Principal Honored At Faculty Dinner

Miss Susan Lockhart Feted By Teachers Of Wash- ington School

Miss Susan Lockhart retiring prin-
cipal of Washington School, was given
a testimonial dinner by the teach-
ers of the school at the Hotel Mont-
clair last Thursday night.

The arrangements committee was
headed by Miss Virginia Marlair. An
entertainment following the dinner
included songs by Mrs. Florentine
Fishbeck, selections by Miss Lock-
hart's harmonica band and dance
numbers by Mrs. Hilda Sherman and
Miss Marlair. Mrs. Rae Masin gave
a toast to Miss Lockhart.

The guest of honor was presented
with a corsage and a traveling bag
fitted with monogrammed silver.
Miss Lockhart was honored at a
meeting of the Parent-Teacher Asso-
ciation of Washington School last
week, when S. R. Mountsier, in be-
half of the organization, thanked her for
her long service as an educator here,
and gave her a traveling bag.

Agnes M. Jordan Weds James Allen Leonard

The marriage of Miss Agnes Mari-
etta Jordan, daughter of Mr. and Mrs.
James J. Jordan of 26 Bridge street,
and James Allen Leonard, son of Mrs.
John Leonard of 132 Delavan avenue
took place Saturday morning at St.
Peter's Church. The Rev. Joseph M.
Kelly, pastor, performed the cere-
mony. Mrs. William A. McManus of
Astoria, L. I., sister of the bride, was
her attendant and the best man was
John A. Leonard, the bridegroom's
brother. The bride was given in mar-
riage by her brother, Philip J. Jordan.
Thomas S. McNair of this town and
William O. McEnroe of Newark
were ushers.

Charles Christell sang and the or-
gan was played by Thomas A. Hane-
y of Montclair, organist of the church.
The bride wore white satin with a
tulle veil, caught with orange blos-
soms. She carried a prayer book that
held a spray of lilies of the valley.
Her sister wore a beige lace dress and
brown straw hat and carried a bou-
quet of talisman roses. The altar
was decorated with white peonies.

On their return from a wedding
trip, Mr. and Mrs. Leonard will live
here. The bride is a graduate of St.
Peter's School and is a member of the
Young Ladies Sodality and St. Peter's
Dramatic Club. Mr. Leonard, who
was graduated from Boston Universi-
ty, is also a member of the dramatic
club.

Due to the rapidly increasing
interest in air-conditioning as an
asset to business and added comfort and
health to the home, Public Service, in
cooperation with leading manufacturers
in the field will conduct the New Jersey
Air Conditioning Show at 70 Park Place,
Newark, from June 4 to 9 during the
hours from 12:30 to 10:00 P. M.

There will be on display at this exhibit
many sizes and types of equipment for
both summer and winter air-condition-
ing, some in actual operation.

Those who are interested in building
up a larger volume of business during
the summer months—and those who
are interested in automatic control of
the temperature and humidity of the air
in their homes will have the opportunity
of comparing the merits and advantages
of the various systems applicable to the
shop, store, office or home.

"Porky" Brown Plans To Enter Temple

Henry "Porky" Brown, formerly
an outstanding athlete at Nutley
High School, is planning to enter
Temple University this fall. While
this plan is under consideration, he
has also been heard to speak of Blue-
field College in Virginia, and, accord-
ing to his friends, Porky is more
changeable than the weather.

Porky will be remembered as an
all-state tackle at high school. For
the past three years he has been tour-
ing the country from school to school,
starting in football at every institu-
tion. He has attended St. Benedict's
Preparatory School, Kingsley School
and the New York Agricultural Col-
lege.

Last year Porky went to Miami
Junior College at Coral Gables, Fla.
In the Miami district Porky is con-
sidered one of the best linemen ever
to play there. His team was unde-
feated, untied and unscored upon in
six games, playing the best in its
class in Florida.

Ask Ban On Sunday Evening Racing At Nutley Bike Saucer

Petitioners Claim Motor-
Paced Contests Prevent
Sleep In Neighborhood

Asking that bicycle races at the
Nutley Velodrome be prohibited Sun-
day nights, a communication from
Max N. Schwartz, Belleville attor-
ney, accompanied by a petition bear-
ing the signatures of ninety-six Nut-
ley residents, was received by the
town commission Monday night. The
matter was referred to the board
as a whole.

