family, which we never had before. Also my oil-fired furnace had to run to give me hot water in the summer."  
Ron Markovich, Butler, N.J.

OVER 70,000 PSE&G CUSTOMERS SWITCHED TO GAS HEAT\*

What better proof is there that people prefer to heat their homes with natural gas? There are many reasons for the record-setting switch-over to gas heat. Savings is but one of them! Homeowners are delighted with the cleanliness of gas heat. No more soot to dirty walls, ceilings, drapes and upholstery as with oil heat.

Dependability is another gas heat benefit. You can't run out! No need to worry about fuel delivery or having to pay on the spot for a fuel oil drop. If you wish, PSE&G will put you on a 12-month budget plan.

And those who convert just can't get over the quietness of gas heat. It's as silent as your gas range.

FOR ALL THE ADVANTAGES OF GAS HEAT, SEND FOR PSE&G'S FREE BOOKLET THAT ALSO TELLS YOU STEP-BY-STEP HOW TO GO ABOUT MAKING THE SWITCH TO GAS HEAT EASILY AND QUICKLY.

GAS HEAT IS 25% CHEAPER THAN OIL HEAT.

Community Service Memorial Honors Anne-Marie Henn

TASIS England, a branch of The American School in Switzerland, has announced that beginning with this June's commencement, the community service award traditionally given to that senior who in the opinion of the faculty excels in service to the community, will be awarded in memory of Anne-Marie Henn, the late daughter of Mr. and Mrs. Howard Henn of Westfield.

Anne-Marie Henn

This award will be given annually in perpetuity in her name. Each recipient will receive a book present suitably inscribed. The first paragraph of the citations that will be read out annually at the commencement exercises, will read as follows: "The TASIS England Service Award is presented in memory of Anne-Marie Henn, a member of the TASIS England Class of 1982, who, during her two years at TASIS and her short life on earth, helped make both communities better places to live."

In addition, a silver bowl which will be retained by the school will be inscribed

as follows: The TASIS England Service Award in memory of Anne-Marie Henn 17.8.64-2.3.82 a member of the TASIS England Class of 1982

Miss Henn was an honor student at Westfield High School and a member of the current senior class at the time of her death due to injuries sustained in an automobile accident. While at TASIS she was secretary of the junior class and captain of the cheerleaders.

Charlotte Montgomery

Inservice Speaker April 28

Westfield's "most famous consumer advocate," Charlotte Montgomery, will address Westfield school administrators at an inservice meeting on Wednesday.

"We are quite pleased to have Mrs. Montgomery speak with our administrators during National Consumer Week," said Charles W. Jackson, principal of McKinley School and president of the Westfield Association of Administrators and Supervisors. "We are fortunate in Westfield to have such outstanding residents willing to share their professional perspective with us," he continued.

Mrs. Montgomery was originally scheduled to speak with the school administrators on Monday, April 26; however, the date was changed so she could attend a conference at the White House.

Mrs. Montgomery has been writing a column en-

itled "Speaker for the House" for "Good Housekeeping Magazine" for 26 years. Active in the consumer movement since its beginning, she is the recipient of numerous awards, ranging from the Westfield YWCA's golden anniversary Community Service Award for outstanding professional and civic accomplishments and for dedication to community action to the national Better Business Award for Distinguished Service to Consumers.

A resident of Westfield since she was 10 years old, Mrs. Montgomery is a cum laude graduate of Vassar College and cites an interest in the Westfield public schools which spans many years - from the time she attended them as an elementary school student to the graduation last June from Westfield High School of one of her grand-

2 Pedestrians Injured Monday

Pedestrians were injured in two separate accidents Monday.

William Pierce, 23, of Downer St. was taken to Overlook Hospital for treatment of injuries he received when he was struck by a car on Central Ave. at about 8 p.m. The driver of the car, Frederick Schork, 70 Twin Oaks Terrace and two witnesses told police that the victim darted into the street in front of Schork's car near the Sussex St. intersection.

Jeffrey Mondon, 25, elected to see his own doctor after his right foot was run over in the parking lot at the rear of the Municipal building shortly after 8 p.m. He told police that as a car facing the rear of the building pulled out of a parking stall the right front wheel of the vehicle ran

over his foot. The driver continued backing up as Mondon attempted to alert him that he had been struck.

A motorist was injured and taken to Rahway Hospital after he fell asleep at the wheel of his car on Rahway Ave. between Army and Normandy Drives at 4:45 a.m. Sunday. His car crossed the center lane, jumped the curb, glanced off a tree, hit a speed limit sign and rested against another tree.

A 17-year-old driver received a summons for failure to observe a traffic light after an accident at North and Central Aves. Sunday at 11:15 p.m. The driver and a passenger in the car which was hit were taken to Overlook Hospital with minor injuries.

"Women on Run" In Westfield

Pat Goias of Edison, a marathon runner, will give a free lecture and slide show at The Runner's Edge, Westfield, at 7:30 p.m. today.

"Women on the Run" is for women who want to begin jogging and feel the need for information within a small supportive group setting.

The six week course meets for one hour a week and includes a manual of selected reference materials covering all aspects of the beginning woman runner.

Emphasis will be on pulse-keeping, correct form and pacing, stretching exercises, diet, injury prevention and setting up a running schedule.

Stings Win

The Westfield Stings defeated the Bridgewater Soccerettes by a score of 1-0 last weekend. Wendy Maher scored the Stings' only goal on a penalty shot in the second quarter of the game. Midfield players Joy Shields, Jennifer Ortleb and Karla Rice aggressively passed the ball to the forward line. Offensive players Maren Troum,

Susan Stokes, and Bridget Perry attempted numerous shots to add to their score. During the course of the game, defensive players Jill Voorhees, Susan Breed, Maria Shuvart, Mary Ellen Farrauto, Jennifer Grant, and Erin Doyle successfully prevented Bridgewater from scoring.

AT&T Divestiture Study Proposed By Hardwick

Assemblyman Chuck Hardwick (R-Union) has proposed to create a special 12-member legislative committee to study how New Jersey will be affected by the antitrust agreement between the American Telephone and Telegraph Company and the Justice Department.

The legislation proposed by the Union County Republican is scheduled to be introduced at the April 29 Assembly meeting. A budget of \$15,000 is called for to fund the study.

Hardwick said he is concerned about maintaining the present high-quality telephone service while preventing sharp increases in consumer rates.

"I'm not taking a stand on whether the breakup is right or not," Hardwick said. "I want to make sure the state's rights and consumer interests are protected. New Jersey consumers, businesses, and the thousands of AT&T and New Jersey Bell employees living in the state are going to be affected in some way. I don't want anything bad to happen that we'll look back on and wonder why we didn't know about it before."

The pact between AT&T and the Justice Department, made last Jan. 8, requires AT&T divest itself of its 22 local telephone companies, including New Jersey Bell, which serves 98 percent of the state. In return, AT&T could enter the unregulated computer oriented markets, such as data processing. AT&T would continue long-distance service and would retain Bell Laboratories and Western Electric; its research and manufacturing arms.

The agreement would mean new Jersey Bell will eventually be losing valuable income from its parent company. AT&T will be allowed to keep revenues from the Yellow Pages directory advertising, telephone equipment sales, current funds from long-distance phone charges, and various other services. All this has caused speculation that, to maintain service, local companies may increase their rates beyond the means of their customers, Hardwick said.

Although the divested companies, such as new Jersey Bell, will remain under state regulation, it is not yet certain how much authority regulatory agencies, such as the state Board of Public Utilities, will have over New Jersey Bell rates, Hardwick said. He added that the matter reaches far beyond the rate-setting authority of the board of Public Utilities. Legislative investigation is required to determine if current regulation of the telephone industry is sufficient in light of the changes, he said.

The state Public Advocate has joined with Hardwick in his concerns, which have been expressed by the U.S. Senate and Congress. Both the Senate and Congress have drafted legislation designed to restrict the possible jump in local rates while maintaining present services. But Hardwick said he does not endorse any legislation at this time.

"I want to clear up the uncertainties created by this agreement, one of the most complex antitrust

settlements handed down in half a century," Hardwick said. "I want to get a consensus on what we should do in New Jersey. With so much that is unknown, it is imperative we look into the matter before we are faced with irreversible hardships with something we now take for granted. The public interest requires it," he said.

The proposed committee will monitor the settlement as it develops, and will be entitled to call upon any governmental agency or service for assistance. Hearings on related issues will be held and the committee will report its findings and recommendations to Senate and Assembly leaders periodically.

Called the "Joint Legislative Ad Hoc Committee on the AT&T Divestiture," it will consist of 12 appointed members; six from each the Senate and Assembly. Senate President Carmen A. Orechio will make appointments from the three Senate committees of Transportation and Communications; Labor, Industry and Professions; and Energy and Environment. Assembly Speaker Alan J. Karcher will appoint members from the Assembly committees on Commerce and Industry; Energy and Natural Resources; and Transportation and Communications. Both political parties are to be equally represented.

"Women's Movement" Began 124 Years Ago At YWCA

Bounding into new fields is not new to the national YWCA.

"Our women's movement started 124 years ago," states the national executive director, Sara-Alyce P. Wright.

The YW, in her opinion, features a willingness to change and thus to meet the expanding needs of women and girls.

Wright points this out as the organization marks National YWCA Week from April 18 to 24.

Community need is the key to YW program planning, say Wright. Job training has always been important, with many of the local associations focusing attention on helping women re-enter the job market.

New approaches to the whole subject of health, physical education and recreations also are specialties of the YW, she contends.

"Our goal," she maintains, "is to work with women and girls to provide creative encouragement for them to enhance their total selves and to bound into new and challenging fields."

The Westfield YWCA, founded more than 50

years ago, is typical of the local units in that it offers a wide range of women's oriented classes in addition to its physical education courses. In addition, the Westfield YW has initiated a counseling program for women, offers teen clubs, sponsors garden and young adult organizations and is the affiliate home of the Mothers Center.

In conjunction with the Plainfield YWCA, the Westfield branch also sponsors the Tribute to Women and Industry (TWIN) which will honor 27 local residents at a gala dinner April 22 during National YW Week.

Shirley Renwick is executive director of the YWCA and Michelle Healy serves as president. The facility is located at 220 Clark St.

Fidelity Union

State Board Approves County College Merger

The State Board of Higher Education Friday authorized Union County to establish a public community college by joining Union College, Cranford, an independent institution, and Union County Technical Institute, Scotch Plains, the post-secondary arm of the Union County Vocational Schools.

