## MORE ELABORATE ARMISTICE DAY FETE THIS YEAR

Committees Say 1930 Celebration Will Be Biggest and Best In Town's History

## PARADE AND MILITARY BALL TO BE DAY'S GRAND CLIMAX

While Armistice Day celebrations this year will closely follow the order followed last year, each event will be more elaborate and impressive than its counterpart last year, it was announced Monday night by the three groups working on details, the American Legion, Veterans of Foreign Wars and the Mayor's Committee of 100.

Beginning with services at the Town Hall at 11 o'clock, a parade will go to the Victory Shaft at St. Peter's Church where Rev. E. J. Field will make an address.

At 1:30 o'clock in the afternoon a captured German field piece will be unveiled and dedicated at the triangle, Franklin and Belleville avenues, Ex-Senator John A. Matthews will speak. A football game between the Jayvees of Belleville and Barringer High Schools will then be held at Clearman Field.

### MILITARY BALL

The climax of the day will be reached at night when fraternal, civic and patriotic organizations will take part in a parade ending at the Elks Home. All paraders (Continued on Page Five.)

## NO APPREHENSION OVER SUIT THREAT

Town Counsel Brown Says Citizen Has No Claim Against The Town

### INVOLVES CHANGE OF GRADE

A suit against the town was threatened by Lawyer Jonh Q. Frey of Newark, representing a resident of Delavan avenue who sought damages for the "change of grade" in that street, Town Counsel John B. Brown told the Board of Commissioners at their informal meeting Monday afternoon in the Town Hall.

But the likelihood that it would be successful was beyond consideration, according to Brown, who investigated the charges. He told the Commissioners and was substantiated by Town Engineer Albert S. Blank, that a grade for that street had not been adopted by ordinance until 1927 and that while a tentative grade had been fixed before that by Former Engineer Frank Shepard, it had not been formally adopted.

Lawyer Frey is basing his client's claim on the fact that the tentative grade was adopted and that the 1927 grade fixed by the present engineering department had damaged the property.

Mrs. Frank Brohal of Union avenue will be hostess to the Bucilla Sewing Club this afternoon. Mrs. Clara Mulcare of Division avenue entertained the group last week.

## CHIEF TO GET NEW FIRE CAR

Commissioners Endorse Clark's Plan To Replace Wrecked Roadster

### NET COST IS TO BE \$762.50

Fire Chief William Hirdes will ride to fires in a new automobile hereafter. The Board of Commissioners Tuesday night authorized by resolution the purchase of a Willys-Knight car to take the place of the old car which was wrecked October 19 in a collision at Belleville and Washington avenues with the town ambulance.

Director of Public Safety William D. Clark said the net cost would be \$762.50, the allowance for the old car being \$175.

## FOOTBALL SQUAD OFF TO ATLANTIC CITY SATURDAY

Erikson Lectures Charges On Field Generalship; Criticizes Lack Of Final Punch

### PLAYERS IN GOOD SHAPE; LAMB STILL FEELS BRUISES

The Belleville High football squad will make the longest trip any Belleville High eleven has made Saturday when they travel to Atlantic City. On paper the Atlantic City team and the Blue and Gold appear to be about evenly matched.

Coach Erikson has been satisfied with the ground gained in the last three games, but has been disappointed at the team's lack of a scoring punch when within the opponents' twenty-yard line.

In a talk to the squad at Monday's practice he stressed the lack of field generalship to date and Saturday may find a different Blue and Gold eleven on the field.

The boys came out of the Irvington game in fairly good shape although Mac Lamb was somewhat bruised from the battering he took (Continued on Page Three.)

## Community Chest Campaign Reports Satisfy Optimists

Pessimists' Predictions Fail To Materialize With Second Report Meeting

### BUT WORKERS MUST PRESS

Extreme optimists who believed that there would be no trouble to raise \$19,400 through the Community Chest campaign which began a week ago yesterday and which ends next Monday, found their beliefs partially mellowed after last Monday night's report meeting of the workers in the Town Hall but they found little reason to move over to the camp of the pessimists whose theory is

## All Republican Candidates Get Two to One Plurality

Belleville Endorses State Bond Issues By Margin Of 1,750 To 1,400

### ZINK BACK TO THE ASSEMBLY

One of the lightest votes ever cast by Belleville was recorded Tuesday in an election that was without great interest. Of 12,113 registered, only 5,704 voted.

Of most significance was the support Belleville residents gave to the three State bond issue referenda which grew out of Mayor Samuel S. Kenworthy's efforts while a member of the Assembly and while a member of the special tax relief committee of the State League of Municipalities.

Voters numbering 1,777 cast a positive vote on the appropriation of \$83,000,000 in bonds for highway improvement, while 1,406 registered a negative vote. The same proportion of voters approved the other two bond issues: \$7,000,000 for the purchase of water sheds and \$10,000,000 for State institutions.

### Zink Successful

Belleville supported its assembly candidate Homer Zink by polling a greater number of votes than for any other candidate, either Republican or Democrat. He received

3,402 votes and the next nearest candidate on the Republican list, Smith, received 3,366.

Democratic Assembly candidates were submerged, as usual, by almost two votes to one.

Senatorial candidate Dwight W. Morrow was accorded support in (Continued on Page Five.)

## GANGSTER DEATH CLUE DISCOVERED IN BELLEVILLE

Car With Bullet Hole Found In Silver Lake Garage By Local Police

### TWO PISTOLS PICKED UP IN NUTLEY MAY AID HUNT

The death Monday night in Newark General Hospital of Dominick Paselli, youthful racketeer, at the hands of two gunmen who walked into his private room and pumped bullets into him while he was lying in bed, echoed in Belleville and Nutley the next two days.

A bullet punctured car was found by Belleville police Tuesday in a garage in the rear of John Caruso's home, 76 Belmont avenue Silver Lake and was linked by both local and Newark authorities with (Continued on Page Four.)

### APPOINTS RECEIVER FOR LOCAL NURSERY

Joseph S. Lindabury was Monday appointed receiver for the Mountain Pink Nursery of 750 Belleville avenue, who were declared insolvent on the application of Sorger and Silberman, accountants, creditors to the amount of \$432.50. Vice Chancellor Backes made the appointment and has set November 12 as the day for stockholders to show cause why Lindabury should not serve as receiver.

The concern was capitalized for \$125,000 and had \$37,000 outstanding. Assets were said to be \$25,000 and liabilities, \$62,900.

## EMERGENCY NOTE FOR POOR FUND IS UNNECESSARY

Commissioner Williams Comes To Rescue With Promise Of \$1,500

### NO FURTHER WORD ABOUT BUYING AT WHOLESALE

Fear that it might be necessary to float an emergency note for \$2,000 in order to carry on the relief work of the Poor Department disappeared Monday night at the informal Commission meeting in the Town Hall when Commissioner of Revenue and Finance William H. Williams assured Mayor Samuel S. Kenworthy that he can transfer \$1,000 and possibly \$1,500 from his department to that of Mayor's.

Heavy drains on the \$8,000 yearly appropriation because "hard times" have depleted the balance so that transfers must be made by Monday of next week, the Mayor said.

Surplus funds controlled by the Library Board will be diverted to the Poor Department it was expected, but approximately \$1,500 more will be needed during the balance of the year.

Money will be needed in increasing amounts from now on, Mayor believes, because of families being without coal. In this connection, Commissioner Patrick Waters said the Eastwood Wire Manufacturing Co. of Joram street had several truckloads of wood which could be utilized by the Poor Department.

No further announcement made about making wholesale purchases of groceries and establishing a distributing center in Town Hall. It was stated weeks ago that this plan might be inaugurated by Mrs. Lucy F. poormaster, who had several experiences with local grocery charging on food given to her by order of the Poor Department.

Settlement Made With Former Road Department Employee Who Lost An Eye

### CLAIMED TOTAL DISABILITY

Settlement for the loss of an eye sustained a year and a half ago by George Lawlor, former employee of the Road Department was finally fixed at \$1,500, Town Counsel John B. Brown announced at the informal commission meeting Tuesday night in the Town Hall.

Lawlor's eye was blinded while he was working for the town chipping a curbstone. Incapacitated, he was kept on the payroll by Commissioner Patrick A. Waters.

When his eye had apparently healed he was asked to do only minor things. At the end of a year when compensation for injury was thought to have (Continued on Page Four.)

## SEEK ASSAILANTS OF TRUCK DRIVER

Private Detectives Of Oil Co. On Trail Of Men Who Clubbed Albert Meyers

### LOCAL POLICE WITHOUT CLUES

Private detectives of the American Oil and Supply Co. of 233 Wilson avenue, Newark, are seeking clues to the identity of men who assaulted truckdriver Albert Meyers of 392 Dodd street, East Orange last Thursday while he was driving one of the company trucks through Belleville. Joseph Lemino of 32 Broadway, Newark, a guard on the truck, was also beaten.

According to police, Meyers noticed two cars following the truck when it was coming through Nutley and put on speed. Nutley police received word of the chase and notified Belleville police.

