# *UNDERCLASSMEN*

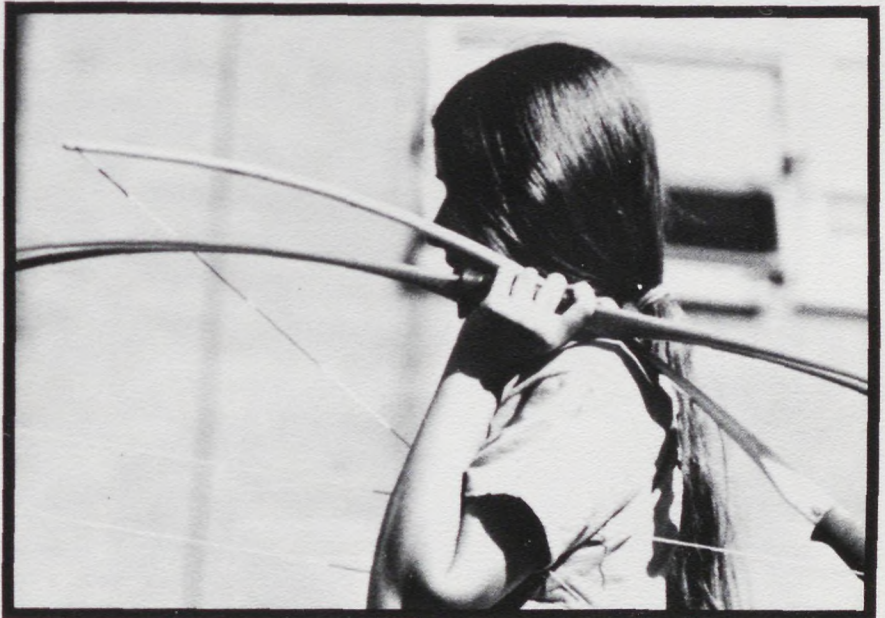

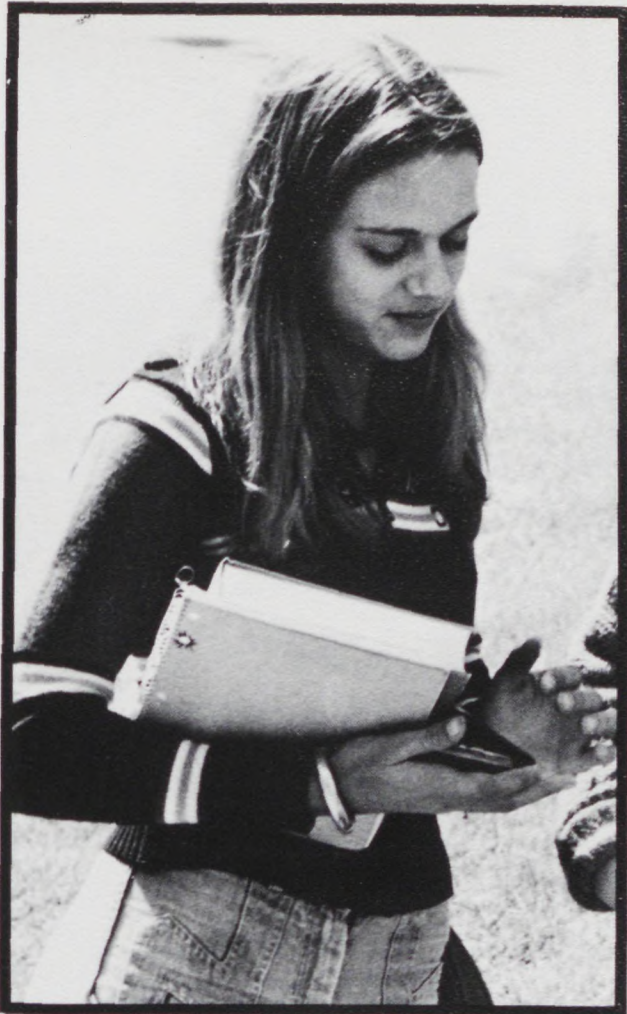

Who are you?

*"I-I hardly know, sir,  
just at present-at least,  
I know who I was when  
I got up this morning,  
but I think I must  
have been changed  
several times since  
then."*