Legislation will be required to implement the plan, which provides for the governance of the merged institution to be shared by two boards in much the same way Rutgers became the State University in the '50s. The board of trustees, will be primarily responsible for developing policy and operating the institution. The board of governors will be private and self-perpetuating and will hold in trust and administer the private assets of Union College valued at some \$20 million.

"The Rutgers Model," according to the petition submitted to the Chancellor by the Union County Freeholder Board, "offers a way for Union County to establish a public community college by utilizing the private assets of Union College... and the public assets of Union County Technical Institute without the need to build totally new facilities or to compensate the Union College board of trustees for its assets."

Chancellor T. Edward Hollander recommended approval of the public community college in Union County "in recognition of the initiative taken by County College, and Technical Institute officials to propose creation of a new structure built upon the potential of joining a nationally recognized two-year private liberal arts college and a widely acclaimed Technical In-

stitute. "Union County College, as proposed, has the potential to become a public county college of local, State, and national stature," Chancellor Hollander said. "I hope you will join with me in commending County College, and Technical Institute officials for their vision and support in proposing the development of Union County College."

The board approved the petition of the Freeholders to establish a public community college in Union County "contingent upon enactment and implementation of legislation enabling the merger of Union College and Union County Technical Institute; granted a license to Union County College through June 30, 1984, "pending passage of enabling legislation requested reports 'on activities proposed in the petition," and ordered the department to conduct licensure reviews and visits in the spring of 1983 and 1984.

### Area Artisans In Showhouse Boutique

Three Westfield craft-people and a local antiques company will be included among the more than 60 participants in the Carriage Collection Boutique to be held at the turn-of-the-century carriage house of the Monday Afternoon Club in Plainfield in conjunction with the Plainfield Renaissance Designer's Showhouse.

Westfielders who will be associated with the boutique, which will be open to public during the month of May, are: Bev Baker, who will offer decorated specialty items; Janice Metzger, who will provide handpainted purses and tee shirts; and Colleen Volpe, who is creating soft body dolls. Koreana Antiques, Inc. of Westfield will be represented with oriental pieces and accessories.

The showhouse, boutique and Loft Gallery (works of

contemporary New Jersey artists) will be open from May 2 through May 30, from 10 a.m. to 4 p.m., Thursday evenings until 8 p.m. There is no charge to visit the boutique or gallery.

The Showhouse is sponsored by the Auxiliary of Muhlenberg Hospital to raise funds for the development of a high risk nursery.

### Chansonettes To Perform For Seniors

The Chansonettes of Westfield, a women's choral group directed by June Cotter of Summit and accompanied by Jean Schork of Westfield, will perform May 5 for the residents of the Senior Citizens Housing Center. Recently, the group appeared at Ashbrook Nursing Home.

Any program chairman wishing to engage the Chansonettes is asked to call Phyllis Anderson of Highland Ave. for further information.

The program includes a group of songs by Jimmy McHugh and Dorothy Fields: "Wonderful Copenhagen," "Please, Mr. Please," and "One," from "A Chorus Line." "On the Sunny Side of the Street" will be sung by a trio: Dorothy Campbell and Mary Strickland of Westfield and Muriel Lawrence of Roselle Park.

Any area woman who likes to sing for fun — is welcome to join the Chansonettes, whose rehearsals are on the first and third Wednesdays at the Presbyterian Church in Westfield. Please call Mrs. Campbell of Cowperthwaite Pl., for further information.

### MUSIC Presents Concert

The chorus of MUSIC, under the direction of Garyth Nair, will present its last concert of the 1981-1982 season Saturday at 8 p.m. at the Crescent Avenue Presbyterian Church in Plainfield. Accompanying the chorus' program of music from 17th-century Italy will be the Chamber Symphony of New Jersey, founded by Mr. Nair in 1973.

Tickets will be available at the door.

### "Godspell" At WHS Next Week

The Westfield Chorale will present "Godspell" April 29, 30 and May 1 in the Westfield High School auditorium at 8 p.m.

The musical is based on the Gospel according to St. Matthew. A 15-member cast uses theatrical techniques to act out the stories and parables of the Gospel. Sophomore Marc Evan Acito will play the part of Jesus Christ. He has played Bunnhorn in "Patience" with the Westfield Community Players, Pippin in "Pippin" at the French Woods Festival of Performing Arts, Albert in "Bye Bye Birdie" at the Westfield Summer Workshop and Curly in Roosevelt Junior High School's production of "Oklahoma." In addition, Acito studies ballet jazz, tap, voice and acting at the Manhattan Theatre Workshop.

Mike Weingart will play the part of John the Baptist and Judas. Weingart has played Finch in the

Westfield Summer Workshops production of "How to Succeed in Business Without Really Trying" and Hugo in "Bye Bye Birdie" also at the WSW. At WHS he has played Nathan in "Guys and Dolls," and has appeared in "The Man Who Came to Dinner," "The Crucible" and "Our Town."

Tracey Wright will sing "Day by Day," "Learn Your Lessons Well" will be sung by Linda Husted. Amy Brown will perform "Bless the Lord." Robert Cozzi will sing "All Good Gifts."

"Learn Your Lessons Well" (reprise) will be sung by Mike Barton and "Light of the World" by Paul Kranz. Seniors Cindy Lloyd and Judy DeVido will sing "By My Side." "On The Willows" will be performed by Paul Kranz, Julia Dillon, and Tracey Wright.

Tickets are available at WHS or at the door.

### Players To Present Hostage Drama

Drama builds when escaped convicts take an innocent family hostage in Joseph Hayes' "The Desperate Hours" which the Westfield Community Players will present as the final play of the current season for three weekends beginning April 30. The box office at the theatre, 1000 North Ave. West opened Monday. Reservations may also be made at Rorden Realty and Jeanette's for any of the six performances scheduled for Friday and Saturday evenings with an 8:30 curtain.

Following the opening performance a champagne reception will enable the audience to meet members of the cast. Directed by Maurice J. Moran Jr., the cast includes a number of actors familiar to patrons of the Players and a number of newcomers from Linden, Plainfield, Summit, Livingston, Cranford, and Fanwood.

When the drama opened on Broadway it starred Paul Newman and Karl Malden. In the intervening years, the director of the Westfield production has pointed out, few towns have escaped the consequences of hostage situations so that the play has a

Trombonists (from left) Dick and Signe Woodin, John Cook and Ron Dickinson will perform at one of the homes on Abendmusik's House Tour With Music, Sunday from 2 to 5 p.m.

## Abendmusik Tour Features Musicians, Homes

Musical groups will perform in four homes during Homes and Harmony — A House Tour With Music Sunday between 2 and 5 p.m.

The tour will benefit Abendmusik, an organization consisting of the Choir of Men and Boys of St. Paul's Church in Westfield and a New York-based baroque orchestra. Abendmusik is dedicated to performing authentically using original instruments, the works of J. S. Bach, Handel, Purcell, Vivaldi and other composers of the baroque era.

Mulberry Cottage is one of the four houses on the tour. It was built in the first decade of this century by Arthur Rule and was one of the original houses built in Wychwood before the stock market collapse led to an economizing on building methods and materials. Colonial in style and very traditional, the Mulberry Cottage has diamond-paned, leaded glass windows, window seats which show the two feet thickness of the walls, glass-fronted dining room corner cupboards, polished floorboards of differing widths, and a living room fireplace mantel said to have been brought by Arthur Rule from the New York house of President Monroe.

Groups of musicians will perform at Mulberry Cottage and three other Westfield homes.

At one home, Charles Osborne, (tenor) Patrick Clynnes (bass), Ann Weeks (soprano) and Vivien Cook

(alto) form a madrigal group who will perform works from the First Golden Age (1525-75) of English Madrigals.

At a second home, a trombone group consisting of John Cook, Ron Dickinson, Dick Woodin, Signe Woodin, Chase Acito and a New York-based baroque orchestra. Abendmusik is dedicated to performing authentically using original instruments, the works of J. S. Bach, Handel, Purcell, Vivaldi and other composers of the baroque era.

Dennis Hyams who, in addition to being an accomplished pianist, has composed an opera and also recently set to music some poems by Plainfield writer, Adele de Leeuw, will accompany Don Sheasley (baritone) at another home. Mr. Sheasley sings with the Princeton Opera, the Trenton Civic Opera and the Jersey Lyric Opera. Together they will perform Vaughan Williams "Songs of Travel." Dr. Hyams will also play Debussy "Suite Bergamesque" and a number of lyric pieces by Grieg.

At the fourth home, a string quartet (Diane D'Almeida - violin, Marsha Peterson - violin, Joseph Ragno - viola, and Hilary Brice - cello) will play a selection of works by Mozart, Haydn and Mendelssohn.

Tickets for the tour are tax deductible and available from Rorden Realty, Inc. or Hilary Brice of Westfield.

#### Benefit Concert May 1

The Colonial Chorus of Westfield, the Hickory Tree Chapter of the Sweet Adelines and a number of barbershop quartets will perform in a benefit concert for Our House, Inc., a home for the developmentally disabled, May 1 at 8:15 at Summit High School.

During the intermission, the emcee, Gordon Tremaine, curate of Calvary Episcopal Church in Summit, will auction an Apple computer, a portable gas grill, a Waterford crystal vase and a gift certificate from Miss Nellie's of Summit.

Tickets are available by calling Our House, Inc., 24 Beechwood Rd. in Summit.

home of the president, Mrs. Charles M. Pond of Westfield, plans for a spring luncheon to take place on Wednesday at Echo Lake Country Club were finalized. Mrs. Henry M. Bosman of Springfield is chairman.

There will be an election of officers and new members will be welcomed. Entertainment will be provided by the Pingry School Boys Choir, "The Button-Downs."

### Collegians

James c. Carl of Westfield, a sophomore history major at Union College, is studying in Vienna, Austria, this spring under the college's "Terms Abroad" program.

A 1980 graduate of Lawrenceville High school, Carl is the son of Mr. and Mrs. Charles G. Carl of 100 Wychwood Rd.

## "Carousel" At Pingry

The Pingry School Mothers' Association will hold its second annual "Carousel," a boutique and luncheon event, Monday and Tuesday at the school, 215 North Ave., Hillside. Carousel will be bringing together an array of shops and boutiques providing shoppers with the opportunity to purchase items often unavailable through other sources. A new feature this year will be "The Pingry Pantry," which will feature a variety of frozen foods to take home.

On Sunday a preview cocktail party and Mercedes fundraiser will be held to launch the two-day event. The fully equipped, blue Mercedes 300D, was donated by E.K. Cummings of Elizabeth; the recipient will be announced by Mrs. Thomas Kean, whose children attend the school and Gloria Rojas, ABC Network News.