Patrolmen Anderson and Fleischer were sent to meet the truck and convoy it to safety but in the meantime it had been stopped and the driver and guard beaten. On the way to meet the truck, a car was seen going at a fast rate over the Belleville turnpike bridge and the two patrolmen made a note of the license number.

While it was believed that the speeding car might have carried the assailants of Meyers, there was no positive proof and local police gave up investigations after American Oil officials announced that they had hired private detectives to work on the case.

### NARDIELLO OUT OF JAIL AFTER \$4,000 SETTLEMENT

Antonio Nardiello, sixty-one, of 150 Franklin street was released Friday from the county jail when he denied the reports that he was bound for Europe and freedom from responsibility in the care of his wife and five children.

He was remanded to jail October 18 after getting a passport to Italy and taking \$6,000 of the \$13,000 life savings, according to the story of Mrs. Louise Nardiello, his wife.

Vice-Chancellor Church ordered his release when he settled with his wife for \$4,000 cash and the privilege of collecting rents on his properties for the next two years.

## FACE INJURED IN CAR CRASH

Newark Girl Receives Cut Which Requires One Stitch To Close

### CAR OVERTURNS, MAN UNHURT

One woman was hurt and another person miraculously escaped injury in two accidents taking place in town Sunday.

Miss Mary Rossman of Newark received a laceration of the face in an accident at William street and Washington avenue when Laurence Noche of 127 Boyden street, Newark, going south in Washington avenue, collided with a car crossing that avenue at William street, being driven by John Starke of 292 Highland avenue, Newark.

Miss Rossman was treated by Dr. Daniel Kavanaugh who took one stitch to close the wound.

The same day a car driven east in Belleville avenue by John J. Zandee, forty-four, of 115 Carpenter street, turned over on its side when it struck a car parked in Belleville avenue at Mt. Prospect avenue owned by Leo Susinski of 97 Harrison street, Nutley. Zandee was not hurt and damage to both automobiles was slight.

Drivers Unable To See and Crash Occurs, Injuring Two Passengers

### LOCAL MAN ONE OF DRIVERS

A trolley car stopped at Washington and Belleville avenues last Thursday night caused two cars to collide and two women to be slightly injured according to the story given police by the two drivers.

Anthony Veneer, twenty-two, of 1 Wallace street, about to go west in Belleville avenue from Washington avenue, unable to see south-bound automobile traffic because of the trolley, collided with a car driven by Albert S. Loeb, twenty-one, of 384 East 37th street, Paterson, and owned by Borenhard

Kessler of the same address Paterson.

Mrs. Frances Kessler, fifty-five, received a bruise on her head and Sylvia Kessler, her daughter, received a minor laceration of her left knee. Both were passengers in the car being driven by Loeb.

## WILL CONTINUE MUSIC CONCERTS

Date Of Second One In High School Not Announced But Talent Is Noteworthy

### SCHOOL BOARD GIVE SANCTION

Although the date for the second free public concert in the High School was not announced, exceptional talent has been secured, George W. Stewart, Jr. said Monday night, immediately following action of the Board of Education in granting him permission to continue these concerts.

The first concert was held a week ago Sunday afternoon in the High School auditorium. Attendance was encouraging, 350 being present. Mr. Stewart, director, and Arthur S. Ackerman, co-director, both seemed satisfied with results. With the approval of the School Board assured, they are making plans for five additional concerts during the season.

## Public Invited to Protest at Adjustment Board Tonight

Four Cases To Come Up; To Decide On Hornblower Avenue Four-Family Houses

### DE NOIA CASE TO BE HEARD

Four public hearings will be conducted by the Board of Adjustment tonight in the Town Hall. All of them are cases postponed at the last meeting October 16.

Joseph Kristen of 27 Oak street will learn whether his application to build two four-family houses at 56-60 Hornblower avenue will be favorably acted upon. His previous application to the Building Department had been denied on the grounds that his project would violate the zoning ordinance. Hornblower avenue at that place is in a Class B zone.

Emanuel DeNoia of 19 DeWitt avenue will seek the renewal of a permit to operate a real estate office at 628 Belleville avenue. A permit given him two years ago cannot be renewed without holding a public hearing.

#### EXPECT COMPLAINTS

Opposition is expected on this case since residents of Belleville Park are believed to be in favor of having the building removed.

The Board of Adjustment will also be asked to give a decision on DeNoia's application to erect a real estate sign at 624 Belleville avenue. A permit was recently denied DeNoia by the building inspector because of it being a zone law violation.

Nicola Maria of 299 Lake street, Newark, refused a permit to build a one-car garage under the terrace at 156 Malone avenue at the last meeting of the board, will receive the decision of the Board after a public hearing.

#### CONDITIONAL PERMIT

Bergen Brothers of 236 Belleville avenue were allowed to proceed with plans to erect a one-car garage at Baldwin place and Hunkele street on the condition that it be built six feet from the property line on one side and four feet from the line on the other side.

The zoning law requires a garage to be ten feet from the adjacent property line but the Board made a special disposition of the Bergen Brothers' case.

Action is still pending in the

matter of granting a permit to John Monaghan of 124 Belleville avenue who proposes to build a miniature golf course. The Board is awaiting the formal statement from Commissioner William D. Clark that special parking signs have been erected by the Police Department.

## SCHOOL BOARD MAY BUY SMITH TRACT -- \$65,000

Union City Agent Offers Property At Price \$85,000 Less Than In 1928

### DE ROSSET FAVORS DELAY OF ACTION, PENDING STUDY

An old issue that two years ago caused considerable controversy among Board of Education members bobbed up at the meeting in the High School Monday night but it was much more desirable and may be acted upon favorably at the next meeting.

It involves the purchase of the Smith property next to the High School which has 200 feet frontage on Washington avenue and runs back to High street. It was offered Monday night for \$65,000, or \$85,000 less than the price two years ago.

The proposal was submitted by Charles B. Rosenberg, realtor of Union City who declared that the present owners were in no way connected with the owners two years ago.

#### CURRENT ABSENT

Watson Current, president when the issue came up two years ago, was one of the strongest advocates of the purchase, believing that it was imperative to look into the future and foresee the need for increased High School facilities or a Junior High School. He was not present at the Monday night meeting.

Action was deferred on the suggestion of James L. DeRossett, who, with Current, is on the finance committee. resident John P. Maher was opposed to postponement of action. He asked for other members to voice their attitude but none would commit themselves.

Mrs. Porter Sheldon, who attended her first session of the Board was appointed a member of the Teachers Committee in place of Mrs. Judson K. Stickle, resigned.

Supervisor of Schools George R. Gerard announced preparations to operate schools during the annual state convention in Atlantic City Monday when fifty-two of the faculty will attend. Doubled classes and twenty substitute teachers will solve the problem he said.

### RALLY OF TROOP 90

The rally of Boy Scout Troop 90 to be given at No. 10 School Friday, November 14 will be featured by an address by E. D. Sheehan will give vocal selections. John Cunningham will give a violin solo.

The rally will open with the reception of the colors by the Troop. The Scout oath will follow the salute of the flag by the audience, who will be invited to sing scout songs. There will also be inter-troop contests. The sounding of taps will close the exercises.

Assisting Mr. Kelly are William Potter, W. D. Lloyd, J. M. Moore, scoutmaster of Troop 90, D. H. Kittle, assistant scoutmaster and A. A. Buckley, master of ceremonies.

in the second half. The starting line-up for Saturday's game is still somewhat in doubt, but from all indications the following team will take the field.

Jerry Bonavita and Goodrich at ends; Galluba and Estelle at tackles; McMaster and Bade at guards; Butter Brand at the pivot post. The backfield will probably comprise Lou Westra or Casale at quarter, Lamb and Plenge at halves, and either Nick Bonavita or Leadbeater at fullback. A last minute change may see Casale at end instead of Goodrich, and Westra starting at quarterback.

It is expected that at least 100 fans will make the trip to cheer the locals to victory. Many of the rooters will make the trip by automobile. A bus for the game will leave Clearman Field at 8:30.

## BEST REPORTS ARE SATISFACTORY

(Continued from Page One.)

to be heard from, Campaign Manager John Ray said Tuesday morning and many single workers in other districts have not reported to their respective captains so that it is impossible to trace the complete progress.

Tonight's report meeting in the Town Hall and the one Saturday night should tell another story about the campaign, Manager Ray believes.

### EVERYONE TO REPORT

The effort is being made to have every worker make known his success so that a complete report may be made Saturday night and a definite idea gained of the ultimate

success which will be learned at the final meeting Monday night.

Officials had some little apprehension over the fact that residents have not been informed about the charitable agencies which will benefit. Consequently they ask everyone to memorize the list which includes: Community Service Bureau, Boy and Girl Scout Organizations, American Red Cross, Salvation Army, Silver Lake Community House Inc., and Visiting Nurse Association of Newark.

