COMMISSIONERS VOTE APPROVAL OF ASSESSMENTS

**Parkside Drive Residents Have
No Cause For Complaint
Mayor Claims**

TWO OPPOSE BOARD'S ACTION

Assessments levied for benefits enjoyed by property owners due to the improvement of Parkside drive were approved by the Board of Commissioners at their meeting Tuesday night by a vote of three to two. The voting followed a lengthy and detailed discussion of the improvement and the amount of assessments levied against the property owners with Commissioners Carragher and Williams opposing the approval.

When the resolution was read by Town Clerk Daly, Commissioner Carragher raised some question as to the amount of excavating necessary and the cost of the work. He also requested information regarding the plans for the work. The Commissioner, not satisfied with the explanations offered by Albert S. Blank, town engineer, suggested that the matter be laid over for one week.

Commissioner Williams asked John B. Brown, town attorney, if in his (Brown's) opinion the property owners could go into court and upset the action of the Board.

"I would have to be a prophet to answer that question," replied the attorney.

Would Strengthen Case

The Commissioner reworded his question and asked if the Board could legally act on the assessments. Mr. Brown replied in the affirmative saying that he believed that positive action would strengthen the town's case if the matter was ever brought to court.

Commissioner Williams urged the Board to give the matter further consideration before taking any action, stating that he was of the opinion that the majority of the Board were not sufficiently familiar with the matter to vote properly on the question.

The entire difficulty arose from the town's action of assessing property owners for fifteen feet of paved street when the street was only paved to a width of nineteen feet in all.

After more discussion Commissioner Williams moved to lay the matter over for one week and Commissioner Carragher seconded the motion saying:

TERM ON PENSION BOARD ENDS

The term of Sergeant George Wirtz, police member of the Fire and Police Pension Fund Commission, expired Tuesday. Sergeant Wirtz has served as member of the Pension Fund Commission faithfully and efficiently for the past eight years. What action the members of the police department will take, either in the line of re-appointment or the appointment of another representative to the board was not made known up to press time.

Belleville Banks Pay \$185,000 To Christmas Club Members

The thrifty residents of Belleville, numbering 3,363 in all, who employed the Christmas Club plan of saving as a means of creating ready cash for the holiday season have received a total of \$185,000 from the two local banks within the past week. This sum compares favorably with the amounts paid out by local banking institutions in past years. The much talked of depression had little, if any effect on the Christmas Clubs.

The First National Bank reported that that bank had mailed out 1,863 checks to depositors last Saturday. The total amount paid by the First National was \$105,000.

The Peoples National Bank and Trust Co. distributed a total of \$80,000 to 1,500 club members. This bank placed their Christmas Club checks in the mail on Friday of last week.

Small Percentage Banked

Checks drawn on both of these banks are being cashed at various department stores and many are finding their way to the tax collector's office in the town hall. A comparatively small percentage of the total amount paid by the banks

will be deposited in the savings accounts of their owners.

Mr. Dailey estimated that approximately thirty per cent of the Christmas Club checks would be re-deposited in the savings department. About forty per cent, he estimated would be used to pay taxes.

Merchants Co-operating

The merchants and business men of Belleville are generally willing to co-operate with the residents of the town by accepting the Christmas Club checks in payment for merchandise. This bit of service removes the necessity of going direct to the bank to have the checks cashed.

As the Christmas season approaches and those who have not felt the depression too keenly will be making additional purchases of merchandise to be used as holiday gifts local business houses are preparing to extend their services to the residents. The merchants urge Belleville citizens to place the money derived through Christmas Clubs in circulation in this community as an aid to restoring business conditions to normality.

FIRST NATIONAL BANK PAYS 5 PER CENT BONUS

The board of directors of the First National Bank of Belleville has voted to present every employee with a Christmas bonus. The bonus, which will amount to five per cent of the annual salary of each member of the bank's staff will be handed to them Saturday morning. According to John P. Dailey, cashier of the institution, the directors decided that the annual bonus would be granted despite prevailing business conditions.

COMMISSIONERS PAY DAMAGES

The Board of Commissioners voted at their meeting Tuesday night to appropriate the sum of \$75 to compensate Abraham Mitzner of 634 Broadway, Newark, for damages done to his store on June 4, 1929. The damage was caused when a Belleville fire engine, on its way to a fire in the Silver Lake section, jumped the curb at the corner of Broadway and Elwood avenue. The front of Mitzner's store was wrecked and merchandise damaged. The amount being paid as damages by the town is a sum compromised upon by the Newark man and the town officials.

SCHOOL BOARD PROPOSES TO ESTABLISH CLINIC HERE

Health Committee Reports Need Of Dental Supervision Is Apparent

MEMBERS VOICE APPROVAL

The advisability of establishing a dental clinic in the Belleville public schools was discussed at length by the members of the Board of Education, Town Physician Dr. H. B. Vail and Health Officer Eugene Berry, at the meeting of the board in the High School Monday night. The matter was broached by Mrs. Porter Sheldon, chairman of the Health Committee when she submitted her report to the board.

Mrs. Sheldon announced that her committee had given the matter considerable thought and asked Dr. Vail to give his opinion on the question. Dr. Vail was entirely in

accord with such a move, stating that something should be done to safeguard the teeth of the school children.

FIRST TEETH NEED CARE

Such dental work as would be done in a school clinic, said Dr. Vail would be almost entirely confined to aiding the children to keep their first set of teeth in good condition. It has been found by close observation that parents are generally of the opinion that the first teeth should be given little care and attention as they are lost at the age of six or seven. Decay sets in at a much earlier age and the teeth are lost prematurely. According to Dr. Vail the jaw does not develop properly if the first teeth are lost too early in life.

The Town Physician suggested that the board make some agreement with a dentist or group of dentists providing for the treat-

MRS. SWENSON STRUCK BY MOTORIST WHO DRIVES ON

Mrs. Pearl Swenson of 20 Campbell avenue was struck by an automobile when she attempted to cross Washington avenue. The accident occurred at 7 o'clock in the evening of Tuesday of last week. Edward G. Zeiss of 29 Division avenue was the driver of the automobile.

Zeiss did not know that he had struck anyone and kept on driving. He was brought back to the scene of the accident by an unknown driver of another automobile.

Mrs. Swenson was injured about the head and lacerations about the face. She was taken to St. Michael's Hospital in Newark by Patrolmen Anderson and Monaghan in the town ambulance. Ms. Swenson, husband of the injured woman, witnessed the accident.

ELKS MEMORIAL SERVICE SUNDAY

A NATIONWIDE OBSERVANCE

The Hon. Alex F. Ormsby will be the orator at the annual Memorial Service which will be held at the Elks auditorium Sunday evening. The local Elks will take part in a nationwide memorial service. The exercises will be conducted by the officers of the lodge according to the Elks ritual. The Copstone quartet will sing.

The absent members of the Belleville Lodge are: John J. McCoy, Emanuel W. Kaiser, Robert Siebold, Daniel Kuhn, John VanNess, Joseph Hamley and John J. Oldham.

The service will be opened promptly at 8 o'clock.

MONEY TO BE USED FOR UNEMPLOYED SAYS KENWORTHY

**Benefit Game Fund Will
Distributed By Overseer
Of Poor**

LEGION AND FIREMEN TO EVICT 'CRASHERS'

All that those who are sponsoring the special post-season game bringing together the football teams of Belleville and Nutley High Schools at 2 o'clock Saturday afternoon in Park Oval, Nutley, are waiting for is the starting whistle. When the player's toe strikes the pigskin with the accompanying dull thud, those who have worked hard to bring about this game will see the results of all their efforts taking concrete form. And if the advance sale of tickets may be taken as any true indication, they will see Park Oval completely encircled by 7,000 fans or more.

Advance Sale Good

According to Mayor Samuel Kenworthy the advance sale tickets has measured up to the fondest expectations of the committee in charge of the game. The tickets are being sold by the members of the fire and police departments, the American Legion, the Veterans of Foreign Wars, the Lions and Rotary Clubs and may be obtained at the High School and the Town Hall. They are also being sold by the Capitol Pharmacy and Kaden's Pharmacy.

Mayor Kenworthy wishes to stress the point that this game is being played solely for the benefit of the unemployment funds of both Belleville and Nutley. The receipts will be evenly distributed, half to the Social Service Bureau in Nutley which is distributing the unemployment funds in that town, and the other half to the Emergency Relief office in Belleville, the operations of which are supervised by the Mayor and the overseer of the poor.

Money Not For Chest

Through some mis-information the idea has gained circulation that the money derived from this game was to be used and distributed in the same manner that the funds raised for the Community Chest are distributed. It should be distinctly understood that the unemployment fund in Belleville is

MAN STRUCK BY AUTO

Joseph Macoroni, fifty-one, 74 Franklin avenue was struck by an automobile driven by Mirsky, twenty-nine, of Passaic, 9:30 o'clock Friday morning. Mirsky was driving south on Washington avenue, south of Hilton street, he struck Macoroni. The latter suffered injuries to his legs and hands and was taken to Dr. Han's office for treatment. The driver of the automobile, a married man was then taken home.

