Preface

Asia's name probably came from the ancient Assyrian, "Asu", meaning "rising sun", and it was in this region that civilization began and the world's great cultures had their birth.

In this age of turbulence, it would be well to direct the focus of the apprehensive eye to the Land of the Lotus in an effort to scrutinize constructively and to appreciate its finer points, namely its art. From this focus of attention arises the softness, the tranquillity, the refinement, and the lightness peculiar to Oriental art. Creative prints usually reflected religious traditions in addition to a love of homeland and countryside.

Thus by using Oriental art as a means of access, the minds of youths have been examining the dynamics of the Far East, where decisions being agreed on today will influence the future course of our nation, our world, and our young lives. This theme may also serve as a timely reminder of an enduring and complex culture which is now being eclipsed.

Oh God, we pray that Thou shall show us the light of faith, justice, and love. Protect us from our enemies and ourselves for, from within, we can destroy that which has taken so long to evolve. Let it be that we of the future will harness the atom to benefit mankind. Let us recall the fate of the Oriental: isolation is disaster, atheism is death. We beseech Thee, grant peace, good will, fraternity, and temperance.

ADA S. TERRY

Mrs. Ada S. Terry has had an excellent training essential to her job as girls' Physical Education and Health instructor at West Orange High School. She was graduated from the Savage School of Physical Education and studied at Teachers College.

Mrs. Terry says that her greatest rewards in teaching are her pleasure in contacts with the girls and her satisfaction when they do a good job. She is especially proud of the hard-working squad of Twirlers, who performed many original routines during the football season.

Because of her study of opera, she shows a great enthusiasm in the Opera Club which she sponsors.

We are indeed proud to dedicate this book to Mrs. Terry.