## CHINESE MISSIONARY TALKS AT WESLEY VESPER SERVICE

Miss Emma Wilson, a Chinese missionary, and Miss Alice Tiang of Foochow, China, were the speakers at the vesper services of the Epworth League of Wesley M. E. Church Sunday night. Miss Wilson, who is on a furlough after five years of missionary work in China, is now studying at Drew University, Morristown, and Miss Tiang has also come to this country as a student.

The Ladies Aid Society is holding a Hallowe'en luncheon today at the home of Mrs. James Campbell, 49 Rossmore place. The luncheon is in charge of the supper committee, of which Mrs. Elizabeth Budd is chairman.

It is expected that the organ fund of the church will be greatly enlarged by the proceeds from the play, "Broken Dishes," to be presented by the Wemec Dramatic Club at the High School tomorrow night.

The regular monthly meeting of the Young Woman's Auxiliary was held Tuesday evening at the home of Mrs. Charles H. Thompson, 21 Reservoir place. Mrs. Harland Box and Mrs. Malcolm Budd assisted in entertaining.

The auxiliary will be in charge of the dining room committee and the members will act as waitresses under the direction of Mrs. Thompson, at the annual fair and supper to be held in the church November 13 and 14. Assisting the chairman will be Mrs. Elsie Blamire, Mrs. Florence Williamson, Mrs. Kreston Peterson, Mrs. John Rau, Mrs. John B. Brown, Mrs. Fred Gillespie, Mrs. Robert Fritts, Mrs. Owens Vaughn, Mrs. Howard Virtue, Mrs. Arthur Kunze, Mrs. George Cameron, Mrs. John Pole, Mrs. Ira Cornell, Mrs. Norman Wilson, Mrs. John Welch, Mrs. Warren Robst, Mrs. Horace L. Hamilton, Mrs. Lindley Graves and Miss Dorothy Allaire.

The auxiliary will also sponsor the candy booth, which will be in charge of Mrs. Christian Hansen,

who will co-operate with Miss Olive Depue in arranging the decorations.

## TROOP 4 IS ENGRAVED ON PERMANENT TROPHY

A silver loving cup at Girl Scout headquarters has engraved upon it a record of awards made from year to year, together with the number of the winning troop. "Troop 4-1930" has been added to the list as the result of the recent window display contest, of which it was adjudged the winner. The cup was presented to the troop by Mrs. Frederick E. Dodd at the field day exercises held in Belleville Park Saturday.

Miss Edith Binns, local director, Mrs. Norman Manderson, the Misses Myrtle Schnetter, Helen Cullen, Kathryn Conklin and Nora Spillane are among the Girl Scout leaders who are taking advantage of a training course in troop management, sponsored by national Girl Scout headquarters in Grand Palace, New York, under the direction of an English Girl Guide, Miss Joyce Welton. This week the classes are in the evening. Mrs. Sadie Ellsworth and Mrs. George Peterson attended similar morning classes last week.

Miss Mary B. Konkle of the Public Service Company will open a cooking class at 4 o'clock this afternoon. Second class scouts completing the course will be entitled to their cooking merit badges.

Miss Ethel Ackersten will start a first aid and home nursing class at 7:30 Monday night.

A council meeting will be held tonight.

the events that led up to Paselli's visit to the hospital Sunday night for treatment of bullet wounds. Police believe that gangsters opened fire on Paselli while he was driving his car and, unsuccessful, finished the job Monday night at the hospital.

### TESTIFIES

The theories were partially substantiated, according to the testimony of Benjamin Mangiaracina of 43 Honiss street, Silver Lake, who said he drove Paselli to the hospital Sunday night.

Another clue that may throw some light on the murder was found in Nutley by a Lyndhurst man, Percy Waldron, who told Captain John Jameson of Nutley that he had picked up two revolvers in Park avenue early Tuesday morning.

Captain Jameson believes that they were used in the Paselli shooting and will have fingerprint photographs taken, although the success of this move is dubious because both weapons were in the rain for several hours before being found.

## HARRIS, ALMOST ELECTROCUTED WILL RECOVER

### Hospital Authorities Optimistic; Electrician Was Near Death From Burns

## RESCUER SHOCKED TRYING TO SAVE FELLOW WORKER

Authorities at Orange Memorial Hospital, Orange, were optimistic about the recovery of Fred Harris, thirty-eight, of 26 Montgomery place, Belleville, who was nearly electrocuted Monday when he slipped and fell on a 26,000 volt electric wire while working forty feet above the street. He was said to be resting more comfortably and in a much improved condition since being admitted, badly burned and with a broken arm.

George Crue, twenty-eight, of 38 Montgomery place, attempted to rescue Harris but was shocked and fell to the ground. He escaped with cuts on the face and body and did not require hospital treatment.

### Not Possible

"Do you believe in that old saying, 'Marry in haste, repent at leisure'?" quavers a Louisville lad. "Son," instructed the editor, "that's just an old threadbare platitude. Who ever heard of a fellow who married in haste having any leisure to repent?"

### Limited Liability

The word "limited," after a firm name indicates that the liability of each stockholder is limited to the amount of his stock or shares, or to an amount fixed by a guarantee.

### Help Yourself Elevators

Lifts which run continuously, which are, in fact, a whole series of lifts on an endless band, are in use in Germany. You step in while it moves slowly, and you step out when your floor is reached. No attendant to work it, and the machinery cheap, probably, because motive power is obtained by an arrangement of weights. But a large notice in every lift says you travel in it at your own risk!—London Mail.

will be in dress costumes of their respective lodges.

Impressive last year, it will be even more stirring this year, since reports have been received that a greater number of organizations will take part and each will be represented by a greater number of members. It will begin at 8 o'clock at Hillside Park.

They will then attend the Military Ball which has been arranged by the Mayor's Committee. Price's orchestra of Belleville will furnish the music and the Mayor is scheduled to speak and present awards: to the lodge having the biggest representation, the one having the best costumes and the one coming from the greatest distance, the best boy or girl scout troop, and the best band. ## ALL REPUBLICANS GET PLURALITIES

the proportion of almost two to one for both the long term and the short term, beating his respective Democratic opponents, Simpson and Parkinson, and his Prohibition opposition, Elfreth and Mason.

Fred A. Hartley, Jr., Eighth Congressional District candidate, had no trouble with Moore in Belleville, piling up a lead of 3,666 to 1,744. By almost the same margin Republican candidates for Freeholder won out over their Democratic rivals.

By wards, Belleville was consistent with previous years where candidates for State and national offices were up for election. All were Republican with the Third Ward overwhelmingly so, and the other three showing comfortable margins. The Fourth Ward showed the greatest proportionate Democratic strength.

Do not say Mary is visiting with her relatives." Omit "with."

Do not say, "We are going to try an experiment." An experiment is "a trial." Say "make an experiment."

### Word Study

"Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day. Words for this lesson:

DIVERT; to turn aside. "My interest was diverted for a moment."

SPECIES (a noun, both singu-

lar and plural); a group of animals or plants which have in common one or more distinctive characters. "There are many species of roses."

MOTIVE; that which incites motion. "What motive could I have had for such action?"

FURTIVELY; slyly; secretly. "He was furtively watching every move."

SARDONIC; insincere and derisive; unnatural or forced. "The man's sardonic laughter rang through the house."

COMMODIOUS; spacious and convenient. "The house was long and commodious."

### Disseminating Scriptures

The American Bible society says that there are still many dialects into which the Scriptures have not been translated, but they have been translated into more than 450 languages and many thousands of dialects.

### Peculiarities of Echoes

Echo effects are often different when a hall is full. It has been found that an echo which may be there if a hall is filled with women may be entirely absent when the audience is a male one. The silk of women's garments absorbs sound far less than the thicker tweed and woolen clothing of men.

## A USEFUL STATE OF MIND

Our old friends the railroads have been annoying us again this week. We have been reading an unusual number of stories about people being injured in various and sundry ways and the railroads' usual retort that the public must be more careful.

The thing seems to run in waves. One item that interested us was a safety film in which the roads warn small boys not to tamper with switches as it will lead to death; another a warning not to play with high tension wires used along the recently electrified Lackawanna; again it is a solemn warning about caution after a fatal grade crossing accident.

We often wonder how long any other industry save the railroads would be allowed to operate its business in such a way that people certainly would be injured. Suppose a wood-working factory set up a big circular saw in the middle of an open lot and allowed small boys to play around it. How long would it be before the police or the State Department of Labor told them to take it away or erect absolutely adequate safeguards? Not very long.

In fact, the factory wouldn't even think of doing such a thing, and if it did do it, the notion of calmly laying the blame on the carelessness of the injured would never occur to them. But this is exactly what the railroads are doing, and always have done. They create grade crossings and refuse to erect safety gates which would protect traffic although such gates are on the market to be bought; they string heavily charged electric wires, lay third rails, create switches and leave them all only partially guarded or entirely unprotected. Then when the inevitable happens they charge the victim with carelessness. It's wonderful what you can get the public to stand if you get them accustomed to it.

