WITHIN the telephone industry, just being a Telephone Pioneer is a credential of character — perhaps because it takes men and women of character to carry on through the stirring, difficult years of the development of a new art, such as that of the telephone.

The New Jersey telephone organization today has 1,000 Pioneers within its ranks. The youngest has had 21 years of service. They are key individuals in the organization, contributing from their knowledge of the years to the combination of experience and youth that has kept the Telephone abreast of New Jersey's needs for more than fifty years.

tion and it may be possible to transfer more money from the Building Department and the Bureau of Combustibles, both of which are under the Mayor's supervision. The total, however, will not amount to \$2,000 and the Mayor will ask his fellow Commissioners for help by transferring excess funds from their respective departments.

Children Need Clothes

Children returning to school and needing clothing and shoes was thought the biggest cause for the large September expenditures, the Mayor believes. Cold weather will be the cause of large doles during

the next three months.

According to the experience of Mrs. Lucy Bootes, Poormaster, unemployment is still acute and there seems little likelihood that it will materially abate during November and December.

Applications are being rigidly investigated, however, and a number of families turned down when it was found that they were illegitimately seeking town money. In this work, Mrs. Bootes has been aided by Miss Bertha Kline of the Community Service Bureau and the Silver Lake Welfare Association.

One serious development in the work of the Poormaster has been the uncovering of alleged exorbitant charges for groceries and food supplies by some of the Belleville grocers who have been given town orders to supply certain families. The condition is thought so acute that consideration is being given to the plan of buying groceries wholesale and distributing them at the Town Hall. Definite plans have not been made as yet, however.

severance from the school system" came into prominence as a member of the local Board when two years ago she allied herself with James L. DeRossett and President John P. Maher to separate the positions of supervisor of schools and principal of the High School. The two responsibilities were, up to that time, held by George R. Gerard.

Dissension among the Board members reached a high pitch and citizens crowded the meeting place in an effort to stop what they thought was an attempt to retire Mr. Gerard.

Mrs. Stickle has also been a strong proponent of kindergartens in the public schools and an advocate of five to ten days sick leave for teachers. She was a member of the health committee and fought unsuccessfully for indoor fire drills during winter months. Her term would have expired in January, 1932.

CHRIST CHURCH
AIM, 'LOYALTY'

Crusade Goes On At Local Church
From October 26 To
November 16

REPLACES 'MEMBER CANVASS'

Rev. Peter R. Deckenbach, pastor. Nineteenth Sunday after Trinity. Holy Communion at 7:45 a. m. Loyalty Sunday, 11 a. m., morning prayer and sermon; theme, "The Three Fold Test." 7:45 p. m., evening prayer and sermon; topic, "The Four-Square City." The Masonic lodge and Craftsmen's Club accompanied by the Commandery will be guests.

Mr. Deckenbach has outlined the Church Loyalty Campaign in a letter to his parishioners. This year instead of the usual "every member canvass," the church has planned something different, the thought of which is embodied in the following quotation: "From October 26 to November 16 is to be a time set aside for giving full expression of loyalty to the church and to Christ. It should be a period when the loyalty possessed by all may be shown. It will not be merely a time for a periodic outburst of something to be dropped and forgotten after November 16."

The essential features of the campaign are the following: October 26, Loyalty Sunday, a sincere endeavor is to be made to have the entire congregation present. November 2, Friendship Sunday; consideration of the value of the parish church to the community. November 9, Project Service; aim to present the church's program, "whether or not the life of the Master is increasingly known and lived in 1930-31, depends upon the response of each parishioner."

November 16, Presentation Service; "Giving is a concrete expression of loyalty and love for Christ and His church. Let each one be present and see his offering laid at the foot of the cross on the altar, at this, the climax of the Loyalty Campaign."

Immediately following the service Sunday evening there was a meeting of the captains who will conduct the Loyalty campaign. Mr. Deckenbach presided. James K. Shaw was made general chairman; John Boyd, sub-chairman, and Mrs. John H. Edwards, chairman of captains, who comprise the following: Mrs. Walter Coups, Mrs. Hal W. Earl, Mrs. George A. Kelsall, Miss Elizabeth S. Moore, Mrs. Harvey W. Mumford, Mrs. Edward Nelson, Mrs. Lloyd C. Nunn, Mrs. George Schmeltz, Miss Agnes Wharton, Charles Campbell, Frederick S. OUR CHARACTER ABROAD

Most Americans seem to be quite complacent about gang murders, even when they are as sensational as the attempt to kill Jack Diamond, principal hoodlum in the New York zone. So probably it won't bother many people that habitual murder is providing splendid material for consumption in foreign lands. English and European newspapers are printing columns about the attempt to kill Diamond in the heart of New York, together with histories of the criminal records of other American cities. Following up this interest the newspapers and magazines abroad are telling their readers editorially about our consistent and widespread disrespect for law.

Probably it is natural for every nation to believe the worst that it sees or hears about another nation, but certainly the criminal record which we are hanging up for the rest of the world to gaze at is an invitation for everybody to think the worst of us.

