FIGURELLI SAYS TOWN WOULD "STAND LOTS OF INVESTIGATION"

Mayor Kenworthy Tells Him To Direct Remarks To Board And "Be Very Careful What You Say — — —"

Former Recorder Samuel Figurelli Tuesday night stated at the Town Commission meeting that an investigation of municipal affairs might not be amiss. Mayor Samuel S. Kenworthy said such is not needed. Commissioner Patrick A. Waters declared in his three and one half years as a commissioner he has seen nothing to require such an investigation.

Mr. Figurelli, counsel for Belwood Park objectors to the Keller factory there, was directing his speech at large to the citizens present, many of whom were standing in the crowded aisles of the commission chamber.

"There is some personal reason," he said, "why this sudden interest is taken in changing this residential zone to industrial. Our honorable Mayor, not so long ago, told the Belwood Park Association the land was fit only for residential purposes and would remain such during his administration."

"What is the reason this town is losing in taxation today? It is because we, the taxpayers, have to beg of commissioners what we have a right to demand; because of back assessments, mismanagement. Talk of legislative investigations! I think this town would stand lot of investigation."

"Mr. Figurelli," said the Mayor, "kindly address this board and be very careful what you say."

Commissioner Waters, who was opposed to the factory, said later: "I don't agree with our friend. He must either have lost his head or was just making a political speech. The conduct of the town in the last three and a half years challenges investigation and does not need it. But neither does it need factories. Towns without them have a lower tax rate and my stand is against them all."

Mr. Figurelli raised a question whether four of the five votes of the board would be necessary to pass an ordinance designed to change part of the section to industrial. Action was postponed a week until Corporation Counsel John B. Brown renders an opinion.

Commissioner Frank J. Carragher said the board was aligned three to two last week in favor of changing the zone in the factory's favor. He condemned this procedure, saying citizens living in the immediate vicinity should have been heard first.

The factory, proposed by the Keller Mechanical Engineering Corporation of Brooklyn, die manufacturers, was pictured as an asset to New Jersey by Charles J. Fagg, industrial secretary of the Newark Chamber of Commerce, who spoke. E. J. Maier, Newark real estate dealer, said it would make a good appearance, with lawn and shrubbery setting.

A petition, signed by more than 100 Soho residents favoring the factory, was presented by John Lanza, who in reply to Commissioner Carragher's said he would take an affidavit for the validity of the signatures. Last week more than 100 Belwood Park residents petitioned

against the factory. George Stewart of Belwood Park said if the factory were permitted the vicinity would become "all one large Soho with Belwood Park part of it." Robert Whitfield of Soho said a factory brought him to the Soho section to live and factories would bring thousands more.

A petition of Silver Lake residents with seven pages of signatures, which had been in circulation since March 1, called for recognition of the section as a part of Belleville and the residents as "human." The board was asked to grant eight requests or suffer a "split ticket," the next election, when "plenty of business men of our section could run."

Requests were: Service at Mountside Hospital, abatement of noise at night caused by Erie Railroad drilling of freight cars, extension of North Belmont avenue, installation of water in Block No. 267, opening of Watchung avenue and Heckel street over the railroad, removal of dumps and storm water damage and approval of plans of Public Service Coordinated Transport for new bus routes.

Several of the requests already have materialized, it was pointed out, and the others are being worked out as rapidly as possible.

A contract whereby the town would lease 3,000,000 gallons of its capacity in the Passaic Valley Sewer System to the United Piece Dye Works of Lodi for ten years was referred to Mr. Brown for study and recommendation next week.

Commissioner William D. Clark called attention to clean-up week starting Monday. Extra facilities will be supplied to clear the town of refuse accumulations, he said.

Paterson Teacher To Address P.-T. A.

Walter Krumbeck of the Paterson High faculty will be the speaker at the May 16 meeting of the P.-T. A. to be held in the High School.

Mr. Krumbeck has been gaining notice because of the work he has done in Vocational Guidance. He will have that subject as his topic in a talk before the P. T. A. The benefits of Vocational Guidance have long since passed the experimental stage and Mr. Krumbeck will give some of the first hand experiences he has met in this work.

Refreshments will be served by the Social Committee composed of the following members: Mrs. John B. Brown, chairman; Mrs. Porter Sheldon, Mrs. Floyd Bragg, Mrs. J. I. Rue, Sr., Mrs. John M. Kasper, Mrs. W. S. Denton, Mrs. L. F. Boultelle, Mrs. John Herbst, Mrs. L. Harold Payne and Mrs. A. C. Wein.

Miss Indra Bryant will lead the Girls' Glee Club of the High School in a musical program.

Salvation Army Drive To Start Week of May 17

Quota This Year Is Set At \$2,500; Chairman Is W. H. Bradshaw.

Belleville officials of the Salvation Army will hold the annual weekly drive for funds the week starting May 17.

The amount needed for maintenance of the good work the organization is doing in town this year is \$2,500.

W. H. Bradshaw of Floyd street has accepted the chairmanship this year. Teams and workers, as well as the general committee will be named later.

Is The Goat Loose?

Former Recorder Samuel Figurelli, who is giving Mayor Samuel S. Kenworthy something to think about as far as next May's municipal election is concerned, evidently got the Mayor's "nanny" for fair Tuesday at the commission meeting when Figurelli mentioned "investigation."

Legion Ticket Sale For Dance Exceeds All Expectations

The tremendous success of the American Legion Baseball League has created so much favorable comment that the ticket sale for the dance to be held by the league at Belleville Elks' Hall, tonight, has far exceeded the most optimistic expectations of the league officials.

The rival ball players will drop the spirit of keen rivalry which has characterized their ball playing and an armistice will be declared for the full enjoyment of the evening's festivities. Instead of chasing after flies the boys will follow the tune of Duke Hamlin's celebrated orchestra on the dance floor.

A coterie of local entertainers will supply snappy entertainment during the evening. Belleville's social elite and Belleville's officialdom will be present at this dance, the purpose of which is to raise funds for athletic equipment, there being no charge for admission at the games.

The clubs selling the most tickets will be presented with awards during the evening. The reports of the contestants indicate that the race will be close.

Rotary-Lions Plan Joint Meeting On Commerce Chamber

A meeting is being planned by Belleville Rotary and Lions Club's committee to further plans for a Chamber of Commerce. The date for the meeting has not been announced. The entire membership of both clubs will join to discuss the proposition.

Recently Tax Assessor William Hunt who has been active in interesting the two clubs in the project called a meeting of his committee with Rotarians at the Nereid Boat Club. No definite action was taken, but it was outlined that the Chamber should comprise business and factory classifications. It is aimed to have each improvement association represented by two members. Churches, if interested, will be asked to cooperate.

The major thought of the committee at present is to find the best way of financing the organization, which, it is felt, would require a paid, full-time secretary, preferably an out of town person, who is qualified in Chamber of Commerce organization work. Membership charges are also receiving considerable consideration.

Besides Mr. Hunt the Lions are represented by Thomas Reilly, Thomas McCabe, A. S. Micone and Andrew L. Boylan. The Rotary committee is made up of Edward Nelson, G. R. B. Symonds, Martin Tiernan, Raymond Mertz and Philip J. Murray.

W. H. WILLIAMS BRINGS DESIRABLE PAPER WAREHOUSE TO BELLEVILLE

Like Catching Trout "Bill" Had His Hands Full Fighting Other Municipalities Until His Quarry Was Landed.

W. H. WILLIAMS

Through the persistent efforts of William H. Williams of the Zoning Board a large wholesale paper concern, Beisler and Weidman, who for twenty years have conducted business in Ogdon street, Newark, will construct a large warehouse in Cortlandt street.

The concern plans to erect a one-story building which will be 107x224 feet with offices facing Cortlandt street, as well as four individual adjoining garages. The exact value of the ground which was obtained through Leroy H. Bunnell, local realtor, and the completed structure is not for publication, but it is intimated that the project involves nearly \$75,000.

Did It Alone

In bringing this desirable ratable to Belleville Mr. Williams fought a single handed battle against odds, which involved matching wits with the chamber of commerce of various municipalities, including Passaic, Garfield, Clifton, Bloomfield and Newark. He finally convinced the concern that its Belleville property should not be held for speculation about two weeks ago when the company had about decided to locate in Bloomfield.

About a year ago Mr. Williams, who heads one of the largest industries in this part of the country, became acquainted with the Newark firm in an odd manner. He stopped in their Newark place of business to visit a friend. In the course of the visit he met the firm heads who stated they had outgrown the capacity of their Newark location.

"Why not come to Belleville?" queried Mr. Williams, who, incidentally is a leader in the Passaic Chamber of Commerce.

"Land is too high there," was the answer.

Mr. Williams did not accept "no" for an answer. He got in touch with Mr. Bunnell and informed him that a warehouse site was needed. Mr. Bunnell did the rest.

However, the Newarkers, like trout with a fisherman, led Mr. Williams a merry chase. He finally landed the concern, not in a fishing manner, but on the merits of this town. Mr. Williams then set out to get a Belleville contractor to bid on erection of the plant. Three bid, but were higher than an out of town company. John Kelly of Passaic is the architect.

CLEAN UP WEEK MAY 13 TO 18, 1929

Citizens of Belleville. May we count on your co-operation and assistance to make Belleville better, brighter, cleaner, and more healthful? You can do it by giving the cellar, attic, and yard a Spring Cleaning. CLEAN UP WEEK is your chance to get rid of the useless trash and rubbish.

Place rubbish and trash in containers on the curb line and extra wagons will be furnished to remove it.

CLEAN UP WEEK has resulted in many advantages to community life,

In safeguarding Health.
In promoting Thrift.
In furthering Fire Prevention.
In Stimulating Civic Pride, and
In making the Home and Town Beautiful.

Cedar Hill Folks Are Up In Arms Because Their Assessments Have Been Jumped Over Last Year—Tax Bill Issue Causes Flurry.

Whole Block Intends To Go Before County Board Of Taxation

With the mailing of tax bills many residents are up in arms against increased assessments, even though it salved out to them that the tax rate has dwindled over last year, from 4.18 to 4.15.

Especially in the mill section of town, Cedar Hill avenue in particular, is sentiment rife. Many home owners there feel that they are assessed way beyond reason of \$8,000 and \$9,000 homes, some paying about \$220 in taxes. Forty feet lots have been jumped from an \$800 assessment to \$1,000, or from \$20 to \$25 per foot.

One home owner told the News that "We have been paying off our homes slowly and painfully" and now along comes increased assessments. Reduce the tax rate? That is only a camouflage. It is like robbing Peter to pay Paul."

H. C. Hayes is spokesman for "the whole block" between Holmes street and Joramelon street. He says "It is worse than being held up in broad daylight, only in this case they don't use masks."

"We intend to take our case before the County Board of Taxation," said Mr. Hayes. "We intended first to write the board about the situation, but we will all take a day off if necessary. As long as people are in power they do things to suit themselves and I don't suppose we can get the assessments changed. However, there is a general uprising on the hill. Just because we have a nice locality it does not mean we have to be robbed. Some homeowners are paying as high as \$20 a month taxes. Do you know what that means when you own an \$8,000 of \$9,000 house? If we had to rent the houses we would have to get at least \$100 a month for them. That is impossible. The way things are now—young people just starting out in life buying their own home, it means going without decent meals."

"I have been told there is a property owner in Washington avenue who pays only \$186 a year taxes and just turned down an offer of \$28,000 for the property. For our little six-room houses on forty feet of land we pay from \$220 to \$230."

As a part of "equalization" of assessments in town, a part of the "hill" section was increased this year.

School Board Sets Field Day May 23

Belleville Board of Education is making plans for a field day on Thursday, May 23. There will be setting-up exercises, drills, folk dances and May ole exercises, but no athletic contests. Schools will close at noon on that day to enable children to take part.

Business Manager James J. Turner reported at Monday night's meeting of the board that efforts are being made to apprehend the perpetrators of damage to various schools, in particular the breaking of windows. Public School No. 4 was recently entered by petty thieves.

Mr. Turner was complimented upon being elected president of the State Association of Clerks and School Business Managers.

Permission was granted the Ministers' Club of Belleville to resume a Daily Vacation Bible School this year at No. 1 School as well as No. 3 beginning June 24.

A report of the architects stated additions to Nos. 8 and 5 schools were completed. The former addition included eight rooms and a kindergarten at a cost of \$110,500; the latter, six rooms and kindergarten, at \$7,237.70.

