GRACE MEN'S CLUB SEEKS 25,000 \$1 BILLS TO HELP CLEAR CHURCH INDEBTEDNESS

The Men's Club of Grace Baptist Church will manage a campaign just launched to raise \$25,000 for the payment of the indebtedness now on the church property which house the club rooms of the Men's Club.

By reason of the nature of the work carried on by the Club and the fact that membership is not limited to the members of the church but is open to all acceptable residents of Belleville, and because the success of this campaign will directly benefit the club increasing the scope of its work in the community, the club appeals to the people of Belleville generally.

That the citizens have entered enthusiastically in this drive is shown by the number of prominent people of town who have endorsed the movement or have accepted positions of the teams which have been designated.

The personnel is as follows: Elmer S. Hyde, Stuart McAllister, Geo. Gerard, Harry Ransom, M. D. Roseman, Dr. F. K. Mose, L. H. Galluba, Jess Angel, Harry Hadley, Watson Current, Walter S. Mathes, W. W. Stewart, William Irvine, Mrs. George Weirich, W. T. Bryan, Ernest Rockefeller, William Glenk, H. M. Struble, John Sherwood, Walter Arnold, H. Hall Turtton, C. Cuttingham, Raleigh Jacobs, Mrs. Charles Thomson, Penjamin Hawkins, Mrs. Lorena Clark and Robert Moreland.

The committees are asking for individual subscriptions of \$1. Checks are to be made payable to William P. Glenck, treasurer, 129 Bremond street, Belleville.

Faucet in Sink Sings "Minnetonka Waters" For Lyndhurst Family

A radio phenomena was discovered in Lyndhurst Sunday morning, when orchestra music rippled forth from an open hot water faucet in the home of Charles Hauck, 134 Page street.

Mrs. Hauck, slightly deaf, was startled by the strains of "By the Waters of Minnetonka," melodiously bursting forth in great volume as the water splashed about the kitchen sink, from the open faucet.

Mrs. Hauck rushed into the living room, thinking that the radio had been left on all night, but found it silenced. Her husband, on an upper floor, hearing the music, also thought it was the radio set, and came down to investigate. He heard the same orchestra, he told his brother-in-law William Dunleavy, Belleville fireman who lives at 9 Preston street.

Dunleavy also has a radio story to tell about Washington avenue late hour fans. Many have complained that about midnight there are all kinds of noises in sets. This, says Dunleavy, is caused by the red and green traffic signals in the avenue switching over to amber and flashing every few seconds. Distance seekers in the avenue are at a disadvantage.

The NEWS two weeks ago told about Thomas W. Fleming of Bell street hearing music from his electric toaster one morning after he had placed two slices of bread on it.

Daly Association Card Party Tuesday

The opening social event of the John J. Daly Association in its new home at 85 Harrison street in the Soho section of Belleville will be a card party which will take place Tuesday evening.

The games to be played are whist, crib and euchre for which there are many awards. There will also be awards for non-players.

Belleville residents who desire to attend should take the Belleville avenue cross-town bus which has its terminus about 100 yards from the clubhouse.

RARE TREAT FOR MUSIC LOVERS TOMORROW NIGHT

Lovers of good music have a rare treat in store for them on this Saturday evening, February 9, at the Recreation House. Miss Bernice Begeman and Mrs. Lorena Clark, captains of troops Nos. 2 and 7, Girl Scouts, are certain that they have been most fortunate in securing the services of celebrated artists and a renowned piano accompanist.

Miss Nasalee Bakalian, a soprano soloist, and a resident of this town, is in charge of arrangements. She has secured the services of Franko Ricciardi, a baritone soloist of Newark; Alfonso Romero, a dramatic tenor; and Miss Rachel Leon, piano soloist and accompanist.

Miss Bakalian is founder and president of the Newark Operatic Art Club and is well known as a radio artist. She has also appeared with several of the Eastern opera companies.

Mr. Ricciardi made his debut in grand opera at the Brooklyn Academy of Music, where he played the role of Germont in the opera "La Traviata" by Verdi.

Mr. Romero is a distinguished and a very well known singer in the East. During a recent western tour he sang the leading roles in Rigoletto, La Traviata, and La Boheme. Much has been said of his pleasant personality and his splendid voice. It is indeed fortunate to have a man of his ability included in a program in this town.

The accompanist of the evening, Miss Rachel Leon, is the official accompanist of the Metropolitan Opera Company, assistant conductor of the Lyric Guild of New York, director of the Newark Operatic Art Club and is the only woman who has personally directed an entire opera.