Be it prohibition, lack of interest in public affairs or what not, which causes this condition it must be pretty nearly time that the decent elements in American life began to find out why the worst elements are allowed to control affairs for their own profit.

SOCIAL INSURANCE

The above title has an illusive sound. It means the various types of insurance which are to be furnished the individual, presumably by the State, from the cradle to the grave—maternity insurance, unemployment insurance, old age insurance.

That there is merit in the theory and intent of some forms of social insurance and that it can do good when properly provided, is admitted. But the menace that attaches to practically every proposal for social insurance is that it be furnished the recipient by the State, virtually as a charitable gift or dole.

Social insurance at government expense tends to take from the individual his spirit of initiative and enterprise and make him a ward of the State. It removes the driving incentive that has caused the individual to exert himself and accomplish tasks which would have been left undone if it had not been for the necessity and the desire to better the position of himself and his family in the world.

How to apply the benefits which might be derived from some forms of social insurance so that they could be given to the needy without building an incentive killing, paternalistic system is a problem that will sooner or later face this nation and its industries.

I RECKON doctors have a pretty bad time with some of their patients that are nervous and mean. If it wasn't for the patients, doctoring would be about the best job a young man could look for, I should think.

There was an eye doctor that had a nervous old man for a patient one day. The patient wanted new glasses, and said he was having a

lot of trouble with his eyes. He spent a half hour telling the doc about his eyes and how inconvenient they were to him. So finally the doc got him sat down in the chair where they test them and got his old glasses put away, and then the oculist says to him:

"Now, just read as much as you can on that card over there on the wall, please."

The man got awful mad. "I thought I told you my eyes wasn't very good!" he says. "Maybe I didn't make it clear to you. My eyesight is bad. I don't read only when I have to. I got eye-trouble. See? Now, don't josh me any more about it, or I'll bust you on the nose."

THE TIME TO BUY IS NOW

Dr. Julius Klein, Assistant Secretary of Commerce and a well known economist, recently predicted that by the end of October general business conditions would be improved and that by the end of the year price levels should reach the 1928 standard. This forecast is supported by other industrial and governmental authorities.

This, then, is a good time for both business and individuals to buy the commodities they need. By doing so they will get full advantage of temporary low price levels and—of greater importance—will stimulate employment and industrial development. Merchants whose ads appear on this page support this idea.

BROOKS GETS JOB BACK; NAME IS ABOVE REPROACH

(Continued from Page One.)

me to suspend you until such time as I could make a complete and extensive investigation. I have completed this investigation and am prepared to submit specification of charges, but before doing so I deemed it better to ask you to answer the following questions.

"I want to know why and under what authority you neglected to comply with the obligation you had to hold tax sales for delinquent and unpaid taxes on real estate.

"I want to know why you have not submitted monthly reports of collections made by you to the governing body as required by law.

"I want to know why you have not seen to it that all tax bills be mailed promptly and especially why you permitted other persons to send or deliver tax bills when the duty for the delivery of tax bills was wholly upon you.

"I am writing you to give you an opportunity of answering these questions and if that explanation is satisfactory to me I will not prefer charges, charging you with dereliction of duty. If the explanation you give me is unsatisfactory or if you fail to reply to this letter within five days I will then have served upon you the specification of the charges I make."

Brooks sent the following letter explaining his conduct which Williams said at first was "dereliction of duty."

Mr. Brooks' Reply

"Replying categorically to the questions you ask in your letter to me of October 16, 1930:

"I have prepared tax sales in accordance with the law and such sales were not made because the then director of revenue and finance ordered me to withhold tax sales because of the general business depression and the bad condition of the money market.

"I did not make monthly reports to the commission of tax collections because I always understood that such reports were made by the treasurer.

"I was advised and always believed that the law only required me to see to it that tax bills were sent and that the method of delivery by mail or otherwise was not specifically designated. I have always used my best judgment in getting tax bills to property owners and in many instances I have consulted telephone books and directories in order to correct addresses. Many times I have made inquiries of persons to learn the proper address where the tax records had old or obsolete addresses.

Cat Purrs at Stickle Home After Escape 20 Miles Away

Timothy, grey striped cat, born five years ago at the home of Mrs. Judson K. Stickle of Bremond street, possesses an uncanny ability to find its way home, it was demonstrated for the second time Saturday afternoon.

The first proof of this ability was last year when Mrs. Stickle went to Maine for the summer. "Timmy" was put out to board in Elizabeth. One stormy night in October about two months later, the cat returned home without waiting to be sent for, having made its way twelve miles through New-ark traffic.

This summer he was taken to Glen Wild Lake where he stayed in perfect contentment so long as his mistress was present. When the time came to leave for home Timmy was placed in a basket in the back of the car. Being afraid of automobiles, he escaped from his prison and jumped out of the car not far from its starting point.

After searching vainly in the woods for an hour, the family left without him, thinking he would return to the nearby cottage which had been his home during the summer months. Several unsuccessful trips were made to the cottage later in an effort to find him. Last Saturday afternoon, six weeks from the time of his disappearance, he reached the Stickle home on Bremond street.