Ada S. Terry

DEDICATION

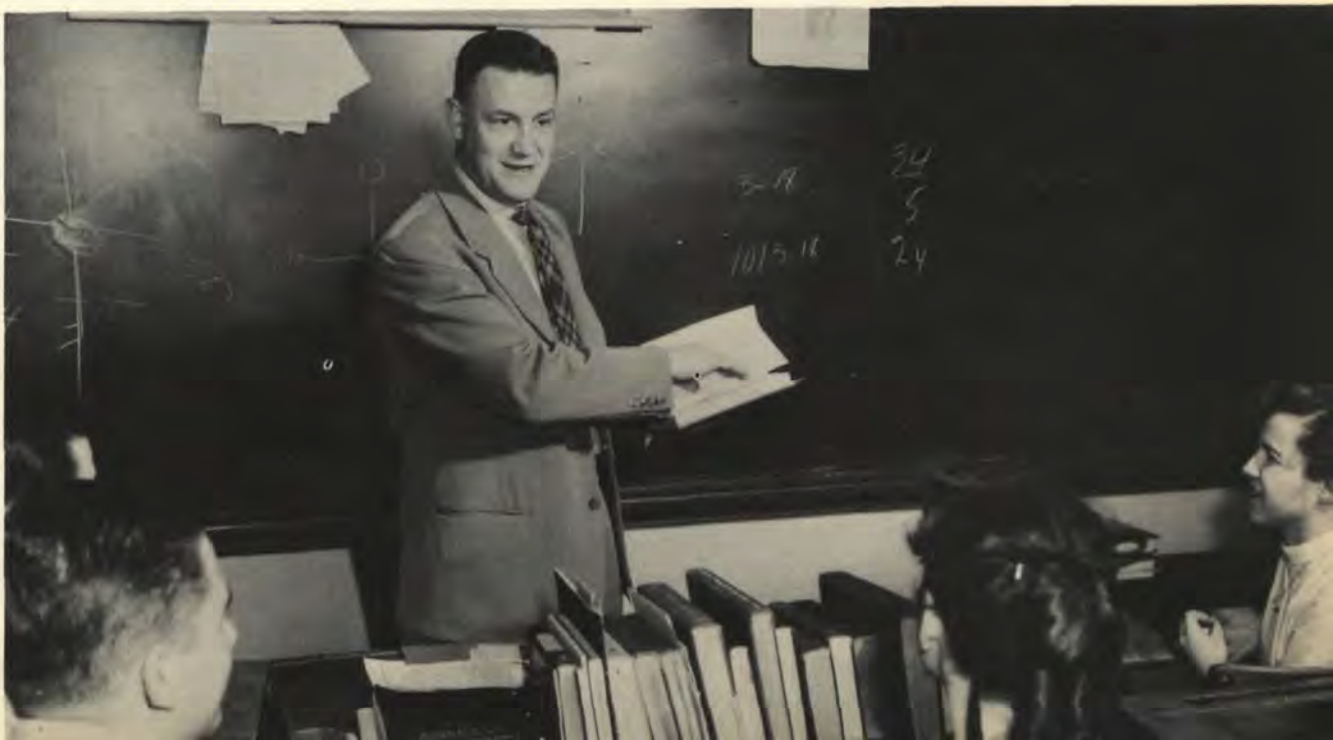

ALFRED LAWRENCE

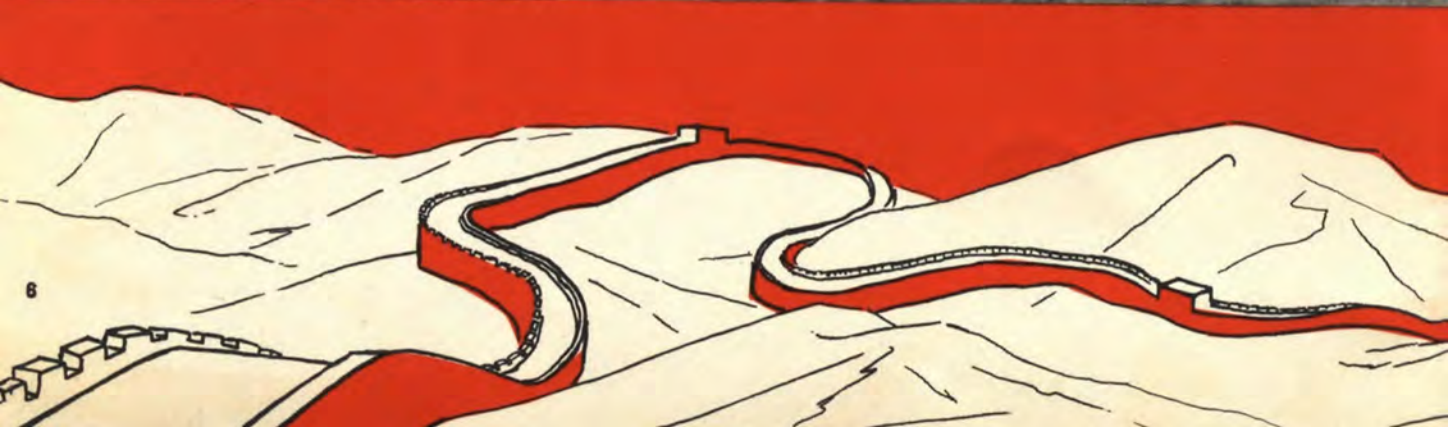

A graduate of Trenton State Teachers College, Mr. Lawrence studied at New York University and received his M.A. degree at Rutgers University. He is now Director of Athletics, Physical Education, Health, and Driver Education instructor here at West Orange High School.

Mr. Lawrence believes that one of the greatest satisfactions in his position is helping students and seeing their improvement during three years of high school. In teaching Driver Education, he has an intense desire to turn out better and safer drivers. In the summer, Mr. Lawrence enjoys directing a boys camp.

With gratitude for all that he has done toward the development of our young people, we dedicate our 1955 West-O-Ranger to Mr. Alfred Lawrence.

DEDICATION

Superintendent of Schools **MILTON W. BROWN**

To Dr. Brown, Superintendent of Schools, the high school owes a debt of gratitude for his diligent work in seeing that the entire school system is functioning smoothly and for his sincere interest in bettering our school.

Although Dr. Brown was born in Wisconsin, he spent most of his youth in Illinois. After attending Knox College in Illinois where he earned his B.S. degree, Dr. Brown went on with a year of graduate study at the University of Chicago to receive his M.A. His education was followed by fifteen years of teaching during which he earned his Ph.D. degree.

In 1946, Dr. Brown became Superintendent of Schools of West Orange. We, the class of 1955, wish to thank Dr. Brown for all that he has done for us at West Orange High School.

FACULTY

Principal **RAYMOND E. HEARN**

Friendliness and understanding are always associated with our principal, Mr. Hearn. He is never too busy to offer kind guidance to a student. His sincere desire to promote activities for the benefit of the entire student body is most outstanding.

Mr. Hearn, a graduate of Dickinson College, became principal in 1944, after having served as principal of Gaston Street School and Roosevelt Junior High School. Among his primary accomplishments is our excellent activity program which has received wide recognition.

In remembering high school days, the Class of 1955 will always be grateful to Mr. Hearn for his interest in us and in our welfare.

Vice-Principal CHESTER H. WINE

This year, Mr. Wine completed a decade of experience as vice-principal of West Orange High School. A graduate of Lebanon Valley College, a veteran of World War I, and a former history teacher at our high school, Mr. Wine is ready and willing to give helpful advice to every student. We shall always appreciate his patience and counsel in helping to develop the character of our nation's future citizens.

ABOVE—Senior Class Officers. Left to right: Millard Cherry, Vice-President; Betty-Lou Hess, Treasurer; Bill Stelger, President; Betty Ferrone, Secretary.

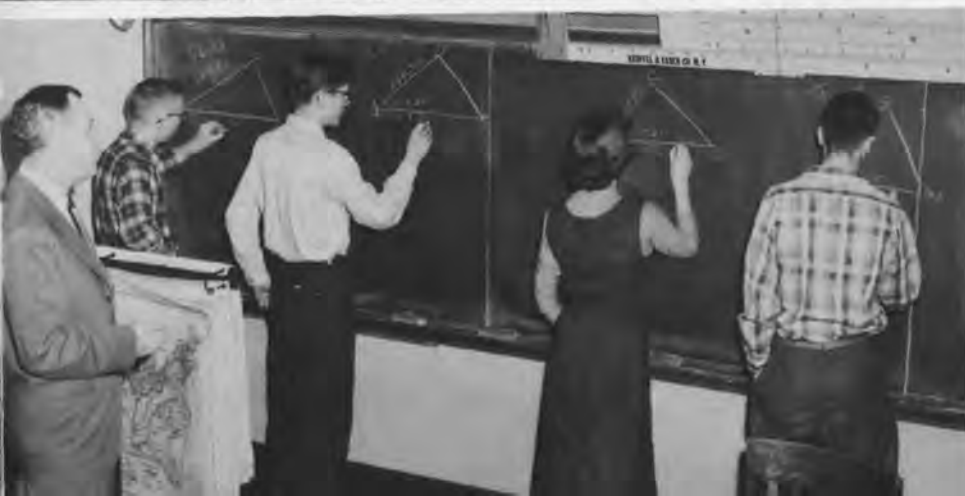

When the first few awe-stricken days at W.O.H.S. had passed, the '53 Sophomores settled down to the business at hand — building their class into a well functioning unit. The Sophomore Party got them well acquainted, and from then on they went merrily on their way through their first year of high school.

The second year found them with a bit more confidence and their spirit shone through on their good job of selecting class officers and putting up an effective as well as an informative bulletin board for all to view. The "3-D" Dance was one of their big triumphs and put a large bulge in the class treasury.