PROGRAM
1. (a) Eri tu, Ballo in Maschera, Verdi; (b) Zaza Piccola Zingara, Leoncavallo; Mr. Franko Ricciardi.
2. (a) Valzer di Musetta, La Boheme, Puccini; (b) One Fine Day, Madam Butterfly, Puccini; Miss Nasalee Bakalian.

3. (a) Flower Song, Carmen, Bizet; (b) Lolita, Buzzi-Peccia, Mr. Alfonso Romero.
4. (a) Prelude in C Minor, Rachmaninoff, Miss Rachel Leon.
5. (a) Duet, Forza del Destino, Verdi, Mr. Romero and Mr. Ricciardi.

Airport Manager To Speak In Town

University Club Arranges To Hear Lieutenant Aldworth

The second of the series of lectures on vocational guidance, sponsored by the University club, and given for the benefit of high school students and their parents has been announced for Monday evening, February 11 at 8 o'clock in the auditorium of the high school.

The principal speaker of the evening will be Lieutenant Richard Aldworth, manager of Newark Airport. He will talk on the "opportunities in aviation" and of the training required. No doubt he will entertain with some of his own experiences.

Miss Wilma Walsh, a teacher in the local high school, who is also a licensed pilot will tell of some of her flying adventures. This should be particularly interesting for the girls.

The high school orchestra will be present and will play three selections under the direction of Miss Indra Bryant, supervisor of music.

These lectures are open to the public and anyone interested is cordially invited to attend.

Guest In East Orange
Mr. and Mrs. Frank Bennett and son Dick, of the Belleville Arms apartments, were guests of Mr. and Mrs. W. J. King of the Hotel Martine East Orange, on Sunday.

BOY SCOUTS WILL WEAR UNIFORMS ALL THIS WEEK

Fire Bells Ring And Factory Whistles Blow Tonight To Convey Solemn Spirit Of Scouting To Boys

Every boy scout in Belleville will wear his uniform from today until next Thursday at all times at school, church, home and so forth as a part of extensive preparations Belleville has made for the nineteenth anniversary of Boy Scout Week.

Many of the troops are planning to hold a Boy Scout Service in the church with which they are connected on Sunday, which is Boy Scout Sunday throughout the country.

Factory whistles and fire bells will be sounded tonight at 8. This will be a signal to all Belleville Boy Scouts to stop no matter where they are or what they may be doing and repeat the Scout Oath and Scout Laws. At this time 750,000 scouts throughout the country will repeat the scout Oath and Laws.

A number of the Belleville Troops have arranged window displays in Belleville. They are Troops Nos. 4, 50, 75, 85, 88, and 89.

This evening Scouts from various troops will put on scout demonstrations at the Boy Scout Financial Campaign dinner, which the campaign workers will stage at the Elks Club. At this affair troop 4 will put on a fire by friction and flint and steel exhibition. George Barnes of Troop No. 4 will be the bugler. Troop No. 50 will put on a Tenderfoot Investiture Ceremony. Troop No. 86, a bridge building exhibition and Troop No. 89, Morse Semaphore signalling and first aid.

Tomorrow at 1 the Belleville Scouts will meet Harvey W. Maden, assistant scout executive in charge of the Belleville unit Boy Scouts, in front of the Town Hall and after the passing of the troop colors and flag ceremonies, parade in Washington Avenue to the Capitol Theatre All Belleville Boy Scouts will be admitted free of charge to the afternoon performance through the courtesy of the manager, Berney Fenias.

During the performance the Belleville Scouts will receive a word of welcome from Mayor Kenworthy.

Board of Reviews
Last evening the Belleville Scout Board of Review was held at the Town Hall at 7:30 at which time all scouts were reviewed in first and second class scout work so as to qualify them to receive their scout badge of the higher rank. All scouts, who needed certified examiners for map work, signalling and first aid were given an opportunity to pass tests.

Lindsay Graves, Scoutmaster of Troop No. 50, has been made an assistant Deputy Commissioner to Harry Brumbach, Deputy Commissioner of the Belleville District.

Robert A. Conklin is taking Major W. Fulton's place as Scoutmaster of Troop No. 4. Major Fulton is leaving for Hawaii in March. Mr. Conklin is an old scout man.

George W. Lee and Douglas Wadsworth have signed up as Assistant Scoutmasters of Troop No. 89 and will assist Mr. Holmes.