Co-chairmen of Carousel are Mrs. Franklin Di Spaltro of Livingston and Mrs. Elaine Tucker of Short Hills. Chairmen of Preview Night are Mrs. Debbie Taylor, three of whom form the trombone section of the Irvington Symphony Orchestra, will play selections spanning the 17th to the 20th century, most of which were written originally for trombone.

Carusel will be open on Monday from 10 to 6 and on Tuesday from 10 to 4. Tickets are available at the door and there will be free parking on the campus.

Luncheon, provided by "In Good Taste" of Millburn will be served from 11:30 to 1:30 each day.

### Kitty Duncan Lauded As Volunteer

In recognition of National Volunteer Week, the Junior League of Elizabeth-Plainfield has cited Kitty Duncan, registered pharmacist and proprietor of Jarvis Pharmacy in Westfield, for successfully combining professional and community responsibility. Duncan has been a member of the League for more than ten years. She has addressed the issues of children's rights and womens' concerns through community agencies, particularly at the Elizabeth YWCA.

National YWCA Week featured ... Bernadine Liebrich, publicity and public relations chairman for the Westfield YW, stands next to the YW's display, currently featured in the Westfield Memorial Library. The YWCA, which is celebrating its 124th birthday, constantly updates its programs. Programs are offered for women of all ages and interests: an Awareness Club for minorities, Y Teen and Young Adult groups, Newcomer's Club as well as physical fitness, career guidance, health education, new employment opportunities and arts and crafts. The YW's newest program is a short-term counseling program, directed by Blanche Roth, which will provide up to 12 hours of counseling to women with specific acute situations or problems.

Arrangements for the display were made by Anne Wood, display case chairman for the Friends of the Library.

## Miller-Corey Offers Housewrioting Demo

Using tools that were used in the 18th and early 19th centuries, Henry Anderson, John Boyd and Jack Skerratt will demonstrate the crafts of housewrioting at the Miller-Cory Museum, Sunday. The skills involved in constructing a shelter were basic to the early colonists who often built their own homes, sometimes assisted by neighbors.

Felling trees, hewing logs into beams, making mortise and tenon joints, molding trim and making skingles were among skills

required. The three craftsmen on Sunday will exhibit and use chisels including mortising and two-bladed angle chisels, mallets, augers and a froe for making shingles.

The museum at 614 Mountain Ave. is open on Sundays from 2 to 5 p.m. for guided tours by costumed docents who depict the life of an 18th century farm family.

Rain date for the housewrioting demonstrations will be May 2.

### Mrs. Ferguson To Discuss Westfield History

Mrs. Pamelyn Ferguson, reference librarian of the Westfield Memorial Library, will be the guest speaker at the meeting of the literature and drama department of the Woman's Club of Westfield on Monday at 1:30 p.m. The title of her talk is "Preserving the History of Westfield."

Mrs. Ferguson's concern with Westfield's history goes beyond the natural interest of a professional librarian. She looks upon the careful maintenance of current records and the documentation of past events as a legacy to be handed down to future generations of Westfield citizens.

In addition, Mrs. Ferguson has a personal absorption with the subject. Not only did she live here as a young girl, but so did her mother, and many of her ancestors as far back as the mid-eighteenth century. Mrs. Ferguson and her husband, Gerald, have been Westfield residents for a number of years.

As a trustee of the Westfield Historical Society and as an organizing member and trustee of the Genealogical Society of the West Fields, Mrs. Ferguson has pursued various avenues of research in the town's development as well as of her own genealogy. Together with other members of both societies, she has recorded land deeds and the tombstone inscriptions from the Colonial Cemetery of Westfield. She compiled the index to the "History of Westfield," by Charles A. Philhower, and has checked the indices of many similar books. Mrs. Ferguson often travels to libraries throughout the state in order to photocopy records pertaining to Westfield property, events, and families. These have been added to the historical and genealogical files of the Westfield Memorial Library.

Mrs. Ferguson is a graduate of Douglass College where she was an English major. She received her masters degree from the Graduate School of Library Service at Rutgers University. The literature and drama department invites all members of the Woman's Club to attend this meeting. Following the program, tea will be served by Miss Mildred Murphy and her committee.

### Workshop For Gardenaires

The Gardenaires Club of the Westfield YWCA, will meet Wednesday at 12:45 p.m. at the home of Ruth Samuelson who will conduct a workshop on building a plant tower with Impatiens. A trip to the Bronx Botanical Gardens is scheduled for May 26.

### Violinist and Pianist To Play At Church

Two critically acclaimed young artists, Cho-liang Lin, violinist and Ken Noda, pianist, will give their first public performance together at the Presbyterian Church of Westfield on May 16 at 4 p.m. This event is a presentation of Mostly Music in conjunction with the Sanctuary Series.

Mr. Lin and Mr. Noda both made their N.Y. Philharmonic debuts under Zubin Mehta this past season. They are currently performing extensively in the U.S. and abroad as soloists with leading orchestras as well as recitalists. Their Westfield appearance marks their first joint recital. The program includes three sonatas for violin and piano; Mozart K454 in B flat, Beethoven A major (The Kreutzer) and Brahms D Minor.

International acclaim has mounted steadily for Cho-liang Lin since the Chinese violinist arrived in the U.S. at the age of fifteen to study at the Juilliard School with Dorothy DeLay. Mr. Lin won first prize in the Queen Sofia International Violin Competition in Madrid, the 1977 Aspen Music Festival Competition and was chosen as soloist at President Carter's Inauguration Day concerts. He was one of the five young musicians to be chosen by Isaac Stern to join him in celebrating

Wellesley Club Sets Meeting

The New Jersey Wellesley Club will hold its annual meeting and election of officers at the Florham Park Country Club, 236 Ridgedale Ave., Florham Park on Tuesday evening. Guest speaker will be Robert C. Morris, former assistant minister of Calvary Episcopal Church, director of Interweave, a center which offers programs in holistic living. His topic will be "The Exceptional Woman and Stress: Ways to Live with Her/It."

### Collegians

James Feingold, Andrew Laessig, Donald Tobey, Yvette Wagensommer and Valerie Watts, all of Westfield, have been named to the dean's list for the fall, 1981, semester at Fairleigh Dickinson University, Florham-Madison Campus.

his sixtieth birthday in a sold-out concert at Carnegie Hall. Last season Mr. Lin performed with the Philadelphia Orchestra, the Los Angeles Philharmonic, the Pittsburgh Symphony, Mostly Mozart, Spoleto and Marlboro Festivals. He also toured China in 1981 and performed with orchestras in London, Rotterdam, Rochester and Toronto.

Ken Noda was born in New York in 1962. His musical studies began at the age of five. Two years later, he was accepted as a scholarship student at the Juilliard School where he studied with Sylvia Rabinoff and Adele Marcus. He presently studies with Daniel Barenboim and Rudolf Kirksun. Mr. Noda has appeared with many orchestras in the U.S. and Europe including the Berlin Philharmonic, the Chicago Symphony, the Orchestre de Paris, the Israel Philharmonic, the Royal Philharmonic and the Saint Louis Symphony, Mehta and Zuckerman. Most recently, he played for the first time with the London Philharmonic under Raphael Kublick. Mr. Noda has written five operas, the first of which was presented by the New York City Opera in 1976. For further information, call Claire Angel of Westfield.

### Local Potter On TV

Albert Green, noted potter of Westfield, will be among several New Jersey artists featured on the premier television program, "State of the Arts," hosted by Liz Matt. This new weekly series will highlight major artists in New Jersey. Mr. Green will be visited in his studio.

The first program will be seen tomorrow at 8 p.m. and repeated Sunday at 6 p.m. on the following channels: 50 (Montclair), 52 (Trenton), 23 (Camden) and 58 (New Brunswick).

Dancers from Westfield and other nearby towns are practicing "We're in the Money" from "42nd St." for performances Sunday at Cranford High School, West End Pl., Cranford. The program is sponsored by the Fusion Dance Theatre and Yvette Dance Studio. Dancers of all ages will appear at the 1 p.m. and 4 p.m. performances. Tickets may be purchased at Yvette Dance Studio in Cranford or at the door.

### Collegians

Maura Clancey, a senior at the University of Maryland, has been inducted in Phi Kappa Phi, national honor society and Omicron Delta Kappa, national leadership society. She is a 1978 graduate of Westfield High School and the daughter of Mr. and Mrs. William G. Clancey.

As a result of her performance during the fall semester, Helen Pepe of Alden Ave. has been included on the president's honor list at Union College. Mrs. Pepe recently was elected to Phi Theta Kappa, a national honor society, and is on the staff of UC Scroll, the college newspaper.

William Prodo, a senior civil engineering major at Lafayette College in Easton, is pledge master of Alpha Chi Rho fraternity. He is the son of Mr. and Mrs. Kenneth Prodo of 215 Jefferson Ave.

Sally Ann Schaefer of 757 Summit Ave., was named to the honor roll at East Carolina University, Greenville, N.C. for the fall semester. Students making the honor roll have a B average with no grade lower than a C.

### Bucknell Alumni Party May 7

The Bucknell University Club of Northern New Jersey will meet for its annual cocktail party at the Montclair Country Club, Prospect Ave., Friday, May 7, at 6:30 p.m. The special guest for the evening will be Richard Skelton, Bucknell's dean of admissions.

Officers of the club are Charles "Chip" Walsh of Ridgewood, class of 1976, president; Donald Husch of Westfield, class of 1964, vice president; Kathleen O'Grady Ashenfelter of Glen Ridge, class of 1976, treasurer; and Debra Coulter Jangraw of Chatham Township, class of 1975, secretary.

The oldest continuously inhabited city in existence is Damascus in Syria.

Sonia Lewis of Westfield will sing selections from the role of Prince Orlofsky in Johann Strauss's Die Fledermaus at the center stage of The Mall at Short Hills on Sunday, at 3 p.m. Miss Lewis will appear at the Mall in a special program by the Jersey Lyric Opera Company entitled "Lyric Overtures of Die Fledermaus."

**BAN BEDTIME BOTTLE**

Q. My baby won't go to sleep without a bedtime bottle of juice. Can this harm his teeth?  
A. When your child falls asleep at night his saliva production decreases and along with it his ability to wash sugars from his mouth. This allows the liquid from the bottle to pool around the teeth, and the longer the liquid remains the greater the chance for decay. The result can be "nursing bottle mouth." The teeth can literally decay to the gums, become impossible to fill, and may have to be removed. Try diluting the juice with water, adding more each night until your child accepts plain water.