The request that the board pay a \$17 doctor's bill for treatment of injuries of a pupil at No. 4 School, said to have been caused by a piece of iron on a desk, was refused. The board had no proof that it was liable.

George R. Gerard, supervising principal, reported a 5,261 enrollment last month, an increase of 277 over April, 1928, with attendance of 94.9 per cent. The usually low percentage for Belleville schools was due, Mr. Gerard stated, to the prevalence of mumps. Schools Nos. 1 and 3 lost nearly 1,000 days during the month; No. 9 was least affected and attained 97.4 per cent. attendance.

The following teachers were appointed to fill vacancies in the fall: The Misses Martha Williamson, Margaret Watters, Nora Abramson, Clementine Majoran, Agnes Culklin of Belleville, Martha Ennis, Ruth Schlee, Mamie Avallone, Minnie Julian, Lena Falco, Edna Cronhardt of Newark, Leona Johnson of Livingston, Beulah Bryant of Honesdale, Pa., Veta Davis of Nanticoke, Pa., Barbara Roche of Ashley, Pa., and Elizabeth Frisbie of Webster, N. Y.

VALUABLE AWARDS TO BE GIVEN AT CAPITOL THEATRE ALL NEXT WEEK

Berney Fenias, Manager, Proves To Town Once Again That He Is On The Job To Back Belleville Products.

Each evening next week at the Capitol Theatre, awards donated by the merchants of Belleville, will be given away from the stage to the holders of lucky numbers. This is in connection with the "Trade at Home" Campaign which is now in progress, the winner of which will receive a Plymouth Sedan.

Fenias Put It Over Berney Fenias, manager of the Capitol Theatre, is deserving of the thanks of the merchants and the community in general for the tireless way in which he has added to the success of this campaign. Mr. Fenias has offered the facilities of his theatre to the merchants of Belleville and has always shown the proper spirit when anything arises which will benefit the Town of Belleville.

Tickets have been distributed all week at the Theatre and any person who wishes to be eligible for an award must be present, or have someone present with their tickets, when the drawings are held each night next week.

Brave Negro Boy Scout Awarded Carnegie Medal and Scholarship

New Honors Come to Heroic Scout Who Made Sensational Ice Rescue In 1926 For Which He Was Then Awarded Gold Honor Medal Of Boy Scouts of America.

The Bronze Medal of the Carnegie Hero Fund Commission and an award of \$1,600 to be used for educational purposes, have recently been awarded to Sheman Potter, 13 year old, negro Boy Scout of Sandusky, Ohio, for his heroic rescue of a drowning boy who broke through the ice on Sandusky Bay while ice-skating during the winter of 1926, according to a report from the National Office of the Boy Scouts of America in New York City. The Scout was awarded the Gold Honor Medal of the Boy Scouts of America soon after the rescue was made. The Carnegie Hero Award is another tribute to his bravery.

Breaks Through Ice
Reports of the rescue state that ten-year-old Omar Meyer, Jr., broke through the ice on a cold December day while ice-skating on Sandusky Bay. Scout Potter, who was also skating, started to crawl across the ice to the boy's assistance when the ice broke and he fell into the freezing water. The negro Scout, despite the fact that he was wearing ice-skates and an overcoat, plunged to the rescue of the boy. Then, grasping the child by the clothing, he broke his way through the thin ice until he found a place where the ice would hold his weight. Climbing to the surface he dragged the boy to safety.

Records from the National Office of the Boy Scouts of America state that due to the extreme coldness of the water and the handicap of heavy clothing, shoes and skates, Scout Potter made the rescue at great risk to his own life. The rescue is one of the most outstanding in the history of the Boy Scout Movement. The report states that he demonstrated exceptional courage and a thorough knowledge of Scout training in the manner in which the rescue was made.

SERVICE PATROLS

Emergency patrols of Boy Scouts have been organized in the city of Dallas, Texas, and are prepared to give general emergency service in time of need. The purpose of the patrol is to furnish trained Scouts to serve at a moment's notice in any emergency. Each Scout has received thorough instruction in one of a number of major subjects which include First Aid to the injured, fire fighting and panic prevention, life-saving, tracking, signaling and traffic direction.

Already the Dallas Scouts have responded to several grass fire calls. Recently when an old man was lost from the Union Terminal, fifty Scouts from the emergency patrol were called upon to patrol the downtown district and the Trinity River bottoms in search of him. After a two-day search word was received that the old man was found and the Scouts were called in by means of signaling from the top of the Terminal Building. The Scouts are also giving service as auxiliary traffic policemen, working at school and grade crossings.

GOOD TURN

When firemen, policemen and workmen of the City Water Department of Baltimore, Md., were called out to work night and day to drain a deep quarry pool in the hope of finding the body of a missing man, Boy Scouts volunteered their services to erect a canteen and serve refreshments to the workers. Fourteen Scouts were at the scene all day and manned the police lines at the rim of the quarry between meal times. An officer's tent and three pup tents comprised the Scout headquarters. Cooking was done by various boys, each taking turns. Meals were served to the workers day and night. Approximately eighteen gallons of coffee were served on the first day. More than one hundred workmen, firemen and policemen were served dinner each evening.

TRAFFIC COUNT

For the third successive year Boy Scouts of Rochester, N. Y., have made a complete traffic count in the city as a Good Turn to the Traffic Committee of Rochester and City

Manager story. The Scouts counted automobiles, street cars, the number of passengers they carried, and pedestrians from 7 A. M. to 7 P. M. on the principal street intersection of the city on April 2nd. Data which they collected will be tabulated by members of the traffic committee for use in determining the necessity for street and bridge improvements or extensions, traffic regulations, placing of signals and the like.

In commenting on the work of the Boy Scouts, Commissioner of Public Safety George J. Nier said that it has been of considerable value to the city administration in the last two years to have the Scouts willing and capable of making as detailed and thorough a traffic count as they did. The Scouts worked under the direction of Scout Executive W. Arthur McKinney, in three-hour shifts.

SAVES CHILD

The President's Medal of the National Safety Council, highest award that the organization can offer to those who risk their own lives to save the lives of others, has been awarded to Scout Orlo Cummings of Eugene, Oregon. The presentation of the medal was made by Governor Patterson. The Scout saved the life of fifteen-months-old Mildred Domashofsky of Wendling, Oregon, several months ago. The Scout dove into eight feet of water in a fast running mill pond and recovered her after it was thought she was drowned.

CLEAN-UP CAMPAIGN

In a general clean-up campaign in Salt Lake City, Utah, Boy Scouts of that municipality, working under the personal direction of Scout Executive D. E. Hammond, are reporting all unsightly and unhealthy conditions. The Scouts have volunteered their services to be of whatever assistance possible in discovering unsightly places and also in aiding residents in cleaning up their premises.

NEW AVIATION CLUB

Under the auspices of the Boy Scouts of Benton Harbor, Michigan, an aviation club for boys has been started in that city. Twenty-five boys were in attendance at the first meeting. The group is working under the instruction of Warren Rutter, an Assistant Scoutmaster, and is open to all boys from ten to fifteen years of age. The boys will be taught the principles of aviation and will be instructed in the making of miniature and model planes.

SCOUT TRAINING

Oswald Thiel, 15-year old Scout of Coburg, Oregon, studied Life-Saving as a boy scout. After contact with 11,000 volts of electricity apparently had killed his father, young Thiel worked over him manfully and finally restored him to life.

SEA SCOUTING

Thirty-five New England Scout Executives had their first taste of Sea Activities from April 26 to 29 when the Sea Scout Training School for Scout Executives convened at the Coast Guard Academy in New London, Conn. The course was brought to a successful conclusion with a cruise upon a Coast Guard Destroyer.

SCOUTS GET AUTOMOBILE

Gifts of two automobiles, one a truck and the other easily convertible into a truck, to the Boy Scouts of Lee, Massachusetts, have been announced by Troop No. 45. The two cars are the gift of Hubert Tormey, of Lenox Dale, who donated the truck, and Raymond Markham, who donated a sedan.

MEXICAN SCOUTS

Organized as the first Boy Scout Troop of the Pasadena-San Gabriel Valley Council, whose members are all of the Mexican race, Troop No. 3 of San Gabriel now has sixteen Scouts on its roster. The unit was instituted last November and A. A. Green is the Scoutmaster, being assisted by a Mexican boy, Eddie Tellez. The Troop has its headquarters at the San Gabriel Settlement.

Phone Co. Gives Details Of New Billing System

Notices have been mailed with the May 1 telephone bills of subscribers in Newark, Montclair, Orange, South Orange and Summit business office districts giving the details of the change in billing plan recently announced by the New Jersey Bell Telephone Company, according to Mr. C. R. O'Neill, Manager for that Company.

The May 1 bills are the last of the present type bills to be issued and the next that subscribers in these districts will receive will adjust their accounts to the new plan.

Under the new plan, called "Rotation Billing," instead of all subscribers' bills going out on the first of the month, the bills will be divided into six groups dated the 1st, 6th, 11th, 16th, 21st or 26th of the month, depending on the central office from which each subscriber is served, Mr. O'Neill explained. Coincident with this change in billing practice entries on the bill will be made by machines instead of in longhand as at present. This will result in a neater and more legible bill.

During the change from the present to the new plan it is necessary to include charges for other than normal periods. Mr. O'Neill said that each subscriber will receive a notice with his next bill indicating the period covered by the charges. After the change has been completed bills will cover regular periods or one month's local service charge in advance and all other charges up to the date of the bill.

The business offices of the telephone company will be glad to answer questions or furnish additional information regarding the new plan.

Moving Day For Phones Busy One

The yearly spring moving day May 1 proved busier this year than ever for the telephone men responsible for moving telephones along with families to new locations, it was stated today by C. R. O'Neill, manager for the New Jersey Bell Telephone Company.

After working nights and Sunday where necessary to have everything in readiness, a telephone installation force of over 700 moved telephones for more than 1,350 subscribers Wednesday May 1, Mr. O'Neill stated. The number of moves was less in some of the larger cities, and correspondingly higher in smaller cities and communities, indicating a trend in the former places to spread moving day over a longer period.

Moving a subscriber's telephone involves a great deal more than loosening a few connections in a house or apartment and placing a telephone instrument in the new location, Mr. O'Neill said. Moving the 1,350 sub-

Mother's Day Pageant To Be Seen By 5,000

Arrangements have been completed at the New Jersey College for Women for entertaining approximately 5000 parents and other guests at the annual observance of Mother's Day, which will take place of Antilles Field Saturday afternoon, May 11. Each student will have several invited guests, and there will be a large number of official college visitors.

The program will start at 2:30 o'clock, when the sophomore class will perform the traditional ceremony of escorting the freshmen up the Sacred Path, a college path which the yearlings are not allowed to use. At 3 o'clock the entire student body will form on Antilles Field and will sing college and class songs. The class songs will be original and competitive, and a baton will be presented to the group judged best.

The feature event of the afternoon will be a colorful pageant of the seasons, in which 350 students participate. The pageant portrays the four seasons of the year, represented with appropriate music and dances, which bring characteristic gifts and beauties to the children of the earth. At the conclusion of the pageant tea will be served for guests and students in the Lodge, the Cabin and the Bee Hive, recreational buildings, on the various campuses. All buildings, including the dormitories, will be open for inspection all day.

New Lecture Series Offered By Rutgers

Local club women and members of civic organizations will be interested in the announcement of a series of lectures offered by the Rutgers University Extension Division. These lectures by members of the University faculty will be given in any community in the State desiring such service and are of especial interest to Women's club, parent-teacher associations, civic clubs and similar organizations.

Two new series have been added to the program for the coming year, one on "Our Social Order and the Youth of Today," by Dr. Frazer Metzger, dean of men; and another on "Problems of the Growing Boy," by Earl Reed Silvers, associate professor of English.

Among the other members of the faculty who will give lectures in series are Dr. Walter T. Marvin, dean of the College of Arts and Sciences; Dr. Clarence E. Parth, dean of education; Dr. Charles H. Whitman, professor of English; Edwin B. Davis, professor of Romance Lang-

uages; Irving S. Kull, professor of history, and Howard D. Mc Kinney, director of music.

The subjects covered in both series and single lectures include psychology, child guidance, history, music, mental hygiene, literature, citizenship, economics, art and education. Professor N. C. Miller, director of the service, has announced that booklets describing the lectures in detail may be secured by writing the University Extension Division, New Brunswick, N. J.

Rutgers R. O. T. C. Unit In Exhibition May 17

The Military Department of Rutgers University announced today that plans had been completed for the annual exhibition drill, which will be held on Neilson Field there on Friday afternoon, May 17. The complete Rutgers unit will take part. Dr. John M. Thomas, president of Rutgers University, will be in the reviewing line.