The petition and letter made no
objection to races Wednesday night
and Sunday afternoon, but opposed
only Sunday night racing. The peti-
tioners objected to the noise of the
crowds while at the races and while
leaving, and to the noise of the mo-
torcycles in the motor-paced races.
They asked that the races be held
Sunday afternoons, or that they be-
gin and end earlier Sunday evenings
or that the paced races be eliminated
from the night program.

So far this season, races have been
held Wednesday nights and Sunday
afternoons, although races last year
were held Sunday nights.

Although the letter accompanying
the petition claimed that all the
signers were residents of the im-
mediate neighborhood of the Velo-
drome, many addresses were given
as King street and Hancox avenue,
and some were from as far away as
Brookline avenue, Gless avenue and
Glendale street.

Child Hurt By Car

Paul Zirm, 8, son of Mr. and Mrs.
Rudolph W. Zirm of 79 Beech street,
suffered a broken arm Sunday after-
noon when he was struck by a car
driven by Carl Van Esselstine of 379
DeWitt avenue. The driver told po-
lice that the child was playing behind
shrubbery in Greylock parkway and
ran into the path of his car.

Rodeo At Dreamland Park

For the first time in ten years
Dreamland Park will give its patrons
a real thrill. The Oklahoma Ranch
Rodeo has been brought to the Park.
The show consists of Brahma Bucking
Steers, Bulldogging, Bucking Horses,
Bareback Horses, Roman Teams,
High Jumping Horses, Automobile
Trick Riding, Trip Popping and Bull
Whip Poppers. A real treat for
young and old. The Rodeo will play
every afternoon and evening. The
swimming pool filled with pure crys-
tal water is now ready to receive the
crowds. The ballroom with LeRoy

Golden's fourteen piece orchestra
fully appreciated by the dance fans.
The gate is free as usual as well as
auto parking.

Mrs. Johanna Schnier

Funeral services for Mrs. Johanna
Grafer Schnier were held Sunday eve-
ning at the William V. Irvine funeral
home in Washington avenue. Burial
was in Woodlawn Cemetery, New
York.

Mrs. Schnier, who was the widow
of Albert D. Schnier, died last Friday
at the home of her daughter, Mrs.
John Bodine of 264 Holmes street.

**"Proper Food Will Prevent
Tooth Decay," say Experts**

NEW YORK, N. Y.—Dr. E. V. McCollum, Professor of Chemical Hygiene at Johns Hopkins, startled a New York audience of two thousand eminent dentists, physicians and nutrition experts when he declared that modern civilization was degenerating because of improper diets. Dr. McCollum was at grips with the negative side of the question "Resolved: That a clean tooth does not decay and that mouth cleanliness affords the best known protection against dental decay," in a public debate here with Dr. Thaddeus P. Hyatt, Professor of Preventive Dentistry at New York University, sponsored by the First and Second District Dental Societies.

Dr. Hyatt said that a clean tooth does not decay and the potentialities of decay can be prevented if the individual will take his oral hygiene as a serious part of his morning and evening toilet. Dr. McCollum agreed that "mouth cleanliness" was as essential as body "cleanliness," but argued that the cause of decay as far as he was able to discover in his laboratories was not so much a matter of clean teeth as it was "proper protective foods."

If You Want Teeth at Forty

Dr. McCollum, discoverer of Vitamin D, submitted his "protective food" diet as consisting of:

- 1 quart of milk
- 1 glass of orange or tomato juice
- 1 egg
- 1 teaspoonful of cod-liver oil or an equal amount of vitamin D as contained in Vitamin D bread or milk.
- 1 ounce of butter
- 2 servings of leafy vegetables (raw or cooked)
- 1/2 serving of fresh or dried fruits in addition to cereal, meat, potatoes, dessert, etc.

**Crepe Paper Makes Smart Cartwheel Sailor—
Little Expense and Much Fun**

THIS irresistible summer hat, light and cool as a breeze, and colorful as a midsummer flower, is crocheted from crepe paper. It looks like a flattering rough straw, doesn't it?—that nice, non-crushable type that bespeaks summer 1934. It is yours for the making, and need cost you only fifteen cents, or the price of a fold of crepe paper. One fold, chosen from fifty lovely shades, is all you need if you have a steel crochet hook and a bit of trimming. This hat, the "cartwheel sailor," is really the pick of the season's smart chapeaux, and you will want one to match each of your pet summer frocks.

