

## Special Ceremonies Sunday To Honor Park "Pioneer"

A memorial plaque honoring the late William Edgar Reeve for his key role in the establishment of Mindowaskin Park will be dedicated at a special ceremony at 1 p.m. Sunday.

The bronze marker has been placed near the entrance of the park at East Broad St. and Park Dr. by the Westfield Historical Society with the assistance of Bruce Bauer. A large, hollowed-out sandstone rock was moved from the interior of the park by a Town Public Works crew to accommodate the marker.

"The placement of this plaque where passers-by can see it will give long overdue recognition to a public-spirited citizen of our town," said Society President Ralph H. Jones.

Jones said that the society was especially pleased that Reeve's two sons, Ralph Reeve of Branchburg and W. Edgar Reeve of Westfield, would be present for the ceremony.

Mayor Ronald Frigerio will receive the plaque in behalf of Westfield. Also taking part will be former Mayors H. Emerson Thomas and Charles P. Bailey, who are chairman and vice chairman respectively of the Mayor's Cultural and Beautification Committee, and Town Historian Frances Kinneman.

Reeve's role in acquiring land for the park was uncovered in research performed by Mrs. Pamelyn Ferguson, reference librarian at the Westfield Library and a trustee of the society.

Mindowaskin Park was created in two stages, the first in 1907, the second in 1916-18. Reeve was the sparkplug of the first phase—the acquisition of "Clark Pond."

The Westfield Leader of Nov. 6, 1907 reported, "The deed for Clark's Lake, purchased for \$2,000 raised by the subscription of 250 of the citizens of the town, was presented to the Council by Councilman A. L. Russell, a member of the Park Commission. Russell spoke in

William Edgar Reeve

appreciation of the contributors and praised highly the successful effort of W.E. Reeve, who secured the money."

The lake was purchased from Patrick Traynor, a local businessman and leading citizen, who had purchased the Clark property. The lake was created in 1859 at the urging of "Aunt Abby" Clark, widow of Thomas W. Clark, who purchased the historic property from the Baker family in 1816. (Earlier settler Nathaniel Baker had kept a tannery on the stream.) The lake supplied the ice for Westfield households until about 1888, when the icehouse burned down. (Echo Lake then became Westfield's source of ice.) The Municipal Building now stands on the site of the former Baker and Clark-Traynor houses.

The lake became a popular skating pond—much more frequented than in recent years. In 1916 a movement sprang up to complete the park by converting swampland and cleaning up "Peckham's Dump" on Mountain Ave. The Town Council was besieged by a group of citizens known as "The Clinks" who were concerned by alleged plans to

make the lake smaller. Unanimity was attained, however, and Mindowaskin Park was dedicated and named on June 1, 1918.

In a short history of Mindowaskin Park written in the 1950's, Arthur N. Pierson noted that Reeve was in charge of the funds collected in 1907.

"To make it a popular subscription, individual gifts were requested between 25 cents and \$25. The total cost was \$2,017.30. This was really the start of Mindowaskin Park," Pierson wrote.

Pierson, as president of the Park Commission in 1918, presented the completed park to Mayor Henry W. Evans in a huge wartime ceremony attended by Governor Walter Edge.

Reeve, a general agent for New York Life Insurance Company, was active in many worthy causes and organizations in Westfield and is one of the founders of the Westfield YMCA, where his portrait still hangs in a place of honor in the board room. He resided at 314 Mountain Ave., a property with many historic associations, where his son W. Edgar Reeve still lives today. Part of the Reeve property was acquired to complete the park in 1918.

Prior to living on Mountain Ave., the Reeves lived on Park St., near Carleton Rd., where son Ralph was born.

Jones said, "This brief ceremony, which those interested in Westfield's history should try to attend, in a way will symbolize the continuity of that history."

"The sandstone boulder, formerly believed to be a mortar used by the native Leni Lenape, was in all probability used as a horse trough by an early settler. This historic property was described by historian Robert V. Hoffman as 'The Heart of the Olde Towne.' Reeve's contribution was that of the new, civic-minded resident representing 20th century suburban Westfield."

## Parking: Is It Going To Get "Tougher?"

"If it's tough now, it's going to be tougher."

This is the assessment of the parking problem in Westfield's central business district by Councilman Bud Boothe during Town Council's discussion last Wednesday night when an ordinance restructuring fees at Parking Lot #4, the attendant lot were lowered a year ago, in an attempt to get employees in local businesses off the street for the same reason, the attendant lot has been filled early each day and all day by long-term parkers.

The proposed ordinance, on which public hearing and final action is due at the council's meeting next Tuesday, drew ear-

and \$1 for each subsequent hour between 9 a.m. and 6 p.m., was requested by the Chamber of Commerce to facilitate parking for shoppers, particularly during the holiday season. Since rates at the attendant lot were lowered a year ago, in an attempt to get employees in local businesses off the street for the same reason, the attendant lot has been filled early each day and all day by long-term parkers.

The proposed ordinance, on which public hearing and final action is due at the council's meeting next Tuesday, drew ear-

ly criticism last week.

"Are commuters second class citizens?" asked Robert W. Sheehan of 255 Welch Way, who

The ordinance survived its introduction by a 4-3 vote in the absence of Mayor Frigerio and complained that the higher fees and "totally unfair" to downtown employees and commuters.

Sheehan was joined in his plea for more adequate parking by a Wyandotte Trail resident, William Bartok, who said permit parking spaces in the southside commuter parking lot are filled.

Acting Mayor Raymond Stone, presiding in the absence of Mayor Ronald J. Frigerio, said some of the parking problems are due to the success of the railroad since new cars have been installed on the line. The service now draws more commuters from both Westfield and neighboring towns to this community and for the first time, there is a waiting list of 40 or more for permits to park in the all-permit-parking southside lot. Stone added that negotiations are underway to add 67 additional spots along the right-of-way.

"Commuter lot rates are too low," Councilman Harry Brown responded, "for permit parking ... Everyone that parks should pay his or her own way."

Brown commented that it costs \$6,000 to acquire land and build a single parking space. "We're subsidizing commuters and I don't feel we should subsidize the

## Corbet to Fill Ward I Seat on Town Council

William Jubb Corbet Jr. of Colonial Ave. will take an oath of office as councilman at the 8:30 p.m. public meeting of the Town Council Tuesday. Corbet has been selected by the council to fill the unexpired term of Harry Brown, first ward councilman, whose resignation was accepted at last week's meeting. Corbet's term will expire Dec. 31, 1985.

In addition to a public hearing on proposals to raise fees at Parking Lot #4, a hearing also will be held on the H.U.D. Revenue Sharing Block Grant 11th year funding. Citizen input is invited as to community development needs and priorities in such categories as housing rehabilitation, neighborhood preservation, code enforcement and various social service programs.

Expected to be introduced at the session will be ordinances amending land use mandates by changing lot size requirements in the Wallberg Ave. residential area from 100 ft. frontage lots to 70 ft. frontage, and to provide for improvements to Memorial Pool. Plans are expected to include a new wading pool, rebuilt training pool and additional filtration system.

Council is tentatively scheduled to award a contract for reconstruction of Palsted Ave., approve sale of town land on Everts Ave. and 601 West Broad St. and renew theater licenses for Westfield Cinema.

Corbet, a regional vice president of Legg Mason Wood Walker Inc., investment firm, has been manager of Legg Mason's Westfield office since 1963.

A member and past president of the Rotary Club, he is presently active on its scholarship committee which selects Westfield students for \$40,000 in college

## Sr. Housing Waiting Time Down to One Year

The board of directors of the Westfield Senior Citizens Corporation announces that the waiting list for apartments at 1133 Boynton Ave. is down to approximately one year.

The minimum age for admission is 62. For those preplanning retirement, applications are accepted at 58 years of age. At present, only those living in Westfield may apply.

Pre-applications can be picked up at the office in the building. There is no charge for applying.

## Thanksgiving Feast Sunday At Miller-Cory Museum

Miller-Cory House Museum, located at 614 Mountain Ave., will host its annual Thanksgiving feast demonstration on Sunday from 2 p.m. to 5 p.m. As in previous years, members of the Museum's open hearth cooking committee will prepare a variety of dishes using the traditional early American methods of cookery. Mrs. Fran Rakita, chairman of the committee, will cook the meal this year with the help of Mrs. Pat Gambino and Betty Palmer.

Items included in the colonial menu will be roast duck (prepared in an 18th century reflector oven), sweet potatoes candied with maple syrup, sauerkraut with onions and sage, cranberries sweetened with honey, spiced cider, pumpkin pudding, pear pie and cornbread (prepared in an 18th century Dutch oven).

In existence for more than 10 years, the Miller-Cory cooking committee have been responsible for demonstrating the early American culinary technique of preparing foods over an open hearth for thousands of visitors yearly. Men and women alike participate in this program at their own cost, devoting a great deal of time to researching information as well as preparing colonial dishes. The foods created in the museum's Franzee Building are authentically typical of the 18th and early 19th century period in American history according to the seasons of the year. The dishes are also based upon the economic status of the Miller and the Cory families while residing in the West Fields

of Elizabethtown between the years of 1740-1820. Therefore, the volunteers feature items commonly served in a middle-class farm family's home of the time.

Vegetables and herbs grown in two 18th century gardens on the grounds surrounding the museum's buildings provide the cooks with many of the necessary ingredients used in their recipes.

During these fall months, visitors may sample tastes and smells from the herb garden, aided by one of the museum's docents. The herb garden is divided into four corner beds depending upon their purpose: Culinary, medicinal, as an attraction for bees, and, lastly, for fragrance. At this time of year, the herbs have stored up their maximum goodness and rubbing a leaf between ones fingers releases a great aroma. Nibbling some of the culinary herbs provide curious visitors with a true "taste" of colonial life.

Also featured at the museum this weekend is flower preservation. Flowers from the garden and herbs such as tansy and yarrow will be preserved for the upcoming winter months.

The museum is open to the public every Sunday except holidays from 2 p.m. to 5 p.m. at a small admission charge.

## Absentee Voters Swell

### Library Victory to 1561

Absentee ballot counts have raised the plurality of affirmative votes for a new Westfield library to 7847 to 6286, it was revealed late last week.

A total of 663 "yes" votes and 476 "no's" altered the tallies registered in Westfield's 22 voting districts.

The non-binding referendum reflected residents' decisions to build a new library at the site of the current Grant School at East Broad St. and Stanley Ave. at a cost of \$3½ million.

It is expected that Town Council will float a bond issue for demolition and construction

costs estimated at \$3 million. A total of a half million dollars is expected to be needed for furnishings.

The site of the new library is currently owned by the Board of Education which has leased the school property to Mt. Carmel Guild for special education classes. The school board has agreed to give the property to the town for library purposes for \$1 but has asked the town to give it a year's notice of intent to use the site.

If plans proceed without incident, it is expected that a new library—which will cost each property owner about \$50 more a year in taxes for the next 15 years—could be in operation in 1987.

## Holiday Recess

Westfield public schools will close at the end of a four-hour school session Wednesday, Nov. 21, for the Thanksgiving recess. Classes will resume at the usual time on Monday, Nov. 26.

## Library to Close

### On Thanksgiving

The Westfield Memorial Library will close Wednesday, Nov. 21 at 5 p.m. and all day Thursday, Nov. 22 for the Thanksgiving holiday. The library will reopen at 10 a.m. Friday, Nov. 23.

"Thank You," says D. Joseph Pellicone (center), principal of Washington School, to T. Don Shimozato (right), Eastern Division manager of American Mitsubishi Electric Sales Inc., for the large-screen TV donated to Washington School by Mitsubishi. "Students will benefit from having this large TV screen available to them for learning experiences in large groups," said Pellicone. This is the first gift received by the Westfield public schools in a concerted effort this year to seek cooperation with companies in meeting school needs. Commented School Superintendent L.F. Greene (left): "Our citizens showed their willingness to support the community's public schools by approving the school budget last year. We appreciate that support and realize that there are needs in the schools that can and must be met outside the school budgeting process. We appreciate Mitsubishi's gift. We will continue our efforts to obtain gift items for our students."

## "Together" Results

### At Board Meeting

The Westfield Board of Education will hold its formal public business meeting for November on Tuesday at 8 p.m. in the board meeting room at 302 Elm St.

In addition to routine business, the school board will receive a report from School Superintendent Laurence F. Greene on the town-wide "Together" meeting held on Oct. 11 to kick off this year's theme: "Together we can make a difference in the Westfield public schools."

Consensus statements, reached Oct. 11 at each of 11 workshop tables by participants who brainstormed ways to make the schools better for everyone, will be the topic of Dr. Green's report.

