## Time Limit Extended For Capitol Awards

### Girl Scout Drive

#### To Raise \$2,500

This Amount Is Needed To Hire Trained Leader

A campaign for \$2,500 in aid of Belleville Girl Scouts was announced at the annual rally and court of awards Saturday night in the high school gymnasium. The money will be used to pay a trained Scout leader. The canvass will be made soon. A meeting of a committee was held Wednesday in the Town Hall.

Supervising Principal George R. Gerard approved of instruction in home activities as emphasized in Scout work. Mrs. May Holden, Girl Scout commissioner, presided.

About 300 badges were distributed by Mrs. Charles L. Steel, chairman of the court of awards. First class scout badges were given the following:

Evelyn Hollberg, Lena Roviello, Pearl Hemingway, Daisy Fulton, Audrey Eppler, Edith Ferguson, Madeleine Field, Marjorie Hageman, Edna Baun, Dorothy Howley and Ruth Engel.

Merit Badges were presented to the following girls: Troop No. 1—Hazel Franklin, Lillian Harker, Patricia Hauman, Alice Helminger, Marjorie Hagemann, Evelyn Hollberg, Charlotte Holden, Ena Holden, Harriet Miller, Marian Miller, Lena Roviello, Viola Sautter, Beatrice Vogel and Freda Yudin. ### Woman's Club Plans Afternoon Card Party

#### Several Women Attended Memorial Exercises At Alpine

An afternoon card party will be conducted by the Woman's Club, Monday afternoon, at 2:15 at the club house with the chairman, Mrs. John J. Schaffer, in charge.

Mrs. H. N. Cummings, Mrs. N. E. Sippel, Mrs. Frank Rose, Mrs. Gordon Sinclair and Mrs. J. Claude Powers will be hostesses for the day and will be in charge of refreshments.

The following club members attended the memorial ceremonies in "Memorial Federation Park" at Alpine last Tuesday afternoon, Mrs. W. P. Adams, Mrs. John S. Kirkpatrick, Mrs. Samuel A. Bootes, Mrs. Charles H. Kelly and Mrs. M. Payne. A memorial was dedicated to the women of the Federation of Women's Clubs who worked so untiringly for the preservation of the Hudson River Palisades, which resulted in the creation of the park.

The drama department journeyed to the "Job Haines Home" in Bloomfield last Monday night and presented, "The Burglar" a one-act comedy for the entertainment of the guests.

The cast included Mrs. A. Fitzherbert, Mrs. Norman Manderson, Mrs. R. C. Whitfield, Mrs. Joseph Kaden, and Mrs. Harold Nelson. Mrs. J. Perry Brown, chairman of the department, was coach.

Other numbers on the program were soprano solos by Mrs. R. M. Beck, readings by Mrs. J. V. Thetford and trombone solos by Norman Thetford.

Judging by the continuous applause and numerous encores the entire entertainment was greatly appreciated by all. The Woman's Club furnished refreshments, serving ice cream and cake.

### Mooseheart Women Plan Card Party

Belleville Chapter, Women of Mooseheart Legion, will meet Thursday evening at 7:30 in Elks' Home where a short business session will be followed by a card party under the auspices of the drill team directed by Mrs. Mae Hank, captain, assisted by team members. All card games, as well as bean bag will be played.

Members of the Chapter are asked to call or send a card to Senior Regent Miss Florence Hank who has been ill at her home, 34 Chester avenue, Newark; Mrs. Daisy Smith is at Beth Israel Hospital in Passaic; Mrs. May Kimble is in St. Mary's Hospital, also Passaic. Officers and members are wishing for a speedy recovery of the sick members. On Sunday, the members of the Chapter will take part in the instituting of Linden chapter.

### Hargrove Headmaster Speaks To Pupils

#### Addresses High School Assembly On "China"

Henry E. Hargrove, headmaster of the Hargrove School of Tutoring of Montclair and a graduate of Yale University, spoke at the High School Assembly on "China," last Friday.

The keynote of his brief, illuminating talk was that ignorance is the cause of all hatred as regards China. He also cited ignorance and lack of understanding between nations as the world's chief reason for most wars.

Mr. Hargrove's recital of the Chinese mode of dress, entirely opposite to ours, was at once enlightening and amusing. He also stated that boys were the only ones to receive names at birth, the girls being numbered.

In his many travels abroad he remarked that the International Date Line was a source of great interest to him. He related its odd pranks in causing a steamer crossing it to have an extra day added to or a day subtracted from a week, according to the direction toward which the ship was sailing.

Chinese Alphabet.

The Chinese alphabet was the next subject taken up by Mr. Hargrove, who said that it required many years of hard study to master it. He said that a man must know at least ten thousand letters to even be fairly well acquainted with the alphabet. Some of the characters, he stated, contain twenty strokes and every character is a word or an idea.

The Chinese monetary system was also summarized by Mr. Hargrove, who gave an account of the many coins and other money employed by the Chinese with some of them practically worthless. He stated that the Chinese monetary system was very bad and greatly in need of aid from the rest of the world.

As a sort of extra treat Mr. Hargrove gave an account of an unprinted Chinese legend, which he had heard while in China. It was a simple but pleasing anecdote and met favor with the student body.

Mr. Hargrove then concluded with a display of a pretty Chinese wedding dress on a high school mannequin and some examples of artistic Chinese cloth work, which he explained was all done by hand.

Having spent ten years in China Mr. Hargrove was certainly qualified to speak on the subject and he put it across in a highly commendatory manner.

### Legion Dance, May 10.

Belleville Post, American Legion, is completing plans for its dance which will be held Friday evening, May 10.

### It Was Only Steam, But Caused Much Excitement

Residents in Washington avenue in the vicinity of Malone avenue received a thrill Sunday when firemen were called out to extinguish a "fire" in Eddie's Meat Market, 475 Washington avenue.

The firefighters scurried forth at a telephone call, but when they reached the market there was no fire.

The cause of alarm was an open steam pipe from which steam was pouring in great volume. From outside the store it looked like smoke. After the firemen had crashed through the front door the trouble was discovered.

The firemen received another call the same day to extinguish flames which threatened an automobile in Cedar Hill avenue. This blaze was out by the time the apparatus arrived. The car owner's name was not obtained.

### Vocational Guidance Meeting of P.-T. A.

#### Discussion Is Scheduled For Final Gathering On May 16.

The Parent Teacher Association has planned to have a speaker on Vocational Guidance at the meeting on Thursday evening, May 16. Following the custom of organizations throughout the State, this will be the final meeting for this season.

The program committee and social committee will present a program of entertainment and serve refreshments.

### MAYOR TOSSES UP FIRST BALL AND TWILIGHT PLAYERS START

St. Peter's B. B. C. made an auspicious start in their first game of the Belleville American Legion Athletic Development League when they defeated the Capitol Social Club at Clearman Field Saturday, 19-9. Lou Belesky started on the mound for the Capitols and Joe Curran, St. Peter's. As this game was the first in which these slab artists pitched this season both managers decided to relieve their star twirlers in the fifth innings. In this stanza Jimmie Mallack took up the pitching burden for the Capitols and Ral Flynn whizzed them over for St. Peter's.

The Capitols scored in the first inning when Jimmie Mallack singled to center and reached home on John Mallack's terrific drive over Ral Flynn's head for a three-bagger. St. Peter's came back in their half and scored a run when Carragher worked the pitcher for a base on balls and went to third on Mac Lamb's double over the left field fence. Carragher came home on Ral Flynn's infield hit but Lamb was left stranded when Comeskey grounded out to second.

There was no scoring by either team in the second inning but St. Peter's scored two runs in the third on two singles, two bases on balls and an error. The Capitols were not to be scared by this, however, and proceeded to chalk up two more runs on singles by Joe Flynn and Jimmie Mallack and a double to right field by John Mallack. In the Saint's half of the fifth Kinnealy led off with an infield hit and scored on a triple to deep center by Wengel who later reached home on Curran's pretty single to left.

By this time the Capitols were

fighting madly and went out and obtained four runs on an error, three successive hits, a base on balls and a passed ball. After this outburst Ral Flynn had the Capitols batters in hand and shut them out for the remainder of the game.

Jimmie Mallack had the Saints baffled until the last inning when Mac Lamb reached first base on an error and went to third on Johnstone's drive off the left field fence for two bases. Both runners scored on a short over second and John Flynn broke up the game with a well placed hit to left field.

The features of the game were Mac Lamb's fielding and hitting for the winners and the hitting of John and Jimmie Mallack for the losers.

Tonight at Clearman Field St. Peter's will take on the Bell-Nuts, a team composed of former baseball stars of Belleville and Nutley High schools. Joe Curran and Hugh Welsh will probably form St. Peter's battery while Jacobson is expected to toss them over for the Bell-Nuts with John Lamb receiving his slants.

### Valuable Articles On View In Lobby Of The Theatre

#### Plan Is In Conjunction With Trade At Home Campaign

So well has the issue of coupons progressed at the Capitol Theatre in connection with the Belleville Progressive Merchants Shop at Home Campaign that Manager Berney Fenias has decided to continue a week longer. The patrons receive with each admission a coupon that may prove to be the winner of one of the fifty valuable awards on display in the lobby.

The coupons were to be given out from last Monday until tomorrow, inclusive, but the time period has been extended until Saturday, May 11. The awards are a true high value.

Each night from Monday, May 13 to Saturday, May 18, an equal division of the awards will be made until all are gone. Coupon holders or representatives must be present to get the award. Mayor Samuel S. Kenworthy, other town officials, bank representatives and others will give four-minute interest addresses in addition to an exceptional photo play program.

These diversified interests have joined to call to the attention of residents of Belleville and vicinity the unequalled shopping facilities, new, up-to-date merchandise; prices as reasonable as anywhere; polite service and the many advantages of dealing with your neighbors.

### K. of C. Gives Degrees In Lyndhurst To Father And 5 Sons

#### Famous Breslin Family Passes First And Second Degrees

The Degree team of Belleville Council, K. of C., Friday evening enjoyed the unique experience of exemplifying the First and Second Degree on a large class of candidates which included a father and five sons, all honored and respected residents of Lyndhurst, where the local team officiated.

The father, John J. Breslin, Sr., a former resident of Nutley, was known to some of the older members of the council. They recalled his athletic activities when, as a member of the Franklin B. B. C., he played against the Woodstocks, a team near and dear to the hearts of old Belleville.

His sons who took the degree with him were, John J. Jr., assistant Prosecutor of Bergen County and Recorder of the Lyndhurst Court; James, a promising young lawyer who followed his father's athletic footsteps and played a bang-up brand of ball with the Nutley Club and later with the Catholic University team of Washington, D. C.; Roger, a graduate of Notre Dame and now teaming at Lyndhurst High School; Michael, who formerly attended Fordham and who is now engaged in business locally.

It is unusual to find a family of this size being inducted into an organization all at one time, and it is especially pleasing because of the high calibre of these men.

After the degree, James A. Breslin, Sr. of this town and the elder Mr. Breslin got together and talked over old times, they having met several times on the baseball field their younger days.

Mrs. Breslin, the mother of the family, is known by many women of Belleville who have come in contact with her because of her untiring work in connection with the Catholic Daughters of America, she being one of the founders of the Lyndhurst court.

Having exemplified degrees in Lyndhurst, Caldwell, Nutley, Harrison, Carteret and Lyndhurst, the Belleville team returns to their own Council on Monday night to exemplify the First and Second Degree on a large class of candidates.

