"It is not the image you would see nor the song you would hear, but rather an image you see though you close your eyes and a song you hear though you shut your ears." Kahlil Gibran

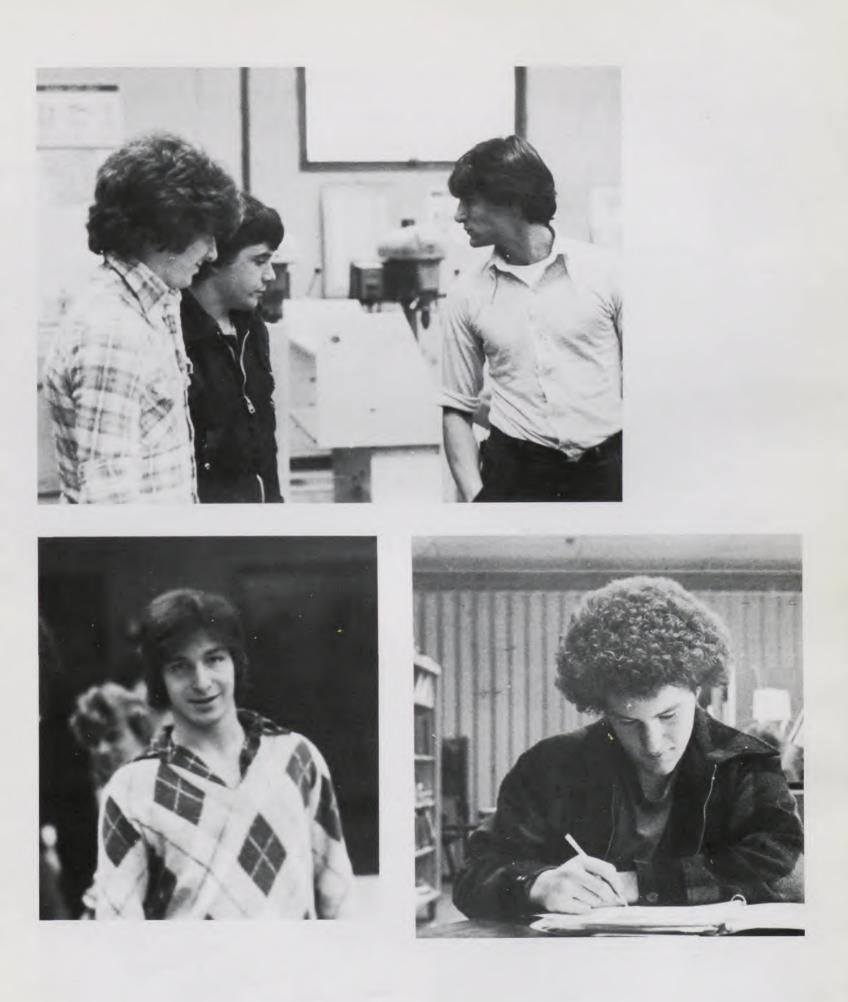

Images: vague outlines of the past; misty reflections of time gone by. We chose the theme of "Images" because when you look back at your years spent here, you will recall images of your friends and experiences rather than detailed pictures. a significant portion of this book is composed of candid photos. When you remember your experience at WOHS, the times that will come most often to your mind will be those spent out of the classroom with your friends, in the halls or around the school grounds. One affective picture can send your memory back to a whole series of experiences. We used many such pictures; we hope they will trigger countless memories for you. It is my sincere desire that this book, the product of many months of devoted work, will hold for you a richness of memories of your formative years at West Orange High School.

The success of this year's squad was not shown in the record, but in the development and growth of our young team. With only five returning lettermen on the squad, the team played very well, especially in their season highpoint victory over Orange. The players this year showed great spirit and determination, traits which will hopefully be present

in the West Orange High teams of the future.

The West Orange soccer season this year was a very rewarding one for all those individuals who were involved in it, players and coaches alike. The fine individual talents of this year's team were blended into a functioning unit which exhibited great ability and spirit. This year's squad was characterized by its skill and speed, and hopefully next year's team will be able to uphold the standards that were set this past season.

The 1977 Cross-Country team was one of the fin-est teams in recent years. Led by Senior Co-Captains Keith Mazurek and Sam Kasmanoff, the team compiled a respectable 7-11 log.