BOARD ACTS TO SUPPORT CONCERTS

The Board of Education engaged in considerable discussion at their meeting in the High School Monday evening over the advisability of continuing the series of free concerts being given in the High School auditorium. The question was raised when George E. Stewart, Jr., director of the musicales, asked the Board to provide a piano at a cost of \$16 for each of the remaining three concerts.

When the request was read, William W. Stewart, board member, moved that the request be refused. When asked to explain his motion by Watson Current, Mr. Stewart claimed that all expenses attendant upon the series of concerts would have been anticipated. He expressed it as his belief that the cost of the concerts was running into too much money.

Mr. Current explained that the concert director had anticipated using the piano in the assembly hall of the high school and it was only after he had arranged for his first concert that he was informed that he would not be permitted to move the school instrument from the assembly floor to the platform. Mr. Current claimed that Mr. Stewart Jr. was not careless in anticipating the cost of the concert series. The speaker stated that if the concerts are proving beneficial and worthwhile the series should be fostered. If the series will cost \$16 a concert more than anticipated, the additional cost should be assumed by the Board.

Mr. Current continued his argument in favor of the concerts by saying that the series was beneficial to the citizens of the town and that funds set aside by the Board for lectures could be employed to defray the additional expenses incurred by the concerts. Refusal to grant Mr. Stewart

Jr.'s request could be construed to be an indirect cancellation of the three remaining concerts in the series," he said.

James L. DeRosset voiced his objection to granting the request and the matter was put to a vote. The request was granted by a vote of three to two, Mr. Stewart and Mr. DeRosset dissenting.

Mr. Current then moved that the Board assume the additional obligation to pay \$16 for each of the three remaining concerts, Mr. Stewart and Mr. DeRosset again voting in the negative.

Commissioners

(Continued from Page One.)

"Let's put it to a vote, the Mayor is in good humor tonight."

When the votes were tabulated Commissioners Carragher and Williams were the only two voting for delayed action, the other Commissioners and the Mayor voting "no." "You were wrong Commissioner!" exclaimed Williams, turning to his fellow commissioner.

Property Values Enhanced

In explaining his position in the matter, the Mayor claimed that the residents of Parkside drive were getting an exceptionally good break in his opinion. The park across the street from their property enhances the value of their holdings and the paved highway adds still further to the value of their properties. Taxpayers are normally assessed for fifteen feet of highway improvements and the Parkside drive property owners should be no exception.

The resolution of approval was adopted by a vote of three to two. The Commissioners voted an emergency note for \$1,000, which sum will be used for the relief of the poor and needy in the town.

Commissioner Carragher brought up the matter of tax sales and offered the suggestion that the town lend assistance to those who are suffering temporary embarrassment due to depression. Such aid could be given through the purchase of properties up for sale on the delinquent tax list by the town and when the original owners were in a suitable position to do so, they could repurchase their properties. The Commissioner also suggested that some means should be provided to enable the various governments, town, county and State, to loan money to those in temporary need and to arrange for a plan of repayment which would not be a burden on the borrower.

During the discussion of taxes and tax sales, Commissioner Williams informed the Mayor and Commissioners that his records show that \$750,000 in taxes for 1930 have not as yet been paid. He continued: "\$250,000 in 1929 taxes, \$100,000 for 1928, \$76,000 for 1927 and \$17,-

000 for 1926 are still unpaid.

"If you gentlemen can tell me how I can collect these taxes in a hurry, I should appreciate that help," he said.

The Board contracted with a group of contractors for the removal of snow during the winter months. The town will pay \$6 an hour for such work.

TOY MATINEE IS HUGE SUCCESS

Lions and Firemen Collect Two Truckloads Of Discarded Playthings

EARLY CONTRIBUTIONS URGED

The members of the Lions Club and the Belleville firemen are enjoying tremendous success in their efforts to help Santa Claus provide enough toys to go the rounds on Christmas eve. The Lions have been collecting any toy that was due to be discarded by its owner and the firemen have been refinishing and repairing, when needed, each plaything.

Matinee A Success

A toy matinee was held Saturday morning at the Capitol Theatre for the children of the town. The price of admission was one used toy. The theatre was filled to its capacity and when all the toys were gathered up, the firemen carted two truckloads back to headquarters and set to work upon them at once. The Lions were greatly pleased with the response of the children and parents of the town.

Kresges Department Store in

Newark sent a big load of toys to the local fire headquarters to be distributed by the Lions and the firemen. Headquarters is beginning to resemble a corner in Kris Kringle's own workshop.

The men are quite willing—in fact very anxious—to try their hands at repairing or reconstructing any kind of toy. As for dolls, the Girl Scouts under the direction of Miss Florence Kelly are doing any fixing necessary.

Send Toys In Early

Dr. Daniel E. Kavanaugh, chairman of the Lions' committee in charge of this work, urges all those who have any toys of which they are going to dispose, to send such toys to the firemen at headquarters. The Lions will arrange to call for any contributions and they only ask that such donations be made as early as possible to insure the toys being made ready for distribution on Christmas.

The Lions wish to express their appreciation to the Pittsburgh Plate Glass Co., Sherwin and Williams Paint Co., Sonneborn and Son, Daniel Mellis, Federal Leather Co., Essex Lumber Co., Kresge Department Store, Yudin's Paint Store, George Battey, Herbert Richards, Harry Zeigler, Kaplan's Hardware Store and Charles S. Zuckerman.

ROTARIANS HEAR ABOUT WONDERS OF THE WEST

The members of the Belleville Rotary Club were entertained at their weekly noonday meeting yesterday by Edward H. Yerg of Yerg Inc. Mr. Yerg enjoyed an extensive tour through the middle west last summer. He visited several of the country's national parks, including Yellowstone. During the course of his

trip, Mr. Yerg took motion pictures of the more interesting features.

The speaker showed these views at the meeting. Although he claimed not to be a lecturer by profession or even by choice, Mr. Yerg gave a highly interesting talk in which he described the many places of interest he visited and presented a colorful word picture, supplementing the "movies," of the wonders of the geysers in Yellowstone.

SILVER LAKE YOUTH WOULD KILL ALL COPS WHEN HE IS HELD FOR ASSAULT

When Carmine Pizzi of 132 Belmont avenue, Silver Lake threatened to beat his mother, she called Patrolman James Anderson. The officer undertook to perform his duty and was set upon by the young man who wildly declared that he would kill every member of the Belleville police department. Carmine eventually landed before Recorder George A. Fitzsimmons in police court Monday night and the Judge promptly arranged for Pizzi to have plenty of time to think over his actions. Judge Fitzsimmons held Pizzi for the Grand Jury under \$2,500 bail. The charge was criminal assault with attempt to kill and Officer Anderson appeared as complainant.

The youth's mother told the court that her son was believed to be mentally unbalanced and that she had advised that Overbrook was the best place for him. He has given his family considerable trouble in the past and was only released from jail three days ago after completing a sentence of three weeks which was imposed by the Second Criminal Court when the youth failed to pay a fine imposed by the court.

K RESIDENTS FOR CLOTHING

Mrs. Fitzsimmons, In Letter To
Times, Makes Appeal For
Needy During Winter

WILL OPEN AVENUE STORE

To the Editor of THE TIMES:

Dear Sir: I am making an appeal through your paper for clothing for which people have no further use. The thought behind the appeal is as follows:

Cold weather is almost on top of us and there are sure to be some people right here in our own town who are going to need warm clothing mightily badly before the winter is over. I am sure there are two-thirds of the people of Belleville who have clothing of some kind for which they have no further use.

If all this clothing is collected and assembled at one place and an invitation sent out to the needy to come and get whatever they require, I am sure a great deal of happiness would be felt by the giver and receiver.

We intend to occupy a store in the center of the town and open it possibly two or three afternoons or until the clothing is distributed if enough promises for clothing are received.

Men's, women's and children's clothing will be gratefully accepted.

We only ask that they be reasonably clean and, of course, wearable.

Anyone who has clothing to contribute or who would care to help in any way, kindly call Mrs. George Fitzsimmons, Belleville 2-2838, or Mrs. Benjamin Donaldson, Belleville 2-1093. Further details will be explained in later issues of this paper.

MRS. G. A. FITZSIMMONS.

The above letter was published in last week's issue of THE TIMES and appears again at the request of Mrs. George A. Fitzsimmons, who is taking a leading part in securing cast-off clothing for the needy.

Abram Atkins, the proprietor of the Boston Store has granted permission to those sponsoring this worthy movement to use one of his stores located at 542 Washington avenue, Belleville. In the future all donations of clothing may be made at this address and the clothing received will be distributed from this point. The store will be open between the hours of 11 and 4 on Tuesday and every day thereafter.

A cordial invitation is issued to those in need of clothing, and especially to those who have never needed assistance in the past to come to the Washington avenue address for assistance. Anyone knowing of needy families or individuals are urged to communicate with Mrs. Fitzsimmons and the case will be investigated and help given.