Enrollments
Additional enrollments of boy scouts for Belleville for the week are as follows: Troop No. 4, Peter Detrollo; Troop No. 50, Clifford Weeks; Troop No. 85 Ralph DiMartino, Clifford Garret, Frank Ippolito, Anthony Sylvester, Vincent Albanese, James Delisse, Amedeo Pi-trella, Ugo Vernachia and Earl Wood and Troop No. 89, Arthur Burge.

ENTERTAIN AT BRIDGE

Mr. and Mrs. Ernest School of 95 Smallwood avenue entertained at bridge in their home on Saturday evening. The guests were Mr. and Mrs. Halsey Chedister, Belleville; Mr. and Mrs. Elwood C. Robinson, East Orange; Mr. and Mrs. Henry C. Rodemann, Newark; and their house guest, Mrs. Kate Hennerlau of Milwaukee, Wis., Mrs. Rose Schnellbacher, Miss Bertha Schnellbacher and Mr. Edward Schnellbacher, So. Orange. High scores were made by Mr. and Mrs. Chedister.

Influenza Mild Declares E. T. Berry

Health Officer Eugene T. Berry of Belleville today said cases of influenza being reported to the Department of Health are not to be compared either in extent or virulence with those of 1918. This is also the judgement of physicians Mr. Berry said.

During January twenty-one cases were reported, for the country at large there have been only about 100 cases per thousand population, one fifth that of the 1918 outbreak. Mr. Berry urges care be exercised by patients suffering from colds, grippe or definite influenza in order to prevent spread of the diseases and to follow carefully instructions of physicians.

MAYOR KENWORTHY OBJECTS FOR CITIZENS' CRITICISM

Three members of the Board of Education—three appointments made by Mayor Samuel S. Kenworthy—have taken from Superintendent of Schools George R. Gerard a three-year contract, which up until Monday had two years to run.

The contract was engineered out of Mr. Gerard's hands by a resolution—a typewritten one which was submitted by James L. DeRosset, a neighbor of the Mayor, who replaced Edward C. Kennedy Monday night.

The famous double play of baseball renown assists were rendered by John P. Maher and Mrs. Judson K. Stickle.

Mr. Maher voted for himself for president and was installed by the same triumvirate and via the same method Mrs. Stickle became vice president of the board. This procedure naturally gave Watson Current a sleighride from the president's rostrum. Mr. Current had a chance to vote for himself but he did not do so.

What was apparently nobody's business—at least, hear some of the political wisecracks wise crack—turned out to be of some moment Monday night when a group of citizens showed its approval of remarks made by Philip Dettelbach, former town commissioner.

DRIVERS HELD WITHOUT BAIL Two Others in Same Accident Lose Licenses

Harry McCarthy, 4 Smith street, Tuesday, was held without bail for action by the prosecutor when arraigned before Police Recorder Fitzsimmons on a charge of manslaughter.

At the same time and involved in the case in which McCarthy was arraigned, Lloyd Kaplan of 134 East Thirtieth street, and Abraham Wasserman, 221 Governor street, both of Paterson, were deprived of their drivers' licenses.

About two weeks ago an auto driven by McCarthy in Washington avenue, struck Isaac H. Longmire and his daughter, 92 Tappan avenue. Longmire died Sunday in St. Michael's Hospital where he was taken after the accident. His daughter is still in the hospital.

According to Mrs. Ruth Rae of Paterson, who made a reckless driving charge against Wasserman and Kaplan, they were driving recklessly in front of other cars. This she said caused McCarthy to swerve into the Longmires.

Crack Discovered In Wall of Firehouse Excavation For 2 Family House Shows It Up In Silver Lake

When a building contractor Tuesday started to excavate for a two-family house adjoining the left wall of Silver Lake Firehouse he discovered the firehouse wall is cracked and apt to fall if he proceeds with excavation. Danger of collapse of the firehouse is feared.

Building inspector Robert Williams said he examined the crack, explaining it could be repaired for \$450 an emergency note for which will be issued by the town.

Meantime the town will shore up its walls while the house contractor proceeds with his work.

The town authorities refused permission for the establishment of a live poultry market in Washington avenue just south of William street.

Edwin C. Young, assistant to town engineer Albert Blank, received an increase in salary from \$1,080 to \$2,000. George C. Lindsay, assistant engineer, received an increase from \$3,500 to \$3,800. Commissioner Frank J. Carragher voted against this on the ground that the salary is too high.

