## en "Quietest in Years"

Sunday's Halloween observance was one of the quietest in years, according to police authorities, perhaps because of numerous incidents of tainted candy reported throughout the country.

While parade attendance was good, most residents reported trick-or-treat traffic below average.

Westfield police are investigating three incidents involving "spiked" bar candy — two involving needles, the third a tack — while Mountaintop police reported a candy bar with a straight pin and an apple with a pin.

The tricksters' annual visits could also have been curtailed by memos sent

home with children from schools on Friday. Parents were advised by Superintendent Laurence F. Green not to dispense edible treats, that children would not be permitted to bring Halloween candy to school and urged parents to accompany children on rounds, but only to "homes of people you know." Careful checking of "treats" also was encouraged.

Because the American Red Cross informed schools that they do not want any Halloween candy, the traditional collection at schools of surplus treats for distribution has been halted this year.

## Fahey Upsets Ward 4 Incumbent, Frigerio Elected Mayor in Big Vote

Brian Fahey upset Republican incumbent Councilman Clifford Sheehan to become the lone Democrat in the 1983-84 Town Council as more than 68 percent of Westfield's eligible voters went to the polls on Tuesday.

Fahey, winner by 123 votes in the fourth ward, will be the first Democrat on Westfield's Town Council since Herb Kessler served the fourth ward in 1977-79.

Ron Frigerio, Republican, easily won election as Westfield's new mayor, defeating Democrat Carolyn Kueter by a margin of 3,314 votes.

Frigerio, a former Town Councilman, carried all four wards by margins of 300 to 1850 votes, and will succeed Allen Chin in the

top municipal office.

Reelected to office were Republican Councilman John Brady and Harry Brown, first ward; Garland C. (Bud) Boothe, second ward; and Raymond Stone, third ward.

Brady and Brown were unopposed, Brady elected to a third term and Brown to complete the unexpired term of Chesney McCracken who resigned

because of a move from town. Brown had been appointed to fill the seat several months ago.

Boothe, opposed by Jeff Charney, Democrat, won handsily by a vote of 1898 to 802 in the second ward.

Stone, challenged by Democrat Joseph diProspero in the third ward, was reelected to a third term by a vote of 1618 to 1188.

The new mayor and all councilmen with the exception of Brown will be seated for two-year terms in January.

Commenting on his election, Frigerio told the Leader: "This year, as in past council campaigns, I very much enjoyed meeting and talking to so many of our residents. I thank my many friends, supporters, volunteers and

campaign staff who gave so generously of their time to assist in this campaign.

"The people in our town are indeed Westfield's secret to its being the great residential community it is. I especially thank my campaign manager Dick Trabert and campaign treasurer Betty

Cagnassola for their extensive efforts in the campaign. I look forward to serving Westfield and accept the challenges that lie ahead of us," the mayor-elect said.

Top vote-getter on the local ballot was Congressman Matt Rinaldo, whose 8,122 Westfield votes helped reelect him to a sixth term of office in Congress. Unofficial tallies indicate that Rinaldo defeated Democrat Adam Levin of Westfield, who trailed in the Democratic ticket in his hometown, by a district-wide vote of 90,000 to 69,000.

Voters here also overwhelmingly supported Republican Millicent Fenwick for election to the U.S. Senate, but Congress-

## Proposed Mall Poses Safety Hazards, Traffic Expert Tells Planning Bd.

The Town of Westfield began presenting its case against the Springfield mall proposed rezoning last week.

The Springfield Planning Board, which has been conducting these hearings since February, was particularly interested in a statement by traffic expert Robert McMillan that at times during the day a traffic jam could develop through Springfield from the mall site because a planned intersection simply was "unworkable." He predicted that on occasion the tie-up could extend back to Route 24 or Morris Ave.

McMillan, a traffic engineer with Edwards

and Kelsey Inc., has been retained by Westfield officials.

Several times McMillan stated that this was a "poor location;" for a mall from a traffic point of view. He called a proposed entrance-exit "A" at Dundar Road (across from the Exxon Station) "unworkable" and said it "could not be at a worse location."

He criticized plans for a "flyover" across Route 22 for being only one-way; this bridge would only handle westbound 22 traffic into the mall site. Exiting traffic to go west on 22 would have to go out onto Springfield Ave. or go east-

ClassicStudio  
About 300 residents from Springfield, Westfield and Cranford packed the hearing room to listen as the anti-mall presentation was given to the Springfield Planning Board.

## Conditional Approval Granted Duplexes

Claiming that he wanted to provide quality housing at costs below the national average, Patrick Minogue sought permission from the Planning Board Monday night to construct three two-family duplex dwellings at (120) Myrtle and (766) Boynton Aves. Approval of the site plan was conditionally granted by the board following comments by Mayor Allen Chin that such approval would not create a trend or groundswell to build similar structures in the

area. Chairman Frank Sullebarger opposed the site plan but did approve the subdivision. Councilman John Brady abstained from both votes because he was 13 minutes late for the hearing.

The dwellings, which are in various stages of construction, consist of three structures with six individual units. Minogue said that such duplex construction permitted him to build better quality housing for less money than conventional single home

construction would allow. He is planning to market the homes for approximately \$80,000. He purchased the property during the summer from Robert Berenson who had earlier received permission from the planning board to build two-family homes on the site, according to William Butler, Minogue's attorney.

Real estate expert Roger Love described the "townhouse type structures" as a "super improvement."

## Board Buys Mini-Computer

The outright purchase of a mini computer for \$152,825 was unanimously approved by the Westfield Board of Education at a special meeting Tuesday night.

Cost to purchase the computer is \$112,825 more than was budgeted for a lease-purchase plan. The school board voted, again unanimously, with Donald Bagger absent from the meeting, to transfer the difference from a surplus in the 1981-1982 school budget.

Extolling the merits of an outright purchase versus a lease-purchase plan, board member V. William Vincenssen, noted savings of \$58,000 by outright purchase over a leasing plan. "This is wise and proper use of surplus funds," he stated.

The board also approved the transfer of \$16,500 from the surplus account to cover the difference between the budgeted amount of \$10,000 and the

estimated cost of 21 computer terminals to be purchased for use at the high school.

The school board approved the bid for the mini computer at its public meeting last month; however, financing of the computer was referred to the board's finance committee which unanimously recommended the outright purchase.

## Early Deadline For Nov. 10 Issue

Because the Post Office will be closed on Thursday, Nov. 11, Veterans Day, the Leader will be published and delivered on Wednesday next week.

An early deadline will be observed for the issue, with news releases and advertising due by 5 p.m. tomorrow. Weekend sports results may be submitted by 9 a.m. Monday morning. This same schedule also will apply to the Wednesday Nov. 24, issue, which will be published the day before Thanksgiving.

The office of the Westfield Leader will be closed both Nov. 11 and Nov. 25.

## Miller-Cory House to Mark Its Tenth Birthday Sunday

The Miller-Cory House Museum will mark its 10th anniversary Sunday with appropriate ceremonies and special guests, including the Westfield Pipe and Drum Corps.

The success of the Miller-Cory House Museum is a reflection of both community and individual effort. While an

endeavor of the magnitude of creating a "living" museum might have caused many to pale in the face of the work required, but in Westfield, the idea of having a museum took root and grew rapidly with much support from the community.

Fund raising to buy the 1740 house at 614 Mountain

Ave. from Donald and Isabel Jones began as simply as inviting friends in for pie and coffee. That's what happened in February of 1972, when "Cherry Pie Socials" were held in dozens of homes in

BETTY PATRICK, administrator of the Union County Cultural and Heritage Advisory Board, left, and Joanna Johnson, president of the Miller Cory Volunteers, accept resolution from Mayor Allen Chin proclaiming week of Nov. 7 through 13 as Miller-Cory Week. Mayor Chin, noting the "ongoing commemoration of our precious heritage," cited the Miller-Cory House as "a continuing link between the Westfield today and the West Fields of history" and commended the Miller-Cory House and Westfield Historical Society volunteers for their efforts.

## Veterans' Day Ceremony To Honor Vets

A ceremony according to special recognition for deceased, and Skip Vietnam veterans will be held at the flag pole monument at the Mountaintop Borough Hall, Route 22 Eastbound, at 7:30 p.m. Thursday, Nov. 11, Americans will have the privilege of continuing to live in a democracy, may be honored. Mayor Thomas Ricciardi of Mountaintop, Mayor Allen Chin of Westfield and members of the Westfield V.F.W. also have been invited.

A reception will follow at the Elks Club, Route 22.

William F. Little, III, deceased, and Skip Retzlaff, deceased, have been requested to attend so that their sons who served and died in the line of duty, "ensuring we live in a democracy, may be honored. Mayor Thomas Ricciardi of Mountaintop, Mayor Allen Chin of Westfield and members of the Westfield V.F.W. also have been invited.

## Explore Intermediate School Curriculum

Proposed course sequences for an Intermediate School would be presented to the Westfield Board of Education Tuesday night for informational purposes only. A board vote on the proposed sequences, developed by staff members on the Intermediate Planning Committee, a subcommittee of the district's Steering Committee for K-12 Reorganization, will be

scheduled in March.

In the meantime, staff members and the public will have an opportunity for input concerning the proposed sequences for students in grades 6, 7 and 8 in two intermediate schools which would replace the two junior high schools in a future reorganization for the school system ordered by the school board in November, 1981.

With the planned future reorganization there would be six elementary schools for students in K-5, two intermediate schools for students in grades 6, 7 and 8 and one high school for students in grades 9 through 12. Presently, there are six elementary schools for K-6, two junior high schools for 7-9 and one high school for grades 10 through 12.

Since an intermediate

school would be new to Westfield, initial staff efforts in planning the future reorganization have concentrated in that area.

Major changes in the course sequences would affect sixth grade students who would be moving from the elementary schools to the intermediate schools. According to the outline, additional opportunities for sixth grade students in

In routine business, the council will hear bids on snow and ice control materials and is expected to approve the final contract acceptance for the Thomas Court pump station, a raffle license for the American Legion Post #3 and a bonfire fee waiver for the traditional Thanksgiving Eve ceremony.

### Aqua Sprites Flea Market Sunday to Benefit Swimmers

The Westfield YWCA Aqua Sprites will hold their annual fall flea market on Sunday, from 8 til 5, at the South Ave. Railroad Station parking lot. This is the sixth year the Aqua Sprites have held this fall flea market, which is one of the team's major fund raisers.

The money raised from this flea market and other activities enable the team to participate in the competitive meets held all over the country. Last year, the Aqua Sprites competed in national meets in Texas, Hawaii, Tennessee and Indiana. Members of the team will be present at the flea market to sell tickets to their annual water show, "Music, Music, Music," which will be held at the Westfield YWCA on Friday, Saturday, and Sunday, Nov. 19, 20, and 21. They will also be able to answer questions about the sport of synchronized swimming, which is one of the newest additions to the 1984 Olympic Games.

### Edison Fund Raiser Nov. 11

It will be "smile please" Nov. 20 at the Edison Junior High when the Edison PTO will hold a "Family Photo Day." Betty Jacob, chairperson for this event, announced that a color 10" x 13" family portrait will be offered. This offer, Mrs. Jacob noted, is open to all Westfield residents. A family is defined as consisting of: husband and

wife; father, mother, children; one parent with child; or single adult over 21 with children.

"We're optimistic that this will be our biggest fund raiser ever judging from communities who sponsored this event in the past," she noted.

Forms are available at the Edison school and must be mailed in by Nov. 11.

### Students Hear Kean Faculty

A number of David Cilo's students from Westfield High School recently took a college-level look at sociology sponsored by Kean College of New Jersey.

They included Jill Lebowitz, Nanci Micioni,

Kristin Shea, John Gross, Sue Freeman, Hal Freeman, Amy Chorost, Amy Slove, Alison Breach, Donnie Anderson, Greg Aikus, Stephanie Cutro and Debbie Dagliarenti.

Classes were taught by Kean College faculty.

## Big Turnout for Halloween Parade

First Prize: The Ghosts of Galloping Hill sponsored by the Westfield Historical Society.

Aided by smiling skies, a multitude of Westfield children participated in another Y's Mens' Club Parade Sunday. The Westfield High School Band started off the festivities by performing the numbers they later used for its band competition.

The Westfield Historical Society won first place with an outstanding group of 12 children representing "The Ghosts of Galloping Hill," led by Mr. and Mrs. V. Wilday. ### 'Hodgkins Disease Seminar Nov. 13

"Hopeful Horizons... 1982," a conference sponsored by the Union County Unit of the American Cancer Society that will address many issues that touch the lives of people with Hodgkins Disease and their families, will be held on Saturday, Nov. 13, from 8:30 to 3:30 at the Ramada Inn, 36 Valley Road, Clark. Professionals and fellow patients will provide an opportunity for support and information for those who attend.

Doris Sands, Ph.D. of the University of Maryland. Also, there will be 2 patient panels providing insight from a personal perspective on Expectations of Self After Treatment and the Impact of Treatment on Relationships.

Hodgkins Disease is a cancer of the lymphatic system and occurs most frequently in adults 20 to 40 years old. "Because Hodgkins occurs at such a young age there are many issues of special concern that this conference addresses," noted Enid Barton, Chairperson of the Service and Rehabilitation committee and the Hodgkins Conference Planning Committee. "It is important to encourage anyone touched by this disease to attend."

Among the topics to be discussed are Medical Aspects of the Disease with Mortimer Lacher, M.D. from Memorial-Sloan Kettering Cancer Center, Psychological Implications with Mary Jane Massie, M.D., also from Memorial, Susan Mellette, M.D. on Advocacy Issues from the Medical College of Virginia, and Sexuality and Self-Esteem with

## Portrait of Mountainside's Mayor To Hang in Borough Chambers

Mr. and Mrs. Harrison R. Cory of Westfield have presented a portrait of Joseph W. Cory, Mr. Cory's father, to be hung in the council chambers of the Mountainside Borough Hall. Joseph W. Cory was the first mayor of Mountainside. He was elected in 1895, served six years, then served again from 1906 to 1909. The portrait is the work of Harry Devlin, well-known artist and author of Mountainside, who contributed his talent on behalf of the Mountainside Historical

Preservation Committee. The Cory family settled in the Westfield area around 1750 and were active in the establishment of the community's first Sunday school in 1818, forerunner of several Westfield and Mountainside Sunday schools. Harrison Cory's grandfather, Joseph Cory, was superintendent of the Sunday school, then in Westfield, for many years in the mid-1800's. His father, Joseph Wilbur Cory, also served as superintendent, elected three different times: 1882,

1887 and 1894. The Cory homestead was on Springfield Road, now Route 22, where the family ran a dairy farm that extended from New Providence Road to the Scotch Plains border. Harrison Cory was born in that house and lived there until 1908.

## Ahlfeld Heads Hospital Society

Richard B. Ahlfeld, director of administration of Children's Specialized Hospital, Mountainside, has been elected president of the Union County Hospital Society.

