SHS Class of 194 Receive Diplomas; 12 Students Speak

With the traditional colorful and impressive ceremony, a class of 194 senior boys and girls (revised from the previous week) were awarded diplomas from Summit High School at the 1951 commencement exercises held in the school's auditorium Friday night. Twelve members of the class spoke on "What the New Building Means to the Class of 1951." The speakers were Phyllis Croll, Edwin Florence, Margaret Hanson, Lou Jenni, Donald MacLay, Judith Mitchell, Burt Peterson, Jane Robertson, George Ryerson, Noreen Smith, Joan Wright and Robert Young.

Following the processional to the majestic strains of "Pomp and Circumstance," the invocation was offered by Rev. John A. Kelly of St. Teresa's Church. Class President Alan Drummond extended a welcome to the "overflow" audience.

Members of the class were introduced by Albert J. Bartholomew, principal, and Roberts V.S. Reed, superintendent, made the presentation of the class. Diplomas were awarded by Leonard E. Best, president of the Board of Education.

Musical numbers on the program also included the national anthem, the recessional and two vocal selections by a sextet from the class which included Audrey Boise, Nancy Eberhardt, Margaret Hanson, Marjorie Stiles, Thomazine Widdowson and Elizabeth Winters.

Summit Man Has Narrow Escape in Gas Station Blast

A Summit resident, Milton R. Winn of 822 Springfield avenue, escaped serious injury when an explosion wrecked the Cities Service gas station at Morris Turnpike and Farley place, Millburn, early last Saturday morning. The blast roused the area and police switchboards at Summit, Millburn and Springfield were deluged with calls immediately after the explosion.

Winn, who is operator of the station, collapsed at his home several hours after the accident and was removed to Overlook Hospital and later discharged. The explosion took place at 1:30 a.m. while Winn was at work in the lubrication. The force of the blast blew him against a wall. The explosion raved the roof of the building, blew out windows and frames and damaged cars parked at the station. Pieces of flying glass showered cars stopped at the traffic light at the intersection.

Millburn and Springfield firemen extinguished the blaze that followed the explosion. Millburn police, who are conducting an investigation, say the cause of the explosion is undetermined. Gasoline pumps at the station were undamaged.

Two Elderly Persons Collapse on Street

An elderly man and woman collapsed on the street yesterday morning a few hours apart and were removed by ambulance to Overlook Hospital. According to police, both were believed to have suffered strokes. The woman, Mrs. G. Frederick Whittle, 80, of 92 Kent Place boulevard, collapsed at 9:55 a.m. in front of the Grand Union on DeForest avenue. The man, James W. Cross, 79, of 15 Williams street, collapsed at noon in front of Martens on Springfield avenue. Hospital authorities listed Mrs. Whittle's condition as critical. Reports on Mr. Cross were unavailable at press time. Mrs. Whittle was living in the guest home of Mrs. Otto Mohl of the boulevard address, according to Police Sergeant Thomas Finnegan who was at the scene. Sergeant William Behre and Patrolman Francis Kelly attended Mr. Cross.

HONOR SOCIETY ELECTS 25 SENIORS—Twenty-five members of the 1951 class at Summit High School, who were recently initiated into the Honor Society, are seen above as they posed in front of the school Friday morning.

Deadlines Announced For Issue of July 5

The Herald will publish, as usual, on Thursday, July 5, but because of the Fourth of July holiday when the Herald editorial, advertising and mechanical departments will be closed, earlier deadlines for news and advertising copy will be in effect.

The deadline for news will be at 5 p.m. Monday, July 2. Photographs must be submitted by noon the same day. Display and classified advertising copy will be accepted up to 5 p.m. on July 2.

Churches and organizations are earnestly requested to submit copy as far in advance as possible to facilitate production and insure publication.

HONOR SOCIETY ELECTS 25 SENIORS—Twenty-five members of the 1951 class at Summit High School, who were recently initiated into the Honor Society, are seen above as they posed in front of the school Friday morning. The Honor Society has a tradition of long standing at the school. It was established by the Student Council in June 1921 for the purpose of instituting an honor to be conferred upon those seniors who had contributed most to the school in scholarship, leadership, service and character. Last year the Honor Society affiliated with the National Honor Society and became one of the more than 2,000 chapters in the United States. Reading left to right, the above group is comprised of (back row): George Ryerson, Burt Peterson, Fred MacNair, Stuart Knoop, Darryl Turgeon, Alfred Dennis, Robert Young, Donald MacLay, Jack Hughlett, Donald Culbertson, Norman Hill, Edwin Florence and Leo Natale; (front row): Joan Fogarty, Margaret Hanson, Jane Robertson, Isabelle Scherer, Uta Krieger, Judith Mitchell, Jeanne Flagler, Elinor Meyer, Barbara Lampert and Nancy Eberhardt. Wednesday Closing for Stores Starts July 4

All-day Wednesday closings will become effective Wednesday, July 4, the retail merchants of the Summit Area Chamber of Commerce have announced. The summer schedule of store hours will continue through July and August and will end Wednesday, September 5.

Stores will remain open until 9 p.m. Friday evenings and will also be open on Saturdays until 5 p.m.

The retail stores also announced that the annual SUMMIT DAYS sales will be held July 26, 27 and 28. Details will be given later.

City Playgrounds to Open 10-Week Season Monday

Summit's six playgrounds will open Monday at 1:30 p.m., the Board of Recreation announced this week. Work will be completed this week in putting the play areas in shape for the summer months and a staff of 11 has been engaged and is currently being trained to staff the various playgrounds and conduct the programs. With the exception of Monday, June 25, the opening day at playgrounds will remain open Monday through Friday from 9:30 a.m. to dark. On Saturday the hours will be 9:30 a.m. to 12 noon. The summer recreation program will continue for ten weeks, concluding on September 1.

The playgrounds will again offer facilities for softball, volleyball, games of all kinds and arts and crafts instruction. Special events planned for this summer are bubble gum contests, doll, pet and hobby shows, carnivals, and all-day playground events such as Play Day, Hot Dog Derby and baseball trips. The Summit Story League will again provide weekly story hours.

Directors of the various playgrounds will be as follows: Edison: Dorothy Leonard a student at Syracuse University, and Gerald Padewer, a junior at Drew University.

Lincoln: Miss Phyllis Dodson, a student at Newark State Teachers College.

Mable: Foy McCellan a student at Michigan State University, and John McCollum, a Drew University graduate.

Memorial Field: Joan Webster, a student at Mount Holyoke, and Frank Ritzer, a Drew graduate.

Roosevelt: Mary Coronan, a graduate of Mt. Holyoke College, and L. C. Dillingham, a Livingston College graduate.

Washington: Gloria Johnson, a student at St. Lawrence University.

William S. Lee '66, assistant director of recreation, will serve as playground supervisor.

Lions to Install New Officers at Meeting Today

William B. Cannon, Summit attorney, will be installed as president of Summit Lions to succeed Harry W. Doyle at the luncheon meeting of the club today at the Hotel Suburban. Installing officer will be Fred S. Sheehy of East Orange, Lions International counselor. Other officers who will be installed today include: John Smozanek, first vice-president; Michael H. Formichella, second vice-president and William K. Knowles, third vice-president.

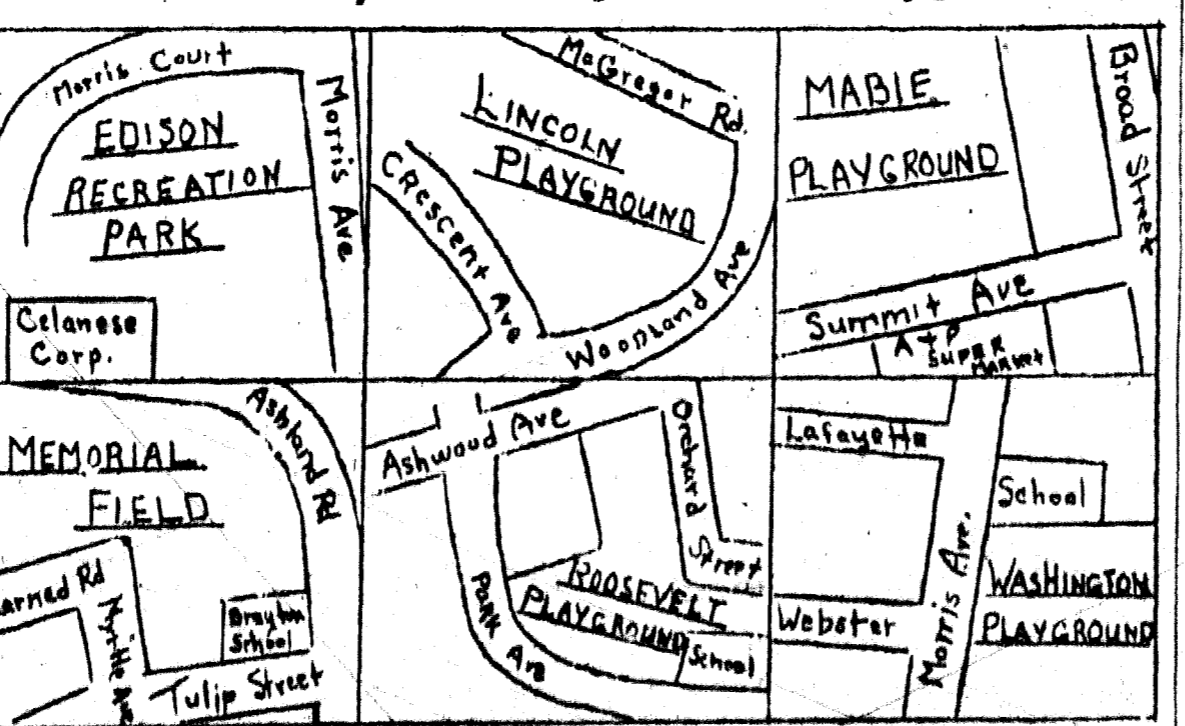

Also to be installed are Jack McElgunn, treasurer; Frederick N. Abbott, tail twister; Rudolph de Rood, lion tamer and directors Edward A. Butler, Frank A. Pizzi; Mr. Doyle, as immediate past-president, together with W. H. Woodside, district governor-elect, who will act as honorary secretary along with Robert Caruba, cabinet secretary-treasurer for the district.

Perfect Attendance Awards: Perfect attendance pins for the past Lions year will be awarded Mr. Abbott, Michael H. Leonette, Sidney F. Cole, Harold C. Pedersen, Mr. Knowles, Mr. Woodside (eighth consecutive year), Mr. Smozanek, Mr. Formichella, Paul L. Werner, Joseph Walguarnery, Jean Harchol, James MacMurray, Mr. Caruba and Mr. Doyle.

Woodside to Take Office: President Cannon and Mr. Woodside will represent Summit Lions at the 34th annual convention of the International Association of Lions at Atlantic City starting tomorrow and continuing through June 28. Other Summit Lions who will attend the convention include Mr. Doyle, Mr. Formichella, Mr. Werner, Mr. Caruba and Mr. MacMurray. The Summit group will be accompanied by their wives. Mr. Woodside will be installed as Lions District 16-E governor at the convention for which 42,000 delegates and their wives from 31 nations have registered. The newly elected district governor is installing the officers of the Clinton Hayes Lions Club of Newark today at the Essex House. Last night he installed the officers of the Elizabeth and Plainfield Lions Club.

Locations of City's Six Neighborhood Playgrounds

CONVENIENT to all parts of the city are Summit's six playgrounds which will open for a 10-week season this Monday. Above is a map of the various play areas prepared by the Board of Recreation showing the locations of the recreation centers. Each playground will be staffed during the summer by trained supervisors and will conduct individual programs of special events, arts and crafts and games.

\$50,000 Asked for More Land For New Lincoln School Site

Common Council took preliminary action to provide \$50,000 for the purchase of more land for the proposed new Lincoln School at its Tuesday night meeting. By terms of a proposed ordinance, which will have a public hearing July 17, school promissory notes of the above amount will be issued. Proceeds from the notes will be used also to grade and improve the land which will be added to the large tract owned by the Board of Education in that general area.

Overlook Board Seeks Bids for New Addition

Bids for the construction of the new 203-bed addition to Overlook Hospital have been advertised, John W. White, chairman of the building committee, announced this week. Plans for the new building have been submitted to a group of general contractors and bids are to be opened at the hospital on July 17 at 4 p.m.

Theodore S. Koryon, president of the board of trustees in commenting upon this latest step, said: "Everyone connected with this project has been doing his level best to get the building started and completed as rapidly as can be. The people of this area certainly deserve to have it without delay. They have generously provided their share of the originally estimated cost, and some of them have been understandably impatient at the delays involved in at least securing the official approvals necessary for the contribution of the government's share."

