## Boro Man, 64, Found Dead In Reservoir

The body of a 64-year-old New Providence man was recovered from Canoe Brook Reservoir of Commonwealth Water Co. on Friday by two Millburn police scuba divers after more than a 2-hour search.

The drowned man was identified as Clarence D. Turley of 76 Gales drive, New Providence. Mr. Turley was an inspector for Commonwealth and was due to retire this year after 40 years' service.

The search started when an off-duty Millburn policeman discovered an unoccupied car parked on a road near the reservoir. In the car was a jacket, a gold watch, a note, and various personal papers. The penciled note, dated October 31 and apparently written by Mr. Turley, mentioned that he was in terrible pain and wanted to die.

Grappling operations were started at the reservoir about 2 p.m. by Millburn and Livingston police and firemen assisted by scuba divers of the Millburn police department and a Springfield policeman. The body was finally located by the skin divers at 4:35 p.m. and apparently had become lodged in an underwater intake pipe.

Mr. Turley was born in West Virginia and lived for several years in Summit before moving to New Providence three years ago. He had been employed by Commonwealth for 40 years.

Mr. Turley is survived by his wife, Mrs. Nora Donovan Turley; three sons, Harold, of Metuchen, James, of Mountainside, and Richard, of Elizabeth, and two grandchildren.

Funeral services were held Monday at the Paul Ippolito Summit Memorial, 7 Summit avenue, and thence to Our Lady of Peace Church, New Providence, where a high mass of requiem was celebrated. Burial was in St. Teresa's Cemetery.

## Fast-Talking Con Men Bilk Local Woman of \$60

An elderly Summit woman reported to police Monday that she had been bilked out of \$60 in a complicated film scam set up by two strange men.

The woman, Mrs. Herbert Smith of 14 Orchard street, told police she was stopped about 1 p.m. Monday in the heart of the Springfield avenue shopping district by a man who asked her if she could read and write. When Mrs. Smith replied affirmatively the man produced a note bearing an address and asked if she could direct him to the address, which he said was a rooming house. Mrs. Smith said she did not know of the address.

The man then asked her if she knew of a local bank which specialized in handling accounts for colored people. He added that he had \$3,000 in cash in his pocket and wanted to deposit it. The Summit woman advised that he transact his business at the bank she used and agreed to accompany the man to the bank.

Asks for Bank Book  
At that point another man arrived and offered his services and after hearing the story, suggested that Mrs. Smith exhibit her good faith by producing her bank book as verification that she was known at the bank. The woman explained that the bank book was at her home but agreed to get it and then accompany the men to the bank. The three then got into a car driven by one of the men and went to the Orchard street address for the bank book.

En route Mrs. Smith was asked if she had any money

with her, to which she replied that she had \$60 in her purse. One of the men then asked her to add her \$60 to the \$3,000 being carried by the other man as an expression of faith and assured her that when the deposit was made her \$60 would be returned.

As the car stopped at Mrs. Smith's home, she was advised to enter the home alone and explain to her husband why she needed her bank book and that the two men would wait for her in the car parked in front of the house.

Mrs. Smith shortly discovered the car, the two men and her \$60 gone.

A description of the men and the car was given to police.

### Altieri Acting As Own Lawyer Wins Reduction

New Providence — Edward Altieri of 468 Central Ave., representing himself, won a \$1150 reduction before the State Division of Taxation on the assessment placed on two vacant lots at 461 Central Ave. by the borough's professional appraisers and approved by the Board of Assessors. The two lots, 50 by 250, were assessed at \$4400. Assessment are at 40% of true value.

Mr. Altieri lost his case before the County Board of Taxation because, he said, he pleaded his case on devaluation of the dollar. After he lost the case, he wandered into Superior Court, since he studies law as a hobby and was interested in picking up incidental knowledge and heard a case similar to his based on comparable sales as revealed by revenue stamps.

### 'Green Thumb' Contest Set

All Jerseyans were urged to dig in now, to plant bulbs, trees and shrubs, cultivating the greenest, bloomingest Tercentenary spring New Jersey ever had.

To mark the state's 300th birthday, the business districts of every city, town and hamlet can be bursting with blossoms and greenery if the groundwork is done by the end of November. Now is the time for some careful planning and fall planting of trees, shrubs, perennials, flower boxes, hanging baskets, and potted greens in the busiest sections of every city.

A "Green Thumb" competition, the New Jersey Tercentenary Commission announced today, is being conducted by the commission's Advisory Arbor and garden committee in collaboration with the Garden Clubs of New Jersey, to encourage an all-out effort to brighten up "Main streets" for the Tercentenary next year.

Phillip Alampi, secretary of agriculture and chairman of the commission's advisory arbor and garden committee, pointed out to municipal leaders and local Tercentenary committee chairmen throughout the state the need for sprucing up for the state's 300th birthday. Mr. Alampi said, "The Tercentenary celebration creates the climate and the incentive for an extensive statewide operation green thumb. I hope that local leaders in each community will take on the responsibility of enhancing city squares, shopping centers and public buildings with the wide variety of plants and shrubs indigenous to New Jersey. By the spring of 1964, the whole state can reflect again the name it acquired from its early settlers 300 years ago. The thousands of Tercentenary tourists and World's Fair visitors who stay here or simply drive through will have a lasting and favorable impression of our beautiful 'Garden State.'"

The Green Thumb competition will be judged in four categories in each community: 1. Main streets, 2. public buildings, such as the city hall, schools and churches; 3. industrial sites, 4. home grounds.

Entry blanks with the contest particulars are available from the Tercentenary commission office, from the State Department of Agriculture, and from Rutgers Extension Service Agents. All entries must be submitted to the Tercentenary Office, State House, Trenton 25, on or before May 1.

Applications will be forwarded by the commission to local Green Thumb chairmen and their committees; they will do the preliminary judging. Names of the finalists will be sent to the Garden Club headquarters. The final judging will be done by specially-trained Garden Club landscape appraisers beginning the week of June 8.

Contests will be evaluated on a point basis: for the effectiveness of plantings—30 points; landscape design, plant materials and construction—30 points; maintenance—30 points; and for distinctiveness—10 points. A certificate of merit will be awarded to anyone scoring 85 per cent or better. Top scorer in each community will be presented with a gift certificate for the new pink "Garden State" rose.

## Visit the Schools

Education, which has been termed the eternal debt of this generation to the next, will receive official recognition here and throughout the country next week as American Education Week is noted.

Locally, Mayor David E. Truckess has issued a proclamation which states that since the problems confronting education today can be solved "only by public understanding and public action," he urges all citizens to acquaint themselves more fully with the programs and needs of education in Summit.

