TOWN OF BELLEVILLE

PRICE TWO CENTS

Belleville Merchants' Association Opposes Proposed Ban On Distribution Of Circulars

Director Gerard Claims Handbills Litter Streets And
Lawns, Invite Sneak-Thieves And Allow Unfair
Competition With Local Dealers

The proposed town ordinance to forbid the distribution of circulars here met with the disapproval of a majority of the merchants who attended a meeting of the Merchants' Association at the town hall Tuesday night. The group decided to secure signatures to a petition opposing the measure, and P. A. Fort, president, appointed Charles Zuckerman, Abram Atkins and Abbott Karlin, a committee to present the merchants' side of the question to the board of commissioners.

Public Safety Director George R. Gerard, sponsor of the ordinance, told the merchants that he was moved only by a desire to help local dealers and other citizens. He said that circulars litter streets, lawns and porches, giving the town an unsightly appearance, and that an accumulation of handbills on the porch of a home is an invitation to burglars, who know that the house is vacant.

Another purpose of the ordinance is to protect the Belleville merchants against outside competition, the director states. He cited the intensive circularizing of the town by cut-rate stores in neighboring communities.

Mr. Karlin, Mr. Zuckerman, Bernard Shargel, Julius Kreger, Mr. Atkins, Samuel Kogan and Barnett Yudin said that they opposed restriction of circular advertising. Mr. Yudin said he never issued handbills, but depended upon newspaper advertising to draw trade to his store.

Commissioner Gerard told the gathering that he wished to cooperate in every way with the association, but that many housewives had complained to him of the circular nuisance, and that he felt means should be employed to curb it. Questioned by several of those present, he said that he would be glad to receive constructive suggestions from the merchants. He commented on the fact that only twenty-two persons attended the meeting, stating that he did not consider such a small gathering a true representation of local opinion.

Mr. Yudin suggested a central distributing agency, by which circulars could be distributed in an orderly manner, with care taken to prevent the littering of public and private places. He suggested schoolboys for this purpose, but William J. Horgan declared that it would be better to use unemployed men in need of work.

Mr. Horgan said that he felt that a great many circulars were wasted, and that better results could be obtained by advertising in The Belleville News and other newspapers.

Unprogressive merchants are in favor of the handbill ban, as it would serve to protect them from competition by the better merchants, Mr. Karlin declared.

The proposed ordinance was tabled for another two weeks by the town commission earlier the same evening, as it was felt that those opposed should be given time to offer objections.

Scout Auxiliary Meets; Maden Addresses Sea Scouts

The first meeting of the season of the newly organized Adults' Auxiliary of Troop 88, Boys Scouts of America, which meets at the Christ Episcopal Church, will be held at the parish house Tuesday evening at 8 o'clock. The chairman, Raymond Patrick desires a full attendance.

Scoutmaster Patrick resumed activities with his troop at a meeting on Tuesday evening.

Harvey W. Maden, assistant Scout executive of the Robert Treat Council, was a guest at the meeting of the Belleville Sea Scout Ship 583, George Fried, September 5 at 10 Oak street. The Sea Scout Ship will meet at the parish house of Christ Episcopal Church, this evening at 7:45 o'clock.

\$6,150 More Asked For August Relief

Board Moves to Grant License to New Liquor Store

An additional grant of \$6,150.53 was requested from the SERA for August relief by the Board of Commissioners Tuesday night. The step was taken at the request of relief authorities here. The initial grant of \$50,000 was the largest ever expended here, but the additional grant was made necessary by the large number of persons on the relief rolls. It is reported that 1,136 families are receiving aid here.

An amendment to the liquor control ordinance to permit the granting of a distribution license to Max Kraus from premises at 562 Union avenue passed first reading. Officials explain that Belleville has only one liquor store at the present time.

To Change Traffic Lights
Public Safety Director George R. Gerard secured the approval of the board to a rearrangement of the traffic lights in Washington avenue. The signal at Greylock parkway will be discontinued and moved to Mill street, and the timing of the signals will be changed to permit a smoother flow of traffic. The changes were recommended by Arnold H. Vey, traffic engineer connected with the division of traffic control of the State Department of Motor Vehicles.

An amendment to the liquor control ordinance, providing stricter rules for taverns and severe penalties for law violation, was adopted. An ordinance to prohibit sale or use of fireworks here was tabled two weeks to permit objections by storekeepers, who fear that they will be unable to dispose of existing stocks of fireworks.

An additional \$5,000 was appropriated for the completion of the new town sewer. Labor is furnished by the ERA, but the town must supply tools and materials.

William C. Knapp, collector of revenue, reported August receipts as \$184,818.41.

Outing Tomorrow Of King Association

Congressman Hartley Spoke At Meeting Last Saturday

Congressman Fred A. Hartley addressed about seventy-five members of the Joseph King Association at headquarters, 414 Washington avenue, Saturday night. Hartley impressed the gathering with his views on the future actions of the American public so far as their constitutional rights are concerned.

Because of the fact that the outing to be held on Saturday will be a mixed affair, women and men, a large size rolling pin has been acquired by the athletic committee for the women to throw. The committee is still looking for some one to act the part of the dummy, several names having been mentioned. Final plans have been completed and indications are that several hundred will attend the outing.

Awards will be presented to the winners in the following events: horseshoes, quoits, fat men's race, rolling pin throwing contest and several other events. The cars will leave the headquarters at 1:45 P. M. Dinner will be served about 5:15. The outing is not confined to members of the Joseph King Association. Anyone can go. Tickets are \$1 and may be obtained at the headquarters all day from the treasurer, George Haslam, or any of the members.

