

Edison School Area Favored For Research Lab

"That the property bounded on the north by Morris avenue, on the east by Orchard street, and city property, on the south by the Rahway Valley Railroad and the west by Morris avenue is viewed with favor by the Planning Board as a logical site for research laboratories as defined by and under conditions stipulated in the proposed zoning ordinance."

This paragraph is quoted from a letter read Tuesday night at Common Council's meeting from the Planning Board.

The area referred to includes the acreage of the Edison Junior High School and about 10 additional acres.

Interest attaches to this communication because in recent weeks the Board of Education asked council to reopen the question of the possible sale of the school to the Celanese Corporation for use as research laboratories. Council referred the request of the Board of Education to the Planning Board. To date no announcement has been made on the action taken on this request.

A letter was also read at council meeting from the League of Women Voters favoring the sale of Edison school from an educational and economic standpoint. The Board of Recreation sent a letter stating that it is unanimously opposed to the sale of the school.

Council took no action nor made any comment directly or indirectly referring to the question of the possible sale of the school.

Sidewalk Show By Art Students For Tomorrow

Plans are complete for the annual sidewalk show tomorrow by Summit's public school art students. There will be water colors, oils, charcoal and crayon drawings, black prints, finger paintings, and clay models on display in Beechwood road from the Summit Trust Co. building to DeForest avenue and on DeForest avenue to Lincoln School.

If the weather permits the show will be open tomorrow from 10 a. m. to 5 p. m. In case of rain the show will be held on the first clear school day following.

A few students from all schools will be working at various art activities during the day. Students from the various schools are urged to attend the show in class groups. Plans for more tomorrow's show point to it as being one of the best to be held.

The art display is under the direction of Miss Adele Hepburn, art teacher in the city's two junior high schools and chairman of the Art Department of the public schools. She is assisted by Miss Mary Baker, art teacher in the elementary schools, and Miss Martha Berry, teacher in Senior High School and Washington elementary school.

Cancer Control Campaign Quota Two-Thirds Filled

During the three weeks since the Education for Cancer Control Committee was formed, they have collected \$864 of the Summit quota of \$1,200. Six committee members are still to be heard from for their territories.

"The shortness of the time has been the largest factor in the quota's not being entirely met," said Mrs. Bjornulf Johnson, first lieutenant. Much of the work has been done by individual solicitation by the committee, she said.

Although the official closing date for the campaign was May 31, the committee is still receiving donations, and will resume active work in the fall.

Committee to Meet For Action Against Peace Time Draft

A committee of Summit citizens will meet Monday evening, June 11, to organize action against a peace-time conscription bill. A select house committee for Post-War Military Policy is holding public hearings now, June 4, through June 16. They will report to the House of Representatives after the hearings, and specific bills will be considered by the House and Senate Military Affairs committees.

June 19 Hearing On Suburban Plea For License

Common Council has set Tuesday, June 19, at 8:30 p. m. in the council chambers at City Hall for hearing on the application of the Suburban Hotel, Springfield avenue, for a retail plenary consumption license.

In relation to the granting of liquor licenses in general and with specific reference to the Hotel Suburban, council received a letter from President H. Walford Martin of the Summit Association for Liquor Control, as follows:

"In view of the approach of the period for the renewal of liquor licenses under the Council's jurisdiction, the Executive Committee of the Summit Association for Liquor Control wish to state that we are interested in having local facilities for obtaining alcoholic beverages as restricted as possible.

"We are glad to note that the policy of the Council not to grant additional licenses for the duration has been maintained and that it does not regard itself as under an obligation to issue a new license to complete the quota when an existing license has been allowed to lapse.

"We earnestly hope that the Suburban Hotel's renewal of its application for a license will again be refused, and call your attention to the opposition of the First Baptist Church and our own Association to it."

Lions Club Plans Reception Series For Servicemen

The Board of Directors of Summit Lions Club at their June meeting on Monday approved plans for arranging a series of receptions for returning servicemen. The committee is headed by Salem Boorjuy and includes Lions Walter Crann and Frank Van Trank.

To date a number of Summit organizations and business men have indicated their interest in the project which will be carried on until some time after VJ Day. Each reception will include a dinner and the presentation of a medal to the returning servicemen. A speaker qualified to address the returning service people will feature the receptions as well as entertainment.

To defray the cost of the undertaking, which Mr. Boorjuy estimates will be between \$5,000 and \$6,000, contributions are solicited. Ernest P. Patten, vice-president of the Summit Trust Co. has been appointed treasurer of the committee. Any contributions to the fund should be sent to Mr. Patten as treasurer of the Lions Servicemen Receptions. Names of contributors will be published from time to time in the Herald without stating the amount that individuals give.

The Top, '45 Yearbook At Summit High, Issued

Informality is the keynote of the 1945. The Top, Summit High School year book, which was distributed last week at the school. There are informal pictures of school activity groups and of students at work and play. There are portraits of Principal A. J. Bartholomew together with members of his teaching staff grouped together as departments. Each senior has his portrait and a list of his activities in the annual. There are group pictures of the sophomore and junior classes, senior officers and various groups of The Top staff.

Athletic activities photographed are the cheer leaders, football, basketball, track, soccer, tennis, baseball, girls' hockey, and girls' athletic Honor Society, etc

Lt. W. E. Briggs Dies in Action In Germany Nov. 30

Word was received on Sunday, June 3, that Lt. Warren E. Briggs, who was previously reported missing in action, was killed in action over Merseburg, Germany, on November 30, 1944.

Lt. Briggs was inducted in the Army Air Corps on July 16, 1942. He obtained his training at Maxwell Field, Ala., Lodwick School of Aeronautics, Fla., Tyndall Field, Florida, Moody Field, Fla., Santa Anna, Calif., and was graduated from Victorville Army Air Field, Calif., on March 18, 1944 as a Bombardier Navigator.

On June 20, he flew from South Dakota to England where he was stationed until November 30.

He was a member of the 98th Bombardment group of the 8th Air Force, which led the first American bombing attacks on targets in Berlin, and which was cited by the President for its outstanding bombing assaults on railroad marshalling yards at Munster, Germany, in October 1943.

Lt. Briggs had flown over twenty-two missions, and had received the Air Medal and at least two Oak Leaf Clusters. He had also been recommended for promotion to 1st Lt. as of December 1.

Lt. Briggs was graduated from the Summit Schools, Carteret Academy, West Orange, and Mars Hill College, N. C.

Lt. Briggs is the son of Mr. and Mrs. Samuel A. Briggs, 6 Irving Place, and the husband of Avis Elizabeth Briggs, daughter of Mr. and Mrs. Warren B. Hall, 12 Ashland road. He has two brothers, Lt. E. A. Briggs, Jr., who is serving with the Coast Guard in the Pacific, and Lt. Leonard C. Briggs who is with the Third Army in Europe.

Commuters Object To Closing 23rd Street Lack. Ferry

Louis H. Dos Passos of Summit is acting president of the Twenty-third Street Association and Lee Kirner of Chatham is the acting secretary, which is opposing the closing of the twenty-third street ferry of the Delaware, Lackawanna & Western Railroad, between West Twenty-third street, New York, and Hoboken.

The association is the outcome of the application of the railroad company asking the Interstate Commerce Commission for permission to close up the ferry. While the association was hurriedly organized to oppose the request it is intimated that it may become permanent to look after commuter interests.

The Weather—Believe It or Not!

What is so rare as a day in June—in June?

We have had March days and November days. The World-Telegram has decided that June has a cold! Charles McCarthy (no relation to Bergen) thinks we have had beautiful fall weather; The Newark Evening News awaits the Prodigal Sun; even the locusts quit humming for the last week, while it rained and hailed—someone claimed it was sleet. The hail fell last Friday. The highest temperature since last Thursday has been 53, until yesterday, when it rose to 64.

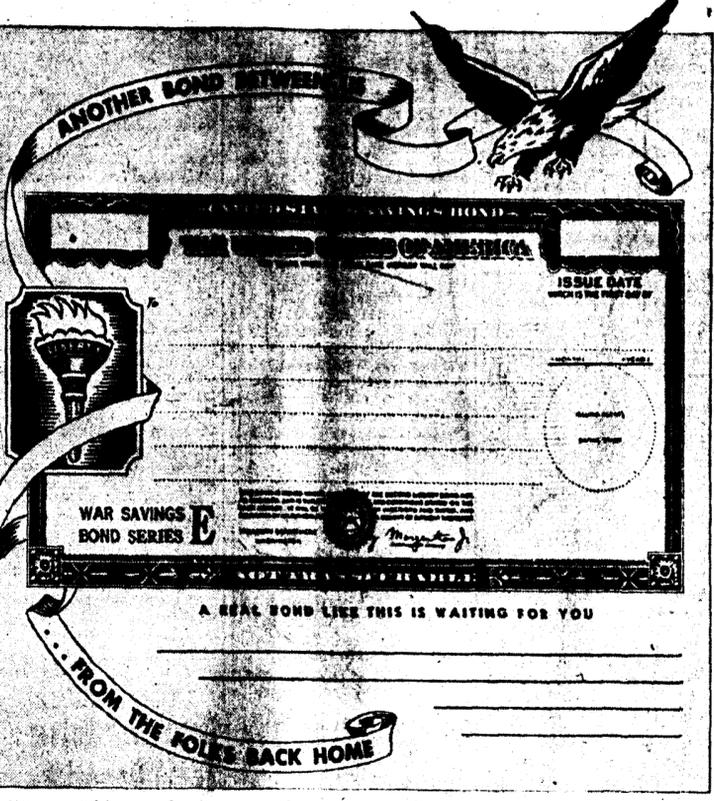

At any rate, pastures are better than usual, even though tomato plants are at a standstill. And the fuel oil saved in March is coming in handy in June.

Jap War Casualty

Lt. Harry Jacobs Killed May 1 In Mindanao

Mr. and Mrs. Morris Jacobs of New Market and for more than 20 years residents of Summit, have been notified by the War Department that their son, 1st Lt. Harry Jacobs, 31, an infantryman, was killed in action, May 1, against the Japs in Mindanao in the Philippines.

Lt. Jacobs enlisted in October, 1942. After completing basic training he was sent to Fort Benning where he graduated from the Infantry School with the rank of second lieutenant.

He left this country in March, 1943 and landed in Australia. From there he went to New Guinea where he was in action against the Japs. After the New Guinea campaign he was promoted to first lieutenant. Following this campaign his division was among those which invaded the island of Morotai in the Dutch East Indies.

A graduate of Summit High School, Lt. Jacobs before enlisting was a buyer for James McCreery & Co., in New York. His wife lives in Hartford, Conn. He was born in Summit.

A brother, Cpl. Leo Jacobs is with the Seventh Armored Division having seen action in France, Belgium and Germany. He also has two other brothers, Samuel and Edward, at home.

Army Nurse Corps Announces Their Needs Have Been Met

The Army needs for nurses has been met. Ruth Adams, director of Red Cross Nursing Service, has notified Nurse Recruitment Committees to accept no further applications for the Army Nurse Corps. Future assignments are restricted to the Cadet Nurses. Recruiting committees are standing by until future notice has been given them regarding activities.

Slogan Suggested For the Month, Buy an Extra "E"

As a further stimulus to the "Mighty Seventh" War Loan Drive, the Summit War Finance Committee has been invited to participate with the Elks in their annual Flag Day services.

This event, commemorating the birth of the American flag, will be held on June 14, at Lincoln School auditorium at 8 o'clock, and Robert J. Davidson will be the principal speaker.

Mr. Davidson is still pessimistic concerning the sale of E bonds. He reported yesterday that the total sales of E bonds amount to \$43,000 which is a \$70,000 increase over last week.

"The Summit area has reached 80% of its over-all quota," said Mr. Davidson, "but on our E bond quota, we've only reached 58%. With just four weeks left to go, it is evident that the pace in E bond sales must be accelerated if we are to reach the quota of \$75,000."

Mr. Davidson emphasized the fact that Summit has never failed yet to meet the E bond quota. He urged every individual to buy one more extra E bond to help put this drive over.

The committee asks the continued support of all civic organizations in the community to push the sale of war bonds, particularly E bonds for the remainder of the drive. To spur the drive, the committee suggests the slogan for the rest of the month be, "Buy an EXTRA E Bond."

Overlook Bridge For Linen Fund Has a New Head

The annual card party of the Woman's Auxiliary of Overlook Hospital for the benefit of the hospital linen fund will be held as usual on the last Friday in October, the 26, in the Hotel Beechwood ballroom. Mrs. Paul Gadebusch, who has managed these parties for a quarter of a century, this year will act as honorary chairman and treasurer, assisting the new chairman, Mrs. Frederick G. Sikes, Jr.

Mrs. Sikes has not yet formed her complete committee but she has announced that Mrs. Henry W. Harding will be in charge of the prizes and that Mrs. Donald Scott will be the Short Hills representative.

Athenaeum List For Membership Almost Filled

Announcements have been mailed this week to all who were Athenaeum members for the 1944-1945 season, giving them the opportunity to subscribe at this time for the coming season, which will open on November 8.

This early invitation has been made necessary because the membership is now approaching the capacity of the high school auditorium; and for that reason it has become necessary to limit the membership to five hundred double memberships. That means that when this limit has been reached, applicants must go on a waiting-list, to be admitted as vacancies occur.

Should any member not have received his announcement, he should notify the chairman of the Membership Committee, Ralph P. White, 65 Oak Ridge avenue, or send the annual dues to the treasurer, Ronald C. Anderson, 25 Ashland road.

Short Parade; Park Service Memorial Day Observance

Memorial Day in Summit was observed unostentatiously but with a serious vein predominating the proceedings, as befitting the occasion with the country still at war.

The observance was under the auspices of Summit Post 138, American Legion and Beacon Hill Post 191, Veterans of Foreign Wars.

There was a short parade to start, the marchers forming in Elm street in front of the American Legion headquarters, deploying into Broad street, thence to Summit avenue; Summit to Springfield avenue; Springfield to Maple street; Broad street, resting there for the service at the monument, which consisted of the calling of the roll of the

Elks' Flag Day Service Departure From the Usual One

Summit Lodge No. 1246, Benevolent and Protective Order of Elks, will hold its Flag Day Service this year in Lincoln School auditorium, DeForest avenue, at 8 o'clock on Thursday evening, June 14.

The Summit War Finance Committee has accepted the invitation of the Elks to participate in the commemorative exercises, with Robert J. Davidson, the chairman being the principal speaker. This is a departure from the usual, both as to place and outside participation. Joseph Zeigler, exalted ruler of the lodge, explains this change from the regular ritual by saying:

"We feel privileged for this opportunity for extending the friendly and cooperative hand of Elksdom to such a vital and worthy issue."

"The B.P.O.E. is commemorating the Birth of our American Flag. No man enters that Order unless his sworn allegiance has gone forth to the flag that drapes its altar. For the flag is the heart and soul of Elksdom as it is the symbol of the heart and soul of America. They are one and inseparable."

"The country for which this flag stands is engaged in a great conflict. It needs the help of all and the Elks lodge of Summit welcomes this opportunity to aid."

"Our services are open to all. We have secured the Lincoln School Auditorium, through the courtesy of the Board of Education." (Continued on page 6)

Need Is Pressing For Wastepaper In Sunday's Drive

This Sunday's wastepaper drive on the north side of town finds a greater need for the wastepaper you have collected during the past several weeks than ever. For paper is short—very short. Stores in this area are urging patrons to bring carriers for their parcels and not take a new paper bag unless absolutely necessary.

This severe shortage has been brought on by the end of hostilities in Europe and the changeover to the fighting in the Far East where the vast distances involved cause more paper cartons to be used in bringing supplies to our men out there.

The Summit Salvage Committee urges every North Side resident to get every scrap of paper possible out on the curb not later than this Saturday night, June 9, so that nothing will be missed when the paper trucks come around early Sunday morning, June 10.

According to Robert Hazen, chairman of these drives for the Summit Salvage Committee, old magazines and newspapers make the best contributions to these collections. Packed and wrapped carefully in bales of 25, 50 or more, they aid in helping to meet Summit's quota. Old books and encyclopedias, cartons from your grocery store purchases and any form of clean wastepaper is welcome.

From the American Legion, it is learned that a legionnaire will be sent to any home that is unable to wrap and carry paper out to the curb. Simply telephone Summit 6-2621 and someone will be dispatched at once to help.

Scavenger Service Pros and Cons Aired at Council

Dissatisfaction with the city's ash and garbage collection service was voiced Tuesday night by R. M. Bohn of Lenox road who moved to Summit six months ago from Millburn. Councilman Louis G. Dapero, chairman of the committee having to do with the service under criticism, explained in detail some of the difficulties the city is experiencing in this department.

The councilman said, in part: "It has been extremely difficult to maintain the scavenger service. We have had certain conditions other communities don't have. We started the war manned with fully experienced older men. At that time we started to replace them with younger men.

"As the older men, during the war period, some had to be retired or placed in less strenuous work. As is generally recognized replacements in the labor field have been practically impossible. We had trouble to control and manage

Reserves Decision On Zone Appeal By Rinhart Co.

Whether or not the Elmer N. Rinhart Co. of Bank street acting as agent for Eugenia S. Rinhart is operating a rooming house or a multiple family dwelling at 50 New England avenue was argued Saturday before Justice E. Case in Supreme Court in Elizabeth. Decision was reserved.

The operator of the New England avenue address against whom counsel said charges are pending in Summit police court, sought a writ of mandamus. If granted it would compel Seaman L. Wright, the building inspector, to issue a certificate of occupancy. The realtor, represented by Lyness & Bedell of Plainfield, contended that a building permit for the renovation for a rooming house was allowed.

The dwelling at New England avenue was remodelled for that purpose but Inspector Wright then denied a certificate of occupancy, asserting it was not operated as a rooming house. The owner then sought the Supreme Court to obtain a writ of mandamus.

Frederick C. Kentz arguing the case for Summit said that several of the occupants have coffee-makers and prepare breakfast in their rooms. He pointed out that a few of the occupants are married couples who have two or more rooms and are paying high rates on long term leases.

The realtor retorted, however, that the only actual cooking facilities are in one kitchen, which conforms to the requirements; that other buildings in the area are used as rooming houses, and that the use violates the residential zone standard.

Donations Needed By Navy League For Destroyer

The Ships Service Branch of the Navy League, which was organized in Summit Monday, May 21, held their first meeting Tuesday at the home of Mrs. James L. Truslow, chairman. Mrs. Truslow announced that they have been assigned a destroyer which will be commissioned about July 4.

While all ships have a welfare allowance, this does not cover many things needed for morale, and the League hopes to receive enough donations to help them purchase a radio victrola with an attachment for the ship's public address system. The next two weeks are open for donations. If you wish to make a contribution to help toward the purchase of this radio, please send it to Mrs. John F. Harper, treasurer, 34 Hobart avenue.

As a women's auxiliary of a national men's organization, the League's general purpose is to interest all civilians in the Navy, and specifically to collect or buy recreational items wanted by the men on ships. After receiving a written request from the supply officer or chaplain, the Navy League needs all athletic equipment, musical instruments and victrola records. They will greatly appreciate any help which you can give them.