A Military Ball will be held in the evening.

ELECTRICITY and the HOUSE WIFE

ECONOMISTS say that one reason why America is so prosperous is that within the space of the past five years the amount of electric energy behind the average workman has increased from 3¼ to 4½ horse power.

A similar increase in electrical energy behind the American housewife has enabled her to create an attractive, comfortable and convenient home.

- The proper use of electricity assures correct home lighting.
- it permits the use of many labor saving devices
- it allows the installation of sanitary and convenient refrigeration
- it lends refinement and charm to household arrangements
- it puts at command many convenient toilet accessories
- it makes life easier in an increasing number of ways.

Junior Class Ready For "Cruise Of 1930"

"Bids" Are Out To Many At \$2 Per For Annual Prom.

The annual Junior Prom will take place on Friday evening, May 17. Through lack of a faculty advisor, Robert Jackson, the class president, is supervising the affair.

The decoration is in charge of Marguerite Wharton. The entertainment committee is the renowned "Gas Gang" under the leadership of Edith Minard. Refreshments are under the supervision of William McKnight.

Eddie Silverman's Imperial Orchestra from Passaic will furnish the music. Joseph Harter of this town, is supplying flowers.

"Bids" have been issued to the seniors and the members of the faculty. The chaperons will be Mr. and Mrs. George R. Gerard, Mr. and Mrs. Charles L. Steel, Jr., Mr. Briscoe and guest, Miss Helen Bailey and guest, and Mr. and Mrs. Pendleton.

The decorations will be in green and white, the class colors.

The Gym is to be decorated as a yacht, under the guidance of Miss Wharton. This plan is working out perfectly. The programs harmonize with the decorations of the gym.

The class of 1930 extends to the students and the alumni of Belleville High School, as well as the students of various surrounding schools and those of the townfolk who are interested in a cordial welcome to their prom.

"Bids" are \$2 a couple. The name of the prom is "The Cruise of 1930."

Time Bureau Handles Daylight Savings Calls

Less people needed help in straightening out the time tangle when daylight saving went into effect Sunday than last fall when standard time came into its own, the New Jersey Bell Telephone Company reports, but an augmented force at the telephone Time Bureau handled sixty per cent. more calls than usual the first day of the new time even so.

The Sunday calls were mostly from subscribers who wished to have their clocks set correctly before retiring Sunday night, taking no chances on having alarms ring an hour late Monday morning. The real rush at the Time Bureau came early Monday morning, when commuters had last-minute misgivings as to whether they had made their own time adjustments correctly, and when mothers getting their children off to school satisfied themselves that the man of the house had, or had not, been right about moving the hands of the clock back-ward—or forward.

The number of calls handled by the Time Bureau which serves northern and central New Jersey totaled 5,503 on Sunday.

The New Jersey Bell Telephone Company will reorganize its territory, effective the first of May, into four operating divisions instead of three, in order to afford closer supervision to service problems resulting from state growth, it was announced today.

A northern division will concentrate under one supervisory management telephone operation in Bergen, Passaic and Morris Counties. Essex County, the West Hudson towns and Summit comprise a separate metropolitan operating division. A central division generally will include Hudson County and the central part of the state as far as Toms River, not including the area centering in Trenton. The southern division will comprise the remainder of the state.

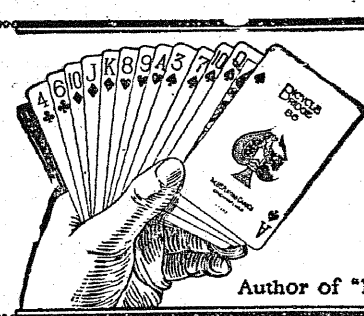

Personnel changes to conform to the new divisional arrangement will be made. H. R. Moorman, G. L. Yates and H. D. Saunders, will be commercial, traffic and plant supervisory heads in the northern division; J. A. Hurley, H. T. Sweeney and S. M. Vass in the metropolitan division; A. A. Vesellus, J. B. McCullen and F. F. Addicks in the central division, and W. W. Brittain, E. B. Edwards and H. A. McIlwain in the southern division.

Journalism To Be Offered Rutgers Summer Session

Journalism will be offered for the second year in the Rutgers Summer Session of six weeks, it was announced today by Dr. Clarence E. Partch, director. The Summer Session opens June 24 and closes August 2.

The course, which will be in charge of Professor Hubert R. Ede, a member of the Rutgers journalism staff and former city editor of The Newark Evening News, will consist of practical newspaper work dealing chiefly with the reporting of news and the writing of feature articles. The daily news of New Brunswick and vicinity will be covered, with the students organized as a newspaper staff and the instructor acting as city editor.

Lectures will be given on newspaper organization and general newspaper work to establish a background. Students will begin their work under conditions similar to those in a newspaper office and will progress to the more important news and feature assignments.

How to Play BRIDGE

Series 1928-29 by
Wynne Ferguson

Author of "PRACTICAL AUCTION BRIDGE"

ARTICLE No. 20

Several times these articles have mentioned the Auction Bridge competitions that are held in London, England. These competitions arouse the greatest interest and it is nothing unusual for the number of contestants to number close to ten thousand. It would be difficult to arouse that amount of interest here, just why is hard to say. Perhaps the English are more studious and enjoy working out these problems. Formerly these competitions were decided by "plebiscite"; that is, the correct bid in each case was adjudged to be the one chosen by the largest number of competitors. This method was found to be unsatisfactory, however, and the correct bids are now decided by a majority vote of five judges, who are selected because of their standing as experts.

The following hands make up the latest of these competitions. Look them over carefully and make up your mind what you would do in each instance. The writer will give his opinion in the next article, the decision of the English judges and the "plebiscite" vote of the competitors. A comparison of these views with that of the reader should prove most interesting.

Spades are trumps and Z is in the lead. How can Y Z win seven of the eight tricks against any defense?

Z should lead the eight of spades. A can either (a) cover the eight with the nine of spades or (b) play the six of spades.

(a) Suppose A covers with the nine of spades. Y should play the ten and B the five. Y should now play the deuce of clubs. B the four, Z the queen and A wins the trick with the king. A's best lead at this point is the seven of clubs, which Z must win with the ace, Y and B following suit. Z must now lead the queen of hearts on which Y should discard the five of clubs, A and B following suit. Z should now lead the four of spades and Y wins the next two spade tricks with the ace seven of spades. Z discarding the six of hearts on the last spade. B is forced to make two discards. The first discard should be the eight of clubs, but the second discard gets B into trouble. If he discards the jack of clubs, Y's ten of clubs is good. If he discards the five of diamonds, both of Z's diamonds are good. In either case, therefore, Y Z must win the rest of the tricks.

Suppose at trick three, A should lead back the eight of hearts. Z should win this trick with the queen of hearts and

lead the ace of clubs. Z should then lead the four of spades and the play is the same as before.

Suppose at trick three, A should lead the six of spades. Y should win this trick with the seven of spades and then lead the ace of spades. B should discard the six of clubs and the ten of hearts. Y should then lead the eight of diamonds. If B plays the nine of diamonds, Z wins the balance of the tricks. If B plays the five of diamonds, Y takes the trick and leads a club, thus enabling Z to win the balance of the trick.

(b) Suppose at trick one, A plays the six of spades. Y should play the seven of spades and allow Z to win the trick. Z should then lead the four of spades and Y wins the next two spade tricks with the ace seven of spades. Z discarding the six of hearts on the last spade. B is forced to make two discards. The first discard should be the eight of clubs, but the second discard gets B into trouble. If he discards the jack of clubs, Y's ten of clubs is good. If he discards the five of diamonds, both of Z's diamonds are good. In either case, therefore, Y Z must win the rest of the tricks.

Suppose at trick three, A should lead back the eight of hearts. Z should win this trick with the queen of hearts and

PAIR HELD FOR BEATING UP GIRLS' ESCORTS

Thomas Kelly of 59 Washington street and John Heitman of 172 Jerome place, both of Bloomfield, were held in \$50 bail each Friday night for appearance before Recorder Fitzsimmons tonight on charges of assault and battery preferred by Stanley Davis and John Eyski of 111 Howard street, both of Newark.

The complainants said Kelly and Heitman, with two other young men, for whom police are searching, attacked them the night of April 21, when they took two Soho girls home in their automobile after a dance in Newark. One of the group went through the motions of "flashing" a police badge and ordered the two out of the territory. When the complainants replied they would take their time, the four beat them, they said.

The complainants took the license number of the car in which the four rode, which led to the arrest of Kelly on warrant Friday. Heitman gave himself up at police headquarters after Kelly's arrest.

Illegal Transfer Of Assets Charged

Charging illegal assignment of assets by the Glenwood Manufacturing Company, Banister and Pollard, wholesale hardware dealers, applied to Vice Chancellor Church, Friday for a receiver for the concern, which was in the electric sign business at 605 Third street. An order to show cause why a receiver should not be named was made returnable May 14. According to the bill filed by Thomas L. Parsonnet, the latter was informed by Harold A. Miller, registered agent of the company, that it has no assets having transferred them to a third party. Insolvency and violation of the bulk sales act are alleged, but no hint of assets or liabilities is given in the papers. Only \$1,000 of the \$25,000 capital stock authorized November 19, 1925, is said to have been issued.

Nash Shipments For April Large

Kenosha, Wis., May 9—April shipments of the Nash "400" series cars exceeded those of the corresponding month last year by 92.69 percent, establishing the highest April record in the history of the company, it was announced today by C. H. Bliss, General Sales Manager.

Shipments were almost double those of the same month in 1928.

At the same time, it was also announced that total shipments from the Nash factories for the first four months of this year were 59.38 percent greater than the shipments for the first four months of 1928.

The fact that sales records have been mounting, month after month, is attributed as a direct reflection of the widespread public appreciation of the "400" series.

Hold First Prep School Day

The New Jersey College for Women observed its first Prep School Day, sponsored by the Associate Alumnae, on the campus, Saturday, May 4, when each high school in the State was represented by one girl.

Motorists Is Held After Auto Hits Man

Americo Rich of 89 Franklin avenue, was held under \$500 bail for the grand jury last week by Recorder Rawson of Bloomfield on a charge of automobile assault. Rich's car struck Harry Jackson of 36 Maolls avenue, Bloomfield, December 26, in Belleville avenue, that town. Jackson suffered fractures of both legs and was under treatment at Mountainside Hospital until a few days ago. Rich told police Jackson stepped from the curb in front of his car.

Held By Recorder For Non-Support

Henry Werdman, forty, 322 Tremont avenue, East Orange, a chauffeur, was held in \$500 bail by Recorder Fitzsimmons on a charge of non-support made by his wife. The latter lives at 9 Bellevue avenue with four children.

Belleville K. of C. To Enact The Play, "Thirteenth Chair"

"The Thirteenth Chair," a mystery play, will be presented by the Belleville Knights of Columbus Thursday and Friday, May 16 and 17, at St. Peter's Auditorium.

The cast includes the Misses Frances Larkin, Dorothy Salmon, Agnes Jordan, Dolly Ryder, Emily Marshall and Myrtle Ryan, J. Emil Chartrand, John Hood, Joseph Howley, Hugh Paterson, James A. Leonard and Frank Kelly. Gilbert Howley is chairman.

The players were honored last Friday night by a visit from Bayard Veiller, author of the drama.

Mr. Veiller, who is also the author of "The Trial of Mary Dugan," is an old friend of Emil Chartrand, director of the show. It was through this friendship that he was induced to make the visit.

Unknown to the cast he had observed the first act from the darkened recesses of the auditorium, and as the curtain closed for the end of the act he came forward to congratulate the director and the cast for their splendid interpretation of his work.

Commenting on their work he said it was the finest amateur performance of this drama he had ever witnessed. The work of the cast he said brought back many pleasant memories of the company who first produced this hit.

He pointed out several minor defects in their work and expounded at length on the underlying psychology of several characters in the plot. Mr. Veiller promised to be present at one of the nights of the performance and lend whatever assistance he could.

Mr. Veiller, a former reporter on the Brooklyn Daily Eagle, is a mild mannered, dapper man of retiring disposition and is very unspoiled by his success. When interviewed by a special correspondent of the Belleville News, Mr. Veiller said that "The Thirteenth Chair" was, and still is, his first love. However, his drama, "The Trial of Mary Dugan," is his biggest financial success. "Mary Dugan," Mr. Veiller said, "lives everyday in the pages of a tabloid newspaper. She is the same self-sacrificing creature that I have portrayed and I have merely held a mirror to life."