— GOLD —
Victor Hart, Belleville's Reliable Jeweler, will give you cash for your old gold. 457 Washington avenue at Tappan avenue.

Mayor Suggests Plan Of Civil Service for Town Workers

Would Substitute Merit For Political "Pull" Williams Declares

A civil service system for the hiring of town employees was suggested by Mayor William H. Williams at the conference of the town commission Monday afternoon. He feels that it would substitute merit and experience for political preference in the selection of workers to perform the essential duties of the town.

An investigation of systems of employment under the plan and the advisability of placing Belleville employees under civil service is being undertaken by Town Attorney Lawrence E. Keenan at the request of the Mayor.

"Recent legislation makes it possible for public officials to curtail personnel where services are not needed or where economies can be effected," said the Mayor. "Civil service does not necessarily guarantee a municipal employee his job unless he has the proper ability to produce and is performing an essential service. Such a step should be considered as better business."

G.O.P. Women Launch Fall Campaign Here

Mrs. Abbie Magee and Miss Dolly Madison Are Speakers

The Belleville Woman's Republican Club met yesterday afternoon at the Woman's Club house, 51 Rossmore place, at 2:15. The president, Mrs. John F. O'Brien, Jr., presided. Miss Dolly Madison, national vice chairman and secretary of the Young Republican organization, and Mrs. Abbie Magee, vice chairman of the Essex County Republican committee, were the guest speakers.

Miss Madison represented Harold G. Hoffman, and spoke on his behalf; and Mrs. Magee spoke on behalf of the entire Republican ticket, particularly for U. S. Senator Hamilton F. Kean, Harold G. Hoffman, and for Congressman Fred A. Hartley, and stressed the urge for women to go out and work for the election of all the Republican candidates.

Mrs. Arthur A. Darvo, house chairman and her committee, served refreshments. There were many guests present. At 1 o'clock, preceding the meeting, the board of directors, which includes all chairmen of committees, convened.

There will be a meeting held at 8 o'clock this evening at the home of the treasurer, Mrs. James K. Alexander, 63 Prospect street, to which Mrs. O'Brien is extending invitations to all presidents of Republican clubs and organizations in town. The purpose of the meeting is to arrange plans for a rally to be held about the middle of October for all Republican candidates.

Mrs. O'Brien entertained the members of the board of trustees at a luncheon and business meeting Monday at her home, 188 Grafton avenue, Newark. Resolutions of condolence were framed, to be sent to the family of the late Mrs. Mary A. Galanot, who was an active member of the Belleville Woman's Republican Club, and chairman of its program committee. Mrs. Galanot died September 5.

25 More Night Parkers Reprimanded By Court

Twenty-five more motorists, given summonses in the campaign of Commissioner George R. Gerard and police to clear the streets of those who park all night without lights on their cars, were arraigned before Recorder Everett B. Smith Wednesday night. The offenders were reprimanded by the judge, who warned them that second offenders would be fined. Almost 200 drivers have been summoned to court since the beginning of a safety campaign.

Post Graduates Seek High School Entrance

Belleville Couple Mark
Fiftieth Anniversary

Mr. and Mrs. Elijah Jeffers of 105 Cortlandt street celebrated their fiftieth wedding anniversary Tuesday with a family dinner at the home. They have two children living in Belleville and other children in Germantown Pa. and in Ohio. They have lived here five years moving to Belleville from Pennsylvania.

Recorder Asks Ban On Dance Marathons

Commission Moves to Bar
Endurance Contests
By Ordinance

Town Attorney Lawrence E. Keenan is preparing an ordinance for submission to the town commission at its next meeting to make illegal dance marathons walkathons and other endurance contests of like nature. The board instructed him to do this at the conference Monday after the receipt of a communication from Recorder Everett B. Smith who urged the move.

The judge stated that contests of this kind have been banned in other municipalities, and feared that promoters might seek to start a marathon here if it were not prohibited.

A walkathon was operated in Belleville two years ago, and many persons charged that it brought undesirable characters to town and lowered the moral standards of the community. Dissension among contestants and promoters provoked prolonged legal controversies.

Sewer Overloading Hinted
Commissioner Joseph King called the attention of the board to a possible source of overloading of the Second River sewer at the National Grain & Yeast Company plant on Second River. He said that the concern empties 750,000 gallons of waste water per day into the sewer, and the entire quota allotted Belleville for the sewer is only 1,600,000 gallons per day. A proposed addition to the plant would cause the town to exceed its quota, he said.

The director suggested that plant engineers be requested to arrange for emptying used cooling water, which is uncontaminated by sewage or chemical pollution, directly into Second River, thereby decreasing the use of the sewer. The suggestion will probably be received favorably, he declared, as the concern has always shown a desire to cooperate with town officials.

The National Grain & Yeast Company is one of the largest purchasers of water in Belleville, paying in the neighborhood of \$10,000 annually to the local water department.

To Pay \$78,000 Tax By Bond Transfer

Mayor Seeks Approval Of
Attorney General For
Transaction

Mayor William H. Williams plans to pay off \$78,100 delinquent state and county taxes by a bond transaction in which state and county officials are involved. The plan was announced at the town commission meeting Tuesday, and resolutions permitting the transaction were passed. The town would borrow \$68,000 from the State Road Tax Fund Commission and \$9,500 from the State Soldiers' Bonus Fund Commission at 4 per cent interest, payable in annual installments over eight and six-year periods, respectively.

No cash would be transferred, but the amount of the loans would be credited to Belleville's account with Essex County.

Nutley Schools, Crowded, Find It Difficult To Make Acceptances

School Officials Give Out Interesting Data On Building,
Teaching Staff And Eagerness
Of Unemployed

BELLEVILLE IS ABLE TO TAKE CARE OF P. G.'s.

