

Endorsements Director Waters Been Busy At Card Parties And Private And Club Meetings

Commissioner Patrick A. Waters finds twenty-four hours a day a short space of time in which to take care of the many engagements that clubs, card parties and individuals demand of him. However, he manages to "cover" practically all important engagements.

For instance, this week Mr. Waters started Monday night with three meetings, The Inter-Town Social and Political Club, the Hill-Top Association and wound up at a club located at King street and Washington avenue, all of which organizations endorsed him.

Tuesday and Wednesday evenings he attended private gatherings and card parties. Last night card parties and more private meetings drew his attention.

Tomorrow night the Wednesday Evening Pinochle Club which has obtained over 150 prizes will stage a monster card party in St. Peter's School auditorium in honor of Mr. Waters.

Weston Platform

George H. Weston, commission candidate, of 184 Tappan avenue, asks publication of his platform, as follows:

A reduction of interest rates on bonds; the creation of a central purchasing bureau; balanced budget; reduction in gas and electric rates; and efficient business-like management of the town's affairs.

"In the coming campaign I will elaborate on these different items," he adds.

Belleville To Hear For First Time

Frank La Forge, Pianist-Composer

Harrington Van Hoesen, Baritone, Who Is One Of His Pupils, Will Also Appear At

Woman's Choral

The Choral of the Woman's Club of Belleville will hold its fourth annual concert at the high school the evening of April 12. The Choral is under the direction of Lucille Bethel and the accompanist is Mildred Unfried. Assisting artists include Ethel Smith Ford, violinist and Ida H. Wesner, cellist.

The guest artists are Frank La Forge, pianist and composer, who will be heard for the first time in Belleville and Harrington van Hoesen, baritone, who is a pupil of Mr. La Forge.

With such artists as these music lovers will be assured a perfect evening. Tickets are now on sale and may be secured from any member of the Choral. Mrs. Albert S. Blank is music chairman and has on her committee Mrs. W. P. Adams, Mrs. Frederic Dodd, Mrs. Edward L. Eska, Mrs. Raymond E. Mertz, Mrs. Lloyd Nunn, Mrs. Andrew G. Salkeld, Mrs. Frank Dorman, Mrs. Dudley Drake, Mrs. John J. Hewitt, Mrs. Joseph A. Miller, Mrs. Wayne R. Parmer and Mrs. James G. Shawger.

Headquarters Open For Engagement Abromson's Meeting Place Is Now Ready For Reservations

With headquarters for Edward J. Abromson, town commission aspirant now open, the candidate's campaign committee announced yesterday that the offices would be open to any person or organization for card parties, meetings and social gatherings.

Located at 529 Washington avenue, near Overlook avenue, the telephone number is Belleville 2-4283. Reservations for the hall and all other arrangements can be made by calling that number, it was announced.

Former Freeholder Joseph King Enters Race For Commission In May

Has Been Interested In Development Of Town And The
Welfare Of The People For Past
Twenty-Four Years

Former Freeholder Joseph King has just announced his candidacy for the town commission election in May. His statement follows:

"I, hereby announce my candidacy for commissioner of Belleville in the forthcoming May election and respectfully request the support of my fellow citizens.

"As a Belleville citizen and member of the Davidson and King Builders and Real Estate Company, I have been interested in the development of the town and the welfare of the people for the past twenty-four years.

"As a Freeholder of Essex County, I have had wide experience in municipal affairs.

"I offer my record in public and private life, which is an open book, as a guarantee of my integrity and sincere desire to serve your town and my town.

"I make no rash promises at this time for I believe that you are more interested in performance than in promises.

"The following activities are submitted as an indication of my interest in civic affairs: president, Clover Building and Loan Association; president, Belleville Realty Investment Company; president, Sinking Fund of Belleville; director, First National Bank of Belleville; trustee and charter member of Welfare Service Bureau; trustee of Community Chest; and member of Rotary Club.

"The one promise I make all my fellow citizens is as follows: I will, if elected, devote the necessary time and thought to giving Belleville the best possible service that faith, courage and co-operation can accomplish."

Republicans Hear Town Commission Candidate

The Regular Republican Club met at the Elks' Club Monday. Thomas Berry presided. After routine business the president proceeded to call upon the various candidates for town commissioner.

