House and Garden Tour Of Perth Amboy June 13

An all-day celebration of Perth Amboy's historic heritage—beginning with a tour of "Homes and Gardens by the Bay," and concluding with the reenactment of the arrest of Royal Governor William Franklin by American patriots in 1776—will take place Sunday, June 13.

The house-garden tour has been incorporated into the annual pageant recalling the arrest of New Jersey's last royal governor at his official residence — the Proprietary House, located at 149 Kearny Avenue, Perth Amboy.

Public participation is welcome in both or either events.

The program is sponsored by the Proprietary House Association, which is responsible for the restoration of

the 230-year old building — the nation's only original governor's residence still standing from Colonial times.

The house and garden tour will run from 10 a.m. to 3:30 p.m. The arrest reenactment will take place outdoors, on the steps of the mansion, at 4 p.m.

Among the places on the tour are the waterfront home where J. Lawrence Boggs resided in the 1860's. Boggs served under President Abraham Lincoln as customs collector for New York and New Jersey. The house, with a panoramic view of the bay has been authentically restored by its owner, an architect.

Other sites include: A classic Victorian residence with a veranda providing an unobstructed view of sailboat races; a stucco English Tudor cottage with leaded glass windows, a slate terrace and displays of teddy bears and dolls throughout; the home of an interior designer, tastefully furnished, with a sunroom overlooking the bay, and an early Perth Amboy house in Italianate style.

Gardens include a city garden with a doll house; an Early American herb and flower garden, a poppy-filled garden with Perth Amboy terra cotta objects and an English country garden.

A tour of the Raritan Yacht Club, the second oldest sailing club in the nation, will be conducted by the commodore of the club at 11 a.m.

REENACTMENT OF 1766 ARREST SET FOR TOUR

A reenactment of Royal Governor William Franklin's arrest by American patriots in 1776 will take place Sunday, June 13, at 4 p.m. at the site where the historic event occurred — the 1763 Royal Governor's Mansion at 149 Kearny Avenue, Perth Amboy.

The outdoor program begins on the steps of the building, where the arrest takes place. Following the dramatization, a Revolutionary War reenactment until will perform.

Costumed actors and members of the militia unit will play the roles of New Jersey's last royal governor, his wife, and the American patriots who removed him from the governor's mansion on June 19, 1776.

Built by the Lords Proprietors of East Jersey as a residence for the royal governor, the building known as the Proprietary House has occupied the site near the Perth Amboy waterfront from 230 years.

The three-story brick Palladian structure holds a unique place among America's historic sites. It is the only original royal governor's residence still standing from Colonial times.

Governor Franklin will be played by Kurt E. Epps of Perth Amboy.

Admission to the outdoor performance is free. Seating is not available, but visitors may bring their own chairs.

A reception with refreshments and tour of the building will follow the outdoor pageant. Admission costs \$1.

The Proprietary House is owned by the State of New Jersey, administered by the Department of Environmental Protection, Division of Parks and Forestry.

only.

St. Peter's Church, the oldest Episcopal parish in New Jersey, will be open to tours from 1:30 to 3 p.m.

The Kearny Cottage, both house and garden, will be open throughout the tour period, from 10 a.m. to 3:30 p.m.

Admission to the house and garden tour is by ticket only. Tickets, at \$10 each, may be reserved in advance or purchased on the day of the tour. Box lunches will be available by reservation only, at \$6. Reservations may be made by sending the required amount to: the Proprietary House Association, Homes and Gardens, Post Office Drawer 868, Perth Amboy, 08862.

All tickets and tour guides must be picked up at the Gazebo on the Waterfront at High Street and Sadowsky Parkway on June 13.

Senate Head Visits China For Trade Links

Senate President Donald T. DiFrancesco, who represents Westfield, and members of the Committee on New Jersey-Zhejiang Sister State Relations left last Thursday on a trade mission to China.

Senator DiFrancesco and other committee members will visit New Jersey's sister province of Zhejiang as well as the provinces of Jiangxi and Hubei, with which New Jersey has trade agreements.

They will meet with governors and parliamentary leaders of the three provinces as well as officials of China's central government.

A spokesman for Senator DiFrancesco said the trip was not being paid for by the state or any lobbying interests.

"United States-China trade will reach at least \$60 billion this year, and New Jersey must be in a position to take advantage of the economic benefits that this relationship can yield," the Senator was quoted as saying. "I hope to show the government of China New Jersey offers many excellent business opportunities."

Washington Rock Annual Dinner Is Tuesday, June 8

Washington Rock Girl Scout Council invites everyone involved in Girl Scouting as well as the general public to its Annual Awards and Recognition Dinner to be held Tuesday, June 8, from 6 to 9:30 p.m. at the Westwood, 438 North Avenue, Garwood.

Awards will be presented to outstanding adults in Girl Scouting. Gold Award project presentations will also be made, recognizing those Senior Girl Scouts who are working towards this highest honor in Girl Scouting.

To introduce the brand new line of uniforms available for the younger Girl Scout, Daisy and Brownie Girl Scouts will model a selection of the latest fashionable coordinates. A display of new resource material for Daisy and Brownie Girl Scouts will also be featured.

Cost for the dinner is \$20. Reservations for the event can be made by calling 232-3236.

Red Cross Tells Classes For June

THE 6TH DECADE

Many Options Available For Cataract Removal

By Herb Ross

So they told you you are working on a cataract! Don't despair. It's not the end of the world. In fact, with today's technology, you may have your cataract taken care of as an outpatient.

Half of all of us over 65 will suffer clouding of the eye lens and the cataract!

Some doctors want to wait until the cataract "is ready!" Interestingly enough, many people with cataracts experience little or no loss of sight!

One doctor pointed out cataract surgery is almost never justified just because a cataract is present.

What matters is whether and how much the cataract interferes with a patient's life!

Cataract surgery should be performed if the patient has glaucoma or diabetic retinopathy. When asked if the patient is the one to make the decision would that be dangerous? Most doctors agree patients know vision is becoming burdensome and feel the condition should be corrected.

Asked if this approach doesn't make the decision to operate highly subjective, one doctor says, "Patients are very smart. They have very good ideas about what's happening in their lives."

Once the decision to have cataract surgery is made, you can join a multitude of patients. Cataract surgery is the most frequent Medicare procedure.

Cataract surgery removes the patient's clouded lens and, in most cases, replaces it with an artificial lens implant. Most cataract surgery falls into one of two categories:

1. Extracapsular surgery, in which the eye lens is removed and the back half of the capsule behind the lens remains in the eye.

2. Phacemulsification, a type of extracapsular surgery in which the lens is softened with sound waves and removed through a needle. The capsule behind the lens remains.

Doctors say, "there is no evidence to support" the common idea waiting to perform cataract surgery can limit a patient's surgical options or lead to more extensive, risky surgery later.

One important aspect — the ophthalmologists should monitor the patient after surgery.

Next week: Glaucoma, diabetic retinopathy and macular degeneration.

Mayor Explains How Town Budget Is Compiled

By Mayor Garland C. "Bud" Boothe, Jr.

In recent weeks the Town Council has introduced, held a public hearing on, gotten approval from the state and enacted the budget for the calendar year 1993, in the amount of \$23,599,124. The budget calls for approximately 37 per cent of that amount, or \$8,798,824, to be raised by local real estate taxation.

The budget covers all day-to-day operations of the town and town functions — the Police, Fire and Public Works Departments, roads, parks, library, recreation and all the other services that our residents need and receive. The budget also includes various capital improvements as determined by the Town Council as part of the budget process.

The town budget is completely separate from the Board of Education budget, which runs on a July to June basis, corresponding to the school year. The third component in your tax bill and mine is the levy by Union County for various county functions, including courts, county roads, county parks, jail administration, etc. Of each tax dollar 65 per cent goes to the Board of Education, 20 per cent goes to the county and 15 per cent is for town operations, out of 1993 taxes.

How does the town budgeting process operate? Under the special charter enacted by the Legislature in 1967, at the request of the people of the town, the office of Town Administrator was established. One key responsibility of the Administrator is to prepare an annual current expense budget and an annual capital budget for consideration by the Council and

recommend long-range capital improvement programs.

In discharge of this responsibility, every fall the Administrator asks the department heads within town government to submit proposed operating budgets for the following year, and also to indicate capital equipment that is needed or would be desirable. The biggest capital item in recent years was a new Fire Department ladder truck, which was in the 1992 budget and which will be on display in our Memorial Day parade this year, costing \$400,000. Other recent big-ticket items have included the Municipal Library for \$3,700,000, the renovation of the north side Fire House for \$915,000 and the renovation of the Municipal Building, now coming to a conclusion for about \$2,700,000.

These various requests are compiled by the Administrator into a notebook which covers the operating needs for every nook and cranny of municipal government, ranging from administration to public assistance. In many cases, back-up information is included.

The various recommendations for capital improvements are incorporated in a separate book. Last year capital projects totalling \$2,004,600 were proposed by various departments and officials within the town government and by various members of the Town Council.

Reviewing all of this material and meetings to discuss same starts promptly after the reorganization meeting in January. The capital budget

proposals are reviewed first because spending on capital items are the largest single discretionary spending that the Town Council has. Most of the items in the operating budget, such as police salaries, library operation costs, snow removal, etc. simply are not discretionary, and the employee staffing levels and salaries are not very discretionary either. So, the real decision making in terms of the tax burden is whether to spend \$2,004,600 on capital projects, or zero, or somewhere in between.

For 1993, the capital projects were, after much discussion and debate, winnowed down to \$704,000, an amount in line with capital budget expenditures in most recent years. Nobody was happy with every aspect of the capital budget; many projects were cut out during the process.

I have been through the budget-making process 13 times and every year it is more detailed, more complicated and more definitive. This year we had nine meetings, two of them Saturday mornings, each running two to three hours. Half of them were devoted to as detailed an ex-

amination of individual department budgets as any individual member of the Council wished or desired.

The meetings are all public — "sunshined" in the parlance of local government — but few attend. Invited in are heads of departments of municipal government — the town engineer, police and fire chiefs, and Westfield volunteers who head the library, Board of Health and Recreation Commission.

We do not prepare a budget in a vacuum. The state extensively controls the entire process, the deadlines that must be met, how different items are treated, and the manner of presentation in the public advertising. For example, police cars, which cost about \$15,000 each, are not capital expenses; the state regards police cars as expendable just like paper clips, since their average depreciable lives are short.

The new fire truck, on the other hand, is a capital item. The significance of this kind of accounting minutia lies in whether a given expenditure is a "capital" item or an "operating" expense and, if in the latter

Party Marks 80th Birthday Of Mrs. Philomena French

Mrs. Philomena Veltre French of Westfield recently celebrated her 80th birthday at a surprise party given in

Mrs. Philomena Veltre French

her honor at the Pines Manor in Edison.

The party was hosted by her daughters, Mrs. Arline Charity of Middlesex, Mrs. Brenda Failla of Westfield and Mrs. Cynthia DeGroff of Piscataway.

Attending the party were many friends and relatives, including six grandchildren and two great-grandchildren.

Mrs. French was born in Westfield in her family home and resided in Westfield all of her life. She is a life-long member of the First United Methodist Church in Westfield and worked for many years in bakeries in town and at the election polls.

Her husband was the late Lawrence French whose great-great grandfather, Richard French, was a founder of Westfield.

Mrs. Venezia Joins Arts Workshop Faculty

Mrs. Mia L. Venezia of Westfield has joined the faculty of the Westfield Workshop for the Arts, a five-week summer enrichment program for children in pre-school through high school.

Mrs. Venezia will teach piano, which is offered in the Music Department.

The workshop will kick off its 22nd season on June 28 and run through July 30. Classes will meet at Edison Intermediate School in Westfield.

Participants can choose from classes in such topics as instrumental music, dance, drama, fine arts, crafts,

foreign languages and computers. A community arts festival and music and theater productions add to the summer fun. The workshop is open to all New Jersey residents.

In Mrs. Venezia's piano course, students will learn the basics of piano, using an electronic keyboard. Group instruction will cover fundamental techniques of reading music, playing songs and harmonizing melodies. No prior piano experience is required.

Mrs. Venezia has a Bachelor of Arts Degree in Music Education with an emphasis on piano performance and choral conducting from the University of Central Florida in Orlando. She has been teaching piano for over 10 years and has studied with Mrs. Sondra Tammam of Westfield and internationally-renowned pianist Dr. Gary Wolf of Orlando.

Her accomplishments including winning the New Jersey Mozart Concerto Competition and being the first-place winner of the New York Piano Teachers Competition. She also plays the organ and is the Music Director at All Saint's Episcopal Church in Scotch Plains.

Registration for all workshop courses still is being accepted. To register or to receive a free catalog, please telephone 322-5065.

The workshop is a non-profit program of the New Jersey Workshop for the Arts, an arts-education organization which also oversees Union County Music Theater, the Music Studio and the Westfield Fencing Club, all under the direction of Dr. Theodore Schlosberg.

Two Town Students Honored by Duke

Two Westfield students, Matthew Audec Bilodeau and Heather McGoough McGovern, were given academic honors at Duke University in Durham, North Carolina for the 1992-1993 academic year.

Matthew, a junior and the son of Mr. and Mrs. Gilbert R. Bilodeau of 340 Wynchwood Road, was named to the Dean's List, which included students who achieve a 3.3 grade point average out of a possible 4.0.

Heather, a sophomore and the daughter of Mr. and Mrs. Paul Joseph McGovern of 131 Effingham Place, was named to the Dean's List with Distinction, which includes all students who have an average of 3.6 or above.

The hardest thing is writing a recommendation for someone we know.

Miss Sarah Louise Brown

Miss Brown, Mr. Akins Plan Autumn Wedding

Mr. and Mrs. Arden S. Brown of Madison, Florida, formerly of Westfield, announced the engagement of their daughter, Miss Sarah Louise Brown, to Dale E. Akins, the son of Mr. and Mrs. John Akins of Avon Lake, Ohio, formerly of Marietta, Georgia.