The thirst of knowledge knows no depression. Good times may fade away, but the yearn for a finished course in higher mathematics, or some other subject, knows no abatement.

So it is in Belleville and Nutley, where many who had not completed their post graduate courses seek to make up for the deficiency in one or more subjects, beginning this week. But there is a stumbling block in Nutley.

There all is not clear sailing.

Nutley Schools Crowded
The Nutley schools are crowded and there is so little room for the post graduate, many of them find themselves shut out—unless an opportunity may now and then present itself for some to work in a period or two.

A few are being accommodated. The majority are turned down—and great is their disappointment. They thought that like last year, they might be more fortunate.

When the Nutley schools opened Monday morning, there was almost a run on the high school by young men and young women who trooped through the streets and gave the impression that many persons out of

work were being taken care of in the schools—but not so. While it was commonly supposed that those deprived of work because of the stringency of the times would find opportunity to put in some time in obtaining an additional schooling, the schools which are as hard hit by the times as every other form of activity, are not able to assimilate all the public in that way. It requires buildings, teachers, and numerous other accommodations, all of which cost a lot of money, and who is to pay?

The ordinary increase in the school population, from the kindergarten to the graduating classes, fill the schools to overflowing, and tax the capacity of the teaching corps to take care of them.

The trouble is lack of room. The schools are crowded, and every facility available is being devoted to boys and girls who are enrolled in regular classes all the way along the line.

Applicants Turned Away
So ever since the schools opened their doors for the fall term on Monday, almost every applicant for post

(Continued on Page Three)

Woman's Club Plans Annual Fall Bazaar

Mrs. W. V. Irvine Is Chairman, Assisted By Mrs. W. P. Adams

Members of the Woman's Club of Belleville, of which Mrs. William F. Entekin is president have returned from their summer vacations and are now actively engaged in arranging for the annual fall bazaar which is to be held at the club house 51 Rossmore place, October 3 and 4.

Mrs. William V. Irvine is general chairman and Mrs. William P. Adams, vice chairman. The tea room will again be under the direction of Mrs. Dudley Drake. Mrs. George Fralley will have charge of the home cooking; Mrs. R. Clifford Whitfield, the candy booth; Mrs. Casper Ebert, groceries; Mrs. Frederick Dodd, the package booth and Mrs. Ira Cornell, the handkerchief booth. A new feature this year will be the used book booth in charge of Mrs. Adams. Mrs. Willard Y. Strange is chairman of the fancy booth, Mrs. Streeter will again have the flowers and Mrs. Herbert V. Hardman, the white elephant booth. Decorations, as usual, will be in charge of the art chairman, Mrs. W. D. Cornish.

Luncheon and dinner will be served both days, with afternoon tea in the sun room. Orders for the home cooked food will be received by Mrs. Fralley prior to the bazaar.

All members and their friends are invited to inspect the booths and enjoy the hospitality of the club.

Young People Form Democratic Club

William J. Friel Is Elected
President Of New
Group

In line with the Democratic party's present campaign to bring young people into political activity the Young Men's Democratic Club of Belleville, Inc., was organized recently when the following officers were elected: William J. Friel, president; Eugene Culkin, John Baney, Oliver Brown, vice presidents; Raymond Peck, recording secretary; Bernard McBride, corresponding secretary and Joseph Lukowiak, treasurer.

The club is a permanent organization and political-minded young men between the ages of eighteen and thirty-five, residing in Belleville, are eligible for membership.

The next meeting of the club will be held next Thursday at the Town Hall.

The Shoe Rebuilders of Belleville are forced by the State Code to be open from 8 A. M. to 6 P. M. Saturday, 8 A. M. to 9 P. M.

Town To Buy Truck On Rental Basis

Plumbers Promised Aid
Against Illegal
Competition

Commissioner Patrick A. Waters, director of public works, proposed a new plan for the purchase of a truck for the town at the conference of the board of commissioners Monday afternoon. The plan was approved by the board.

The director said that a \$40 weekly rental is paid for a truck used in construction of the ERA storm sewer in the northeast section, and that a dealer had offered to furnish a new truck at this rental, payments to be applied to purchase price. When rentals amounting to \$980 have been paid, the dealer will donate the truck to the town, thus avoiding the red tape of a regular purchase.

Commissioner Waters stated that Belleville will save money by the move, as a rented truck would be necessary for from four to six months longer, and if rented on the usual basis would not be the property of the town at the completion of the project.

John Mazza, representing the Belleville Master Plumbers' Association, complained that out-of-town plumbers who do not possess Belleville plumbing permits, are working here. He declared that they secure health department permits through local plumbers.

Commissioner Joseph King told him that he believed Belleville plumbers should do Belleville work. He promised an investigation of every case in which a complaint was made by the association.

Local Nurse Aids Morro Castle Survivors

Miss Smith Volunteered At
Manasquan Inlet
Dock

Miss Elizabeth F. Smith, De Witt avenue, a registered nurse of St. James' Hospital, and field nurse for Essex County Tuberculosis League in Belleville and Nutley, has just returned from a vacation at Manasquan. Saturday she witnessed the rescue work of the Morro Castle disaster and volunteered her services to the first aid squads at the Manasquan River inlet dock.

Former Resident Dies

Mrs. Grace F. Thornton, 77, a former Belleville resident, died Tuesday after a long illness at the home of her son, George B. Thornton of East Orange. She was the widow of Thomas Thornton. Funeral services were held yesterday evening in Newark Cemetery, New York. Besides her son, she leaves two sisters, Mrs. A. B. Matheson and Mrs. I. V. Higgins, both of Brooklyn.

