## Jersey City Bus Change Is Aired By Board

### Fusselle Reports That Additional Buses Will Give Belleville Better Service To Veterans' Square

The Town Commission Wednesday decided to investigate further the route of the Nutley Veterans Square Co. to add more buses and its route through Kearny to the Turnpike instead of going the Belleville Turnpike.

Some time ago Belleville agreed to the additional buses and its route. Inspector, Frank Fusselle, reported that the new route would add six minutes to the time from Belleville to Jersey City.

Fusselle reported that three minutes longer time would be needed, the additional buses would give a half-hour instead of half-hour in Belleville.

It is understood the matter will be before the Public Utility Commission soon.

When Corporation Counsel John B. Brown reported that the town is not liable for cost of cleaning a sewer lateral from the curb line to the main sewer in Union avenue. Commissioner Frank J. Carragher said this is "the first time" the town has not paid such a bill. Some time ago a house owner in Union avenue submitted a bill to the town for about \$85 for the work, saying the town should pay it. Brown ruled that the stoppage apparently came from the house and therefore the town is not liable. The matter was tabled for further discussion.

A request from the Master Plumbers' Association that the license fee be reduced from \$25 to \$5 was laid over for further consideration. There are about sixty-five licensed plumbers in Belleville, the association said, pointing out that fees in surrounding towns range from no fee to \$15.

## READY FOR WEMEC SHOW TONIGHT

Pictured above are, front row, Mrs. Harry Hosking, assistant coach, and Miss Elizabeth Tempest, who is coaching the club's play for the third year. Back row, Kathryn Eskholme, Dorothy Patton, Dorothy Wadsworth and Alice Mathews. Other members of the cast are: Vail Ryan, Charles Gebhardt, John Carluh, Horace Baldwin, Allan Crisp and Jack Robertson.

"Adam and Eva" is the third annual production of the WEMEC Dramatic Club of Wesley M. E. Church.

Every member of the club is watching closely the sale of tickets as it is hoped that a capacity house of 1,000 will witness the entertainment. Last night over 900 tickets had been sold.

Whatever the condition of the weather may be, the club is urging all who do not have reserved seats to come early to secure good seats. Doors will open at 7:30.

## Townpeople Give Dinner As Testimonial To Grid Team

Belleville played host to its football team in a testimonial dinner Saturday night at the Elks' Club, which was attended by more than 400 of the town's citizens and former Senator Joseph Frelinghuysen, Rupert Mills, Paul Kennedy, former athletic coach and the loyalty of the squad itself for the fine showing made in its first appearance in Class A competition.

George Gerard, school superintendent, presented each player with a sweater and also awarded letters to those who had qualified.

Coach Steel was loud in his praise of the performance of the football eleven, which was the best that ever represented the suburban school. Only a few members of the team will graduate and a fine nucleus will be made for next season's team.

It was hinted that Belleville for the first time would be represented on the track during the coming indoor season and Coach Steel expected to issue a call for candidates soon in order to prepare for the various meets to be held within the next two months. A relay team will undoubtedly be entered in the Sunday Call meet to be held at the armory, March 2.

## Consistory Makes Final Plans For Dinner Tonight

The consistory of the Belleville Reformed Church met Tuesday night in chapel to plan for the congregational meeting tonight, when there will be nomination and election of elders and deacons. A dinner will be served. Dr. F. H. Potter of Newark, secretary of the Board of Foreign Missions of the Reformed Church, will speak and there will be a social.

The dinner committee consists of E. C. Reock and Paul D. Robinson, Frank Parsons, J. M. Zink and G. Trimmer are the program committee. Walter Price is in charge of the music.

## Army Order Places Scheer At Head of Artillery Outfit

Charles H. E. Scheer, director of economic research for Henry L. Dougherty & Co. of 60 Wall street, New York, whose home is at 221 Greylock Parkway, received Tuesday a military order placing him in command of the 502d Regiment of Coast Artillery, U. S. Army Reserve.

On Monday of last week an army order was issued promoting him from major to lieutenant colonel. The colonel in 1917 joined the service as a private and when discharged after the war was a captain. He was subsequently promoted to major in the Reserve Corps.

## Fined

Hitting the cook at his boarding house cost Thomas Neuson, colored, of 22 Lake street, Silver Lake section of Belleville, \$10 when he was arraigned before Recorder George A. Fitzsimmons Friday night. The cook, Mrs. Ida Bethia, colored, of 12 Alva street, Belleville, preferred the disorderly conduct complaint.

## MOSQUITO HUMS ITS WAY TO RECORDER'S COURT

Despite the fact that the temperature was hovering low yesterday, a mosquito was found flying around the recorder's room at Belleville Police headquarters. Recorder George A. Fitzsimmons ended its life after the squito alighted on his neck while he was engaged making out a man-slaughter charge.

## Plans Furthered For Sea Scouts

### Meeting Held Tuesday at Tuscarora Canoe Headquarters

Boy Scout executives and members of the Tuscarora Canoe Club discussed at the latter's club house Tuesday organization of a sea scout troop to be sponsored by the canoe club. Plans were made for sea scout meetings at the club house Monday nights and organization about February 1.

Present were A. A. Buckley, president of the Belleville Boy Scout Council; Harvey Maden, assistant executive of the Newark Council; Charles Knowles, scoutmaster, and a sea scout executive from New York, besides a Tuscarora committee.

## Tuscies Arrange For Turkey Banquet

### Twenty-third Annual Affair to be Held at Club House

The twenty-third annual turkey banquet of the Tuscarora Canoe Club will be held February 2 in the assembly hall of the club. The hall will seat seventy-five at tables and was made by etaring out a partition between two rooms. Entertainment and speakers are planned.

The committee in charge is composed of officers of the club: George Nagel, commodore; Jules Brandmaier, vice commodore; Clifford Zelliff, treasurer, and Alfred Lang, secretary.

## Belleville A. A. Holds Election of Governors

The Belleville A. A. Wednesday night elected the following to the Board of Governors: George R. Gerard, Stephen Weir, Jay Kroesen and Frank Siegler.

Plans were discussed for future athletic activities. Fred Flohn will assume managerial reins of the basketball squad, with games each Thursday night at the High School.

## HOSTESS TO BRIDGE CLUB

Mrs. Thomas Dacre of DeWitt avenue was hostess on Thursday evening to the Octet Bridge Club. High scores were made by Mrs. Henry McRoberts and Miss Frances Wilson. This week the club was entertained by Mrs. William Herb of DeWitt avenue.

## Card Party

Good Will Council, Loyal Ladies of the Royal Arcanum, will hold a card party in the Royal Arcanum Home, 137 Broadway, Newark, on the evening of January 21. A short business meeting will be followed by the public card party. All card games will be played.

The committee in charge comprise the officers: Regent, Mrs. Horace B. Winship; past regent, Mrs. Anna Jauss; vice regent, Mrs. William Liebau; orator, Mrs. Florence Ferrel; treasurer, Mrs. Maria Cosgrove; secretary, Mrs. Edith Burk; trustee, Mrs. May Drake; chaplain, Miss Charlotte Drake; guide, Mrs. Lulu Black; organist, Mrs. Florentine Fishbeck. The card party will start promptly at 8:30.

## Daly Association Finishes Home

### Soho Organization Has Constructed Club by Hard Work

Members of the John J. Daly Association of the Soho section of Belleville will complete over the week-end the alteration and renovation of their new club house at 85 Harrison street. Members have followed their own trades in doing the work during the last month.