The team was beset by many injuries to key men but relied upon depth supplied by Senior Ed Mee-han, Juniors Mike Mangino and Dana Perry as well as Sophomores Bryan Holland and Bruce Whichard. Senior Co-Captain, Sam Kasmanoff topped off a fine year by being named a first team selection on the Suburban Conference All-Star team and also a cocord toam All-Oranges selection. For his efforts

second team All-Oranges selection. For his efforts, Sam was awarded the West Orange "Harrier of the Year" award.

Senior Co-Captain, Keith Mazurek also had a great year. He was a second team selection for both the Suburban Conference All-Star team and All-Oranges team.

The team's spirit and closeness kept the girl's working together. Although the weather hindered the team, their enthusiasm never failed.

This was the last season for Seniors, Cyndi Katz (Captain), Rebecca Drill (Co-Captain), Nancy Busch (Co-Captain), and Wendy Miller. Junior members consisted of Sue Schecter and Barbara Straussberg. Judy Lehman and Jackie Rowe, two freshmen from Roosevelt, participated on the team this year and will return again next year.

The Cowboys and Coach Lombardi once again had a good year both in the Suburban Conference and in Tournament play. The team's final record was 19-7. They finished second in the Suburban Conference behind Summit, won the consolation versus Seton Hall in the Winter Tournament, and were defeated by Clifford Scott in the Section Two finals, 61-59.

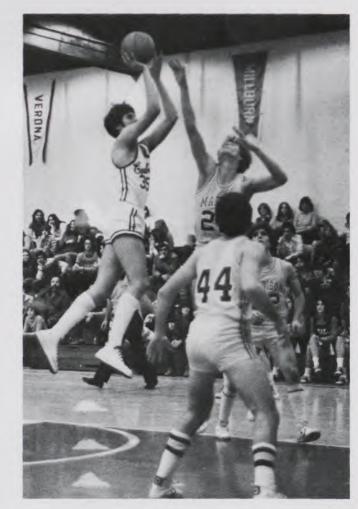

The Cowboys charged into their tough schedule and were at the head of the Suburban Conference for most of the season. The team unfortunately hit a dry spell and had to relinquish the crown to Summit after a 54-52 defeat. The Cowboys then made a roaring comeback, sweeping through their NJSIAA opponents. They defeated such traditional basketball powerhouses as Central, West Side and Orange and very nearly captured the Sectional title.