Joseph Wells Hurt In Fall From Tree

Accident Victim is Recovering from Injuries in Newark Hospital

Joseph Wells, 27, son of Town Forester William Wells, suffered serious injuries Sunday when he fell twenty-five feet from a tree in Hornblower avenue near Division avenue. He was taken to Beth Israel Hospital, Newark, where he is recovering from fractures of the right wrist and several ribs, a hip injury and possible internal injuries.

The injured man, who is employed by the Belleville Shade Tree Commission, fell while cutting a limb, broken from a tree by Saturday night's storm, away from police signal wires.

Tennis Tournament Abandoned This Year

Lack of Entries Forces
Cancellation of
Annual Event

The Belleville Tennis Club has definitely decided to abandon its annual town tennis championship tournament this year, due to a lack of interest and failure of entries in the annual event, Sidney C. Summerfield, president, announced this week. The trophy donated by the board of commissioners will be presented to the winner next year.

The club has been holding the championship event annually since 1929. The cancelled tournament would have been the sixth in the series.

In place of the event open to all residents of Belleville, a club tournament will be held tomorrow and Sunday. There will be awards for the winner and runner-up. The event is open to club members only.

The handicapping of the players has been revised, in order to give all members an opportunity of winning. Mr. Summerfield and Harry Estelle, winner and runner-up in a tournament held earlier in the season, will start from scratch.

The contest will be played at the club courts. Al Wermuth and the veteran Howard Virtue are favored to win this event.

Announcement has been made by Mr. and Mrs. Joseph Kaplan of 530 Washington avenue of the engagement of their daughter, Miss Lilyan Kaplan to Louis Lempert, son of Mr. and Mrs. Philip Lempert of 482 J. alemon street. Miss Kaplan is a graduate of Barringer High School, Newark, and also attended the School of Fine and Industrial Arts Newark, New York University. Mr. Lempert is a graduate of Belleville School.

Fin Stolen Auto Abandoned In Nutley Stripped Car Figured In Belleville Accident Same Evening

Police are trying to trace the person or persons who stole a car in Belleville last Friday night, crashed into another machine and fled without stopping, and abandoned it in River road, Nutley, after stripping it of accessories valued at \$50.

Sergeant Emil Werner and Patrolmen Joseph Milecki and William Wallace of the Nutley police discovered the car near the Allegri Ice Co. A teletype message showed that it had been stolen two hours previously in Belleville, and Sergeant Wilford Stager notified the owner, Thomas A. Rogers of 227 Holmes street, Belleville.

Belleville police reported that the car had been involved in a collision with one driven by Thomas Ritchie of 38 Cathedral avenue, Nutley, since it had been taken from Rogers. The accident occurred in Union avenue, Belleville, and the driver of the stolen car failed to stop after the crash. When Rogers claimed his car, he reported that the thief had removed the clock, radiator cap, cigar lighter and cushions.

To Demonstrate Radio Language From WBNX

A radio language, which is expected to eliminate the problem of languages in international broadcasts, will be demonstrated in a special program for the Canadian DX Relay, a short wave organization covering the United States, Canada, New Zealand and Europe.

This broadcast, to be undertaken by Station WBNX on 1350 kilocycles under the direction of Dr. Robert L. Wilson, engineer, will begin at 1 A. M. Eastern Daylight Saving Time, tomorrow. Air channels throughout the United States will be cleared to give complete reception to every station on short wave and similar experiments are being made in foreign countries.

The radio language, if successful, will revolutionize international broadcasts, according to Dr. Wilson, by removing the greatest barrier to short wave popularity. Additional features of the unique broadcast include a studio party in which WBNX stars will participate.

Evelyn Potter To Wed

Irwin Richard Moffitt

The marriage of Miss Evelyn M. Potter, daughter of Mrs. Frederick Krauss of 187 Sussex avenue, Newark, formerly of Belleville, and Irwin Richard Moffitt of 274 Park avenue, Nutley, will take place tomorrow in Nutley.

The bride will be attended by her sister-in-law, Mrs. Charles Emmitt Potter of Belleville. Mr. Potter will be best man.

On their return from a wedding trip to Niagara Falls, the couple will live in Jersey City. Miss Potter was educated in Jersey City and Newark. Mr. Moffitt attended Paterson and Nutley schools and is connected with a New York brokerage firm.

Cline—Stahl

The marriage of Miss Lenore Louise Stahl, daughter of Harry C. Stahl of 7 Chadwick avenue, Newark, and Roy Verlyn Cline, son of Mr. and Mrs. Clarence D. Cline of 65 Beech street, Belleville, took place Saturday at 4 P. M. at the home of the bride. The Rev. Frederick F. Foshay, pastor of Grace Baptist Church, Belleville, performed the ceremony. Garden flowers were used in decoration. Miss Grace Flagg of Irvington was maid of honor and Elmer Becker of Nutley was best man.

The bride wore a gown of royal blue chiffon, with matching hat, and had a corsage of gardenias. The maid of honor was in blue crepe, with dark taffeta and hat. She wore a corsage of roses. For travel the bride had a costume of black and white satin with a black velvet hat.

After a wedding trip the couple will reside at 217 Greylock parkway, Belleville. The bride is a graduate of East Side High School, Newark, and the bridegroom of Columbia High School, South Orange.

Belleville friends of Dr. and Mrs. Roswell Lowry of Cleveland have received word of the birth of a son to the couple August 21. Mrs. Lowry, formerly Miss Elizabeth Tempest, was a teacher of English at Belleville High School. She was identified with the Girl Scout organization and the University Club.

Personal

Mr. and Mrs. William Terry and sons Alvin E. and William M. who spent several weeks at their summer home at Amityville, L. I., where clamming, fishing and boating were enjoyed, have returned to their home at 11 Bell street.