Edward Abromson, Elmer Hyde, Samuel Figurelli, Joseph King, Thomas D'Avella, Edward Hicks, Arthur Mayer, Dr. A. A. Rubin and Commissioner William D. Clark addressed the gathering.

The meeting of April 16 will be a card party. It is quite possible that there will be one more public meeting to present the candidates to the voters.

Refreshments were served. The next regular meeting of the Local Government League will be held at the Belleville Elks' Club on Tuesday evening at 8:30 o'clock. The feature will be several talks by prominent speakers, well versed in the field of municipal politics.

Second Ward Plans To Figure-On-Figurelli

Several leaders in the Second Ward have organized a "Figure-on-Figurelli" Club, with headquarters at 283 Belleville avenue. Several committee meetings have already taken place and plans have been made for the grand opening, which will take place on Tuesday, March 27.

The committee, headed by Nicholas J. Colaninno, is as follows: Antonio Bonnanella, Frank Megaro, Jerald Frunzi, Joseph Martini, Joseph Granes, Leonard D'Onofrio, Nicholas Innamorato, John Steffanelli, Harry Citerella and Joseph Piscopiello.

Government Needs Modern Methods Declares Abromson

Tells Audience Town Is Virtually Similar To Other
Business

"Modern government necessitates the management of any municipality along modern, sound, business-like lines," Edward J. Abromson, commission candidate, said last night at a card party held in his campaign headquarters at 529 Washington avenue.

Addressing about seventy-five persons Mr. Abromson said: "Belleville is essentially a municipal corporation while legally it might, in certain instances, differ from any ordinary business enterprise. Nevertheless it is virtually a corporation similar to any other.

"Citizens of Belleville, who are shareholders in this municipal corporation, elect every four years five men who will act as directors. Both

Little Theater Guild

Articles by An Unknown

Theater Guild work is perhaps most fascinating when one considers the many sides and phases that it has. Shows come and shows go but parts of Guild work never stop. Rehearsals, meetings and the theater occupy the greatest part of the time of most guild members but there are a few whose greatest pleasure is creating—hence the scenery. This group is known as the guild workshop.

They consist of a group of men under the leadership of Harvey B. Thompson, who is the chairman of the group, and Joseph Maguire who is the chairman of the production committee for the Belleville Little Theater Guild's spring show, "Counselor at Law," which is being given at the high school on Saturday, April 7.

The production manager and workshop chairman are the best of pals. It is they who, after the show has been selected and prepared for rehearsal, design the set of scenery and build, paint, and create the backgrounds so important to any show but particularly Theater Guilds.

More people remember longer a particular stage set of a prominent Broadway production rather than the characters and lines that make up

TAXPAYERS' ASSOCIATION ISSUES QUESTIONNAIRE TO CANDIDATES

Answers Will Not Be Published Or Made Available For Use Of Other Candidates Till Week
Of April 9—Must Be In By April 2

The Belleville Taxpayers' Association has sent the following letter to all commission candidates:

"It is our understanding that you have announced your candidacy for the office of commissioner of the Town of Belleville.

For the purpose of securing information for the citizens regarding the qualifications of candidates for public office, the Belleville Taxpayers Association has prepared the questionnaire appearing on the attached pages. You are respectfully requested to answer all questions and return the questionnaire intact to G. E. Trenkler, recording secretary, 121 Cedar Hill avenue, noa later than 8 P. M. Monday, April 2, 1934.

"The information which you give, together with the information from all other candidates will be disseminated to the voters to assist them in determining the fitness of the various candidates for the office of Commissioner of the Town of Belleville. The public activities of the Belleville Taxpayers' Association Campaign shall be determined by the results.

"Particular attention is directed to questions thirteen (13) to twenty (20) and their various parts. As these problems will be some of those that a commissioner will have to face—and face definitely in the next four years—we believe that the voters and taxpayers are entitled to know clearly the attitude of the candidate.

Question 13 starts with: Are you in favor of budgeting all expenditures, etc.? and 20 pertains to how much could be cut from the budget.