It is a cliché to say that education becomes increasingly more important in today's rapidly changing world, but the

plain fact of the matter is that such a statement is true.

Next week schools are open to the public. And the public, vitally interested in education in one way or another, should avail itself of the opportunity to visit the schools next week and to observe educational needs and changes here in our own hometown.

American Education Week is not something celebrated elsewhere. It is right here and now, since local education is the heart and now for the city's children.

Visit the schools. Make yourself aware of local education, which is also changing in this rapidly changing world.

## A Re-run Would Be Disastrous

Richard M. Nixon's hat may not yet be in the presidential ring but it certainly sits awfully loose on his head. In fact there are many who suspect that the former vice president is wearing a dunce's cap these days as he goes about the country making noises like a candidate.

One can only speculate as to whether Mr. Nixon is eyeing the White House but there are many reasons to suspect that he is doing just that. In fact, Mr. Nixon might think he has 34,108,546 reasons for again seeking the prize which he so narrowly missed in 1960, for there were exactly that number of Americans who voted for him at that time.

Despite his vehement disclaimers, Mr. Nixon is acting like a candidate running at full speed. Speeches, interviews, and magazine articles flow from him in an abundance too great to make one think he

is merely giving advice. His pronouncements on world affairs and domestic problems are most unusual for a man who has disavowed politics "forever." Even Senator Goldwater and Governor Rockefeller have said they consider him a candidate.

Mr. Nixon is like a man who wants to lurk in the wings, ready to dash onto the stage if he is called by a party deadlock. He no doubts dreams blissfully of those 34,108,546 voters who backed him in 1960. But does Mr. Nixon realize that a lot has happened since 1960, including especially Mr. Nixon's own sickening and incoherent 'swan song' that he made to the press shortly after bitterly accepting the fact of his defeat in his race for California governor.

Any TV re-run of that incident would quickly erase a very large number of those 34,108,546 reasons for running again.

## Finally, the Rains Came

There was no dancing in the streets of Summit last week-end but when the clouds gathered and finally began releasing moisture on Friday and Saturday not a voice was heard in objection.

The rain which fell was not adequate and the drought still remains very much with us, but at least there is a change in the weather pattern. More rains are forecast and the lengthy dry spell is considered over.

The dry spell which was broken by the gentle rains was the longest rainless October ever experienced. For 28 days, from October 4 until November 1, there was not a drop of precipitation.

Normal rainfall for October should have been about 2½ inches. Instead

there was a drizzle, barely enough to wet leaves and eliminate a fire hazard in cities as well as forests. It would take two or three days of a steady rain to properly moisten the ground and replenish reservoirs.

But at least we had some rain which was proof that the drought is not a permanent fixture and that normal conditions can prevail. Snow already has been mentioned in weather forecasts and can be expected almost any day. Snow may or may not fall in abundance here this winter, but it will elsewhere and will restore the parched earth of the eastern seaboard. However, as of this moment, we will be thankful for the drizzle which fell last week-end.

and (2) that many of them are weak in reading, and that this weakness interferes with their development in all other studies.

She is also insuring years of future enjoyment for them by bringing reading to them as a pleasure instead of a chore.

Some contemporary educational methods are becoming so "modern" that education under them seems like an assemblyline or laboratory product, to be acquired within a rigid system. Parents have found themselves discouraged from trying to help children with homework because the older generation, they are told, is unschooled in the latest teaching methods.

But schooling which imposes such barriers to sympathy, the shared joy of discovery, and the sense that learning is the very stuff of happy everyday living, needs to be helped itself before it can offer true education. Perhaps the doorsteps of New York will one day be pictured along with the porticos of Athens as places where things and the possible grandeur or human young people glimpsed the wholeness of

an Ohio jury. A Negro-owned paper in Cleveland, apparently a bit mixed up, quoted former Governor Mike DiSalle as having called a Negro woman an Uncle Tom. She denied it and Mr. DiSalle denied saying it. The judge told the all-white jury to decide whether the term was derogatory. The jury quite rightly decided that it was and awarded the woman \$32,000 in damages.

Good-by, Uncle Tom.

## LETTERS

### The Neighbor Replies

Editor, Summit Herald:  
 We refer to the open letter to us from George Wallace printed in your last week's edition.

In the interest of fair play we trust that you will print this copy of our reply to Mr. Wallace. Mr. and Mrs. Richard Paddon 65 Rotary drive

Dear Mr. Wallace,

We were saddened to learn your reaction to our endorsement of Open Housing through your open letter to us in last week's Summit Herald. In reply, we must agree with you that fear, mistrust and hysteria are corrosive forces. Indeed, they are the favorite weapons of extremists from both left and right who seek to set neighbor against neighbor. We do not think, however, that you will find these forces reflected in the statement of the Open Housing Committee. Perhaps a second glance at the Committee's ad in the October 24 edition of the Herald will reassure you as to the nature and intent of this group's point of view.

Consider first the Open Housing pledge. It reads as follows: "We believe that discrimination on the basis of race, religion or national origin is undemocratic and violates basic human rights and dignities. We therefore will act according to this conviction in accepting new neighbors." This pledge, to which you object so strongly, is just as simple and as profound as that.

Our reason for signing it was equally straightforward — the conviction that in its moderate and humane outlook there is relevance for today and promise for tomorrow.

The explanatory comment in the Committee's advertisement refers in part to open housing for all those who are "qualified by character, attitude and income." It solicits the help of all who believe in "dignity, moderation and the unique American idea of individual worth." These are key phrases that may have escaped your attention.

Like you, we wish to have neighbors who are compatible. We cannot, however, accept the Riola of Summit, and 10 grandchildren.

The funeral was held last Thursday from Paul Ippolito Summit Memorial, 7 Summit Avenue, with a mass in St. Teresa's Church.

Ralph O. Hearn

Ralph O. Hearn of 32 Shadyside avenue died October 30 at his home. He was 65.

Born at Eastport, Me., Mr. Hearn had lived in Summit for the last 26 years. He was an electrician and a member of Local 581, IBEW, Morristown. Mr. Hearn was also a past commander of Beacon Hill Post 190, VFW. During World War I, he served aboard a submarine chaser.

Mr. Hearn is survived by his wife, Mrs. Florence Wagner Hearn; two daughters, Miss Marjorie J. and Miss Virginia A., both at home, and a brother, Fred R. of Dover.

Funeral services were conducted on Saturday by Rev. Russell Gale of Calvary Episcopal Church at Burroughs and Kohr Funeral Home, 309 Springfield avenue. Burial was in Fairmount Cemetery.