Miss Snyder's marriage to Gerard Wentink will take place in June.

## Turbett-Herkness

Palms, white roses and carnations decorated the altar of St. Peter's Church, Saturday morning for the wedding of Miss Margaret Mary Herkness, daughter of Mr. and Mrs. William F. Herkness of 11 High street, and Joseph Charles Turbett, son of Mrs. Mary A. Turbett of 57 Fleming avenue, Newark. The ceremony took place at 10 o'clock.

Arthur Keegan of Jersey City, organist at St. Peter's, played. Miss Anne Erneste and James Caffrey of Newark gave vocal selections.

The bride, who was given in marriage by her father, had as her only attendant Miss Mercedes Burnett of Newark.

Walter J. Turbett, a brother of the bridegroom, was best man. Ushers were Thomas Quigley of Newark and William Herkness, the bride's brother.

The bride wore a gown of white lace and georgette crepe. Her cap-shaped veil was caught with orange blossoms. She carried a shower bouquet of bride roses and lilies of the valley.

Miss Erneste's frock was of coral-colored georgette crepe. She wore a picture hat to match and carried a shower bouquet of roses and baby's breath.

A reception at the bride's home after the ceremony was attended by fifty from Atlantic City, New York City, Brooklyn, Ridgewood and nearby. Decorations were similar to those at the church.

After a two week's motor trip in the South the couple will make their home in the Vailsburgh section.

## Post-Flynn

Miss Helen Veronica Flynn, daughter of Mr. and Mrs. James Flynn of 24 Smith street, and Edward Leo Post, son of Mrs. Edward Donnelly of 230 Belleville avenue, were married Saturday at St. Peter's Church with a nuptial mass. Rev. Edwin J. Field, rector of the church, performed the ceremony.

Mrs. George Lonergan played the wedding march and accompanied Miss Katherine Broderick, who sang "I Love You Truly," "Ave Maria" and "Because." The altar was decorated with palms, ferns and white carnations. The bride, who was given in marriage by her father, had as her only attendant Miss Gertrude M. Kinnealy of Nutley, brother of the maid of honor, was best man.

The bride's full length bouffant gown of white taffeta had long sleeves. With it was worn a laced tulle veil five yards in length, caught at each side of the head with a cluster of orange blossoms. The bridal bouquet was of white roses and sweet peas.

The gown of the maid of honor was of yellow taffeta. Made in Queen Anne style, it had an uneven hemline and long sleeves. A small yellow hat completed the costume. Flowers were butterfly roses and orchid-colored sweet peas in a shower.

The bride's mother was attired in dark blue chiffon with a corsage bouquet of sweet peas. The bridegroom's mother wore tan crepe with a corsage bouquet matching that of the bride's mother.

For traveling the bride had a tan ensemble with broadtail trim, with which was worn a small hat to match.

A wedding breakfast for the immediate families was served at the bride's home.

The couple, who went to Albany, will return about May 10 to make their home at 279 William street.

## Play At Church

The three-act comedy, "Miss Fearless and Company," was presented Friday night of the Fellowship Circle of Fewsmith Memorial Presbyterian Church, Belleville in the church school auditorium. The play was directed by Miss Margaretta Gedney. Mrs. S. C. Barrett was chairman of tickets and publicity and Mrs. Samuel Smith of candy sales. In the cast were Mrs. E. E. Briggs, Mrs. Florence Estelle, Mrs. I. R. MacArthur, Mrs. Harry Wortman, Mrs. Henry Squier, Mrs. Emily Sundheimer, Mrs. William Wilson, Mrs. Albert Babcock and Mrs. George Cox of Belleville and Miss Arabella Palmer of Nutley.

The marriage of Miss Florence Mildred Miller, daughter of Mr. and Mrs. Thomas H. Miller of 285 New York avenue, to Harry Paul Stalter, son of Mr. and Mrs. Alphonse Stalter of 121 Rutgers street, took place last Saturday afternoon at St. Paul's Episcopal Church. The ceremony was performed by Rev. A. Stewart Hogenauer.

Mr. and Mrs. William Paul of Bridgeport, Conn. brother-in-law and sister of the bridegroom, were the attendants. A dinner followed at the Elks Home. After a trip to Washington and Virginia, the couple will make their home in East Orange.

The Hillcrest Improvement Association of Belleville will hold a smoker Monday night at the Recreation House.

The committee in charge, of which Harold Virtue is chairman, met Monday night at the home of the president, Charles L. Steel, to make definite plans.

# CAPITOL THEATRE

(Continued from Page One)  
This is a united effort on behalf of all the merchants to induce townpeople to shop in their home town.  
A beautiful 1929 Plymouth Sedan, which is on display in the lobby of the theatre will be given free to the lucky Belleville shopper. A coupon free with each \$1 purchase. Ask for them from your local merchant. The Plymouth will be awarded on or about May 30. See this paper for further details.

**D. of A. Meeting**  
The good and welfare committee of Good American Council, No. 102, Daughters of America, will meet at the home of Mary Lee, Division avenue on Wednesday afternoon.  
Plans will be discussed for a good time on May 3 at the regular meeting of the council. Games and so forth will be played after the meeting.  
Mrs. Evelyn Hollweg will entertain at cards next week.  
The committee is sorry to hear Mary Kimble is in the hospital after a serious operation.

# Head Pin Contest To Start In May

Bowlers, attention! Members of the Men's Club of Grace Baptist Church, at the corner of Overlook avenue and Bremond street, are arranging a head pin contest to be rolled during May. All bowlers from Nutley and Belleville are eligible and are invited to join the contest. Attractive awards are being offered for the highest scores rolled in three consecutive games. The first is to be a \$50 gold watch. All awards will be on display in the windows of Kaden's Drug Store.  
The alleys at the church will be open every evening during the week from 7 to 11, with the exception of Wednesday, when they will open at 9. The alleys are also open on Saturday afternoon from 2 to 6 P. M. This will give any desiring to practice an opportunity to roll a few games.  
If you desire to enter the contest fill out the coupon below and mail, or hand it to the man in charge of the alleys. \$2. should be attached to the coupon, this covers the entrance fee and allows the contestant to roll three games.  
A receipt and copy of the rules will be given each contestant. The receipt will specify the date contestant is to bowl.  
201 Linden Avenue, Belleville, N. J.  
Enclosed find \$2. entrance fee for Men's Club headpin tournament.

# Mother's Day Is Now Flower Feast

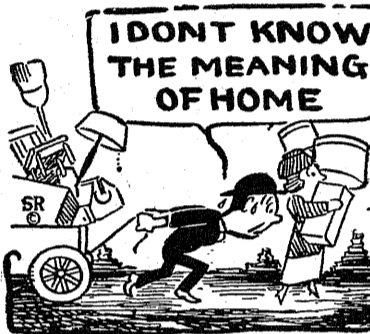

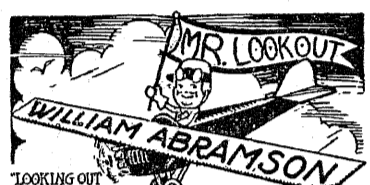

**Florist Says Increasing Use Of Flowers For Day Noted Here**  
"Every Mother in the world loves flowers," said Joseph Harter, of the Harter, Florist. "That's why they are so popular for Mother's Day remembrances. That popularity has been growing every year, and nowadays few men, indeed, and even fewer women, fail to send a bouquet or a potted plant, or some similar growing thing to Mother as a remembrance for Her day."  
"Flowers in profusion will be available for the day, and the prices will be unusually low. Growers in all parts of the country have been anticipating the demand for this occasion for weeks, and have been working overtime, in most cases, to see that all the markets are plentifully supplied."  
"Another reason why so many people pick flowers for Mother's Day is that they know that flowers convey sentiment so aptly. Every Mother knows when she receives a bouquet from her son or daughter, that there is a tie of affection binding them together, no matter how great the physical distance that separates them may be. Our national slogan, which is being used in advertising by florists in all parts of the world, and which has already been translated into several foreign languages is more than just an apt phrase. 'Say It With Flowers' truly describes the duty that flowers fulfill; they bring a wordless message that is as understandable as their beauty or their fragrance, and equally hard to phrase in cold words."  
The flowers which will probably be most popular locally, according to the city's florists, are Carnations, Roses, Sweet-Peas, Hydrangeas, Begonias and Calceolarius.  
All of the flowers named will probably be unusually low in price, because of the provisions made for them in advance by growers of this vicinity, and in other parts of the country.  
Mr. Harter is a member of the Society of American Florists which owns the famous "Say It With Flowers" slogan, and has been keeping it before the American people through its co-operative national advertising program.  
He is also a member of the Florists' Telegraph Delivery Association and telegraphs flowers to all parts of the world.

# Belwood Park

## Protests Factory Commission Awaits Figures On Assessments Which Have Been Made

Opposition to the erection of a plant in Belwood Park section of Belleville by the Keller Mechanical Engineering Corporation of Brooklyn was voiced Tuesday night by 125 residents of the section in a petition to the Town Commission. Fifty property owners also objected on the ground that the section is for residential purposes and the factory should be barred.  
It appeared that the petition was about to be filed on suggestion of Mayor Samuel S. Kenworthy when Commissioner Frank J. Carragher declared that "there ought to be some discussion on this."

"The petition isn't worth the paper it's written on," he said. "The board agreed in conference that this factory should go through. But with all these people objecting we should think twice."  
Commissioner Patrick A. Waters was applauded when he said that if the majority do not favor the plant he will vote against the measure. No action was taken Tuesday night.  
The factory would locate across the Erie Railroad adjacent to Belwood Park. A \$250,000 plant is planned to be set back fifty feet from the Belwood Park station of the Erie. A lawn and shrubbery are also planned.

Former assistant Town Engineer John Fitzgerald, who is Clifton's engineer, told the board at its afternoon conference that he does not know what has happened to the cross section plan which was made at the time Brighton avenue and Wallace street were paved, showing the amount of excavation. Fitzgerald said that when the work was done he plotted the cross section, which was placed in a cabinet in the Engineering Bureau. In the course of changing to a file system he thinks the section may have been mislaid.  
Mayor Kenworthy was authorized

to close a contract between the town and the Newark Memorial Hospital for taking care of Belleville cases, especially clinic and maternity. Ordinarily the town would pay \$14 a week and \$35 for each maternity case. The rate, the Mayor said, had been obtained at \$7 a week less than any other hospital would offer. Accident and emergency cases will continue to be sent to St. Michael's Hospital.

## Home of Gene Stratton Porter Acquired For Boy Scout Camp

### Famous Indiana Limberlost Property To Be Developed As Nature Sanctuary.

Among the many campsites of historical and national interest which the Boy Scouts of America have acquired during the last few years is the story-famed Gene Stratton-Porter Limberlost cabin property on Sylvan Lake, five miles northwest of Kendallville, Indiana. Announcement of the purchase of the property which is to be used as a Scout camp and nature shrine was made last week by E. G. Hoffman, president of the Anthony Area Council of the Boy Scouts of America, with headquarters at Fort Wayne, Indiana.

**Bought From Daughter**  
The Porter cabin, with three quarters of a mile of lake front and the acreage of natural beauty surrounding it, was purchased from Mrs. James L. Meehan, daughter of Mrs. Porter, in whose possession it had been by her since the death of the Limberlost writer, who used the settings in and around this camp for many of her stories.