With the receipt of these approvals, we have at once put the plans in the hands of a group of contractors carefully selected after consultation with our experienced architects and state officials. They will take a month to figure the job and file their bids. We are deeply concerned by the problem of building with today's dollars a hospital planned on the basis of 1948 dollars.

Some features of the original plans may have to be dropped or postponed, new money may have to be raised, or both. But we are determined that the hospital shall be built and the project carried rapidly to completion. The critical day is now July 17 when we will open the bids and know just where we stand."

Local Bidders Sought: In order that local suppliers and tradesmen may be offered the opportunity to bid on portions of the job, the following list of general contractors who are expected to submit bids has been released by the hospital: Walter Kilde Construction Co., Fred J. Brotherton, Inc., Daniel J. Cronin, Inc., William L. Crow Construction Co., Irons & Reynolds, Inc., Auf der Heide Arzoo, Inc., Becker Construction Co., John H. Elise Co., Inc., and William L. Blanchard Co.

Details of the plans and specifications of the hospital wing are available for copying any needed information at the office of the director, Arthur W. Smith, at the hospital.

Record Enrollment For Camp Cannundus: L. D. Case, YMCA boys' work secretary, announced yesterday that registrations for Camp Cannundus, the Y day camp, hit an all-time high this week. He said no more registrations will be taken for the first two periods, June 26 to July 20. Only a few openings are available for the third period starting July 24 and the fourth starting August 7. He added, Registrations must be filled out at the Y building; none will be accepted over the telephone.

Summit Scout Will Attend Encampment in Austria: Summit will be represented at the World Ambassadors of Boy Scouts to be held at Bo. Ischl, Austria, this summer by Scout Donald Hughlett, son of Mr. and Mrs. John M. Hughlett of 24 Prospect street. He is a member of Troop 60 of Calvary Episcopal Church and will enter ninth grade of Junior High School this fall. Hughlett will be attached to Troop B of the United States delegation of 1,000 scouts and leaders. Troop B consists of 33 New Jersey scouts and three leaders, and this weekend will conclude a training session at Camp Alpine, N. J., in preparation for the jamboree. The Summit scout is the second member of his family to attend a World Jamboree. His brother, Jack, who graduated from Summit High School this month, attended the jamboree held at France four years ago. The Summit boy will sail July 13 from New York on the S. S. Argentina for Agiers, arriving there on July 23. The Scouts will visit Agiers, Naples, Rome, Venice, Bolzano, Innsbruck, Zurich, Paris and Cherboug during their trip and will be a Bad Ischl from August 2 to August 13 for the jamboree. They will arrive back at New York on August 28. The trip to Agiers will take 13 days and eight days will be devoted to tours of Italy and Switzerland while enroute to Austria. At the close of the camp five days will be spent touring Germany and Switzerland.

World Government Only Solution to Peace, Stout Says

"World government is our best, our only chance of preventing not merely postponing World War III," declared Rex Stout, noted author, in a speech given Thursday at the high school auditorium. Mr. Stout's address was sponsored by the local chapter of United World Federalists and was attended by more than 400 persons.

A. J. G. Priest of 240 Oak Ridge avenue, who is prominent in both local and state activities of the UWF, introduced the speaker and conducted the rest of the meeting.

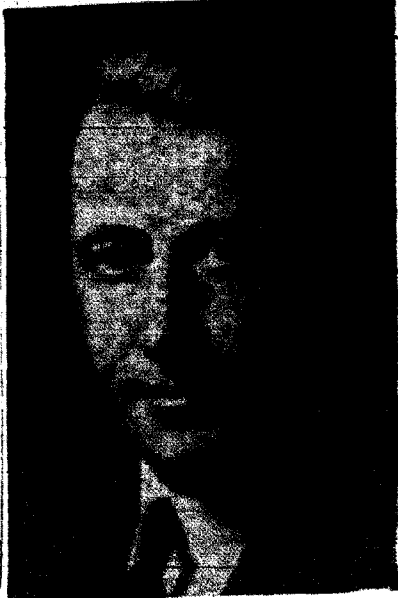

"If a war should start before we have a world government, taking steps to form such a government is our best chance of defeating Russia," Mr. Stout said.

Pointing out that the United States does not now number countries like India among her sure allies, Mr. Stout said, "But Nehru has frequently promised that India would cooperate completely with any sincere effort to form a world government."

Other critical sections of Asia and even of South America are doubtful allies, he stated. However, he expressed the belief that they would be receptive to the same ideas as India.

Mr. Stout traced the history of federation from the early family groups through clans, tribes, cities and nations to "our own classic example of federation of the jealously independent sovereign states." He emphasized that peace, law and order will come in any community only when there is "government consistent with the boundaries of that community."

Following the meeting there was a reception for Mr. and Mrs. Stout in the gymnasium. Mrs. Lane Sauvage, Mrs. H. G. Kenagy, Mrs. Allen F. Maybee and Mrs. W. T. Read, all of Summit, assisted the host and hostess, Mr. and Mrs. Priest.

John B. Dougall

John B. Dougall Tells Rotarians Of Work in Japan

John B. Dougall of 29 Ashland road, former superintendent of Summit Public Schools and former president of Newark State Teachers College, told Rotarians on Monday at their luncheon in the YMCA of some of his experiences in Japan while there with 14 other educators setting up a curriculum for Japanese students. This group worked with Japanese teachers.

The speaker said the climate of Japan is quite similar to the climate on the eastern seaboard here—from Maine to Florida; the area of Japan is about that of California; the population is 84,000,000 and growing at the rate of 1,500,000 yearly; only 16 per cent of Japan is arable; soil is volcanic; rivers are small and fill quickly with rainwater which also quickly runs off; American engineers are working out a system of dams to hold the water; there is little mineral wealth; one half of the population is engaged in rice farming and fishing; 50 per cent of the population has to produce 75 per cent of the food supply.

Mr. Dougall said there were two significant events in Japanese history—the arrival of Commander Perry in 1853 (almost a 100 years ago) and the arrival of General MacArthur in 1945. He said the Japanese loved MacArthur, and told his hearers that the Japanese had expected rough treatment whereas they were treated kindly by MacArthur and all the troops and efforts were immediately made to establish friendly and helpful relations.

Conducted Teacher Courses
The speaker said his work was under information and education, which was under MacArthur as supreme commander and he was required to spend eight months in Tokyo conducting courses in

various phases of teacher training for men and women who would return to their prefectures and continue the same type of work with their friends and associates for the school year 1951-1952. As very few understood English an interpreter was necessary. After a few months of this work, enough Japanese had been learned to permit of lectures through an interpreter and after each semester members of the group of American specialists went out in different areas to conduct conferences with large groups of Japanese educators and these men sleep and lived in Japanese home and Japanese hotels, eating Japanese food.

Oriental Mind Works Slowly
Dr. Dougall said the Oriental mind works slowly and one had to be patient with the Japanese, and with the content in the hands of a Christian gentleman, which MacArthur is, relations between the population and the Army of Occupation has been one of friendship based on mutual cooperation. Both Americans and Japanese he said, have a sincere desire to clear up the acres of charred rubble and restore the industrial work of the nation, as well as assist in their attempts to learn the ways of democracy as practiced in the United States.

The speaker was introduced by Raymond V. Stafford, program chairman for the day. In the absence of President Vincent A. Burgher, Frederick C. Kentz, Jr., vice-president, presided. Interesting reports on the International Rotary Convention held at Atlantic City recently were made by Delegates Frederick C. Kentz, Jr., and Walter S. Eddy, secretary.

Cyclist Badly Injured Sunday On River Road

A Chatham motorcycle driver was taken to Overlook Hospital with serious injuries Sunday afternoon following a crash with a Public Service bus on River road at the entrance to the bus terminal.

The cyclist, Quimby Ford, 23, of 43 Center street, Chatham, had to be freed from the crash bar of his damaged machine with a hack-saw. He received multiple fractures of the right foot, cuts on the forehead and other internal injuries.

He was treated at the hospital for concussion and shock and detained.

According to police, Quimby was going west on River road and hit the bus driven by Floyd McCorry of Morristown, as it was turning into the terminal. The bus crashed into a veterans' home at 76 River

road and the impact shifted the house three inches on its foundation and ripped siding off the structure.

Revolutionary War Battle Retold on 171st Anniversary

The Battle of Springfield was described by Judge Samuel T. Lawrence of Rutherford at a service held at the historic Presbyterian Church of Springfield commemorating the 171st anniversary of the Revolutionary War battle. The service was held in the historic Presbyterian Church of Springfield and sponsored by the Passaic Valley Chapter, Sons of the American Revolution, and the Church and Cannon Chapter, Daughters of the American Revolution. The latter chapter is a newly formed Springfield unit.

In a vivid picture of the battle, Judge Lawrence told of the assembling of stores at Morristown emphasizing that if they had been captured by the British the position of General Washington in New Jersey would have been precarious. He related that New Jersey had been the cockpit of the Revolutionary effort from 1776 to 1780. But, with the defeat of the enemy on June 23, 1780, the British and Hessians retired across the state border never to return.

Among those present at the service were Edgar Williamson Jr., secretary general SAR and Mrs. Williamson; Dr. Hershell S. Murphy, former president, New Jersey Society SAR; Compatriot Ross K. Cook, 2nd vice president New Jersey Society SAR; Major Edwin A. Baldwin of Summit, prominent in affairs of VFW and SAR; Arthur F. Cole, head of the SAR color guard and members of Elizabethtown Chapter with their colors; Mrs. Harry A. Marshall, honorary chaplain, New Jersey Society DAR, and Mrs. Raymond Goodfellow of the DAR.

"Mister Joe" Lauds End of Price-Fixing
The end of price-fixing has given the consumer benefits that will take the pressure off the high cost of living, "Mister Joe" Bildner, president of Kings Super Markets, declared Tuesday in a radio interview with Texan's Jinx.

A long-time opponent of fair-trade prices, "Mister Joe" reduced the price of fair-trade items as soon as the Supreme Court ruled the price-fixing law unconstitutional. Fair trade prices halt the steady determined progress that super markets have been making to supply more people with more goods at lower prices.

The Killers
Take the Lives of 60,000 Monthly

Who are these killers? They are not only the Nazis, Koreans, Red Chinese and Russians, but the forces of destruction right here in our midst that gradually steal upon a victim and strike him down—often in the prime of life. The doctors, many of whom are victims, refer to them as organic diseases of the heart, arteries, lungs, kidneys, liver, stomach, nerves, etc. In most cases they are the result of the habitual use during a number of years by oneself and of ancestors of such common ordinary things as coffee, tea, chocolate, colas, tobacco and alcoholic beverages. These products which contain habit-forming drugs are the forerunners of marijuana, heroin, barbitol, cocaine and morphine. The greed for money and the disregard for the welfare of humanity leads to the traffic in these powerful stupefying narcotics.

The human body is so constituted that when once started with a drug habit, there is usually a desire for more and more and even more potent drugs. Everything possible should be done to prevent diseases. Overcoming the use of all additives and narcotics is a good way to start.

It isn't enough to overcome the use of alcoholic drinks by the A.A. formula but the roots of the alcohol addiction (coffee and cigarettes) need also to be pulled out.

It has recently been shown that the craving for alcohol is brought about by a deficiency of vitamins and the trace mineral elements. When these are supplied in sufficient quantities, an aversion to alcohol can be produced.

While Scientific research has devised the tools of destruction that have helped to win wars, it is now furnishing constructive ideas and methods to save and prolong life and thus bring about peace.

TO OUR CUSTOMERS

The Commonwealth Water Company has filed application with the Board of Public Utility Commissioners of New Jersey, proposing a revision of its rate schedule, to become effective July 20, 1951.