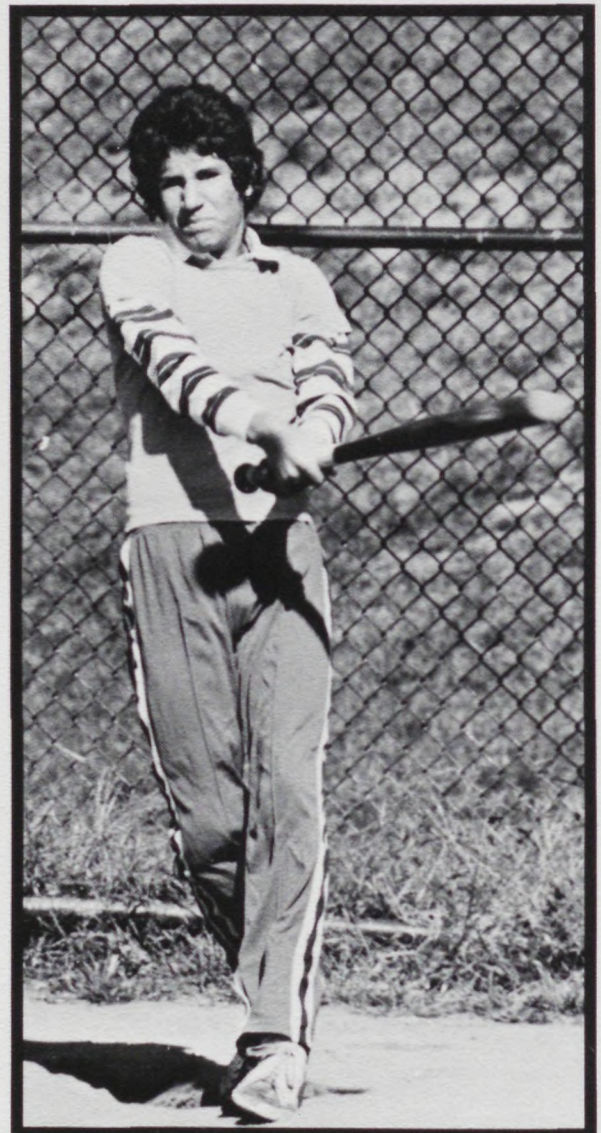

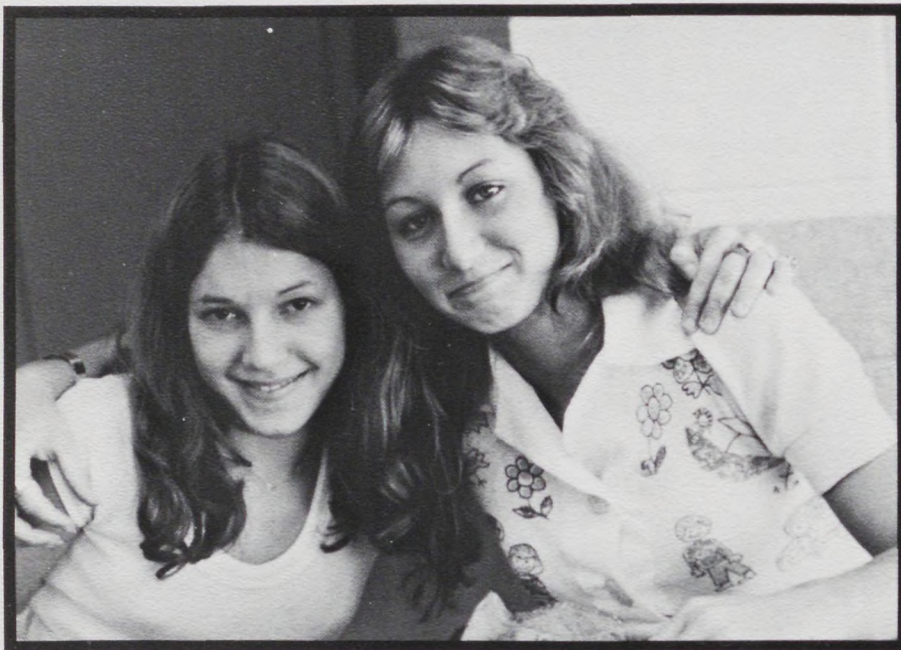

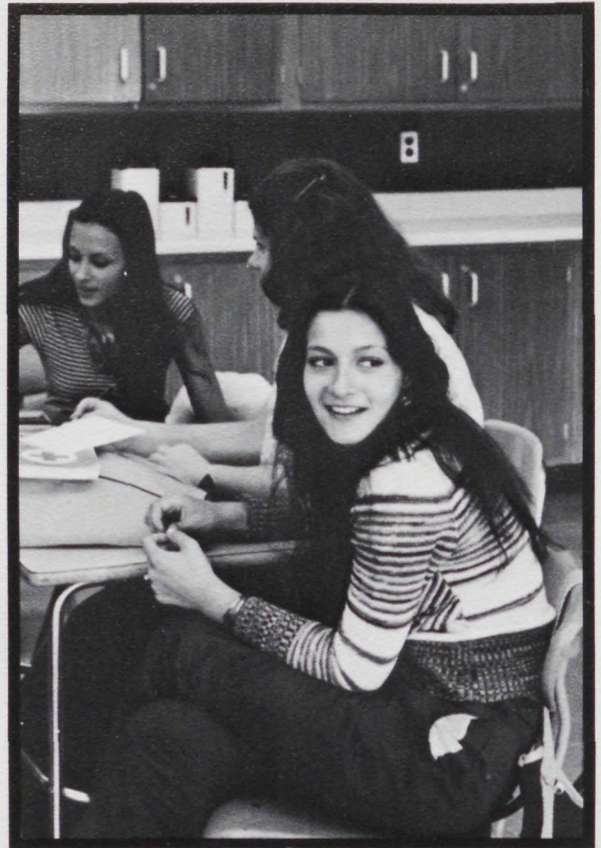

Alice in Wonderland

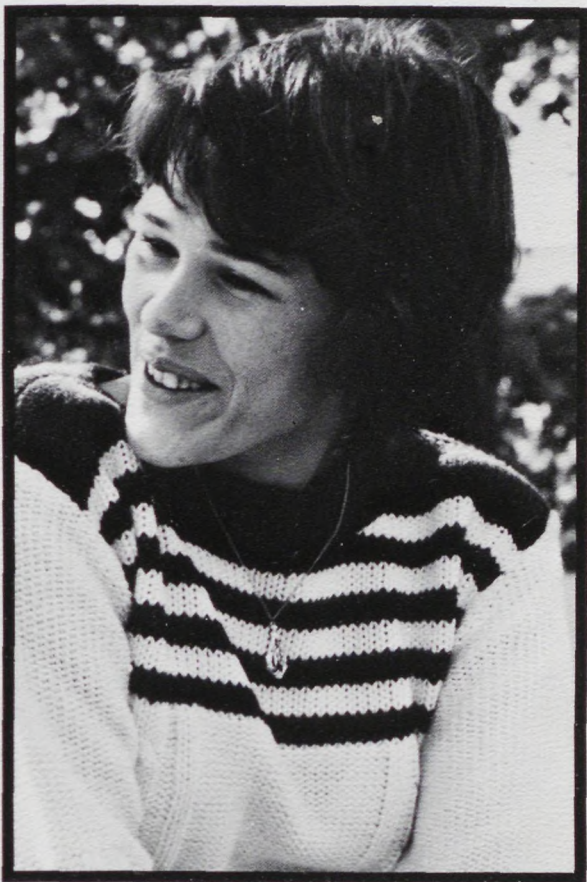

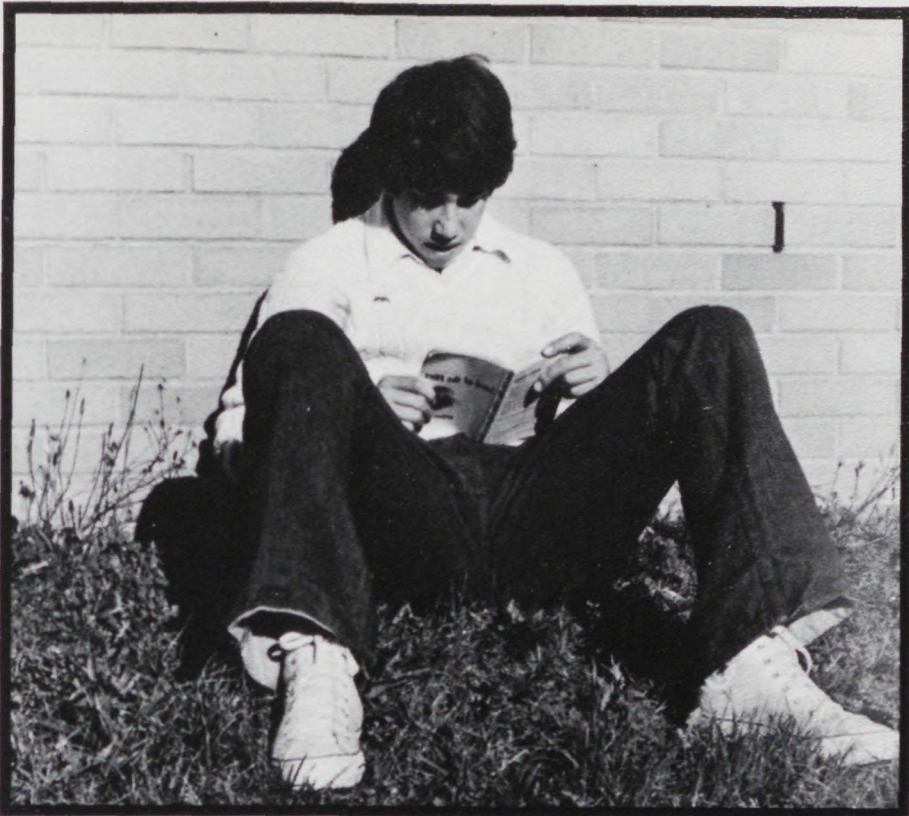

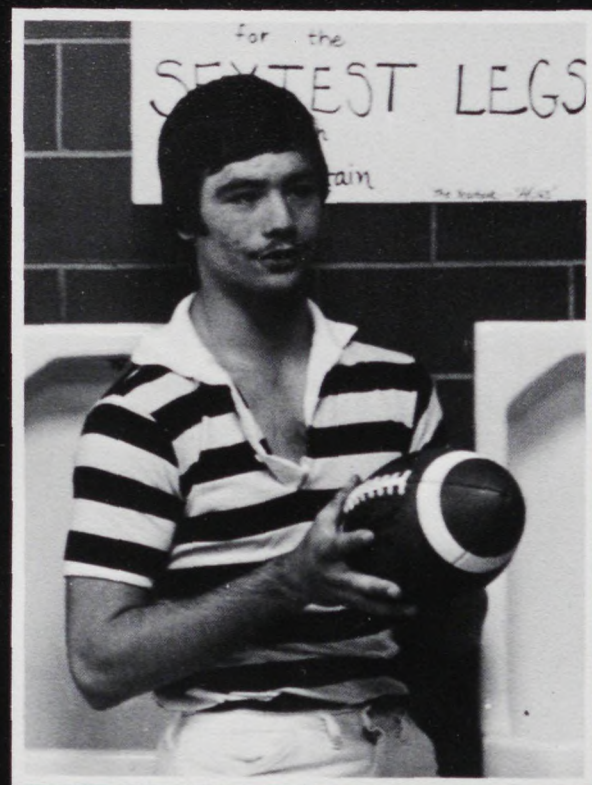

# *REFLECTIONS*

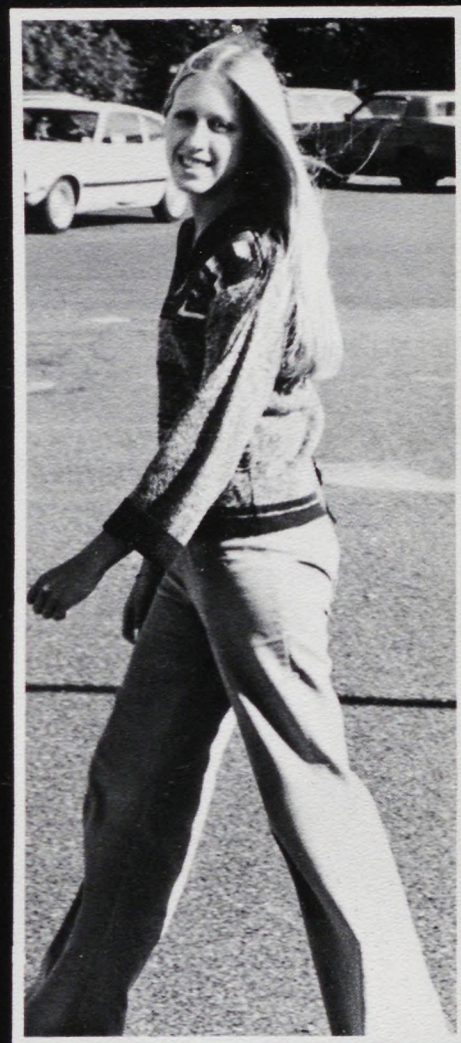

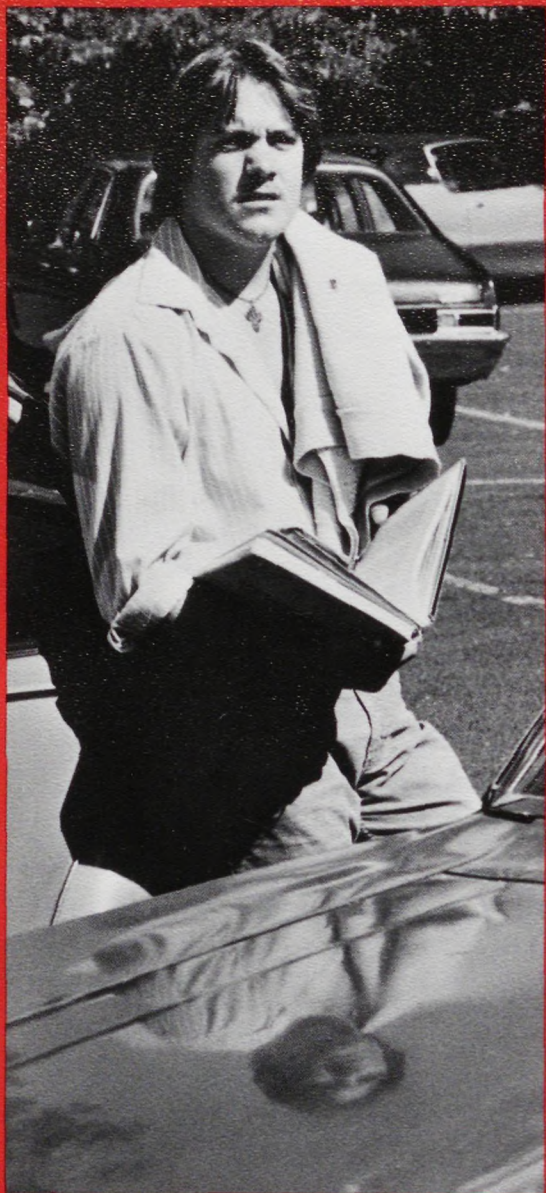