The club house is part of the Thomas Fitzgerald estate and was occupied by that family thirty years. (Continued on page 8.)

## About 100 Attend Bible Meeting

Almost 100 representatives of the Everyman's Bible Class made the trip to Montclair last Sunday morning to visit the class of Montclair First M. E. Church. The Mosaic Orchestra accompanied the local group.

Next Sunday morning O. R. Ebel will deliver a talk on a topic of unusual interest and a large attendance is looked for.

The generals of the Red and Blue armies are spurring their men on in an effort to excel in attendance. The class holds its meetings in Wesley M. E. Church on Washington avenue at Academy street at 9:30 Sunday mornings.

Send a "Cheer-up" card to that sick friend. Buy it at The Guildhall Gift Shop, 328 Washington Avenue, next to Dr. Irwin. Open evenings. —adv.

## Citizens' Committee To Assist Scouts

### Drive Will Be Made In Belleville for \$3,000.

About fifty townspeople decided Wednesday night in the Town Hall to assist the scout committee in Boy Scout affairs in town.

It is planned to have a drive to raise \$3,000, Belleville's quota in the Newark-Belleville-Irvington Council. The funds are needed for administrative work and maintaining the scout camp.

Albert Pellatin, scout executive of Passaic, gave a general talk on scouting.

The drive will be held in connection with Boy Scout Week, February 8 to 15.

## Randall D. Warden Talks on Athletics

### Delivers Talk Before P.-T. A. at Meeting in High School

Randall D. Warden, director of physical training in Newark schools, addressed the Parent-Teacher Association of Belleville last night at the High School.

"From time to time the question of gymnasiums in the grade schools, additional use of school grounds and an extended program of athletics among grammar school children has been discussed by our members," read a letter to members announcing the meeting. Mr. Warden's talk dealt with valuable information as to the benefits derived from properly directed athletics.

The advisability of recesses for lower grades and of serving milk during sessions were subjects of discussion.

Miss Jean Tallman, a Belleville High School student, gave violin selections.

## To Give Talk on Work by Tolstoi

Wednesday evening at 8 o'clock John R. Topping will render another reading, Tolstoi's immortal, "The Shoemaker's Vision," at a meeting of the Three B's of Wesley M. E. Church.

## Mrs. Rose Waters Dies-- Mother of Comm. Waters

### Born In Ireland, Mrs. Waters Had Lived In Belleville for More Than Two Score Years.

Mrs. Rose Waters of 26 Bayard street, mother of Town Commissioner Patrick A. Waters and the late John H. Waters, who was Mayor for eleven years, died at St. James's Hospital Friday night after ten days' illness.

Born in Ireland, Mrs. Waters lived in Belleville fifty-five years. Her husband died thirty years ago. Her son, John, died four years ago Monday. She was a member of the Rosary Society of St. Peter's Church, Belleville.

She leaves three sons, Commissioner Waters, James L. and Hugh Waters of the Bayard street address, two daughters, Mrs. Stephen Sullivan of 17 Tremont avenue, East Orange, and Mrs. George DeMunter of 77 Smallwood avenue, Belleville, and a sister, Mrs. Catherine Flanagan of York, Pa.

Funeral services were conducted at the home Tuesday morning at 8:30 o'clock. A high mass of requiem was offered at 9 o'clock at St. Peter's Church. Burial was in the church cemetery.

It is recalled the late Mayor John H. Waters, a son, was one of Belleville's best liked men. He assisted all who sought his help to an extent that his own health gave way under the strain. Whenever coal famines occurred the late Mayor personally supervised delivery of coal free to needy families.

Mrs. Waters and her daughters and sons were an unusually devoted family. "Nothing is too good for mother" might be termed the thought that made the Waters home life ideal. The mother in turn showed unbounded love for her children.

By those intimate with the family, it has been said it was one of the ideal Belleville families.

## Catskill Mountain Evangelist To Hold Three-Week Revival

### T. LeRoy Muir Scheduled at Grace Baptist Church from February 3 Until February 24.

Evangelist T. LeRoy Muir, the Catskill Mountain evangelist, is to conduct a three-week revival campaign in Grace Baptist Church, beginning February 3 and closing February 24. Meetings are to be held every night with the exception of Monday at 7:45 o'clock.

Evangelist Muir is a graduate of Hamilton College, and has been engaged in extensive evangelistic work for twelve years. He is the editor of Evangelistic News, a T. LeRoy Muir publication, and is the founder of the Storm King Bible Conference. He is also the founder of an organization for young people, The King's Guards. Many of his converts are now in the ministry. An outstanding trophy of his evangelistic labors is Donald Ward, a pioneer missionary in Arabia.

"Mr. Muir is not an ordinary evangelist. He stirs whole communities to the depths. His enunciation is perfect, his vocabulary is most extensive, his power over young people is rarely found in any evangelist. He preaches without fear or favor and often times people leave his first meetings with anger because of Mr. Muir's scathing criticism of sin. But they always come back for more and usually his worst enemies become his staunchest friends and supporters," says Rev. Harold W. Nelson, pastor.

Mr. Muir has no mercy on worldly, careless and sinning Christians. He so denounces sin and so portrays Christ as Saviour that many turn from sin to righteousness. These special meetings are open to people of all denominations.

## St. Peter's Dramatic Club Opens Social Season Tonight

The social activities of the St. Peter's Dramatic Club will be pried off tonight when their initial endeavor of the 1929 season will take place in the auditorium in the form of a card party.

The committee in charge of the social events of this organization have mapped out a program which will keep their club in the limelight throughout the year, and it is expected that their first endeavor of the year will be a success, both financially and socially.

Euchre, pinocle, bridge and whist tables will be in play, as well as prizes for non-players. The committee in charge consists of Gretta Kinneally, Dolly Ryder, James Kinneally and Thomas O'Neill.

Rehearsals are being held weekly for the coming production, "Some Doings," to be presented on February 7 and 8. Emele Chartrand is in charge, assisted by Mrs. George Longergan and James Leonard. A committee of fourteen has been appointed by the president, Richard Flanagan, to arrange all details, and at their initial meeting held last week the card party was the result of their efforts, to be followed with other socials, including the production next month. John Westlake was appointed general chairman, Dorothy Salmo secretary, and James Kinneally treasurer. Others on the committee consist of Gretta Kinneally, Caroline Hannon, Agnes Dacey, Dolly Ryder, Frances Larkin, Agnes Jordan, James Clark, Tommy O'Neill, William Brady, Leo Hood, James Leonard, James Kinneally, William McGonigle and Gordon Boswell.

## A SCOT'S VIEW OF HOCKEY

A Scotchman who is visiting Belleville was taken to see a hockey game. After watching the remarkable display of the goaltenders in blocking shots he asked:

"Do those fellows in front of those nets get good pay?" "O, I should say they each draw down about \$250 per week." "Well," admitted the Scot, "they certainly do a good job, but would it be more e-con-om-ical to board up the spaces?"

FOR HEAT

# USE GAS

## for COMFORT and CONVENIENCE

IF YOU seek for comfort and convenience in your home, use Gas! Clean, safe and convenient, it puts heat at your instant command, each hour of the day and night.

And modern gas appliances give you super service.