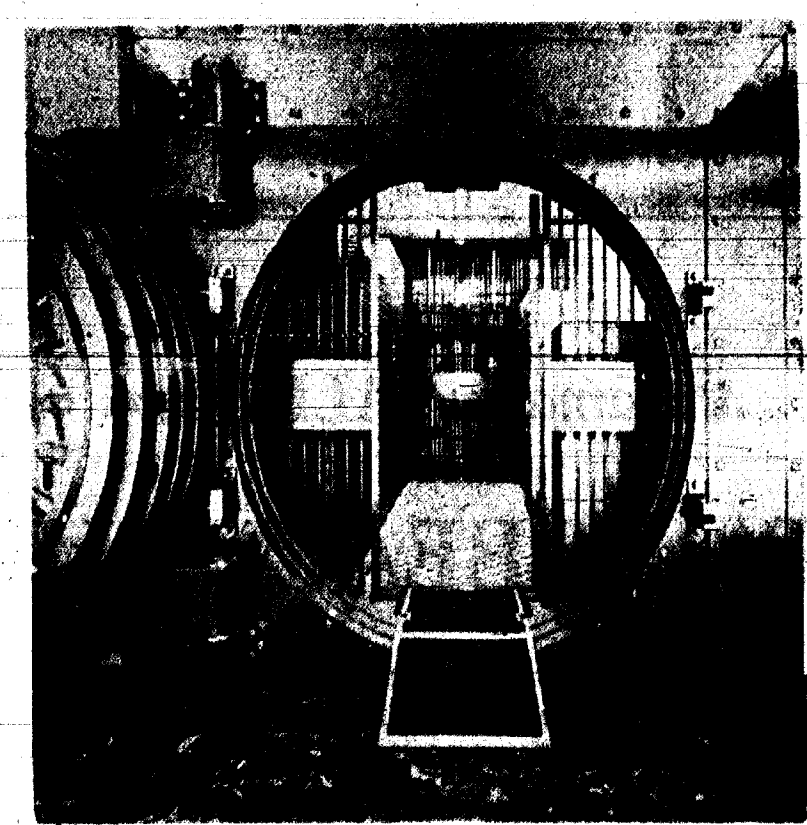

Since the current rates were established, the company has been confronted by a condition of constantly increasing expense of operation, which includes material, operating, maintenance and labor costs, and of general taxes, which alone require approximately 30 cents from each dollar of revenue. While it is true that the largest portion of these taxes are paid to our own communities, they are nevertheless a charge upon the company.

Notwithstanding all possible and diligent efforts made by the company to affect every economy in operation, the spiraling costs of material, labor and taxes have resulted in our net income being steadily diminished. Because we must continue to maintain a high standard of water service, to which you are entitled and which is our responsibility, desire and purpose to furnish; because we must pay our personnel reasonable wages, comparable with their ability, efficiency and devotion to their work in the most essential of public services and because we must fully and efficiently meet the expanding demands of our communities, we have petitioned the Board for a review of our rates and consideration of the proposed 35% increase therein, necessary to meet the increased costs of operation which have been progressively rising in order that a more equitable adjustment of our rate structure may be obtained.

To keep pace with the rapid development of the communities we serve and to provide an adequate source of water supply to meet the increased demands made upon our facilities, we have found it necessary in the past four years to expend almost One and One-half million dollars for improvements and essentials to distribution systems, reservoirs and pumping stations.

In keeping with our company policy, we are making this explanation to our customers of the circumstances relative to our petitioning for revision of our rates in order that they may have a full understanding of the necessity therefore.

You have read a lot of bally-hoo about price wars, but we believe the public has discovered by now that most of these are "come on" advertising campaigns.

Many stores are picking a few isolated items which they haven't been able to move and are using these items to build up store traffic and call it war. This so called "war" is being fought with water pistols we have chosen cannons as our weapons.

It Costs Money To Run A Business!!!

WE CAN SELL OUR FLOOR SAMPLES BELOW COST WITHOUT BEING HURT VERY FEW CAN GO BEYOND THAT AND REMAIN IN BUSINESS.

Many appliance stores will be forced to close!!! But remember this price war is not of our making.

We are happy to announce that we can continue to give bargains at our main store indefinitely. We own all our own buildings and have sufficient income from our fuel oil, coal, boiler and burner installations, sheet metal shop and our new launderette, which is located next door, to survive without any profit from appliances.

Where to Find a Job

As June comes to a close so do the nation's colleges and high schools. Within the last three weeks approximately 500,000 young men and women were graduated from colleges. This vast number means a large increase in those looking for jobs. But that is not the whole story. There were, it was estimated, 1,200,000 graduating from high schools. Of these about 200,000 are girls who will marry or stay at home. Nearly 400,000 are expected to go to college. This leaves 600,000 high school alumni in the field, seeking work.

Comparing this number with those now employed the addition is only about 2 percent. This does not seem too serious a situation. But in a way it is. The top third, in personality, in ability and in education, will fall into good jobs. The second third will get something during the summer or early fall. The bottom third will find the going hard. Unemployment, particularly in youngsters just starting on life's road, is a serious matter.

There are, of course, plenty of jobs available. But the trouble is that the average graduate, from high school or college, naturally wants to take only what he or she likes, and sometimes the choice involves a crowded field. For instance, within the last few weeks The Summit Herald has received numerous applications for editorial positions. Some of the applicants come to the office in person, some write letters and a few have their parents or a friend make the request. But the newspaper field happens to be overcrowded and many who would like to find positions on a paper will be disappointed.

Similarly, high school teaching, according to statistics, is a profession with few vacancies. There are plenty of classrooms for the elementary teacher but for some reason those with new teaching certificates prefer high schools. It means little to most of them that the elementary school positions provide much larger opportunity to build character and create interests. The lower school just isn't appealing enough to many beginners.

Medicine is a field where shortages exist. But again the shortage is mainly in rural areas rather than in cities and in specialized lines such as public health and research. Nursing also needs recruits but here there is added study to contend with. Some of the trades, such as in building construction, are in need of new blood but in most cases there are years of apprenticeships to serve.

We have too many lawyers, too many accountants and too many chemists. These fields are reported crowded. And inasmuch as this is a period when all employment choices must take second place to military needs, it behooves the average lad or lass who is looking for a job to look where there is room and a need for his or her services.

Something New in TV?

Ever since television became a commercial reality, leaders in other fields of entertainment have been watching the growing baby with interest mingled with large doses of fear. That television will continue to exert a sharp influence on other forms of entertainment is obvious. It has already ruined a lot of night spots, motion picture castles and the gate receipts of numerous sports events. But, it now seems, those days are over.

One of the most important events in TV in many a month—even more important than color television—was the broadcast arrangement for last week's bout between Louis and Savold. Exclusive television rights were purchased by a group of theaters to pipe in the fight by coaxial cable for their patrons. The fight, thus, was only seen by those who paid to enter Madison Square Garden and those who paid for a theater ticket. The New York area theaters were excluded from the arrangement.

According to reports following the event, the plan was a huge success. Everyone except TV set owners in this area was happy. The fight promoters enjoyed a good house and the theater managers after filling the aisles had to turn fans away. According to the theater interests, "the potentials of theater television are large for major sports attractions, while holding forth the assurance of maintaining the sports structure itself."

The televised fight experiment is being hailed as the cure for ailing attendance and

the magnet to draw full houses at sports centers. But where does this new plan leave the New York area television set owner?

Purchasers of television sets, generally, have assumed without question that the free show of television, including fights, football and baseball games, would continue with the sponsor footing the bill. Now, it seems, television may deviate from this pattern by the establishment of theater television for special sports events. It was inevitable that the owners of millions of dollars of theater properties would attempt to protect their investment and if they can buck the now well-established idea that TV, like radio, will be free, then their worries are over.

It is our guess that a lot—a very great many—television set owners feel cheated. They bought sets—paying, incidentally, very high prices—with the idea (implied by the manufacturers and the sellers) that they would have a full fare of entertainment at no charge. If these TV owners are going to have an entertainment diet of B films and obsolete vaudeville acts forced upon them instead of viewing the World Series, title fights and other major sports events, the interest in private ownership of television sets may wane.

Vacations Can Be Harmful

Some people on vacation very nearly kill themselves trying to have a good time. In consequence, they return to take up the work of another year more exhausted than when they set out. Don't let this happen to you.

The word vacation means a period of time free from routine care, duties, and scheduled activities. The mood of a true vacation is one of complete relaxation. The proper effect is "re-creation"—the act of creating again—of making a new person of you, the Union County Medical Society points out.

There are different types of unsatisfactory vacations. First, there is the vacation that costs so much that financial worries take all the good out of the experience. Or, there is the vacation so crowded with travel and activity as to exhaust the vacationer, who should be enjoying himself. Likewise, there is the completely dull vacation—as one spent in some forlorn and cheerless wilderness—which produces a feeling of physical stagnation and social decay. Avoid these as you would the plague.

There are different types of unintelligent vacationers, too, from those who get water-logged from trying to get their money's worth in bathing, or who suffer second degree burns from broiling themselves in the summer sun, to those who court heart attacks and heat exhaustion from taking more violent exercise during this period of so-called rest than they indulge in through all the remainder of the year.

Be wise, and take it easy. You'll probably really enjoy yourself. Best of all, you'll be alive and happily vigorous when your vacation finally comes to an end.

Why An Editor Calls Himself "We"
(Montclair Times)

Why does an editor use the word "We" in writing an editorial?

The Iowa Publisher recently reprinted the following explanation for the "editorial we" which was published in the Williamstown Advocate over one hundred years ago.

"A Country Editor—is one who reads newspapers, selects miscellany, writes articles on all subjects, sets type, reads proof, folds papers, and sometimes carries them, prints jobs, runs on errands, cuts wood, works in the garden, talks to all patrons who call, patiently receives blame for a thousand things that never were and never can be done, gets little money, has scarce time and materials to satisfy his hunger, or to enjoy the quiet of nature's sweet restorer, sleep, and esteems himself peculiarly happy if he is not assaulted and battered by some unprincipled demagogue who loves puppet shows and hires the rabble with a treat of cider brandy to vote him into some petty office. A man who does all this and much more, not here recorded, you will know must be a rather busy animal; and as he performs the work of so many different persons, he may justly be supposed their representative, and to have an indisputable right, when speaking of himself, to use the plural number, and to say we on all occasions and in all places."

Rita's Dilemma
(Providence Bulletin)

Never have we heard of an easier way to earn the interest on 3 million dollars. Suppose Rita's divorce from Aly goes through—and what's to hinder?—and she invests the resulting 3 million in good, sound 2 per cent, non-taxable bonds. There's \$60,000 a year on which to bring up little Yasmin. It will be eight or nine years before little Yasmin will be demanding it all. During that time Rita will have had at least \$1,000 a week for being a good Moslem wife.

And what does she have to give up? Nothing substantial. Things that millions of exemplary American wives never give a thought to in the first place—things like displaying their legs up to the hips, running up and down in a two-piece bathing suit, kinaing men in public, drinking hard liquor, smoking cigars and cigarettes. She'd have to give up eating pork, but thousands of women have to do that because it doesn't agree with them. And she'd have to read the Koran, which it would pay anyone to do. It is filled with wisdom.

DEATHS

Mrs. Frank B. Foster
Mrs. Ella Wright Foster, a former resident of Summit, died on Friday of last week. She was the widow of Frank B. Foster, also a former resident here, who died in July of last year. The family lived at 269 Tichenor avenue South Orange.

While here, Mrs. Foster lived with her mother and brother, first in East Summit and later in Glenwood place. Mrs. Foster was in the printing department of the Short Hills Item, then printed on a Washington hand press in Short Hills, which was owned and edited by her brother, Frank Wright. The Item is now combined with the Millburn paper. In Summit the family attended the Central Presbyterian Church.

Mrs. Foster leaves a daughter, Lois E. and two sons, F. Gordon and Rowland Foster, and a brother, William W. Wright of Short Hills.

Funeral services were held at the Young Funeral Home, Millburn, on Monday at 8:30 p.m. Burial was in the Presbyterian Cemetery, Springfield.

Edwin P. Ericson
Edwin P. Ericson of Elm Tree Village, 676 Park avenue, East Orange, died Thursday, June 14,

at his home following a heart attack.

Mr. Ericson was born in Summit, the son of John V. Ericson and the late Mrs. Ericson, and lived in Morris avenue near the First Evangelical Lutheran Church. He attended Summit schools and was active in sports, specializing in swimming. He was a member of the Central Presbyterian Church.

Mr. Ericson was in the National Defense Organization here during World War I. He was manager of operations for the Shell Oil Co., New York Division, at the time of his death.

Besides his father, who is living in New York, Mr. Ericson leaves his wife, Mina Luther Ericson, a sister, Mrs. Helen Gehle of Glen Edge, and a brother, John M. Ericson of 208 Morris avenue, this city.

Funeral services were held in the George Van Tassel Community Funeral Home, 337 Belleville avenue, Bloomfield, at 12:30 p.m. on Monday. Burial was in Fairview Cemetery, Red Bank.

Mrs. Joan J. Magory
Mrs. Laura E. Magory of 21 Edgar street died on Sunday. She was the wife of John J. Magory and the daughter of Christian and Anna Orth.

Besides her husband, Mrs. Magory leaves two sons, Christian F.

and John J. Magory Jr.

The funeral is being held this morning from the Manger Home for Funerals, 1200 Clinton street, Irvington, at 8:30 a.m. to St. Theresa's Church where, at 10 o'clock, a high requiem mass will be celebrated. Burial will be in Gate of Heaven Cemetery, East Hanover.

Fathers and Sons Attend YMCA Powwow
More than 100 members of the Summit YMCA Indian Guides, a father and son club, attended the spring powwow held last weekend at Camp Waswayanda. Summit delegation was joined by 60 other members from Hunterdon County and Metuchen.