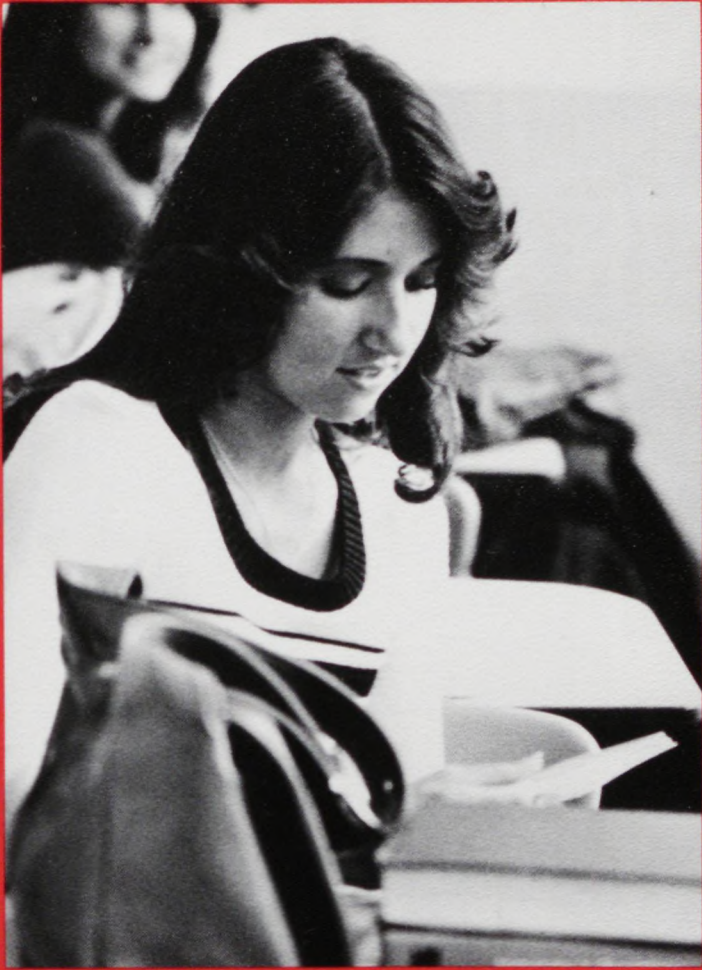

*... From now on I'm taking some  
time For living, grooving on every-  
thing Life is giving. I'm gonna be  
taking Time for life.*

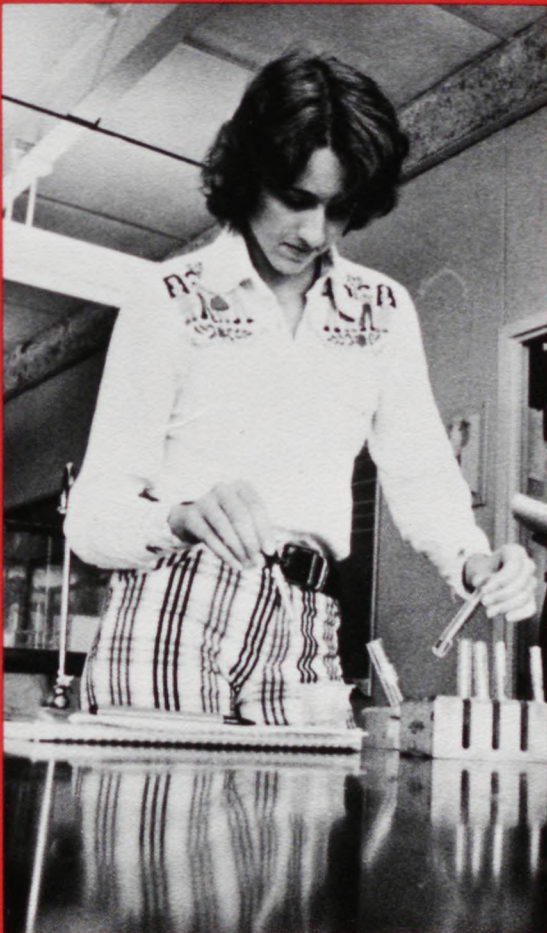

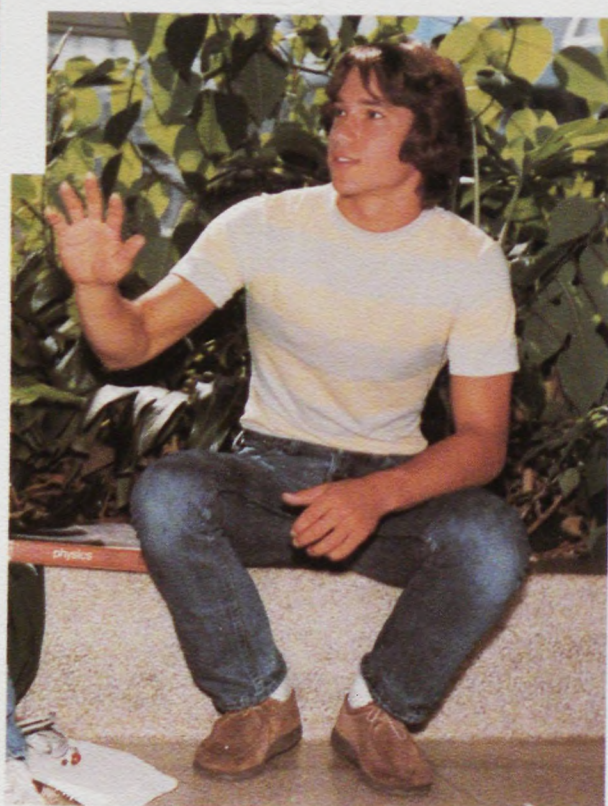

# A STUDENT IS NOT ...

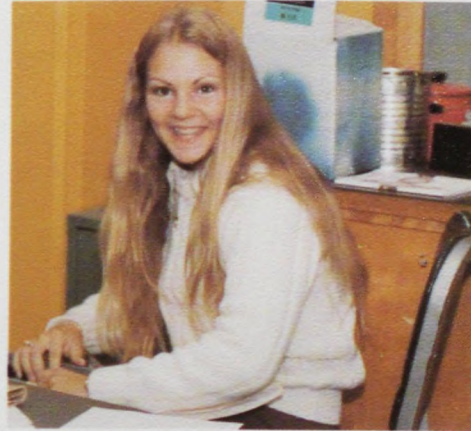