Educational Conference Planned By Women

An educational conference under the auspices of the State Federation of Women's Clubs will be held in the Board of Education Building, City Hall annex, south Broad and Green streets Newark, next Thursday. Mrs. William Hamilton Osborne, chairman of Applied Education and Mrs. Horace A. Woodward, chairman of Education, will be in charge.

At the morning session from 11 until 12:30 Mrs. Leonard H. Robbins, of Montclair, woman member of Edward Duffield's legislation commission, will talk on "The Relation Between Rutgers University and the State of New Jersey." Harlan Updegraff, chief of staff of the New Jersey School Survey, will talk on "How Good Are Our Children's Schools."

At the afternoon session from 2 to 4 Miss Charl Williams, of Washington, D. C., Secretary of the National Education Association, will speak on "A National Department of Education with a Secretary in the President's Cabinet." An opportunity will be given to members of organizations opposed to a national department of education, to present their arguments.

Educational movies will be shown and there will also be an exhibit of material on visual education from the Newark Library and the Newark Museum.

Music Festival Singers To Be Heard On Radio

Forty singers from the Newark Music Festival Chorus, assisted by Miss Mildred Blessing, soprano, of Newark and Clyde E. Dwyer will be heard over radio station WOR Saturday evening at 6:30 in a program arranged by conductor C. Mortimer Wiske, Mrs. Anna G. White, 84 Mt. Pleasant avenue, is in charge of the business details.

The chorus will sing Paine's "Freedom, Our Queen," Rhys-Herbert's arrangement of the Welsh melody, "All through the night," Vanderpool's "Neath the Autumn Moon," Barnby's "Sweet and Low," and Caine's "Spring and Youth."

Miss Blessing's numbers are Rachmaninoff's "In the Silence of the Moon" and F. K. Logan's "Pale Moon," while Mr. Dwyer will sing Greene's "Sing Me to Sleep," and Tosselli's "Serenade."

The chorus is rehearsing each Wednesday evening for its annual Festival in the Mosque Theatre.

Two ranking artists, one American and the other of Wales, have been definitely announced as part of the eminent corps Conductor C. Mortimer Wiske has engaged for the forth coming Music Festival at the Mosque in Newark. They are Kathryn Meisle, contralto of the Chicago Opera company and Ifor Thomas, famous Welsh tenor, who has created a sen-

sation on his American tour during the last year. Both of these artists have sung in the Festival before and the reception they were accorded caused Mr. Wiske to seek their services again. Other artists already announced for the programs are Nanette Guilford, soprano, of the Metropolitan Opera Co., and Ethel Fox, soprano of the San Carlo Opera Co. Several others are to be announced later. Mr. Wiske promises the finest Festival yet given.

Miss Meisle is better known to New Jersey audiences. She has been compared with Schuman-Heink. She has been in great demand throughout the year and her time has been filled ever since she made her debut with the Chicago Opera Co., as Ord in "Seigfried" November 18th, 1923. She is still one of the youngest contraltos in grand opera but her history is that of a Veteran. The high lights include her appearances with the Ann Arbor Festival. The Newark Music Festival, Detroit Music Festival, Cleveland Symphony Orchestra, Minneapolis Symphony Orchestra, Greensboro Music Festival, Philadelphia Music under Mr. Wiske, Apollo Club and Chicago Symphony orchestra, New York Symphony Orchestra, Westchester Music Festival and others.

Miss Meisle sings all the leading

roles for contralto in the operas. Hard study even through the six years since she first stepped on the Chicago stage has contributed most of her progress but actual singing of the roles has given impetus for study that has made her mistress of all the intricacies which for many are more difficult.

Mr. Thomas's first vocal teacher was his mother, the well-known singer, Isabelle Morris. He won a four year scholarship against 400 competitors in the Royal conservatory of London. This was the opera scholarship in 1920. Until then he spoke only Welsh but since has learned to speak impeccable English and also a fluent French and Italian. After two and a half years at the conservatory, he coached with the great baritone, Dihn Gilly, and with Jean de Reske in France. He has been leading tenor with the Monte Carlo Opera Co., when he decided to come to America. Meanwhile, however, he had received the highest honor his native land can confer on a musician in America. He has been hailed as a second Evan Williams as far as his oratory work is concerned. In opera, he has been compared with Muratore, and other super stars. He has sung with the Philadelphia and other opera companies and in the famous artist series on the radio.

