

# Chest Drive Successful

## Victory Meeting Is Planned Monday; \$17,400 Subscribed

Leaders Optimistic About Success Of Chest; Expect More Than Quota

### INVITATIONS TO ALL GROUPS

Although there is every indication that the Community Chest campaign has gone over the top, actual receipts Monday night, when the drive was to have officially ended, amounted to only \$17,400 or \$2,000 short of the quota, \$19,400. Consequently, officials agreed, the campaign will be extended to next Monday night when a victory meeting will be held in the Town Hall.

Of the money already received, \$4,500 was turned in by the Industrial Division which is headed by William J. Orchard and William J. Weyland. This is three times the amount turned in by the same division last year.

George R. Gerard, superintendent of schools, reported contributions from school teachers and principals amounting to \$1,905, or nearly twice the amount secured last year, while Philip Dettelbach, chairman of the special gifts committee, reported the receipt of \$7,000. Canvassers and majors going from house to house accounted for the remainder of \$17,400.

#### Good Prospects

Prospects of raising the full quota seemed bright, Campaign Manager John Ray believed, and this view was shared by William Stewart, in command of the ma-

## HARRIS, BURNED BY WIRE, DIES

Funeral Service Tuesday For Man Who Fell On 26,000 Volt Cable

### LEAVES WIFE, TWO CHILDREN

Although it was confidently believed by authorities at Orange Memorial Hospital a week ago Wednesday that Fred Harris of 22 Montgomery place would recover from burns received from a high tension wire, his condition took a turn for the worse and he died Sunday.

Harris slipped on a platform while he was working thirty feet above the street a week ago Monday and fell on a 26,000 volt electric wire.

Masonic funeral services were held from his home Tuesday night by Lodge 198, F. & A. M., Verona. Burial was in Bloomfield Cemetery.

A resident of Belleville for the past six years he lived before that in Montclair. His birthplace was in Powell, Pa. Surviving him are his wife, two children, his mother, Mrs. Linna Harris of Bloomfield, a brother of Montclair and four sisters, three of whom are from Bloomfield and one from Woodcliffe.

## UNBEATEN TEAM LOCALS' ENEMY

West Orange, Tied Only By Strong East Orange, Will Be Formidable

### MUST WATCH SHIFTY CATALDO

Belleville High faces a tough assignment Saturday when it meets the crack West Orange eleven at the latter's stadium. West Orange has an impressive record. The closest they have come to defeat is a 6 to 6 tie with East Orange.

A slight comparison between West Orange and Belleville may be had by a comparison of scores. West Orange defeated Roselle Park 14 to 0, while Belleville holds a 7 to 0 victory over the same team. The big point to remember however, is that West Orange has not defeated Belleville in a long time and they will be set for revenge this year.

The man Belleville will have to watch Saturday is Cataldo, flashy West Orange halfback. Although slight in build this boy is lightning fast and as slippery as an eel. He has done most of the West Orange scoring this year. It should be a great battle with Mac Lamb and Cataldo competing for honors.

## HERBERT LYTLE, SCHOOL TEACHER, TO ADDRESS WESLEY EPWORTH GROUP

Gordon Crisp took entire charge of the Wesley Epworth League service Sunday night and instead of the usual speech, read an interesting play about the War.

At the church fair Thursday and Friday the league will conduct a handkerchief and toilet article booth. Proceeds will go towards the Organ Fund.

Next Sunday night Herbert Lytle, economics teacher in the High School and son of a former Belleville pastor, will speak at the evening service.

The regular monthly business meeting of the league will be held Monday night at the church.

The banquet is to be held at the Washington restaurant at 8 o'clock. Hon. Anthony F. Minisi, judge of the Irvington district court, is to be toastmaster.

Members of the Committee are as follows: Marco Di Giovanni, chairman; Ferdinand D. Masucci, vice-chairman; Dominick Petronella, treasurer; Everett B. Smith, secretary; Mayor Samuel S. Kenworthy, Michael A. Castellano, Samuel Figurelli, Michael Finiello, Louis Leonardis, Dr. Angelo R. Bianchi, Michael Vallario, John LaPolla, Domenico Russo and Potto Petronella.

Mr. Colannino graduated from Belleville High School in 1926 and New Jersey Law School in 1929.

## LIONS APPEAL AGAIN FOR TOYS

Local Activities Committee Report Generosity But Want More Broken Toys

### TO DISTRIBUTE AT XMAS

A second appeal was made this week by Charles Gebhardt and Dr. Daniel Kavanaugh of the Lions Club local activities committee requesting contributions of old, unused or broken toys. These will be repaired and distributed to unfortunate children at Christmas, Mr. Gebhardt announced.

A large number of toys were received after an appeal similar to the present one was published two weeks ago, but the Lions Club committee says "the more the better" and hopes for additional contributions.

## No Surplus Money for Poor Relief, Commissioners Find

## AGED MAN, CHILD, HURT BY AUTOS

Both Escape Serious Injury However and Go Home After First Aid

### SILVER LAKE MAN IS VICTIM

An aged man and a child were hurt by automobiles in Belleville Saturday but neither required hospital treatment and were taken home after being given first aid.

Frank Ricci, sixty, of 56 Heckel street, Silver Lake, was knocked down as he was crossing Honiss street by a light delivery truck driven by Thomas Galotti, twenty-six, of 33 Bloomfield avenue, Bloomfield. The driver was attempting a right turn into Honiss street from Eugene place when his car skidded on the wet pavement.

He took the injured man to Dr. Caluchchia of Bloomfield for treatment of an injured back.

Later that afternoon George Cole, twenty-four, of 538 Broadway, Newark, driving in Smith street south of William, struck four-year-old Norman Mays of 200 William street. Dr. E. A. Flynn treated the child for a cut over the right eye. He was then taken home by Patrolman Hilton and Fire Captain Dunleavy.