The bride is a graduate of Westfield High School, the University of Florida and Mercer University School of Law in Georgia and is employed as an

attorney with Freeman and Hawkins in Atlanta.

The groom is a graduate of Furman University in Greenville, South Carolina and Mercer University School of Law and is employed as an attorney with Novit and Scaminach on Hilton Head Island, South Carolina.

The wedding will be on Saturday, November 6, at the First Baptist Church in Madison Florida.

Commemorative Spoon Talk Luncheon Topic June 2

"Historic and Commemorative Spoons" will be discussed and displayed by Miss Barbara Walker at the next "First Wednesday" luncheon of the Westfield Historical Society to be held in Raymond's Restaurant, Westfield, at noon on Wednesday, June 2.

A 15-year resident of Cranford, Miss Walker is a Trustee and past President of the Cranford Historical Society as well as Historian for the Cranford Wednesday Morning Club.

Miss Walker's interest in antiques developed while she was living in Greenwich Village after her graduation from Simmons College. While working for a conglomerate business in New York at that time, her hobby was attending antique shows and flea markets in the city.

She soon started to concentrate on collecting historic and commemorative spoons because they were small and easy to display in antique spoon holders or on bookcase shelves; more importantly, because each com-

memorative spoon tells its own story of a historic place or event. All of her spoons are sterling silver, some with gold-washed bowls.

Guests at the luncheon will each have an opportunity to use one of the spoon collection for coffee and cake as a "spooner" full of her spoons will be placed on each table. In addition, guests are invited to bring any pre-World War I spoons for Miss Walker to examine and identify.

The "First Wednesday" Dutch-treat luncheons, sponsored by the Westfield Historical Society, are held on the first Wednesday of each month throughout the year.

It is not necessary to be a member of the society to attend. However, reservations must be made in advance by telephoning 232-1776 before noon on the Tuesday preceding the luncheon.

Those who have attended recent luncheons are on a calling list and will be telephoned regarding their attendance.

Musical Revue Focuses On AIDS in Suburbia

Mrs. Melinda Paige Stotler of Westfield is the Director of *If You Loved Me*, a theatrical revue on life with a focus on the issue of Acquired Immune Deficiency Syndrome in Suburbia, which will be presented by Mystic Vision Players on Friday and Saturday, June 11 and 12, at 8 p.m. in the Edison Intermediate School auditorium at 800 Rahway Avenue, Westfield.

A memorial vigil will precede the performance at 7:30 p.m. each day. Proceeds from the show will benefit the Starfish Foundation for Children with acquired Immune Deficiency Syndrome, which supports

the work of the Children's Hospital of New Jersey, a unit of United Medical Center of Newark, in dealing with the disease.

The foundation seeks to develop sufficient resources to assure the ongoing delivery of comprehensive care and service to the increasing number of children, adolescents and their families affected by the disease.

Tickets, at \$10 each, are available by telephoning 925-1389, 233-8269 or 925-9068 or they may be purchased at the door beginning at 6:30 each performance night.

There will be a raffle conducted at each performance. Prizes include two roundtrip domestic airline tickets and other items donated by many local merchants and restaurants.

Modesty and unselfishness these are virtues which men prize and pass by.

Harry E. Rosenberg and Miss Harlee B. Hatoff

Miss Hatoff Engaged To Barry E. Rosenberg

Miss Harlee B. Hatoff, the daughter of Mr. and Mrs. Alan Hatoff of Cranford, has become engaged to Barry E. Rosenberg, the son of Mr. and Mrs. Jerome Rosenberg of Westfield.

Miss Hatoff is President of Paradise Mortgage Service Corp. of Warren

and graduated from Alfred University in Alfred, New York.

Mr. Rosenberg is an attorney with Abrams, Blutz, Gran, Hendricks and Reina of South Plainfield and was graduated from Rutgers College in New Brunswick and Seton Hall School of Law in Newark.

An October wedding is planned.

Junior Strings to Concertize At Edison on June 4

The Junior Strings of the New Jersey Youth Symphony are performing their spring concert on Friday evening, June 4. The 7:30 p.m. concert, taking place at the Edison Intermediate School on Rahway Avenue in Westfield, is open to the public by door donation.

Junior Strings members represent 30 towns in Central New Jersey. The orchestra rehearses weekly throughout the school year in Berkeley Heights. Membership for the orchestra is de-

termined through annual auditions held each June.

Programmed are works by Schubert, Mendelssohn, Debussy and Britten. Collaborating with the orchestra are members of the Rritian Valley Youth Choral.

For information about the program, please call the Youth Symphony office at 771-5544.

The New Jersey Youth Symphony is funded in part by the New Jersey State Council on the Arts.

Town Old Guard Tells Of Its Summer Activities

June 3 will be the last meeting and entertainment program for the Westfield Old Guard this season. Full activities will resume at the Westfield "Y" on September 9.

The annual picnic for members and their ladies will start about 10:30 a.m. on Tuesday, June 8, at Tamaques Park.

Wednesday, June 9, is the rain date. Members and their ladies will have a five-day outing June 14 to 18 at the Fallsview Hotel at Ellenville in the

Catskill Mountains.

Golfers will handle schedules for matches at Scotch Hills Golf Course.

On Tuesdays and Thursdays at Tamaques Park, weather permitting, the following events are planned:

- Shuffleboard players will hold forth from 9 a.m. through lunch.
- Bridge players will enjoy their games starting about 12:30 p.m.

Rahway Hospital to Offer Lyme Disease Free Forum

"Even though it has received a tremendous amount of news coverage over the past few years, the public holds many misconceptions about Lyme disease," states Dr. James L. Greenman, a Westfield physician who specializes in infectious disease.

Dr. Greenman will be the featured speaker at Rahway Hospital's free community health forum on Lyme disease to be held Wednesday, June 2, at 7 p.m. in the hospital's main conference room.

Dr. Greenman notes that, with the summer season, comes more outdoor activities and more exposure to tiny insects which spread this infectious disease. Lyme disease is transmitted by a tiny tick known as the "deer tick" which feeds on deer and rodents. Not all deer ticks are infected, however, and not all bites from infected ticks result in Lyme disease, he cautions. While deer ticks are most commonly found in woods, marshes and tall grasses, even those who do not live in woodlands or marshy areas are at risk this summer.

Recent federal Center for Disease Control and Prevention statistics indicate that New Jersey ranks fourth in the number of cases reported, and the state Department of Health reports two-thirds of all New Jersey cases were contracted near the victim's home.

When an infected tick bites an individual, its infectious materials are injected into the skin and cause a small red bump.

"The classic symptom of Lyme disease is a bull's eye rash which forms around the small tick bite. This rash may be hot to the touch," Greenman says. "Only about half of those who develop the bull's eye rash will also develop secondary skin lesions. Other symptoms of the disease

can be very non-specific and the blood test for Lyme disease is not always reliable, making it difficult to diagnose accurately."

He states that early stages of the disease may produce flu-like symptoms, such as fever, chills, sore muscles and a sore throat. Secondary stages may produce neurologic and cardiac abnormalities and may eventually result in such complications as arthritis, meningitis, Bell's Palsy, heart block or myocarditis.

Antibiotic therapy can eliminate most symptoms, Dr. Greenman says, even though some complications, including the arthritis and central nervous system or cardiovascular symptoms, may persist through this treatment.

Dr. Greenman urges those who enjoy the outdoors to take a few simple, precautionary steps to protect themselves from Lyme disease. He suggests wearing protective clothing, including a long-sleeved shirt and pants tucked into long socks, in areas where ticks are found. He also suggests checking yourself, your children and your pets for ticks or tick bites following outdoor activity.

"With this community health education program, I hope to quell any misconceptions and provide accurate information on the diagnosis and treatment of this disease," states Dr. Greenman. "While it not necessarily a 'serious' disease, Lyme disease can have very serious implications." There is no fee for attending this program and no pre-registration is required.

For more information about this or any of Rahway Hospital's community health education programs, please contact the Education Department at 499-6193.

\$9,300 Raised To Aid Victims Of Violence

The annual Spring Soiree Dinner and Fashion Show, recently sponsored by Soroptimist International of the Greater Westfield Area, was called an enormous success. Net proceeds from this event totaled \$9,300, which will be presented to the Union County Mental Health Association on June 9 at SIGVA's Annual Awards Dinner.

Specifically, the proceeds will be used to fund Choices, a support group for battered and abused women. These monies are the sole funding for the Choices group which is available free of charge for battered and abused women. Choices is the only group that is available without a fee for women who are trying to free themselves from family violence.

The Soroptimists wishes to thank all of the people in attendance at the fashion show for their support of this issue and also all of the local businesses supporting the fashion show by donating gifts that were used for on-premises raffles.

MANY A DILEMMA...Rotarian Dr. Jack Elbaum, in the top photograph, shown with a group of Westfield High School students, was one of 32 table leaders representing 20 businesses and professions who participated with 235 students in a senior symposium entitled "Ethical Decision Making in the Workplace" sponsored at the Gran Centurions by Westfield High School and the Rotary Club of Westfield. In the bottom photograph, Police Chief Anthony J. Scutti is shown with another group of students.

Senior Symposium Explores Workplace's Ethical Dilemmas

At the Gran Centurions Club of Clark on Thursday, May 20, 235 of the 307 strong Westfield High School graduating class of 1993 attended a senior symposium on "Ethical Decision Making in the Workplace."

The symposium was sponsored by Westfield High School and the Rotary Club of Westfield. The planning committee for the event was made up of Dr. Robert G. Petrix, Principal, Mrs. Lisa Bellomo and Mrs. Maureen Mavarez of the high school and Mrs. Linda B. Maggio, Rotary President, and Dr. Mark C. Smith of the Rotary Club of Westfield.

Dr. Smith, Westfield's Superintendent of Schools, is Vocation Service Director of Westfield Rotary Club, Rotary International, which has 1.2 million members in a worldwide network of clubs, is organized on four avenues of service, namely: Club, community, vocational and international service. He was responsible for enlisting 32 table leaders from 20 businesses and professions to sit with the students to guide them through the program which commenced at 8:15 a.m. and terminated at 2 p.m.

Program Facilitators were Mr. Petrix and Mrs. Linda McKay who was one of the writers of the *Personal Responsibility Education Program*. She lives in St. Louis, Missouri, and has worked with high school students throughout the country in designing and implementing value identifications and decision-making programs to strengthen student responsibility and character. Mrs. McKay, a long-time community leader, who currently serves on the board of the National Character Education Partnership, donated her time and expertise at the symposium.

The program objectives are as follows:

- Provide students with definitions of values, ethics, and business ethics.
- Develop an understanding of how values and ethics are acquired.
- Develop an understanding of the relationship between values and ethics.
- Provide students with a process to making decisions.
- Give students an opportunity to examine the role of ethics in the decision-making process.
- Provide students with the opportunity to explore the application of

ethical values to career fields and jobs.

• Provide the opportunity for students to meet people who can act in liaison in different fields for future careers.

Students were asked to check five items which were important to them from a list of 40, including "to be trusted by others" and "to be attractive to members of the opposite sex." Mrs. McKay noted the emphasis has changed from 1987 when financial security was top of the list to family, safety and health matters today.

Sincerity, love, family and courage were among 18 value characteristics suggested to the participants plus definitions of key terms including values, ethics and dilemma.

After discussing values and ethics and the difference of moral and other values, participants were asked to come to a table consensus, if possible, on a hypothetical dilemma in a hospital which had five patients equally in need of a heart transplant with only one heart available. Students were asked to act as if they were members of the committee which had to make the decision on which patient would receive the heart.

The students were presented with another scenario in which a young man was caught up in a bribe-taking scheme. The facilitators gave guidance on the process for making ethical decisions and pointed out that many organizations have written rules on acceptance of gifts and favors.

Each table leader brought along a dilemma from their experience, and the students worked through the decision-making process to come to a decision on the solution. A spokesperson from each table presented the dilemma, the possible solutions and the agreed on solution and the ethical values involved.

Mrs. McKay closed by saying that the students will benefit from the program in making decisions which will have to be made in future based on the obvious changes in outlook since initiation of the program in 1987.

Associate Degrees Will Be Awarded

To Two Westfielders

Mrs. Livengood Receives Honor of Health Assembly

Mrs. Winifred "Winkie" S. Livengood, a resident of Westfield, is this year's recipient of the Home Health Assembly of New Jersey's 1993 Martha Esposito Award.

The award, named in honor of one of the founders of the Assembly, is given to individuals who have made outstanding contributions to home health care in New Jersey.

Mrs. Livengood was the first Executive Director of the Home Health Assembly of New Jersey. For 11 years, she helped guide the Assembly through the fragile stages of a new organization and led the Assembly

on to become the driving voice for home care that it is today.

She has served as a Board Member for Visiting Nurse and Health Services in Elizabeth from 1948 to the present. She has also served on various committees such as the Long Term Care Project, the New Jersey State Department of Human Services Advisory Committee for Medicaid, the National Center for Health Care Management, the Leonard Davis Institute for Health Care Economics at the University of Pennsylvania.

Mrs. Livengood was also a key player in the organization and development of the National Association for Home Care, serving on the Merger Task Force to establish it from 1980 to 1982. Currently, she is a home care consultant, continuing to provide her expertise to the world of home care.

Six Scholarships Awarded By Musical Club of Westfield

At the annual luncheon of the Musical Club of Westfield held at the First Baptist Church on May 19, Scholarship Awards Chairmen, Mrs. Sondra Tammam and Mrs. Helene Fricland, announced the names of the six recipients of this year's awards.

Funds are raised from donations and a biennial concert given by members of the club.

Wayne Smith, a cellist, the son of Mr. and Mrs. John Smith of Westfield, has been awarded the Janet Grimler Gleason Memorial Scholar award. Wayne is completing his junior year at the Eastman School of Music. As a music major, Wayne has performed in many recitals throughout the year. He is a member of the Eastman Orchestra as well as an active ensemble member in numerous groups at the conservatory.