Mrs. Stickle reports that on both occasions he was taken from his home to the new surroundings in a box covered with a dark cloth, so had only his instincts to guide him on his return.

Mr. and Mrs. Stickle and son Roger will shortly move into their new home, 15 Whitney road, Short Hills.

I am confident that all tax bills were delivered promptly and only in cases of wrong or no addresses were the bills delayed.

"I am very glad to supply this information to you and as tax collector I am ready at all times to do all that is in my power to assist you in the operation of your office affecting tax matters.

"Your suspension of me has worked to my disadvantage in that many persons think that I have been guilty of a grave dereliction of duty, and I am anxious to establish that any act of mine has been founded in good conscience and my probity above suspicion."

Following is Williams' reply, exonerating Brooks and reinstating him.

Re-Instatement

"In reply to your letter of October 17 submitting answers to my inquiries of October 16 and your further statements at several conferences and at a conference of yesterday with Town Treasurer T. R. Sargeant, Deputy Director John F. Coogan, Jr., and writer, following are my conclusions:

"You were improperly advised in not holding tax sales. Commissioner of Municipal Accounts Darby advises annual tax sale is mandatory by law and Director of Revenue and Finance is without authority to instruct the Collector not to hold annual sales.

"Your statement that tax bills were delivered promptly appears inconsistent in view of the fact that approximately 800 of the 1284 undelivered bills have been delivered since my investigation began.

"Your explanations impel me to believe you were held responsible for certain duties on which the authority to exercise supervision was removed from you. Responsibility without authority usually leads to embarrassing conditions such as you found it necessary to work under.

"No question of your personal integrity has at any time been involved. Your suspension is hereby cancelled and you are instructed to report for duty Tuesday at 9 a. m., and check all matters pertaining to your work and report to the Deputy Director any matters not meriting your approval."

LIONS TORCHLIGHT PARADE TO START 'CONFIDENCE WEEK'

Senator Arthur N. Pierson of Westfield will address the joint meeting of the Lions and the Rotary Clubs at the Elks Club on the \$100,000,000 Bond Issue" which comes before the voters for approval at the November election. He will explain how the money will be spent.

The joint meeting of the two local service clubs is an annual affair with the Rotary hosts one year and the Lions the next year. Arrangements for the Rotary are being made by Edward Yerg who announced yesterday that twenty-five members would represent his club.

Bury D. Pression

The Lions Club Saturday night conducted a torchlight parade through Belleville as part of a program to bury "Business D. Pression" and stimulate confidence in business. Cars and trucks numbering 100 took part. They were led by cars belonging to members of the Lions Club and a stuffed lion in a cage, emblematic of the club.

St. Peter's fife and drum corps furnished music for the parade which followed a course from Washington avenue and Greylock parkway to Union avenue to Mill street to Washington avenue and back again to Greylock parkway.

Crowds gathered all along the line of parade and people were attracted to their windows. The Lions hope to encourage spending as a remedy for the general business depression.

TO HOLD CLASSES FOR GIRL SCOUTS

'National Week' On Program For Girls To Look Forward To, Beginning Monday

TO SEE A 'SOUND' PICTURE

During the winter classes will be carried on at girl scout headquarters for hostess work, star gazer, housekeeper, journalist, needlewoman, dressmaker, photographer, electrician, dancer, athlete, laundress and craftsman. Girls wishing to join are requested to sign up at headquarters Thursday, Friday or Saturday of this week. In order to be eligible for these classes, a girl must have previously received her second class badge.

A different troop will act as hostesses at headquarters each week, two girls representing the chosen troop each day. Their duties will be to receive callers, answer the telephone and perform the necessary housekeeping tasks. Troop 1 is hostess this week. Next week Troop 3 will serve.

Tea To Teachers

The girls will give a tea to their school teachers Monday, October 27, and to their mothers the following Thursday. Mothers who cannot come on Thursday will be invited to attend Monday. All ministers are being asked to include a good word for scouting in their sermons on "go-to-church" Sunday, October 26.

Next week is National Girl Scout week. Girls will wear their uniforms to school all week. Wherever possible, they will conduct school exercises Monday. Those who have no pets on which to lavish attention on Tuesday, "pet day," are expected to build feeding tables or simple drinking fountains for the birds.

Window Displays

Some of the troops are planning a troop menu for each member to use at home. The members of each troop will exhibit window displays in a neighborhood store previously chosen by the troop. The displays must be placed by 12 o'clock Saturday night, October 25. Judges from the Woman's Club will select the winners.

The official "visugraphic" sound motion picture of the national organization will be shown at the Capitol Theatre Monday night, November 3. It is called "The Girl Scout Trail." Girls will bring their fathers to this show. The accompanying musical program was supervised by Joseph Littau, conductor of Roxy's orchestra. Gladys Lee, heroine of the picture, is a member of Girl Scout Troop 66 of Brooklyn, and the closing scenes were filmed at the girl scout camp at Bear Mountain.

Mrs. Herbert Hoover, honorary president of the girl scout organization, and her guests witnessed a private showing of "The Girl Scout Trail" at the White House recently, where the film was taken from New York by special messenger.