## 'CYCLE CRASHES, INJURES NOURSE

Patrolman Hits Car In Front As It Comes To Sudden Stop For Car Ahead

### MOTORCYCLE FALLS ON LEG

Patrolman Richard Nourse was painfully injured Tuesday afternoon when his motorcycle crashed into a car in Belleville avenue. He suffered severe lacerations of the left leg between the calf and ankle and after being treated by Dr. E. A. Flynn was taken home by Patrolman Kenneth Smith.

Nourse was going west in Belleville avenue when a car just ahead of him, driven by Raymond C. Estabrook of 185 Clinton avenue, Newark, jammed on his brake to avoid running into a car ahead of him that had come to a sudden stop. The patrolman was thrown to the ground and the motorcycle fell on his leg.

### CHANGE STREET NAME

Clarence street will hereafter be known as Stephens street, the Board of Commissioners decided at its Monday afternoon conference in the Town Hall. Running from Bella Vista avenue to Roosevelt avenue, the Board considered that it was really a continuation of Stephens street.

So Board Is Forced To Issue An Emergency Note For \$1,000

### CLARK ALSO NEEDS MONEY

Because every anticipated Town expenditure was trimmed to the last penny when the 1930 budget was drawn, the transfer of funds from one department to another as suggested by Mayor Kenworthy to meet additional Poor Department requirements could not be made, and an emergency note for \$1,000 was passed Monday night by the Board of Commissioners.

When the problem first confronted Mayor Kenworthy three weeks ago there was confidence that an additional sum of \$2,000 could be raised by transferring surplus funds from other departments. Commissioner Clark, however, after an examination of the needs of his department, found himself in a situation similar to that of the Mayor.

#### A Big Drain

The unexpected increase in the Fire Department payroll because of employing full time Fire Chief Hirdes was a big drain on his fund. He also has been faced with the employment of extra men because of an unprecedented number of leaves granted regular policemen and firemen. A third item not provided for in Commissioner Clark's budget was the cost of electricity for the signal lights on Washington avenue. He estimated that he would need additional money amounting to \$2,700 to carry over to the first of the year.

Commissioner Patrick Waters said he was hard pressed for money to run his department but might have available \$500 if it did not snow before the first of the year.

Exactly \$203.33

Commissioner Carragher said expenditures in his department would not exceed budget appropriations and that he anticipated a surplus of \$203.33 but was unwilling to have this transferred as some unforeseen expense might crop up and leave him in an embarrassing position.

Town Clerk John J. Daly has only \$103 left in his fund and that must be used to pay legal advertising bills between now and the end of the year.

Director of Revenue and William H. Williams also found himself with a surplus that could be diverted to other departments. He estimated that he would have \$1,500 for transfer to either Clark's or the Mayor's Poor Department.

## AUTHORIZE ENGINEER'S STUDY OF SEWER PLAN

The Board of Commissioners Monday night appropriated \$500 for an engineer's study of the proposed joint sanitary sewer serving Bloomfield, Nutley and Belleville. Nutley has already proceeded with its part of the project and awaits action by Bloomfield and this town.

## Wants a Post Season Game With Nutley Football Team

To the Editor of THE TIMES:

Dear Sir: This is a time when the management of football elevens, with the proper public spirit, are offering their services to help the sufferers of the current depression.

Wouldn't it be a splendid thing if the "powers that be" of the Nutley and Belleville High Schools could arrange a benefit game as soon after Thanksgiving as possible for this fine purpose?

I believe Nutley has a social

service unit and Belleville's share would go to the Community Chest. I'm sure both organizations would appreciate the help.

I would suggest the game be played at Nutley because of the larger seating capacity and the last game between these boys having been played in Belleville.

It would be a great game, I think, and the cause is a good one. What do you say Stanford and Erikson? WALTER PRICE.

After a brief business meeting when the Belleville Junior Music Study Club convened at the home of Eleanor Bacon-Peck, 330 Jorammon street, Saturday afternoon, the following program was given:

"Doll Dance," by Poldini, played by Edna Heyl; "Berceuse," by Iljynski, and a waltz by Chopin, Catherine Close; "Au Matin," by Goddard, Ruth Buckley; "Cavatina" by Bohm, a violin selection, Jean Tallman; "Hunting Song" by Mendelssohn, Janet Millen; "Romance" by Sebalus and "May Night" by Palmgren, May Livingston; "Murmuring Zephyrs" by Jensen, Margaret Allan.

The president, Miss Adel Peck, selected as the club's poem:

"God sent His musicians to the earth,  
With songs of gladness and of mirth,  
That they might touch the hearts of men,  
And bring them back to heaven again."

A talk on Bach will be given next month by Mrs. Peck and assignments were made to each member for gathering information about the same musician.

## JUDGE AT UNIVERSITY CLUB

The University Club will meet Monday evening, November 17 at the home of Homer Zink of Rossmore place. Judge Siegler of the Newark Juvenile Court will speak.

## ESSEX STREET MADE QUIET

By the terms of an old ordinance, Essex street traffic will be regulated to permit only light traffic, it was agreed by the Board of Commissioners at their informal conference in the Town Hall Monday afternoon.

Mrs. Frank Gibson of Montclair, formerly of Belleville, entertained at three tables of bridge Tuesday evening. Guests were Mrs. Charles Steel, Mrs. Porter Sheldon, Mrs. Joseph Miller, Mrs. C. W. Morgan, Mrs. William Engelman, Mrs. William F. Entekin, Mrs. Lionel Phillips, Mrs. Harry Morton, Mrs. Harry Naylor, Miss Frances Wilber of this town, and Mrs. Frank Rose of Newark.

#### Useful in Canning

Pectin in preserves is a substance which appears in many vegetable tissues as a constituent of the sap or cell wall. Hard, tart, ripe apples or oranges and lemons are usually used in the making of pectin. Apples need not be peeled. The outer yellow rind of oranges or lemons is not used, nor the edible fruit. The white peel is the part used.

## JUDGES HAVE DIFFICULTY PICKING WINNERS AT PARTY OF HILLTOP ASSOCIATION

The costume dance of the Hilltop Improvement Association held at the Recreation House Saturday evening was marked by an overflowing attendance, the house being filled to capacity before 9 o'clock.