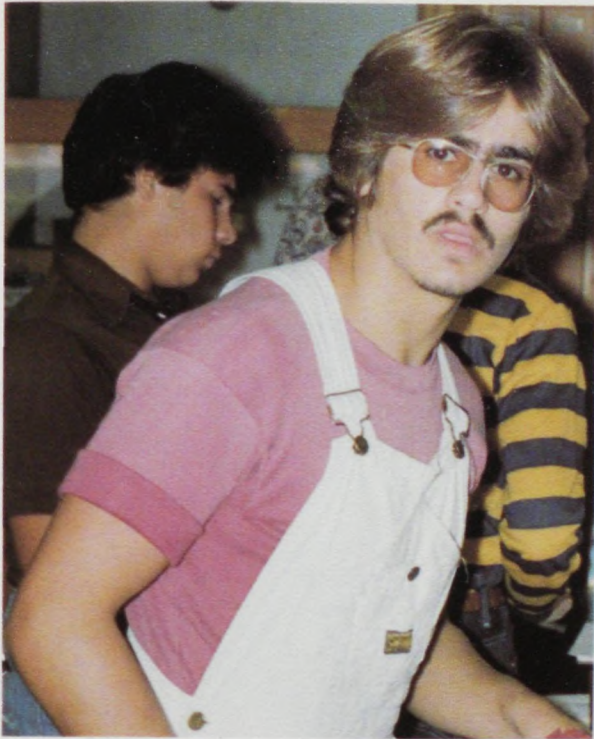

*A professional athlete ...  
 He is not a little politician  
 Or a junior senator looking for angles ...  
 An amateur promoter ...  
 Cafe-society leader ...  
 Quiz kid, or man about.  
 A student is a person  
 Who is learning to fulfill his powers  
 And to find ways of using them  
 In the service of mankind.*