The consideration was \$20,000, represented as a special concession to the Boy Scouts in order that this ground might be fittingly dedicated to the memory of Gene Stratton-Porter. It is understood that Mrs. Meehan refused large sums from private enterprises, and it is stated that Mrs. Porter, creator of "The Music of the Wild," had invested between \$75,000 and \$100,000 in the cabin and nature work alone.

**Many Trees.**  
Five and one-half acres immediately surrounding the Limberlost cabin are wooded and there is a total of 40 acres of trees on the estate. Part of the remaining farm land will be used for nature work, general camp activities and the remainder for providing vegetables and milk for the camp.

The 10 acres adjoining the cabin had been developed by Mrs. Porter as a nature museum—comprehensive, beautiful, sublime. There is perhaps no other collection of plants, herbs, vine and tree life its equal anywhere in America. The Limberlost cabin itself, born of the woods and made of logs, has a large attic and sleeping porches. There are four very large rooms and kitchen on the ground floor and seven sleeping rooms on the second floor. This cabin can be used as a nature museum and training center for the entire area. Sylvan Lake itself is a beautiful body of water with surroundings of great natural loveliness.

#### SCOUT TRAINING

Remembering his Scout training, when a bag of black gunpowder exploded and his clothes were ignited by the flames, Scout John H. Dooley Jr., 15, of 237 Weld street, Bedford Mass., rolled on the ground until the flames were extinguished. The Scout then ran to the road and was carried to the home of his grandmother by

a passing automobile. While a doctor was being called, he gave himself a treatment of linseed oil and although his burns were severe, attending physicians say that he will suffer no serious injury from his experience.

The Scout with two other companions, while on a hike, went to Sullivan Ledge. The weather was cool and the boys decided to build a fire, first clearing a space for it. One of the boys found a paper bag filled with shiny black flakes which he did not recognize as gunpowder. He laid it down not far from the fire and forgot about it. A spark from the campfire blew onto the paper bag and the contents, which was gunpowder, exploded. The fire set Scout Dooley's clothes ablaze. There is a 100 foot drop into shallow water off the brink of the ledge. For a few moments the Scout poised on the brink, not knowing whether or not to jump. Then he remembered his Scout training and rolled on the ground until the fire was extinguished. The Scout says that when he was just about ready to jump off he remembered the training given him by his Scoutmaster, Ian Taylor, and remembering his instructions that a Scout should either wrap himself in blankets or roll on the ground if his clothing caught fire, he saved himself from being severely burned.

#### HISTORICAL SHRINE

Boy Scouts of Troop No. 4, Albert Lea, Minnesota, recently discovered an abandoned cemetery of historical interest on a high hill to the northwest of Fountain Lake. As a Good Turn to their community they intend preserving the place as an historical shrine and will, in the future, take care of it.

The Scouts are building a fence around the small cemetery, restoring the markers and trimming the grass.

#### SCOUT SWIMMERS

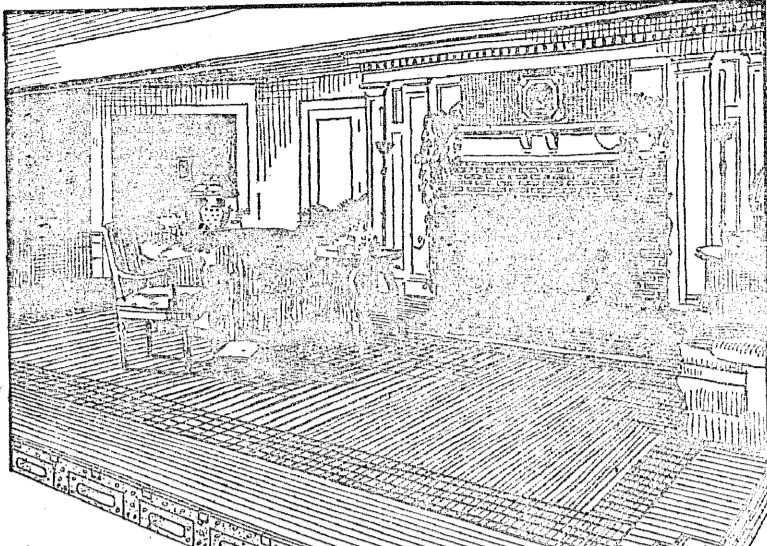

Many of the star swimmers of the Cincinnati High Schools and the University of Cincinnati obtained their training in swimming as Boy Scouts in Camp Edgar Friedlander, the Boy Scout Reservation at Miami-ville, Ohio.

Among these outstanding swimmers are William Feldhaus, Robert Grosse, Ross Hastie, Robert Benham, Robert Nau, Earl Konard and Richardson Rice.

#### CONSERVATION

To prevent the destruction of flowers, blooms and shrubs in Mohawk Park at Tulsa, Okla., a Boy Scout patrol will be on duty during the daylight hours every day. In addition to their regular patrol work the Scouts will be stationed on park roadways to assist in directing traffic. They will hand to visitors, cards outlining the program.

## Beauty Combined With Strength

The Beauty and Resiliency of Wood May Be Combined With the Strength of Concrete.

Few question the beauty of a well-laid hardwood floor in a home. Likewise there are few who do not desire the fire-safety, quiet and stability which are assured with concrete. Fortunately, it has been found that the two can be united to the utmost satisfaction and economy to the home builder.

There are several approved methods of combining the virtues of wood and concrete in a floor. In all of them, in one manner or another, utilize wood nailing strips, called sleepers. They are either attached to the concrete floor by special clips or are set and filled in between with a concrete mixture.

When the latter method is used, 2 by 3-inch sleepers, with beveled sides, are laid in parallel rows and concrete is placed between them, leaving only about a quarter of an inch of the sleeper exposed above

the concrete surface. When are used, 2 by 2-ers are attached to them, and in some cases, cinder concrete is tamped down between them. It is of course important that these nailing strips be perfectly level so as to insure a level floor. After the concrete has set and the strips are firmly secured in it, hardwood floors may be nailed directly to the wood. Floors which will have to withstand heavy furniture or dancing may well have an intermediate floor of boards laid diagonally. Building paper may also be used.

In whatever manner the result is achieved, it gives the home builder the satisfaction of having a floor which is both beautiful and structurally sound, as well as fire-safe.

The card reads: To keep Mohawk park beautiful help us to protect the birds, trees and flowers. Please do not break branches from flowering trees; don't pull wild flowers up by the roots; don't disturb the birds or their nests. To do so prevents others from enjoying the beauties and is a violation of park rules.

"Observe the speed laws on park roadways and be careful with fires. Help us to do a good deed a day; enjoy the park and let nature smile, your friend, The Boy Scout Mohawk Park Patrol."

#### INTERESTING CRAFTWORK

Scouts of Troop No. 15, Oklahoma City, Okla., members of the Troop which for the third successive year has won the Mytton Trophy for advancement, and is considered the honor Troop of Oklahoma City, recently completed an exhibit which won first place for their Troop in a window-dressing contest. It was an exhibit of a collection of miniature reproductions of present-day machinery, airplanes, a dirigible and radio towers.

By tabulation 368 hours of work went into the manufacture of the exhibit. The dirigible alone made of a soldered wire frame covered by cloth, took 147 hours to complete. The work was done by Scout T. G. Taylor, Jr., a Merit Badge Scout, and Scout Bill Turner.

#### SCOUT NAMED HEAD OF BANK

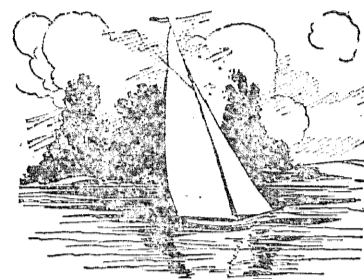

Walter D. Rudolph, 16 year old Boy Scout and son of Mr. and Mrs. Walter H. Rudolph, 2615 Sunnyside Avenue, Chicago, Illinois, has been selected president of the Bowmanville National Junior Bank, 4806 North Western avenue, which was organized at a meeting of the parent bank directors recently.

Young Rudolph was chosen for the position because of his record of thrift over the last few years, which indicated that he is the champion saver of the Bowmanville district. His account at the bank showed that he had earned more than \$500 in his after school leisure hours and he has

### "THE LOST CHORD"

Musical Sermon Over Station WABC By Dr. Keigwin Of New York

Music Week will be opened in the West End Presbyterian Church of New York City by the preaching of a musical sermon at eleven o'clock on Sunday morning, May 5th, by the pastor Dr. Edwin Keigwin. His subject will be "The Lost Chord," based upon Sir Arthur Sullivan's beautiful and well known song.

Harry Salter, Violinist

Harry Salter, violinist and orchestra conductor, with a large following of radio listeners, will play "The Lost Chord" as a violin obligato to the sermon, a most unusual feature. The entire service will be broadcast over Station WABC.

## LUXURIOUS HOME FOR AILING RICH

A de luxe hospital to modeled and conducted after the style of the most luxurious hotel, in which there will be a library, a gymnasium, a barber shop, a beauty shop, a tailor shop, a florist shop, and where superb meals will be served either table d'hôte or a la carte, is to be erected in New York city.

The de luxe hospital, the cornerstone of which was laid on Tuesday, will stand at East End avenue and 87th street, will be 14 stories in height, and will be ready for occupancy within a year. It will be the first structure of its kind ever erected anywhere and will rival in appearance, service and management, the finest hostilities in the world.

A group of millionaires including such notable financiers as Thomas Cochrane and George Whitney of the J. P. Morgan & Company, Charles Hayden of Hayden, Stone & Company, Frederick W. Allen of Lee, Higginson & Company, and Percy A. Rockefeller, capitalist, etc., thought up the idea of erecting such an institution, hoping thereby to be as comfortable in sickness as in health.

### Does Not Look Like A Hospital

The architects in charge of erecting the de luxe hospital are Crow, Lewis & Wick, their contract, which involves the payment of \$4,250,000 for construction alone, plainly stipulating that the unique edifice upon completion must NOT look like a hospital.

Instead it is to look like the most de luxe apartment hotel, with a chef in the kitchen and Park avenue waiters in the dining room, with Persian rugs on the floors and fireplaces in the walls and a suite of 32 elegantly furnished hotel rooms for visitors.

Furthermore, it is to be a hospital with 12 operating rooms and one of the best medical staffs ever assembled in America, but an apartment hotel manager, instead of an expert medical man, must be in charge of the institution. As a finishing touch, all signs, letters, cards, references, and so on, which either infer, impute or involve the word death, must be eliminated from the building.

The hospital will stand as the most luxurious and complete yet conceived anywhere in the world. It has been financed not by donations, but in Wall street fashion by stock subscriptions, and 326 of the stockholders have their names in the Social Register and are among America's biggest money men.

The medical staff of the de luxe hospital will be headed by Dr. Alexander Lambert, who was President Roosevelt's personal physician, and will be made up mostly of doctors and surgeons in the East 50's and 60's of the city, men whose patients control the bulk of the wealth of America, if not the world.

The hospital will be run on a strictly profit basis and this was made to be understood while the plans for the unique institution were being drawn up by a board of directors, every member of which is a multi-millionaire. There will be no charity beds there. The lowest charge will be in excess of \$10 a day. And just to be sure that none but the wealthies may hope for entry, the board of directors already have turned down hundreds of applicants for stock in the de luxe hospital because they were merely millionaires.