What modern girl today doesn't crochet?—and the work goes so quickly with the crepe paper that your hat will be a matter of hours, and you will be ready to start on a second and a third. Cut your crepe, across the grain, into strips 1/2 inch wide, and stretch and twist, either by hand or with the crepe paper twister, a simple little gadget made for the purpose. If you want your hat to be rain-proof, there is an inexpensive water-repellent solution with which to brush it when finished. Here are the directions:

Crown: Ch 3 and join in loop. Make 8 s c in loop. Make 2 s c in each of 8 s c. * Insert needle in first s c, pull through, insert needle in next s c, pull through, pull through all three loops on needle, ch 1, and repeat from * around row. Next row:

increase every other st. To do this, * put needle into last st worked, draw through, skip next st, and pull through next st. Work off the three loops on needle at once, and ch 1 (this is the pattern or stitch used throughout). To increase on the next st, put needle into last st worked, draw through, put needle into next st, draw through, work off the three loops at once, and ch 1. Repeat from * around this row. Crochet in pattern, increasing enough to keep work flat, until circle measures 7" in diameter. Then crochet in pattern without increasing until depth of crown measures 5 1/2".

Brim: Ch enough sts so that work will measure 22" when finished (work will draw up slightly in crocheting). Join with slip st. Row 1: Insert needle in first ch, pull through, insert needle in next ch, draw through, work the three loops on the needle off at once and ch 1. * Draw through last ch worked in, skip 1 ch, draw through next ch, work the three loops off as one, ch 1, and repeat from * around this row. Row 2: Repeat again from *. Row 3: Crochet in pattern, increasing every 3rd st. Now crochet in pattern, increasing sufficiently to keep work flat until width of brim measures 4 1/2".

Finishing Hat: Sew brim to crown. Tack in a tuck around top of crown to make it square-looking. Pin wire around edge of brim, draw up becomingly, and bind in with 1/2" wide grosgrain ribbon in matching shade.

"Mickey's Way of Selling Milk"

MICKEY MOUSE'S latest venture, a campaign to reduce the milk surplus, is providing a lot of fun for millions of kiddies as can be seen from this page which is reproduced from the "Mickey Mouse" Magazine, distributed monthly by the milk companies of National Dairy Products Corporation. This publication is mighty important to hundreds of thousands of farmers for it is devoted to increasing the consumption of fluid or bottled milk, from which farmers secure the greatest revenue. The magazine is built upon the fact that children will drink more milk if they see a pleasure rather than a chore.

Scouts And Sea Scouts

The regular monthly meeting of the Belleville District Scouters' Association was held at the town hall on Thursday evening of last week.

The chairman, Pierson Kane, presided. The following matters were discussed: Court of honor; committee to consist of a representative from each troop, same to be appointed by the chairman of each troop from among his committeemen; merit badges; it was decided to ask examiners to put on courses in various subjects such as electricity and others, in the fall, with Christian P. Hansen of 230 New street, having already signified his willingness to give a course in electricity, as examiner in that subject.

Daniel Spillane reported on the recent moving picture of Belleville, saying that several boys gave exhibitions of semaphore signalling and knot tying and that he saw the pictures and they were very good.

Memorial Day parade was discussed and it was decided that the Scouts should march as a district unit and not in troop formation. It was also decided to have the Sea Scouts and Cubs take part in the parade.

Harry F. Brumbach reported on the Camporal to be held at Scout Acres, Boonton, on June 16 and 17 and it was decided to enter several patrols.

After discussion it was decided to hold a district hike every month with each troop taking charge of one and each troop sending Scouts on such a hike, and furnish its own leader who would be responsible for his boys.

D. W. Moyer, chief Scout executive, reported on Camp Mohican. He said a Scoutcraft course for Scouters will be held there over the week-end of June 23 and 24 and that a shack will be reserved for them through the season, and any time.

much needed new truck. It was stated that Camp Carragher will be open for the use of Cubs, for two weeks, during the summer.