The modern range, with automatic temperature control, takes the guess work from cooking and makes the preparation of meals a pleasure;

The modern water heater provides hot water when, and in the quantity you want it;

The modern house heater solves the house heating problem—no dirt, no dust, no labor and perfect control of temperature;

The modern gas refrigerator gives you sanitary refrigeration without effort;

The modern space heater makes heat available at all seasons and where you most want it;

The modern laundry apparatus makes Blue Monday bright;

The modern incinerator solves the problem of household waste disposal;

And there are many more!

Gas and electricity, in proportion to the service that they render and the comfort they provide, are the most economical items in the household budget.

## Mrs. Rose Waters

Belleville has lost in Mrs. Rose Waters, mother of Commissioner Patrick A. Waters, one of its most lovable residents. No word could fill the gap that her death has left in one of our ideal families. The News can simply extend its condolence to those who are left to moan one so dear.

## POLITICS AND SCHOOLS

POLITICS and school systems do not mix. Belleville in this respect is no exception to the general rule.

Whatever else may be involved, it has been said politics appear under the surface in Belleville school affairs today. It is hinted the schools may become the proverbial political football of the town.

All this talk is a perplexing problem to most of the good people of town, who only look to the schools as a place in which to educate children.

If adverse developments come from this, taxpayers of the town have no one to blame but themselves. They hold a means of eliminating such things. Many a politician has ridden a horse to political oblivion over a precipice by dabbling his political wand into school affairs.

To use the youth of our town in any manner other than the mental, moral and physical improvement of that youth, as the future builders of the town and country, is a misdemeanor punishable only by the pangs of remorse any politician feels when the heavy hand of public sentiment relentlessly smites him.

In Belleville there are over 5,000 public school children and at least 2,000 parents who want politics to have no part in the public school system. Good sound schooling is what Belleville has always offered under the capable and guiding judgment of a schoolmaster, who has studied school affairs and not politics. His record among schoolmasters of the state is held in high esteem. If there is an intention to slay him politically after a life given to educating Belleville children it would incur the wrath of all who have grown up under him, and make no mistake on that score. Loyalty to children, loyalty to school, loyalty to its leaders and loyalty of heart is born in most of us—thank God.

## WOMEN AND EATING

MARY GARDEN, down to 120 pounds, advocate of one heavy meal a day for all who are not laborers, says that American women eat too much. We do not know whether they do or not, but we suspect that some of them do and that some of them do not. And the same thing might be said about American men.

Every little while some one rises to announce that Americans eat much more than they did twenty-five years ago or that they eat much less. If there were any statistics available, we imagine that they would prove that the average amount of food consumed daily does not vary enough from year to year to make any generalization about it mean anything.

## ANOTHER AIR EPIC

NOW that it is all over, the endurance battle between the plane Question Mark and her five doughty mariners must be regarded as one of the most thrilling exploits in aviation history which is being written so rapidly these days. It lacks the lustre of the Lindbergh and other great flights for the element of the unknown and possible disaster was largely missing, but in all other respects it takes first rank.

Nearly 151 hours in the air, this splendid machine and no less splendid men "fought" it out to see which could last the longest. The men won as was to be expected for they did have some rest, while the motors never stopped. The marvel is not that there finally was engine trouble but that it was delayed so long. The strain on these racing motors is tremendous. Try racing your own car day after day without stop.

The flight of the Question Mark was not a stunt. It had real scientific value. It has proved that a heavier than air machine can remain practically indefinitely aloft and that refueling among the clouds is feasible. It is another long step forward to the day when a plane will circle the globe without alighting even once.

## A NEW GAME

HOCKEY and soccer have been popular for several seasons. It is about time that we had a new game to talk about. Will it be volata? This is the new sport that is rousing tremendous enthusiasm in Rome. Descriptions are somewhat vague but volata appears to be a combination of soccer and basketball, with the tackling of American football added. It apparently has speed and the combativeness that spectators want to see. It is hard to popularize a new game but volata may be listed as one of the likely prospects.

## POLITICALLY SPEAKING

Often the person who complains the most about the treatment he receives from the newspapers is the one who makes the greatest demand upon them for publicity and has the reputation of being a "publicity hound."

Are the people of the United States becoming "air minded?" Los Angeles evidently is at any rate. There the beautification of flat top roofs of industrial plants, hotels, office buildings and even homes is being urged. To make a city appear attractive to travelers by air it is being urged that a touch of beauty be added to all the roofs in the community.

## 30,000 BOY SCOUTS TO PARTICIPATE IN GREAT INTERNATIONAL JAMBOREE

Greatest Encampment of Boys Mobilized in History of World to Pitch Tents Near Liverpool

As a tribute to General Sir Robert S. S. Balden-Powell and in celebration of the twenty-first anniversary of the founding of the Boy Scout Movement, 30,000 Boy Scouts, representing forty-three nations will encamp at Birkenhead, across the Mersey from Liverpool, England, from July 31 until August 14, 1929. One thousand Boy Scouts of America, representing every portion of the United States, will take part in the International Jamboree.

Although the actual length of the International Jamboree Encampment will be fifteen days, due to the fact that Scouts will be visiting in Europe from all parts of the world, there will be Boy Scouts traveling on educational tours through Europe during the entire duration of the school vacation period.

### No Competition

Instead of competitive games which were a part of all previous International Jamborees, the Jamboree this year will take the form of a world-wide camp or series of camps in which Scouts from each of the countries represented will carry on camping activities as they do in their own countries. It will be the greatest peace-time encampment of boys in the history of the world and the purpose of the Jamboree is to increase the feeling of brotherhood between the Boy Scouts of many nations.

### Tribute

The International Jamboree will also take the form of a tribute to Sir Robert Baden S. S. Powell, Chief Scout of the world, who twenty-one years ago crystallized his studies of years and his Scouting experiences at Mafeking and organized the first Troop of Boy Scouts in the world. There are now nearly 2,000,000 Boy Scouts and Scout leaders affiliated through the International Bureau.

Somewhat less than half of this number are Boy Scouts of America, there being at present 600,000 boys and more than 200,000 leaders enrolled in this country. These Scouts all subscribe in common, to the tenets of the Scout Oath and the Scout Law. The Boy Scout Movement share with the Red Cross the quality of being a great world-wide program and with it, one of the only four service organizations chartered by Congress.

## Citizen Cites

The worst kind of person is the unkind kind.

Criticism is as easy as art is difficult.

Love, fire and a bad cough are three things that can't be hidden.

Men put in most of their time talking about themselves, while women devote theirs to talking about each other.

So live that when you pass there will remain monuments to your memory in men's hearts.

Those who want something for nothing can always accept gratuitous advice.

Even when a man is subject to fits you can't always prove it by his fallor.

Fame comes through the success of a successful press agent.

Silence gives consent but not with the silent witness who refuses to speak.

It is less painful to learn in youth than to be ignorant in age.

About the only thing left in this world that can be shocked is grain.

### OLDER AND WISER

"Yesterday we heard a man arguing furiously.

"He was wrong in his contentions.

"But we held our peace.

"Why didn't we show him he was wrong?"

"It's because we are older than we used to be.

"The older we become, the more we wonder what good it does to convince a wrong man that he is wrong.

"Let fools argue until they collapse.

"What does it profit a man to prove that another man is wrong?"

There was no modern delicatessen store like Hass' here in Belleville, either, but then they didn't know the difference. I'm not telling a lie when I tell you that everyone in Belleville seems to patronize this place. There must be a reason.