## LAUGHING OFF AN OIL SCANDAL

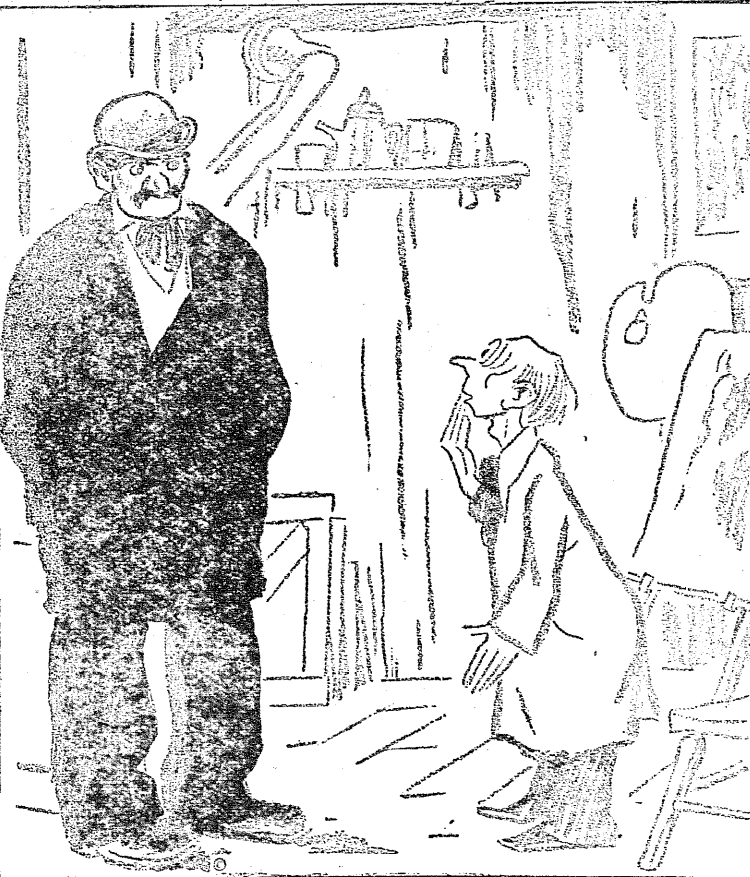

Our President need not be surprised if his statement about the Kelley oil charges is taken with slightly more than a grain of salt. When the President says that charges are "baseless," "political," "reckless" and "infamous" it is pretty strong language, but of course he is entitled to respect. It cannot be forgotten, though, that the esteemed Harding administration tried to laugh off the Teapot Dome and Elks Hills scandals which finally split the President's own cabinet wide open, in almost precisely the same way.

Mr. Kelley has a long record of honorable service, and in his experience named people, places, dates and exact offenses. There was something indefinite about what he said. We think that the *New York World* speaks truly when it says that the public will wait until an investigation of individual charges and facts is made before it believes that Mr. Kelley's story is baseless and infamous, even if these strong words were uttered without qualification by our President.

After all there is no reason for believing that Washington officialdom has changed its ways so completely in ten years that another oil scandal is utterly impossible.

## NEWS OF THE CHURCHES AND CHURCH SOCIETIES

LADIES INVITED TO BIBLE  
CLASS MEETING THIS SUNDAY

Wives who wonder what attracts their husbands to the Masonic Temple Sunday mornings at 9:30 will be given an opportunity to accompany "friend husband" this week. Everyman's Bible Class will keep open house and welcome the ladies. Dr. Carins will talk on the subject "Keep the Home Fires Burning."

Last Sunday the Blue army "started something" when they turned the tables on their opponents, the Reds. It begins now to look like anybody's contest. When it was announced that the losing side would have to pay the total bill for a supper to be served February 1, interest moved up several notches.

## CHURCH BAZAAR NETTED \$600

At the meeting of the Christ Church Ladies' Guild Thursday afternoon reports were received from the committees in charge of the annual bazaar. Over \$600 was raised.

It was decided not to appoint a November committee, but to combine two units in December, which will finish the alphabetical list of names. Included in this committee are: Mrs. John J. Scully, Mrs. Ira W. Shattuck, Miss Emma Shakeshaft, Mrs. D. S. Tillou, Mrs. E. A. Terhune, Mrs. Minnie Ten Broeck, Mrs. John C. Weber, Mrs. George W. Wharton, Mrs. Robert Wilson, Mrs. J. C. Wardell, Mrs. John S. Woodhall, Mrs. J. H. Wisschusen, Mrs. Horace B. Winship and Mrs. Homer C. Zink.

This committee will meet early in December and appoint a chairman. Four members of the Guild will provide a light lunch to be served each meeting day at 1 o'clock preceding the meeting, instead of serving tea after the meetings.

The next meeting will be held November 20, advanced one week because of Thanksgiving.

A large attendance is anticipated to hear Dr. Alexander Cairns of Newark, who will speak at the Fewsmith Men's Club Tuesday evening. Dr. Cairns has chosen as his topic "The Golden Age."

Dr. O. Bell Close, pastor. Sunday, 11 a. m., "Peace." 8 p. m., "Bonds." Christian Endeavor; leader, Willard Brandenburg. Music hour.

A large attendance marked the "Christian Citizenship" service last Sunday evening. The W. C. T. U. of Belleville occupied a special section of the church. Mayor Samuel S. Kenworthy, addressing the congregation on a "Citizen's Responsibility in Government," stressed the necessity for interest and action on the part of all citizens to prevent legislative measures which might menace the progress and happiness of the nation.

Dr. Close, speaking on the "Citizen's Responsibility in Religion," named four men, who, he believed, were the influential and beloved citizens in the world. They were Cardinal Hayes, Rabbi Wise, Thomas F. McCarter and Robert Speer. He referred to the conferences held by these men from time to time which resulted in an increasing understanding and tolerance among followers of God.

The congregation adjourned to after the service for a fellowship hour.

Members of the Town Commission present were William D. Clark, Patrick A. Waters, William H. Williams and Town Counselor John B. Brown. Commissioner Carragher was unable to attend because of illness.

## Diogenes' Tub

The tub in which Diogenes lived was a vessel discarded from the temple of Cybele. It was a huge earthen jar that had been used for holding wine or oil for the sacrifices of the temple. It was large enough for him to lie in at full length and to satisfy his limited demands in the way of housekeeping. Diogenes did not invent this mode of living, as the poor made many similar uses of such vessels before his time and did so afterward.

## Christian &amp; Missionary Alliance

"Adam and Fallen Man," will be the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, November 9, 1930.

The Golden Text is: "As by the offense of one judgment came upon all men to condemnation; even so by the righteousness of one the free gift came upon all men unto justification of life" (Romans 5:18).

Among the citations which comprise the lesson-sermon is the following from the Bible: "Mark the perfect man, and behold the upright; for the end of that man is peace" (Psalms 37:37). "Be ye therefore perfect even as your Father which is in heaven is perfect" (Matthew 5:48).

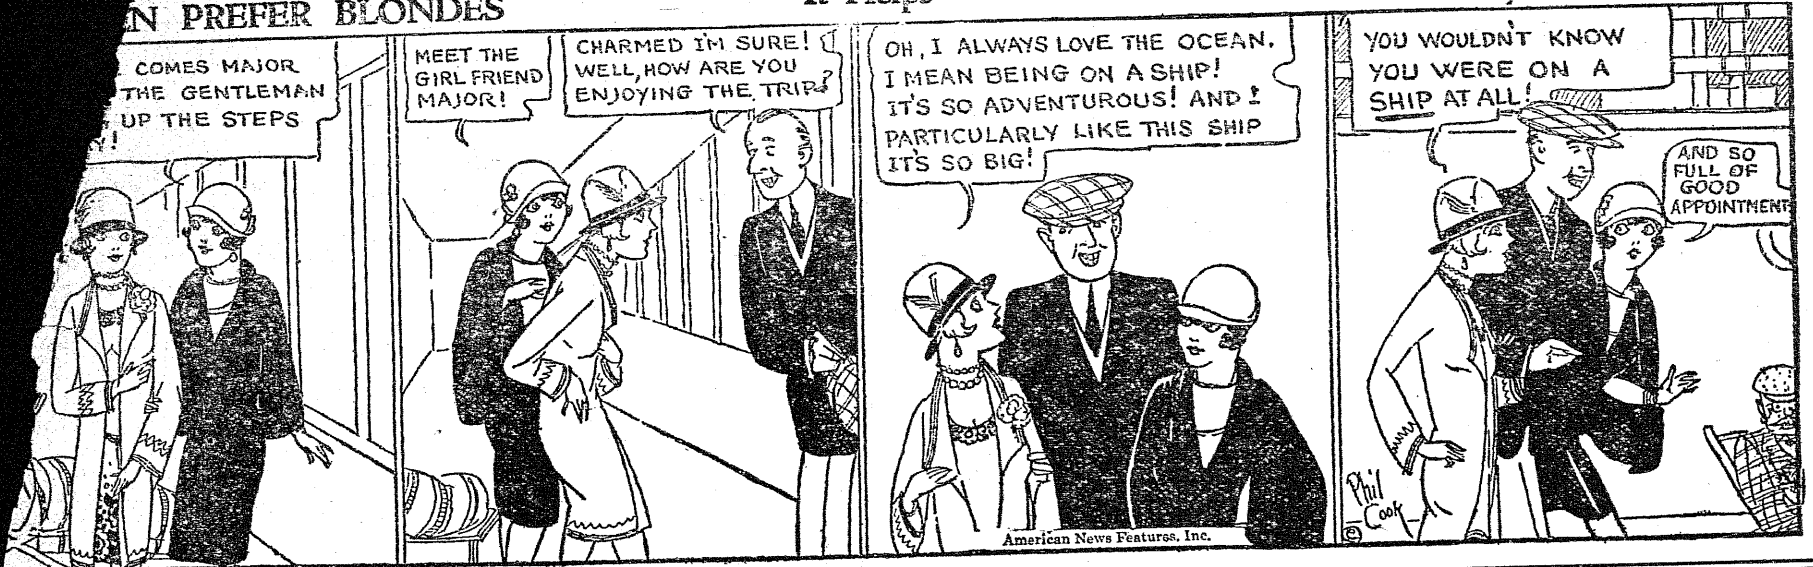

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "If man was once perfect but has now lost his perfection, then mortals have never beheld in man the reflex image of God. There is no man who is perfect."