The Adults' Auxiliary of Troop 88 will meet at Christ Church parish house on Tuesday evening. The troop is arranging a rally and inter-patrol contests for that evening. Refreshments will be served by the auxiliary. Raymond Patrick is chairman, Mrs. William Terry vice chairman, and Miss Bertha R. Mumford secretary treasurer.

Two new "gobs" joined the Belleville Sea Scout Ship 588, the "George Fried," at its last meeting Friday evening at 10 Oak street. They are Allan Butler of Holmes street, and Andrew Gabrielson of Bremond street.

SCHOOL DAYS

By DWIG

THIS CHANGING WORLD

We hear many people remark that we are living in the world's crisis. We wonder. Certainly many great changes are going on in these hurrying days. Age-old customs and opinions are being shaken and we are lost and puzzled, scarcely daring to think of the morrow amid the changing scenes of today. It is certainly a remarkable age in which to be living. Remarkable for many things, not the least of which is trying to pierce the veil of the future for what it may hold of evil or of good.

Purely Personal

By LILLIAN THOMAS

Last week I had a few lines in this column about "Plea," a poem I wrote recently. It has been brought to my attention that "Plea" deeply impressed a soldier in Alabama. The passion embodied in the poem haunted him. He memorized the lines, and, finally, he felt that he simply had to experience "Plea." The result is that he landed in a hospital, and upon his release will be court-martialed. I'm sorry.

Had luncheon with a prominent psychiatrist the other day. We discussed, among other things, girls who worship gunmen; girls like Bonnie Parker, the hard-boiled Miss who smoked cigars, drank her whiskey straight, toted a gun, and was mowed down by machine-gun bullets while she sat in a car with her sweetheart gunman, Clyde Barrow. My psychiatrist friend told me that a girl who worships a gunman is an adolescent neurosis victim. She is a romantic dreamer with a yearning for adventure. Fate or circumstances throws her into the path of a braggart youth of title underworld and she thrills under the spell of the dangerous life he leads. To warn her of the "bad end" that will be hers, if she continues to cultivate the friendship of a criminal, will only increase her desire for adventure. The only way to keep a girl away from a gangster, is to see that she never meets one.

Forty-four per cent of all the automobile accidents reported to the Motor Vehicle Department last year, thirty-nine per cent of the total injured and one fourth of the total deaths, occurred in Essex and Hudson Counties, Motor Vehicle Commissioner Harold G. Hoffman declared today.

In Essex County deaths numbered 179, or fifteen per cent of the 1,185 in the state; 7,233, or 25.6 per cent of the 28,158 were injured and accidents totaled 9,604, or twenty-eight per cent of the state's total 33,803. From Newark reports were received of 96 deaths, 4,769 persons injured and 5,905 accidents.

In Hudson County there were 119 deaths, 3,973 persons injured and 5,394 accidents reported. These were ten, fourteen and sixteen per cent respectively of the state totals. From Jersey City the reports showed 55 deaths, 1,992 persons injured and 2,882 accidents. Accidents in which there were no injuries or death and where the property damage was less than \$25 were not included in these figures.

The following table shows the deaths, persons injured and total accidents reported from all the municipalities in Essex County:

Belleville County Baseball Leaguers In Tough Spot Oppose Orange And Verona In Heavy Week-end Schedule

Johnny Lawlor's Belleville team in the Essex County Baseball League will tackle the two best teams in the league over the week-end, entertaining Orange at the Clearman Field diamond, tomorrow afternoon, and travelling to Verona, Sunday.

Orange's chief claim to fame, recently, was its surprise 3-2 triumph over the mighty Verona nine with their school-boy sensation, Howie Secor, tossing them over.

Verona, whose smashing hitting accounted for an easy victory over the Lowlormen a few weeks ago, needs no introduction to local fans. Their heavy bat attack and good pitching makes them prime favorites to cop the title this year.

Manager Lawlor will likely have his cause rest in the good right arms of Jim Mallack and Johnny Woods, with a possibility of the graceful southpaw ace, Carl Gordinier, getting back into action in one of the two games. Gene Gelschen will be at his usual catching post.

Belleville High Tennis Team Successful Wins Two Of Three Matches In Hard Week Of Play

Belleville High's cracker-jack tennis team exhibited some fine court play in three matches during the past week, winning two of them, and being nosed out in a third.