The cast extended to Mr. Veiller a vote of appreciation and thanked him for his visit.

Work Starts On Apartment House

Work has started on the fifty-two family apartment house which will face on Rutgers street just west of Washington avenue and extend west to High street.

Benjamin Gallinson, who is reputed to have one of the three best apartments in the state in Summit is the owner, who acquired the site from Alfred Cooper.

The property has a depth of 175 feet and fronts eighty-five feet on Rutgers street. Present plans call for a ten foot wide sidewalk from Washington avenue to the apartment which will be eight stories high.

Local "Hello Bills" To Hold Dance

The Entertainment Committee of Belleville Lodge of Elks of which Frank Seigler is chairman is arranging for a Shirt Waist Dance to be held at the Home on Saturday evening, May 18.

Music will be furnished by Everglade Serenaders and tickets are now on sale.

Annual Hi-Y Party

Hi-Y held its annual party at Recreation House, Friday. Twenty were present at this annual event.

The group was chaperoned by Charles Knowles, Ray Mart, and Gertrude Zitzman. Dancing and games occupied the attention of the majority of the guests, with prizes being won by a goodly number of the participants in the games. Alice Ward, Cora DeHaas, Elizabeth Wortman and Cornelia Cochran won the girls' prizes, four beautiful sachet bags, while Howard Schreyer, Elwood Ferguson, Herbert Mayes and William Cullen were the lucky boys, each winning a serviceable ash tray. Refreshments, consisting of cake and punch, were served.

The wonderful time had by everyone present must be in a large degree accredited to the various committees who worked diligently that the affair might be a success. William Cullen took care of the entertainment; Raymond Current the finances and Albert Knowles headed the house committee. Joseph Degelo, Herbert Mayes, and Walter Williams comprised the refreshment committee.

Fraternity Dance

The Gamma Chapter of the "Alpha Delta Omega" Fraternity, have arranged to hold a Spring Dance in the Nutley Field Club on Saturday evening, May 18. Music will be by Ed. Wolf and his "Ramblers."

"Bids" may be had at the door.

Community Aces Baffle Howitzers

The Community Aces, of Silver Lake Community House, opened their season on Sunday, defeating the Howitzers, (113th Infantry), 20-4.

The Infantry-men, who have a powerful team, were unable to check the heavy hitting of the Aces, even though three pitchers were used. Pico of the Aces collected three triples, and Cieri got three doubles. "Speedball" Casey allowed only four hits. He had too much fire behind the ball for the Howitzers.

Plum was batted out of the box in the first frame by the clouting attack put up by the Aces.

Last season the Aces lost only two games, one to the Bachelors of Belleville, 2-1, and to the Parks B. B. C. of Newark, 6-5. All other opponents were beaten by large scores. The batting average of the Aces, for 1928 was .453.

The Community Aces will play all heavy junior teams. For dates write in care of Community House, 118 Belmont avenue, Silver Lake.

Brain of Doctor Snaps in Operation

Vienna. — Johann Varsagh, Hungarian song-writer, had his eyesight seriously damaged and just escaped losing it altogether in consequence of a doctor losing his reason during an operation.

Varsagh underwent an operation in a Budapest nursing home for the removal of a gastric ulcer, and during the administration of the anesthetic, the brain of the doctor acting as anesthetist seems suddenly to have snapped.

It is alleged that after Varsagh had become unconscious the anesthetist deliberately poured the contents of the ether bottle in the patient's eyes.

It was not until Varsagh had been taken back to his ward that it was noticed what had happened. A specialist succeeded in saving the sight.

The anesthetist was taken to an asylum, a raving lunatic.

Visits Scout Troop

Boy, 5, Unconscious Still In Hospital

Local Lad Was Run Over by
Auto While Crossing
Avenue.

Physicians at St. Mary's Hospital Passaic are endeavoring to save the life of Warren Seal, 5, son of Mr. and Mrs. Joseph Seal, 61 William street. The boy has been in a semi-conscious condition about two weeks after being run over by an auto driven by Attilio Pacchiarotti of Wharton, at Washington avenue and William street.

The boy tried to cross the street against a red traffic light. Pacchiarotti was paroled in custody of Angelo Del Guercio, 77 Melrose avenue, North Arlington, pending outcome of the boy's injuries.

Margaret Messino, 10, of 156 Garden avenue was cut on the head by a stone which was hurled Saturday by a boy who lives in Garden avenue.

An automobile driven by Dr. T. M. Baird of 859 Kearny avenue, Arlington, was in collision Saturday with another automobile driven by B. H. Haskell of 626 Franklin avenue, Los Angeles, at Stephen street and Belleville avenue. The Haskell car was slightly damaged. No one was hurt.

Seven-year-old Adele Leibig and her mother, Mrs. Adolph Leibig of 880 De Graw avenue, Newark, were slightly injured the same day when an automobile driven by Mr. Leibig was in collision with another machine driven by Wesley E. Luckmiller of 616 Lyons avenue Newark, in Franklin avenue. The injured were attended at the Isolation Hospital, nearby.

Report Many Cases Of Mumps In Town

Communicable diseases reported by the Belleville Department of Health for April were as follows: Diphtheria 2; Scarlet Fever, 8; Pneumonia, 3; Chickenpox, 2; Measles, 3; German Measles, 2; Mumps, 69; Whooping Cough, 8 and T. B. Meningitis, 1.

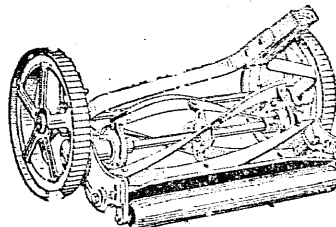

Conditions in Town for April with respect to communicable diseases were favorable, although there was an increase in the number of cases reported over the preceding month. The increase was due principally to mumps, there being sixty-nine cases reported as against twenty-seven for March. Scarlet Fever also showed a slight increase, eight cases being reported, an increase of six over March when two cases were reported. Diphtheria, pneumonia and whooping cough showed a very favorable decrease.

The Child Hygiene Nurses made the following visits: 649 home visits as follows, expectant mothers, 71; babies under one year, 252; pre-school children, 199; school children, 127. Attended baby keep-well stations, under one year, 243, pre-school children, 63. Prenatal clinic attended by twenty-four mothers. Total number of examinations and inspections of school children, 2,405.

Mills' Indorsements Almost Unanimous

Under-Sheriff Sweeps On
To Almost Assured
Victory.

Under-Sheriff Rupert F. Mills received several unanimous indorsements for his candidacy for Sheriff last week.

The Montclair Executive Committee of the County Committee un-

animously recommended his candidacy to the voters of Essex County and pledged their support in the coming primary. Two days later the Orange Executive Committee of the County unanimously went on record favoring the candidacy of Under-Sheriff Mills.

These two executive committees almost complete the suburban executive committee indorsements for his candidacy, while the city has practically unanimously indorsed his candidacy.

NASH "400"

Leads the World in Motor Car Value

See why Nash is lower!

ON the basis of quality, the Nash "400" should cost more than other cars in its competitive field. It actually costs less!

Nash engineers—one of the industry's outstanding engineering organizations—have created a finer motor car. They have developed the high-compression, 7-bearing motor to its highest point of perfection and power. The exclusive Nash outboard mounting of hydraulic shock absorbers doubles their effectiveness and creates supreme riding ease. And here is the "world's easiest driving control," in this new and finer motor car.

These are but a few of many "400" features of superiority.

Why then, is the Nash "400" lower priced?

Here is the explanation. Every Nash "400" is now factory-equipped with the accessories, purchased at factory savings and included in the factory price of the car. Bumpers, shock absorbers, spare tire lock and tire cover come with the car and are not added later as "extras," at retail prices.

You will find some dealers (not Nash dealers) charging as much as \$50 or \$60 extra for bumpers alone.

Compare the delivered, fully equipped price of any Nash "400" with the delivered, fully equipped prices of competitive cars. You'll see the saving!

NOTICE
PUBLIC NOTICE is hereby given that the following ordinance was passed on second and third reading at a meeting of the Board of Commissioners of the Town of Belleville, held on Tuesday evening, May 7, 1929, having been read in open court at least twice before the passage thereof, and is therefore now a law and hereby published according to law.

JOHN J. DALY, Town Clerk.

AN ORDINANCE PROVIDING FOR THE CONSTRUCTION OF A TOWN SEWER IN CENTER STREET AND ESSEX COUNTY PARK PROPERTY, FROM HOLMES STREET TO BROOK AVENUE, APPROXIMATELY 525 FEET SOUTH OF CENTER STREET, AUTHORIZING THE ISSUANCE OF TEMPORARY IMPROVEMENT BONDS OR TEMPORARY IMPROVEMENT NOTES, AND APPROPRIATING THE SUM OF \$8,000 THEREFOR.

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

1.—That Valley Street from Holmes Street to Brook Avenue, in the Town of Belleville, be improved by the construction of a 7" reinforced concrete sewer, granite curbing, on temporary improvement bonds or temporary improvement notes of the Town of Belleville, in an amount not to exceed the sum of \$8,000. The said sum is hereby appropriated to pay said cost. For the purpose of such appropriation, temporary improvement bonds or temporary improvement notes of the Town of Belleville, in an amount not to exceed the amount of said appropriation, pursuant to the provisions of section 12 of Chapter 252 of the Laws of 1916, and the acts amendatory thereof and supplemental thereto, which bonds or notes shall bear interest at a rate not exceeding six per centum per annum. All other matters in respect to said temporary improvement bonds or notes shall be determined by the Board of Commissioners or by the Director of the Department of Finance and Finance as the Board of Commissioners may hereafter by resolution determine.

2.—That the cost of said improvement shall be assessed against the abutting property to the extent of the benefits received by said property.

3.—That the cost of said improvement shall be assessed against the abutting property to the extent of the benefits received by said property.

4.—This ordinance shall take effect immediately.

JOHN J. DALY, Town Clerk.

NOTICE
PUBLIC NOTICE HEREBY GIVEN, that the following ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Town of Belleville, held on Tuesday, April 30, 1929, and further notice hereby given that second and third reading of said ordinance was held at the Town Hall, Washington Avenue and Belleville Avenue, Tuesday evening, May 7, 1929, at 8 o'clock P. M., Daylight Saving Time, when all objections to the passing of the same will be heard and considered.

SCOUTS VIE FOR HONORS IN NUTLEY-BLOOMFIELD MEET

On the Bloomfield "green" the annual spring council rally of the Bloomfield-Nutley Council, Boy Scouts of America, Saturday attracted many from all parts of the county to watch the work of the boys.

The events contested by the eighteen troops were flint and steel, string burning, knot tying, signaling and first aid. The Nutley boys, Troop 3, were first with 21 points; Troop 11, Bloomfield, second, 18 points; Troop 9, Bloomfield, third, 11 points; Troop 7, Nutley, fourth, 10 points, and Troop 1, Nutley, fifth, 9 points. The final score being Nutley 40, Bloomfield 29. The judges were Scout Commissioner Frank Evans, Thomas K. Glover, Arthur Poynter, Ralph Smith, H. S. Heeb and C. N. Caldwell. One of the features in the conferring of honors by Mr. Caldwell was the presentation of a gold palm to John Dalton of Troop 11 of Nutley, which means that he had successfully passed every test and receiving thirty-one merit badges. Dalton, who is 17 years old, later received congratulations of the Scout officials upon his excellent showing. Star Scout badges were awarded to Ed Howell, Troop 6, Bloomfield; Lawrence Blankenburg, Troop 11, Nutley, who also received the life badge; William Cox, Troop 11, Nutley; Francis Mc Mahon, Troop 11, Nutley and Junior Scholer of the same troop.

After the regular Scout activities, Scout masters of the two municipalities engaged in a tug of war, Bloomfield winning after a lively tussle. The Boy Scouts followed in a similar event, Nutley walking away with the contest.

Nutley Director Talks To Rotary

Commissioner Charles A. Sherwood was a guest speaker Thursday at the weekly meeting of the Nutley Rotary Club at the Yountakah Country Club. He described in detail the progress made in his department since taking office a year ago.

The speaker explained the plans now under way for acquiring property for park purposes. Land near Kingsland Lake and Nichols Pond are especially desirable and suitable for parkways, he said, and he may call for a referendum vote on the question of acquiring these sites.

Junior Annapolis Formed In Nutley

"Junior Annapolis," the naval division of the American Guard, a national organization for boys and young men, has been formed in town with Lieutenant Commander Walter G. H. Ryan in command.

The first of a series of week-end cruises of the organization was made Saturday. Forty boys made the trip on the school ship Junior Annapolis from Staten Island to West Point. The party toured the Military Academy grounds, sleeping on the ship Saturday night, returning on Sunday. The youths were in charge of Major T. Matthew Sattler and Commander Ryan.

Nutley Engineer, 37, Held To Grand Jury

Howard R. Smith, 37, an engineer of 234 Harrison street was held for the grand jury in \$1,000 bail on each of two charges of false pretense by Judge Boettner in the First Precinct Court Friday.

Smith is charged by Harry Carrington of L. Bamberger & Co., with obtaining a \$30 topcoat and by Philip Rosenberg of the Kresge Department Store with obtaining two fountain pens valued at \$15, by representing at each store that he had a charge account.

Lions Convention Plans.

The Nutley Lions Club plans a 100 per cent attendance May 16 at the state convention of the organization to be held at New Brunswick May 15 and 16. Bert Daniels was appointed chairman of a committee to make arrangements for the trip.

Woman Accuses Son Of Theft On Return From Runaway Trip

Mrs. Helen Kilian of 35 Princeton street, filed a complaint against her fifteen-year-old son, Charles Monday, charging him with stealing \$40. The boy was paroled in her custody to be arraigned in Juvenile Court.

Charles walked into Nutley police headquarters Monday afternoon and reported running away from home May 4. He said he took \$3 and was afraid to go home. Mrs. Kilian told police her son left home March 15 and took \$40 of her money.

Jewish Sisterhood Plans Card Party

Final arrangements for a card party to be held Wednesday evening May 15, at Temple B'Nai Israel, 192 Center street, Nutley, were made at a meeting of the Nutley Sisterhood held Monday evening at the Temple.

The committee in charge consists of Miss Lillian Treisman, chairman, Mrs. A. E. Abramson, Mrs. Jack Friedenreich, Mrs. Harry Chersashore, Mrs. Nathan Gelman, Miss Dorothy Chernin and Mrs. Ida Neldich.

Mrs. Herman Soelber, president, was in charge, and Mrs. Jacob Polak acted as hostess.

Two Hurt As Auto Hits Pole In Nutley

Two children were injured Sunday night when an automobile struck a telephone pole in Washington avenue. The force of the collision split the pole. Adele Myers, fifteen, and Bernard Myers, eleven, children of Jacob Myers of 57 Paulson avenue, Passaic, driver of the car, were treated by Dr. A. A. Rubin of Belleville for lacerations.

Myers was driving north in Washington avenue near Nutley avenue. He told police the car of Louis Leib of 160 Columbia avenue, Passaic, going in the same direction, cut him off, forcing him into the pole. Leib told police Myers tried to pass on the right.

Artist Shows Work At New York Exhibit

Francis I. Bennett of Whitford avenue, who returned last month from spending several months in the south of France, will exhibit thirty-two of his water colors at the Ainslee Galleries, New York, beginning May 15. Most of the subjects were done on the Riviera in the towns of San Raphael, Fraxus, Les Martignes and St. Tropez, and portray the native, old buildings and boats. Mr. Bennett feels that water colors have not yet come into their own, and that he has given a new method of approach in these pictures. Later he will exhibit in New York his oil paintings, many of which were done abroad, and some of the Jersey coast.

Mr. Bennett is a member of the American Artists Professional League and has exhibited before in New York and Chicago.

Rugs Stolen

Thieves took two rugs in two of four robberies in Nutley Saturday night and early Sunday morning. The rugs were taken from the homes of Joseph Fedor of 147 Lakeside Drive, and Harold Hellander, 151 Lakeside Drive. Each was valued at \$15. Entrance to the Fedor home was gained by use of a key, while a storm door at the rear of the Hellander residence was pried open. Nothing else was taken.

Frederick Mocksfield of 62 Kingsland road reported to police his home had been entered early Sunday morning. Two watches and several articles of jewelry, valued at \$175, were taken from a bedroom. A key was also used to enter Mocksfield's home. The three homes are within a short distance of each other.

Two shawls were stolen at a dance at the Nutley Field Club Saturday night. A young man was seen to leave the club with the dress shawls on his arm. Police declare the shawls may have been taken by mistake. They are investigating.

"How Orientalisms Shed Bible Light"

This Is Topic Of Native Garbed Minister In Belleville

For several weeks preparations have been made for the coming of the Rev. Alfred J. Orphal to Grace Baptist Church, Overlook avenue and Bremond street, Belleville.

On Wednesday evening, May 15, at 8, Mr. Orphal will bring his well known lecture on "How Orientalisms shed light on the Bible and Bible Lands," which will be given in the native garb of a Bedouin "hadji" or holy man of the desert stretches.

Dr. Wilbur Rice, has said, "It is

still true that native oriental life is the only key that can unlock the sense of many a valuable text of Scripture and bring it clearly into our view. It is a well known fact that the Bible after all is purely an oriental book, written by oriental men, under the inspiration of the Holy Spirit, and written to an oriental people. The orientalisms of the Bible and Bible Lands have to do with any trait, custom, costume, expression or style, peculiar to oriental people.

"In this lecture, it will be clearly seen that the native oriental garb as worn by the lecturer, illustrates passages of Scripture, which are more or less obscure to oriental minds."

Colonel E. A. Watkins, M. D. for twenty-seven years a medical missionary in Palestine, has said, "His trip to Palestine has made him a valuable man to meet and hear." One prominent minister said that he made the Land of Sacred Story stand out most prominently in the minds of the people. Another prominent minister has said that it is the best he has ever heard on Palestine.

Nutley Club Lists Activities For May

The May program was announced at the board meeting of the Woman's Club of Nutley Thursday. A program will be given by the literary section at the club meeting Monday. Two of Lady Gregory's plays, which will be read by members of the section are "The Workhouse Ward" and "The Traveling Man." Parts in the former will be read by Mrs. F. A. Heisley, Mrs. Charles E. Seymour and Mrs. Rudolph L. Bartel and in the latter by Mrs. William A. Smith. Mrs. George H. Elliott and Miss Rose Feuerlicht. David Smith, tenor, will sing, accompanied by Mrs. H. C. Wing.

Mrs. Ambrose S. Wilsey of Vreeland avenue will hold a meeting the evening of May 20 of the institutional cooperation section at her home.

The afternoon of that day the literary section will hold its meeting with its annual contribution of original poems and prose by members. Miss Jessie D. Coe will preside.

An evening card party, which will include men, has been planned for May 24 at the Nutley Field Club. Mrs. Horace Tatum of Rutgers place, chairman of the entertainment committee, will have charge of tables. The monthly afternoon card party will be held at the club-house May 27 with Mrs. H. W. Bonnett and Mrs. John M. Gardner as hostesses.

It was announced pledges for the scholarship fund were due and may be sent to the educational chairman, Mrs. Harry W. Little, 22 Colonial terrace.

Mrs. B. F. Banta Jr. has been accepted as a new member.

Leaves For England

Robert Cheetham of Kingsland road left Saturday on the Laconia for Sheffield, England.

Mr. Cheetham will be married there and will return in about two months accompanied by his bride.

Zitzmann's Stop Of Pop Flies Sets New World Mark

Bill Zitzmann of Nutley, left fielder for the Cincinnati Reds, smashed a record of nearly twenty-four years' standing in the game against the Robins at Brooklyn Saturday. Zitzmann made nine putouts, and when the statistics of the national pastime were rumbled over it was discovered that eight putouts had been the previous mark set by an outfielder in one game.

Mike Donlin, famous Giant outer gardener, established the record on October 13, 1905, and it was not approached until October 1, 1919, when Eddie Roush, now of the Giants but then of the Reds, also made eight put-outs in the outfield, to tie Mike's figures.

Parents Establish Rutgers Tennis Cup

Mr. and Mrs. Ralph W. McClintock of 241 Prospect street, have given to the Rutgers University Athletic Association a sterling silver loving cup in perpetuity in memory of their son, Ralph W. McClintock, Jr., a member of the class of 1927, who died a few months ago.

The cup will be known as the Ralph W. McClintock, Jr. Memorial Tennis Cup and will be presented annually to the winner of the fall tennis tournament at Rutgers. The trophy will remain on exhibition in the athletic trophy case.

In The Churches

The Woman's Auxiliary of Grace Episcopal Church, held an all-day sewing meeting Tuesday, beginning at 10 o'clock. Luncheon was served at noon by Unit 2, Mrs. Helen D. Cramer, chairman. The annual meeting of the auxiliary followed at 2:30 o'clock.

Samuel Grafflin, of national headquarters of Y. M. C. A. will speak this evening at the annual dinner of the Men's Club of St. Paul's Congregational Church. "The Great Adventure" will be the topic. The following officers will be installed: President, George E. Pearson; vice president, E. P. Cupo; secretary, Richard Kastner; treasurer, A. C. Junker.

The Woman's Home Missionary Society of Vincent Methodist Episcopal Church met Tuesday afternoon at 2:30 o'clock in the church with Mrs. Archey D. Ball of East Orange as speaker. The semi annual meeting of the Newark District Woman's Foreign Missionary Society was held Tuesday at Morrow Memorial church, Maplewood. There were morning and afternoon sessions.

Election of three trustees was held after the evening service at Vincent Church last night. Mrs. Walter Ings will hold a meeting of Every Woman's Bible Class this evening at her home. Circle 5 will hold a May party tomorrow evening. A musical program will be given.

The White Church League of Franklin Reformed Church met Monday night in the Community House. There was a meeting Tuesday afternoon of the Woman's Guild. Instead of the evening service a meeting last night was held in the Community House under auspices of the Woman's Missionary Society, at which Mrs. John Ter Borg, a missionary from Kagoshima, Japan, spoke. Members of the Flower and Christian Service Guild and White Church League were guests. A business meeting preceded the talk. The pastor will continue his class in religious instruction Saturday morning at 9:30 o'clock.

There was a meeting of the Church Council of Holy Trinity Lutheran Church Tuesday evening at 8 o'clock. A special Ascension Day service will be held this evening at 8 o'clock with "The Disciple's Sacrifice" as the topic. The children's confirmation class will be held Saturday morning at 9:30 o'clock at the church. Two members of home and foreign mission boards will speak during the month at the church. Mrs. H. C. Bell, field secretary of the Women's Missionary Society of the United Lutheran Church will speak Sunday at 10 o'clock in the church. Rev. C. E. Krumholz, superintendent of the Lutheran Inner Mission Society of New York, will speak at a special missionary service, May 17, which is being sponsored by women of the congregation.

Park P.-T. A. Group Has Well Attended Meeting In School

The meeting of the Parent Teacher Association of Park School, which was held Thursday night was well attended. Mrs. Richard Weiss presided. Community singing was led by Richard Weiss, with Miss Dorothy Johnson at the piano.

Mrs. Weiss read the address for health week of the National Congress of the Parent Teacher Association. Reports of the secretary and treasurer and a report of the meeting of the National Congress, held at the New Jersey College for Women were read.

Mrs. Crowley, chairman of the health committee, reported that milk and crackers had been served at Park School during this school year.

The Summer Round Up, a physical examination of children entering kindergarten or first grade for the first time in September, was explained. This examination by the school doctor and nurse will be held at Park School, May 14. Any defects which are found may be treated by the family doctor. This is to insure a 100 per cent healthy entering class in September.

Mrs. Ethel Tannyhill of the New Jersey Board of Health stressed the very great benefit of Toxin Anti Toxin and the Schick Test.

A health picture, illustrating dairy products was shown.

Mrs. Robert Perihell, Miss Frances Doane, David Smith and Percy Ward gave a delightful musical program. Mrs. Berlin accompanied at the piano. Mrs. H. W. Little of the Woman's Club Educational section urged the members to attend the lecture to be given for the benefit of the Student Loan Fund.

Health posters, made by pupils of the school were on display in the auditorium.

Newarker Is Held In 3 Traffic Counts

John Wolker, 788 Bergen street, Newark, was held in \$100 bail Monday for hearing next week by Recorder George A. Fitzsimmons in Police Court on charges of reckless driving, leaving the scene of an accident and operating a car with wrong license plates.

Walker's hearing took place Monday after a summons had been issued for him. He surrendered to the Newark police, who turned him over to the Belleville authorities. The accident took place April 29 when Walker was driving west in Belleville avenue. His car collided with a truck driven by Ralph Rosamillo, 1 Lake street. Walker left his car at the scene of the accident. He was traced through plates which belonged on another car he owns.