Because of the large number of original, comical and classical costumes, the judges, J. W. Barth of Belleville, Leonard Bauer of Bloomfield, and Edward Blair of Newark, had their troubles picking the winners. Nelson J. Mainer of Newark was finally given the award for the most comical costume; Mrs. Rose Baldwin of Perry street for the most original; and Mrs. Margaret Coari of the same street for the most classical.

Adolph Olsen's orchestra of Kearny furnished the music. Refreshments consisted of cider and crullers.

## AUDIENCE LIKES WEMEC SHOW 'BROKEN DISHES'

The Wemec Dramatic Club of Wesley M. E. Church starred another triumph with its production of "Broken Dishes" at the High School last Friday night, when it played to a crowded house. All of the characters were well cast and the audience seemed to completely enjoy their performance.

Between the acts two violin selections, "Cavatina," by Bohm and "Adoration," by Borowski were played by Miss Jean Tallman, while tap dancing and a piano duet called "La Zingana" was given by the Misses Marianne and Ethyl VanDusen.

Stage settings were loaned by The Sacred Heart Dramatic Club of Bloomfield and the furniture by Robert H. Holst of Washington avenue.

The cast was coached by Mrs. Roswell Lowry, formerly Miss Betty Tempest. Proceeds went to the church organ fund.

#### Cro-Magnon People

Four skeletons were discovered in the Dordogne area of the Cro-Magnon cave, near Les Eyzies, France, in 1868. They indicated that a tall people with large skulls—larger than those of modern man—had inhabited that part of the world.

## BELLEVILLE SUB TEAM CONQUERS BARRINGER J. V.'S

Armistice Day Game At Clearman  
Field Thrills Big Crowd  
Of 1,800 Fans

### PASSES AND LINE PLUNGES WORKED TO PERFECTION

The annual second team game between the Belleville "Jayvees" and the Barringer seconds took place Armistice Day afternoon at Clearman Field with Belleville winning 13 to 6. Fans numbering 1800 watched from the sidelines.

Belleville started with a flash at the opening whistle. Barringer took the ball on their own thirty yard line from the kick off but kicked when they could not gain.

Starting on their own forty Belleville made four successive first downs and got to their opponents' seventeen yard stripe. Barringer held at this point and kicked to the Belleville forty-three.

#### BROTHERS START

The Plenge brothers, Fritz and Chuck then got working and just as the quarter ended completed an eighteen yard pass, Fritz to Chuck. Another pass of thirty yards followed soon after, with Chuck Plenge again on the receiving end.

The ball was now on the four-yard line and on the second play Santamassimo plunged for a touchdown. Leadbeater's kick for the extra point was wide.

Santamassimo then made the longest run of the season when he intercepted a Barringer forward pass and ran fifty-five yards for a touchdown. Lou Westra plunged off tackle for the extra point.

#### BARRINGER SCORES

Barringer scored their touchdown at the start of the fourth quarter. McAvoy ran a Belleville kick to the Blue and Gold twenty-three yard line. After three plunges had netted five yards an aerial, McAvoy to Friermuth, was good for fifteen, bringing the ball to the three yard mark. McAvoy then plunged for a touchdown. The kick for the extra point was low.

Once more in possession of the ball, a forward by the Plenge combination netted another first down. A twenty-yard end run by Art Leadbeater brought the ball deep into Barringer territory, but the Newarkers held and kicked out of danger. Belleville kicked back into Barringer territory and the locals were pushing the Blue clad warriors back as the game ended.

The Plenge brothers, Art Leadbeater, Lou Westra, Santamassimo, Bill Daly and Eddie Mutch all played great football for the Belleville eleven. The line-up:

## Organist Becomes of Ysbrand Bregman

Augusta Wurthman, Wesley M. E. Church four years, was married last night to Ysbrand Bregman, at the Little street, at the home of her mother, Mrs. August Wurthman, of East Orange. The ceremony was performed by Rev. J. H. Compton.

The bride was attended by her maid of honor, Miss Augusta M. Wurthman, and the bridesmaids, Misses Robert C. Barrett of West Orange, and Misses Bregman. The bride's gown was of white, trimmed with black and made princess style. She wore a tulle cape caught in at the waist, and carried white chrysanthemums. The maid of honor was dressed in pink flat crepe in the same style, trimmed with net, and she carried yellow chrysanthemums. For her traveling dress, the bride wore powder blue flat shoes, with shoes and hat to match.

Ysbrand Bregman has been an active member of Wesley M. E. Church for many years. He is a steward, organist and a member of the orchestra. Miss Wurthman formerly played the organ in the Methodist Church on Sanford street, East Orange.

After a short wedding trip, the couple will live at 52 Epprit street, East Orange.

### GIVE MASQUERADE PARTY AND PLAN FOR CONTEST AT GIRL SCOUT MEETINGS

A masquerade party was given last Thursday night by the older girl scouts of Troop 7 in the cellar of Helen Colehamer's home on Beech street. Sixteen members were present.

On the same evening the younger division of the troop met at Grace Baptist Church and prepared for the investiture service to take place next Thursday evening.

Each of the four patrols selected one of its members to write a composition on "Why I Think It Is a Good Thing to Be a Girl Scout." These compositions will be read at the meeting next week. Ten extra points will be given for the best paper.

# Dixons Not Much Impressed With Progress In Carolinas

Mr. and Mrs. Benjamin R. Dixon of Little street are on an extended tour of the South and seem to be having an excellent time, according to a letter written to this office. They wrote: "We stopped until Monday with Mrs. Vernoy at Charlotte, N. C., formerly of Rossmore place, and then started for Miami, Fla. The roads are fine and the scenery beautiful with variegated foliage that is certainly worth going miles to see.

"Maps have been unnecessary so far, the road markings being fool-proof and the chance of going wrong almost negligible.

"With the exception of the cities and towns we have very hurriedly passed through we have not been very much impressed with progress made in the states of North Carolina and South Carolina. They looked very much 'down at the heel' to us.