Miss Elizabeth Rossman of 166 Holmes street, will be hostess to two tables of bridge tomorrow evening. Those playing will be Miss Rossman's brother-in-law and sister Mr. and Mrs. William Melins of the Holmes street address, Mr. and Mrs. Sylvester Frazer, Mr. and Mrs. Edward Seely and Miss Jennie K. Stritt.

Mrs. Herbert F. Ainsworth of 47 Union avenue will entertain the members of the Wednesday luncheon club, next week, September 19. Members include Mrs. John H. Cowburn, Mrs. Ernest Harris, Mrs. Robert E. Louer and Mrs. Samuel MacInnes.

Miss Geraldine Rhoads of 251 Little street is home from Camp Mollock in the wilds of Maine, where she spent the summer, and will return to Bryn Mawr, Pa., for her senior year at that college, at the end of the month. Her parents, Mr. and Mrs. Lawrence D. Rhoads, have returned from a fortnight's motor trip to the Century of Progress Exposition at Chicago.

Dr. and Mrs. F. Kenneth Mase and family of 311 Washington avenue and Harry Fallows of 75 Rossmore place have returned from Quonochontaug Beach, R. I., where they visited Mr. Fallows' parents, Mr. and Mrs. Henry M. Fallows.

After a vacation of three weeks, Mr. and Mrs. Norman Gardinier and daughter Marjorie of 67 Rossmore place have returned from Beach Arlington.

Guests for two weeks of Mr. and Mrs. Henry R. Kuntz of 27 Essex street were their daughter, Mrs. C. M. Wintner, and sons, Clive, Clifford and Robert of Wilton, Me.

Mr. and Mrs. Walter Parsells and their son-in-law and daughter, Mr. and Mrs. John W. Ploch, of 64 Beech street are enjoying a stay at Bernardsville.

Miss Margaret Kasper of 234 Holmes street, a teacher in the Belleville schools, has returned from the Panama Canal Zone.

A surprise shower for Miss Eleanor Miller daughter of Mrs. G. C. Miller of 45 Van Houten place was given Friday night at the home of Miss Ruth Farrington 174 Tappan avenue, by the Entre Nous Club. Those present were the Misses Justine Boylan, Rose Connolly, Regina Lynch, Margaret Haslam, Gladys Jacob, Margaret Peterson and Ruth Chappel.

Dr. Maximilian Hubach of 160 Smallwood avenue has returned from Asbury Park.

A public card party September 17 at the Washington avenue community center, with Miss Alice Bride as chairman, will launch activities of the Moore-Dill Women's Club, which was organized recently. Officers are: President, Mrs. William F. Herkness; secretary, Miss Margaret Spillane, and treasurer, Miss Margaret Sherman. Mrs. Hannah Hacker is publicity chairman. Meetings will be held at the center the first and third Mondays of each month.

SORE MUSCLES

Golden Glow Banquet To Be Feature Of Two- Day Session

Miss Minnie Deremer of 503 Union avenue has ended a stay at Washington.

Miss Mabel Harrison of 96 Tiona avenue has returned from Cape Cod.

John Manger, son of Mr. and Mrs. John Manger of 553 Washington avenue, left for Rutgers University Saturday.

Mrs. Peter Graham of 15 Van Houten place has as guests this week Mrs. David Keefe of Denver and Miss Catherine Murphy of Adams, Mass.

Mrs. May T. Holden of 228 Holmes street, local director of Girl Scouts, is spending a week with relatives at Beverly.

Harry C. Wortman, Jr., son of Mr. and Mrs. H. G. Wortman, will enter the University of Tennessee, and Emanuele De Noia, son of Mr. and Mrs. Emanuele De Noia, Dana. Both are of DeWitt avenue. Elsie Gibson, daughter of James Gibson of 273 Holmes street, goes to Syracuse University, and Margaret Ackerman, daughter of Mr. and Mrs. Frank J. Ackerman of 60 Fairway avenue to the Paine School, New York City.

The fortieth annual session of the State Council of New Jersey, Daughters of America, will be held at Atlantic City September 18 and 19 at the Hotel Jefferson, starting at 9:30 A. M. A banquet, which will be called the Golden Glow Banquet, will be given at the hotel the latter day. A surprise entertainment will be given. All members are requested to attend.

Harry Snyder and Mrs. Anna Helman, representatives; Mrs. Nettie Mitchell, counselor; Mrs. Laura Snyder, treasurer, and Mrs. Anna Sickles will leave Monday from Belleville to attend the convention. They will stay at the Hotel Jefferson.

The Tuesday evening bridge club was entertained this week by Miss Bernice Le Compte, at her home, 28 Astor street, Newark. Those playing were Miss Tyna Solonka, of the Astor street address; Miss Ruth Lloyd of Nutley; Misses Grace Hopper, Doris Geiger, Ruth Farrington, Bernice Mumford, and Mrs. Paul H. Dowe.

MAVIS TALCUM POWDER

You Can Purchase Thor Laundry Equipment for \$69.50

The Thor electric washer and its ironing attachment were not built to meet a price. They are part of the Thor standard line. Thor equipment justly bears the reputation of first class workmanship built into good materials and long and dependable service.

The Thor washer is designed to do thorough work without injury to the most delicate fabrics. Eighteen swirling currents of water keep the clothes in motion. Hot suds are thrown over and through each article with force enough to loosen and remove the dirt. Only the water touches the clothes, so there is nothing to pull or injure materials.

Remove the wringer and fasten the ironing attachment in its place. Swing it around to a convenient angle and do all your pressing on it. It cuts ironing time in half. Flat work goes quickly and it takes only a little practice to press the more difficult pieces skilfully.