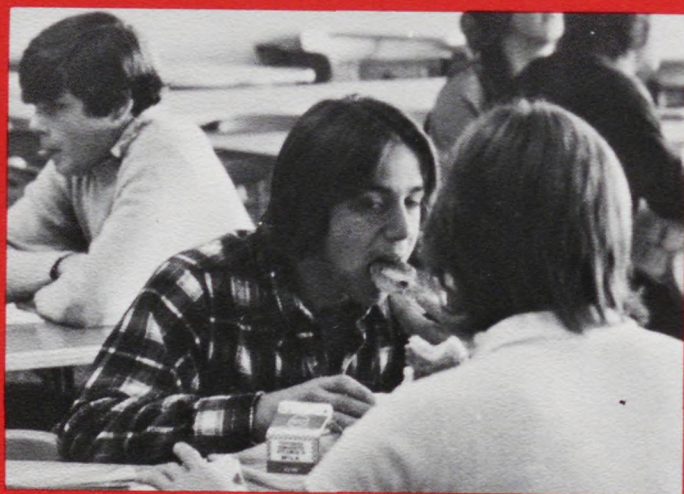

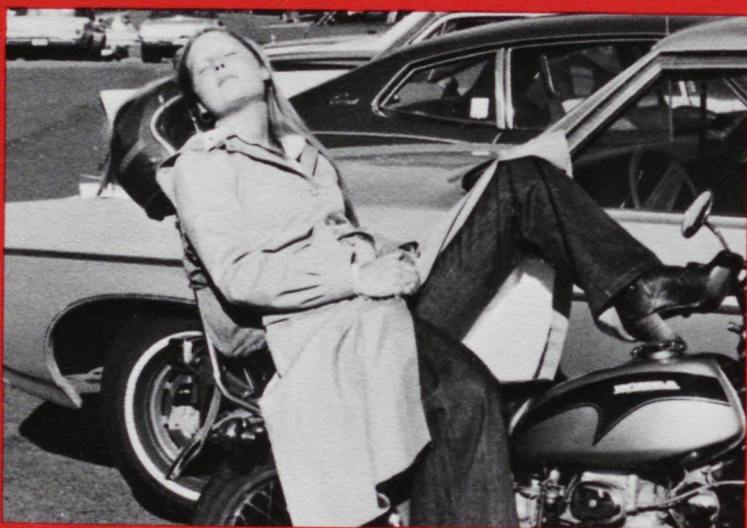

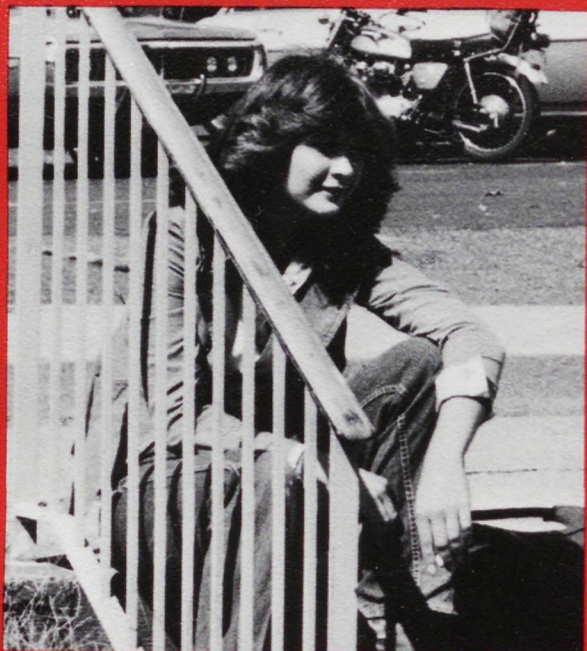

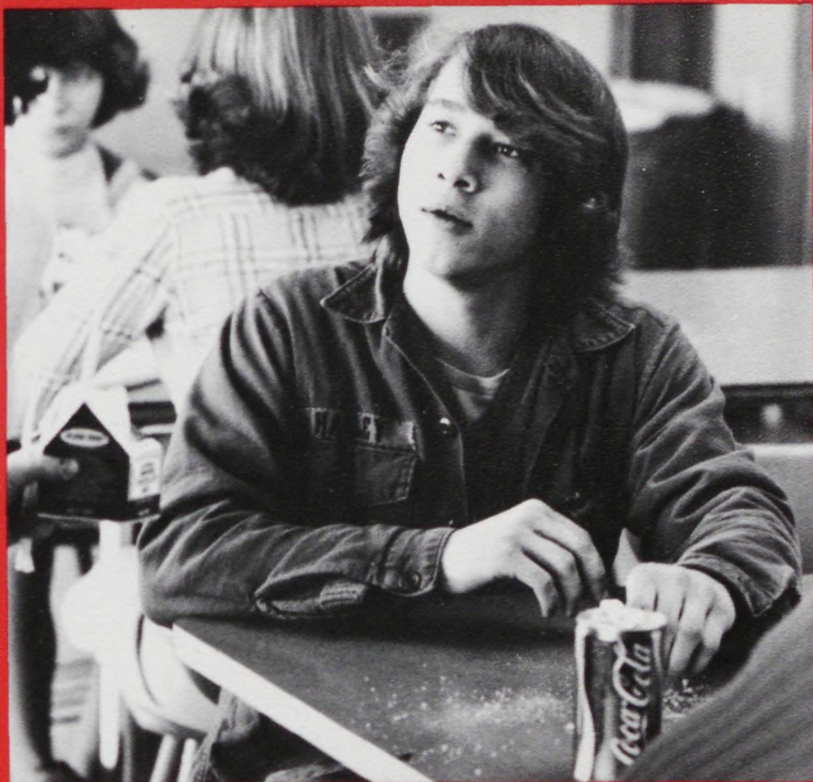

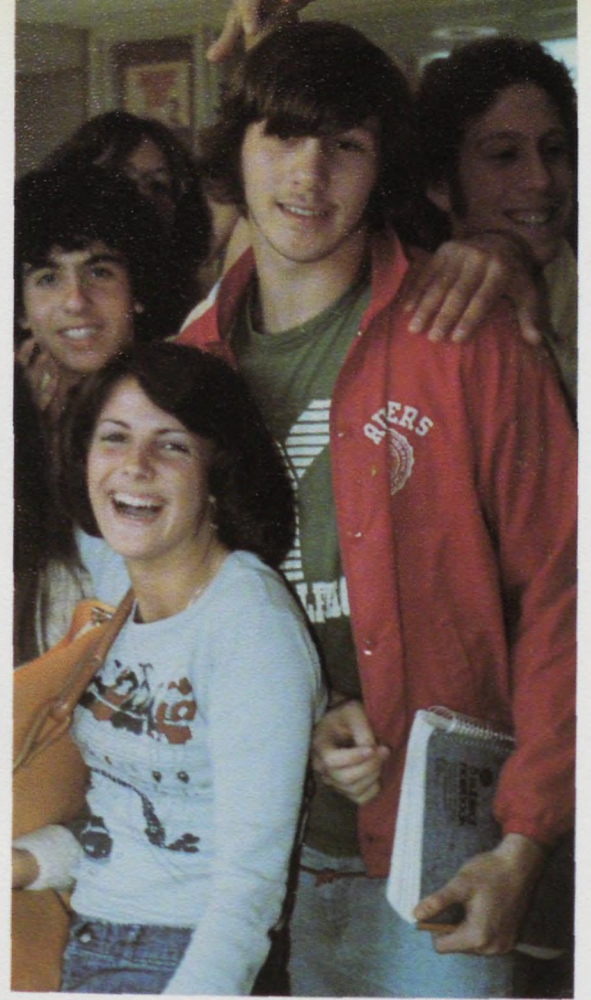

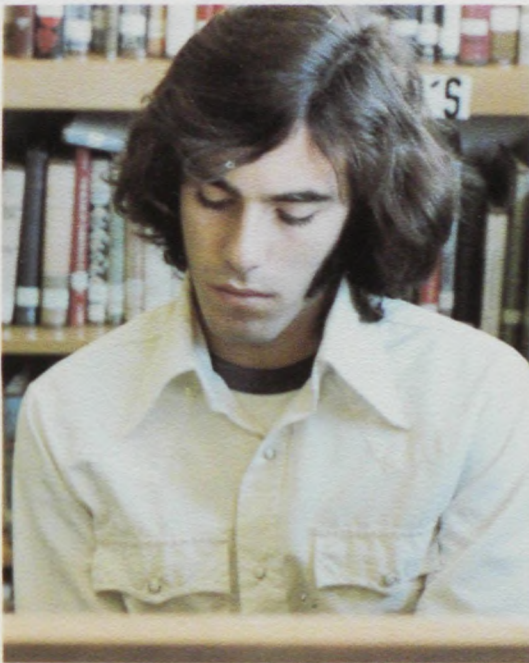

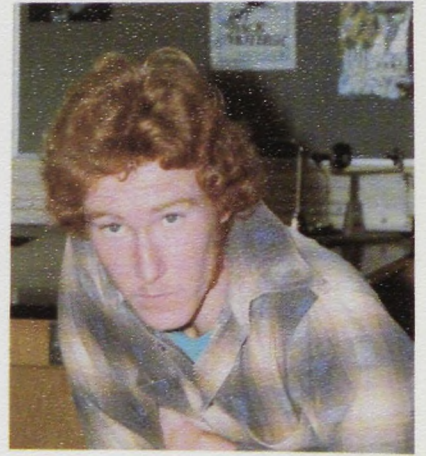

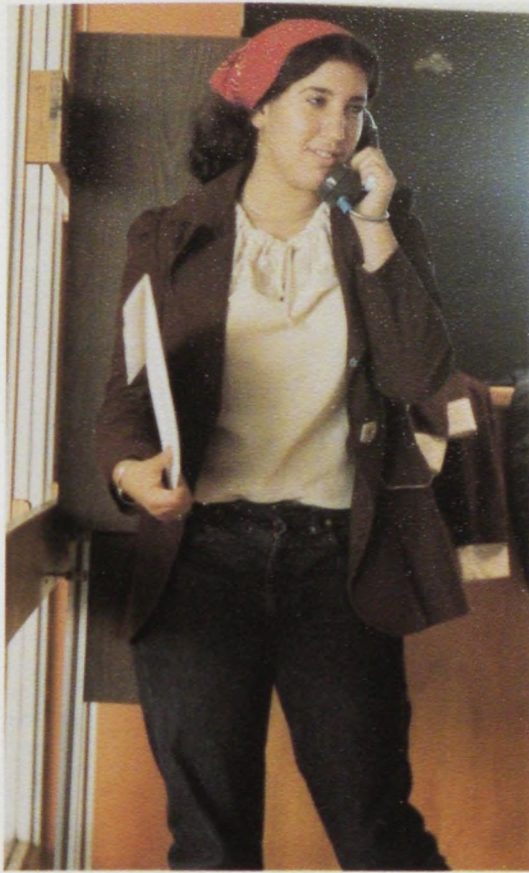

*There are some faces I'll remember  
from the places in my past.*

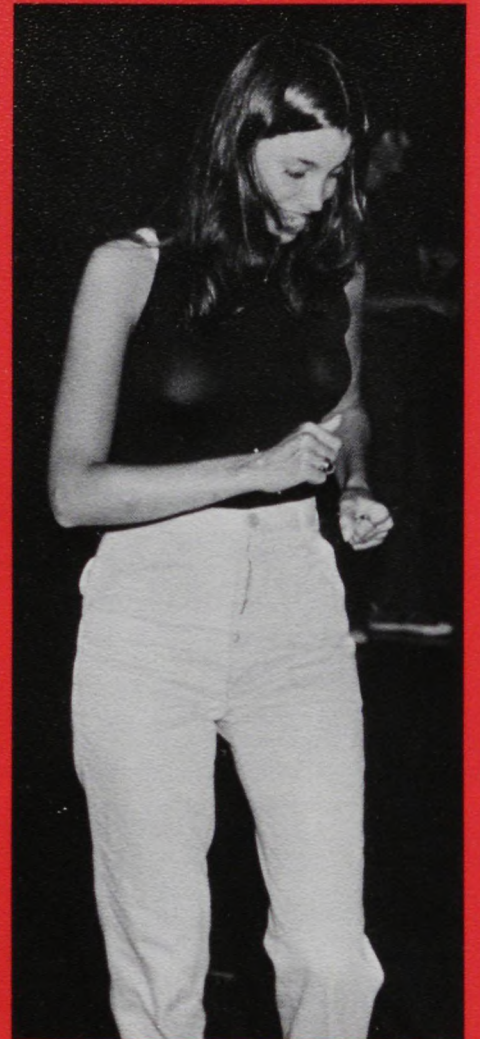

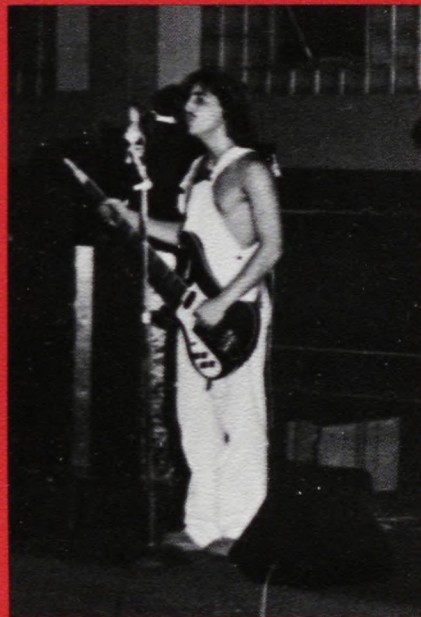

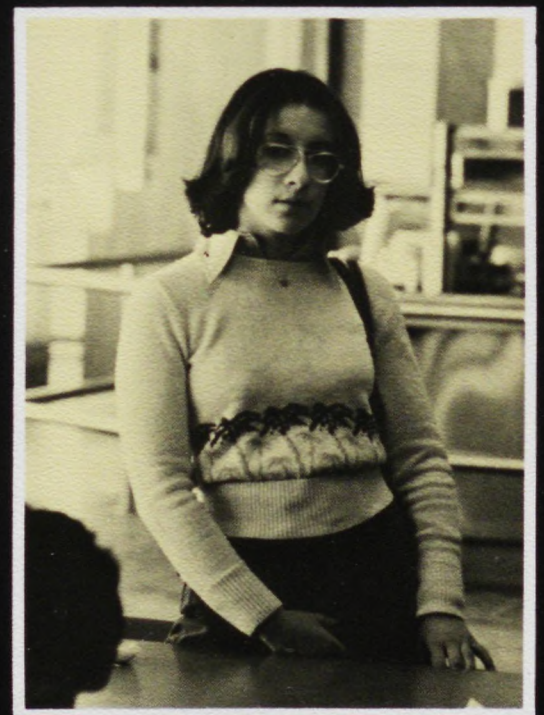

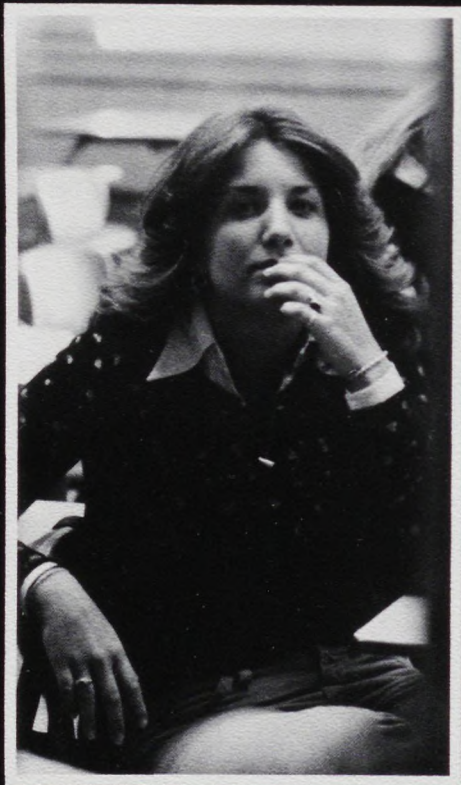

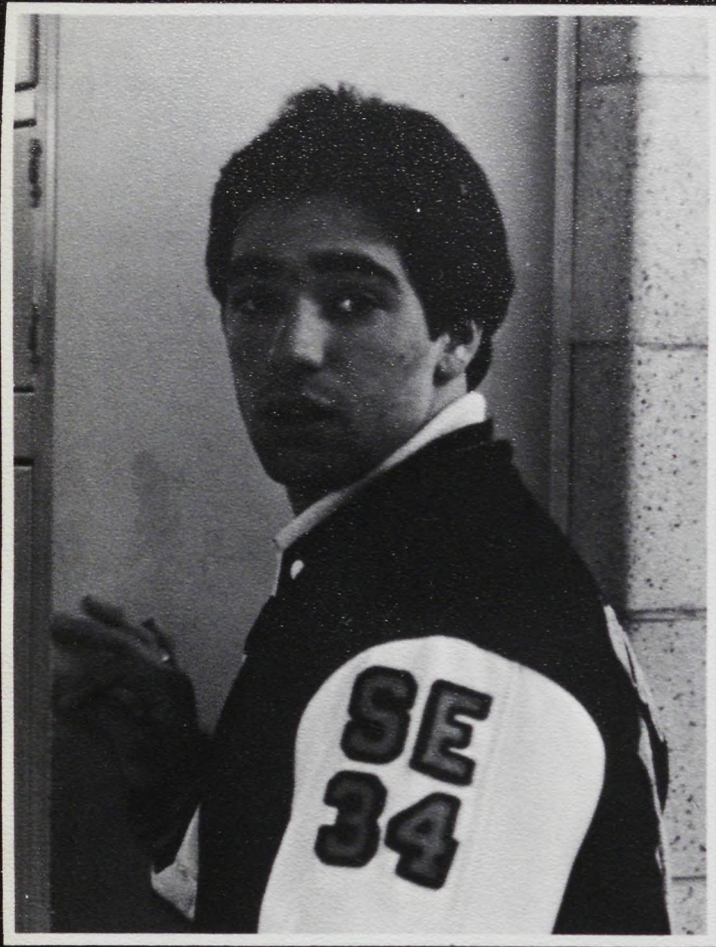

*Dance with me.  
Night is falling,  
And I am calling,  
Dance with me!*

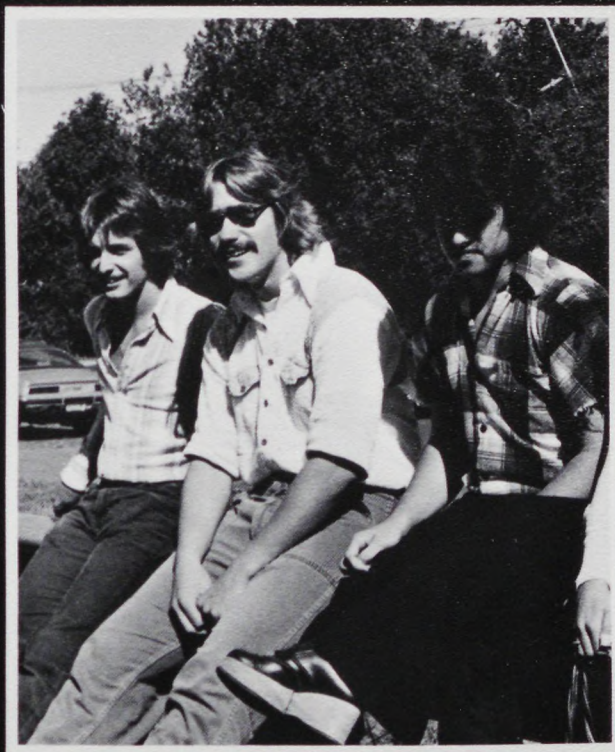

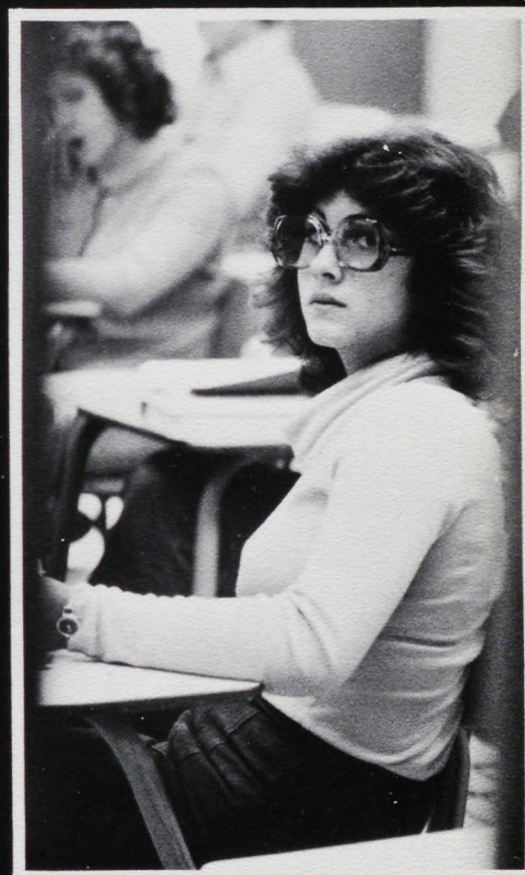

*Memories take you to a place  
you never thought you would see again.*