Bright Future Seen  
In Title Business

Morrison C. Colyer, president, Fidelity Union Title and Mortgage Guaranty Company of Newark, reviews the title and mortgage loan business during the past year, and predicts further improvement for 1929. In part he says:

"The title business for the year 1928 has shown a constantly increasing appreciation on the part of the general public of the necessity for title insurance on real estate, and there has also been seen during the year a greater discrimination on the part of the purchasers of property and those loaning money on mortgages thereon, as to the reputation and financial strength of the companies issuing the insurance.

"The mortgage business during the year 1928, in common with all others, has felt the effect of the increasing scarcity of money. The large sums of money which in easy times would ordinarily flow into mortgage loans has been slowly withdrawn from the mortgage field. Today it is only the companies with a record of consistently sound mortgage operations that can attract investment money in large amounts, and this has resulted in what might be termed a condition of tight money in the New Jersey mortgage loan field. The condition here, however, is on a sound basis. Building conditions are becoming stabilized and with the rapid growth of the State as a residential center and the establishment of new industries here, conditions will improve still more. It is especially gratifying to note the work now being done by the commission to revise the mechanics' lien law. The present law has been found to be completely out of tune with existing conditions and it is confidently expected that at the coming session of the legislature a new law will be enacted that will meet with the approval of the builders, those supplying material and labor, and the loaning companies.

"Despite the fact that money is tight, funds have been and are available for responsible people to carry out necessary building projects. New Jersey is facing a period of astounding expansion due to its geographical situation as a great water gateway to the world trade, located midway between the two centers of New York and Philadelphia.

"Notwithstanding the shortage of money, there has been no increase, so far at least as the company of which I have the honor to be the president is concerned, in the cost to the borrower in obtaining a loan.

"It is a source of great gratification to know that during the past year the public in largely increasing numbers have taken advantage of the opportunity to make a thoroughly conservative investment with a liberal income yield through the purchase of participations in mortgages guaranteed as to the payment of principal and interest.

"The recent tendency on the part of many who have been investing in stocks with the hope of quick profits, to return to the safer and more conservative type of investment should continue during the year.

"For the coming year we look to see still further improvement in the stabilizing of building conditions and the mortgage companies operating on a conservative basis having a most successful year."

P. S. Plans to Erect  
Elec. Power Stations

Public Service Electric and Gas Company has purchased approximately 125 acres of land on Arthur Kill just north of Sewaren, on which the company plans to erect, some time in the future, one of the world's largest electric power stations. Although preliminary surveys and subsoil studies are now being made, it will probably be several years before actual construction will begin.

The plan to build the new station is in keeping with the company's policy of expansion in step with the future growth of the territory in which it operates. Power from the proposed Sewaren station not only will feed the rapidly growing industrial section of Central New Jersey, but the station will constitute one more power source feeding into the Public Service so-called "inner ring." This ring at present, through a series of transmission lines, receives power from such major stations as Kearny, Essex and Marion. It also will tie in with the interconnected systems of Public Service, Philadelphia Electric Company and Pennsylvania Power and Light Company. Thus the territory served by the three companies has available electric energy from one of the largest power pools in the world.

Though crowded with expectant mystery,  
We cannot claim one hour Tomorrow holds,  
But we must wait until its day unfolds.

And Yesterday, whose tender memories cling  
In cruel sweetness to our bruised heartstrings,  
Has gone forever—for no mortal power  
Can bring us back one loved or bitter hour.

And so—we only have Today to live.  
God help us find the joy its moments give,  
To sow and gather flowers along the way—  
And live as Thou wouldst have us live, Today!

Service Bureau  
Holds Meeting

The Community Service Bureau of which Philip Dettelbach is president, met Tuesday night at Belleville High School to complete organization. Tentative plans were discussed and a name adopted at a dinner December 11 attended by about twenty citizens.

The conference was called by a committee from the Belleville Rotary Club which for months had been investigating the need for a central bureau for social work. A second meeting took place December 18 when a constitution was adopted and officers elected.

Contribution of money or service will entitle any citizen to membership. Other officers are: Vice-president, W. W. Stewart; second vice-president, Thomas W. Reilly; secretary, Mrs. Helen M. DeGraw; treasurer, Dr. F. Kenneth Mase. The Rotary committee that gave impetus to the organization comprised John DeGraw, chairman; Rev. Peter R. Deckenbach of Christ Episcopal Church; Supervising Principal George R. Gerard, Watson Current, president of the Board of Education, and Mr. Dettelbach.

Public Service Electric and Gas Company has purchased approximately 125 acres of land on Arthur Kill just north of Sewaren, on which the company plans to erect, some time in the future, one of the world's largest electric power stations. Although preliminary surveys and subsoil studies are now being made, it will probably be several years before actual construction will begin.

The plan to build the new station is in keeping with the company's policy of expansion in step with the future growth of the territory in which it operates. Power from the proposed Sewaren station not only will feed the rapidly growing industrial section of Central New Jersey, but the station will constitute one more power source feeding into the Public Service so-called "inner ring." This ring at present, through a series of transmission lines, receives power from such major stations as Kearny, Essex and Marion. It also will tie in with the interconnected systems of Public Service, Philadelphia Electric Company and Pennsylvania Power and Light Company. Thus the territory served by the three companies has available electric energy from one of the largest power pools in the world.

| O'Connor   | 9  | 164.   |        |

No change resulted in the position of the first two teams in the Belleville Church Bowling League, from last Thursday night's pinning, as both quintets turned in two victories for the night. Everyman's displayed the best form in taking two games from Episcopal hitting the maples for over 800 in each contest. The Fewsmith five turned in two high scores after having received a smashing defeat in the first contest with Grace. In the other match of the night the Montgomery Chapel five dropped a peg in the league standing by losing twice to the Reformed team in the three lowest games of the evening.

## Speedsters Gain Flag By Trimming Giants

| Low team score—Timbers, 397.          |    |    |      |

The curtain came down on the Lions' Bowling League last Friday when the Speedsters bested the Giant quartet in two games to capture the pinning. The Speedsters pinned like real champs, hitting the bottles for high scores. In the second contest they came but twelve pins below the league mark when they hit the maples for 640.

The prizes for the year were awarded as follows: High individual score prize, Hart; league victors, who broke mark after mark to finally ring up that 652; high individual average, Mayer; low individual average prize, Charrier; low individual score, Charrier, who pinned below the blind score, to top the maples for an 84 tally; low team score, the tail enders, as they failed to hit the 400 mark in one contest, only getting 397.

The Lions' Club heads are busy preparing plans for a duck pin tournament, which will get under way on next Friday. In the meantime, a picked team from the Lions will bowl the Bloomfield Lions' Club in a match on Friday.

| Klausman                  | 24 | 100  |  |

The first three teams are still closely bunched with Everyman's and Fewsmith in a tie for the top berth. The chapel team is close behind, two games in the rear of the leaders. The Episcopal crew upset the dope by taking one contest from the Everyman five, after they had taken the first two by comfortable margins. In the other surprise of the night the Chapel representatives fell away below par in their pinning when they dropped two games to the Reformed five, and but for the poor pinning of the latter team, would not have won the third fray.

In the Belleville Manufacturer's League this week Tiffany and Co. added to its lead, with Federal Leather coming up to second place, to throw Thomson Machine into a tie for third place with International Ticket.

Tiffany and Federal Leather turned in triple victories, Tiffany overthrowing the tail-end Sonneborn quintet, while Federal Leather got the best of Thomson Machine five. The Wallace and Tiernan outfit pulled the surprise of the night when they downed the International team.