Cubs and Tigers Post Victories In Jr. H. S. Loop

In the Central Junior High School ninth grade softball loop last Thursday, the Cubs squeaked out a 9-8 victory over the Athletics. It was a free-hitting game, the winners making 17 hits and the losers, 16.

On the following day the Tigers topped the Braves when Bob McClinton's home run drove in two runners with the winning tallies in the last inning to defeat the Braves.

Additional Class For Trophy Events At Watching Show

Addition of a new challenge class to the three notable challenge trophy events for the nineteenth annual horse show of the Watching Riding and Driving Clubs June 2 and 3 at Watching Stables, Summit, was announced this week by the prize list committee headed by Capt. T. N. Tully of Summit.

The new event will be the Lt. Edward K. Simpson, Jr. perpetual challenge trophy for the knock down and out for open jumpers. The late Lieutenant Simpson, who was killed last summer by the Germans in occupied France after parachuting from a disabled fighter plane was a prominent member of the Watching club, learned to ride at Watching Stables and was a stellar performer in hunter and jumper classes. The knock down and out competition was one of his favorites.

Cancer Campaign Ends With Today; Results Given Later

Solicitation for funds for the cancer campaign, collected for the education of the public on the control of the disease, by the Summit committee, ends today. As the Herald is printed before the end of the solicitation, results will be announced in next week's issue.

Mayor G. Harry Cullis announces that he has named Dean H. Travis, president of The First National Bank and Trust Company as treasurer of the fund.

Mrs. Bjornulf Johnsen, first lieutenant of the solicitation committee, states that "if the member of your church or organization who is serving on the committee has not been able to contact you it is not too late to send your donation to her or to the treasurer. This should be done at once."

Mrs. Johnsen also says that the committee of 22 members were unable to completely cover the city, as the fund-raising work did not get an early start. Nevertheless she appreciates the cooperation of committee members and the public.

Given by Mrs. Donald Page of Chatham for permanent possession of a three-time winner, the limited saddle event could be taken this year by Miss Jean Girdler, of Montclair, or Miss Colleen Crowhurst, of Nutley. Miss Girdler won in 1939 and 1940 and Miss Crowhurst in 1942 and 1943. It went to the former Cynthia Wrightson in 1941, and to Miss Dorothy Van Winkle last year.

Miss Girdler likewise is a twice-winner of the ladies trophy given by Mrs. Lee H. Bristol, of Westfield. She won the award in 1939 and 1940 and in 1941, it went to Mrs. Samuel Schiffer. Miss Dorothy Ritterbush took it in 1942 and 1943 and last year's event went to Willard K. Denton, of Bronxville. Miss Ritterbush is away at school and is not expected to enter this year's competition.

IN MEMORIAM

They are not dead, our sons who fell in glory,
Who gave their lives for Freedom and for Truth;
We shall grow old, but never their great story,
Never their gallant youth.

In a perpetual springtime set apart,
Their memory forever green shall grow,
In some bright secret meadow of the heart
Where never falls the snow.

Edison School Area Favored For Research Lab

"That the property bounded on the north by Morris avenue, on the east by Orchard street, on the south by the city property, on the south by the Rahway Valley Railroad and the west by Morris avenue is viewed with favor by the Planning Board as a logical site for research laboratories as defined by and under conditions stipulated in the proposed zoning ordinance."

This paragraph is quoted from a letter read Tuesday night at Common Council's meeting from the Planning Board.

The area referred to includes the acreage of the Edison Junior High School and about 10 additional acres.

Interest attaches to this communication because in recent weeks the Board of Education asked council to reopen the question of the possible sale of the school to the Celanese Corporation for use as research laboratories. Council referred the request of the Board of Education to the Planning Board. To date no announcement has been made on the action taken on this request.

A letter was also read at council meeting from the League of Women Voters favoring the sale of Edison school from an educational and economic standpoint. The Board of Recreation sent a letter stating that it is unanimously opposed to the sale of the school.

Council took no action nor made any comment directly or indirectly referring to the question of the possible sale of the school.

Sidewalk Show By Art Students For Tomorrow

Plans are complete for the annual sidewalk show tomorrow by Summit's public school art students. There will be water colors, oils, charcoal and crayon drawings, black prints, finger paintings, and clay models on display in Beechwood road from the Summit Trust Co. building to DeForest avenue and on DeForest avenue to Lincoln School.

If the weather permits the show will be open tomorrow from 10 a. m. to 5 p. m. In case of rain the show will be held on the first clear school day following.

A few students from all schools will be working at various art activities during the day. Students from the various schools are urged to attend the show in class groups. Plans for more tomorrow's show point to it as being one of the best to be held.

Cancer Control Campaign Quota Two-Thirds Filled

During the three weeks since the Education for Cancer Control Committee was formed, they have collected \$864 of the Summit quota of \$1,200. Six committee members are still to be heard from for their territories.

"The shortness of the time has been the largest factor in the quota's not being entirely met," said Mrs. Bjornut Johnson, First Lieut. Much of the work has been done by individual solicitation by the committee, she said.

Although the official closing date for the campaign was May 31, the committee is still receiving donations, and will resume active work in the fall.

Committee to Meet For Action Against Peace Time Draft

A committee of Summit citizens will meet Monday evening, June 11, to organize action against a peace-time conscription bill. A select house committee for Post-War Military Policy is holding public hearings now, June 4, through June 10. They will report to the House of Representatives after the hearings, and specific bills will be considered by the House and Senate Military Affairs committees.

June 19 Hearing On Suburban Plea For License

Common Council has set Tuesday, June 19, at 8:30 p. m. in the council chambers at City Hall for hearing on the application of the Suburban Hotel, Springfield avenue, for a retail plenary consumption license.

In relation to the granting of liquor licenses in general and with specific reference to the Hotel Suburban, council received a letter from President H. Walford Martin of the Summit Association for Liquor Control, as follows:

"In view of the approach of the period for the renewal of liquor licenses under the Council's jurisdiction, the Executive Committee of the Summit Association for Liquor Control wish to state that we are interested in having local facilities for obtaining alcoholic beverages as restricted as possible.

"We are glad to note that the policy of the Council not to grant additional licenses for the duration has been maintained and that it does not regard itself as under an obligation to issue a new license to complete the quota when an existing license has been allowed to lapse.

"We earnestly hope that the Suburban Hotel's renewal of its application for a license will again be refused, and call your attention to the opposition of the First Baptist Church and our own Association to it."

Lions Club Plans Reception Series For Servicemen

The Board of Directors of Summit Lions Club at their June meeting on Monday approved plans for arranging a series of receptions for returning servicemen. The committee is headed by Salem Boorujy and includes Lions Walter Crann and Frank Van Tronk.

To date a number of Summit organizations and business men have indicated their interest in the project which will be carried on until some time after VJ Day.

Each reception will include a dinner and the presentation of a medal to the returning servicemen. A speaker qualified to address the returning service people will feature the receptions as well as entertainment.

To defray the cost of the undertaking, which Mr. Boorujy estimates will be between \$5,000 and \$6,000, contributions are solicited. Ernest P. Patten, vice-president of the Summit Trust Co. has been appointed treasurer of the committee. Any contributions to the fund should be sent to Mr. Patten as treasurer of the Lions Servicemen Receptions. Names of contributors will be published from time to time in the Herald without stating the amount that individuals give.

The Top, '45 Yearbook At Summit High, Issued

Informality is the keynote of the 1945, The Top, Summit High School year book, which was distributed last week at the school. There are informal pictures of school activity groups and of students at work and play. There are portraits of Principal A. J. Bartholomew together with members of his teaching staff grouped together as departments. Each senior has his portrait and a list of his activities in the annual. There are group pictures of the sophomore and junior classes, senior officers and various groups of The Top staff.

Athletic activities photographed are the cheer leaders, football, basketball, track, soccer, tennis, baseball, girls' hockey, and girls' athletic Honor Society, etc

Lt. W. E. Briggs Dies in Action In Germany Nov. 30

Word was received on Sunday, June 3, that Lt. Warren E. Briggs, who was previously reported missing in action, was killed in action over Merseburg, Germany, on November 30, 1944.

Lt. Briggs was inducted in the Army Air Corps on July 16, 1942. He obtained his training at Maxwell Field, Ala., Ludwick School of Aeronautics, Fla., Tyndall Field, Florida, Moody Field, Fla., Santa Anna, Calif., and was graduated from Victorville Army Air Field, Calif., on March 18, 1944 as a Bombardier Navigator.

On June 20, he flew from South Dakota to England where he was stationed until November 30. He was a member of the 95th Bombardment group of the 8th Air Force, which led the first American bombing attacks on targets in Berlin, and which was cited by the President for its outstanding bombing assaults on railroad marshalling yards at Munster, Germany, in October 1943.

Lt. Briggs had flown over twenty-two missions, and had received the Air Medal and at least two Oak Leaf Clusters. He had also been recommended for promotion to 1st Lt. as of December 1.

Lt. Briggs was graduated from the Summit Schools, Carteret Academy, West Orange, and Mars Hill College, N. C.

Lt. Briggs is the son of Mr. and Mrs. Samuel A. Briggs, 6 Irving place, and the husband of Avis Elizabeth Briggs, daughter of Mr. and Mrs. Warren B. Hall, 12 Ashland road. He has two brothers, Lt. S. A. Briggs, Jr., who is serving with the Coast Guard in the Pacific, and Lt. Leonard C. Briggs who is with the Third Army in Europe.

Commuters Object To Closing 23rd Street Lack. Ferry

Louis H. Dos Passos of Summit is acting president of the Twenty-third Street Association and Lee Kirner of Chatham is the acting secretary, which is opposing the closing of the twenty-third street ferry of the Delaware, Lackawanna & Western Railroad, between West Twenty-third street, New York, and Hoboken.

The association is the outcome of the application of the railroad company asking the Interstate Commerce Commission for permission to close up the ferry. While the association was hurriedly organized to oppose the request it is intimated that it may become permanent to look after commuter interests.

The Weather—Believe It or Not!

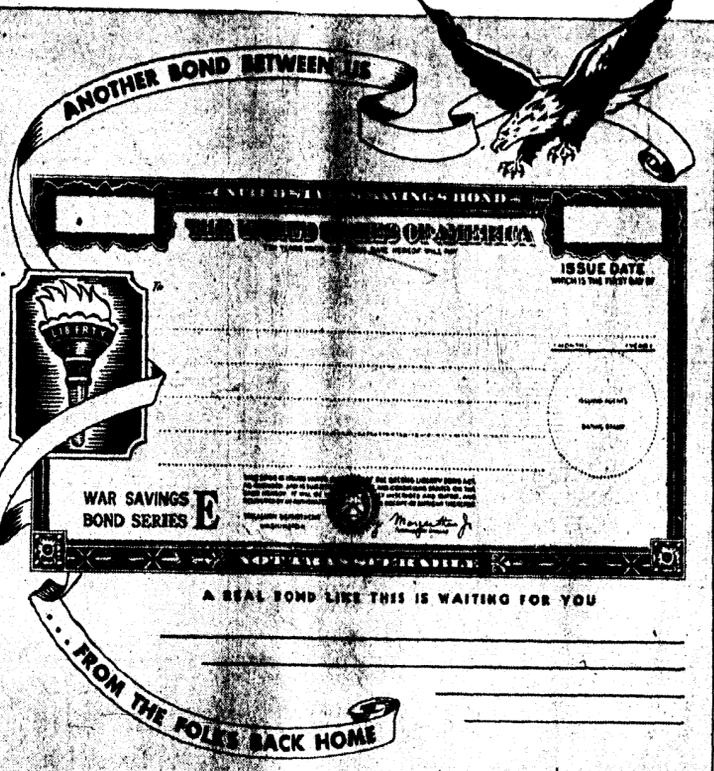

What is so rare as a day in June—in June?

We have had March days and November days. The World-Telegram has decided that June has a cold! Charles McCarthy (no relation to Bergen) thinks we have had beautiful fall weather; The Newark Evening News awaits the Prodigal Sun; even the locusts quit humming for the last week, while it rained and hailed—someone claimed it was sleet. The hall fell last Friday. The highest temperature since last Thursday has been 53, until yesterday, when it rose to 64.

At any rate, pastures are better than usual, even though tomato plants are at a standstill.

And the fuel oil saved in March is coming in handy in June.

V-Certificate Devised for Service Men

Relatives and friends at home may now buy an E bond for those in service with a V-mail facsimile or that bond made out in accordance with the original bond issued.

These V-mail Certificates will be available at all issuing agents here which include the three banks, two loan associations, and the Post Office.

Jap War Casualty

Lt. Harry Jacobs Killed May 1 In Mindanao

Mr. and Mrs. Morris Jacobs of New Market and for more than 20 years residents of Summit, have been notified by the War Department that their son, 1st Lt. Harry Jacobs, 31, an infantryman, was killed in action, May 1, against the Japs in Mindanao in the Philippines.

Lt. Jacobs enlisted in October, 1942. After completing basic training he was sent to Fort Benning where he graduated from the Infantry School with the rank of second lieutenant.

He left this country in March, 1943 and landed in Australia. From there he went to New Guinea where he was in action against the Japs. After the New Guinea campaign he was promoted to first lieutenant. Following this campaign his division was among those which invaded the island of Morotal in the Dutch East Indies.

A graduate of Summit High School, Lt. Jacobs before enlisting was a buyer for James McCreery & Co., in New York. His wife lives in Hartford, Conn. He was born in Summit.

A brother, Cpl. Leo Jacobs is with the Seventh Armored Division having seen action in France, Belgium and Germany. He also has two other brothers, Samuel and Edward, at home.

Army Nurse Corps Announces Their Needs Have Been Met

The Army needs for nurses has been met, Ruth Adams, director of Red Cross Nursing Service, has notified Nurse Recruitment Committees to accept no further applications for the Army Nurse Corps. Future assignments are restricted to the Cadet Nurses. Recruiting committees are standing by until future notice has been given them regarding activities.

Slogan Suggested For the Month, Buy an Extra 'E'

As a further stimulus to the "Mighty Seventh" War Loan Drive, the Summit War Finance Committee has been invited to participate with the Elks in their annual Flag Day services.

This event, commemorating the birth of the American flag, will be held on June 14, at Lincoln School auditorium at 8 o'clock, and Robert J. Davidson will be the principal speaker.

Mr. Davidson is still pessimistic concerning the sale of E bonds. He reported yesterday that the total sales of E bonds amount to \$443,000 which is a \$70,000 increase over last week.

"The Summit area has reached 80% of its over-all quota," said Mr. Davidson, "but on our E bond quota, we've only reached 58%. With just four weeks left to go, it is evident that the pace in E bond sales must be accelerated if we are to reach the quota of \$765,000."

Mr. Davidson emphasized the fact that Summit has never failed yet to meet the E bond quota. He urged every individual to buy one more extra E bond to help put this drive over.

The committee asks the continuing support of all civic organizations in the community to push the sale of war bonds, particularly E bonds for the remainder of the drive. To spur the drive, the committee suggests the slogan for the rest of the month be, "Buy an EXTRA E Bond."

Overlook Bridge For Linen Fund Has a New Head

The annual card party of the Woman's Auxiliary of Overlook Hospital for the benefit of the hospital linen fund will be held as usual on the last Friday in October, the 26, in the Hotel Beechwood ballroom. Mrs. Paul Gadebusch, who has managed these parties for a quarter of a century, this year will act as honorary chairman and treasurer, assisting the new chairman, Mrs. Frederick G. Sikes, Jr.

Mrs. Sikes has not yet formed her complete committee but she has announced that Mrs. Henry W. Harding will be in charge of the prizes and that Mrs. Donald Scott will be the Short Hills representative.

Athenaeum List For Membership Almost Filled

Announcements have been mailed this week to all who were Athenaeum members for the 1944-1945 season, giving them the opportunity to subscribe at this time for the coming season, which will open on November 8.

This early invitation has been made necessary because the membership is now approaching the capacity of the high school auditorium; and for that reason it has become necessary to limit the membership to five hundred double memberships. That means that when this limit has been reached, applicants must go on a waiting-list, to be admitted as vacancies occur.

Should any member not have received his announcement, he should notify the chairman of the Membership Committee, Ralph P. White, 65 Oak Ridge avenue, or send the annual dues to the treasurer, Ronald C. Anderson, 25 Ashland road.

Short Parade; Park Service Memorial Day Observance

Memorial Day in Summit was observed unostentatiously but with a serious vein predominating the proceedings, as befitting the occasion with the country still at war.

The observance was under the auspices of Summit Post 138, American Legion and Beacon Hill Post 201, Veterans of Foreign Wars.

There was a short parade to start, the marchers forming in Elm street in front of the American Legion headquarters, deploying into Broad street, thence to Summit avenue. Summit to Springfield avenue; Springfield to Maple street, to Broad street, resting there for the service at the monument, which consisted of the calling of the roll of the

Elks' Flag Day Service Departure From the Usual One

Summit Lodge No. 1246, Benevolent and Protective Order of Elks, will hold its Flag Day Service this year in Lincoln School auditorium, DeForest avenue, at 8 o'clock on Thursday evening, June 14.

The Summit War Finance Committee has accepted the invitation of the Elks to participate in the commemorative exercises, with Robert J. Davidson, the chairman being the principal speaker. This is a departure from the usual, both as to place and outside participation. Joseph Zeigler, exalted ruler of the lodge, explains this change from the regular ritual by saying:

"We feel privileged for this opportunity for extending the friendly and cooperative hand of Elksdom to such a vital and worthy issue."

"The B.P.O.E. is commemorating the Birth of our American Flag. No man enters that Order unless his sworn allegiance has gone forth to the flag that drapes its altar. For the flag is the heart and soul of Elksdom as it is the symbol of the heart and soul of America. They are one and inseparable."

"The country for which this flag stands is engaged in a great conflict. It needs the help of all and the Elks lodge of Summit welcomes this opportunity to aid."

"Our services are open to all. We have secured the Lincoln School Auditorium, through the courtesy of the Board of Education." (Continued on page 6)

Need Is Pressing For Wastepaper In Sunday's Drive

This Sunday's wastepaper drive on the north side of town finds a greater need for the wastepaper you have collected during the past several weeks than ever. For paper is short—very short. Stores in this area are urging patrons to bring carriers for their parcels and not take a new paper bag unless absolutely necessary.

This severe shortage has been brought on by the end of hostilities in Europe and the changeover to the fighting in the Far East where the vast distances involved cause more paper cartons to be used in bringing supplies to our men out there.

The Summit Salvage Committee urges every North Side resident to get every scrap of paper possible out on the curb not later than this Saturday night, June 9, so that nothing will be missed when the paper trucks come around early Sunday morning, June 10.

According to Robert Hazen, chairman of these drives for the Summit Salvage Committee, old magazines and newspapers make the best contributions to these collections. Packed and wrapped carefully in bales of 25, 50 or more, they aid in helping to meet Summit's quota. Old books and encyclopedias, cartons from your grocery store, purchases and any form of clean wastepaper is welcome.

From the American Legion, it is learned that a legionnaire will be sent to any home that is unable to wrap and carry paper out to the curb. Simply telephone Summit 6-2621 and someone will be dispatched at once to help.

Scavenger Service Pros and Cons Aired at Council

Dissatisfaction with the city's ash and garbage collection service was voiced Tuesday night by R. M. Bonn of Lenox road who moved to Summit six months ago from Millburn. Councilman Louis G. Dappero, chairman of the committee having to do with the service under criticism, explained in detail some of the difficulties the city is experiencing in this department.