Arsenio Coiro

Arsenio Coiro of 12 Russell Place died a week ago Tuesday at his home. He was 60.

Born in Italy, Mr. Coiro came to the United States 39 years ago, living in Jersey City. He moved here four years ago when he retired from the cylinder department of Air Reduction, Inc., Jersey City.

He leaves his wife, Mrs. Carolina Delisa Coiro; two sons, Joseph and Arsenio Jr., both of Summit; four daughters, Mrs. Louise Della Piazza and Mrs. Carmella Incadela of Summit, Mrs. Mary Romano of Hopatcong, and Miss Angela Coiro, at home; a brother, Anthony of Nutley, a sister, Mrs. Josephine

automatic disqualification of (and through education and our own activities) we hope to change the pattern on a voluntary basis. We hope that the majority of our residents will in time come to accept this as the only way which is compatible with our American democracy and our religious principles. Then Mr. Wallace can simply be left with his prejudices which will no longer be harmful, although we hope that he, too, will come to see the light.

In the meantime, we hope that he will read our ad more carefully and think through its meaning. He need not have become so irate at his neighbors, who should have been commended for their courage in living up to principle. I think he owes them an apology — in private if not in public.

William R. Gilson, Chairman 9 Parnley Place

Scholastic Outcasts  
 Editor, Summit Herald:

Enclosed is a copy of a letter which we have sent to the Superintendent of Schools and to members of the Board of Education. It would be appreciated if you would print this letter since we believe its contents should be a matter of concern to all who have an interest in the city's schools.

Mr. and Mrs. Frank Henschel  
 Now that your decision to move the Brayton third graders to the Junior High has gone into effect, educational conditions for the children at Brayton are much improved, but how about these Brayton orphans who have been chosen to bear the brunt of the plan? They are now the largest Brayton classes, housed in the smallest classrooms, with no helping teacher, no play equipment, and no fenced-in place to play. Many of these children have longer and more dangerous routes to school: they are not only deprived of the advantages of going to a school with other elementary - age children, but their presence at the Junior High is resented by some of the Junior High children. To

Moreover, Mr. Wallace is wrong on another count as well. He would appear to be unwilling to let his neighbors sell to whom they please. This happens to be a right they have, and Mr. Wallace cannot impose his prejudices and personal wishes on them or anyone else, fortunately.

The Open Housing Committee of Summit, New Providence and Berkeley Heights feels strongly that its pledge is the best way to end the discrimination in housing opportunities which exists in our area. By this means

make their isolation complete, other children at Brayton no longer welcome them but try to prevent them from using the equipment of the Brayton playground during after-school hours and on Saturdays. They have only makeshift library arrangements and none of the library instruction which was considered so important for other elementary children. They and their teachers must put up with the distractions of the Junior High program and must spend valuable school time dressing for out-of-doors and walking, if they are to have any of the advantages of library or Brayton assemblies.

In addition to all of this, some of the same children were the ones to bear the brunt of the crowded conditions two years ago when both first and second grade children were housed in one classroom under one teacher at Brayton. Now under these circumstances can it be unreasonable for these third grade parents to ask for assurance that these same children will not be the ones who are shunted off to the Junior High again next year? We think not.

Nor do we think it unreasonable to ask for a helping teacher, which these classes should have had even if they had remained at Brayton. Some play equipment and a safe place to play also seem to be necessary if these children are to be kept safe and out of trouble.

As for next year, the possibilities for a much greater problem than this year seem many, and we can only hope that you

Editor, Summit Herald:  
**MISUSE OF FEDERAL FUNDS**  
I was pleased to learn from  
your October 31 lead article that  
a new park is planned for the  
area. The Union County  
Park system is a great service  
to each of us in this area.

I am disappointed, however,  
that an area as wealthy as this,  
already possessing a superior

park system, has applied for  
federal funds from the Housing  
and Home Finance Agency of  
the Federal Urban Renewal Ad-  
ministration. I am sure that the  
agency is faced with far more  
urgent requests from "blighted"  
areas. One only needs to look  
south from the New Jersey  
Turnpike approaching the Hol-  
land Tunnel to see opportunities  
for better use of "Urban Re-  
newal" funds.

We can not besiege govern-  
ment with requests of this na-  
ture and at the same time ask  
that government spending and  
influence be reduced. Or, are we  
really just "exercising our tax-  
payers rights" without consid-  
ering the implications of our ac-  
tions?

At the present time, authori-  
zation of funds for the Passaic  
Park by the Urban Renewal  
Administration would be a mis-  
use of federal funds.

In Moscow as bureau chief and  
scored many impressive  
"firsts", including an exclusive  
report on the Albanian-Soviet  
rift; the first indication of a  
Soviet-manned orbital flight;  
and a two-week news tour of  
Mongolia and Siberia.

In 1962 the Overseas Press  
Club of America bestowed an  
award on him for "best radio  
reporting from abroad, for his  
stories from Moscow." He has  
written two books based on his  
experience in the Soviet Union:  
"Eastern Exposure", a portrait

of the Russian People and their  
way of life; and "Dragon in the  
Kremlin", an analysis of the  
opposing forces at work in the  
Soviet-Sino partnership. Prior  
to joining CBS News in 1957,  
Mr. Kalb had the opportunity to  
study Soviet attitudes from  
within the diplomatic area hav-  
ing served in the U.S. Embassy  
in the Russian capital for sev-  
eral years.

A native New Yorker and  
graduate of C.C.N.Y., where he  
specialized in Russian history,  
Mr. Kalb was awarded a schol-  
arship to Harvard, where he  
earned a Master's degree spec-  
ializing in the "Regional Pro-  
gram on the Soviet Union." Later,  
he studied at Middle-

School, following which, he  
earned a news fellowship to  
further his Russian studies at  
Columbia University.

## Mayor Lifts

(Continued from Page 1)

drought has kept the flow below  
that level except for fleeting pe-  
riods. He said the basic reason  
for this limitation on diversion  
is the water rights of the com-  
munities down stream from this  
area.

In addition to the Passaic, the  
company also pumps water  
from Canoe Brook into its res-  
ervoir system and operates well  
fields from which it obtains  
about 15 million gallons per day.  
There has also been purchased  
water from other systems — the  
City of Newark and Elizabeth-  
town Water Company — at the  
maximum available from them.

Coleman attributed this year's  
emergency directly to the early  
arrival and severity of the  
drought which prevented the  
company from filling its reser-  
voirs in the spring and, further,  
raised water demand to record  
levels — a situation that per-  
sisted as late as last week. He

added that the company's treat-  
ment and distribution capacity  
has been ample.