Expect Tax Reduction

"These questions were not made to get a series of promises, plans or ideas that are not practicable or possible. The taxpayers have the right to know before hand that every candidate has the business ability to recognize its needs and the courage to be free from political or party domination of any kind in the discharge of his public duties. Taxpayers will not accept the political excuse that expenses of government cannot be further reduced. They expect those elected, to clearly recognize that taxation has reached the end of its elastic limit and will expect them to reduce the expenses of government to its lowest reasonable level.

"It is respectfully suggested that you fill out the questionnaire and return same, with every question answered fully, not later than 8 P. M. Monday, April 2, 1934 as hereinbefore stated.

"We assure you that your answers will not be published or made available for the use of other candidates until the week of April 9, 1934, at which time all answers will be published simultaneously."

The questionnaire reads with the following suggestion:

"Fully explain all answers—don't place yourself in the position of having someone else—possibly some other candidate—interpret your answers."

The Questions

The questions are: Name, Date of Birth, Present residence, (street), How long have you been consecutively a resident of Belleville, New Jersey? How long have you been consecutively a resident of the State of New Jersey? What is your present occupation? What have been your positions for the past ten years? Years, Occupation, Employer, Location; Are you a candidate for re-election? What other elective or appointive public office do you now hold, if any? Title of position, Branch of service, Is your position under civil service? What other elective or appointive public positions have you held? Years, Title of position, Branch of Service; In what other respect have you been actively interested in civic affairs in Belleville?

What other educational or practical training have you had to qualify you for the office you are seeking? If elected to office will you be free to perform your duties according to your independent judgment? Are you in favor of: (a) Budgeting all ex-

penditures? (b) Investigation of all pensions now paid from public funds, or partly from public funds? (c) The adoption of a pay-as-you-go policy applied to all capital expenditures?

100 Hyde Workers Form Organization

Many Prominent Women In
Town Will Lend Support
To His Campaign

The Elmer S. Hyde Club for Commissioners Wednesday night held an organization meeting at headquarters, 475 Washington avenue, with nearly 100 workers in attendance.

George Beach was elected general chairman of the organization; Chris Cuttingham, treasurer, and Herman Schaefer, in charge of arrangement committee. Ward chairmen were selected as follows: First Ward, George Rawcliffe; Second Ward, Harry Machette; Third Ward, Robert Smith and Fourth Ward, Mr. Beach. Vice chairmen in the wards are Ida A. Hammell, Emma Wenzel and Esther Garvey.

Elwood Russell will serve as secretary. Working in behalf of Mr. Hyde are about eighty-five prominent women of Belleville. A men's group is also hard at work.

Speakers Wednesday night were Messrs. Schaefer, Russell, Beach and Hyde. Practically everyone discussed some phase of Mr. Hyde's campaign.

Workers in each ward will meet one night each week for a get-together.

Figurelli Wins Endorsement By Belleville Political And Social

Members Make It Clear, However, That Other Endorsements Will Be Made By
Them Later

In accordance with a report made by the Political and Civic Committee, headed by Joseph Natale, the Belleville Political and Social Club, Inc., Thursday night unanimously endorsed ex-recorder Samuel Figurelli as candidate for the Belleville Board of Commissioners. In view of the fact that all candidates have not as yet officially announced their candidacy, it was thought best to defer further endorsements until such time.

Mr. Figurelli has been an active member of this organization since its incorporation three and a half years ago, and now finds that it is solidly in favor of his candidacy.

John Steffanelli, chairman of the entertainment committee distributed tickets for the club's card party to be held at the Recreation House on Saturday evening, April 14.

Fifteen applications for membership were introduced by the membership committee and same were accepted.

Commissioner Patrick A. Waters made his first political speech at this meeting and stated that a 57 per

cent reduction in running expenses of his department was effected in 1930. He insisted that it was in his department's interest to enter into recent hiring of 1,000 CWA workers in town.

National leaders of the U. S. National Fascists, dressed in attire of brown military uniforms, addressed the club after the close of its meeting. Interesting talks by Col. Galanti and General Astori disclosed that the chief aim of this new growing union is the unification of the working class and destruction of political and financial racketeers.

The Parent-Teacher Association of School No. 3 Tuesday evening presented the "Comical Country Cousins," a comedy in two acts. The play was coached by Miss Lena Dunlap of the school faculty. The school orchestra entertained during the intermission.