## Belleville Falts Against Weehawken

### Woodrow Wilson High Wins 37-22 Fracas On Home Court

Belleville High ran into a snag at Weehawken Friday night when Woodrow Wilson High administered a 37-22 defeat. This was the first defeat of the year for Coach McBride's boys.

The Bell Boys started fast and led, 8-4, at the end of the first quarter. However, the Wilson attack began to function in the second period and it was not long before the Maroons were piling up points with ease. The visitors tallied fourteen points, while Belleville got six in this period.

The Wilson guns continued belching baskets in the second half, to completely submerge the Belleville representatives. The victors tallied seven points to the Blue and Gold's three in the third period, but in the final stanza ran riot to outscore the locals, 12-5.

Prange and Hickey led the Weehawken attack with twelve points apiece, while Bayrich played a wonderful defensive game.

Mayes and Armoud led the Belleville scoring with seven points each, with Knowles close behind with six. Paul Short played a steady floor game besides tallying two points. The score:

The Woodrow Wilson Seconds won a well played preliminary game, downing the Belleville subs, 27-24.

Jackson and Mac Lamb showed best for the local reserves, the former getting four field goals and four fouls and the latter three goals and one free toss. Bonavita played a strong defensive game.

Miles and Goelz shone for their team, the former getting ten points and the latter close behind with nine. Martine played a strong floor game besides scoring six points. The score:

## Nutley Team Holds Inter-City Lead

Games Next Week  
Imperial second team vs. Newark Club, 7:30 P. M.

Riveras vs. Imperials, 8:15 P. M.  
Comets vs. Hawks, 9 P. M.

The Imperial A. C. took undisputed hold of first place in the Inter-town Basketball League by defeating the Comets in an exciting game at the Park School Auditorium, 25 to 14. In the second issue the Rivera A. C., which has added Lefler and Koch to its roster, easily subdued the Belleville Hawks, 36 to 22.

The Imps-Comet contest was good throughout. The first half found both quintets deadlocked at eight all. At the end of the third period after some fierce playing the Imps were leading, 13 to 11. From this point on there was nothing to it but the Imps, as they pulled away from their rivals, never again to be headed. At the finish they stood ahead, 25-14. The floor work of Thrum and Jannarone featured, while Boehler and Van Duzer starred for the Comets. Also the strong defense of the Imps, which the Comets found hard to penetrate, stood out in the second half of the game.

### Second Game

In the final affair the Riveras presented a strong combination in Lefler and Koch, who accounted for twenty points between them. This, combined with the passwork of the Riveras, which was good to watch and which the Hawks could not cope with, made the Riveras stand out as a hard team to stop. The big guns of the Belleville team were Martin and Petrie, scoring twelve points and six points, respectively.

Next week an additional contest has been added to the regular card, when the Imperials Seconds will oppose a rival from Newark. Hubert Crawford is coaching both teams for the Imperials and a nice job he is doing of it.

## Birthday Party Given

Gavin MacMillan of Mertz avenue was guest of honor at a party given by his parents, Mr. and Mrs. James MacMillan, on his twenty-fifth birthday, January 11. Guests were Donald W. Willett, Helen L. Willett, Willard H. Mutton and Marjorie Norton Taylor of Maplewood, Ronald Hill, Emily Krueger, C. J. Keating, Virginia Stewart and Helen Kessler of Newark, Lillian Macaulay of Belleville, Walter E. Reich of Rutherford, Baker of Brooklyn, Peter Braudloch of Scranton, Pa., and Dorothy Pearce of East Orange.

Bridge was played and high scores went to, ladies, Miss Taylor first and Miss Macaulay second; gentlemen, Mr. Reich first and Willard Mutton second. Decorations were in silver and gold, with the table covered with bridge set cloth, and favors were wise old owls for the boys and silver cats for the girls. Dancing followed the refreshments and the jolly crowd went home in the wee sma' hours of the morning.

## EVERYTHING WAS 'OH/KAY'

The Capitol Theater will entertain twenty more "deadheads," as ten more boys and girls received two tickets each without cost because they counted the correct number of "K's" in the advertisements on the Belleville News Comic Section and sent them in before many others, who were also correct—but late.

In these modern days speed goes hand in hand with accuracy, and that is why the following were the fortunate winners:

Clara Doell, 169 Linden avenue; Nathaniel Weiss, 545 Washington avenue; Katherine Casale, 13 Mary street; Eleanor White, 211 Forest street; Vincent Ludowick, 12 Delevan avenue; John Hasselmann, 507 Washington avenue; Ida Phelps, 567 Washington avenue; Edna Ennis, 65 Linden avenue; Louise Ledegar, 59 Campbell avenue; Clara Brodhead, 138 Linden avenue.

## Daly Association Finishes Home

(Continued from page 1.)

It occupies a plot 50x121 feet. The association bought the building last month. It is across the street from the old association headquarters at 84 Harrison street.

Partitions on the second floor have been taken out to create an assembly room. The three rooms downstairs will be fitted with card and pool tables and kitchen facilities. Electricity has been installed and a heating unit is nearly completed.

The association has a membership of 127, compared to sixty-five when organized in March, 1926. Although it was founded by Mr. Daly for Democratic support during his candidacy for commissioner in the last Belleville election, it is said the membership represents practically every family in the Soho section. About one-fourth are Republicans.

The first headquarters was in a store at Harrison and Wallace streets. Mr. Daly was the first president and has continued in that capacity. After the campaign, in which Mr. Daly finished tenth with 1,850 votes, it was decided to carry on, since the section was without organized representation. In July, 1926, the headquarters was moved to a store across from the present home.

A card party and housewarming are planned for the latter part of this month. The third annual dance will be held March 16. Within the next month Mrs. John Lanza will head a movement to start a woman's auxiliary and a ladies' night once a week is expected to follow.

## ATTENDS CONVENTION

William J. Horgan of Joralemon street, is in Memphis, Tenn., this week, where he is representing the New Jersey Retail Dry Cleaning Plant Owners' Association at the annual convention of the National Association of Cleaners and Dyers.

Mr. Horgan has been associated with the Cleaning and Dyeing Industry for years.

## Lodge, Fraternal and Club News

### D. of A. Changes Date for Meeting At Grace Church

Good American Council No. 102, Daughters of America, will hold a regular meeting tonight. The group will attend Grace Baptist Church on January 27 instead of January 20, as originally intended. All who wish to attend should meet at Bremond street and Overlook avenue at 7:30 P. M. to attend in a body.

The Good and Welfare Committee, comprised of Chairlady Catherine White, Mae Hollweg, Anna Rasp, Evelyn Hollweg, Jennie Cole, Catherine Hollweg, Amanda MacCluskey and May Lee, met at the home of Catherine White, 70 Overlook avenue, on Wednesday. Business of importance was discussed. Plans for a card party in the near future are under way.

### Meeting of University Club

The regular monthly meeting of the University Club was held at the home of Mrs. A. W. Snedeker of Floyd street on Monday evening.

Mrs. Charles Campbell, chairman of the entertainment committee, assisted by Mrs. Snedeker, conducted a number of intelligence test games. "Trial by Jury" was especially enjoyed by the members.

The club is planning to hold a card party Friday evening, March 8, at the home of Miss Florence Kelly for the benefit of the Student Loan Fund.

Mrs. Snedeker's sister, Miss Mary Arkin of New York City assisted Mrs. Snedeker in serving a most delightful supper.