Chalk up victory number one for the Belleville High eleven. It was "three games" coming, but it finally arrived. Although the Blue and Gold have not an impressive record to date, they can still finish on the right side of the ledger.

In order to finish with an average over .500 the locals must win four out of the next five games. Sounds hard, but there is no reason why they can't do it. Take the game this Saturday.

West New York has done nothing to rave about so far although we must admit the Hudson county boys have had two tough games. They recently met and were defeated by St. Peter's and St. Cecilia's. Neither of these teams can be termed as set-ups.

Following the West New York game comes Irvington. This team tied Central which defeated Belleville 19-0. Comparative scores mean little, however. We have a hunch Belleville will come through in the Irvington game. Atlantic City is next. Here again there is no reason why Belleville can't win. The boys from the shore have lost two out of three games and are "not so hot" this year.

Other games on the schedule are West Orange, Orange and East Side. Orange and West Orange have fairly good teams but Belleville is a corking good outfit, too.

Any team making more than ten first downs should have more than one touchdown. At least that is the case in high school football. In college football a team may make five first downs and then fail to score, simply because the opposing team has capable men in reserve who can go in and stop the plays.

Belleville used good judgment until they got within the twenty-yard line, but after that it was bad, very bad. They kept hammering away at the line and even though this failed to gain they kept battering away. Why they didn't use some passes in their opponents' territory is beyond us. A little more headwork on the part of the quarterback and this Belleville eleven will do much.

But there was one thing about last Saturday's game that was pleasing. That was the fine officiating. We can't remember where we have seen better officiating in a high school game. We're not saying this because Belleville won. The Passaic game is still in mind.

The bowling season is now in full swing. Have you ever stopped to realize what tremendous strides Belleville has made in bowling in the short space of two years? Two years ago the only leagues in town of any size were the Church League and the Manufacturers League.

Each of these leagues at that time were composed of six teams. Glance over the situation now. The Manufacturers League now has twelve teams, the Church League eight, and the American Legion League twelve.

Then, too, there are the two Belleville Elks quintets which compete in the Morris and Essex and the Bergen County League. Also, not forgetting the Lions quintet of the Northern New Jersey Lions League and the local Lions League.

Competition in the American Legion League this season is very keen. Right now it would be almost impossible to pick the ultimate winner whereas last season it was a foregone conclusion that the Burkes Colts, now the Belleville Elks, would win.

The Republican Club, Belleville A. A., Moose Club, Hoople Club and the Knights of Columbus all have teams capable of upsetting the Elks.

The Belleville Lions five is going great guns in the Northern New Jersey League. Until this week the Lions' pinners had nine straight wins. Last Wednesday night they dropped

open their season in the Morris and Essex League tonight in Elizabeth, meeting the Junior Order five. Looks like a tough assignment for the "Hello Bills," as the Junior Order team was league champ last year. Tuesday night the Elks open up the Bergen County season.

Playing the second series of games at the Elks alleys last Thursday night, the Eagles nosed their way into first place in the Lions Bowling League by winning all four game played with the Crows. The Owls seemed on their way to continue a tie for the top position but fell short by twenty-two pins in the fourth game against the Starlings and as a consequence are in second place, having won five games and lost three.

Victor Hart, captain of the league leading Eagles, fell below his usual standard but Partner George Meade, pinning with unexpected accuracy, produced enough of a score in each case to win. Cub Brasher improved slightly over last week and "Speedball" Locher performed up to standard. Their combined score of 326 in the last game was not big enough, however, to stop the Starling team, composed of Charrier and Carlough.

Tonight the race continues with the Owls stacking up against the Crows, Walter Jeffery and Louis Noll, and the Eagles engaging the Starlings.

The fight of the night should be between the Owls and the Crows who are rated to be nearly even in strength. According to past performances the Eagles should not have much difficulty with the Starlings, although both members of the latter team are dangerous and might take two games away from the leaders.

MONDAY NIGHT'S SCHEDULE

Belleville A. A. vs. Bachelors.
Republican Club vs. Hoople Club.
Belleville Elks vs. Junior Order.
Parks vs. Moose.
St. Peter's vs. El Club.

The pins toppled merrily Monday in the American Legion Bowling League at Ferrara's alleys. After a hectic night of bowling the Moose Club replaced St. Peter's and the Republican Club who were tied for first place last week.

The Belleville Elks have the honor of being the first team in the league to roll over a 1,000, this team hitting 1,012 in the second game.

The Elks and the Republican Club put up a great battle with the Elks winning in two out of three games. Other matches resulted as follows: Moose scored a clean sweep over the Hoople Club; K. of C. won two from the Bachelors; El Club scored a clean sweep over the Veterans of Foreign Wars; Belleville A. A. white washed the Parks in all three games, and the Junior Order quintet took the odd game from St. Peter's.

BOTH OVER 900

The Elks-Republican Club match was a humdinger for action. Both teams averaged well over 900. The first game went to the Elks by seven pins. In the next game the Elks hit their 1,012 total and had little difficulty. The final game found the Republicans hitting their stride and they finally won out by twelve pins.