Ahlfeld, a graduate of Cornell University, received his master of business administration in hospital administration from Cornell's Sloan Institute. He has served as the director of administration for Children's Specialized Hospital since 1975. Ahlfeld is a trustee of the National Association of Children's Hospitals and Related Institutions, a trustee of the Westfield-Mountainside Chapter of the American Red Cross, major gifts chairman of the Westfield United Fund and had served as a deacon and elder in the Presbyterian Church in Westfield.

The Union County Hospital Society formed in 1971 represents the voluntary hospitals of Union County. The society is involved in group planning efforts and government relations. Other newly elected officers include First Vice President John Yoder, director of Rahway Hospital, and second vice president, David M. Ridgway, president, Muhlenberg Hospital.

## Service League Donations Brings United Fund to 40% of Goal

The Westfield Service League has contributed one of the largest single contributions made this far in the appeal for funds to support the 18 member agencies of the United Fund of Westfield.

"The Westfield Service League has been one of the mainstays of our United Fund," stated Linda Maggio, executive director of the United Fund. "We are so grateful for their continued support. This significant contribution has helped us to reach almost 40 percent of our \$417,000 goal. The Service League has been most supportive of our United Fund effort, with contributions totaling over \$91,600, for the past 25 years. We are

hoping that Westfielders will follow the example of their responsiveness and return their pledge cards as soon as possible. We need the support of each and every Westfielder to make our 1982 campaign successful.

"The Service League is an organization of women devoting their time, energy, and talents so that others may benefit."

Mrs. Maggio said the league's continuing generosity toward the Westfield United Fund represents "an important vote of confidence in the services our agencies bring to the community and the important role they play in Westfield's everyday affairs."

Mrs. Karen Holmes, president of the Service League, noted "our members are well aware of the financial needs of the United Fund's member agencies. Many are involved in this annual appeal to the community, and we are proud to be able to help."

The contribution to the Fund was made possible because the Service League operates the Thrift Shop and Consignment Shop at 114 Elmer St. and all profits from the two shops are donated to various local charities.

Members of the League donate their time operating the two shops. The Consignment Shop accepts clothing, crafts, and miscellaneous items on

On behalf of the Westfield Service League, Karen Holmes, president and Fay Schefer, chairman of the donations committee, present a contribution to the 1982 campaign chairmen for the United Fund of Westfield, Ann Robinson and Alex Williams. "Their generous donation at this time," noted Alex Williams "brings us one step closer to our goal of \$417,000. The 18 agencies of the Fund join with me to thank the members of Service League for their thoughtful and most welcome gift."

## RJHS Band Plays In Atlantic City

A group of WHS sophomores joined ninth graders to staff an orchestra which performed in Atlantic City yesterday.

Last year when these sophomores were at Roosevelt, the orchestra entered and won a state wide competition.

The performance was held in Atlantic City's Convention Hall.

Last May band director John Josa recorded a video

tape and set it in to the N.J. School Administration where it was judged anonymously. The tape was picked out of 22 other entries from both senior and junior high schools across the state. Another band from Morris Hills also performed yesterday.

This is the second consecutive year RJHS has won this contest. Last year its Jazz Band was selected.

## Workshop for Mothers At Westfield Bank

Fidelity Union Bank will hold a free workshop for mothers Wednesday evening at the bank's Westfield office, 170 East Broad St.

The workshop, which begins promptly at 8 p.m., will be conducted by Kay Willis, founder of Mothers Matter, an organization which recognizes parenthood as a profession. Mrs. Willis has received national recognition with her group and has appeared recently on various television programs and radio broadcasts.

Reservations are being accepted at the bank.

## A "Dutch Treat" Nov. 17 For Historical Society

"The Jersey Dutch" will be in the spotlight at the Wednesday, Nov. 17, meeting of the Westfield Historical Society. The guest speaker will be Dr. Howard Hageman, president of New Brunswick Theological Seminary. The meeting is scheduled for 8 p.m. in Grant School Auditorium.

Dr. Hageman, a well-known author, editor, teacher and lecturer, is a dedicated scholar of the Dutch in the New World. "Endowed with a gentle wit, always stressing the human interest side of his subject, he is a fascinating speaker as he tells of the sturdy Dutch who settled much of Central Jersey in the 18th century," said a Historical Society spokesman. Most of these "Jersey Dutch" migrated from "New Netherlands" (New York) following the establishment of British rule. Dutch names still predominate throughout Somerset, Middlesex, Monmouth and Mercer counties.

## Honor Mabel Young

More than 125 friends of Mabel Young gathered to honor the 40-year resident of mountainside for her many contributions to the community Oct. 3 at Dasti's Mountainside Inn.

Mayor Thomas J. Ricciardi presented Mrs. Young with a proclamation from the Borough Council, and the Woman's Club presented her with a gift for her many years of service.

Former Mayor Fred Wilhelms served as master of ceremonies, and unveiled the Mabel G. Young Good Neighbor Award which will be given annually to the borough resident who has "helped to make Mountainside a fine place to live." A number of books will also be given to the Public Library and the Deerfield School library in Mrs. Young's name.

Mrs. Young taught for many years in the borough's public schools. Among the many civic groups in which she participated, Mrs. Young was a member and past president of the Woman's Club, a member of the Board of trustees of the United Way

of Mountainside, lifetime member and officer of the PTA, the American Association of University Women, and the Senior Citizens Club of Mountainside. She also worked with Meals on Wheels, and was a member and officer of the Mountainside Teachers Association, the Mountainside Music Association, the Republican Club of Mountainside, and in her spare time, served as a library volunteer.

A long-time member of the Community Presbyterian Church, Mrs. Young served as an elder, clerk of session, and Sunday school superintendent. She also was a member and past president of the United Presbyterian Women.

The well-known community activist spoke briefly, and invited friends to visit her in Winter Park, Fla. at her new residence.

Members of the committee to honor Mrs. Young included Fred and Jeanne Wilhelms, Bill Biunno, Betty and Bill VanBlaricum, Sandy Burdge, Tom Krierim, Peggy Wilson, Doris Julian and Sue Winans.

### More than Leaves Dropping

Leaves are not all that's dropping on lawns these days, according to several irate residents.

The Leader has had numerous calls from Westfielders who are upset about dog excretions on their property and about dogs running loose.

Under a town ordinance it is illegal for dog owners to permit dogs run unleashed (and unaccompanied); another ordinance, commonly referred to as the pooper-scooper law, requires owners to pick up such unwanted despoits their pets may leave behind them.

The leash law has enjoyed moderate success, but the pooper-scooper regulations are relatively unenforced. Our Police Department, we feel, has a lot better things to do to maintain our safety and well-being than to follow dogs and their owners on their daily strolls with the intent of possibly finding a violator.

We knew when the "pooper-scooper" law was enacted — over Mayor Alex Williams' veto — that its enforcement would be virtually non-existent. And so it has proved.

Citizens may, however, bring charges if they care to, and if found guilty, violators face fines in Municipal Court.

Many dog-walkers, we find, are careful about where their dogs are permitted to go, and many clean up after them.

For those residents who find their lawns have become a popular — and unwelcome — canine latrine, we might suggest they politely ask the masters to take another route — or request that they carry a newspaper or plastic bag to take the visitors' "calling cards" with them for later disposal.

Perhaps a sign "This Lawn Off-Limits to Dogs" might even do the trick...

WEEK OF: NOVEMBER 4, 1982

**AQUARIUS — January 21-February 19**

A conservative friend may shock you with his very unconventional ideas. Chance to make additional money opens up; be sure you know precisely what you're stepping into.

**PISCES — February 20-March 20**

Conflict of interests should be examined before you take on new assignment. Creative influences are strong; use your talents to the maximum. Informal gatherings are warmly romantic.

**ARIES — March 21-April 20**

Your ideas benefit most when someone else promotes them. Family disagreement should be settled within the family. If traveling, check that arrangements are all confirmed.

**TAURUS — April 21-May 22**

Don't fool yourself into believing a superficial relationship is any more than that. Status is improving in your workplace and a bonus or promotion may be in the offing.

**GEMINI — May 23-June 21**

Avoid letting political differences lead to a personal rift. Finances require some reorganizing and long-term planning. Leo or Libra may be stepping into the romantic picture.

**CANCER — June 22-July 22**

A little vulnerable, you may react to criticism in a manner that is out of proportion. Travel ideas are bright and can be finalized by the weekend. Correspondence presents more questions than answers.

**LEO — July 23-August 22**

You can impress highups with economy-minded ideas. On a personal level, you lean toward the extravagant. Updating your skills now will have long-term benefits.

**VIRGO — August 23-September 22**

Financial goal remains elusive — but only on the surface. Conflict with partner benefits from cooling off period. Careerwise, you excel in public relations and working with people.

**LIBRA — September 23-October 22**

Unorthodox methods help you achieve personal goal ahead of schedule. Check that sources are reputable before passing along information; no matter how insignificant it seems.

**SCORPIO — October 23-November 21**

Stay away from get-rich-quick schemes and the week should prove favorable for making money — and for spending it. Take advantage of prime opportunity to demonstrate creative abilities.

**SAGITTARIUS — November 22-December 22**

Be alert when dealing with figures of any amount and in any context. Communications with coworkers improves. Generally, you're able to express your opinions more eloquently.

**CAPRICORN — December 23-January 20**

A talkative week. Verbal skills are outstanding; if involved in sales, this could be a period of major accomplishment. Be careful, though, not to reveal confidential information.

**BIRTHDAY THIS WEEK**

You're not only strong, you're determined and you're passionate. Intuition is powerful. A diplomat you are not. Coming year accents academic and professional expansion. Remember, you're well suited to scientific and financial fields.

**BORN THIS WEEK**

### "Gas Works" Show At WHS

"Gas Works," Pipeline To current energy issues, will appear at Westfield High School Friday, Nov. 18.

### LETTERS TO THE EDITOR

All letters to the editor must bear a signature, a street address and a telephone number, so authors may be checked. If contributors are not able to be reached at local phone numbers during Leader business hours, the writer's signature may be notarized.

Letters must be written only on one side of paper and typewritten.

All letters must be in the "Leader" office by Friday if they are to appear in the following issue.

### TRAGEDY PROMPTS SAFETY SUGGESTIONS

Editor, Leader:

This letter is directed to both the Town Council and the Board of Education. It deals with a problem of public safety which is of direct concern for each public body. I submit it in the hope that a great tragedy can be avoided in the future.

A tragedy affecting me personally is the impetus for this letter. On April 9, 1981 my wife Emily was involved in a motor vehicle accident at the intersection of Shackamaxon Dr. and Rahway Ave. She died April 21, 1981 in Muhlenberg Hospital as the result of injuries received in the accident.

The circumstances leading up to the accident are fairly simple. She drove to Edison Junior High School to pick up her granddaughter at the close of school. It was a gray day with light rain. Arriving at the school, she picked up her granddaughter and three other teenage schoolmates. My wife proceeded east on Grove St. to Westfield Ave., south on Westfield Ave., turning west on Shackamaxon Dr. She proceeded along Shackamaxon Dr. stopping at the stop sign at Rahway Ave. Apparently feeling her way was clear she entered the intersection and was struck on the driver's side by a car traveling north on Rahway Ave. Although the posted speed limit is 25 m.p.h., her car was struck with sufficient force to totally wreck it. By some miracle none of the four teenage girls riding as passengers suffered other than minor injuries. There was no crossing guard directing traffic at the intersection although hundreds of children were passing in all directions through the crossing.

My purpose in writing is not to ascribe blame but to point out some facts which may avoid accidents of even greater consequence in the future.

1. Hazards at the Shackamaxon/Rahway Intersection  
 Because of the peculiar configuration of the eastern side of the intersection, the stop sign on Shackamaxon Dr. is approximately 25 yards from Rahway Ave. This is in part caused by the entrance to Stoneleigh Park which uses the same intersection. In addition, a utility pole on the southeast corner and trees and bushes on that corner property seriously obscure visibility.

Furthermore in my opinion a crossing guard similar to the one at Grove St. and Rahway Ave. should be located at the intersection during school times and directing vehicles as well as pedestrian traffic.

I do not claim to be a traffic expert, but it seems to me that a traffic light controlling the flow of traffic in both directions would go far to remove the hazards at this intersection.

2. Hazards at the Park St./Dorian Rd. Rahway Ave. Intersection  
 This intersection at the southwest corner of the Senior High School property is also hazardous. It is but one short block north on Rahway Ave.

from the Shackamaxon/Rahway intersection. Both of these intersections are used by students from the Senior High School and Edison Junior High School.

If a traffic light is not feasible at both intersections, this intersection should at least have a competent person directing vehicular traffic as well as pedestrian traffic during school times.

3. Hazards on Rahway Ave.

In my opinion the safety provisions on Rahway Ave. from West Broad St. to Willow Grove Road are woefully inadequate.

a. There are no school zone signs on Rahway Ave. from West Broad St. to Dorian Rd.

b. There are no school zone signs on Park St., Dorian Rd., Shadowlawn Drive or Shackamaxon Drive — all streets leading into the vital school crossing zones.

c. The 26 m.p.h. speed limit on Rahway Ave. is not well observed and not too firmly enforced. "It seems to me that flasher signs establishing a 10 m.p.h. speed limit during the closing and opening periods of both schools would substantially reduce the potential hazard. Such signs seemed to be effective on Broad St. when Grant School was operating.

4. Conclusion  
 As nearly as I can determine, there are approximately 2300 students attending the Senior High School and Edison Junior High School. I firmly believe that the steps taken to date to protect them from motor vehicle hazards are totally inadequate.

Both my wife and I grew up in Westfield and went through the school system as did our children and now our grandchildren. I hope the tragic circumstances which impelled me to write this letter will serve to promote action to insure greater safety for present and future generations of school students. I am sending a copy of this letter to the Westfield Leader.

### GARBAGE RATES

Editor, Leader:

Since garbage companies and garbage rates have been a very popular subject in the newspapers lately, I would like to take this opportunity to explain to the public why their collection rates will be substantially increasing in the near future. As the Accountant for numerous solid waste collection companies, I feel I am in a position to do this.

Dumping costs are going through the roof due to mandated D.E.P. requirements and closure orders. The Landfills have no control over these State orders and have had to petition the Board of Public Utilities to increase their rates to recover millions of dollars in costs. Global Landfill and Edgeboro have already gotten an increase. Industrial Landfill has a pending application before the Board for a 20% increase. When Industrial Landfill is granted its increase, the higher rate will materially impact the earnings and profits of the collection company. An example would be a small company dumping twice a day; their annual increase in landfill costs would be \$24,492., which is more than the owners' salary in most cases!

Therefore, many of the companies using these landfills have pending petitions before the Board of Public Utilities to increase their rates in an amount equal to their increase in landfill costs only. They regret having to raise their rates when it happens, but they have no alternative except to work 72 hours a week for nothing. The public should be aware that the Board of Public Utilities only allows a small owner-operator to earn \$28,000. per year with no fringe benefits. This is hardly excessive compensation for the time and monetary investment of the owner.