"We propose going to Key West and then up the west coast of Florida on our return home, but will stay for a time at Fort Lauderdale where we will establish a winter home."

# TRAINING THAT SAVES LIVES

To Harry Fay, telephone foreman, came the rare opportunity to save the life of one of his own men, overcome by gas in a man-hole at Long Branch.

Knowledge of the Schaefer prone pressure method of resuscitation enabled him to meet the opportunity, and his act has been rewarded with a medal by the National Safety Council.

3500 New Jersey Telephone men know "First Aid." They have learned this useful art through voluntary attendance at classes conducted out of business hours by this Company with the sanction of the American Red Cross.

Occasionally they use this knowledge in their work. More often, they have opportunity to apply it in assisting other citizens of New Jersey, after automobile accidents, fires, rescues from drowning and in other emergencies.

## TO USE 'PLANES FOR MOSQUITOES

Department Of Agriculture To  
Start New Warfare Against  
State Pest

### TO DROP POISONOUS DUST

New Jersey's mosquito fighters have become air-minded and attacks from airplanes on the state's best-known insect pest only await the development of the proper dust larvicide.

Research directed toward the making of such a larvicide has already been undertaken at the New Jersey Agricultural Experiment Station, and preliminary tests made last summer indicate that the objective is not impossible of attainment. If further tests give good results, practical applications of the larvicide will be made from airplanes next summer.

By using airplanes loaded with a poisonous dust, mosquito fighters can extend their warfare to many now inaccessible mosquito-breeding areas, Dr. Joseph M. Ginsburg, biochemist in entomology at the experiment station in New Brunswick, said today.

Heretofore, he explained, it has been impossible to prevent mosquito breeding in swamps and many other flooded areas that were too large to drain or fill in, or where it was impossible to navigate with boats equipped for spraying oil.

"The only solution of the problem," Dr. Ginsburg pointed out, "is to apply a toxic chemical from above, either by airplane or a slow-moving, powerful machine which could steadily distribute a larvicide a distance of several hundred feet. Of the two mediums, the airplane offers the greatest possibilities. A dust larvicide, because of its lighter weight, is to be preferred to a liquid one."

#### Dogwood Colors

The pink variety of dogwood is now a distinct variety, having been developed from pink specimens of the wild dogwood. The color of the blossoms is probably determined to some extent by soil conditions, but it is reasonable to suppose that a definitely pink variety would continue giving pink blossoms.

#### Kilt Was Imported

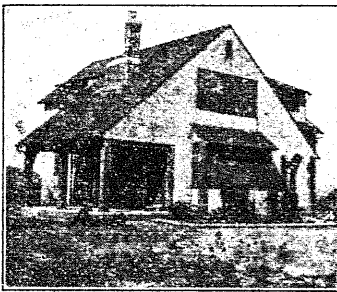

It seems that the time-honored Scottish kilt has an English origin. Two hundred years ago an English tailor named Parkinson, while in camp with General Wade, was commissioned to make the first kilt. In those days it was called the "Fellidh bag"; to distinguish it from the belted plaid, made in one piece.

## Garden Notes

### EVERGREENS

By R. E. HARMAN

Essex County Agricultural Agent  
State College of Agriculture

Evergreens may be forest trees when you don't want them. Nothing is more deceitful than evergreens. You go to the nursery and select a specimen for some particular use on the grounds. When you get it home it doesn't do what you anticipated it would. And in a very few years it has become so large that you are dissatisfied.

The buyer must know what he is buying and the purpose of the planting. For instance, a pine may only grow four feet tall (P. Montana mughus) or may reach sixty feet in height (Petrobus). Most nurseries have both for sale.

And so it is with spruces and other evergreens, as firs and junipers.

In addition to the limitations as to size there are variations in form and types. This is particularly true of yews and arbores-vitae. There are also physical limitations to the use of evergreens. Soil and drainage conditions must be considered. Then finally, the location as to sun and strong north winds and shade must be considered. In brief, only one evergreen in one hundred is adapted to your use and you must choose slowly.

#### "Coffin" or "Casket"?

Coffin is the generally accepted term in use today to designate the box-like receptacle in which a body is placed, and this use dates from the sixteenth century. The term casket has been in use in the United States for coffin only since 1870.—Literary Digest.

## MAY BE A MISTAKE

Perhaps the High School athletic officials do not especially want the football team to win games. If they do not of course there is no need to comment on what seems to be a mistake in having the squad ride down to Atlantic City Saturday morning just before the game.

But it seems that one of the main ideas in support of a football team is that it should win as many games during the season as is possible. Enthusiasm of followers fluctuates with victories and so does attendance. Can it be that the athletic officials do not have an eye on the gate receipts?

The argument that the players would get out of hand if they went down the night before seems a rather weak one.

Let's not book Atlantic City again if the boys can't have an overnight trip out of it. They will never in the wide world win a game if they first spend four hours in a bus.

## MORE GENEROSITY NEEDED

While every worker connected with the Community Chest campaign can feel some pride over the fact that success is assured and the \$19,400 certain to be raised, it seems to us that a few are bearing the burden and contributing the greatest amount of money.

Three agencies, the industrial division which secures contributions from factories, the special gifts committee which works with a few of the wealthiest citizens of town, and the school division which draws upon the school employees have raised among them \$13,000, or more than two-thirds of the full amount.

Only one-third raised by popular subscription! This could be a lot more satisfying. Our criticism is not directed at the canvassers who make house to house calls because that is about the hardest work in the world, but it is our belief that home owners could have been more generous, much more generous.

## DOESN'T LOOK SO IMPRESSIVE

The deepening of the Passaic river, making it an "Estuary of the Sea," has a lot of well-meaning folks in this neighborhood all enthused, and apparently convinced that the millennium will have arrived when waterways and canals have been dug in every direction to lower the cost of freight transportation.