Willie Hammacher, a veteran of the lanes and one of the leading bowlers in the state, starred in this match. The Republican star hurled the maples for scores of 246, 190 and 211. Gene Gelshen, Johnny Mallack and Willie Klemz all rolled in fine form for the Elks. Mallack averaged over 200 for his evening's work. Bill Knowles and Major Tate turned in some good scores for the Republicans.

UPSET HOOPLES

The Moose provided somewhat of an upset by winning all three games from the Hooples. The latter team put the skids under the Elks and were naturally the favorites. But Bill Reed, "Big Phil" Taylor and DeCarlo were too good for the Moose. Higgins, with two double century scores featured for the losers.

The Belleville A. A., off to a poor start last week, came back to form and won all three games from the Parks. The three-ply win pushes them into a tie for second place with four other teams. Teddy Skidmore was the big gun for the A. A., the "lucky boy" hitting 236 in the final game. Fitzpatrick was outstanding for the Parks.

Junior Order returned to form and won two out of three from the youthful St. Peter's quintet. The Saints won the final game. Russell Lamb and Charley Van Riper did the best pinning for the Juniors. McLaughlin rolled three nice games for the losers.

GUNS WERE SILENT

The El Club took the Veterans of Foreign Wars into camp in all three, the guns of the Vets being silent except in the last

game when they were nosed out by a score of 902 to 895. Bill Buttons with scores of 185, 186 and 206 was outstanding in this match. Vincent rolled the final two games for the Vets and hit for scores of 175 and 226.

After dividing the first two games the K. of C. came back to win the final from the Bachelors. Neither team hit for any sensational scores, the highest being an 876 in the opening game by the K. of C. Les Whitfield and Byrnes Sr. featured for the Caseys. Dave Connelly was outstanding for the Bachelors.

CLINTONS SCORE SECOND VICTORY

Humble Bloomfield Social Club
21 To 0 At Belleville Park
Sunday

The Clintons made it two victories in a row by taking the Bloomfield Social Club into camp 21 to 0 Sunday afternoon at Belleville Park. Despite the cold and penetrating wind nearly 1,200 people watched from the side-lines.

From the opening to the closing whistle, the Clintons had the game well in hand. Bloomfield kicked off, but the Clintons were not able to score until late in the first quarter. The Social Club displayed a stubborn defense whenever forced back within their own twenty-yard line.

LONG PASS SUCCESSFUL

A twenty yard forward pass from George Ashworth to "Pebbles" Petith was responsible for the first score, Petith running ten yards after receiving the pass.

The Clintons threatened on several other occasions in the first half, but lacked the needed punch. Meanwhile the Bloomfield eleven were helpless and could not pierce the Clinton line.

Belleville Beats Roselle Park For First Victory

WEST NEW YORK THREATENS WITH AERIAL ATTACK

Erikson Coaching Squad In Defense Of Big Threat That May Be Troublesome

BLUE AND GOLD EXPECTS HOWEVER, TO WIN GAME

Belleville High will attempt to make it two victories in a row Saturday afternoon when they oppose West New York at the latter's grounds. Although the locals were victorious last Saturday, Coach Erikson has indicated that there are still several weak spots.

Satisfied with the amount of ground gained in the Roselle Park game, he nevertheless was disappointed over the small score. The team came out of the Roselle Park game in fine physical shape and all of the regulars reported for practice Monday raring to go.

Same Line-up
It is expected that practically the same team that started the Roselle Park game will see action Saturday. The only change may see "Butter" Brand replacing Chuck Plenge at the pivot post. Brand was injured in the Central game and was unable to play the next two games.

Chuck Plenge volunteered to take a whirl at the pivot post and has done so well that it is now a problem for Erikson to pick between them. It is probable that both will see much action Saturday, although which one will start the game is problematical.

West New York has a record similar to that of Belleville. Although potentially strong, with a great aerial game, they have not been on the winning side except once. In one game they completed eleven out of fourteen forward passes. Erikson will drill the boys hard all this week in an effort to form a good defense against the passes.

Those who will probably start the game for Belleville are Jerry Bonavita and Casale at ends; Captain Galluba and Estelle at the tackle posts; McMaster and Bade at guards; Chuck Plenge or Brand at center; Santamassimo, quarterback; Lamb and Fritz Plenge at the halfback positions; and Tony Biase at fullback. The game will be played at West New York stadium and will start at 2:30.

POLO K. O.'S TOSH IN THE SECOND

New York Fighter Put To Sleep By Aggressive Silver Lake Boy

PREPARING FOR CROWN FIGHT

Freddy Polo of Silver Lake scored his second knockout within a week, flattening Billie Tosh of New York in one minute and twenty seconds of the second round of a scheduled ten round bout at the Trenton Arena Monday night.

Polo unleashed a heavy attack in the first round and continued on to the second when he landed a right uppercut and a heavy left hook that felled the New Yorker at the full count. This was Polo's first appearance in the capitol city.

Polo will be seen in action again within two weeks in Jersey City where he will box an opponent to be selected. This will be a "tune up" fight in preparation for his challenge of welterweight champion Tommy Freeman.