This column is presented in the interest of better dental health. From the office of

### JV Softball Team Undefeated

By Laura Schwartz  
The Westfield High JV Softball team rolled over Irvington, Montclair and Johnson Regional, extending its record to 4-0 on the year.

against Montclair and 18 against Johnson Regional. Charlotte Tweedie leads the team in home runs with 2, followed by Lisa Brown, Kim Canata, Lisa Fleishman, Stacy McCall, Sally Parizeau and Judy Zeikel all with one each. Gail Barker leads the team in RBI's with 12, including 3 doubles and 9 hits rounding out her batting average to .750. Sally Parizeau, one of two freshman on the

team, has the highest batting average of 1000 going 8 for 8.  
Strong pitching by sophomore Lisa Brown and Junior Maya Hall was a key factor to the 4-0 record. Lisa Brown (3-0-1) has walked four people in the last four games, struck out 10, has let up only 5 hits and has an ERA of 0.00, while relief pitcher Junior Maya Hall (1-0-2) has walked 10, struck out 6, allowed 9 hits and has an ERA of 5.00.

### Rockets Edged 2-0 By Chatham

The Westfield Rockets missed several opportunities to score in a nip-and-tuck 2-0 loss on Sunday to a Chatham Twp. squad.

The Division V Rockets, consisting of the best players in town of those born in 1973, reportedly played steady ball despite giving up the goals in the first and third quarters.

Joey Agnone, Doug Augis, Matt Bilodeau and Matt Fahey alternated in fullback posts and recorded numerous steals followed by return of the ball to the offensive line.

The Chatham forward line experienced difficulty finalizing many of its plays as Rocket backs, including Paul Cavalchire, Todd Luka, Eric Reisner and Christian Leshar exhibited aggressiveness in halting scoring bids.

Westfield's front-line positions were played alternately by David Goldner, Peter Lehmkuhl, David Sprague, Ted Danzer, Peter Cirasella and Andrew Hanlon, while Mike Wright and Paul Jordan shared goalie duties.

### Geier Head Trainer At Montclair State

Jeanine Geier of Westfield newly began this academic year as part of the faculty/staff of Montclair State College.

Geier is the new head athletic trainer. She holds a B.S. from Ursinus College, and a M.S. from Ithaca College. She goes to the college from an instructor's post at the Pingry School in Hillside.

### Ramblers To Peek At Buds and Blooms

"Wildflower Pilgrimage," a spring walk in search of buds and blooms, is the Sunday Trailside Nature and Science Center program. The 2 p.m. ramble leaves from the Sky Top picnic area of the Watchung Reservation.

Holly Hoffman, director of this Union County Department of Parks and Recreation facility, will lead the hike which will follow the Sierra Trail. Dutchman's Britches, Violets, Solomon's Heels, Wild Geraniums, Wood Anemones, Spring Beauties and Trout Lilies are among the colorful blooms that may be found. If it rains, the pilgrimage will be transformed into a slide show.

Saturday and Sunday are the last days the Trailside Planetarium will present

"Astrophotography and You" as the 3:30 p.m. April show. The May weekend program is "Beyond the Solar System," which explores what may exist outside of our celestial realm. This weekend's children's planetarium show relives the magic and the excitement of "The First Man on the Moon." It will be shown on Saturday and Sunday only at 2 p.m.

Trailside is accepting registration for spring's second "Night Hike." The sensory nature walk and star gazing session will be held, weather permitting, on Tuesday, May 4 at 7:30 p.m.

Information regarding "Wildflower Pilgrimage" and the planetarium shows can be obtained and registration for the "Night Hike" can be done by calling Trailside.

Stan Lipson of Westfield announced today that the Great Canoe Race of 1982 will be held on the Delaware River.

The race course on the Delaware River will be held on the Pennsylvania side just below Frenchtown. The greatest excitement will come as canoes pass through the Lumberville wing dam where most of the river is funneled through a flume of about 20 yards in width.

### Great Canoe Race Saturday

A half hour lunch stop is made at Tinicum Park, on the Pennsylvania side just below Frenchtown. Winners are those who make the fastest time for the 20 mile stretch of water. The race will start the first

canoes at 8 a.m. at Riegelsville, and will end at about 3 p.m. Spectators may watching the approximate 150 canoes traverse the wing dam near the finish line at Bulls Island State Park, Raven Rocks.

## 34 Women To Share Unique B'not Mitzvah Rite

Temple Emanu-El of Westfield will hold a special celebration as part of its Erev Shabbat services Friday evening April 30. That evening, 34 women will become B'not Mitzvah and accept their place among those whose studies of Jewish customs and traditions have led them to become active members and leaders of the Jewish community.

The story behind this unique occurrence began two years ago, when the women undertook a course of study developed by Rabbi Howard F. Seldin-Sommer, associate rabbi and director of education at Temple Emanu-El. They started their studies, meeting every Tuesday night, in the hopes of gaining an insight into the scope of Jewish knowledge. Beginning with a general overview of

Jewish history, the class investigated the origins, rituals and ceremonies of Jewish holidays and life cycle events. They also explored the basic theological and philosophical themes and concepts of Jewish tradition. The class also spent a great deal of time examining the nature of Jewish prayer and worship. To accomplish this, they first had to master an ability to read and comprehend Hebrew.

As the class neared the conclusion of its two year course of study, the class members created an evening Shabbat service to celebrate their B'not Mitzvah. An important part of the service will be the public acknowledgement of a Bat Mitzvah by proxy for a young Soviet Jew named Diana Altman. Because of the oppressed

state of Soviet Jews, Diana, whose thirteenth birthday anniversary is this month, will be unable to become a Bat Mitzvah as part of a public ceremony. The class through the Bat Mitzvah proxy will thereby share their celebration with her.

Adult Bat Mitzvah is a relatively new Jewish life-cycle ceremony. It reflects on the desire of Jewish adults to gain greater knowledge in their heritage and become more active and informed members of the Jewish community. The 34 women who will become B'not Mitzvah constitute the largest class in New Jersey and one of the largest ever to participate in such an event in the United States. The members of the class are:

Meri I. Barer, Laura R. Beller, Phyllis Buchsbaum, Marcy E. Cheren-sky, Susan Chorost, Carol I. Cohen, Sylvia Cohen, Carole Friedman, Rona Geiser, Carol Ginsburg, Florence Hagman, Nora Hamerman, Florence Jacobs, Susan Jacobson, Jackie Kesselhaut, Karen Klein, Susan Kowlowsky, Barbara R. Krohn, Stella Liebesman, Mollie Lind, Phyllis L. Reiss, Carol Rosner, Judith M. Sandler, Renee C. Schleifer, Arlene Schmitzer, Sondra Share, Joan M. Sladkus, Judith Tell, Carole Thau, Marlene Van Poznak, Terri Weinstein, Andrea Wiener, Lee Wortzel and Cynthia Zemel.

The community is invited to share this celebration. The Friday evening Shabbat service will begin at 7:45 p.m. at Temple Emanu-El, 756 East Broad St.

## Church Women United To Hear Mrs. Beglin

Mrs. Helen Beglin will be guest speaker at the annual Church Women United May Fellowship Day Luncheon to be held at the Presbyterian Church at 1 p.m. May 7.

Mrs. Helen Beglin

Mrs. Beglin graduated Phi Beta Kappa from Agnes Scott College and is also a graduate of Princeton Theological Seminary. She has worked as a home minister with the Presbyterian Church in Appalachia and in California in the Migrant Ministry. She has been director of Christian Education in Tennessee, Brooklyn and Elizabeth, A writer and storyteller, she has told stories to groups of all ages around the country in reformatories, hospitals, migrant labor camps, mining villages, inner city drug rehabilitation "Live-In-Center" and rural tent meetings.

As a free lance writer, her work has appeared in several leading magazines. Her husband, Edward, is a superior court judge assigned to Union County. A son and daughter attend the Westfield public schools. Her topic will be "His Story and Ours."

Mrs. Grace Belcher is general chairman of the luncheon with Mrs. V.E. Moore in charge of tickets. The women of the Women's Association of the Presbyterian Church will prepare and serve the luncheon. Mrs. D. Evangelista is president of the Women's Association; Mrs. F. Heidi Slocum is president of the local unit of Church Women United.

A Bible study will precede the luncheon, and babysitting will be available.

## Ninth Graders To Lead Service

The members of the confirmation class will lead the worship service at the First Congregational Church at 10 a.m. Sunday.

The class chose as its theme for the worship service: "The Christian Faith and Family Life." The sermon will be divided into four sections under that heading. Craig Dill will talk about the place of Faith and Trust; Tom Huff will speak on Understanding and Listening; Douglas Yarrington will speak on Forgiveness; and Jerry Chen will speak on our Responsibility to One Another.

The confirmation class is a year long program for ninth graders that prepares them for church membership, and is under the direction of the Rev. John Wilson, senior minister of the church.

The children's sermon will be given by Steve Mathews and Andy Yearley, and the pastoral prayer will be given by John Brunell. Christa Esbeck will lead the opening prayers, and Wendi Pass will read the Scripture Lesson. Taylor Wright will be responsible for the concerns of the church.

## Contact-We-Care Cited By President

Contact Teleministries U.S.A., parent organization of Contact-We Care, area 24-hour hotline for the troubled, was among 18 groups and individuals cited by President Reagan Thursday at the White House for outstanding volunteer achievement.

Reagan said the citations were to "call attention both to what is being done and to what can be done through voluntary action." The award for Contact was received by National Director Rev. Robert Larson from Mrs. Reagan who made the presentations.

Contact-We Care, through its more than 100 trained adult volunteers, offers a listening ear around the clock for people who need someone to talk to about personal problems. Contact-We Care may be reached at 232-2880.

The phone center's companion service, Deaf Contact on 232-3333, serves the deaf community through

**YOUR PHARMACIST SPEAKS**  
by Kitty Duncan, Pharmacist

If you have any questions on how to properly store your medicines give us a call at JARVIS PHARMACY, 54 Elm St., 233-0662, 0664, 0666. Our free delivery service includes all types of merchandise, within reason. Nature's Bounty vitamins and minerals are stocked. Your Mother's Day gift can be met here. We handle many fine items including franchised cosmetics, greeting cards and Leggs. Open: Mon. thru Fri. 9 am - 9 pm, Sat. 9 am - 6 pm, Holidays 9 am - 1 pm.