## Pecked Husband Revolts Successfully In Wemec Show

Wemec Dramatic Club will present Martin Flavin's three-act play "Broken Dishes," at the School auditorium tomorrow night.

The play recently completed a successful run at the Ritz Theatre in New York. It has to do with marital troubles of Cyrus Bumpsted, played by John Carlin, who becomes a character of sympathy as well as laugh.

For many years Bumpsted smarted under the stinging of his wife's tongue. Jenny, his wife, is a perfect example of a shrew. This role is portrayed by Alma Hosking.

Most men would have rebelled during the first year of marriage, but being essentially an easy-going creature, willing to undergo a mild form of torture as long as he is not actually engaged in conflict, he has borne the vicissitudes of life

with a shrew until he has reached the age when he is endowed with three daughters, Elaine, Myra and Mabel, played respectively by Esther Forbes, Dorothy Wadsworth and Jane Carlough.

Elaine desires to marry William Clark, portrayed by Horace Baldwin, a delivery clerk in Bascom's store. His lowly position causes him to be held in contempt and disfavor by Mrs. Bumpsted, however.

### The Worm Turns

At this point the well-known worm turns. Cyrus is able to stand the persecution, serious and petty, of his cantankerous wife, but when it comes to his favorite daughter falling under the yoke, he rebels.

While Mrs. Bumpsted is at the movies with the other two girls, Cyrus courageously marries off his favorite to the man she loves. The

marriage is performed by Dr. Stump, a deaf old dominy, who lives next door. Dr. Stump's part is taken by Vail Ryan. Sam Green, played by Allan Crisp, is an old friend who assists Cyrus to carry out his plan.

While the father and the newly married daughter are awaiting the return of Mrs. Bumpsted from the movies in fear and trembling, a stranger arrives. This stranger is Chester Armstrong the man Mrs. Bumpsted might have married, which fact she used as a stranglehold on poor Cyrus, for she thinks this might-have-been is a tremendously wealthy individual. As a matter of fact he is a crook and the rebellion in "Broken Dishes" turns out successfully. The part of Armstrong is taken by Charles Gebhardt.

The doors will open at 7:30. Tickets may be obtained at the door.

### MONAD STAFF TO ATTEND CONVENTION AT ELIZABETH

A meeting of the High School Monad staff was held Monday afternoon to discuss attendance at the Northern New Jersey Scholastic Press Association convention November 21 in Elizabeth.

The convention is to be a meeting of the staffs of scholastic papers of Northern New Jersey. A banquet will be served after the meeting.

A poetry contest will be conducted next month, the staff agreed. To give a fair chance to all, freshmen will compete with freshmen, sophomores with sophomores, and so on. One winner will be picked from each class. All High School students are urged to contribute.

The Harmonica Club, under the leadership of Robert Cocks, is making rapid strides. At their meeting Friday, three songs were mastered. The club expects shortly to entertain the entire school.

Tuesday morning the seniors had charge of the assembly. Alice Compton led the singing and Henry Paganelli read the Bible. The orchestra played several selections.

### Bank Cash Paradox

The paradox of a run on a bank is well expressed by the case of the man who inquired of his bank whether it had cash available for paying the amount of his deposit, saying: "If you can pay me, I don't want my money; if you can't, I do." All depositors want to be sure their money "is there." Yet it never is there all at one time.

Consistent with expectations, last Thursday night's bowling matches of the Lions League, played in the Elks alleys, were close matches. It was a case of making every pin count in all games. The second place Owls entertained high hopes of either making a four game sweep or at least winning three games and tying the leaders when they took the first two games but a counter attack dashed these ideas.

### SEVEN STRAIGHT STRIKES

But even this good score was beaten by the leaders who rolled 399 in the fourth game, Mead pinning his way to glory with a 243. A strike, a spare, and seven more consecutive strikes gave everyone the idea that the fledgling of the Eagle combiné was going out to beat his captain's 257 but the pin boy's foot scraping against a board upset him and he missed in the tenth.

Averages without an exception, took a leap upwards. Hart went from 172 to 176-11 while Brasher increased from 163 to 168. Mead displaced Jeffery in third place and has an average of 156-10, where before he was 148. Jeffery remained about the same but Locher vaulted from 146 to 153-5. Carlough, Noll and Charrier all increased their marks by several points.

Tonight the Eagles will play the Crows while the Owls battle the Starlings. If Mead keeps up the pace it should be a clean sweep for the leaders, and if Carlough shows no great improvement for the Starlings it should be an easy time for the Owls. The scores:

# POSTPONE RENO-DUNDEE SCRAP AS VINCE INJURES HAND IN RING WORKOUT

Because of injuries to Vince Dundee's right hand, the Reno-Dundee fight, originally scheduled for last Monday, has been postponed to November 17, officials of the Laurel Gardens announced this week.

Dundee hurt his hand in a workout at the Parkview Ringside. His physician advised him to drop training for several days.

Dundee is expected by his followers to flatten Reno, who, although a seasoned boxer, is not considered good enough for Dundee. The contest is scheduled for ten rounds.

Al Rossi, brother-in-law of Vince Dundee, will travel to the Asbury Park armory tomorrow night to box the feature eight round contest with the Cuban sensation, Joe Blanco.

Rossi, tutored by Dundee, has conditioned himself to tip-top shape at the Parkview Ringside. He is a great favorite on the seashore and will please the fans. Blanco, a veteran of over 100 fights, has crossed gloves with the leading featherweights in the country. A win for Rossi, will earn him a fight with either Al Fisher or Tony Lambert, the only two pugilists to hold decisions against him.

The Belleville Lions Club quintet increased their lead in the County Lions League to two full games as a result of a clean sweep over the Roseville Lions Club five Wednesday night in a County League contest at Rogers alleys, Bloomfield.

The local Lions had little difficulty in winning all three games. Belleville rolled three games over the 800 mark, whereas Roseville failed to hit 700 in any of the games. "Steel" Mayer hammered the maples in fine style for Belleville, accounting for scores of 212, 184 and 198. Ernie Scholl also turned in three good scores for the locals. Nerleux was outstanding for Roseville.

Mayer, as a result of his good series Wednesday night, increased his average to 177-10 for eighteen games. Vic Hart also is averaging 177-10, but Hart has performed in six less games than Mayer. Jeffery and Dailey lost ground in the average race as a result of their poor series Wednesday.

Bloomfield also lost ground in the race this week although they won two out of three games. The Bloomfield combination is in second place, two games behind Belleville and from all indications the race for the leadership will be a two team fight with these two quintets battling to the finish. # RING BATTLE AT ELKS HALL SATISFY

Everyone Seems Pleas  
Officials Will Hold Seco  
Tournament

## FIVE HUNDRED FANS SEE SEVEN KNOCKOUTS

The first amateur boxing tournament of the Belleville Elks, Monday night, was attended by 500 fans. Everyone was apparently well satisfied and it was announced that another show will be held next month.

The most interesting bout was the 128-pound contest between George Claybourne of the Ascension Parish and Les Carroll of the Elizabeth Y. M. C. A. It was slugfest from the start and ended one minute and twenty-five seconds after the round gong. Claybourne shot a heavy right to Carroll's jaw to end the bout.

Another exciting bout took place between Joe Bulvich of the Bayonne A. C. and Jack Scilhim of Newark. It ended in the first round. A left by Scilhim to Bulvich's mid-section did the trick.

The 150-pound final between Stan Wierzgacz of the Bayonne A. C. and Sam Peterson, colored scrapper from Newark, was slowed up when Wierzgacz suffered a badly cut eye in the second round. Until that happened he had the best of the argument. Wierzgacz was given the biggest ovation of the night when Referee Leo Lloyd called the fight off because of an A. A. U. ruling about cuts on the face.