Among the highlights was the induction of the Mobian and Delaware Tribes of Summit into the national organization. The Fox Tribe of Summit performed the rites. A camp fire ceremony

was arranged by the various tribes. Following taps, Edward Dodds, associate secretary of the Central Atlantic Area YMCA, addressed the fathers on boys' work and the Indian Guide movement. On Sunday morning a Sunday School service was held.

Rudd Crawford and Milton Fleming, members of the local Boys' Work committee, coordinated the program.

One of the realities in some football games is that the drum majorettes are in better shape than the players.

DEATHS

RICHARDSON — Mrs. Robert I. on June 15, at Springfield, Mass., for many years a resident of Summit. Surviving are her niece, Mrs. Charles Brown, with whom she made her home, and Mrs. Joseph Boak, Jr. of Summit.

COME, and bring the family!

It's not at all unusual for an entire family to step into our lobby to do their banking. Mother may add to her household checking account while Dad might get an important paper from his safe deposit box. Meanwhile, the youngsters are learning what Dad means when he speaks of "our bank."

We get a lot of satisfaction from these family visits. They show that just about everyone likes friendly, one-stop banking service . . . the kind you will enjoy as a First National customer.

New Army, Air Force Enlistment Regulation

Men, who already have had their pre-induction examination, may enlist in the Army or Air Force until July 15 if they have not received their notice to report for induction; it was announced this week.
Prior to this announcement, men subject to the draft could not choose their branch of service after receiving their physical examination.

Robert T. Carey, NCO in charge of the Army and Air Force Recruiting Station in the local area, stated that he has a limited number of enlistments available in both the Army and Air Force. Further information may be obtained by visiting the recruiting station, Room 15, Post Office Building, Elizabeth.

Public Invited to Try Chevrolet Powerglide

Special demonstration cars having Chevrolet Powerglide will be made available for use of the public from June 18 to June 30 at the Siefert-Rees Chevrolet, Inc., 1615 Van Siefert, announced this week.

Because of the customer demand for Powerglide automatic transmissions in this area, Mr. Von Siefert explains, he has been unable to set aside demonstrators. However, he will hold cars solely for this purpose through the demonstration period.

The opportunity for mass demonstrations here will show what owners have learned in more than a billion miles of driving," Mr. Siefert declared. "Even a brief trial will prove that Powerglide-equipped cars are easier and more restful to drive."

With Powerglide, the car has no clutch. This means the elimination of hundreds of manual operations in the course of an average day's driving. The result is that a driver finishes the day more refreshed and relaxed. A person has to experience the effortless process of automatic Powerglide fully to appreciate its advantages.

NEW PROVIDENCE Borough

Enumerators Ready to Get Data on School Housing

BOROUGH—Eleven of thirteen teams of enumerators were organized this week for a census of Borough residents sponsored by the Lay Committee on Education, according to Raymond Cobb, chairman. The teams will begin calling on each home next week to collect information needed for the study of the critical school housing problem created by the extraordinary growth of the Borough. By 1955 provision must be made for 15 new classrooms to accommodate pre-school age children already registered. Some 150 new families are expected to move into the community when home construction now under way is completed.

Indian Guides Spend Week End At Wawayanda

BOROUGH—The borough's only tribe of Indian Guides spent last weekend at YMCA's Camp Wawayanda in Andover, at the summer Pow Wow sponsored by the Summit YMCA.

The tribe, organized this spring, is composed of seven fathers and their seven-year-old sons. Along with 160 other fathers and sons from communities in Hunterdon and Union counties they swam, fished, boated, hiked, played ball, and best of all, participated in an impressive twilight ceremonial that wound up in story telling around a council fire and a half mile torchlight procession through the woods to the shore of the lake where the torches were heaped together to make a huge bonfire.

The tribe calls itself the Turkey Tribe after the historic name of the Borough. It is composed of the following: Clyde and Johnny Noll, Fred and Peter Bochenek, Earl and Mike Dudley, Walter and David Hill, Will and Billy Yeager, Leo and Paul Kietzman, Larned and Lanny Meacham, and Eric and Johnny Walden.

Organized in St. Louis, Mo., 25 years ago by men active in the YMCA, the Indian Guide movement has spread to 23 states. Eight tribes are active in Summit. Its purpose is to provide a father-and-son program of guidance through joint participation which could supplement the predominantly maternal influence of a boy's early years. The movement utilizes Indian lore as the common denominator between the age groups, and is based on the principle adopted from Indian culture, that the education of the son is the prime responsibility of the father.

The movement's only rule, that the father must accompany the son in all activities is one of those disarming simplicities that opens up doors to opportunities unimagined by busy fathers. Tribes meet every two weeks in one another's homes. The host father and son are expected to prepare some simple craft object, as invitations, inscribed with symbols indicating time and place of meetings. What happens at pow-wows depends on the ingenuity of the hosts. Usually there are games, story telling, refreshments, and discussion on the boy's level about plans and craft projects.

According to Clyde Noll, chief of Turkey Tribe, whose Indian name is Chief Panning Bull, the council fire ceremonial and torchlight procession swayed the boys and impressed upon the fathers a solemnity quite in character with native Americans. As twilight descended, the tribes gathered with their chiefs and proceeded up a dark woodland trail which led through moss covered crags. In the distant darkness could be heard the beating of the council drum. At turns in the trail, sentries harily visible among the trees, challenged the tribes and asked for recitations of Indian Guide aims. When these were repeated solemnly by fathers and sons, the tribe moved on in silence until challenged again.

Rudd Crawford, of Summit, in Indian Chief regalia, presided over the ceremony. Several boys addressed the council telling how they had accomplished their projects. Fred Bochenek told an adventure story. On command from the Chief, each tribe lighted torches at the council fire and filed out through the woods to the lake shore a half mile away. After the boys were tucked in, fathers assembled in the mess hall of Camp Wawayanda to hear Ed Dodds, director of the camp, talk about the history of the Indian Guide movement. Later fathers gathered by age groups of their sons to discuss child guidance and to swap ideas.

A new experience to many father-and-son teams was the job of waiting on tables during the three meals served at the pow-wow. Don Case, Boys' Secretary of the Summit YMCA, who assisted in the organization of Turkey Tribe, had overall charge of the pow-wow.

Mr. Auffero, who is a senior at the Reformed Episcopal Seminary in Philadelphia, will reside at St. Luke's rectory.

Schools Close With Largest Rolls In Borough History

BOROUGH—The school year 1950-51 has witnessed the largest growth in total school enrollment in the history of the community, Allen W. Roberts, supervising principal, reported to the Board of Education Monday night. June of 1950 the enrollment was 464 compared to an enrollment of 609 for this school year which closes Friday. This, the principal emphasized, shows a net increase of 145 pupils who have been absorbed into the grades over the past 10 months.

"In order to absorb this group," Mr. Roberts stated, "we have been teaching under the severe handicap of excessively large classes, particularly in the kindergarten through the fourth grade. Only two teachers were employed during the year to take care of this additional load."

"I would like to pay tribute to the members of the faculty for their patient attitude toward our problems, and for their willingness to assume pupil loads beyond a reasonable limit. They have more than demonstrated their sincere interest to do a good professional job."

Mr. Roberts declared, "The new building was a real stimulant to our Junior High School students and caused their morale to be high during the course of the year. The additional classrooms permitted all pupils to be housed under one roof for the first time in three years. However, due to the large increase in enrollment it will be necessary in September once again to place a class in Borough Hall and use two sub-standard basement rooms in the old building."

May attendance was reported at 9334 with indications that the average for the year would be 92 percent. Final promotion reports from all teachers indicated that 5379 of the pupils will be promoted.

Frederic Tourelle, now teaching industrial arts in Denville, was appointed to a similar position here to succeed Stephen Wurst, resigned. Holder of a B. S. degree from Newark State Teachers College, Mr. Tourelle has an Armed Forces service record of three and a half years. His salary was fixed at \$3,000.

Frank Suttman, holder of a B. S. and an M. S. from Montclair State Teachers College, was appointed Junior High science teacher at a salary of \$2,900. He has taught two years in Cape May Court House High School.

Appointment was given Miss Rose Klein as an elementary teacher. She holds a B. S. from Newark State Teachers College and has a speech correction endorsement on her certificate.

Shine Little Glowworm According to a noted entomologist, 2 or 3 large lighter beetles can produce the glow of one match, but it takes more than 50 of the ordinary summer variety fireflies to create this same amount of light.

PENDING ORDINANCE
AN ORDINANCE Providing For The Construction of a Sanitary Sewer Force Main, Including Pumping Facilities by the Borough of New Providence, in the County of Union, New Jersey, Appropriating \$170,000 Therefor, and Authorizing the Issuance of \$170,000 Bonds or Notes of the Borough for Financing Such Appropriation.

BE IT ORDAINED BY THE BOROUGH COUNCIL OF THE BOROUGH OF NEW PROVIDENCE, IN THE COUNTY OF UNION, NEW JERSEY, that two-thirds of all the members thereof affirmatively concurring AS FOLLOWS:

Section 1. The improvement described in Section 3 of this ordinance is hereby authorized as a general improvement to be made or acquired by the Borough of New Providence, in the County of Union, New Jersey. For the said improvement or purpose stated in said Section 3, there is hereby appropriated the sum of \$170,000, said sum being inclusive of all appropriation heretofore made for the purpose of said improvement or purpose.

Section 2. For the financing of said improvement or purpose and to meet the said \$170,000 appropriation, bonds of the Borough, each to be known as "Sewer Bond," are hereby authorized to be issued in the principal amount of \$170,000 pursuant to the Local Bond Law constituting sections 40-1 to 40-18 of the Revised Statutes of New Jersey. In anticipation of the issuance of said bonds and to temporarily finance said improvement or purpose, negotiable notes of the Borough in a principal amount not exceeding \$170,000 are hereby authorized to be issued pursuant to and within the limitations prescribed by said Law. The maximum rate of interest which any of said obligations shall bear is six per centum (6%) per annum.

Section 3. (a) The improvement hereby authorized and the purpose for the financing of which said obligations are to be issued is the construction and installation of a 12-inch sanitary sewer force main running from the sewage treatment plant of the Borough located on the southerly side of Chestnut Street in the Borough eastwardly in and along Chestnut Street and the line of Chestnut Street prolonged eastwardly to a point in Elkwood Avenue approximately 1410 feet northwesterly of its intersection with Piney Avenue thence northwesterly and to along Elkwood Avenue in the Borough approximately 530 feet to the Borough boundary line, thence northwesterly in and along New Providence Avenue in the City of Summit to its intersection with Kent Place Boulevard and thence northwesterly and southerly in said City to a point of connection with the sewerage system of said City located at or near the intersection in said City of Kent Place Boulevard and Morris Avenue, including acquisition of any rights-of-way necessary for construction of said sewer force main and acquisition and installation of sewage pumps and other machinery and appurtenances necessary for construction of said sewer as a force main, all in accordance with and to the extent detailed in the order of the State Department of Health hereinafter mentioned and in accordance with and as more fully shown on plans therefor prepared by Elmer F. King, Consulting Engineer, filed in the office of the Borough Clerk and hereby approved.

(b) The estimated maximum amount of bonds or notes to be issued for said improvement or purpose is \$170,000.

(c) The estimated maximum amount of money to be raised from all sources for said improvement or purpose is \$170,000.

4 Directors Named To P.A.L. Board; Trio Set for TV

BOROUGH—At a regular meeting of the Board of Directors of the New Providence Police Athletic League held Thursday in the Borough Hall, President Sydney Long suggested that additional members to the Board of Directors be obtained. This move was suggested to replace the vacancies caused by the resignation of one member and the inactiveness of another Board member. Invited to the September meeting were Charles Behre, of Passaic street; E. O. Morrison, 93 Fellows; Edmund Moreau, 15 Gales drive; and Walter Bullwinkle, Commonwealth avenue. Director Carl Ehnis reported that he was also seeking assistance in the coaching field as the membership has increased so rapidly that the three coaches now working with boys and girls athletic teams cannot devote enough time to the participants.

It was announced that Bob Johnson of Mountain avenue, a student in Lincoln School was this year's winner of the PAL Sportsmanship award. The five dollar check was presented to Mr. Johnson at an assembly in Lincoln School, Friday, June 15th, by Ronald Moreau, a senior member of the PAL.

Director Ehnis also announced that three boys participating in the afternoon Junior Baseball League will be the guests of the Brooklyn Dodgers on August 23rd and will appear on the Pre-Dodger television show "Happy Felton and his Knothole Gang," where they will meet Rus Hodges, Dodger first-baseman who will test them and determine the outstanding first-baseman amongst the three boys.

262,929 Estate Of B. H. Old Gets Court Approval

BOROUGH—The first intermediate trustee's account of the \$262,929.47 estate left by Benjamin H. Old, business executive who died April 10, 1946, while a resident of this community was approved Friday by County Judge Edward A. McGrath.