EARS TO THE GROUND

Belleville today is talking in no small degree about the manner in which the school board lines up against Superintendent George R. Gerard, the president, Watson Current, and Commissioner Paul J. H. Hollberg. Gerard's contract was to be taken away from him was broad-own long before it happened. That some would get "his scalp," speaking has also been broadcast and is being today. They (the school) board) won't dare take away Mr. Gerard's the people won't stand for it."

Other remarks were passed. Citizens protested to no avail. Gerard was not heeded. Gerard did take away the contract—it was unnecessary, Mr. De Rosset, a neighbor of Mayor Samuel S. Kenworthy, who him to succeed Edward Kennedy. Mr. De Rosset, it is said, Mr. Gerard to any extent when he started the ball rolling. He then resolution, setting forth a lot of whys and wherefors. It had an idea of what he was going to do before the meeting, Gerard would not have been prepared. Gerard of that contract has to this minute only meant one thing. Gerard has been made unhappy and why? We see no concrete benefit Gerard were unnecessary it seems it could have been left as was anyone's feelings. If there are other good reasons why Gerard would have been taken away the public is entitled to know them Gerard to find out if there were any legal means of taking away Gerard said to be private concern. The taxpayers will never Gerard school board members paid or unpaid are public servants. Gerard for all bills and in this case send their children to school. Gerard's education comes first, last and always, we repeat. If Gerard that Mr. Gerard is to be politically "scalped" by Mayor Gerard own should know about it.

Reasons are given that have been set forth for taking Gerard was "unnecessary" there is plenty of room that tax- Gerard arguments to question the action. Gerard to Mr. Gerard and Mr. Current appears to be Gerard to hear some tell the world about it, but in this case it Gerard to be everybody's business—right on down the line Gerard is satisfied with the education his or her children have Gerard.

ASKING TOO MUCH
Gerard do not dress as well as American women. That is a Gerard repeating were it not for the fact that the National As- Gerard Tailors has just told us what we need to be well Gerard rable item. No man, they say, can be well dressed Gerard 2 hats, eight overcoats and 24 pairs of shoes. This Gerard son that defeats its own commendable ends. We Gerard but not many of us will if we are faced with a pro- Gerard ble as this. The association would do more to stimu- Gerard among men if it gave the average American a chance. AN APPEAL

WHEREAS the week of February 10 has been set aside as National Boy Scout Week and Belleville Council of Boy Scouts are observing this week by calling to the attention of the citizens of Belleville the necessity of securing sufficient funds to make real success of scouting in our Town.

IT THEREFORE becomes necessary for all citizens who have a spirit of civic pride to do their part toward a genuine success of this drive. Other municipalities in Essex County of a like population have managed to properly finance the activities of their Boy Scouts and it is therefore a challenge, not only on the part of the boys of our Town to the grown-ups, but a challenge on the part of other municipalities to the Town of Belleville TO MAKE GOOD, realizing as we must that the "Boy" of today is the "Man" of tomorrow, I am sure that in this particular drive Belleville is going to be most generous. The goal is \$5000.00 Canvassers will visit your home. Here is your opportunity to show our neighbors that Belleville KNOWS HOW, and at the same time do your part toward making better men of the future.

Trusting that this appeal will be met with hearty response and that at the close of the drive the boys of our Town can look with considerable pride on the citizens of Belleville as having done their part toward paving a brighter future.

MAYOR SAMUEL KENWORTHY

But the dictionary says: "Feb-ru-a-ry."
The name of the month has a curious origin. Originally, the word was "februare," signifying among the Romans, "to purify" or "to expiate."

It referred to the practice of religious "purification and expiation," or atonement, which took place in ancient times at the beginning of this month. The fact that this new month has only 28 days, except in leap years, affords an interesting illustration of the childish vanity which afflicts even some of the greatest of men.

Originally, February had 29 days, except in leap years, when it had 30. Then along came the great Augustus Caesar. The month of August had been named in his honor, but originally it had only 30 days, while July had 31.

Now, July was named in honor of Julius Caesar. Augustus was so jealous of the fame of Julius that he demanded that his own month be given as many days of Julius' month had.

So they robbed February of one of its days and added it to August to gratify Augustus Caesar's vanity.

A FIVE-PAGE THRILLER

The book of the year was published in Berlin, Dr Albert Einstein's five-page treatise entitled "A New Field Theory." It will presumably attract as much attention as his revolutionary three-page book of 1922, which has been discussed in thousands of books.