Guided by the class officers, the Seniors kept up a rapid pace of events, from the fall football games through the Christmas capers, Junior Prom, and the wonderful trip to Vacation Valley in the Poconos. Studies of Trig, Shakespeare, Chemistry, Spanish III, Interior Decorating culminated in June. Three years had come to a close. Tied by that indefinable bond of an Alma Mater, the Seniors now cherish memories of the past.

AT LEFT—Pete points out location of the pit. BELOW LEFT—Mr. Meyer plays an angle in Solid-Trig class. BELOW — Joni drops a hint to Diane and Liz as they eye the dropper.

The memory of Danny Stein, our classmate who suddenly passed away during our sophomore year, is still strong in the minds of all those who knew and loved him. Many people had their dull hours brightened by Danny's amazingly timely sense of humor that often alleviated tense situations.

Danny's interest in journalism was great; he undoubtedly would have established himself in the newspaper field with his quick pen and ready hand, if his untimely death had not snuffed out his budding ambition.

Although only former classmates at Roosevelt really knew him well, all his classmates were acquainted with him enough to remember him at odd moments when the cares of the day may hang heavily. We all wish fervently that his after life may be bringing as much supreme pleasure to him as his hours upon this earth brought to all of us.

*'Ere sin could blight or sorrow fade,
Death came with friendly care;
The opening bud to heaven conveyed,
And bade it blossom there.*

Soon after their return to the W.O.H.S. halls of learning, the class of 1956 elected capable officers to represent them in the business of the school year. Gail Kennison was chosen to lead the class as President.

The month of February was highlighted by the "Sweetheart Swing." Attractive and clever posters advertised one of the most enjoyable dances of the year.

The annual Junior Prom was an event anxiously awaited by all. Efficient committees worked to make the '55 Prom a long-to-be-remembered one.

Having proved their ability to carry out the responsibilities, the duties, and the wishes of the class, the Juniors now look forward to a happy, successful senior year.

The class of '57 commenced their year with the annual "Soph Swing" featuring talented sophs and "get acquainted" festivities. They elected an able group of officers headed by Dick Blake, President. The class profited when they successfully coped with the man-sized job of selling tickets for the Spring Band and Choir concerts. They have just reason to be proud of their unusually large representation in varsity sports, and have contributed much to school activities. The sophomores are now well acquainted and well on their way to a successful and enjoyable high school career.

FOOTBALL

Although our season's record (2-5-1) does not speak too highly of our team, cold statistics cannot possibly reveal the whole story. Inexperience, the main deficiency, was just too much of a hurdle for the boys to conquer. One thing that definitely was there, though, was spirit on the part of the players and the fans. This wonderful thing is contagious; it can be caught by the players from the fans and vice versa. When Tony Sellitto was injured in the Irvington game, the first game of the season (a 7-7 tie), Harold Behar, Phil Cataldo, and the rest of the team had the full support of our fans. They showed it, too, by their sparkling play in the second half.

Another thing that can be considered a success is the favorable records of all of the underclassmen teams. The "B" team, new to West Orange, but not to neighboring schools, is a good example. Under the able direction of Mr. Thomas Guest, this team won five while losing only two. Mr. Robert Krimmel and Mr. James O'Keefe must be commended for their work with the J.V.'s. These boys compiled a 1-0-3 record, while gaining valuable experience for next year. Under a new system, instituted last year, the freshmen from Roosevelt Junior High School and Edison Junior High School combined, under Mr. Howard Mathesius and Mr. Harry Hopkins, to train with the varsity and win three games, lose one, and tie once. This system, although comparatively new, has already begun to pay dividends. Thirteen sophomores were fighting for starting positions at the beginning of the year, and some of them achieved their goals, while others won positions on the squad.

Again and again during the season, against Clifford Scott (0-19), East Orange (6-36), and Kearny (14-20), we were dismayed at not getting the breaks and, even though outplaying our foes, we lost by only slight margins. Midway in the season, after making a strong comeback in the second half of the Kearny game, we were faced with our arch rivals, Orange. Our team was physically and mentally "up" for this battle. This time we came out of the foray victorious, seeking other "victims".

Apparently, some of our spirit lasted until our next game with Belleville (7-6), but this was a short-lived victory, for Montclair, our next opponent, defeated us 21-6. Immediately after this game, we were deprived of one more victory—the Bloomfield game was not played because of poor playing conditions.

At the end of the season, the annual Thanksgiving Day game was played on a muddy, slippery Columbia field. The underdog Cougars surprised us and everyone else when they scored in the first and fourth periods to sandwich our last stanza tally. It was a well-earned triumph for Columbia (14-7) and a tough loss for the Cowboys, but both teams exhibited the fine sportsmanship that is synonymous with this classic.

CHEERLEADERS

This year's cheerleading squad, a group of fully qualified juniors and seniors, has spurred our athletic teams on to many a victory. Headed by Captain Toni Natelson, they have comprised a faithful and extremely spirited group.

Through their initiative and hard work, we have had the benefit of a number of new cheers during the football and basketball seasons. Also, the squad receives credit for arranging pep rallies, both in the auditorium and at Jenkin's Playground.

TWIRLERS

At our football games during the '54 season, the spectators were entertained by a group of twelve good-looking girls. These "femmes fatales" were known to all as the West Orange High twirlers. Faithful and diligent practice enabled the girls to perfect many new and original routines. One of the most popular was their rendition of "The Man With the Banjo," complete with black top hats.

The twirlers also participated in the pep rallies and were on hand whenever called upon to help boost the spirit of the school.

Dear Marion,
So a real

school career is a huge, tremen-
dous success. I know it will be.