If improperly stored, prescribed medicines can break down into products that can produce hazardous side effects. For example, tetracycline can deteriorate to a toxic by-product if stored improperly. Light can be detrimental to certain vitamins, some tranquilizers, various antibiotics and certain blood pressure medications. A medicine may also lose its effectiveness if not sealed. Nitroglycerin, a medication for patients with serious heart problems, was tested and found to have lost 84% of its original potency after 3 months. All of which is to say that the patient is responsible for taking medicine as prescribed and storing it properly as well.

**HELPFUL HINT:**  
Sodium bicarbonate should not be regularly used as an antacid by those on a low-sodium diet.

Junior Stickmen Begin Season

The Westfield Junior Lacrosse League team (Grades 4-6) began its season with a scrimmage on March 27 against Long Valley. Despite inclement weather, an awesome number of opponents, and a defeat, the team members made a fine showing.

With practices and skill-building sessions, they readied themselves for the Saturday away match at Maplewood — a community-wide lacrosse program. The line-up included: Defensesmen, Bob Flip-pone, Phil Linden, Steve

Miller; Attacks, "P.J." Fischer, Lucas Miller, Tim Nolan, Chris Wade; and Middys, Brian Calvert, Jeff Hurley, Chris Malenowski, Todd Prybylski, Rich Seely and Brad Strout.

Throughout the first half, the attacks dominated the game with goals scored by Todd Prybylski and Rich Seely, ably-assisted by Chris Malenowski and Tim Nolan respectively. The defensesmen held their own allowing only a single goal in the first half.

Special mention must be noted in Chris Miller's stellar performance at goalie in stopping 20 shots.

Noteworthy as well, was Chris Ward in his resilience after a nasty hit toward game's end.

While Maplewood was the victor in this 5-2 dual, this team can be especially proud of their performance — for many, their first game — and their enthusiasm for the next one.

For those interested, the next game for this age group will be on May 1 against Mountain Lakes at 10 a.m. behind Edison Junior High School.

Further information about lacrosse for children grades 4-6, is available from Tom Sprague.

Hotspurs Win First Two League Games

The Westfield Hotspurs won their first two league games this past weekend by defeating Scotch Plains, 2-0, and Bridgewater, 4-3. In both games the Westfield team played with only ten men, and still managed to control the play. Against Scotch Plains, the offense did most of the work, while the defense was called on very few times. Goalkeeper Joe Longo made some spectacular saves in the first

half, but barely touched the ball in the second. Westfield got its goals on a direct kick by Nikhil Singh, who blasted the ball over the goalie's head, and from Phillippe Zanet, on a head ball from Tom Miller's throw-in.

On Sunday, Westfield had a more difficult time. Poor officiating prevented the Westfield attack from getting started, and soon Westfield was down 1-0. But Westfield fought back

and Mike Schuvert piced up; the rebound of Jeff Schmalz's shot, and neatly put it into the net, tying the game. But again the referee was against Westfield, and Bridgewater soon took a 3-1 lead on some very questionable calls.

Westfield did draw to within one by the end of the first half on a penalty kick by Nikhil Singh, however, and seemed to be controlling the game more. In the second half, Westfield tied the game for the second time on a head ball by Singh off another of Miller's throw-ins. Then play was limited to the middle of the field for the rest of the game until Bill Macaluso took the ball, beat his man, and drew the other defenders toward him, then he put a beautiful ball across to Singh, who beat the keeper with a low shot to the opposite corner.

PUBLIC NOTICE

THE WESTFIELD PLANNING BOARD WILL MEET AT 8:00 P.M. ON MAY 3, 1982 AT 10:00 P.M. TO HEAR AND CONSIDER THE FOLLOWING APPEALS FOR VARIANCE FROM THE WESTFIELD ZONING ORDINANCE. MEETING WILL BE HELD IN THE COUNCIL CHAMBERS AT THE MUNICIPAL BUILDING, 425 EAST BROAD STREET, WESTFIELD, NEW JERSEY.  
The appeal of the Presbyterian Church at 140 Mountain Avenue will be heard to relocate an existing parking lot on property adjacent to the church on Lots 2, 3, and 28 feet of Lot 4 in Block 301 on the Tax Map of the Town of Westfield, an RM 1 Zone. A variance is required for the following reasons:  
1. The non-residential parking area will cover the principal portion of the lot including front and side yards contrary to Section 917 Par. 4.9 of the Zoning Ordinance which specifies non-residential parking in a residential area shall not use front and side yard.  
2. Section 1005 Par. C-9 of the Zoning Ordinance provides for conditional use of church property for parking but not located within front yard area or within 25 feet of property line. Side yard will be 13.7 feet and at the rear parking will be within 5 feet of Min-dowskin Park.  
APPLICATION AND PLANS MAY BE INSPECTED IN THE OFFICE OF THE PLANNING BOARD SECRETARY, PUBLIC WORKS CENTER, 959 NORTH AVENUE, W. WESTFIELD, MONDAY THROUGH FRIDAY BETWEEN THE HOURS OF 9:00 A.M. TO 5 P.M.

# Major League Play Underway

The 1962 Major League season got underway this past weekend with the Dodgers and Cubs in the National League and the Athletics, Senators, and Yankees all getting off to a 2-0 start to share their respective league leads.

American	W	L
Athletics	2	0
Senators	2	0
Yankees	2	0
Twins	1	1
Tigers	1	1
Orioles	0	2
Indians	0	2

National	W	L
Cubs	2	0
Dodgers	2	0
Astros	1	1
Reds	1	1
Braves	0	2
Mets	0	2
Pirates	0	2

**Yankees 11**  
**Twins 2**  
 The Yankees had a very good game at the plate in beating the Twins 11-2. Neil Horne had 3 hits and Jim Murphy had 2. Steve Chesney added a triple and scored twice. Terry Quinn and Willy Folger played well in the outfield with Terry making a good catch on a well hit fly ball. The team defense was very strong after a shaky first inning. David Brezinski pitched 4 strong innings and picked up the win.

**Twins 9**  
**Tigers 2**  
 Despite dropping their opening game, the Tigers did have a game where they out-hit their opponents. Pitching was the downfall of the Tiger game, but veteran manager Ralph Miller feels this will be corrected as the season progresses. The Tigers managed to collect 8 hits during the game. Kevin "Zip" Zippler went 3 for 4, Joey Deer went 2 for 4 with 1 RBI, Brennan Smith 2 for 3 with 1 RBI and Jim Mozoki 1 for 3. In the field Jim Mozoki put in a good performance at first base. Brennan Smith and Kevin Zippler showed their experience; Josh Hager at third worked well, and Steve Ortbe in centerfield made a nice catch in the fifth inning.

**Dodgers 7**  
**Mets 4**  
 Strong pitching by Doug Heintz and aggressive defensive play by the Mets gave way to the home run ball in extra innings as the Mets bowed to the Dodgers. Sparked by good defensive plays by Jason Hagman, Chris Donzella and Brian Prewell, the Mets held onto a slim lead, but the relief pitching did not hold up as the Mets gave up their lead, then tied the Dodgers with good base running before finally losing in the 8th inning.

**Yankees 7**  
**Pirates 4**  
 The defending champion Yankees got off to a fine start with a 7-4 win over the Pirates. All even runs were driven in by different players. Steve Chesney and David Brezinski each pitched well. The key to the win was excellent overall defense. Sam Kimerling made a fine defensive play

**Senators 4**  
**Indians 3**  
 The Senators came from behind to win in extra innings in a very well played game. Steve Brown pitched 4 shut out innings for the losers. Andy Allorto at short and Jim Monninger behind the plate had strong defensive efforts for the Indians. At the plate the Senators strong pitching held the Indians in check, but Chris Curty and Jerry Hughes hit the ball well.

**Athletics 9**  
**Indians 4**  
 The Indians, despite some strong hitting, wasted several scoring opportunities and fell short to a strong hitting A's team 9-4. Craig Mastrangelo, Chris Curty, and Dave Brown each had extra base hits to lead the Indian attack. Craig Curty in night field made a sparkling play to halt a big rally. Rick Allorto in his first pitching stint looked strong. For the A's the play of Charlie Ott, at third, and Chris

Major League opening day ceremonies held at Gumbert Field. Mayor Allen Chin throws out the opening game ball to start the 1962 spring baseball season. From left to right - Jim McKeon, Athletics manager; Burt Papaccio, Major League director and Orioles manager; Charlie Brow, umpire; Mayor Chin; Jack Falla, vice president Westfield Baseball League; Bud Mueller, umpire; and Bob Zoller, Athletics manager. It was an exciting opening game where fans watched the Athletics edge out the Orioles 6 to 5 in a game decided in extra innings.

at third and Steve Chesney made an excellent catch at the fence in centerfield. Chris Miller, Bobby Wischusen and Jimmy Murphy all played very well in the infield. Joe Murphy played a good game at catcher after being pressed into emergency service. The Pirates runs were scored when Tom Olson doubled, Brandon Lopresti walked, and Ed Daniel singled them home. Olson bunted safely his second time up, Mike Friedman singled and then Olson and Friedman both stole home to account for the other two runs.

**Cubs 14**  
**Braves 13**  
 In an exciting game the Cubs held off a late Brave rally for a 14-13 win. The Cubs were led at the plate by Robbie Shovlin, Clint Factor and John Esposito who had 9 of the 12 Cubs hits. A run scoring double by Esposito in the first and a bases clearing triple by Factor in the second got the Cubs off and rolling. Good plays in the field were made by Jeff Carovillano and Chris Shea while Paul MacClymont did a good job at first base.

**Tigers 8**  
**Orioles 2**  
 The Tigers evened their record with an 8-2 win over the Orioles. The Tiger attack was led by Brennan Smith with 2 hits and 2 RBIs. Joey Deer and Jim Mozoki added run scoring hits while Kevin Zippler and Josh Hager also hit safely.

In the field, Brennan Smith at first, Josh Hager at second, Steve Ortbe in center and Jim Mozoki behind the plate all played well. Joey Deer and Mike Pfitzner combined to pitch a 3-hitter and hold down the Orioles. Hitting safely for the Orioles were Mike Grillo, Glenn Biren, and Brian Morris.

Ryan Manville played an excellent game at second base as the Orioles, First Half Champs the last three years, lost their second straight.

**Cubs 8**  
**Mets 2**  
 The Cubs were led at the plate by Clint Factor and John Esposito who had 5 and 2 RBIs respectively. Robbie Shovlin also hit

well and had a good game on the base paths. Factor got the Cubs started with a 3 run homer and later added a 2 run double. Esposito singled home a pair. Factor held the Mets in check for the first four innings allowing only 2 hits and no runs. Robbie Shovlin came on in the fifth and did an outstanding job as he allowed only 2 unearned runs in the 7th.