GOES OVER LINE FOR SCORE AFTER FUMBLE ON 14 YD. LINE

Belleville High scored its first victory of the season Saturday afternoon before a crowd of 3,000 at Clearman Field over a fighting Roselle Park eleven. The Blue and Gold completely out-played its opponents, but the Parkers put up a game battle. Time after time the Roselle boys held the locals when a score seemed certain.

Belleville scored shortly after the opening whistle. Roselle Park kicked off and it was Belleville's ball on their own twenty-eight-yard line. Three plunges by the Biase-Lamb combination made a first down for the locals. The Roselle Park line looked weak on those first three plays, but they tightened up and Biase was forced to kick.

Lady Luck Smiles

The Blue and Gold fullback sent off a beautiful boot down to the Parkers' thirteen-yard mark. An end run netted two yards for the visitors. It was at this point when Lady Luck smiled on the locals. An over-anxious Roselle Park back fumbled and Captain Lou Galluba recovered on his opponents' fourteen-yard line.

Mac Lamb gained a yard on the first play. The same youngster then sailed through right tackle for eleven yards and a first down. Two yards and four downs to make them. Once again Lamb plunged for a touchdown on the first down. On the play for the extra point it was Lamb once again, Belleville's "Albie Booth," plunging through for the extra point.

Peps Up Team

Instead of discouraging the visitors, this touchdown seemed to encourage them. Electing to receive, they ran the kick-off back to their thirty-nine-yard line. Two end runs netted seven yards. Byran, husky Park fullback, plunged off-tackle for four more yards and a first down.

The Belleville boys held the Parkers to no gain on the next yard. A short forward on the second down was good for three yards. Another pass was grounded. Byran then dropped back to kick, but that kick did not go far as three Belleville linemen charged in and blocked it.

Technical Point

Byran recovered the kick, but it was Belleville's ball as the rules state that unless the kicking team recovers the ball for enough distance to make a first down the ball goes to the defensive eleven. Hence it was Belleville's ball on Roselle Park's thirty-nine-yard mark.

Fritz Plenge, carrying the ball for Belleville on the first down, skirted right end for twenty-seven yards. On his next try he was bottled up with no gain. Biase made three yards on an off-tackle play, but Santamassimo failed to gain on the next play as the quarter ended.

Not Quite Enough

The start of the second quarter found Belleville having possession of the ball on their opponents' ten-yard line with fourth down and seven yards to go. The fans expected a pass, but the locals sent Lamb off right tackle and although he gained three yards it was not enough for a first down.

The Parkers promptly kicked out to the fifty-yard line. Belleville was penalized fifteen yards for holding on the next play. A forward, Biase to Jerry Bonavita, was good for twenty-six yards and a first down. Plenge lost three yards on the next play, but "Albie" Lamb tore off right tackle for eleven and Fritz Plenge made it first down on another off-tackle slant.

The ball was now on Roselle Park's twenty-three-yard mark and once more the Blue and Gold had a good chance to score, but the Park boys held Belleville to one yard on two running plays. Two passes were grounded and Roselle Park took the ball on the twenty-seven-yard line.

A tricky double pass, neatly executed, netted seventeen yards and

a first down for the visitors. Mac Lamb then intercepted a forward and it was Belleville's ball on Roselle Park's forty-five-yard line. The Blue and Gold were off-side on the first play. Two off-tackle slants by Plenge and Biase netted nine yards.

Biase ran around right end for fifteen yards, but a Belleville lineman became too anxious and "cleared out" an opponent after the whistle had blown, a fifteen-yard penalty resulting. Mac Lamb more than made up for the penalty by skirting left end for sixteen yards.

Santamassimo gained four yards and Biase added seven yards on an end run to make it first down. The ball was on the Parkers' twenty-four yard mark. Lamb went off right tackle for a yard and Fritz Plenge went off the opposite side for eight. Biase skirted right end for six yards and a first down.

Whistle Stops Score

Plenge made a yard off right guard and Biase hammered off left tackle for three yards. The ball was on the six-yard line and with two plays to bring it over a score seemed likely. However, the whistle blew for the half and cut short another of Belleville's numerous chances to score.

The second half was a repetition of the first two periods. Belleville kicked off and after Roselle had gained five yards on one play, another fumble gave the locals the ball on the forty-one-yard mark. This time, however, Belleville proved agreeable hosts by promptly fumbling and the Parkers recovered on the thirty-nine-yard mark.

Roselle Park then came to life for a minute and in two plays around right end they made a first down. They must have thought then that going around Belleville's right end was easy. At any rate they tried it again with the result that they lost four yards. They tried it once more and again they failed to gain. A poor kick on the next play gave Belleville the ball on their own forty-three.

In Scoring Range

A series of rushes with Lamb, Biase and Plenge alternating at carrying the ball brought the ball to the opponents' eleven-yard mark. At any rate the Blue and Gold were going now it seemed as though a score was certain. Plenge went off left tackle for three, Biase went off right tackle for three, and Plenge went off right tackle for three. Fourth down, one yard to go for first down and two yards for a score.