# *ACTIVITIES*

## STUDENT CONGRESS OFFICERS

Paula O'Neill, *recording secretary*, Michael Bolen, *vice-president*, Donna Kotocavage, *treasurer*, Jeff Kolton, *president*, Rosemary Moran, *corresponding secretary* (not pictured), Miss Judith Risse, *advisor*.

"Do it" is an appropriate theme describing the achievements of both Student Congress and Senior Class officers. They "did it," not only with traditional fun-filled road rallies and dances, but also with several additional innovative ideas.

The Student Congress added further spark to their meetings with the performances of singer Wayne Browne, and magician Jesse Greenfield.

Perhaps, the most outstanding accomplishment of the Mountain officers was their barrier-breaking meetings with the West Orange High officers, discussing mutual problems, goals, and the possibility of the first Mountain-West Orange activity, a marathon for charity.

## SENIOR CLASS OFFICERS

Celeste D'Alia, *treasurer*, Dan Bossie, *vice-president*, Cindy Luisi, *secretary*, Bob Ellis, *president*, Mr. Michael Lawrence, Mrs. Ileen Lohan, *advisors*.

## JUNIOR CLASS OFFICERS

Suzanne Spina, *vice-president*, Wendy Aiello, *secretary*, Scott Pomerantz, *president*, Julie Bogwald, *treasurer*, Mr. Richard D'Aries, Miss Loretta Holmock, *advisors*.

Like it or not, you probably gained several pounds as a result of the infamous Sophomore and Junior Class Bake Sales! The primary function of the Junior Class Officers was the challenge of raising funds for the purpose of planning the Junior Class Prom.

The Sophomore administration had an even more complex job. Their major goal was to arouse interest and generate a sense of fellowship geared towards producing another unique class personality.