HILL ASSOCIATION VOTES TO DISBAND

Improvement Group Will Wind Up
Affairs; Needy To Get
Funds

MEMBERS LOSE INTEREST

The Belleville-On-the-Hill Association has decided to disband. The organization was founded in 1924 and was the strongest of its kind in town, being instrumental in fostering most of the improvements in the hill development as well as taking an active part in the social life of its residents.

A special meeting was called for the purpose of deciding the destinies of the association on November 19, and after considerable discussion it was decided to liquidate the affairs of the association. A committee of three trustees was appointed consisting of Joseph W. Steinmetz, chairman, J. English and S. C. Summerfield to close the association's affairs and to distribute the funds amounting to about \$165 to the poor in conjunction with the Social Service Bureau.

Once one of the strongest organizations in town, having upwards of three hundred members, it has become increasingly difficult during recent months to maintain the interests of the members or get them to accept service on the various committees, as a result of which the annual election scheduled for the October meeting had to be postponed. Many of the members have expressed themselves as feeling that while the association had accomplished wonderful work, it had outlived its usefulness.

Past officers of the association who now go out of service, are: F. J. Wolenski, president; S. J. Straker, vice-president; George Harrison, treasurer; Frank Gerode, secretary; Leo Dempsey, R. C. Stivers and John Herrmann, directors.

BATIK AND TIE DYEING CLASS WILL OPEN FOR GIRL SCOUTS

The Housekeeper Class, which is held at Girl Scout headquarters under the direction of Mrs. Robert Holst, has been changed from Wednesday to Thursday. Tomorrow afternoon a batik and tie dyeing class will be opened under the tutelage of Miss Cecelia Bove.

A leaders' meeting will be held during the week of December 15. There will be a council meeting tonight.

FORD Victoria Coupe

The Victoria Coupe is a four-passenger model extremely attractive in appearance, the only one of the closed cars to have a slanting windshield, an effect that adds much to its appearance.

The top and rear quarter down to the belt line are covered in a heavy tan colored pyroxylin coated material, forming a pleasing contrast to any one of the body colors. The spare tire is set at an angle, which adds a final touch of smartness; an adjustable inside sun visor is an added convenience for the driver. There are curtains on the rear and quarter windows, window garnish moldings are in mahogany finish, hardware of satin finish, door pockets a convenience for small parcels.

Doors are wide and give unusually free passage to and from both front and rear seats. The two front seats fold compactly forward, and both are adjustable, affording maximum comfort for driver and front seat passenger. The rear seat is wide and can accommodate three persons. There are arm rests on either side. The floor in the rear compartment is depressed, affording ample leg room.

Mrs. Lionel Phillips made high score in bridge at the card party held at the clubhouse last Monday afternoon. Mrs. John Penter scored in whist while Mrs. F. H. Hanson was high in pinochle. Mrs. G. C. Miller is card party chairman. The bridge tournament now in progress is attracting wide attention, if you can judge by attendance, as there have been at least fifteen tables in play on card party evenings. The grand prize for the tournament is to be on exhibition soon and will be well worth seeing and more than well worth winning. The next card party will not be until January 5.

The regular meeting of the Board of Directors will be held at the clubhouse Friday afternoon, December 5, at 2:30. All members are expected to be present.

A. HARRY MOORE
H. S. SPEAKER

Former Governor A. Harry Moore addressed the student body at the High School Wednesday afternoon of last week and left with them a new sense of appreciation of Thanksgiving. During the course of his talk, the former governor stressed the importance of being thankful for whatever may be the lot of the individual. Mr. Moore spoke with an easy grace that immediately won the students and their attention was so pronounced that the speaker remarked that he has inevitably found that high school students make the best audiences.

Digressing for a minute from his general theme of Thanksgiving, former Governor Moore spoke of good sportsmanship. He cited this anecdote:

A certain high school football team was playing a losing game and most of the rosters left the stands in very evident disgust. One little boy of freshman age stayed with his school's team and yelled with all his might, applauding every play his team made. The captain of the opposing team became aroused at the commotion created by this one lone rooster and walked to the stands.

The captain of the winning eleven passed a "wisecrack" which angered the youngster, who immediately slapped the player in the face. This lone rooster possessed the right spirit, claimed the speaker. He was ready to give his team support in defeat as well as victory.

The real sportsman, said the former governor, is the one who can face defeat as well as victory with a smile.

Ruth Hess read President Hoover's Thanksgiving proclamation. The Boys' Glee Club sang three selections: "Come, Ye Thankful People, Come," "Just A Wearyin' For You," and "The Soldiers' Chorus." The student body concluded the program with the "Song of Thanksgiving" and the "Alma Mater."

NOTICE

PUBLIC NOTICE is hereby given that the following ordinance was passed on second and third reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening December 2nd, 1930, having been read in its final form at least one week prior thereto, and is therefore now a law and hereby published according to law.

JOHN J. DALY, Town Clerk.

AN ORDINANCE PROVIDING FOR THE EMPLOYMENT OF AN ENGINEER TO PREPARE PRELIMINARY PLANS AND REPORT ON JOINT OUTLET SEWER FOR BLOOMFIELD, NUTLEY, AND BELLEVILLE, AND APPROPRIATING THE SUM OF \$500 FOR SAID PURPOSE AND AUTHORIZING THE ISSUANCE OF A TEMPORARY IMPROVEMENT BOND OR NOTE THEREFOR.

WHEREAS it has been deemed advisable by the Town of Belleville to join with the Towns of Bloomfield and Nutley, in the construction of a joint outlet sewer serving the aforesaid municipalities, said sewer running through the northwesterly section of the Town of Belleville and

WHEREAS said municipalities have decided to employ an Engineer to make preliminary plans and report thereon, and

WHEREAS the pro rata share of the expense of the employment of said Engineer to be borne by the Town of Belleville will be approximately \$500.00,

THEREFORE, the Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

1. That the Town of Belleville join with the aforesaid municipalities in the employment of an Engineer to prepare preliminary plans and report on the aforesaid Joint Outlet Sewer.

2. The cost of the said undertaking, to the Town of Belleville, is hereby estimated to be the sum of approximately \$500.00. The said sum is hereby appropriated to pay said cost. For the purpose of meeting such appropriation, a temporary improvement bond or temporary improvement note of the Town of Belleville, is hereby authorized to be issued in an amount not to exceed the amount of said appropriation pursuant to the provisions of Section 13 of Chapter 252 of the Laws of 1916, and the acts amendatory thereof and supplemental thereto, which bond or note shall bear interest at a rate not exceeding six per centum per annum. All other matters in respect to said temporary improvement bond or temporary improvement note shall be determined by resolution of the Board of Commissioners or by the Director of the Department of Revenue and Finance as the Board of Commissioners may hereafter by resolution determine.

3. Said undertaking shall constitute a general improvement undertaking, and shall be assessed against the Town at large.

V. F. W. POST ACTS TO HELP JOBLESS

Ex-Service Men's Group Will List Unemployed

John C. Morgan Appointed Employment Officer For George A. Younginger Post

SCOTT TO CALL ON MAYORS

John C. Morgan of 128 William street, Belleville, has been appointed employment officer by Private George A. Younginger Post 275, Veterans of Foreign Wars. This appointment is in line with the State Organization of the Veterans of Foreign Wars in their program to help the unemployed. Mrs. James Wallace Beveridge of Teaneck has been placed in charge at the central office at Newark. Everett Colby, former secretary of state and law partner of the late Woodrow Wilson, has accepted the chairmanship of the committee on finances.

William C. Fay of Teaneck has been instructed to interview the mayors of cities that have V. F. W. posts and H. J. Scott of Belleville will interview the mayors of cities where there are no local posts.

Veterans of Foreign Wars assistance of the objects for they were organized have established a bureau to control and manage all their employment and relief activities. Briefly stated, this work shall be:

To establish a central bureau for administration headquarters and keeping of records.

To organize for co-operation, members of commerce, industry, clubs, churches, welfare groups, including those for colored people.

To establish station operated by

local post to supply food to the needy, especially children.

To distribute coal through local posts.

To give special consideration to the handicapped classes, such as hospital and welfare groups.

To establish a bulletin of the work of the different posts to be issued every week.

To collate and have on hand statistics and records of unemployment and needy cases listed by the different posts.

The Veterans of Foreign Wars has resolved to enter upon this work as a permanent thing, something to last beyond this present period of depression and unemployment, with a view of preventing a recurrence of these evils in this State in some future time. It has also been resolved to make this general and not restricted in its membership.

In addition to the general committee which is sponsoring this movement there is a local committee in the district of each post, whose purpose will be to co-operate with the general committee in accomplishing these objects.

CHEVROLET FINDS THAT NATION IS READY TO BUY

Pointed indications of a resumption of buying interest throughout the nation are manifest here today in hundreds of reports on file at the home office of the Chevrolet Motor Company revealing that the reception accorded the new 1931 Chevrolet six during the early days of the national showing had only one parallel in the history of the company.