Matthew Sklar, the son of Dr. and Mrs. Talbot Sklar of Westfield, has been awarded the Mary Williams Belcher Scholar Award. He is completing his sophomore year at New York University, where he is majoring in composition. Matthew has been active in many musical productions including *Les Miserables*, as well as assisting as musical director for New York University's productions of *Grease* and *Music of the Night*. This season he has been composing for a future theater production.

James M. Perry, Jr., the son of Mr. and Mrs. James Perry of Westfield, has been awarded the Anthony

Gleason Scholar Award. James has completed his freshman year at Hart School of Music where he is a jazz performance and sound engineering major. He has performed actively in numerous ensembles during the year. James has assisted in productions at the college as well. He is also an instructor at the Wilkes University Summer Encore Music Camp.

The three new award winners are Michelle Miraffi, Ethan Nash and Jacob Schwartz. Each of these young musicians will be majoring in music.

Michelle Miraffi, the daughter of Mr. and Mrs. Fritz Miraffi of Westfield, has been awarded the Alice T. Stephens Memorial Scholar Award. She will be a freshman at Swarthmore College where she will major in music history.

Michelle is presently a senior at Westfield High School where she is an active member of the Chorale, Madrigal Singers, Symphonic Orchestra, National Honor Society, French Club and the Community Service and Dialogue Club. Michelle is not only a vocalist, but is a distinguished violinist as well. She has toured Europe as soloist with choirs and orchestras including the Rome Festival Summer Institute in Italy. Michelle was named a Garden State Scholar this year, for her outstanding academic achievement.

Ethan Nash, son of Dr. and Mrs. Stanley Nash of Fanwood, has been awarded a Musical Club of Westfield

Mrs. Perone Offers Platform In Her Primary Challenge

Mrs. Ann M. Perone, a Republican Assembly candidate for the 22nd District, described what she will offer to the citizens she would represent.

"First and foremost, I believe there has to be defined accountability to the taxpayers. New Jersey and the 22nd District can no longer afford frivolous expenditures. There must be accountability, absolute justification and benefit which can be demonstrated to all those who will pay the bills, that is, the taxpayers," she stated.

"With a 9.1 percent unemployment rate, every effort must be made to reduce government operating costs while accomplishing job stimulus. Moreover, we must insure all our citizens have access to adequate health care. The elderly and unemployed are being forced to choose between eating, paying the mortgage and other absolute expenses, versus having proper health care for them-

selves and loved ones," Mrs. Perone said.

She also indicated there appears to be a significant lost faith in political representatives over the past several years.

"The people of New Jersey want a greater role in the decision-making process which occurs in our state. The taxpayers' interest must come before that of the special-interest groups. Many citizens, myself included, believe the special-interest lobby has had a stranglehold over the political process. There must be some form of revision where the wants and needs of New Jersey's citizens will take priority over the lobbying machinations of the special-interest groups," Mrs. Perone added.

She mentioned the Quality Education Act as a classic example where many thousands of people felt the plan was defective, yet the political machine remained unresponsive. She pointed out the recent investigation of possible fraud and/or special favoritism in the disbursement of several million dollars to certain counties which had no cause to receive the money. Even the creators of the act are beginning to admit it is defective, she said.

"My being elected will insure your voice will always be heard, even if I should happen to disagree. After all, isn't this what representation is all about? I feel there should be strict term limitations to prevent any political figure from becoming too powerful or entrenched. Government is supposed to be by the people, for the people, and term limitations will help to guarantee this," she said.

Mrs. Perone's background includes serving as Dean of Administration at Seton Hall Law School. She has also acted as a chief litigator for over 650 entities where she had negotiated agreements for 60 per cent less than original projections. Currently, she is a small-business owner and said she understands the dilemma associated with governmental burdens.

"Government regulation and interference is causing a slow death in the New Jersey job market. My background provides the right tools to be effective towards correcting this distressing situation. I will provide the needed balance in representation for the Republican Party and government in general," she said.

Mrs. Perone's primary concerns revolve around the distressing financial status of our state, diminishing family values, unemployment, adequate availability of health care, aircraft noise and proper representation of those who are elected by the

Three Town Students Receive Degrees

Three Westfield students Donna R. Principio of 116 Surrey Lane, Danielle H. Shereshevsky of 38 North Cottage Place and Jennifer L. Stagaard of 124 Elizabeth Avenue received degrees at the Saturday, May 22, commencement exercises at East Stroudsburg University in East Stroudsburg, Pennsylvania.

Donna received a Bachelor of Arts Degree in Fine Arts and Music; Danielle was awarded a Bachelor of Arts Degree in Environmental Studies, and Jennifer earned a Bachelor of Science Degree in Biology.

Miss Luerssen Honors Graduate

Ann Mercer Luerssen, the daughter of Mr. and Mrs. David T. Luerssen of Westfield, graduated magna cum laude on May 17 from the College of Arts and Sciences of the University of Pennsylvania in Philadelphia.

Miss Luerssen was also elected to Phi Beta Kappa, the scholastic honorary fraternity. She will teach school for the Elizabeth school system this fall.

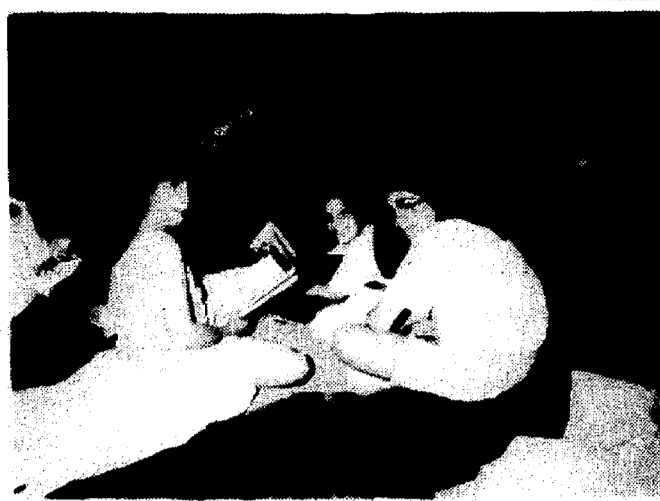

Scholarship. Ethan will be a freshman at Yale University where he will major in conducting.

Ethan is currently a senior at Scotch Plains-Fanwood High School where he has been Concertmaster of the Wind Ensemble, Director of the Choir and Barbershop Quartet and Musical Director of the Repertory Theater. He is a National Merit Finalist and the recipient of a \$1,000 scholarship from the Tylenol Corporation. Ethan is an accomplished pianist, clarinetist and vocalist. This past summer he attended the New Jersey Governor's School for the Arts as a vocalist.

Jacob Schwartz, son of Mr. and Mrs. Stanley Schwartz of Westfield, has been awarded a Musical Club of Westfield scholarship. Jacob will be classical guitar major at William Paterson College.

Jacob is presently a senior at Westfield High School where he has been an active member of the Marching Band, Jazz Band, Concert Choir, Chorale, Choraleers and Madrigal vocal groups. Jacob is an accomplished guitarist, vocalist and pianist. He has recently performed in several professional recording sessions. Jacob has been an assistant teacher at the Westfield Summer Workshop for four years. Last year Jacob was nominated as best keyboard soloist at the North American Music Festival at Virginia Beach, Virginia, where he performed with the Westfield High School Jazz Band.

The Musical Club of Westfield Scholarship Awards Committee includes co-chairmen Mrs. Tammam and Mrs. Fricland; Mrs. Louise Andrews, Mrs. Ruth Boyer, Mrs. Marcia Cohen, Mrs. Kathleen Cuckler, Mrs. Audrey Feathers, Mrs. Caroline Holt, Kenneth Hopper, Mrs. Margaret Sweet, Mrs. Peggy Tristram and Mrs. Ann Weeks.

A WONDERFUL TIME... The fourth-grade students of Washington School on May 7 participated in an over-night readathon. The students, along with their teachers Miss Laura Martin and Mrs. Karen Kushlak; their principal, Kenneth Wark and four parent volunteers, brought sleeping bags and many books, and assembled in the school gymnasium. The objective of the evening was to celebrate reading. Assisted guests, Dr. Robert G. Pettit and Dr. and Mrs. Mark C. Smith read some Shel Silverstein poems to the students. Dr. David Stoneback also contributed to the fun when he stopped by with his guitar. When everyone woke up the next morning, there were donuts and bagels to be eaten, and raffle prizes to be won.

citizens of New Jersey, and in particular, the 22nd District.

"I am committed to resolving the dilemma our state is in. I offer creative thinking and the willingness to work hard for the people in the 22nd Dis-

trict. Furthermore, I will act as your voice in Trenton. I encourage all citizens to make a special effort on Tuesday, June 8, to go to the polls and truly hope I have earned your trust and vote," she said.

Edward W. Love, 82 Bristol-Myers Manager

Was a Volunteer With Local Chapter Of American Red Cross, in Town 54 years

Edward W. Love, 82 of Westfield, retired as a plant manager with Bristol-Myers, died Saturday, May 22, in Overlook Hospital, Summit.

Edward W. Love

Services were held in the Gray Funeral Home, 318 East Broad Street, Westfield.

Mr. Love was a Plant Manager for the Bristol-Myers Product Division in Hillside, where he worked for 40 years before retiring in 1970.

He was graduated with a degree in engineering from Rutgers University in 1931.

Police Chief Warns About Prom Night Drinking

Prom night for a high school student is one of the events looked forward to as an evening to celebrate.

In order to assure the evening of celebration remains a safe one, Police Chief Anthony J. Scutti reminds parents who are considering giving or serving champagne or any other alcoholic beverage at a pre- or post-prom party, under New Jersey statute 2C:33-17 it is unlawful to make available or serve an alcoholic beverage to an underage person.

Chief Scutti also advised the motoring public extra patrols will be set up on prom night to enforce motor vehicle violations, with strict emphasis placed on identifying and removing from the roads those driving while intoxicated.

This year is of special concern because the prom is being held over Memorial Day weekend, he said.

Motorists should be aware a first-offense conviction for driving while intoxicated carries a mandatory fine of not less than \$250, not less than six hours detention per day for two consecutive days at an Intoxicated Driver Resource Center, a revocation of their driver's license for not less than six months, a \$100 surcharge to be paid to the Drunk Driving Enforcement Fund and a \$1,000 a year surcharge for three years, the Chief noted.

It also should be noted it is against the law for an operator or passenger in a motor vehicle to knowingly possess or consume an alcoholic beverage while a vehicle is being operated.

A person will be presumed to have consumed an alcoholic beverage if an unsealed container of any alcoholic beverage is located in a passenger compartment of the motor vehicle.

A first conviction carries a minimum fine of \$500 and the court must, in addition to the sentence authorized for the offense, suspend or postpone for six months the driving privileges of the defendant, the Chief noted.

If a person at the time of imposition of the sentence is less than 17 years of age, the period of license postponement, including a suspension or postponement of the privilege of operating a motorized bicycle, begin on the day the sentence is imposed and runs for a period of six months after the person reaches 17 years of age, the Chief said.

John E. Epps, 42, Vietnam War Veteran

John "Chuckie" Edward Epps, Jr., 42, died Friday, May 21, at the Veterans Affairs Hospital in East Orange.

He was born in Newark, where he had lived before moving to Westfield. Mr. Epps graduated from Westfield High School in 1970.

He joined the Army and served in the Vietnam War from 1971 to 1973. Mr. Epps was decorated for his service during the war.

He was a self-employed barber.

Surviving are his wife, Mrs. Carolyn Epps; a son, Kyle Edward Epps of Plainfield; two daughters, the Misses Quanique and Jasmine Epps, both of Plainfield; his parents, Mr. and Mrs. John E. Epps, Jr. of Westfield; and two sisters, Mrs. Judith Hester of Westfield and Mrs. Robin Simpson of Plainfield.

Memorial services were held yesterday, Wednesday, May 26, at St. Luke's African Methodist Episcopal Zion Church in Westfield. Arrangements were handled by the Plinton Funeral Home, 411 West Broad Street, Westfield.

Bill Would Aid Towns To Deal With Illegal Units

Legislation sponsored by Assemblyman Richard H. Bagger, Republican from Westfield, that would assist municipalities in addressing illegal multi-family dwellings, while protecting innocent tenants, was approved by the Assembly last week.

The measure, Assembly Bill No. 1891, would establish zoning violations as grounds for eviction and permit municipalities to provide relocation assistance to tenants at the landlord's expense. According to Assemblyman Bagger the bill is intended to make it easier for municipalities to crack down on illegal multi-family dwellings which often are the source of fire and housing code violations.

"In many communities, illegal conversions have divided one- or two-family homes into four, five or more apartments contrary to zoning requirements and without necessary housing code and fire safety protections," Assemblyman Bagger explained. "This legislation gives local

governments the ability to bring these illegal and unsafe apartments into compliance, without financial hardship to tenants."

Under Assemblyman Bagger's bill, municipalities would be permitted to adopt an ordinance requiring illegal landlords to provide relocation assistance to tenants displaced by zoning enforcement activity. In addition, the municipal court could fine the violating landlord up to six months rent for each illegal apartment.

"The residential character of many older suburban communities is being gradually threatened by an increasing number of illegal residential conversions. Assembly Bill No. 1891 gives municipalities the tools to enforce local zoning requirements, eliminate building code and fire safety violations, and protect the tenants who were lured into illegal apartments," Assemblyman Bagger stated.

The legislation was adopted in the Assembly by a vote of 75 to 0 and now heads to the State Senate for consideration.

Town Baseball Team Advances To Final in County Tournament

By ERIC RUBIN
Specially Written for The Westfield Leader

The Westfield Baseball Team pushed forward to make it into the finals of the Union County Tournament on Saturday by defeating Elizabeth for the third time this season 6-2.

The Blue Devils' victory was revenge for the 8-2 loss they had suffered at the hands of Elizabeth a day earlier in the quarterfinals of the North Jersey, Section No. 2, Group No. 4 tournament.

In the county tournament Westfield and Elizabeth collided after waiting for the final of the opening game of the doubleheader played between Union and Scotch Plains. This game went 13 innings and was won by Union in the bottom of the 13th.