BASKETBALL

Basketball this year at West Orange received a "shot in the arm." Along with a new coach, Mr. Thomas Guest, and a new gymnasium at Pleasantdale, our increased attendance over previous years helped tremendously in producing a winning team. At tournament time, our record of eleven wins and five losses placed us well up in the standings of the Inter-Oranges League. It also earned us a berth in the top ten of Essex County, and labeled us a threat to take the Tourney title. Our junior varsity team showed great promise this year, too. Under the able guidance of novice coach Whitman, the sophs compiled a neat overall 12-6 record, a sign of the good future basketball at our school.

From the very beginning of the season, the Cowboys showed their prowess by handing out decisive defeats to Columbia and Bloomfield. Our next few games were with three highly-touted teams, Montclair, Belleville, and Orange. Although the boys gave their all in each of these games, their effort was just not strong enough. We were still a green team, as the later, better performances proved.

Rebounding from the season's first and only losing streak, the Cowboys came to; looked at; and conquered the Morristowners in a 91-48 lopsided romp. From

there we met undefeated West Side, eventual Essex County Tournament winner. In a rather unflattering manner, the Newarkers ran wild, scoring 83 points to our 60. Not dismayed by this loss, we bounced back to start a streak of four wins. Beginning with East Orange, the boys waded through and defeated Columbia, Kearny, and Irvington. Then our charges encountered those of Orange. For the second time, their height, speed, and rebounding ability scored for them, but this time they faced a better West Orange team, one which made the game closer than the 43-54 score indicates. After this last defeat of the regular season, the Cowboys went on to win the four remaining games with Nutley, East Orange, Bloomfield, and East Side. These victories pushed us into the long-awaited County Tourney and seeded us seventh. The schedule-makers of the Tourney pitted us against Central in the first round, and, as expected, the Cowboys walked off the floor victorious. However, our next opponent, West Side, eliminated us in a tense, hard-fought contest, which typified those of the entire tournament.

Next year's prospects look good for West Orange. We have two competent, new coaches in Mr. Guest and Mr. Whitman, a fine crop of J. V.'s and freshmen, and a large, loyal, demonstrative group of fans.

GIRLS' SPORTS CLUBS

The Girls' Sports program held its annual appeal for a great number of girls. Ping pong, basketball, and bowling constituted the fall athletic slate and swimming, baseball, and archery drew great participation in the spring months. Girls who were hopeful of gaining a place on the cheerleading or twirling squads, came out one afternoon a week for practice with the present squads, until the tryouts, early in June, when a fortunate few were selected. A girl receives 100 points maximum, for participation in one activity, and can anticipate a class numeral when she has accumulated 400 points; she receives a block when the total of 800 points has been reached.

BOYS' SPORTS CLUBS

During the allotted time of Wednesday and Friday activity periods, the combined sports clubs of Mr. Lawrence, Mr. Krimmel and Mr. O'Keefe participated in touch football, softball, and basketball outdoors, weather permitting. Otherwise members made use of the gym facilities or viewed pictures of sporting events.

Some members of the Jayvee and Varsity basketball squads, under the direction of Mr. Guest, made a thorough study of the game and were instructed in playing strategy.

Mr. Wears' hunting and fishing club participated for the first time in rifle matches in addition to enjoying fishing contests and hunting expeditions—all making for a very successful year.

Those interested in hiking, cycling, or skiing found their clime in a club under the sponsorship of Mr. Whitman. Plans for an all day cycling trip and discussions on the various sports associated with the club were among this year's activities.

BASEBALL

At the beginning of this season, as has been the case in recent years, only a few letter men remained from last year's baseball squad. These players formed a nucleus around which Coach James O'Keefe built his present lineup: American Legionnaires, and promising sophomores and juniors. He evidently did a pretty fine job, for the Cowboys, so far this year, have compiled a neat 7-2 record. Unfortunately, both of those losses have come at the hands of Big Ten Conference rivals.

On opening day, the West Orange batsmen gave an indication of their prowess by chalking up seven runs to Bloomfield Tech's two. This victory, together with successive wins over Montclair, Columbia, and Kearny, ran our streak to four straight, and it stamped us a contender for Big Ten honors. We then met Nutley, Conference leaders, in a game which was postponed from early April. Despite a strong effort by the maroon and white, Nutley emerged victorious in the seven inning foray. From there, we went on to defeat Montclair for the second time. East Orange, and Irvington amidst rained out games against Orange and Newark Tech. The next contest with Bloomfield proved to be very disheartening. That loss practically eliminated our chances for a Big Ten championship, but, as the saying goes, "You can't win them all."

Summing up, it looks as if the Cowboys have a solid team this year and should win more than their share of games. Also, with the return of the J. V.'s, coached by Mr. David Bayer, next year's varsity should be even better, for the boys will have had a year of experience.

TENNIS

Under the able guidance of Coach Merlin Finch, our tennis team this year at the outset of the season was engaged in a three match winning streak. After a shaky start (having lost to Millburn the first time out), the Cowboy racqueteers bounced right back to defeat East Orange, Kearny, and Bloomfield by the same score, 3-2. With this introduction, the team is well set to meet all future competition. Generally, play is consistent with singles especially strong and steadily improving.