## Early Deadline

### For Nov. 21 Issue

Because the Post Office will be closed on Thursday, Nov. 22, Thanksgiving Day, the Leader will be published and delivered on Wednesday next week.

An early deadline will be observed for the issue, with news releases and advertising due by 5 p.m. tomorrow. Weekend sports results may be submitted by 9 a.m. Monday morning.

The office of the Westfield Leader will be closed Thanksgiving Day.

### Read-a-thon Benefits Tamaques School

The Ghost Busters Read-A-thon has returned to Tamaques School. Students at Tamaques School will read as many books as they can through tomorrow. Ghost Buster Balloons, donated by Balloonacy, were distributed to each class.

Motivating students to read is the primary goal and the pro-

gram is strictly voluntary. Students who wish to participate will try to secure sponsors to pledge money for each book read. The donations received will benefit the school. All participating students will receive a Ghostbuster record.

Sunny Kaye is chairperson of this event.

### Astronomers to Observe 35th Anniversary

The Westfield-Mountainside Chapter of the American Red Cross is currently looking for registered nurses to serve as volunteers. Volunteer registered nurses assist during bloodmobile visits by taking medical histories and doing hemoglobin tests on donors.

"Volunteer Registered Nurses are needed on every bloodmobile," said Gertrude A. Elster, executive director. "We can't manage without them."

Any registered nurse with a few hours to spare during the day, week, or month is invited to

become a volunteer registered nurse. The Red Cross provides training.

"Working on blood drives gives me the chance to really get out in the community," Louise Remeta, a volunteer registered nurse, said. "It gives me the opportunity to work with other volunteers and meet new people. I also know my volunteer efforts are helping provide blood for patients in hospitals."

Individuals who are interested in becoming a Volunteer Registered Nurse can call the Westfield-Mountainside Chapter for more information.

The Union County chapter of the New Jersey Association of Women Business Owners has announced its newly elected officers to serve the 1984-1985 term. Seated are Kathy Bulwin, advisor from the Somerset/Hunterdon Chapter, Vice-President Pat Garrison and President Roberta Brinkerhoff of Westfield. Standing are Secretary Lorraine Kilpatrick, Treasurer Marie Klinefelter of Mountainside and Hospitality Chairman Faith Campbell, also of Westfield. Monthly meetings are held at Dasti's Mountainside Inn.

### Montages Feature Of Camera Club

"Montages" is the subject of a lecture by Al Stoeckert of Bridgewater, to be presented at Tuesday's meeting of the Plainfield Camera Club at the United National Bank of Fanwood, 45 Martine Ave.

Montaging is a method of sandwiching two or more slides together to create a special effect, often a contemporary, impressionistic look, or an abstract. Colored gels may be sandwiched to heighten color; a sun or moon may be added, or clouds, to improve an otherwise uninteresting slide; or pieces of paper such as a tissue or crinkled foil may be sandwiched to give a

textured effect. Stoeckert will explain a number of methods to be used in creating a montage, and will illustrate his techniques with slides.

In preparation for the annual Christmas party, members have been asked to bring to the meeting slides taken of members on various field trips. Richard Underhill of Westfield is chairman of a committee to arrange the slides for presentation as part of the entertainment at the holiday party, which is traditionally an evening of fun and games.

Meetings of the Plainfield Camera Club are open to the public.

### Candy Sales to Sweeten WHS Scholarship Funds

"Do something sweet for a student: Buy some holiday candy from a school secretary and help swell our scholarship fund," said Dorothy Pietrano, president of the Westfield Association of Educational Secretaries.

Mrs. Pietrano announced the beginning of the annual candy sale this week to raise funds for a scholarship to be given to one or two Westfield High School graduates in June.

The 54 member association awarded two \$1,000 scholarships

in June to Traci Monroe and Kim Urso.

Candy included in the fund-raising sale includes an assortment of milk chocolates, nuts, butter creams, caramels, chocolate santa claus figures, footballs, trees and holiday mints.

If you'd like to purchase some scrumptious candy and help us raise funds for the scholarship, please see any school secretary," said Mrs. Pietrano.

The school secretaries' candy sale will run through Monday.

## Woody Allen Comedy On High School Stage

By SuEllen Hayden

"Don't Drink the Water," a Woody Allen comedy, is the selection for this year's fall drama production at WHS. The play is scheduled to be performed today at 3:30 p.m., and tomorrow and Saturday at 8 p.m.

The play is being directed by Don Sheffrin, an English as a Second Language teacher at WHS. Also, Cag Cuttadora is both student director and stage manager.

This production, a farce, is essentially about American tourists vacationing behind the Iron Curtain. These tourists are mistaken for American spies while out on a picture taking spree. Hence, they seek refuge at the American Embassy, and the play follows their various adventures with a myriad of zany characters.

The story revolves around Walter and Marion, a stereotypical Jewish couple from Newark. These roles are portrayed by Steve Sherman and Regina Muscamera, respectively. They are accompanied by a very naive yet impressively romantic daughter, Susan, played by Alice Greenberg.

Each of these characters come alive in their own right, each with clearly recognizable traits, making each a humorous individual.

During their stay at the Embassy, the family encounters the likes of Mr. Axel Magee, U.S. Ambassador, who, as of yet, has not fully found self-confidence. Magee, played by Dillon Walner, appears to be clumsy and self-conscious, but is willing to do most anything to help improve his image. He also proves to be a romantic interest for Susan.

Also introduced is Father Drobney, for whom the word eccentric is an understatement. Drobney, portrayed by Rob DelGuidice, is a decidedly colorful character, who accounts for much of the play's humor. At one point, he can be found in a straight jacket...

Another exciting character is that of the Embassy's cook. The

cook, played by Cassandra Lambers, is more than once acknowledged as resembling an "out-patient." Her antics also add to the play's energy and appeal.

Also, the family becomes acquainted with a Sultan, played by Mark Rozanski. This Sultan is not fully aware of the meaning behind the word "monogamy."

Also in the cast are Terri Belle, Tracey Dinan, Hope Weinstein, Beth McIntyre, Roy Vella, Ron Rinaldi, and Sabrina Culver.

In addition, the cast is also composed of Meredith Behrens, Julie Tucker, Maureen Weiss, Meg Brennan, Andrei Cheroff, Vincent Balogh, Pam Rodes, Damita Bartlett, and Janice O'Rourke.

Each character has his or her own special appeal, and the entire cast makes for a production full of energy and excitement, and a "whole lot of fun."

This is Sheffrin's first production at WHS, and because of his talent and the vitality of the cast as a whole, it appears to be quite successful.

Tickets will be available at the door.

### October Warmer Than Normal

Those sweet days of Indian Summer lasted well into October and gave us the warmest October since 1975, according to the Union County College Cooperative Weather Station on the Cranford Campus.

The maximum temperature reached last month was 82 degrees on the 19th. The thermometers fell to the low of 31 degrees on the 7th of the month. The highest temperature on record for October was 87 degrees in 1979, and the lowest temperature on record was 22 degrees, reached in 1974, 1977 and 1982.

According to Prof. Raymond J. Daly, station director, the mean temperature for October 1984 was 59 degrees, which was 3.9 degrees above the norm. The warmest October on station records was 1971 when the monthly mean was 60.9 degrees.

The total precipitation for October, 4.22 inches, was a departure of .88 inches above the norm. The greatest amount of precipitation in 24 hours, 1.79 inches, fell on the 23rd. The 4.22 inches of precipitation makes the total through October 49.79 inches, as compared to the total precipitation of 58.34 inches, reached last year at this time.

The greatest October rainfall on record is 6.33 inches, which fell in 1976 and the lowest is .37 inches, which fell in 1963.

If you thought you heard thunder, you were right. Two days of the month were rocked with thunder, and one day was "covered" with fog. The maximum humidity of 100% was reached on both the first and 27th of the month, and the minimum humidity of 46% was the comfortable story on the sixth. The average humidity per day was 75.4%.

## Tall Ships to "Sail" For Historical Society

Exciting stories of historic New York Harbor and tales of its tall ships will be unfolded for Westfield Historical Society members at their next meeting, Wednesday, Nov. 28 at 8 p.m. at Edison Junior High School auditorium.

Norman Brouwer, curator of ships at South Street Seaport Museum in New York City, will be the evening's speaker. Located in downtown Manhattan, South Street Seaport Museum is a 19th century waterfront neighborhood on the East River south of the Brooklyn Bridge.

The seaport was a bustling center in the glory days of the great sailing ships. Then it became a forgotten backwater of decaying lofts and piers, until recently when it was restored as a historic district.

Brouwer, a nationally known maritime historian, will also show colorful slides of this interesting period of New York City.

Ralph Jones is president of WHS and Bruce Baker, vice-president and program chairman.

## GOP Exec Guest Of Club Tuesday

Frank Holman, Republican State Committee Chairman for the state of New Jersey, will be the guest speaker at the Westfield Women's Republican Club at 1 p.m. Tuesday at the home of Mrs. Robert Cagnassola, 510 Montauk Dr.

As well as being the Republican State Committee Chairman, Holman is also the Executive Director of the Republican State Committee. He is the former County Administrator of Ocean County and the former mayor of Jackson Township. Holman is a colonel in the Air National Guard.

In addition to Holman's talk, the United Fund will have a slide presentation at this meeting. All interested women are invited to attend.

Bunnell Pond

## Fairview Cemetery Pond Dedicated to Mr. Bunnell

Bunnell Pond, the newly finished lake in Fairview Cemetery was dedicated at an informal ceremony held by cemetery officials Nov. 1.

For many years prior to the recent reconstruction, the area presently used as a lake was merely swampland. In an agreement between the cemetery board and the Town of Westfield, the town was allowed to use the lake as a repository for storm waters from the Harding St. — St. Marks Ave. area. The pond has done much to alleviate the flooding conditions that had been prevalent there.

At the time of its design, the late Arthur V. Bunnell, a lifelong resident of Westfield, was president of the board of trustees. He was also a recognized engineering authority, and actively contributed to the planning and design of the pond. For this reason the pond was named in his memory. Through the generosity of members of the Bunnell family, three fountains were donated to the cemetery and are normally operated each day between the hours of 10 a.m. and 4 p.m. The pond and fountains have greatly enhanced the Broad Street area, and promise to become a new landmark.

Paper Mill Playhouse will present "The Pied Piper" on Saturday, Nov. 24, and Sunday, Nov. 25 at 11:30 a.m. The children's presentation, based on the Robert Browning poem, tells the tale of the pied piper who rids the town of Hamelin, Germany of its unexplainable plague of rats. ## A Message from the Prosecutor

The following is an open letter to residents by Union County Prosecutor John H. Stamler which we feel is of importance to Westfield residents:

Recent reports that more and more senior citizens are becoming crime victims, coupled with three tragic events which have hit home personally, have given me reason to review the policy of this office in dealing with those who commit crimes against the elderly.

(1) Two weekends ago, an older couple had their home broken into and were then robbed and brutally beaten by two teenagers, the oldest of whom was 17;

(2) Last Monday, a 74-year-old plumber was savagely struck on the head with an iron pipe as he entered his car, but the two robbers — in their late 20's — were scared off by his screams for help and the appearance of a retired Fairwood police officer;

(3) Last Wednesday, a 69-year-old widow was mugged by a lone male as she entered her home.

The persons who committed these acts are depraved animals, cowards who have forfeited their right to live in a free society. At the very least, they should be in custody instead of walking around. There are dozens of other recent examples with the same recurring theme of violence.

Any burglary, robbery or assault is a vicious act, showing no regard for our law, our society, or the basic human rights of the victims.

But to commit these crimes with full knowledge that the victims are elderly, usually alone, and less able to protect their persons or property is an act as despicable as any we know.

Though the crime statistics may indicate that overall crime is down, the senior citizens in our county find little relief in that, because they still fear for their safety when they go out or come home at night.

If law enforcement is to move forward in the battle against crime as opposed to merely "holding the line," no law-abiding citizen should ever have to fear going shopping, getting off a bus, or putting the key in their front door.

So beginning today, there will be no plea bargaining with any defendant who commits a crime of violence against one of our senior citizens. They will all be prosecuted to the fullest extent of the law.

If the offender is a juvenile, we'll move to have him or her treated as an adult. And we'll appear at every sentencing to urge the Court to impose the maximum custodial term allowed by law.

It's time the criminals started choking with the fear that so many seniors have experienced. It's time we in law enforcement started kicking a little butt.

I am also renewing my plea for residents to join forces with the police and the Prosecutor's Office. Don't turn your back on criminal activity. We can't be everywhere so we need your help. Pick up the telephone when you see something suspicious.

**Preparing a Safe Turkey Dinner**  
The Board of Health would like to make sure everyone has a happy and safe Thanksgiving dinner. We recommend that the following facts be taken into consideration when preparing your holiday meal.