Benefit Game

The Bachelors and the Parks will hook up tomorrow at Clearman Field in a benefit game for a Bachelor player who has been severely injured. The game will be called at 3:00 sharp and a goodly crowd is expected as the game promises to be a good one and worth everyone's while to attend. The Parks and Bachelors have both shown an improved brand of ball lately in the American Legion amateur league and should put up a real diamond battle.

Mrs. Katherine R. Adams

Funeral services for Mrs. Katherine Ranney Adams, who lived until recently in Nutley, were held at St. Paul's Church, Washington, yesterday morning. She died Sunday in Washington. Burial was in Arlington Cemetery, where her son, the late Captain John Carver Adams, who enlisted in the army from Nutley and was killed in action during the Argonne offensive in 1918, is buried.

Born sixty-three years ago at Delaware, O., the daughter of the late Judge and Mrs. Isaac Ranney, Mrs. Adams lived many years in Washington and in Nutley from 1915 until last fall. She then went to live with a son, Richard R. Adams, aide to Admiral Cohan of the United States Shipping Board. She was to have returned to Nutley this month upon her son's transfer to New York.

Besides the son, she leaves a sister and niece, Mrs. Frances Lybrand and Mrs. D. Anthony Usina, both of 138 Satterthwaite avenue; two other sisters, Mrs. John Diamond of Galthersburg, Md., and Mrs. James Monroe of Dallas, Tex., and a grandson, Douglas R. Adams of Washington.

GLEE CLUBS PRESENT OPERETTA "THE GHOST OF LOLLIPOP BAY"

Nutley High School Auditorium Was Filled To Capacity Friday And Saturday Evenings For Last Affair This Season

Anybody who missed the two enjoyable performances of the operetta, "The Ghost of Lollipop Bay" last Friday and Saturday evenings in the high school has need for regret. But judging from the capacity audiences both evenings practically everyone in Nutley attended.

The characters in order of appearance were as follows: "Midge," Mary Feland; "Molly," Virginia Hebert; "Mary," Eleanor Chapin; "Dinah," Molly Ames; "Dick," John Kingsley; "Tom," Dixon Van Winkle; "Harry," Jack Wilde; "Professor Flint," Harry Conover; "Miss Steel," Elaine Sorenson; "Marcus Adam Johnson," Roy Kramer; wood nymphs, Jessie King Feland and Isabelle Hill; "Jeanie," Ethel Damborg and her dollie, Marjorie Ciccone.

Pickaninnies were: Angelica Jananone, Bertha Matt, Margaret Newton, Marjorie Pierson, Blanche Ross and Dorothy Saulpaugh, and Ghosts were, Helen Drescher, Maxine Larson, Mary Marsh, Elizabeth Shafer, Martha Shafer, Eleanor Storer, Dorothy Walker and Anna Winiarski.

Other members of the cast were: Gladys Christie, Julia Pratt, Peggy Lovell, Edith Harvey, Jean Lavenader, Marie Weakland, Edith Poynter, Margaret Green, Ellen Heblthwaite, Angus MacDonald, Eugene Aker, William Bowsfield, Frank Gruber, Paul Fitting, Louis Pecorelli, Caesar Cannara, Robert Chennoweth, Harry Leonard, Emily Rife, Roland St. Hill, Harriman Deusinger, William Dunkinson, Robert Vaughan, Herbert Crouthamel, Frank Earl and Luther Heblthwaite.

Ralph Wilkinson and Jane Gottfried were at the piano. The Dancing Coach was Miss Evangeline Lovett; Dramatic Coach, Miss Frances Doane; Director, Miss Ruth Streeter and Prompter, Alison Soutar.

The Glee Clubs acknowledge the cooperation of the faculty and especially the assistance rendered by Mrs. Maude Williams, Miss Nina Sheldon, Miss Dorothy Langworthy, Miss Louise M. Hopkins, Miss Marion S. Walker, Miss Katherine Sonne, Edwin Ganong and Herbert Fritch.

Officers of the Glee Club are: president, Molly Ames; vice-president, Roy Kramer; secretary, Jane Gottfried and student representative, Dixon VanWinkle.

The committees were stage: Spencer Graham, Edwin Edson, Ralph Weimer, Albert Ciccone, Howard Zetka and Malcolm Nordstrom; costume: Elaine Sorenson, Molly Ames, Isabelle Hill, Roland St. Hill, Harriman Deusinger and Frank Earl.

Ticket: Harry Conover, chairman and Alice Little, vice chairman; advertising: John Jananone, chairman; man; Flora Mutch, vice chairman; usher: Doris Greene, chairman and George Bowden, vice chairman.

The orchestra is as follows: Ralph Wilkinson, leader; Charles Sweeney, concert master; Louis Pecorelli, Paul Fitting, Caesar Cannara, Angelo Juliano, Robert Chennoweth, Anna Winiarski, Dorothy Walker, George Symonds, Janet Reinheimer, Harold Peterson, Milton Taffet, Jane Gottfried, John Kingsley, Vernon Ashworth, John Moreland, Frank Michl, Wilbur Beittel, Milton Teitel, Harry Leonard, Alice Little, Jay Lee and Charles Roe.

It was interesting to note that solo parts were taken by those who never before had taken such parts on a stage. The fact that all participated well speaks for the excellent coaching the cast received. Especially worthy of note was the acting of Molly Ames and Harry Conover. Marjorie Ciccone, who has never studied dancing in detail was a "hit" whose stage bearings might well be followed by more experienced actresses. John Kingsley proved that despite his usual retiring nature he is able to sing and act well.

Mary Feland was well received in her song with chorus, "Oh, Poor Little Lass," as was Eleanor Chapin and chorus in "The Bumblebee Song," Dixon VanWinkle pleased with "Stop, Look and Listen."

Without tracing details it might be added that the general chorus work was far above that of most school operettas. The numbers were excellently rendered.

About 115 Out To Hillcrest Smoker

About 115 attended the annual stag smoker and entertainment of the Hillcrest Improvement Association in the Recreation House, Monday evening. Ninety of those present were members of the organization.

There was music by the High School trio, recitations, Patrolman Robert Anderson; harmonica selections, Robert Cox and Arthur Murray; songs, Al Rachel, accompanied at the piano by William Rachel; dramatic recitations and story telling, J. R. Chinnock; community singing, led by James Lynch and piano selections and popular songs, James Leonard. Illustration of rapid calculation was given by Arthur Fortier of the Prudential Insurance Company.

Three rounds of boxing were staged under A. A. U. rules. Referees were David Simpson and Thomas Spillane and timekeeper, Charles Kier. In the first bout, Thomas Spillane, this town, 15 pounds, earned the verdict over Thomas Jenkins, Paterson, 130 pounds; two rounds; Bob Nugent, 130 pounds of punch from Nutley, K. O'd Bob Hall, Belleville, 120 pounds in the second fracas. The last bout brought together the mixers of the first bout, with Spillane again on top in three rounds.

Howard Virtue, chairman of the entertainment committee, with Charles Hodapp and others served smokes and refreshments and it is agreed that this entertainment is the best the association has had. The program was put over in a snappy way and enjoyed by all.

Nutley Joins Clifton In Sewer Work

An ordinance passed by the Nutley commission Tuesday night provides for completion of the sanitary sewer system in the north end of town, where service has been held up pending an agreement with Clifton for use of its trunk sewer facilities.

Commissioner Charles A. Sherwood reported Town Engineer Edward A. May had arrived at a figure of \$3,000 after a period of dickering with Clifton authorities, who asked a price regarded as excessive.

The ordinance provides installation of a sanitary sewer in Kingsland road between Washington and Passaic avenues and in streets adjacent thereto. The total cost is estimated at \$16,000 and the ordinance will be given a hearing May 21.

Hearing on an assessment for grading Raymond avenue was held over one week when J. D. Williams of Coeyman avenue, in a letter to the board, asked if legal costs were included in the assessment.

Mr. Williams said the town usurped property in cutting through the street, later settling with property owners when damage suits were threatened. He held this expense should be assessed against the town at large. The board will investigate the point.

A petition from the auxiliary of American Legion Post No. 70 to sell poppies Memorial Day was granted. A petition from eleven property owners in Kingsland road protesting issuance of a permit for operation of a waffle wagon at Kingsland road and Bloomfield avenue was received and the permit denied by Mayor Ernest P. Cook.

Acetylene Torch Ignites Shed, Burns Fruit Trees

Alfonso Ferrentiur of 53 Naples avenue, Belleville, a dealer in old automobiles and the like, consummated a transaction on the wrong side of his ledger when he bought an old automobile of Andrew Bjornberg of 273 East Passaic avenue, Nutley, Monday.

It was a good buy. The purchase started to work with his acetylene torch to dissect the wreck into able parts. In a brief struggle the torch got the upper hand and Bjornberg's apple trees were destroyed while a small shed he was using was destroyed.

TRANS-CONTINENTAL AIR LINE

After more than 100 years of steam railroads in this country we have not now nor ever had a transcontinental system under single control. With commercial airplane transportation only several years old, it looks as though there will be a trans-continental air passenger line in operation before the end of 1929, and possibly within a month.

The air line by the merger of the Stout and Boeing companies is now solidified from San Francisco to Cleveland and it is officially announced that plans are in preparation to complete the link to the Atlantic coast in the immediate future.

This new all air line is projected with a view of making the run from coast to coast in 32 hours, which will compare with the 48-hour time planned on the air and rail service which has been linked up by several of our largest railroad lines.

A trans-continental railroad system was never developed because there was little demand for it. Very little freight and relatively few passengers make the entire trip from coast to coast. In the case of the airplane, however, the mail forms the chief part of the freight load and speed and continuity of service under one control are especially desirable. So, too, with passengers, the longer the trip the greater the incentive to use the airplane and so the greater desirability of being conducted and cared for under one service.

A NEW SPRING FEVER

A facetious magazine writer refers to "newcaritis" having succeeded spring fever as an annual malady. The man without a car is apt to feel the knowing urge to get one, and the owner of a car longs to trade it in for something bigger and better. A curious thing about owning a motor car is that it does not seem to be affected by the old-fashioned habit of clinging with pride and loyalty to a valued possession. There does not appear to be much sentiment associated with the ownership of a car that has given good service for a year or more.

Years ago, back in the buggy days, men became so fond of horses that they hated to see them sold and nourished a real sense of attachment that made parting a real sorrow. There was a time, too, when the sale of a bicycle that had been in the family a long time caused a pang of regret. But we live in a different age. There is no inclination to shed tears over turning in last year's car in favor of the latest model. There is an unmistakable thrill in the appeal of a new car. Owners seem less inclined than formerly to boast of the great mileage, service and enduring vitality of a car. "Newcaritis" is held responsible.

WANING STREET MUSIC

Belleville's spring street music—let us courteously call it that anyway; some of it really deserves the name—is manifestly on the wane.

Until recently one would almost daily hear street music in various forms as hurdy-gurdys, hand organs, accordions, harps, etc.

What has caused this decline? Are we less musical, popularly considered? Not necessarily. Two reasons are very evident. The radio and the ever increasing uproar in our streets caused by trolley cars, trucks, and other motor cars. There may be few others, but those two are sufficient. Music of the streets has no show nowadays.

10,000,000 RADIOS.

Announcement made last week that there are now 10,000,000 radio sets in the United States, probably more than the total in all the rest of the world combined, is another reminder of the extraordinary development of the newest, of our more sensational industries. The movies and the automobile rival the radio in the extent of their marvelous expansion in this country, but the first movies and the first automobiles were not welcomed by the public with anything like the speed with which radio was received. It is the greatest example in history of rapid popularization.

The height of curiosity would seem to have been reached by the man who wants to hear what a slow-motion talking picture would be like.

Every man who makes headway in his chosen field of effort must struggle against the current. The fact that a man is a great success doesn't mean that he has never experienced adverse conditions, but that he has met and overcome them.

Whatever its aspect in international law, hot and continuous pursuit would be welcome in the case of hit-and-run drivers.

Recent hoboes' convention went on record as favoring a six-hour day and a five-day week—without work.

Wonder why the fool moth insists on flying into the flame and so out and try to beat the engine to the crossing.

NO LONGER CALL 'EM HOPE CHESTS

Hope chests, the good old-fashioned pieces of furniture that were used to hold everything a girl could put aside for her future home, aren't hope chests anymore. There are more chests than ever, explained the buyer of one of the leading downtown department stores, but if there are girls left who purchase them with the intention of tucking away wedding finery, they don't boast about their intention.