The councilman said in part: "It has been extremely difficult to maintain the scavenger service. We have had certain conditions other communities don't have. We started the war manned with fully experienced older men. At that time we started to replace them with younger men."

"As the older men, during the war period, some had to be retired or placed in less strenuous work. As is generally recognized, replacements in the labor field have been practically impossible. We had trouble to control and manage" (Continued on Page 10)

Reserves Decision On Zone Appeal By Rinhart Co.

Whether or not the Elmer N. Rinhart Co. of Bank street acting as agent for Eugenia S. Rinhart is operating a rooming house or a multiple family dwelling at 50 New England avenue was argued Saturday before Justice E. Case in Supreme Court in Elizabeth. Decision was reserved.

The operator of the New England avenue address against whom counsel said charges are pending in Summit police court, sought a writ of mandamus. If granted it would compel Seaman L. Wright, the building inspector, to issue a certificate of occupancy. The realtor, represented by Lyness & Bedell of Plainfield, contended that a building permit for the renovation for a rooming house was allowed.

The dwelling at New England avenue was remodelled for that purpose but Inspector Wright then denied a certificate of occupancy, asserting it was not operated as a rooming house. The owner then sought the Supreme Court to obtain a writ of mandamus.

Frederick C. Kente arguing the case for Summit said that several of the occupants have coffee-makers and prepare breakfast in their rooms. He pointed out that a few of the occupants are married couples who have two or more rooms and are paying high rates on long term leases.

The realtor retorted, however, that the only actual cooking facilities are in one kitchen, which conforms to the requirements; that other buildings in the area are used as rooming houses and that the use violates the residential zone standard.

Donations Needed By Navy League For Destroyer

The Ships Service Branch of the Navy League, which was organized in Summit Monday, May 21, held their first meeting Tuesday at the home of Mrs. James L. Trustlow, chairman. Mrs. Trustlow announced that they have been assigned a destroyer which will be commissioned about July 4.

While all ships have a welfare allowance, this does not cover many things needed for morale, and the League hopes to receive enough donations to help them purchase a radio victrola with an attachment for the ship's public address system. The next two weeks are open for donations. If you wish to make a contribution to help toward the purchase of this radio, please send it to Mrs. John F. Harper, treasurer, 34 Hobart avenue.

As a women's auxiliary of a national men's organization, the League's general purpose is to interest all civilians in the Navy, and specifically to collect or buy recreational items wanted by the men on ships after receiving a written request from the supply officer or chaplain. The Navy League needs all athletic equipment, musical instruments and victrola records. They will greatly appreciate any help which you can give them.

Code Messages Via Dyed Bees Accepted By Signal Corps

The training of homing bees for use as message carriers in the front lines was revealed recently by permission of the U. S. Signal Corps. Credited with the development is Pvt. John Russell, Jr., son of Mr. and Mrs. Russell of Hillside avenue, who is now in the Pacific area as a rifleman in the infantry.

Racing and homing pigeons have been used as messengers in warfare for many years. The Signal Corps revealed that homing bees had been used by the Chinese armies by microfilming the messages and fastening the thin paper messages to the bees but the use of tinted bees was introduced to military life by Russell. The Signal Corps thought so well of the suggestion that it has filed patent papers in Russell's name.

Under the system, bees are kept in hives at command posts for a minimum acclimating time and

then moved to the front line in portable carriers. Messages are transmitted by a color code. Bees are suitably marked by dyes applied by brush at the exit door of the bee carrier. Brief but important messages such as "more ammunition needed," "enemy has evacuated" can be transmitted in this code, it is said.

Engineers Urgently Needed; Should Apply at Once

It was announced here today at Headquarters, 4151st AAF, Base Unit, Red Bank, New Jersey that mechanical engineers, radio engineers, telephone engineers, electrical engineers, physicists, engineering aides, and draftsmen are urgently sought to work in one of the AAF's most vital installations.

Salvation Army Campaign Opens June 1 in Summit

The thin line of servicemen now returning from the war will reach high tide in the near future and the rehabilitation program of the Salvation Army is being geared to meet the demands of these returning veterans.

John D. Hood, chairman of the Citizens Committee today further states that "not all of our men will return in perfect health, sound in mind and body. Many will come back to us permanently handicapped while others will be temporarily convalescent. The Salvation Army in New Jersey and throughout the nation is planning to do its part in the rehabilitation program planned for the servicemen."

"These men have given their best for us. We cannot give anything less for them. They have battled and are defeating a vicious enemy, and will return to receive the just honors they so rightfully deserve. For in victory over the enemy they have preserved our democracy, our religion, our traditions and our heritage."

"The Army stands ready to serve them at home and our services units are planning to supplement Government aid by providing extra service, which will include medical care, cash assistance, general aid, dental and visual aid, artificial limbs, scholarships, financial help for vocational training, and many other kinds of assistance."

Brigadier A. Edgar Arkett, state commander of the Salvation Army, pointed out that "behind all of this will be the larger and basic services of all the institutions which have been developed through the years. These include: hospitals, day nurseries, health camps, clinics, emergency homes, neighborhood centers, men's and women's centers, and bureau of missing persons."

Brigadier Arkett revealed a list of special services that The Salvation Army has prepared for the returning serviceman: fresh air camp benefits for their wives and children; free care for their children; medical care of the servicemen; securing of living quarters; hospital cheer; and seasonal gifts.

A mail solicitation is being made in Summit, and it is hoped that contributions will be promptly sent to Miss Alma Hellquist, the local treasurer c/o Citizens Trust Company.

Commuters Object

The association said 3,321,159 passengers and 714,000 vehicles were transported by the line last year. The organization maintained that improved service of the Christopher Street ferry, as proposed by the railroad, would provide no convenient substitute.

It is understood that thousands of protests have been filed with the I.C.C. against the proposal, many of them pointing out that if this terminal is abandoned they would find themselves without a midtown service as compared with the two downtown terminals, at Christopher and Barclay streets. It is suggested by some of the commuters that if service is curtailed it would be better to eliminate one of those terminals.

Among the protests from business concerns are those of Auto Car Trucks, C. F. Kirk Company, James Burns & Sons, Inc.; James N. Wells' Sons, Berlin & Jones Company, Inc.; Order of Railway Conductors of America, Inland Boatmen's Union, Port of New York; Order of Railroad Telegraphers, and many others.

Some of the individuals who have protested declared that in case the ICC authorizes the abandonment of this ferry service it will necessitate giving up their New Jersey homes. Commercial concerns in the West Twenty-third street district have notified the ICC that many of them have just renewed long leases for their property and that the abandonment of this commuter and vehicular service will seriously impair their business.

One commuter points out that the Lackawanna is one of the railroads that do not sell a commutation ticket at a lower price based on a five-day business week and that the proposed change to the Christopher Street Ferry would entail extra tube fares or bus fares, as well as long roundabout trips on account of inadequate facilities.

It is argued that the rerouting of trucks and vehicular traffic will increase truck miles traveled per month by the thousands.

Many commuters from Summit are interested in keeping this ferry open. Among those who have so far signed a protesting petition from here to date are Herman J. Donner, Louis H. Dos Passos, Elizabeth G. Lamb, Francis C. Stiffer, E. L. Groves, C. A. Kimball, Jessica Moore, Robert W. Chastaney, G. A. Niedner, P. L. Lawrence, A. C. Buckley, Henry O. Pattison, Ralph D. Rogers, Herbert R. Noxon.

Mr. Kirner says that if others desire to sign they may contact him writing his home address, 61 Central avenue, Chatham; telephone Chatham 4-0672.

Summit Officer In Italy Serving Allied Commission

Allied Commission Headquarters, Rome, Italy—Major Edwin A. Baldwin, 46, whose home is at 128 Canoe Brook parkway is now serving with the Allied Commission in Italy as a Provincial Public Safety Officer of the Province of Ravenna famed for its Byzantine architecture.

The Allied Commission's task in Italy consists of assisting Italian civilians to rehabilitate their war-torn nation through maintenance of order and reconstruction of its political and economic life.

A one-time sergeant of artillery, Major Baldwin served eleven months in France in World War I and was commissioned a 2nd Lieut. in the Officer's Reserve Corps in June, 1924. The Major was serving as Special Agent in Charge, New Jersey Office of Intelligence, U. S. Treasury, when he was called into active service in January, 1942.

Having obtained leave of absence from the Treasury Department, Major Baldwin attended the School of Military Government at Charlottesville, Va., and was assigned to the Allied Commission in August, 1943. The following month he landed in the thick of the fighting at Salerno.

Prior to his assignment in Italy the major served as a member of the U. S. Claims Commission in North Africa and also acted as defense counsel to General Courts Martial while stationed there.

Born in West Orange, the major is married and has three children, Louise, Edwin and Dency. He graduated in the Class of 1924 at Princeton University. He is a Phi Beta Kappa.

Major Baldwin is the only two-time winner of the Army Golf Championship. In 1929 he defeated Lt. General Omar N. Bradley, then a major, for the coveted title.

College Club 1945 Book Sale Work Started

Donations of books for the tenth annual College Club Book Sale to be held next fall are already being received at the Hamilton School. Mrs. Joseph V. Quarles, Jr., general chairman of the sale, announces that donations may be left there from 9 a. m. to 5 p. m. Monday through Friday, and from 9 to 12 on Saturday throughout the summer.

Anyone who finds it impossible to leave the books at Hamilton School, may call Mrs. G. Elmore Schultz, Summit 6-0416-M, and arrangements will be made for their collection.

Mrs. Quarles reports that the College Club Book Sale committee does a great deal of preliminary work of the sale during the summer. This undertaking is an annual affair and has been well supported by Summit residents. Proceeds of the book sale are used to provide college scholarships for Summit girls of outstanding ability who would not otherwise be able to attend college.

Fellowships, and wartime educational purposes are also included as yearly projects maintained by the College Club and financed entirely by the proceeds of the book sale.

All kinds of books are desired and the committee urges everyone to begin immediately to look through their library collections, storerooms, and attics for donations, and to keep the project in mind throughout the summer.

Clubs and organizations portrayed include the band, glee club, orchestra, Charles R. Scott, H-Y, Drivers' Club, Phyllis Wheatley Club, Tri Epsilon, Rifle Club, Science Club, Blue Tri.

Two pages are given to a replica of Summit's Honor Roll with a number of alumni pictures superimposed on the board. The school's Gold Star list as of February 16 last is listed.

The foreword to the annual

reads, in part: "The theme of our book this year is a letter, a letter to the taxpayers—our parents and friends who make possible our public school education. If you have often asked yourselves what goes on in a typical high school nowadays, we hope you may find the answers to your questions here. But it is not alone a letter to that part of our public now in Summit. It is a letter to those service men who are, at present, fighting so that we may keep that right to free education. Lastly, it is a letter to ourselves, one in which we have recorded not only our labors and our joys, but also our hopes for a future without war."

Total subscriptions from Summit to the Blue Star Drive fund, have reached the amount of \$633, Miss Hilda Osborn, chairman, reports. There have been 52 individual subscriptions, 13 founder's subscriptions of \$25 or more, and 12 donations from organizations.

The total amount given from this zone to date is \$2,225. The zone covers Short Hills, Summit, New Providence, Chatham and Madison.

The Blue Star Drive is that five-mile part of Route 29 from Mountaintide to Plainfield, which has been set aside for a planting of dogwood trees as a living tribute to those men and women in the services during this war.

The Summit committee will continue its function until the spring of 1946, and will continue to accept donations to the fund. Anyone wishing to do so, may send checks to Miss Osborn, Hobart avenue. She will forward them to Paul Stillman, treasurer of the Blue Star Drive.

Loosen the Rollers
If a wringer is used for removing water from blankets after washing, loosen the roller tension. Fold blankets evenly before running them through the wringer. To remove water by hand, fold the blanket several times. Then roll it into a tight roll, squeezing out as much water as possible while rolling. Do not twist. Dry in the shade.

Old Guard Hears Africa and Canada As Travel Topics

Africa, the continent of contrasts, was the theme of Commander Kenneth H. Brett-Surman's talk to the Old Guard on Tuesday, May 29. Using a map, the speaker showed the sources of the Nile, the Victoria Falls, twice as high as Niagara and heard two miles away, and the Congo with its many troublesome cataracts. He spoke, also, of Africa's extent, about 5,000 miles from the latitude of New York in the north to that of Buenos Aires in the south and 4,000 miles from east to west, about 3 1/2 times the area of the United States. The Sahara, he said, is not all sand, having a mountain 10,000 feet high, one tropical forest is very wet, but Libya has the driest spot in the world. Africa has some 700 languages and dialects and 45 political divisions, with three independent countries — Egypt, Ethiopia and Liberia. The latter has not been altogether successful in its native self government and has been even unable to stamp out slavery within its borders. Economically Africa is of great importance, for it has 98% of the world's diamonds and its richest copper belt; while of its 14 strategic and 14 critical metals Africa has 9 of each kind. Natives who own the lands make large royalties therefrom.

At the meeting on June 5, the Canadian Pacific Railway contributed a colorful sound film, which was operated by Rev. W. M. Hunter of North Summit. The audience was taken from Quebec, with its picturesque heights and depths, by the small "ribbon farms" and the enormous farms in the west. They were shown beautiful flowers, lakes and rivers, snow capped mountains and many other splendid Canadian scenes, from coast to coast.

Aside from these stated features, at the meeting last week Henry Marshall led a brief May birthday celebration for seven members, whose average age was 73 years, while that of the entire local membership is 76. Director Thorp also read a tribute to Theodore Ellis who had recently died. Jerome D. Kennedy was elected to membership. After last Tuesday's meeting, which was held in the Presbyterian parish house, Rev. L. V. Buschman took a photograph of the Old Guard.

For the meeting of Tuesday, June 12, "The Life of Edison" will be presented in a motion picture. Time 10:30 a. m. at the "Y." Re-

tired men are cordially invited. After this there will be a special luncheon program at Bottle Hill Tavern, Madison.

"E" Bond Sales Lag Kiwanis Told, Observe Y Week

Harry W. Edwards of the Summit War Loan drive committee told Summit Kiwanis Tuesday at their weekly luncheon that the Summit District including the Borough and Township of New Providence is now about \$325,000 short of meeting its "E" Bond quota.

Mr. Edwards reminded his listeners that Summit had always put over the bond drives with a minimum of ballyhoo. He expressed confidence that the Summit area would meet its \$2,500,000 quota in the present drive though there is some apprehension about meeting the "E" Bond quota. The speaker had a word of appreciation for the work of the Kiwanians for the part they have taken and are taking in selling war bonds.

Kiwanis gave recognition to this being the 101st birthday of the Y.M.C.A. Buzzy Zotti, 11 1/2 years old, a member of the Y's junior department for two years, expressed his appreciation of the Y's work in terms of his own experiences there, especially with reference to swimming and gymnasium work. Buzzy believes one of the awards of the Y to him is the play and "good sportsmanship" afforded him. Edward Lincoln of the Y secretarial staff was also a guest at luncheon.

Club members took opportunity to examine a hunting knife taken off a German soldier by Pvt. Kenneth Dennis, son of Kiwanian A. G. Dennis.

Members of the Summit club plan to attend a district meeting of Kiwanis June 12 at the Chanticleer in Millburn.

Fat for Baked Ham Sauce; Ham Bone for Soup Stock

When Johnny comes marching home again (Hurray), he'll know what to do with the drippings left over from baked ham. That is, he will if he was a student at the Second Service Command's Bakers and Cooks School on Governors Island.

He will add spices, raisins, pine-apple juice, brown sugar and a little flour. Then he will bring it to a boil, and behold — a nice sweet sauce for the baked ham. While he's at it, he will save the ham bones for soup stock.

Benefit Rummage Sale Proceeds Reported

The committee in charge of the rummage sale, conducted on May 24 and 25, announces with pleasure that the net proceeds were \$668.30.

The British War Relief Society will benefit from the sale to the extent of \$334.15 while the other half of the proceeds will be used by the Summit Animal Welfare League in carrying on its good work in behalf of lost and stray dogs.

For the service rendered by many women who assisted in making the event a success the committee expresses its thanks. Thanks are also due to the merchants who cooperated so generously and to Adolph Root for providing the store facilities.

Nature Walk Scheduled At Trilside Museum;

In the absence of Wayne Douglas, of the Westfield Bird Club, D. J. C. Drew, of Westfield, will lead the scheduled nature walk on Sunday, June 10, at 3 p. m. The walk will start from the Trilside Museum, located in the nursery area of the Watchung Reservation, and the subject to be discussed will be "Trees."

Acting as host to the Museum on Sunday will be Mrs. L. B. Wolfenden, and Mr. and Mrs. Drew, all of Westfield.

The latest addition to the Museum's animal corner is an adult woodchuck, found by Ben Elliott, of Scotch Plains, in his garden, and donated to the Museum.

Programs, lectures, and exhibits are offered at Trilside Museum every Sunday from 2 to 5 p. m. There is no admission charge and the public is invited to take advantage of the many educational opportunities offered in the park system.

Small Arms Firing School to Continue; Target Scores Made

BOY & TUNNEY
Instructor of the Small Arms Firing School conducted by the Ciba Rifle and Pistol Club. The current reports of fighting in the Pacific clearly indicate three ugly and inescapable facts: (1) The final phase of this war will be bitterly contested. The Japs are ready, able and willing to sustain a continued loss of half a million men a year; are prepared to sacrifice ten million men in the hope we will become so battle weary we will eventually consent to a

negotiated peace that will give them the breathing spell they require to enable them to carry out their openly avowed determination to conduct a hundred-year war that will give them world domination. (2) The type of resistance the Japs have adopted calls for a higher type of marksmanship than has heretofore been necessary and (3) after a civilian has been inducted he has so much to learn there is neither the time or the opportunity to give him all the small arms training he requires. All of which explains why we have decided to continue our Small Arms Firing School, expending every cartridge for instruction and qualification, until the monkey-men have been whittled down to an ineffective force of organized bandits. Cherry Sunshine

Here's a delicious recipe for cherry preserves prepared by Eliza M. Stephenson, our Home Service Director.

- 1 qt. seeded sour cherries
- 1/2 cup light corn syrup
- 4 cups sugar

In a 3-qt. saucepan or kettle place alternate cups of cherries and sugar, mixing after each addition. Then add corn syrup, bring to a boil, cook 15 minutes, shaking the pan occasionally. Pour into a scalded earthen or enamelware crock, let stand for a day or two, stirring occasionally. If hot sunshine is available, cover the crock with glass and set out for a day stirring once or twice to turn the cherries over. Can without further heating. Makes 3 half-pint jars.

We have been authorized to issue pocket-size certificates recording the progress made by each pupil. When such a certificate is issued a collateral report is also made out and sent to Washington to be placed in the files of the National Rifle Association. Qualification brassards for the shooting jacket are also issued to those rating them; the pre-war medals will not again become available until after V-J Day.

Pistol Qualifications
All firing for the N. R. A. qualifications is on the Standard American Target, ten-ring 3.38, nine-ring 5.56 and eight-ring 8 inches in diameter, that has been in continuous use since the first revolver matches were held on the old Creedmore Range in Long Island back in 1866, fifty-nine years ago.