Officials for the bouts were as follows: chairman of the committee, Joe Reilly; referee, Leo Lloyd; timer, Joe McGlynn; judges, Capt. William Stuckney and Lew Beliner.

Following is a summary of all the bouts:

118 pounds, George Cornfeld, Newark Y. M. C. A., vs. Al Boata, Ascension Parish, won by Cornfeld (K.O. in third). 118 pounds, Tanny Tilman, Newark, vs. Roland Ferguson, Salem Crescent A. C., won by Ferguson.

128 pounds, Les Carroll, Elizabeth Y. M. C. A., vs. George Claybourne, Ascension Parish, won by Claybourne (K.O. in third). 128 pounds, Joe Bulvich, Bayonne A. C., vs. Jack Scilhim, Newark, won by Scilhim (K.O. in first).

138 pounds, Joe Adler, Ascension Parish, vs. Chip Brandeal, Peterson, won by Brandeal (second round). John Benford, Bayonne A. C., vs. Ballrino Figueroa, Salem Crescent, won by Benford (K.O. second).

150 pounds, James Marion, Ascension A. C., vs. William Curry, Newark, won by Curry (K.O. in first). Stan Wierzgacz, Bayonne A. C., vs. Sam Peterson, Newark; Peterson defaulted at end of first.

128 pound final, George Claybourne, Newark Y. M. H. A., vs. Jack Scilhim, Newark, won by Claybourne (K.O. in second).

138 pound final, John Benford, Bayonne A. C., vs. Chip Brandeal, Peterson, won by Benford (K.O. second).

150 pound final, Stan Wierzgacz, Bayonne A. C., vs. Bill Curry, Newark, won by Curry (Wierzgacz injured in second).

118 pound final, Ferguson by default, doctor refused to continue.

Lamb Makes Nice Runs and  
Touches Pass But Irvington  
Holds Near Goal

### IRVINGTON STOPS BELLEVILLE

The eighth annual gridiron  
meeting of Belleville and Irving-  
ton High Schools resulted in a  
scoreless tie before 2,500 fans at  
Clearman Field Saturday after-  
noon. Belleville outrushed their  
opponents and piled up nine first  
downs to Irvington's six, but lack-  
ed the final punch to score.  
The game started with Irvington  
kicking off and Belleville running  
the ball back to the thirty-seven  
yard line. Fritz Plenge shot off  
right tackle for four yards and added  
more on another off-tackle  
smash. With third down and one  
yard to go the locals tried a for-  
ward pass which was grounded.  
The ball was then kicked to the Irvington  
thirty-three.

### LINE BRACES

Irvington promptly made a first  
down on three line plunges. The  
Belleville line then braced and  
Druze was forced to kick. The kick  
was poor and Belleville had posses-  
sion of the ball on Irvington's  
forty-seven. Two end runs by  
Casale and Plenge netted but a  
yard.

Mac Lamb then crashed off left  
tackle for fourteen yards and a  
first down. Casale tried to circle  
right end, but lost eight yards. A  
forward pass was grounded on the  
second down and Irvington was off-  
side on the next play. Mac Lamb  
then galloped away for a thirty-  
one yard gain off left tackle.

### BRIGHT PROSPECTS

The ball was now on Irvington's  
seventeen yard line. Things looked  
rosy from a Belleville viewpoint,  
but a fumble on the next play  
ruined their chances and Irvington  
took possession on their own eight-  
een yard line.

Two off-tackle plays netted five  
yards. Belleville was off-side on  
the next play making it first down  
for the Camptowners. Three more  
off-tackle smashes netted seven  
yards as the quarter ended. Simp-  
son, Irvington quarterback, elected  
to kick on the fourth and Belle-  
ville took possession on their own  
five.

Leadbeater shot off right  
tackle for six yards on the first  
down. Plenge added a yard off  
right guard and Casale made it  
first down by plunging through  
the line. After two line bucks fail-  
ed to gain Plenge heaved a for-  
ward to Lamb for twenty yards  
and a first down.

### LINE HOLDS

Irvington braced at this point  
and regained the ball on downs on  
their own thirty-yard line. They  
grounded the Belleville line a hard  
hit to crack and Druze kicked on

the third down to Belleville's  
twenty-three, the ball rolling most  
of the way.

The next play was the prettiest  
of the afternoon. Lamb was ap-  
parently tackled behind the line  
of scrimmage but twisted and  
squirmed his way out and then  
reversed his field for fifteen yards  
and a first down. Irvington held  
at this point and Plenge kicked  
to the Irvington forty-five.

Three off-tackle smashes netted  
but a yard for the Camptowners  
and Druze kicked forty yards to  
the Belleville twenty-three. Lamb  
lost a yard on the first play, but  
redeemed himself by making seven  
on the next try. Plenge kicked to  
the Irvington forty-eight.

### TAKE TO AIR

Irvington then began an aerial  
attack which nearly proved disas-  
trous to Belleville. Two successive  
passes netted twenty-three yards  
and two first downs. The ball  
was now on Belleville's twenty-five  
yard line with about half a minute  
to play.

Another pass was grounded, but  
on the next play another forward  
was completed for a fifteen-yard  
gain and at this point the whistle  
blew for the half, with Irvington  
in possession of the ball on Belle-  
ville's ten.

The first half was just about as  
evenly contested a game as could  
be. Each team had five first  
downs.

Galluba kicked off for Belleville  
to start the third quarter and  
Irvington ran it back to their own  
thirty-four yard stripe. Two off-  
tackle smashes netted four yards.  
Druze then kicked to the Belleville  
thirty, Westra running it back to  
the forty.

### PENALTIES TO BOTH

Belleville was penalized fifteen  
yards for holding on the first play.  
Plenge kicked out of danger and  
Irvington took the ball on the  
Belleville forty-five. Irvington  
was penalized fifteen for holding  
on the first play. Two line bucks  
netted five yards. Druze kicked  
fifty yards to the Belleville thir-  
teen.

Lamb circled left end for a seven  
yard gain on the first play. Nick  
Bonavita lost a yard on another  
end run. Plenge kicked thirty  
yards and Simpson ran it back to  
the Belleville thirty-nine. A for-  
ward was grounded on the first  
play. Another pass was intercept-  
ed by Lamb who was stopped at  
the Belleville twenty-six.

### INTERCEPTS PASS

A lateral pass lost two yards on  
the first and lamb was held to no  
gain on the second. Plenge kicked  
thirty-five and Simpson ran it back  
to the Irvington forty-five. Min-  
ette crashed off left tackle for sev-  
en yards on the first down. Ir-  
vington was off-side on the next  
play. A forward on the third  
down was intercepted by Lamb and

went to the other side for six  
yards and a first down. Nick then  
circled left end for fourteen yards  
and another first down. A lateral  
pass Nick Bonavita to Westra  
netted twelve yards bringing the  
ball to Irvington's eighteen.

### LAMB PASS SPOILED

Once more things looked prom-  
ising for the locals, but the fight-  
ing Camptowners spoiled a prom-  
ising opportunity by pouncing on  
Lamb for an eight yard loss as the  
latter was about to throw a for-  
ward pass. A lateral, Lamb to  
Westra, netted five yards on the  
second down. A forward pass was  
grounded on the third down as the  
quarter ended.

Another pass was grounded on  
the fourth down and Irvington  
took the ball on their own thirty  
after Belleville had been penalized  
five yards for two incomplete  
passes. Druze promptly kicked  
and it was Belleville's ball on their  
own forty-eight. Lamb lost a  
yard on the first try and Nick  
Bonavita gained two yards on the  
next. Belleville was penalized fif-  
teen for holding on the next play.

### BELLEVILLE ADVANTAGE

Jerry Bonavita kicked thirty-  
two and Irvington had possession  
on their own thirty-eight. A  
double pass with Simpson going  
off right tackle netted five yards.  
Another double pass lost six yards  
Irvington was penalized fifteen for  
holding on the third down. Druze  
kicked thirty-two yards and Belle-  
ville took possession on their own  
forty-seven.

Plenge went off right tackle for  
two yards on the first try. A for-  
ward, Plenge to Jerry Bonavita,  
netted eight yards and a first  
down. Plenge was smeared for a  
six yard loss on the next play and  
Lamb lost two more yards on an  
attempted end run. Belleville was  
off-side on the next play.

### PASS JUST MISSED

Jerry Bonavita kicked thirty-five  
yards and Simpson ran it back to  
the Irvington forty. An end run  
on the first try netted two yards.  
A forward pass netted fifteen  
yards and a first down. The  
Camptowners, realizing that time  
was precious, threw another pass,  
but Lamb intercepted and Belle-  
ville had the ball on their own  
thirty-two. A long forward which

Jerry Bonavita nearly grasped was  
grounded as the game ended.

Mac Lamb, due to his brilliant  
ball carrying, was the outstanding  
player for the Blue and Gold. The  
midget back, as in the West New  
York game, also played a brilliant  
defensive game. Captain Lou  
Galluba played the best game of  
his career at his tackle post. He  
was in on every play.