The next meeting will be on Monday evening, February 10, at the High School. This will be the second in a series of lectures on Vocational Guidance for the benefit of the High School students and their parents.

## Men's Club to Meet On Monday Night

The Men's Club of Christ Episcopal Church, William Beer, president, will meet Monday night in the Parish House and listen to Hal Earl, manager of the plant department of the American Telephone and Telegraph Company, speak on "Things Worth Knowing About the Telephone." Plans will be made for many future activities, and Charles Beer, chairman of "eats," will be busy during the social hour.

COND SECTION

BELLEVILLE, N. J., FRIDAY, JANUARY 18, 1929

SECOND SECTION

## Port's Night at St. Mary's K. of C., Nutley, Monday

What it takes to make the boys' night at St. Mary's a success was served in approving style by the K. of C. at the school Monday night. After a short but interesting meeting, conducted by Grand Knight Guiletti, the party was handed over to the boys, who have been demonstrating for the past year to the members of St. Mary's that every meeting is a surprise night. Needless to say, the members are responsive to the treatment for upward of an hour to the sport dish presented to them.

## Chairman of International Relations Speaks to Women

## Lead Less of Automobile Accidents and More of World Events, She Tells Woman's Club

## Mrs. Gottfried's Candidacy Endorsed

The regular meeting of the Woman's Club of Nutley was held Monday at Vincent M. E. Church. Margaret Buttenheim, chairman of the international relations of the Federation of Women's Clubs, was the speaker.

She gave a very interesting talk on peace question, stating "If women lead less in the newspapers of accidents and such and follow more the news printed on the subject of peace and world affairs, the individual interest and understanding would do more for the best interests in life and would lead to a better understanding of the needs of other nations."

Each woman should in 1929 do her part in the helping to build a better world by public opinion in the right direction, she said.

Mrs. H. W. Little, chairman of woman's campaign for the re-election of Mrs. G. M. Gottfried to the Board of Education, announced that all club women should feel it their privilege to help elect Mrs. Gottfried.

Reports were read by Mrs. A. S. Wilsey for the international cooperation department, Mrs. Gilbert Livingston, Mrs. W. A. Mullin, Mrs. William A. Smith, Mrs. C. N. Caldwell, Mrs. E. J. Garrett, Mrs. A. G. Krout and others. Mrs. H. D. Bieran, contralto, accompanied by Mrs. David Ramsay, sang several solos.

## Richard W. Booth Seeks Re-election in Schools

## 'Uncle Dick,' Who Has Been With System from Its Humble Beginning, Decides to Enter Race Again.

County Treasurer Richard W. Booth, who is president of the Nutley Board of Education, will seek re-election next month when his present term on the board expires.

Other candidates for the three seats to be vacated are Mrs. George Gottfried, who seeks re-election, and Chester A. Shannon of 29 Elm

place. Benjamin Hurd, who completes his second term this year, has announced he will not run again.

Mr. Booth, or "Uncle Dick," as he is familiarly known, is completing his thirty-fourth consecutive year on the board. His first election was in 1894. He is now in his seventy-first year and in the best of health.

## Hebrew Sisterhood Favors Mrs. Gottfried's Candidacy

The Nutley Hebrew Sisterhood held a meeting at the home of Mrs. Nathan L. Klein, 293 Chestnut street, Monday evening. Mrs. Larry Gardner spoke in favor of Mrs. Gottfried, as candidate for the Board of Education. All the ladies pledged their support. A committee was chosen to assist in planning the dedication of the temple. Those on the committee

are: Mrs. Harry Cherashore, chairman; Mrs. Noonan, Mrs. Jentis, Mrs. Louis Klein and Mrs. John Freidenreich.

Four new members, Mrs. Jentis, Mrs. Ballin, Mrs. Blumenthal and Mrs. Richstein were admitted to the organization.

Mrs. Herman Steiber, president, was in charge.

## Cow Ate Money While Owner, Buyer Wrangled

A cow with a goat's appetite raised a merry rumpus in the municipal market at Mainz, Germany, recently. A butcher liked the appearance of the animal and was willing to pay \$60. The owner wanted more. The butcher, thinking to tempt the other man, counted out \$60 in paper money and put it on a post beside the cow. The argument went on, and so earnestly that the two men failed to notice that the cow was making a meal of the money. Suddenly the butcher discovered what was going on, just in time to rescue some of the money. The cow had swallowed \$40. Buyer and purchaser continued their argument, but it was now over which was responsible for the money that the cow had eaten. Finally the director of the market was called and he decreed that the seller must refund the \$40 to the butcher as the sale had not been completed.

## Series of Fines Meted Out by Nutley Recorder

William Schulz of 452 Post avenue, Lyndhurst, was fined \$200 and his license revoked two years on a charge of driving while drunk when arraigned before Recorder Smith of Nutley Monday night. He will appeal the case. The charge was made by Vincent Giangarelli of 132 Park avenue, Nutley, whose vegetable wagon Schulz's car ran into and upset December 22. Following the accident Dr. Rush C. Bauman declared Schulz unfit to drive.

Benjamin Petshaf of 32 Elliott street, Passaic, a builder, was fined \$100 for storing cement on the right-of-way in Franklin avenue without a permit. Complaint was made by Daniel J. Murray, a county inspector.

James Dezarlo of 40 Washington avenue, Nutley, was fined \$26 for permitting gambling at his shoe-maker's shop at that address. Joseph Rietocco, 57 King street, Belleville; Andrea Mazzitelli, 106 Bloomfield avenue; Natale Vacutova, 32 Roma street, and Frank Fabricatore, 114 Park avenue, all of Nutley, were each fined \$6 for gambling. Charges against John Piragine, 263 Moore street, Cliffside, and Natale Vaccaro, 747 Washington avenue, Belleville, were dismissed. They said they were witnessing the game.

Giuseppe Pingatore of 110 Milton avenue, Nutley, was fined \$5 on a disorderly conduct charge.

## Jr. High to Give Operetta in March

## "Hansel and Gretel" Chosen For Showing on Two Days

The operetta, "Hansel and Gretel," of the Junior High School will be held March 15 and 16. The following pupils will have principal parts: Patricia McCarthy, Priscilla Bellows, Nancy Gottfried, Antonio San Giacomo and Helen Stover. The chorus has not been completed as yet.

## Nutley Police Learn Of Stolen Wire

## 2,000 Feet of Telephone Wire Taken from Poles Along Pipe Line

Two thousand feet of telephone wire were stolen from poles along the pipe line west of Bloomfield avenue, Nutley, Friday night. Police were unable to estimate the value of the wire. There are few houses in the section from which the wire was taken.

Several thousand feet of wire were stolen from the same area two years ago.

## Nutley Youth Leads Glee Club Group At Trinity College

The Glee Club of Trinity College, Hartford, Conn., gave a concert Friday at Alumni Hall in Hartford. It was the first program in eleven years. Martin Robert Johnson, son of Mr. and Mrs. M. B. Johnson of Prospect street, is president and barytone soloist of the Glee Club, and through his work and interest the concert was given.

## Seven Men Are Held After Gambling Raid in Nutley

Nutley police arrested seven men in a gambling raid at the shoemaker shop of James Dezarlo at 40 Washington avenue, Saturday night. The raid was made by Patrolmen Walter Britton and John Simpson under Sergeant Emil Werner.