The Montclair Teachers' Freshman team, and Dickinson High were a pair of easy victims, 5-0, 4-1 respectively while Irvington managed to eke out a 3-2 triumph over the Bell-boys. All but the Montclair Teachers' affair were played on foreign courts.

Johnny Manger, playing in the No. 2 singles spot, was the hero of the matches, winning all three of his singles set-tos. Don Gauss, No. 1 singles man, took two of his trio.

The scores:
Montclair Teachers' Fresh-Belleville (Won by Belleville, 5-0)
Singles: Gauss (Belleville) defeated Melnikoff (Montclair), 7-5, 6-2;

Manger (Belleville) defeated Jaffee (Montclair), 6-2, 6-4; Cross (Belleville) defeated Cohn (Montclair), 6-4, 6-3. Doubles—Gauss-Manger (Belleville) defeated Melnikoff-Jaffee (Montclair), 6-4, 6-4; Smith-Cross (Belleville) defeated Cohn-Rubinstein, 7-9, 6-4, 6-4.

Woodsmen Down Eagles By 13-7 Score

Old Rivals In Free Hitting
Contest At Belleville
Park

The Belleville Woodsmen smashed out twenty hits, Sunday afternoon, at Belleville Park, to take a fall out of the Eagles, also of this town, 13-7.

Bill Chicowicz and Frankie Lowe divided the mound burden and the Woodsmen, holding the Eagles in check, while their mates were piling up a comfortable margin.

Tony Zuzzio and Frank Debrovski each garnered four hits for the winners.

Belleville High Ball Nine Captures First Victory Of Season Weak Weequahic Team Vic- tims Of A 10-4 Defeat

The Belleville high school baseball nine accounted for its first victory of the season, after seven consecutive set-backs, by trouncing Weequahic High of Newark, 10-4, last week, game yet this season before game distinction of having failed to win a at the Clearman Field diamond. Weequahic also had the rather dubious time (and of course, after the game, as well).

Bell-boy Ball Nine Defeated Again

Passaic Victor, 9-7 In Free-
Hitting Contest At
Passaic

Belleville High's battle-scarred baseball warriors could not stand their sudden burst of prosperity, consisting of a victory over Weequahic, and began their negative ways again, Tuesday afternoon, losing at Passaic, 9-7.

Hank Sullivan, reformed catcher, made his first start on the mound for the Bell-boys, and pitched a so-so game. He limited the Woolen City lads to ten hits, but permitted same to account for one less run.

As has been their wont all season long, the Blue and Gold nine out-hit the opposition, this time in 13-7 figures. It's just too bad the pay-off isn't in the hit column, for the Bell-boys would be in front in interscholastic competition by the proverbial mile, if that were the case. But as long as runs decide games, but why bring that up?

To get back to the details of the game, one big inning, the sixth, was Belleville's lone consolation feature. Six singles, five of them consecutive, produced four of Belleville's run total. It didn't mean much, however, as Passaic held an 8-1 lead at that point, and had the game won already.

N. H. S. Defeats Yanks In 14-Inning Contest

The Holy Name Society of Harrison defeated the Nutley Yanks Baseball Club in a fourteen inning contest, 6 to 4, at Yanticaw Field Sunday. This was only the third set-back of the season for the Yanks.

Gilbert pitched winning ball for the Yanks but his team mates were unable to cross the plate. In the ninth inning Woodkotch, Kukalski and Manino got consecutive singles but the Holy Name outfielders were able to prevent their scoring.

The Yanks will meet the Newark Bluejackets at Nutley this Sunday.

The Nutley Comets registered their sixth victory of the diamond season when they defeated the Nutley chiefs, 4-2, at Yanticaw Field Saturday morning.

Gathercole, on the mound for the winners, was in good form, allowing only nine scattered hits and fanning ten of the opposition players. Eagerly, the Chiefs' hurler, was hit freely but his effectiveness in the pinches staved off several Comet rallies.