At the same time Mr. Cole-  
man reassured customers that  
even if this year's record  
drought were to be duplicated  
1964, a possibility almost be-  
yond comprehension, the com-  
pany has underway, and sched-  
uled for completion in January,  
an expansion program that will  
enable it to fill its reservoirs  
well ahead of even an early  
drought period. He emphasized  
that this expansion is part of  
a longrange plan based on an  
engineering survey made in  
1955 — and not a program dic-  
tated by the current emergen-  
cy.

In discussing his company's  
expansion program, Mr. Cole-  
man said installation of a new  
intake and additional pumps by  
January will double the capacity  
after its diversion from the Pas-  
saic of from 40 to 80 million  
gallons per day.

"This doubled pumping rate  
will permit us to fill our three  
reservoirs before the end of  
March and eliminate the possi-  
bility of a recurrence of this  
year's experience," said Mr.  
Coleman.

Besides Summit, communities  
served by Commonwealth in-  
clude Irvington, Maplewood,  
Millburn, Springfield, New Pro-  
vidence, Berkeley Heights, Pas-  
saic Township and Chatham  
Township.

**\$53.50 down our drain, not yours.**

You see, every time we install one of the Esso  
MAGIC-GRID heat boosters (pictured above) we  
figure on losing an average of \$53.50 a season  
in heating oil business.

Because the Esso MAGIC-GRID makes oil  
burn hotter and more completely, you use less  
oil—10%, 20%, 30%, even 40% less oil.

In actual home tests it averages out that oil  
bills are cut \$53.50 a year per customer.

That's \$53.50 we lose . . . unless you look at  
it this way:

If we can provide you with premium quality  
Esso Heating Oil at regular price—

And offer Esso "Watchdog" Service to guard  
your family's heating comfort 24 hours a day,  
every day—

And if we can continue to develop new ways  
(like the Esso MAGIC-GRID heat booster) to  
make modern oil heat even more economical—

Then you're going to stay with oil . . . and with  
us . . . for a mighty long spell. And we're willing  
to sacrifice an average of \$53.50 a year, per  
customer, to keep it that way.

Under the circumstances, wouldn't you be

The first production of the 46th season of the Playhouse Association will be "First Love". ## Boro Church To Climax Fund Drive Sunday

A ten week stewardship program emphasizing the proposed program of the congregation and church for 1964 will be climaxed on Sunday, at Faith Lutheran Church, Murray Hill.

At services scheduled for 9:15 and 11 a.m., members of the congregation will place pledges of "time, talent and treasure" for 1964 on the altar. Rev. Russell E. Swanson, minister of the congregation, will conduct the Covenant Pledging. The Service completes a ten week educational program which has included attendance of the congregation at 12 separate cottage meetings.

At the services, Mr. Swanson

will preach on the theme for this year's every member commitment program, "A Growing Faith." The immediate financial goal of the congregation's pledge is to attain a proposed budget of approximately \$59,000.

As a prelude to the services, members of the congregation will participate in a 14 hour prayer-vigil beginning at 6 p.m. on Saturday, and continuing through Sunday, at 8 a.m. The church will be open and specially lighted and prepared at these hours for meditation by the membership. An unbroke chain of prayer is being sought for the 14 hour period. Milton Wald of Murray Hill is in charge of the prayer vigil.

**CITY'S NEWEST BUILDING**—St. John's Lutheran Church officially opened its new building on Sunday with two special services presided over by Rev. Willis S. Hinman, Ph.D., minister of the church, and Rev. Edwin H. Knudsen, D.D., LL.D., president of the New Jersey Synod of the Lutheran Church of America. Ground breaking ceremonies were held on September 16, 1962, and a year later on September 15, the cornerstone was laid. The brick building is of contemporary design and includes the church proper, a fellowship hall and an educational wing. The former church was located at the corner of DeForest Avenue and Beechwood road. (Wolin Photo)

**Over 400 at City's Halloween Party**

An estimated crowd of over 400 persons attended the annual Halloween party held Halloween night at Memorial Field.

Due to the restriction on outdoor fires, the Board of Recreation was unable to light its traditional bonfire. However, there were many who participated in the costume judging contest and novelty events. Debbie Voetsch and Karen Nelson received awards for the most original costumes, while Jeannie Naiman was a unanimous choice as the cutest. Bob Siedler was selected as the funniest, and Mike O'Mahoney copped the prize for the ugliest costume.

Silver dollars were awarded to winners in all events held. Cider and doughnuts were served during the record hop which concluded the program.

**YMCA Chosen As In-Service Training Site**

The YMCA was notified this week that it had been selected as an in-service training center for the World Service Fellowship Visitation program.

Josiah Nsubuga Musoke of Kampala, Uganda, will arrive in Summit next week from East Africa, to begin a five-month training experience in American YMCA methods and procedures. He will be in Summit until after the New Year, and will be a fraternal member of the local staff during that period. Immediately responsible for Mr. Musoke's work will be Allan R. Devenney, general secretary of the YMCA here.

Mr. Devenney said that the local Y is "especially pleased" with Mr. Musoke's visitation because of its special interest in Uganda. The Y's World Service committee, under the chairmanship of George B. Martin, has been designating funds raised from its members and friends directly to the establishment of the YMCA movement in that country for the last two years.

Mr. Musoke, who is 30 years old, is the first national of his country to enter the professional service of the YMCA. Previously he was a Ugandan government employee. Mr. Musoke has served as president of the Naguru YMCA Club, president of the First National Young Men's Assembly, delegate to the All-Africa Christian Youth Assembly, and Africa YMCA conference. Upon his return to Uganda, he will be the Kampala YMCA membership and business secretary.

Purpose of the International Visitation Fellowship program is to bring key YMCA secretaries and laymen from Africa, Asia, Europe, and South America to the U.S. and Canada, not only to interpret the work of their own YMCA's, but also to

## Retiring? Get more "life" out of your life savings!

When you retire, you are faced with the problem of providing an adequate income during the remaining years of your life.

You could invest your capital in "safe" securities and live off the interest. But you may be forced to dip into capital to supplement the interest these securities provide.

This brings up another, more pressing problem. How do you make sure that you will not outlive your capital?

If you invest in a Manufacturers Life Annuity, you can use your capital safely to increase the income you receive. These annuities scientifically use both capital and interest to provide worry-free income as long as you live. If you are 65 when you buy your annuity, your annual income could be as high as 9.2% of the amount you invest.