Prices on Thor electric washers begin at \$49.50 cash. The ironing attachment sells for \$20. Carrying charge extra if you buy on the monthly payment plan.

Post Graduates Seek High School Entrance; Nutley Overcrowded—Belleville Has Room

Officials Give Out Interesting Data On Building, Teaching Staff And Eagerness Of Unemployed

(Continued from Page One)

graduate tuition has been turned away. Now and then one has found himself or herself lucky enough to obtain admission to a particular course of study where it was determined there would be room in a certain period. But these fortunate ones were the rare exception to the rule. Ordinarily, as explained by School Commissioner Thomas W. Crowley

teachers after two years would work detrimentally to the system in many cases.

"What to do is the constant question."

"Many people think of the school teachers as working only while their classes are actually in session, or from 9 o'clock in the morning until 3 o'clock in the afternoon. This is only what a great many people think of the case. Now, as a matter of fact

FLOYD HARSHMAN

JOHN A. SPARGO

of Nutley, the post graduates would be taken care of in the Nutley schools until they reach the age of twenty-one, as provided by the state school law. But when lack of room interferes, as is the case in Nutley at the present time, only those who can be squeezed in now and then can be taken care of.

Colin C. Linn, Nutley district clerk, explained that since the Nutley High School and the Junior High are both greatly overcrowded with the regular enrolled classes, there is no chance, except in isolated and rare cases, to accept post graduates.

973 in High School

Speaking of the crowded condition of Nutley public schools, Mr. Linn said:

"The high school was planned and constructed to accommodate 800 pupils. There are now enrolled here almost 1,000 boys and girls and you can see this means crowded conditions. Over-crowding is practically universal in the schools."

"The Junior High School, in the Park School, across the street, is also greatly overcrowded, and so far there is no opportunity to make room for more than perhaps two or three of the zealous post graduates who seek admission."

School Problem Serious

"The public school problem is a most serious and perplexing one," said Commissioner Crowley. "There are many things connected with the administration of the schools about which we have nothing to say. They are provided for in the state school law which leaves little for us to determine for ourselves."

"The law provides that all persons shall receive schooling up to twenty-one years of age. Of course, if they lack any part of training, after having completed four years in high school, they must take a chance in obtaining a post graduate admission. If there is room, they must be accepted, but not to increase the cost of training."

"The public schools are by far the greatest source of public expense. The buildings are costly and it costs money to maintain them. Unless some money is expended on necessary repairs, the buildings will deteriorate. They need paint and overhauling. The desks need overhauling, particularly in painting or varnishing. If they are not looked after they will run down and soon become worthless."

Cost Considerable

"The cost of teaching is also a considerable item. For this reason it has been found necessary to prune the payrolls and to drop some members of the staff. This is also a great problem. The tenure of office act requires that all teachers completing three years shall automatically come under this act. To dismiss some

W. R. HOLBERT

THOMAS CROWLEY

we know the great majority of the teachers are in their class rooms before 8:30 in the morning. Many are there by 8 o'clock. And, when their classes are dismissed, these teachers are not through with their day's task by any means. They must prepare their programs for the following day. They must have their class work all in readiness and they often have to compile the result of their day's work before they can call it a day. This takes from two to three hours.

Teachers' Day Long One

"Then again there is the declaration that teachers work only ten months in a year. True, but their pay is regulated on that basis. They get paid by the year, not by the month or week. May as well say because a teacher receives a year's pay, she must work three hundred and sixty-five days. The year's pay is based on the school year which begins in September and ends in June."

Mr. Crowley emphasized the efforts that are constantly being made by the Nutley school board to provide the very best educational benefits to the boys and girls of Nutley with the financial means within the control of the board and to make these means go as far as possible in the maintenance of buildings, number of teachers employed and the taking care of as many pupils as possible."

Mr. Spargo Talks

According to Superintendent John A. Spargo, lack of funds and space prevent the Nutley school authorities doing what they would very much like to do for the post graduates of Nutley. Dr. Floyd E. Harshman, principal of the high school, also declares that every effort is being made to take care of the post graduates who actually need the extended course and whose record will support such aid. The desire of Dr. Harshman and Superintendent Spargo is to be as helpful and kind in behalf of the deserving student as it is possible to be, and they will spare no pains to be of kindly service to P. G.'s wherever possible.

If the means were at hand, as in bountiful times, both say, there would be no question but that every one of the twenty-five or more applicants for additional instruction in commercial subjects would be freely taken care of. Just now, the most deserving are the ones to be looked after.

"The Nutley school board," said Mr. Spargo, "has done a mighty fine piece of work in preparing the schools for the fall opening. During the summer the members of the board saw to it that as much work was done on each school as was possible with the financial means at hand and what has been accomplished is really remarkable, in view of the small cost of repairs and renovations."

Repairs Well Done

"Of course," said Mr. Spargo, "it must be understood that expensive buildings and furnishings like schools require constant looking after to keep them from deteriorating. A school is far different from a commercial build-

Democratic Women Arrange Card Party

Miss Alice Bride Chairman Of Affair Sponsored by Moore-Dill Club

A public card party under the auspices of the Moore-Dill Woman's Auxiliary will be held Monday evening at the Recreation Center in Washington avenue opposite the Elks Home. All card games will be played, starting at 8:30 P. M.

Miss Alice Bride is chairman, assisted by Mrs. William Herkness, Mrs. Thomas Dillon, Mrs. Alice Spillane, Mrs. Margaret Sherman, Mrs. O'Neill, Mrs. Straudt, Mrs. William Liebau, Mrs. Hannah Hacker, Mrs. Clarence Donnelly, Mrs. Hoey, Mrs. Michael O'Keefe, Mrs. Josephine McKenna, Mrs. Krewson, Mrs. Thomas Reilly, Mrs. Catherine Paxton, Mrs. Davis, Mrs. Finan and Miss Margaret Spillane.