According to the U.S. Government statistics, food poisoning ranks second only to the common cold as the most frequent cause of illness in this country. Food poisoning results most often from carelessness in the handling, preparation and storage of food in the home. Perhaps few of us realize how much illness is caused by ignorance of, or carelessness in, proper sanitary handling in the kitchen and lack of attention to personal hygiene by all the members of the household.

When preparing any meal, never allow a finished food product to come into contact with a work surface, utensils, pots or pans which have been used for preparing raw meat products. Utensils, pans, work surfaces, etc. contaminated by raw food products should be thoroughly washed with hot water and detergent prior to reuse. This same rule applies to your hands. It is important to wash hands thoroughly before and after you prepare various types of raw food products.

But let's get specific about the preparation of your holiday turkey.

When buying frozen turkey, avoid any package that is not firmly frozen or a turkey that shows dried, blistered, or darkened skin. To test for spoilage of any raw poultry, check for stickiness under the wing, at the point where the legs and body join, and on the upper surface of the tail.

The recommended procedure for thawing poultry is under controlled refrigeration. Refrigeration thawing is best because it's

safer and yields a juicier bird once it's cooked. To thaw, leave the turkey in its package, put it in the refrigerator, and allow approximately 5 to 6 hours of defrosting time per pound.

An alternative to the recommended refrigerator method is to thaw the turkey in cold running water or submerge it in cold water that is changed frequently to maintain a temperature of 70°F or below. Meats and poultry should never be left standing at room temperature overnight to thaw.

Prior to cooking, the interior and exterior of the turkey should be thoroughly washed; don't forget to remove the bag of spare parts! Some turkeys are self-basting and all ready for cooking so check the instructions on the label.

If you want to be super safe, experts with USDA's Food Safety and Quality Service say to cook your turkey and stuffing separately. Most people prefer to cook them together so make sure the interior of the stuffing reaches 165°F with the aid of a meat thermometer. Stuff the turkey just before you cook it. Never stuff it and leave it in the refrigerator overnight, too much bacteria can grow.

Promptly refrigerate all leftovers in shallow pans to insure quick cooling. Food experts even advise putting still-hot food into the refrigerator immediately after cooking if it's not to be eaten at once. If the hot food raises the temperature of your refrigerator to more than 45°F you'll have to wait a little longer for the food to cool a bit before putting it back into the refrigerator. The rule is to keep hot foods hot and cold foods cold. Which means hot foods should be kept above 140°F and cold food under 45°F. Bacteria which cause food borne illnesses multiply between these two temperatures.

Life In The Suburbs

By Al Smith

Report from  
Washington

By Congressman

**Matt Rinaldo**

7th District, New Jersey

Several pieces of legislation of interest to the nation's veterans were enacted into law before the 98th Congress wrapped up its business and adjourned for the elections.

The measure deal with health care, employment opportunities, disability benefits, and other issues serving the interests of veterans and their dependents. All in all, they represent major advances in helping former GIs cope with service-related problems.

A major accomplishment, in my view, was the enactment of The Emergency Veterans Job Training Act. It is designed to get idle Vietnam-era and Korean conflict veterans working again by providing incentives to employers to hire and train eligible veterans.

Employers receive a direct payment from the federal government representing 50 percent of a veteran's starting wage, up to \$10,000.

There was a critical need for assistance in this area as unemployment among these groups was more than double the rate for non-veterans in the same age group. Early indications are that the jobs training program will be a success. It is estimated that 16,000 veterans have been placed in jobs and that the program is picking up momentum.

A second measure enacted into law, the Veterans Health Care Amendments of 1983, extends the termination date for the Veterans' Readjustment Counseling Program an additional four years through 1988. The national network of 136 veterans centers authorized by this legislation provide assistance to veterans trying to readjust to civilian life. Another part of this bill expresses the sense of the Congress that the President should elevate the Veterans Administration to cabinet-level status.

Congress also passed a new GI education bill that is expected to boost military service enlistments, especially among high school graduates. Under the three-year pilot project, young men and women joining the military after next June can qualify to receive up to \$11,000 in benefits to meet the cost of a college education. Participants in

the program are required to contribute up to \$100 a month for a period of one year to qualify for educational assistance. The program will go a long way towards attracting and retaining qualified young men and women in the country's armed forces.

The Agent Orange and Atomic Veterans Relief Act of 1983 will provide a disability allowance for veterans who served in southeast Asia during the Vietnam-era and who now suffer from three specific medical conditions which may have been caused by exposure to Agent Orange. In addition, \$54 million was appropriated to fund a major epidemiological study by the Centers for Disease Control to further determine the possible effects of Agent Orange. Also, the bill contains the same disability allowances for certain conditions for veterans who might have been exposed to atomic weapons testing during World War II.

On the benefit front, a cost-of-living increase was passed for veterans with service-connected disabilities and for surviving spouses and children entitled to dependency and indemnity compensation. The COLA amounts to 3.2 percent and takes effect Dec. 1, 1984. It will be on top of the 3.5 percent increase approved and made effective last April 1.

While these represent major gains in terms of promoting the interests of our deserving veterans, there were other issues that were left unfinished and will have to be taken up when the new Congress convenes in January. One of the issues I will be working on is the improvement in the level and quality of health care in 172 VA medical centers.

With the increasing number of older veterans, there will be a greater demand on the VA system for medical services. It is estimated that the number of veterans over the age of 65 will triple from the current three million to nine million by the year 2,000.

I will be pursuing this matter in the new Congress along with a proposal that the Veterans Administration establish geriatric evaluation units at the two Veterans Medical Centers in New Jersey to better meet the needs of the state's elderly veterans.

# Money Management

Millions of Americans pay more taxes than they should because they fail to take year-end tax planning steps. By making some strategic decisions before Jan. 1, an average family might save about \$200. Timing your income and tax deductions to get the most advantageous tax consequences is not difficult, says the New Jersey Society of Certified Public Accountants (CPAs).

A basic year-end strategy involves juggling income and deductions. Because tax rates are expected to remain about the same in 1984 and 1985, CPAs recommend accelerating deductions, where possible, and deferring income until next year.

As an example, take someone in the 33 percent tax bracket who discovers \$1,000 in deductions can be shifted from 1985 into 1984. That shift can cut \$333 from the 1984 tax bill. If invested, that savings could accrue interest for a full year in 1985. That way, accelerating deductions adds to your earnings.

Although accelerating deductions into 1984 generally works best, those whose income jumps sharply in 1985 may find it advantageous to reverse the pattern; for them, delaying deductions until their income rises saves tax dollars. By making rough estimates of income and deductions for 1984 and 1985, you can determine which strategy works for you.

Think of ways to make the most of this "juggling" strategy. Alimony is one payment that can sometimes be accelerated. Perhaps you can also prepay estimated state income taxes due in the first quarter of 1985. You may also be able to prepay your property taxes or a mortgage payment due on the first of the year, or make an early payment on dues for professional organizations or essential professional periodicals. Perhaps a charitable contribution you were planning for 1985 can be accelerated.

If your medical bills and expenses for prescription drugs exceed five percent of your income, you can itemize these as well. If you fall short of the five percent

threshold, think of ways to reach that level with such expenditure as a long-postponed physical exam or new glasses.

Controlling the timing of your income is more difficult than shifting deductions but if you own a business, you might delay billings until after the year ends. Sales representatives might delay commissions until after Jan. 1. Similarly, it might be advantageous to hold onto an investment until after Jan. 1, so any capital gain will become part of your 1985 income.

A potential benefit of juggling deductions is that it may push you over the line so you qualify to itemize. If you plan deductions to permit itemizing every two years, the tax savings can be significant. Here's why: The standard deduction (zero bracket amount) is \$3,400 for married couples filing jointly, and \$2,300 for individuals. By shifting deductions so you exceed your zero bracket amount in 1984, you may be able to itemize and save on your tax bill.

Consider this: A married couple who file jointly has \$3,200 in itemized deductions for 1984 and 1985 and \$1,000 of those deductions could be taken in either way. If they accelerate their deductions in 1984, they will have a total of \$4,200 in itemized deductions (\$3,200 plus \$1,000). Then, in 1985, they can take the standard deduction of \$3,400. Accelerating deductions nets them an extra \$800 in deductions (\$3,400 plus \$4,200 rather than taking \$3,400 in both years).

WEEK OF: NOVEMBER 15, 1984

**AQUARIUS — January 21-February 19**

Self-discipline is strong and this is a fine week for announcing a sensible health or fitness program. In romance, express your true feelings. At work, discretion is the key.

**PISCES — February 20-March 20**

Travel, alone or with a partner, is generally favored. A somewhat daring idea can be put into action now. Offers received now may have some strings attached. Objectivity is critical.

**ARIES — March 21-April 20**

Some offbeat ideas raise a few eyebrows but ultimately lead to career success. Friends ask for favors; be careful of overcommitting yourself. Fun travel is accentuated on weekend.

**TAURUS — April 21-May 22**

Surprise announcements and offers arrive through the week and may lead to travel. If making a major purchase, comparison shopping is all-important. Business sessions require creativity.

**GEMINI — May 23-June 21**

Diplomacy is the key to romantic success — take a lesson from a Libra friend. Teamwork brings success in domestic and/or career undertakings. Travel and culture go hand in hand.

**CANCER — June 22-July 22**

Social life perks up from the weekend on. Many offers come your way — the key is to be discriminating. Friend is suspiciously eager to offer advice on every conceivable topic.

**LEO — July 23-August 22**

Important communication needs careful review, then a prompt reply. Don't read too much between the lines this week. Music and the theatre are in the current picture.

**VIRGO — August 23-September 22**

Examinations and contests of skill and wit are generally favored. Loved one may misinterpret your casual comments. It's important to be precise, not mysterious, at this time.

**LIBRA — September 23-October 22**

It's important to pay attention to details, especially numerical details. Try not to make last-minute cancellations. Bonus may arrive by Tuesday. Romance accents its lighthearted side.

**SCORPIO — October 23-November 21**

Misunderstandings and distractions characterize part of this week. On the flip-side, you can make a conquest in romance, and you take a giant step forward in your career path.

**SAGITTARIUS — November 22-December 22**

Family member goes out on a limb for you; don't feel that you must reciprocate. A good week to take inventory in general — sorting out books, records, and priorities.

**CAPRICORN — December 23-January 20**

You find that the generation gap is narrowing — you and an older (or younger) relative are on the same wavelength. Don't feel obliged to pull strings for friends or neighbors.

**BIRTHDAY THIS WEEK**

Intuition is strong; enthusiasm is noteworthy. You neither forgive nor forget too quickly. Year ahead offers chance to branch out professionally. Traveling to unusual new places may be on the agenda in the summer of '85.

**BORN THIS WEEK**

November 15th, singer Petula Clark, 16th, actor Burgess Meredith, 17th, actor Rock Hudson, 18th, actress Brenda Vaccaro, 19th, host Dick Cavett, 20th, host Richard Dawson, 21st, actress Goldie Hawn.

## Letters To The Editor

All letters to the editor must bear a signature, a street address and a telephone number, so authors may be checked. If contributors are not able to be reached at local phone numbers during Leader business hours, the writer's signature may be notarized.

Letters must be written only one side of paper and typewritten. No letter longer than 1½ pages double-spaced will be considered for publication.

All letters must be in the "Leader" office by Friday if they are to appear in the following issue.

### WORKSHOP SUCCESSFUL

Editor, Leader;  
The Chemical People Task Force of Westfield would like to take this opportunity to thank you for your interest and support in publicizing our recent Drug Awareness Week Oct. 21-27. Your series of articles about our workshop on Oct. 24 and your thoughtful, inspiring editorial helped to alert our community to the problems facing today's youth who are involved in drug and/or alcohol abuse — as well as their families. The success of this workshop, attended by over 60 concerned parents, confirms the need for this type of program; evaluation comments from this event will help in planning future workshops most meaningful to those participating.

We are one of over 8,000 Chemical People Task Forces across this country. Let's hope that this concerted effort will succeed in providing our youth with alternatives that will help them realize a more productive, rewarding, and enjoyable lifestyle. Let's "Stick Our Neck Out For Our Kids."

### OPPOSE LIBRARY SITE

Editor, Leader;  
The non-binding referendum to build a new library on the Grant School site has passed. However,

this does not mean that a new library must be built there.

Twenty years ago, all of the schools in Westfield were needed. An informal survey of my neighborhood and of an area hospital nursery suggests that this day could come again.

The town has already sold one school. Can the library trustees, the Friends of the Library and our newly elected town fathers guarantee that the capacity of Grant School will never be needed again? If they can not then I strongly recommend that vacant land be used for the new library.