The public should also be made aware of the fact that only those companies that have legally petitioned the Board of Public Utilities for an increase and received approval may increase their rates to you, their customers.

### HALLOWEEN TREAT

Editor, Leader:

We wish to express our thanks to a family on Prospect St., who, on Halloween night, showed our children that there are still people in this world who want to give others good times and happy memories and not poisonous tablets and candied straight pins.

This family turned their home into a fantastic haunted house, complete with an organist on the roof, a coffin in the entrance, and ghouls inviting the children forward to have their bravery rewarded by nickels, and opened it free to the town.

My children had a terrific time and I'm sure that their memory of a Halloween without trick-or-treating will be tempered by the fun they had standing in line with all the other people, from toddlers to senior citizens, to wait their turn through the haunted house on Prospect St. Thank you from my family and from all the "children" of Westfield who were lucky enough to find out about this wonderful Halloween treat.

### This Week's Pet Peeve:

The length of political campaigns.

By Al Smith

### GRATEFUL FOR HELP

Editor, Leader:

I can't begin to thank the scores of Democrats and friends who have helped me in this enthusiastic and satisfying campaign. They know who they are and how much they mean to me. But I will take this opportunity to express my gratitude to my family from here to the west coast who pitched in and made it possible for me to carry on my teaching and other civic activities and devote every spare moment to running for mayor. I'm also indebted to my students (and their parents) from whom I received an unexpected strength and support and who surprised me with their political clout and understanding of issues.

Now we must put aside differences and work together for Westfield has some serious and imminent concerns, such as Stopping The Mail, the nuclear arms race, the protection of our environment and other matters which I brought out in the last six months. It will take the full cooperation, energy and talent of every one of us to preserve up until now, we have taken so much for granted.

Thanks to this paper for covering all aspects of the election so thoroughly, a service which was indispensable, for all voters to understand the issues in our town.

Carolyn Klinger-Kueter  
 St. Marks Ave.

### MOBILITY - IMPAIRED

Editor, Leader:

Thank you for your excellent editorial explaining the inconveniences of parking for the mobility impaired. It certainly was a welcome voice on this subject. However, there are still many other areas where the problems of the handicapped are not recognized. If there were more realization of those problems, perhaps some of the following situations might not have happened.

Numerous calls to several officials of the Westfield YMCA about wheelchair access to the heated swimming pool brought no response. In fact the recent renovation resulted in closing off the only entrance that could have provided access to

that pool.

The owner of the major garden apartment complex in Westfield has flatly refused to allow a resident to install a wheelchair ramp up the three steps to his apartment. The landlord claims that "such alteration would impair the appearance of the premises, create possible hazards for our tenants and cause inconvenience for our staff."

The only viable apartments designed for handicapped persons in Westfield are the 17 units at the Westfield Senior Citizens Housing on Boynton Ave. However, mobile elderly people were placed in these wheelchair accessible units without any priority being given to the handicapped. The board of

directors refused to give such priority until through the efforts of several public officials, the agency in Trenton that holds the mortgage for the property forced the local board to establish a waiting list for handicapped people.

Proclaiming an International Year of the Handicapped did not automatically change the attitude of able-bodied people toward the handicapped but editorials such as yours are a continuing step in that direction.

 Duncan Hill

### THANKS VOTERS

Editor, Leader:  
 Whether I have won or lost the campaign to be elected as Westfield's Fourth Ward councilman, I

want to publicly thank my wife Cathy and our children, Maura, Brian, Christian, Noel, Jonathan and David for all the love and support they have provided while I was on the campaign trail.

my dear friends, Peter and Joan Houlihan, and my brother Bud and sister-in-law Marsha, I also owe and do hereby tender my debt of gratitude for all their help.

And finally, to the Westfield voters, whether mine or my opponents, I thank you for your consideration and compliment you for diligently exercising your fundamental right to select your own representative on Town Council.

### CHUCK HARDWICK YOUR VOICE IN TRENTON 20TH DISTRICT ASSEMBLYMAN

Sometimes when a person is arrested by police, the police need to know immediately if that person is carrying a weapon or illegal drugs because he or she may pose a threat to police, or to him or herself.

To do this the police conduct what is known as a strip-search, in which suspects are required to remove their clothing so police can search for articles hidden on a suspect's body.

Occasionally, police strip-search persons when it is not necessary for the safety of officers nor suspects. It is sometimes done as a form of harassment, usually to women, after being arrested for minor offenses.

Just this summer, for example, a South Jersey police officer was indicted on charges that he strip-searched two women, one who was stopped for a motor vehicle violation, the other who simply walked to the police station after her car broke down.

From the reports I've heard, the police in Union County have not been guilty of these types of practices.

I have spoken with law-abiding women traumatized by being stripped-searched after they were arrested for minor offenses such as not having their motor vehicle registration or proof of insurance coverage when stopped by police for minor traffic violations. They all spoke of how degrading and debasing and totally unnecessary the strip-searching was to them.

It is difficult to determine exactly how many men and women have been needlessly strip-searched because statistics are not kept. Yet, history proves that unwarranted strip-searches do occur.

That is why I am sponsoring legislation to stop the strip-searches that are unnecessary. My bill requires that a strip-search may be used without a search warrant only if police have "probable

cause" to believe that a person is carrying a weapon or illegal drugs.

To prevent these sort of searches, under this legislation any police officer suspected of performing unnecessary strip-searches would be charged as a "disorderly person." If found guilty, he would be fined, and be subjected to disciplinary actions by his superior officers. He could lose his job.

With the assistance of the New Jersey State Police, the Office of the Attorney General, and the American Civil Liberties Union, I have developed a bill after a successful law in the city of Chicago that protects both the police and the public.

The bill was passed by the Assembly last week. It now goes to the senate, and if passed there, to the Governor for his signature. I am looking forward to the time when strip-searching persons arrested for minor offenses is recognized as a crime of its own.

### "Harvey" on Westfield High Stage Nov. 18-20

Harriet Loudon, head of the WHS drama department, helps student director Jim Hall prepare for the fall production of "Harvey."

Julie Shapiro '84 and Paul Kranz '83 rehearse for the upcoming WHS production of "Harvey."

share Elwood's gentle nature or his belief in Harvey's existence. Throughout the play, Elwood tries to convince the people of the small, western town that Harvey does exist, but they refuse to believe him.

Julie Shapiro commented on her role in the play, "This is definitely the most challenging part I've ever played because I'm playing a 55 year old woman, and when you're only 16, that calls for a lot of imagination."

The romantic aspect of the play is supplied by Dan Zimmerman in the role of Dr. Sanderson, and Amanda Tesoriero as Ruth Kelly.

Others in the cast include Jodi Scher, Julie Grimes, Chris Pott, Tammy Lowery, Chris Kelly and Marc Acito.

Jim Hall is enthusiastic about the play. "The cast is giving all they've got to the play in order to make it a success. They're really working hard with one another as a team - it should be a great show."

## Special Month for Learning Disabled

Governor Thomas Kean and the Union County Board of Chosen Freeholders have proclaimed Learning Disability Month. The Union County Association for Children with Learning Disabilities (ACLD) in conjunction with the National ACLD with over 70,000 members is working to help the learning disabled child.

Union County Association for Children with Learning Disabilities (UCACLD) was organized in January 1976 and is located at 5 Carol Rd. Parents, educators, friends and physicians have united to increase public awareness of the problem, promote education, provide service programs and raise funds.

Services provided by UCACLD include maintenance of a speakers' bureau and a lending library and reference center. These services are free. The UCACLD phone operates as a resource for referrals and advice.

UCACLD president Betty Lipper of Westfield reports, "There are a large number of learning disabled throughout the country. The L.D. child is often a disappointment to his

The potential that is being lost also hurts our society as a whole, as well as the child himself. The talent that is being wasted by having less than fully productive learning disabled people is more talent than this country has applied to either getting to the moon or win-

ning a war! Neither task took 25 percent of the population."

Dr. James F. Donovan of Westfield, a member of ACLD added, "We hope everyone will join with us to help these children to know the true meaning of our Union County ACLD motto - 'If a child lives with acceptance and friendship, he learns to find love in the world.'"

## Trailside to Host Harvest Festival

The Trailside Nature and Science Center, Coles Ave. and New Providence Rd., Mountainside, will be transformed in time to the days when the Colonists hurriedly prepared for the coming winter months while Revolutionary soldiers held maneuvers nearby from 1 to 5 p.m. Sunday, Nov. 14.

In addition to displays featuring Colonial arts and crafts, two Colonial reenactment regiments will attend. The "Jersey Blues," the 3rd Regiment

Brigade of the American Revolution. National Historical will recreate the lives of Revolutionary soldiers while members of the 2nd Regiment, Middlesex County Militia, will involve youngsters in the art of candle-dipping. Food and drink will be available. The Folk Music Society will provide entertainment.

Exhibitors will demonstrate spinning, weaving, rug hooking, cornhusk doll making, tin piercing and theorem painting.

## JCC Offers Vacation Trips

The Jewish Community Center of Central New Jersey is continuing to offer programs to serve the community through its "center without walls" policy. Two very special programs are available for the teacher's convention vacation days.

On Thursday, Nov. 11, children in grades K-6 will visit the "Broken Wheel Ranch" for pony and trail riding, and the YM-YWHA of Metropolitan N.J. to see

### "The Last Minute Kids."

The K-6 juniors will visit New York City Nov. 12, where they will tour the Battleship Intrepid in New York harbour and then to see the "New York Experience." The group will also tour "Little Old New York," an exhibit recreating New York City at the turn of the Century.

Registration is on a first come-first served basis through the JCC of Central N.J., 922 South Ave., West.

## Deerfield School to Observe Veterans' Day Wednesday

"Veteran" teachers will lead the Deerfield School observance of Veterans' Day on Wednesday. Honored during a brief flag-raising ceremony at 9 a.m. will be those members of the teaching staff who served the country in various branches of the armed forces. A number of them will don their service uniforms for the occasion.

Deerfield Principal Allan Shapiro, an Army veteran, and math teacher Andy Ray, a former Marine, are coordinating the special occasion.

Besides honoring the veterans, the observance is intended to heighten student patriotism and awareness of those have served in the defense of our country.

Mountainside veterans,

former school staff members, parents, and interested residents are invited to attend the ceremony. It will begin promptly at 9 and should last less than 15 minutes. Weather permitting, it will be held on the front courtyard of the school.

The ceremony is scheduled a day before the national observance of Veterans' Day because school will not be in session Nov. 11 and 12, due to the annual New Jersey Education Association convention.

## YWCA Gymnastics Series Reconstructed

The Westfield YWCA is accepting registration for the winter term of classes scheduled to begin the week of Nov. 22.

The Westfield YWCA has reconstructed the types of classes to be offered in the gymnastics area. Donna Newman, HPER director at the YWCA, points out that the skill levels taught in the tumbling and gymnastics classes will provide a safe and fun filled experience for children desiring to learn basic-to-intermediate tumbling and

gymnastic skills. These classes will include: Tumbling, 1, 2 and 3, Beginning Apparatus and Introduction to Gymnastics, Kindergarten Tumbling 1 and 2, Lads and Lassies, Kidaerobics, Fun and Fitness, Sports All Sorts, Introduction to Ballet and Schoolage Danceroics.

The YWCA offers a wide variety of classes for schoolage children. For specific course content and times available, contact the YWCA.

Residents of the Westfield Convalescent Center, Mrs. Elizabeth Hynson and Mrs. Flo Stacey, put candy into Halloween Trick or Treat bags the residents' craft class made for the handicap class at Linden Elementary School in Edison. The residents have been sending crafts and homemade gifts to Susan Loprete's class for the last three years.

## Bd. Members At Workshop

Representatives of the Mountainside Board of Education attended "Workshop '82," the annual conference of the New Jersey School Boards Association, held last week in Atlantic City.

An intensive three-day series of informational and training sessions, the workshop featured major addresses by State Commissioner of Education Saul Cooperman and Douglas Kiker, NBC News correspondent.

Seminars on critical issues included topics on state funding, improved programming, standards and quality of education, and the application of business practices in school district management.

Because many of the sessions run concurrently, board members were able

to attend different seminars and pool their information. They will be sharing knowledge and insights with other board members and administrators throughout the rest of the year.

Attending from Mountainside were Board President Art Attenasio, Board Vice-president Patricia Knodel, members Camie Delaney and Linda Schneider, and Superintendent of Schools Dr. Margaret H. Kantes and Business Administrator John M. McDonough.

Co-sponsoring the workshop are the New Jersey Association of School Administrators and the New Jersey Association of School Business Officials. Certain sessions are geared specifically to the needs of these administrators.

## Mayor Chin to Address Jaycees' Breakfast Nov. 13

The Westfield Jaycees will sponsor a fall membership breakfast at Geiger's Cider Mill Restaurant on Springfield Ave. at 8:30 a.m. Saturday, Nov. 13; it is free to all guests.

The agenda includes an informal slide presentation of the organization; its activities, both civic and social. The guest speaker will be Mayor Allen Chin, a former president of the Westfield chapter.

The Westfield chapter is currently one of the largest and most active in the state with more than 140 members. This award-winning chapter is open to all Westfield and surrounding community men between the ages of 18-39.

Activities include community service and sports, social and self-improvement programs. Membership affords participation in these programs and a chance to meet neighbors and become a part of the Westfield community as an active member.

The dress for the breakfast is casual and no reservations are necessary. More information is available from Dr. Martin Cohen, 434 Summit Ave.

"If you are a new resident in the area or one who has not felt that he is a part of the community, here is your chance to meet a group of men who are making a worthwhile contribution to our community as well as having fun doing it," said Cohen.

## Clark Plantation Open on Sunday

Mountainside resident Georgia Kampf joined Barbara Brande, Union County director of Catholic Community Services, for the agency's annual fund-raising "Cocktail Dance" held at the Old Mansion restaurant in Elizabeth recently. Kampf, who is the coordinator for UAW regional women's programs, is also a member of CCS Union County Advisory Board.

The Dr. William Robinson Plantation, 593 Madison Hill Rd., Clark, will be open to the public from 1 p.m. to 4 p.m. Sunday. There is no admission charge.

Guided tours of the 300 year old farmhouse and grounds will be conducted by costumed members of the Clark Historical Society. The bee hive oven will be used for the first time and the public is invited to come and sample the baked breads.

Mrs. Helen Rokosny of Clark will give a quilting demonstration and will display quilts, pillows, and other articles.

## Nathenson to Judge WAA Members' Show

Howard Nathenson of Hoboken, drawing and painting instructor at Summit Art Center, will be the judge of the 62nd annual Member Oil and Sculpture Show and Sale of the Westfield Art Association.