The audit, submitted by the defendant's widow, Mrs. Mary G. Old, of Mountain avenue, New Providence Borough, and Harry J. Schlichting, of 6 Laurel drive, New Providence, trustee, showed a balance in the trust fund of \$137,108.38.

Mr. Old left most of his estate in two trusts, one-third to go to his widow for her lifetime and two-thirds to his son, Gordon H. Old, of 742 Kensington avenue, Plainfield, who will receive half at 50 years of age and half ten years later. The Newark law firm of Autenreth and Rochester was allowed a \$1,000 counsel fee.

Awarded Diploma at Hospital Bedside

BOROUGH—For the first time in the history of the Junior High School, a member of the ninth grade class was awarded a diploma at a hospital bedside. Marie Carlone, daughter of Mr. and Mrs. Anthony Carlone of Ridgedale avenue, was presented her diploma at Muhlenberg Hospital, Plainfield, by Supervising Principal Allen W. Roberts and President George Johnson of the Board of Education, Monday night. Marie is recovering from surgery.

Scout Paper Drive Set for Sunday

BOROUGH—New Providence Boy Scout Troop 63 will hold its last Paper Drive of the season on Sunday, June 24. The collection was originally scheduled for June 17, but a combination of circumstances which arose during the middle of the week forced postponement until the following Sunday. Local business men have again offered the use of their trucks for the occasion. The Scouts, through their chairman of activities, R. S. Kennedy, thank the Borough residents who, in response to a last-minute flyer, have saved their old papers for this occasion. Every street in the Borough will be canvassed on the 24th. Papers may be tied in bundles and left at the curb, or the trucks may be hauled and the Scouts will carry loose papers from garages or basements.

Granted U. S. Patent

William J. Sweeney, 24 Greenbrier drive, is the inventor of a method for stabilizing gasoline against discoloration and gum formation for which he has been granted a United States patent. Dr. Sweeney is a member of the staff of the Standard Oil Development Company.

Red Sox Play June 24

The Summit Red Sox will play at home, Memorial Field, this Sunday, game time 2:30 p. m., meeting the St. Mary's Baseball Club of Dover. On Wednesday evening the Red Sox will play the Maplewood "Maples" who are now leading the Essex County League, in a twilight league game starting at 6:30 p. m.

Women Voters Advance Plans For Fall Program

BOROUGH—Mrs. Kenneth Baldwin of Summit was "hostess" to the executive board of the New Providence League of Women Voters Tuesday afternoon of last week.

The board is planning a very full program for next fall. Much of the work will be done this summer. The "Know Your Town" discussion group will be continued in September. Mrs. G. B. Thomas invited all members interested in this work to a planning meeting for these groups to be held in the Library, Tuesday evening, June 26.

Mrs. John Wright and Mrs. Carl Stuehrer reported on the round table discussions they attended in Newark last week. Two board members, Mrs. G. B. Thomas and Mrs. David Hutchinson, were appointed to the nominating committee. Mrs. D. Kautzman, chairman, Miss Dorothy Mason and Mrs. Robert Clark were elected to this committee at the annual meeting last month. Mrs. Hutchinson was also made chairman of a new committee on County Government. Other committees were reorganized and Mrs. L. B. Coddington Jr. appointed action chairman.

At the annual meeting in May, Public Safety was chosen as a local current agenda subject. Mrs. Dayton Furcels is planning a program on this for October.

Elkwood Group Helps Build New Boro Playground

BOROUGH—The morning of June 16 marked an instance of collaboration between the borough and the Oakwood Park Civic Association which has gladdened the hearts of the kiddies in this area.

Some forty association members, armed with picks, shovels, and great resolve, turned to the task of installing playground equipment purchased by the borough for Oakwood Park, a recreation area adjacent to Commonwealth Avenue.

Work was proven Saturday by the fact that an assembly housing three swings, one junior swing, roman rings, and a trapeze bar, was erected in only two hours time. Much of the credit for this was due to councilman R. E. Badgley who acted in his capacity as recreation director to coordinate the efforts of the group. Also much labor was saved through the cooperation of Bob Williges of the borough staff, who provided a pickup truck and small trailer for hauling and mixing the cement.

After a brief intermission for refreshments provided by the association, the group continued on to erect and paint a permanent sand box.

NEW PROVIDENCE Township

21-Room Annex at RHS Set for Vote; Cost \$1,200,000

TOWNSHIP—Fred A. Elsass, architect, was instructed by the Regional Board of Education Tuesday night of last week to proceed with plans for the expansion of the Jonathan Dayton Regional High School.

The action of the board was a culmination of approximately two years of study, including a careful survey of the population growth in the six communities comprising the Regional District. These communities, Clark, Garwood, Kenilworth, Mountaineer, New Providence Township and Springfield, have a combined population of more than 26,000.

The present building provides capacity for 900 pupils. With the new facilities the capacity will be increased to approximately 1,500. The growth of student population from the present 975 pupils to an estimated 1,125 in the 1953-54 school year, makes it imperative that the relief project be started as soon as possible, the board indicated. With no delays in the schedule of the development of the expansion, it is expected the enlarged school will be ready for use in 1953.

Preliminary plans provide for increasing the 32 existing rooms now in use as major classrooms and special purpose rooms by 21 additional rooms. The board plans to increase administrative and guidance office spaces, add conference rooms, health facilities and store-rooms. The physical education program necessitates the addition of a second gymnasium, it also stated. Enlargement of the cafeteria kitchen and counter space to serve the added enrollment will be made at the time of the building addition.

The plans include a new agriculture building consisting of shop facilities and two classrooms. This will be a separate building, replacing the temporary wooden structure which has been in service since 1942.

The board hopes the agriculture building can be made available for use in the fall of 1952.

The architect estimates expansion of the present facilities will cost \$1,200,000. The board plans to seek voter approval of the expansion program next fall. Details will be submitted to the public as they are developed.

Berkeley Heights Man Becomes Paratrooper

Private Thomas G. Hellrigel, son of Mr. and Mrs. George N. Hellrigel, 612 Mountain Avenue, Berkeley Heights, has qualified as one of the finest soldiers in the U. S. Army—a hard-hitting paratrooper.

Hellrigel has received his parachute jumper's wings after a grueling four-week course at the airborne school Fort Benning, Ga. and has rejoined the 503d Airborne Infantry Regiment of the 11th Airborne Division. He was a member of the division before going to jump school.

While at the airborne school, Private Hellrigel underwent a rigorous physical training period. Following this he learned to manipulate a parachute in the air and to employ proper body position while leaving an airplane.

Before actually making the required five qualifying jumps from the plane, Hellrigel made several drops from the 250-foot towers to learn the proper landing position.

Now that he is airborne, Private Hellrigel will enter into advanced unit training to prepare him for combat.

Regional Board Names Teachers; Bus Costs Up

TOWNSHIP—Upon the recommendation of Warren W. Halsey, supervising principal of the Jonathan Dayton Regional High School the Board of Education Tuesday night of last week appointed several teachers to replace vacancies in the staff.

Miss Dolores H. Kendall of Madison was appointed instructor in girls' physical education to replace Mrs. Frances Glander. Miss Kendall is a graduate of Trenton State Teachers College and has taught three years in Cape May High School.

Will Teach Physical Ed. Miss Betty Linberry of Newark was appointed instructor of girls' physical education and general science. She is a graduate of Trenton State Teachers College and has taught two years in Sussex High School.

Miss Doris M. Perry of Boonville, N. Y., was appointed art instructor, replacing Miss Marjorie Kircher. Miss Perry is a graduate of Syracuse University and has taught two years in Boonville schools.

Robert H. Escott was appointed music instructor, replacing Miss Mildred Middlet. Mr. Escott is a graduate of Trenton State Teachers College and has served 1 1/2 years in the U. S. Army.

Closing Hour Changed. The board approved a change in the school closing hours which will permit buses to leave the school at 3 and 3:45 p.m., instead of 3:20 and 4 p.m. at present. This change in hours results in a re-arranging of the club program.

Miss Carol Kraft, director of guidance, will be available in August to consult with students.

The board approved a 15 per cent increase in contract price on all bus transportation contracts subject to renewal in the coming school year. These increases are subject to approval of the county superintendent of schools.

Girl Scout Troop To Attend Camp

TOWNSHIP—Members of Girl Scout Intermediate Troop 74 will start a three-day encampment June 30 at Camp Rockwood, Bethesda, Md. It was announced last week by Mrs. Marie Townsend, chairman of the Berkeley Heights Girl Scout Committee. The 32 girls participating also will visit Washington, D. C.

The scouts will hold several practice drills in camp procedure and techniques. The group will be accompanied by adult leaders. They are: Mrs. George Barberich, Mrs. Charles Wadsworth, Mrs. H. S. Riggs, Mrs. Lincoln Williams and Mrs. S. W. Seijas.

Sanderson Wins PGA Play With 71 at Ridgewood

Harold (Red) Sanderson of Canoe Brook, one-half of the Jersey pro-pro championship team of Sanderson and Bud Geoghegan, splashed through the rain-soaked fairways of Ridgewood Country Club at Paramus, Thursday in a 4 under par 71 to outdistance a field of 32 pros in the annual PGA Pro-President tournament.

Playing over Ridgewood's West and Center nines, Sanderson was even par on the first half with one bogey and one birdie, but over the Center he birdied the par-five fourth and par-four sixth after taking a one-over-regulation on the third, to put him one under Ridgewood's 72 for his round.

Deadlines Announced For Issue of July 5

The Herald will publish, as usual, on Thursday, July 5, but because of the Fourth of July holiday when the Herald editorial, advertising and mechanical departments will be closed, earlier deadlines for news and advertising copy will be in effect.

The deadline for news will be at 5 p.m. Monday, July 2. Photographs must be submitted by noon the same day.

PTA Leaders at Graduates Buffet; Advance Plans

TOWNSHIP—Mrs. E. A. Nesbitt, president of Columbia School PTA with two past PTA presidents, Mrs. A. Harden and Mrs. S. B. Eaton, attended the graduates' buffet dinner and dance at the school auditorium on Flag Day evening. Members of the Board of Education and faculty also attended.

That same evening, Mrs. W. T. Gibby, chairman of the PTA ways and means committee held a meeting of her members at home to plan a card party for October. Mrs. A. Kleinberg, PTA public relations director was instructed to do outside publicity. Flyers will be put out by Mrs. R. Clay of Free Acres, to determine from parents what affair they would like to hold in the Spring.

Mrs. Gibby named a complete committee. Those attending her meeting included Mrs. C. Dally, Mrs. A. M. Bebbino, Mrs. Michael Negro, Mrs. Arthur Manner, Mrs. R. M. Jensen, Mrs. MacNair of Beech avenue, Mrs. G. Gibson, Mrs. G. Faulkner, Mrs. R. Weatherby, and Mrs. W. Gertler. Absent from the meeting were Mrs. C. M. Meyers, Mrs. H. S. Riggs, Mrs. W. Ward, Mrs. F. Williams, and Mrs. W. Reasor. Mrs. Nesbitt was a guest.

Regional Changes Program for Clubs

TOWNSHIP—Members of the Regional Board of Education at an adjourned meeting Tuesday night of last week approved a proposed change in the club program to place it on a voluntary basis. The change was recommended by the Regional Teachers' Association.

Board members have pointed out that the voluntary program is expected to operate more efficiently than one which the students join because the only alternative is attendance in a study club. The plan necessitates a change in the present time schedule. Beginning in September school will close at 2:54 p.m., with buses leaving at 3 o'clock instead of 3:45 o'clock. The late bus will leave at 3:20 instead of 4 o'clock as at present.

The following teachers were engaged by the board: Miss Dolores H. Kendall, Madison, physical education, replacing Mrs. Frances H. Glander; Miss Betty Linberry, Newark, physical education and general science; a new position; Miss Doris M. Perry, Irvington, art, replacing Miss Marjorie Kircher and Robert H. Escot, of Paterson, music director, replacing Miss Mildred Middlet.

Miss Carol Kraft, guidance director, was employed for the month of August. The guidance office will be open to students and parents to consult with her regarding scheduling and curriculum during this month.

Wood Holes Tee Shot at CBC in Bill Hatt Tourney

A hole-in-one by member Bill Wood on Saturday highlighted the first round of the 10th annual Bill Hatt Memorial Member-Guest tournament at Canoe Brook Country Club here. Wood, playing with his guest, E. A. Atwater of Baltusrol, canned his four-iron tee shot on the 165-yard seventh hole of the south course. The ace helped the Wood-Atwater duo to score a net ball of 69 but left them well back in the pack of 60 teams competing in the 36-hole best ball event.