Westfield was led by junior designated hitter Ron Nobile, who took advantage of the short right field fence and clobbered a 340-foot two-run homer in the second to give the Devils an early 2-1 lead.

Westfield then broke the game open in the fifth inning as they scored four runs to snatch a 6-1 lead.

Four straight walks gave Westfield their first run, while the next batter, Adam Yannuzzi, hit a shot to left center that was dropped to score their second of the inning.

Scot Coran took a pitch on the arm to force the third run in, and then winning pitcher Chris Vogel hit a sacrifice fly to score their last run of the inning.

Vogel pitched a complete game enroute to his seventh victory of the season that day. He gave up eight hits, and baffled seven Elizabeth batters who went in the book as strikeouts. Vogel gave up one run in the first inning and one run in the last inning to get the 6-2 victory for

Westfield.

Westfield's record stands at 17-6, since they lost to Scotch Plains on Monday 9-2.

The Westfield hearts weren't into this one as one unearned run after another continually crossed homeplate for Scotch Plains.

Walked batters and errors plagued the Blue Devils as they backed closer

into the race for the Watchung Conference Title.

Westfield will face Union High School in the finals of the county tournament Saturday night at 7:30 at Linden's Memorial Field.

The town team, the No. 1 seed in the tournament, will look for the trophy in a game that will definitely be one to watch.

Marlins Defeat Astros In Girls Softball League

Timely hitting and excellent defense again were the cornerstones for the New Norris Chevrolet Marlins in their last game against the Astros in the National Division of the Westfield Girls Softball League.

Katie Brunetto again led the Marlins with two hits and made a stellar defensive catch at shortstop to snuff out an Astro rally in the fourth inning.

Jessica McKeever banged out three hits for the Marlins, while Amy Farly had two singles to help the cause.

Kristen Ortega clipped in with one hit, as did Tara Clarke, Jackie McKeever and Bethany Driscoll. Fine batting eyes were shown by Robin Farly, Casey Benson, Nicole DiFazio and Maureen Cooke.

Lindsay Guericcio pitched three strong innings for the Marlins, as they improved their record to 6-0.

Rachel Bavalier supplied spirited cheering for her team, since Rachel is sidelined for the season with a broken wrist.

Golf Team Takes Title For State

By ERIC RUBIN
Specially Written for The Westfield Leader

The Westfield golf team's dream of a state title came true on Monday as a combined score of 323 topped the field of 18 teams at Echo Lake Country Club.

The team's year-long quest ended as they shot consistent golf to finish five strokes ahead of state powerhouse Bergen Catholic.

Finishing first for Westfield was junior Cregg Walter, who posted a five-over 77 (38-39) for 18 holes.

Walter did not qualify for the individual tournament, which was held on the same day, so his score only counted for the team's victory.

Rich Jeremiah, however, did finish fifth as he came into the clubhouse with a seven-over 79 (40-39). Rich qualified for the individual tournament by shooting a 73 at Rutgers Golf Course last week in the District Tournament.

Other scores for Westfield included the last of the strong junior class from Westfield, Mark Hobbie who bounced back from a 45 on his front nine and shot a 38 on the back enroute to an 83. Rounding out the scoring was senior Matt Jessup, who contributed an 84 to Westfield's cause.

Westfield's season was flawless. They had 15 dual matches against other high schools; they had 15 victories against other high schools.

The Blue Devils captured the Union County Tournament with a combined score of 319; the team combined to take the Watchung Conference Tournament, then won the Region No. 4 tournament with a total team score of 308 and then went on to win the state tournament.

Nothing is more dangerous than an idea, when it's the only one we have.

Netmen Defeat Montclair, Livingston Too Much

By STEVE LEHMAN
Specially Written for The Westfield Leader

The Westfield High School Boys' Tennis Team began the week with a strong 4-1 performance over Montclair on Friday to advance to the state sectional finals in Section No. 2, Group No. 4.

The match saw three positions go into three-set matches, including a dazzling battle between Seth Rosen and Scott Rochini at first singles. Rosen won the first 6-1, but lost a close second set 5-7. The third set went to 6-6 and saw Rosen pull ahead to take the tiebreak 7-3.

Second singles player Chris O'Connell took the first set 6-2, but couldn't keep up with Josh Weil, losing the next two 4-6, 2-6.

Brad Jankowski won in straight sets at third singles as did the first-doubles pair of Simon Baukh and Matt Pravda.

The second-doubles team of Tom Vo and Steve Lehman lost a rather lifeless first set 5-7, but came back strong to take the next two 6-3, 6-1.

On Tuesday, the Devils were out-classed as they lost to Livingston in the state sectional final match. The team was swept 5-0 despite valiant three-set efforts by Rosen and the team of Baukh and Pravda.

Rosen played one of his best matches of the season against Livingston's David Gordon. After dropping the first set 1-6, Rosen came

back to take the second 6-4. The third set lead went back and forth until Gordon held serve at 5-4 to take the victory.

At second singles, O'Connell fell to David Schonbraun 1-6, 1-6. And, at third singles, Jankowski met similar fate at the hands of Ross Markowitz, losing 2-6, 2-6.

The first doubles team of Baukh and Pravda also raised their game a notch, but were defeated in three sets with 5-7, 6-2, 5-7 scores.

At second doubles, Vo and Lehman fell 1-6, 2-6.

The team now will concentrate its efforts towards clinching the Watchung Conference title. Today they face Summit and look to improve on its 14-0 conference record.

Boy Harriers Capture Watchung Loop Title

By ADAM BARCAN
Specialty Writer for The Westfield Leader

As seniors Jamal Hester and Chris Blanding led the way with a second-place each, the Westfield Boys' Track and Field Team took eighth in the North Jersey, Section No. 2, Group No. 4 state meet on Saturday in Plainfield's Hub Stine Complex.

The duo starred, with Hester long jumping 22 feet and 7.5 inches, and Blanding crossing the line in 55.6 seconds in the 400-meter hurdles. Their reward is a trip to this weekend's Group No. 4 meet, given to the top six placers in each sectional event.

Hester, in the second longest leap of his career, achieved revenge as well, topping county and conference champion Dulayne Morgan of Elizabeth. He later placed sixth in the high jump in six feet even, and joined Blanding on the fourth-place 1,600-meter relay squad, with the pair turning in respective splits of 50.8 and 50.4 seconds.

The remaining Devil placers found their glory in the 1,600-meter run, with sophomore Ted Kilcommons taking fourth in four minutes and 42.6 seconds, and freshman Lawrence Ho tying for sixth, two seconds back.

In a heartbreaker, Jim Nicoll's personal-best two-minute and eighth-tenths second 800 meters gave him seventh place by a mere tenth of a

second. The junior excited the crowd by flying past the leader in the final straightaway to win his heat. John O'Brien also competed, finishing seven seconds behind.

He returned to lead off the mile relay in 52.2 seconds, joining Hester, Rischon Williams and Blanding to cross the line in three minutes and 25 seconds. Williams, who turned in a 51.7-second split, also took eighth in the high hurdles in 15.4 seconds.

In the sprints, Ken Silverman ran 11.11 seconds in the 100-meter finals, while Marcus Cognetti was clocked in 11.7 and 23.4 seconds in the 100 and 200 meters.

The mile relay team and other placers return to action this weekend for the group meet in South Plainfield.

As Kilcommons said, "We are looking to smoke our competition like a piece of beef jerky."

On Monday, the Devils won their first Watchung Conference title since 1987 by defeating county champs Elizabeth 67-55 at home.

Taking first place were Nicoll in the 800 meters, Blanding in the 400 and 400 hurdles, Ho in the 1,600, and Adam Barcan in the 3,200 as well as the 1,600-meter relay of Nicoll, Erwyn Lyght, Williams and Blanding.

Carter Hurls Discus Into Second Place

By BRIDGET KEEGAN
Specialty Writer for The Westfield Leader

Shi-Kia Carter placed second in the discus with a throw of 111 feet, nine inches. This gave the Westfield Girls' Track Team a fifth-place finish in the state sectional meet held last Saturday in Morristown.

The 4-by-400-meter relay team of Ahisha Winkler, Erin Allebaugh, Anisa Dujnic and Tiffany Hester ran a sectional best of four minutes and 16 seconds, taking third place.

Other notable efforts include Suzy Folger's personal best of one minute and 12.11 second in the 400-meter hurdles.

Karen McGuire's two minutes and 28.95 seconds in the 800-meter run also was a best seasonal effort.

Again, freshman Anisa Dujnic also ran the 400-meter run and placed

sixth with a time of one minute and 5.9 seconds.

In the javelin, both Allebaugh and Joanna Rulf qualified to go on to groups. Allebaugh placed fifth with a throw of 79 feet and seven eighths of an inch. Rulf placed sixth with a throw of 72 feet, 1.25 inches.

Those mentioned above have qualified to continue in Group No. 4 competition which will be held Friday and Saturday in South Plainfield.

Reds Shut Out Giants in Softball

The World Book Reds, of the Westfield Girls Softball League, shut out the Giants in a 13-0 effort.

Saturday's game, played at the Memorial Pool Complex, featured stellar pitching performance by Catherine Pakenham, Natalie Lucondo and Katie Richards. They were backed up by strong team support in the field and even stronger batting. The game was cut short at five innings because of time.

Softball Squad Takes Three of Four Games

By CHARLES H. MICHELET
Specialty Writer for The Westfield Leader

The Westfield Softball Team won three out of four games over the past week and has one game remaining in the season.

Last Wednesday, the Blue Devils defeated Scotch Plains 11-5 then lost against the Kearny team 11-1 on Thursday in a rematch from earlier in the season.

On Monday, Westfield won an 11-3 victory over Plainfield in which Amy Gallagher went four for four, hitting three singles and a double, and batting in three runs. Freshman pitcher Lauren Cafaro allowed only four hits in the game and struck out five.

On Tuesday, the Devils rallied against Shabazz, defeating them 13-0. Andee Moore pitched a three hitter and senior Katie Richardson batted three for three with two runs batted

in. Coach Margaret McFadden says the team has run up against some tough luck this year with the unpredictable weather early in the season and being unable to play on their regular field, but the team's attitude has remained optimistic.

Despite the tough breaks the team has received, their performance has been strong. They have played some close games, and others have gone into extra innings.

"They got themselves into a hole," Coach McFadden said. "And have been working themselves out of it all season."

She added she was pleased with the progress and drive of the team and hopes to end the season with a strong win.

Westfield plays Summit at home today.

Volleyballers Capture Three Wins on Week

By CHARLES H. MICHELET
Specialty Writer for The Westfield Leader

The Westfield Volleyball Team comes out this week with three wins, defeating Union, East Side and Millburn.

The Union match, on Wednesday, began uneasily with a 15-12 loss for the Blue Devils due to several service and team errors, but they came back strong in the second game, winning it easily, 15-5. Senior Lisa DeGutis chalked up seven points on serve in this game on Union's home court.

Westfield played the third game a bit more conservatively, giving Union a 10-9 lead at one point. The Devils were able to turn it around though, and finally win the match 16-14. Co-Captain Gloria Ko came in with six points on serve.

Against East Side, Westfield let the communication slip a bit after an early 7-0 lead. This enabled their opponents to quickly catch up, making the Blue Devils scramble for the win.

The town team won that game 15-13, but appeared determined to avoid giving East Side any more opportunities like that again. The Blue Devils won the second game 15-5.

Ko had six points on serve in the first game and, in the second game, Marta Napiorkowski had eight points on serve and Brandi Kovac had six.

In Tuesday's match, Westfield did not let up against Millburn at all, defeating the team in two games 15-3 and 15-4. Andi Scull stood out in this match with 10 points on serve in the first game and eight in the second.

ON A ROLL...Jefferson School students and their families recently had the opportunity to enjoy an afternoon of roller skating at United States of America in Edison. The event was sponsored by the Jefferson School Parent-Teacher Organization.

GREETINGS...David Mercer, National Executive Director of the "Y," meets with Stanley Kasluskusky, Executive Director of the Westfield "Y," at the Westfield "Y" Annual Meeting on May 11.

Westfield "Y" Conducts Its 70th Annual Meeting

At the 70th Annual Meeting of the Westfield Young Men's Christian Association on May 11, special guests, volunteers and staff gathered for dinner, election of board members and presentation of awards to special youth.

Tenagers honored were: Andrea Pugliese, Aquatics; Laura Osborne, Aquaducks; Donna Louizides, Model United Nations; David Bertolo, Home Base; Sharon Brady, Aimee Vesey and Jauno Goutko, Key; Bronwyn Hay, Devilfish Swim Team; Michelle Hughes, Teen Nautilus; David Forelander and Katie Gomperts, Volunteer Tutors.

During the business portion of the evening, the "Y" elected new members to the Board of Directors: William Jacobs, Mrs. Carol Phelan and Mrs. Darlelle Walsh.

The guest speaker for the evening was the National Executive Director of the "Y," David Mercer. Mr. Mercer began his "Y" work as a youth director on the West Coast, became Executive Director of the San Francisco "Y" and now holds the national post.

In a surprise recognition ceremony, Stanley Kasluskusky, Executive Director, the Westfield "Y," was presented his 25-year service pin and gifts from the staff and Boards of Trustees and Directors. Dr. Robert L. Harvey gave his own reminiscences of their friendship. Harry Rock, former Assistant Executive Director of the town "Y" and now Executive Director of the Westfield, Massachusetts "Y" came to relay his appreciation for the leadership and guidance Mr. Kasluskusky had provided him in his association with the YMCA.

- July 15, Westfield Community Concert Band and "Play With Clay" Rain Date
- July 22, The Play Trains
- July 29, Salaam Temple Mumsers String Band
- August 5, The Play Trains
- August 12, The Rahway Valley Jerseyaires

Playgrounds Programs Ready for Summer

The Recreation Commission playgrounds are ready to go into action.

The playgrounds are held at several of the schools in Westfield including Franklin, McKinley, Jefferson, Tamaques, Washington and Wilson Schools. The program is open to town residents who have completed kindergarten.