Commission Race Gathers Momentum

Plenty Of Lids Are Tossed
Into Political
Ring

Belleville's battle of four years, the commission election—is gathering steam. This week a whole flock of candidates shook the dust from their heels and climbed through the ropes of the political ring to exchange ideas, words and various sundry other things in a joust that promises to be the best and biggest the town has ever witnessed.

Former Supervising Principal of Schools George R. Gerard tossed his lid into the ring along with Michael Devaney, Everett A. Hicks, John Donnelly, Nicholas Burde, member of the shade tree commission and Raymond Abbott. Commissioners W. D. Clark and William H. Williams are also getting lined up.

Announcements of the new starters read:

GERARD'S STATEMENT
"In announcing my candidacy for the office of commissioner of the town of Belleville for the forthcoming term, I judge it wise to state my belief as to the management of our municipal affairs and, if elected, what I shall try to accomplish.

"My statement is brief for I want

Perhaps you think that the flat pieces are the only things worked on but here you would be mistaken. They construct fireplaces, bookcases, awnings, window, stone walls (out of lumber), and myriads of other apparent odds and ends that go to make a stage setting as realistic as possible.

Whether their medium be oil paint, wood, chalk, canvas or metal, they carry on but never receive their due recognition for a job so valuable to any play.

...every department. We have not yet asked for public services when we are not able to pay. Balancing the budget alone will not do, for if we do no more than this we cannot decrease our debt service load. A factor in the accomplishment of debt reduction is the possible lowering of the interest rate on our obligations. I favor maintaining Belleville's credit by meeting our bond and interest obligations as they accrue, but also paying town employees at least part of their salaries in cash and in full as soon as circumstances will permit.

"I am firmly convinced that we should have the same efficiency in public service as in private affairs and, if chosen, will urge that the same energy be given to public work as to private business, at the same time maintaining a high standard in all that affects our Belleville homes."

"I believe in equal treatment for all without fear or favor, and that neither promises nor friendship nor politics has any place in the administration of public affairs. I will do all I can for our whole body of citizens and not for any favored group. If made commissioner, I shall have the courage to think only of Belleville and the common good."

"My platform may thus be summed up briefly as — economy, efficiency, and equal treatment for all."

Hicks' Platform
Mr. Hicks announced his platform as follows:

"Having been a resident of Belleville for forty years and a plumbing contractor here for thirty years, I have knowledge which is necessary if we are to improve our present conditions. If elected I will establish an economical working system, cutting out needless waste of labor and extravagance, thereby reducing the present high tax rate."

"Neglect or ignorance does not lead to economy. If elected I will take up my duties with the idea of economy foremost in mind."

"I am conducting my campaign without one paid man to solicit votes, without a political following, without one donation to a campaign fund, without making any promises and without a campaign committee or manager."

Burde In Race
Nicholas Burde, a barber, of 770 Union avenue also announced his candidacy this week. He came to Belleville from Newark twenty-seven years ago, when he lived in the Silver Lake section. He was a charter director of the Silver Lake Building and Loan Association for seven years, resigning when he moved to the Greylock section in 1926. He was a member of the board of managers of the Silver Lake Welfare Association and assisted in the establishment of the Silver Lake Community House. He was secretary of the Silver Lake Volunteer Hook and Ladder Company.

Mr. Burde was educated in Newark day and evening schools. He studied the Italian language four years with a private tutor. He is married and has four children, three of whom are pupils at Belleville High School.

Reappointed to the Shade Tree Commission for a second term, Mr. Burde has served six years as a member of that body. He is a member of Harmony Lodge, I. O. O. F., a director of the Clover Building and Loan Association, and a member of Fews-Smith Men's Club, the Belleville Taxpayers' Association, Woodland Rod and Gun Club and the New Jersey Master Barbers' Association.

"Economy, a new deal, and a better Belleville will be Mr. Burde's campaign slogan."

Abbott In
Mr. Abbott announced his candidacy Wednesday. He is a graduate of Belleville schools and New York University and has spent almost all his life in Belleville. He has been a real estate broker the past ten years. He is 43 and married. He plans to announce his platform in a few weeks.

Williams In Race
Although Commissioner William H. Williams has not yet formally announced his candidacy for re-election, he applied to the town clerk this week for petitions of nomination.