The show will be held in the Wateunk Room of the Westfield Municipal Building, Monday, Nov. 15 through Saturday, Nov. 20, 2 p.m. to 4 p.m. and 7 p.m. to 9 p.m. Receiving for members works of art will be Friday, Nov. 12, 9 a.m. to 9 p.m.

Nathenson was born in Colorado and received his bachelor of fine arts from Denver University and master of arts from University of California, Berkeley. He also studied at the San Francisco Art Institute.

Prior to his present position at the Summit Art Center, he taught at the University of California, both Berkeley and Irvine campuses, at California State College, Kean College, Princeton Art Association and was formerly on the staff of the Whitney Museum in New York.

Howard Nathenson

His paintings and drawings have been displayed in many shows.

Dorothy Skrba, chairman of the show and sale, said that Nathenson will present a critique for the artists on Sunday, Nov. 21 from 2 to 5 p.m. in the Wateunk Room.

Mrs. Skrba said also that a painting donated by Kay Nichols Bush will be awarded to a visitor to the show. The show is open to the public and admission is free.

The Big Band Beat of the 1940's is the theme for a November 12 dance for Holy Trinity Roman Catholic Church parishioners and friends. Tony Camera and Kay DeWeever display one of the "oldie but goodie" music albums which will provide music for dancing at the 8 p.m. to midnight event set in the Holy Trinity gymnasium. Tickets for the dance are available from Camera, Mrs. DeWeever or Michele Brown.

## Quilling Demo Sunday P.M.

A demonstration of the early paper craft of "quilling" will take place at the Osborn Cannonball House Museum, 1840 Front St., Scotch Plains, Sunday from 2 to 4 p.m. The demonstration will be given by Mrs. William J. Kennelly, former coordinator for the Miller-Cory Museum in Westfield.

"Quilling" which began in Europe hundreds of years ago, earned its name from the fact that thin strips of paper were wrapped around quill pens thus producing coils which were then made into attractive decorations. Mrs. Kennelly cuts her paper into strips one eighth of an inch wide and coils them around a needle or round toothpick. The paper strips when removed from the needle result in lovely, light coils which are used to create lacey, filigree designs.

Mrs. Kennelly will bring along some of the framed pieces she has done. One is an interesting picture of a cock and hen. The picture includes gilded coils and tiny sea shells.

Mrs. Kennelly enjoys other paper crafts as well. She has demonstrated cutting of silhouettes; pierced paper designs and Scherenschnitte (scissors cutting designs).

The Osborn Cannonball House Museum, located next to the Scotch Plains Village Green, welcomes visitors every Sunday afternoon. The following Sunday, Nov. 14, the annual wreath sale will be held.

## Memorialists At Convention

Mr. and Mrs. Bruce Bauer of Master Memorialists of Westfield and Toms River, attended the recent meeting of the American Institute of Commemorative Art held at the Sheraton-Islander Inn on Goat Island, Newport, R.I.

The institute consists of the leading memorialists in the field of commemorative art from all parts of the United States and Canada.

## Tamaques Cubs

October is communications month for Tamaques Cub Scout Pack 79. At the October Pack Meeting, T. Harris explained his job as a sports reporter for UPI. Harris demonstrated and explained the use of his telephone computer. The boys were interested to hear about his travels around the United States to cover stories. After his talk, each of the dens demonstrated forms of communication.

Assemblyman Chuck Hardwick, left, (R-Union), listens to Gov. Thomas Kean address a recent public hearing on boosting New Jersey's exports. The hearing was conducted by the state Legislative Committee to Encourage Exports, of which Hardwick is chairman, and is to be televised this month on Suburban Cable Television's public access channel 32 on each Thursday at 8:05 p.m.

## Boosting Exports Topic Of Cablevision Series

A recent hearing on boosting New Jersey exports will be televised this month on Suburban Cable Television's public access channel.

The program will be shown each Thursday in November from 8:05 p.m. to 8:35 p.m. on channel 32. All subscribers to Suburban Cablevision can tune in.

New Jersey state Assemblyman Chuck Hardwick (R-Union), who is the chairman of the ad hoc Legislative Committee to Encourage Exports, presides over the hearing conducted in Trenton last month.

The program features Gov. Thomas Kean, Ming

Hsu, director of the state Division of International Trade, Congressman James Courter, and a number of other state and federal trade officials.

The purpose of the hearing was to determine what needs to be done to make New Jersey's exports more competitive in the world market. The efforts of the state will be specifically aimed at helping the smaller businesses, most of which have made no previous effort to export.

"This hearing was an important first step in what I believe will be a valuable way to increase business revenues and create more jobs in the state," Hardwick said.

## 56ers Club Active

Fifth and sixth grade members of the JCC of Central N.J. are planning activities for the coming months under the direction of advisors Jay Swefach and Lisa Schulte. A field trip to the Statue of Liberty Sunday, Nov. 7, from 2-6 p.m. is next on the schedule. On Wednesday, Nov. 17, there will be an evening of swimming. Transportation to and from the JCC at 922 South Ave., West is provided for all activities. Buses leave at 6:30 p.m. and return at 8:30 p.m. for all evening meetings. For information regarding fees and registration, contact Rande Rubenstein, program director, at the JCC.

## Family Workshop To Begin Tonight

There are still some openings in a workshop entitled "Second Time Around - Creating a New Family," being offered by the Youth and Family Counseling Service (YFCS) today. The program, designed to help parents, custodial or non-custodial, who are remarried or are anticipating a re-marriage, will run from 8-9:30 p.m. for three consecutive weeks at the agency's headquarters, 233 Prospect St. An individual family session for parents and children of each family will then be scheduled at the family's convenience. Anyone wishing more information may call the agency. Conducting the workshop will be Miriam Rosenthal, MA, a clinical psychologist, and Patricia Veit, ACWS, marriage and family counselor, both of whom are associated with the Westfield agency.

Who would be liable if...? James Yudes, local attorney, cites different legal situations and poses this question to the Intro to Law class of James Geoghagen at Westfield Senior High School. This presentation was scheduled through the school system's STS (Sharing Talents & Skills) office.

## Considering a luxury cruise to Bermuda?

Ask Susan Kliman.  
She's been there.

In her seven years as a travel agent, Susan has logged six luxury cruises to exotic ports of call. She recently completed a Bermuda cruise on the "Atlantic", Home Lines' new hundred-million-dollar liner. Susan gave it high marks as an excellent "first time" cruise. Shopping, sight-seeing and beachtime in Bermuda. And, at sea, plush surroundings, continental cuisine and royal treatment.

Along with the fun, it was a professional mission for Susan. ETA agents constantly check out cruises, transportation, accommodations, vacation spots and new travel packages, first hand.

As Susan explains: "Our customers are special. They require more than a description in a travel folder. At ETA, we listen, first, to find out what each person wants and requires. Then we apply our personal experience and the full facilities of ETA to plan, coordinate and confirm every detail, for the highest possible degree of satisfaction."

Whether you're a first-time traveler, or planning a worldwide tour, you'll find an exceptional level of professionalism, experience and personalized attention at ETA. Your personal visit will prove the point. Let us know early in your plans.

# Baha's Launch Meeting Series

The Baha'is of Westfield will launch a series of public meetings in the conference room of the Franklin State Bank on South and Hetfield Aves. in Fanwood Saturday. These meetings are scheduled for the first and third Saturdays of each month and are designed to inform area residents about all aspects of the Baha'i faith and will be open and free of charge to the public. Each meeting will have a short presentation after which, soft drinks, coffee and tea and dessert will be served and any and all questions will be answered about the Baha'i community throughout the world.

Ron Cooley, chairman of the Baha'is of Westfield, states that "because of the weighty burden everyone bears in a nuclear age, open communication is an absolute necessity. These meetings are an effort to give all area residents an opportunity to understand his or her individual

responsibility towards neighbor, country and most of all, planet. It may sound pompous, but think about it! Everyone asks, "what can I do, I'm only one person?" The answer is: ... little by little, day by day."

The first presentation this Saturday is a videotape recorded by the United States Senate on the Congressional Hearings on Human Rights. The second meeting on Nov. 20, will be entitled "What do Baha'is Teach Their Children?" This question is frequently asked by concerned parents and because of the interest a public seminar is being considered for the near future. Future meetings also will deal with race unity, equality of the sexes, compulsory education, the UN and the Baha'i International Community.

Each meeting will be informal and will begin at 8 p.m. and end at 10:30 p.m. The public is invited.

# To Dedicate New Rail Car Here Saturday

Thousands of people are expected to join state, county and local officials on Saturday, 6 for the dedication of new rail cars on the Raritan Valley Line (RVL).

NJ Transit, the statewide public transportation agency, is holding a ceremony at the Westfield, Fanwood/Scotch Plains and Plainfield rail stations to dedicate a new passenger car to each of the four communities. The occasion also marks completion of the placement of 62 new coaches and 10 new diesel locomotives in service on the RVL which replaced all of the old trains, some of which date back to 1923.

Following each ceremony, visitors will have the chance to inspect the new equipment.

A special NJ Transit train will arrive in Westfield at 9:45 a.m. in the morning, for the local dedication ceremonies. State Transportation Commissioner John P. Sheridan Jr., who serves as the chairman of the NJ Transit board of directors, will present plaques to Westfield Mayor Allen Chin, which will be individually mounted in the new passenger coaches in honor of each of the communities.

Jerome C. Premo, executive director of NJ Transit, said that the dedication activities planned for the Westfield, Fanwood and Plainfield train stations on Saturday — which will be repeated again on Nov. 13 at the Cranford, Somerville and Whitehouse rail stations — are part of a series of promotional events planned by the agency to introduce people to the new trains.

Premo said that the new cars feature all weather climate control, windows that passengers can see

through and a public address system which "all translate into a new commuting experience for the 6,000 present Raritan Valley Line riders and the thousands more who can benefit from this significant revitalization of apart of New Jersey's transportation system."

Noting that NJ Transit has already experienced a modest increase in ridership on the RVL since the new equipment was placed in service, Premo said, "I am confident that once people have had the chance to experience the comfort, quietness, convenience and reliability of the new trains, they will want to use the Raritan Valley Line in their daily commute to and from work. In fact, we're so sure that people will enjoy the new trains, we are offering a free ride during off-peak hours just to get them to experience first hand the real pleasure of riding in the new cars."

The free ride is being offered in conjunction with a "Win A Weekend At Great Gorge" contest sponsored by Bombardier Ltd., the manufacturer of the new passenger coaches, which are called Jersey Comet II cars. Coupons will be available at the stations for anyone wishing to enter the contest.

The contest coupons can be mailed to NJ Transit at P.O. Box 10009, Newark, New Jersey 07101 or can be used for a free ride during off-peak hours on the Raritan Valley Line. Coupons collected on the trains will be placed in the drawing which will be held on Dec. 3, according to officials of Bombardier.

In addition to the contest, new RVL timetables and brochures on the new rail cars will be distributed at the stations along with free railroad engineer hats, toy banks and balloons.

# Local Officer Secretary of Police Academy Class

Frank Schmitz of the Westfield Police Department has been elected secretary of the current class of the Union County Police Basic Training Academy.

The Police Academy was instituted in 1946. It is conducted jointly by Union County College and the Union County Police Chief's Association to train new recruits in law enforcement agencies in Union County. In addition, the Academy conducts in-service programs for experienced law enforcement officers who need to keep abreast of new developments in the field and to refresh basic skills.

The twelve-week basic program, which is coordinated by Dr. John Wolf, Academy director, and chairman of the College's Criminal Justice Department, includes the study of

such topics as administration of justice, patrol practices, group behavior, physical skills, investigations, highway safety, fingerprinting, interviewing techniques, crime scene sketches, and traffic control.

Scenes like the one above were not uncommon during McKinley's Halloween Parade on the school's grounds. Later in the afternoon, students were treated to cake and ice cream as each class held their own parties.

# Traffic Accidents Injure Two

As a result of a two-car intersection accident last Wednesday at about 7 p.m. at Lawrence Ave. and Walnut St., one driver was taken to Rahway Hospital and another was ticketed for a stop sign violation.

According to police James Pickens, 51, of 329 Mountain Ave. was transported to the hospital after his car collided with one driven by Bruce Wheeler, 19, of Scotch Plains. Pickens was reported to have been treated and released.

The driver of a car which crashed into a parked car which in turn hit another on Rahway Ave. between Grove St. and Doris Parkway Tuesday night was taken to Overlook Hospital, Summit where she was treated and discharged. According to police, Kathryn Shea, 32 of 905 Pennsylvania Ave. apparently lost control of her vehicle before the accident. She was charged with careless driving.

## Police Report...

A town man has been jailed in lieu of \$10,000 bail charged with several weapons violations and possession of a controlled dangerous substance.

Keith Marshall, 27, of 614 Ripley Ave. was arrested Thursday night and charged with two counts of criminal mischief, possession of a weapon for unlawful purposes and discharging firearms. According to police, Ripley caused damage to a Datsun parked in front of 615 Ripley Pl. and a house at 613 Ripley Pl. Two rifle slugs damaged the car and one bullet struck the front door of the house and another was imbedded in the shingles.

Police executed a search warrant of Marshall's home and discovered approximately one pound of marijuana which they confiscated.

Burglaries were reported this week at Meeker's Garden Center on South Ave. and residences on Coleman Pl. and Tamaques Way.

Wednesday, and Woods End Rd., Oak Tree Pass and Michael Drive Tuesday. Attempted entries occurred at homes on Carleton Rd. and St. Marks Ave. Tuesday. The basement of a home on North Chestnut St. also was entered Tuesday, however entry to the upstairs was not gained.

Thefts were noted Friday from the Country Store on Elm St. Saturday from homes on Wyckwood Rd. and Virginia St.; Sunday from a home on Fairhill Drive where jewelry was reportedly taken and Monday from Howard Plastics on North Ave. East.

A 15-year-old youth was arrested Thursday and charged with burglary and theft from the Conrail switching station. A juvenile was charged last Wednesday with making terrorist threats and a 28-year-old Plainfield woman was arrested the same day for shoplifting at the Elm St. A & P.

A 24-year-old town man was arrested Thursday and charged with aggravated assault and motor vehicle charges.

Two town men were arrested Saturday for driving while intoxicated and a 30-year-old town man was charged Sunday for the same offense as well as possession of a controlled dangerous substance under 25 grams.

A 12-year-old boy was apprehended Tuesday for throwing stones at lights at the northside train station.

## Halloween Quiet

Although Det. Sgt. Wesley Moore described this Halloween period as one of the "quieter ones compared to other years," some vandalism incidents were reported.

Five tire slashings occurred in the Tice Pl. area Sunday. Also on Sunday, police received reports that an obscenity was sprayed on a vehicle on Summit Ave., the lower portion of the storm door of a home on Downer St. was kicked in, a fence post was broken on Grove St. and a large rock placed in the center of Central Ave. near Frazee Ct. caused damage to the undercarriage of a car.