If that previously needed school capacity were ever to be needed again, it is not likely that this town would support spending millions to build Grant School for the second time. The result would be over-crowded schools, with potentially adverse consequences for property values. I am certain that the future of Westfield is far more dependent upon a secure future for its school system than it is upon a new library.

This situation clearly calls for an integrated approach to all of the potential future needs of the community, something that seems to have been lacking to date. I believe that even the most casual review would conclude that the new library should be built on vacant land.

### "THANKS" FROM CALDORA

Editor, Leader;  
I would like to take this opportunity to thank the voters of the 3rd ward for electing me to represent them on the Westfield Town Council.

A special thanks to Councilmen Ray Stone and Jim Capone; their knowledge of the ward was invaluable to me in my campaign.

Thanks also to the Boy Scouts of Holy Trinity who worked tirelessly on my behalf last Saturday dropping literature, Jim Luerssen, Joseph Cecala, Steven and Jack Callaghan and Dan Caldora.

Beverly Caldora

### LIBRARY COSTS

Editor, Leader;  
Now, that the election is over, we can look at the results, particularly the "Question of the New Library" on the ballot.

There were 7178 yes votes cast for the construction of a new library on the Grant School site, and 6010 opposed the non-binding referendum.

I addressed a letter to the Library Board of Trustees (copy attached dated 10/27/84), that was too late for publication in the Leader, which expressed my concerns about his undertaking.

There is a question in my mind as to how many people, who voted for the referendum, actually knew how much this project would cost. I, for one, repeatedly heard \$50 that would be added to each tax bill for a period of 15 years. This sounds like an insignificant cost to pay for a \$3,500,000 library. But, on analysis, I found out that approximately \$500,000 yearly would be added to the town budget for eight years, and for the last seven years of the life of the bond issue

at a diminishing figure from approximately \$400,000 to the final payment of \$200,000 in the final year.

Putting all these figures together, the final cost of the \$3,500,000 library comes to \$6,300,000 and the building has already begun to deteriorate.

My figures are based on a reasonable rate of interest of 10% percent per annum. I don't have to mention what would happen to these total figures with any rate higher than the 10%.

I was a little dismayed to notice the names of council members in the Friends of the Library ad which appeared in the Westfield Leader, 11/1/84, supporting the new library.

There must be an alternative to this costly venture, which no doubt will cause future budgetary problems.

Why not a building fund drive? There is a nucleus for such an understanding with the names of over 800 people that appeared in the above mentioned ad.

Douglas C. Schombs

### "THANKS" FROM MAYOR

Editor, Leader;  
Many thanks to the Westfield Leader for the usual fine coverage of the campaign. Special thanks to Mr. Dick Trabert, Mrs. Betty Cagnassola and Mrs. Jean Sawtelle for their personal efforts in my re-election. Sincere thanks to all those who contributed so generously toward the campaign expenses, those who supported my candidacy and for those who voted for me to continue as Mayor of our great town.

### CAMPAIGN VALUABLE PROCESS

Editor, Leader;  
I take this opportunity to thank all those who helped in my campaign for Town Council. It was great working with you.

Even though we did not win, the campaign was for me, and I hope for you, a valuable process. Going door to door through the fourth ward, I met many wonderful people, and learned their con-

cerns about Westfield and their satisfactions with it.

I cannot name here everyone who worked in the campaign, but would like to give special thanks to three — Allen Chin, Ron Frigerio and Jean Sawtelle. Their organizing ability, good humor and enthusiasm kept me working hard against my worthy opponent.

The contest surely has been good for the fourth ward, and for me. I wish Michael Diamond every success in his Council term.

For 35 years, amateur astronomers headquartered at Union County College have been viewing celestial objects and contributing to the body of knowledge on astronomy from their findings.

To celebrate those 35 years, members of Amateur Astronomers, Inc., will hold a 35th anniversary dinner dance on Nov. 17 at the Sulphur Springs Inn, Berkeley Heights, according to Barry Malpas, vice president and program chairman of AAI.

Founded by a handful of dedicated amateurs on Nov. 14, 1949, AAI is a non-profit organization that remains active in pursuing its main goal of promoting interest in the science of astronomy through its educational programs and activities.

Nobel Laureate Dr. Robert Wilson of Bell Laboratories will be the guest speaker. Dr. Wilson will discuss such topics as interstellar molecules and clouds, and star-forming regions in the universe.

### Dec. Brunch to Honor Retiree Evelyn Maloney

A champagne brunch in honor of M. Evelyn Maloney, who retired Sept. 1 as director of guidance in the Westfield public schools after 23 years of service, will be held on Dec. 9 at L'Affaire Restaurant.

Staff members, former and present students, parents and members of the community are invited to attend the brunch. Persons interested in attending are asked to call Eileen Sexton of the high school guidance office (654-6400, ext. 230) by Friday, Nov. 30.

### Holiday Sale Nov. 17, 18 At Clark Plantation

The Clark Historical Society will hold its annual holiday sale on Saturday and Sunday, Nov. 17 and 18, at the Dr. William Robinson Plantation and Museum, 593 Madison Hill Rd., Clark, from 10 am to 4 pm on both days.

On Sunday, a Country Kitchen will feature herbs, baked goods,

preserves, and other home prepared delicacies.

Members and friends of the Society have fashioned the hand-crafted articles appropriate for the holiday season. Funds raised by the sale are dedicated to the furnishing and restoration of the 300 year old plantation.

### Franklin's Holiday Boutique Nov. 29, 30

In anticipation of the holiday season and the need for the perfect gift, Franklin School's PTA will sponsor a Country Crafts Holiday Boutique. The boutique is to be held at the home of Mrs. Barbara Green, 121 Eaglecroft Rd. Sale hours are from 9 a.m. - 4 p.m. and 7:30 - 9 p.m. on Thursday, Nov. 29, and again from 9 a.m. - 4 p.m. on Friday Nov. 30.

Most of the sale articles were designed by local craftsmen and include stenciled baskets, wooden animal silhouettes, fabric frames, vine wreaths, tree ornaments and baked goods. The assortment is varied and unique. A special feature of the sale will be the raffle of a cabbage patch doll and of a pair of rag dolls.

"Work hard, produce, save, and invest." That is the formula for success according to Assemblyman Chuck Hardwick (Republican), who recently spoke to American Issues classes at Westfield High School.

Hardwick spoke about the elements of the American dream. He said that under the Carter administration, national security and a flourishing domestic economy, two things which he said comprised the American dream, were under pressure. He felt for this reason, Reagan, who wanted to restore these values, was elected in 1980. According to Hardwick, Reagan has accomplished this.

Hardwick also spoke about Political Action Committees (PACs) which the Issues classes have been studying. He felt that PACs are beneficial because they provide Congressmen with valuable information and help subsidize their campaigns. However, he did point out their sometimes biased nature which may cause damage to the democratic process.

In addition, Hardwick spoke about the role of youth in politics, encouraging people to get involved. He said that sometimes being a politician can be hard; for example, seeing bad things written about you in the news. However, he felt the rewards far outweigh the negative aspects. He remembered a time when being on a federal committee, he met with President Reagan.

Hardwick described the time when it was suggested that he consider running for New Jersey Senator against Bill Bradley. He went to hear Bradley speak to senior citizens and youths at a luncheon. Hearing Bradley speak strengthened Hardwick's motivation to run. However, as he was phoning his office, he heard a young boy on the next phone excitedly remark, "... and I got his (Bradley's) autograph too!!!" Hardwick laughed to himself and suddenly knew that he wouldn't be running for Senator.

At the end of the speech, Hardwick answered students' questions including some concerning the surplus in the state budget. He explained what might be done with the money and who would make the final decisions.

### Local Teacher Attends Conference

Virginia Toenes, a private voice teacher in Westfield, recently attended a joint conference of England's Association of Singing, and the National Association of Teachers of Singing, in 14th century Dartington Hall, Totnes, England, where outstanding teachers, performers and speech pathologists shared their discoveries and techniques.

Mrs. Toenes had the opportunity to renew old acquaintances, two with whom she sang professionally in New York, and a former student who now teaches at the University of Montana. Most impressive, according to Mrs. Toenes, was a private interview and dinner with Re-Koster of Holland and past chairman of

Virginia Toenes the voice department of the New England Conservatory.

Jackie Stahl of West Orange and Amelia McLamoney and Sue Arnold of Westfield gather to discuss plans for the Annual Newark Academy Mother's Association Luncheon and Fashion Show. The luncheon is scheduled for Nov. 16 at the Parsippany Hilton. For further information contact the Newark Academy.

### Twins Club to Meet

The Suburban Mothers of Twins and Triplets Club will hold its November general meeting on Wednesday, Nov. 21, 8 p.m. at the First National Bank of Central Jersey, 105 East Fourth Ave., Roselle.

The program for the evening will be a film entitled, "Development of Twins from Birth to 18 Months."

Mothers of multiples are invited to attend this informal meeting. For more information about the club, write: Suburban Mothers of Twins and Triplets Club Inc., P.O. Box 472, Cranford, N.J. 07016.

**"Discovery Days" at Adlers**

For the fourth time, Adlers Jewelers, 219 North Ave., in cooperation with the Volunteer Auxiliary of Spaulding for Children, the free adoption agency, will present "Discovery Days," Nov. 16 and 17, 10 a.m. to 2 p.m.

Adlers will verbally appraise individuals' jewelry in detail, and Spaulding, which places older and handicapped youngsters, will benefit. Several trained gemologists will be on hand to inform the public of the worth of their heirlooms. There will be a

nominal charge on every three items appraised.

Since 1971, Spaulding has arranged the adoption of 670 hard to place children. Currently, the majority of the children are nine-years or older, including teenagers. More than half the children have some form of severe emotional, mental or physical disability, and many are multiple-handicapped. Increasingly, the agency finds that "No child is hard to place, if someone wants him/her."

Art and Bobbie Richardson of Westfield, prepare for the annual Holiday Fair to be held Saturday, Nov. 17, at All Saints Episcopal Church, Park Ave., Scotch Plains. The fair runs 10 a.m. to 4 p.m. Items available include Victorian crafts, homemade candles, baked goods, knitted articles, Christmas ornaments, plants, Vermont cheese and much more. Lunch will be served in the Holly Sleigh, and Santa arrives at noon. Admittance is free.

**Schub and Lin to Perform Dec. 16th**

Andre-Michel Schub, pianist, and Cho-Liang Lin, violinist, two international superstars of the musical world, will be heard in recital together on Sunday, Dec. 16, at Union College in Cranford. The concert presented by "Mostly Music," begins at 8 p.m.

Cho-Liang Lin has performed all over the world with major orchestras and has given acclaimed solo recitals in Carnegie Hall, Avery Fisher Hall, the 92nd St. Y in New York, as well as other great music centers in the world. Mr. Lin's New York debut was considered a major musical event. He has performed twice in

Westfield with Ken Noda, and as a guest artist with the "Mostly Music" chamber concerts.

Andre-Michel Schub won the Grand Prize at the 1981 Van Cliburn International Piano Competition. Additional honors include the prestigious Avery Fisher Award in 1977 and the first prize in the 1974 Naumber International Competition. The Dec. 16 concert marks the first time that Lin and Schub will be performing together.

**BPW Program on Public Speaking**

The Business and Professional Women's Club of Westfield, Inc., will hold its November dinner meeting on the 20th at the Westwood in Garwood at 6:30 p.m.

The guest speaker will be Geraldine Runfeldt, (IDP) Individual Development Plan

Chair, District II, and her program will be directed toward public speaking.

Working women are invited to attend the monthly meetings.

For additional information contact D. Sornstein, 532 Muriel Pkwy., Elizabeth.

"Carousel" cast member, singer Kristin Schundler (left) and publicity chairman Margery Reid, both of Westfield, talk about the OMT production during a rehearsal break. "Carousel" will be performed at 8 p.m. on Nov. 30 and Dec. 1, and 7 p.m. on Dec. 2 at New Providence High School, 35 Pioneer Dr., New Providence. General admission tickets are now available at the Overlook Gift Shop, Balloung, Millburn; Adams, New Providence; and Scotti's Record Shop, Summit.

**Hahne's to Host Lady Liberty Benefit**

Hahne's Department Store, 609 North Ave. West, will host the official kick-off benefit event for the New Jersey State Federation of Women's Clubs Lady of Liberty Special State Project on Sunday, Dec. 2, 6-9 p.m. Ten percent of every sale will be given to the NJFWC Lady of Liberty campaign, according to Mr. Alan T. Kane, president and chief executive officer of Hahne's.