Telegrams from dealers and field officials in all parts of the country, offering an excellent cross-section of the public attitude, reveal that despite general business conditions unusual buying enthusiasm is being displayed. Particular interest is centering on the new sport models in the line, as well as the new commercial cars which are constantly accounting for a larger proportion of each year's output.

The price reductions, coupled with the increased size and improvements, attracted to dealer showrooms crowds estimated as second only to the attendance during the early showing of the new six at the time of the change-over from the four-cylinder car in 1928. Many points reported a greater number of appraisals than in any previous year, and when the tabulation of orders now being made is completed, the mark for the first fifteen days is expected to compare favorably with any similar period during a normal year.

JUNIOR GIRL SCOUTS WILL APPEAR IN SKITS

The junior group of Girl Scout Troop 7, meeting in Grace Baptist Church tonight, will give original ten minute "skits" illustrating the mottoes of the four patrols. The senior division will be invited to attend and judge the offerings. Four extra points will be given to the winning patrol.

Veterans of Foreign Wars Employment Service

The unemployed veterans and non-veterans are asked to fill in this form and mail it to J. C. Morgan, 128 William street, Belleville, N. J.

tirely separate from the Community Chest.

Those responsible for the benefit game believe that each of the two towns should derive at least \$3,000 apiece. Such a sum would

go a long way toward helping to alleviate the suffering caused by unemployment in this locality.

Legionnaires Will Patrol

When asked how "gate crashers" would be eliminated, Mayor Kenworthy informed THE TIMES that ample preparations for policing the scene of the game had been made with both towns co-operating. Members of the Nutley and Belleville police departments will be on hand to direct traffic, both motor and pedestrian. The Nutley firemen and members of the American Legion in uniform will patrol Park Oval and anyone seen without his ticket in evidence will be stopped. "Crashers" will not be tolerated at this game and no complimentary tickets will be issued to anyone.

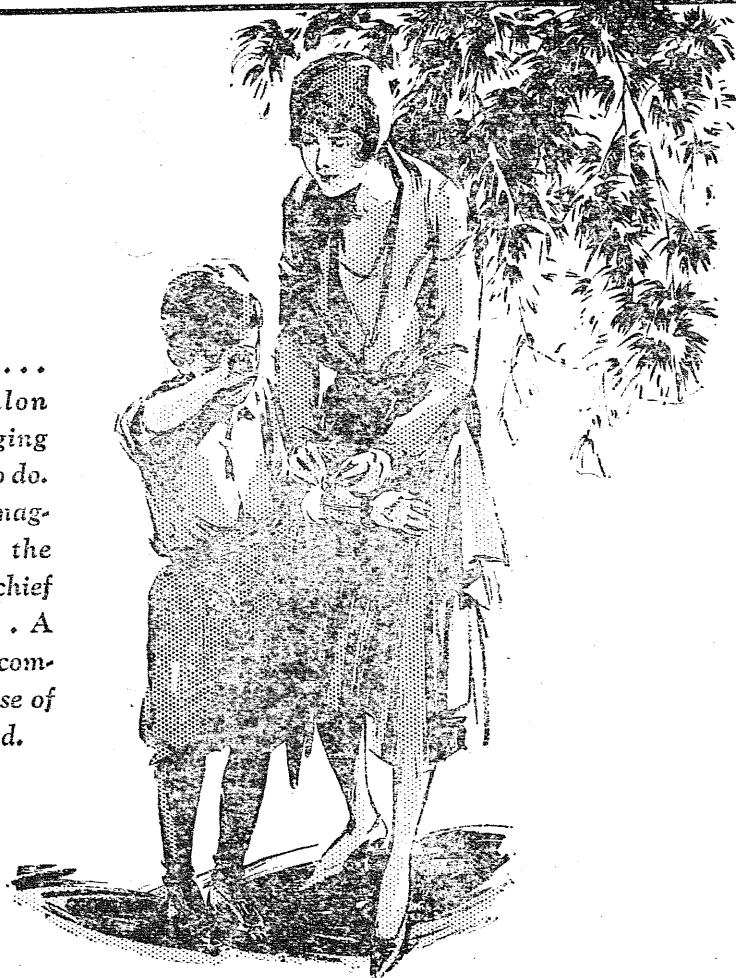

The bleachers from Clearman Field have been set up at Park Oval for the game and there will be a seating capacity of 5,000. The stands have been placed on three sides of the Oval in U shape and those who do not have tickets admitting them to the stands will stand at the lower end of the field nearest the old school building.

All returns for the tickets will be made to the general committee Friday morning.

Mrs. Daniel Mellis of Washington avenue entertained her card club Wednesday afternoon.

LEFT IN GEAR BACKS UP WHEN CRANKED; TOPPLES WAR TROPHY

The 105 mm. field gun which was captured during the World War waited until it was resting peacefully in Belleville before it was knocked over. This war trophy, presented to the town by the American Legion and Veterans of Foreign Wars at the Armistice Day ceremonies in 1929 was actually "knocked off its base" Thursday morning.

Frank Kelly, a decorator, who lives at 84 Washington avenue left his truck in reverse gear when he stopped at the service station located at the corner of Greylock parkway and Washington avenue. When ready to go on his way, Kelly cranked the truck, which backed into the fieldpiece, toppling the gun from its mounting. Patrolman McArt reported that the gun was not damaged and could be remounted.

SECOND CONCERT AT HIGH SCHOOL IS SUCCESSFUL

Earle Ballentine, Violinist,
Pleases Audience; Soloists
Win Copious Applause

MILLER'S SINGERS TRIUMPH

Earle Ballentine, Belleville violinist impressed the audience which was present at the second of a series of free public school concerts presented under the supervision of the Board of Education, Sunday afternoon in the high school auditorium. Mr. Ballentine, the son of the late Mr. and Mrs. August Ballentine, has received instruction in his art from Oscar Holst, an outstanding musician of this town.

Using Kreisler's arrangement of "Rondino" on a theme by Beethoven and "Waltz in A Major" by Brahms-Hochstein as the vehicles to convey the extent of his artistry, the young musician scored a decided hit.

Miller's Choral Singers, directed by William Miller, who has conducted choral and part singing in this country and abroad for many years, offered a really worthwhile program. They sang Dudley Buck's "Hymn to Music" and "Little Mother O' Mine" by Nevin as the opening group and closed the program with "The Lost Chord," Sullivan's ever popular composition and Bell's "Fantasia of Scottish Songs," a special arrangement of six popular Scottish ballads.

The choral singers were: sopranos, Lola Shurts and Helen Macintosh; altos, Marion Brash and Alice Leitch; tenors, Arthur Cooper and Alex Skinner; basses, William Cooper, James McWilliam and Alfred Cochrane; pianist, Oren Burt; violinist, Earle Ballentine; accompanist, Arthur Ackerman.

Mr. Cooper, tenor; Miss Brash, contralto; Miss Shurts, soprano, and Mr. Cochran, baritone, appeared as soloists and were particularly pleasing. The male quartet, singing Emerson's "Annie Laurie," was splendid. The audience evidenced its appreciation by calling for an encore and the quartet sang "Come Where My Love Lies Dreaming."

Louis Minier, an accomplished pianist, was the accompanist.

Dr. and Mrs. D. S. Tillou of Washington avenue have returned home after having spent the holiday-weekend at their summer home in Harmony Vale, N. J.

NOTICE

PUBLIC NOTICE is hereby given that the following ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening November 25, 1930, and further notice is hereby given that second and third reading of said ordinance will be considered by said Board at a meeting to be held at the Town Hall, Washington avenue and Belleville Avenue, Tuesday evening December 9th, 1930, at 8 o'clock P. M. when all objections to the passing of the same will be heard and considered.

JOHN J. DALY, Town Clerk.
AN ORDINANCE PROVIDING FOR THE CONSTRUCTION OF A SIX INCH WATER MAIN IN D'ELIA TERRACE, IN THE TOWN OF BELLEVILLE, FROM MAY STREET TO JORALEMON STREET, AUTHORIZING THE ISSUANCE OF TEMPORARY IMPROVEMENT BONDS OR TEMPORARY IMPROVEMENT NOTES, AND APPROPRIATING THE SUM OF \$1,000 THEREFOR.

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

1. That D'Elia Terrace, in the Town of Belleville, from May Street to Joralemon Street, be improved by the construction of a six inch water main therein.

2. The cost of said improvement is hereby estimated to be the sum of \$1,000. The said sum is hereby appropriated to pay said cost. For the purpose of meeting such appropriation, temporary improvement bonds or temporary improvement notes of the Town of Belleville are hereby authorized to be issued in an amount not to exceed the amount of said appropriation pursuant to provisions of Section 13 of Chapter 252 of the Laws of 1916, and the acts amendatory thereof and supplemental thereto, which bonds or notes shall bear interest at a rate not exceeding six per centum per annum. All other matters in respect to said temporary improvement bonds or temporary improvement notes shall be determined by resolution of the Board of Commissioners of the Town of Belleville or by the Director of the Department of Revenue and Finance, as the Board of Commissioners may hereafter by resolution determine.