Annuities are available in many forms. The Man from Manufacturers can explain the advantage of each—and help you choose one to fit your needs. Call him today.

Members of the Business and Professional Women's Club have started a sale of Christmas and all-purpose wrapping paper and ribbon. Funds received will be used for the club's annual scholarship program.

The local branch was organized in 1955 and during its first year of operation, it gave one scholarship and since that time has given two scholarships each year to graduates of Summit High School to further education in their chosen field, either in college, business school or in a nursing school.

Persons wishing to make inquiry as to the purchase of paper or ribbon may call either Mrs. Helen Pegg at 464-9539, Miss Irene Penn, 273-1499 or Mrs. Hannah Rauscher at CR 3-7776.

### Box yourself in.

The Volkswagen Station Wagon looks like a box because it's built like a box. It lets you store the most possible stuff in the least possible space.

(The fact is, the VW carries more than the biggest regular wagons, even though it's 4 feet shorter.)

The VW's floor plan looks like any nice little room, except it has 8 chairs, 21 windows, 5 doors and a high ceiling. You can't see the engine because it's in the back, out of the way.

If you aren't curious, you may never see the engine. It rarely uses oil between changes. And it's air-cooled, so there's no water or antifreeze.)

But the real fun comes when you climb into the box and get behind the wheel. Ahead of you, there's nothing but view; it's head and shoulders above other cars.

Behind you, there's nothing but space. It looks a mile long, but it's really only 9 inches longer than the Volkswagen Sedan.

So you can park it like the Sedan. And like the Sedan, you get a lot of extras (fresh-air heater/defroster, 4-speed stick shift, etc.) at no extra cost.

Volkswagen's put everything they could think of into it.

So will you.

### Boro Group to Hold Parley on Race, Religion

"Religion and the Interracial Problem in the Local Community" will be the theme for an inter-faith meeting in the Hillview School, Central avenue, Murray Hill, on Sunday at 8 p.m.

The Rev. Gerard J. Murphy, S. J., professor of sociology at St. Peter's College, Jersey City, will be principal speaker. A brief statement will be given by Rabbi Morrison D. Bial of Temple Sinai. A statement will also be given by a Jewish and Protestant clergyman of that area.

The meeting has been arranged by an inter-faith committee representing the Roman Catholic, Jewish and Protestant groups of New Providence and Berkeley Heights. Acting chairman of the inter-faith committee is Rev. Richard A. Bryan. Every clergyman of the churches and synagogues whose parishes are in, or include New Providence and Berkeley Heights, are invited to form a panel for raising and discussing questions following the presentation.

Father Murphy received his B.A. and M.A. degrees from Woodstock College, Woodstock, Md. His graduate studies for his doctorate were made at the University of Pennsylvania and the University of Paris. He is vice-president of the New Jersey Committee against Discrimination in Housing and has taken part in many forms to organize local open housing committees in North Jersey communities. He is a member of Jersey City's Civil Rights Commission on Human Dignity, and for six years was on the staff of St. Peter's Institute of Industrial Relations. He is a pioneer in the Cana and Pre-Cana Conferences.

## Summit High Stops Madison, Jilleba For 7,500 Fans

By Jim Ellowitz  
Summit—Things could change during the next couple of weeks, but right now the Thanksgiving Day battle between undefeated Summit High School and neighboring Chatham shapes up as a clash to decide the 1963 Suburban Conference football champion.

Following Summit's tremendously exciting 13-0 defeat of previously unbeaten Madison High before 7,500 fans at Tatlock Field last Saturday, the Hilltoppers and Chatham boast the only perfect records in Suburban Conference play.

Summit has won three games, while Chatham is 2-0. The Eskimos will have a chance to tie the Hilltoppers for the lead on Saturday when they take on Caldwell's Chiefs, while Summit is playing a non-conference game here with Roselle Park at 2 p.m.

Chatham is favored to whip Caldwell, which was upset by Cedar Grove last Saturday, but faces the unenviable task of whipping Madison if it is to invade Tatlock Field unbeaten in conference play on Turkey Day.

And make no mistake about it, this is a very good Madison team. Summit will attest to that, after having had to battle all the way to down an aroused band of Dodgers who put Summit's veteran defense to its sternest test of the season.

Playing a ball-control game, Madison dominated a scoreless first half and was more than holding its own until a fumble recovery by Tom Lang gave Summit the break it needed. Taking over on their own 43, the Hilltoppers scored in two plays. John Mallory romped 57 yards down the right sideline, leaving five Madison defenders in his wake.

Trailing 7-0, Madison gambled on passes. The move backfired when Sid Rhines picked off a Dick Herbst pass on the Summit 20-yard line and streaked 80 yards for the decisive touchdown.

Rhines' interception was reminiscent of last season's upset of Millburn, when Sid snatched a Miller pass and ran for the clinching touchdown in the fourth period.

The victory represented a degree of revenge for the Mallory, Rhines, Grube and Sprow families. Four years ago, the brothers of four of this year's standouts played with a Summit team that lost one game—to Madison.

It also boosted Summit's already lofty statewide ranking

and provided a big push toward the North Jersey, Section 2, Group 3 championship.

With a normal seating capacity of under 4,000, Tatlock Field was bulging at the seams with spectators who endured bitter cold and a strong possibility of rain. It was a great turnout and could have been a factor in inspiring the Hilltoppers to play a great game.

In defeating Madison, the Summit team successfully coped with the state's leading scorer, Pete Jilleba. As one Hilltopper put it: "In Madison, they call him 'Super Jet,' well, we proved that that is simply science fiction."

The Hilltopper secondary, composed of Rhines, Mallory and Brent Cromwell, played an integral part in making sure that neither Jilleba nor any other Madison player made a very large gain.

As one Summit lineman commented: "It's like having three cats back there." These three players surely pounced on Madison.

All three have great speed and great hands. This may be due to the fact that Mallory, Rhines and Cromwell also star in basketball and track. Their pass defense was spectacular, allowing only three completions in 17 attempts.

They also alertly rushed up to give the linemen and linebackers needed help in putting the damper on Madison running plays.

The defensive line and linebackers played an excellent game. Led by Bill Horne, they consistently held the Madison team to little or no gains. This was an especially difficult job because they did it without the aid of Jim Grube, who had the flu and saw only limited action.

The crowning achievement of the line came in the second period. Madison had the ball on the Hilltopper nine-yard line. Jilleba, who has averaged over five yards per carry and over six touchdowns per game, took the ball. He was piled up on the six. He took the ball again. He was piled up on the three. Jilleba carried the ball for the third time. He was piled up on the one.