Leading the field at the halfway point were Robert T. Calvin and his guest, Tom Logan, unattached. They fired a net 64 over the watermarked 6,523 yards, par 73 course with 32s on both legs.

Brothers Second. A stroke behind in second place was a brother combination, James Chamberlain and his guest, Dr. Richard, of Rock Spring. They registered a 32, 33-65. In third place with net 66s were two teams—Ralph E. Lum, Canoe Brook's president, and his partner, John S. Batcheller, also unattached, who had 34, 32, and Tom S. Markey and Al Wolfley of Echo Lake, also with 34, 32.

The Hatt Memorial this year reverted to a medal play basis after several years of match play. In match play all teams played from scratch but this year's competition allowed players to use 85 per cent of their full handicap. In the scores below the player's tournament handicap is listed in parentheses.

MORE POWER TO TOWNSHIP—Along Mountain Avenue this week Jersey Central Power & Light Co. crews are completing installation of new aerial cable feeding electric power into Blue Mountain area of New Providence Township. Last of mile-and-a-half, 5,000 volt, self-supporting cable is run off reel (above) preparatory to being pulled up and spliced. The new line, which will provide the Diamond Hill, Blue Mountain, Horseshoe and Ridge roads and Hillside Avenue sections with alternate power paths, is built of latest type overhead cable which, according to JCP&L, "operates very satisfactorily under the extremely bad tree conditions that prevail along these particular roadsides." Field work is under direction of Foreman Henry Long, Baltusrol road, veteran of 24 years' service with the utility in Summit.

Former Secretary Of YW Here Given Honorary Degree

Miss Mary M. Cannon, former executive secretary of the Summit YWCA, was the only woman to receive an honorary degree from Miami University at its centennial commencement on June 11 at Oxford, Ohio. / Miami alumna of the class of '21, she was awarded the degree of Doctor of Laws for her distinguished service in the international field.

In Washington on June 10, she was also given a citation by the National Council of Negro Women "for outstanding accomplishments in winning warm and lasting friendships for American women" in the Western Hemisphere.

Miss Cannon is chief of the international division, Women's Bureau, U.S. Department of Labor, which position she has held since leaving Summit in 1941. Since 1944, she has also served as the United States delegate to the Inter-American Commission of Women, an official organ of the Organization of American States.

Miss Cannon was born in Canal Winchester, Ohio, and attended public schools here. At Miami she was elected to Phi Beta Kappa in her senior year. She did graduate study at Ohio State University and the University of Chicago.

Made Many Surveys Before joining the Women's Bureau staff, Miss Cannon was a YWCA secretary for several years in Springfield and Columbus, Ohio, for over six years in Buenos Aires, Argentina, and from 1938-41 to Summit.

Her international work with the Women's Bureau has taken her to Latin America many times for economic surveys, technical consultation assignments and inter-American conferences. She has also recently been on a mission to Germany. The Women's Bureau has published a number of studies by Miss Cannon on economic and social conditions and labor laws affecting employed women in seven South American countries and Mexico. Two lecture series in Spanish on the role of women in the economic life of the United States were published in the countries where they were given, Mexico and Uruguay; both were widely distributed by the Department of

State in Spanish-speaking countries. Miss Cannon has also directed the Women's Bureau activities in connection with the program of technical consultation and exchange of persons with foreign countries, in cooperation with the Department of State. Under her guidance foreign women officials and leaders have been given special training and study programs in the United States. The women are drawn from Europe, the Middle East and Asia, as well as Latin America.

She is a member of the American Association of University Women, League of Women Voters, Altrusa International and the Society of Women Geographers. She now lives in Arlington, Va.

13 Summit Boys Entered in County Soap Box Derby

The Union County All-American Soap Box Derby Saturday promises to be an exciting fore-runner to one of America's finest amateur sporting events when the national championship races are held at Akron, Ohio.

A record entry list of over 100 competitors will begin vying for the county title when Mayor Charles P. Bailey, of Westfield, fires the starting gun for the first heat at 10 a.m. at Gallow's Hill road and East Broad street, Westfield.

Preparations for this sixth annual county contest are being made to accommodate a spectator gallery expected to surpass all previous race throngs with nearly every community within the county represented by the young speedsters.

Leading the entry list will be 46 contestants from Elizabeth Westfield and vicinity will be cheering on its 21 racers and Summit folk will be rooting for 13 boys from that area. Other competitors will be from the Plainfields, New Providence, Fanwood, Scotch Plains, Garwood, Cranford, Rahway, Clark, Linden, Roselle, Roselle Park and Union.

Winners of the various heats and the county champion will be given individual awards at the annual Soap Box Derby dinner to be scheduled at a later date.

A snow fence is being erected along the race course to afford protection for the speeding drivers and the audience. A public address system, audible over the entire area, will carry a running commentary on the program, winners of each heat and the title race.

Banners spanning the start and finish points, and derby-embellished streamers will provide a pageantry of color for the festive event.

Westfield Police Chief John R. Schreiber has assigned extra patrolmen for duty in the area and has asked that all spectators cooperate by remaining behind the barriers erected for their safety.

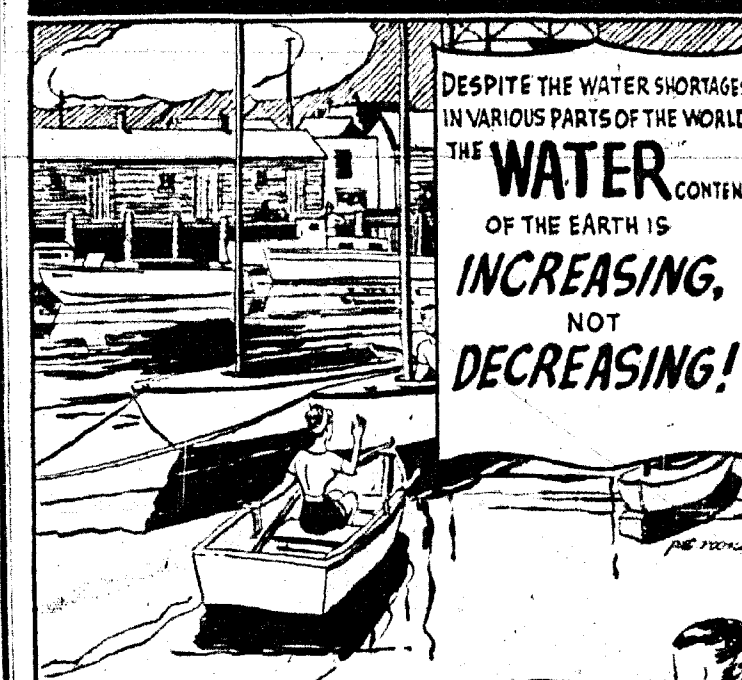

Service pits for the derby cars.

Architect's sketch of new Pingry School

Ground Broken Yesterday for New Pingry School

Ground was broken yesterday for Pingry School's new building in Hillside. No general invitations were sent out, in view of contemplated ceremonies when the cornerstone is laid or the building dedicated. At that time all alumni, parents, friends, and contributors will be invited. Yesterday only the school trustees, the faculty and the Hillside township committee attended.

Contracts totaling more than a million dollars have been signed with Andrew Christensen and Son, Inc., general contractor; Joseph Arace, heating, ventilating and plumbing contractor; and Joseph J. Tomasulo, electrical contractor.

Henry Kreh Jr., general chairman of the Pingry Improvement Fund, said, "The cost of the building, when completed will be considerably in excess of the amount now contracted for, but the board of trustees has taken the courageous position that it believes the necessary additional funds can and will be raised so that the entire building may be completed within a year and a half."

Fred A. Elsasner of Union is architect of the two-story brick walled building.

Colonial Style

Designed in the traditional style of the early American period, the building will house under one roof all divisions of the school.

Mr. Kreh said, "The building is truly functional, providing all facilities necessary for carrying out the Pingry program, while, at the same time creating a building at once beautiful and dignified, yet simple and economical in cost."

The lower school will be located in a one-story wing, which although connected, will nevertheless separate the elementary grades to a considerable extent from the rest of the school. The wing will include five class rooms for grades one through five, a library, an office and a chapel or assembly hall.

There are eighteen classrooms for the middle and upper schools with each division having its own study hall. In addition, there is a music studio, art studio, manual training shop, mechanical drawing room, two large science laboratories, and a dining hall with a seating capacity of 220. There is also a large library, an alumni room, several conference rooms and administration offices.

The building will be set back 250 feet from North avenue on a plot totaling thirty acres. To the rear on the north side, the athletic fields are already in process of preparation. Ultimately there will be three complete fields for football and soccer and three baseball diamonds plus a quarter-mile cinder track.

Pingry recently decided to the Union County Park Commission four acres of land along the Elizabeth River extending north from North avenue. This strip of land will be made into a park with walks and paths.

and at a dance at the Veteran's Memorial Hall in Cranford.

In his bid for the Senate post for Union County, the suburban aspirant pointed out that his republican opponent heads a ticket of nine candidates, seven of whom hail from Elizabeth, whereas the democratic slate offers a more equitable alignment, geographically, because eight different communities of the County are represented in the nine offices sought to be filed at the general election.

Citing the vicious caucus rule in the Senate as an impenetrable block to meritorious, liberal and progressive legislation, Kaplon criticized his opponent for failure to lend aid in breaking a "monopoly" that has been condemned by both major parties. In seeking election, he declared "that a more evenly matched party alignment in the State Senate instead of an overwhelming republican majority will eradicate the evil of a rule that requires the concurrence of eleven out of fourteen republican Senators before a bill is released out of secret caucus and brought before the full body of twenty-one in the State Senate. A proposal of worthwhile legislation is thus stymied and rendered impotent when any four republican Senators 'gang-up' for personal or selfish reasons, usually inspired by vindictiveness and reprisal. Unbelievable as it may seem, he declared, a combination of four such legislators coming from sparsely populated rural Counties and representing only 5% of the State population may, by parliamentary stranglehold, wield a nefarious and undemocratic influence that might well scuttle a popularly supported legislative program."

Three Young Hunters Snare Two Raccoons

Three young hunters snared two sleeping raccoons Saturday in the backyard of one of their homes. The hunters were John Boynton, eight, son of Mr. and Mrs. George Boynton of 137 Beechwood road, Ricky Beiniecke, eight, son of Mr. and Mrs. William S. Beiniecke, 156 Beechwood road, and Philip Smith, 10, son of Mr. and Mrs. Robert Smith, 160 Beechwood road.

According to the boys, the raccoons were sleeping on a fence in the Beiniecke yard. Nearby, the mother raccoon lay dead. Using a net bag, which oranges had come in, the boys eventually netted the awakened and aroused animals.

The Beiniecke boy put his raccoon in a cage, where according to reports, the animal is rapidly becoming accustomed to civilization, eating pablum, baby cereals, and milk.

Mr. Boynton took the other raccoon to Trailside Museum where a museum attendant said the raccoon was old enough to be on his own. Upon the museum man's advice, the raccoon was fed baby food, placed into a box and left to gnaw his way out. He took off the next day.

Kaplon Starts Senate Campaign Raps GOP Caucus

Commencing a campaign that will take him into all the twenty-one communities of Union County, J. Jerome Kaplon, democratic candidate for State Senate and a resident of Summit for forty-one years, talked before well attended meetings held this week at the American Legion Home in Clark Township, at a tea sponsored by the Democratic Club of Union.

July 4th Program Tags in Mail; On Street Sale Friday

With a gala program set, residents of Summit were urged yesterday to send in their contributions without delay for the annual Fourth of July celebration to be staged at Soldiers Memorial Field.

Applications for tags that will admit each person to all of the events arranged for the day have been mailed to all residents of the city. A contribution of at least \$1 will entitle every family to as many tags as it needs.

In addition, beginning tomorrow, tags will be on public sale daily at a booth in front of the Summit Trust Co. The committee, headed by George Humail, has emphasized that whether tags are ordered through the mail or purchased at the booth, they should be obtained early.

Tomorrow and next Friday, the booth will be open from 8:15 to 8:30 p.m. On other days, with the exception of Sunday, it will be open from 10:30 a.m. to 1 p.m. and from 3:30 to 6:15 p.m.

Highlight of the program again will be a six-act circus that will include performing bears, acrobatic dogs, the Beck Brothers & Gloria on their bouncing mattress, a trio of highly trained monkeys, a team of bicycle tricksters and a hand-balancing team.

The circus this year will start at 3 o'clock in the afternoon—a departure from previous years, when the circus was held in the morning.

The day's events will begin with a flag-raising ceremony at 9:45 a.m. and will be followed at 10 a.m. by a series of track events for boys and girls.

A picnic lunch is slated for noon, following a baseball game between the Summit Red Sox and the Summit Cardinals. A flag retreat and band concert will take place at 7:30 p.m., and the program will be topped off with a spectacular fireworks display starting at 9 p.m.