"Why, if anyone came in and asked for a hope chest we would all gather round and wonder where she could come from," explained the buyer. Hoarding linens and lingerie for the G. K. W. D.—"God Knows When Day"—just doesn't happen any more. Hope chests, as they were once called, are a piece of household furniture nowadays and are usually one of the chief items in a prospective couple's household furniture list.

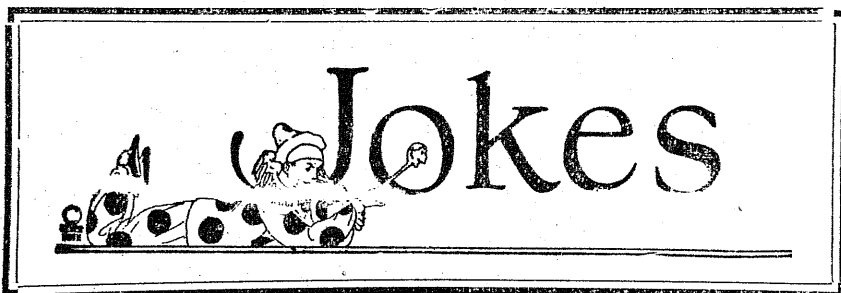

Chests Trick Affairs Nowadays

"Chests are tricky affairs nowadays. The old-fashioned cedar is rarely asked for, most of the chests being made from beautiful woods and lined with the cedar. To be most effective they should be draped with a scarf or brightly colored material. These special chests are made to serve as benches.

"Then, there are chests that are exact copies of Colonial and Queen Anne serving tables. They have imitation drawers which do not open. The top lifts up instead, making a good looking piece of furniture as well as a most satisfactory chest for everyday things, since they are a good height and require little bending and stooping. There are chests that are good for window seats, and chests that are built low enough to slide under the bed where space is at a premium.

Cedar Dust-Proof, Damp Proof.

"Cedar lined chests are more popular than ever. It has been discovered that the cedar is dust-proof and damp-proof and is the most excellent way there is to preserve the quality of fine linens. They are also invaluable for storing summer furs that are needed too often to put away in regular storage and for fine things that must be kept dust-proof and damp-proof. Perhaps the greatest use for these chests is for the extra place they afford as clothing room in the small apartments and houses that are so general nowadays."

When a worried looking man recently applied for settlement of a claim for fire insurance the agent asked, "Much damage?" "Not much," the man said, "just a door." "How much would a new door cost?" "About four dollars." "When did the fire happen?" The man hesitated a moment and then replied, "About thirty years ago." "Yes, sir." "And you have waited all these years to report it?" "Yes, sir." "How in the world did that happen?" "Well, sir," said the man, "the womenfolk at my house have been at me to do something about that door ever since it was burned, and I just couldn't stand it any longer."

The young bride was asked what she thought of married life. "Oh, there's not much difference," she replied. "I used to wait up half the night for George to go, and now I wait up half the night for him to come home."

Tillie—I'll give Reggis credit for getting me a nice engagement ring. Millie—I understand that's what the jeweler did too.

Auto Salesman—Ever drive a car? Prospect—No, but my neighbor and his wife frequently take us riding and I've often listened to her drive.

ing through Georgia on their way to A couple of the many tourists passing Florida came across a road of whose destination they were uncertain. Seeing an old colored woman rocking on a near-by porch, they called to her, "Auntie, can you tell us where this road goes?" She gazed thoughtfully at the winding country road, and took her pipe out of her mouth long enough to enlighten them. "Well, Honey," she said, "hit goes just one place and then another."

There came a hurried knock at the door and a voice made itself heard through the letter box.

"Open up, Mrs. O'Malley—open up!"

Mrs. O'Malley opened the door quickly. On the steps stood her neighbor, crying softly.

"O'Ve come to tell ye yer 'usband has met with an accident, Mrs. O'Malley," she wailed sadly. "Ah, to be sure, an' phwat is ut now?" cried the other, anxiously. "Och, the poor man was overcome by the heat, darlin'."

"The heat?" "Yis, yis," returned the bearer of the news earnestly. "Your man fell into the furnace o' the foundry." London Answers.

Little Jack had been to the dentist to have a troublesome tooth removed. On the way home his mother casually remarked: "I thank that dentist was a very nice gentleman. He took a great deal of pains." "Took!" repeated Jack, scornfully. "You mean gived, dontja?"

"Doctor, if there is anything the matter with me, don't frighten me half to death by giving it a long, scientific name. Just tell me what it is in plain English."

"Well, sir, to be frank, you are lazy."

"Thank you, doctor. Now tell me the scientific name for it. I've got to report to the missus."

Agent—How do you like your electric washer? Lady—Not so good. Every time I get in the thing those paddles knock me off my feet.

"An out-of-town garage has the following routine for every 'parker,' and a card is attached to the windshield, reading:

"We have cleaned the windshield, tried the wiper and checked up on water, air, etc.—Do you need gas or oil?"

Citizen Cites

Never make money at the expense of your reputation.

The people who do as they please are not always the most pleasing.

Everyman owes something to his country—taxes, for instance.

Those who have greatness thrust upon them don't always know what to do with it.

Among the poor that are with us always are the poor sports.

Emotion is the spark plug that gets action.

The man who gets along in life is the one who can look happy when he isn't.

A lot of sheiks who think they are heaven's gift to womankind, turn out to be the answer to a squirrel's prayer.

Many a man spends half his life making assertions and the other half looking for a hole to crawl through.

The anti-bill board crusade should go still further. It should put a "POST-NO-BILLS" sign on every mail box.

The trouble with a girl throwing herself at a man is that she usually has to pick herself up afterward.

Many a man seems contented because he is too lazy to kick.

You may hide your light under a bushel, but you'll have to pay for the current just the same.

Regardless of their politics some persons are democratic in their social conventions.

Here and There

A recent editorial in a Newark paper said that the factions which fought for prohibition are planning a war against all forms of smoking tobacco. If they are successful in their campaign, one may expect to hear the following conversation on the telephone in the future.

"Hello.—Yeah, this is Jim—Who?—Oh hello Harry—What's that? A party tomorrow night—Sure I'll be there—You want me to bring some good stuff? Sure, I was down to Joe's last night. He's got a new stock—Right off the boat—Yeah, he says they ain't a cough in a carload—It's guaranteed to be toasted too—Well how much do you want Harry?—Think three cartons will be enough?—Alright, I'll bring it over—It's kind of dangerous, though, with all the raids they've been pulling off—I tell ya Harry, if I were you I'd serve "coke" instead. There's less chance of being pulled in for it." If the W. C. T. U. manages to put this across, we can justly call our beautiful country "The land of the She and the home of the Slave."

"Child of Two Hit by Truck Chasing Rubber Ball Into Street"—headline in Newark Ledger. We must admit that we've never seen a truck chase a rubber ball. Still, it might be another new form of polo.

With the pending social war in Washington, over the position of Mrs. Gann, we would like to suggest that the Washington hostesses adopt King Arthur's system of using a round table.

"THE AWAKENING, with sound"—sign seen outside of East Orange theatre. This is probably propaganda for some alarm clock syndicate.

Jessel At Proctor's

Previous to beginning work on his two year contract in talking pictures George Jessel will be seen for a very short period in vaudeville, and will be seen at Proctor's Palace Theatre all next week starting Sunday matinee. It is quite proper that this temporary "swan song" should be sung in vaudeville as Mr. Jessel's first steps in his climb to fame were in this field of the theatre. Today he is generally conceded to be one of America's foremost young actors. This is not a contention but popular acclaim. Had Mr. Jessel done nothing more than his exceedingly fine performance in the "Jazz Singer" that alone would have placed him on the same plane with such distinguished actors as David Warfield. But he has done much more. "The Jazz Singer" was followed by another distinct personal triumph "The War Song." Mr. Jessel is one of the few actors who is at home in comedy as in drama. In fact his versatility is quite remarkable. He sings a little better than the average singer does and he is capable of reaching dramatic heights sounding every note of pathos. For his au revoir tour Mr. Jessel presents a Monosongologue Characteristique. This as the title implies is a characteristic group of Jessel numbers and patter.

CLEAN UP WEEK MAY 13 TO 18

Spring is here and with it comes the urge to clean out the nooks and corners that have been forgotten since fall.

An accumulation of rubbish is unsightly and unsanitary. Eugene T. Berry, Health Officer, has arranged with the Town scavenger to have extra trucks and men on duty the week of May 13 to 18 and asks cooperation in cleaning and beautifying our town.

Law Student Gets Call Down From Judge Fitzsimmons

Arguing with Recorder George A. Fitzsimmons Monday that he could not pay a \$10 fine on a charge of passing a red traffic signal, nor could he appear Wednesday night as summoned, A. L. Greenberg, law student, of 318 Meeker avenue, Newark, was told he had to pay or put up \$25 bail for his appearance in traffic court. His attempt to walk from the police station was thwarted by Patrolman Robert Anderson.

He finally paid, taking the money from a large roll of bills he drew from his pocket. Regarding his inability to appear in court, he said he was to take his bar examinations Wednesday night.

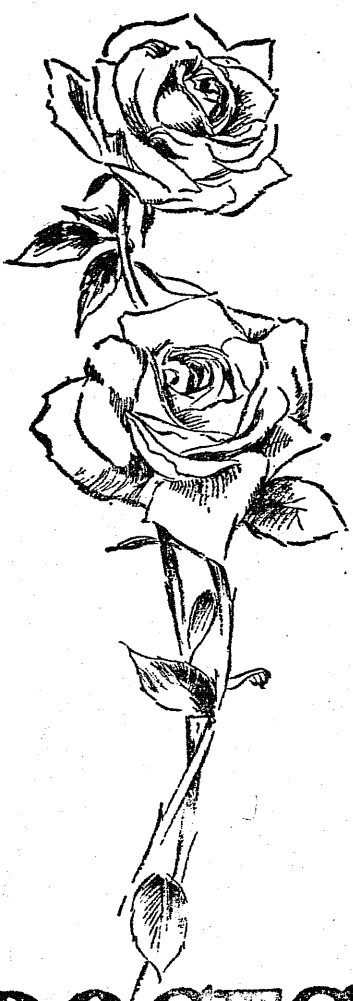

The recorder reprimanded him for his attitude, saying: "You above all others should know better than to follow such a procedure in a police court. Another instance and you'll be held in contempt."

Musical Held For Grace Church Drive

Mrs. Hallie Hickock of 200 Greylock Parkway opened her home on Friday evening for a musical, for the benefit of the Drive Fund of Grace Baptist Church.

Local Men Return From Convention Of Bible Classes

W. H. Broadshaw, C. Peterson, W. A. Arnold, J. W. Thetford, L. G. Davenport, C. F. Cuttingham, A. E. Kunze, C. D. Kinne and E. Guenther returned Sunday night from Baltimore, Md., where they attended the annual convention of the National Federation of Men's Bible Classes.

This convention surpassed all previous ones as to attendance and enthusiasm.

The New Jersey delegation had a special train on the B. & O. R. R. and left Broad street station of the C. R. R. of N. J. at Newark on Saturday morning at 9 o'clock.

They were entertained at Baltimore's newest and finest hotel, The Lord Baltimore, which was also Convention headquarters.

The business session of the Convention and the large mass meeting on Saturday evening and Sunday afternoon were held in the large Fifth Regiment Armory, while the banquet on Saturday evening, was served in the Lord Baltimore, Southern and Emerson Hotels.

The Convention was addressed by the Governor of Maryland, the Mayor of Baltimore, U. S. Senator Black of Alabama, Mr. Newton, representing President Hoover and other prominent speakers.

President Hoover sent an invitation to all who attended the Convention to visit Washington on Monday and stated that he would be pleased to receive them at the White House at 12:30 P. M.

All who could remain, took advantage of the invitation and went by specially engaged buses, leaving Baltimore at 9 o'clock Monday morning.

The parade on Saturday afternoon was by far the largest that has yet been held. The Pennsylvania delegation had first place in the marching order as a tribute to the President of the Federation Joseph B. Montgomery who hails from Philadelphia. New Jersey followed next in line and with more than 600 men wearing red and blue caps and carrying walking sticks, was awarded the prize for best appearance.

Washington, the National Capital, has been selected as the meeting place for the Convention in 1930.

The Belleville delegation was greatly enthused and will relate the story of their trip at next Sunday morning's session of the Everyman's Bible Class. This meeting will probably be the last of the season.