In the days prior to Halloween, eggs were thrown at the front of a Summit Ct. home, a rock was tossed through the sliding glass door of a Gallows Hill Rd. home, a tomato was thrown at the windshield of a car on South Ave. and a storm door window was broken on Lawrence Ave.

A freshly-painted house on Mohawk Way was sprayed with black paint and a rectangular traffic sign was dropped on a car at Central Ave. and Caciola Pl. Monday.

woman Fenwick fell statewide to political newcomer Frank Lautenberg by an unofficial count of 1,064,523 to 996,575.

Republican candidates for Surrogate, Rose Marie Sinnott, and Freeholders, Blanche Banasiak, Robert Miller, Bernard Yurosavage and John G. Kulish won locally over their Democratic counterparts Ann Conti, Charlotte DeFilippo, Thomas Long, Walter Boright and Jerry Green. On the county level, however, the Democratic team won all five seats.

On public questions, local voters favored the nuclear freeze question, a bond issue for correctional facilities, a veterans' home, and an \$85 million bond issue for community development and rejected permitting the state to buy riparian lands at less than market value. Statewide, voters approved all but the riparian land issue and the community development bond issue.

With 17,716 eligible voters, the local turnout of 12,278 was not far behind the 14,000 or 78 percent of the vote cast in the 1960 Presidential Election.

The Intermediate Planning Committee has developed a set of goals and philosophy statement for an intermediate school. These were approved by the school board last month.

The proposed course sequences will be studied by other staff committees working on the reorganization to determine their impact on the elementary education program and the high school program.

According to Dr. James F. Donovan, who presented the course sequences at an academic session of the school board Tuesday night, the sequence outlines "what is to be delivered" in an intermediate school. "How it is to be delivered," he said, will be developed by the Intermediate Planning Committee between now and June 30. He said that the sequences present "concepts" and that "logistics" have to be worked out.

bound on 22 and then execute a U-turn through the central island. Both traffic movements were dangerous, according to McMillan, who called himself "a safety nut."

McMillan took issue with traffic volumes and origins presented earlier by Raymond Keyes, the traffic expert of developer General Growth, who testified at five of the earlier hearings. McMillan estimated that 37 per cent of the traffic going to the mall would proceed along Springfield Ave. in Westfield, whereas Keyes' estimate had been 23.

Likewise, he said 22 per cent would come from Springfield pass the Hillside Ave. intersection over the old Route 22 bridge, to Keyes' figure of 15. He estimated correspondingly lower percentages traveling along Route 22.

As for total traffic volume, McMillan estimated total volumes 20 per cent higher than Keyes, or about 30,500 trips to or from the mall site from all directions daily. He also estimated that cars would come from up to 30 minutes away, from 37 municipalities, to the mall, whereas Keyes estimated that 85 per cent of the traf-

fic would come from a four mile 15 minute radius.

McMillan concluded that the saturation level on Springfield Ave. would be exceeded at highway rush hour in the evening, and added that during the Thanksgiving through post-Christmas season the traffic volumes might reach 193 per cent of capacity. Even using the lower figures of Keyes, McMillan said long backups would occur.

He said that traffic during this shopping season would be approximately 40 per cent over regular volumes, according to the studies and references he uses.

Sight distances would be inadequate or dangerous at several points along Springfield Ave., according to the expert. He criticized as dangerous the situation for southbound traffic across the bridge to proposed entrance A at Dundar Rd.

Also hazardous would be the existing exit onto Springfield Ave. from Cardinal Dr. and the proposed exit onto it from proposed entrance C; the latter would be located just past the right-hand curve headed northbound away from Westfield.

McMillan was requested to return for further testimony and cross-examination at the next hearing, scheduled for Wednesday night, Nov. 10. Hearings begin at 7:30 at the Francis Gaudineer School.

In testimony which opened hearing number 11, Westfield Mayor Chin expressed his appreciation to Springfield for the opportunity to express Westfield's concerns on "the other side of the mail question," while respecting "Springfield's power of home rule."

"We hope to show you that the proposed mall will have many negative effects, such as traffic and safety problems, additional crime problems and possibly flooding problems which we are sure will cause Springfield and many adjacent towns to spend additional funds to correct," the mayor said.

He conceded some fear of loss of business in Westfield, which he said was "our own problem and nothing which should be of concern to you," but he pointed out how "we in Union County have traditionally helped each other in the form of mutual aid."

"I like to think that we are a fairly close knit group of towns in Union County. We have a large, wealthy corporation based in Iowa, trying to squeeze or foist a large shopping mall, compete with over 24,000 additional cars daily, into one of the most densely populated sections of Union County and in the most densely populated state in the country, with a shoehorn."

Specifically, the Mayor noted from prior testimony by the developer's witnesses crime in the area of other malls. He criticized their marketing expert by saying he "certainly is not aware of or in tune with the shopping habits of New Jersey residents, especially in this area of Union County, where he assumes that given the choice, a person in Hillside would travel to Newark to shop, rather than go to a mall located in the suburbs. It appears to me that their so-called experts do not know much about this area at all."

## Duplexes

(Continued from page one)

Two residents from the neighborhood, Peter Macri of Central Ave. and John Peterson of Myrtle Ave. agreed that reasonably priced housing is needed in town; Macri thought that Minogue had constructed "quality housing." Both felt, however, that the people from the neighborhood should be appraised in advance before building is begun. "Minogue is a professional builder and should know the rules," stated Peterson.

In one of the other hearings, Joseph Scalzadonna

received conditional approval to create six substandard building lots and extend public improvements at a site located at John St., Brown Ave. and Cleveland Ave. James Flynn, Scalzadonna's attorney, noted that testimony regarding the subdivision had been presented at the September meeting and that the plan incorporated items required by the town engineer, Ron Frigerio abstained from the vote as the applicant is a client of his.

Commenting that he did not know why the county had appeared before the planning board to plead its case to extend its present parking lot at the county complex on North Ave. East, Mayor Chin moved to approve the plan which was unanimously granted. He added that the county was not required to appear before local planning boards but that such "good neighborliness" was appreciated.

A resident of Tremont Ave., Anne Fontana, questioned the good neighbor policy of the county regarding the facility. She requested a planted screening of the entire area. Joseph Biren, another Tremont Ave. resident, voiced his concerns about lighting.

County representatives indicated that they would screen as much of the facility as possible within budget restrictions. They also agreed to adjust the lighting if necessary.

David Zurav, who represented the county, stated that it wanted to pave, drain and landscape a "helter-skelter" gravel parking area which is about 400 ft. from the main building. He said that requests had been made to the county prosecutor to remove some of the impounded vehicles currently on the site.

Peter Felix, owner of the Westfield Diner, received site plan approval to convert the former office and repair shop of Westfield Ford, 325 North Ave., to an office building. He will reface the building and add colonial-style windows so that the structure will be similar to the diner in its outward appearance.

An informal discussion was held among Leslie Apirian, a dentist practicing at 581 Westfield Ave., his attorney and the board to determine the possibility of using a garage on the property as an apartment. Such use would mean that two principal structures would stand on the property which is not permitted under the land use ordinance. Members of the board suggested that Apirian should contact his neighbors to get their reaction to his plan before proceeding further.

## Miller-Cory

(Continued from page one)

town and the first monies began to be collected.

Flags were sold at the Memorial Day Parade and the Miller-Cory mints and molds made their debut at the May Kiwanis Antique Show. Westfield's "first ever" town-wide fair was held that September with the sponsorship of the Merchant's Association and the help of many of the social and civic organizations in town.

Miller-Cory Day was marked by thousands who streamed through the streets sampling foods, enjoying the crafts and amusement rides and watching Lamb's Artillery Company in Mindowaskin Park. A theater party for "1776" with a champagne buffet at Papermill Playhouse was another successful fund raiser as was a ticket sale which sent a lucky couple to Williamsburg.

On opening day, a group of nervous and excited docents guided the first of subsequent thousands through the house and the "life" of Miller-Cory House began.

Over the years there have been many changes and improvements. The grounds, vegetable and

dye gardens have been cared for by many volunteers including local garden clubs and the herb garden received special care under the direction of New Jersey Herb Society members. The additions of the Frazee building, where open-hearth cooking is done weekly, the corn crib, and the "necessary" have increased the reality of life in the West Fields of Elizabethtown, an archaeological dig and numerous structural changes, including the reconstruction of the main room fireplace, not extant when the museum opened, have added "truth" to the museum's image.

The success of the open-hearth cooking program which began in 1973, even before there was a fireplace in which to cook, is evident in that Miller-Cory House Museum has been featured in four national publications this year. "Early American Life" in the spring, "Colonial Homes" and "Americana" in their September-October issues and the November issue of "Great Recipes of the World." The original cookbook "The Groaning Board" is into its second printing and a major project just completed with the New Jersey Historical Society has produced "Pleasures of Colonial Cooking," which combines essays on the methodology of open-hearth cooking with 60 updated recipes from the original "receipts" which also appear in the book in their original form.

The Showcase of 18th Century Skills has taken crafts to many schools, not only in Westfield and its immediate environs, but all over New Jersey and as far away as Richmond, Va. Ten different colonial crafts are demonstrated by dedicated volunteers who have taken the showcase to adults as well as children. The showcase has also been taken to the handicapped and the learning disabled, giving them not only the opportunity to see crafts demonstrated, but also to try them first hand. A popular showcase feature of recent years is "Sabra Miller's Trunk," which contains items that would be used daily in the life of the Miller family and, through "Sabra's" interpretation, gives the listener a "tour" of Miller-Cory House.

The museum's interpretation reflects the tasks and seasons of the farmer's year, augmented by the skills of literally hundreds of craftsmen from carpenters and roped makers to blacksmiths, tinsmiths, candle dippers, spinners, weavers, quilt makers, stencil and theorem painters, musicians, and even intinerant Revolutionary War "soldiers" and their camp-followers. The annual Sheep to Shawl Day in May and the Fall Festival in October have become "looked for" events on the community calendar.

Since Miller-Cory House opened its doors in 1972, members and volunteers have been attracted from many communities - there are 10 different towns represented in the open-hearth cooking committee alone. Volunteers range in age from five year olds in the junior docent program to betogenarians who share their varied skills. The Miller-Cory Volunteers feel that there is always room for new members, as there always new projects to be done and the need for willing hands does not decrease.

The Miller-Cory Volunteers and the Westfield Historical Society, which owns the museum are appreciative of each and every person who has contributed to its growth for support and interest and additionally, offer an open invitation not only to visit the museum on Sundays, but also to become a member of the corps of "volunteers" whose combined efforts continue to make this local landmark a truly "living" museum.

## Eileen Griffith and Thomas Gannon Mary At Holy Trinity

Eileen Bridget Griffith and Thomas C. Gannon were married Aug. 28 at Holy Trinity Church by the Rev. Michael Desmond who performed the 3 p.m. service. A reception at the Westwood in Garwood followed the ceremony.

The bride is the daughter of Mrs. Thomas A. Griffith of 910 Grandview Ave. and the late Mr. Griffith. Mr. and Mrs. M. Eugene Gannon of New City, N.Y., are the parents of the bridegroom.

Given in marriage by her uncle, Vince Griffith of Florissant, Mo., the bride wore her mother's gown of hand-made peau de soie trimmed with seeded pearls and a cathedral train. Her fingertip veil was attached to a Juliet cap. She carried a cascade bouquet of gladioli, carnations and a single long-stemmed rose.

The bride's sister, Noreen P. Griffith of Westfield, was maid of honor. Bridesmaids were Annmarie Griffith of Westfield, the bride's sister; Anne Foley of Cranford; and Maryanne Murphy and Alexis Wadiak, both of Westfield. The bridal attendants wore gowns of rosebud chiffon over silk. They wore garlands of pink carnations in their hair and carried French style bouquets of pink and white carnations, purple statice and daisies.

Mr. and Mrs. Thomas Gannon

James Gannon of Nyack, N.Y., was best man for his brother. Serving as ushers were Bill Gannon of Harrisonburg, Va., the bridegroom's brother; Tom Donahue of Charleston, W. Va., and Dan Scott and Lester Gross, both of Greensboro, N.C.

The bridal party hosted a shower in the garden of Mrs. Kathleen Murphy's home in Westfield. The bridegroom's parents gave the rehearsal dinner at the Coachmen's Inn, Cranford.

The bride was graduated from Westfield High School in 1977. She attended the University of North Carolina in Greensboro and is a bookkeeper with Southland Container in Edison.

The bridegroom, a graduate of the University of North Carolina, is an accountant with the Underwriters Adjusting Co. of New York City.

Following a wedding trip to Nova Scotia, Canada, the couple is living in Plainfield.

## MARRIAGE STRAIGHT TALK

### Dangerous Games

A big mistake in child-raising is playing the "good parent/bad parent" game with your kids. There are several variations, such as the "kiss 'em/kick 'em" routine. One parent tries to get results with kindness, flattery, even bribery; the other uses stern words or discipline. In another version, one parent may comfort the child scolded by the other, saying something like: "I'm sure he didn't mean to do it and he won't do it again."

These games teach the child how to manipulate the parents. The results can be unsettling to your marriage, once the child learns to pit the two of you

Anne L. Burton, MTS

against each other, and to say those words that hurt, "Mommy loves me better than you do." "Daddy's nicer than you are." Even though you understand why it's said, resentment is inevitable - not just toward the child, but towards your spouse, too.

The moral? Agree as partners to aim at consistent handling of the child.

## Musical Club Sets Program

The Musical Club of Westfield will meet Wednesday at 8 p.m. at the home of Mrs. Richard Cerrito, 563 Westfield Ave. Guests of members are invited to attend.

Marie Mercier of Cranford, program chairman for the musical portion of the meeting, has announced that the performers will include Barbara Krause, soprano, of Cranford; Jan Hedden Godlefski, soprano

of Piscataway; and Florence Jacobs, pianist of Westfield. Also performing will be an instrumental quartet featuring Marsha Pederson of Cranford, violinist; Janet Somers of Westfield, flutist; Dorothy Blendinger of North Plainfield, guest cellist; with Marie Mercier at the piano.

Elfriede Tiscbein of Westfield is hospitality chairman for the evening.

## Harpist To Perform With Mostly Music

"Mostly Music," the chamber music series which is given in cooperation with Temple Emanuel, in Westfield, will present its second concert of the 1982-1983 season Sunday, Nov. 14. Guest artists Deborah Hoffman, harpist, and Jody Greitzer, flutist, will join Musica da Camera in a program including the Debussy Trio for flute, harp and viola; Saint-Saens's Fantasy for harp and violin; Bach's Sonata in C for flute and harpsichord; and the Beethoven Trio in G major, Opus 9.