Lou Westra, who replaced Cas-  
ale late in the first half, played a  
great game. It was his first start  
in a varsity game. Westra ran  
the team smoothly and ran back  
kicks in fine style. Nick Bonavita,  
who has not been going so good of  
late, came back to form with a  
bang. The line-up:

## HARMON STOPS HEAVIER RELLO

Five pounds lighter, Len Har-  
mon of Belleville won a six round  
decision over Sam Rello of Jersey  
City last week at the Adelphia A.  
A. in Elizabeth. Harmon weighed  
135 and Rello, 140. The Belleville  
man's victory was the second with-  
in two weeks. In a previous bout  
at the same place, he earned a de-  
cision although he had been floored  
six times in the second round.

Harmon's last win was the  
eighteenth in a career that includes  
only nineteen fights. His manager,  
Larry Corbett, is negotiating for  
a bout with Bennie Levine or Tony  
Lamberti at Laurel Gardens in the  
near future.

## KEARNY GRIDMEN FAIL TO APPEAR

So Clintons Are Without Oppon-  
ent For Regular Sunday  
Battle

## NOT TO BOOK KEARNY AGAIN

The Clintons were idle last Sun-  
day due to the fact that the Kearny  
Whippets failed to put in an ap-  
pearance. This makes the second  
time that a Kearny team has dis-  
appointed the Clintons. Earlier in  
the season the Grove A. A. failed  
to come over after they had sched-  
uled a game with the Clintons.  
Manager Andy Monaghan an-  
nounced after the game that in the  
future the Clintons would not book  
any Kearny teams.

Although disappointed, the Clin-  
ton regulars did not stay idle. They  
put in an hour of signal drills and  
then had a scrimmage session with  
the scrubs. They also plan to prac-  
tice several nights this week in an  
effort to be in the best of shape  
for the coming game with the  
Bloomfield Congers Saturday after-  
noon at Clearman Field.

A large crowd is expected at Sat-  
urday's game at Clearman Field.  
Those Belleville fans who will be  
unable to travel to Atlantic City  
to witness the High School in ac-  
tion will be treated to a good  
game at the local stadium. The  
Bloomfield Congers have an impres-  
sive record. Included in their line-  
up are several former high school  
and college stars.

The Clintons will be nattily at-  
tired in neat red and white uni-  
forms for Saturday's game. In  
view of the fact that the Congers  
are also neatly uniformed the game  
should take on the aspect of a reg-  
ular high school affair. Line-ups  
for Saturday's game:

L.T...Irving	Dunigan
L.G...T. Monaghan	Gleason
C...P. Dunn	Degan
R.E...Petith	McConnell
R.T...Dacey	Schills
R.G...Perry	Jackson
Q.B...Ashworth	Connor
R.H...S. Howley	VanRiper
L.H...M. Mallack	Odeil

Clinton subs: Canolissi, Hannan,

den, Spillane. Conger subs: Wolf,  
J. Grudy, T. Brudy, Murray, J.  
Moran, Geviano.

### Hot and Cold Air

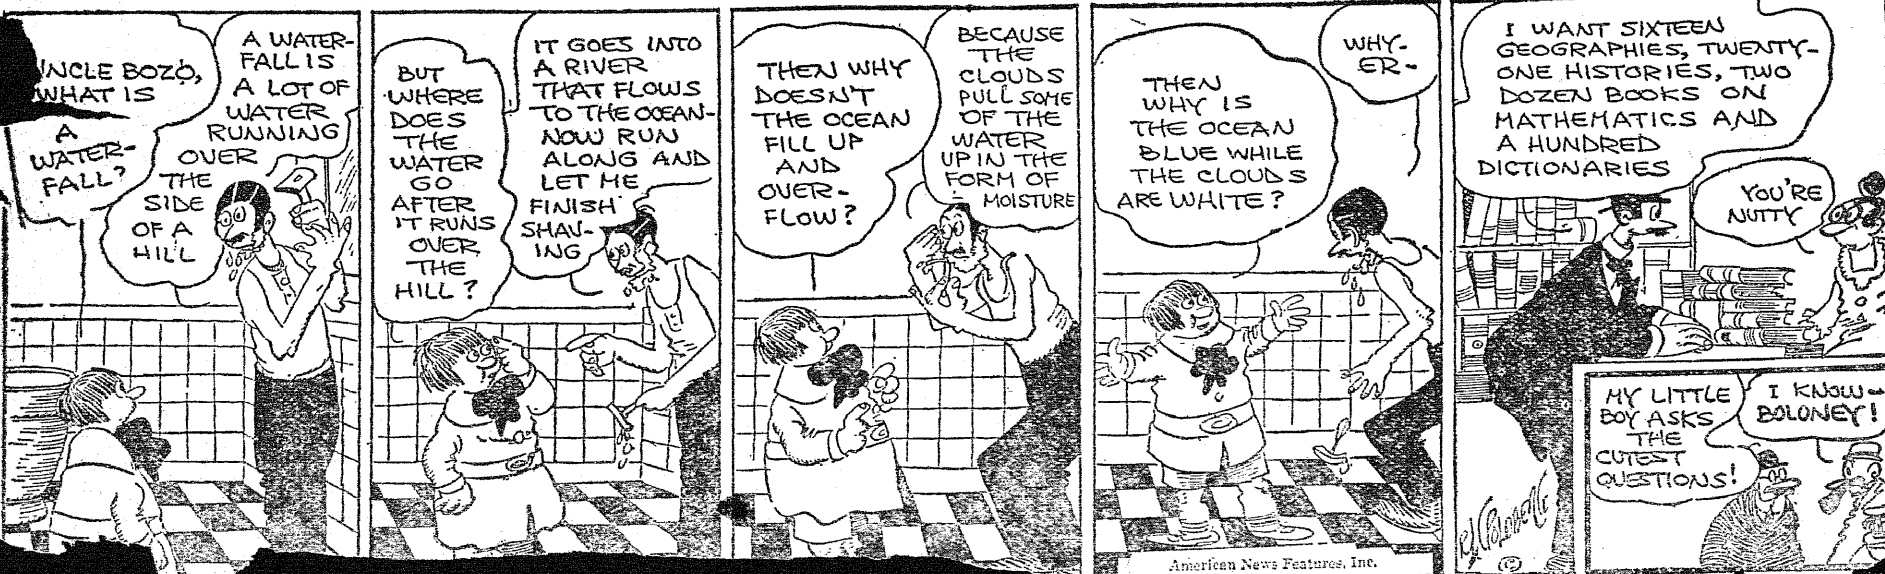

Hot air is lighter than cold air.  
The latter is denser, and there-  
fore weighs more. Hot air carries  
more water vapor than cold air.  
The amount of moisture necessary  
to produce saturation increases  
rapidly with the increase of tem-  
perature.

### Length of Business Cycle

According to experience in the  
past, a complete "business cycle"  
takes about ten years. That is, ten  
years is the usual time from the  
beginning of a prosperous period,  
through its peak and a reaction, to  
the start of the next upward move.

Other matches resulted as follows: Jeffery and Mayer won two from Federal Leather; Thomsons won two from Hanlon and Goodman; Hoyt Brothers scored a clean sweep over Atlas Fence; and Wallace & Tiernan won the odd game from International Ticket.

The Tiffany-Martin-Dennis match found both quintets rolling well, but Tiffanys were just a shade better. The "Jewelers" copped the first game by three pins, then rolled a 942 in the second game.

### Won Final Game

Martin-Dennis, however, averted a shutout by winning the final game 897 to 816. Teddy Skidmore and Martin featured for the winners with Payne and Hopler doing good work for the league leaders.

Jeffery and Mayer were in rare form Friday night for the first two games which they copped easily. The first game was won by fifty pins, while the second was even better. They missed a 1,000 game by only three pins. Federal braced in the final game to win by 830 to 813. "Steel" Mayer and Watson both hammered the maples in fine style for the winners. Shoudy hit a 243 for Federal in the final.

### Thomsons Keep Marching

Thomsons continued their march up the ladder by winning two out of three from the fast-slipping Hanlon and Goodman quintet. The "Bakers" hit 913 in the opener and a fair score in the second, but slumped to 763 in the final. John Hood and Beam were best for Thomsons. Tommy Dunn put in three consistent games for the "Brushmakers."

Hoyt Brothers ousted themselves from the cellar position by pouncing on Atlas Fence for a clean sweep. Hoyt Brothers had little difficulty scoring three victories against the "Fencemen," who failed to hit above 729 in any of the three games. Fischer and Cooney did some good pinning for the winners.

### International Loses

International Ticket was in poor form Friday night and dropped two out of three to Wallace & Tiernan. Chiampor and Walker did the best for the "Tiernanmen." Blume was leading for International. In the running by from Sonne-

first game by more than a hundred pins, but were not so good in the next two. They managed to win by fifteen pins in the final, however. Brogan hit 235 in the opener. Curtin, however, was steadiest for the winners. Scotland rolled three nice games for Sonneborns.