But it is said that the investment in the waterway from Chicago to St. Louis will aggregate \$27,500,000. At five per cent interest, this means an annual capital cost of \$1,375,000. The estimated maintenance cost is \$338,000 a year, and for three months of each year the waterway will be useless because of ice. Therefore, if it is to return a profit to the public, the waterway must, in nine months of each year, effect a saving in freight rates of more than \$1,713,000.

The proposed Mississippi waterway would cost \$98,000,000. Almost \$7,000,000 would have to be saved annually in freight costs before it justified its existence. Assuming that the water rate is twenty per cent below the rail rate, the water carriers between St. Louis and Minneapolis would require freight revenues aggregating thirty-five million dollars a year to effect this saving—almost six times the entire revenue of the Inland Waterway Corporation in 1929.

Experts have declared that waterway developments would never pay for themselves. The people should watch carefully when schemes are advanced for wholesale expenditure of public funds.

## HERE'S SOME SYNTHETIC CHEER

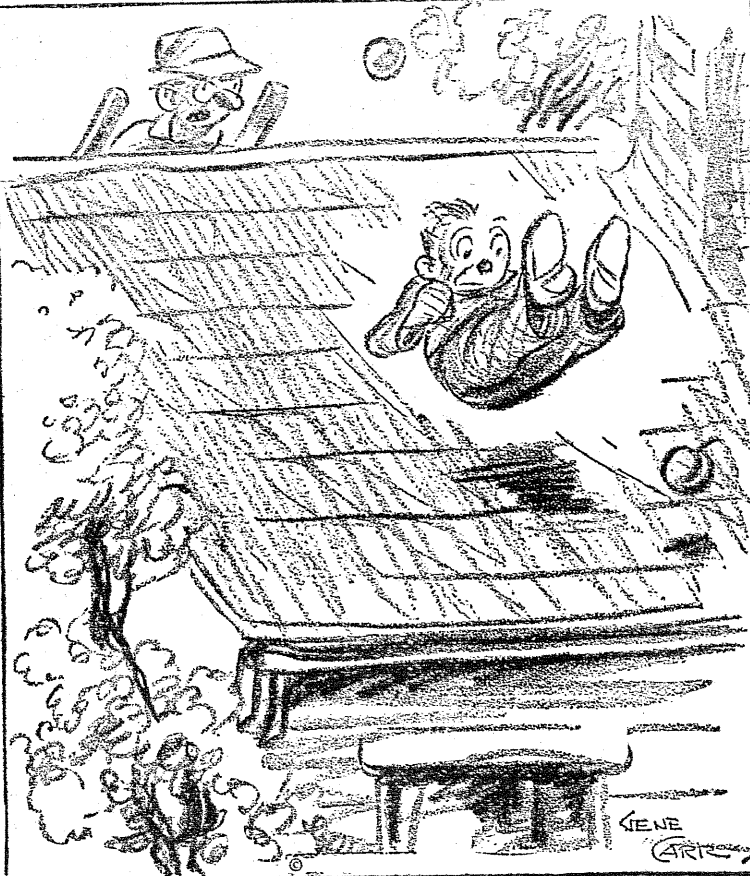

Here's something cheerful, for a change. Just when everybody is wondering if business has touched bottom and purse strings—by way, has anybody ever seen a purse with strings or a pocket with hooks?—are being pulled tighter, in comes a price-list from a con-

which sells lists of names. Their first item is a list of wealthy Americans. They have them listed with home and business addresses, ready for sale, as follows: 2,308 multi-millionaires; 17,551 worth a million each; 30,941 who cornered half a million or more; 63,034 who can add up assets of a million; 158,720 who have upwards of a hundred thousand; 577,209 worth more than fifty thousand; 1,610,613 who have added together somewhere between five and fifty thousand and then 22 who have at least five thousand!

Submitting right off the bat that lots of these folks may still be buying Auburn or Standard Brands at prices as of September, 1929, and that there are quite a few millions of us who don't even have five thousand dollar class, isn't it cheerful to know that there are 890 families, who can thumb their noses at the wolf a few longer?

## Will Rogers Picks A Story For This Spot

By WILL ROGERS

THE Worst Joke I heard today was told to me by Major Scanlon, of the U. S. Air Service, attached to the Embassy in Rome. He is the Representative of the Aviation in Rome and they have sent him over an American plane, and he was good enough (if you

might call it that) to take me up and fly me all over Rome and out to the ocean and over the Mountains. He is a real Aviator, that bird, and this plane he has is a good one.

If you really want to see Rome, why, don't overlook that way of doing it. We saw more in 30 minutes than all the Romans did in two thousand years. Rome is quite a village. I told him if we must drop to please let her down in the Coliseum so we could go like the other Christians.

A little boy was told he must go to the Hospital for the removal of his tonsils. "Well, Mamma, I ain't afraid. I will go. But I am not going to let them palm off a Baby on me like they did you when you went there."

American News Features, Inc.

### Lesson Learned

It's really very little use. There's three-and-a-half-year-old Joan. Joan has been repeatedly warned not to play with strange pups—"Baby mustn't play with doggie," they tell her over and over again, "doggie bite baby—." The other day Joan escaped from her nurse for a few minutes and was heard making overtures to a rowdy Scotch terrier—"Come, doggie," said Joan, "come doggie, bite baby!"

### New Opinions Feared

New opinions, wrote John Locke, are always suspected, and usually opposed, without any other reason, but because they are not already common.

Ladies Day last Sunday was reported a success and probably will be repeated some time in the near future.

# Blue and Gold, Weak After Long Bus Ride, Lose 25-0

## Atlantic City Has No Trouble With Belleville and Scores Four Touchdowns

### LAMB PLAYS THE BEST GAME

Playing in their worst form of the season after a four-hour bus ride, Belleville High eleven lost to Atlantic City High 25 to 0 at Bater Field, Atlantic City, Saturday afternoon. Faithful fans numbering about 100 who followed the Blue and Gold to the shore resort were disappointed at the apparent listlessness of the local team.

Atlantic City, on the other hand, played smart football. Led by "Bullet" Wagner, flashy halfback, the shore team went through the Belleville line like tissue paper. The snap and dash which had characterized Belleville in the last three games was missing.

