HISTORY

Belleville is located outside of Newark, between it and Paterson; ten miles from New York City, surrounded by other beautiful towns such as Bloomfield and Nutley and is bounded on its eastern side by the Passaic River. It is partly industrial and residential; being fortunate in having many sites still left for desirable industry to locate. The residential sections are of high type and are protected by a zone ordinance.

WORLD WIDE TRAVEL SERVICE

For more than half a century, the American Automobile Association has been providing specialized service to its members and has been working for the benefit of all motorists. More than 800 affiliated motor clubs and branches serve over 8,200,000 AAA members in the United States, Canada, Hawaii, Panama, Puerto Rico, and the Philippine Islands. Through overseas offices and affiliations with foreign auto clubs, the AAA looks after its members overseas.

A motorist joins his local AAA club in order to avail himself of the many benefits which would be impossible to obtain otherwise. The coast to coast network of AAA service garages enables the member to call for help, day or night. Over 22,000 garages have contracted with AAA Clubs to answer all calls regardless of time and weather, including nights, Sundays and holidays.

BELLEVILLE NUMERICAL DIRECTORY

EXPLANATORY NOTES

The streets are arranged alphabetically with their descriptions, each description followed by a numerical arrangement of householders, places of business and street intersections. (Arranged by rotation where no numbers have been assigned.)

The abbreviation r between the street number and the name signifies "rear."

The word "vacant" after a number signifies that the house, office or store at that number was vacant when the canvass was made.

△ Indicates telephone at this number.

"Right even" after street description indicates even numbers on right side of street.

The symbol ⊙ preceding a householder's name indicates that information has been secured during the canvass that the house is owned by some member of the family, but as the publishers cannot and do not guarantee the correctness of the information furnished, nor the complete absence of mistakes, no responsibility for errors can be or is assumed, nor can the publishers furnish further information than that shown.

“WHAT YOU SHOULD KNOW ABOUT YOUR TOWN”

“The Helpful kind of patriotism is the kind that grows out of a knowledge of one’s town, of her growth, her people, her property, her government and her needs. This knowledge develops first, an intelligent interest; then, a sympathy; then a reasonable affection, a wise and temperate jealousy for her good name and a wish that she may prosper and grow beautiful; and finally, a desire to help her to become greater and finer, a bright and clean workshop and a home for the best of men and women.”—John Cotton Dana.