When firing outdoors the Marksman qualification calls for six targets, all slow fire, at twenty-five yards, each target 80 or better. The Sharpshooter course is fired as a unit of thirty consecutive shots over the Camp Perry Course; all from the twenty-five-yard line; ten shots Slow Fire; ten shots Timed Fire, 2 strings of 5 shots in 20 seconds; ten shots Rapid Fire, 2 strings of 5 shots in 10 seconds. The shooter is required to cover this course twice with a minimum aggregate score of 260 out of the possible 300 points. The Expert rating is made over the National Match Course, same as the Camp Perry Course, except the Slow Fire stage is fired at fifty yards — Shooter required to cover the course twice with a minimum score of 265 out of the possible 300 points.

The Gallery Pistol Course is fired indoors at fifty feet. All Slow Fire scores are made on reduced targets simulating fifty yards. And the Timed and Rapid Fire scores on reduced targets simulating twenty-five yards.

The Bible Speaks To Enemy Lands Bringing the Truth

On Monday morning, June 4, Dr. F. C. Stiffer spoke over WJZ as follows:
If there is one thing sure in this troubled world of 1945 it is that we have another battle to win in Germany. It is the battle for her reeducation. It is going to be a tougher battle in some respects than the bloody one we have just finished. For one thing we are not going to be so dramatically united behind it as we were behind our armies and our air-men. And for another thing we do not have the experience in nation-rebuilding that we have in warfare. There seems to be no place to start.

Nevertheless, there is a place to start. It is the natural hunger of the human heart for a knowledge of the truth.
We have the greatest opportunity that possibly America has ever had to spread the gospel of her glorious democracy in a situation where it may contribute directly to the guarantee of a warless world in years to come.
And for those Americans who really know the roots of our democracy it calls for the revival of Bible reading among the German people.

Let us Americans never forget the roots of our nation's life. Let it be forever remembered that for at least six generations the chief textbooks in our colonial schools reflected the teachings of the Bible and that the unrivaled book in almost every home was the Bible. Children were given Bible names, colleges were founded to promote the teaching of the Bible and a man's life was regarded as having infinite worth because he was, in the Bible, revealed as a son of God.

What books they read determines the interests of a nation. The Germans have been fed on lies for half a generation. Now there are many among them who are hungry for the truth. They have been enslaved by falsehood. Now there are not a few who are ready to listen to the truth that makes men free. Here lies our opportunity.

The Bible, of course, is no new book to the German people. Luther's Bible is one of the miracles of literary creation and has wielded an immeasurable influence upon the nation's life. Some of this influence survived Nazism. Consider, for instance, that the only element in German life to hold out to the end against Hitler's rule was a branch of the Christian Church. With convictions unchanged thousands of pastors in Germany resisted the gestapo, were arrested and interned, many of them meeting violent deaths.

Little wonder also that the

American Bible Society is overwhelmed with requests for the Word of God. The American Chaplaincy department in Paris has called for 500,000 New Testaments for German prisoners of war.

In the coming months, if not years, we are going to be reading articles and books and listening to fervent speeches about what to do with Germany. Just now we are wallowing through a mire of hatred and revenge. Germany is not going to disappear. Nor can she be forever policed and repressed. Impossible as it now seems she must arise and regain her statehood and her self respect. And I am dismayed to find so many of those who are regarded as authorities in this field proposing every measure under heaven except the one without which there is no hope of success in the gigantic task. If Henry M. Warner is moved to go to President Truman and suggest that motion pictures might be used in enemy countries after the war to help develop "human beings out of barbarians" then the least thing that the Christian people of this country can do is offer the Bible to our beaten enemies.

And if there is a spiritual hunger among some of the German people—then let us feed them the best food there is. Give them back their Bible. Until rebuilding can be done let us print the copies here, as we are now doing, print them by the hundreds of thousands as long as the calls continue. Then, if need be, let us help the German churchmen rebuild their own Bible publishing houses, now in ruins. If Clausewitz's "On War" and Hitler's "Mein Kampf" have made the German people beasts and brutes, then, in God's name, and with all the shining witness of 1900 years history behind us, let us give them back the Bible and help them to produce a generation of decent men.

In the words of the Scripture, "If thine enemy hunger, feed him." Our government is actually doing that today through the Army commissary. Can we who believe that there is no other name under heaven whereby men must be saved, do less than feed our enemy's hungry heart with the bread of life?

A Tasty, Thrifty Spaghetti Dinner

Though there seems to be but a chosen few who can make real Italian spaghetti, everyone can prepare the following dish and it will be found favorable for heaps of reasons—it's a cherished dinner-in-a-dish, leaving time for prowling around the yard to see what's popping out there, and it fits right in with our war-time budget and rationing.

Spaghetti Dinner
2 slices bacon, diced
1/2 pound onions, diced
1/2 green peppers, diced
1/2 pound ground beef
1 cup cooked tomatoes
1 cup cooked lima beans
1 1/4 cups cooked spaghetti
Salt and pepper
Fry bacon until crisp. Remove bacon and saute onions and green pepper in bacon fat. Fry beef until well browned and add to tomatoes, lima beans, spaghetti, bacon and sauteed vegetables. Blend thoroughly. When mixture starts to simmer, season well. Cook 10 to 15 minutes. Serves 4.

Carried Shrimp And Waxed Beans

A tasty and tempting combination can be made by combining shrimp with waxed beans. Additional flavor is then added with a teaspoon of curry powder. Serve with steamed rice and garnish with hard boiled eggs and you'll have as tasty a dinner as you'd want.

Carried Shrimp and Wax Beans
2 1/2 cups cooked wax beans
1 small onion, minced
1 tablespoon fat
1 tablespoon flour
1 teaspoon curry powder
1/2 teaspoon salt
1/4 teaspoon pepper
1 cup cooked shrimp
Drain beans, reserving liquid. Brown onion in fat, blend in flour, curry powder, salt and pepper. Add beans liquid slowly, cook until slightly thickened, stirring constantly. Add beans and shrimp, mix well and cook 3 minutes.

As soon as your clock starts getting a bit "lazy," losing minutes... call on us immediately for expert repair. Don't "lose time"... precious hours or minutes... by delaying. We've a war to win!

"Forbid Them Not"

In these days when more and more intelligence and skill is being used in the manufacture and improvement of the many things used by man, it seems especially important to adopt better technique and methods in the home so that the men and women of tomorrow may be better able to use and enjoy their freedom and the blessings of civilization.

There is a great responsibility resting on parents and grandparents to "teach children the way they should go and, when they grow up, they will not depart from it." Too often teaching is not started soon enough or is left to those whose selfish aims and propaganda obscure reality.

Just as children are taught to wash their face and hands and use a tooth brush, so they should be taught the basic facts about this world in which we find ourselves. Since much of their training is absorbed unconsciously by imitating the living and pictured examples of their elders, it is important for them to see and use the things that will be constructive rather than destructive.

There are some things such as matches, sharp knives, razors, scissors, needles, etc., that people with good judgment do not give to children as playthings because there is a hazard involved in their use. By the same token, wise parents will not have in the home or permit their children to use liquor, tobacco, coffee, tea, chocolate and colas because their use is contagious and the habit, once formed, may fashion the chains of bondage and slavery which are abhorrent to a freedom thirsty world.

To forbid their use without proper explanation may create a desire to follow the examples especially if the child sees its hero or heroine indulging in their use.

While people are not killed outright by breathing small amounts of gas from an unlighted gas burner, the exhaust of an automobile or from burning tobacco smoke, every one knows the poisonous properties of these gases and children should be taught to avoid them the same as they would a rattlesnake.

It is especially important for parents to strengthen the efforts of those who are trying to do something constructive to help their children. "Because man has to rebuild on the wreckage of war, a new and better way of living, he must have the illumination which disinterested knowledge can provide." (Raymond B. Fosdick, 1944 Report, Rockefeller Foundation).

Teach your child how to become a strong, robust citizen, to save money, have better health and be a brighter pupil in school by avoiding the use of all additives. Above all practice what you teach.

Increase in Polio Cases Over Last Yr. But Not Alarmingly

New York, June 1—On the eve of infantile paralysis summer outbreaks, a recapitulation of the figures available, show that the number of poliomyelitis cases in the country is running about fifty per cent ahead of a year ago. It was announced today by Dr. Don W. Gudakunst, medical director of The National Foundation for Infantile Paralysis, Inc. As of mid-May, the number of new cases this year were 642 as compared with 424 cases for the same period in 1944.

Sharp increases have been reported in the New England states, Middle Atlantic states, South Atlantic area, and the East South Central states. In the Pacific Coast and West South Central areas which have been hard hit during the past two years, there has been a noticeable drop in the number of new cases. The remainder of the country is running about the same as last year.

While the fact that there are fifty per cent more cases in the country this year than in the same period in 1944, "this is not an alarming situation but it should be watched carefully," said Dr. Gudakunst. The medical director also declared that "The National Foundation, based on its experience of assisting in severe outbreaks of infantile paralysis during the past years, is in splendid condition to render real service to medical and public health authorities in an epidemic of infantile paralysis wherever it may occur. We stand ready and willing to help the state, county, and local health authorities at a moment's notice."

As a further aid in the fight against infantile paralysis, the National Foundation is distributing hundreds of thousands of bulletins entitled "When Polio Strikes" which includes many helpful hints for parents. It also contains a series of simple precautions to be taken by parents during the summer months.

Birds' Eggs Collection Gift at Trailside Museum, Mounted Birds and Nests

The Westfield Bird Club, of which Don Maxwell of Westfield is president, will act as host club during the month of June at the Trailside Museum located in the nursery area of the Watchung Reservation in the Union County Park system.

Among the many items of interest on exhibit at Trailside is a cabinet containing 100 different birds' eggs, donated to the Museum by the Summit Nature Club. The eggs, representing all the birds native to this area, are under glass, properly labeled, and have proved to be of much help to students in identifying and comparing various types.

Another feature, three electric game boards, has attracted both young and old. The boards, constructed at the Service Building of the park commission by the maintenance force, present a matching game with names and pictures of birds.

Eighty-seven different species of birds were observed in the Watchung Reservation recently on an early morning bird walk led by David Fables, of Roselle Park, in connection with a nature meeting of the Torrey Botanical Club at the Museum. Mr. Fables reports that 22 different kinds of warblers were seen, including the bay-breasted and Cape May warbler, and the orchard oriole.

Mounted birds, birds' nests, etc., are also part of the exhibit at the Museum which is free to the public and is open every Sunday from 2 to 5 p. m., under the direction of Mrs. Mildred Rulison, park naturalist, of Rahway.

1,560 visitors have been recorded at the Museum since the opening Sunday in May.

Rotarians Sing Songs of the Gay Nineties; Sextet

Songs of the "Gay Nineties" was the musical bill of fare for Rotarians on Monday and they warbled themselves hoarse following several song leaders over the hurdles.

They got in tune (and out of tune) on such ancient popular songs as "Little Annie Rooney," "Little Brown Jug," "Daisies Won't Tell," and the famous "The Bowery." "There is a Tavern," "Meet Me in St. Louis," recently brought to the front again in the movie of that name; and "Two Rounds," including "Three Blind Mice."

This was followed with several selections put on the air by a sextet composed of Arthur T. Dalley, H. Donald Holmes, Kingsley Thomson, George Delaney, Harry Gooding and Dr. C. Elson Burroughs. Merlin Temple, producer of recent "Meet Me in the Kitchen," the High School musical. All this was under the direction of the club's musical committee.

Previous to the song-fest, Dr. Leonard V. Buschman introduced the following visiting Rotarians, all members of the Millburn club: Joshua Golightly of Summit, Fred Craig and Robert Scott.

Erwin E. Rachlin of Dogwood drive was inducted into the club by H. Donald Holmes. Mr. Rachlin is connected with the B. H. Frumkin store.

W. Gilbert Baker called attention to the 101st anniversary of the national Y.M.C.A. now being observed throughout the country and introduced Robert (Buzzy) Zottl as a guest of the club and asked him a few questions about the "Y".

"Buzzy" admitted to being a member for three years, joining at the age of 8½ years. He said he was interested in the swimming program, being familiar with the side-stroke, and that he was also interested in the gymnastic feature of the "Y". He recited that he was a member of the "Bulldog" ball club and that his club had recently played an exciting game with the "Gladiators." His club

managed to win at the finish in the seventh inning by the close score of 14 to 15.

Asked what he thought he had learned, besides the things he had told, "Buzzy" unhesitatingly said "good sportsmanship."

Ensign Richard Gulick Graduates from Annapolis

Richard I. Gulick, son of Mr. and Mrs. Ivan E. Gulick of Valley View avenue, graduated from the United States Naval Academy at Annapolis on Wednesday, June 6. Ensign Gulick is an alumnus of Montclair Academy and served in the United States Navy a year prior to entering the Academy. He received his appointment from the fleet as a result of a competitive examination.

Mr. and Mrs. Gulick and their daughter, Patricia, spent several days in Annapolis, and attended the June Week activities and graduation exercises.

Salvation Army at Front in the Italian Campaign

Just behind the front line, on the Italian front, in among a veritable maze of camouflage was the Salvation Army. There was a reading and writing room, with a ceiling of tarpaulin hung from spreading olive trees. The floor was good old Mother Earth. There were collapsible tables and chairs; a radio and some simple decorations. We watched the lads for a moment—a man with a pensive look, writing a letter to a loved one; others playing checkers; a game of horse-shoes, all the players hidden under the thick foliage. From a soldier on service in Italy.

Walnut Transport Problem Solved by Electric Trucks

The California Walnut Grower's Association—handling as many as 50 carloads of walnuts daily during the peak season—has installed industrial trucks operated by storage batteries to transport palletized unit loads of nuts. The association pointed out that it was necessary to have equipment that did not give odors, as walnuts readily absorb them.

There are 63 different hidden taxes in the cost of a man's suit of clothes, according to the New Jersey Taxpayers Association.

WANTED

100 lbs. of Wastepaper From Every Home

The terrible toll in American lives the war is taking necessitates a vastly increased amount of medical supplies and ammunition to be sent to the front. Unless heavy cartons are available to ship these supplies in, thousands of our boys will die needlessly.

Wastepaper makes these heavy cardboard boxes and cartons. The wastepaper that you have given has helped magnificently to keep these cartons rolling off the assembly lines.

But now, more and more wastepaper is needed. The Legion asks that each home strive to give 100 lbs. apiece during the current drive which is scheduled for June 10th on the North Side.

Your daily newspaper, stacked each day, will yield a great amount of wastepaper. Your empty cartons and boxes will yield more. Magazines and useless old books are even of greater weight and value.

Wrap these as you wish. Wrap them in four or five or more piles. Tie securely with strong cord. Place on your curb not later than Saturday night, June 9th, for North Side residents.

If you cannot stack and wrap your wastepaper, telephone Summit 6-2621 and someone from the Legion will be dispatched at once to help you. Remember, 100 lbs. of wastepaper from your home will help save some soldier's life.

LETTERS

To The Summit Herald:
I am a Seabee currently making his home on a pinpoint on the map of the western Pacific. The past several months here passed very swiftly for me due to the thrill of seeing new places and things but mostly because of the more distasteful part of traveling at Uncle Sam's expense, the making of these very places and things. You'll agree with me that the participants of such action haven't much time for allowing their minds to wander to far-off places, holding fond memories for them, and consequently making them stand still by reason of the nostalgia produced by those thoughts.

Now, however, as our jobs are becoming more humdrum with the passing of every day, homesickness is creeping in as the excitement wears off. It was in that very state of mind that you could have found me yesterday. What happened yesterday to alleviate the condition? You guessed it - I received all the back issues of your paper - issues that I've been anxiously awaiting. You see I'm a rabid fan of the Herald. All gloom has vanished now that I have the home town news to turn to every once in a while.

I wish, therefore, to express my sincerest thanks for your efforts in making sure I get the paper.

Sincerely,
D. J. EDWARDS, S 1/c

Oak Leaf Cluster

LT. COL. W. F. DUNCAN
has been awarded an Oak Leaf Cluster in view of a second Presidential Unit Citation for participating in the bombing by the 47th bombardment group of German air dromes at La Fouconnerie, Tunisia, North Africa on April 6 and April 7, 1943.

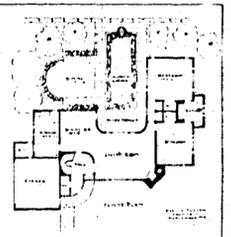

Col. Duncan was at this time operations officer for the 47th group. At present he is on duty in the China-Burma-India theater.

To The Summit Herald:
I want to thank you very much for sending me The Herald for it keeps me in touch with the old town. I wrote you a letter before thanking you for it while I was overseas but I do not know if you ever received it. It makes me feel good to get the paper.

I have three brothers who are also in the service - Nicholas, with the 15th Army in Germany; Andrew, with the U. S. Navy, Bainbridge, Md.; and S. S. Cjullo with the 101st Air Borne Army in Germany.

I think you are doing a grand job for us boys by making sure we get your paper.

I am,

TEACHING SPIRITUAL VALUES

Chaos still reigns throughout the World. Home front efforts are still going toward bringing the war to an end and establishing an everlasting peace among all peoples of the earth. Through all of the chaos the very foundations of our lives seem badly shaken. We begin to wonder what, in this old world is of enduring value; to what can we cling with some sense of security?

When we study the history of the past, of human beings striving for something better than armed force, bigotry, greed, brutality, and racial hatred as characteristic of dictators, we learn that the intangible things of the spirit have been the enduring values: that courage, hope, faith, patience, fair play, unselfish service, Reverence to God and respect for one's fellowmen as children of God, are the fundamentals of a good life that never change from age to age. These are a few of the qualities which create a good life for the individual. They are the foundations on which the American way of life have been built.

We may well ask ourselves at this crucial hour, What manner of men and women will our children be? As a result of our teachings will they have the strong character needed to withstand the evils around us and create positive good in their place? Are we attempting to make our children strong in Spirit as well as mind and body? These are among the most vital questions of the day.

The home has the first responsibility in carrying out the task of the development of an active spiritual faith for each child. It was J. Edgar Hoover who said "we can prevent more crime in the high chair than in the electric chair."

The spiritual life of the child is not something apart from his everyday interests. It is woven through every activity and a guide to his conduct. When a child becomes a delinquent you can usually point an accusing finger at the parents. The failure to teach them the difference between right and wrong, control of temper, respect for the rights and property of others often results in crime. Proper adherence to the spiritual foundations of life will never fail the child when the road of life becomes rough. Strong and forceful personalities with socially approved character traits are essential in these times.

Honored at Dinner

DR. CHARLES N. THORP

Men's Bible Class Give Dr. C. N. Thorp Testimonial Dinner

"This has been one of the most happy occasions of my life," commented Dr. Charles N. Thorp at the celebration of his seventy-fifth birthday at a dinner held in his honor last Friday evening at the Hotel Beechwood. The dinner was given by the members of the Men's Bible Class of the Central Presbyterian Church where he has been the leader of the class for the past few years.

Like a family birthday party, the class gave him the traditional birthday cake and sang Happy Birthday to You. Led by Carol Stanley and Arthur Trustlow, Amherst, 1889, courageously the class vocalized on Lord Jeffrey Amherst, the song of Amherst College, from which Dr. Thorp graduated in 1891. Said Dr. Thorp, "they did better than I thought they would."