From the toot of the opening whistle it was patent that Belleville was outclassed. However, they received a break on the first play when an over anxious Atlantic City back fumbled and Red McMaster recovered for the locals.

### Another Fumble

Belleville then had the ball on the opponents' forty-one-yard line, but after failing to gain on the first two plays the Belleville lads also fumbled.

The shore eleven then made two first downs in rapid succession by running the Belleville wings. They were well on their way to a touchdown, but a fifteen-yard penalty for holding nullified their chances. The usually reliable Mac Lamb fumbled on Belleville's first try after making a five-yard gain, the home team taking the ball on Belleville's forty-two.

### Lamb Intercepts

Wagner tore around left end for eighteen yards on the first play. Belleville then braced on the next play and on the third try Lamb intercepted a forward on Belleville's eight-yard line. Jerry Bonavita then kicked out to the Belleville thirty-three.

Atlantic City then started a march which eventually ended in a touchdown. A series of line plunges with Wagner doing most of the ball toting brought the ball to Belleville's five-yard line with four downs for a score. Belleville was off-side on the next play so the home eleven had but one yard to go as the quarter ended.

### Goes Over

Wagner plunged for a touchdown to begin the second quarter. Belleville elected to receive and they took possession on their own thirty-five. Nick Bonavita then uncorked one of the neatest plays of the game when he galloped off left tackle for twenty-five yards to the Atlantic City forty.

Things appeared rosy for a moment but the Atlantic City boys held. Jerry Bonavita kicked and the home team took the ball on their own twenty-three-yard line. From here they began another march which resulted in a well-earned touchdown.

Four successive first downs were reeled off, bringing the ball to the Belleville twenty-eight-yard stripe. Wagner then got loose and shot around right end for another touchdown. It was a beautiful run made possible by some fine interference on the part of Wagner's teammates.

### Punting Exchange

The rest of the quarter was a punting duel between Jerry Bonavita of the locals, and Reiff of the team. Jerry got off several boots for forty-five yards which helped to hold down the

start of the third quarter the Belleville eleven actually tying their rivals for a few seconds. Mac Lamb, on a forward pass, found none of his mates and he reversed his field for a yard gain. Atlantic City at this point and Bonavita

kicked to the opponents' eighty-yard line.

Belleville then held the home team to no gain on the first two plays and Reiff kicked out to the Atlantic City thirty-three. It was a good opportunity for the locals, but they were helpless before a powerful Atlantic City line. To make matters worse the forward passing attack of the locals was far from being up to par, especially after Mac Lamb left the game in the third quarter because of a bad leg.

Belleville managed to hold the shore team scoreless for the rest of the third period, but the fourth was a different story. Atlantic City began a march from the locals' thirty-yard line. After about four minutes of the fourth quarter had elapsed the home team scored despite a fifteen-yard penalty during their march. Reiff plunged over for the touchdown from the five-yard line.

Belleville, resorting to a kicking game, managed to hold the Atlantic City boys in check until the last minute of play. With about a minute to play, and Belleville having the ball on the opponents' fifteen-yard line, the locals resorted to an aerial attack in a desperate attempt to score.

### Intercepts For Touchdown

After two had failed they tried another, but this one was intercepted by Rogers who ran twenty yards unmolested for a touchdown. Rogers' kick for the extra point was wide as the game ended.

Nick Bonavita, with his twenty-five-yard dash off tackle was the best ground gainer for Belleville, and in fact the only other first down Belleville made was due to Mac Lamb's twelve-yard reverse end run. Lamb did some good defensive work for the locals by intercepting several forwards and tackling several runners headed for touchdowns.

Chuck Plenge, who played half a game at end, was the outstanding Belleville lineman. He clipped the Atlantic City interference on almost every occasion but the rest of the line was ineffective. Homer Estelle also played a fair game. The rest of the Belleville line were away off form and gave one of the worst exhibitions a Belleville line has displayed in years.

## Here and There

by Harry Metz

The big question among local sport enthusiasts this week is: "What was the matter with the Belleville High eleven last Saturday?"

The four-hour bus ride Saturday morning before the game undoubtedly had something to do with it. Riding hours in a bus, hopping out and eating, and then getting out on the football field is absolutely suicide to chances for the victory of any team which faces a fairly good opponent.

Belleville High authorities believe that the ride was not the responsible factor, but that the team had one of its off days. This does not seem to be at all logical.

We have never yet heard of a football team winning without being keyed up to a fighting pitch. How could Belleville players keep their nerves alive after that long drawn out ride of 130 miles?

It is interesting to note that when Nutley played Asbury Park two years ago the Maroon and Gray team arrived in Asbury Park Friday night. Belleville authorities may say that money was not available for an overnight trip but if it was possible for Nutley is was for Belleville. The game should not have been booked if a bus ride before the game was the best that the Athletic Council could afford.

Belleville Elks in the Morris and Essex League have been doing some good rolling. Off to a poor start when they lost two out of three in the opening series with Junior Order of Elizabeth, the local "Hello Bills" have come back to win four out of their last six games.

Included in the victories were two scores over the 1,000 mark. Although the entire team of the Elks have been knocking the maples in fine style, there is one individual who stands out. Tom MacNair has an average of over 200 for nine games and his lowest score is 183. That, brethren, is pinning in any league.

The best part of MacNair's bowling, however, is that Tom always comes through when he is needed.

We mentioned several weeks ago that Belleville is rapidly forging to the front in bowling circles. The three main leagues of the town, namely, the American Legion League, Manufacturers League and the Church League, are all engaged in close races.

In the Legion League, up until Monday night, two teams were tied for the lead. In the Manufacturers circuit but one game separates the first two teams and the same condition holds true for the Church League. Fewsmith teams are monopolizing honors in the Church League. Fewsmith Presbyterian are out in front of the Fewsmith Men's Club by one game.