Members of the Young People's Fellowship are planning on spending the day Sunday, at the summer home of Mr. and Mrs. Stewart A. McAleese at Tomkin's Cove, N. J., on the Hudson, where they will be guests of Miss Peggy McAleese. Miss McAleese was recently elected recording secretary of the Young People's Fellowship. She is a member of the graduating class of Belleville High School. The fellowship will sponsor a public card party at the parish house on Friday evening of next week June 8.

most enjoyable musical evening in charge of Mrs. Hal W. Earl, her group of girls, (which includes Helene Ainsworth, Lillian and Mildred Cook) and her deputy Miss Nancy Miller, at the parish house on Wednesday of last week. Miss Miller announced the program which was as follows: Violin solos, "Evening Recollections" and "Gavotte," by Helen Kelsall, accompanied by her mother, Mrs. George Avery Kelsall; piano solo, "Climbing," by Ann Kelsall, little nine year old guest artist; a reading on Beethoven, by Lois Millan, a part of the composer's famous "Moonlight Sonata," being played by Mrs. J. Harry Edwards; a reading on Wagner by Doris Miller; the story of his opera "Sigfried," reading by Jean Sheldon, interspersed by various motifs, played by Mrs. Edwards; soprano solo, "I'm Waiting" by Miss Isabel Wilson, accompanied by Miss Lillian F. Edwards; a reading on the song "Oh Promise Me," from Reginald De Koven's opera "Robin Hood," and how it became so popular, by Miss Bertha R. Mumford; piano solo, "Tumbling Clowns," by Ann Kelsall; violin solos, "Petite Berceuse" and "Playful Rondo," by Helen Kelsall, accompanied by her mother; reading of a poem by Edgar A. Guest "In the Open," by Miss Peggy McAleese.

Each one who took part in the program was presented with a miniature bouquet of roses, valley lilies, floss and pansies, charmingly arranged in a setting of paper lace doilies.

Helen Ainsworth and Mildred Cook, made the floral presentations. The president, Mrs. Herbert Ainsworth, and the associates also received the miniature bouquets. Candy and nuts were served by the hostesses. The closing party will be held on Wednesday evening of next week, June 6, and will be in honor of the graduates, of whom there are eight, the Misses Marion Ainsworth, Elsie Kaluzer, Peggy McAleese, Alys Miller, Margaret Miller, Eleanor Pozzo and Besie Reitzel, from Belleville High, and Miss Ruth L. "Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, De-nounced," will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 3.

The Golden Text is: "Oh let the wickedness of the wicked come to an end; but establish the just: for the righteous God trieth the hearts and reins" (Psalms 7:9).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For the word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart" (Hebrews 4:12).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "All we correctly know of Spirit comes from God, divine Principle, and is learned through Christ and Christian Science. If this Science has been thoroughly learned and properly digested, we can know the truth more accurately than the astronomer can read the stars or calculate an eclipse. This Mind-reading is the opposite of clairvoyance" (p. 84).

Prompt Relief

From Itching Eczema

It's wonderful the way soothing, cooling Zemo brings prompt relief to itching, burning skin, even in severe cases. Itching stops the moment Zemo touches the tender and inflamed skin because of its rare ingredients. To clear away Rashes, Pimples, Eczema, Ringworm and restore the skin to normal, always use clean, soothing Zemo. Insist on genuine Zemo; it's worth the price, because it brings relief. 35c, 60c and \$1. All druggists'.

Thrilling And Unusual Automobile Drive Requires Less Than Three Hours And Covers Thirty-Five Miles Along The Harlem

The most thrilling and unusual automobile drive in the country for the next three weeks, beginning May 31, requires less than three hours, covers only thirty-five miles and is within reach of millions of motorists.

The tour is suggested by Ernest B. Bearnath, travel director of the Automobile Club of New York, who logged the route and prepared the map published.

No resident of visiting motorist should miss the breath-taking magnificence at any time of Manhattan, as seen from Hudson Boulevard East on the opposite side of the river, and with the combined forces of the Atlantic and Pacific Fleets anchored on the historic Hudson between May 31 and June 18, those who follow the suggestion and make the trip will behold one of the most majestic sights of the world.

A circuit tour can be started anywhere, as shown on the map, and taken in either direction. Mr. Bearnath, however, recommends that you take it in the order described, which will keep your car in the outside lane of the road for an unobstructed view of the river and desirable stops at several points, particularly on Hudson Boulevard East and Hudson Terrace in New Jersey.