3. Said improvement shall constitute a general improvement and the cost thereof shall be borne by the Town at large.

4. This ordinance shall take effect immediately.

GOVERNOR LARSON URGES OBSERVANCE OF BIBLE DAY

Trenton, Dec. 4—Governor Morgan F. Larson urges the observance next Sunday, December 7, of Universal Bible Sunday in the churches throughout New Jersey.

In endorsing Universal Bible Sunday, Governor Larson says: "The eternal truths set forth in the Scriptures have been man's inspiration and comfort for ages past and are now the foundation of his hope for the spiritual and material betterment of mankind."

"I, therefore, heartily endorse any movement, which has for its goal the encouragement of Scriptural study and the bringing of men's lives into harmony with the truths thus revealed."

SECOND SYMPHONY CONCERT

The Symphony Orchestra of Newark, Armand Balendonck, conductor, gives its second symphony concert of the season in the Board Street Theatre, Sunday afternoon, December 7, at 3 o'clock. August Geisler, concert-master of the orchestra, is soloist and will be heard in the Mendelssohn Concerto for violin and orchestra.

Another favorite symphony among music lovers is the Mozart "Symphony in G Minor" which Mr. Balendonck is also offering on this program.

MeetingS. S. TEACHERS SCHOOL WILL
MEET AT WESLEY M. E. FOR
THREE MONTHS COURSE

The Ministers' Club of Belleville adopted a program submitted by Dr. O. Bell Close for the Sunday School Teachers Training School at their luncheon and business meeting held in the High School at 12:30, Tuesday, November 25.

The classes will meet at the Wesley Methodist Episcopal Church from January 12 to March 16 and a small tuition fee will be charged.

Professor S. M. Hamilton, head of religious education at New York University, will present a course on the "Principles of Teaching." "Intermediate Materials and Methods," will be taught by Dr. William B. Sharrat, executive secretary of the Essex County Council of Religious Education. Mrs. W. H. Smith, a specialist in Old and New Testament study, will have as her subject, "The New Testament." Dr. W. Kelloway, director of religious education of the Central Presbyterian Church, Montclair, will teach a class on "The Study of Worship and a Devotional Life."

Redeemer Lutheran Church

Broadway at Carteret street, Newark; Paul F. Arndt, pastor. "Christ's Second Coming" will be the subject of the sermon at 10:15 a. m. "John's Testimony Concerning Jesus" will be the subject of the discourse at 7:45 p. m. The Sunday school will begin rehearsals on the Christmas programs Sunday at 11:30 a. m. The Ladies' Aid will hold its annual bazaar and turkey supper in the parish house Friday and Saturday afternoon and evening.

Christian Science Church

"God the Only Cause and Creator" will be the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, December 7. The golden text is: "Known unto God are all his works from the beginning of the world" (Acts 15:18).

Among the citations which comprise the lesson-sermon is the following from the Bible: "Thou, even thou, art Lord alone; thou hast made heaven, the heaven of heavens, with all their host, the earth, and all things that are therein, the seas, and all that is therein, and thou preservest them all; and the host of heavens worshippeth thee" (Nehemiah 9:6).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Infinite Mind is the creator, and creation is the infinite image or idea emanating from this Mind. If Mind is within and without all things, then all is Mind; and this definition is scientific" (p. 256).

\$10,000 Organ Dedicated
at Special Wesley ServiceAppropriate Ceremonies Mark
Presentation Of Marvelous Instrument By John DeGraw

The Wesley M. E. Church was filled to capacity at both services Sunday for the dedication of the new organ in the morning, and a special musical program in the evening. The Rev. Edgar M. Compton based his sermon on quotations from John Drinkwater's "God is at the Organ." He likened the universe to God's organ, with human voices and lives the solo stops.

Then followed a special arrangement of responsive readings by the pastor and congregation, which were echoed by appropriate responses from the organ.

Mr. DeGraw Presents Organ

John DeGraw, president of the board of trustees, presented the organ for dedication. The instrument has three manuals of sixty-one keys each and was built at a cost of \$10,000 by the Harry Hall Organ Company of New Haven, Conn. The dedication committee included Rev. Compton, J. H. Stier, C. G. Jones, J. B. Brown, L. R. Memmott, Theodore Sanford and H. N. Cummings.

The evening service was one of song and special selections by the church organist, Mrs. Ysbrand Bregman. Anson Depue, a resident of Belleville, and soloist at St. Stephen's Church New York City, rendered several vocal selections.

Plans have been completed for the first of a series of recitals to be given in the church by the combined societies of the church on December 10 at 8:15 o'clock. Tickets are on sale and are being distributed by Mr. Stier to the presidents of the various organizations, from whom they may be obtained.

Program Arranged

The following program has been arranged with Raymond L. Clark of New Haven, Conn., at the organ, assisted by Elsie McGall Persons of Montclair, soloist at the Church of St. Mary the Virgin, New York; Maxine Moore, cellist, of Millburn; Christine Wellington-Phillips, violinist, and Mrs. Ysbrand Bregman, pianist.

ces for Victor W. Ackerman, twenty-one year old athlete of DeWitt avenue were held this afternoon at the funeral home of William V. Irvine. The Rev. O. Bell Close, pastor of Few Memorial Presbyterian Church was the officiating clergyman. John DePuy sang "Someday I Understand." Robert Wright, roommate of Ackerman's and was with the young man at time of his death was one of the pallbearers. Other pallbearers were John Snyder, Charles Howland, James Pratt, Kenneth Ennis, Joseph McGuire. Burial was made in the East Ridgeland Cemetery, Delaware.

COLLAPSED ON COURT

Ackerman collapsed while playing on the Belleville High School court Tuesday night of last week. He was a guard on the recently organized Garnet A. C. which was playing the Bachelors' A. C. quintet in the Belleville American Legion Athletic Development League. The Garnets were playing their last game against the veteran club and were facing defeat. A star player, Ackerman was exerting himself to the utmost to earn a victory for his club when he was stricken.

Early in the third quarter the young athlete called for time out and started off the court. He dropped to the floor and his team mates rushed to his side. Adelbert A. Ackerman, the boy's father was sitting on the sidelines less than twenty feet from the spot where his son slumped to the floor.

Town Physician Herbert B. Vail was summoned and he pronounced the young man a victim of heart trouble caused by over-exertion. Acting on an order issued by Assistant County Physician Bernardinelli, Patrolmen Bush and Demard took the body to Thomas J. O'Mara's morgue in Newark.

YOUTH NEVER SICK

Although the young man's mother died of heart trouble eight months ago, Mr. Ackerman said that his son was never sick and was not known to be suffering from a weak heart. He has always been interested in athletics and was a star basketball player while a student at the Watervliet, N. Y. High School.

The youth was born in Boston and came to Belleville eighteen months ago. He was a graduate of High School No. 3. The family moved to Watervliet, N. Y. eight months ago and stayed there for five months. They returned to this town a few years ago.

Ackerman was employed until last week in the Irvington testing laboratory of the Public Service Electric and Gas Co.

The young man had lived with his father at 212 DeWitt avenue. He has two brothers, Edwin R. and Arthur S., both of Belleville. He was formerly organist of the Belleville Reformed Church.

would be unfair to the taxpayers for such a school clinic to undertake to care for the teeth of all the children. The principal function of the clinic would be to examine the children periodically and recommend to the parents such treatment as may be found necessary.

Health Officer Berry gave the project his unqualified support. He called the board's attention to the fact that reports show fifty per cent of the school children suffer from defective teeth. "The clean mouth is the healthy mouth," he said. Mr. Berry pointed out that many of the children have abscessed teeth which frequently cause other organic ailments.

Mr. Berry said that he didn't see any objection to the board taking the necessary action to establish such a clinic. Such a program should be adopted, he claimed, because it would tend to improve the health of the children. And, he continued, improved health would mean improved attendance.

Mrs. Sheldon explained that she and other members of her committee had visited clinics in the schools in surrounding communities. She outlined the duties and functions of the doctors, dentists and nurses connected with such clinics. The children are examined regularly and where defective teeth are found, cards are sent to the parents by the nurse. If the parents do not act within a reasonable length of time the nurse calls and explains

the condition. If the parents can't afford dental aid, the clinic provides the necessary treatments.

The work of a dental clinic should start with pupils in the first grade, Mrs. Sheldon said. It is among the younger children who have not lost their first set of teeth that professional attention is needed most. She cited the conditions found to exist in Schools No. 2, No. 7 and No. 10 where, in round figures, 500 out of a total of 900 children were found to have defective teeth. Of this number, 162 cases had been taken to a dentist for correction.

The health committee estimated that the proposed clinic would entail an annual investment of approximately \$4,000.

Watson Current moved that the proposal be referred back to the health committee for some definite plan. The motion was carried.

William Steward stated that he was alarmed at the conditions as reported and that the board should take some action to provide corrective measures.

J. L. DeRosset said that he was thoroughly in accord with the proposal to establish a dental clinic. He did not think, however, that any halfway measures should be taken. The clinic should be given a proper start with modern equipment and instruments and that proper preparations should be made.