Devaney Also In
Michael A. Devaney, 9 Brighton avenue, former member of the Olympic team, has also joined in the chase. He is 42, was born in town, attended public and parochial school here and New York University.

Civic Forum Endorses
The Civic Forum Incorporated of Belleville, at a meeting held on March 9, carefully considered the prospective candidates for the election of commissioners to be held on May 8.

The association feels that the men to be elected must be men in whom the public can have confidence; whose leadership they can respect and follow; who are unalterably opposed to any prejudice or discrimination because of race, color, creed; who will give the town of Belleville a type of government—clean, honest, efficient; who will do their utmost to keep the taxes down, efficiently run the affairs of the town and pull Belleville out of the depths in which it has fallen in the past few years.

Wesley Men Give Womanless Wedding Presentation To Take Place At Church This Evening

A womanless wedding will be given by the Wesley Men of the Wesley Methodist Episcopal Church tonight. The bride, Mathew Wade will be given in marriage by her father, Howard Holmes. She has selected as her bridesmaids Herbert Wood and Leroy Johnson. The flower girl will be Louis G. Davenport with Jimmy Campbell as ring bearer, and Alexander Stewart as train bearer. The groom, J. C. Wilbey, will have as his best man Robert Kidney and the ushers will be Walter Grover and Horace Baldwin. W. Bradshaw will officiate as minister. Robert Buchanan as Lily Ponds will sing "Oh Promise Me" and "I Love You Truly."

The bride's mother, J. H. Stier, will have an active part at the reception to which many prominent artists have been invited. Theodore Sanford as George Bernard Shaw, will give a short reading and Kate Smith impersonated by Henry Jacobus, will sing her famous song, "When the Moon Comes Over the Mountain." That old time song of horse and buggy days will be illustrated with Lloyd Ballentine as the man and J. H. Boice, the lady. Howard Holmes and Chris Petersen will be the horse. George Davies and Robert Buchanan will sing "Whispering Hope," a duet. Six ballet girls who have been engaged to entertain at the reception with a dance number are Charles Hoover, Neil Horne, John Ray, Louis G. Davenport, Christian P. Hansen and Howard Virtue.

tures as well as current expense? (d) Effecting of every possible economy before issuing bonds or notes of any kind? (e) Enactment of ordinances or resolutions to give citizens the right to examine all public records of any division or sub-division of government during any regular business hours? What criticisms and suggestions can you make with respect to policies and methods pursued in any of the departmental and non-departmental activities of the Town of Belleville? Are you in favor of the present bond policy of keeping the Town of Belleville out of default? What criticisms or suggestions, if any, have you to offer? What program can you offer with respect to effective Centralized Purchasing? Are you in favor of the recently adopted plan for the placing of the Water Department on a budget basis? State your views as to the appointment of town employees holding executive positions in any political party? As a demonstration of your knowledge of public affairs, state how much, in your opinion, could be cut from the town budget. State specifically what economies you would suggest in any departmental or non-department accounts.

The committee realizes that it has not touched upon every controversial point that confronts the town today. Some candidates however, might wish to express themselves on one or more of these matters and it is for that reason that additional space has been provided on these pages. Candidates are urged to make free use of them. Remarks.

NEPAL AND INDIA

The strength and endurance of the Nepalese coolies are astounding. They are capable of walking fifteen miles with a load of one hundred and fifty pounds strapped to their backs. It is not generally known that in the streams of Himalaya is found one of the great game fish of the world—the mahseer. And they're caught with dynamite. Darjeeling is the only point in India from which the peak of Mt. Everest is visible. So perfect is the continuity of the mountain wall around Nepal, that were it possible to block the one pass through which the Baghmatti River flows, the waters, unable to escape, would convert the valley once more into a lake. The greater part of the sixty thousand square miles of Nepalese territory has NEVER been trodden by a white man. The bibliography of this country consists of less than a dozen volumes, and nearly all of these accounts are largely circumstantial. Cattle are sacred animals in Nepal, and the man who kills one is subject to the death penalty. Nowhere save in the district of Travancore, may be found the Nairs, whose women enjoy the privilege of possessing several husbands. The various classes of Sudras who dwell in the hills of the Carnatic, faithfully observe the caste law which forbids them to wash their clothing. Once they have wrapped themselves in cottons fresh from the looms of the weavers, they never take them off until the material actually falls apart from rotteness. The Hindus outnumber the British in India by almost two thousand to one. Firpo's is the smartest restaurant in India, but the lobsters served here are caught upon the banks where the Hindus burn their dead. Consequently, few tourists have the courage to eat them.