Fewsmith Men's Club quintet deserves credit. They did not even have a team entered until the last minute when Everyman's Bible Class dropped out. Another team was needed to make the league an eight team circuit. The Men's Club stepped up and volunteered to enter a team. Now we find them in second place and the only team to defeat Fewsmith Presbyterian this season.

Just a few more words on football. We wish to congratulate the loyal fans who traveled to Atlantic City last Saturday. Atlantic City is 130 miles from Belleville, but that did not hinder over a hundred fans from making the trip. The Hoople Club, by the way, was well represented.

## AL ROSSI GETS DECISION

Al Rossi, fast stepping Silver Lake boy slugged his way to an eight round decision over Jose Blanco, Cuban sensation, last Friday night at the Asbury Park Armory.

Rossi's right hand punches in the sixth and seventh rounds spelled victory for him. The contest was the main event. Both boys weighed 135 pounds.

The Belleville Lions kept up their excellent work in the County Lions League by winning all three games from the Passaic quintet Wednesday night at Rogers alleys in Bloomfield. As a result, the local Lions now enjoy a three-game lead over Bloomfield, their nearest competitors.

The Belleville pinners had three games over the 800 mark Wednesday night, topping off their night's performance with a neat 843 in the final game. Mayor Kenworthy subbed for Vic Hart Wednesday night and showed his wares in good style. His average was 167-2.

George Mead rolled his second series of the season for Belleville and turned in another good night's work. Mead hit 170 for the night. "Furnace" Jeffery picked up on his average with scores of 182, 163 and 153.

### Lost A Point

"Steel" Mayer lost a point on his average, but hit for an average of 169, which is not bad rolling at all. John Dailey, off to a bad start in the first and second games, came back in the final to roll 183. Dean was outstanding for the Passaic quintet.

A glance at the individual averages reveals Vic Hart to be leading with a mark of 177-10. He is closely followed by Art Mayer who has an average of 176-7. Mead and Kenworthy are next in line, but they have only rolled in six and three games respectively. Vic Hart's 220 mark made early in the season is still high score for the locals.

| Carlough | 2685 | 183  | 134-5  |
| Charrier | 2643 | 171  | 132-3  |

Where good marksmanship featured the Lions Club pin matches two weeks ago, the opposite prevailed in last Thursday night's games at the Elks alleys when, with two exceptions, everyone's average came tumbling down.

Vic Hart lost a few pins and Brasher, many pins. Locher alone bettered his mark and took precedence over both Mead and Jeffery who crashed to fourth and fifth places respectively. Noll meanwhile, bettering his average by almost three full points, jumped ahead of Carlough who was absent and had to take four games of 100. Charrier was static, losing only two pins.

Although everyone was "off," Vic Hart's team won four games against the Starlings who were without the services of Carlough. Their victory was a foregone conclusion but the three-ply victory of the Owls over the Crows was not so certain.

### Some Worry

Jeffery and Noll gave Brasher and Locher some worried moments but could not win until the last game. Interest in their conflict was slight and it was a surprise to the Owls to wake up at the end of the last game to find themselves beaten by one lone pin.

Next week the league leading Eagles will battle the Crows and should take at least three games while the Owls will be busy with the Starlings. The latter contest should be interesting as Carlough is expected to be present to give support to that valiant bowler, "Ink" Charrier. Unless the Owls recover from their slump of the past week it would be no great surprise to see the Starlings taking two games.

### Games Sunday

Trojans vs. Intertowns.  
Lincoln Cubs vs. Middletowns.

Scoring in every period, though encountering stiff opposition in the first half, the Trojans defeated the last place Middletowns 20-0 at Yantacaw Park Sunday to stretch their lead to a pair of games over the Intertowns. The Ints lost ground, battling to a scoreless tie with the Lincoln Cubs.

Unable to gain in the first quarter, the Trojans played a kicking game and drove the Middletowns back to their goal line near the close of the period. Murren tackled Stefanelli behind the goal line for a safety and the Trojans' first score. In the second period Alteri tallied a touchdown on an eighty-yard slant off tackle.

An aerial attack subdued the Middletowns in the second portion of the tilt, Murren and Alteri taking long heaves from Romano to score. Alteri's line bucks gained

consistently for the winners with Romano's accurate forwards providing the scoring punch. Stefanelli played well for the Middletown eleven.

Although outplayed the Lincoln Cubs managed to stave off Intertown advances near the goal line and earned a 0-0 tie with the second place team. Twice the Cubs held for downs within their five-yard line while the Ints had numerous chances to shove over a score. Headed by Ligouri, the Ints used straight line plays but the Cubs stiffened with their backs to the end zone. Cullari displayed a fine defensive game for the Cubs.

The feature game Sunday morning brings together the Ints and the Trojans who were deadlocked in their last meeting and give promise of providing another good game. The Middletowns also expect to give the Cubs a hard tussle. Scores by periods:

The Republican Club, with a clean sweep over St. Peter's Monday night at Ferrara's alleys, went into undisputed possession of first place in the American Legion League. The El Club, who were tied with the Republicans, won only two out of three from the Bachelors.

Other matches resulted as follows: Hoople Club, two out of three from Belleville A. A.; Moose, the odd game from the Elks; Veterans of Foreign Wars, clean sweep over Junior Order; Knights of Columbus, three from the Parks.

### Not Pressed

The Republican Club, while not up to their usual form, nevertheless had an easy time with St. Peter's. The G. O. P. hit 928 in the final.

The El Club hit over 900 in their first game with the Bachelors, winning this one easily, but slumped to 796 in the second. They came back with a 919 to win the final. Charley Caruso had two double century scores for the El Club.

The Hoople Club, a comparatively weak team, made two excellent scores in the first two games to win from the Belleville A. A., but lost the final game.

### Beat Strong Team

The Moose Club continued their fine pinning by taking the strong Belleville Elks into camp in two out of three games. It was a tough series for the Elks to lose as the lowest score they rolled was 888. The Moose and DeCarlo murdered this match, the

latter hitting for scores of 181, 227 and 200, with the former rolling 173, 216 and 211. Tommy Dunn and Johnny Mallack both rolled well for the "Hello Bills."