## Combination A. & P. Market Is Planned

The Great Atlantic and Pacific Tea Company announces a combination grocery and meat market will soon be opened by that concern at 108-110 Washington avenue where it has acquired a ten-year lease through Max Blake, real estate dealer, 655 Broadway, Newark.

Robert Bunovich, builder, is erecting a modern building on the location. The A. & P. store will be sixty feet deep with a frontage of twenty-five feet in Washington avenue. A number of clerks and a manager will operate the store with the grocery department on one side and the vegetable department, to the other. This will be the first store of its kind under A. & P. management in Belleville.

## Griffinger And Griffinger Close Essex Court Deal

The Essex Court Apartment at Essex street and Washington avenue, has been purchased by Mr. and Mrs. Vincenzo Di Donato.

The property was owned by the Essex Court Holding Company, whose officers are Frank Capalbo, president; and Alphonso Gaccione, secretary. The deal was consummated in the office of Griffinger and Griffinger, Essex Building, Newark.

### Lumber Fire

Fire of undetermined origin partly burned a box car and its load of lumber on a siding of the Erie Railroad at Schuyler street, Saturday morning. Firemen extinguished the blaze.

## Husband Charged With Beating Kin

### Father-in-Law, 79, Alleges He Was Attacked With Rubber Tire.

Alleged to have attacked his 79-year-old father-in-law, Frank Stocki of Division avenue, as he slept, Anthony Dobrowski of 96 Passaic avenue, was held in \$1,000 bail for the grand jury by Recorder George A. Fitzsimmons, in Police Court, Monday night. The charge against him was assault and battery, made by Stocki.

It was brought out at the hearing that Stocki and his son-in-law had quarreled over the latter's treatment of Mrs. Dobrowski. Monday morning, when on his way to work, Dobrowski, it is alleged, entered the home of his father-in-law, went to the room where he was sleeping, and rapped him several times over the head and shoulders with a solid rubber tire which had been taken from a bicycle wheel.

The aged man appeared in court with many bruises and abrasions as a result of the alleged beating.

## RUGS

The efficient homemaker who desires to hold the admiration of her family and friends is especially particular about her rugs. She knows that no furnishings are subjected to harder wear — that the more thoroughly rugs can be cleaned the longer they will wear and the better they will look. This is the reason Jancovius is growing.

## Recital Is Given In Fewsmith

Fewsmith Memorial Presbyterian Church, Belleville, was crowded Monday night at the recital by piano pupils of Eleanor Bacon Peck of 330 Jorammon street and voice pupils of Anna Putscher VanSickle of 31 Preston street.

Mrs. Peck's pupils represented the most proficient from five grades. They included Alberta Ebert, Robert Banta, Genevieve Holland, George Schwanhauser, Ruth L. Buckley, Catherine Close, Janet S. Miller, Doris A. MacGregor, Margaret E. Allen and Adell W. Peck.

Pupils of Mrs. VanSickle included Gertrude Davis, Adell Peck, Althea M. Crowe, Florence B. Condit and

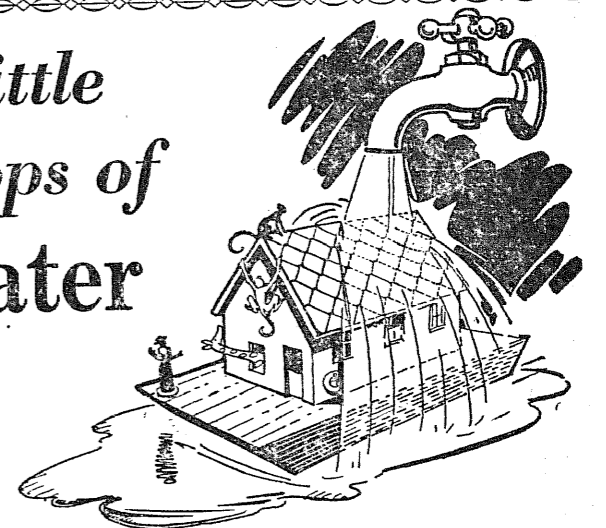

Helen G. Peck. Charles Moore, a pupil of Gladys DeRow, gave cello selections. Jean Olga Tallman, a pupil of Christine Wellington Phillips, played the violin.

Members of the Fewsmith Orchestra, of which Mrs. Peck is conductor acted as ushers. They were Curtis Mellick, William Herpich, Lawton Cox, William Stryker, Frank Marshall, John Cove and Ernest Hancock.

Troop No. 88 has admitted three new members. They are Louis Schwartz, Howard Gorman and Jack Gorman. C. Wright has passed his Second Class test. R. Kenworthy passed Tenderfoot.

Troop 88 is getting new neckerchiefs. They are a combination of blue and gold.

## Little drops of water

THE RAIN descended and the floods came—and lasted for 40 days. Had the roof been made of J-M Asbestos Shingles, it could have lasted for 40 years and made no difference because water will not rot these sturdy shingles.

For your own roof, these

shingles offer you permanence together with colorful beauty and fireproofness.

Let us tell you how little it costs to have a permanent roof of J-M Shingles for your new house or for reroofing right over old wood shingles.

## How to Play BRIDGE

Series 1928-29 by Wynne Ferguson

Author of "PRACTICAL AUCTION BRIDGE"

Copyright 1928, by Hoyle, Jr.

### ARTICLE No. 19

Contract Bridge has been making great progress lately and is now being played in many of the New York Card Clubs. The greatest objection to it as a Club game was the length of the rubber; but now that the game is better understood it is found that the average rubber of Contract is no longer than played at the Card Clubs almost to the exclusion of Auction and a new Contract Code has now been prepared. The Whist Club of New York was the principal Club back of this movement, but its Committee was assisted by Committees from the Knickerbocker Whist Club, the Racquet and Tennis Club, the Cavendish Club and the American Whist League. Therefore the new Code is a more representative Code than any of the Auction Codes that have preceded it. The fact that these representative Clubs of New York City have recognized the game and have drawn up laws to govern its play is a pretty good indication that Contract is here to stay.

One of the most puzzling questions of bidding at Contract arises when a player holds a two-suited hand. The ordinary rules of bidding such hands at Auction cannot be applied to Contract because the bidding usually is too high to show the other suit on the second round. As a result you must figure out a new way to bid such hands so that you will be able to show both suits without taking unjustifiable chances. Here is a hand that illustrates the difficulty very well:

Y : Clubs — K, Q, 10, 8, 4  
A : Diamonds — A, K, Q, 9  
Z : Spades — K, 6, 5

No score, rubber game. Z dealt and bid one heart, A passed and Y bid two hearts. What is B's proper bid?

At Auction B should bid three clubs

and then, if overbid, he can safely bid the diamonds. At Contract, however, the sound procedure is very different. B must so bid his hand that he can safely bid both clubs and diamonds and yet give his partner the choice between the two suits without obliging him to make too high a bid. The only way to obtain the desired result is for B to bid three diamonds over Y's two heart bid. Then if Z or Y bids three or four hearts, B can bid four or five clubs and if A prefers diamonds, he can overbid without increasing the contract.

On the other hand, if B bids three clubs over two hearts, and Z or Y in-croases the bid to three or four hearts, B cannot show the diamond suit advantageously. For example, if Z should bid four hearts and A and Y pass, B would be obliged to bid five diamonds. If A should prefer clubs, he would now be obliged to bid six clubs to show his preference. The result of this analysis of bidding of two-suited hands at Contract shows the importance of bidding the higher valued suit on the first round, even though that suit is the shorter suit.

The hand held by A, the partner of B, in the foregoing deal, was as follows:

Hearts — J, 7, 4  
Clubs — A, 3  
Diamonds — J, 10, 7, 5  
Spades — Q, 8, 3, 2

The hand was bid as follows: Z, as dealer, bid one heart, A passed, Y bid two hearts and B bid three clubs. Z bid four hearts, A and Y passed and B, unwilling to show his diamonds, bid five clubs. Z and A passed and Y doubled. The contract was defeated by two tricks. A B could have made five diamonds.

Be on the lookout for such hands at Contract and when you hold two suits of fairly equal strength bid the higher valued one first, even though it is the shorter suit.

### Problem No. 23

Hearts — none  
Clubs — 10, 5, 3, 2  
Diamonds — 8  
Spades — A, 10, 7

Y :  
A : B :  
Z :

Hearts — Q, 6  
Clubs — A, Q  
Diamonds — 10, 6  
Spades — 8, 4

Spades are trumps and Z is in the lead. How can Y Z win seven of the eight tricks against any defense? Solution in the next article.

## The HOOVER Keeps RUGS Like New

WHEN the Hoover cleans house for you, three separate and necessary cleaning methods are used—beating to loosen the trapped-in grit, sweeping to pick up the lint and threads, and suction to remove the surface dirt, the loosened grit and the swept-up lint.

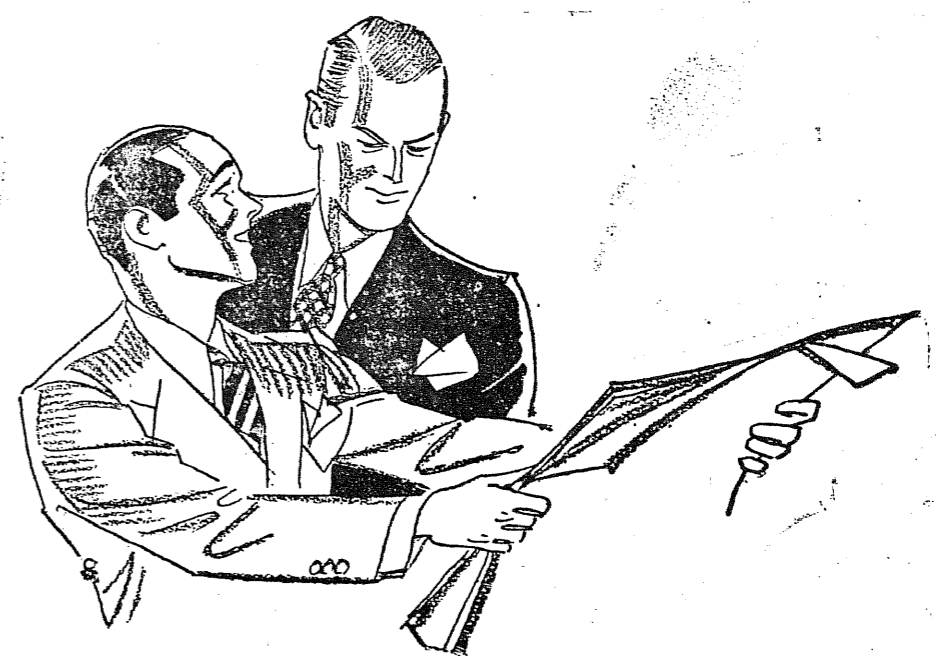

The Hoover dusting tools are equally efficient. They go into all the hard-to-reach places and remove the dirt.

The Hoover de luxe model No. 700—\$75 cash. Hoover model No. 543—\$59.50. Both prices are increased a little when purchase is made in divided payments of \$5 down and \$5 a month.

#### Work Made Possible By "Poppy" Sale

Kansas City, Kansas, May 2.—"Seven major humanitarian projects are made possible in the annual distribution of buddy poppies by the Veterans of Foreign Wars of the U. S.," declared Eugene P. Carver, Jr., national commander, in an appeal broadcast today from national headquarters calling attention to the 1929 nationwide sale during the week prior to Memorial Day, May 30, 1929.