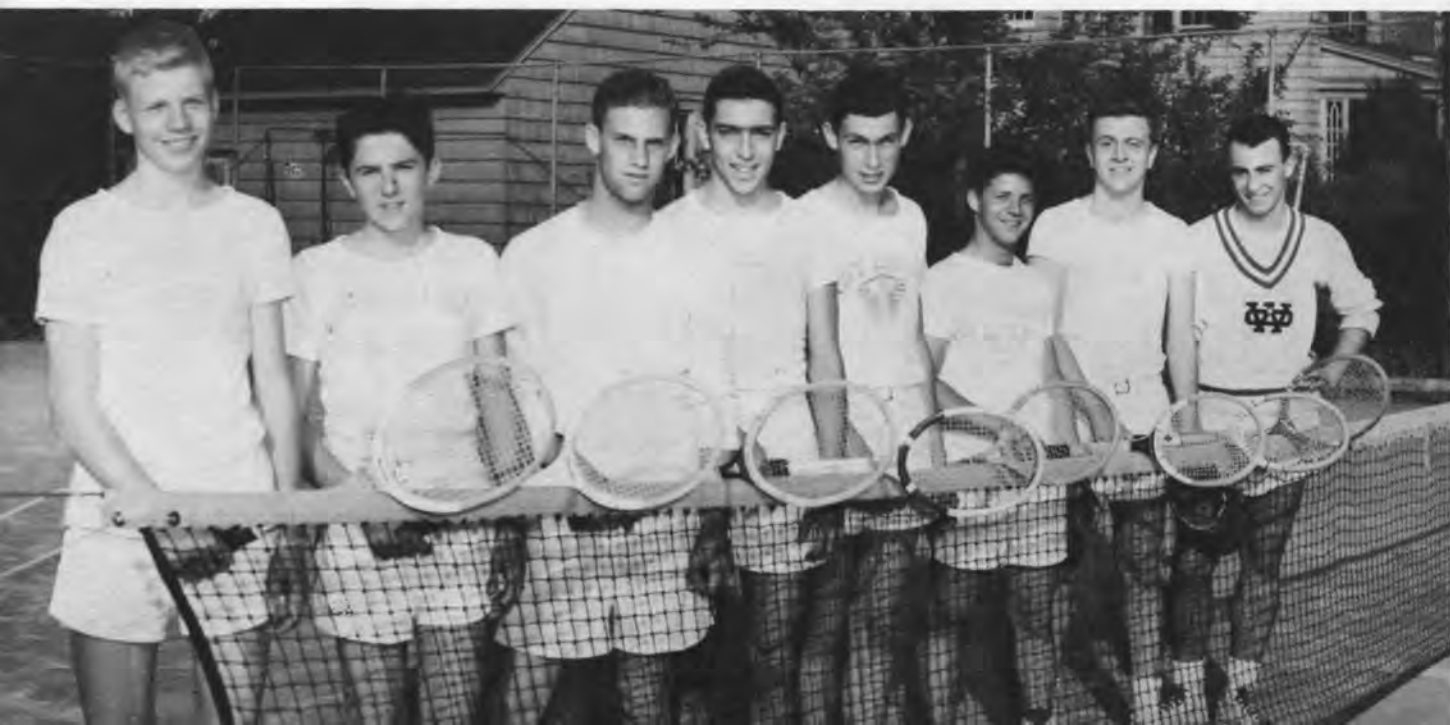

Prospects for next year look very good, indeed, for only a few letter men are leaving the squad through graduation. Mr. Finch is confident that this year's juniors and sophomores will gather enough experience to form a strong nucleus for the seasons to come.