His earlier work, despite his statement that only half a dozen men in the whole world were capable of understanding it, made "relativity" one of the most familiar words in the language. Until authorities have begun to explain his new book, we can only wonder what it will make popular in 1929 and what philosophy will be as eagerly discussed as the time and space theories launched by the earlier brief book.

PULLS AWAY WITH THREE-PLY WIN

Kearny Falls Before Fast Nutley Attack

Nutley High School tilters showed their best form of the season in disposing of Kearny High School 45 to 8 at Park School Auditorium, last week. A fast passing attack in which they kept possession of the ball most of the time and a defense that the trans-Passaic boys found hard to penetrate was the reason for such an overwhelming defeat. In the first period the scarlet-clad lads were blanked.

To start the fray coach Stanford's warriors went on a scoring spree which netted them a total of ten markers. In this session the passers coached by Lou Fish failed to tally a single marker, it being the first time that this has happened to Kearny.

As the second quarter started Kearny took a brace and held the Nutley tilters to eight points while Nutley tallied three.

Not satisfied with the lead held by his lads Stanford sent in his ace, captain Baykowski, and "Bake" immediately made his presence felt by a steady barrage at the Kearny basket with field goals which accounted for eleven points. For the second time in the game the Kearny tilters found themselves blanked, this time it was the third period and Nutley was leading 35 to 3.

In the last session the substitutes were injected into the fray and they managed to outscore the Kearnyites seven to five.

Crawford and Baykowski were the leading scorers for Nutley tallying fifteen points apiece.

Second Team Game
In a preliminary game the Nutley High School seconds were handed an unexpected setback at the hands of the Imperial A. C. leaders in the Nutley Junior basketball League. In the first period the Imperials jumped to an early lead when Jannarone tallied a foul followed by two baskets from Thrum and Forresta. At the end of the first period they lead 5 to 0. The school team rallied in the second canto and passed the Imperials to lead at half time 16 to 11.

Starting the second half the teams found themselves battling on even terms when the Imperials closed the gap held by the second team and a few spectacular shots in the closing minutes of the game brought victory to the Imperials by the score of 23 to 20. Jannarone and Thoma were the stars of the game.

BELLEVILLE-NUTLEY TUSSLE GOES ON TUESDAY AFTERNOON

Those two ancient rivals, Nutley and Belleville, will meet on the court next Tuesday afternoon to decide which has the better basketball team in the first of a two-game series at the Belleville court. To date Belleville has shown itself to be the better team.

Nutley and Belleville have not met on the court in the past six years and it will be a great treat for fans to witness a contest between these two fives. In years past these games were hotly contested and hard fought the players fighting to the last ditch and Tuesday's contest should be no exception as both teams are in fine physical condition.

The probable line-up for Belleville will be as follows: Armour, Mayes and Knowles, forwards; Short, center; Bennett and Jackson, guards. Nutley will have Baykowski and Gibney, forwards; Crawford, center; Sentner and Stager, guards. Game time about 2:00.

Imperials Discuss Baseball Schedule
The Imperials are planning their 1929 baseball campaign. In 1928 the Imps registered twenty-nine victories in thirty four starts and finished second in the Nutley Junior Baseball Loop.

Manager Frank Zampano is arranging a hard schedule for his nine 7 and here are some of the clubs that will appear on the schedule which will open up the first week in April: Newark Cubs, Plainfield Sacred Heart, Nishon A. C., Memorials, Abadaba Club, Independents and Clintons of Belleville.

The regulars from last season who will be in the fold when the season gets under way are Lordy, pitcher; Zampano, first base; Jannarone, Natural, Romano, Pettilo, Liguori, Picherello, Williams, Stopp, Bridges and Casale. Newcomers will be Thrum, Tuzolo, Pratt, Mineisser, Forresta. Lordy and Zampano will pick the squad. A three-game series may be arranged with the Clintons of Belleville.

Imps Second Drop Game To Newarkers
The Imperial second team at Cleveland School, Newark, last week, dropped a hard fought game, 16 to 14, to the strong Paragon Five of Newark. The score at the end of the first half stood 7 to 4 in favor of the city boys, and at the end of the regular game the count was knotted at 14 all.

Instead of a regular five minute period being played to decide the winner the referee had the teams play until one of them scored a basket, due to other games. The game came to an end when Rappaport dropped in a mid-court basket for the City five.

Rappaport plays with the Antlers. Casale starred for the locals while Koho was the whole show for the Newarkers.

Going out of their class by stacking up against the Roseville A. C. the Valleys were handed a 24-5 setback.