These seven lines of endeavor, made possible by the proceeds of the poppy sale and for which work these funds are used exclusively, are described by Carver as follows:

Perpetuation of the poppy as the memorial flower of our world war dead, to be worn annually on Memorial Day as America's tribute to their memory.

Rehabilitation, which provides financial assistance for the disabled veteran and his dependents.

Child welfare, with one cent from each poppy sold added to the fund that maintains the only home of its kind sponsored by a service organization, the V. F. W. National Home for widows and orphans of deceased veterans, located at Eaton Rapids, Michigan.

Hospital welfare work, which provides each veteran patient with comforts not available from the government, entertainment, programs, etc.

Liaison service, including the efforts of a service officer in every post available to the veteran in need of Veterans' Bureau consideration. This branch also includes a national service officer at Washington and state service officers, prepared to push all claims in reference to pensions, hospitalization, compensation, etc.

Military funerals for every deceased ex-service man, irrespective of race, creed, color or affiliation.

Helping the disabled man help himself, by selling poppies made only by disabled ex-service men confined in government hospitals. We honor the dead by helping the living.

"This is the splendid work made possible by the annual buddy poppy sale of the Veterans of Foreign Wars of the U. S.," Carver sums up, "and the growing prestige and increasing public regard that has come to the V. F. W. gives proof to the fact that our efforts have not been in vain."

#### Nutley Churches List Activities

Mrs. Paul A. Rigo of Highfield lane entertained the Mission Helpers of Grace Episcopal Church Tuesday afternoon. Holy Communion was celebrated yesterday morning at 9:30 o'clock for St. Philip's Day.

There was an all-day sewing meeting of the Woman's Missionary Society of Franklin Reformed Church Monday. Miss Anna Bristow of Race street held a meeting of the White Church League at her home Monday evening. "The Religions of Man-kind" was the pastor's topic last night.

The annual dinner of the Men's Association of Vincent Methodist Church will be held this evening. John Frazer of New York, a graphologist, will give readings of character and the Hi Hat Orchestra will entertain. Daniel W. Lamoree is in charge of arrangements. The official board will meet tomorrow evening. Directors will be named for the coming year.

The Men's Bowling Club of Holy Trinity Lutheran Church met Tuesday evening at 8 o'clock. Rehearsal of the junior choir was held this afternoon at four o'clock. The pastor will continue his confirmation class Saturday morning at 9:30 o'clock.

#### N. J. C. Will Present Shakespearean Play

"Merchant of Venice" will be presented May 28, 29 and 30 as the annual Shakespearean production of the New Jersey College for Women. It was announced today by Mrs. Jane Inge, director of the Little Theatre Workshop Group which will present the play.

The Shakespearean play is given annually as one of the features of the Commencement Week program, and has become part of college tradition. "As you like it," "Much about Nothing," "Romeo and Juliet" and "Twelfth Night" are among the plays which have been presented. The plays were originally staged out of doors, on the main College Hall Campus, but increasingly large audiences have made indoor performances expedient.

#### Nutley Girl Scouts Plan Camp Opening

Mrs. Elmer O. Stevens, Mrs. A. G. Mitchell and Miss Flora Louden, members of the Nutley Girl Scout Council have returned from an inspection trip to Camp Yountak. Plans are going ahead to open the camp July 3. Parents are asked to make reservations as early as possible so sufficient councilors may be engaged.

Commissioner Llewellyn E. Pratt is in charge of a card party to be held May 15 at Masonic Hall. There will be a court of awards June 8 at Park School, with presentation of special badges. Prior to that merit badges will be awarded by troop captains. Those receiving hostess badges will take their final test at the home of Mrs. J. D. Elmendorf of Mountainview avenue Wednesday May 9 after school.

The Scout Mothers' Association will meet May 6 at Vincent Methodist Church at 2:30 o'clock. Mrs. A. Lawrence Harlan, former commissioner, will speak on "Scouting."

#### Asbury Park Elks' Convention Plans

Asbury Park, May 21.—The State Convention Committee of Asbury Park Lodge of Elks, are preparing for a record gathering of Elks at the Convention of the New Jersey State Elks' Association, to be held at Asbury Park, June 20-21.

Dr. Thomas Pratt, P. E. R., popular City Commissioner and General Chairman of the Convention Committee, reports that not only will there be more prizes awarded to visiting lodges than ever before, but golf enthusiasts will have an opportunity, in the golf contest, to bring back to their Lodge a handsome silver trophy. Asbury Park Lodge will feature an old time free lunch which will be served at the home to all visiting brothers during the entire period of the Convention.

#### Fined For Driving Tractor In Nutley Without Permit

Anthony DeFalco, contractor, of 30 Sherwood street, Montclair, was fined \$21 by Recorder Smith Friday night for driving a tractor through streets without a permit, in violation of a town ordinance.

Apuana Aguirizabal, 33 Crystal road, North Arlington, and Gaetano Farronno, 164 Hamilton avenue, Fairview, were fined \$3, and John McCall, 75 Passaic avenue, \$4, for stop-street violations.

John Delise, 212 Lafayette avenue, Lyndhurst, and Raymond Fisher, of 24 Silkman place, Irvington, paid fines of \$4 for driving without proper lights. Vernan Vogt, 558 Kingsland road, and August J. Lubben, 232 High street, were fined \$4 each for passing left of traffic beams, while Karl Ruppelmeier of 862 Fortieth street, Brooklyn, was fined a similar amount for passing a stop signal. Waldorf MacClay, 195 Vermont avenue, Newark, was fined \$16 and Samuel Weiner, 246 Renner avenue, also Newark, \$11 for speeding. Howard O'Gorman, 46 Merger street, Jersey City, paid \$11 for reckless driving.

The annual dinner of the Men's Association of Vincent Methodist Church will be held this evening. John Frazer of New York, a graphologist, will give readings of character and the Hi Hat Orchestra will entertain. Daniel W. Lamoree is in charge of arrangements. The official board will meet tomorrow evening. Directors will be named for the coming year.

#### Schools Of State Ready For Final Debate Series

The New Jersey Schools, that are members of the Rutgers University Interscholastic Debating League, are now completing the third elimination series of debates, and are making plans for the State finals. They will take place about May 11, it was announced today by Professor Richard C. Reager, of Rutgers University, executive secretary of the League.

The Interscholastic Debating League, which is conducted under the auspices of the University Extension Division will make a Statewide survey of New Jersey schools within three weeks to determine how the League may be bettered in the interests of the schools participating.

#### Herbert J. Murren.

Herbert J. Murren, twenty-three of 35 Taft avenue, died Monday after an illness of a week. He leaves his parents, Mr. and Mrs. John Murren, with whom he lived; two brothers, John and James, and two sisters, the Misses Margaret and Nancy Murren, all of Nutley.

Mr. Murren was a member of St. Mary's Council, Knights of Columbus. A solemn high mass of requiem was celebrated at St. Mary's Church this morning at 9 o'clock. Burial was in St. Joseph's Cemetery, Lyndhurst.

#### Rupert F. Mills Has Outstanding Record

Candidate For Sheriff Is  
Qualified For Job  
He Seeks.

Rupert F. Mills, undersheriff, who is candidate for sheriff, was born in Newark. He is a graduate of Newark schools and college. He has been admitted to the New Jersey bar.

RUPERT F. MILLS

During the World War he enlisted as a private in the Essex County, served with the American Expeditionary forces and was discharged as a first lieutenant, Field Artillery. He is now a Captain of the same troop, Troop A, 102 Cavalry, in which he enlisted as a private.

"Rupe" as he is familiarly known in the field of sport where he made a great name for himself, is in the insurance business.

He always has been an active worker in the Republican Party. He sought the honor and succeeded in being elected as an Assemblyman from Essex County in 1924 and 1925 and led his ticket in both elections.

He became Under-Sheriff of Essex County in November 1926 and has served the county in that capacity for the past three years.

He bases his candidacy on his previous public record and upon the fact that he has had legal training for a legal office, and that his faithful services as Under-Sheriff of Essex County merits for promotion to the vacancy caused by the retiring Sheriff, Conrad Deuchler.

Mr. Mills' family has been in this state over one hundred years, and his ancestors date back to the Revolutionary War.

#### Repeated Plays For Nutley Church

Three short plays were given at Nutley High School Friday and Saturday nights under the auspices of the ways and means chapter of Grace Episcopal Church. They were directed by Miss E. A. Tempest and William Eville.

Noel T. Kane, Miss Betty Carland and Mrs. Alice Brown Colby formed the cast of Alice Gerstenberg's "The Unseen." William B. Gellatly's adaptation of Dorothy DeJager's story, "Hot Waffles," was presented under the title of "A Dollar Down." Miss Rosalie Stuart Hill, Dr. Horace Tannum and Alfred Eville were in the cast.

"The Bracelet," by Alfred Satrio, was played by Mrs. Helen Weeks Stover, Mrs. Gertrude M. Neidich, Mrs. Mildred G. Burrell, Mrs. Theodora L. Norton, Henry S. Carland, Edgar H. Bostock, Robert Winternitz and Frederick H. Young.

On the committee in charge of the productions were Mrs. Rudolph Weyrich, chairman; Mrs. H. L. Fenton, Mrs. Paul A. Rigo, Mrs. R. B. Parsons, Mrs. E. C. Sharp, Mrs. J. B. Bradford. Advertising posters were drawn by the Misses Phyllis Kershaw, Harriet A. Bacon, Martha Schaefer, Jean Harlan.

Mrs. Robert Winternitz was in charge of stage direction. She was assisted by Mrs. Percival S. Hill 2d, Mrs. F. Harold Syrett and Mrs. Arthur L. Sherman. Music was under direction of Mrs. Elizabeth Norton Young, assisted by George Blake, Mortimer Coley, Warren Wheaton and William Jeffery. Dances between the acts were given by pupils of the Helen Keyes School of Dancing. Miss Helen C. Augsberger was accompanist.

The ushers were Mr. Sharp, Mr. Weyrich, Mr. Parsons, Charles B. Royce, Edward A. May, G. P. Dahlberg, Frank Burr, Douglas, John Cramer and others.

#### Entertainment Given By C. D. A. Council

An entertainment and dance was given Monday night by the Dramatic Section of Nutley Catholic Daughters of America at St. Mary's Hall. Proceeds were for the church. The program consisted of a one-act play with a cast composed of Mrs. Catherine Cox, Mrs. Mary Mayer, Mrs. Anna O'Neill, Miss Flora Miller, Mrs. Mary Brohal, Mrs. Elizabeth Lally, Miss Betty O'Neill and Miss Gerloma Ciccone.

There was a specialty dance by Bob Cole of Belleville, tap dance by Christian Kennedy of Paterson, sketch by Rita and Eugene Riley and a vocal solo by Miss O'Neill. Charles Thoma's High Hat Orchestra played.

#### Mrs. Harlan To Speak Monday On Scouting

Affair Will Be Held By  
Scout Mothers' Association.

Mrs. A. L. Harlan, former commissioner of Girl Scouts, will speak on "Scouting" before the Scout Mothers' Association, May 6 at 2:30 o'clock in Vincent M. E. Church.