TRACK

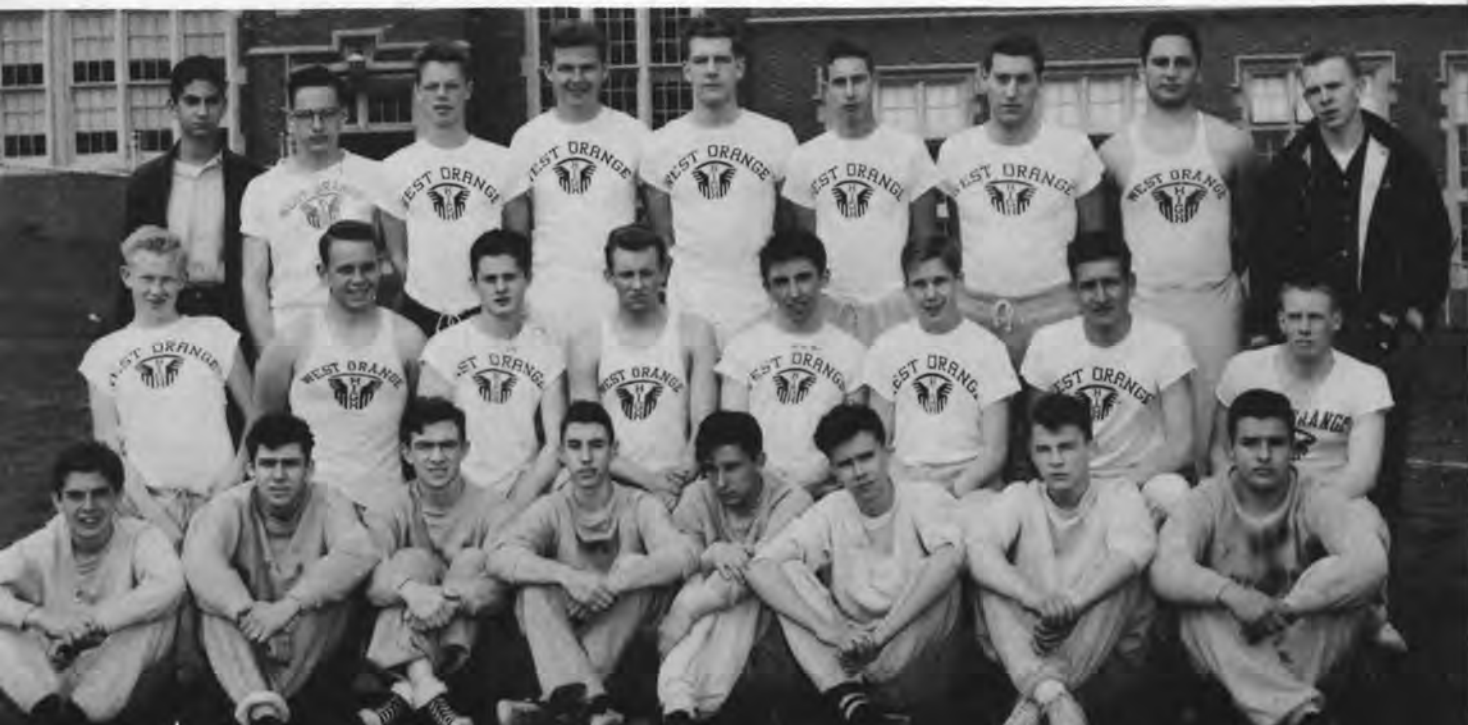

What makes a major sport what it is? One word answers this question — interest. In the case of our track team, there is so little of this prime asset, that most of us are not even aware of the squad's existence. It is really too bad, too, because in track, all of the basic skills, running, jumping, and throwing, which are as old as man himself, combine to present grace, plenty of action, and a great competitive spirit, all three of which appeal to the spectator. To remedy the track problem in our school, one thing can be done: stimulate the interest of the boys in the junior high schools and grammar schools. By doing this, track can become a bigger sport at West Orange.

The situation of the Cowboy trackmen is much better this year than last. There are more promising sophomores and juniors on the squad and more depth in almost every event. The strongest events, however, are the high jump, broad jump, and half-mile, although the weight events and 100 yard dash are also well manned.

With the team as a whole constantly improving, Coach Edward Johnson should not have a hard time leading his boys to a winning record. So far, they have won two of three meets, and prospects look good for a fine showing in the Orange Relays (at Columbia) later in the season.

GOLF

The plight of the golf team illustrates the importance of an underclassman team, whether Junior Varsity or Sophomore. Experience is a major part of any game, but, as soon as a linksman gets enough experience to do our school any good, he graduates, and the process of rebuilding starts over again. What is more, there are not enough players to make a J. V. team.

The process of rebuilding the golf team is now taking place under the direction of Coach Haydn Evans. So far, the boys have played only two matches, winning over Nutley and losing to Millburn, but with the season still young, they have ample time to gather some of the experience they will need for the next year.

One advantage the team has is that it will lose only one out of the six squad-members through graduation. Therefore, West Orange should be well represented by a group of fine, veteran golfers in 1956.

Our two International Relations Clubs, under the sponsorship of Mr. Blumer and Mr. McRoberts, have endeavored to promote interest and understanding in national and international affairs, thus making for better informed citizens.

Discussion was usually stimulated by a panel presenting its opinion on a current news item. Several members participated in youth forums. Quite apropos, the club members visited the United Nations in New York.

STUDENT COUNCIL

Under the capable leadership displayed by Dave Trebour, President, the Student Council this year became a very effective governing body which received the respect of students and teachers alike for its many accomplishments. This success can also be attributed to the other officers; Nancye Van Deusen, Vice President; Elizabeth Frieswyk, Recording Secretary; Marie Calabria, Corresponding Secretary; and Richard Jorgensen, Treasurer. Council meetings were conducted during Friday morning activity.

*Marian,
I've had loads
of fun with you this
year even though you
won the election & still
think you're great.
Love,
Diana*

In co-operation with the student body, our council began the Safe Teen Driving Crusade, helped to make International Weekend a success, arranged for pep rallies, endeavored to have better news coverage of school sports, participated in the Inter-Oranges and State Student Council meetings, encouraged sportsmanship, and undertook other projects ultimately beneficial to the school community.

The annual Christmas and Spring Concerts culminated the efforts of our combined choir and Girls' Glee Club, and were the outstanding musical events of the year. The success, financial and meritorious, left nothing to be desired. Such melodies as "The Song of Christmas," "Sing Noel," "Over Bethlehem Town," "A Very Merry Christmas," and "Christ Child in the Snow" received an enthusiastic reception at the Christmas Concert. Mr. Barnes is to be congratulated on the work of these organizations.

Members of the choir also appeared at neighboring schools in conjunction with exchange assemblies.

BAND

Under the direction of Mr. Charles Reifsnnyder and Mr. John Sost, the band had a most successful year. It started off by marching and playing at the fall football games and continued to meet as a club throughout the remainder of the school months.

West Orange was well represented at the Region I Band by a group of talented musicians including Polly Graves, Larry Stessin, John Fleisher, and Leon Wilson, alternate. Also playing in the All-State Band were Larry Stessin and John Fleisher.

ORCHESTRA

An important organization within the walls of the school is the orchestra, under the able leadership of Dean Jennings Butterfield. The student body enjoyed during the many concerts and assemblies the harmonious strains of music, both popular and classical, coming from the auditorium. Included in this year's performances were renditions of "Somewhere Over the Rainbow", music from hit-Broadway shows, and John Philip Sousa marches.

This year's orchestra has several members of whom it may be particularly proud. They include Frank Carey, Ed Morris, David Boland, John Fleisher, and Larry Stessin who were all chosen to play in the All-State Symphony Orchestra.

In the drama and speech departments a good year's program was provided through the Drama and School Production Clubs, and the Debating and Chatter Clubs.

Under the sponsorship of Mrs. Cotter and the direction of capable officers, the Drama Club spent a busy year. They learned much about the application of stage make-up, and enjoyed themselves putting on skits and pantomimes. The highlight of the year came when the club saw a Paper Mill production.

The School Production Club busily anticipated the enjoyable presentation of "In Summer Stock" that was successfully put on this spring. Under the direction of Miss Cotter, they did an excellent job preparing the script, which was the base for the very entertaining production.

With the help of Miss Loughren, the newly-formed Debating Club was unusually active and successful this year. The club entered many debating tournaments and in the final tabulations, emerged as one of the finest teams in this area.

Also under Miss Wilson's direction, the Chatter Club met weekly this year for the purpose of developing good habits in speech and entertaining themselves.

The interest shown by students in the business field is provided for by the Typing, Student Secretaries, and Business Practice Clubs.

Those who wished to learn the fundamentals of typing found the Typing Club, headed by Mr. Groendyk, extremely valuable. In addition to acquiring speed and efficiency on the typewriter, the members learn the care of the machine.