Following the singing of other college and folk songs, Dr. Thorp was presented with a special "E" award in recognition of his excellent attendance at the class. He also received, with appropriate poetic ceremony, the latest model of green colored limousine, (ten cent store variety) in which to travel to the Poconos on his vacation in July.

A tribute to Dr. Thorp was delivered by Arthur Trustlow, his friend and fellow member of the Summit Old Guard, of which Dr. Thorp is also director. In speaking of him, Dr. Leonard V. Buschman, pastor of the Central Presbyterian Church said, "He is the kind of a man who absorbs everything, and who has the happy faculty of being able to describe vividly the characters of the Bible which he teaches by drawing upon many of his experiences in his ministerial career." In his response, Dr. Thorp said, characteristically, "I would like to meet this imaginary Dr. Thorp."

To commemorate the dinner, William T. Snyder, president of the Bible class, presented Dr. Thorp with the popular humorous book, "Papa Was A Preacher," which was appropriately inscribed and signed by the members of the class present. He also received a Baby War Bond and was informed that he was expected to reap the proceeds at its maturity ten years hence.

'Youth for Christ' Rally Saturday to Hear 'Happy Mac'

Last Saturday's "Youth for Christ" rally was one of the most interesting of the series being conducted by the Christian Business Men's Committee of Summit, said one of the committee. Lt. Clyde Narramore of the Navy told of his experiences on his family's ranch in Arizona, at college, and finally in the Navy. His testimony centered around the thought that to win young people, and older ones, too, it is essential to know the Bible to the extent of being able to quote appropriate scripture with its corresponding reference. This the lieutenant did through his whole address.

Walter R. MacDonald, known to young people as "Happy Mac" will be in charge of the "Youth for Christ" rally this Saturday evening, June 9, at Masonic Hall. "Mac" will bring a "two-fisted message for our needs today," the committee member said. "He is rhythm from head to foot." This brought him to the attention of such personalities as Eddie Cantor and Fred Waring. While with Fred Waring and his orchestra, he had the reputation of having the fastest feet in America. One evening he was directed to the Pacific Garden Mission in Chicago. This is the mission where Billy Sunday, Mel Trotter and other evangelists found the inspiration for their evangelical work. Since that time "Mac" has travelled the land as song leader and young people's speaker. The Summit committee feel they are fortunate in being able to present "Mac" this week.

Rosary Shrine

The Solemn Blessing of a new outdoor shrine, dedicated to Our Lady of the Rosary of Fatima, will take place at Rosary Shrine, on Sunday, June 10 at 3:30 p. m. The ceremony will be held during a Rosary Hour for Peace under the direction of the Rev. C. G. Moore, O.P., J.C.B., chaplain of the Monastery of Cloistered Dominican Nuns. The sermon for the occasion will be delivered by the Very Rev. H. H. Welsh, O.P., P.G. of

St. Catherine's Priory, New York City, for which a rosary procession will be formed from the Adoration Chapel to the shrine, evergreen bower outside, where the Rosary group has been erected. The solemn blessing having been given, all those attending will be invited to say the consecration to Our Lady, in their name and in the name of all loved ones in military service. The war-time hymn to the Protectress of Our Armed Forces will then be sung as the procession returns to the Most Blessed Sacrament.

The almost lifelike statues represent Our Lady of Fatima and the three shepherd children, Lucy, Francisco and Jacinta with their original model designed and executed by John Buonaccorsi of the Saggiola Studios, Union City, at the special request of a devoted friend of Rosary Shrine.

Oakes Memorial Church

Novie Cutlip, Pastor
"Children's Day"
"Backward, turn backward, O Time in thy flight
Make me a child again, just for tonight."
Printing, steam and electricity had their age for discovery. No doubt this age is noted for many values, but the fundamental value is the child. The child is coming to his own. For this is the month when Children's Day is observed in all our churches. Next Sunday morning at 11 o'clock the pulpit will have the opportunity to learn from the children of the Oakes Memorial Methodist Church, as the church school will present the Children's Day program. Infants and children will be baptized and candidates received into church membership.

Sunday school will assemble at 10:45 preceding the church service.
Youth Fellowship
Youth Fellowship meets at 7 p. m. in fellowship room, Youth Fellowship from the Union Methodist Church will be guests of the Oakes Memorial Fellowship.
Woman's Society of Christian Service

The last monthly meeting, under the auspices of the Woman's Society of Christian Service will be held on Monday evening at 8 o'clock in the Sunday School Chapel. It will be a "Stunt Night," each circle putting on some kind of entertainment. The circles met Tuesday and plans for their contribution to this meeting were completed.

Don't try to refreeze quick-frozen foods if they become thawed. Food frozen at home refrigerator temperature is slow frozen and the large ice crystals that form damage the food cells and cause loss of flavor and change in texture. Only the miracle of quick-freezing can capture and hold the full flavor, color, and freshness of foods.

Church School Commencement At Calvary Sunday

The annual commencement services of Calvary church school will be held this Sunday afternoon, June 10, in the church at 5 o'clock. Pupil of the school will assemble in the parish house at 4:45 to march in procession to the church. The order will be choir crucifer, Gorman Falleon; choir, Church School crucifer, Allan Moll; kindergarten department; church school banner carried by Bruce Gerhard, Jr., primary department; American and Service Flags; intermediate and senior departments; and the clergy.

The Psalm will be read by Claire Gulamerian and the Lesson by Julian Carter. The offering will be received by Diane Dreves, Susan Herbig, Lester Medford and James Lealle. Promotion certificates will be awarded to the pupils in each grade and graduation certificates will be given to those being advanced from one department to the next. The graduates are:

Much New Fiction Added to Library in Month of May

The Summit Public Library acquired more fiction during the month of May than during any like time in the past year or so. "This is due in part to a greater demand from readers for lighter books, and also to the fact that more good fiction is being published now than for several years," said Miss Emilie Hill, librarian. "Oddly enough, this demand for fiction is accompanied by just as great a demand for serious books as before. Seemingly, readers are mixing their fare, which is the more normal situation."

LEND A HAND, NEIGHBOR, IN THE biggest clearing job in the world!

The "mush-down," one of America's mighty new weapons that has cleared the way for our fighting men from the hedgerows of Normandy to the jungles of Luzon

Let's talk turkey.

Today your country is asking you to buy War Bonds—twice as many as you did last time—in the biggest and most urgent War Loan of all... the Seventh.

Why so much more than you bought before?

Here's why: Up to this time last year there had been two war loans. This time, the Seventh War Loan must do the job of two.

And because the cost of the war is just as great, the money you put into War Bonds in one loan now must equal what you put into two last year.

Sure, a lot of optimistic people are saying, "Look at what's happened in Europe!"

They don't stop to think that regardless of Germany's condition, we at home must keep sending our millions of men in Europe tons and tons of supplies daily.

They don't realize how much money it takes to pay for the care we must give our thousands of wounded...

money for medicines, for hospital ships, for months of careful nursing and rehabilitation in hundreds of convalescent hospitals.

And in the Pacific—well, we've at last got into position where we can really start harvesting the seeds of victory our fighting men have planted.

We've got to lend those men a hand, right now, by loading more ships with more supplies, more guns, more tanks, more shells, more food than ever went across that broad ocean before.

That's why our country is asking that you back up our soldiers and sailors, among them millions of farm boys, who are fighting and dying far from their homes and fields... back them up by buying twice as many bonds as you did before.

WAR BONDS PAY OFF IN THESE 7 WAYS:

- 1 The same Government security backs your War Bonds as backs the actual dollars you put into them.
- 2 You get \$100 at maturity for every \$75 loaned now.
- 3 You can get your money back, 60 days after issue date, any time you need it... in the meantime you get safety and steady growth.
- 4 You have a backlog to renew farm buildings and equipment after the war.
- 5 Bonds will insure your children's schooling, or provide for your own security, travel, retirement.
- 6 Bonds go into a national nest egg that will help to assure post-war prosperity.
- 7 Bonds transform your love of home and country into action... you join personally in the biggest, most urgent War Loan of all—the Seventh!

AMERICANS!

Victory can't Wait!

Victory can't Wait!

STAND SHOULDER TO SHOULDER IN THE MIGHTY SEVENTH

*** After the bloody battle for Iwo, no American can doubt that victory comes high—in lives and dollars!

*** But every American is determined to win the final victory, no matter what the cost!

*** Here at home we're engaged in the greatest, the most urgent War Bond drive of the war. It will take more bond purchases than ever before to put it over the top. Find your quota in the box at the right—and buy your share of Bonds—more if you possibly can!

WHY MORE BONDS ARE NEEDED IN THE SEVENTH

*** As the fury of the fight for victory mounts, the cost of war becomes higher. The

nearer we get to the heart of the enemy, the longer our communication lines become. That means more trucks, more transport planes, thousands of more troop and supply vessels. We need more special equipment, more B-29's and planes of all types, more tanks, more guns—more of every weapon of war. There are thousands of ways in which your money is needed to keep your fighting men supplied with the best.

*** And don't forget—War Bonds are still the world's best investment. You get \$4.00 for every \$3.00 you invest, at maturity . . . and if, 60 days after issue date, you must have your money back in an emergency, you can get it at a moment's notice.

*** Let's answer our country's call—buy more bonds for victory and your future during this great Seventh War Loan.

HERE'S WHAT UNCLE SAM WANTS YOU TO DO!

Find your individual quota in the 7th War Bond Loan according to your income—then meet it!

WILLIAM R. REISS of Tulip street, has been promoted to first lieutenant. He is a B-26 Marauder co-pilot serving with the "White Tailed" 323rd Bombardment Group based in France.

Lieutenant Reiss participated in the Ninth Air Force's tactical aerial offensive in cooperation with ground forces preceding the collapse of resistance in Germany. This included bombing railroad yards, communication centers and supply depots, to disrupt lines of retreat and destroy the flow of supplies to German units resisting Allied attacks.

Lt. Reiss is the son of Mr. and Mrs. Christian H. Reiss residing at the above address.

Prior to entering the armed services he attended Rutgers University, graduating in 1943. He has completed more than 42 combat missions and has been awarded the Air Medal with seven Bronze Oak Leaf Clusters.

Summit Men Are Praised

Lt. Gen. Doolittle
Among the 185,000 men and women of the Eighth Air Force, England, congratulated after VE-Day by Lt. Gen. James H. Doolittle, their commander, were several from Summit including 1st Lt. Robert W. Ranker, Blackburn road; 2nd Lt. William L. McCulloch, Webster avenue; 2nd Lt. Peter L. Hollo, Morris avenue; Sgt. Bruce G. Bleeker, Summit avenue; S/Sgt. William C. Bloss, Forest avenue; S/Sgt. Charles V. Reydell, Hill Crest avenue; Sgt. Joseph L. Samzaro, Chestnut avenue; Cpl. John H. Carney, Evergreen road; Private First Class John J. McGowan, Woodland avenue.

"I wish to extend my personal congratulations and my heartfelt appreciation to every one of you for the magnificent job you have done," Gen. Doolittle said in a message to all personnel.

"Each of you," he continued, "may be proud of your part in the defeat of Germany. I am proud of you. The world is proud of you."

The Eighth Air Force was the world's mightiest strategic bombing force. Its personnel of 185,000 was the equivalent of 12 infantry divisions, and it could send 21,000 men in 2,000 four-engine bombers and 1,000 fighters over Germany at one time, a combat effort possible only through the support of tens of thousands of non-flying specialists.

Since August, 1942, when combat operations began, Flying Fortresses and Liberators of the Eighth dropped more than 700,000 tons of bombs on enemy targets. Fighter pilots shot down 5,250 Nazi planes and destroyed 4,250 bombers on the ground. Bomber gunners shot 6,000 German interceptors out of the air.

On Thirty Day Leave

LT. SHERIDAN R. SMITH who has been in the European theater for the past twelve months as a pilot in the 93rd Bomb Group of the Eighth Air Force, has returned from overseas and is spending a thirty day leave at his home on Montview road. While overseas he participated in twenty-nine missions and was awarded the Air Medal, three Clusters, and the Purple Heart.

Local taxpayers spent 61 million dollars for current expenses in schools of New Jersey last year, says the New Jersey Taxpayers Association.

ets have already gotten rid of those. Then when you find one who will sell, there is always the price to consider. One farmer yesterday wanted \$50, which is entirely too much so we had to shop until we finally got one for \$27. We had some of the meat today and it was not bad. I hope we start getting something besides canned rations soon, then we will not have to do any more buying."

Thirty-two states collect a state income tax, but New Jersey is not one of them, points out the New Jersey Taxpayers Association.

A-Shopping He Went; Bought a Cow for \$27 All Ready to Cook

Shopping in Germany seems to be about as difficult as it does in these United States of America. You have to hunt for what you want and then you do not always get what you want or as much as you want. This is gathered from letters written to the home folk by service men. One such letter was recently received by Mr. and Mrs. William Brune of Warwick road, whose son, First Lieut. Robert Brune, is over there. He relates his shopping experience in buying meat and other things, but neglected to say anything about ration points. His letter was dated April 23 and was received May 11. It reads:

"Well, today I went out and bought a cow. We have been getting nothing but canned rations ever since we crossed the Rhine and after a while you get a little sick of them so we have been supplementing our rations with a little extra that we buy from the German farmers. Usually we buy eggs at a penny apiece, a little ham or bacon, some potatoes, but today it was a whole cow and it only cost \$27 ready to cook. The money comes from men who each contribute 10 marks, a dollar, and then I go out and do the buying with the help of the mess sergeant and an interpreter. What we usually do to save going from farm to farm getting about 10 eggs from each is to go to the Burgomeister and have him use his town crier to tell the farmers to bring all the eggs to a certain spot where we can buy them all. We need quite a few, about 300, in order to serve them at a meal and we don't have enough every morning. Buying a cow is an entirely different story. First of all you have to find a farmer who is willing to sell, and that is not easy as all they will sell now are those which no longer give milk and most of the farm-

Help get him back into the picture!

A steaming jungle island in the Southwest Pacific is not the place where an American boy belongs. He ought to be home with his family and loved ones. He ought to be working at his chosen task in business, the professions, or industry. He ought to be safe from injury, disease, and death. **But he's not!**

To every boy who went away to war; who sacrificed a promising career; who saw his home and work disrupted; who suffered pain, and misery, and death . . . you, and all of us, are indebted far beyond our power to repay. **But there is one thing we can do!**

We can support him and our Country by buying War Bonds. We can invest our money so that he may have the tools of war with which to drive the Beastly Japs back to their filthy lair. And by so doing, we'll be helping to get him back home again . . . back into the picture where he belongs.

Smaller Ballot for Primary Election; Only 6 Seeking Republican Nomination

Voters in the coming Primary Election on June 12 to nominate candidates for the various offices within the gift of citizens should not experience the same difficulty as at the Primary Election in May of last year.

The ballots will be much shorter as there is a lack of contests in both the major parties. There are but six seeking the Assembly nomination this year whereas there were fourteen last year. On the other hand, there is a full opposition ticket to the three incumbent Freeholders who are seeking re-nomination.

Locally, there is but one contest, that for a seat in the Common Council—Eugene F. Daly running independently against Louis G. Dapero, present incumbent, in the Second Ward.

Maxwell Lester, Jr., who has served 10 years in the Common Council from the First Ward is asking nomination for the Mayorship post as advancement for his years of service to the city. Mayor G. Harry Cullis has not seen fit to follow the time-honored custom of asking for re-nomination. Mr. Cullis has given a quarter century service to the city in different capacities, mostly as a Councilman, and now wishes to retire to private life.

There is one new man seeking membership in the Common Council, C. Philip Dean, from the First Ward. Mr. Dean is a life-long resident of the city, having been born here. His ancestors came to Summit so far back in its history that the oldest inhabitant remembers not the date of their arrival. In fact, the eastern section of the city was at one time known as "Deantown."

Ernest S. Hickok is asking re-nomination as Councilman-at-Large. This completes the local ticket, with the exception of those seeking seats in the Republican County Committee. Andrew A. McNamara is seeking the nomination for Justice of the Peace.

Those seeking nomination on the Republican ticket for Assembly are the four now in office—Thomas M. Muir, G. Clifford Thomas, Joseph L. Brescher and Mrs. Irene T. Griffin—and two

others, Charles R. Geddes, former Assemblyman, and August C. Ullrich.

For the Board of Freeholders incumbent members asking re-nomination are Charles L. Bauer, Jr., Lee S. Rigby, R. Story Rowland. Three other names are on the ballot, Joseph W. Gregory, Louis V. Ebert and Charles Bail.

Committee Meets

(Continued from page 1)

"Now is the time to write to the select committee chairman, Rep. Clifton A. Woodrum; to the New Jersey representative on the committee, Rep. D. Lane Powers; to Senators Albert W. Hawkes and H. Alexander Smith; and to N. J. H. R. Clifford Case," said David Ludlow, one of the committee members. "Tell them your views on this important question. Give careful consideration to this proposed complete reversal of the American people to the European system of enforced military service in time of peace—the system which has not kept Europe out of war."

The Gallup poll for April showed 54 per cent of those interviewed as opposed to peace-time conscription.

Major Michael Yannell Increases His Record

An Eighth Air Force Fighter Station, England—April has been a banner month for Michael P. Yannell, a P-51 Mustang fighter pilot with the 356th Fighter Group. First came his promotion to Major, then he was made a squadron commander, and by way of celebrating he destroyed two-and-one-half enemy aircraft on the ground, bringing his total to seven and one-half.

On April 2, the Mustang pilot received a teletype from the headquarters of Lieutenant General James H. Doolittle informing him that he could now wear gold leaves on his shoulders. A few days later, the Major succeeded Lieutenant Colonel James N. Wood, of Riverton, N. J., as commander of the squadron with which he has been flying since he joined this group in November of last year.

The total of seven and one-half makes Major Yannell second highest scorer now with this group. Veteran of the Mediterranean theatre, where he had destroyed two German fighters, Major Yannell has been decorated with the Distinguished Flying Cross, and the Air Medal with 12 Oak Leaf Clusters. He is the son of Mr. and Mrs. Peter Yannell of Orchard street. His wife, Mrs. Audrey Yannell, lives at Tooker avenue, Springfield.

labor. One of the problems has been to compete with fantastic wartime jobs. Over and against this we pointed out to the men certain advantages their work here offered them: good wages, certain benefits such as jobs after the war. Too, there have been other troubles including squabbles among the workers. Even now the picture is brighter including the possibility of increase in equipment. Every step has been taken to keep the equipment in repair.

"At the outset of the war users of oil furnaces were urged to convert to coal. This put an added burden on our service which we could not foresee. Now we are still behind because we are having February in June. However, the garbage collection will improve as the summer returns. All in all council is painfully aware of these inconsistencies. Wages are comparable to other kindred communities, ranging from \$1,900 to \$2,000."

Executive Official Fred Mort declared the scavenger service is being manned with 17 men whereas there should be 27. He declared that even with an advertising program to procure men, it was impossible so to do.

Mr. Bonn spoke, in part, as follows: "I am disappointed in your garbage collection. I have inquired elsewhere and can't find anything to approach it. We have had two collections in four weeks. We have even found magots in our garbage

as a result. Probably the matter should be referred to the Board of Health.