## FEWSMITH WINS ANOTHER THREE

Keeps Record Clean Of Defeats In Church League Bowling Tournament

Fewsmith is high in Church League bowling circles this season. They are out in front with a record of nine games won and none lost while Fewsmith Men's Club are in second place, trailing by two games.

Scores generally were lower than usual Thursday night. Fewsmith scored a clean sweep over Dutch Reformed; Fewsmith Men's Club triumphed in all three games over Montgomery; Christ Reformed whitewashed Grace Baptist in all three games and Christ Episcopal won two out of three from Italian Baptist.

Fewsmith had little difficulty subduing Dutch Reformed in all three games, the league leaders hitting 937 in the final game. Bruegman featured with two double century scores while H. Smith and Handley also did some neat pinning for the winners.

### HAD NO TROUBLE

Christ Reformed, although not rolling good scores, nevertheless had an easy time with Grace Baptist. These teams rolled on Montgomery 3 and 4 alleys, which probably accounts for the poor scores. Bill Buttons continued to roll in good form for Christ Reformed.

Fewsmith Men's Club and Montgomery hooked up in an exciting match with the former quintet coming out on top in all three games which were closely contested. Fred Kristen and Bill MacNair led the attack for the Men's Club. Gill was best for Montgomery. S. Smith rolled three consistent games.

Christ Episcopal were off form in the first game of their match with Italian Baptist, but the Episcopalians made a good comeback to easily win the next two games. Dan Mayer, of Christ Episcopal, was outstanding in this match.

## TWO LOCAL BOYS IN BOXING SHOW

Silver Lake Luminaries To Fight On Anti-Tuberculosis Armory Card

### FIGHTS GO ON WEDNESDAY

The Anti-Tuberculosis Association of New Jersey has gathered together the cream of the fistic ranks in North Jersey for its benefit boxing show to be staged at the Newark Armory Wednesday night, November 12. The card arranged by John J. Shattles will show Silver Lake's two budding fistic prides, Johnnie Nelson and Harry Mosco. Nelson will be seen against Bennie Levine, Jewish lightweight and Mosco will take on Nat Arno. Levine and Nelson have fought twice with honors about even, but Nelson is confident that this time he will take the measure of his Jewish opponent. Nelson has developed a hard punch and stands a good chance of dropping Levine for the full count.

Mosco stacks up against the most formidable opponent of his short career in Arno. The latter has fought the best in the lightweight ranks and is an experienced fighter. But Mosco has gone into a fight on the short end of the betting odds before and proceeded to win. He did it against Irish Bobbie Brady last winter at the Armory and expects to do the same with Arno.

Doc Conrad, local German middleweight, who climbed to the front ranks by defeating Abie Bain and Rene DeVoe, will be seen in action with Lowell Bobbie Brown. It will be a tough fight for Conrad, his first in several months. Brown has fought all the leading fighters in the country and holds a knockout over Gorilla Jones. He also fought a torrid ten rounder with Tuffy Griffiths in Chicago, the latter having a fourteen pound weight advantage.

### LAUNDRY MEN GET TWO DEER

Henry F. Hering, president of the Columbia Laundry and Leon Watson, schedule rating expert, returned October 29 with two deer from a hunting trip in the Adirondacks. They stopped at the K Club near Remsen, N. Y.

## GUGG GETS WIN OVER NAPARANO

Silver Lake Boy Batters Bound Fighter In Main Bout At Empire

### WINS TWO OF FOUR ROUNDS

Fighting the final bout on the Empire card Thursday night, Gugg of Silver Lake scored a national decision over his featherweight opponent, Nick Naparano, the Ironbound section of New Jersey. The scrap went four rounds.

Naparano started strong and had the best of the argument through the first canto but Gugg came out of his corner in the second and turned the tables. He gave the Ironbound boy a terrific thrashing, landing with solid blows to the face.

Naparano was not put under, however, and shifted his attack to the stomach in the third round. This troubled the Silver Lake boy but did not earn a margin to win. Gugg finished in good style and was declared the winner.

On the same card Tony Greb was stopped by Mickey Perna of Newark. The Silver Lake boy lasted only two minutes of the second round.

### Altitude and hearing

The public health service says "A small percentage of impairment of hearing and deafness is due to hysteria, and such cases might be improved by the fright and shock of an airplane flight. This has occurred in hysterical aphonia, in our opinion, one flight at a high altitude, or about one hour, would show whether the patient is suffering from hysteria or not."

## Expression's Origin

Few people know what they mean when they assure their friends that they "slept like a top." Top, in this instance, is a corruption of the word "taupe" as used in the French expression, "Il dort comme un taupe," i. e., "He sleeps like a mole." Taupe is used in English for mole color.

## Major Freelance's Column

by  
FRANK G. ANDREWS

The city government, the prize fighters and the gangsters of New York are running a race to see which can reach the bottom first, but if you will glance over the long list of "attractions" at the playhouses in the great metropolis, you will observe that the theatres are not far behind.

This morning we picked up our favorite New York daily newspaper and turned to the theatre section. The first line that caught our attention in screaming type was: "On the Brink of Hell You Can't Deny Love." It was the headline for the picture War Nurse.

Of course, if you don't care for War Nurse, or nurses in general, you can run over to the New Amsterdam and see Earl Carroll's Vanities, with a guaranteed blush in every act. Carroll's girls are very pretty, and the reason they are pretty is because they do their sleeping in the daytime and get the dew at night.

Now there are also other fine shows on at the various playhouses. Maybe you admire crooners and would like to see Rudy Vallee, the male bathing beach beauty, or Gloria Swanson in What a Widow, or Eddie Cantor in Whoopee; and if none of these get you excited then you can run over to the Globe and see Half Shot at Sunrise.

Personally we don't know much about Hell's Angels, but the name sounds good. However, in picking the greater of two evils, we think we would rather go over and see The Office Wife and learn, as the advertisements say, "what goes on in the office after hours." We think we know the answer in one guess, but we would like to make sure.

Then there is another play called Maybe It's Love, but in these days nothing is sure in that line. It isn't love unless it lasts two years, which it generally doesn't. Look for yourself what a business they are doing out in Reno, the divorce market of the nation.

There is a musical comedy entitled Girl Crazy which has a good ring. Probably there is a lot of puppy love in that, which may explain why they are drawing crowded houses.

Bad Girl is advertised as a smashing hit that "talks straight out." So if you like Bad Girls, here is something that is guaranteed to please.

We don't know anything about this new play entitled Canaries Sometimes Sing, but it comes direct from London, suggesting that it is probably more decent than if it came direct from Paris.

George White's Flying High was probably written before the stock market crash. It will cheer you up to see it and so will Joe Cook's Fine and Dandy, advertised as his "newest and maddest" musical comedy.

Sam Harris' Once In a Lifetime is advertised as a "smashing hit" and a "completely hilarious" play. There is probably a lot of drinking in it.

Sisters Of The Chorus sounds like some sort of a new racket and Pagan Lady is advertised as "alluring and sensational."

Strictly Dishonorable ought to pack 'em in, because anything strictly honorable doesn't draw flies these days.

Another play in which former Follies girls take bold parts is entitled The Greeks Had A Word For It. The thing to do is to spend \$3 and find out what the nasty word is.

The Devil also may be drawing big

Satan in it goes over big in New York.

There are other shows that are real ritzy and the ritzier they are the larger the box office receipts. Among those advertised are these: Sugar Babies, The Unwritten Law, The Love Trader, Sinner's Holiday, A Lady Surrenders and the White Hell of Pitz Palu.

But you can't blame the producers and theatre owners for this filth. They are business men, and believe in giving the public what it wants. They would show Herod killing the male babies of Judea if enough customers would come.

Election will soon be over and there are many families who will not be sorry when the votes are all in and counted. The political orators have almost monopolized the radio for the last month and, between the harangue and the static, it has been something awful. You can stand Amos and Andy for fifteen minutes but it certainly does try your patience to hear such bunk for the entire evening.

The candidates seeking office used to come around and shake your hand, meet the wife and kiss the baby, but all that is changed. They do their campaigning over the air now. It is mostly hot air but it saves you and your wife and the baby from personal contact with them.

It may all be true that we are having hard times, but you can't prove it by the number of men who are buying guns, ammunition and hound dogs for the opening of the hunting season on November 10.

In other directions, though, there are evidences of pinched conditions. The classified advertising departments of the newspapers are offering, at private cash sale, radios, automobiles and almost anything except the baby's crib and high chair.

This unemployment period has put a crimp in many families.

## Variation in Bees

Russian scientists have found that honey bees in northern regions have shorter tongues than bees farther south and they attribute this to an adaptation of the insect to the task of nectar gathering which differs with different plants and climates.

## Foresight

## Vision That Pays!

Looking ahead to the future represents the kind of vision that pays handsome returns. Foresighted men for this reason set aside something every week out of money received for their labor. This money, put into a savings account here, works in return, night and day, earning generous interest for the thrifty.