The "Racs" started early and amassed twelve tallies in the first half while the Valley team remained scoreless. In the second half the victors accounted for another twelve points while Otto was the only Valley man to tally, sinking a field goal and three fouls for this team's total five points.

Otto was the best performer for the Valley team while Bollinger, all-state center two years ago, shone for the "Racs" five. Rosenberg turned in a good game, accounting for eight tallies.

Naval Range Finder

An accurate method of computing the distance between ships when the height of the enemy ship is not known is by the use of the optical range finder. This instrument is installed in the turrets of battleships. It consists of a long tube with optical prisms. The length of the tube is taken as the base of a triangle. The distance is then figured out mathematically. The degree of accuracy depends upon the visibility conditions and the distance can usually be ascertained within a few hundred yards of the exact distance.

Mispronunciations

As many words are mispronounced as are misspelled, according to a writer in Copper's Weekly. "Among the mispronounced ones," he says, "are aviator, aviation and radiotele. The first 'a' is pronounced as in 'ate,' 'late,' not as in 'rather.' The word 'grimy' is often pronounced as if it were spelled 'grimage.' The 't' should be given the long sound. 'Route' is often pronounced 'rout.' It should be 'root.' The word 'address,' meaning the superscription on a letter, is not 'ad-dress,' but plain address with accent on last syllable."

New Studebaker President Eight Victoria

FOR THE MAN OF AFFAIRS, feminine motorists and small families, Studebaker's new 115 horsepower President Eight Victoria is an unusually popular model. A car of exceptional power and riding ease; it provides ample room for four passengers and luggage for which there is a large compartment at the rear. With six wire wheels, luggage grid and Houdaille hydraulic shock absorbers as standard equipment, The President Eight Victoria is priced at \$1895 at the factory. The President Eight is the car which made automobile history last August by traveling 30,000 miles in 26,326 consecutive minutes. Nothing else made by man has ever traveled so far so fast. Thirteen world records, 23 International records and 115 official American records are now held by The President.

Imps, 2nd vs. Hawks 2nd
The Imperials who have held the lead since the start of the Inter-Town basketball league now share that position with the Comets who, by virtue of their win over the leaders, 32 to 23, last week, are now tied for top honors. The defeat of the Imps by the Comets snapped an eight-game winning streak and at the same time capped a climax of an uphill fight made by the Comets.

The second game of the evening at the Park School Auditorium proved a lopsided affair, when the Riveras submerged the Hawks of Belleville under a barrage of field goals that left the losers bewildered when they went off the floor, the final score reading 39 to 23.

State Bowlers Set For Tournament

The 5th annual New Jersey State Bowling Championships will be held at the Llewellyn Bowling Academy in Orange starting February 23. This tournament is to be conducted by the Greater Newark Bowling Association has the sanction of the American Bowling Congress and is open to every player in the State.

Competition will be in the five-men, two-men and individual events with the entry fee being \$1 per man per event plus the actual cost of bowling which places this championship event within the reach of all. Winner in each event will receive medals emblematic of the State title while the winner of the all events will be awarded a diamond medal. Special awards have been donated in each squad. One of the features of the pinning this year is that bowling will be on Saturdays and Sundays only with special arrangements being made for those teams that cannot roll on the week end dates, Wednesday has been set aside for those teams. Doubles and singles will be pinned starting at 7 p. m. with the five-men event listed for 9 p. m.

The week-end dates are gradually filling up and already special nights have been allotted various leagues in the community with fourteen teams from Orange scheduled for the opening on the 23rd.

The most important fact to be borne in mind at this time is that the entries close on February 15th with H. A. Grinstead, Room 913 Prudential Building, Newark. Entry blanks will be forwarded on request.

Tuscarora Canoe Club Holds Annual Banquet

The twenty-third annual banquet of the Tuscarora Canoe Club was held Saturday night at the clubhouse, 230 Main street. Speakers were Mayor Samuel A. Knaworthy, John C. Lloyd and Harvey B. Thompson of Belleville, and representative-elect Fred A. Hartley Jr. of Kearny.

Motion pictures of the regatta of the Middle States Canoe Racing Association held on the Passaic last summer under auspices of the club were shown.

The racing program for the year was discussed.

Belleville Team Hands Nutley Defeat

Collegiates From Towns Hook Up In Hectic Fracas

In the first game of a three-game series last week the Belleville Collegiates came through with a win over their ancient rivals, the Nutley Collegiates, 35 to 30. From the opening whistle until the closing minutes there was action and a nip and tuck battle developed. The score at half time read 15 all.