The playgrounds offer a wide range of activities for the children in first through sixth grades which includes movies, arts and crafts, softball tournaments, pool swims, picnics, contests and fair nights.

The playgrounds will be open from Monday, June 28 through Friday, August 13. Program hours are Mondays, 1 to 3:45 p.m. and Tuesday

through Friday, 9:30 a.m. to noon and 1 to 3:45 p.m. Transportation to and from the playgrounds is the responsibility of the parents.

Registration will be held on June 28 from 1 to 3 p.m. at all the playgrounds and will be accepted throughout the summer.

Those who need further information regarding the playgrounds or any other recreational programs should telephone the Recreation Department at 789-4080 Monday through Friday between 8:30 a.m. and 4:30 p.m.

Warriors Defeat South Orange 8-0

The Westfield Warriors defeated the South Orange Hurricane for the second time in a week, with a crushing 8-0 defeat on May 12. In the two games, the Warriors outscored the Hurricane 14 goals to zero.

Striker Brian Bottini scored the first goal in the rematch at the two minute mark off a perfect corner kick from Michael Parley. The Warriors were composed out in front of the Hurricane goal through the first half as Parley delivered numerous corner kicks into the center of the goal. Several head shots by halfback Brad Gillin barely missed the net.

Fullback Evan Molloy assisted on the second goal with a direct kick from the 20-yard line into the goal area. Striker Cam Anthony gathered a loose ball and shot the ball into the goal.

The Warriors went on a scoring binge in the second half scoring several goals within the first few minutes. Striker Kyle Vanlosky carried the ball deep into the Hurricane zone before hitting the right goal post with his shot. Striker Tim Carroll volleyed the rebound into the open net. A few moments later, Carroll scored his second goal with a hard shot into the left corner of the net. Adam Walker and Nick Geisler assisted on the goal.

An attempt by the Hurricane to flood their defensive zone with virtually all of their players was unable to prevent further Warrior attacks. Matt Hall assisted halfback Gillin who hit the net with a driving shot from outside the 18-yard area.

Halfback Connor Mulvey scored late in the third quarter off a rebound shot from a corner kick. Brandon Kape barely missed a goal on a breakaway on his shot struck the goal post. However, halfback Molloy was perfectly positioned and delivered the rebound shot into the net. Striker Kander Muschick scored the last tally for the Warriors with a left-footed lob over the head of the goalie.

Fullback Greg Odachowski and halfback Greg Scanlon lead the Warriors defense and never allowed the Hurricane to gather any momentum for a scoring threat. Goalsie Geisler and Hall shared time in goal to earn their third shut-out of the year. The Warriors improved their record to 8-1-1.

Lichtenstein Swims To First Place In Regionals

Newark Academy eighth-grader, Jessica Lichtenstein, the daughter of Dr. and Mrs. David Lichtenstein of Westfield, won first place as a member of the Westfield "Y" Swim Team in the 200-meter freestyle in the East/Field Regionals in March at Princeton University with a time of two minutes and 2.39 seconds.

The meet brought together competitors from all "Y"s in the North Eastern states.

Jessica, who was second in the 500-meter freestyle, fifth in the 100-meter freestyle and sixth in the 200-meter individual medley, may qualify for the Top 16 in the nation.

She has been swimming competitively since she was 6 years old and competes year round except for a three-week break in the spring.

This year she broke four pool records at the Westfield "Y" — the 100-meter individual medley, the 200-meter freestyle, the 500-meter freestyle and the 200-meter freestyle relay. She swam undefeated in the 200-meter freestyle for the Newark Academy Junior Swim Team of Livingston this year.

Warriors End Season With 7-1-2 Record

The Westfield Warriors of the Westfield Soccer Association's Boys Traveling Soccer League concluded their regular season in first place in their division with a record of 7-1-2.

The Warriors played two games over the weekend, a tie against Elizabet and a victory over Rahway.

Despite several prolonged offensive drives, the Warriors clung to a one-goal margin over Hazlet for most of the game. Halfback Greg Scanlon assisted on the Warriors' only goal with a high crossing pass to striker Brian Bottini, who deflected the ball into the goal.

Warriors' goalie Matt Hall came through with two diving saves to his right in the second half to keep the tie.

The Warriors played one of their best games of the season in their season finale against Rahway on May 23. Using short, crisp passes and change of direction plays, the Warriors guided the ball up and down the field in a strong 3-1 victory.

Center halfback Brad Gillin provided all of the scoring in the first half with two piercing line drive shots into the net. Gillin's first goal came at the 10-minute mark with a hard shot into the right corner of the net. Gillin's second goal, assisted by Adam Walker and Cam Anthony, was a rocket shot to the upper left hand corner of the net.

In the second half, striker Tim Carroll carried the ball from midfield into the goal area before sliding the ball passed the charging goalie. A few minutes later striker Kyle Vanlosky showed how powerfully he can produce goals. Vanlosky gave the ball from going over the end line and quickly shot the ball to the short side of the net passed the unsuspecting goalie.

The Warriors' fifth goal started with a quick throw-in by striker Nick Geisler to Bottini. The subsequent crossing pass to center striker Kander Muschick was converted into a goal with a low shot to the side of the net.

The Warriors' defense used aggressive attacks to the ball to control the midfield. Sweeper Connor Mulvey and fullbacks Evan Molloy, Brandon Kape, Greg Odachowski and Matt Hall seemingly denied the Rahway offense any playing space throughout the entire game.

Two Town Lacrossers Honored at Keam

Gerry Benuquista of Westfield has been named the Knickerbocker Conference Player of the Year.

The best long-stick midfielder in Keam College of Union Lacrosse Team history, Benuquista shattered the career ground-ball record with over 700. The All-American candidate now is a three-time All-Conference selection.

"This season, the senior had a school-record 256 ground balls, over 120 more than the next highest Keam player. He also had eight goals and three assists.

"It is very rare that a player who isn't a goalie or attackman ever gets this award," Head Coach Hawley Waterman said. "That shows how good a player Gerry actually is. He is the best long-stick middle I have ever seen at the Division No. 3 level."

Named a Second Team All-Conference selection was Ken Marsh of Westfield.

Marsh is making his second appearance on the All-Conference team. He helped anchor the Keam defense.

BOWL OF SERVICE...William P. Wilson receives Golden Man of the Year Award from Roger Love, Jr., a past recipient.

William P. Wilson Chosen "Y" Golden Man of the Year

At the 70th annual meeting of the Westfield "Y" on May 11, William P. Wilson was honored as the Golden Man of the Year. Initiated in 1973 at the 50th anniversary of the "Y," the award was designed to honor individuals for outstanding service to the community and the "Y."

Roger Love Jr., a past recipient, made the presentation for the 1993 recipient.

Since moving to Westfield with his family in 1965, Mr. Wilson has been an active member of the "Y's" Men's Club and has held offices several times — as Chairman of the Halloween Parade for 27 years and cashier of the Christmas Tree Sale for 28 years which has raised over \$700,000 used to support the Westfield "Y" and many other community groups.

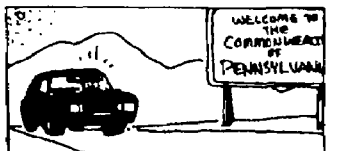

Mr. Wilson has been active with the North Atlantic "Y" Men, and in 1988 his name was added to the list of outstanding "Y" Men in the Golden Book in Geneva, Switzerland.

Also in association with the "Y," Mr. Wilson and his family have donated their time and effort to Camp Speers-Eljabar and Camp Wawayanda. He was elected to the Speers Board of Directors and has served many years on that board. He was also active in raising funds for Four Seasons, the "Y" camp and

education center in Lebanon.

Employed in the insurance industry since the end of World War II, Mr. Wilson presently is Manager of Special Lines with Alderman, Click & Company in Princeton, insurance underwriters. His community service activities include service on the Board of Trustees of the Colonial Cemetery; as a Deacon of the Presbyterian Church, and as a Trustee of both the Westfield Historical Society and the Miller-Cory Museum. While his children were young, he was active in Westfield Little Leagues, Franklin School Boy Scout Troop No. 172 and the Scout Camp at Glen Gardner.

Also in attendance with Mr. Wilson were his family — wife, Lucy, daughter, Mrs. Jeanmarie Keenan, and son, John, also a "Y" Man.

Pennsylvania is one of four states officially called commonwealths. The other three are Kentucky, Massachusetts and Virginia.

Letters to the Editor

Contributors to Night Place Thanked for Successful Year

The Westfield Recreation Commission would like to take this opportunity to thank the many people involved for another tremendously successful year of the Night Place program.

This year's six events saw an average of 400 sixth through eighth-grade youths in attendance per event, once again proving the need to continue to provide alternative teen programs.

The Night Place would not be possible without the support and cooperation of a large group of volunteers who give of themselves to provide for the youth of the community. The Recreation Commission ex-

tends its sincere thanks to the Parent-Teacher Council Night Place Committee, the Optimist Club of Westfield, the many parent volunteers, the Westfield Board of Education, the Westfield Police Department, and all those students who participated in making this year's Night Place program a big hit.

The Night Place will return in September and we hope to continue to grow upon its past success. Volunteers are always welcome, please contact the Recreation Department if interested.

Thank you and we'll see you next September. Westfield Recreation Commission

Registration Has Begun For Memorial Pool

The Westfield Recreation Commission has announced it has begun accepting memberships for the 1993 Memorial Pool season.

School Boosters Association Awards Scholarships To 10 High School Students at 26th Annual Dinner

The Westfield School Boosters Association held its 26th Annual All-Sports Dinner last evening at the Westwood in Garwood.

The dinner is held to honor all graduating Westfield High School senior athletes and to recognize their dedication and achievements.

A plaque was presented to every senior athlete and special plaques were given to each member of undefeated and state championship teams.

The highlight of the event was the awarding of 10 student athlete scholarships, each in the amount of \$1,000. This year's recipients were Erin Allebaugh, Lori Chelius, Michael Comandini, Seth Coren, Anne Engell, Matthew Gorbaty, Darren Hertell, Katie Robinson, Sara Rosenblatt and Stacey Tourtellotte.

Those chosen were selected on the basis of athletic accomplishments as well as academic performance and leadership both on and off the field, as demonstrated by participation in student and community affairs.

The student athlete scholarships are presented in honor of memory of past coaches, athletes and Boosters.

In addition to Booster recognition awards, student athlete awards are donated by the Friends of Westfield Track, Taylor and Love Realtors, Mr. and Mrs. Terry G. Kelley and two by an individual booster member.

Anne was presented with the Walter L. Clarkson Honorary Award donated by the Friends of Westfield Track to honor Clarkson, a renowned retired coach of the Westfield High School Track and Cross Country Teams. Anne is the daughter of Mr. and Mrs. Jorgen Engell.

She has been a member of the cross country and track teams for eight seasons and has earned seven varsity letters. She was captain of the 1992 cross country team and was voted Most Valuable Player by her teammates for the season. In her junior year, she was nominated Athlete of the Week twice.

Anne is ranked in the top 15 percent of her class and has been selected a Garden State Scholar. She is a member of the National Honor Society, the French Honor Society and the Latin Honor Society, and has been a member of Students Against Drunk Driving for the past two years. Next fall, Anne will attend Cornell University, where she plans to major in English.

Matthew received The Robert L. Duncan Memorial Award honoring the late Duncan, who was the Athletic Director and a coach at Westfield High School for 35 years. He is the son of Dr. and Mrs. Martin Gorbaty. Matthew participated in track events for all four years at Westfield High and earned 10 varsity letters in cross country, winter and spring track. He was the Co-Captain of this year's cross country team and was named Most Valuable Senior by his teammates this year. In addition, he was selected to the first team on the All-Union County Cross Country Team in both 1991 and 1992.

He earned the rank of Eagle Scout from Troop No. 273, where he is now a Junior Assistant Scoutmaster. He is a New Jersey State Certified Emergency Medical Technician, and serves on the Mountainside Rescue Squad and the high school's Code Blue Resuscitation Team.

Matthew is ranked in the top half of his class. He will be attending Purdue University next fall, planning to major in biology and pursue a career in medicine.

Erin was awarded the Alumni Scholarship donated by Taylor & Love Realtors and given by the Roger Love family, whose four generations have graduated from Westfield High School and participated in varsity athletics.

Erin is the daughter of Thomas Allebaugh and stepdaughter of Mrs. Carol Lee Weis Allebaugh.

By participating in field hockey, basketball, and track for four consecutive years, Erin has earned 10 varsity letters. This year, she was chosen Captain of both the basketball and track teams.

A three-year starter in field hockey, her personal achievements include being selected First Team All County and All Area in both her junior and senior years. This year she was chosen to the All State Group No. 4 First Team and the All Groups All State Third Team. Erin was voted Most Valuable Player by her teammates.

Erin is a member of the National Honor Society and is ranked in the top 20 percent of her class. She is the President of the Art Club and a member of Students Against Drunk Driving, where she served as Fund-Raising Chairman.

Erin has been active in her church, serving as an acolyte at St. Paul's Episcopal Church. Next fall, she will attend the University of Virginia, where she will play field hockey while planning to major in biology.

Stacey was the recipient of the Megan Kelley Memorial Award from a scholarship fund established by the Kelley family in memory of their daughter who was a student and member of the girls' soccer and basketball teams.

Stacey is the daughter of Mrs. Marcy Tourtellotte. She has participated in three varsity sports — volleyball, spring track and soccer, is an honor roll student, is a three-year member of Students Against Drunk Driving and was on this year's Homecoming Court.

For the last two years, Stacey was a Tri-Captain of the Girls Soccer Team. A four-year varsity veteran, she played a significant role in the team's capturing four Watching Conference Championships, four Union County titles, three Group No. 4, North No. 2 titles, two Group No. 4 state final berths and a Group No. 4 Co-championship in 1989.

Her athletic efforts have been well recognized by Union County, the New Jersey State and National Soccer Coaches Association, the culmination of which was being named an All-American by the association last year.