Refreshments will be served after the games.

Welfare Federation Plans Community Chest Drive

A meeting of the Belleville Welfare Federation to make final plans for the annual Community Chest drive this fall was held at the town hall last night. Recorder Everett B. Smith is president of the federation and Town Attorney Lawrence E. Keenan drive chairman.

The 1935 budgets of all participating organizations must be submitted for approval by September 21, Mr. Smith announced yesterday.

Herbert C. Schmutz has been appointed publicity director of the drive and George E. Weston, Jr., chairman of the house to house canvass committee.

Belleville Taxpayers' Association Plans Town-wide Canvass to Enroll New Members

Advertising Campaign Ratified by Organization; Prominent Speakers Will Address Gatherings; Card Party Arranged at Recreation House

ing or a private home. Here there are a thousand boys and girls and the damage they can do unintentionally is very great. There are only a few persons in a private home and it is easy to keep their home clean and in repair. But with a school building it is far different. The janitors do very well in their task of keeping things bright and clean. But it requires paint and varnish to keep the furniture in proper shape."

Dr. Harshman supplemented Mr. Spargo's statement by saying that there is no intention of casting any blame on the boys and girls, if furniture, walls, etc., were finger marked or stained. Where there are so many persons passing through the corridors all the time there are bound to be marks or stains on the walls. Of course no one is supposed to mark up the walls with pencils or other material. That is something that is absent.

Total Enrollment

Enrollment figures furnished at the office of Superintendent Spargo, in the Nutley High School, show a total of 4,624, divided among the schools as follows:

High—973; Junior High—647; Park School—692; Yantacaw School—444; Washington School—678; Lincoln School—588; Spring Garden School—581; and Italian Orphanage—21.

Belleville Fortunate

In Belleville the situation is quite different from that of Nutley, with respect to the fate of post graduates seeking to obtain further class instruction.

At the Belleville High School, the News writer was greeted by Principal W. R. Holbert and learned that no post graduate applicants had failed to obtain the aid desired, as only eight applied, and there was room for all. "We have had no difficulty in taking care of post graduates here," said Mr. Holbert. "We have eight, mostly young men who are taking special courses."

Asked how it happened that Belleville could do this, Mr. Holbert explained that in Belleville High School there are two shifts daily beginning comparatively early in the morning and ending early in the evening. "Our two sessions take care of approximately 950 pupils in the morning and about 500 in the afternoon," said he. "We have two sets of teachers, one for the morning shift and the other for the afternoon shift. All work with the greatest of enthusiasm and loyalty, and there is not the slightest complaint if hours should be long."

Rotary Club Hears Of Local History

Greenwood Lake Will Be Place of Outing September 26

At the meeting of the Rotary Club Wednesday, the guest speaker was D. Stanton Hammond, vice-president of the New Jersey Historical Society. His subject was "New Jersey From an Historical Point of View."

Mr. Hammond said in part: "The hard headed business man of today who is so depressed with the uncertainty of things as they now are, should study history; and in connection with Belleville, we should compare conditions with those of Washington's time. Washington's men came through Belleville, apparently looking for food; so we should not complain."

A map of New Jersey made in 1828 was displayed, showing many changes in the contour of our state since then. At that time there were only two counties, Bergen and Essex; there are now twenty-one.

The Rev. Peter R. Deckenbach, president, presided at the meeting. Clifton Smith reported for a committee in regard to an outing, which is to be held on September 26 at the home of Dr. John Baker at Awoosing, on Greenwood Lake. The trip will be made by private automobiles, leaving Belleville at 9:30 that morning.

Stahl-Cline Marriage

Miss Lenore Louise Stahl, daughter of Harry C. Stahl of 97 Chadwick avenue, Newark, and Roy Verlyn Cline, son of Mr. and Mrs. Clarence D. Cline of 65 Beech street were married at the home of the groom's parents, on Saturday afternoon at four o'clock. Rev. Frederic F. Foshay, pastor of Grace Baptist Church, officiated.

ated. The bride was attired in a gown of royal blue chiffon, with matching hat of velvet, and wore a corsage of white gardenias. Her only attendant was Miss Grace Flagg, of Irvington, as maid of honor, whose gown was of blue crepe with dark blue taffeta jacket, hat and matching accessories.

She wore a corsage of tea roses. Elmer Becker of Nutley was best man. Only the immediate relatives of the contracting parties were present, but included the groom's maternal grandmother, Mrs. John Dorcas, of Akron, Ohio. The bride's traveling costume was of black and white satin, with a

black velvet hat. After a tour to Akron, the couple will be at 217 Greylock parkway. The house was decorated with bouquets of huge rose colored dahlias and gladiolus. The bride is a graduate of East Side High School, Newark; and the groom of Columbia High School, South Or-

Tax Sale Notice

to

Delinquent Taxpayers

The list of delinquent Taxpayers of 1933 and prior years' taxes and those delinquent in annual payments of improvement assessments, including Sanitary Sewer,

IS NOW BEING PREPARED FOR

ADVERTISING AND TAX SALE

In accordance with the law governing Tax Sales (Public Laws of 1918—p. 883) such list must be published as an advertisement for four consecutive weeks in a local paper. The first publication of list will appear in the week of October 1st, 1934.

This notice is published at this time to allow delinquents sufficient time to pay in full or in part such liens before additional costs are incurred by costs of advertising and Tax Sale.