David Sabanosh played very well in the field with some heads up plays and the Cubs got a very strong game from Jim Edmundson as catcher and Paul MacClymont at first base. Lack of consistent hitting with men in scoring position contributed to the Mets loss. Marc Silbergeld, Chris Donzella and Jeff Kopelman hit for the Mets. Doug Heintz, playing left field, made two fine defensive plays.

**Senators 4**  
**Indians 3**  
 The Senators came from behind to win in extra innings in a very well played game. Steve Brown pitched 4 shut out innings for the losers. Andy Allorto at short and Jim Monninger behind the plate had strong defensive efforts for the Indians. At the plate the Senators strong pitching held the Indians in check, but Chris Curty and Jerry Hughes hit the ball well.

**Athletics 9**  
**Indians 4**

# Girls' Soccer Results

Girls' spring soccer results this week are:  
**DIVISION IV**  
**Panthers 1**  
**Mendham 7**  
 The Panthers traveled to Mendham after a two week break due to flooded fields and vacations to do battle with a skeleton team. Fighting a strong wind and a strong offensive attack Karen Berry, Jessica Wilfbert and Lisa Rubel settled the game after Mendham took a quick 4-0 lead.

During the second half the Panthers took to the offensive with Katie McGeary, Valerie Gude working the ball to Kirsten Arnold who scored the only goal. Meanwhile Heather Gouldie and Heather Mason with Allison Connolly in goal held the Mendham offensive despite many strong attacks.

**Starfires 1**  
**Marlboro 0**  
 Westfield's Division IV girls soccer team came home to treat town fans to a sharp 1-0 win over an aggressive and well coached Marlboro team to avenge an earlier season-opening loss.

Playing on a beautiful Spring Sunday at Sycamore Field Coach John Stokes' team exhibited superb defense, coupled with solid offense. The backbone of the Starfire defense were fullbacks Kristina Pouch, Lynne Cassidy, and Laura Kocaj. Again and again they cleared the ball from the goal to protect alternating keepers Krissy Jeremiah and Leigh Stokes.

Halfbacks Maureen Hanna, Jessica DiClerico, and the Stokes/Jeremiah tandem powered the Starfires into control of the mid-field. Hanna's assertive play, DiClerico's dribbling and numerous interceptions of Marlboro passes, and the strong clearing kicks of Stokes and Jeremiah stymied the South Jersey team's offense.

Jennifer Comstock, Tracy Martin, Kerry Hertell and Karen Voorhees composed the 'Fires first line of forwards and really kept the heat on the opponent's defenders. Meredith Fahey, Susan Rippenger, Michelle Davidson, and Tasha Petroff composed Coach Stokes alternate attacking line.

The game was played to a zero-zero tie in the first half with each side mounting several offensive charges. Near misses by Westfield were recorded by Comstock, Martin, and Voorhees as Lynne Cassidy's booming left-footed kicks frequently set up breakaways, while keeping the Marlboro offense off-balance.

In the opening minute of the second half Westfield moved down the field and centered the ball. Three Marlboro defenders charged forward and appeared to have taken control when inside forward Tracy Martin, in a classic show of courage and ability, charged into the group, captured the ball, and drove toward the net. As the goaltender dove toward Martin's feet the Starfire attacker deftly lofted the sphere passed the defender's body with her right foot for what pro-

ved to be the winning score. Throughout the rest of the second half Marlboro fought courageously to erase the Blue's advantage. A header by Kocaj, brilliant defense by Pouch, and a near miraculous goal clearing kick by Jeremiah to save a score highlighted the period's play.

The talent, training, and teamwork shown in the outing portend an ever-improving record for the 1-2 Starfires.

**DIVISION II**  
 With less than a minute to play, Hamilton's Panthers tied the Blue Angels and went on to win on the sixth round of penalty shots, eliminating the Angels in the quarter finals of State Cup play at Hamilton's home field on Sunday. It was a heart-breaking loss for the Division II Angels who dominated play with outstanding goal play by Traci Love and strong defense by Liz Little, Jacki Lyons, Chris Quinn, and Justine Lewand. Antonietta DiHorio scored the Angels' two goals, one on a brilliant assist from Betsy Hazard. Midfielders Kate McCaffrey, Ria Krikliwy, and Jean Harris played aggressively in thwarting Hamilton's offensive during most of the game. A questionable penalty kick and a slippery ball resulted in two Hamilton goals in the last five minutes that wiped out an outstanding effort by the Westfield booters.

Sunday's loss was preceded by an impressive Angel victory on Saturday in Westfield over a team from Lawrence Township by a 3-1 score. Joan Stanzel and Lauri Valli each scored individual goals on breakaways and combined to score the final goal on a corner kick from Antonietta DiHorio. Angel forwards Stanzel and Valli, together with Kathy McSweeney and Betsy Hazard, constantly pressured the Lawrence fullbacks. Strong defensive contributions were made by sweeper Liz Little and goalie Traci Love, both of whom were outstanding. Midfielders, Krikliwy, McCaffrey and Harris disrupted Lawrence's offense and kept the ball in the Lawrence side of the field for much of the game. Speedy and aggressive defensive play by Marie Prisco, Jacki Lyons, Chisten Quinn, and Justine Lewand dominated Lawrence's slow-moving offense.

# Grade 7 PAL Ends Successful Season

The seventh grade PAL'ers finished a highly successful basketball season by competing in 3 outstanding tournaments and finished the season with an overall 17-9 won-lost record. The little Blue Devils entered the Totowa tournament and opened up with an impressive 61-31 win over the host club. Dave Brown led the way in scoring with 14 points, followed by Chris Freer with 11, Clint Factor with 10 and Dave Lavender with 9. In a highly contested second round game, Westfield carried Paterson's PAL team to the wire before succumbing to this undefeated team by the score of 47-40. Neil Horne led the scoring with 16 points. Outstanding play was evidenced by Glen McSweeney and Dave Brown in starting the fast breaks. Brad Shapiro made his presence felt by scoring 6 points and displaying nifty passes on several fast-break baskets.

In the semi-final game Westfield once again beat a strong Wayne team by the score of 53-40. Tied 22 all a half-time, Westfield used a half-court press in the fourth quarter to enable them to pull away and gain the championship round. Contributed several key assists and steals. Ken

Lane also contributed a key steal and basket in the critical fourth quarter action. Westfield's first game in the Springfield seventh grade tournament was against a game Berkeley Heights squad. However, the Westfield team was not to be denied as they jumped out to a first quarter 22-7 lead with a devastating full court press and, then, displayed an excellent fast breaking offense to win by the high score of 89-54. Five players scored in double figures led by Neil Horne with 18, Clint Factor with 13, Todd Graf with 11, and Bob Gladden and Ken Lane each with 10. Outstanding board play was evidenced by Glen McSweeney and Dave Brown in starting the fast breaks. Brad Shapiro made his presence felt by scoring 6 points and displaying nifty passes on several fast-break baskets.

In the semi-final game Westfield once again beat a strong Wayne team by the score of 53-40. Tied 22 all a half-time, Westfield used a half-court press in the fourth quarter to enable them to pull away and gain the championship round. Contributed several key assists and steals. Ken

Westfield lost the next afternoon in the semi-final round of the Wayne Tournament to the same Springfield team by the score of 32-30. As was with the game the night before, this one was every bit as exciting but unfortunately with the same results. This year's team was a vastly improved team from last year's squad. Team play and excellent passing were the team's strong points.

# Girls' Volleyball Team Loses Third

By Nancy Rowe  
 Competing against experienced teams, the Westfield High School girls' volleyball team lost two matches this week. The loss brought the season record to 0-3.

Last Friday Westfield encountered a close match against Union. Westfield beat Union in the first game 15-5 with Irene Lenart and Lisa McGowan leading the team as spikers. Union was able to pull a narrow win in the next two games with 12-15 and 13-15. Coach Kathy Ryan commented, "This game was very competitive and one not easily lost."

The team effort of Lisa McGowan, Lenart, Lisa Martin, Lana Leinbach, Ruth Landerson, Alicia

Poole, Alice McGowan and Natalie Csorba kept the last two games of the match a close battle. The team played Montclair on Monday in a three game match. The first was slow for Westfield although Lenart was able to make three points on her serve and L. McGowan two points on her serve. Westfield lost the first game 8-15.

Game two was a winning game for Westfield. Working with each other as a team the girls were able to beat Montclair 15-8. Ruth Landers established a strong foundation by making three consecutive points on her serve in the beginning of the game. Martin contributed three points on her serve for the total game as did Lenart. Leinbach and Csorba each

made one point on their serves. But the best effort for the game was by Lisa McGowan who captured the last three points of the game as well as one point earlier. Throughout the game Westfield led in the scoring and finally winning 15-8.

The last game seemed to increase the pressure for Westfield. The game began with Montclair capturing four points and setting Westfield at a disadvantage of catching up. It looked as if Martin's four point serve could have tied a win for Westfield but the rest of the game was dominated by Montclair. Westfield could not bring the ball back and lost 15-4. The team is looking for a win today at it encounters Elizabeth at home in the varsity gym.

# Devils Outclass Field In Coaches' Relay Meet

By Adam Sommerstein  
The Westfield High boys track and field team won the annual Hudson County Coaches Relays Saturday for the second year in a row by amassing five first place medals, three second place medals, one third and a fourth for a total of 83 points.

Westfield clearly outclassed the field of roughly two dozen teams in the fifth year of one of the state's most competitive invitational meets. Westfield won the fourth edition of the relays in 1981 but not as decisively as this year when the closest team to the Blue Devils was Neptune with 35 points.

Brian Bernstein was involved in two first place relays. He anchored the 2-mile relay which also consisted of Jim Fisk, Bill Byrne and Mike Shapiro. Their time of 8:09.9 defeated second place Monmouth by 7.8 seconds. Bernstein also led off the winning distance medley relay in the 800 meter leg. Nobby Ohta ran the quarter-mile leg and handed off to sophomore Andy Jacob who ran the 3/4 mile leg. Dave Fitzgerald brought it home in the mile leg as the team won in 10:38.7.

The 440-yard relay of Wayne Tiller, Barron Chambliss, Kelvin Blanton and Richard Forbes took first place in 43.8 seconds. Their effort shaved .4 seconds off their gold medal performance at the Kearny Relays. That same team also comprised the 880-yard relay which was just edged out by Newark West Side. Forbes' (21.5) and Chambliss' (21.6) 220 legs in the 880 final placed them fourth and fifth respectively on the all-class charts. Coach Greg

## Local Golfers At Susquehanna

Greg Cordasco and Gregg Wichelns, both of Westfield, are on the Susquehanna University golf roster this spring.