Twenty-two year old Deborah Hoffman is the first prizewinner of the 1981 American Harp Society national competition. She is also the recipient of two Ruth Close Scholarships; and in 1978 was a top prizewinner in the seventh International Harp Competition in Israel. Under the auspices of the American Harp Society's young artist program, Ms. Hoffman recently completed a recital-tour of the West Coast. As a member of the Hoffman Chamber Soloists, an ensemble comprised of her three brothers and her parents, she has performed extensively throughout Canada and eastern United States. She is currently pursuing her master's degree at

Deborah Hoffman

New York's Juilliard School where she completed her undergraduate studies with Susan McDonald. As a winner of Juilliard's 1980 concerto competition, Ms. Hoffman performed in Lincoln Center's Alice Tully Hall, with the Juilliard Philharmonia.

The members of Musica da Camera are Robert McDuffie, violin; Toby Hoffman, viola; Michael Goldschlager, cello; and Claire Angel, piano. Music historian Stoddard Lincoln will offer some commentary on the music being performed. Tickets will be available at the door. The concert begins at 7:30 p.m. For information call Claire Angel, 625 Willow Grove Rd.

## Noda's White House Performance On TV

Ken Noda, the nineteen year old concert pianist who performed in Westfield last May with violinist Cho-liang Lin at a Mostly Music concert, will appear at The White House Sunday. The program will be shown on television Wednesday. Noda will present a group of compositions by Chopin and then will perform with violinist, Itzhak Perlman, who was responsible for inviting Noda to play at the White House.

Last summer, Noda made his debut with The Boston Symphony under the direction of Seiji Ozawa. He also appeared in solo recitals at The Kennedy Center in Washington and Toronto, Canada. He studies with Daniel Barenboim in Paris and Rudolph Firkusny in New York. He has appeared with many orchestras in the United States and Europe including the Berlin Philharmonic, the Chicago Symphony and The New York

Ken Noda

Philharmonic. Noda will be soloist with The New York Philharmonic under Zubin Mehta at Lincoln Center, Nov. 19-24.

Ken Noda will return to Westfield with Lin on April 16 to perform a recital for Mostly Music at Temple Emanuel. Details about the concert will be released in early November. For information, please contact Claire Angel, 625 Willow Grove Rd.

## Casting Call For Washington School Show

Audition dates for the Washington School PTA's 1983 show have been announced by the Washington School Players, formerly the Grant School Players.

The original production, "Inn Trouble," is a musical comedy filled with a hodgepodge of hotel hilarity according to director Pinky Luerssen. It has a cast of nineteen adults plus a chorus and dancers. "Inn Trouble" will be staged Friday and Saturday, Feb. 4 and 5 at Roosevelt Junior High School.

Cast auditions will be tomorrow 8-10 p.m.; Sunday, 1-3 p.m.; and Wednesday, 8-10 p.m. Dance placement will be Monday, Nov. 15, 7:45 p.m. at the Westfield Rescue Squad. Chorus sign-up and further

audition information may be secured by contacting show co-producers Beth Upham and Jeanie McCullough.

Cast and dance rehearsals will be three evenings a week for five weeks beginning Jan. 3. Weekend rehearsals will be Jan. 22 and 23 and Jan. 28 and 29. The chorus will rehearse twice a week plus the two weekends prior to the show.

Cast and production crews are composed of Washington School parents and alumni. Proceeds from the show benefit the school. Tickets officially go on sale in early January, but people wanting to give tickets as holiday gifts may contact ticket chairman Mrs. Ronald J. Burkett.

## Youth Symphony Fundraiser

The New Jersey Youth Symphony has planned a restaurant review fundraiser as a kick off for the "Bucks for Belgium" weekend. The group is raising money so that it may represent New Jersey in an international music festival in Belgium.

Participants in the restaurant review fundraiser will make a tax-deductible donation to the Symphony. They will then receive a critique sheet from the Restaurant Review Club. Diners may then visit a restaurant suggested by the club or one of their choice between now and Nov. 12. At that time, all will assemble at Alison's Restaurant, 242 North Ave., to discuss their findings while having dessert and coffee. Nancy Ruening, restaurant critic from the Elizabeth Daily Journal, will discuss her experiences. The Westfield members of the New Jersey Youth Symphony will provide music.

For information contact Sheila Barbe of Westfield or the Restaurant Review Club, P.O. Box 1127, Mountaintop, N.J. 07092.

## Godspell Opens

## COOKY'S FIGHTS UNEMPLOYMENT

Secretary of Labor Donovan called from Washington last week to congratulate the management and staff at Cooky's for leading the fight against unemployment in the Westfield area.

COOKY'S has traditionally shunned modern labor-saving machinery in favor of making old-fashioned baked goods by hand, thus employing more people than so-called modern bakeries where everything is automated.

Our Croissants take hours of mixing, rolling out, folding and cutting before they are put in the oven. David mixes our English Scones and Buttermilk Biscuits by hand, rolls them out on the marble top table, cuts them out and puts them in the oven. We grind our own hazelnuts for the Linzer Torte and break the walnuts and pecans for the Chocolate Chunk Cookies. The apples for Apple Strudel are peeled and cut up with a paring knife — they don't come from a can.

Our customers demand the best ingredients and highest quality — delicious baked goods made by hand the old-fashioned way.

**Ken and David Welch**

P.S. Secretary Donovan said that the unemployment problem was a ridiculous rumor being spread by 13 million people who are out of work.

## Woman's Club To Hear Flower Arranger

Cathy Miller

The Woman's Club of Westfield, Inc., will meet at the Parish House of the Presbyterian Church Monday, at 1:15 p.m. Cathy Miller will present a demonstration entitled, "Yes, They Really Are Dried Flowers."

A Wyckoff resident for 16 years, Mrs. Miller is past president of the Wyckoff Garden Club and the recipient of many blue ribbons for her arrangements.

She has completed more than a dozen assignments

for the "Family Circle Magazine." Her Christmas wreath was on the cover of the December 1978 issue.

Her dried-flower articles have appeared in "Better Homes and Gardens," "Gardens' Handbook" and the "Ladies Home Journal." She has appeared on the Joe Franklin Show and on a 1980 pilot cable TV show, entitled "Women's Horizons."

For the fifth year, Mrs. Miller's Christmas designs appear in the Family Circle's supplement, "Great Ideas for Christmas 1982."

A special feature about her home-grown dried flowers appeared in great detail in Family Circle's "Remodeling and Decorating Made Easy, # 3," published in August. Moreover, the regular Christmas issue of the "Family Circle Magazine" will feature Mrs. Miller's dining room, decorated for Christmas. The fall issue of "Bride's Magazine" contains five bridal creations, using dried flowers.

Fifty-one of her arrangements were used in the White House in Washington, D.C., during the period from October 1979 to February 1981.

Following the program, tea will be served by the hostesses of the day, members of the American home life department.

## YWCA Plans Trips, Theatre Tours

The YWCA of Westfield has planned a trip on Nov. 18 to Acorn Hall, headquarters of the Morris County Historical Society. The mansion houses many original furnishings, including oriental porcelain.

A luncheon buffet at The Old Mill Inn in Bernardsville, is scheduled as well as a tour of Speedwell Village and the Stephen Vale homestead.

Tickets for the tour are still available at the YWCA. The bus leaves YW at 8:30 a.m. and returns about 5:30 p.m.

A trip to the Hess Department store in Allentown, Pa. is set for Dec. 2. Tourists may lunch at one of the three restaurants or snack bar within the store.

Bus leaves the YWCA at 9 a.m. and returns at 5:30 p.m.

A trip to Radio City Music Hall to see the Christmas show is planned for Dec. 7. An additional 49 tickets have been obtained

by the YW. Time will allow a leisurely lunch and an opportunity to view decorations before the 2:30 p.m. matinee show.

Bus leaves the YWCA at 10 a.m. and returns about 6 p.m.

A trip to see the play "Never Too Late" at Hunterdon Hills Playhouse is scheduled for Dec. 15. A full course lunch and show is included in the ticket price. Bus leaves YWCA at 10:30 a.m. and returns at 4:30 p.m.

The YW has booked a theatre trip to "Cats" for Jan. 19. The reviews are great so don't miss this. The bus will leave the YWCA at 10 a.m. and return after the show. Call the YWCA for information on trips and tours.

An 11-day cruise on the Mexican Riviera is set from Feb. 12th to 23rd. Brochures are available at the YWCA. Those interested also may call Dick Turner of Turner World Travel for details.

## PacMan Read-a-thon At Tamaques

PacMan Read-a-thon, a three week reading experience sponsored by the Tamaques School PTO began Monday and will continue through Sunday, Nov. 21.

The kick-off of the PacMan Read-a-thon began with the distribution of PacMan balloons donated by Bob and Marcia Kender owners of Ballooney, 29 Sandy Hill Rd.

Arlene Burstein and Sue Covert, co-chairmen of this event have noted that

students have been busy gathering sponsors who will pledge a certain amount of money for each book read, for books read for schoolwork and books someone may read to the student. All pledges will be collected on Monday and Tuesday, Nov. 22 and 23.

PacMan Read-a-thon proceeds will benefit the Tamaques School library and other student programs of the PTO.

## Ogden To Address Smith Club

The Plainfield-Westfield Smith College Club announces an open meeting Tuesday to which members of the public are invited.

Special guest speaker will be New Jersey State

Assemblywoman, Maureen Ogden. The topic for the evening will be "Women in Politics."

The meeting will be at 8 p.m. at the home of Mr. and Mrs. Thomas Jackson, 1310 Prospect St.

Members of the Junior Woman's Club of Westfield, Norma Nemec (l), Linda Mankowski (c), and Colleen Schmidt (r), examine some of the items craft dealers will display at the sixth annual Unique Boutique Craft Fair to be held on Nov. 20 at Roosevelt Junior High School of Clark St.

## Unique Boutique At Roosevelt Nov. 20

An array of gifts, foods and decorative items handcrafted by more than fifty artisans from the tri-state area will be made available to the public at a Unique Boutique Craft Fair on Nov. 20. The fair is being sponsored by the Junior Woman's Club of Westfield. It will be held at Roosevelt Junior High School on Clark St. during the Saturday shopping hours of 10 a.m. to 4 p.m.

Westfield Juniors have been working on this fair for months. Crafts represented include: silk flowers, stained glass, Christmas ornaments, dolls, baskets, hand knits, needlework, weavings, handmade jewelry of all kinds, leather work, decoys, ceramics, calicos, wreaths, quilts, country wall decor, doll house miniatures, wooden items, weather vane, and smocked dresses. Some of the more unusual items in-

clude: handpainted fine porcelain, stone garden animals, holograms, scented hot pads, tapestries and granny bells. Crafters will be bringing their creations from as far as Bethlehem, Pa.

The Junior Woman's Club will be collecting a nominal donation at the door, but this small gift offers attendees an afternoon of browsing. If browsers get hungry, there will be a Hospitality Table and the annual Juniors' Gourmet Bake Table. The Gourmet Table will offer take-home munchables.

Proceeds from the Unique Boutique Craft Fair will go to fund local charities which serve Westfield and area communities. Further information and directions to the fair may be obtained by calling Linda Mankowski of Westfield. Children under twelve will be admitted without charge.

## Boutique At Runnells

The Runnells Hospital Volunteer Guild will hold its annual Christmas Boutique on Friday, Nov. 19 at the hospital on Bonnie Burn Rd. at Plainfield Ave., Berkeley Heights, in Mary Connolly Hall from 9:30 a.m. to 4 p.m.

Volunteers have been working all year creating handmade items of wearing apparel, both adults and childrens, toys, gifts,

Christmas ornaments and a variety of stocking stuffers. The "baked goods table" will present homemade breads, cakes, pies, cookies, etc. A "nearly new table" will offer attic treasures. Desserts, coffee and snacks will be available throughout the day.

Proceeds are used to brighten the days of patients.

## ORT Bazaar and Garage Sale

The Greater Westfield Chapter of Women's American ORT will hold a combination pre-bazaar and garage sale on Nov. 11, at 624 Willow Grove Rd. Raindate is Nov. 12. Hours are at 9 a.m. to 2 p.m.

Proceeds from the sale will support ORT's EPIC (Earning Power Improvement Courses) project, a crash program for unskilled or displaced persons of all ages.

## Health Screenings At Center Nov. 11

The Westfield Board of Health in cooperation with the Visiting Nurse and Health Services and the Westfield Community Center, will conduct a free blood pressure and diabetes screening session Thursday, Nov. 11, from 9 - 12 noon at the Westfield Community Center located, 558 West Broad St.

Individuals should be screened for high blood pressure if they:

- 1) are 35 years of age or older;
  - 2) have a family history of high blood pressure;
  - 3) have not had a blood pressure test in over a year, or
  - 4) have stopped taking their blood pressure medication without their physician's approval.
- Individuals should be screened for diabetes if they:
- 1) are 40 years of age or older;
  - 2) have a family history of diabetes;
  - 3) have a tendency to be overweight, or
  - 4) are mothers of babies who weighed 9 lbs. or more at birth.

Rotary Club Vice President Jim Fleming, left, welcomes Adam Levin to Rotarians' weekly luncheon.

## Levin Addresses Rotarians

At the Oct. 19 Rotary Club meeting, former Director of the N.J. Division of Consumer Affairs Adam Levin, then a Congressional candidate in the 7th District, put his issues before the club members. Among them were the economy, employment, environment, crime and defense.

Levin said that "Reagan economics was not carried out properly." His opinion is that "we need stable long term interest rates. Levin also said that government must help

American business by forming a job training council to put people in the work force." People who are collecting unemployment compensation should be actively looking for jobs or be entered in a job training program. Young unemployed people would enter a pre-job training program, he said, urging that, an individual training account should be established in which employee savings would be matched by the employer for future job training if that job was eliminated.

Junior Woman's Club of Westfield membership chairwoman, Danielle Walsh (3rd lt) and Terri McKeever (5th lt), welcome prospective members: Brenda Cuba (1st lt), Peggy Deuch (2nd lt), JoAnn Pochick (4th lt), Debbie Farmer (front rt.), Helen Kirk (2nd rt.) and Sharon Sullivan (1st rt.) to a new member tea held at the home of Mrs. Walsh recently. The women, all residents of Westfield, will be accepted into full membership by Westfield Juniors at the November membership meeting. Anyone interested in becoming a member may contact Mrs. McKeever.

## Brooklyn Trip Has Openings

Area residents still may join the Westfield Adult School's bus trip, "Dutch and Revolutionary War Brooklyn," Saturday, Nov. 13. Leading the tour will be Lou Singer, a popular guide who has narrated many trips to local points of interest.

The trip will focus on the Dutch heritage of Brooklyn and the Revolutionary War's influence on Brooklyn's development. The round trip will depart from Roosevelt Junior High School at 9 a.m. and return in the late afternoon.

Interested residents should call the registrar, Mae Furstner, 232-4050 to secure a place on the bus or to ask any questions. The fee includes round-trip transportation and the guided tour, but does not include luncheon.

This will be the fourth and final "Classroom on Wheels" trip for the Adult School's fall semester.

## Boosters Award Band Trophy

The Westfield High School 8th annual Invitational Band Competition was held on October 17, 1982 at Westfield's recreation field. Twelve marching bands from all over the state competed in a variety of categories during the day long competition.