Belleville opened up with a foul toss and followed it up with a pair of field goals before the Nutley quintet could get started and then Nutley loosened up with three field baskets which put them one point to the good. From this point on a merry battle waxed with first one team and then the other tallying a field goal and matching foul for foul. McBride and Mutch lead the Belleville in the first period of scoring while Macaluso and aBuman furnished the fireworks for Nutley.

In the second half the Nutleyites substituted and the change did not work so well as the Bell boys began to pile up a lead which was brought to a stop when the regulars were rushed into the breach. From there Nutley fought an uphill battle to regain lost ground with a last minute rally which had the fans on their toes. The Nutley team scored eight points in the last minute of play.

The stars of the game were McBride for Belleville and F. Macaluso for Nutley. Both of these lads tallied the majority of their teams' points and played good floor games as well. There will be another game played on Washington's Birthday night at the Belleville court.

Wallace And Tiernan Wins Three Battles

Wallace and Tiernan added a game to its lead by taking two contests from the International Ticket five in the Manufacturers' League, last week. Wallace and Tiernan turned in its second three-pley win in as many weeks by taking over the Thomson Machine quintet, sending that team into a tie for third place with International Ticket. Sonneborn and Sons came to life to capture two tilts from the Federal Leather team, depriving the Federal five of a good chance to advance.

Next Week's Schedule
Vincent vs. St. Marys
Grace vs. St. Pauls

The race in the Nutley Church League remained the same as both leaders won their games after hard battles from the opposition, last week. Grace took on Vincent in the opening tussle and emerged the winner, 43-32. The final game saw the St. Paul team fighting hard and they nearly downed an over-confident St. Mary five who rallied in the final period of their game to finish on top, 29 to 21. Next week will see the Grace club meeting the Paulies while the Maryites will tackle the Vincent quintet. Both games should prove to be corkers and the league leaders will have to be on their toes to remain on top.

Grace-Vincent Game
In the initial canto the teams were about evenly matched with Grace having a slight advantage at the end, 8 to 7. Brewster's field basket helping Grace in the scoring while Forrester kept his team in the running. The end of the first half Grace was leading, 20-18.

The third quarter proved the undoing of the Vincent team as the Grace passers went on a scoring spree. This handicap proved too much for the Vincent team. Bauman and Illiffe were the real stars of the Grace team as their floor work combined with their shooting ability proved the undoing of the Vincent five. Kelly, Taylor and Forrester shared the limelight for the Vincent centers by their hard playing.

St. Marys-St. Pauls Contest
The St. Paul's team outplayed the Maryites in the first period of their game and lead, 7-5. The teamwork of the Mary team was very ragged and they were way off in their shooting. In the next canto the St. Mary passers managed to outscore their rivals 6 to 5 although the Paulies continued to outplay them and the end of the first half saw the Paul team leading, 12 to 11. The playing of Leo Jentis was too much for the Maryites in this half. Opening the second period the St. Paul team began to pull away from the Mary-

The Fewsmith pinners cut a game from the lead maintained by the Everyman's Bible Class team, by turning in a three-pley win over Christ Episcopal while the class quintet was taking two games from the Montgomery Chapel five. Grace Baptist took two tilts from the Reformed bowlers, thus gaining a game on the fourth place position.

The Fewsmith five hit the high marks with no opposition as the Episcopal team failed to make an appearance. Oh wait—we almost forgot—Fred Ford was on the scene and bowled all three games but his spirit was not enough to daunt the victors. The second place five hung up scores of 896-935-806. Oschner hit the maples for 206 in the second fray which was the evening's high individual mark. Vanderhoof also

9:00 p. m. Speedsters vs. Timbers.
The Lions Club duck pin bowling tournament continued on its way with the Timber team turning in a three-pley win over the Giant trio while the Comets took two games from the Speedsters.

The triple victory sent the Timber team in first place with the Speedsters dropping to second position. The Timbers had an easy time with the tail end Giant trio having a comfortable margin of victory in each tilt. In the third contest they topped the small pins for 318, four pins below the league mark held by the Speedsters. McCabe bowled best for the Timbers and in the second game hit them hard and often to set a league high individual mark of 132.

The first game between the Speedsters and Comets was a fast one, being nip and tuck all the way to the end when a spare by Jeffery gave the Comets the tilt 254-248. The Speedsters found the small pins in the next game to return victors 258-228. However, in the final fray the Comets again hit their stride to sock the