Sponsoring organizations are the Red Cross, Legion Posts 138 and 322, the Board of Recreation Commissioners, Common Council, Chamber of Commerce, Daughters and Sons of the American Revolution, Kiwanis, Lions and Rotary Clubs, VFW Post 190, Boy Scouts, Elks and Optimist Clubs and the Summit Council of Churches.

Mr. Humail is serving as committee chairman for the second year. John Gilbert is treasurer and Harlan A. Kennedy is secretary.

Wins County Poppy Poster Contest

Ann Riemer, daughter of Mr. and Mrs. Hugo Riemer of 80 Whittridge road, was awarded second prize in the County Poppy contest sponsored by the American Legion Auxiliary. It was announced yesterday by Mrs. Arthur J. Forash, president of the local Auxiliary.

Ann will be a high school sophomore in the fall. She is now eligible to compete in the state contest to be held at Wildwood in September.

Customers' Corner

What do you consider good service in a food store? Do you get it at your A&P? Of course, we expect all our employees to be friendly and courteous. But we think good service goes beyond that. We train our employees to be prompt, efficient, helpful and accurate as well.

Good service also requires that the store itself be clean, well stocked and well operated.

Any time your A&P doesn't measure up to these yardsticks of good service, our loyal employees want to know about it. Please write:

Rita L. Goldberg, Donald I. Bierman Have June Bridal

The wedding of Miss Rita Lois Goldberg, daughter of Mr. and Mrs. Abraham Goldberg of 11 Gifford avenue, Jersey City, and Donald Ivan Bierman, son of Judge and Mrs. Albert Bierman of 59 Oak Ridge avenue, took place Tuesday, June 12 at the Essex House, Newark. Rabbi Edward Klein of the Stephen S. Wise Free Synagogue officiated at the double-ring ceremony at 7:30 p.m.

Escorted by her father, the bride was gowned in pale pink imported Brussels tulle. The shirt-waist style bodice was entirely pintucked and the skirt was trimmed with scattered loops of pink seel pearls. Her fingertip veil was attached to a seed pearl crown and she carried a spray of white baby orchids with philanopsis.

Mrs. Manuel Blum of Jersey City was matron of honor. She wore a gown of shaded mauve and pinks made exactly like the bride's with a sunburst of sequins and carried long-stemmed roses. Sandra Pashelinsky, cousin of the bride,

was flower girl, wearing a bouffant frock of white organdy over pink and carrying a miniature colonial rousquet. The bride's mother was costumed in ice-blue nylon net and the mother of the bridegroom wore turquoise net.

Robert Howard Bierman was his brother's best man. Ushers were Sheldon A. Gross of South Orange, Richard M. Grederberg of Jersey City, Malcolm A. Colton of East Orange and a Robert Greyson of Harrison. Miss Jill Bengelsdorf, harpist, was the soloist.

After a wedding trip to Bermuda where they will stay at the Elbow Beach Surf Club, Mr. and Mrs. Bierman will be at home at General Green Village, Springfield.

Mrs. Bierman is a graduate of New Jersey College for Women at New Brunswick and attended New York University. She is a member of Kappa Pi, national honorary art fraternity. Mr. Bierman, a graduate of Summit High School, received his bachelor of arts degree from Rutgers University and is now a law student there. He is a member of Tau Delta Phi fraternity.

HAVE YOU TRIED LAUNDRY SERVICE LATELY?

What is the real Cost?

Your first cost is far from your last cost in washing. Let's add it all up...

Even your cost of supplies is but a small part of doing it at home...

Think of the wear and tear on your disposition. How would you put a price on that?

Honestly now—can you think of an easier way to keep your youth?

To answer that question you start with the cost of your original investment. Add your cost of supplies, electricity, and water. You're not even through then. How about the long hours of ironing, plus the wear and tear on your disposition? The actual cost, lady, may be very little less than you'd pay for our prompt service. Call us for latest prices, won't you? And be prepared for a mighty pleasant surprise.

THESE folks are enjoying something that's being pioneered by Buick.

It's freedom from the blinding glare of bright summer sunlight.

It's freedom from hot laps—caused by the sun's rays beating down through the broad expanse of windshield.

These freedoms trace to a new feature you may have noticed in '51 Buicks—a new kind of glass† with a cool, soft, blue-green tint, in every glass area of the car, front, side and back.

Buick engineers tell us that this "Buick first" reduces glare 18% over conventional glass—cuts sun heat as much as 45%—and Buick engineers are very conservative fellows.

This glare-and-heat-reducing Easy-eye glass is factory-installed at moderate extra charge. It gives you a built-in transparent "sun visor" right in the windshield—and it also dulls the dazzle of oncoming headlights at night.

As we've said, this is something Buick owners were the first to enjoy. It takes

its place with such exclusives as the valve-in-head Fireball Engine—coil springs on all four wheels—the firm power linkage of torque-tube drive—and the magic of Dynaflo.™

As we've also said—rather modestly—"Smart buy's Buick."

Come in soon and find out what an understatement that really is.

†Optional extra cost—available on most models. 1951 Buick only available in California and Massachusetts.

Excerpt from a bride's letter to her mother

"So I joined the cooking class. Just think, the utility company here holds these classes for brides and people who want to learn the fundamentals of cooking. No charge and the lessons are so interesting. The home economics girl who gives them explains everything she does as she prepares the dish and we can follow the recipe in the cookbooks they gave us."

Hundreds of women in New Jersey have learned to cook at our classes. And many return for new ideas. We do not confine ourselves to adults. Classes for children and for teenagers are popular, too.

We take pride in this service. We feel that in a small way we can help to promote a healthy and happy home life for many people. It is a friendly, neighborly gesture we are glad to make and many of our customers have been kind enough to write and tell us how they have benefited from this instruction.

Musicians Wed At Baptist Church Go to New England

Miss Nancy Flindell, daughter of Mr. and Mrs. Edwin Frederick Flindell of 23 Oakley avenue, and Richard Whitney Peters, son of Mr. and Mrs. Alexander Crawford Peters of Concord, Mass., were married Saturday afternoon at 5 o'clock at First Baptist Church, Rev. Dr. David K. Barnwell officiating. A reception was held at home.

Miss Katharine Flindell was maid of honor for her sister, who was given in marriage by her father. Bridesmaids were Miss Jane Starr of Countryside and Miss Susan Harter of Summit avenue. Miss Margaret Smith of Garden City, Long Island, Miss Meredith Stolz of Far Hills and Mrs. Richard Beane of Duxbury, Mass., sister of the bridegroom. Harold Priest, Jr., of Gleasonville, Mass., served as best man and ushers included the bride's brother, E. Fred Flindell of Baltimore, Elias Loper, and Christopher Wadsworth of Cambridge, Mass., Francis A. Houston of Concord, and Richard Beane. William Barnett of Cambridge was organist.

The bride's gown of satin and marquisette was designed with an off-the-shoulder neckline and hoop skirt with train. She wore a fingertip illusion veil and carried white sweetheart roses and delphinium with baby's-breath. All attendants wore gowns of French blue marquisette, bouffant style. The maid of honor carried wine sweetheart roses with blue delphinium and baby's-breath. The bridesmaids' bouquets contained pink sweetheart roses, baby's-breath and delphinium.

For their wedding trip to New England, the bride chose an aqua suit with white accessories. The couple will make their home at Cambridge.

Mrs. Peters is a graduate of Kent Place School, Radcliffe College and Longy School of Music, Cambridge. Mr. Peters, an alumnus of Phillips Andover Academy and Harvard University, Class of 1943, also graduated from the Longy School. He served three and one-half years as lieutenant in World War II.

On Monday of last week a supper party and kitchen shower were given for the prospective bride by Miss Stolz at her home, Spruce Lane Farm, Far Hills. Miss Harter was hostess on Wednesday at a personal shower and luncheon at the William Pitt. Following the wedding rehearsal Friday evening, Mr. and Mrs. Flindell entertained at a cocktail dinner at their home preceding a dinner at Canoe Brook Country Club given by Mr. and Mrs. Peters. On the day of the wedding Mrs. Ker. Klaren, aunt of the bride, was hostess to the bridal party and families at luncheon.

Mrs. Donald W. Clark

Jean G. Meixell And Donald Clark Have Bridal Rites

The Methodist Church was the setting Saturday afternoon for the wedding of Miss Jean G. Meixell, daughter of Mr. and Mrs. John W. Meixell of 16 Ashland road, and Donald W. Clark, son of Mr. and Mrs. Merlin J. Clark of Littleton, N.H. The candlelight service was performed by Rev. Jesse Lyons, pastor, and a reception was held in the parish house.

The bride was escorted by her father. Her attendants were Miss Patricia Gulick of 22 Valley View avenue, maid of honor, and Miss Betsy Covatt of West Rutland, Vt., and Miss Joan White of 23 Beekman road, bridesmaids. Charles Stewart of Montpelier, Vt., was best man for his brother-in-law. His uncle, Raymond Davidson of Charlton, Mass., Bernard Day of Middlebury, Vt., Pilly Gale of Montpelier, and Richard Duckworth of Newton, Vt., were the soloist and Mrs. Paul Oncley was the organist. The bride's gown was white lace over satin and she wore a satin

Joan Marie Dreger Becomes Bride Of Paul Stemen Nix, Jr., at Calvary

Calvary Episcopal Church was the setting for the wedding Saturday of Miss Joan Marie Dreger, daughter of Dr. and Mrs. Emil Edward Dreger of 23 High street,

Mrs. Paul Stemen Nix, Jr.

and Paul Stemen Nix, Jr., son of Mr. and Mrs. Paul S. Nix of Old Colebrook road, Winnet, Conn. The three o'clock ceremony was performed by Rev. Elmer F. Francis, rector. A reception at the Racquet Club, Short Hills, followed.

Given in marriage by her father, the bride had her sister, Miss Doris Anne Dreger as maid of honor. Bridesmaids were Miss Frances Deutz of 522 Springfield avenue, Miss Elizabeth Allen of 18 Colt road, Miss Janice Schultz of Kenmore, N. Y., a college classmate of the bride, and Miss Caroline Nix of Winsted, sister of the bridegroom. David E. Huyler of Franklin, N. Y., served as best man for Mr. Nix, whose ushers were Joseph Colby of Philadelphia, Pa., Howard Smith of Utica, N. Y., George Podnesny of Amityville, N. Y., and Robert Michaels of Brooklyn. Mr. Colby, Mr. Smith and Mr. Huyler have been fraternity brothers of the bridegroom at Cornell. Franklin W. Helms was at the console. The bride's gown of ivory imported lace applied on net over satin was fashioned with cap sleeves and a train. A matching lace cap held her illusion veil with orange blossoms. She carried a bouquet of eucharis lilies and stephanotis encircling an orchid. The honor attendant was gowning in

lace. The mother of the bridegroom wore blue lace and crepe. For their wedding trip to Cape Cod the bride chose a rose-gray suit with navy accessories. After July 1 Mr. and Mrs. Nix will be at home at Orange. Mrs. Nix, a graduate of Summit High School, and Mr. Nix, a graduate of Bethlehem Central High School at Delmar, are graduates of Cornell University. Mr. Nix is a member of Tau Kappa Epsilon. Mr. and Mrs. Dreger were hosts at the rehearsal dinner Friday evening at Hotel Suburban for the bridal party and families. On Saturday the bride's godmother, Mrs. Dreger's cousin, Mrs. Walter W. Gamble, entertained the wedding party at a garden luncheon at her home on Salem avenue, Elizabeth, Thursday Mrs. Walter H. Cox, Jr., of 24 High street gave a neighborhood tea and miscellaneous shower for the prospective bride.

One Game Separates Top-Bottom State Softball League

Summit Blanks Grumman, 1-0, On Jimmy Micken's 1-Hitter

C-O Two won a big game last Friday night at Washington Field when they took a 1-0 thriller from the Grumman Yankees, thus winding up the season's series at two all with the Eastern Regional Champions, and giving Summit the big edge over the balance of the clubs in the State League as none of them have played Grumman more than twice, and Jersey City has not played them at all. The best any of them can hope for with Grumman is an even split, and as the season wears on it is expected that Grumman will be much tougher to beat.

Jimmy Micken, pitched one of the best games since playing for Summit. He held Grumman to one hit, a harmless single by Slat Salantri in the third inning. Although Slat took second on his hit when he took advantage of a slow throw from the outfield and was sacrificed to third by Campana, Jimmy bore down and fanned two dangerous hitters, Tommy Long and Dan Vitale to end the threat Jimmy had when he needed it, this was shown later on in the game when in the seventh inning Pat Maratta was safe when his slow bounder to second took a bad hop and Eddie Murzinski fumbled it for an error, took second when Carmen Yanotta made a fine play on George F. Wiers hot smash down third base and throw him out, Maratta took third on Coun-douris' infield out and was left stranded when Jimmy struck out Don Burden for the final out.