Madison called time out. In the ensuing conference, they decided to do what they had done in clutch plays before. Jilleba took the ball and charged into the center of the Summit line looking for just one yard. He did not get one inch, and the ball went over to Summit.

Linemen Bob Smith, Charlie Wright, Horne and Dick McIntyre, along with linebackers Tom Lang, Fred Sprow, Bob and Bruce Adams, deserve a great deal of credit for their exceptionally good line play on defense.

In the first quarter, the Hilltoppers kicked off. As the Dodgers tried to get going, Jilleba was hit hard and fumbled to John Martini. However, the Maroon and White could only move the ball as far as the 25-yard line.

No other serious scoring threat was made except for Madison's push to the Summit one, until Jilleba missed a field goal as the first half ended.

Summit received the second half kickoff and was forced to punt to Madison. Jilleba and Company seemed to be moving the ball when Bob Gero fumbled the ball and Lang grabbed the opportunity by falling on the ball.

After one play, Mallory converted the break into a touchdown. In a good fake to the left, Jim Royer neatly handed off to Mallory on a trap play.

John saw daylight to the outside and sped toward the right sideline. As he turned the corner, five Madison players began closing in from various angles, but none could catch the fleet Summit senior. Grube kicked a perfect extra point.

As Madison fell behind, Herbst began to fill the air with footballs in a futile attempt to get the touchdown back. He was completely stopped by the Hilltopper defense, headed by secondary men Cromwell, Mallory and Rhines.

Sid made the most spectacular play of the game as Herbst angled a pass into the right flat. Rhines, playing his position perfectly, caught the ball and sped down the sideline for the touchdown. That ended the scoring for the day.

## Highlanders Blanked By Clark Regional

Berkeley Heights — Governor Livingston Regional High School's football team today is faced with the unpleasant prospect of a winless season.

Battered 26-0 by a powerful Clark Regional High eleven last Saturday for their sixth consecutive loss, the Highlanders have only three more chances to avoid a non-winning season.

And the possibility of Governor Livingston being able to handle the likes of Metuchen, South Plainfield and Cedar Grove, is not too bright.

The Highlanders' three remaining opponents all are enjoying fine seasons. They have a combined record of 12-1, which compares with Governor Livingston's lack-lustre 0-6 mark.

Fourth place as John Hunt came up with a big 209 and 560 series. Joe Kawan's 589, high in the league for the night, was wasted for Merchant's.

Al Gast still holds No. 1 position in the averages, but is now only 13 pins ahead of Bill Behre — 186.19 to 186.1, followed by Sedgie Phillips with 184.21.

After nine nights of bowling, only five bowlers have hit 600 or better, with individual and team averages very much behind last year's.

After the victory gave Clark the unofficial Union County Regional High School-District football championship. The Crusaders previously had beaten Springfield Regional, while Springfield had beaten Governor Livingston in the season opener.

Saturday's game with Metuchen will close out the Highlanders' home season.

The two scores gave Jubanowsky a total of nine goals for the season, second only to Edison Tech's Frank O'Donnell among Union County Conference players. The county's top scorer is Summit's Wolfgang Knipp, who has 18 goals. Summit, however, is not a UCC entry.

The loss and tie left Coach Russ Hunchak's Highlanders with a disappointing 4-7-2 record with a game with Union High still to go. That contest was slated last Monday in Union, with the Farmers needing a victory to qualify for the State Tournament.

The Highlanders battled Westfield on even terms in a hard-fought contest, but a second-period goal by Ed Thorne gave the Blue Devils their seventh win in their first season. Westfield also has lost three games and tied three.

Jubanowsky's two goals gave Governor Livingston a 2-0 lead in the second period. The winless Blue Raiders, however, scored in the third period and tied the score in the final period when Harvey Brandt, Highlander goalie, slipped in the mud and the ball got past him into the nets.

Stirling—The Spartan P. P. Company extended its lead to four full games in the Stirling A.A. Bowling League by winning twice from the second-place Dorci team.

The pacesetters also gained ground on third place—Stirling Department Store, which bowed twice to the Mihal Builders. Stirling Hardware moved into fourth place with a sweep of Sora's Esso.

Stirling Hotel also gained ground, evening its season record at 12-12 with a sweep of Homestead Rollers. The Millington Fire Company and Hotel Suburban won two games from Goss Printing Company and Archie's Resale, respectively.

Stirling Hardware took scoring honors with a 1,036 game and a 2,970 series; R. Sepe, 235; W. Doyle, 233; F. DeFilippis, 208; S. Mihal, 206; R. Downey and J. Heintz, 203; E. Falesco and L. Del Paoli, 202, and J. Esoldi, 200.

Murray Hill Mailmen Lead  
Murray Hill Post Office holds first place in the Tri-County Post Office Bowling League by one-half game over Union No. 2, Short Hills No. 2 and No. 3 are tied for third place, with Summit No. 1 in fifth place.

High scores: Rocco Bonavita, 527; Joe DeFranco, 515; Ben Marcellano, 550; Paul DeSilva, 526; John Ratigan, 507; Del Swartz, 514; Robert Rureup, 509, and Charlie Pizzuti, 509, all for Summit teams.

# Knipp Shooting For Goal Mark

Summit—With two vital Suburban Conference games this week and at least one State Tournament game still to play, Wolfgang "Wolfie" Knipp, Summit High's talented soccer star has a fine chance of breaking Frank Brita's school scoring record.

Knipp booted four goals in one game for the second time this season as the Hilltoppers routed Cedar Grove last week, 5-0, to keep alive their hopes for the Suburban Conference title.

Earlier Summit had nipped Verona's defending conference champions, 1-0, putting a halt to a hex the Hillbillies have enjoyed over the Hilltoppers in recent seasons.

Knipp's four goals gave him a total of 18 for the season, which represents 75 per cent of Summit's total of 24 in 13 games this year. It also is three more than "Wolfie" scored last season and four more than Brita scored during the regular season. Brita added nine goals in State Tournament play. "Wolfie" needs five more

goals to tie Brita's record. The Hilltoppers of Elmer Haldenwang hope he gets them this week in vital Suburban Conference games with Caldwell here last Tuesday and in Madison this afternoon. Summit needs victories in both games to stay in contention for the conference title.

Bob Holberton booted in a goal from 20 yards out with two minutes to play to give Summit its victory over Verona. The Hillbillies had won an earlier meeting, 2-1.

Knipp, who had scored four goals against Governor Livingston Regional High of Berkeley Heights in the season opener, duplicated the feat against Cedar Grove. Jeff Cain and Ricardo Presas scored Summit's other goals. The Hilltoppers ran up a 5-0 lead at halftime and coasted to victory.