"Something serious should be done about it. We are out of the winter and one would like for some improvement, but none has come. If conditions are where we should pay, tell us. I am here to register a complaint and ask that the matter be thoroughly investigated. Excuses don't belong—such as labor shortage, trucks, etc. We pay \$11.85 out of every \$300 taxes collected for garbage and ash collection. Your taxes are adequate. This should permit regular collection."

High School Graduate 15 In Absentia

The fourth wartime commencement at Summit High School to be held Friday evening, June 15

In the school's auditorium will find 15 boys of the class now serving in the armed forces. The service men will receive their diplomas "in absentia." The number in the class will not be known until senior examinations are completed this week.

The commencement includes the usual processional and recessional. Members of the class will wear caps and gowns following a practice of recent years. Admission is by ticket only. The audience for the most part will be limited to relatives and close friends of the graduates.

The Rev. Dr. Carl A. Kallgren of Colgate University will be the guest speaker. He is co-ordinator of the Navy V-12 College Training Program. He was a first lieutenant and chaplain in World War I. He has had a wide experience as an adviser to young men and is familiar with their problems and decisions.

Winners of various scholarships to colleges and prizes will be announced at the commencement exercises.

Students Take Part In Spring Concert

All pupils of Buxton Country Day School from kindergarten through high school took part in the spring concert, given at the school recently under the direction of Mrs. Van Dearing Perrine, head of the music and rhythms department. All numbers on the program were group contributions representing various phases of the year's work of this department.

Among the performers from Summit were Stephen Burr, Marcia Eastman, Patrice Fern, Ann Garrison, Christy and Philip Haff, Robert Hazen, Peter and Michael Jensen, Alan Mathiason, Bill Murphy, Susan and Jane Parker, Vivian Sauvage, Patty and Robert Smith, Virginia, Robert and Donald Steeber, Diane Taylor, Michel Teuval, and Larry Toye.

The Top 1945 Advertising Staff

The Top 1945 yearbook of Summit High School, was distributed last week to subscribers who include the student body, teachers, and friends of the school. One of the principal goals that made possible the publication of the yearbook was the advertising staff headed by John Henriksen. Proceeds alone from the sale of advertising netted the publication over \$750. Business Manager Henriksen, not only personally sold more than \$200 in advertising space, he also "laid out" the section of the yearbook given over to display advertising.

The advertising staff includes the following: Left to right, first row: Alice McTaggart, Viola Pecca, Jean Karpenaki, Lorraine Farrell, secretary; John Henriksen (business manager), Lois Tellin, Jeanne Dudley and Grace Guzzardi. Left to right, back row: James Zotti, Ray Kerrigan, Theodore Corcoran, Betty Bargeman, Marilyn Constable, Wanda J. Renda (business adviser), Henry Herbig, Anthony Travis, Anthony Combias and Nils Anderson.

Boys Print Annual Report Berkshire School; Gifts

The Print Shop boys in the Trade School at Berkshire Farm have just published 5,000 copies of the 50th annual report of this private institution for problem boys at Canaan, N. Y.

F. Bernard O'Connor, president, reports that at the end of 1944, 278 graduates were known to be in the armed forces and that seven already had given their lives in defense of their country. Byron D. Paddon, the superintendent, reports that last year 228 boys in all, from nine states were cared for, including those from New Jersey. The school was filled to capacity the year round.

Last year, 151 boys received instruction in the elementary school and 103 boys in the vocational school. Of the 26 boys attending the New Lebanon High School in 1944, two were on the high school honor roll. The week-day religious instruction as well as the Sunday Chapel services are an integral part of the boys' spiritual training. The library was open throughout the school year with an attendance of 1,665.

The boys at Berkshire Farm have a wider range of activities in real life situations than even many of the large public schools can offer. The Print Shop produced 17,000 booklets, 100,000 letterheads and 75,000 envelopes. They also bled and shipped six tons of waste paper.

The boys in the Agricultural Department took care of a herd of cattle which produced 70,000 quarts of milk—one-sixth more than the previous year. Under the

same boys' care the Farm's chickens produced 50,000 eggs, representing a gain of one-fifth over the previous year. The Farm's poultry, provided 1,711 pounds for the table and the home-grown pork provided 5,465 pounds. The hay, corn and oat crops were very good.

Of the contributions, \$1,169 came through the Summit Auxiliary, of which Henry B. Twombly of Hobart avenue is local treasurer.

Honorable Discharge

The Honorable Discharge Button has been called by some "the Emblem That Nobody Knows." The Herald believes that something should be done about this, so from time to time the button will be pictured, so the man or woman wearing one will be recognized at once as having served with the armed forces.

To The Citizens of Summit:

We favor the nomination of AUGUST C. ULLRICH for the General Assembly on the Republican Ticket at the Primary Election, Tuesday, June 12th.

He is exceptionally qualified—by ability and training, experience, character and temperament—to serve the people of Union County and the State of New Jersey in these critical times.

Ability and Training: Attended Rutgers College and New Jersey Law School, he has practiced law in Union County for 18 years. Now in business as a member of the firm of S. & H. Bearing and Manufacturing Co., of Cranford, N. J., in addition to his law practice.

Experience: Active legal practice, former Police Judge of Hillside and Counsel to the Board of Education of that town.

Character and Temperament: A wide range of interests and activities denotes his willingness to serve his fellow man. Among other things he is a Past Master of Hillside Lodge No. 241, F. & A. M., Past Grand Patron of the Order of the Eastern Star of N. J. Member of Hillside Presbyterian Church, Hillside Lodge No. 1591, B.P.O.E., and many other civic and fraternal organizations. A member of the Union County Bar Association.

A resident of Hillside, he is married and has one daughter.

Mr. Ullrich is the kind of a man we need in our General Assembly. He is also a candidate who will add strength to the Republican Ticket at the General Election as he has been an ardent worker in the Republican Party for many years.

We know that, for the most part, the general public pays little attention to Primary Elections. This, we believe, is not because of indifference or carelessness on the part of the average citizen; but rather because he knows so little of the relative merits of the various candidates that he cannot make a proper choice, and he feels, therefore, that it is useless for him to take part in the election.

Because we believe that every citizen in our community wants to vote for the best candidates for public office if he can find out who they are, and because we are convinced that Mr. Ullrich is an outstanding candidate for the Assembly nomination, we are recommending his candidacy to you without qualification.

Remember Primary Day—next Tuesday—and remind your family and friends to go to the polls and vote for AUGUST C. ULLRICH as one of the four Republican nominees for member of the General Assembly.

Bonds Bought Here Help in Victory Over Germany

An illustration of how War Bonds bought in Summit April, 1944, were translated into action that helped in the victory over Germany may be received from a letter recently received.

Somewhere in Germany May 6, 1945.

Hadasah, Summit, N. J.

We are using a jeep which was presented to the armed forces in your name. This jeep has been used in England, France, Belgium, Holland, and now in Germany.

I would like to thank you in the name of all who are using this jeep.

Yours truly,
Cpl. ROBERT B. FRANKEN,
New York City.

It may be recalled that Hadasah Chapter of Summit, an affiliate of the Zionist Organization of America, "purchased" seven jeeps in the April War Bond Campaign in 1944. Lawrence J. McGregor, president of the Summit Trust Co., representing the government "presented" the seven jeeps with the inscription thereon to the armed forces through Mrs. Arthur D. Schwarz, chairman of the American Affairs Committee of Hadasah.

Emil L. Fitterer moved this week his linoleum, carpet and rug business from 20 Beechwood road, where he had been established several years to larger quarters at 14 Beechwood road, formerly occupied by The Coop. Mr. Fitterer will have double the amount of room in his new place, a basement running the entire length of the building. His phone number will be the same, Summit 6-2241. Expansion was necessary on account of increasing business.

OPA Settlements Of Complaints By New Method

Since the first of the year the Price Panel of the Summit War Price and Rationing Board, together with other Price Panels throughout the country, have increased their use of a new method of settlement of overcharge complaints which are reported to them by consumers. These settlements are known as voluntary settlements of the Administrator's Treble Damage Claim.

Under this procedure, set up in 1944 under the extension of the Price Control Act, a merchant is called before the panel when complaints are received. Instead of having the case turned over to the O.P.A.'s legal enforcement division for court action, the merchant may make a voluntary settlement of the overcharge. If he wishes to do so, he negotiates with the merchant who made a refund to the customers overcharged and a voluntary contribution of between \$25 and \$50 to the U. S. Treasurer in settlement of the Administrator's treble damage claim on each individual complaint. A majority of merchants have been found to prefer this method of settlement for which they receive immunity from any further civil action for overcharges on that item on the particular day on which the overcharge was made.

Voluntary treble damage settlements which have been negotiated by the panels are subject to approval by the O.P.A. Administrator before they become final. Those made by the Summit Panel which have been approved to date include a payment of \$25 to the United States Treasury by the Union Packing Company, 361 Springfield avenue, for an overcharge on meat; a refund of \$175 to customers and a payment of \$48.25 to the United States Treasury by the Paramount Market operating the vegetable concession in King's Super Market, 321 Springfield avenue, for overcharges on potatoes; a refund of \$128 to customers and a payment of \$38.72 to the U. S. Treasury by the Live Poultry Market, 11 Cottage lane, for overcharges on poultry; a refund of \$126 to customers and \$38.24 to the U. S. Treasury by the Community Meat Market, 11 Ashwood avenue for overcharges on meat; and a refund of \$63 to customers and \$49.37 to the U. S. Treasury by King's Super Market, 321 Springfield avenue for overcharges on canned asparagus and sweet chocolate.

A number of other voluntary settlements have been made by Summit merchants but not yet approved by the Administrator. These will be reported as approved.

Sunnybarn Camp Opens Tenth Year For Boys and Girls

Sunnybarn, creative arts day camp for boys and girls, which is conducted by Alice Brundage Marsh in the Jersey Hills, three miles from Summit, will re-open for its tenth season on July 2. The camp will be open four days a week, Monday through Thursday, from 9 a. m. to 4:30 p. m.

Among the activities offered are victory gardening, nature study, out-of-door art and modeling classes, music, swimming, horse-back riding, tennis, sports and games.

There will be two groups: a junior group which will follow the general program and a senior group which may choose from the list of subjects offered. Very young children are under the personal supervision of Miss Marsh. Week-end overnight camping is offered for the first time this year. The girls will have their own camping group with two counselors and the boys will camp with two men counselors.

"Negro Soldiers" Four Reel Film At N'brhood House

An attempt will be made this coming Saturday to provide an educational experience in the field of inter-racial understanding, at Neighborhood House, when the United States Government film, "Negro Soldier," will be shown at the Six-Shooters' Club and Youth Canteen.

This four-reel featurette is the story of Negro America, the story of 13,000,000 citizens, 10 per cent of our manpower, fighting for and helping to build our great nation. Dramatic records of the Negro's part in the various American wars from the Revolution to and including our present war are given.

"So far as I have been able to discover," says Rev. William M. Hunter, head-worker at the House, "our policy has always been equality of opportunity and equality of responsibility for everyone, regardless of race or creed. We discriminate neither for nor against any race or group."

The film, "Negro Soldier," is in addition to the regular program to be shown on Saturday at 1:30 p. m. and at 8 p. m.

Girl Scout Bazaar Held for Cabin Fund

Girl Scouts from all troops in Summit and New Providence held a bazaar on Friday, June 1, on the American Legion grounds. The cooperation of the American Legion and of the citizens of Summit and New Providence in making this bazaar a success and helping the Girl Scouts to progress a step nearer the realization of a cabin of their own where a more extensive camp program can be carried out, is much appreciated.

Mrs. T. W. Johnston was chairman of the bazaar assisted by Mrs. Raymond Atwood, Mrs. Beecher H. Clark, Mrs. Lloyd Hughes, Mrs. D. W. B. Holmes, Mrs. A. W. Dun, Mrs. H. F. Herbig, members of the bazaar committee.

Julie Quarles of troop 15 of Calvary Church received the prize for the best poster in the bazaar poster contest. Mr. and Mrs. A. J. Stromsted were the judges, and Mrs. T. W. Johnston, president of the Summit Girl Scout Council, presented the award. Mrs. Johnston also presented Millie Kuchta of troop 1 of the Presbyterian Church, with a service pin awarded by the council for 10 hours of service to the community. The presentations ended with the awarding of the Girl Scout plaques to troop 13 of St. Teresa's Church. The plaque is awarded on the basis of attendance at citywide events, participating in council projects and certain program skills announced in advance as points for judging. Miss Harriet Parker and Mrs. J. Norbert Gelson are the leaders and Mrs. Richard Markey, the troop committee chairman.

Latest enterprise of the Coast Guard is the formation of an Air-Sea Rescue agency to aid pilots and mariners in distress.

Art Class Instructor

MAURICE SIEVAN

Saturday Classes Of Art Association Over Until Fall

You can't even draw a straight line? Neither could thirty people who found themselves plunged in the middle of a new and intense form of interest and action with paints and palettes and canvases. The Saturday Art Classes sponsored by the Art Association of Summit are over now until fall and everyone participating found them an astonishing and enriching experience, said Mrs. Marsh T. Cruikshank.

The children class progressed surprisingly, painting many subjects from Christian dollies and roses, to old shoes and weeds! The adults had many happy hours doing portraits of people about town, and local landscapes. It has been a very delightful and profitable season.

All this was possible because of the fine inspiration and guidance of the instructor, Maurice Sievan, continued Mrs. Cruikshank. Mr. Sievan began drawing at the early age of four. He came to this country from Russia at the age of nine, and settled in Brooklyn. When at grammar school, he attracted the attention of his teachers with his incessant drawing. One of them had such confidence in his talent that she personally enrolled him at Pratt's Institute and paid for his tuition.

In 1915 Mr. Sievan entered the National Academy and studied with Leon Kroll. Then again in 1925, he studied with Charles Hawthorne at the same institution. In 1929 he left for Paris, where he further studied the old and the modern masters. There he painted some of his most important canvases, which were exhibited extensively. In Paris he had the honor of showing among other places at the celebrated Salon d'Automne. Mr. Sievan has also exhibited at the Metropolitan Museum of Art, the Museum of Modern Art, the Art Institute of Chicago, the Corcoran Gallery of Art in Washington and many others.

His one-man show at the Mortimer Brandt Gallery this past winter attracted much attention, said Emily Genauer in her article in the World-Telegram. "He paints the ugly front-stopped frame house of Jamaica, main streets on a gray day, the bus stop, and the motor highway. He doesn't sentimentalize. He finds in his subject a peculiar poetry—the warm, plain background of simple people. Summit is fortunate to be exposed to his talents."

Y.M.C.A. Dance On Anniversary Saturday Night

Jim Cooper, chairman of the committee in charge of the Y.M.C.A. anniversary dance, announces that Don Gibson with his seven-piece orchestra will provide the music for this affair which will be held Saturday evening, June 9, from 8 to 12 p. m., in the Y.M.C.A. auditorium.

This dance is being sponsored by the H-Y Club, the Y-Co-Ed Club, the Y.M.C.A. Young Men's Club, and the Summit Social Club, as the closing feature of Y.M.C.A. Week, celebrating the Y's 101st birthday. The H-Y Club, through its representatives on the committee, Don Scott and Ed Nicollian, are responsible for promotion and decorations; the Y-Co-Ed Club will be in charge of refreshments, with June Nelson and Ed Ganger acting as committee chairman; the Y.M.C.A. Young Men's Club is planning for the entertainment features—Tom Grobarz representing this club on the dance committee; Jim Cooper, of the Summit Social Club, in addition to securing the orchestra, was elected chairman of the dance committee.

Mr. and Mrs. Lawrence Aplin, Mr. and Mrs. W. Gilbert Baker and Mr. and Mrs. Elliott McGarry will act as chaperones.

Tickets for the dance may be procured from members of the sponsoring clubs or from Edwin G. Lincoln or Elizabeth K. Bray, members of the Y.M.C.A. staff, who are assisting the committee in planning for the anniversary dance.

Brayton P.T.A. Elects Officers for Coming Year

Last Monday evening the faculty of Brayton School, the special teachers, and the board of the Parent-Teacher Association invited parents and friends to visit the classrooms which were open for inspection with samples of work done during the year.

Dessert and coffee were served by the Hospitality Committee under the chairmanship of Mrs. George Payne, after which parents viewed several "Work Shop" groups with the following special teachers supervising:

Miss Thorpe, singing and creative music; Mrs. Warbase, sewing; Miss Baker, art; Mr. Walling, manual training.

The girls in the upper grades wore dresses or pinafores which they had made in sewing classes. Following the exhibit, the final meeting of the P.T.A. was held. The annual report of the P.T.A. was given by the president, Mrs. Clark Snyder. Mrs. Rome Betts read the new by-laws of the association, and Mr. R. A. Hollenbeck presented the slate for 1945-46, at which time the following officers were elected:

President, Mrs. Clark Snyder; first vice-president, Mr. R. A. Hollenbeck; second vice-president, Miss Edna A. Brandenburg; recording secretary, Mrs. G. T. Moorehead; corresponding secretary, Mrs. Gordon Teal; treasurer, Mrs. S. W. Ransom; parent director, Mrs. R. A. Betts; teacher director, Miss Bette Tyson.

The average working man or woman who earns \$200 a month pays \$26.23 in hidden taxes out of each month's salary, it was revealed at the "Taxpayers Meeting of the Air" weekly radio broadcast of the New Jersey Taxpayers Association.

Girl Scout Council Spring Meeting Held Monday

Mrs. Roy Auter a regional committee member for Region II, told how much the adults working in the Girl Scout organization gain in training and experience in addition to what the girls gain, at the spring meeting of the Summit Girl Scout Council Monday afternoon.

Mrs. T. W. Johnston presided at the meeting and Mrs. Richard Markey was chairman of all the arrangements. Mrs. Johnston introduced the board members and reports from each committee

were heard. Mrs. Beecher M. Clark gas the Organization Committee report, Mrs. A. L. Dun, the Leaders' Club report, Mrs. Loren F. Gay, the Training Committee report and the New Providence report for Mrs. Richard K. Marsh, Mrs. A. J. Stromsted, the Program Committee report, Mrs. D. W. B. Holmes, the Finance Committee report and the report of the bazaar, Mrs. Henry D. Richardson, the Public Relations Committee report, and Mrs. Lloyd Hughes, the Camp Committee report. Mrs. O. M. Hovgaard, secretary, read the minutes of the last Council meeting held in January, and Mrs. A. W. Suelcken, treasurer, read the treasurer's report for that period. Miss Ruth E. Ward, executive secretary, gave a report on the condition of the Council and the goals for the future.

Alpha Kappa Sorority To Meet at Y.W.C.A.

Mrs. R. V. Sims will be hostess for the monthly meeting of the Beta Alpha Omega Chapter, Alpha Kappa Alpha Sorority on Saturday, June 9. This sorority, started at Howard University in Washington, D. C. is the oldest Negro Sorority in the country and has undergraduate and graduate chapters in all parts of the United States. One of the projects which this sorority has been conducting since 1935 is a Health Clinic carried on for three months each summer in the State of Mississippi. During this period women doctors, nurses and dietitians equipped with medical supplies and a trailer kitchen make their services available to the people in the State where opportunity for such services are lacking. Mrs.