Dezarlo was released under \$100 bail for arraignment before Recorder William Smith Monday night. The others, who were released in \$25 bail, also to be arraigned, were Frank Fabricatore, 114 Park avenue; Natale Vacutova, 32 Roma street; Andrea Mazzitelli, 106 Bloomfield avenue, all of Nutley; Joseph Rietocco, 57 King street; Natale Vaccaro, 747 Washington avenue, both of Belleville, and John Piragine of 263 Moore street, Cliffside.

An executive committee was appointed, consisting of Mrs. Albert F. Beh and Chester A. Shannon, for one year; Mrs. Arnot Quinby and A. T. DeMuro, for two years; Mrs. Charles B. Royce and Charles E. Young for three years. The next meeting will be February 11 and later meetings will be monthly except in July and August.

## Bishop Tells of Japanese Work

## Japan Feels Mission Work Is one for Welfare of People

There has been a steady progress of Christian conversion in Japan, Rt. Rev. Shirley H. Nichols, Episcopal Bishop of Kyoto, Japan, said Sunday night at the monthly community service in Nutley High School.

Japan is the peer of other great nations, he declared, and the people are responding to the efforts of missionaries with a feeling that the work is being done for their welfare. He said there has not been a landslide of conversion, but regular progress has been noted.

He explained the religions of Buddha and Shinto, native to the country, and told of some of the festivals. Shintoism is worship of nature and one's ancestors, he said, and "contains many beautiful principles corresponding to those in the Christian religion." Buddhism, he said, changed materially through the centuries and adopted new theories from the many sects into which it had been divided. Modern associations and development are sweeping away the old social restraints and conventions. He said the people are seeking a new ideal to stand against infringement of modern customs.

The first missionary work was started in Japan 400 years ago, Bishop Nichols said. The work of the Roman Catholic missionaries at that time made a great impression. Their policy was to convert the leaders, and failure of the work was due to political disturbance. The missionaries were driven out and Japanese Christian crucified. The second period of conversion began seventy years ago. The missionaries sought conversions of the middle and lower classes, he stated, with the result that more people were reached.

"At last the thing has come to pass and conversion to the Christian faith has found footing in Japan," he said, "due to cooperation of religious, educational and medical missionaries, in which Japan takes a native part, and is not merely dependent on the foreign invasion."

Rev. Dr. Charles Perley Tinker of Grace Episcopal Church was in charge of the service. Assisting clergymen of the town were Rev. Charles W. Wright of Vincent Methodist Episcopal Church, Rev. Arthur C. Roosenraad of Franklin Reformed Church and Rev. Eugene C. Kreider of Holy Trinity Lutheran Church.

Rev. Samuel M. Zwemer of Cairo, Egypt, will be the speaker February 3.

## Undersheriff Tells of Days Back at Notre Dame

Undersheriff Rupert F. Mills looked back into his athletic past in speaking at a meeting of St. Mary's Council, Knights of Columbus, in St. Mary's Hall, Nutley, Monday night. He told of his days at Notre Dame as a member of the first Notre Dame football team to beat West Point in 1913.

Ernest Blood, basketball coach of St. Benedict's Preparatory School, also spoke.

After the sports talks, exhibition boxing matches were staged, with Captain John Jameson of the Police Department as referee.

The first match was between Eddie Nugent and Patrolman Charles Rummel. Young Manning and Rosie Ryan, local lightweights, also boxed.

## Nutley Team Holds Inter-City Lead

## Bowling Club Five Games Ahead of Wallington Outfit

The Nutley Bowling Club is still leading the Inter-City Bowling League by a wide margin, with twenty-six matches won and seven lost, according to official figures issued Monday night.

Pavlich's Wallington Five is in second place with twenty-one victories and twelve defeats, while the Plauderville Bowling Club of Garfield follows with twenty wins and thirteen reverses.

The standing of the teams follows:

| Team                         | Won | Lost |

## Belleville and Nutley Girl Scouts Will Meet

A joint meeting of the Girl Scout councils of Belleville and Nutley is scheduled for January 23 at Nutley.

Mrs. May T. Holden, Belleville Girl Scout commissioner, entertained the Girl Scout Officers' Association Friday night at a salmagundi party at her home, 159 Main street. Decorations were in Yuletide colors, the affair being a postponed Christmas party. Miss Florence Kelly, captain of Troop No. 8, won the award in the game contest.

Others present were: Miss Eliza-

beth Tempest, captain of Troop No. 1, and her lieutenant, Miss Charlotte Holden; Miss Ruth Cornell of Troop No. 4, Miss Grace Jordan, No. 5; Miss Myrtle Schmetter, No. 6; Miss Helen Colehamer, lieutenant of Troop No. 7, and Miss Judy Pratt of Nutley, a guest. Only two members of the association were absent. These included Miss Bernice Begeman, superintendent of recreation, captain of Troop No. 2, and Mrs. Lorena Clark, who heads Troop No. 7. Both were confined to their homes by illness.

## NUTLEY MAY GET LOWER RATE BY CONSERVATIVE PLANNING, SAYS COMM. RALEIGH S. RIFE

## Although Municipal Budget Goes Up \$18,558 Sum To Be Raised by Taxation Show Decrease Over Last Year

The Town Commission Tuesday night approved on first reading a budget of \$487,145.16, an increase of \$18,558.17 over 1928. Total estimated receipts are \$186,340.32, leaving \$300,804.84 to be raised by taxation. This amount is \$6,432.15 less than last year's. Commissioner Raleigh S. Rife declared the municipal tax probably would drop nine points.

Introducing the budget, Mr. Rife said: "It has been the policy of this Board of Commissioners to provide for the growth of the town and it realizes the economy of postponing immediate expense for the benefit of the public at large. With that particular point in view, we are anticipating an increase in the Police Department of two patrolmen immediately and one, I believe, about July 1. "On account of the growth of the town and increases of the size of buildings, particularly apartment houses, we are adding five full paid firemen. This is a measure of improved protection to the town. Some of the program we have instituted this year won't benefit us until next year. We are not increasing for street lights as much as we hoped, although it is ten per cent higher than last year."

**Police Appropriation Up**  
The Police Department appropriation shows an increase of \$13,985.57, largely due to additions to the force. There were no salary increases in this department. Fire Department appropriations increased \$6,100. The five housemen to be appointed will receive \$2,000 salary each. The four men and chief received \$100 increases. A reduction of \$3,000 in water service, \$1,000 in auto supplies and other smaller reductions account for the slight increase.

The Health and Shade Tree departments appropriations are increased \$3,288.33 to \$25,088.33. The Shade

Tree Department is increased \$2,520. The sum of \$465 is allowed for the health officer's auto and \$250 for its maintenance.

The Department of Revenue and Finance appropriation is increased \$200. Under this department the town clerk was given an increase of \$250, stenographer and clerk \$400 and all others, with one exception, increases of \$200. The tax collector's salary was not increased. The appropriation for the Department of Streets and Public Improvements is increased \$3,230.

**Comparison of Figures**  
A comparison of appropriations for 1929 and 1928 follows, the 1929 figures being given first: Department of Public Affairs, Public Safety and Health, \$120,623.90, \$93,750; Department of Revenue and Finance, \$32,000, \$31,800; Department of Streets and Public Improvements, \$125,690, \$122,560; non-departmental, \$49,099.26, \$47,095.03; sinking fund requirements, interest, maturing bonds and emergency notes, \$159,732, \$173,381.96.