Having signed a national letter of intent to play National Collegiate Athletic Association Division No. 1 soccer, Stacey will attend James Madison University next fall to major in a health-services field.

Sara was awarded the Toni Bristol Honorary Award, given in honor of Toni Bristol, a volunteer coach in lacrosse, girls' soccer and girls' basketball since 1982. Sara is the daughter of Mr. and Mrs. David Rosenblatt.

Sara has been a member of the high school gymnastics team since her freshman year, earning four varsity letters. She was Co-Captain of the team as a

senior. She also won three letters in diving; injuries prevented her participation as a senior.

As a sophomore, she was ninth all around in the North No. 2 sectionals and honorable Mention All-Union County. As a junior, she was third all around and sixth on uneven bars in Union County. As a senior, Sara was fifth on the balance beam, ninth in floor exercise in Union County and 11th on the balance beam in North No. 2 sectionals.

Sara is a member of the National Honor Society, the Spanish National Honor Society and is ranked in the top 20 percent of her class. This year she was nominated for Homecoming Queen by the student body.

She will continue her education in the fall at either Lehigh University or the University of Vermont.

Michael was presented the Gary Kehler Award honoring the present Director of Athletics at Westfield High School and the former Coach of the football, wrestling and golf teams. Michael is the son of Mr. and Mrs. Alex Comandini. He was the Captain of the basketball team for the past two seasons and the teams leading scorer with a career average of more than 20 points per game.

His athletic awards include Second Team All Union County and All Area in his junior year and second team All Union County and First Team All Area in his senior year. Michael was selected as a starter in the Union County All Star game and was the game's high scorer. He was a recipient of the Westfield Basketball Association's Coaches Award the last two years and was this year's Booster Most Valuable Player award winner.

Academically, Michael ranks in the top 15 percent of his class and is a member of the National Honor Society, the National French Honor Society, and the Distinguished Honor Roll. Leadership recognition includes senior class Secretary, Boy's State representative and listing in *Who's Who Among American High School Students*. Michael will attend Muhlenberg College where he plans to major in business and continue his basketball career.

The Peter Houlihan Memorial Awards are donated by an individual booster member to a male and female student athlete to honor the late Peter Houlihan, a past member of the Boosters, who was a tireless worker on behalf of the youth of Westfield and was especially active in the Westfield Soccer Association.

The female recipient was Katie Robinson. Katie is the daughter of Mr. and Mrs. Jerry Robinson. She won 10 varsity letters in her high school career. She has lettered in Field Hockey for four years and was a Captain in her senior year. She has lettered three years each in winter and spring track and was Captain for winter track in her senior year. A ski injury prevented her from competing during her senior spring season.

Catie was the 1991-1992 winter track county champion in the 1,600-meter run; the spring county champion in both the 1,600- and 3,200-meter run in her junior year. Catie was voted Most Valuable Senior by her teammates this past winter.

Catie is a member of the National Honor Society and is ranked in the top 15 percent of her class. At the Presbyterian Church in Westfield she is a member of the Discipleship Group and Cross Bearer. She has traveled to Mexico, Tennessee and Jamaica for mission work.

Catie will attend the University of New Hampshire in the fall in the occupational therapy curriculum.

Darren Hertell was the male recipient of the Peter Houlihan Memorial Award. Darren is the son of Mr. and Mrs. Keith Hertell. He earned two varsity letters in cross country and four varsity letters in swimming. On the cross country team, Darren was one of three Westfield High School runners to break 18 minutes at the Warrinanco Park course as a freshman.

While a member of the swim team, Darren became the first swimmer in history to win two individual events four years in a row, becoming the all-time leading scorer in county history. Darren holds county records in the 100-yard backstroke, 200-yard individual medley and as a member of the 200-yard medley relay team. In addition, Darren was the first swimmer in Pirate Invitational history to receive back-to-back Most Valuable Swimmer awards. He holds two Pirate records in the 100-yard backstroke and 200-yard medley relay and is the highest point scorer in Pirate meet history.

By winning four gold medals as a senior, Darren is the only swimmer in state history to do so.

Darren participates in the Concert Choir, the Choraleers and the Chorale. He has written sports articles for *The Westfield Leader* and participated in Outward Bound and the Garden State Tri Man triathlon. Darren was honored as a state Athlete of the Month by Fidelity Bank and the New Jersey Nets.

Businesswomen Award Scholarships To Two Residents

The Business and Professional Women of Westfield, Inc. recently presented scholarships to two local residents. Each year, the group supports the enhancement of opportunities for women through these awards.

Recipient of the scholarship to a Westfield High School senior woman entering college in the fall is Wendy Jebens, the daughter of Mr. and Mrs. Walter Jebens of Westfield. Miss Jebens will be attending Amherst College in September.

Miss Joyce Corriero of Plainfield is the recipient of the Secondary Career Development award, which will allow her to complete her studies at Keam College toward her certification in elementary education.

The group is a professional organization of women helping women through education and legislative action. For membership information, please telephone 654-5584.

Jeff Torborg's Fired As Manager of Mets

Westfield High School graduate and Mountainside resident Jeff Torborg was dismissed last Wednesday.

Jeff Torborg

day night as the Manager of the New York Mets Baseball Team with the team record standing at 13-25, the second worst in the major leagues this year, and his two-year record at 85-115.

Mets General Manager Al Harazin made the announcement just minutes after the team rallied for a 6-4, 10-inning victory over the Pittsburgh Pirates.

Former New York Manager Dallas Green took over the team beginning with last Friday night's game against the Atlanta Braves.

Astros Top Dodgers 9-2 in Softball

The Astros defeated the Dodgers 9-2 Saturday in Westfield league softball, highlighted by the scoring of six runs in the second inning in an otherwise close defensive game by both teams.

The runs were scored by Migan Walsh, Abby Conson, Kim Sherry, Ann Marie Nason and Cheryl Lynn O'Neill.

Allison Smith and Jessica Johnson each scored twice to rally the team total to nine. Good efforts by Jessica Alke, and Ellen Bernstein as catcher helped the combined effort of Trace Conson and Erica Kessler throw nine strikeouts and allow only two walks.

He signed a contract to manage the Mets through the 1995 season.

The Mets also fired two of Torborg's Coaches Barry Foote and Dave LaRoche. One of those positions will be filled by former major league Manager Darrell Johnson. Another Coach is scheduled to be named soon.

Torborg was appointed in October, 1991 as the 14th Manager of the Mets.

He managed the Chicago White Sox from 1989 until being named to the Mets post.

Torborg was an All-Union County Catcher for Westfield High School in 1959 and, as a 1963 All-American selection from Rutgers University, he led the nation with a .537 batting average that year.

In 1963, he was signed by the Los Angeles Dodgers for a \$100,000 bonus.

Torborg played 10 major league seasons — eight with the Dodgers and two with the California Angels — and compiled a lifetime .214 batting average while catching three no-hit games.

He managed the Cleveland Indians to a record of 157 wins and 201 losses from 1977 to 1979 and coached for the Yankees from 1979 to 1989 before joining the White Sox at their Manager.

The American League Manager of the Year in 1990, he compiled a record of 220 wins and 235 losses with the White Sox and resigned the Chicago post to take the Mets job with two years remaining on this three-year contract.

During the off-seasons of his playing days, Torborg was a physical education teacher at Westfield High School.

In 1975, Frank Robinson, the first black to manage in the major leagues, added Torborg to his Cleveland Indians staff.

Two years later, the town native

BIKE TOUR SPONSORS SOUGHT

The Westfield Classic Bike Tour, which this year will be held on Sunday, October 3, is in the process of signing up sponsors. This year's Gold Wheel sponsors for the first time will have their company's logo printed on the back of all T-shirts. In addition, all sponsors will be listed on the application and receive a day of event publicity. The Bike Tour raises monies for three charitable voluntary organizations: The Westfield Police Athletic League, the Westfield Rescue Squad and the Westfield Jaycees. A Bike Tour booth will be erected at the Festival.

replaced Robinson, lasting until the middle of the 1979 season, when he was fired.

John Macko Closes College Career

Leftfielder and designated hitter John Macko of Westfield has completed his collegiate career on the Susquehanna University Baseball Team of Selinsgrove, Pennsylvania which finished 13-13 under third-year Head Coach Greg Christodulu.

The defending Middle Atlantic Conference Northwest League champions, the Crusaders were also 6-4 and finished in second place in the league this season.

Macko played in only one game this season due to an arthritic condition which he developed before the start of the season. He was a starter in 1992 and batted .299 with five doubles, two triples and 19 runs batted in.

A recent graduate with a finance degree, he is the son of Mr. and Mrs. John Macko of Westfield.

Chargers Split In Division No. 5

The Westfield Chargers of the Westfield Soccer Association Traveling Soccer Division No. 5 suffered a 1-0 loss to the North Listerdon Falcons on May 14 on a goal late in the second half after outplaying their opponents for most of the game. Their loss only served to motivate the Chargers, as they came back on May 16 to overpower the Watchung Singers 7-1. Each goal was scored by a different player, five of which scored their first goals of the season. The Chargers took a 1-0 lead midway through the first half when Matt Karpis sent a long pass toward the goal which goalkeeper Jack Kane kicked from 10 yards out over the goal's outstretched hands. Five minutes into the second half, with the Chargers still leading 1-0, striker Eric Zimak took a ball back from a Singler defender after a centering pass from forward Gavin Shulman and put it into the net for a 2-0 Charger lead. Only minutes later Zimak sent a long lead pass to Shulman, who immediately sent it to right wing Kevin Doyle. Kevin moved around the last defender to score his fourth goal of the year. The final goal of the period came on a 25 yard one-bounce bomb from Ryan Hagan off a rebound of his own direct kick.

The Watchung team tried desperately to get back in the game, but the impenetrable defensive line of Mike Rowe, Doug Minardi, Chris Schwarz, Matt Shnoor, Kane, Ryan Hagan and Brendan Misher refused to allow them a chance. On the few occasions the Singers came close, they were stopped by another magnificent effort by keeper Paul Johnston.

The Chargers put the game out of reach by scoring three more goals in the final session. The first came on a beautiful centering pass from Doyle, after he intercepted the goalie's punt and smoothly poked past the goalie's Shulman.

Moments later, John Henry Flood scored his third goal of the year on a cross from the left side of a Singler net. The final Charger score came from goalkeeper Chris McClellan, who put in the rebound of another boomer from Hagan.

The Singers were able to break the shutout just before the game ended as the Westfield players, realizing that the game was theirs, began to relax.

Soccer Teams Plan Pancake Breakfast

The Division No. 4 Hotspurs Blast Soccer Team of Westfield will host the annual pancake breakfast on Saturday, May 29, from 7:30 to 11:30 at Edison Intermediate School.

Tickets are \$4 per person and may be purchased by telephoning 233-9346 or at the door.

Along with the opening ceremonies at Recreation Field at 8 a.m., the pancake breakfast will help kick off the Westfield Memorial Cup Soccer Tournament weekend.

Third Ward Councilman Kenneth L. MacRitchie

Councilman MacRitchie Details Support for Manor Park

Third Ward Councilman Kenneth L. MacRitchie, seeking reelection in the Tuesday, June 8, Republican Primary Election, expressed his support for the Manor Park Swim Club.

Councilman MacRitchie stated he recently arranged for the local government to enclose an open storm sewer on town-owned land near the swim club, which last year caused a flood which damaged the swim club's pumps. He added that enclosing the storm sewer will prevent flooding on the neighboring residential properties. Furthermore, Third Ward Councilman Gary G. Jenkins donated check valves for the pump house drains and snaked out the club's lawn drains.

Councilman MacRitchie related he and Councilman Jenkins last year provided the swim club with procedural guidance in obtaining a fairer property tax assessment, in order to assist the restoration of the club to financial health. He expressed appreciation the swim club has revised

its management arrangements, further enhancing its financial health.

Councilman MacRitchie indicated the area between Laurel Place and Sycamore Street contains a variety of community recreation facilities: The swim club with its main pool and kiddie pool, the basketball and volleyball facilities at the swim club, the soccer and baseball facilities at Sycamore Field and the Sycamore Field playground equipment.

He expressed his commitment to maintain and preserve these recreation facilities.

Etz Chayim Slates Its Annual Barbeque

The Etz Chayim Married Couples Unit of B'nai B'rith, for those in their 20's through 40's, will be holding their Annual Family Barbeque on Sunday, June 13, at a member's home in Scotch Plains.

The rain date is Sunday, June 27. The cost is \$22 per member family and \$25 per non-member family. Non-members are welcome.

Reservations should be made no later than June 8 by calling 232-0062.

Christine Jeans Earns Degree

Christine Jeans of Westfield earned a Bachelor of Science Degree in Elementary Education at Susquehanna University in Selinsgrove, Pennsylvania closed its 13th academic year with its annual commencement exercises on Sunday, May 16.

At Susquehanna, Christine was a member of Alpha Delta Pi sorority and the Orientation Team.

She is the daughter of William Jeans of Cranford and Mrs. Marie Jeans of Westfield.

Six Scholarships Awarded By Woman's Club of Westfield

The Woman's Club of Westfield, since it was founded in 1895, has been active in promoting education on the individual, community and state level.

A continuing aid to education was established in 1949 and since that date, 67 four-year scholarships and 109 freshman grants have been awarded to graduating seniors of Westfield High School.

Recipients of the awards were selected on the basis of academic achievement, character, leadership and financial need.

A reception was held for the recipients and their parents by the Scholarship Committee on May 10. The honorees are: Christopher DeMasi, Elizabeth Getz, Craig Juellis, Allyson Luck, Deborah Planko and Kimberly Traynor.

Christopher DeMasi, the son of Mr. and Mrs. Louis DeMasi, will attend Trenton State and major in pre-med. He is a member of the National Honor Society, Latin Club and Italian Club, where he serves as President. Christopher has volunteered at the Rescue Squad since 1991, where he is an Emergency Medical Technician. He has also volunteered at Children's Specialized Hospital where he is President, since 1992, of the Junior Twigs. Christopher is also a member of the winter and spring track teams and co-captain of the Varsity Cross-Country Track Team.