On May 15 at Masonic Hall a card party will be given for the benefit of the Girl Scouts. Mrs. Alexander G. Mitchell, of Raymond avenue, Mrs. Elmore O. Stevens of Prospect street and Miss Flora Louden of Hillside avenue, members of the Girl Scout Council, have returned from an inspection trip to Camp Yountak.

It is expected the Camp will open July 3. Parents are asked to make reservations as early as possible so sufficient counselors may be engaged.

A May Party will be given at Vincent Church on the evening of May 10 at 8:15. Mrs. Harrison Law of Whitford avenue is in charge. The program will include a Novelty Dance by Audrey Walker and Constance Machacek, accompanied by Mrs. H. C. Walker, recitation, Miss Catherine Robertson; solos, Jeanne Todd, accompanied by Mrs. E. H. Todd; vocal solos, Martin Johnson, accompanied by William Jancovius.

The Strollers' Club composed of Miss Jean I. Law, Mrs. Frederick Young, Norton Young, Harrison E. Law, Charles Roe, George W. Law, Robert Halliday, Albert E. Latimer, Jr., and M. R. Gerber will render several selections. Refreshments will follow the program.

#### A. A. U. W. Gives Membership To Jersey Women's College

The New Jersey College for Women, recently admitted to full membership by the American Association of University Women, is among the youngest colleges ever to have received this honor. This statement was made by Mrs. Herbert E. Ives, of Upper Montclair, chairman of the membership committee of the New Jersey Division of the A. A. U. W., who announced N. J. C.'s membership when the Jersey unit recently held its annual meeting on the New Brunswick campus.

The New Jersey College for Women was admitted to associate membership some time ago, when its name was placed on the accredited list of colleges and was granted full membership at a national convention held last week in New Orleans.

Mrs. Horace N. Clark of Bound Brook, president of the Association of Alumnae of the New Jersey College for Women, is the first graduate to join the A. A. U. W.

Gardeners Are Warned To  
Beware Of Dry Summer

Professor Maurice A. Blake, of the Department of Horticulture at Rutgers University, sounded a warning to gardeners in a radio address Saturday afternoon when he urged them to beware of "a dry summer which is certain to occur sooner or later and it may be in 1929." Professor Blake's address was the fourth of a series of talks on agricultural subjects given by Rutgers University over Station WOR.

"Especially frequent rains have occurred during the two previous summers of 1927 and 1928, and April 1929, has been notable for the number of cloudy and rainy days," he said. "This may tend to establish a false confidence that a plant once placed in the soil requires no further attention. Two abnormally moist summers have occurred in the east. A dry summer is certain to occur sooner or later and it may be in 1929."

#### COMMITTEE REPORTS NO DEMAND FOR INDUSTRIES OR APARTMENTS

The committee appointed by the Board of Commissioners of Nutley to investigate zoning conditions. Tuesday, in its report to the board, stressed the point that Nutley had no need for apartments or industries, and already has more stores than it can support.

The report calls attention to the fact that the town's zoning ordinance sponsored by Mayor Cook and adopted in 1922, placed Nutley in the category of the few communities having scientific zoning. According to the committee, the present ordinance was wisely planned and requires very few changes.

"The committee feels, said the report, 'that owners of private dwellings asking for a change of zone to improve their chances of disposing of their property are ill-advised as to their own interests. So long as vacant property is available for apartment house construction, prospective apartment house builders will not pay any more for property on which private houses now stand than they would be required to pay for similar premises without buildings.'

"Pending a definite increased demand for apartments, the small house owner would find his taxes increased by reason of the theoretical increase in value of his property caused by zoning for apartments, with little present chance of realizing this increase in value.

"As to the question of rezoning Washington avenue and Center street, the committee reported that sound planning requires that any change of zone await a determination of the plans of the Essex County Park Commission for beautifying the Passaic River and abutting property. The committee believes that if and when there arises a sufficient demand for apartments or stores to insure a high class development, consideration might be given to rezoning certain parts of Center street and environs. In the meantime, the committee recommends that the zones of Center street remain unchanged, other than to change such portions of it as are now Residence B (two family) to Residence A.

The committee recommended that the application to change the zone on Warren street to permit apartments there, be denied as endangering the Memorial Parkway.

The committee believes that there is at present enough available space to take care of the existing apartment house demand. Available areas now exist on Franklin avenue, Chestnut street, Park avenue, and Passaic avenue and Center street.

On the committee, which was discharged by Mayor Ernest P. Cook with the thanks of the board last night, were: Chairman, Daniel Mungall; secretary, John T. Kenter, and John Roth, Clarence M. Tappan and Ernest G. Weischel. The commission accepted the report, but took no action on the recommendations.

Commissioner Raleigh S. Rife protested a section of an ordinance regulating issuance of tax licenses, which requires the owner to file a \$5,000 bond or insurance policy with the town for protection of passengers. He felt the large amount would create a hardship for the owners. He voted for adoption of the ordinance when Mayor Cook and Commissioner Charles A. Sherwood held the bond of that amount necessary.

Ordinances providing for installation of six-inch water mains in Beech street from Bloomfield avenue to Ridge road at a cost of \$3,600, and grading of Ridge road from Center street to Watching avenue, including removal of four buildings and a foundation at a cost of \$11,500 were passed for hearings May 14.

Mayor Cook, on recommendation of Health Officer Eugene H. Sullivan, designated May 6-11 as Clean-Up Week. Residents are asked to place out refuse the regular collection days.

Mayor Cook concurred in the recommendation of Chief of Police William Brown that Bloomfield avenue, when its improvement is completed, be made a through street, and radiating streets be made stop streets.

Town Clerk Simon Blum was authorized to draw a contract with the American LaFrance Company for purchase of a new pumping machine for the Fire Department. The truck will cost \$12,500.

#### Went To Chicago, Found In Nutley

Woman In Dazed Condition,  
With \$768 In Purse, Tells  
Of Fall In Midwest

A woman, who said she was Susan Roemer of Wilmette, Ill., was found wandering in a dazed condition with \$768 in her purse in Franklin avenue, at three o'clock yesterday morning. She was taken to police headquarters by Sergeant Emil Werner, where she was questioned by Chief of Police William Brown and Captain John Jameson.

The woman, who gave her age variously between thirty-seven and forty-two years, told police she left her home April 16 to visit a sister in Chicago, fourteen miles from her home. She said she had drawn \$1,218.90 in cash from a Wilmette bank on that date and could not recall what happened to the balance of the money.

She told police she remembered falling in a Chicago railroad station. She did not know if she had been pushed or tripped. Two men and a woman helped her to her feet, she said. Police believe the missing money might have been taken from her purse by one of these. A bank book showed the money had been withdrawn. The woman did not clearly remember her trip from Chicago or how she got to Nutley.

Chief Brown believes the death of her husband a month ago, which the woman clearly recalled, might have affected her mind and be responsible for the confused mental condition. He wired her sister in Chicago for advice. The woman gave her sister's name as Miss Mary Northbrood of 1444 Berry avenue, Chicago.

#### Heart Attack Kills Nutley Autoist, 46

Charles Brooks, 46 of 100 Stager street, Nutley, died on his way to St. James' Hospital Tuesday. He was the victim of a heart attack while driving his car along Passaic avenue, Newark. When he neared Ferry street he slumped over the wheel, and was taken to the hospital.

He had lived in Nutley for the last ten years, where his two sons, Kenneth and Edward, gained considerable prominence as athletes. He also leaves a wife and another son, Charles.

#### Park School P.-T. A. To Meet Tonight

In Observance Of Health  
Week Speaker Comes  
From State.

A meeting of the Park School Parent-Teacher Association will be held this evening at 8 o'clock at the school.

In observance of Health Week a speaker has been secured from the State Board of Health, promoting the Schick Test, as demonstrated in New Jersey. A two-reel health film will also be shown.

The "Summer Round Up" for Park School will be explained. Parents having children entering school for the first time in September will be interested in this.

David Smith, Percy Ward, Mrs. Robert Perthell and Miss Frances Doane will give a song recital.

The Essex County Council of the Congress of Parent Teacher Associations will be held at Park School May 16. Luncheon will be served at the high school cafeteria.

#### Woman's Choral Has Election Of Officers

Mrs. H. C. Wing, Honorary  
President; Mrs. J. D.  
Little, President

The Woman's Choral of Nutley has reelection to serve for 1929 and 1930, the following officers:— Honorary president, Mrs. H. C. Wing; president, Mrs. J. D. Little; vice president, Mrs. Percy Ward; treasurer, Mrs. P. A. Prior; secretary, Mrs. William Smith and librarian, Miss Flora Louden.

The Choral has accepted an invitation of Miss Ruth Streeter, supervisor of the High School, to sing before the assembly of this afternoon at 1:30. Mrs. H. C. Wing will be at the piano and Frank Kasschau will conduct the chorus.

#### Manchee-Miller Plans

Invitations have been issued for the marriage of Miss Gladys Miller, daughter of Mr. and Mrs. Emil C. Miller of 216 Highfield lane, Nutley, to Frederick Bowen Manchee, son of Mr. and Mrs. Wilfred Manchee of Forest Hills. The wedding will take place Friday, May 17, at Grace Episcopal Church, with a reception at Yountak Country Club.

Miss Miller has chosen her sister, Miss Audrey Miller, as maid of honor. The bridesmaids will be Mrs. Arthur L. Manchee of Nutley, Mrs. Ronald Hallowell of East Orange, Mrs. William Henn of Philadelphia and Miss Eleanor Schrum of Pittsburgh.

Mr. Manchee will have his brother Arthur L. Manchee, for his best man. Ushers will be Allen Foresman of Montclair, Robert Kelby of Bloomfield, Albert Avery of New York, and Hiram McKee of Greenwich, Conn.

#### Henry C. Hoffmeister

Henry C. Hoffmeister, sixty-seven of 229 Park avenue, died Tuesday morning at St. Mary's Hospital, Passaic, after an illness of a year. He had been a resident of Nutley forty years, operating a dairy at the Park avenue address.

Mr. Hoffmeister was born in Germany. On coming to this country he settled in Delaware, later moving to Nutley. He leaves his wife, Emma; three sons, Henry, William and Frederick, all of Nutley, and three daughters, Mrs. Emma Geigher of Nutley, Mrs. Amelia Boschen of Ridgewood, Long Island, and Mrs. Florence Noll of Elmhurst, Long Island.

Funeral services were held at the home this afternoon. Rev. Paul Arndt of the Redeemer Lutheran Church, Newark, officiated. Burial was in Ridgewood Cemetery.

#### Miss Mooney Engaged

The engagement of Miss Faith Emerson Mooney, daughter of Mr. George Mooney and the late Rev. George Mooney, and John Hamilton, son of Mrs. John Hamilton, of Batavia, N. Y., has been announced.

Miss Mooney is a graduate of Wesleyan University and is teaching in the Brantwood Private School, Bronxville.

## WE ARE BECOMING "AIR MINDED"

The United States led all other nations in 1928 in the production of airplanes. We have attained this position within two years. Before Lindbergh electrified the world by his solo flight across the Atlantic we were considered to be very backward in everything pertaining to aeronautics. Today we are leading the world.

This is just the beginning. Last year we sold airplanes to 22 foreign countries. Our aircraft are considered to be better than those of Great Britain, France or Germany. At any rate they are being sold in competition with the products of these countries and are now in demand.