A planning meeting with Mr. Kane included Dorothy Constants of Oakland, president of the NJFWC; Marilyn Tonnensen of Mountainside, chairman of the project. Mrs. Tonnensen's uncle, August Hahne of Newark, was an immigrant who founded the Hahne's store 125 years ago. In outlining the store's support, Kane invited each member of the NJFWC and their friends

throughout the state to the evening benefit.

Strolling entertainers, complimentary refreshments, gift wrap, coat check, shopping bags will be among the free services to add to the enjoyment of the evening.

Special invitations to civic leaders will allow the opportunity to show their support of volunteerism and the renovation of the Statue of Liberty by their attendance.

According to Christine Steck, Hahne's director of public relations and special events, "admittance by invitation to the after hours event can be obtained through any of the 29,000 members of NJFWC. As long as someone in the party has an invitation, the shoppers will be welcomed."

# Social and Club News of the Westfield Area

## Susan M. Smith Bride of Dennis M. Donelon

Susan Mindy Smith, daughter of Mr. and Mrs. Irwin W. Smith of Westfield, was married Oct. 18 to Dennis Michael Donelon of Spring Valley, N.Y., son of Mr. and Mrs. Emmett Donelon of Cleveland, Ohio.

Officiating at the candlelight ceremony at Temple Emanu-El in Westfield was Rabbi Charles Kroloff, assisted by Cantor Don Decker. A reception followed at the Chanticleer.

Given in marriage by her father, the bride wore her mother's wedding gown of candlelight silk mist and a newly fashioned bodice of hand-beaded French Lace with a high neck and long sleeves. The fitted circular skirt with sequin-dotted lace appliques swept into back fullness and a full court train. The bride's fingertip length veil of French illusion was held in place by an open semi-crown of pearls and sequins. She carried a bouquet of rubrum lillies, stephanotis and white roses interwoven with a cascade of ivy.

The bride's maids of honor were her sisters, Debora and Hilary Smith of Westfield. Also attending the bride were Rebecca Allman of Cuyahoga Falls, Ohio; Debra McNaul of Ashland, Ohio; Susan Ziegler of Strongsville, Ohio; and the bridegroom's sisters, Eileen, Maureen and Kathleen Donelon of Cleveland. The maids of honor wore full length taffeta gowns with a deep pleated V-neck in burgundy. The other attendants wore identical gowns in dusty rose. All wore hats of taffeta pointed to the forehead and rimmed in pearls and each carried a semi-cascade of rubrum lillies and white delphinium.

Best man was Edward O'Malley of Cincinnati, Ohio. Ushers were Brian Allman of Cuyahoga Falls; Mark Kehler of Cleveland; Howard Smith

Photo by Thomasteller

Mrs. Dennis M. Donelon

of Westfield, brother of the bride; and John, Brian, Terrence and Timothy Donelon of Cleveland, brothers of the bridegroom.

The bride and bridegroom are both graduates of Baldwin-Wallace College in Berea, Ohio.

The bride is an assistant buyer and manager of the gift department at Jane Smith in Westfield.

The bridegroom is a regional representative for the Quaker Oats Co.

After a wedding trip to Bermuda, the couple is residing in Spring Valley, N.Y.

## Barbara E. Weaver Marries Russell S. Dalrymple

Barbara Ellen Weaver, daughter of Mr. and Mrs. Donald K. Weaver of Westfield, was married last month to Russell Stephen Dalrymple, son of Mr. and Mrs. George Dalrymple of Holbrook, Mass. The Rev. William Morris performed the wedding ceremony at St. Helen's Church. The reception followed at the Twin Brooks Country Club.

Escorted to the altar by her father, the bride wore a gown of white chiffon with an illusion neckline, mandarin collar and an A-line skirt with cathedral train. All were trimmed with Alencon lace and seed pearls. Her fingertip veil fell from a cap of matching lace. She carried a cascade of white roses, carnations and baby's breath.

Katherine Weaver was her sister's maid of honor. The bridesmaids were Leslie Cassell, Ann Dalrymple, sister of the bridegroom, Linda Stine and Nancy Weaver, sister of the bride. All of the attendants were attired in pale lavender chiffon gowns. They carried bouquets of lavender and white roses, carnations and baby's breath.

Glenn Dalrymple, brother of the bridegroom, was best man. Ushers were Anthony Ciriaco, Stephen Coffey, Charles Phillips and Anthony Tagliamonte.

Mrs. Dalrymple is a graduate of Ithaca College and received her master's degree in speech pathology from the University of North Carolina, Chapel Hill, N.C.

Her husband is a graduate of the University of Massachusetts and received his juris doctorate degree from the University of North Carolina.

Mrs. Russell S. Dalrymple

The bridegroom's parents hosted the rehearsal dinner. Prenuptial showers were given by Mrs. John Hoblitzell and Mrs. Vincent McLean, and Mrs. Edwin Hylander and Mrs. James Ozimek, and friends of the bride from Nina Elton Center.

After a wedding trip to Lake Powell and the Grand Canyon, the couple resides in Salt Lake City, Utah.

## Andrea Sikora Bride of Henry Cukier

Andrea Ellen Sikora, daughter of Mr. and Mrs. Edward S. Sikora of Westfield, was married on Saturday, Aug. 18 to Henry Raymond Cukier, son of Mr. and Mrs. Adolf Cukier of Mountaintide.

The nuptial Mass was celebrated by the Rev. G. Bajek in the Church of the Sacred Heart of Jesus, in Irvington. Readings were by Patricia Pogorzelski, cousin of the bride, and Margaret Kurasz. The reception was held at the Town and Campus Banquet Center in West Orange.

The bride was given in marriage by her father. Karen Sikora served as her sister's maid of honor. Bridesmaids were Susan Stanek, cousin of the bride; Renee Cukier, sister of the bridegroom; Stephanie Atkielski, cousin of the bridegroom; Maria Cuccaro, Mary Rose Lotano, Helene Matrejek, Diane Nardone and Suzanne Strzepek. Cynthia Golinik, the bride's cousin, and Diane Kurasz were flower girls.

Best man was Andrew Cukier, the bridegroom's brother. Serving as ushers were Stanley Nowak, cousin of the bridegroom; Thomas Stanek, cousin of the bride; Michael Cooper, Robert Hudak, Ian Logan, Greg Reissner, Americo Spiridigliozzi and Jeff Zeller. Thomas Cukier, the bridegroom's brother, was junior usher.

The bride is a graduate of Westfield High School and attended Union College. She is currently a benefit analyst with the Hartford Insurance Group, Cranford.

The bridegroom is a graduate of Jonathan

Mr. and Mrs. Henry R. Cukier

Dayton Regional High School. He attended Wilkes College, Wilkes-Barre, Pa., and is presently self-employed at H.R. Precision Tool & Die, Maplewood.

After a wedding trip touring the Hawaiian Islands, the couple is residing in Scotch Plains.

## Elizabeth A. Boyle Bride of Robert J. Sutton

Mr. and Mrs. Robert J. Sutton

Elizabeth Ann Boyle, daughter of Mr. and Mrs. Bernard F. Boyle of Brooklyn, was married Oct. 13 to Robert James Sutton, son of Mr. and Mrs. Robert W. Sutton of Westfield and Branchville.

The wedding ceremony took place at St. Pius X Church in Cherry Hill with the Rev. James Welsh officiating. A reception followed at the home of Mr. and Mrs. Connell Cannon in Cherry Hill.

Kathleen Cannon served as her sister's matron of honor, and Amanda and Maura Cannon, the bride's nieces, were flower girls.

Best man was John W. Sutton of Westfield, the bridegroom's brother. Ushers were John Boyle of Brooklyn, the bride's brother, and Connell Cannon.

The bride is a graduate of Queens College and is employed by Metro-North.

The bridegroom is a graduate of Westfield High School and Bates College, Lewiston, Me. He received a master's degree in microbiology from the University of Maine and is employed by Pfizer, Inc., in the Fermentation Research Division.

Following a wedding trip to Hilton Head Island, the couple is residing in Groton, Conn.

## Garden Club Holds Show

The Garden Club of Westfield presented, as a gift to the citizens of Westfield, a standard Flower Show, entitled, "Celebration," on Oct. 10 at the Public Library.

Honorary chairman and club president was Mrs. Malcolm G. Robinson. Flower show chairman was Mrs. Raymond E. Paul. Mrs. William E. Degnen was schedule coordinator and chairman of judges, and Mrs. Robert E. Savage was treasurer.

The following awards were presented: Tri-color and Myra J. Brooks, Mrs. Kenneth J. Clavett, Garden Club of Watchung; Creativity, Mrs. Joseph D. Davis, Garden Club of Westfield; Award of Merit, Mrs. A.E. Green, Mrs. James W. Partner and Mrs. George A. Darsie; Arboreal

Award, Mrs. Harry Whittaker of the Rake and Hoe Club; Horticulture Award of Excellence, Mrs. Raymond M. Dean; Sweepstakes Award, Mrs. Albert I. Roche; Challenge Classes, members only, Mr. A.E. Green and Mrs. Robert Scott.

## YW to Sponsor Trip

The Westfield YWCA is sponsoring a one-day trip to Bethlehem, Pa., on Wednesday, Dec. 5. Included will be a film and tour of the Moravian community.

There will be time to browse in the Fire Museum and its gift shop and other interesting shops. Luncheon will be at the Hotel Bethlehem. An early evening bus tour to view the Christmas lights, including the Star of Bethlehem, is on the agenda.

For further information contact the YWCA.

## Eye Openers

## SO NOW YOU NEED READING GLASSES...

Sooner or later, many people will need glasses for reading or doing close work. Regardless of how good your vision has been, the accommodative ability to focus on close objects may deteriorate after forty.

Once you have been examined by your optometrist and a corrective prescription has been written, there are three options for your new glasses.

1. You may order lenses in a half-eye frame, which you can look through for near visual tasks only. 2. You may order a full frame, which will have to be removed when you want to look at distant objects. 3. Some patients, who do not want to be bothered with taking off their reading glasses, opt for a bifocal lens. In a bifocal, the bottom portion is used for near vision tasks. The upper portion may have no prescription or a distance correction in it.

If you have glasses already, bring them with you when you are next examined. They guide the optometrist in making suggestions as to the type of eyeglasses which are best for coping with your new reading problem.

## Ball to Conclude Tercennial Events

The final Scotch Plains Tercennial event of this 1984 historic year will take place Dec. 1.

The Tartan Ball, an evening of dining, dancing and entertainment will be held at St. Bartholomew's Auditorium from 9 p.m. to 1 a.m. Music will be provided by the Frank Bennett orchestra playing the sounds of the big bands. Plans for this special evening include a buffet dinner with wine, a cash bar, and entertainment throughout the evening. Ron Duncan, Scottish balladeer, will provide the lyric sounds of Scotland. Party-goers also will enjoy the performance of a country dance troupe which will provide folk dancing designed for participation by all.

Tickets may be purchased at the Scotch Plains Public Library or at the Municipal Clerk's office. Tickets are also available from all members of the Tercennial Committee. Formal dress is encouraged but not required.

## French Completes Naval Course

Navy Lt. Bruce D. French, son of Helen Davis of 1217 Wyoming Dr., Mountlainside, has completed the Officer Indoctrination School at the Naval Education and Training Center, Newport, R.I.

While attending the six-week course French was prepared as a newly-commissioned officer for duty in the Naval staff field corresponding to his civilian profession.

In his first five weeks, studies included Naval history and traditions, personnel administration, military law, close order drill and other general military subjects structured to acquaint him with an officer's duties and responsibilities.

During French's final week, his studies were concentrated on the application of his civilian profession within the Navy.

A 1968 graduate of Governor Livingston Regional High School, Berkeley Heights, and a 1980 graduate of Wagner College, Staten Island, N.Y., with a Master of Business Administration degree, he joined the Navy in September 1972.

## Sons of Italy Welcomes Members

At a recent meeting of the Vincent Lombardi Lodge No. 2551, Order of the Sons of Italy in Garwood, six people were installed into membership by Grand Lodge representatives Vincent Sarno and Samuel Fumosa.

The lodge, organized a year ago, invites anyone of Italian descent and their husbands and wives to join. They gather at the Knights of Columbus Hall, South Avenue, Garwood on the second Thursday of each month at 8 P.M.

## Parking

Chamber of Commerce... but for once, I agree with the Chamber of Commerce" on increasing fees for long-term parking in the attendant lot.

The proposed rate increases, termed an "interim measure," also will lengthen the hours during which Parking Lot #4 would be manned and would prohibit parking between the hours of 6 and 8 a.m.

Councilman Tom Quinn. Opposing the new fee structure and regulations were Councilmen John Brady, James Capone and Brian Fahey. Agreeing with the proposal were Acting Mayor Stone, and Councilmen Richard Bagger, Boothe and Brown.