The Veterans of Foreign Wars and the Junior Order quintets hooked up in an interesting match but the Vets won all three games. Malizia had two double century scores.

The Knights of Columbus rolled three games over the 850 mark and had little trouble with the Parks. Whitfield and Byrnes, Sr., had the best scores for the K. of C.

## CLINTONS WHIP CONGERS 20 TO 6

Bloomfield Visitors Get Jump On Locals As Connors Runs Twenty Yards

### BUT LEAD SOON CHANGES

The Clintons kept their slate clean by defeating the Bloomfield Congers 20 to 6 Saturday afternoon at Clearman Field before a small crowd. The Congers scored shortly after the game began when Connor ran around right end for twenty yards.

But the local eleven came back with a march from their own thirty-five yard line. Howley finally plunged for a score from the five-yard line.

In the second quarter the Clintons scored again with a march from the fifty yard line that brought the ball to the five-yard line. Gorham went over for the touchdown. The local eleven scored again in the third period when Howley intercepted a forward pass and ran to the Conger five-yard line. Ashworth took it over.

Mike Dacey added two more points in the final quarter when he tackled a Conger back behind the goal. Sus Howley and Herb Otto played brilliantly for the Clintons. The lineup:

International Ticket vs. Atlas Fence.  
Sonneborns vs. Federal Leather.  
Thomsons vs. Martin-Dennis.

The Martin-Dennis pinners still cling to their one game lead in the Manufacturers League as a result of the matches Friday night at Ferrara's alleys. The league leaders scored a clean sweep over Federal Leather, but Tiffanys kept pace by whitewashing Hoyt Bros. Other matches resulted as follows: Jeffery and Mayer won two out of three from Sweeneys, International Ticket won all three games from Hanlon & Goodman, Thomsons won the odd game from Sonneborns and Wallace & Tiernan won two from Atlas Fence. In recording their three victories the Martin-Dennis quintet rolled three consistent games, all over the 850 mark. Kuebler and Payne had three nice games for the leaders and Charley Fritz was outstanding for the "Leathermakers."

**LOSE FINAL GAME**  
Wallace and Tiernan, after easily winning the first two games in their match with Atlas Fence, slumped in the final to lose by thirty-four pins. In the other two games the "Tiernanmen" overwhelmed their opponents by more than 100 pins.

Johnny Walker and Keyes did some neat pinning for Wallace and Tiernan. Chiampor was high man in this match with 216. Hallett was again outstanding for Atlas Fence.

The Jeffery and Mayer-Sweeney match was featured by the fine bowling of both teams. The former team copped the first two games, but Sweeneys prevented a clean sweep by hitting 966 in the final game.

**SCORES UPSET**  
International Ticket furnished an upset by taking Hanlon and Goodman into camp in all three games. The "Ticketmakers" were not spectacular, but consistent. Blume was in rare form for the winners, the International anchor-man turning in scores of 205, 213 and 228. Tommy Dunn, although off form, turned in the best scores for the losers. Blume's 228 netted

him high score prize for the night. Tommy Dunn won the blind score prize.

Thomsons rolled themselves into a tie for third place by winning two out of three from Sonneborns. The latter quintet started off well by hitting 911 in the first game, but Thomsons took the next two games by safe margins. Wendling led the Thomson attack, hitting a 224 in the final.

Tiffanys had an easy time with Hoyt Bros. The "Jewelers" dropped under the 800 mark in the first game but came through with two good scores in the next two games. Dave Lyman was outstanding for Tiffanys, his 222 in the second game being high score in this match. The scores:

## FEWSMITH MEN'S CLUB GETS TWO FROM LEADERS

### Beats Previously Undefeated Fewsmith Church Team; Is Now Near The Top

### GRACE BAPTIST AND CHRIST REFORMED IN THE RUNNING

| Dutch Reformed   | 2  | 10 |
| Italian Baptist  | 1  | 11 |

After winning nine consecutive games the Fewsmith Presbyterian pinners were finally stopped Thursday night in a Church League match by the Fewsmith Men's Club, the latter winning two out of three games.

Other matches resulted as follows: Grace Baptist won three from Italian Baptist, Christ Reformed won two out of three from Christ Episcopal, and Montgomery won the odd game from Dutch Reformed.

Fewsmith Men's Club, as a result of their two victories over the Fewsmith "Varsity," jumped to within one game of first place. Grace Baptist also gained ground in the race and are trailing the league leading Fewsmith quintet by only two games. Christ Reformed, a team which has been rolling well all season, is behind by three games.

**Things Were Easy**  
Fewsmith Men's Club had little trouble with the highly touted Fewsmith "Varsity" in the first two games. The Varsity, however, staged a gallant comeback in the final game to win by a score of 914 to 738. George Cox led the Men's Club attack with three nice games including a double century score in the opener. Bruegman and Lyons both rolled well for the "Varsity."

Grace Baptist won their first two games with Italian Baptist by overwhelming margins, but the Silver Lakers gave the Grace pinners real opposition in the third, the latter quintet finally winning out by three pins. Struble, veteran lead-off man of Grace Baptist, led the attack for Grace. Al Cappetta was outstanding for the losers.

**Reformed Loses Third**  
Montgomery managed to win two out of three from the Dutch Reformed five after dividing the first two games. McCullough was in rare form for the Montgomery quintet with scores of 208, 165 and 181. Belden did good work for the Reformed five.

Christ Reformed kept up their good work by winning two out of three from Christ Episcopal. Last season both of these quintets were considered set-ups for opponents, but both seem to have taken a new lease of life.

Bill Buttons and Russ Stout rolled in good form for the Re-

formed quintet. Dan Mayer, outstanding for Christ Episcopal while Garrabrant also turned some good scores.

A glance at the individual averages of the league reveals the Bruegman of Fewsmith Presbyterian is in the lead with a mark of 182. Bill Buttons, who led the league last year, is in the runner-up position with an average of 170. "Garry" Garrabrant is next in line with an even mark of 170.