The victories left Summit with an 8-3-2 record and assured the Hilltoppers of a berth in next week's State Tournament play. The Hilltoppers won the Group 3 tournament two years ago and were the runnersup last season.

## Three-Way Tie For Loop Lead

The race in the Tuesday Mixed Nite Owls Bowling League tightens. There is a three-way tie for first place.

Malpere's Restaurant won three games, led by Charles Malpere's 201-225-180-606 "honor roll" series, Shirley Houck's, 211-190-566 series, and Howie Taylor's 195-190-563 series.

Oak Tree Florist won two games from R. O. Cammarota Agency, leaving both tied for first place with Malpere's.

Evans Lunch and Home Insulation both won three games and moved into a tie for fourth place.

Other high series were: Al Piano, 575; Dave Patkowski, 559; Paul Centamore, 555; Nick Bezuhly, 553; Bob Vanning, 552; and Len Calaway, 541.

The "200" bowlers were Bob Vanning, 225; Al Piano, 210-214; Dave Patkowski, 212; Peggy Kuch, 222; Paul Centamore, 205; Nick Bezuhly, 201; John Koenig, 200; Len Calaway, 200, and Russ Schmidt, 200.

## Tie, Defeat Wreck Pioneer Tourney Bid

By Neal Sherman

New Providence—New Providence High School's soccer team spent a frustrating week last week, with a tie with Millburn and a 2-1 loss to Madison spoiling the Pioneers' bid for a berth in next week's State Tournament.

The tie and loss left the Pioneers with a 6-5-3 record, a shade less than the 60 per cent victories needed to qualify for tournament play.

The tie with Millburn was particularly frustrating, with the Millers gaining a tie on a last-minute goal. The Pioneers had taken a 1-0 lead in the first quarter when Rick Severson headed in Joe Smith's long out-of-bounds kick.

The Pioneers put up a strong defense and attacked enough to barely miss scoring on several occasions. But Millburn tied the score when a halfback took a corner kick and booted it into the nets from 15 yards out.

## Pioneers' 'Streak' Stopped

Madison's scoring star, Joe Testa, put the Dodgers in front early with a long, soft boot into the upper right corner of the New Providence nets. Madison scored again early in the second half on a long boot which barely made it under the crossbar.

The Pioneers dominated play thereafter, but were able to score only once—in the last quarter. New Providence got its scoring chance when Madison's goalie stepped outside the penalty circle with the ball. The free kick was indirect but Severson's quick thinking led to a goal.

Madison drew all of its defenders except the goalie away from the goal mouth. Severson had Smith kick the ball along the ground straight towards the goal, and then dashed across to kick the ball away from the goalie.

Doug Nichols booted the ball in. Nichols scored an apparent goal later, but it was nullified by a pushing penalty.

Nichols leads the Pioneers in scoring with five goals. Smith and Larry Rovelsstad have tied four apiece, while Severson has accounted for three. Smith has been credited with three assists, while Severson and Rovelsstad have two apiece.

New Providence closed out its season last Monday afternoon at Verona. The Hillbillies are leading the Suburban Conference, but needed a win over the Pioneers to stay on top.

The Pioneer Junior Varsity defeated Millburn, 2-0, and Madison, 2-1. Bobby Smith and Gerry Alba scored against Millburn, while Pete DiParisi and Gene Schaeffer tallied against Madison.

## Buonopane's Passing Gives Oratory Hope

Summit—When your football team has lost 23 straight games, you grasp at any available straw.

And that's what followers of Oratory School's fortunes are doing today as the team prepares for Sunday's game with a powerful Immaculate Conception High School eleven in Montclair.

The Rams bowed to Mater Dei High School's first-year team, 15-12, last Saturday in Middletown, but in the final period Oratory showed a passing combination that might produce enough offensive punch to end the team's victory drought.

With Oratory trailing 15-0 in the fourth period, Ed Buonopane hit Ed Doyle with 35 and 30-yard touchdowns passes to bring the Rams within three points of a tie. Time ran out before Oratory could muster another threat.

Immaculate hardly figures to be the opponent Oratory will use to end its prolonged losing streak. The Montclair eleven was undefeated until last Saturday when it ran afoul of Verona and will be on the rebound. That doesn't augur well for Oratory.

Summit—The 1963-64 basketball program sponsored by the Summit Board of Recreation will get under way on Saturday, November 30, for boys in grades four through nine.

There will be three leagues in operation. The Minor League (Grades 4 and 5) will be conducted at Washington School for students at Washington, Lincoln, Roosevelt and Jefferson schools and at Franklin School for Franklin, Braxton and Wilson schools. Pupils at St. Teresa's and private schools report to the gym in their area.

The Major League (Grades 6 and 7) will operate at Edison Recreation Center. Both of these leagues will conduct sessions from 9 to 11 a.m.

The Intermediate League (Grades 8 and 9) will operate at Edison Recreation Center from 12 noon to 2 p.m.

The program will include five

weeks of clinics (a boy must attend three of the five clinics to be eligible to play in the league) before the season opens on January 4.

The deadline for registering for the program is Thursday, November 28. Information and registration forms will be distributed throughout the school system. Registration forms, should be mailed or returned to Edison Recreation Center, 100 Morris Ave., or the Board of Recreation Office, Memorial Field.

The Pioneer Junior Varsity defeated Millburn, 2-0, and Madison, 2-1. Bobby Smith and Gerry Alba scored against Millburn, while Pete DiParisi and Gene Schaeffer tallied against Madison.

## Summit Swimmers Barely Avert Upset

Summit—The Summit YMCA Girls Swim Team opened its 1963-64 YMCA League season with a surprisingly close 104-102 victory over the Ridgewood YMCA at the Summit pool.

Coach Frank Elm has divided the powerful Summit team into two units—the Blue team and the White team. This plan is designed to give everyone a chance to swim in dual meets and create more interest in the meets for the Summit girls and their rivals by making the competition closer.

Coach Elm and Lou Choquette, however, underestimated the strength of the Ridgewood squad, which led until the final event. With Summit trailing 102-97 going into the 15-17 years medley relay, the pool was a bedlam of cheering and screaming.

The Summit quartet of Mimi Hayes, Sue Pitt, Joanne Greim and Sally Current saved the day by winning a close race.

Three Summit girls won two events. Sally Current took the 15-17 years 100-yard freestyle and 200-yard individual medley; Sally Guthrie took the 11-12 years 50-yard backstroke and butterfly races, while Ruth Dudley, in the 10 years and under class, took the 25-yard butterfly and tied for first in the 25-yard freestyle.