The Crusader golfers, off to a 3-1 start including a one-stroke loss to Bucknell, are expected to achieve their 12th straight winning season. Susquehanna Coach Buss Carr has a 13-year career record of 110-50.

Cordasco, a freshman liberal arts student, is the son of Edward Cordasco of 705 Tuxedo Turn, Westfield, and a graduate of Wardlaw-Hartridge School.

Wichelns, a sophomore accounting major, is a returning letterman. He is the son of Linda Wichelns of 410 Harrison Ave., and Donald Wichelns of Newark, and a graduate of Westfield High School.

gorsky had nothing but praise for the sprinters who each ran a minimum of four races that day. "Our sprinting units are capable of defeating the best relays in the state," he said.

Kevin McGorty also proved to be immensely valuable as he teamed up with Jeff Kasko to beat out Neptune for first place in the long jump by an inch. McGorty's jump of 21' 8 3/4" was the second longest jump in the history of Westfield track. The relay unit set a new school record for the 2-man long jump in 41' 5 3/4". McGorty and Ken Hurley won the pole vault relay with a combined vault of 24' 6". This very same pole vault relay won the event last year when McGorty was a sophomore and Hurley a junior. McGorty also ran the third leg in the 2nd place 480-yard shuttle hurdles relay which also included John Schafer, Adam Sommerstein and Jeff Kasko. The shuttle hurdles relay time of 1:02.5 set a new school record. The previous record of 1:03.1 was set last year at this very same meet. Finally, McGorty and Greg Kasko combined to share third place with Neptune in the high jump relay with an effort of 11' 10".

## Golfers Win

By Chris Loder

The WHS golf team, behind Norm Koury, won all three of its matches last week, upping its record to 4-1 on the year.

The golf team has won four straight since an opening day loss to Summit.

After the linksters defeated Bloomfield 14-4, the golfers faced Pingry. Koury, a senior, fired a 42, six over par, to lead the team to its second victory over Pingry 14 1/2-3 1/2. He was followed close behind by Jim Eisenmann, who shot a 43 and Chris Jones and Ron Johnson, who both scored 46's.

The next day against Elizabeth at Galloping Hill,

The Westfield High School girls' track team recently competed in the Columbia Invitational placing third overall in a large field of teams.

Trophies were awarded to the top five in each event and Westfield had their share of winners among both the freshmen and varsity squads.

Linda Mike placed first in the freshman discus (70') and Noreen Morris also was the champion in

Pafumi and Myron Pilecki took 4th place with a combined throw of 88' 1". Westfield also entered a mile relay of Byrne, Ohta, Shapiro and Hans Clark. Their time was 3:33.7.

Westfield did well in the sophomore events. The soph. 2-mile relay of Andy Jacob, Bob Mertz, John Thomas and Andy Ziarnik took 2nd place in 8:41.1.

The soph. distance medley of Brian Martin, Clark, Ziarnik and Mertz finished in 5th place with a time of 11:36.1.

The soph. 880 relay also took 5th. The team of Clark, Dan Tate, Steve Smith and John Erman ran a 1:40.3. Clark, a sophomore, has been running quite well this season and should continue to improve in the future.

Earlier in the week, Westfield defeated Linden 112 to 19 in its first dual meet of the season. McGorty won the high jump and the pole vault. Jeff Kasko won the 110-meter high hurdles and long jump. Fitzgerald captured the 1600 meter and 3200 meter runs.

This Saturday, Westfield's distance medley team, ranked one of the best on the east coast, will compete at the prestigious Penn Relays. The following Monday, Westfield will compete in the Union County Relays.

## Golfers Win

Koury again was the leader, along with Eisenmann. Both shot a 42 to lead the linksters to a 18-0 triumph over the Minutemen. Others who played well were Jones (45), Johnson (45), and Nick Perretti, who carded a 46.

TEE SHOTS: With his performances over the last week, Koury has the leading average on the team with a 46.7 stroke average per nine holes. He is followed by Eisenmann (47) and Jones (47.5 average).

The linksters next tee off against Johnson Regional, today, at 3:15 at Echo Lake.

the varsity javelin throw (104'). Other trophy winners include freshmen Toni Garbowski in the 400 meter hurdles and run, Ellen Splaine in the 400 meter hurdles and Venessa Johnson in the 200 meter run.

Varsity winners consist of Felicia Allen in the 100 meter dash, and Cindy Best in the 800 and 1500 meter run.

Coach Tom Hornish remarks, "The spirit and effort put forth by each squad is certainly something to take pride in." Saturday the team travels to the Summit Relays.

# Devil Stickmen Win First of '82 Season

By Bill Carlson

The Westfield varsity lacrosse team (1-3) gained its first victory Monday as it won impressively over Montclair Kimberly (3-1) by the score of 11 to 4.

At the start of the game, it appeared as if Montclair Kimberly (who came into the game undefeated) would dominate as it scored two quick goals within the first minute of the game.

However, Westfield fought back and scored late in the first period as defenseman Curt Cimei scooped up a ground ball in front of Westfield's goal and ran the length of the field where he fed to attackman Doug McCracken who scored on a quick shot from the right side of the goal.

Westfield tied the game at 2-2 in the opening seconds of the second period as McCracken passed to midfielder Dan Gilday who face dodged his man and scored. Midfielder Brendan McDerrott gave Westfield the lead a minute later when he took a pass from attackman Gene Kelly in front of the net and scored on a close range shot.

With Westfield winning 3-2, the score shifted back to Montclair Kimberly's way as it tallied two fast goals within a minute which made the score 4-3.

The score remained un-

changed throughout most of the second period, but Westfield was able to once again tie and take the lead in the closing minutes of the first half. Crease attackman Drew Higgins tied the game when he took a pass from McCracken and scored on a side-arm shot just left of the goal.

With little over a minute left in the half, Kelly put Westfield in the lead for good as he caught a pass from McCracken (who had three assists in the game), and took a leaping left handed shot which proved to be the winning goal. The first half ended with Westfield in the lead 5 to 4.

During the second half Westfield dominated throughout as it scored six unanswered goals and shut down Montclair's offense completely! Five out of Westfield's six goals came during the third period on shots by Higgins, Kelly, McCracken, and midfielders Peter Bourque and Paul Goski. Goski had the final goal for Westfield at 5:31 in the fourth period.

Defensively for the Blue Devils, goalie Pat Burgdorf made 13 saves and allowed no goals during the second half, while midfielder Hank Prybylski played well as he fore checked the opposing players aggressively and as a result caused many turnovers.

The previous Wednesday

Westfield, despite having a 5-0 lead at the end of the first half, lost to Clifton 7-5.

Westfield jumped to an early lead during the first period as it scored two goals on shots by midfielders John McElroy and Peter Bourque. In the opening minutes of the second period, Westfield continued its attack on Clifton as midfielder Dan Gilday cranked one in from ten yards in front of the goal as he beat his defense-man with a face dodge and scored.

About a minute later, McCracken took a feed from McElroy and scored on a behind the back shot which made the score 4-0. Paul Goski scored three minutes later on an assist from Kelly to end the first half with Westfield up 5-0.

In the second half early penalty troubles hurt Westfield as it was a man down for the opening five minutes of the third period; as a result Clifton got back into the game with two goals. Clifton unleashed a five goal attack which ended the game at 7-5 Clifton.

The following Friday Westfield was defeated by Hunterdon Central 10-1. Peter Bourque scored Westfield's only goal unassisted.

The Westfield squad will be facing Hanover Park this Saturday at 9 a.m. at Montclair State College on the astroturf.

# Netsters Win Fifth Straight This Week

By Andy Chen

The Westfield High School tennis team raised its record to 5-0 with a 5-0 win over Millburn, and a 5-0 win over Watchung Hills. Although all players were able to win in straight sets, the Millburn match was closer than the score indicated, particularly in singles.

At first singles, Gary Shendell encountered a tough first set from Scott Haskin. Haskin was able to break serve early in the set and jumped to a 3-1 lead. Haskin's game was working very well as he hit accurate volleys and was hitting well from the baseline. Shendell, however, did not fold, and came back to tie the set at 5-5. The two then traded games and the set went into a tiebreaker.

Shendell pulled out the tiebreaker at 7-5. The second set went by very quickly for Haskin who was not able to come back from the disappointing first set loss. After taking the lead at 4-1, Shendell was very much in command. Haskin's approach shots were no longer precise and his volley had become a bit wild. He was not able to rush net as often as he had done previously because of the depth of Shendell's shots. Consequently, Haskin was forced to hit with Shendell from the baseline, he was not able to do this and ended up committing

unforced errors. Shendell won 6-1.

At second singles, Rick Bartok has some first set troubles as he met Doug Chalmers, a very aggressive player. Chalmers often was able to slam winner after winner by hitting deep approach shots and slamming Bartok's short lobs. Bartok's consistency saved him though and he managed to win 7-5. Between sets, Coach Tony Berardo's advice was that Bartok stick to his game style, he did and won the second set 6-3.

Other action had Ramy Rizk having an easy first set allowing Eric Mirsky only one game, 6-1 and finishing him off 6-4. Westfield's first doubles team of Ken Schmalz and Andy Little had no problems in beating Scott Preston and Ram Krishan 6-1, 6-0 and the new second doubles team of John Norfolk and Carl Kumpf won 6-3, 6-1.

Against Watchung Hills, Westfield seemed to have more trouble overcoming the winds than their adversaries. Even the newly installed wind screens did little to help play.

Shendell beat John Kashiwabara 6-1, 6-0. Although Kashiwabara was able to rally with Shendell from the baseline, Shendell was able to come out on top by keeping his deep ground-strokes to Kashiwabara's backhand. Kashiwabara usually con-

# Varsity Nine Wins Two, Loses Two in Week's Tilts

By Paul Stenbjorn

The WHS varsity baseball team went 2-2 last week defeating Irvington and Montclair while losing to Union and Johnson Regional.

The two Blue Devil victories were highlighted by sparkling pitching performances by John Kennedy and Kevin Morris. The Devils edged Irvington 2-1 in eight innings when second baseman Nick Vaccia singled driving in Mike Stamer. But the highlight of the game was the pitching of Kennedy who allowed just two hits while striking out five and only walking one. The Devils had an easier time with Montclair 6-0, but received an even more impressive pitching performance this time from Morris who allowed only one hit, a two-out double in the fifth inn-

ing, while striking out 11 and issuing one free pass. The Blue Devils suffered a tough loss to Union by a score of 5-2. Union scored all five runs in the second inning of starting pitcher Matt Clarke, but it was not entirely his doing for the Devils committed two errors in the inning allowing three unearned runs to score. On offense the Devils lacked the timely hit stranding five runners in scoring position. The loss to Johnson Regional was even harder to swallow losing 5-4 in eight innings.