While pros and cons of deck parking, subsidies from NJ Transit and fee restructuring were discussed, it was noted that no solutions to the parking problem will be forthcoming until reports and recommendations from Ramp Associate, a parking consultant, have been received and studied.

"I hope the next Town Council will have the guts "to implement some of the recommendations," said Brady, who declined to seek reelection and will leave council the end of this year.

The meeting was the last for Councilman Brown, who announced his retirement from council effective Nov. 8. His "wonderful experience," he said, has "been tough work and a real education" with "people on both sides of many issues."

Brown was presented with a silver bowl in appreciation of his two and a half years as councilman from the first ward.

Members of the Town Council will be required to screen three candidates for the seat and will appoint one, a Republican, since the seat is currently held by a member of that party, to fill the term of office which expires Dec. 31, 1985.

In more routine business the Town Council waived a fee for a bonfire for the WHS sports rally Nov. 21, rejected bids for the resurfacing of Myrtle Ave., authorized an auction of property in custody of the Police Department and granted a raffles license to the Westfield School Boosters Association.

scholarships.

Corbet also has been active in the Westfield Chamber of Commerce for 20 years and organized a meeting of gas station operators with members of the Town Council and the community during the first oil crisis several years ago. He also served on a committee with Department of Transportation Chairman Allen Sagner to investigate the electrification of the Central Railroad of NJ through Union County.

Corbet, co-founder 20 years ago of Westfield's Christopher Academy, the first Montessori School in New Jersey, is a member and past president of the board of the Alumni Association of Pingry School, from which he graduated in 1950. He also is a former trustee of the school, was a member and past president of the former Joint Civic Association which helped select and support candidates for the Westfield Board of Education and has been involved with running election campaigns of many candidates for the local school board. Corbet also has served on a citizen advisory committee for Assemblyman Chuck Hardwick.

The new councilman, who lists sailing, windsurfing and Jets football among his leisure activities, earned a bachelor of arts degree in finance from Lehigh University and served for three years as a first lieutenant, finance officer, with the U.S. Air Force at Holloman and Edwards Air Force Bases.

Corbet and his wife, Joan, have two children, Bill, 25, and Maggie, 24.

## Booters Advance To Semifinals

**By Todd Brecher**  
The Westfield High School boys' varsity soccer team defeated Livingston 1-0 last week to move into the sectional semifinals of the state tournament against Morris Knolls.

The lone goal of the game came with 12:43 left in the second quarter. Forward John Ganas started off the scoring play when he put a corner kick in front of the net. At first, there was no clear shot, but then Andy Yearley blasted a shot past Livingston goalie Jay Gross to give WHS the only goal they would need.

Livingston posed no threats to the Devil lead until the fourth quarter. In the final period, booters were able to mount many attacks, but they were unable to get a shot on goal (they only had one in the game.) That, along with WHS goalie Dave Zupko

gobbling up loose balls in the penalty area and the fact that the Lawncers were called offsides eight times, prevented Livingston from scoring.

The two teams had played an even first period, but the Devils dominated both the second and third periods. This was due partially to the fullbacks who, led by Chris Capano, controlled the midfield area. It was also due to the superb play of center halfbacks Ed Haag and Brad Shapiro. Both directed the flow of the game during the middle periods, set up many scoring opportunities and were major

forces in the victory. Shapiro had done a fine job filling in for Steve Pinkin on the second line. Pinkin was moved up to the first line to replace the injured Curt Cheesman.

Haag and Shapiro were both rewarded for their play last week when they were two of then Devils selected to All-County teams. Haag, Zupko and Capano were named to the first team, Yearley and Taylor Wright to the second team and Mike Drury, Shapiro and Brian Noerr to the third team. Jim Miller and John Ganas received honorable mention.

## Netsters Finish Season

**By Gary Winzelberg**  
The Cliche, "All things come to those who wait," was very applicable to third singles player Linda Katsch as she waited until the final day of the season to avenge her loss in the Union County Tournament to Nancy Claffey of Union. The Westfield High School girls' tennis team defeated Union 4-1 to raise its final overall record to 23-2.

In the UC tourney, Claffey beat Katsch, who was the first seed, 6-2, 3-6, 6-4 and went on to win the overall 3rd singles championship. However, in their second meeting Katsch won a spirited match 7-6 (7-4), 7-6 (7-2). Coach Kathy Luckey commented that the match was very important because Linda gained confidence and proved to herself that she could beat Claffey.

At first singles, Amy Kern won 6-2, 6-2 and Amy Briemer lost 6-3, 7-6 (7-3) in the second singles encounter. Also, the first doubles tandem of Theresa Smith and Marnee Hall won easily (6-0, 6-0) and Karen Sharpe and Jennifer Comstock were victorious by the same score at second doubles.

The netsters finished with an undefeated 20-0 record in Watchung Conference play. In fact, only five of the team's conference matches were not decided by 5-0 scores. The netsters ended up unranked in the Star-Ledger top 20 poll and the second ranked team in Union County behind Summit.

The final individual records are as follows: Amy Kern had a 14-7 record at first singles. Amy Briemer finished with an over

18-5 record (6-0 at 1st singles). Third singles player Linda Katsch had an 18-3 record. Also, Colleen Gorman was 7-0 at second singles and Christine Niedzwiecka was 7-0 in third singles play. Both players filled in during various times in the season.

In the doubles action, the tandem of co-captain Theresa Smith and Marnee Hall were 20-3 at first doubles. The second doubles team of co-captain Karen Sharpe and Jennifer Comstock had a 19-3 record. Amy Kaminstein and Grace Liang finished with a 6-0 record as a team.

Coach Luckey stated that she was pleased with the team's performance this season although she felt the players were somewhat disappointed with their early loss in the state tournament.

The coach also said that the netsters' biggest season was their depth and she added that the players' enthusiasm helped to maintain the intensity throughout the long season. Coach Luckey voiced optimism for next year because only two seniors played for the netsters this season and many other players gained invaluable experience.

In addition, the coach mentioned that the team's easy schedule was its main weakness. She said, "We had a great year and many players made big contributions to the team. However, our schedule hurt us when we got into the tough matches and the pressure situations."

## Gridders Tied Again

**By Bill Pendzuk**  
Winning has always been a tradition for varsity football teams at Westfield. Last year, though, losing became consistent and now this year a new trend has set in: No verdict. For the second consecutive week, the WHS varsity football team blew a substantial lead and tied its opponent. This past Saturday the Blue Devils finished in a 12-12 tie with a winless Irvington team.

During last week's game, WHS led Scotch Plains 14-0 at halftime but succumbed to a Raider comeback and settled for a 14-14 tie. This week's contest against the Campers (0-6-2) seemed to be a repeat of last week as Westfield led 12-0 at the end of the third quarter, but two TDs by Irvington tied the score.

Trailing 12-0, Irvington regained possession of the ball as Troy Bowers recovered a fumble at WHS's 33-yard-line. The Campers then marched the distance in eight plays as the drive was cap-

ped by a one-yard TD plunge by Ron Hutcheson. Irvington decided to go for the two-point conversion, but Hutcheson's run came up short of the goal-line.

Now trailing 12-6, with less than five minutes remaining in the game, Camper safety Lenny Sparrow intercepted a Jeff Monninger toss at the Campers' 35. A big play then occurred as Irvington quarterback Taibu Thomas connected with Hutcheson on a 17-yard completion and 15 more yards were tacked on a roughness penalty against WHS. This put the ball at WHS's 33 and nine plays later Thomas crossed the goal-line from the one to tie the game with 5:56 remaining. This game-tying TD was very controversial because the two field judges ruled that Thomas had fumbled the ball out of the endzone. The referee, who has the final say in rulings, overruled both of them and ruled that the fumble was recovered for a TD before the ball bounced out of the endzone. The extra-point at-

tempt by Dave Plotsker was blocked to keep the score tied.

However, with only seconds remaining in the game, Irvington, on two completions by Thomas, moved to the Blue Devils' 14 where Plotsker attempted a 29-yard fieldgoal which fell short.

The Blue Devils' two TDs were scored by halfback Doug Kehler. In the second quarter, Kehler capped a 10 play 71 yard drive by scampering nine yards for the score. The extrapoint was blocked. WHS recovered a fumble on the second half kick-off and Kehler, who led WHS with 57 yards rushing, climaxed the short 18 yard drive by bursting up the middle four yards for the TD. The conversion attempt was missed.

Westfield gained only 95 yards in total offense, all by rushing. Mike Slagard added 48 yards on 10 carries. The (2-4-2) Blue Devils now prepare to close out their season on Thanksgiving Day in their annual clash with Plainfield. This year, Plainfield is led by quarterback Eric Felton and Charles Patterson on offense. Patterson rushed for 72 yards in Plainfield's 13-12 upset victory over Rahway last week.

## 'Plains Loss Ends Booterettes' Season

**By Kerry Luckey**  
The WHS girls' soccer team ended its season by losing to Scotch Plains 5-4 in the quarter-final round of the state tournament at home last Tuesday.

This game reflected last year's in which Scotch Plains knocked WHS out of the state tournament.

Despite having a comfortable 3-0 lead at halftime, Scotch Plains came back to win in a shoot out in overtime play.

One by one, the girls kicked the ball in the goal alternating WHS and Scotch Plains players. However, Scotch Plains proved to be more consistent and scored one more goal than did WHS.

The girls seemed to have no problem scoring in the first half. First Krissy Jeremiah booted a goal. Next Sally Parizeau brought the ball up from the mid-field for a goal. Parizeau scored another goal on an indirect kick. After receiving the ball from teammate Wendy Maher, Parizeau blasted a shot over a wall of Scotch Plains players and over the goalie.

The girls had a successful season in which they shared the conference title and captured the County title. Their final record is 14-4.

## Gymnasts 4th In Sectionals

**By Sarah Kreisman**  
The Westfield High gymnastics team placed fourth in its section of the State Tournament last weekend. Twenty three schools competed for entrance into the team championships which will be held this Saturday, but unfortunately only the first place team advances. The team's total score was 98.75.

Individual awards went to Patty Berry 9th vault (8.9); Chrissy Diaz 12th vault (8.75) and 4th floor (8.75); Sareh Verdisco 4th vault (9.3) and 6th floor (8.65); and Ranjini Vernugopal 8th vault (8.9), 6th bars (8.55), 10th beam (7.7) and 9th all-around (32.25). Any girl who received a 1st through 6th place advances to the individual state competition which is being held today in Somerville beginning at 3:30 p.m.

The gymnastics team completed its season with a record of 10 wins and one loss as it defeated Dayton Regional 98.45 to 81.8 last week. The high scorer of the meet was Chrissy Diaz with 25.70 (based on 3 events rather than 4). Her scores were 8.7 - vault, 8.65-beam and 8.35-floor.

In individual events the high scorers were Sareh Versisco-vault (8.75), Ranjini Vernugopal-bars (8.5), Chrissy Diaz-beam (8.65) and Chrissy Diaz-floor (8.35).

## FALL SOCCER RESULTS

What a kick

(Continued from page 14)

Albanese, Jeff Harris, Sean McCarthy and Steven Petrik. The Bull goals were scored by Mike Ryan and Boomer Wertheimer.

**Cobras 3 - Bears 1**

In a close game the Cobras beat the Bears 3-1. In the first quarter, Kevin McNally dribbled in the score for the Bears. Then, halfway into the second quarter, David Lester put a shot into the corner of the goal. Minutes later he scored after a cross by Gregg Watner. In the third quarter Bryan Goski scored on a penalty kick.

For the Bears, Jim Pipher played a good game at halfback, Andrew Fursner powered the defense at full back, and Steve Caren and Tim O'Brien were strong in the goal.

For the Cobras, strong all around play came from Bryan Goski at halfback, David Lester and Gregg Watner led the offensive attack at forward, Mark Hobbie controlled the defense at fullback and Jason Luckenbaugh played well at goal.

**Sharks 6 - Leopards 1**

The Sharks continued their undefeated season with a 6-1 victory over the previously undefeated Leopards. Marc Weinburg scored on a pass from Brendan Leshner in the first minute of the game and a defensive struggle continued for most of the first half. Keith Zadourian, Stephen Flynn, Paul Agnone and Chris Campanelli at halfback. For the Leopards, controlled play at the midfield while Brian Murphy, Lee Marcy, Chris Brucia and Joe Catanzaro controlled for the Sharks. With less than a minute to go in the first half, Stephen Flynn passed to Chris Campanelli at fullback and Dan Gleason.

In the first minute of the second half, Marc Nienburg took a pass from Rynichi Saito to score his second of three goals. Michael DeMarco, Brad Northup, Scott Davis, Billy and Chris Moore put constant pressure on the Sharks' defense led by Michael Principio, Geoffrey Hinman, Marc Spinn and goalie Kevin Boyle, who played outstandingly in goal.