It was here that Roselle showed fight. Tony Biase hurled himself at the line but he might as well have tried to go through a stone wall and the Parkers took the ball on their own two-yard line.

Barely Missed

Byran kicked outside on the Roselle twenty-eight-yard line as the third quarter ended. The locals started the fourth period off by making another first down to bring the ball to the eighteen-yard mark. They lost four yards on the next three plays. A forward pass on the fourth, Biase to Jerry Bonavita, was good for thirteen yards, but a first down was missed by inches.

The rest of the quarter was devoid of excitement. Belleville made another first down, but a fumble soon afterwards lost the ball. Ro-

selle tried a flurry of forward passes in the final few minutes in a desperate attempt to score, but all of the passes were grounded.

Mac Lamb was the outstanding player of the game as far as all around play was concerned, being best ground gainer for the locals and an alert defensive player. He intercepted a pass and made several beautiful tackles.

Tony Biase also should come in for his share of credit. In the matter of gaining yardage he was well up to par. Fritz Plenge, who has been somewhat of a disappointment to date showed decided improvement. On one occasion he got away for a twenty-seven-yard gain. His defensive work which was below par in the first three games also improved.

Homer Estelle was the defensive star. He was in practically every play and threw several runners for losses. Lou Galluba and Bade also played good games on the line. It was Galluba's alertness which led to the Belleville touchdown.

Lincoln Cubs vs. Middletowns

The Middletown A. C. fell before a strong drive of the league leading Trojans 18-0 at Yantacaw Park Sunday morning, making it four wins in a row for the Trojan crew. A 7-0 victory over the Lincoln Cubs kept the Intertowns in second place one and a half games behind the first place eleven.

The Nacs furnished the Trojans with more opposition than at their last meeting when the latter romped off with a 44-0 win. Stefanelli and A. Marco worked hard to turn the tide for the losers but Tom Jannarone, Smith and Cappy led the Trojans to triumph with their steady performance on the offense.

The initial score came when Tom Jannarone tallied on a forward pass by Hodgkinson. A similar play placed the pigskin in scoring position and Hodgkinson went through tackle for the second touchdown, John Jannarone booting the placement for the extra point. Cappy intercepted a forward pass in the last quarter and rushed thirty yards to score the final six-pointer.

INTERTOWNS WIN TOO

The second tilt of the morning resulted in a 7-0 win by the Intertowns, the only score coming in the first period when a twenty-yard pass, Zampano to Tuozzolo, placed the ball over the line. Another pass, Tuozzolo to Luzzi accounted for the extra point.

The game was even for the remainder of the contest, the Cubs showing strength in the third quarter but being unable to score. Sally and Vitello starred for the winners while Rabbitt and Jim Phillips bore the brunt of the loser's attack.

The battle for first place will take place Sunday, when the Intertowns stack up against the undefeated Trojans. In the first game of the twin bill, the Cubs take on the Middletowns. The line-up:

GELININI K. O.'s WATKINS

Guiseppi Gelmini, Italian heavyweight protege of Eddie Guiliana, scored a one-round knockout at the expense of Speedball Watkins of Newark Friday night at Lewellyn Hall in Orange.

Both boys participated in a slugging contest from the sound of the bell in the first round. It lasted but two minutes. This was Gelmini's second consecutive knockout, having kayoed Slim Holanger several weeks ago.

Christ Episcopal vs. Dutch Reformed, at Fewsmith alleys.

The Church League, which is composed of eight teams, opened their season last Thursday night and four teams registered clean sweeps.

Fewsmith Presbyterian and Christ Reformed engaged in the most interesting match of the night. The first game found Fewsmith coming out on top by ten pins after rolling a score of 898. Fewsmith won the second game by twenty-one pins, but they had easier sailing in the third game.

Bruegman, of Fewsmith, did some good pinning with an average of 188. Lyons had high score in this match with a fine 234 which was high for all teams. Buttons featured for the Reformed pinners.

BAPTISTS TRIUMPH

Grace Baptist, last year's winners, got off to a good start by taking all three from Dutch Reformed. The Baptist quintet did not have good scores, but with the exception of the second game the losers never seriously threatened. Hunter was outstanding in this match.

Low scores predominated in the Fewsmith Men's Club-Christ Episcopal match. Both teams had a flock of "holes," the Episcopal quintet having no less than thirteen holes in the first game. George Cox led the Fewsmith quintet in the scoring, Garabrant doing the best work for the losers.

Montgomery probably had the easiest time any bowling team ever had in their match with Italian Baptist. The Montgomery team won the first game by more than

The Martin-Dennis quintet are now undisputed leaders of the Manufacturers League as a result of matches Friday night on Ferrara's North Newark alleys. The present leaders triumphed in two out of three games over Sonneborns, while International Ticket, tied for first place last week, lost all three games with Sweeneys.

Other matches resulted as follows, Jeffery Mayer won twice over Hoyt Brothers; Thomson Machine won two out of three from the Atlas Fence five; Hanlon & Goodman won two from Federal Leather and Wallace & Tiernan triumphed twice over Tiffanys.