Sims says that the members, from many parts of the State of New Jersey will be present. They will hold their meeting at the Y.W.C.A.

"The Boy Is Father To The Man"

Character is built on the plan of a great cathedral—stone upon stone—years in the building. The things a child learns in early life become the pillars of his temple of character in middle life... One of the greatest cultural influences on children is music. Any child can learn to play the piano and appreciate good music just as any child can attain a knowledge of good literature. If you are without a piano you can easily select one at Griffiths, where various styles and sizes are obtainable now.

MANY THANKS FROM THE "Y"

This is a letter of thanks from the Summit Y to the people of Summit for their very generous support.

Each year the people of Summit, through the United Campaign, contribute some \$25,000 to \$30,000 to the support of the work of the Y.

It is a policy of the Y to make its facilities available to boys at a low price. These facilities are a means to an end—a way of working with boys. It is the job of the Y to work with boys—to encourage in them the good qualities of courage, honesty, sportsmanship, leadership, consideration for others. What the Y seeks is a cost low enough so that all boys can afford membership in the Y, but high enough so that membership will be valued.

The people of Summit approve this policy. Because the boys can't carry the whole load themselves, the people of Summit chip in and help them through the United Campaign.

This week seems an especially good time for the Y to express its appreciation. This is a birthday week. The

Y.M.C.A. movement was started 101 years ago. The Y has finished the first year of its second century.

For itself the Summit Y asks nothing. For the Summit youngsters of today who will be the leaders of tomorrow, the Y asks a lot. It asks all men who are interested in boys to become Active Members and help the Y do an even bigger community job. To all men who see in the Y.M.C.A. movement a way to encourage the development of a democratic world of young men who have the courage to be honest, to take responsibility, to be fair, a chance to help in that work is offered.

To the youngsters who join the Y, the Y offers fun. But it also offers a challenge. It offers the challenge of a code more difficult than that of the Samurai or the Nazi—a code of honesty, sportsmanship, responsibility for others, leadership—a code outlined in the Sermon on the Mount.

Today the Y is doing a good job. Its total membership is nearly 2,000. It can always do a better and a bigger job, however—a much better and bigger job. It intends to try.

THIS IS THE SUMMIT Y IN ITS 59TH YEAR

THOUSANDS OF SUMMIT BOYS have grown up in the Y. Many have gone to war. Many drop in when they are home. The Y gives free use of its facilities to all service men. Last year about 175 used the Y free and another 90 stayed all night, sleeping on cots supplied by the Red Cross.

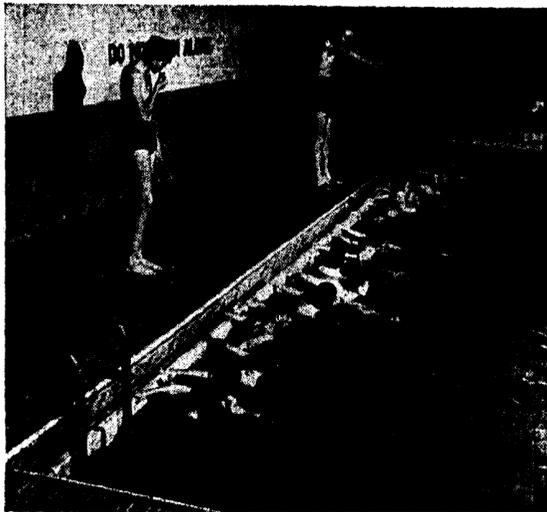

BOYS FROM 8 TO 18 use the Y. As much as possible the Y tries to get them to run their own show, oversee themselves, take pride in their membership and responsibilities. Aim of the Y is to encourage the good qualities in all boys—honesty, courage, sportsmanship, leadership.

HEALTH IS ONE AIM OF THE Y, but a more important aim is the development of a sense of responsibility, leadership—the qualities of good citizenship. Boys learn these things in action—in activities—in games. The athletic program of the Y is a means to an end.

THE Y IS A KIND OF A BOYS' CLUB. Boys come to the Y to read, to talk, to play and simply to "mess around." In addition to the pool tables and the ping pong tables, there are chess and checker boards and (sometimes) a quiet corner for doing nothing much of anything.

SWIMMING AND LIFE SAVING are regularly taught to groups and clubs and classes at the Y. Many a boy has gone ashore to a beachhead of this war glad he learned to swim at the Y. The courses, for credit, are those of the National Y.M.C.A. and the Red Cross. They are stiff courses.

MOVIES ARE A REGULAR FEATURE. Some of them are just for fun. Many of them are educational. They may cover games and sports that the boys are learning in the gym and pool. The Y has a good 16 mm projector. Older boys, some volunteer or paid leaders, help run the shows.

PROFESSIONAL LEADERSHIP plus a large body of men committed to help the Y do its job is the secret of the Y.M.C.A. All activities are under some kind of supervision. The Y is not an amateur organization. It has "know how." That's the reason the Y.M.C.A. movement is 101 years old.

THE Y.M.C.A. BUILDING is a means to an end. The facilities of the Y make it easier to work with youngsters. But the Y also develops neighborhood clubs and programs—outside the building. The Y could exist without its building, but the building is a great help.

WHAT BOYS LIKE TO DO is what the Y begins with. It wants them to have a good time. But it never forgets its chief aim—to lead them toward self-discipline, courage, consideration for others, a sense of responsibility, honesty. It is doing a big job and doing it well.

The Summit Y has about 2,000 members. Of these about 175 are Active Members—men who help do the work of the Y—and the rest are House Members, boys and others who use the Y. About 400 girls and 250 women use the Y. There is a Women's Auxiliary of 160 members. About 60 community groups (like Rotary, for example) use the Y. There are about 70 different organized groups—boys' clubs, gym classes, teams, special interest groups, summer groups, etc. The Y runs a summer stay-at-home camp every year for Summit and nearby youngsters. The Summit Y keeps its dues low so that all boys and young men can afford the facilities of the Y and so that all can proudly pay their share. (Where boys can't afford the privileges of the Y, ways are always found to help them earn their way). Summit citizens approve this policy of doing a good job for the whole community at a low cost as evidenced by the fact that it annually contributes \$25,000 to \$30,000 to the work of the Y through the Summit United Campaign.

All photos on this page were taken by Sol Libitohn, whose work has appeared in such magazines as LOOK, LIFE, VOGUE, HARPER'S BAZAAR, PARADE and others. They have been taken by him largely as a contribution to the work of the Y.

Word Received Of Missionaries' Arrival in Cairo

BOROUGH — Word has been received of the arrival in Cairo, Egypt, of Rev. and Mrs. Merrel P. Callaway and their 15-month-old daughter, Sharon Elizabeth. The Callaways are enroute to Beirut where they will take up their work in Lebanon and Syria as missionaries under the Southern Baptist Foreign Mission Board. They will go to Jerusalem where they will remain until fall, then going on to Beirut. Their first furlough will come after a period of five years.

Mrs. Callaway, the former Beth Fountain, is the daughter of Mr. and Mrs. Guion Fountain of Long Hill. She attended Miss Hood's School in Summit, Chatham High School, Stephens College in Columbia, Mo., Eastern Baptist Theological Seminary in Philadelphia and, together with Mr. Callaway, who attended the University of Tennessee, Bob Jones College in Tennessee, and was graduated from Columbia University and Eastern Baptist Theological Seminary, spent a year at Harvard University studying Arabic and various Semitic subjects. She married Mr. Callaway in the First Baptist Church, Plainfield, in June, 1941.

Mrs. Callaway received her missionary inspiration under the Rev. Dr. C. H. Yerkes of the New Providence Presbyterian Church as did the former Margo Kirshberg—now Mrs. Jack Knutson, and Elizabeth Yerkes—now Mrs. Frank Kline, and a number of others who have gone or are going into Christian work from New Providence.

Mr. Callaway is the son of the Rev. Dr. T. W. Callaway, a Southern Baptist preacher and the late Mrs. Callaway.

Rev. and Mrs. Kline and their young son Harvey were on the same ship with the Callaways and are enroute to their former post in India.

Rain Plays Havoc With Ninth Grade Scheduled Events

BOROUGH — The continuing rains of the past week have played havoc with scheduled events of the ninth grade at Lincoln School. On Monday the class had planned to make its annual Hudson River cruise to Poughkeepsie and return. Because of the rain this trip has been postponed until tomorrow. This change in the river trip has made it necessary to change the annual class day exercises originally scheduled for June 8 until Friday, June 15.

Class day exercises are in charge of Mrs. Helen Ayton and will be held at 11 a. m. Included in the program will be the reading of the class will and testament. The class has purchased prizes for each individual to be presented at that time. Parents are invited. Mrs. Irene Morahan, supervisor of physical education, will present awards for the annual field day exercises. Certificates for perfect attendance and for being on time will be awarded. Members of the Junior Patrol, who have had a perfect record as regards safety in their assistance to Chief of Police Harry High, will also receive certificates.

Graduation exercises on June 19 will feature a one-act play, Elmer, coached by Mrs. Katherine Treasurer. The 23 members of the class have each been given 13 invitations for their graduation exercises.

Advanced to 1st Lt.

BOROUGH—Lt. Hugh B. McCauley, son of Mr. and Mrs. M. B. McCauley, Springfield ave., recently was promoted from second to first lieutenant at Las Vegas, Nev., Army Air Field. LVAAF, oldest flexible gunnery school in the AAF Training Command, is now training B-29 remote control turret gunners.

Lt. McCauley, who entered the service as a private Aug. 21, 1940, at Westfield, received his wings in April, 1943 at Douglas, Ariz., Army Air Field. Employed by Guaranty Trust Co. of New York as a civilian, he was in the 102nd Cavalry before becoming an aviation cadet. He has been stationed as a pilot at LVAAF since Oct. 24, 1944.

Church Wedding, For Dorothy Totten And Neal Loeffler

BOROUGH — Miss Dorothy C. Totten, daughter of Mr. and Mrs. Carl Totten of Elkwood avenue, was married Sunday afternoon to Neal Loeffler, son of Mr. and Mrs. Fred Sibona of Morris avenue, Summit. The ceremony was solemnized in Our Lady of Peace Church by the Rev. Joseph P. Fallon, rector. A reception followed in St. Teresa's Hall, Summit.

Miss Theresa Matern was maid of honor. The bridesmaids were the Misses Audrey Duffy, Barbara Moll, Mary Jane Murray and Elaine Schmitt, all of New Providence. The best man was C. C. Sibona of Madison. John Ford of East Orange, Walter Steiner of Bloomfield, Michael Donio of Summit and Peter De Gregolis of Dover were the ushers. Miss Totten is a graduate of Summit High School.

The bride was gowned in a dress of white satin and brocade marquisette. She wore an illusion veil with beaded crown and carried a bouquet of white roses.

The maid of honor wore a Nile green dress. She carried yellow tea roses with blue dolphins.

After a wedding trip to Michigan the Loefflers will reside at 19 Elkwood avenue. Mr. Loeffler is assistant manager of the Grand Union in Millburn. Mrs. Loeffler is associated with the Charm Shop in Chatham.

Entertains Committee

BOROUGH — Mrs. George E. J. Sawyer, president of the New Providence Garden Club, entertained the officers at her home in South street, Tuesday with luncheon. Her guests were: Mrs. H. F. Dabinett, Mrs. C. C. Borden, Mrs. G. R. May, Mrs. Chauncey Horton, Mrs. Linden Adams, and Mrs. Elmer High, past-president.

St. Luke's Ref. Episcopal

Rev. William Beatty, assistant pastor of Collingdale, Pa., will occupy the pulpit at St. Luke's next Sunday, June 10, in the absence of Rev. Mr. Roppelt, who will be on his wedding journey.

Borough Honors Its War Dead, Holds Parade on Memorial Day

BOROUGH—There were bowed heads Memorial Day on the lawn at Borough Hall following the annual Decoration Day parade at which time the names of the Borough's Honor Roll were read listing the six men from here who have "paid the supreme sacrifice" on World War II battlefields. The Honor Roll in a gold frame, draped in purple, and on a purple background with gold stars, contains these names: Robert Adams, Jean Kelly, Thomas Kus, Walter H. Beama, Arthur Vanderhoof, and Earl Binkley.

Taps were sounded after the reading of each name. Trumpets also sounded after the reading of names was completed. Councilman Herbert D. Taylor, chairman of Borough Council's recreation committee, who presided at the exercises at Borough Hall, also read "in memoriam" the names of President Roosevelt and the late Councilman William E. Webster, who for many years had been in charge of the borough's Memorial Day exercises.

Young people under 18 predominated the parade. Among Girl Scouts in the line of parade were brownies, intermediates, and senior scouts, and among the Boy Scouts were the cubs, seniors and exploratory patrolmen.

A large number of school children paraded, headed by Supervising Principal of Schools Allen W. Roberts. The girls dressed in white and carried flags.

Musical for the parade was furnished by the Lincoln School band of the borough and the Columbia School band of Berkeley Heights, both under the direction of Willard Wolfe.

A number of World War I veterans marched. S/Sgt. Frank Guida and Donald Opt, S 2/c of this war's armed services, were also in the line of march.

Prominent among borough officials in the parade were Mayor John W. Oakwood, President John D. Blitts of the Board of Education, President E. R. Hansell of Borough Council, Councilmen Loren Gay, A. G. Harms and Mr. Taylor, together with Chief of Police Harry High, Borough Clerk and Chairman of the Defense Council Thomas C. Musson, and mem-

bers of the New Providence Fire Co. with their equipment. Other units in the parade included the Red Cross headed by Mrs. A. G. Harms and the Pacca Club. Miss Anna Goehner and Mrs. Esther Mahr, teachers at Lincoln School, rode flag bedecked bicycles in the parade. Mrs. Harms acknowledged an introduction.

The parade formed behind Lincoln School, proceeded thence to the Presbyterian and Methodist cemeteries and returned to Borough Hall along Springfield avenue.

Brother and Sister in the Navy's Service

BOROUGH — Jarvis Badgley and his sister, Grace Badgley, are serving Uncle Sam in the Navy Department, the former being a chief warrant officer with the Seabees and the latter a storekeeper third class.

CWO Badgley, 42, has been in service two and a half years, two years of which have been spent in the Russell and Solomon Islands. On leave from the Union County Park Commission maintenance department, he was born in the borough, was graduated from Summit High School, and attended Rensselaer Polytechnic Institute. Mrs. Badgley and their daughters, Barbara, 20, and Mary Ann, 18, make their home in Fanwood, CWO Badgley, trained at Camp Peary, Williamsburg, Va.

SK 3/c Badgley, 31, a graduate of Summit High School and on leave from the Prudential Life Insurance Co. in Newark, trained at Hunter College and Millidgeville, Ga. She is presently stationed in Washington, D. C., with the Bureau of Docks and Wharves.

War Bond Sales Exceed \$17,000, Schools Assist

BOROUGH — As indicated by the thermometer at the Four Corners, Seventh War Loan bond sales here have exceeded \$17,000. The thermometer was constructed by George McAllister of the Lincoln School manual training department. R. F. Marsh, general chairman, points out that there is a lag in the sale of "E" Bonds. Solicitors during the next week will make special efforts to spur the sale of this type of bond.

This week has been called Bond Week at Lincoln School where the students are reported to have made several large sales in relation to the community's effort.

Memorial Day Wins Posted by Firemen And Pacca Club

BOROUGH—Playing before the largest number of fans attending any of the Borough Softball League games so far this season on the Lincoln School field, the Firemen on Memorial Day afternoon applied the whitewash to the West Aggies, 8-0. In the twilight game on the same day, the Pacca club rushed over three runs in the fifth and four in the sixth to win handily from the Varsity Club, 7-3.

In the afternoon game, La Sappio of the Firemen got hold of one of Pretot's shoos and poked out a round-tripper. The only other extra-py wallop of the day was a double by Fireman Adams in the sixth inning.

Marie Martha Curtis, Bride In Key West of Cpl. Wm. P. Brander

TOWNSHIP—The wedding of Miss Marie Martha Curtis, daughter of Mr. and Mrs. Harold I. Curtis of Plainfield avenue, Berkeley Heights, to Corporal William P. Brander, son of Mr. and Mrs. William Brander of New York City, was solemnized at a nuptial mass, Tuesday, May 29, in the Church of the Immaculate Conception, Key West, Fla. The ceremony was performed by the rector, the Rev. Ernest J. King. A reception followed at the home of the bride and groom in Key West.

Bride of Army Men

MRS. WM. F. BRANDER

The bride, who was escorted by her father, wore a street length gown of white silk, embroidered shantung, and a lace cap. She carried a bouquet of white orchids.

Mrs. Joseph Barbuto of New York, who is attached to the U.S.O. in Key West, was the matron of honor. Pfc. Joseph Barbuto was best man.

The bride, an alumna of Regional High School, Springfield, has been associated with the Bell Laboratories.

Cpl. Brander was graduated from Stuyvesant High School, New York City, and attended City College of New York. Before entering the Army he was also associated with Bell Laboratories. In service about 18 months, Cpl. Brander is presently stationed at Fort Taylor, Fla., with an ordnance outfit.

The parents of both the bride and groom witnessed the wedding, also Miss Virginia M. Curtis, sister of the bride. Mr. and Mrs. Curtis returned home Thursday.

Daily Vacation Bible School Announcement

Any children in Summit whose parents wish them to attend, and who can reach Neighborhood House easily, are invited to participate in the daily vacation Bible School to be held in North Summit from June 25 to July 13. Sessions are held Mondays through Fridays, from 9 a. m. until approximately 12 noon.

The Bible School is for all boys and girls from the ages of five to 14 years. There is no charge of any sort, but there will be received, each day, an offering to help others who may be in need. The program includes such things as Bible stories and studies, music, handwork, surprises, and refreshments during the morning. The teachers are qualified by training and experience for each of the classes to be held.

Children are asked to register on Wednesday, June 20, from 10 to 12 a. m., or from 2 to 4 p. m. at the Neighborhood House, 511 Morris avenue. Advance registration is not strictly necessary, but is valuable, since it enables having plenty of materials for each child who is expected. Those who come late, or who register late, may have to wait several days until sufficient supplies are available.

"Everyone is welcome, regardless of church, color, or place of residence," said the dean of the school, Rev. William M. Hunter. The Neighborhood House headworker pointed out that all children are welcome, regardless of where they regularly attend church or church school, but that each child must have its parent's or guardian's signed consent before it will be allowed to attend Bible School.

Parents of children who do not regularly attend Neighborhood House Church School must sign the following statement: "I want my child to attend the Daily Vacation Bible School at Neighborhood House. I will do all in my power to help my child understand what he is taught. I understand that this school teaches only what is contained in the Bible, the Word of God."

Each morning's instruction period, exclusive of time spent in other and recreational activities, will comprise at least as much actual study-time as would be the experience of the child in three consecutive Sundays in regular church school. In addition to actual instruction, there will be services of worship, music periods, recreational periods. Handwork will be conducted as an integrated part of the actual instruction time, being used solely as a supplement to the actual instruction in Bible. Large portions of Scripture will be committed to memory, and many Bible stories, suitable for each class-group, will be studied, interpreted and told.

The child who does reasonably proficient work, with perfect attendance, will cover more actual Bible instruction than it is possible to include in the average year's time in regular church-school work, it was pointed out.

