It is partly industrial and residential; being fortunate in having many sites still left for desirable industry to locate. The residential sections are of high type and are protected by a zone ordinance.

By the passage of Chapter 384, Laws of 1948, The District Court of the Essex County Judicial District became The Essex County District Court.

All claims arising from motor vehicle accidents where the claim does not exceed \$3,000.00.

The court has exclusive jurisdiction to hear and try suits between a landlord and the tenant. The court is also empowered by statute to sit as an appellate court on appeals emanating from the decisions of the Rent Control Agency and Appeals Board.

The Essex County District Court is located at 41 13th Avenue, Newark, New Jersey, in the Hall of Records. The court has a Presiding Judge and three associate judges.

The Clerk of the Court is the chief ministerial officer of the Court and all employees of the Court are subject to his control, after appointment by the Presiding Judge. All fees, payable to the Clerk of the Court, are paid over to the County Treasurer monthly.

BELLEVILLE

NUMERICAL DIRECTORY

EXPLANATORY NOTES

The streets are arranged alphabetically with their descriptions, each description followed by a numerical arrangement of householders, places of business and street intersections. (Arranged by rotation where no numbers have been assigned.)

The abbreviation r between the street number and the name signifies "rear."

The word "vacant" after a number signifies that the house, office or store at that number was vacant when the canvass was made.

"Right even" after street description indicates even numbers on right side of street.

The symbol □ following a householder's name indicates that information has been secured during the canvass that the house is owned by some member of the family, but as the publisher's cannot and do not guarantee the correctness of the information furnished, nor the complete absence of mistakes, no responsibility for errors can be or is assumed, nor can the publishers furnish further information than that shown.

Please Note the Zip Code for the Town of Belleville is 07109

"WHAT YOU SHOULD KNOW ABOUT YOUR TOWN"

"The Helpful kind of patriotism is the kind that grows out of a knowledge of one's town, of her growth, her people, her property, her government and her needs. This knowledge develops first, an intelligent interest; then, a sympathy; then, a reasonable affection, a wise and temperate jealousy for her good name and a wish that she may prosper and grow beautiful; and finally, a desire to help her to become greater and finer, a bright and clean workshop and a home for the best of men and women."—John Cotton Dana.

Reference Advertising

Advertising—that is perpetual in mediums that have a permanent value.

Advertising—that protects and supplements all other forms of advertising that create desire.

Advertising—that directs the buyer when the need is imperative after the desire has been created.

Advertising—that by its permanence establishes confidence and stability.

Advertising—by which tomorrow's success is built on today's action.

The Mortality of Advertising

The waste basket is the grave of millions of dollars worth of advertising every year. Keep your advertising out of the waste basket by using mediums that are not thrown away. The City Directory is on the job 365 days in the year and no level headed man will think of the waste basket and the City Directory at the same time

The Price & Lee Company

**Every line of BUSINESS
calls for
INTELLIGENT ADVERTISING**

**Eve-catching Advertising caters to
a chance trade, whose eyes are
wandering.**

**Businesslike Advertising puts its dis-
play where it will be seen by those
Looking for the message it bears.**

IF YOU WANT TO KNOW

**The meaning of a word, Where Do
You Look? In the Dictionary.**

**Who sells what you want to buy,
IN THE DIRECTORY.**

**A directory is On The Job 365 Days
in the year, and he who looks there-
in does so because he**

WANTS SOMETHING.