Headed by Mrs. Evans, the members of the Student Secretaries Club became proficient in taking shorthand, and then transcribing and composing letters. To prepare for future secretarial positions, the girls did clerical work for the office, teachers, the P.T.A., and many civic organizations.

The members of Mr. Evan's Business Practice Club were primarily concerned with getting acquainted with the various types of office machines and their use.

LANGUAGE CLUBS

Greater understanding of languages is provided through the French, Spanish, and Latin Clubs.

Le Cercle Francais, sponsored by Mademoiselle Allen, assembled for the purpose of cultivating ease in speaking French, and gaining an understanding of native customs. The year's festivities included movies about France, games, and songs, spring initiations, and the annual trip to New York.

El Club de Español progressed this year through the combined efforts of La Senorita Eaton, the advisor, and enthusiastic members. An attempt was made to increase the knowledge of the language. In addition to engaging in the usual forms of Spanish entertainment, the club undertook the sale of a West Orange mascot, Tiny Tim.

The newly formed Latin Club under the auspices of Miss Loughren boasts fifteen members. Discussion was built around various aspects of Roman culture. In addition to participating in games and songs in Latin, the group made the study of Latin word families.

No school can exist without certain service organizations. The Library Council succeeded in performing many routines of operating a library efficiently under the supervision of Mrs. Elsie Meyer, librarian. As activities, the council assisted with filing, cataloging, and repairing books.

Members of the Assembly Council and Miss Wilson, sponsor, were instrumental in securing for us many diverse programs for our Thursday morning assemblies. Our interesting assemblies included The Imperial Quartet, trampoline artists, General Electric's House of Magic, and such speakers as Gil Mc Dougald and Dr. Glenn Cunningham. The Council tried to encourage more student produced assemblies, and arranged for future programs.

Mr. Eastwood guided in teaching the members of the Visual Aids Club the operation of a movie projector. The boys proved very helpful to the school by running these projectors for the various classes and school assemblies.

Under the sponsorship of Miss Schwenk the West Orange Chapter of Future Homemakers of America, which is a part of the national organization, and the Red Cross Club accomplished many beneficial projects. F.H.A. donated Christmas gifts for needy children and the Red Cross donated skirts, Santa Claus suits for hospitals, and socks for servicemen.

SCIENCE CLUBS

The Science Clubs cover several fields and accomodate many students. Their programs are varied and inclusive.

Photography enthusiasts joined Mr. McEwan in viewing the world through the camera. Members of the Camera Club enjoy learning the techniques of operating the camera.

Licensed "ham" radio operators, led by Mr. Pregger, compared notes in the Radio Club.

Members of the Chemistry — Nursing Club, which was to prepare the girls in the fundamentals of their chosen careers, met with Mr. Sutman to learn certain phases of nursing including taking blood types.

Miss Gardner, new to the Science Department, presides over the Biology Techniques and Science Demonstration Clubs, in which students may learn the techniques connected with biological experiments, research, and exhibits.

ART CLUBS

Students interested in all phases of art found satisfaction in the Music Appreciation, Art Workshop, and Dancing Clubs.

Members of the Opera Club, headed by Mrs. Terry, discussed various operas and their origins. The club highlighted its year by an annual visit to the Met.

The Ballroom Dance Club, under Mrs. Robinson's supervision, practiced the fundamental steps of ballroom dancing in an enjoyable weekly meeting. The Modern Dance Club taught girls interpretive dancing and the Hawaiian Dance Club provided instruction in the various dance movements, under Mrs. Craig's direction.

The purpose of the Art Workshop was to provide the members with the chance to work on projects that particularly interested them such as ceramics, paintings, and Yearbook art, and to receive guidance from instructor, Mr. DeMaine.

HOBBY CLUBS

One of the largest clubs in the school is Mr. Brooks' Auto Mechanics Club, whose members tinkered with motors and learned more about car mechanics from a vantage point beneath the hood.

Many wardrobes were brightened with the products such as pocketbooks, belts, and wallets, of the Leathercraft Club, under the leadership of Mr. Bush.

Girls of the Needlecraft Club led by Miss Quinn, whose timely tips on needlework come in handy for beginners, busily produced many useful articles, especially socks of all designs.

Mr. Whitman, an enthusiastic director, this year joined together interested coin collectors who continually watched for coins of value and discussed and traded their "finds."

Many ambitious people succeeded in the Creative Writing Club in learning about literature of all types and in attempting creative writing.

HOBBY CLUBS

In the realm of cultivating and developing hobbies, a wide program is offered.

Mr. Bayer directed the Bridge Club where the members learned many pointers which added to their ability to win and gained valuable experience in bridge playing.

An eager group of competitive chess players entered Mr. Pregger's room this year each with the goal of winning the chess tournament. The club is the scene of pensive members in the battle of brains, until finally a victor emerges.

Miss McSweeney's Reading Club consisted of a literary minded group who were anxious to trade ideas and discuss their impressions of various books they had read, including both best-sellers and old standards.

Under the direction of Mr. Eastwood, one of our active "after school" clubs, the Stamp Club, uncovered many interesting valuables in trading and comparing their stamp collections.

CLIO

Clio spent its year helping support school functions, such as International Weekend, to which they contributed many posters. They had a novel and enjoyable breakfast meeting which provoked many favorable comments and, later in the year, they attended "Fanny," one of their most successful excursions of the year. Terminated by the Clio-Philo banquet and the taking in of new members, Clio considers this year a success.

AT BOTTOM—Left to right, seated: C. Kennison, B. Jones, P. Parsells, C. Preuster, B. Freer, V. Gassler, D. Trotter, H. Fellows. Standing: S. Trotman, M. Mayer, E. Burns, L. Mayer, A. Gulick, R. Knapp, N. Eberle, W. Reidenbach, Mr. McRoberts, R. Quigg, E. Fauer, K. Raud, E. Finklestein, J. Reid, C. Moore, S. Quade, M. Marks.