C-O Two scored their lone run in the seventh inning when Jack Lawrence led off with a walk, took second on Pal Banasiak's attempted sacrifice, all hands being safe when Maratta's throw to second failed to nip Lawrence, Monk Triolo also attempted to sacrifice, but once again Grumman's strategy failed when they tried to nip the lead runner and failed. This filled the bases with none away, Tommy Long then struck out Ed Murzinski and at this point Roy Stephenson entered the game, Roy, who has been having trouble with his control this year, quicly went to two balls and no strikes on Carmen Yanotta, he then threw in a strike then another ball and finally walked Carmen on the three and one

count to force in Jack Lawrence with the winning run.

Summit demonstrated that with regulars at every position, they can hold their own with the best. In their losing streak of four straight there was one or two regulars out with injuries in each game, and the team was weakened as a result. This game was a thriller all the way and with sluggers like Fowler and Maratta in the opposing lineup the game hung on every pitch to them, but Mickens completely throttled the two sluggers, as well as the other big guns on the Grumman team.

Two Tomorrow Night

Tomorrow night at Washington field in a New Jersey State League Double Header, Summit will play Paterson in the opener, while in the nightcap Roselle Park plays Newark. All the clubs in the league are so evenly matched that anything can happen, and the league is so closely hunched that a two or three game losing streak can drop the leaders in the cellar or vice versa.

Sunday night, which was left open on the schedule will be filled in by some of the many rained out games.

Lefty Pecca, after having played right field for Summit for the last three or four years, has been switched to left field recently and last Friday night made two fine running catches, either one of which could have meant the ball game if mishandled. Emil Babulski, catching again after a three game layoff due to injured fingers, played a fine game, twice throwing out the lead runners on attempted steals in the first and fourth innings, his bullet pegs to Buzzy Fox covering second snuffed out the runner each time. With support like that, Mickens had little to worry

about, except when was Summit going to get that big run.

Newton Sends Erny to Showers; Tops Red Sox, 5-1

Summit Red Sox nine traveled to Newton on Sunday afternoon and received a 5-1 setback, their first of the season, at the hands of the Sussex County outfit. The defeated terminated a win streak of five straight. Failure to hit cost Summit the game. Ten Red Sox were stranded.

Ed Erny, Summit's starter, was jumped on for two runs in the first. Trudgeon, first batter up, singled to center. He was promptly sacrificed to second scoring shortly on Hete's single to left. The latter took second on the throw-in to the plate. Zamos then singled through "the middle" to score Hete.

In the third inning, Newton scored three times. Erny walked Hete, Zamos sacrificed him to second and Crimm drove him home with a single. Erny then gave up two consecutive hits to fill the bases. Erny then got Weiss on strikes for the second out. However, an error by Fred Swick at short, allowed the second run to cross. Erny then proceeded to walk Trudgeon with the bases loaded to force in the third run. Erny at this point proceeded to the showers with Dave Moroney going to the mound and fanning Peregrino to end the frame.

The Red Sox tallied their lone run in the sixth and Harold Ahern and Slat Bovit singled in succession. Paul and Cottrell were retired in order. Peregrino then walked Guida and Moroney to force in Summit's lone run of the game.

Summit had men on second and third with one out in the first, but could not drive them across. The Sox had two on in the third, seventh, eighth and ninth, but the big hit was missing.

Paca Edges J. K. Smit, 5-4, On Wild Pitch by Kuzmick

Pop Kuzmick, J.K. Smit hurler, help lose his own game, 5-4, against Paca Club as the two New Providence clubs battled it out in an "A" Softball League game on Soldiers Memorial Field, Tuesday night.

With the score tied at 4 all going into the bottom of the sixth, Kuzmick yielded a single to right

by Cerilli, first Paca batsman to face him. Then the Smit hurler uncorked a wild pitch that sent the runner around the bases and that proved to be the winning run.

Smit scored all its runs in the fourth when 12 batsmen stepped to the plate. Di Giovanni was the big gun for Smit in this inning, driving one to center for a home run with Cashin on base.

C-O Two Turns Back Newark In State League Here, 2-0

C-O Two climbed right back in the running for the top rung in the New Jersey State Softball League last Friday night by taking a 2-0 decision from Woops-Botnick from Newark, behind some fine clutch hurling by Jimmy Mickens who posted his second straight State League shutout. This win gave Summit a 4-4 record in the State League, and since Jersey City with a 4-3 record is leading, it can readily be seen that Summit is once again right in the thick of it. Although Mickens allowed four hits he had the necessary stuff when he needed it most, whiffing a total of 11 men, striking out the side in the fifth inning, and the last two men in each of the 6th and 7th innings.

In the second game against Auto Body from Keyport, C-O Two romped to a 9-2 win behind the one hit hurling of Ed Michalowski. Summit after breaking the tie in the 3rd inning with a single tally broke the game open with two runs in the fourth, three in the fifth and three more in the 6th. Longest blow of the game was Emil Varga's mighty home run to left center for Summit in the sixth inning. Carmen Yannotta was Summit's heavy stealer for the night, getting four hits in the two games, one a double. Monk Triola was right behind him with three hits, and a walk.

Last Sunday night at Floral Park, Grumman dropped their fifth league game of the season, losing to Jersey City's Dick Surhoff in the first game by a 6-0 count.

Summit P.A.L. Nine Stops Rahway, 11-0 For 2nd Straight

The P.A.L.'s Club of Summit scored their second victory in as many starts when they pulverized the Rahway P.A.L. at the latter's field in Rahway last Tuesday night, 11-0. Johnny Mac Daniels and Jackie Ridley split the pitching assignment and turned in a no-hit, no-run decision. Mac Daniels started and pitched the first two innings before he was relieved by Jack Ridley in the third inning. Before leaving, however, Mac Daniels struck out five opposing batters, and amassed a long triple in the second inning to start a six-run rally. In four innings of relief work Ridley was in complete control at all times. Jack struck out eight Rahwayites, and issued only 3 bases on balls. During the six inning stint neither Summit hurler allowed a ball to be hit out of the infield.

Once again George Bovit was the big gun in the Summit attack with three hits for four times at the plate. Summit scored two runs in the first inning on a walk, infield out, an error by the opposing shortstop and a single by Mac Barker. Six more runs followed in the next frame when the locals put together four hits, a base on balls, an error, and a fielder's choice. Jim Ruddy of Rahway High School fame took over the pitching for the home club at this point, and held the Summit club to three runs and three hits over the last four innings. Ruddy pitched Rahway High School into the Greater Newark Tournament in 1950.

Rahway Here Tomorrow Summit will play hosts to the same Rahway club at the Memorial Field tomorrow night. Game time will be 6:15 p.m. Either Mac Daniels or Ridley will get the pitching assignment, with the dependable George Bovit behind the plate.

Last Friday's postponed game with New Providence will be rescheduled at a later date.

Old Guard Closes Indoor Meets; Goes Outdoors

Tuesday's meeting of the Old Guard was the last of the season at the YMCA. It had two main features. One was a sound film, provided by A. G. Spaulding & Co., showing part of the 1950 World Series between the "Yanks" and the "Phillies," which the "Yanks" won in four games with remarkable playing on both sides and a record-breaking low total score.

The other was a talk by Irving Salomon, on the subject of his new book, "Retire and Be Happy." Choosing to retire in 1942 at the age of 45, he has opened up a new way of life for himself and, through his questionnaire, especially to 405 retired men, chiefly Old Guard members in eight states, he has done the same for many others. His main points on Tuesday were as follows: Don't think of retirement as idleness or mere relaxation for both are deadly, but as leisure time to do things. Take stock of yourself. Find out what you can do at a slower pace and do it.

Discussing the problem of automatic compulsory retirement at a certain age, Mr. Salomon felt that some improvements are needed; such, for example, as gradually cutting down the number of working days per week; or through a retirement board, representing management, the working level of each man considered and one or more outsiders.

But, whether retirement is compulsory or voluntary, the speaker felt that preparation should be made, habits should be studied and revised, satisfying hobbies should be found and followed and helpful service should be given to the community and otherwise. He commended the Old Guard for its activity and for the friendships it has fostered.

After considerable questioning and discussion, the "orchid" was presented by James W. Bancker. Twenty-six members of the Westfield and Plainfield chapters were special guests.

At the meeting, a report was made on two very sick members. John D. Hood, also, described briefly an Old Guard bus trip to the Idlewild Airport last week.

The summer meetings at the Field House begin on June 26 at 10:30, as usual, Roy Baker leading. With a different Old Guard leader each Tuesday, this will be followed by a box luncheon and shuffleboard: a free-for-all on one court and the summer tournament on the other.

Summit Boy's Plane Wins Detroit Trip

Larry Scarinzi, 17, of 12 Lowell avenue, was a winner of an all-expense paid trip to Detroit in August by placing second in the model plane meet held Sunday at Warinoco Park. Scarinzi won his second place honors in "open" stunt competition.

Forty model plane enthusiasts entered the contest which was sponsored by Union County Plymouth dealers and the Elizabeth Daily Journal. At Detroit he will compete with other regional winners for international awards.

Scarinzi is the son of Larry Scarinzi, proprietor of Larry's Cycle Shop on Broad street. The Sunday before last he was declared winner of both stunt and combat flying in the Essex county meet. His plane is one that he used last season and rebuilt during the winter.

Night Inspection Of Cars Planned To Ease Congestion

Relief for harassed motorists who sit for hours in line while awaiting car inspections was promised this week by State Motor Vehicle Director Martin J. Ferber in a plan to inaugurate a system of night inspections at the various inspection centers.

Mr. Ferber said the program will become effective July 1 when additional state funds become available. It is estimated that \$270,000 will be required to pay inspection station staffs for the overtime work. The new plan calls for keeping stations open until 10 p.m. Night inspections, he said, would probably be continued for a period of two years until additional stations could be built.

However, the plan for evening inspections brought moans from at least one city where an inspection center is maintained. Residents of Morristown last week protested the plan, claiming that the residential sections near the center are bothered enough during the day without adding night hours. Residents claimed that running motors of cars as they wait in line would play havoc with TV receptions, horns of irate motorists impatient at delays would awaken sleeping children and that the general confusion of lines of cars would be an annoyance.

The stations now are open from 8:30 to 5 p.m. Monday through Friday and from 8:30 to 4 p.m. Saturday. They are closed Sundays and legal holidays and on Saturdays during July and August.

Mr. Ferber pointed out that few new inspection stations have been built in the past ten years. He said that keeping the stations open until 10 o'clock at night would afford many motorists an additional five hours in which to take their cars for the required checkup.

"We are all ready to proceed if we get the money," the director declared.

"But we will have to have more inspection stations built," he emphasized, "because the people are entitled to more consideration. With the present number of inspection lanes we just can't handle the situation. So I thought we would try operating at night to relieve the congestion until we get the added stations," Mr. Ferber said.

There are approximately 400 men employed in the present station inspection staff organization and it is expected that crews would be assigned from this force to alternate on the night shifts.

The New Jersey Conference of AAA Automobile Clubs has gone on record in favor of keeping the inspection stations open twelve hours a day to accommodate the greatly increased auto registration. A copy of the resolution adopted has been sent to Director Ferber.

Alexander Patterson, president of the conference, said many people now must wait long hours in line to reach inspection, scores of whom must take off time from work or lose a whole day of wages because the stations are operating on an eight hour basis. He said that by adding four hours, staggering the hours of duty of station employees or hiring more help, immediate relief would result.

Noted Research Man Joins Staff At Ciba

The appointment of Dr. Robert Gaunt as director of endocrine research at Ciba Pharmaceutical Products, Inc., has been announced by the Ciba board of directors. Dr. Gaunt, formerly chairman of the department of zoology at Syracuse University, will assume his new duties on July 1.

The research section which Dr. Gaunt will head for the Summit company is the one concerned with experimental work on steroid hormones. Dr. Gaunt has been directing similar research, partially supported by the Summit firm, at Syracuse. Author of 70 papers for scientific journals, Dr. Gaunt is a recognized authority on the physiology of the glands of internal secretion.

Before joining Syracuse in 1946, he was an associate professor of biology at New York University. He held a Guggenheim Fellowship while at the university in 1943.

Dr. Gaunt received his undergraduate degree from the University of Tulsa in 1929 and his master's and doctor's degrees from Princeton University. In 1932 he was appointed professor of biology and chairman of that department at the College of Charleston.

A member of numerous scientific and learned societies, Dr. Gaunt was elected a Fellow in the New York Academy of Science in 1947. Since 1944, he has served as secretary of the board for the journal, "Biological Abstracts." He was a member of the council of the Association for Studies of Internal Secretion from 1944 to 1948.