The water budget shows an increase of \$17,040, the total being \$107,846.18. Anticipated revenue includes \$90,000 for sale of water, \$13,000 for new service connections and \$4,846.18 for miscellaneous receipts. Municipal and water budgets will have a final hearing January 29.

Fire Chief Harry F. Kimball in his annual report recommended purchase of a larger pumping apparatus. He stated his recommendation was in accordance with the increased size and number of buildings. He also recommended dismantling the Pope chemical truck, the first motor truck of the department. The equipment would be transferred to the hose trucks at the Avondale and West Nutley stations. A request was made for more room at headquarters.

## WIDE SPREAD ILLNESS CAUSES SHORTAGE OF 'PHONE OPERATORS

## Magazine Sellers Nabbed by Police

Two New York youths, professing to be earning their way through college by selling magazine subscriptions, were arrested in Nutley last week. They are Daniel Davis of 21 Rutgers place and Jack Hart of 300 West 109th street. They were paroled to appear before Recorder William Smith. They did not have police permits to canvass.

According to Mrs. George Turner of 52 Edgewood avenue, the youths said they were graduates of Nutley High School and hoped to attend Rutgers University. She learned by telephoning the high school that the boys had not attended there. She called police and the youths were arrested by Patrolman Frank McCrea and Motorcycle Officer Henry Hoch. They said that Mrs. Turner misunderstood them and that they did not say they were graduated from Nutley High School.

The widespread illness in Northern New Jersey has caused a shortage of telephone operators at a time when telephone traffic volume is the heaviest of the year, the New Jersey Bell Telephone Company announced today.

About one in every seven operators is incapacitated by illness, the company stated. Former operators are responding to the emergency, helping the situation considerably, and are being urged to return temporarily, where their addresses are known.

The Oranges, Montclair, Jersey City, Elizabeth and parts of Newark are hardest hit, with as many as a third of the operators ill in some of these communities.

The usual normal heavy traffic at this time of the year has been augmented greatly by the uncertain weather. People prefer to transact their affairs when possible by telephone while the weather is unsettled or cold.

ST. MARY'S AND GRACE FIVES  
WIN IN NUTLEY CHURCH LEAGUE

## Games Next Monday

Grace vs. St. Paul's, first game.  
St. Mary's vs. Vincent, second game.

Once more fans who follow the activities of the Nutley Church League were treated to some fine basketball Monday night. In the opening tussle St. Mary's defeated St. Paul's by the one-sided score of 32 to 12. The Maryites displayed their best form of the season. Where the baskets came from only spectators can tell you, for there was a varied assortment. Overhead, one-hand, and long looping shots featured. In the second game Vincent fought gamely and nearly upset an overconfident Grace quintet. Grace eked out a close win in the final minutes of play, 24 to 19.

## First Game

The initial half saw the St. Mary quintet opening up with a barrage at the Paul basket, which they kept up throughout the entire period. Leading this attack was Lee Gorman, one of the Mary sharpshooters, who located the rim for four double-deckers and a free toss for a total of nine points. Each of the other members helped out in the scoring for the Maryites with at least one or more tallies. The Paulites were only able to garner eight points in this session, Gibney accounting for three.

In the final half the green-jerseyed Marymen went on a scoring spree

and after it was all over they were in the van, 32 to 12. As Lee Gorman dropped them in during the first part of the game, so did Baykowski in the last session, tallying a total of four double-deckers. Besides the scoring end, the St. Mary team displayed their best passwork of the year and it looks as if they have at last hit their real stride. It is the kind of playing that they put forth in Monday's game that carried them to the league championship last year. The score:

## Second Game

Grace kept their record clean when they came through with a last minute rally to nip a fighting Vincent team, 24 to 19. The game developed into one of those nip-and-tuck affairs with first one team and then the other holding the lead.

The first quarter was devoid of any scoring, both teams putting forth a strong defense, and Grace led, 4-2, at the end. In the next period the points were divided about evenly, both quintets making eight markers for the half. Then came the final half of the contest and the fans were kept on edge, as the lead sawsawed back and forth.

Leading the attack for the Grace-ers was Al Brewster, who kept them in the running with his timely

The Imperial A. C. won its third, fourth and fifth consecutive games of the season over the past week-end when they beat the Newark Comets at Newark, the Nutley Comets at Nutley and the Bloomfield Independents at Bloomfield. The scores were: 17-14 in the first game, 25-14 in the second, 39-29 in the last.

In the game with the Newark Comets the issue was in doubt until the finish. At half time the score stood at 7-6 in favor of the Imps. The third period saw the Nutleyites on a scoring bee, while they held the opponents from scoring, the tally standing 14 to 6. In the closing minutes of the game Stein, rival center, sunk three double-deckers to score the

double-deckers, making five during the entire game. Eichenger helped his teammate with three two-timers from the court. For the Vincent team credit is given them for the gallant fight made to win, and especially to Forresta and Taylor, who seemed to be everywhere to break up the passing of their rivals.

Imps, but the game ended at 17 to 14.

Thrum and Forresta starred for the Imps, while Stein proved to be the individual star of the game and the Newark squad's best bet.

The game in Bloomfield proved a walk-over for the Imps, as the Nutley team scored at will whenever pressed. For an amateur organization the Imps sure have a nice five and should keep on improving under the watchful eye of Crawford as the season advances.

## Family Devotions

When tea was over at the children's party, the hostess asked the smallest boy if he would say grace?

"What's that?" asked the honored guest.

"Why, don't you know?" said the surprised hostess. "What does your father say when he has had a good dinner?"

The small boy searched his memory, then replied:

"He rubs his chest and says: 'Richard is himself again!'"—The Outlook

## Correct

Little Betty was bragging about her ability to add. Her uncle gave her a problem to solve.

"If I gave you two rabbits in the morning and three rabbits in the afternoon how many rabbits would you have?" inquired the uncle.

"Six," cried little Betty.

"Just as I thought. Two and three are six," answered the uncle.

"But uncle," said little Betty earnestly, "I already have one."

## Mouse as Advertisement

A mouse that catches flies was the novel window display used recently by an automobile man in Sydney, Australia. Heedless of the large crowd watching him, the tiny rodent would dart from his hiding place in a corner and spring up the window pane or take a flying leap. He would always "get" his fly. He kept the window clear of all the buzzers, and the dealer says he was the best and cheapest attraction he ever had.

## "Complete More Connections on First Attempt"

It can be done with your help

WE WOULD LIKE to put all your calls through promptly on the first attempt this year, for that would be service at its very best.

This ambition cannot be entirely realized, for sometimes the people you call are using their telephones when you try to call them.

The percentage of calls completed on first trial, however, can be greatly increased with your help.

We can do our part with better switchboard operation and quicker and more effective detection of mechanical faults that affect connections.

You can do your part in two ways: Give the person you call time enough to answer the telephone, and try to answer the telephone promptly when you are called.

Some subscribers who are in a hurry hang up before the persons they call can get to the telephone; others answer so leisurely that people calling them hang up in discouragement.

### There Is Always Room For One More Reader—

Even as there is always reading for one more roomer—in the News "For Rent" columns.

It doesn't make any difference how many readers have been there before you. There are always more rooms coming along for you to select from.

Nor does it make any difference how many rooms have been advertised—ahead of yours. There are always plenty of readers coming along looking for rooms.

A woman had a well furnished room for rent recently, so she went to the column where there is always room for a reader. One of the readers is now her roomer.

It always happens just like that.