The United States lagged behind at the start in automobile production. Then it assumed the lead and today produces, sells and operates more motor vehicles than any other country in the world. The same thing is true of the railroad, the telephone, the motion pictures, the radio and many other things. In a decade we will probably be making use of more airplanes than any other country. More of our people will then be flying for business or for pleasure. Our aeronautical industry will then be reckoned among the leading industries of the United States. Those who were so fearful, a few years ago, that America would never become "air minded" will have to readjust their opinions.

## MR. HOOVER'S TELEPHONE

Mr. Hoover has his own ideas of business efficiency. One of them concerns the telephone.

It appears that his predecessor had no telephone instrument on his desk at the White House. Mr. Hoover, on the other hand, without a telephone, feels deprived of a convenient office accessory, and therefore he has just had one installed within convenient reach.

Evidently his idea of Presidential dignity is not offended by this means of instant communication with the outside world. As a successful executive, both in private business and as Secretary of Commerce, he has habitually depended upon it and he sees no reason for foregoing it merely because he has been chosen to the Chief Magistracy of the United States.

The incident suggests the way the new President looks at his job. He feels that he has been put at the head of a tremendous business corporation, and so he has. Surely he is entitled to any reasonable devices and contrivances there may be to make his business day more satisfactory.

P. S.—It is a fair guess that the President will not be 100 per cent accessible to telephone calls.

## RADIO BY WIRE.

Hardly has the world become accustomed to the miracle of the radio and begun to talk about scraping all the wire systems, than the announcement is made that radio is to be broadcast over the wires.

A test of the new device is to be made in Cleveland in a few days. Receiving sets somewhat similar to ordinary radio sets will be placed in various locations and these receivers will be connected with the electric light wires entering the buildings. Over these wires the radio programmes will be broadcast.

This new device opens up two new phases in radio development. First, under this system the subscribers to the service will have to pay for the entertainment. The inducement to subscribe for this toll service while other radio fans listen in free, is an alleged superiority of the wired radio, which eliminates static, fading and other interruptions.

The second phase is, that instead of the radio proving the death-knell of the telephone and telegraph, it is apparently becoming more and more supplementary to or co-operative with the wired systems.

## NOT LIKE THE PYRAMIDS

Skyscrapers have a short life. But the old Tacoma Building in Chicago, which is to be razed, the first steel frame skyscraper ever erected, has outlived many later buildings. It was a towering structure in 1889, when it was built, and its 14 stories rose above block after block of three and four-story buildings. Visitors to the Columbian Exposition in 1893 marvelled at it. Now it is coming down, to be replaced by a 49-story tower.

The Tacoma building was a real landmark, opening a new architectural era which was to be more audacious than the fondest dreams of 1889. Only 40 years old, it is now hopelessly old-fashioned for the new Chicago, building like New York, toward the clouds. Our age of speed and quick turnover cannot even spare the skyscraper.

## ANOTHER NEW LINER

While American, German, English, French and Italian steamship companies are planning bigger and faster liners than anything now afloat, the smaller seafaring nations, and most notably the Swedes and the Dutch, are paying more attention to comfort.

The biggest Dutch ship in commission, the Statendam, has just completed her maiden voyage to New York. Although not in the Leviathan and class, the Statendam is no pigmy. Displacing 28,150 tons, she is as big as the Mauretania. She makes 19 knots comfortably. Like the Dutch, the Statendam is scrupulously clean, and will stay clean. The new liner is a welcome addition to the great fleet which will transport thousands of Americans this summer.

## THE INVESTMENT RETURNS

## ALL WE ASK

Our idea of a perfect day just at present would be to sit in front of an out-of-doors thermometer and watch the mercury go up and up and up. If there could be a cloudless sky, that would be so much more to the good. We should get tired of it before long, but at this moment watching an ascending thermometer while sitting on dry ground would about fill the bill for a perfect day.

## TWO DESERVING DRIVES—AND WHAT HARMS THEM.

Right now in Belleville two drives for funds are about to start. The Girl Scouts require \$2,500 to carry on and the Salvation Army needs a similar amount.

Both causes are worthy ones. Townspeople should "chip in" to put them across.

But does this not make us think that there is need for some form of a community chest from which funds for such causes could be apportioned?

Belleville folks and merchants are asked for too frequently to donate to this, that, and the other thing.

With a community chest and a Chamber of Commerce unworthy solicitors would be turned down to the benefit of worthy things that merit and should get our support.

Recently the Boy Scout drive for funds met with success. We owe it to the Girl Scouts to help them and likewise the Salvation Army.

But wouldn't it please us all better if we only had to donate once a year to a central organization?

We are not unburdening our responsibilities when we speak thus.

We are voicing the sentiment of a money besieged populace. Especially are the merchants sick and tired of paying out all the time for ads in programs and what not with little if any return. The usual appeal, if such it is, in such cases is "Well, I won't trade with you if you don't give me an ad."

The merchants are up against it today. So are most all of us. Let us donate once a year to a fund that would support all worthy causes and throw the leeches into the discard.

Mary was a very conscientious child. One day she was allowed to go and spend the day with some little cousins about her own age. After taking off her wraps she went to her aunt and said very soberly, "Now, Aunt Cassie, if Sallie and Lizzie are bad today please don't hesitate to punish them because I am here."

Applicant—There's lots of push and go in me. I'd like to show you. Boss—Very well. That door opens outward. Try and push on that and demonstrate your go on the outside.

"An old colored man," says a minister, "came to me one day with the odd request that I pray for his floating kidney." "Why Sam," I remonstrated, "how do you expect me to pray for some particular thing like that?" "Well, parson," he retorted, "last week you all was prayin' for the loose liver."

"Why does Simpkins always keep referring to his 'late wife'?" He isn't a widower, is he?" "No, his wife is still alive—but she is never on time." "This lunch room is under new management." "Why, I see the same proprietor around here." "Yes, but he got married yesterday."

A retired clergyman tells a good joke at his own expense. He officiated as a vacation supply in a suburban church. One Sunday after service, an old lady, the housekeeper in the home of a friend, spoke to him. "I want to tell you, sir," she said, "how much I enjoy going to church on the days that you preach." The clergyman was much gratified. "Oh, sir," she added, with appalling candor, "I get such a good seat then!"

## Citizen Cites

If you are a success you don't have to tell people; they will find it out for themselves.

We are all weavers at the loom of life and the pattern of our character is what we make it.

Money talks but it takes good care not to tell how it is made.

Your quest for happiness will be rewarded when you look for it within.

You will never rise higher than your hopes.

Over politeness is usually the sign of insincerity.

After all there may be some consolation in the fact that no man has to pay his undertaker's bill.

The loose leaf system is employed by many who turn over new leaves.

It's all right to conserve your energy, but success seldom comes to the man who is afraid of doing more than his share.

Crumbs of comfort are all right in their own way, but it takes a lot of them to make a square meal.

Some people are so grouchy they would turn sugar into citric acid.

The minute a man becomes able to live comfortably he isn't satisfied to live that way.

Many true words are spoken through false teeth.

Stand with anybody that stands right regardless of the plaudits or criticism of the multitude but do not stand with him when he is wrong.

## Reads With Flashlight Making World's Record

Elino Smith, 17 year old girl flyer who set a new world's record for women this week by remaining aloft 26 hours, 21 minutes and 32 seconds. In breaking the previous mark by more than four hours Miss Smith flew all night. At 11 o'clock the lights of her plane gave out. Using her flashlight torch she relieved the terrific strain of the night by reading "Tom Sawyer."

If the help leaves you in the lurch don't holler, just step around to Hass' Delicatessen and get some of their home cooked foods to surprise hubby. The only regret you will have is that the help didn't leave sooner.

## Pennsylvania Village Receives \$2,000,000 "Town Hall" As Gift From "Chocolate King"

Hershey, Pa.—Adding another to his long list of "practical" philanthropies, Milton S. Hershey, the "Chocolate King," has just announced the gift of a \$2,000,000 structure of classic design that is to become the community center for the two, five hundred residents of this town.

Including the cost of the new community center, Mr. Hershey's "investments" in the health and happiness of his neighbors now totals, at a conservative estimate, at least \$65,000,000.

The work of excavating the large tract required for the new building is under way. Six stories high and occupying a plot 400 by 250 feet, the structure will be of Italian Renaissance design. It will feature a terrace, formal court, containing a decorative pool and promenades bordered by flower beds.

Contains Bachelor Quarters Although it is entirely new in many of its details the Hershey community center actually is the realization and outgrowth of an idea

Milton S. Hershey

Mr. Hershey has had in mind for a number of years. That is, some practical provision for the boys who, having completed their training at the Hershey Industrial School, choose to remain and work in the industries of the town. This was the primary thought out of which this unique establishment has grown. It is another manifestation of Mr.

Terraced Court and Main Wing of New Community Building

Hershey's policy of "helping others help themselves".

The bachelor residents of the center will be provided for with 150 dormitories and apartments. One of the principal features will be a modern theater with seating capacity of 2500. There also will be a second, "little" theater for church, agriculture and other social gatherings.

Has Club Facilities

The first floor will contain, in addition, a public library and club rooms, large gymnasium with bleachers raised from the floor, swimming pool, dining room, lecture and study halls. On the second floor, besides the theatre balcony will be exhibition rooms, separate quarters for fencing and boxing, hand ball courts and other recreational facilities. While on the top floor will be a completely equipped community hospital and sun-deck. The entire project is to be operated as a community benefit with unusually low charges for individual accommodations.

## Belleville High School Defeats South Orange Nine

### Nutley Overwhelms Lincoln High, 17-5

The Maroon and Gray of Nutley ran roughshod over Lincoln High, downing the Jersey City boys, 17-5, last Saturday at Park Oval. Balfour and Kirkleski, pitchers for Lincoln, proved no match for Nutley's heavy hitters, being touched for seventeen hits and as many runs. Fenrich who took up the pitching duties in place of Baykowski in the third held the visitors in check for the rest of the game.

The Nutleyites scored in every inning but the fifth, making up for that by scoring nine runs in the sixth. In the sixth "Sparky" Jones, the blonde haired flash of Nutley, hit a triple with three on base and in the same inning he hit a homer with two on base. Jones would have had two homers out he tripped rounding first base on his first hit. Captain Ray Gibney had a perfect lay at bat, collecting four hits out of as many times at bat. Jacques, Nutley's heavy hitting clean up man, collected three doubles, knocking in five runs and scoring two himself. Hank Stager connected for two solid wallops also.

Lincoln scored one run in the second and two in the sixth and seventh to give the Jersey City lads their five runs. Nutley entertains Ridgewood at the Park Oval next Saturday.

### Memphis Team Wins Two Games

The Memphis A. C., a reorganized light-midget team, won their first two games of the season. The first victim was the Belleville School No. 7, losing to the midget boys 8 to 5. The Hilltops were the last victims, being outscored by the Memphis boys 14 to 8.

Against the School No. 7 team the A. C. took an early lead in the first inning which they managed to retain to the close of the game. J. Jannarone, Santamassimo and Gelormino were the batting stars. The School boys were guilty of the only error committed in the game.

The Memphis A. C. found it much harder to down the Hilltops last Sunday in all the rain. Up to the sixth inning the Hill boys were in the lead. Here some heavy hitting on the part of the Memphis team soon put them in the lead to which they added as the game went on. Vitello hit well for the winners. Macaluso, Mosekiza and Cancelosi did best for the losers.