"Parents, when having their children baptized, promise to bring them up in the nurture and admonition of the Lord," pointed out Mr. Hunter. "Bible School provides parents with a splendid opportunity to help fulfill this sacred promise made before God and His Church."

Madison Applies 2-0 Whitewash To Summit High

Two singles, a Summit error, a fielder's choice, and a passed ball, was all that Madison High School's nine needed Thursday afternoon to defeat Summit High, 2-0, on Memorial Field.

The game developed into a pitchers' duel down the stretch between Summit's Lefty Bill George and Madison's Mike Serillo. Summit was limited to three hits while Madison garnered four. There were no extra base plays. In the strikeout department George had ten fanning the breeze while Serillo had to be satisfied with a mere trio. Each pitcher issued a base on balls.

Madison's pay-off started in the third when Chiarolanzo, first base City man up, singled to right. Miller reached first when Wieboldt erred on his infield tap. A passed ball then enabled both runners to advance. Piccolo followed with a single, scoring Chiarolanzo. Wieboldt dropped the throw-in allowing Miller to cross the plate for second and final score of the game.

Early Lead Helps Summit in Topping Chatham By 7-5

By garnering six runs in the first three innings May 29 against Chatham High School away, Summit High's nine kept the lead and won 7-5 for its first three-game winning streak of the season.

Johnny Clark started on the mound for Summit and became wobbly in the fourth necessitating his relief by Lefty Bill George who forced Underhill to hit to short for the third out.

Clark started off the fourth by issuing passes to McNany and Barter and then uncorked a wild pitch advancing both runners. Matters then seemed to be getting under control when Abbazia was retired at first and Tier fled out to right. Fancher followed with a single through second, scoring McNany and moving Barter to third. Kymer topped it off by doubling to center, scoring Barter and himself when Bob Bunnell threw wild to home. This marked Clark's exit and George's entrance.

A single, an error, and a batter hit by a pitched ball gave the Eskimos one in the first. An error, a single, and a base on balls gave the Morris County boys another run in the third.

Summit started off with a bang in the first. Cosimo Pedicini, lead-off man, doubled to left and Clark was hit by one Kymer's shot. Both runners scored when George drove a long single to right-center.

The Hill City boys added one in the second. Frank Donio drew a pass, stole second and scored on Bob Bunnell's single to right. Summit garnered three in the third. John Bunnell, with one away, singled to center, and scored on successive walks to George and Hern Wieboldt, and Donio's being hit by a pitched ball. Hickok followed with a single scoring George and Wieboldt. Summit picked up a run in the seventh. George doubled to right and scored on two successive putouts at first.

George looked good in his relief role for the last three and a third innings. He didn't issue a pass and struck out six.

Summit Winners For 19th Annual Watching Show

Summit juniors fared well in all horsemanship classes of the nineteenth annual horse show of the Watching Riding and Driving Club Saturday and Sunday at Watching Stables. Largest show in the history of the club, the show drew a two-day attendance estimated as 4,000 persons by County Park Police. Classes went on in all sorts of weather, ranging from a drizzle all day Sunday to the sharp shower of Saturday afternoon, when hunters and jumpers were competing over the outside hunting course.

Don Mitchell was the only Summit rider to get a ribbon in an open class, placing second in the Maclay, horsemanship over jumps. He also took first in children's jumpers with his Chesterton. Later, he placed Miss Peggy's Siebert's Beau Cherry in working hunter classes.

Skipper Schroeder took fourth in children's jumpers with Watching's Royal Sandy. In horsemanship, he topped one class, and was sixth in two others.

Other Summit children who took ribbons included: Jean d'Este, Joyce Temple, Florence Lecco, Polly Betts, Marilyn Hollenbeck, Marilyn Howard, who was first in the Kent Place class, with Betty Bowles second, Gloria Johnson, Ruth Powell, Ray Guenther, Patsy White, and Margot Hickey.

Miss Bowles placed in the featured Edward K. Simpson challenge trophy class for the Watching Girls' Troop, which was retired by Jean Damitz, who also won the military seat championship of the show, two other classes, and rode G. M. Jones' Smart Sir to first place in a ladies' hunter class of excellent caliber.

Open horsemanship title of the show went to Dorothy Van Winkle, of Montclair, who won the Maclay, and reserve to Ann Ritterbusch, of Westfield, who won the medal class winner as well. Mathematician, of Mrs. Elizabeth Correll, of Scarsdale, N. Y. was conformation hunter champion of the show with its stablemate, Hawk, the runner-up. The Correll entries placed in the same order for the working hunter class. Three-gaited saddle horse championship went to Mrs. C. H. Butcher's Clearview Maybelle with Mr. and Mrs. Kyle Dudley's Rex Lane as reserve. Five-gaited title went to George Q. Medlin's Colonial Jew; and reserve winner was Theodore Trexler's Shirley Dare.

Summit Edges Madison High 3-2 at Tennis

In a match highlighted by Bob Hector's return to top form, Summit High School's netmen brought their season's record to five wins against three defeats when they toppled Madison High School on the latter's courts, 3-2, last Friday.

Playing the key match of the day Hector, battled Madison's number two man, Duff Cooper, in a three set match. Cooper, playing a smooth, steady game, saw three match points slip away from him by Hector's strong smashes and sideline placement shots.

In their singles matches, Jim MacLean of Summit handled Carl Luce with ease, winning 6-4, 6-1, while Tom Munroe, also of Summit, playing singles for the second time this season, proved himself in beating Ken Wood by the score of 6-2, 6-0.

Summit dropped both doubles matches by hotly contested scores. Dick Wallace and A. Trenchard Bones lost to Jack Evans and Roy Rosanagel, 3-6, 6-2, 4-6. Robin Little and Bob Hartman also dropped two out of three sets, 3-6, 6-2, 1-6.

Boyd and Carter Win Canoe Brook Governor's Cup

Memorial Day in 18-hole medal play, J. Edwin Carter and Frank Boyd won from T. A. Harper and T. T. Metz one up to gain the Governor's Trophy at Canoe Brook Country Club.

Carter and Boyd led at the end of the first nine two up. They lost the 10th and halved every hole thereafter. Metz used four of his strokes to halve or win holes.

Memorial Day this year found the largest group of golfers in recent years at Canoe Brook. Many family groups were in evidence including fathers, mothers and the children.

Summit Red Sox Drop Opener, 13-4, To West New York

The Summit Red Sox in the season's inaugural of their hardball season, dropped a 13-4 decision Memorial Day afternoon on Memorial Field to the West New York Red Sox.

Coached by Art Hill, Lackawanna League veteran of yesterday's and Gug Murray, Red Sox old-timer, the newly formed Summit aggregation shows promise of playing better ball as the season progresses. Infield wobbliness, Pete Gerity's wildness, and failure to bunch hits in more than two innings contributed to the downfall of the Summit outfit.

The visitors climaxed a first inning push of six runs when Reichen poled one of Gerity's fast ones to right center for a home run with two on. In the same inning with runners on second and third, Mazzola pushed one down the left field line for a double driving his mates home. Mazzola stole third and scored on Bates' single through second.

Bates opened the third for the visitors with a single to left, stole second, moved to third after Delia snatched Kallart's fly and scored on Cirilli's single. With two down in the fifth, Bates reached first when Kivlen lost his infield tap, stole second, and scored when Pedicini erred on an infield bingle from Reichen.

The visitors blazed up in the sixth. Mazzola opened with a single to right, went to third on Wroldson's single to right center, and scored on a put out of Bates at first. Wroldson going to third. Reichen drew a pass, and stole second. Both runners scored on Cirilli's long single to right center.

The visitors picked up two more in the first of the ninth. With one down, Cirilli singled and reached third on Pedicini's error on Mazzurich. The two runners scored when DiParis threw into left field trying to catch Cirilli off third.

The locals scored their runs in bunches of two. In the fifth with one down, Pedicini singled to right, reached third on errors by Bates and Rubenstein, and scored on a put out at first. Rossi followed with a single to right, went to second on Kivlen's single and scored on Long's double to center. The Summit put on a mild rally in the ninth. Pedicini singled and rushed to third on Kenworthy's second hit of the day, a single. On a fielder's choice on Rossi at first, Pedicini scored, Kenworthy going to third. On a put out of Kivlen at first, Kenworthy scored.

Perth Amboy Team Carded for Twin Bill Here Sunday

After being rained out for the two Sundays in their twin bill engagements, Charlins are hopeful that next Sunday's weather will permit their twin bill engagement here beginning at 3 p. m. on Memorial Field against the Buddies Social Club of Perth Amboy, the same outfit that won 15 straight last season against some of the best softball teams in the East. The Middlesex County has established an equally excellent record so far this season.

Charlins will be gunning for their first Sunday victory this season having lost their first four starts. Pete Kivlen will start one of the games for the locals with Benny Piccione the probable starter for the other game. Manager Frank Pryce says he has shuffled his line-up somewhat aiming at faster fielding and more strength on the offense. Refusing to give any details he says "Come out Sunday and see for yourself."

Browns Win 8th Grade Title in Softball

The Browns won the title for the Central Junior High School Eighth Grade Softball League when they defeated the Giants, 16-11, in a play-off game May 29. Both teams won four and lost one during the regular season.

With the score tied at 11 all, the Browns scored five in the seventh to win the game and the championship. Peter White, with four hits for the day, once more came through with a homerun to score teammates in the last inning rally. Fred Sigler for the losers was stopped in the seventh after hitting safely the first four times up.

Two Summit Girls Are Graduate Nurses

On the graduate list of All Souls' Hospital School of Nursing, whose exercises were held May 29, in the Church of the Assumption, Morristown, were the names of Miss Marjorie Searles, daughter of Mr. and Mrs. John C. Searles of New Providence, and Miss Elizabeth Josephine Barber, daughter of Mr. and Mrs. Thomas Barber of Lewis and Clark.

Miss Searles graduated in absentia, as she was one of two of the class who are spending four months of their senior cadet period in the Northington General Hospital, Tuscaloosa, Ala. The two young women have the distinction of being the first cadet nurses of All Souls' to receive appointments to serve in a government hospital. The parents of the girls received their diplomas.

Family Reunion For Lt. Bondery After 5 Yrs. a P. W.

One of the war's many reunions will take place this summer when Lt. Georges Christian Bondery of the French Army rejoins his wife and 8-year-old daughter Jacqueline in Summit and meets for the first time another daughter, Anne. Lt. Bondery was captured in 1940 and has been in prison camps for five years. His wife, the former Martha Truslow and their daughters have been staying with her mother, Mrs. Henry Adams Truslow in Sherman avenue since their own escape from France where they had lived about nine years. They were married in this country.

Lt. Bondery was liberated by the Russians. His wife had not heard from him in six months until he cabled that he was free. He is en route to Odessa now and will go to Marseille. Mrs. Bondery says it may be months before he reaches Summit because he'll probably stop to see his mother in Poitiers, France, their home near Paris which has been reported destroyed. The Bondery family place near Bordeaux also has been wiped out. Mrs. Bondery has heard.

Lt. Bondery's trip here will be a more peaceful one than his wife and daughter made five years ago. They learned in the middle of the night that the Germans had captured Paris and were on their way to the town where they were staying so they fled by car to the Spanish border, sleeping in haystacks on the way. They crossed the border four hours before it was closed.

Jr. Service League Contributes \$50 To Cancer Fund

The executive board of the Summit Junior Service League met on May 29 at the home of the vice-president, Mrs. A. J. Geary. The board for 1945-46 consists of the league officers, and the following committee chairmen: Thrift Shop, Mrs. Allen F. Maybee; Provisionals, Mrs. W. S. Kimber; War Activities, Mrs. G. E. Low, Jr.; Finance, Mrs. Arthur F. Ackerman; co-chairman of placement, Mrs. Rudd Crawford; publicity, Mrs. William Staplin.

A contribution of \$50 to the Summit committee of the National Cancer Fund drive was voted. "Cancer has established itself as public enemy number two, taking one life out of every eight," said Mrs. E. F. Flindell, Jr., league president. "We are very glad to be able to contribute to this fund, which will be used not only for actual clinical work, but also for research on the cause and treatment of the disease, and for education which will lead the public to understand the great importance of early treatment."

Mr. and Mrs. Douglas McGeorge and daughters, Joan and Nancy of Ashwood avenue, left on Saturday to spend the summer at Madison, Conn. Mr. McGeorge will stay with his parents on Hobart avenue during the week, joining his family on week-ends.

Kent Place Students Honored in Atlantic Monthly Contest

The English department at Kent Place School has been congratulated by the Atlantic Monthly on the success of the girls entering the 1945 Atlantic Contests for High School and Private School Students. In the story contest, Marcia Roberts won fourth place among 146 contestants; Patricia

Byer's story was in the "top paper" group. Two hundred essays were submitted, with three Kent Place papers in the "top" and "merit" groups; those written by Barbara Hillis, Mary Anne Loblein and Ann Follinger. Ann Melby's poems on the theme "United Through Books" was judged to be a "merit" paper among 212 contestants. In these same contests the first prize has been awarded three times in nine years to Kent Place girls, twice for poetry and once for essay.

State Police Warn Of Gypsy Rackets On Gullible People

As this is the time of year Gypsies and other itinerants start trekking into New Jersey from all parts of the country to work their rackets of "money blessing," "money switch game," and "healing the sick" upon unsuspecting and gullible persons, Col. Chas. H. Schoeffel, State Police Superintendent, today warned of their migration to this State and directed his troopers to investigate thoroughly their activities. The Colonel also warned of the "replating racket," which he said is flourishing in various parts of the country, but is not active in New Jersey, so far as known at this time.

Citing a warning issued to churches, theaters, restaurants, hotels, and other business concerns throughout the United States by The Better Business Bureau concerning replating racketeers, the Colonel declared they operate under assumed names and offer to refinish kettles, tanks, candelabras, church vessels, and kitchen utensils at reasonable prices, but either fail to return the articles or charge outrageously high prices for slipshod work.

In discussing Gypsies, the Colonel emphasized their most successful racket is the "money switch game." The Gypsies approach the unsuspecting and through fortune telling prevail upon their victims to place a large sum of money under a pillow and sleep on it for three nights, when they will find their money has increased three fold. Of course, the Colonel added, the money was "switched" during the conversation and substituted with paper.

"It is difficult to believe that in this day and age persons fall for this type of racket," the Colonel said. "But they do."

Motor Truck Terminal Model Shows at Newark Museum

A mechanical model of a union motor truck terminal, such as the one proposed by the Port of New York Authority for construction in northern New Jersey, is exhibited at the Newark Museum, 49 Washington street. The terminal model can be seen from 12 noon to 5:30 and from 2 to 6 on Sundays for the remaining three days of this week from 12 noon to 5:30, and on Sunday from 10 to 6. The exhibition will then close.

This electrically operated model, complete with freight platform, chain conveyor and miniature trailers, tells the story of the efficient operation of the type of Union Terminal operation proposed for northern N. J. It is of special interest to shippers and receivers of all freight and representative of various municipal and business organizations.

A public hearing to consider the Port Authority staff was held in City Hall, Newark, last Friday, May 25. The terminal, as proposed, would be the largest in the world, measuring 1,000 feet in length by 200 feet in width, with back-up spaces for 175 trucks and a daily volume of 2,500 tons.

How to Paint For Better Light

For better vision on the job, lighting specialists recommend light gray, buff or green paint for industrial machines.

Recent tests, they explain, have shown that the customary dark gray coats absorb an immense amount of light.

Thus, despite a high level of artificial illumination, the light available to the machine worker at the point of operation often has been insufficient.

This is no time for half-way measures!

"Hit 'em twice as hard in the mighty 7th..."

"THE BIGGEST, MOST URGENT WAR LOAN OF ALL!"

"That's what I'm doing ...

"Hitting 'em twice as hard—buying twice as many bonds as I ever did before. Uncle Sam has got to raise in *this* war loan just about as much as he did in 2 war loans last year up to this time.

"That's why the 7th is the biggest and most important of them all.

"And I'm mighty proud—as every farmer ought to be—to have the chance to help!

"The way I figure it, at this crucial time in the war Uncle Sam is calling on *all* of us to go whole hog—to produce more food, to

build more equipment, to do *all* we can to hit the enemy—*HARD*—without a let-up.

"And of course all that takes money. Money for thousands of giant new planes, money for all the tons of ammunition and war supplies our fighting men need to do the job up brown.

"Neighbor, that's where you and I come in.

"We can help in the chore of sending our boys everything they need—help by buying all the bonds we can ... twice as many as we did last time!"

WAR BONDS PAY OFF IN THESE 7 WAYS...

- 1 The same Government security backs your War Bonds as backs the actual dollars you put into them.
- 2 You get \$100 at maturity for every \$75 loaned now.
- 3 You can get your money back, 60 days after issue date, any time you need it ... in the meantime you get safety and steady growth.
- 4 You have a backlog to renew farm buildings and equipment after the war.
- 5 Bonds will insure your children's schooling, or provide for your own security, travel, retirement.
- 6 Bonds go into a national nest egg that will help assure post-war prosperity.
- 7 Bonds transform your love of home and country into *action* ... you join personally in the biggest, most-urgent War Loan of all—the Seventh!

Burns and Henry Win Montclair Best-Ball Final

Wriggling out of tight spot in the semi-final, John Kidde and James Ackerman of Plainfield, were cornered Sunday afternoon in the final of the annual member-guest bestball tournament of the Montclair Golf Club, losing by 4 and 3 to Ken H. Burns and Richard Henry, of Baltusrol, 4 to 3.

Kidde and Ackerman in the morning defeated E. E. Hallander and Scott Osborne, of Baltusrol, after being 4 down at the turn. They won on the nineteenth green after a successful uphill game on the incoming nine holes.

Burns and Henry came to the ninth 1 up in the final, Burns winning this one in par to give his team a lead of 2 up. Henry captured the eleventh, but Ackerman took the thirteenth. Henry's fifteen-foot putt for a birdie made the Burns-Henry side dormie at the fourteenth. The next hole was halved.

Burns and Henry were never down in their semi-final match against A. V. Youngman and Jack Poinier, of Canoe Brook, winning eventually from last year's finalists, 3 up and 2 to play. The victors opened their assault at the third, where a par was good enough. There wasn't much wind but what there was of it concentrated on this match when Henry rolled a putt so close to the cup it was difficult to see what

was holding it up. As that puff of air, ever freshening, came across the links the players stood gazing at the ball in wrapt attention. And sure enough, the pellet fell in, enabling Burns and Henry to hold their lead with a half.

Three holes later when Burns three-putted Youngman and Poinier squared. But they were down again at the seventh when Youngman required three more after reaching the green from the tee. These two were 2 down at the turn after losing the eighth.

The only hole of the second nine lost and won was the fourteenth. Burns and Henry won it to go 3 up. With two succeeding halves they put the squeeze on their opponents.

The summaries:
First Division
 Semi-finals—John Kidde and James Ackerman, Plainfield, defeated E. E. Hallander and Scott Osborne, Baltusrol, 1 up (19 holes); K. H. Burns and Richard Henry, Baltusrol, defeated A. V. Youngman and Jack Poinier, Canoe Brook, 3 and 2.
 Final—Burns and Henry defeated Kidde and Ackerman, 4 and 3.