WHS Band Director Dave Shapiro stated that the Westfield Invitational is considered one of the strongest competitions of this kind in the state. This year's competition was keen and resulted in strong performances by all 12 bands. Chuck McGill, Westfield School Booster vice president, was on hand to present the Booster President's Trophy to Elizabeth High School's Marching Band emblematic of the best overall band in this year's competition.

Since its inception eight years ago, this event has been a great success. Each year the competition seems to get stronger and next year more bands and an even better competition is anticipated.

## Scoreboard on TV

## Memorial North Players Have Two Tied Games

Division 5 Memorial North scores this week are:

Huskies 5  
Mustangs 1

The Huskies continued their winning ways by coralling the Mustangs 5-1. The Mustangs opened the scoring early in the first half when Frank Rohm gathered up a loose ball just outside the Huskie penalty area and drove the ball into the net. The Huskie defense of Pat Regan, Danny Higgins, Robbie Mason, and keeper Bill Bradley effectively shut down the quick passing Mustang attackers Chris Sepe, Ed Perri, and Rohm and the half ended with the Mustangs ahead 1-0.

The Huskies came out growing in the second half and evened the game as Nicky Christakos blasted in a shot from 20 yards out. Huskie halfbacks Philip Croust and Jeff Meslow played aggressive soccer and challenged the Mustangs.

Mustang halfback Chris DeKlassi and David Ricker put up a valiant effort but Christakos penetrated again and scored the third goal for the Huskies. Constant Huskie attacks by Chris Manning, Bob Bradley, Chris Spina, Bradley Lang, Jeff Fox, and Etienne Ronsin paid off as Bobby Hermiston followed a rebound off the chest of Mustang goalkeeper Mark Swersie and netted the fourth Huskie score. With minutes remaining in the contest the Huskies mounted another rush to the Mustang goal and Christakos added his third goal for his second hat trick of the season. Outstanding passing and continuous teamwork highlighted every Huskie attack.

Bobcats 2  
Buffalos 2

The Bobcats and the Buffalos both demonstrated such fine soccer skills at Sunday's game that neither team was able to dominate the other. Paul Jordan, ably supported by Kevin Zadorian and Brian Kossler, got the Bobcats off to a running start with 2 goals in the first half. Going into the second half with a 2-1 lead, Bobcats Adam Labroda, Steve Moninger, Michael Doyle, Tim Wooster, Teddy Powell, and Vally Biloff demonstrated fine soccer skills as they worked together to try to hold back the Buffalos. However, they were unable to prevent their opponents from making one more goal, thus tying the game 2-2.

In the final outcome of the game both worlds because neither team deserved to lose. The Buffalo's offense overcame a 2-0 deficit on 2nd half goals by Ted Daner and Chris McGall. The defense sparked the Buffalo's and the game's MVP went to Eric Hellen who seemed to be all over the field stopping the Bobcats' offense. When the Bobcats were able to get a shot on goal they were constantly stopped by the spectacular in goal. Josh Schwartz played his usual steady game and the team was aided by the improved play of Eric Frankel, Mike Dowling and Pat Cosquer.

Cougars 3  
Wolves 1

The Wolves countered by a well placed shot by Lawrence Heller. The Wolves halfbacks Jim Nicole, Jim Juiven, Kevin Wang and Robert Toth played well in the middle. Fullback Joe Marinelli, Alex Ho and John Carrigan kept the Cougars in check the second half. Jimmy Chmielak center-forward and played well for the Wolves at back and Matt Connell did a fine job in goal.

Kevin Cashman opened the game with an exciting run from the 18 yard line to score the first Cougar goal. Left-footed Leonard Stern scored the second Cougar goal with an assist from Joey Agnone.

Lawrence Heller of the Wolves scored a beautiful goal to keep the game close.

The third quarter was held scoreless by great defense from both teams. Bill Zicker, Patrick McNellis, Christopher Edling, Jeff Pereira, and Brian Godici of the

Cougars played fearless, aggressive defense under constant pressure from the Wolves. Chris McKay as goalie made many great saves from numerous Wolf attacks.

Corey Walsh, Jeff Ryan, Nicky Blasin, Todd Darrow, Chris Gorman and Geoffrey Sharpe put constant pressure on the Wolves defense with their crisp passing and many alert plays.

Leonard Stern's fourth quarter goal placed high in the back of the net helped the Cougars keep their undefeated record.

Playing well for the Wolves were Jimmy Chmielak, Joey Marinelli and Alex Ho.

## SPORTS DEADLINE FOR NOV. 10 ISSUE MONDAY, 9 A.M.

## Kicks Win In Overtime

In an exciting and competitive game, the 1982 Westfield Kicks defeated a strong 1982 Premier team from East Brunswick in overtime by the score of 3-2 to advance in the New Jersey Division 3 State Cup Tournament.

Westfield scored first when right halfback Tony Frasso sent a lead pass down toward the right side of the penalty box. Right wing Tom Ward then sprinted past two defenders to overtake the ball at the base line and send a scorching pass by the goalie who had also come out to try and get to the ball. Waiting in front of the goal was striker Jeff Longo who lapped the ball into the open goal allowing Westfield to take the early lead. However, East Brunswick then came back with two goals. Shortly before the end of the first half, center halfback Brad Shapiro's direct kick after an East Brunswick full allowed striker Anthony Coleman to bring the ball to the 25 yard line and his blast by the onrushing goalie tied the score at 2-2 at halftime.

In the second half, the play was even but fierce will fullbacks Steve Locker, Scot Bunson and Glenn McSweeney playing outstanding defense. Goalie Hampden Tener was called upon to make a couple of beautiful saves to keep Westfield in the game. Halfbacks Marc Halpin, Brad Shapiro, John Capano and Kevin Tracey were tremendous in playing both an offensive and defensive game thereby permitting Westfield to dominate the offensive play during the second half. Forwards Jim Class, Tony Frasso, Jeff Longo, Anthony Coleman and Tom Ward were very aggressive in keeping the ball in the East Brunswick end of the field and applying pressure on their defensive unit.

At the end of regulation play, with the score tied, it was necessary to play two ten minute overtime periods. About halfway through the first overtime period, Anthony Coleman took a pass from Tony Frasso and blasted the ball off the goalie into the net for the final score. But the game was not yet over and Westfield played superbly on defense to withstand the offensive pressure generated by East Brunswick trying to get back into the game. Nevertheless Westfield was equal to the task, especially goalie Hampden Tener who made a spectacular save when a low shot on the ground from the left side was heading into the right corner of the net; however, Tener stretching the full length of his body dove toward the ball and his fingertips just managed to touch the ball which then deflected and rolled about six inches to the right of the goal mouth thereby preserving the win.

## Elks 2 Bisons 2

The Elks and Bisons battled to a 2-2 tie Sunday in a game that treated the fans to plenty of non stop, end to end action.

The Elks initiated the scoring in the first quarter when Scott Goldberg blasted a shot into the net from close range. Alfonso Perez made it 2-0 in the second quarter with his first goal of the season while they didn't score. Elk forwards Josh Polak, Jeffrey Maynard and Richard Jeromeli helped keep pressure on the Bison net throughout the remainder of the half.

Down by a 2-0 deficit, the Bison battled back in the second quarter and narrowed the margin to 2-1 when left wing Jeff Hughes scored an unassisted goal with a line shot

into the right corner of the net. Bison wing Steven Flynn and halfbacks Kurt Duchek and Jason Calvert helped create a number of other scoring opportunities just before intermission.

Defense was the name of the game in the second half as the Bisons, anchored by goalie Mark Coxon, sweeper Josh Cooper, and fullbacks Bruce Egan and Michael Jackson, held the Elks scoreless for the rest of the game.

Like their Bison counterparts, the Elk defensive line of Matt Sheehy, David Lewandowski, Michael Checkett and Brian Crook also did a commendable job. Their only blemish came late in the fourth quarter when Bison Peter Lemkuhl tied the game on a dramatic penalty kick.

## Has Classes For Pre-Schoolers

## A STRONG AMERICA NEEDS STRONG PUBLIC SCHOOLS.

Strength in anything comes from a solid foundation. You build from the bottom up.

It's the same with our country. The essence of America is people. They give us strength. And these people are, for the most part, products of our public schools... and those who work to help them.

And our schools and teachers are only as good as you want them to be. Your caring, your commitment, your vigilance are vital if our public schools are to remain strong. If they do, there

will be no doubts about the strength of our country.

Now and always.

## Ministerium Opposes Mall

The Westfield - Mountainside Ministerium voted to support the effort to deny the proposed zoning change that would permit a shopping mall to be built along Route No. 22 in Springfield at its October meeting at the First United Methodist Church.

Of primary concern to the Ministerium were the issues of public safety and the quality of life in the communities. The increased traffic flow through Westfield and Mountainside was felt by a majority of the Ministerium to be detrimental to all.

"The Westfield - Mountainside Ministerium believes the proposed zoning change to allow construction of the mall is an issue that warrants the careful consideration of all citizens, and urges everyone to make his or her opinions known to our town officials," an official statement said.

The Ministerium consists of clergy in the communities of Westfield and Mountainside as well as lay persons involved in community social agencies.

At Sunday's induction ceremony at St. Paul's Episcopal Church are, from left, the Rev. G. David Deppen, new rector; Bishop G.P. Mellick Belshaw; and the Rev. Dr. Frederick Shriver.

## St. Paul's Celebrates New Ministry

A Service of Institution and Induction of the new rector, the Rev. G. David Deppen, took place at St. Paul's Episcopal Church Sunday afternoon. The chief minister of the Institution was the Rt. Rev. G.P. Mellick Belshaw, the Bishop Co-adjutor of the Diocese of New Jersey.

The guest preacher was the Rev. Dr. Frederick H. Shriver, professor of church history at the General Theological Seminary.

Members of the congregation and of the clergy of the Diocese made presentations to the new Rector symbolizing the ministry at St. Paul's.

Special music was performed by the men and boys choir under the direction of Richard Connelly, and the adult choir under the direction of Noel Tipton.

The Deppens and their guests were honored at a reception, following the service in the Parish Hall Auditorium.

## Church Plans Seminar "On Being Presbyterian"

Jeffrey R. Wampler, senior minister of the Presbyterian Church in Westfield, will lead a seminar "On Being Presbyterian" on three successive Sunday evenings, Nov. 7, 14 and 21, at 7 p.m. in the Parish House located at 140 Mountain Ave.

The seminar will sketch Presbyterian history, theology, and church order and government. It will also include the film "To Walk Together" which traces the history of Presbyterians in America and highlights the plan for the reunion of the two major Presbyterian denominations.

The seminar is open to all members of the church and anyone in the community interested in learning more about the Presbyterian way of being the church.

Jeffrey R. Wampler

## Methodist Women to Hear Talk on New Guinea

"Torn Between Two Worlds: Papua New Guinea" is the title of the program to be presented by Mrs. Alan Thomas at the meeting of United Methodist Women (UMW), Thursday, Nov. 11, in the Fellowship Room of First United Methodist Church at 11 a.m. The program will be preceded by the business meeting at 10 a.m. with UMW president, Mrs. William Allen, presiding.

Mrs. Thomas and her husband were United Methodist missionaries to Papua New Guinea from 1975 to 1978. She taught religious instruction in Papua New Guinea High School and in an English speaking grade school. But more important she and her husband provided a home to English speaking Christian workers coming into Papua from remote areas.

Mrs. Thomas' program will include a slide presentation illustrating the issues and concerns facing Third World countries, such as Pacific unity, transnationals and tourism. These issues have to be confronted by the leaders of Papua and still deal with the problems of a very primitive highlands region. The Christian leaders work to benefit all the people and to help the progress the church is making there.

Mrs. Thomas is presently a homemaker with four children. Missions chairperson, UMW Supportive Community and a Brownie leader.

Luncheon will be served in the Social Hall at 12:15 p.m. by Circle No. 4 under the direction of Mrs. Harold Zuber. Mrs. Zuber may also be contacted if baby sitting is needed.

## Contact Volunteers Attending Classes

Contact-We Care, area 24-hour hotline for anyone wanting a listening ear, and its companion typewriter helpline Deaf Contact, recently started a new training class for telephone worker volunteers. The 12-session program will run until early December, meeting weekly at Fanwood Presbyterian Church.

Each Contact volunteer undergoes 50 hours of professional training before starting service on the line. Training covers a variety of subjects including family problems, drug abuse, suicide, depression, grieving, loneliness, and understanding feelings. Public donations are needed to sustain the operation.

For this session instructors include Charles Ward, director of employee assistance for the International Union of Operating Engineers; Rev. David Quiring, chaplain, Muhlenberg Hospital; Nancy Bailin, clinical psychologist at County College of Morris; Rev. Julian Alexander Jr., pastor emeritus, Willow Grove Presbyterian Church, Rockaway; and Rev. Sally Brown of Divorce Recovery Workshop.

## Diabetes Series At Rahway Hospital

"You and Diabetes," a four-part series for diabetics and their families, will be offered on Nov. 9, 16, 23, and 30 from 7-9 p.m. at Rahway Hospital.

## Coffee Pot's On At Grace Church

Monthly meetings of the woman's group, "Coffee Pot" have resumed at Grace Orthodox Presbyterian Church at 1100 Boulevard, the second Tuesday of each month. Pastor Mack Harrell will focus on a chapter of Romans at each morning meeting which begins at 10 a.m. with refreshments and fellowship.

The Nov. 9 coffee pot gathering is open to Christian men and women of all denominations who will hear Pastor Harrell discuss chapter 10 of Romans. Following the morning message, small discussion groups will be formed to probe significant questions relevant to Pastor Harrell's words.

Free nursery service is provided on the premises. The meeting generally breaks up by 11:30.

## YOUR PHARMACIST SPEAKS

by Kitty Duncan, Pharmacist

There is no problem in getting prescriptions filled if you come to JARVIS PHARMACY, 54 Elm St., 233-0662, 0663, 0664. We welcome all third party prescriptions and will take the time to give you some guidance in filling out forms. Gift items including wallets, purses, board games, clocks, traffic and household appliances are stocked. Open: Mon. thru Fri. 9am-9pm, Sat. 9am-6pm, Holidays 9am-1pm.

Dandruff can be the result of excessive drying and scaling of the scalp or an overabundant accumulation of oil on scalp and hair follicles. In either case, it is important to isolate the dandruff type and select a dandruff shampoo that is formulated to treat your condition. Once the dandruff shampoo has been selected, care must be taken not to overuse it. It is suggested that medical shampoo be used once or twice per week. A milder shampoo can be used on alternate nights. Otherwise, the strong, anti-dandruff detergent may irritate the scalp so as to perpetuate the problem of flaking.

HANDY HINT: A persistent dandruff problem which does not respond to anti-dandruff shampoos should be seen by a doctor.