Elizabeth Getz is the daughter of Mr. and Mrs. Albert J. Getz. She will attend Middlebury College and major in French. Her goal is to be either a French teacher or enter international business. She is a member of the National Honor Society, President of the French Honor Society, French Club and Student Against Drunk Driving.

She is also a departmental head of the yearbook staff at Westfield High School. Elizabeth received recognition as a National Merit Commended Scholar. Last summer she volunteered to work for two weeks, with cancer and mentally impaired children. Elizabeth is a Peer Minister at St. Helen's Roman Catholic Church of Westfield.

Craig Juellis, the son of Mr. and Mrs. John Juellis, will attend Union College in Schenectady, New York and major in history. His goal is to be a history teacher in a secondary school. He was a delegate to Jersey Boy's State, Vice President of the 4-H Seeing-Eye Puppy Project, Delegate to the 4-H Citizenship-Washington-Focus and served an internship at the office of United States Senator William "Bill" Bradley. Craig was a member of the football and varsity Lacrosse teams.

The Scholarship Committee awarded Allyson Luck the Erma Sloane Chambers memorial grant. Her selection was based on leadership

and concern for others through service to the community. Allyson, the daughter of Mr. and Mrs. Raymond Luck, is enrolled at Notre Dame and will major in biology. Her goal is pediatrics.

She is a member of the National Honor Society, the French National Honor Society and the Art Club. In school she has maintained a Distinguished Honor Roll standing and is a tri-editor of the *Hi's Eye*. Allyson is a teachers' aide in a Foreign Language Awareness Group for elementary school students; she assists a teacher in an after-school French class.

The Gray Freshman Grant was awarded to Deborah Planko, the daughter of Mrs. Marian Planko-Garfield. She will attend Rutgers and major in biology. Her goal is to be a physical therapist. Deborah is a member of the French National Honor Society, Art Club, French Club, Marching Band, concert band and flute soloist with the Wind Ensemble. She is also listed in *Who's Who Among American High School Students*.

Deborah has volunteered at Children's Specialized Hospital in the brain trauma unit. She enjoys entering poetry writing contests and is a member of the United States Figure Skating Association.

Kimberly Traynor, the daughter of Mrs. Linda Traynor Moncur and Richard Moncur, will attend Union County College. She will major in child education. Her goal is to attain her teaching degree and work with handicapped children.

She is a member of the Concert Choir and Students Against Drunk Driving. Kimberly has volunteered at Runnells Hospital, is active in three Catholic Youth Organizations and is a Peer Minister at Holy Trinity Roman Catholic Church of Westfield. She is currently employed at the Westfield "Y" after school as a child-care counselor.

Funds for the scholarship awards are made available through the generosity of its members and fundraising activities. Serving on this year's Scholarship Committee were Mrs. Lawrence H. Bryant, Chairman; Mrs. Walter J. Campbell, Mrs. Samuel Kuni, Mrs. William Liggitt, Mrs. Eileen Meyer and Mrs. Stanley Otton.

The Woman's Club of Westfield is a member of the New Jersey State Federation of Women's Clubs.

Clock Expert Speaker At Drake House Museum

David Morgan, an authority on vintage time pieces, will discuss "19th-Century Antique Clocks" on Sunday, June 6, at 2 p.m. at the Historical Society of Plainfield's Drake House Museum. His program will include slides.

A member of the National Association of Watch and Clock Collectors and a Director of the association's museum in Pennsylvania, Mr. Morgan studied with a master clockmaker in California and is the owner of the Antique Clock Gallery in Whitehouse Station, featuring 17th, 18th and 19th century clocks. His personal collection concentrates on the 19th century.

Admission costs \$1 donation, although members are admitted free.

The Drake House Museum is located at 602 West Front Street, Plainfield.

For more information, please telephone 755-5831.

Plans, Specifications, form of bid, contract and bond for the proposed work and other Contract Documents thereto, as prepared by M. Disko Associates, are on file in their offices at 2005 U.S. Route 22, Union, New Jersey 07083, and in the office of the Board of Education, 302 Elm Street, Westfield, N. J. and may be examined at the office of M. Disko Associates during business hours.

Bidders will be furnished with a copy of the Plans and Specifications by the Engineer, upon proper notice and payment of a check for twenty-five (\$25.00) dollars, payable to M. DISKO ASSOCIATES, said cost being the reproduction price of the documents and is not returnable.

Proposals, forms (as contained in the Specifications), provided for the awarding of all the work to the lowest qualified bidder under a single contract.

The guaranty accompanying the bid shall be given in the amount of ten percent (10%) of the bid and may be given in the option of the bidder by a Certified Check, or Bid Bond from a reputable insurance company.

All bidders must be prequalified in accordance with Chapter 105, Laws of 1992, as amended by Chapter 108, Laws of 1993 as set forth in Instructions to Bidders.

Labor in connection with the project shall be paid not less than wages established in Prevailing Wage Determination, pursuant to Chapter 150 of the New Jersey Laws of 1993, or the U.S. Department of Labor Wage Determinations, whichever are higher for each item of labor.

Bidders are required to comply with the requirements of P.L. 1046, C. 12.

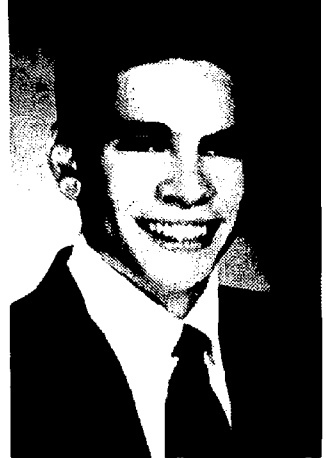

Bids may be held by the Board of Education for a period not to exceed sixty (60) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of bidders, prior to awarding of the Contract.

The Board of Education reserves the right to reject any or all bids if in its judgment the public interest will be served by so doing.

Tri-state Cat Show Set For Town Armory May 29, 30

The Tri-state Cat Fanciers of New Jersey will present their annual eighth Judging Ring Championship Cat Show in the Westfield National Guard Armory, 500 Rahway Avenue, Westfield on Saturday and Sunday, May 29 and 30, from 10 a.m. to 5 p.m. both days.

Over 300 cats will be entered, and the public is welcome to see these exotic pedigree breeds from all over the world: Scottish Fold, Himalayan, Sphinx, Persian, Somali, Abyssinian, Turkish Van and Norwegian Forest cats competing for trophies, rosettes and the crowning of "Best of the Best."

Also competing are household pets for their separate trophies and rosettes. Hundreds of visitors from around

the state are expected to attend to view not only the cats and the judging but also the meticulous grooming the felines undergo.

This is billed as an opportunity to learn grooming techniques — brushing, combing, shampooing, nail clipping, correct use of food supplements and correct feeding habits.

Also on hand will be vendors selling grooming supplies, jewelry and cat trees of wood. Plenty of free parking, free cat food to all and snacks are available.

Admission costs \$5, except \$4 for senior citizens and those under 12 years of age.

For information, please telephone 1-201-379-2816.

WINNERS ALL... Mrs. Ruth Kaye, center, winner in the Mother's Day Celebration drawing, receives her prize from Intown co-chairman George Brummer of Brummer's Chocolates, as Mrs. Cynthia Kowalczyk, Executive Director of the Westfield Area Chamber of Commerce, looks on. Mrs. June Gaglioli, the other winner, could not attend the photography session because of a sick child, but said that she would be able to enjoy her prize.

Two Young Town Mothers Are Intown Drawing Winners

Mrs. Ruth Kaye and Mrs. June Gaglioli were winners of the Mother's Day Celebration drawing sponsored by the Intown group of the Westfield Area Chamber of Commerce in early May. Their entry forms were drawn at random from among almost 1,000 entries placed in Intown member stores during the week preceding Mother's Day.

Mrs. Kaye, the first prize winner, received a gift certificate for a Day of Fitness and Beauty at Suburban Fitness Center, 822 South Avenue West. Mrs. Kaye, who grew up in Westfield and moved back to town eight years ago, is the mother of three young children. Her son encouraged her to fill in an entry form while they were shopping at Pickwick Village, 161 East Broad Street.

Mrs. Gaglioli, the second prize winner, received a gift certificate for two to enjoy a Jazz Brunch at Wyckoff's Steak House, 932 South Avenue West. Mrs. Gaglioli, who is the mother of two children under the age of four, just moved to Westfield last August and is still getting acquainted with local businesses, parks and activities. She filled out her winning entry form while shopping at Health Nutrition Center, 121 East Broad Street.

Prizes for the Mother's Day Celebration drawing were donated by Suburban Fitness Center and Wyckoff's Steak House, two members of the Westfield Area Chamber of Commerce among many which are located on the south side of town.

Kessler Institute Helps Resident to Recover

Mrs. Trudi Rockett, 68, of Westfield, recently experienced a traumatic in-home injury.

As a result of falling down her basement stairs, Mrs. Rockett suffered several fractures and injured muscles in the right ankle which left her bedridden for a month and confined to the indoors for another month.

After these two months of relative inactivity, Mrs. Rockett, who taught fourth grade in Mountainside for 12 years prior to her retirement, sought physical therapy at the Union Outpatient Center of Kessler Institute for Rehabilitation in Union.

After receiving three months of physical therapy, Mrs. Rockett was able to resume her daily activities which include: walking, housekeeping, social visits and trips to museums and local attractions.

According to physical therapists at

the Union Outpatient Center, one out of every three people can be expected to experience an in-home accident each year. Falls account for two-thirds of the fatalities within the home.

Factors contributing to the high risk of falls in the home are: Ground surfaces, lighting, stairs, bathrooms and bedrooms. Obstacles to safety in these areas should be identified and eliminated.

Mrs. Lori Saunders, a physical therapist for the Union Outpatient Center, offers the following safety tips:

Ground Surfaces

- Avoid highly-polished floors.
- Avoid thick pile carpets and throw rugs. Make sure all carpets are tacked down.

Lighting

- All rooms should be well lit.
- Light switches should be located directly on the outside or inside of doorways.

Stairs

- Stairways should be well-lit. Light switches should be located at the top and bottom landings of all stairways.
- Securely fasten handrails on both sides of stairwell and extend them the full length of the stairs.
- Keep stair treads in good condition.
- Keep the landings free from clutter.

Bathrooms

- Place skid-proof strips or mats in the tub or shower.
- Install non-slip grip bars in and around bathtubs and shower stalls.

Bedrooms

- Bed height should be approximately 18 inches for safe on-and-off transfers.
- Provide a clear pathway from the doorway to the bed.
- After a traumatic injury or illness, physical therapy services enable people to become self-sufficient and help improve their quality of living.

The Union Outpatient Center is part of Kessler Institute for Rehabilitation, which operates in West Orange, East Orange and Saddle Brook.

For more information regarding the Union Outpatient Center, please telephone 851-0800.

Fine Arts, Craft Show At Nomahegan June 5, 6

The seventh annual Spring Fine Art and Crafts at Nomahegan Park show will take place on Saturday and Sunday, June 5 and 6, in Cranford across from Union County College.

This show will feature juried, professional artists, photographers and craftsmen displaying and selling their hand-crafted work. The show is co-sponsored by the Union County Board of Chosen Freeholders, the Union County Division of Parks and Recreation and Rose Squared Productions, Inc.

All applicants are judged on originality, creativity, quality of work and general show appeal before being selected to participate. This year's exhibits range from brilliantly colored jewelry to handcrafted marbles.

Besides handcrafted wood and pottery, the show will feature artists, photographers, weavers, clothing specialists, woodworkers, whose work includes toys and carvings, country crafters, leather workers and stained glass artists. The show will be accented by a variety of ethnic foods.

The park, located on Springfield Avenue, can be reached by taking the Garden State Parkway to Exit No. 138 in Kentilworth and following signs towards Kentilworth going approximately two miles to a left onto Springfield Avenue. Parking is free across the street at the college.

The hours of the free event are 11 a.m. to 5 p.m., rain or shine. For further information, please telephone 874-5247.

PICTURE PERFECT...Amanda, an 18-inch soft sculpture doll, is one of the many offerings at the upcoming Spring Fine Art and Crafts at Nomahegan Park in Cranford.

Book Signing Of Jazz Volume To Be June 12

Robert Yurochko of Mountainside will introduce his book, *A Short History of Jazz*, with a book signing at Barnes and Noble, 240 Route 22 West, Springfield, on Saturday, June 12, from 1 to 2:30 p.m.

Mr. Yurochko is currently an instructor of music at Kean College where he is Director of the Kean College Jazz Ensemble and Kean College Concert Band. He teaches courses such as "Jazz in American Culture" and "Music Fundamentals."

Before his arrival at Kean, Mr. Yurochko taught in the Cranford Public School System as an instrumental music teacher. His book is a one-volume review of jazz from bebop to fusion, from big bands to Latin rhythms with an introduction by Wynton Marsalis.

This jazz monograph is intended for beginning and advanced students or adults of jazz and is called an excellent reference book. The book is a culmination of research travels to Africa, Brazil and the cities of New Orleans, Miami, Washington, D.C. and New York.

As a chronological study, the book features a brief historical treatise of each style with numerous photographs and musical illustrations.

The Kean College Jazz Quartet will perform at the book signing.

I'd rather smell the printers' ink and hear the presses go around than go to any grand opera in the world.

Miss Gisriel New Head Of Wardlaw Lower School

Miss Jean McCoy Gisriel will become the Head of the Lower School of The Wardlaw-Hartridge School on July 1, announced Burgess N. Ayres, Headmaster.

Miss Gisriel succeeds Arthur L. Strawbridge, who will become the Headmaster of The Harbor Country Day School in St. James, New York.

Miss Gisriel brings to Wardlaw-Hartridge the experience of a long career in independent schools. An educational consultant to the Milton Hershey School in Hershey, Pennsylvania, she served previously at the Montclair Kimberley Academy in Montclair as Assistant Principal. For many years she was associated with the Madeira School of Greenway, Virginia, where she served as Dean of Students and Chairman of the

Physical Education Department.