The Leopards' defense led by goalies Tom Ryan and Billy Rhodes, fullbacks Peter Catanzaro and Paul Agnone. In the last period the Sharks broke the game open with goals by Rynichi Saito, Kevin Boyle and Brendan Leshner on assists by Greg Murphy, John Augustine and Dan Gleason.

**Hornets 2 - Buffalos 1**

The Hornets and Buffalos played a strong defensive game in the second round of the playoffs. Pressure early in the game by Buffalo forwards Pat McNellis and center midfielder Jeff Ryan tested the Hornet defense of Mike Skubish, Rich Humphreys, and Greg Silverman. The Hornets forced the ball deep into Buffalo territory and when the ball rolled free at the 18 yard line, Hornet forward Brian McGuire shot it in for the first goal of the game. The Buffalos scored 2 minutes later on a long shot by Pat McNellis. Hornet midfielder Jeff Haag broke the tie with a pass from Brian McGuire and sent home a powerful shot through the outstretched arms of goalie Peter Morris.

Second half action saw the ball between the 18 yard lines with both defensive lines attacking the ball handlers. Hornet forward David Fazio and Chris Moore put pressure on the Buffalos' defense. Rik Russo worked the ball well, but Buffalo fullbacks Jim DeSantis, and James Lenton continued the attacks. Hornet goalies Chris Manos and Mike Rosner had many saves and showed strong clearing kicks.

**GIRLS DIVISION III FRAGILE TEAM**

**DEFEATERS WIN TOURNEY**

The Westfield Defeaters took the gold at the George Cook Memorial tournament in South Brunswick, on Saturday, Nov. 3, beating teams from Staten Island, N.Y. and South Brunswick, N.J. by scores of 8-0 and 3-2 respectively. Impressive performances came from strikers Megan Kelly and Rebecca Krohn who both turned in 100% of the game. The Defeaters took first place for the Defeaters and ten straight tournament game victories.

In Mid-Jersey Y.S.A. league play, the team remains unbeaten in eight games with tough matches against Wayne and Rockaway to round out the season. In a strong effort this past Sunday, the Defeaters stormed past the Mountain Top Magic of West Orange 8-0 with goals coming from Rebecca Krohn (2), Justine

Ceklosky (2), Aliza Best, Jennifer Derosa and Kim Kumpf (2).  
The key to the scoring was midfield domination by Ann Wampler, Michele Mollard, Kim Levins, Cybill Wooster and Karen Chelius. Kim McGowan, and Michelle Carrara added strong play to the defensive wall. Heather Braun and Megan Kelly loosened things up at wing using the corners extremely effectively.

**DIVISION V**

**Stingers 1 - Hornets 1**

The Stingers and Hornets battled to a 1-1 draw in a thriller in the rain. For the Stingers, Noelle Nolas scored on a hard shot off a beautiful crossing pass from Lori Chelius. Keeper Sharon Brady made courageous sliding saves in the mud, with fullbacks Megan Joyce, Jenny O'Brien and Kelly Feeney battling valiantly with the active Hornet offense. Halfbacks Jessica Walsh, Mandy Silverberg, Janna Chernetz, Laura Silverman, Kim Cross and Aimee Vesey worked with great vigor, with Aimee making several outstanding defensive plays and Kim fine attacking runs. Wings Betsy Siberry and Stephanie Duris ran hard on offense, the crowd cheering their dribbling and passing.

Since no other games were completed because of the rain, the game is considered an exhibition — and a fine exhibition it was of skillful play by both squads.

**Grasshoppers 1 - Scorpions 1**

The Grasshoppers played the Scorpions to a 1-1 standoff in a soggy finale to their regular season.

In a strong offensive effort, the Grasshopper forwards were able to move into scoring position often. They scored late in the first quarter on Jenny Nepo's shot that was set up by excellent teamwork and passing. Assisting Jenny with the offense were Gale Rind and Carolin Kiley. Special credit goes to Susan Rodihan, who moved from sweeper to forward in the second quarter and kept the pressure on with numerous shots on goal. Julie Patrick turned in a dependable performance as goalie this week, assisted by Tara Miller who made her debut in the sweeper position. Fullbacks Christina Todaro, Laura Todd and Mary Haas repeatedly blasted the ball downfield to waiting midfielders. Julie Donohue, Natalie Bradley, Lesley Patrick and Mary Erin McNally.

best nurse." John Milton

The Community Thanksgiving  
Supper and Worship service will  
be held on Sunday evening at St.  
Helen's Catholic Church,  
Rahway Ave.  
This annual event is sponsored  
by the Westfield-Mountainside  
League of Religious Organi-  
zations, which is composed of the  
religious organizations in the two  
communities.

The program will begin with a  
pot-luck supper at 5 p.m. Persons  
are asked to bring a covered dish  
that will feed from 10-12 people.  
Out of respect for those whose  
religious faith includes dietary  
restrictions, it is asked that no  
pork products or shellfish be used.

The Rev. John Wilson, minister  
of the Congregational Church and  
a member of the planning com-  
mittee, says, "The first Thanks-  
giving at Plymouth, Mass. in 1621  
was a pot-luck event; the Indians  
brought food, as did the Pilgrims.  
A community pot-luck supper is  
right in line with our tradition."  
Following the supper, the  
young people will prepare an an-

them, under the direction of the  
Rev. Phil Dieterich from the  
First United Methodist Church in  
Westfield. The adults will gather  
for a program led by Milton  
Faith, executive director of the  
Youth and Family Counseling  
Service in Westfield. His topic  
will be to look at ways in which  
the religious organizations might  
work together to address com-  
munity problems as he sees them  
from his perspective as a  
counselor in the community.

The Thanksgiving program  
will conclude with a worship ser-  
vice under the leadership of  
Father William Morris from St.  
Helen's Church and Rabbi  
Charles Kroloff from Temple  
Emanuel-El. The worship service  
will use the common liturgy that  
is the subject of Rabbi Kroloff's  
Tuesday evening course that is  
also sponsored by the League.

The public is invited to attend  
the program. Advance reser-  
vations are required and may be  
made by contacting St. Helen's  
Roman Catholic Church.

## Lourdes to Climax Silver Jubilee Year

Our Lady of Lourdes Parish, Mountainside, will close a year-long  
observance of its 25th anniversary at a consecrated Mass at noon  
Sunday. Priests who staffed the parish in the past, as well as the  
priests currently assigned, will join Archbishop Peter L. Gerety of  
Newark, Bishop Dominic A. Marconi, Vicar of Union County, and  
Monsignor Raymond J. Pollard, pastor, in concelebrating the Mass.  
Monsignor Pollard will deliver the homily. An informal reception to  
which all are invited will be held in the parish auditorium after the  
Mass.

The anniversary year will be concluded that evening when  
parishioners, present and past, couples, singles, widows, widowers  
and young adults participate in a cocktail party, dinner and dance at  
the Clinton Manor, Union, at 6 p.m. Music for dancing will be provid-  
ed by the Rhythm & Brass Orchestra.

Mountainside was a part of the Parish of St. James, Springfield. On  
March 17, 1957, Mass was first offered by the priests of St. James at  
the Deerfield School Auditorium, Mountainside. On Dec. 13, 1958 the  
Archdiocese of Newark established Our Lady of Lourdes Parish and  
appointed Father Gerard J. McGarry pastor. The church was  
dedicated and the cornerstone blessed on Sept. 6, 1961 by Archbishop  
Thomas A. Boland. From an original 573 families in 1958 Our Lady of  
Lourdes has grown to more than 1,000 families in 1984.

## Congregationalists Plan Colonial Service Sunday

The First Congregational  
Church will conduct a worship  
service in the style of the colonial  
Congregationalists at 10 a.m.  
Sunday.

"The Nov. 18 date was chosen  
because it comes just before  
Thanksgiving," said the Rev. Dr.  
John Wilson, senior minister of  
the church. "The Pilgrims at  
Plymouth were Congregation-  
alists. Thanksgiving is a national  
holiday that the Congregational  
church gave to the nation."

"Although the worship service  
will be in colonial style, we've  
made some concessions to  
modern times," Dr. Wilson con-  
tinued. "For example, we've  
drastically cut back on the two-  
four hour sermons that were  
common in those days. Also,  
worshippers used to stand with  
arms upraised during the half-  
hour prayer, a practice we will  
not observe."

There are some practices the

church will observe. The hymns  
will all be taken from the  
Psalms. After the sermon, the  
minister will sit down and the  
congregation will have a chance  
to speak. There will be censures  
from the Moderator of the  
church, designed to remind those  
who have strayed from the path  
to mend their ways.

"Congregationalists believed  
in the power of the congregation,  
as the name implies," said the  
Rev. Rich Plant, associate  
minister of the church. "There  
was no clergyman at the first  
Thanksgiving. It was led by  
Elder Brewster, a lay member of  
the church."

Special music for this colonial  
worship service will be provided  
by Fred Fischer, who will play  
the harpsichord during the offer-  
tory.

There will be a coffee hour  
following the worship service.  
The public is invited to attend.

## Community Invited To Give Thanks

A special Thanksgiving service  
is planned for the community this  
coming Thursday, Nov. 22, at 10  
at First Church of Christ, Scien-  
tist, 422 East Broad St. A passage  
from Psalms provides the key-  
note: "Praise ye the Lord: for it  
is good to sing praises unto our  
God... He healeth the broken in  
heart and bindeth up their  
wounds."

Exploring the importance of  
gratitude in daily life, the sermon

on "Thanksgiving" will include  
passages from the Scriptures and  
accompany selections from  
Science and Health with Key to  
the Scriptures, by the Founder of  
Christian Science, Mary Baker  
Eddy.

The lesson readings emphasize  
that Thanksgiving is far more  
than a "thank you," for past  
blessings. As a passage from  
Science and Health asks: "Are  
we really grateful for the good  
already received? Then we shall  
avail ourselves of the blessings  
we have, and thus be fitted to  
receive more. Gratitude is much  
more than a verbal expression of  
thanks. Action expresses more  
gratitude than speech."

During the hour-long service,  
the congregation will share  
hymns of praise, brief silent  
prayer, and the Lord's Prayer.  
The latter portion of the meeting  
has been set aside for spon-  
taneous testimonies of gratitude  
to God.

All Christian Science services  
are open to the community, and  
families and neighbors are in-  
vited to attend this special annual  
gathering.

**MEDICATING A "SLEEP ATTACK"**

Narcoleptics may experience "sleep attacks" several times a day. These attacks can last anywhere from two to fifteen minutes. Upon awakening, they feel as refreshed as if they had had a whole night's sleep. This is because, during these brief naps, they enter REM (rapid eye movement) sleep, the dreaming stage that usually does not occur until a person has been asleep for an hour. What medication would you expect to have prescribed for people who cannot stay awake? Logic would suggest amphetamines, stimulants that keep people alert. However, for 200,000 Americans who have narcolepsy, cocaine may be more effective. This drug, which is related to the body's natural opiates, may help regulate abnormal REM sleep episodes.

**HANDY HINT:** Narcolepsy is not just daytime sleepiness, it is a neurological disorder.

## Chorale to Present Grand Mass

The New Jersey Pro Musica Chorale and Chamber Orchestra will present Mozart's "Grand Mass in C minor" at the First Congregational Church of Westfield, 125 Elmer St., on Sunday, Nov. 18 at 4 p.m.

Also on the program will be the "Winter" portion of Vivaldi's "The Four Seasons," performed by the Pro Musica Chamber Ensemble with Allen Weakland

featured as violin soloist. The orchestra and chorus, under the direction of Frederick Fischer, will be augmented by soloists Carol Buttke and Musetta Swan, sopranos, Thomas Faracco, tenor, and Alan Seale, bass.

Tickets will be available at the door, and a reception will follow the concert in Patton Auditorium in the church.

More than 200 people attended the 10th anniversary celebration of the Union County Youth Service Bureau, held recently at the Bureau's new office, 1130 E. St. Georges Avenue, Linden. YSB, a County agency funded by the Board of Chosen Freeholders, is a unit of the County's Department of Human Services, which is administered by Joan Smith-Hague. Area residents who participated in the celebration are from left, George A. Schaefer, director of the Youth Service Bureau, and Angie Williamson of Westfield, member of the State Public Affairs Committee of the Junior League, and chairperson of the League's Children's Health and Welfare Task Force.

## Saturday Science Begins This Week

The first meeting of an expanded Saturday Science Series will take place this Saturday at Westfield High School. Students should arrive at 10 a.m. and enter by the Rahway Ave. doorway.

Professor Robert Schommer of Rutgers University's Serin Physics Laboratory will present the first lecture, "Expansion of the Universe."