Other Summit winners were 8 years and under freestyle, Debbie Renz; 10 and under backstroke, Ginger Duffy; 10 and under breaststroke, Alexis Zatzuk; 13-14 backstroke, Joan Hackett; 13-14 butterfly, Joanne Greim; 15-17 butterfly, Sue Pitt, and 15-17 backstroke, Mimi Hayes. Summit's Ann Cox won the diving event.

Ridgewood showed surprising strength in the medley relays, winning three in a row before Summit won the meet by taking the final event. The victory preserved Summit's four-year winning streak.

On Saturday at 2 p.m., Summit's White team will host Montclair, which finished in second place last season.

## Mario's Leads At St. Teresa's

Summit—Mario's Landscaping held on to first place in the St. Teresa's Bowling League by whipping runnerup Ray Niede Decorator twice. Mario's now leads by two full games.

Benedict Beauty Studio, A. Corradi and Son and Ram Electric were two-game winners over Charles Fish Market. Summit Hill Florist and Pete's Sandwich Shop, respectively.

High scores: R. Ferraro, 523; R. Niede, 199, 502; B. Smith, 201, 502; Fred Reutter, 227, 573; J. Tyrone, 512; V. Vitale, 506; Jim Corradi, 206, 566; Hank Barletta, 203, 523; A. Pizzi, 503; Tom Balsamo 213, 544; A. Hocely, 535, and B. Rickley, 527.

## Plaza Bowlers Sweep, Take League Lead

Summit—With a 2,423 team series, Plaza Paint and Hardware posted a three-game sweep against Plaza Lanes in the Plaza Suburbanites Bowling League. Marilyn McDonald, rolled a 519 series and Mary Lou Koestle a 514 series for the winners.

Richland Co. was knocked out of first position, with Trost's Bake Shop making a clean sweep.

D. & N. Deadstock, Paint Market Inc., and Patsy Palelli Painters won two games each from Miss Nellie, Klip 'n Kurl and West Summit Garage, respectively.

Frances Marcelliano had a 510 series and Eleanor Dennis rolled a 506 set.

Other high scores included: Eleanor Dennis, 223; Frances Marcelliano, 195; Marilyn McDonald, 181, 173, 519; Mary Lou Koestler, 188, 514; Marion Donio, 209; Betty Engel, 187; Clara Carlone, 185; Gertrude McGee, 185; Helen Bascom, 182; Ginger Anthony, 180; Ruth Peterson, 180; Mary Jane Gnoese, 172; Mary Coombs, 172; Catherine O'Neill, 170, and Peggy Andrews, 170.

## Blue Hills 2nd In G & D League

Berkeley Heights—Blue Hills Beauty Shoppe moved into second place in the Guys and Dolls Sunday Mixed Bowling League at Berkeley Recreation by beating Berkeley Recreation for all four points, while Lucky Five, last week's second place team, was losing three points to Hill City Delicatessen.

In other matches, league-leading William Pitt of Chatham won three points from Stashluk Heating and Plumbing; Handicappers beat Pine Tree Inn for all four points, and Lord Stirling Inn applied the whitewash treatment to Meta & Edwards Beauty Salon.

Carol Mueller led the female bowlers with a 191 game. Grace Mitch rolled a 177 game.

Joe Spautz bowled the high series, 539, with games of 210 and 205. The high individual single game was rolled by Harry Jenkins, who hit 217.

Susquehanna Student Janice E. Putz, daughter of Mrs. M. E. Putz of 38 Templar Way, recently enrolled at Susquehanna University, Selingsgrove, Pa. She is a 1962 graduate of Summit High School, and attended the University of Michigan for one year.

Mrs. Robert Nycum, co-chairman of the Santaland toy shop, reports that more toys would be welcome for this area. Donations will be picked up at anyone's home or may be left at the YWCA.

who was the lone county GOP casualty. The top Democratic vote for Assembly went to Mrs. Hughes who tallied 1,809, and who retained her seat at the State House.

The highest Republican vote for Freeholder, 6,039, was taken by Edward H. Tiller. He was followed locally by Walter E. Ulrich with 6,000 and Harry V. Osborne, Jr., 5,961. The Democrat to receive the highest Freeholder vote locally was Walter J. Mitchell who captured 1,666 votes.

Mary C. Kanane soundly defeated incumbent Surrogate Eugene J. Kirk, 6,021 to 1,643, and Joseph P. Durkin turned back Democratic incumbent James J. Delaney for Register, 5,490 to 1,321.

The heavy turnout at the polls was attributed to the vast interest in Gov. Hughes bond proposal which Summit and the County went on record as opposing during the weeks leading up to the election. Ideal weather was another factor that brought out the unexpected heavy turnout.

Attendance at City Hall on Election Night was less than usual. Returns began to trickle in about 9:30 p.m., with the final district reporting at 9:35 p.m. The delay was attributed in part to the huge job of tabulating the six public questions.

Police reported no disorders and the City Clerk's office said polling in all districts was orderly.

On the county level the lone GOP casualty was Henry P. Wester of Mountainside who failed in his bid for an Assembly berth.

In winning County reelection as State Senator, Mr. Stamler beat his Democratic opponent, Mr. McGowan 83,658 to 78,599. Last year Mr. Stamler won a one-year term to the office when he defeated H. Roy Wheeler 96,171 to 88,941.

On the Assembly level, Mr. LaCorie led the GOP ticket with 88,066. He was followed

structured on the site of the present outdoor garages behind the hotel and parking area, and the pool and patio between the existing garages and the rear of the present building. The new living quarters would be connected with the main building by a walk which would also lead to the proposed pool.

Target date for completion of this phase in the hotel's expansion plan is May of next year. Mr. Stone said the new hotel units would be of modern design and two stories high. The entire outside area would be landscaped and additional full grown trees would be planted.

Architects for both the hotel and renovation and the expanded outdoor facilities are Lynch and Bailey of Fort Lee.

bara", the teacher on the television program, "Romper Room", would make an appearance at the store on Wednesday 13th of November from 3 p.m. to 5 p.m.

One of the most popular programs for pre-school children, "Romper Room's" key aim is to acquaint children with the atmosphere of a classroom while they are still too young to attend school.

Miss Barbara stresses working with other youngsters and participating in classroom activities among the children on the program, and also encourages children at home to follow the activities as they are performed on the screen. In this way, children

at home not only "belong" to the "Romper Room" classroom, but they also learn the methods and manners of the school.
