DIRECTORIES AND REFERENCE MEDIA STANDARDS OF PRACTICE

ADOPTED BY THE DIRECTORY AND REFERENCE
MEDIA DEPARTMENTAL OF THE ASSOCIATED
ADVERTISING CLUBS OF THE WORLD

The publisher of a Directory or Reference Medium should dedicate his best efforts to the cause of business uplift and social service, and to this end should pledge himself:

1. To consider, first, the interests of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all Departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under such headings as best describe it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what directories and reference media contain; to study public needs and make directories and reference media to supply them; to revise and standardize methods and classifications so that what is wanted may be most easily found, and the directory and reference media be made to serve their fullest use as business and social reference books and directories of buyer to seller and seller to his market.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publication.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers as well as on the number of copies circulated.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of directories and reference media in public service and then to strive in every legitimate way to promote that function.

The difference between

Reference and

Creative media

is their direction

The seller's efforts to stimulate demand is well carried by outgoing, extensive, display media, but—

he should remember that initiative rests with the buyer, and when the hunt for the goods begins, creative media which may have built up the demand, are at a disadvantage.

It is the difference between coming and going.

The creative advertising is going after the prospect, to make him want to buy, but when you have him coming, reference media should be used to connect the demand with the local supply. Every effort should be made to direct the demand to the goods advertised, at the point where they may be seen.

It is here that reference media, directories, find their logical place in the cycle of the sale.

BUYERS' DIRECTORY

It's Practical Uses

To give permanence to paid-for publicity.

To detail more fully the products and service of industrial, commercial, financial and professional activities.

To form a quality background by the better use of type and paper.

To create a department of those in each community whose stability has built the foundation upon which progress has been attained. (The length of this advertising service automatically eliminates investments for space by those who question their ability to continue business activity.)

To safeguard the buyer by eliminating statements that mislead, or do not conform to business integrity.

We are Specialists in Furniture Fumigation in our New Demolishing Vault

SAFE!

In our Storage Warehouse Your Household Goods are Safe

FOR YEARS and years, scientists have worked on the problem of a safe reliable way of eliminating moths which are deeply embedded in rugs, upholstered furniture, etc.

Finally, after thousands and thousands of tests, this process has been developed to a commercial success in the form of the *Plymetl Furniture Fumigation Vault*. We are now able to offer this reliable service to you. In a matter of a few hours, we can destroy all stages of moth life, without the necessity of disturbing the upholstering in any way whatsoever.

The results are absolutely certain, and there is not the slightest danger of damage to the finest fabric or finishes.

We will be pleased to have you call and inspect our equipment.

THE Knowledge of "where
to buy" is as important as
where to sell goods.

Reference Advertising

HE who buys space in the City Directory buys advertising permanency. Every day thousands of business men all over the country search its classified sections to find where nationally advertised goods may be purchased. City Directory ("Reference") Advertising is the completing girder in the bridge between dealer and consumer, and should be part of all national and local campaigns.

THE PRICE & LEE COMPANY
PUBLISHERS OF DIRECTORIES
OF OVER SEVENTY CITIES AND TOWNS

The Mortality of Advertising

The waste basket is the grave of millions of dollars worth of advertising every year. Keep your advertising out of the waste basket by using mediums that are not thrown away. The City Directory is on the job 365 days in the year and no level headed man will think of the waste basket and the City Directory at the same time.

The Price & Lee Company

DIRECTORIES AND REFERENCE MEDIA STANDARDS OF PRACTICE

ADOPTED BY THE DIRECTORY AND REFERENCE
MEDIA DEPARTMENT OF THE ASSOCIATED
ADVERTISING CLUBS OF THE WORLD

The publisher of a Directory or Reference Medium should dedicate his best efforts to the cause of business uplift and social service, and to this end should pledge himself:

1. To consider, first, the interests of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all Departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under such headings as best describe it, and treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what directories and reference media contain; to study public needs and make directories and reference media to supply them; to revise and standardize methods and classifications so that what is wanted may be most easily found and the directory and reference media be made to serve their fullest use as business and social reference books and directories of buyer to seller and seller to his market.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publication.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers as well as on the number of copies circulated.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. *To determine what is the highest and largest function of directories and reference media in public service and then to strive in every legitimate way to promote that function.*

🍃 HAVE YOU A 🍃
MESSAGE FOR MEN?

LET the CITY DIRECTORY carry it home
Enlighten the public as to who you are,
where you are and what you have to sell.
The City Directory will keep your name before
the public all the year 'round. Our copy writers
will animate your advertising. And no man well
supplied with mental gravity will differ from this:
Perpetual Publicity Plus Personality Produces
Patronage.

EXPLANATORY NOTES

The streets are arranged alphabetically with their descriptions, each description followed by numerical arrangement of householders, places of business and street intersections. (Arranged in alphabetical order where no numbers have been assigned.)

The abbreviation "r." between the street number and the name signifies "rear."

The word vacant after a number signifies that the house, store or office at that number was torn down when canvass was made.

Donates householders and places of business having telephones.

(Right even)" after street description indicates even numbers on right side of street.

The City Directory

Does not compete with any other advertising medium, but supplements and complements all other forms of mercantile publicity.

Intelligent Directory Advertising describes desirable merchandise attractively and directs you to the door of the man who has it for sale.

**IT PAYS TO BE PROMINENTLY
DISPLAYED**

To let people know **WHO** you are,
WHERE you are and **WHAT** you have
to sell. The **DIRECTORY** is a Buyer's
and Seller's Guide on the job 365 days in
the year.

ARE YOU IN RIGHT?

Directory Advertising Is Good Advertising

It keeps your name and business before all the people all the time. A City Directory is on the job 24 hours a day, 365 days a year. It gives you persistent, consistent publicity at a very low cost. Advertising rates upon request.

NUTLEY NUMERICAL DIRECTORY

EXPLANATORY NOTES

The streets are arranged alphabetically with their descriptions, each description followed by a numerical arrangement of householders, places of business and street intersections. (Arranged by rotation where no numbers have been assigned.)

The abbreviation r between the street number and the name signifies "rear."

The word "vacant" after a number signifies that the house, store or office at that number was vacant when canvass was made.

*Denotes householders and places of business having telephones.

"(Right even)" after street description indicates even numbers on right side of street.