The Devils' pitching was again the victim of some suspect defense. This time the recipient was Kennedy when with two out and no one on base center fielder Brian Keller dropped a routine fly ball which allowed the batter to come

record to 4-1 with a 4-2 victory over the top ranked Clark team. Clark pulled ahead in the first inning with a lead off home run. However, the Devils came back in the bottom half of the inning to score three runs. Senior Patty Hearon knocked in junior Alicia Sugrue with an RBI triple. Hearon and Gingerich scored later in the inning on two of Clark's errors.

The Devil defense was lead by pitcher Arkel who exercised strong control from the mound and allowed Clark batters a mere four hits in the game. Co-captain Diane Smeaton went three for three in the game.

The team was handed its first defeat of the season losing to Union. The game got off to a bad start, and in the second inning the team fell behind 0-6. The devils were able to come from

behind with the help of Hearon, who hit her first homerun of the season sending home two other runners besides herself. Westfield was unable to overcome Union's tough defense, and the team lost by a score of 8-10.

Currently in the season Hearon is the leading batter with an average of .555. She is followed by Fusaro, 500, Sugrue, 472, and Gingerich with a .461 batting average. Castellone, Fusaro and Hearon lead the team in RBI's with seven apiece. Starting pitcher Arkel has a ERA average of 2.33 so far in the season. The Devil's fielding average is an impressive .934. In addition the team's batting average currently in the season is .343.

The team will play away this week.

### Hurricanes Win, Blues Tie and Lose Games

Division IV boys soccer results this week are:

**Westfield Hurricane 3 Summit Storm 0**  
The Westfield Hurricane broke into the win column on April 4 with an impressive 3-0 win over a strong and determined Summit team. Lead by Jaime D'Almeida's two goals and Jim Waterhouse's unassisted score, the Hurricane offense which includes Doug Kris, Mike Smith, Nate Albertson and John Feeney, applied pressure to the storm goal all game with sailing crossing passes and powerful shots. The game started evenly, but with ten minutes gone, the Westfield mid-field exerted itself and began controlling the tempo. Blake Sturcke, Tom Cassidy, Chris McEvily, and Jon Swart hustled throughout the game, beating their opponents to the ball and then sending the ball forward to the wings with precision passes. On defense, they held Summit in their own end of the field most of the game, but when the Storm did get across midfield, they ran into a very strong and well organized Hurricane defense.

showed great ability in keeping the ball out of the Westfield goal. On the few occasions when the ball reached Jamie Del Guidice, the Hurricane keeper, he blasted it out of danger with towering punts.

**Westfield Hurricane 4 Mountain Top Panthers 2**  
The Westfield Hurricane rolled to its second win of the year with an exciting 4-2 victory against the Mountain Top Panthers. It looked as if the Hurricane was going to romp when they scored four goals in the first 15 minutes of the game. Tom Cassidy, Jaime D'Almeida, Mike Smith, and Jim Waterhouse each contributing one apiece. But the Panther defense tightened up for the rest of the game, and held Westfield scoreless in the second half.

The offensive play of the game was probably that of Doug Kris who stole the ball at midfield, drove deep into the Panther end of the field avoiding three defenders, and then lofted a perfect cross onto the waiting foot of Jim Waterhouse for the score. Halfbacks Chris McEvily, Tom Cassidy, Jon Swart and Nate Albertson played very well and contributed directly to Westfield's ability to score quickly.

The Hurricane had to

fight hard to preserve the win when the Panther offense really began to pressure in the second half. But fullbacks Mike Hanna, Dave Hancock, and Jim Vaccaro were great in sending the ball out of the goal area. The game was actually saved with two spectacular saves by Westfield goalies, one by Jamie Del Guidice and the other by Rich Poller.

The Hurricane record now stands at 2 wins and 1 loss.

**Westfield Blues 1 North Brunswick Blue 1**  
In a tight defense struggle, Westfield came back from an early 1-0 deficit to tie a strong North Brunswick Premier team on a left footed smash by Gregg Schmalz with six minutes left in the game. Schmalz was assisted by Chris Dembiec's lead pass. Andy Michel, Peter De Lazaro, Drew Parkhurst, Dimitri Czarniecki and Mark Pizzi played an outstanding game.

**Westfield Blues 1 Marlboro Warriors 4**  
Trailing 2-1 at the half, The Westfield Blues were outshot by a strong Marlboro team in the last half. The only Westfield score came after Peter De Lazaro fed a pass into Gregg Schmalz who broke over the middle to drill a shot into the corner of the net.

### Rec. Lacrossemen Win Second Game

The Westfield 7th and 8th grade lacrosse team registered its second straight victory of the 1982 Recreation Leagues season Saturday, defeating Maplewood 9-7 in a fiercely contested game.

Westfield took a 2-1 lead in the first quarter on goals by Paul Shirmer and Mike Engelhart with assist by Bob Schmalz and Nick Helander. Westfield then opened its lead to 7-3 after two quarters of play, with Al Wiegman putting on an extraordinary performance by scoring four unassisted goals (three within 22 seconds of play) and John Macaluso adding an additional goal. The attack team for Westfield consisting of John Kietlyka, Paul Shirmer, Tim Nolan and Bob Schmalz put continual pressure on the Maplewood goalie during the first two quarters of play.

The Westfield goalie, Paul Kietlyka, aided by defensemen Andrei Krikiwiy, Bill Townsend, Jerry Kasunic, Rick Seely, Rob Martorina, Shawn DelHagen, and mid-fielders Tom Donnelly, Al Wiegman, John Macaluso, Todd Prybylski, Chris Malinowski, Jeff Hurley, Fred Hansen, Mike Engelhart and Nick Helander did an outstanding job of holding the experienced and well-drilled Maplewood team to three goals in the first half. Maplewood came back strong in the third and

fourth quarters, led by Colin Donnelly, Mike Walsh and Matt Kemp, and scored four goals to tie the game 7-7. The game turned in Westfield's favor with only a few minutes left in the fourth quarter, when John Kietlyka scored the winning goal for Westfield and

defensemen and mid-fielders again provided a tenacious defense in support of Paul Kietlyka and Chris Miller, the two Westfield goalies, who ably kept the New Providence attack at bay.

The 1982 season, only the second one for this Westfield Recreation League team, started on

March 27 with a scrimmage game against Long Valley won by Westfield 2-1. Andrei Krikiwiy and Al Wiegman were elected as co-captains of the team by their teammates. Coach Matt Malinowski, when asked about the team's chances for the remainder of the season, expressed confidence that the

Westfield 7th and 8th grade team will perform very well against the experienced team from Fair Lawn, Mountain Lakes, and Summit and Hempstead, N.Y. which they will encounter during the year two months. The next home game is on Saturday against Fair

### United, Kicks Win Division III Games

Westfield United had to come from behind to defeat a stubborn North Brunswick team 6-2 for its first victory of the Division III season. North Brunswick started the scoring with a break-away goal 44 seconds after the kick-off. At the 20 min. mark Adolph Zuniga tied the score with a chip shot off a rebound from the goalie who had just blocked Zunigas penalty attempt.

United gained the wind advantage at half time and used it to put the game on ice. Mike Gruba scored the "go ahead" goal assisted by Rob Schmalz. Three minutes later Bob McTamaney scored by curling a corner kick in near the far post. Next Mike Drury volleyed one in assisted by Paul Donnolo. Goalie Erik Berger and wing Doug Hill assisted Gruba on his second goal. Berger punted beyond the center line, Hill beat his defender to the ball tapping it to Gruba who smacked it in. North Brunswick managed another break-away goal but Brian Morris responded by scoring on a long shot from the left side.

Westfield missed the service of premier goalie Matt Tibbals who was hospitalized with a serious leg problem. Berger and Morris covered well on short notice.

Goal: Berger, Morris  
Fullbacks: Cowles, Donolo, Drury, Zuniga  
Halfbacks: Dodd, Gruba, Morris, Noerr  
Forwards: Hill,

McTamaney, Petrik, Schmalz

**Westfield Kicks 2 Summit Strikers 1**  
The hustle and "true grit" exhibited by the Kicks resulted in a 2-1 victory over a much larger Summit team. Urged by coach John Tracey to apply pressure from the opening whistle, front linesmen Chris Freer, Anthony Coleman, Jeff Longo and Kenny Lane tested the Summit defense with relentless waves of attack on goal. It paid off when forward Anthony Coleman penetrated the tough Summit defense and passed the ball to wing Jeff Longo who deftly placed it in the net for the first Westfield score. Summit counterattacked with muscle but was thwarted by a stubborn Kick defense led by tough slide-tackling John Emmet Capano and hustling Kevin Tracey at midfield and fullbacks Brad Shapiro and Glenn McSweeney who both displayed fine defensive heading skills.

Westfield scored again in the second half when Anthony Coleman's shot on goal was pushed through by wing Kenny Lane. Summit desperately tried to get on the scoreboard but couldn't penetrate the outstanding defense of fullbacks Scott Bunson and Steve Locker. Kick midfielder Tom Ward played a strong game along with Brad Shapiro and Chris Freer who were switched to center field. Wing Jimmy Class and forward

Jason Hawgood led several attacks on goal but were turned back by the Strikers. Goalie Jim Fox made many fine saves, and in the final minutes of the game preserved the West-

field win by bravely throwing himself in front of a high Summit forward who had broken free. The only Summit goal was scored on a penalty kick near the end of the game.

### JV Lacrosse Team Loses

By Thomas Eisenmann  
The WHS JV lacrosse team lost two away games last week against Clifton and Hunterdon Central, which brought their record to 0-3.

The score of the Clifton game was 10-3. Mike West, Dave Hone, and Chris Goss provided Westfield's three goals.

Westfield lost to Hunterdon Central by the score of 11-2. Midfielder Mark Wellnitz scored one goal, and Dave Hone scored the other.

Despite the high scoring of Westfield's opponents, sophomore Dennis Lynch has been playing well at

goalkeeper. The high scores are due to a weakness in Westfield's defense, which has been allowing a large number of shots on goal.

On Monday the stickmen suffered their fourth loss of the season to Montclair/Kimberly by the score of 6-0. Greg Mueller and Ron McGann gave great efforts at midfield. Playing in place of Lynch, Steve Scirocca did a good job at the goalkeeper position.

The next game will be Saturday against Hanover Park (away). The next home game will be April 28 against Columbia High school.