The matter will be given further consideration by the Health Committee which will file a complete report at the next meeting of the board.

To the Housewives of Belleville:

For the past three years the West Hudson Laundry has been serving the people of West Hudson and South Bergen. During this period of time this company has always tried to conduct its business in a courteous and efficient manner and to afford its many customers prompt and dependable service. No task has ever been too large or too small to merit the same individual attention.

With the idea of expanding the scope of its activities, this laundry is now prepared to serve the residents of Belleville and North Newark. These two communities will be thoroughly canvassed by representatives of this company. We only ask that you give us the opportunity to prove our worth and establish our reputation in your household.

We use Chipso exclusively in all our work.

PRESIDENT VAN BUREN KNEW PANICS

Friday, December 5 marks the 148th anniversary of the birth of Martin Van Buren, eighth president of the United States. And Van Buren's natal day recalls one of the worst panics ever experienced by the people of this nation. Those who raise such a hue and cry about hard times and depression should have been around in 1837 when a hungry and jobless populace hurled brickbats, verbal and physical, at the helpless Chief Executive. President Hoover may consider himself fortunate that that fate which makes presidents waited until 1928 before selecting him.

It was a booming West, not a booming Wall street, which caused the panic of 1837. The expansion of the steam railway system caught and inflamed the national imagination much like the fabulous gains recorded daily on the "Big Board" a year or so ago. Then came the day of reckoning and remorse.

Bread riots broke out; laborers stood in line in New York seeking jobs at a wage of \$4 a month with board; banks suspended payment in coin and business houses tumbled into bankruptcy and ruin. And Van Buren was to blame. The President appealed to the "sober second thought of the people," to quote the phrase he made popular. But the public could not or would not be convinced that he had not caused the country's financial ruin.

It will ever be thus. We will always throw our money away on some crazy speculation. The urge to make easy money is great. And when the day of reckoning comes we look about for someone to blame. Let's pick on the President!

But right now, let us spend some of our money—in Belleville.

CHARITY BEGINS AT HOME

As the day of the post-season football game approaches, bringing the Belleville and Nutley High School teams together, citizens of both towns await the grid conflict with more than the usual amount of interest displayed in such a game. This game will be more than an event being held in the interest of sweet charity. Many hope that Saturday's meeting will bring about the restoration of athletic relations. Teams representing the two schools have not met since 1928.

It would be splendid if the two schools should resume a friendly rivalry of many years' standing in a game that was played for the benefit of the unfortunate of both communities. After all, charity does not only mean helping those less fortunate than ourselves. The most important charity is found in our attitude toward those with whom we come in contact. Charity, it is often said, begins at home. Home, in the case of Belleville and Nutley High Schools is right in the meeting room of the two athletic associations. Why not let the dead past bury its own hatchet? Successful men and organizations have always lived in the future.

Much has been said during this season which is rapidly drawing to a close about over-emphasis in football. The game is only over-emphasized when the rivalry created between two schools becomes so intense that players, coaches and faculty—to say nothing of the student body—forget that it is all in fun. When a sane perspective becomes distorted the game becomes too big for the school and should be abandoned entirely.

Let us remember that football is only a game.

DISCREDITED SLOGANS

Should the blind lead the blind? Yes, perhaps so, when one of the two blind men is himself led by a dog with good eyesight.

Can the unemployed employ the unemployed? Yes, certainly, that is easy! Let the unemployed lots employ the unemployed men. Cast your eye over the vacant lots in Belleville, waiting for some buildings to sit down on them or for some undersized golf courses to beguile the public. Notice that they are generally enriched by an efflorescence of tin cans, weeds, dramatic programs, torn sheets from newspapers, banana skins you'd hate to touch and a thousand other undesirable items. These lots need to be shaved, scraped and manicured. Why should not the mayor and commissioners, in the spirit of camaraderie, call together the owners of the lots and persuade them to contribute modest sums for the burnishing of their property, with the understanding that the money be used to employ idle men to whom jobs would

Will Rogers Picks A Story For This Spot

THE Worst Joke I heard today was told to me by Walter Futter, of the Futter Productions Co. I first tangled with Walter out at Goldwyn's Movie Studio in Culver City. He was what you call a cutter. That is a fellow that if the picture hasn't been taken bad enough in the first place, why he cuts it all up and puts it back together so it makes it look like something. Well, here I meet him in Berlin the other day and he is

a real producer and buyer and seller of Movies, and is a real live hustling Kid. If you haven't gone into the movie business yet, why you can't do worse than Walter. He will sell you anything. It was ever taken. Well, we sit having "Ein Dunkle" one night, arguing over the movies, and just as I was going to sleep he broke out with the following. He went back home to where he had lived in Pennsylvania. He asked about a certain Jones family that used to live there and they told him here is what happened to them. "Tom, he is out where you come from in Hollywood. He is in the Movies. He is a Movie Shiek and doing fine, they say. Jack, that's the next one; he turned stage Actor and you see his picture ever once in awhile. William is an Artist; he is a pretty good Painter, they say. Mary, the Sister, is doing some Literary work, but Sam, he never amounted to anything at all. He stayed here, and it just took about all he ever made to support the rest of them."

Outlaws' Refuge

No Man's land was the region 170 miles in length and about 35 miles in width north of Texas. It was added to the United States in 1850 and made a part of Oklahoma in 1890. Between these years the district was under no form of government and became a resort of outlaws.

ON the 11th, Mr. H. H. B. of Miami declined a renewal of a \$5,000 Accident Policy. On the 17th stepping in front of a railroad train, he was killed. His widow did not receive an Etna check for \$5,000.

Belleville High Shapes Up Strong

Nutley Powerful In the Air; Blue and Gold Line Has Edge

Comparative Scores Of Past Games Gives No Indication Of Outcome

FIRST CLASH IN TWO YEARS

Belleville fans confidently expect the Belleville High eleven to record their first victory over Nutley Saturday. Although Belleville and Nutley have long been regarded as bitter rivals the teams have only met twice on the gridiron in recent years. Each time Nutley has come from behind to win. Back in 1924 Nutley eked out a 7 to 6 victory after the Maroon and Gray had been outplayed. A long for-

The teams severed relations for a time and met again in 1928. This time Nutley was outrushed and made less first downs than Belleville, but two forward passes from Ray Gibney to Jim Sentner resulted in touchdowns and Belleville was on the losing end by a 12 to 7 score.

COURTING LADY LUCK

This season, however, Belleville figures Lady Luck should smile the other way. In comparing the two teams there is little to choose and even if one team did have an outstanding record it would be hard to pick a winner before game time. Everyone knows when Belleville and Nutley meet in any sport, season's records are forgotten. They just go at it "hammer and tongs." Neither Belleville nor Nutley boast of brilliant offensives. Nutley has the edge by a good margin as far as the aerial game is concerned, but outside of their aerial attack the Stanford coached clan does not amount to much. The running attack of each team is based on one man. Nutley has Blasi, but Belleville can counter with Mac Lamb. Blasi is a fine little backfield man, but like Lamb he does not get much help from his team in the way of interference.

Nutley's other three backs are Sherwood, Struble and Connors. Sherwood is a good forward passer and a fair plunger, but on the defense he is anything but strong. Connors is a better than average back, not so flashy, but a good pound gainer and a good place-kicker. Struble is just an average back, but can be depended on to carry his share of the burden.

BACKFIELD WEAK

Outside of Mac Lamb Belleville is as weak as far as backfield is concerned. Fritz Plenge, a senior back of two seasons, has been going good this year although Fritz looked good in the East Side game, especially at punt-

ing. Plenge's one glaring weakness is his inability to cover up on passes. Lou Westra, recently promoted to first string quarterback should give a good account of himself. Westra ran the team like a veteran in the second half of the East Side game.

Just who will be the other starting member of the Belleville backfield Saturday is somewhat of a mystery. Art Leadbeater started at fullback in the East Side game. Jerry Bonavita then replaced him and after the way Jerry played it would not be surprising to see him start. Then again Coach Erikson may decide to hold Jerry in check in order that he can run wild in the second half. One thing is certain, that is if Jerry Bonavita and Mac Lamb get loose it may be just "too bad" for Nutley. With Lamb and Bonavita in the backfield at the same time Belleville has two of the best running backs hereabouts.

LINE SHOULD HOLD

As far as opposing lines go Belleville apparently has the edge here. The Belleville line is big and strong and in most of the games this season have outplayed their opponents. They checked Schummel of Bloomfield far better than the Nutley forward wall did when these two teams met. Then again the Belleville line looked better against East Side than their neighboring rivals.

Nutley has the edge as far as ends are concerned. Ted Kellett and Luzzi, Nutley wingmen, rate a trifle higher than Chuck Plenge and Ralph Casale if for no other reason, for their receiving of passes. Kellett, although light, is lightning fast and at going down under passes this little Nutley end is a wonder. In regards to defensive tactics Casale and Plenge are just as effective as the Nutley pair of wingmen.