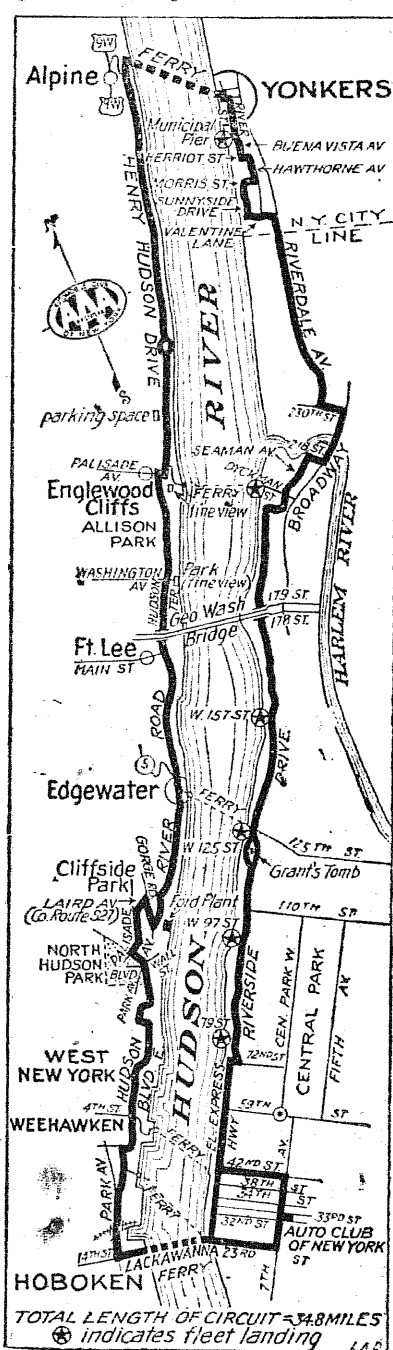

From 23rd street, it is suggested to use the Lackawanna ferry, in order to get a glimpse of the destroyers anchored south of this point. Some of the largest Trans-Atlantic steamers are berthed in this part of the river, and before the boat enters the ferry slip in Hoboken, you may see one or two vessels in drydock.

On leaving the ferry in Hoboken, it is recommended to continue on 14th street to Park avenue, make a right turn and proceed on this road-way, bearing right at the intersection with Hudson Boulevard East, one of the most magnificent river drives in the world, and certainly one of the finest to obtain a view of Manhattan and

termining that extent of relief to be given.

Mr. Compton will also take the opportunity to meet members of the newly created Advisory Committees, many of which have already been appointed. The committees are expected to be completely organized in every county during the next week.

its towering skyscrapers. At several points along the five-mile-drive, to the intersection with Palisade avenue, motorists will have a chance to park their cars in order to view the fleet below, the city as a towering background, the full sweep of the harbor toward the south, and the Statue of Liberty silhouetted against the skyline.

At the intersection with Bergen County, Route S-27, Laird avenue, the street name not very well marked—motorists should turn right and continue down hill to the intersection with Gorge road; follow Gorge road still down-hill to River road. The drive now is almost on a level with the river, the fleet visible all the time. The drive continues underneath the George Washington Bridge into Hudson terrace. Again there will be an opportunity at this juncture for parking and some splendid views of the Armada. At Palisade avenue, in Englewood Cliffs, the motorist turns sharply to the right for Henry Hudson Drive to the ferry at Alpine, which will convey him across the river to Yonkers.

This will not only give the motorist an excellent opportunity to see some of the vessels at this point, but will also reveal the Palisades in all their stupendous height.

From Yonkers, the recommended route is via River street and Buena Vista avenue to Herriot street, follow Hawthorne avenue, taking a right turn on Morris street, where the river again becomes visible. Continuing via Sunnyside drive to Valentine lane and Riverdale avenue to 230th street and Broadway to 218th street. Here take a right turn on Seaman avenue, across Dyckman street for Riverside drive, where again the fleet will come into view. At several points along the river, as indicated on the map, facilities will be available for motorists who wish to stop their machines and inspect the battleships at closer range.

The drive continues across the Elevated Express Highway into 12th avenue at 57th street. Proceed on 12th Avenue across 42nd street to the Elevated Highway at 38th street, and the circuit will have been completed when the motorist descends the ramp at 23rd street, or Canal street, further, south.

Here is a thirty-five mile drive which has few equals, and certainly, none at this particular time.