Any midget team in this vicinity wishing to book games, should contact T. Jannarone, 20 Harriet, Nutley, or phone Nutley

### CASALE LETS LAST YEARS CHAMPS DOWN WITH SIX PALTRY HITS

#### BLOEMEKE HANDLES SEVEN CHANCES IN FAULTLESS MANNER

Belleville High's baseball nine Friday won a hotly contested game at Clearman Field from Columbia High of South Orange, last year's claimant of State titular honors.

The lead was held by first one team and then the other with the outcome ever in doubt. Lamb and McCarthy were the shining lights of the Blue and Gold's offensive, while Bloemeke and Casale featured on the defense. Casale pitched a marvelous game for the localites limiting the Columbians to six hits. Bloemeke handled seven chances in faultless style.

Belleville scored first blood on a lone tally in the second inning, after a scoreless first frame. McCarthy singled, O'Neil doubled and Casale singled scoring McCarthy.

Again in the third inning Belleville scored on a double by Lamb and a Texas leaguer by Bonavita.

South Orange scored two runs in the fourth inning, knotting the count at 2-2. In this inning Conrad, the first man up outman a slow grounder; Wadsworth, next up, struck out; Conrad stole second. Christy, captain of the South Orangettes was next up and he reached first on an error. Sandback proceeded to ground out placing Conrad on third. Conrad and Christy then scored on a single by Bischoff.

Belleville came back, however, in their half of the fourth and again scored into the lead. Maniscalco first up was hit by a pitched ball, stole second and scored on Byrne's pretty single.

Neither side scored in the fifth, each team playing airtight ball. Domenick made a beautiful catch in this inning right up against the left field fence.

In the sixth South Orange knotted the count and then went into the lead for the first time by scoring two runs. Christy lead off with a single and went to third on Sandback's double. Bischoff then singled scoring both runners.

In the seventh Belleville again tied the score on a pass to "Mac" Lamb and a Texas Leaguer by Bonavita when Lamb executed a neat piece of base running scoring all the way from first on the play.

The Bell boys then forged into the lead again on a clean hit into deep center field by McCarthy which was good for four bases.

South Orange opened the ninth with a single by Bischoff. He stole second, reached third on a fielder's choice and scored on a well executed bunt by Day.

In Belleville's half of the ninth Bloemeke put a beautiful drive over the left field fence for two bases. Lamb walked and Bloemeke reached third on an error by the catcher. He then scored the inning marker on a slow roller down the first base line by Domenick.

Sandback and Bischoff played best for Columbia.

### Bell-Nuts Defeat Park A. C. In League

On Monday evening at Clearman Field the Bell-Nuts defeated the Park A. C. in the second game of the Belleville American Legion Athletic Development League, 11-3.

Moniot on the mound for the winners had the Parks well in hand up to the fifth inning when the Parks scored two runs on a Bell-Nut error, a single by Paul, a sacrifice and an infield out. The Parks also scored a run in the last inning on hits by Cancelosi and Del Grosso.

The Bell-Nuts went on a rampage in the third inning and knocked Cancelosi, the Park's starting hurler, out of the box. After he had walked the first two batters, a single by Ott and a double by Johnnie Lamb caused his removal from the box. Mazza then took up the pitching burden for the Parks, but he was unable to locate the plate and after walking the first two batters, Macaluso ended his stay on the mound with a long triple to right field. Lawson, relieving Mazza, held the Bell-Nuts well in check through the remainder of the game.

Moniot's fine twirling for the winners featured allowing but five well scattered hits and striking out nine opposing batters. Artie Lamb and Ott featured the Bell-Nut offensive with two hits apiece while Cancelosi was the Park's best performer with the willow.

### Sonneborn "Moguls" From New York Will Play Factory Team

#### "Phil" Dettelbach's Crew Think They Can Whip Office Outfit.

This Saturday, May 4, will witness a very interesting game at Sonneborn's baseball field. The factory team will entertain the New York office which has gotten together a very good team, a number of whom play semi-professional ball. Although the factory team has lost two practice tilts, they hope to open their season on Saturday with a victory at the expense of the New York Moguls.

To make the game real interesting, the New York management has donated an award for each man of the winning team. Dr. Ferdinand Sonneborn, the president, and Philip Dettelbach, the general superintendent, will start "the ball a rolling." Here is how the teams will shape up for the opening game.

New York Office—B. Gold, third base; H. Immerman, second base; W. C. Leck, pitcher; J. M. Martin, catcher; E. Rooney, short stop-catcher; G. Rhem, first base-manager; G. Byers, center field; H. Gold, left field; M. Newman, right field. Utility—J. Rosen, H. Blankenstein and S. Ruvlin.

Factory—S. Carpel, third base; O. Larson, second base; J. Carpel, pitcher; L. Weitzman, catcher-manager; F. Gaccione, short stop; W. J. Gavlin, first base; F. Fusaro, center field; A. Scotland, left field-catcher; M. Catone, right field. Utility—P. Gleason, J. Boyd and J. Martini.

Official Umpires—Mr. J. W. Rosen and Mr. F. O'Neil. The game will start at 2:30 sharp.

### Bachelors Lose To St. Anthony's Club

The Bachelors fell before the great pitching of "Champ" Juliano, St. Anthony's ace, who allowed them but one run, keeping their eight hits well scattered, besides striking out seven of the Bachelor stick-wielders, Tuesday. The score was 8-1.

The game was restricted to but five innings because of darkness, but a good baseball game was in progress during the abbreviated session. Despite the 8-1 score against them the Bachelors displayed a fine defensive game and with a little more effective stick-work they should rate high in the league. The St. Anthony's had a well-concentrated attack, which added to the good pitching of Juliano accounted for the victory.

The Clark brothers, Hughie and Jimmie, played a great defensive game, each making several brilliant catches. Mike Bartley led the Bachelor offense with two singles, besides playing a good game in the field. Gentello and Juliano hit best for the winners, each securing two wallops.

### Two Generations At Nereid Party

Two generations of oarsmen participated in the fifty-fourth annual dinner of the Nereid Boat Club in the boat-house last night. Invitations had been sent to more than a hundred members and former members, and there was a happy reunion of men who competed years ago with sweeps and sculls.

A feature was the christening of two new racing shells, a four-oared gig and a quadruple shell.

### TURF REPLACED ON LINKS AFTER OFFICIALS TRY SKILL

Three of four players of the first foursome lined up in the second annual Belleville Town Hall golf tournament, held all day Friday on the links of the Forest Hill Field Club, captured honors. The fourth player, Corporation Counsel John B. Brown, winner of the tournament last year, although he had never played a game before, was given a lower handicap Friday and was third from last.

Four foursomes made the rounds, one in the morning and one in the afternoon. Dinner was served at the clubhouse between matches.

The other three members of the first foursome were Edward Grante of the Water Department, Edward O'Connor, plumbing inspector, and M. E. Brasher.

Messrs. Grante and O'Connor were the only players to attain the distinction of playing in class A. Classification was determined by a new system installed by Mr. Grante, as official handicapper. Those making the two rounds in 200 or less strokes, 142 being par for thirty-six holes, were class A players; those using 200 to 225 strokes were class B, and those using 226 or over class C.

Mr. O'Connor won first place in his class with Mr. Grante second. Their net scores were 186 and 196, respectively.

Frank Fuselli, inspector of combustibles, won the class B. first honor with a net score of 216. A tie for second place in the class resulted between Watson Current, school commissioner, and William H. Williams of the Adjustment Board. An extra hole played gave the former one stroke advantage, with a net score of 223.

Class C. first place was disputed in a triple tie by Floyd Bragg, deputy tax assessor; Harvey B. Thompson, realtor, and Mr. Brasher. The first two named were eliminated in extra hole play by Mr. Brasher, whose net score was 230.

The "engineering" of Edgar Young of the Engineering Department, in the manner of cutting from one fairway to another, earned him honorable "booby" mention. A close second to this honor was John J. Daly, town clerk, who played what he termed "amiable" golf and was next to last. Mayor Samuel S. Kenworthy was a runner-up on the winners of class C, lagging behind the trio by only half a point.

It should be said for Mr. Brown, although near the end, he had new clubs and had used them only once since last year's coup de main, "whereas" it takes a long time to break in such clubs. It was "resolved" his play was promising.

Others who played were Roy W. Brooks, tax collector; George Lindsay, assistant engineer; George A. Fitzsimmons, recorder, and Russell K. Rose, vice president of the People's National Bank of Belleville.

#### Athletic Club Dance

The St. Valentine Athletic Club's sixth annual May Dance will be held at the School Auditorium, corner of Franklin and East Passaic avenues, Bloomfield, on Saturday evening.

The entertainment committee in charge are, chairman, Raymond Brady; assisted by Anthony Baker, John Strenkosky, Paul Sturm and Thomas Kilminski. Music will be furnished by the Diamond Aces Society Dance Orchestra.

### Belleville Panthers Defeat Parks, 13-8

The newly organized Panther A. C. of Belleville inaugurated its baseball season with a decisive win over the Park A. C., entrants in the American Legion Athletic Development League, 13-8, Monday.

The Panthers were in the van throughout and were never threatened. Schenck and M. Lamb divided the pitching burden for the Panthers and each performed in masterly fashion. Murphy, Panther's outer gardener, made a sensational catch in the fifth inning of a near homer by Schwartz, who led the attack for the losers with two hits. Cancelosi the Park ace, was knocked out of the box by the Panthers, who pounded out a total of fifteen safe wallops.

D. Lamb, Byrnes and McCarthy performed best with the willow for the Panthers, while Laird, Panther catcher, held up the twirlers in fine style. J. Travers and Zborowski played best for the losers who suffered their first defeat of the season.

#### Libertys Win.

The Liberty A. C. defeated the Nutley Lions 18-6, last week. The lineup: A. Christian, catcher; C. Lilore, first base; M. Stellado, second base; T. Stefanelli, third base; N. Caravetta, pitcher; T. Aiello, short stop; E. Christian, left field; J. Caravetta, right field; S. Laterza, center field.

Nutley Lions—C. Luzzi, catcher; P. Volpe, first base; R. Smith, second base; F. Arioxo, third base; F. Luzzi, pitcher; S. Allio, short stop; A. Volpe, left field; A. Moroni, right field, and N. Tornado, center field. Liberty A. C. 2 5 2 1 8—18

## HERE'S HOW NASH "400"

ASK THE SALESMAN:  
WHAT IS THE PRICE, DELIVERED, FULLY EQUIPPED?

DELIVERED PRICES  
SAVE YOU MONEY

### "400" STANDARD SIX SEDAN

\$970.  
Delivered, Fully Equipped,  
Nothing More to Buy!

WHEN a Nash "400" leaves the factory it has been furnished with all items of equipment, including chromium-nickel bumpers, front and rear, hydraulic shock absorbers, tire lock and tire cover. There is no extra charge made thereafter for these items.

So, when you see, in a motor car advertisement, a price quoted, and under it the words "All prices f. o. b. factory," you should make a mental note to ask the salesman for that car how much extra, over and

above the f. o. b. price, it will cost you to have a fully equipped car such as the Nash "400."

Some dealers (not Nash dealers) charge up to \$50 or \$60 extra for bumpers alone.

Investigation will show you conclusively that the Nash way of building and selling a motor car saves you money. You will find cars of competitive makes actually costing considerably more than a Nash "400" when delivered, fully equipped, nothing more to buy!