BLUE AND GOLD HAS EDGE

Butter Brand, Belleville pivotman, and Clem Van Horn the Nutley center appear to be about evenly matched. Nutley has no guard to match Harold Bade. McMaster and Udansky, who alternate at the other guard position are as good as Mackenzie and Hagerman. Belleville also has the edge at the tackle posts. Captain Lou Galluba, Homer Estelle and Bill Daly, Belleville's stellar trio of tackles are three hard smashing boys who always are in the game. Lang and Brown, the Nutley tackles are fairly strong, but not as good as the Blue and Gold tackles.

One can see from these comparisons that Belleville has a slight edge, but whether it means anything or not remains to be seen. At any rate Belleville has their best chance this year of defeating Nutley. They should win, but one can never tell.

'HELLO BILLS' LOSE TWO GAMES

National Turners Take Elks For Ride On Local Alleys

ROLL IN TWIN-COUNTY LOOP

The fast-stepping Belleville Elks were not quite up to par Thursday night in the Morris and Essex league match at the Belleville alleys and as a result they lost two out of three games to the league leading National Turners.

Belleville won the first game by a good margin, dropped the second by four points and lost the final by twenty pins. Bob Whitten and Charlie Waldie were in fairly good form for the local "Hello Bills" although neither approached their mark of the past two matches. Tom MacNair had a mediocre 162 in the opening game, but came back with scores of 188 and 195 in the next two games. Koegel was outstanding for the National Turners.

PASSAIC COURT FIVE WISH TO SCHEDULE GAMES WITH LOCALS

The West End Association of Passaic, for two years city basketball champs, would like to book games with senior teams in Belleville. The West Ends are confident of having another successful season on the court. Last year their record was thirty-five wins out of forty games played.

This year the aggregation consists of prominent Passaic High School players and a few college stars. Among its players are Frank North, who plays with the Newark College of Engineering; Max Barber and Cliff North who are regulars on Coach Amassa A. Marks' Passaic High School team; "Bo" Miller, all-city selection on the Passaic City Senior League team; John Mara, also on the Passaic High School roster; George Walsko, Earl Jensen and Isadore Barber, all of whom are considered among the city stars.

The association is just completing its schedule and any teams that are considered among the best are requested to send in their challenges to John Mara, 337 Boulevard, Passaic, N. J. For traveling games a guarantee to cover expenses is required.

CLUB AT HIGH SCHOOL NEEDS PIANO PLAYERS

A drive is in progress for piano players at the High School and many students have already volunteered, but more are needed. Those included in the club at the present time and their respective classes are: Pauline Rosenblum, Geraldine Rhoads, Marjorie Haslam, Gladys Jacob, Bernice Goldstein and Jeanne Tallman, seniors; Virginia Rutledge, Pearl Katzen, Eleanor Wermuth, Florence Perotti, juniors; Palma deNoia, Mary Colaninno, Doris MacGregor and Helen McNair, sophomores; Marion Miller, Mildred Drentlan, Janet Miller and Viola Jacobs, freshmen.

Martin-Dennis regained the lead in the Manufacturer's League by taking two out of three games from Wallace Tiernan Friday night at Ferrara's alleys. The Tiffanys fell back to the runner-up position as a result of losing two games to the fast-stepping Sweeney quintet.

Other matches Friday night resulted as follows: Hanlon & Goodman won three from Atlas Fence, Jeffery and Mayer scored a clean sweep over the Sonneborns; Federal Leather whitewashed Hoyt Bros. in all three games and the Thomsons took the odd game from International Ticket.

JEWELERS WIN AND LOSE

Sweeneys and Tiffanys hooked up in an interesting match. The "Jewelers" won the first game by a close margin, but met their Waterloo in the next two, dropping the final by three pins. Brogan and Merz were instrumental in the Sweeney triumphs. The Skidmore brothers were best for the "Jewelers."

Jeffery and Mayer had an easy time with the Sonneborn pinners, taking the first game by more than 100 pins. Art Mayer continued his fine pinning for Jeffery-Mayer. Watson did some fine rolling for the winners. Steffanelli was best for the losers.

Hanlon and Goodman, although not rolling such high scores, nevertheless had easy pickings with Atlas Fence. Tommy Dunn as usual led the attack for the "Brush-makers." Hallett was outstanding for Atlas Fence.

COP HIGH PRIZE SCORE

International Ticket won the first game of their match with Thomsons, but the next two contests found Thomsons leading the way by a wide margin. Beam and Fredericks rolled well for the winners. Blume, veteran anchorman of International, chalked up a 232 score in the opening game to cop high prize score for the night.

The Martin-Dennis pinners earned two well deserved victories over Wallace and Tiernan. The league leaders hit a 930 count in the second game. Hopler and Payne led the attack for Martin-Dennis. Keyes was best for the "Tiernan-men."

Federal Leather, probably the most erratic team in the league, won the odd game from Hoyt Bros. Charley Fritz had a good night for the "Leathermakers" with Art Lind best for Hoyt Bros. The scores:

BLUE AND GOLD SPRINGS SURPRISE LEGION LOOP HIGH SCORE SMASHED

Touted East Side Tumbles Before Locals' Mad Attack

Bonavita Dashes Seventy Yards For Touchdown; Final Score On Fumble INVADERS LED AT THE START

A rejuvenated Belleville High eleven displayed their best form of the season Thanksgiving afternoon when they defeated East Side by a 19 to 6 score at Clearman Field. The pleasing part of the victory from a Belleville standpoint was that the Blue and Gold came from behind. East Side was out in front by a 6-0 score at the end of the first half.

Belleville was outplayed in the first half by a rather wide margin. In view of the fact that the locals made a disappointing showing the game previous to the holiday attraction, many had already conceded victory to East Side. However, the locals came back to play like state champions in the second half. In fact if the Belleville players had worn different jerseys one would have thought Coach Erikson had sent in "ringers."

HORTON UNREELS DASH

East Side showed to strong advantage in the first quarter and early in the second period. On the third play of the game Horton, speedy East Side halfback, got away for a thirty-five yard dash around left end to bring the ball to the Belleville thirty. Belleville held at this point and after an exchange of kicks East Side had the ball on their own forty-two.

A pass was attempted on the first down, but Fritz Plenge interrupted the ball's flight and Belleville took the pellet on their own thirty-nine. Three plunges netted seven yards and on the fourth down Fritz Plenge got away a beautiful punt to the East Side ten-yard line.

After two line plunges were good for five yards the East Siders, who throughout the game threw passes in their own territory, completed a forward for ten and a first down. The stubborn Belleville line held here and the Newarkers kicked to the Belleville thirty-nine.

Leadbeater gave the Belleville fans a thrill by crashing off right tackle for fourteen yards. East Side held here and Plenge kicked forty yards, Martin running it back to the thirty-one as the quarter ended.

MARCHES TO SCORE

It was here that East Side started their march which led to the first score of the game. Four plunges netted a first down, a twelve yard pass was good for another first down. Mixing up their attack the East Side eleven chalked up another first down on line plunges. Then after three plunges had failed, Martin, wiry East Side quarterback, called for a pass and Schmuckler threw a beautiful pass to Horton for a touchdown.

Instead of being discouraged at this turn of affairs the Belleville boys came right back and played the Newark eleven off their feet although the locals did not score in the first half. Mac Lamb ripped off nineteen yards on two end runs. East Side was penalized fifteen yards when Ezzo used some "Iron-bound" tactics on Lamb. Westra reeled off eight yards on two line plunges, but the Newarkers held on the next two tries and a first down was missed by a foot.

A poor kick gave Belleville the ball on East Side's thirty-eight and the half ended a moment later.

CASALE GRABS PASS

The second half found the Belleville

East Side had the ball on their own thirty-four. On the very first play Ralph Casale intercepted a forward and Belleville had possession on their opponents' thirty-nine.

Mac Lamb then emulated Eddie Wittmer and after carrying the ball five times in a row the flashy Belleville back brought the ball to the twelve-yard line. A forward here via the Westra to Fritz Plenge route brought the ball to the one-yard line. Jerry Bonavita then plunged over for the touchdown. The score remained at six all when Westra failed to plunge for the extra point.

BONAVITA TRAVELS FAST

The Belleville fans were in a jubilant mood now and they were yelling for more. Belleville kicked off and after East Side found it impossible to penetrate the Belleville line the Newarkers kicked to Belleville's thirty. Jerry Bonavita then gave Belleville fans their biggest thrill of the season by dashing for seventy yards off right tackle for a touchdown. The Belleville team gave Jerry perfect interference on the play and by the time Jerry crossed the last white line there was not an East Side player within twenty yards of him. Galluba's try for the extra point was wide, but the point was awarded as East Side was off-side.

This was all the scoring for the third period. Throughout the entire third quarter and also in the last period the Belleville line was impregnable and East Side failed to make any headway.