Surprise Shower

A surprise miscellaneous shower was given recently by Miss Gladys Smith and Mrs. J. Adams of 294 Ege avenue, Jersey City, in honor of Miss Mildred G. Lorenz, daughter of Mr. and Mrs. William Lorenz of 47 Oak Ridge avenue, Nutley. Eighteen guests were present.

An envelope containing yellow hearts on which were written verses indicated where the various gifts were hidden throughout the house. The decorations were in yellow, green and white. The table centerpiece was a three tier cake with a bride and groom in the center.

Miss Lorenz is to be married on April 21 to Ernest A. Barker of 346 Little street, Belleville. Mr. Barker is a graduate of Newark College of Engineering. Miss Gertrude Lorenz twin sister of the bride-elect, will serve as maid of honor, and Mr. Frederick Krebs of Pennsylvania, will act as best man. The ceremony will take place at 5 P. M. in the Wesley M. E. Church. Rev. Edgar M. Compton will officiate and will be assisted by the bride's uncle Rev. Frederick Lorenz of Jersey City.

After a wedding trip in the south Mr. and Mrs. Barker will reside in Belleville.

Young Republicans Are "Hands Off" In Commission Election

Alfred Crockett Of Nutley Spoke At Belleville Meeting

The Young Men's Republican League of Belleville will take no official part in the town's coming commission election, it was announced yesterday by officers of the organization. This statement followed rumors that the club had been formed to support the candidacy of a Belleville commission aspirant.

"Commission government versus City Management" will be the subject of a debate to be held at the next meeting of the organization which is on Friday night, April 6, Recreation House, Joralemon street. The commission form of government will be upheld by Fred Handlon who will be opposed by Frederick Edelman. This debate is in line with the league's policy of having open discussion on current topics of political interest.

Alfred Crockett, county chairman of the Young Republican Club, talked on the purposes and activities of that organization at the last meeting of the Belleville League held last Friday night.

J. Henry Rawcliffe, is chairman of the arrangements committee for a card party which will be held tonight in the Recreation House.

Columbia Dean To Address Accountants

Doctor Walter Reutenstrauch, dean of the Columbia School of Engineering, will be the speaker at the March meeting of the Newark Chapter of the National Association of Cost Accountants, which will be held at the Hotel Douglas in Newark, on Thursday, March 29 at 8 P. M.

Dr. Reutenstrauch will speak on "Incentives for Executives." Mr. E. Lewis, of the Eclipse Aviation Corporation, will lead a discussion on "Pricing for Profits—Equitable Return."

BASIC ENGLISH

Further, his ambition to make the English language international. Ogden, an English scholar, has written a book explaining his "Basic English." He believes that by reducing the language to a vocabulary of 850 words it can be established as a common medium of communication between countries, and he asserts that no language can be reduced to the same extent as English.

The benefits of an international language would be enormous and it is much to tear down the barriers to world commerce and mutual understanding between countries. But it will not be accomplished overnight. Objections, not the least of which is national pride, must be overcome before an international tongue will become a reality.

COMMONER

A word—seemingly loved by royalty as indicative of persons outside the august pale—is "commoner." It is used in the case of the bride of Prince Sigvard of Sweden. It is used again in the case of Miss Yuen Huo, who is to wed Emperor Bao Dai of Annam, Cochinchina. It is not a happy word in this age, for it does not denote the fact that the charm of these young women has been found more desirable than royal blood. A better word is needed.

A SURE SIGN

In Vermont, the yearly custom of tapping the sugar maples has become a sure sign that the end of the winter is nigh. The Vermonters tap sugar trees a "sugar bush" and very soon now the product will be on our tables. It has been predicted that the severe weather will hurt the trees, but first reports are that the sap is as good as ever.

As so much talk of equality, every one sharing alike in the taking from the employer and giving to the employee, we are saying of a certain wise man, "Divide a million dollars among a desert island and in three or four years none of the money for the tenth and he will have all the million." Some brains and energy are bound to be leaders. It is the nature of man not to be changed by word or act of man. Why rave and rant about such talk and such methods have led to revolutions.