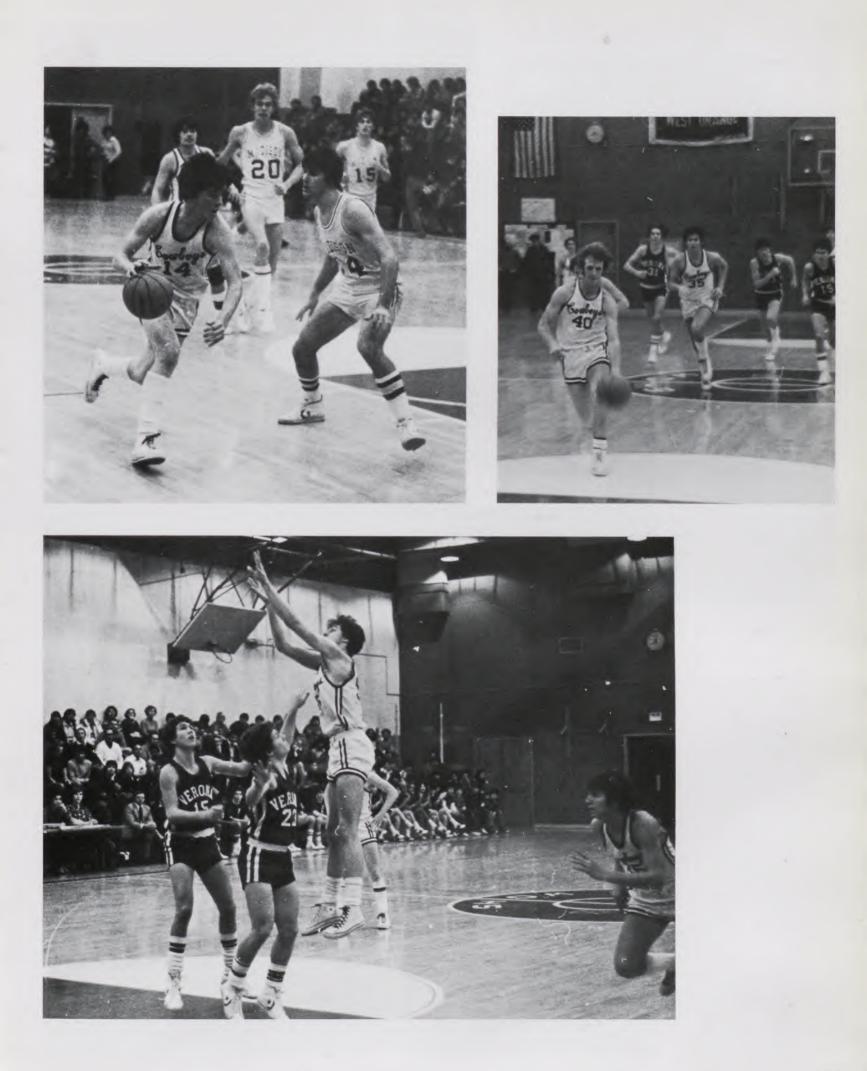

Kenny Bogert was the top scoring man for the team with a 15.6 point average and also the sparkplug of the team. John Alviggi's sharpshooting skills gave him a 12.7 point average and a 75% free throw average. The three back court men, John Skillman, Marc Roberts and Mike Roberts, each displayed fine ball-handling skills. John had a 12.5 average and shot 53% from the floor. Marc also had a 53% and he will be remembered for having come on strong to push his way into the Cowboy's starting lineup by way of his patented top-of-the-key jumper and hard drive to the basket. Mike was the only Junior on the starting team and will be looking forward to playing at the point position next year. Dennis Knox was virtually a Godsend as he transferred from Seton Hall to become the leading boardman for the Cowboys. He had 356 rebounds for the season and developed into a fine ball player under the guidance of Coach Lombardi. Welcome support for the Cowboys came from Jeff Langendorff, who is probably the most improved player on the team, and from Greg Pessolano's accurate jumper. Also leaving the team is manager Joe Schubert whose invaluable services will be missed.

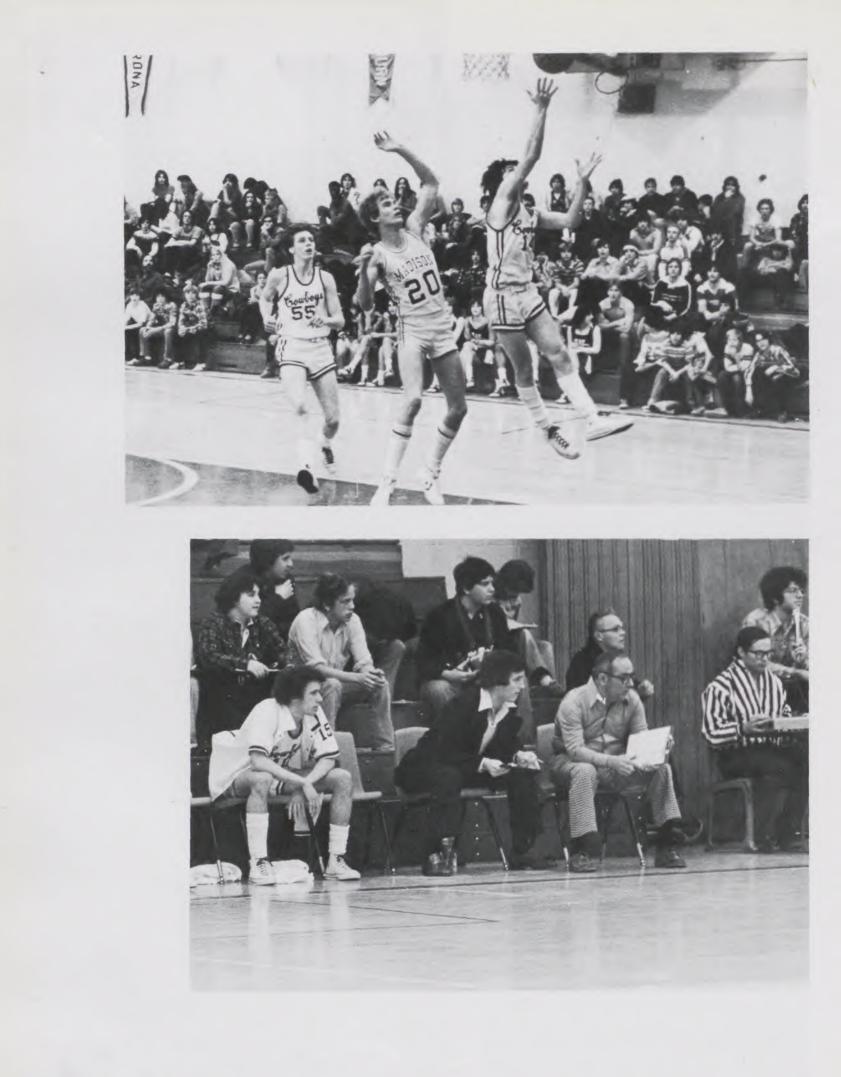

The 1978 basketball team is one that the whole school can be proud of; they certainly merit our praise.

The Girl's Basketball team, although playing this year under trying circumstances, still managed to maintain what Coach Doyle termed a "respectable" standing. The team went through a rough period early in the season where many of the players sustained injuries; including Maria Santoma whose knee injury required an operation. The girl's felt that another of the reasons for their 6-14 record was the fact that the Jr. High Schools in the area did not have an adequate preparation program as did many of the schools West Orange was

fact that the Jr. High Schools in the area did not have an adequate preparation program, as did many of the schools West Orange was competing against. Also, the team had to adjust to a new coach; Mr. Doyle having replaced Ms. Vlacich for the 1977-78 season. The girls also felt that the girl's sports program as a whole needed improvement. Three of the senior girls have been on the team for their full senior high school period. In so doing, they have earned for themselves excel-lent reputations; notably Karen Thomas as highest rebounder, Nancy Busch as highest scorer, and Karen Massa as the best over-all player. Despite their record, the girl's have always shown their capability on the courts, and a high degree of enthusiasm both for the game and for their teammates. teammates.

Despite a final team record of 4-7, this year's Wrestling team had many highlights during the season. Beginning with four placings in the tough early season Bloomfield tournament, it looked as if the year would be a good one. Receiving medals in that tournament were John Casolaro, Jim Goldfinger, and Jon Jones. Sophomore Brian Holland placed fourth in his weight class.

At mid-season, the team lost three crucial matches which, if won, would have given the West Orange wrestling team its first .500 season in the schools history.

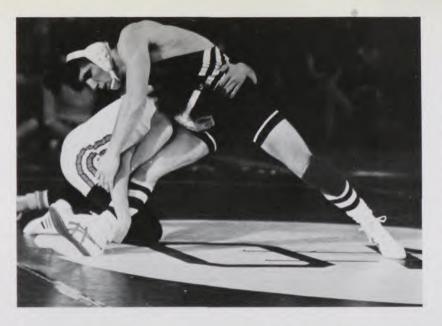

Mr. Lutkins and all the underclassmen from this years squad bid a fond farewell to those seniors who competed, doing everything within their power to help the team.

The Bowling team completed its 77-78 season with a strong second half pulling up its record to 22-23, a third place finish. John Bierman held the team's high average with a 175. His fine season was high-lighted by a 244 in the final game. Richie Weber, the teams most consistant bowler finished strong with a 173 average and a 236 high game. The only junior starter, Steve Hanley had a hot first half of the season and then leveled off with a solid 172 average. Steve proved to be awesome when he rolled a spectacular 276 game, the league's finest. Ellen Hanley proved that she could deliver what was needed finishing with a tough 168 average and a 244 high game. Charles (Apps) Appelblatt was Mr. Clutch delivering the strikes when needed. He finished this season with a 159 average and a 203 high game. John Davimos, the season with a 159 average and a 203 high game. John Davimos, the remaining junior, completed his season with a 155 average and a 190 high game.

Even though the team had high hopes for a Suburban Conference title, they had a very productive season. The team average was 840, a team high series of 2615 and a team high game of 927. The four graduating seniors will be truly missed by Coach Sherman. They all wish her, Steve and John the best of luck.

The swim team began to reap the benefits of several years of rebuilding by completing the season with a 7-4 record. Though snowstorms eliminated four important meets, the team achieved significant victories over traditional rivals of Kearny, Irvington and Rahway. This was due in large part to Seniors and Captains, Ken Alswang, John King and Keith Mazurek who have been varsity letter winners for three years. In addi-tion the inclusion of Seniors, Glenn Whichard, Dan Dougherty, Gobar Gotthard, John Carlson and Van Stein gave the team the important

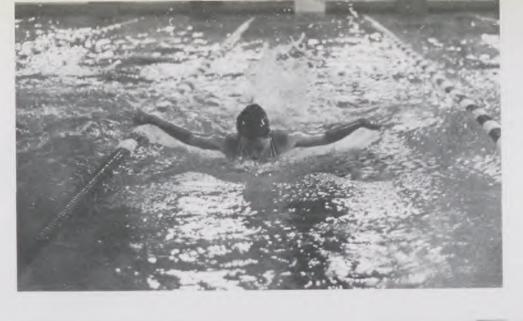

depth necessary for victories. With Keith Mazruek and Donald Puffer participating in the State swimming championship at Princeton, West Orange again began to show the potential for "state champions" which the swim team enjoyed in the early citize in the early sixties.

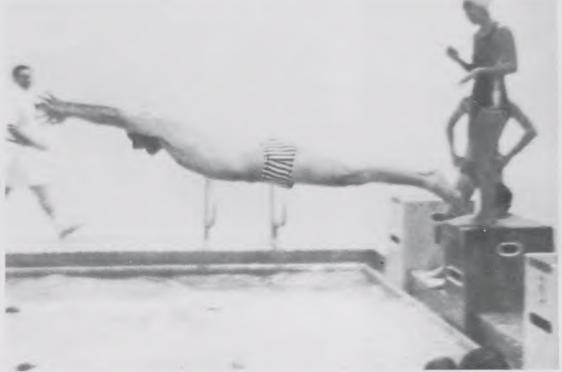

Other underclassmen besides Puffer who brought strength to the team this year were Laurie Saporito, John and Mark McCrone, John Dougherty and Mike Singer. Thanks also to the help of coach Suriano who replaced Miss Johnson while she was on sabbatical. The coaching staff enjoyed an enthusiastic and hard working team for a long season.

Outstanding is the only word which can describe the play of this year's hockey team. Compiling a winning season record of 14-9-1, the squad second in their division of the North Jersey Scholastic Hockey League after a tough playoff schedule. Many school records were broken this year by the team, including the record for most goals scored in a single season and most assists in one season.

Leading the team this year were Captains Terry Rucker and Bill Jaeger, and Asst. Captains Glenn Rosenberg and Jimmy Sirica. Individual records which were set this year included a new record for most goals in one season for a single player, Glenn Rosenberg, who also led the state in goal scoring this season. Another individual record recorded this year was for most assists in one season, set by Terry Rucker, who also led the

state in this category. Throughout the 1977-78 season, the hockey team played up to the standard of excellence which their coach, Mr. Lester Ray, demanded from them. "Practicing from 5 a.m. to 7 a.m. three mornings a week takes dedication and perseverance, and the members of this year's squad

showed this in each and every game they played." Along with the regular season schedule, this year's team will make a trip to Finland and Sweden to play against high school teams from those countries, and also to learn new techniques and drills.

Due to a severe winter and yearbook production schedules, we regret that Spring sports could not be formally included in the book. The following pages contain some informal shots of the teams at practice.

Suzanne, Sue, Suzy, Susita, Ese, Slippe, Lippe, Lips, Lipster and Lip. We have learned from our Senior Year To challenge ourselves and our abilities — To look deeper at who we really are And what we can become. This has prepared us to seek out new adventures. We have grown independent and found What we can do for ourselves and for others. We have discovered the basics of life, And we realize for the first time The treasures of our youth.

When we leave West Orange High, Tears will be shed — some in joy, some in despair And some in fear of the future. Tears will be shed in regret for time that was wasted. This is our first step toward the future; We should not look back But concentrate our efforts on what we can become.

These years have given us experience no one can take away.

'Twas the day before deadline And all was not right, Not a creature was stirring, Not even a mite. We editors screamed At the top of our lungs, "Sponsor! Dear sponsor! What can be done? We can't find the pictures, The photographers are gone, The dark room is flooded -This just can't go on!" Late into the night We worked (until day), Got the yearbook finished, And sent it away.