PHILO

The Philologist Honor Society, under the sponsorship of Mr. Sutman, spent a very enjoyable year helping the school, among other things, to make a success of International Weekend, and undertaking some projects of its own. The baseball and basketball scoreboards, many posters, buses to away games, and attendance at "Fanny" were the highlights of a busy year which ended with a Clio-Philo picnic and the initiation of new members.

AT RIGHT—Officers of Philo. Seated: L. Warnick, Program Chairman; N. VanDeusen, Vice President; M. Atwater, Secretary. Standing: J. Fleisher, Treasurer; M. Schnieder, President. BELOW—Members of Philo en route to see the Broadway musical "Fanny". BELOW RIGHT—Yogi "racks up" another W.O. basketball victory. This scoreboard was a special project of Philo throughout this year. W.O.T.A.C.

Under the guidance of Mr. Mc Roberts and the executive board, WOTAC provided weekly a congenial social atmosphere in which West Orange teenagers could get together for a Saturday evening's fun. Increased attendance at the canteen indicated the popularity of this social activity. This year's biggest event was International Night, held in conjunction with International Weekend. WOTAC's Eleventh Birthday Dance marked the high point of a successful year.

B. Freidman, B. Kelly, V. Gassler, B. Freer, B. Rose, E. Zoda, R. Oppenheimer, F. Rosen-
baum, J. Bocca, E. Finklestein.

Adhering to its seven year precedent, the *Roundup* again this year was awarded a first place rating by the Columbia Scholastic Press Association. This fact left nothing to be desired for the student body, as far as news coverage was concerned.

With Lynne Warnick and Mike Schneider, co-editors, at the helm, the *Roundup* was a pioneer, in a sense, since many innovations were experimented with in respect to pictures, headlines, and interviews, notably with Miss Emily Kimbrough and leading staff members of the Kessler Institute. We may take added pride in the exceptional sports, and editorial coverage in addition to that of the Typical Student Contest.

Our newspaper, under Mr. Atwell Thomas' direction, also initiated the Safe Teen Driving Campaign in conjunction with our Student Council, thus supporting student movements.

ABOVE LEFT—Co-Editors of the *Roundup*, Mike Schnieder and Lynne Warnick, confer with their advisor, Mr. Thomas. ABOVE RIGHT—Business Manager Evalyn Zoda at the typewriter with her able assistants, Barbara Rose and Violet Cassler. AT RIGHT—Bill Bishop, Phyllis Todd and Lois Gustafson appraise '54's *West-o-Ranger* at Columbia. BELOW—Junior members of the staff. First row: A. Ramey, A. Rella, R. Robinson, P. Rosenberg, P. Monahan. Second row: C. Moore, M. Margolis, A. Gulick, H. Silver, C. McMeen. Third row: D. Mills, P. Hess, W. Bishop, A. Cohen, R. Lepore. Fourth row: P. Condos, A. Eisler, H. Fellows, E. Freiswyk, C. Sheft.

WEST-O-RANGER

This year, another edition of the *West-o-Ranger* is presented to you. It has been the purpose of the Editorial Staff, guided by the steadfast hand of Mr. Tylus, to pack the pages of this book with the happenings of our fellow classmates and teachers along the pathway of studies and extra-curricular activities.

Aided by the faculty advisors, each committee worked diligently to make 1955 a banner year for the *West-o-Ranger*. An Oriental theme provided an especially interesting challenge to the Literary and Art Committees.

With the willing support and co-operation of teachers and students, the "Oriental" became a finished product this spring.

The following have been active members of Yearbook committees:

ADVERTISING: Bob Foot and Habbi Thompson, Editors. Bruce Bayley, Nancy Blanchard, Joan Bocca, Marge Elphinstone, Edith Finklestein, Barbara Freer, Rita Gaudenzi, Nancy Hogg, Barbara Liccese, Roger Manshell, Nancy Moody, Joan Murphy, Suzanne Palmer, Arthur Picon, Ken Rand, Joel Reid, Barbara Rose, Ronny Sarros, Nancy Smith, Carol Sward, Dorothy Theodore, Joanne Talerico. WHAT FUTURE?

This is a question which is concerning all of you. The more advanced you are in your education the more important to you.

But let us assure you that you are making your future now. School is not only a preparation for life, it is a most vital part of it.

Your connections will also play a leading role in your future. You are in a position to establish your bank connections early and well.

And we hope that connection will be the local bank.

We Salute You!

Congratulations and the best of luck! We at Lorstan are proud of the part we have had in helping to make your classbook a permanent reminder of your school years, recording with photographs one of the happiest and most exciting times of your life! We hope that, just as you have chosen us as your class photographer, you will continue to think of Lorstan Studios when you want photographs to help you remember other momentous days to come! When you choose Lorstan portraits, you are sure of the finest craftsmanship at the most moderate prices!

LORSTAN  STUDIOS

Foremost School Photographers in the East

Dear Marion,
aren't words to say
how much I've loved
knowing you and being friends.
Being your campaign manager was
an experience I'll always remember as
one of my best. You don't know how I
wanted you to win. Now you're so perfect
for the job and I just know you'll do well.
Believe me, I get scared when I think that it's
only a little more than a week until we leave. I'm
gonna miss W.O. so much. It won't be funny. Marion, I
entirely hope that our friendship will never end. I'll
always remember you as one of the sweetest girls I've ever known.
Please don't ever lose that wonderful personality! I know you'll
succeed in whatever you do but just the same, the best of luck and
happiness forever.

God bless you.
Love,
Peg

P.S. Thank you again for the
sweet necklace. I still think
you shouldn't have done it
but I love it, really!