# THE CONC SHOW

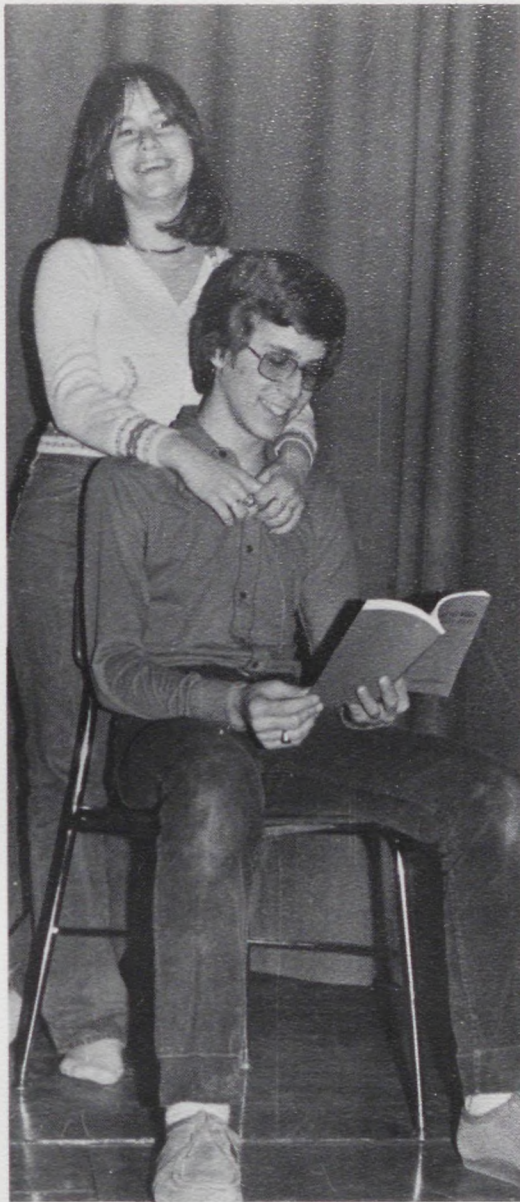

"AROUND THE WORLD IN 80 DAYS"

The chase was on — from to Mar-seilles to the Suez Canal to India, where Phileas Fogg rescued the beautiful Princess Auoda from certain death. She remained with him to the journey's end — on to Ragoon, Japan, America, and finally, on the 80th day, back to England in time to win the bet!

The road teaches you to accept good-byes,  
as a part of saying hello to things that  
are never and often better.  
It teaches you also that what was  
learned in the past can never be lost.  
On the road you spend much time  
wondering, learning, and sometimes,  
remembering . . .

*Here comes the setting sun,  
The seasons are passing one by one,  
So gather moments while you may,  
Collect the dreams you dream today,  
Remember - Will you remember  
The times of your life?*