A native of Baltimore and now a resident of Verona, Miss Gisriel completed her undergraduate work, cum laude, at Boston University in science and physical education and received both a Master's Degree in Education and Counseling and a Master of Science Degree in Psychology from Johns Hopkins University. She has done postgraduate and professional work covering a wide range of counseling, student development and independent school management. She has been active in a variety of professional organizations.

Miss Gisriel first became acquainted with Wardlaw-Hartridge as a tennis coach bringing opposition teams to matches. She looks forward with great enthusiasm to heading the Lower School, serving students in Kindergarten to seventh grade, and finds the school friendly, warm and like "coming home."

Among her many interests, Miss Gisriel enjoys golf and skiing. A philatelist, she is also a collector of model trains and a builder of miniature doll houses and model ships. She also enjoys needlework.

The Wardlaw-Hartridge School is an independent educational institution with campuses in both Edison and Plainfield.

Six Students From Town Cited by Johns Hopkins Unit

Six students from Edison and Roosevelt Intermediate Schools were among 666 seventh-graders from New Jersey who were honored for their outstanding verbal and/or mathematical ability discovered in the 1993 annual Talent Search conducted by Johns Hopkins University Center for Talented Youth in Baltimore.

New York is a different country. Maybe it ought to have a separate government. Everybody thinks differently, acts differently — they just don't know what the hell the rest of the United States is.

— Henry Ford

America's first paved road was a turnpike between Lancaster and Philadelphia, completed in 1795.

The students, who scored well above the mean for high school seniors on the Scholastic Aptitude Test, received certificates of merit at the state and regional level in an awards ceremony on May 15 at the New Jersey Institute of Technology.

Last fall public and private schools in New Jersey identified more than 6,306 students who qualified for the Talent Search and took the Scholastic Aptitude Test in January. Approximately 11 per cent of those students and their families and teachers were invited to the ceremony.

The Westfield students honored were: Alice Kelman, Andrew Stein and Rishi Talreja from Edison and Thomas Olsen, Ryan St. Clair and Zoel Tamboli from Roosevelt.

More than 47,000 students from over 4,000 schools in 19 states and the District of Columbia participated in the 1993 Talent Search. Approximately 23 per cent of all Talent Search participants scored at or above the mean for 1992 college-bound seniors on the mathematics portion of the test and about 20 per cent scored at or above the verbal mean.

TALENT WINNERS...Three of the six winners from Westfield in the Talent Search conducted by the Johns Hopkins University Center for Talented Youth, left to right, are Thomas Olsen, Andrew Stein and Rishi Talreja.

Couple Aiding Disfigured Children Are Delbarton Graduation Highlight

In 1982, Dr. William Magee and his wife, Mrs. Kathy Magee, founded Operation Smile, a non-profit organization that dispatches medical teams to developing countries to perform free corrective surgery on

disfigured children.

For this achievement, the Magees have garnered many accolades, such as inclusion in a series entitled "Amazing Americans!" in the fall 1991 issue of *People* magazine.

On Sunday, June 6, at 3 p.m. in St. Mary's Abbey Church, Dr. Magee will speak at commencement exercises for Delbarton School's 109 graduating seniors. A reception for families and guests will follow immediately in the Italian garden.

Since its inception in 1982, Operation Smile has grown into an international grass-roots program with a \$2 million annual budget, 14,000 volunteers and chapters in a dozen United States cities and four countries.

To date, the Magees have launched 32 medical missions to nine countries, including China, Vietnam, Columbia, Ghana and Kenya, where a total of 4,800 children have been treated.

Dr. Magee is a plastic surgeon from Norfolk, Virginia. Mrs. Magee is a nurse and clinical social worker. The Magees were high school sweethearts in Fort Lee, where they grew up; they were wed in 1967.

Dr. Magee began his studies at the University of Maryland dental school, while his bride worked as a public-health nurse in the poorest neighborhoods of Baltimore. But Dr. Magee soon discovered plastic surgery and decided that it was the field for him. He then entered upon nine years of intensive training in maxillofacial surgery.

Operation Smile grew out of the Magees' experience in 1981 with a group of American doctors who went to the Philippines to operate on children suffering from cleft lips and palates. Within a year, they were back with 18 volunteer doctors, nurses and technicians to operate on 200 children.

More recently, Operation Smile went to Romania and will return to Vietnam in November.

Bernard Fitzsimmons of Westfield will be one of the school's June graduates.

COLLECTION DAYS...The Union County Utilities Authority held a household special waste collection day on May 1 at the Elizabeth Recycling Center. This was the first of five collection days. The next event is scheduled for Saturday, June 12, at the Union Township Department of Public Works. All five events are open to Union County residents at no cost. To register, please call the authority at 351-8770. Miss Doreen Gillet, a Roselle resident, right, is assisted with her waste by, from left, James White from Cycle Chem in Elizabeth, UCUA Chairwoman, Mrs. Helen Miller, and Miss Tara Hilderbrand of Cycle Chem.

the Recreation Commission she would support an alternative site, but the sports could be participated in at the town's parks and possibly in parking areas where they are not prohibited.

First Ward Councilman Norman N. Greco added Joseph Spector of The Leader Store on East Broad Street was speaking with founders of a skateboarding league from the Jersey Shore to see if a similar organization could be set up in the town as an alternative to using the lots.

Fourth Ward Councilman James Hely added the newly-resurfaced parking area at the Westfield Memorial Pool complex was an ideal location for the sports except when it was used for parking during the summer municipal swimming pool season.

A child had been injured when he jumped over a guardrail at the station lot while rollerblading, and his skates caught on the rail and he hit his head, Third Ward Councilman Gary G. Jenkins said.

He added the council's first priority was to protect the vehicles of those paying to park in the municipal parking areas.

The only negative comment from the audience came when a resident of South Chestnut Street complained skateboarders and rollerbladers using Gumpert Field were vandalizing it.

One of the youths replied the rollerbladers had placed a trash can near where they were playing in the field in order to keep it clean, but the can had been moved by other people using the area.

On the trash hauling measure, Mrs. Leslie Lewis of 140 West Dudley Avenue said her family had been awakened at 4 or 5 a.m. by trucks from Dependable Disposal, which operates in the area, and she was unable to get them to make pickups later in the morning by speaking to the firm.

Her only alternative, she was told, was to complain to the Union County Utilities Authority.

Since the county was unwilling to follow up, she said it was up to Westfield to do so.

Mrs. Ronnie Kaufman of 450 Edgewood Avenue noted, however, the county noise ordinance prohibited collections prior to 7 a.m. although it would be necessary for county environmental officials to observe the violations.

She noted Arnold Schmidt of the Union County Regional Environmental Health Commission had been to her house in an attempt to find Hamlette Disposal in violation, but the trucks were not in the area when he was there.

Violations of the county ordinance could result in a \$500 fine, she said.

Mrs. Kaufman said Westfield should have a restrictive ordinance in order to back up county enforcement efforts.

A representative of R & D Disposal, which serves many town customers, said the ordinance should not be enacted because the council receives a few complaints.

Particularly on Saturdays, when the county waste transfer station closes by noon, it would be particularly difficult for him to finish his routes without adding more trucks and helpers, an action which probably would cause him to increase his rates, the hauler noted.

The town, he said, should penalize only those haulers who actually were causing the noise problems.

Haulers Jerry Infantino said Dudley Avenue was known as "Deadly Dudley" by town Public Works Department employees because of the danger of working there during high traffic volume times.

Although Mr. Infantino said his crews are instructed to work the busier Westfield streets first, all town streets are busy at all hours and the later he

was required to do collections the more danger his men would be put under.

He also said he had a \$2 idler mechanism installed on his trucks to dim the noise they make.

Councilman Jenkins, who introduced the motion to table the measure for further study, said the ordinance should take into account only a few haulers were causing the complaints and it should consider allowing earlier pickups during snowstorms, on holidays and on Saturdays when the transfer station closes early.

Solid Waste Committee Chairman Anthony M. LaPorta replied Councilman Jenkins had made many good suggestions and he did not wish to penalize the majority of the haulers.

He added, however, the council had an obligation to balance the concerns of the haulers with the objections of residents.

Councilman Greco said he was against the 6:30 limit because it would make it virtually impossible for the haulers to do business in Westfield, and any increased costs resulting from it would be passed on to residents.

In other business, a request by residents of the Golf Edge-Kimball Circle area for the erection of a stop sign on Golf Edge to discourage speeders was referred to the Transportation, Parking and Traffic Committee, and the council approved on first reading ordinances providing for 4.5 per cent average salary increases for non-union Municipal Building employees and increases for unclassified employees such as the Municipal Prosecutor, the Public Defender and the Judge.

Councilman LaPorta, who voted against the 4.5 per cent increases, said he would like to see longevity increases limited to 3 per cent.

Other Councilmen said, however, longevity increases were a means of retaining dedicated employees and making up for the fact employees in many private industries get bonuses in better times which municipal employees do not receive.

The council also voted to support amendments to interest arbitration legislation which would instruct arbitrators to give consideration to other factors besides the "fair and final offer" on percentage wage increases before making an award.

Finance Chairman James J. Gruba noted such awards in the past often have been much higher than most communities are able to deal with without causing substantial tax increases.

JOINS FIRM...Mrs. Susan Cullender has joined Coldwell Banker Schlott, Realtors as a new fulltime Associate in its Westfield office, according to Mrs. Marilyn Kelly, Manager. Mrs. Cullender has been a real estate professional for eight years and has won many production awards, State Million Dollar Club Awards and has completed her Graduate Realtor Institute designation. A native of Plainfield now residing in Westfield, she has volunteered for Mithonberg Hospital and been active in the Elizabeth-Plainfield Junior League.

The program is the flagship effort of the Protestant Community Centers, which brings together volunteers who work with Newark elementary schoolchildren on projects involving such topics as creative writing, mathematics skills and computer use. Once a year, students and volunteers from all 25 centers come to Newark Academy for the Olympics, a day of games, prizes and celebration.

Supermarket Dispute Spreads to More Stores

The strike and lockout of employees of four area supermarket chains spread over the weekend as workers at 40 more stores in New Jersey and upstate New York on Saturday joined the walkout.

Employees at an additional 38 stores were locked out, according to Donald Vaillancourt, a spokesman for the four affected supermarket chains, Foodtown, Grand Union, Pathmark and ShopRite.

The Westfield store affected is the Foodtown on Elm Street.

A reported 7,000 additional employees joined the ranks of the unemployed by the weekend's actions, bringing to 19,000 the total not working due to the strike and lockout.

The total number of stores involved is 226 in New York and New Jersey, according to one published report.

The union, Local No. 1262 of the United Food and Commercial Workers, called for the expansion of the labor action to additional stores after talks broke off Friday night.

Although Frank Margiotta, a spokesman for the local, was quoted as saying a meeting between both sides was planned for Monday, Mr. Vaillancourt was quoted as saying no such meeting is planned.

The management spokesman also was quoted as saying both sides are close to an agreement on wages but are far apart on a health-care package.

Advertisements from both sides ran in area daily newspapers on Sunday.

According to the union advertisement, the company health proposal would force employees to choose from a network of doctors to which a majority of physicians do not belong

and employees would not be able to see a specialist in the network without permission from the network primary doctor.

It also said employees would have to pay deductibles both for in-network and out-of-network care, increasing the cost of deductibles \$3 to 350 per cent.

In addition, according to the union, the company proposal would force employees to pay up to \$4,800 a year in out-of-pocket expenses and, if they go to a doctor not in the network, they would have to pay 40 per cent of the medical in addition to their deductibles.

All health benefits would be eliminated for future retirees despite the fact retirees pay the full cost of their health premiums, according to the union's report of the management proposals.

The management advertisement noted the chains have offered all eligible full- and part-time employees a package, including current benefits, of medical, dental, vision, prescription, life insurance, legal services and pension.

It also said employees receive a minimum of seven holidays, 10 sick days, up to five personal days and one to five weeks of vacation, depending on length of service.

These benefits, according to the stores, are paid directly by the companies without any deductions from union dues or payroll deductions.

The latest contract proposal, the management advertisement said, offers wage increases and additions to the above benefits.

Food Brokers Caught In Middle of Strike

As the strike against four major supermarket chains, including the Foodtown in Westfield, entered its third week with no settlement on the horizon, the biggest victims in the labor dispute, besides the shoppers, are the food brokers, reports *Modern Grocer* magazine.

The brokers are being asked to supply significant amounts of labor to stores, while they have lost orders completely or have had orders significantly reduced, according to the magazine.

Brokers generally are paid shortly after their principals receive payment for their product. During the strike, most retailers have all but stopped paying invoices and have asked for extended terms that will carry well past the end of the labor dispute.

For the broker, this is devastating. Their only source of cash is their

commission check. With vendors waiting for payment, brokers are struggling to meet cash demands, the grocery magazine noted.

Volume is off 50 to 70 per cent at some stores which have been struck or where union members have been locked out, sources told *Modern Grocer*.

Another brokerage firm sales executive quoted by the magazine said while business at A&P stores are up as much as 30 to 50 per cent, this does not come close to offsetting the lost business caused by the strike. He anticipates the lost volume will not be made up when the strike ends.

Smaller brokers are faring a bit better. They do not have the retail overhead of the larger organizations and in many cases, may be in a better position to manage the cash-flow problem, the magazine said.

It's your right

Under **New Jersey's Open Public Records Act**, you have a right to inspect most documents of local, county, and state governments and their subdivisions.

The law says that except in certain circumstances any record that is required to be kept by government is a public record.

You have a right to copies of public records within a reasonable amount of time and for a reasonable fee. There are exceptions, of course; for example, to protect personal privacy and the integrity of a criminal investigation.

To illustrate, you have a right to see the resume of the superintendent of schools, but you do not have a right to the superintendent's medical records.

The purpose of the Open Public Records Act is to ensure that public business is conducted in public.

It's your right. Use it. Protect it.