TWO OVER 900

The Wallace & Tiernan-Tiffany contest found both teams rolling in good form. Wallace & Tiernan in recording two out of three wins averaged over 900 for the evening and set up a new high team mark of 966 in the second game. Chiampor featured for the Tiernan men with scores of 191, 220 and 205. Bill Klemz had scores of 146, 228 and 200 for the losers.

Hanlon & Goodman gave evidence of returning to last season's form by taking two out of three from Federal Leather. The "Brush-makers" made a fine comeback in this match as Federal won the first game. Tommy Dunn rolled in rare form for the winners, having three double century scores to his credit. Rosanio, Federal lead-off man, had a 231 in the opening game.

LAST GAME SLUMP

Martin-Dennis, after winning the first two games slumped in the final game with Sonneborns. Scotland, of Sonneborns, had a 221 in the opening game. Payne did the best work for Martin-Dennis.

Sweeneys rolled themselves into second place by registering their clean sweep over International Ticket. This sent International tumbling down into a third place tie with Tiffanys. Northrup and Brogan were best for Sweeneys with Blume outstanding for the losers.

Thomsons won their first series of the season by taking the odd game from Atlas Fence. The Thomson quintet, like Hanlon & Goodman, were slow in getting started, but they are now rounding into form. John Hood did the best work for Thomsons with Hallett featuring for the "Fencemen."

After dropping the first game by seven pins the Jeffery & Mayer quintet came back to win the next two games with comparative ease. Watson and Art Mayer again set good examples for their teammates. Phillips was outstanding for the losers.

Rosanio of Federal Leather copied high score prize for the night with 231. Miller, of International, and Funnell, of Atlas Fence divided the "blind score" prize with 126.

JAYVEES TROUNCE BLOOMFIELD 19-6

Blue And Gold Scrubs Go Rough-shod Through Maroon And Grey Tuesday

BILL DALY STAR OF THE DAY

The Belleville High Junior Varsity eleven scored an impressive 19 to 6 victory over the Bloomfield scrubs Tuesday afternoon at Clearman Field. The Blue and Gold scrubs, coached by Albert K. McBride, outclassed the Bloomfielders in every department of the game.

Belleville scored early in the first quarter when they recovered a fumble on the Bloomfield forty-yard line and after a series of end runs and line plunges "Fuzzy" Ryder took the ball over from the five-yard line. Art Leadbeater and Bill Griffin got away for several neat end runs prior to the touchdown.

Held For Downs

Although the visitors held the Blue and Gold scoreless in the second quarter the ball was continually in Bloomfield's territory. On one occasion the Bell-boys had the ball on the twenty-yard line, but the Maroon and Gray held them for downs.

The second half found the Belleville boys playing real football. They mixed their plays and romped off first downs almost at will. Late in the third period after the Belleville team advanced the ball from the fifty-yard line and Lou Westra plunged for a touchdown from the nine-yard line carrying almost the entire Bloomfield eleven on his back. Nick Bonavita made a neat drop-kick on the try for the extra point.

Bonavita Scores

The early part of the fourth quarter found the Belleville team continuing their good work. Five minutes after the period began Belleville started a march from their own forty-yard line to the ten-yard mark.

With the ball on the ten-yard line and first down, Nick Bonavita

skirted right end for Belleville's third touchdown. He missed on the try for extra point.

Bloomfield resorted to an aerial game late in the fourth quarter. Most of the passes were grounded, but with two minutes to play, Sadowski snared a long pass and ran twenty yards for the losers' only score. The kick for the extra point was blocked.

Line Impregnable

The local second-string line was impregnable. Bloomfield was credited with but one first down and that was the result of a forward. The Bloomfield line, on the other hand, was weak.

Bill Daly was outstanding for the locals on the defense. Time after time this golden jersied tackle broke through the Bloomfield line to spill opposing backs for losses. It is probable that Daly will see service on the varsity in the future as a consequence of his good work Tuesday.

Art Leadbeater played a bang-up offensive game for the Blue and Gold. He was good for five yards almost every time. Nick Bonavita, Eddie O'Neil and Bill Griffin also distinguished themselves with some fine defensive and offensive playing. Morris Udansky, guard, did great work on the defense.

BLOOMFIELD ACE DEFEATS LIONS

Johnson's Big Scores In Two Last Games Stops Belleville In W. N. J. LEAGUE

BUT LOCALS STILL LEAD PACK

Although the Belleville Lions Club team in the Northern New Jersey Lions Bowling League won only one of three games played with Bloomfield at Bloomfield a week ago Wednesday night, they are still in the top position and there seems little danger that they will be replaced for the next several weeks if at all.

Bloomfield, strengthened by Johnson, who bowled three games of 190, 233 and 237, won only after a terrific fight. The second game was lost by Belleville by eight pins and the third game by twelve.

The first game, which went to Belleville by a margin of 230 pins was the best game ever bowled by the local Lions team. The total was 956 and two men, Scholl and Jeffery, hit beyond the 200 mark. The other three, Meade, Dailey and Mayer rolled 182, 175 and 186, respectively. Following are statistics of the league and Belleville's players:
