"Moment for Life" Nicki Minaj ft. Drake

Author: Selam Woldai

Welcome to the Class of 2019
yearbook! We have been waiting for
this day nearly all of our lives and
look how far we have come. Some
of us have been in West Orange
since Kindergarten while others
transferred throughout the years.
Regardless of how long anyone has
been here, we've become a
Mountaineer family. With the
prominent diversity in our grade, we
as a yearbook staff recognized the
one thing that continuously unites us:
music. We all have those few songs
that once they come on, you know

all of the lyrics and can remember exactly what was happening in our lives when it was released.

Ranging from countless arguments over who is the better artist to the talented musicians amongst us, music is the one thing that unites us. The yearbook's purpose is to capture pivotal moments in our senior year. Each section is divided by a song, whether it be a specific team's song or one that simply captures the essence of the section. Here's to the soundtrack of our lives!

STUDENT LIFE

Author-Sandra Tunis

Dear Class of 2019,

How fast did these four years go? Some may say not as fast enough. Through waking up in the early morning, staying up late into the night, tests, projects, SAT's and applying to college, the senior class has been able to endure so much these last four years. This year was filled with so many events that made this year unforgettable, including Senior Fun Day, spirit days, pep rallies, and many promposals. Now as we close this chapter in our lives, let's hold on to the memories that we've created throughout our years in West Orange High School. We will go forward, but always remember where we came from: no matter where our lives take us, we will always be Mountaineers.

Senior Fun Day, the highly anticipated day that was rescheduled at least 4 times this year, finally occurred on October 5th. Once the pictures were done, the celebration of senior year began. There were many activities including face painting, tug of war, and other popular carnival games. Spirit Week

Author: Ela Gonzales

The annual spirit week took place on the week of October 22nd to the 26th. On Monday, students wore their class colors, with freshmen in green, sophomores in red, juniors in blue, and seniors in their jerseys. Tuesday was twin day, when students showed up in matching outfits and coordinated looks. This caused major confusion in the halls, as even some teachers could not tell who was who! Wednesday came around for students to get together to wear orange for Unity Day. The seniors all gathered around the cafeteria to take a picture to share with the residents in West Orange on social media. Thursday was Pajama Day, when the students finally got to be lazy and super casual on a school day by wearing cozy pajamas. On the last day of the week, students showed up to school in superhero attire and costumes. The student body wore everything from t-shirts to actual costumes from Marvel and DC universe. With students and teachers joining together to participate, spirit week had a great turn out!

Senior Talents

Author: Ela Gonzales

Throughout the years of high school, most students work hard studying, volunteering, working, and playing. However, some students go above and beyond the normal high school activities, honing talents that they have discovered in themselves. These talents vary from singing, to dancing, to drawing. There are many gifted individuals in the senior class including Melanie Chamorro, who puts hours into her passion of singing, stating, "I have had a love for singing for as long as I can remember."

Many of these individuals began their craft at young ages and have grown to develop a passion for these activities. Even throughout the craziness of high school, they overcame many obstacles and persevered for perfection. Through hours of practice, these gifted individuals have excelled in putting a focus on school but also dedicating time to their craft. We know for sure we will be hearing more about these individuals in the future!

Senior Jobs

Author: Sandra Tunis

Work, work, work, work, work, work. Once the final bell rings at 2:15 most students are rushing to get home, while others are staying after school for clubs or sports. Meanwhile, the rest of the senior class is on their way to work. Working part time and being a full time student takes a lot of commitment and dedication. Many students not only work on the weekdays, but also on the weekends, which means they sometimes sacrifice their social lives. Despite the challenges, the senior class has managed to find a balance between going to school, working, and having a social life. Some students work to get paid, at Dunkin' Donuts or Kim's Sushi, but many work just for the experience and to give back, at Kessler or at their churches. Through these jobs, students learn the of the value of time management, building up real life experiences, and many get to save some money, which we all need for college and beyond.

Senior Trips

Author: Maya Siguenza

WOHS Seniors work hard and study hard in school, but many lucky students were able to take their studies outside of the classroom, either practicing a newly acquired language or visiting a historical site. During spring break and summer vacation, seniors traveled to different destinations in and out of the state. With friends, family, or even on their own, they enjoyed being on an adventure. Some went closer destinations like the Jersev Shore while others traveled across the ocean to European countries like France and Italy. Their experiences consisted of trying new things, eating cultural foods, meeting new people and having a blast! Seniors also went around the east coast with their classes or clubs. One of the many school trips was with the Junior States of America; from February 22 to 24, 2019, the members stayed in Washington D.C. with students from other schools for Mock Congress. The trips seniors embarked this year will definitely be remembered for the rest of their lives.

College

Author: Maya Siguenza

After four years at West Orange High School, choosing which college or university to attend is the most thrilling but hardest decision by far. Seniors spent the whole year preparing applications, writing essays and going to visit colleges. They had to decide where to apply and then wait to find out where they were accepted.

By April, most had committed to their schools, or at least had an idea where they would attend. College Day was held on April 11th in celebration of a new journey.

"Keep Ya Head Up" Tupac

Decisions

Next year, WOHS pride will be represented everywhere from New Jersey to Finland. While many students will stay close to home, others will make the journey across the country, down South, or even across the ocean.

Some students are entering the military while others will be attending Historically Black Colleges and Universities. We also have seven students headed to the Ivy Leagues!

While it is difficult to say goodbye, it is great to see our friends headed in such promising directions. Your future colleges are lucky to have you.

Making the most of their last year competing on high school sports teams, the seniors of 2019 grinded to make it count. Staying after school for long practices, working late into the night on homework, and playing in rigorous games, all student athletes displayed dedication and passion for their sports. Day in and day out, they worked their hardest to be the best student-athletes possible. There is no doubt that West Orange High School has top athletes, housing several Division 1, 2, and 3 athletes as well other amazing players who established new records, broke old ones. Not only were there great individual players, but also the best teammates. Our senior athletes all lead and encouraged each other during the good and bad times of the season. Overall, the 2019 Senior Athletes laid it all out on the field, court, lanes, or ice to make their last year the best year.

For the past three years, the seniors of the football team have been training and preparing for this very moment: their time to shine. From the early morning practices and workouts to the starting whistles of the first Friday night game, the team's highlight experience was in their first home game against last year's state champs, Montclair. In the 26-19 comeback win, seniors and varsity wide receivers Terrence Toussaint and Jordan White both ran in touchdowns to cut down the 16-0 deficit to 16-12 with the assistance of underclassmen to secure the win. In a game against Barringer, the team suited up, playing their hardest to come down with a win 12-6 that eventually pushed them through to the playoffs. Even though they were not perfect, their hard work and effort in every game is what truly mattered. Playing high school football is always something our seniors will remember. To the team, there was only one way to describe how their final season: "As a team anything can be accomplished once you come together as one." - Ian Hawkins

The quote "practice like you've never won, perform like you've never lost" embodies the WOHS cheer team. The seniors have been putting in their all since freshman year, pushing themselves to their limits to perfect their routines. Over the summer they went to the UCA cheer camp to learn new dances and cheers and say goodbye to the cheer camp they have known and loved for the last time. During various seasons, they cheered their hearts out, win or lose, for all football and basketball games. In December, they attended the UCA Regionals 2018 Empire Regional competition to secure a bid to Nationals in Florida for the chance to defend their top 10 title for the last time. The girls took home 1st place in routine and 2nd place in Gameday at Regionals. In early February they went to Florida to compete in the National High School cheerleading competition and took their place representing West Orange High School along with some of the best cheerleading teams from around the United States. In Florida the airls gave their all, all while having fun and enjoying Disney World for the last time together as a team.

This season the Girls Soccer team, with 9 out of 11 starters returning, was ready to bounce back from an undefeated season last year that was cut short by penalty kicks in their final games. Leading this team are seven seniors: Mya Bembry, Kaitlyn Charles, Nyah Harper, Morgan Clark, Hannah Villasin, Vanessa Lettman, and Katherine Urgiles. On their road to victory, the girls defeated division rivals Montclair and Livingston to continue their record-breaking unbeaten streak. In one of their most important games, they defeated Glen Ridge in the Essex County Tournament Finals for the first time in school history. The girls went 1-1 into overtime and after about 3 minutes, Harper scored off a set piece header to end the game, and the celebration began for the new County Champs. To continue their run, they went on to defeat rival Livingston 1-0 to win their State Section for, once again, the first time in school history. The girls ended their season with a record of 19-1-2 while finishing #4 in the state and #20 in the country. Their first loss since 2016 came from a hard fought game against Bridgewater-Raritan, a top tier team in the state. Over the past 4 years, the program has made a name for itself and put West Orange on the map.

Seniors Mya Bembry, Kaija Jones, Faith Lewis, Ebony OdomBarnes, Bianca Fede, and Taneerah Johnson played their hearts out this season. Starting off with a fiery win against long time rivals East Orange, the airls basketball team set the tone for the season. Our senior girls continuously worked hard juggling school and maintaining the strong reputation they built for their program. With three dedicated seniors, the West Orange High School boys baseball team looked to make their mark this season. With the help of their coaches, Christopher Spagnuolo, Antonio Elifani, and Bradley Kessler, the boys fought through their last season and hoped to make it a memorable experience to take with them in the future. Going up against rivals such as Cedar Grove, Caldwell, and Newark Academy, they worked as a team to highlight each player's best skills. Holding down the infield at the pitcher's mound, second base, and third base, all of these seniors have been devoted to this sport since freshman year and feel bittersweet about leaving their legacy behind. Baseball season will always be filled with moments that they will take with them even after it all finally ends. Some highlights of the seasons were defeating both Newark Academy and Glen Ridge. The whole team contributed to these 6-1 and 8-2 wins. From Florida to NJ, the baseball team always pushed themselves in practices and in games, because, as they learned, "Hard work beats talent when talent fails to work hard" - Antonio Elifani

For one last time, the seniors on the West Orange softball team gave it their all this season. With the guidance of their head coach Joel Troast, and assistant coach, Nicole Fleck, the team became a solid unit. The coaches played a big role in teaching the skills necessary to compete while having fun and becoming winners no matter what. Seniors Erin Vermeal, Andreyah Ageday, Viviana Cardona, Camryn Fiore, Nyah Harper, and Jhormary Dominguez led their team through a fun-filled season. Despite the endless laughs at practice, the girls softball team always had the dedication, work ethic, and heart necessary to play such a mentally rigorous sport. These characteristics directly led to incredible performances by the ladies on the field. From endless stolen bases, to constant doubles, to various shutout innings, the girls held their ground and fought through each and every game. Although there were lows throughout the season, the softball team never failed to persevere and overcome them. Overall, the seniors on the team created a family that never stopped working hard on and off the field to prove their love for the game down to the very last inning.

As one of the new additions to the spring sports lineup, The West Orange Boys Volleyball team came onto the scene with a fiery start. Making history in West Orange, the boys kicked off their first year with a multitude of wins. Automatically dominating their division, this team showed tremendous athletic ability and dedication. Although the team was filled with diverse athletes who have never played the sport before, the guidance of Coach Jackie Cruz as well as John Chang and Christopher Terranova, along with a dedicated and talented team, proved to be all that was needed for success. The boys put in endless hours in the pre-season as well as during the season to attain the skills they needed. Seniors Matthew Kotowski, Franjec Makoule, Keon Nelson, Philip Ojo, Stephane Accime, and Shane Trudge demonstrated leadership and a newly formed bond. It is clear that Boys Volleyball is not only here at WOHS to stay, but they are here to dominate.

The 2019 Boys' Tennis Team had a lot to live up to after the Girls' season earlier in the year, but sure did manage to cause a racket. Head Coach Mazurek and Assistant Coach Depinho ensured that the boys had all of the tools necessary to start the season off swinging. Seniors Ruben Centeno, Jarvis Tam, Kyle Toussaint and Alil HaleSmall lead by Junior captains Karan Belday, Justin Cadeau, and Shrey Sanghvi played an amazing season. The season started off with passion and energy with the seniors playing their hearts out, proving their pure determination and drive to leave their legacy at West Orange High School. The boys had their first win against Cedar Grove High School in a fiery game and kept the energy going with another great win against Belleville High School. The coaches also put in their all this season. Their consistent grooming and vigorous practices explain why this team had such and amazing season and are guaranteed future successful seasons long after our seniors graduate.

The history making, first ever West Orange High School Girls Lacrosse team came onto the scene with something to prove. Seniors Taliyah Weary, Scarleth Arcinega, and Funmi Oshodi joined underclassman and coaches to prove that this program was worth all the effort it took to bring it into existence. In their first win, the girls scored 12 goals to defeat the opposing team of Hoboken, who only scored 5. Although the program is still in its infancy, the girls are always enthusiastic and prepared to play this new sport that many are learning for the first time. From the Sunday preseason clinics with Coach Beal to official tryout days, this program and the girls showed that the creation of their team will benefit everyone. And even though the seniors will only have one season on the team, they can always take pride in the fact that they helped make it happen, and they will watch from afar as the program grows bigger and better. As senior Funmi Oshodi stated, "You can't just beat a team, you have to go out there on the field and leave a lasting impression in their minds so they NEVER want to see you again."

Although Funmi Oshodi is injured, she still comes out to support her team during games.

Goal! With serious faces, the girls stand tall ready to win.

All three seniors are proud of their hard work getting this new sport off the ground at WOHS.

The West Orange Boys Lacrosse team is still a relatively young program, but every year, the team gets stronger and more determined. 2019 was no different for this team. This year, team captains Cade Lipsey and Exequiel Giorlando vowed to lead the team through a great season. Seniors Joseph Farro, Exequiel Giorlando, Nathanael Dalger, Johstin Martinez, Leonardo Trujillo, Brian DiPalma, Nahgie RobinsonPurefoy, and Ryan Retino excitedly started their last season guided by Coach Torrien and Coach Yeager. The team started the season with a great 6-5 win against Passaic Tech and then quickly followed with another 9-8 win against Cedar Grove. These amazing initial games set the mood for the rest of the season. Fans showed up game after game and watched as the Lacrosse team showed out. This year the boys worked tirelessly to improve their craft, moving smartly, running quickly, and charging hard. Time and time again, the boys proved that they were serious about their sport. All of their hard work paid off as they ended an amazing season and said goodbye to the Lacrosse team as a family.

The West Orange Spring Track and Field team started off with enough energy and passion to drive them through the entire season. Seniors Alina Chant, Pierce Moul, Katherine Lopez, Kayla Robe, Ian Hawkins, Temitayo Akinboade, Justice Remar, Mike Petros, Dylan Gotay, Armani Smith, Stephanie Urias, Chassidy Guevara, Ashleigh Phillips, Fabrice Henry, Jordan White, Christy StHilaire, Isia Wright, and Jesus Rosas excitedly began their last season at West Orange High and used it as their last chance to prove that all of their hard work and training wasn't for nothing. The first meet of the season took place against Columbia High School, where the Spring Track team won, setting an amazing tone for the rest of the season and showing fans that they mean business. The first home meet followed quickly in pursuit with an amazing win against Passaic Tech High School. While most of the credit is accredited to the team itself, coaches Jackson and Blake have put blood sweat and tears to help the team become their best selves. Led by dedicated coaches, this team is expected to win meet after meet for years to come.

Sometimes smaller teams like golf go underrated and unnoticed, but senior Tyler Galantini has always been a prominent figure in the golf and sports conversation regarding this year's class. Starting off this season with a good record, the West Orange golf team has defeated rivals of Belleville, Bloomfield, Newark East Side twice, and Nutley. In the first match against Newark East Side, Tyler hit a 36, one of his lowest throughout the season and during the Nutley match, he hit a 37, his second lowest score. In their second Newark East Side win, Tyler also hit a 39 similar to when they played Nutley again hitting a 42. All of this effort and hard work was completely worth it: Galantini committed and signed to continue his golf career at Wagner College. Tyler has been a great addition to the WOHS golf program, and he is sure to shine at Wagner as well. His advice to the underclassmen coming up on the team? "Hey guys, play well, have fun, and don't get lost." - Tyler Galantini

Year after year, West Orange sports teams are filled with tremendously talented athletes. Our class of 2019 was no different. Our senior athletes performed amazingly throughout the four years of sports they played. They set goals, broke records, and made history several times. One of the various milestones our seniors reached was committing to play sports in college after high school. Not everyone has the ability to continue playing the sport they love at a DI, DII, or DIII level, but WOHS had over 10 student athletes that will do so. Despite the pressure of high school, these athletes rose above their competition, aided their teams, and were recognized as top contenders. With the help of their coaches, parents, and friends who always support them, many of our athletes will continue shining on the court or field after graduation. They have the opportunity to represent their talent and represent their hometown. Making everyone proud, their legacy shall continue at the next level. Congratulations to all of the commits!

Wes RideauWinds commits to the Division 1 United States Milltary Academy in West Point, New York as a soccer centerback.

Terrence Toussaint commits to Utica College for football.

As a defensive end, Bryce Nelms commits to the University of Pittsburgh, a Division 1 school for Football.

Hannah Villasin proudly sits with her parents as she officially signs to Ithaca College Women's Soccer.

As the first to announce his commitment, Jordan White smiles with his supporters as he signs to James Madison football.

Morgan Clark's friends celebrate with her as she commits to Brandeis University for soccer.

Without a doubt, the class of 2019 contributed immensely to the amazing sports accomplishments throughout our four years of high school. Our seniors played big roles in making history for several of the WOHS sports teams. Many athletes began to earn accolades early on in their high school careers and continued throughout. These teams will have big shoes to fill, but with our excellent coaching staff, we know they will continue to achieve greatness.

Faculty

Author: Connor Mills

Can you think about one specific thing your cherished from year to year throughout your time at West Orange High School? After each year, that thing may have changed, but one constant all students at WOHS can count on is the talented, passionate, hardworking, and loving staff that encourages and allows for the education of all students. No matter how students felt about the seemingly endless homework assignments, tests, guizzes, and projects, teachers at WOHS opened the doors to endless possibilities, providing the tools necessary for success following graduation. Additionally, the dedicated staff created a safe, welcoming environment for students of all types, thus creating a kind of second family in an unexpected place. This second family consists of teachers, guidance counselors, support staff, custodial and cafeteria staff, security, and many others working behind the scenes to make our high school years memorable. All of these individuals have contributed to students' success throughout their high school careers and moving forward in college, trade school, serving our country, the workforce, or any other number of places that students have the opportunity to go because of the tools they have been provided by the nurturing family at WOHS. This section serves as a reminder of the countless hours that faculty have contributed to the next generation of workers, leaders, and more, in thanks for all they have done.

CONGRATULATIONS TO THE WEST ORANGE HIGH SCHOOL CLASS OF 2019

Kyser Sebastian Christie

You've come a long way, Baby Boy!

We can hardly believe you're turning 18 and graduating high school! Where did the time go? When the midwife delivered you, who knew you would spend the next 18 years singing and driving us crazy? LOL!

Music has always been your safe space. Continue to develop the gift God has given you. Whether you become a pop star or a builder of master-planned communities, we know you will be successful.

Love, Mom, Raquel and Cassius

Lots of love, Mom, Dad & Joshua