SEE ALL THESE SURPRISING NEW IDEAS IN THIS 1934 DODGE

Just a few dollars more than the lowest-priced cars

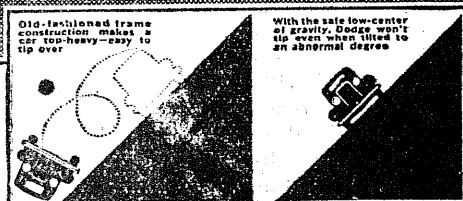

YOU HAVE TO COMPARE this Dodge 5-passenger, two-door Sedan with others to appreciate its amazing value. Costs only a few dollars more than many lowest-priced cars which haven't hydraulic brakes, Floating Power, and all-steel body. Only \$695 F. O. B. Factory, Detroit.

YOU NEED Safe BRAKES HERE

DODGE HYDRAULIC BRAKES

— smooth, quick and sure! Work instantly, stop in a flash, when you need them most. Because they always stay equalized, brake pressure is always the same on all four wheels. They never cause the car to swerve. Safe and dependable in all sorts of weather. They don't need constant adjusting.

STURDY DODGE FRAME—BUILT CLOSE TO THE GROUND—The Dodge double-drop X-bridge-type frame is not only ten times more rigid than ordinary frame construction; it also brings the new, bigger Dodge low to the ground. Gives Dodge that extra-low center of gravity that lets you take sharp turns with safety.

NEW EASY WAY TO COMPARE CARS!

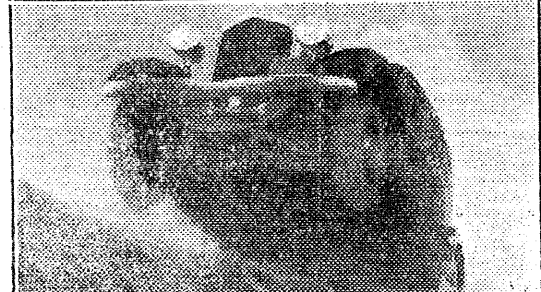

Ask any Dodge dealer for a copy of the new 1934 Dodge "Show-Down" score card. It lets you compare all the brand new 1934 cars feature against feature. The "Show-Down" Plan is easy to use. Puts complicated mechanical terms in every day language. Lets you be the judge... in your own way... right at home.

NEW BIGGER DODGE \$645*

The new, bigger Dodge on 117-inch wheelbase: Coupe \$645; Coupe with rumble seat \$655; Two-door Sedan \$685; Four-door Sedan \$745; Convertible Coupe \$745. On the 121-inch wheelbase: Brougham \$835; Convertible Sedan \$875. *All prices f.o.b. factory, Detroit. †Special equipment at slight additional cost.

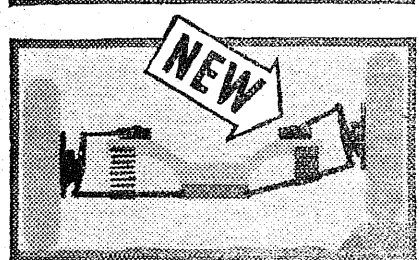

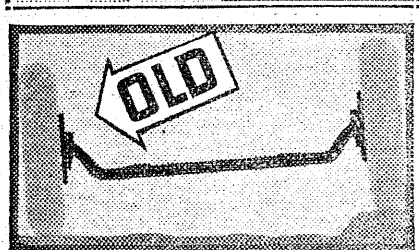

AUTOMATIC CLUTCH

— start, stop, shift, reverse — and never touch the clutch pedal. You never need to use your left foot... and the Dodge has Free Wheeling too! Only Dodge in its field offers this combination.

DODGE "FLOATING-CUSHION" WHEELS

When either front wheel of the Dodge strikes a bump, the wheel independent of the rest of the car — rises and falls with the bump. No tilting of the car. With "Floating-Cushion" Wheels, patented Floating Power engine mountings, hydraulic shock absorbers, shock proof cross-steering, Airwheel tires and long 117-inch wheelbase, Dodge is the only car in its field to offer a smooth, vibrationless, completely leveled ride!