Dr. Schommer is an astrophysicist with interests in the theory of Black Holes and models of the Universe.

Dr. David N. Stoneback, chairman of sciences at the high school, also announced the remainder of the series:

Dec. 8, Professor Suzanne

Bousquet, "Visual Illusions;" Jan. 12, Dr. Robert Walden, "Pattern Formation Fluids - from Coherence to Chaos;" Feb. 2, Dr. Douglas Osheroff, "Low Temperature Phenomena;" Feb. 9, Professor Peter Lindenfeld, "Conductivity and Superconductivity;" March 2, Dr. Michael McCormick, "Human Genetics;" March 9, Dr. L. Norford, "Energy Use in Enerplex Buildings;" March 16, Prof. Regina Guiliani, "Serum and Liver Enzyme Activity in Rats with Diethylnitrosamine;" April and May, field trips, Smithsonian Institute, Franklin Institute and American Museum of Natural History.

Mathematics Skills necessary for ninth grade students to pass the new state-mandated High School Proficiency Tests have been identified by Hal Johnson, chairman of the mathematics department at Edison Junior High School. Skill sheets to help assure that students in seventh, eighth and ninth grades learn these skills before taking the HSPT have been developed by Johnson and his department. Photo shows him discussing the program at a recent meeting with Edison parents. Marie Higgins is on the left and Carol Riley, on the right.

Admiring their office's contribution to the American Heart Association are Schlott Realtors sales associates (from left) Kathy Shea, Anita Tulko, Kath Mellina and Betty Lynch. The Westfield real estate office sponsored a benefit Country Western Evening which raised \$2800 for the heart fund. The event was part of Schlott's company-wide "Beat Goes On" campaign to raise funds for the American Heart Association.

### Barbara Aslanian Rejoins Rorden

Warren C. Rorden has announced that Barbara C. Aslanian has rejoined the sales staff of Rorden Realty, Inc. as a full time Realtor-Associate.

During her leave she participated in a family business and also became the owner of Juxtapose Gallery.

Mrs. Aslanian brings a reserve of knowledge to Rorden Realty and the desire and energy to provide real estate service to her previous clients, as well as the new buyer entering the marketplace.

She is a member of Soroptimist, International of the Greater Westfield Area and serves on the board of directors of the Westfield Area Chamber of Commerce. Mrs. Aslanian, her

Barbara Aslanian

husband John and their five children reside in Westfield.

### Karpati Award Correction

Alicia Karpati's gold medal award at the recent Monde Selection Quality Olympiad was earned at a competition of international companies which included

all segments of firms involved in consumer packaging goods. A leader story on the event last week erroneously limited the field of entrants.

### Hye-Young Choi Joins Local Schlott Office

Hye-Young Choi has joined Schlott Realtors' Westfield office as a sales associate.

Westfield Office Manager Marilyn Kelly said, "We are thrilled to have Hye join us. She is both professional and enthusiastic and will be a real asset to our staff."

A former college professor, Mrs. Choi holds two master's degrees. An actress and opera singer, Mrs. Choi held a leading role in "The King and I" on Broadway and in London appeared in recitals in Carnegie Hall and the Royal Festival Hall in London, where she performed in a variety show for Queen Elizabeth.

An experienced real estate professional, Mrs. Choi has already been cited as a top lister in the field. She is a member of the Westfield and Union County Realty Boards.

A native of Korea, Mrs. Choi came to New Jersey four years

Hye-Young Choi

ago. She and her husband live in Cranford.

The addition of new staff members, such as Hye, has recently caused the entire Westfield office of Schlott Realtors to move to a larger facility at 264 East Broad St.

### Turner World Travel Announces Super Savers

Dick Turner, president of Turner World Travel, Inc. announced a new Sitmar Super Saver discount program offering passengers savings of \$200 to \$1000 per couple on 35 first-half 1985 Sitmar cruises. The savings apply to all 10-, 11- and 12-day cruises to the Mexican Riviera, the Panama Canal and the Caribbean from Jan. 24 through June 1.

The new Super Savers offer greater discounts to passengers who buy higher cabin categories. The deadline for booking the cruises is Dec. 31.

On Sitmar's new 12-day Panama Canal cruises January 24 through May 24, 1985, passengers will sail aboard the newly-remodeled, five-star Fairsea and save from \$500 to \$1000 per couple depending on the category selected.

Passengers sailing abroad the brand new \$150 million Fairsea to the Mexican Riviera will save

from \$200 to \$500 per couple on 10- and 11-day cruises January 26 through May 22.

"And their Caribbean cruises offer the same great value," he continues.

The 1985 Super Saver discounts apply to all first and second passengers booked in a cabin. Passengers booked as singles in cabins will receive one half the per couple discount.

In addition to the Super Saver discounts, Sitmar, unlike other cruise lines, offers free air fare on all 1985 sailings from more than 140 cities in North America.

For further information about Sitmar's Super Savers contact Turner World Travel, Inc. 936 South Ave., West.

### Hardwick Reports

On TV Nov. 18, 25

Assemblyman Chuck Hardwick (R-Union) will examine legislation concerning the disposal of human fetuses from abortion clinics on "The Chuck Hardwick Report" shown over Suburban Cablevision's channel 3 Sunday, Nov. 18 and 25 at 8:30 p.m.

### Unico Award - Winners Include Jack Camillo

Joseph Scalzadone will be honored by the Westfield chapter of Unico as its seventh annual Person of the Year Saturday at the Westwood in Garwood.

Inadvertently omitted from last week's article was the name of one of the previous award-winners, Jack Camillo of Westfield, former town prosecutor and Municipal Court judge.

### Board of Health to Meet Monday

The Westfield Board of Health will meet at 5:30 p.m. in the Council Conference Room, located on the first floor of the Westfield Municipal Building, 425 East Broad St.

### Convalescent Center Hosts Halloweeners

Ms. "Grandma 1984," a Tetley Tea Bag, Raggedy Andy, Smurfette, and Sherlock Holmes were part of the group celebrating Halloween at the Westfield Convalescent Center, 1515 Lamberts Mill Rd.

Residents, staff, friends and family members vied for ribbons and prizes that included "most original," "funniest" and "scariest."

Among the day's activities was an "Indian Corn" counting contest, a party, and the Center's Recreation Room was set up with eerie music, an apple plucking game from a witch's cauldron, a pumpkin toss, a pumpkin patch throw, and pin the nose on the pumpkin for all the little "trick and treaters" who stopped in.

### Budget Talks Set

The Mountainside Board of Education will continue budget meetings at 7:30 p.m. Tuesday and again Nov. 27 at the Deerfield School.

## "Antique Jewelry" Program

"Antique Jewelry" will be the subject of Betty Gallagher's program before the Antique Department of the Woman's Club of Westfield on Friday, Nov. 16 at 1 p.m. Requested to bring an interesting piece of antique jewelry, members will join in the discussion and learn how to buy, collect and wear fine period jewelry with today's wardrobe.

Betty Gallagher and daughter, Renee, are long-time favorites of local antiquers who drop in at their shop in the courtyard of the Felice building on East Broad St. Mrs. Gallagher studied literature and fine arts at Bucknell University and New York University. She recently attended the New York School of Interior Design where she studied American furniture and decorative arts.

## Business Briefs

Amy L. Cohen, formerly of Westfield, has been promoted to manager in the International Division of MasterCard International. She will be responsible for a region including the Caribbean Islands, Puerto Rico, the Dominican Republic and Bermuda.

Mrs. Cohen joined MasterCard in 1981 as INAS coordinator, user guidance, in St. Louis. A year later, she was promoted to marketing assistant, member relations, at MasterCard New York. She joined the International Division in January 1983 as division coordinator.

A graduate of Westfield High School and Georgetown University with a B.S. in Spanish and Italian ('80), the former Amy Shropshire and her husband, Larry Cohen, reside in Fanwood.

Tucker I. Marr of Woodbridge has been promoted to manager in the group insurance department of the Prudential Insurance Company's Group and Financial Services Office, Roseland.

Marr joined the Company's Group Insurance Department as a management intern in 1977. Three years later, he transferred to the office of servicemen's group life insurance at the Prudential's Newark corporate office. In 1981, Marr was promoted to associate manager there, and in 1982 he became a planning consultant in group and diversified operations. In April 1984, Marr transferred back to the group insurance department as a claim consultant, the position he held until this promotion.

1973 graduate of Westfield High School, Marr received his B.A. degree in history, with honors.

Ira B. Skolnick of Westfield in The Appraisal Principals Inc. of Maplewood, has been awarded the M.A.I. (Member Appraisal Institute) designation by the American Institute of Real Estate Appraisers.

M.A.I. designees are professionals who have proven their ability to appraise varied types of real property by meeting the Institute's stringent requirements.

The Appraisal Principals in a real estate consulting and appraisal firm engaged in the analysis and valuation of residential, commercial, and industrial real estate on a nationwide basis.

Skolnick, with 25 years real estate experience, has been previously employed as a mortgage officer at Hamilton Investment Trust of Elizabeth, as chief appraiser of Irving Trust Company in New York City, and vice-president and senior appraiser of International Appraisal Company in Fair Lawn.

Bank specialist R. David Wallace of Westfield is being honored for his former role as president of the Young Executives Club of Chicago.

Wallace served as head of the group in 1978-80 and will be commended with other past presidents at the YEC's 10th anniversary dinner in Chicago's Arts Club on Oct. 18.

Featured speaker is Philip M. Klutznick, former U.S. Secretary of Commerce under President Carter and UN Ambassador under President Kennedy.

Wallace is partner in charge of banking services of Deloitte Haskins & Sells, attached to its New York Offices in the World Trade Center.

A member of the American Institute of CPA's, Wallace and his wife Barbara have a teen son and daughter.

Norman F. (Pete) Stainthorpe Jr. of Westfield has been named account executive at John Blair Marketing. Stainthorpe will work out of Blair's New York office.

Prior to joining John Blair Marketing, Stainthorpe spent 10 years with Armstrong World Industries, including three years as assistant regional manager, carpet division, in Saddle Brook; four years as contract specialist in commercial sales in Baltimore; and three years as marketing representative in Seattle, Wash.

He received a B.A. in political science from Pennsylvania State University in 1974. Stainthorpe and his wife Joanne live here with their two children, Hillary, 5, and Ned, 2. In his leisure time, Stainthorpe enjoys running, racquetball, skiing and tennis.

Tucker Marr

from Trinity College in 1977. He earned his M.B.A. in finance from Rutgers University in 1983.

Ira B. Skolnick

Skolnick, Vice President of the Property Owners Association of New Jersey, will assume the Presidency in 1985, and is a director of the New Jersey Council of Multi-Housing Industry.

R. David Wallace

### Parents of 47 ESL Students Speak in Seven Tongues

The parents of 47 English-as-a-Second-Language students in the Westfield public schools are being invited to a get-acquainted meeting by the school system's three ESL teachers.

The meeting will be held at 7 p.m. in the board meeting room at 302 Elm St. on Nov. 28.

ESL teachers include Deborah Pease-Spell, Nancy Liggera and Donald Sheffrin.

Students in the ESL program are helped develop skills in English, their second language. Their "first" languages include Japanese, Chinese, Danish, Spanish, French, Tagalog (Philippines) and Vietnamese.

Cub Scout Den #1 from Tamaques School recently paid a visit to the Westfield Fire House where Fireman Dan Kelly introduced the boys to the responsibilities of a fireman. From left are: Chris Black, David Sharpe, Chris Vogel, Fireman Kelly, Daniel Wislocki, Jonathan Tischler, Chris Hanas, and John Clare.

Dr. Robert Hevert (standing), a Westfield physician on the staff at Rahway Hospital, watches as Lorraine Spiler, medical staff librarian, explains the hospital's new computer service. A grateful patient of Dr. Hevert's donated the money to purchase the computer so the hospital could tie into Medline, a computerized literature retrieval service. If a doctor wants information on a particular medical topic, Mrs. Spiler can request a printout of all the articles relating to that topic. Looking on at right is Dr. Edmon B. Lee, director of continuing medical education at Rahway Hospital.

### LWV Has New Publication Available

The League of Women Voters of New Jersey has issued a new publication entitled "The Great Government Guide," written by Nancy Naragon, director of publishing and marketing for the League of Women Voters of New Jersey. Naragon, a Scotch Plains resident, is a member of the League of Women Voters of the Westfield Area. This pamphlet was designed to promote understanding of federal, state,

and local governments. The booklet, which contains information describing how a bill becomes a law and how people get elected, will be helpful to people of all ages who want to broaden their understanding of how the government works. "The Great Government Guide" is available for a small fee by calling the League of Women Voters of New Jersey at its 800 number.