SCORES ON FUMBLE

Belleville scored their final touchdown in the middle of the last quarter. Fritz Plenge kicked from his own forty-five yard line to the East Side five. Quinn, who at the time was playing safety for East Side fumbled and the ball rolled over the goal line where the alert Ralph Casale fell on it for the third Belleville touchdown. A forward for the extra point was grounded. There was not much excitement for the rest of the game and the game ended with East Side in possession on their own thirty-five.

The entire Belleville eleven played a great game and sent Belleville fans home with the impression that Nutley will have a great battle on their hands this Saturday.

Jerry Bonavita, by virtue of his seventy-yard dash for a touchdown was the "glorymaker" for the day. Mac Lamb, however, stood out as the leading ball carrier on the field. When a yard or two was needed Lamb invariably came through. Fritz Plenge also comes in for his share of praise for his fine punting. Westra also played a bang-up game. Bill Daly, Homer Estelle and Harold Bade all played a wide awake game on the line as did Captain Lou Galluba. Horton, Martin, Schmuckler and Ezzo were outstanding for East Side. The lineup:

The Belleville Lions bowlers kept up their good work in the County Lions League by scoring another clean sweep over the Orange Lions quintet Wednesday night at Rogers' alleys in Bloomfield. The three victories give Belleville a lead of five full games in the league and practically clinched the title for the locals.

Led by George Mead and Ernie Scholl, the Belleville five had little difficulty in winning all three games. The Orange quintet hindered their chances of winning any games by having only three members of their team present, thus forcing two blind scores to be used. Belleville rolled 913 in the first game.

George Mead enjoyed his best series of the season with scores of 216, 197 and 177. Ernie Scholl had a good night with three games of 194, 180 and 184. Jeffery also rolled in good form for Belleville. McNiece was best for the losers.

**CHURCH PIN LEAGUE WILL
RESUME PLAY TONIGHT**

Bowling matches in the Church League were called off last week because of Thanksgiving falling on Thursday. The teams which seem to be evenly balanced this season will be at it again tonight. A bitter fight for first place is expected this season as there are six teams still in the running. Fewsmith Men's Club are out in front by a single game with Fewsmith Presbyterian in second place. Christ Episcopal and Christ Reformed are tied for third, two games behind Fewsmith Presbyterian.

NO-NOX BOWLING SCORES

No Nox Bowling Club scores for last Friday are as follows: Mrs. William Frey, 201; Mrs. Milton Shifman, 182; Mrs. George Hunkele, 179; Mrs. Clifford Faust, 168; Mrs. Alvin Case, 157; Mrs. George Sieboldt, 148. At their meeting Friday, November 21, members of the club presented their president, I. Faust with a 258 toning.

Another night of hectic bowling took place Monday night at Ferrara's alleys in the American Legion League contests. Not only the high individual score of the season was shattered, but also a new high team mark was registered. Charley Van Riper and Mike DeCarlo, of Junior Order and the Moose Club respectively hit for scores of 258, beating Tommy Dunn's 237 score of last week by a single pin. The Moose Club murdered the maples for a 1,053 count in the second game of their match with Junior Order.

G. O. P. INCREASES LEAD

The Republican Club increased their lead to two full games by defeating the El Club in two out of three games while the second place Knights of Columbus quintet was losing two games to the Hoople Club. The fast-stepping Belleville Elks went up a notch in the ladder to third place by scoring a clean sweep over the Parks. The Club's two defeats sent them down into a tie for fourth place with the Moose. In other matches of the evening St. Peter's won two from the Belleville A. A.; Veterans of Foreign Wars won all three from the Bachelors and the Moose won the odd game from the Junior Order five. The Republicans rolled well in their match with the El Club, but the El's hit for 938 in the second game to win their only game of the night. Major Charles Tate fattened his fine average considerably with three scores of 202, 182 and a neat 249 in the final. Willie Hammacker hit a 237 in the final game for the Republicans and McGinnis also rolled well. Bill Buttons hit a 238 score for the El Club in the second game.

HOOPLES WIN HANDILY

The Hooples won their first two games from the El Club in easy fashion, but it just wasn't in the wood for the Hooples to score a clean sweep as the K. of C. hit a 1,002 in the final. The entire Hoopie Club team rolled just about as consistent as any team could hope to roll. Whitfield and Hannan were outstanding for the Knights. The Elks were not quite up to their average, but they managed to win three from the Parks. The Parks, however, gave the "Hello Bills" a good battle all the way. Johnny Mallack led the attack for the Elks with DeWork having three games of 190 or over for the Parks. The Moose hammered the maples in impressive style in their match with the Junior Order team. Van Riper's 258 count in the opening game enabled the Juniors to win their only game of the night. The Moose rolled their 1,053 in the second and also copped the third by a good margin. In the second game four out of five of the Moose pinners had scores of 200 or over with 258 toning.

Gerino, Snyder and Reed also well for the Moose. Van and Geiger were best for the for Order.

VETS TAKE THREE

The Veterans of Foreign War had an easy time with the Bachelors, winning all three games by overwhelming margins. Rayfield was best for the Vets in match. St. Peter's rolled three tent games in their match with Belleville and managed to win out of three after losing the first by fourteen pins. Brogan, acquired anchor man for the S, led the way in the scoring. ley Schlackser was best for losers. The scores:

PERSONAL—I, Congetta Crivellone, wish to state that I am no longer engaged to Angelo Carpello of 66 King street, Belleville. This is final.

Here and There

by Harry Metz

Of course the main topic of conversation about town all week is the coming football game with Nutley Saturday. Before the East Side game Belleville rooters were rather dubious about their team's chances. They had reason to feel that way for Belleville, as we all know, played poor football in the game against Orange.

Now, lo and behold, the Belleville lads look like an even bet to defeat Nutley. In another part of this paper there is a man for man comparison of the teams. Belleville is bigger, stronger, and more powerful than Nutley as these comparisons show, but whether this means anything remains to be seen. There's one thing which we always noticed about Nutley teams in any sport. That is, they always get the breaks. Coach Stanford may not like that remark, but it is not meant as a reflection on his coaching ability. It's no disgrace to get the breaks. Now the big question is will Nutley get the breaks once more? Nutley and Belleville have met twice on the gridiron and twice Nutley has gotten the winning break. Will the worm turn?

In watching the Belleville team practice this week we were pleased to note that the locals look better right now than at any time in the season. Jerry Bonavita must be inspired since his seventy-yard dash in the East Side game. If he can continue at his present pace Nutley will think they have a Joe Savoldi to cope with. The only difference between Savoldi and Jerry in the East Side game was that Jerry did not have any matrimonial difficulties to worry him.

As we have stated about "ump-teen" times, the only thing worrying us in the Nutley game is the Nutley forward passing attack. It may be all well and good to say Nutley's passes didn't click in their contest with South Side, but don't forget the fact that our Belleville lads are weak as far as an aerial defense is concerned.

On the other hand, don't be surprised if Belleville fools the Stanford coached clan by uncorking an aerial attack themselves. Jerry Bonavita, Mac Lamb and Lou Westra have been tossing forwards in fine style all week. What's to prevent Belleville from getting a touchdown or two themselves by the air route? Well, all we can do is sit back until game time. Our predictions will probably be "all wet," but here's one time we

think we are right. Belleville by one or more touchdowns.

The other night we saw a cartoon which struck us as being clever. It showed a giant representing the Army football eleven and an equally large giant representing the Navy football team. In the middle was a demure little miss representing Charity. The keynote to the situation was that the only way the Army and Navy were brought together on the football field this season was by this miss representing Charity.

Have you stopped to realize that this is the reason why Nutley and Belleville are playing Saturday? The moral to this is that it should not take Charity to bring the Nutley and Belleville elevens together in the future. Let the school officials stop their squabbling and in the future let the schools meet "on their own hook." Not only in football, but in other sports as well. Get busy, Belleville and Nutley and arrange basketball games for this season.

Another capacity crowd is expected to witness the second Belleville Elks amateur boxing tournament which will be held at the Belleville Elks hall Friday night. The last set of bouts held Election Eve attracted 500 fans.

Joe Reilly, head of the Elks Social and Welfare Committee, announces that an imposing list of entries have been received although only one Belleville entry has entered. Teddy Baldwin, 118 pounds, is the Belleville lad who will attempt to give local fans something to cheer about. Teddy has not had much experience, but is a willing mixer and should give a pleasing exhibition.

Joe Reilly hopes to put on a special bout besides the scheduled bouts. He will probably use Ed Andahage, National Turner star, as one of the contestants for the special bout. Andahage is a smashing, two-fisted fighter who is rated high in amateur circles. In fact many predict Andahage as the coming welterweight champion.

The Bayonne A. C. has sent in four entries including John Benford, 138 pounds. Benford is the lad who put up such a great battle in the last set of bouts. The National Turners have also sent in four entries and besides these boxers there will be a number of unattached.

In the event that the bouts prove a financial success it is hoped to stage similar shows every month.

ORIGINAL COSTUME WINS PRIZE

William Baumgartner, son of Mr. and Mrs. Henry Baumgartner of Davidson street, won the prize Monday night for the most original costume in the children's promenade at the Elks frolic in the Sussex avenue armory, Newark.