WESLEY M. E. CHURCH
Rev. Edgar M. Compton

Next Sunday being "Mother's Day" a special program will be followed in observance of the occasion, at the morning service.

The Missionary Societies will have charge of the Prayer and Praise Service next Wednesday evening. This will be the third of a series of specially conducted meetings.

Last Wednesday the Ladies' Aid Society was in charge.

The regular monthly meeting of the Woman's Home and Foreign Missionary Societies was held yesterday afternoon at the home of Mrs. Hansen, 230 New street. Gifts for the Christmas Box for the Foreign Society were brought in and the Home Society received birthday offerings. Roll Call was responded to by mentioning a worker whose name is in the May issue of "Home Missions."

The Official Board held its regular monthly meeting in the chapel last evening.

Plan One-Act Play At Christ Church

An entertainment and dance under joint auspices of the Woman's Auxiliary and the Girls' Friendly Society of Christ Episcopal Church, will be given May 24 at the parish house. There will be a one-act play, "Alice's Blighted Profession," a dialog, and group singing.

Miss Elizabeth Yindra and Miss Nellie O'Neill will have leading parts in the play. In the dialog will be Miss Ruth Hess and Miss Ruth Williamson. The Nightingale Orchestra of East Orange will play for dancing.

The committee of arrangements comprises Mrs. J. S. Kirkpatrick, Mrs. James Brown and Mrs. Walter Coups of the auxiliary and Mrs. Frederick Ford, Mrs. Harvey Mumford and Mrs. George Kelsall. The auxiliary met Monday night at the home of Miss Violet Biller, 12 Essex street, to discuss plans.

The Women's Auxiliary of Grace Baptist Church held an entertainment last night at the social hall. Sons and daughters of members were the performers. There was music and recitations. Mrs. W. D. Clark arranged the program.

As Rev. Wilson S. Phraner of Montgomery Presbyterian Church is ill, Rev. John H. Carr of Bloomfield preached Sunday at both services.

Local Men Return From Convention Of Bible Classes

The Reformed Sunday-school meeting hour has been changed from noon to 9:45 A. M. Morning church service will be held at 11 instead of 10:45.

The Ladies' Aid Society of the church will hold a rummage sale the last week in May under direction of Mrs. Walter Smith.

Officers Installed By Epworth League

Officers of the Epworth League of Wesley Methodist Episcopal Church, were installed by the pastor, Rev. Edgar M. Compton, at the church service at 7:45 Sunday night. The new ritual of the league was used. Each officer was presented by the pastor with the new regalia of office symbolizing the work of the department.

Leonard R. Memmott is president, Miss Dorothy Patton first vice president and head of the department of spiritual welfare, Miss Christine Zetterstrom second vice president, department of world evangelism; Mrs. Mabel E. Memmott, third vice president, department of social service; Elmer Hosking, fourth vice president, department of recreation and culture; Irving Weyant, secretary; Miss Ruth Roehm, treasurer; Mrs. Beatrice Robertson, musical director, and Neil Horn, publicity director.

Mr. Memmott gave the address of the evening, "I Must Be About My Father's Business."

Church School Leader Selected In Belleville

Miss Helen Just, a Belleville school teacher, will head the Vacation Church School to be conducted this summer under direction of the Ministers' Club of Belleville. Each church will contribute two teachers.

Rev. Peter R. Deckenbach of the club, is chairman of the committee on supplies and location. He is assisted by Rev. Harold W. Nelson of Grace Baptist Church and Rev. John A. Struyk of the Reformed Church.

Dr. O. Bell Close of Fewsmith Memorial Presbyterian Church and Rev. Edgar M. Compton of Wesley Methodist Episcopal Church comprise the committee on teachers.

It is proposed to house the school in Joralemon street and Cortlandt street school if permission can be obtained from the Board of Education.

Church Outing

Groups from the Men's Club of Fewsmith Memorial Presbyterian Church left Friday and Saturday for a week-end at golf at the Copper Hill Country Club at Flemington. They were guests of the owner, Cortlandt Betts of Summit.

All had supper Saturday night at the Union Hotel, Flemington. The party returned Sunday afternoon. Moving pictures of the week-end activities will be shown at the Men's Club meeting. Dr. O. Bell Close, pastor at Fewsmith, also spent Saturday on the links.

Those in the party were William Fleming, William and George Taggart, Harry Wortman, Henry Squiers, John Munro, Frank Boyd, William Colville, Arthur Robertson, Fred Fisher, Fred Christian, Charles Nutt, Corbin D. Lewis, Sydney Summerfield, Albert Cocks, Burt Dawson, George Cameron, Charles Finn, Harry Naylor and Ralph Genung.

St. Peter's Defeat Bell-Nuts 12-7

On Saturday afternoon at Clearman Field the St. Peter's Baseball team assumed undisputed leadership in the American Legion Amateur loop by defeating the hitherto unbeaten Bell-Nuts, 12-7.

Curran, on the mound for the "Saints," although hit quite freely by the Bell-Nuts, was invincible in the pinches. Moniot pitched a good game for the losers but was given erratic support by his teammates. He gave a splendid exhibition in the fifth when he retired the side on strikes.

The Bell-Nuts opened the game in an auspicious fashion with a run in the first inning, the result of a double over the left field fence by "Artie" Lamb, a passed ball by Wengle, "Saint" catcher, and a sacrifice by Jacobson. The St. Peter's boys retaliated in their half with a four run outburst. Four safe hits, including a double by M. Lamb, a pass and an error contributed to this scoring before a man was retired by the Bell-Nuts.

After a scoreless second frame St. Peter's scored a single tally in the third placing their team further in the van. Successive singles by Malack and Gorman, a hit batsman and a pass accounted for this score.

In the fourth and fifth innings the Bell-Nuts got to Curran and came within one run of the winners, scoring one run in the fourth and two in the fifth due to some effective stick work by Moniot and Jacobson. In their behalf of the fifth, however, the "Saints" proceeded to score five markers, clinching the fray.

The whole side batted around in this frame with opportune hits by Carragher and Wengle causing most of the damage.

In the seventh inning each team scored twice on clean hits. The "Saints" two markers, their last of the game, ran their total to twelve.

In their half of the eighth the Bell-Nuts scored the final run of the game on a clean triple to deep right center by Jimmie Metz. A single by Harry Metz brought him across. A finely executed double play by the "Saints" then prevented further scoring. A ninth inning rally by the Bell-Nuts was nipped in the bud when with two on base and but one out Carragher speared a low line drive to short left field off the bat of Johnnie Lamb and completed a fast double play.

"Artie" Lamb featured the Bell-Nut offensive garnering a double, two singles and a pass besides playing a fine defensive game. J. Metz and Jacobson, also featured with two safe hits apiece.

Carragher played best for the winners with three safe wallops and a pair of sensational catches in the field.

The Lions Club has appointed John J. Dalley, William MacNair and John Mazza as a committee to confer with the Rotary Club on plans for a baseball game in June for the benefit of the Girl Scouts.			

June 8 is the tentative date. The game probably will be played at Clearman Field. The Rotary committee includes Edward Yerg and Ralph Smith.			

Belleville Loses To Boonton, 16-6

On Tuesday afternoon the Belleville High baseball nine was defeated by a strong Boonton High nine by the score of 16-6. The game was a close, exciting affair up to the sixth inning, when the Boonton sluggers went on a batting rampage, which coupled with two Belleville errors, accounted for a total of six runs.

Boonton opened the game in auspicious fashion with two singles and a long double over the left field fence being garnered by the first three batters to face Casale, Blue and Gold pitcher. This barrage accounted for two runs. Belleville, however, came right back in her half with three runs. Bloemeke singled, Lamb walked, and both scored on Domenick's double. Domenick then tallied on McCarthy's single to right field.

Boonton again went into the van in the second inning accounting for two more markers. That ended the scoring until Belleville's half of the fourth, when the Bell boys tied things up again by scoring a lone tally. In this round Bloemeke singled, stole second and third, and came home on Domenick's hit, which got by the third base-man.

After a scoreless fifth inning the Boonton Boys went into the lead never to be headed by scoring six times in the sixth. In this inning Casale was knocked off the hillock and replaced by Campbell, Blue and Gold southpaw.

Boonton continued her heavy assault despite the change in hurlers and fashioned four runs more in the seventh, due to some hefty clouting by the Makosky brothers. Belleville came back in her half with a single run, when Byrnes reached first on a fielder's choice, stole second and scored on Bloemeke's single.

Belleville ran their total up to six in the next frame on a double by Domenick and McCarthy's fielder's choice.

Boonton scored the final two runs of the game in the ninth session on an error and two successive doubles. Boonton's best hitters were Creatura and J. and F. Makosky, while Bloemeke, Domenick and Bonavita shone for Belleville. Makosky, Boonton pitcher, although allowing eight hits, pitched an effective game for Boonton.

The Blue and Gold pitchers on the other hand, three in all, couldn't seem to get started, although Casale pitched fine ball up to the fatal sixth inning.

Boxers Find It Costly To Fight

Recorder George A. Fitzsimmons Friday night placed two Newark amateur boxers, Salvatore LaScala of 160 Summer avenue and Patsy Cogozzi of 584 North Fifth street, under \$500 bail each for the grand jury on charges of assault and battery preferred by Samuel and Louis Lempert of 482 Joralemon street.

LaScala was fined \$25 for driving without a license, Louis Lempert Sr., father of the complainant, offered to go LaScala's bail so he could "take him out in a back lot and show him how to fight."

The trouble started when LaScala, driving a truck in Joralemon street, "hogged" the road, according to Samuel Lempert, who also was driving a truck. Lempert, finally passed the truck, in which Cogozzi was riding, and turned into his driveway.

The boxers got out of their machine and dragged Lempert from his, he said. His call for help was answered by his brother and they succeeded in holding the pair off until Patrolmen Joseph Schurr and John F. Flynn arrived, summoned by neighbors who reported a "riot."

Belleville Separates Open With Victory

"Peps" George Who Started On Mound Invincible For 6 Frames

Belleville Separates' balltossers opened their season at home Saturday afternoon by downing the Newark Clovers, 8-7. "Peps" George, who started on the mound for the Separates, was invincible for six innings, not a runner reaching second base.

In the seventh Manager Johnny Woods came to his rescue after George walking five batters and allowing the visitors to tie the score. The Separates opened their half of the ninth with Del Guercio reaching first base on an error. Correll, the next batter, was walked. Parcell following was also passed. Woods won his own game by driving a hit through short scoring the winning run. Although the game was one-sided in the Separates' favor for the first six innings by a 7 to 0 score the Clover nine showed remarkably well in the last three innings to come back and even the count only to be nosed out in the last inning.

The Belleville nine has arranged a hard schedule for May and June with the best teams available. May 11, Verona Junior Order at Verona; May 12, St. Valentine A. C. at Bloomfield; May 18 Webster Pros at home; May 19, Astoria A. C. at Astoria Oval; May 25, Newark Red Sox at Preston Oval; May 26, Nutley P. C. at Elks' Field; June 1, East Orange Police at East Orange; June 2 Wisconsin Colored Giants at home; June 3, open; June 9, Congress A. C. at Bloomfield; June 15, Caldwell A. C. at Caldwell; June 16, Bloomfield B. C. at Sprague Field; June 22, open; June 23, Arlington A. A. at Arlington; June 29, open; June 30, Irvington Pros at Vocational Field.

The Separates who have proved their class on many occasions, are wondering why the newly formed Nutley A. C. team has been side-stepping them. For games, write Charlie White, 127 Passaic avenue, Belleville.

"INTS" WIN THIRD AND FOURTH GAMES OF THE SEASON

The Intertowns, composed of players of Nutley and Belleville, came through with a double victory Sunday, at School No. 7 diamond. In the morning, the Intertowns defeated the highly touted married men of Passaic avenue, in a seven inning battle. The married men were composed of former Waters A. A. players.

"Jack" Tuozzolo had a perfect day at bat, clouting out four hits out of four trips to the plate. L. Liquori, "Perry" Vitillo, J. Ricciardi, A. Tuozzolo, F. Vouno, and A. Cappezaro also clouted out a pair of hits. Sam Vouno, Sarvey Manfredi, "Willie Hoppes" Salvaltril, and Frank Gawron carried the batting honors for the married men.

Angelo Cappezaro pitched good ball, fanning or rather striking out nine married men batters. The Intertowns gave Cappezaro perfect support.

In the afternoon, the Intertowns won a forfeit game from the Acme A. C. of Newark. The team made an appearance and instead of playing the Intertowns they preferred to play the Belleville Bears.

The Intertowns still have