# Jets Lead Juniors, Browns Senior WBFL

The fifth week in the WBFL produced some more top notch play, but the results were pretty much the same as in the past four weeks. The Giants and the Jets continued their winning ways with big wins in their respective leagues.

**Browns 27 - Giants 0**  
The Browns defense played strongly as they held the Giants to 3 first downs. Led by Pete Lima's pass interception, Richard Jackson and Jeff Glasco quarterback sacks, and the aggressive tackling of Dave Brown and Keith Rich, the Browns were able to overcome a slow first half and win. Jim Mozoki exploded for 55 yards running and Ron Dau added an additional 56 yards up the middle to lead the Browns to a 27-0 victory over the Giants. Mark Nelson caught a 22 yard scoring pass over his shoulder from quarterback Dave Brown. Then after 7 Brown went back to pass, scoring drive behind the strong blocking of Mark Bertrand, Keith Whittle, Bob Kornicke and Colin McLane, Ron Dau carried the final 4 yards for the second touchdown. In the second half, Jim Mozoki ran for 48 yards on 4 carries for the only first period score. To start the final period, Matt Davis and Pat Houlihan carried the football. Dave Brown going back to pass was caught behind the line of scrimmage, but dodged one tackle and dashed 18 yards for the final score. The Browns gained 24 total yards passing and running and 14 first downs. The extra point came on runs by Dave Brown and Matt Davis and a pass to Jim Mozoki. Mozoki and Ron Dau from their defensive end positions constantly pressured Clint Frazier, quarterback. Cornerbacks Ron Pecina, Pat Houlihan, Matt Davis as well as linebacker Mark Nelson played strong against the pass.

The Browns will face both Giants and the Colts next weekend which will provide some exciting football.

**Colts 25 - Giants 6**  
The Colts backfield and secondary had a great day. Due to the tremendous job the Colts offensive line and defensive line did controlling the line of scrimmage all day. The offensive line ends Max Wunderlich, John Exposito, Chris Frazier tackled Eric Kiefer, Brian Bellar, guards Charlie Ott, Adam (THE BEAR) Kois, center Deanne Fizzell open holes for backs Leroy Gallman to score two touchdowns and Rob Shovlin to score one touchdown. The fourth touchdown came from a TD pass from quarterback Tim Flynn to Gallman. The Colts secondary made three interceptions, one each by Max Wunderlich, Deanne Fizzell, and one by Brian Prettlow who almost broke it for a TD. All the defensive plays were created by the great line rush of John Cristofulli, Roger Albertson, Kois, Kiefer, Brian Ott, Gallman and Fizzell. This defensive line would not let the Giants ground game up the middle or outside get momentum which caused the Giants to use their passing game to try and catch up. At half time the score was 18-6. The tackle of the day goes to Chris Frazier left safety who made a great open field tackle to prevent a Giant touchdown. Sideline with a foot injury for the day was End John Duffy who by his cheering was in this game all the way with his teammates. The Colts put it all together in this 25-6 victory.

**Jets 31 - Eagles 6**  
Chris Miller and David Monninger were the Jets' game captains, and they were both outstanding as they led their team to a key victory over the Eagles 31-6. David's running was outstanding as he made several key first downs, and scored one TD. Chris did it all on both offense and defense as he ran for two TDs, threw for one, and intercepted a pass and ran back all the way for a touchdown. The Jet defense gave up a score on the first Eagle possession, but shut out the strong Eagle 'O' for the rest of the game. The Jets received strong games from Ken Voorhees, Jim Monninger, Phil Linden, Ron Shovlin, Scott Ghedine, and Louis Retino. This defensive line contained the Eagles making sure tackles all game. Middle linebacker Jim Murphy was all over the field making crunching tackles. Jet coach Ed O'Leary gave the defensive award to Greg Johnson for his outstanding safety play.

The Jets' key score came with 26 seconds to go in the half on a pretty pass reception by Louis Retino. This play gave the Jets a controlling half time lead of 19-6. Billy Bonnetti continued to play exceptionally well at center for the Jets. Also singled out by the Jets coaches for great efforts were the 'bookend' ends Lucas Miller, and Willy Gottlick. David Waxburg continued to improve at tackle for the Jets while Sean Doli and Jim Migliozi made a strong contribution to Jet's victory.

**Jets 19 - Raiders 0**  
The Jets' defense registered a well earned shut out as they beat the Raiders by a score of 19-0. The entire Jet defense played well with the coaches mentioning the play of Ron Shovlin, Phil Linden, Jim Migliozi, Sean Doli and Lucas Miller. The defense had to play well because the offense fumbled the ball away on the first three possessions. The Jets finally got on the board triggered by Jim Monninger's diving pass interception. Chris Miller and David Monninger alternated running the drive starting on the Jet's 18 yard line. With less than a minute left in the half, Chris got the TD on a short plunge as Billy Bonnetti, and Jim Murphy wedged out the Raider defense.

In the second half, the Jets established their ground game as Greg Johnson had some fine runs setting up Chris Miller's 5 yard run for a 13-0 third quarter lead. The Jets scored their final TD as they drove from their own 8 yard line late in the third quarter. The key play in the drive was Chris Jordan's nifty run to the Raider's 5 yard line. David Monninger rolled around left end behind Chris' block for the final score.

Raiders 12 - Dolphins 6

The Raiders managed to pull off a 12-6 win from behind behind Sunday over the determined Dolphins. The Dolphins drew first blood in the second quarter when Mike Piltzner threw one of his two interceptions into the hands of a Dolphins defender who ran 15 yards for the TD. The Raiders had trouble moving the ball in the first half until Gerald Benaquista broke a 50 yard run from his own 5 yard line to the Dolphins 5 yard line. But it was too late because time ran out during the play. When the second half began, the Raiders picked right up from where they left off.

They marched down the field to the Dolphins one foot line but failed to break through the Dolphins goal line. Minutes later, the Raiders got the ball back and finally scored on a one yard run by Mike Piltzner. This tied the score at 6-6. When the Raiders got the ball back again the Dolphins 70 yard line, they wasted no time taking the lead. Jason Hagman ran 6 yards and then went 14 yards for what turned out to be the game winning TD for the Raiders. Jason the back finished the game with 40 yards to go along with his TD.

Gerald Benaquista went over the 50 yard line for the second time this season with 115, 85 of it coming in the first half. Mike Piltzner made up for the two interceptions he threw by picking off two of the Dolphins' passes. The solid blocking of Tom Price, Alex Glat, Ryan Manville, Chris Meissner, Sean McGale, Roy Jensen, Jeff Cronin, Tony Mitchell, Charlie Brown, Alphonse Spooner paved the way to the Raiders victory. T.J. Diaz also played well. The Raiders defense played well, forcing 3 fumbles. They were recovered by Ryan Manville, Gerald Benaquista, and Chris Meissner.

Sunday's game against the Raiders was an even tighter defensive battle with Josh Hager making a line interception and return for a TD. Once again Chris Shea did a fine job as QB getting tough yardage on his own going up the middle. Two passes were also completed to his main receiver, Scott Aquila, for added yards. Brian Cheek, Jeff Pinkin, and Glenn Thompson produced some fine running and blocking as the backs — Matt Shea, Jason McLean, Mike Hamad, and Keith Glat all played a fine game on offensive line. Ryan Gardener foiled a Raiders touchdown with a solid tackle from behind. Both games demonstrated that the young Dolphins are finally coming together as a team and developing a healthy competitive spirit. They are certain to play much tougher in their final three games.

**Dolphins 6 - Eagles 21**  
The Colts played a good game Saturday against the Eagles, although the final score does indicate how close the game actually was.

Chris Shea at quarterback completed 4 passes with Scott Aquila taking all 4 receptions for good yardage. Brian Cheek was strong in the running department. Josh Hager and Jason McLean did a fine job on the defensive line. Chris Shea got the lone Dolphins' TD with a quarterback sneak from the 1-yard line — after it was set up with a long romp around the end by Brian Cheek.

## Cordasco Cited At Susquehanna

Eloise Cordasco of Westfield was named 'female Athlete of the Week' at Susquehanna University for the period ending Sept. 26.

The sophomore forward had one goal and one assist in the Crusaders' 3-0 field hockey victory over Lycoming.

She is the daughter of Mr. and Mrs. Edward Cordasco of 705 Tuxford Turn, and a graduate of Wardlaw-Hartridge High School.

## Band Scores High in Wayne

By Stephanie Prial  
The WHS Marching Band placed second with a score of 64.15 last Sunday at the Wayne Hills first annual marching band competition. This was the band's highest score in four years.

Band Director Dave Shapiro told the band before they competed, "I'm not interested in where you place, I care about how well you score. I don't care if we're last if we hit the 60's!" Afterward he stated, "We did very well. I've never seen the guard look better and all of the judges were im-

pressed with our marching." The band also was facing its toughest critics last Sunday. Three of the eight judges at the competition were ex-WHS band directors. Davies, who judged the band's musical performance, stated, "I'm very impressed, the band has really improved over the last two years." The band is looking forward to the Madison Central competition next Sunday, their last competition of the year. "We're going to do this one for us," concluded Guard co-captain Nancy Micione.

## WHS Alumni Invited To Homecoming '82

The first WHS Homecoming event, sponsored by the Westfield School Booster Association, will be held on Wednesday night, Nov. 24, in the high school cafeteria from 7 - 9:30 p.m. All past graduates are invited to attend the informal gathering to have the opportunity to meet old friends and classmates and to renew friendships from high school years. Refreshments will be served and team captains and coaches from this year's fall sports teams will be attending.

A large turnout of WHS alumni is expected and hopefully this will become an annual event and a special part of the Thanksgiving holiday.

Ralph Miller and Swede Froden co-chairman of this year's event, have already received responses from representatives of the classes of most of the 60's and 70's, with promises from certain local businessmen representing the "fabulous '50's." A special guest will attend, representing the Class of 1921.

Parents of recent WHS grads are encouraged to pass on the word to their children away at college who plan on returning to Westfield for Thanksgiving. Further information is available from Ralph Miller, 241 Edgewood Ave., or Swede Froden, 700 Clark St.

## JV Gridders Down Irvington

By Steven Smith  
The Westfield JV Blue Devils who had two battles, one against the rain drenched field and another against Irvington, finally beat both when this week's

game ended with the score of 12-0.

## JV Booters Tie Elizabeth

By Peter Sherman  
The Westfield High School boys' JV soccer team tied Elizabeth, 2-2, giving it a 11-0-1 record for the season with two games left in the regular season.

Ed Haag's goal midway through the fourth period sparked the Booters. Westfield controlled the play in this physical game, and was awarded a penalty shot. Haag's shot went right past the outstretched Elizabeth goalie, giving Westfield the 2-2 tie.

The scoreless first half was a result of strong defense and a couple of excellent saves by Rich Covington. In front of Covington were Tom Gordon and Tom Flemming stopping the Elizabeth attack. Controlling the midfield play and setting up the forwards for some good chances were Chris Capano, Art Pierce and Haag.

The ice was broken in the third period when Pierce controlled the ball and blasted it past the defender and goalie to give the lead to Westfield, 1-0. Elizabeth came back with 2 goals in the third quarter to stun Westfield with a 2-1 lead for Elizabeth. This set up the Haag goal, which saved the Booters' undefeated season.

The Blue Devils have now won four in a row and increased their record to 4-1 on the season.

## JV Runners Win Title

The Westfield High JV boys' cross-country team won the Watchung Conference Championship on Saturday at Warinanco Park in Elizabeth. Unlike the "blowout" by the varsity, where the Blue Devils took 7 of the top 10 places, the JV race was hotly contested.

Westfield and Kearny finished with identical

## Hockey Team 4-9-3

By Laura Schwartz  
The WHS girls varsity field hockey team record now stands at 4-9-3, as it defeated Scotch Plains and was downed by Union, Cranford and Columbia this week.

Dineen Rolleri and Louise Arkel had both goals against Scotch Plains, putting the Devils out in front 2-0, where the score remained for the rest of the game.

The Union Farmers knocked Westfield out of the Union County tournament with a 4-0 win. Goalie Laura Schwartz stopped 15 shots for Westfield. Cranford unmercifully defeated Westfield 6-0; Columbia also shutout the Devils 2-0.

The girls will wrap up their season this week against Millburn, number two in the state.

## Sophs Shut Out Cranford 14-0

By Bill Pendzuk  
The WHS sophomore football team, using a grueling defense, shut out the Cougars 14-0 at Cranford Wednesday afternoon.

The Blue Devils, coming off an impressive win over Bridgewater East, used the same grinding running attack to move the ball. Mike Staggard was the leading ground gainer. Doug Kehler and Jim Hinel also had their usual good rushing games. Even though the running game dominated most of WHS's game plan, quarterback Jay Factor completed 3 out of 5 passes for 68 yards including a touchdown.

As in the last game, the first quarter turned out to be the most exciting quarter. Westfield scored all of its 14 points in the opening period. On the third play from scrimmage, Staggard broke a few tackles and then raced down the side-line for a 64 yard touchdown run.

The extra point attempt was muffed, but kicker Terry Glynn passed to Jim Hinel for the two-point conversion. Westfield led 8-0. On the next series, Tim Yarrington recovered a fumble at midfield. Hinel ran the ball down to the 43 for a first down. On the next play, Factor threw a 43 yard touchdown strike to Greg Price. The extra

point was blocked. The Blue Devils led 14-0 as the first quarter came to an end.

The second quarter opened with Cranford trying to get its offense in gear. The Cougars returned the kickoff to their own 42. But 2 good defensive plays by Price and Dave Cagnassola forced Cranford to punt. Westfield took over from the 35 yard-line, but coughed up the ball at the 49 for the game's first turnover. Cranford took over and got a good run to the 40-yard-line of the Blue Devils. Westfield then held the Cougars back and forced them to punt as the first half came to an end with WHS leading 14-0 as the first quarter came to an end.

Westfield took over from its own 37 yard-line to start the second half. Good running by Hinel moved the ball to the 45 of the Cougars. Kehler then broke loose to the 30. Again, WHS coughed up the ball to Cranford. The Cougars took over from their own 46. Cranford again could not move the ball. WHS took over from their own 40 yard-line. Factor then scrambled to the Cougars' 45. On the last play of the third quarter, Factor connected with tight end Dave Cote for a first down at Cranford's 25.

The fourth quarter opened with Westfield driving deep in Cranford's territory. But on fourth down, the Blue Devils went for it and came up short. The Cougars took over and got a good run to WHS's 48. WHS's "Little Blue Wall" then took over as they stopped Cranford on third down and short. Westfield then took over. Kehler ran the ball down to the 15. The Blue Devils reached the one yard-line, but time had run out.

The Blue Devils won 14-0. Westfield's record is now 4-1. The big surprise in this game was defense. Despite giving up 19 points last game, the sophomores shut out Cranford. Coach Ron Pecina has been very impressed with the way the sophomores have played. To keep winning he stated, "we'll keep the ball rolling on the ground."