Give Her the Conveniences of

AUTOMATIC GAS SERVICE

Living is easier, housekeeping is less burdensome, when gas service through automatic appliances is put to work in your home.

There are three outstanding uses of gas which bring comfort and convenience to the home for a small monthly charge.

COOKING in an automatic gas range eliminates the necessity for "standing over the range for hours on end" to save the cake. Time and temperature control of the oven takes care of the cake while you are at leisure.

WATER HEATING automatically by gas means no delay, no cold baths, no running downstairs to build up the fire or remove the ashes. Hot water, 135 degrees, when you want it and in whatever quantity.

REFRIGERATION by gas in that paradox of ice box by which we get cold temperature from a gas flame. A refrigerator in which is safely stored your leftovers and in which pleasing desserts can be made.

Visit our showrooms more frequently. There are many appliances on display which will interest you.

THE SCHOOL CHILDREN

School bells are now ringing and our children are back at their studies. These are anxious days for the perils to the little ones are many.

Each year automobiles take a frightful toll in dead and injured among children. And the toll is utterly needless. Signs warn motorists of their approach to school buildings. Huge warnings in white paint are written on the streets near almost all of such buildings and only an utter disregard for the children will cause motorists to fail to take notice. It is the duty of everyone driving a car to remember that school days are here again.

CAMPAIGN SONG

During the campaign of 1932, the bands thumped out the theme song of the New Deal—"Happy Days Are Here Again." It supplanted the lilting "Sidewalks of New York," which was a memory of the lost cause of Alfred E. Smith.

Wherever President Roosevelt has gone ever since his election, "Happy Days" has followed him. Its strains have been heard from Puerto Rico to the Islands of the Pacific, from Campobello to the Virgin Islands. But what of the man who wrote the song? A report from Canajoharie, N. Y., sets forth that Aaron Brown, the author, is a member of a CCC camp. "Happy Days"—song that a political landslide featured—evidently did not bring happy days to the originator, in a financial way.

BIRD REFUGES

The United States has done splendid work in acquiring land for bird refuges since the migratory bird conservation act went into effect. In four years it has authorized the Department of Agriculture to acquire by purchase 664 acres for refuge purposes. One hundred and forty-one proposed refuge sites, totaling 3,710,927 acres, have been examined and appraised by the Bureau of Biological Survey, and 22 refuges have been created in 17 States and Alaska. There have also been taken 936,687 acres by executive order, 2,033 by gift, 12 by act of Congress, 1,944 by lease without option to buy and 6,343 by cession, bringing the total to 1,084,683 acres.

All this will serve to hearten bird-lovers everywhere, and especially those who feel that the migratory fowl have not had a fair show in the past.

EFFICIENCY

Efficiency experts apparently think of everything. A published description of the wine cellar of a New York hotel, where liquid refreshments worth \$120,000 are stored, states that it has an elaborate system of locks, a limited number of keys, and a bell that rings when the door is opened. But more interesting is the heavy rubber covering that has been placed on the aisles, not to deaden footsteps in such a secret place, but to prevent breakage when bottles are accidentally dropped.

Belleville Hardware Co. Is Kelvinator Dealer

Belleville Hardware Co. has been appointed local Kelvinator dealer for this community, according to an announcement made yesterday. The organization, with headquarters at 530 Washington avenue, will handle the complete line of Kelvinator electric refrigeration products, it was announced.

Calling attention to the fact that Kelvinator Corporation has made the best sales record of its twenty year history this year, Joseph Kaplan said

that one of the main reasons for this success is the outstanding popularity of the new Kelvinator household models.

"We are happy to be able to announce that we have taken on this unusually popular line of electric refrigerators," Mr. Kaplan said. "Kelvinator has ranked high in public preference everywhere this year and we believe the people of Belleville will be just as impressed with the beauty and efficiency of these refrigerators. We want to urge everyone interested to come into our showroom and inspect these new refrigerators and believe we can offer much of interest for them to see."

CAN IT BE DONE? — By Ray Gross

MEASURING CUP CAP

Why not a measuring cup to be also a cap or stopper for extract bottles etc. CAN IT BE DONE?

The Forum

HEISLEY LETTER

Editor of The News:

We cannot gain but we must lose. Breathing the fresh air, we may swallow some dust. The silver is indwelt by some dross. The scholars get good grammar at school. Very likely at home, father or mother say, "It's me," instead of "It is I, or, 'I thought it was Mrs. Jones, but wasn't sure, until I got closer to her. Sure enough, it was HER."

Possibly the more comical mistakes result from overstraining at correctness. When one comes to understand "It is I," like jumping out of one hole and falling into the next he says "No third person could decide the matter, as it lies between you and I."

The writer had a nice pictorial postal mailed by his friend Max C. W. Buchenberger, of 88 Lake street, Nutley from Chicago. He was then on the way by automobile for Omaha, Nebraska, and said he would see the World's Fair on the return trip. Since then he has returned, saw the Fair, encountered the drought stricken area in Central Iowa, and the overalls of the Indiana farm help, worn even on Saturday nights in the shopping and movie diversions of the county market towns. And now I will resume my subject.

The most prevalent mistakes are with the use of "was" where "were" should be used, and of "went" where it should be "gone," especially when preceded by HAD or HAVE. Example: "He came to see me, but I had gone to New York," or "I went to his house but he had gone to New York."

Couldn't something be done for the grammar of adults in the way of a movement on the part of sympathetic men and women forming night classes for very elementary instruction? In that way the instruction of parents might clear the children's path. Couldn't something also be done about abolishing the nuisance of advertising spelling. Formerly the sign painter together with the printer, was a powerful agent in maintaining the standard of spelling, but now he isn't, and so sadly deficient that he will spell the word COMPULSORY with SORY turned to SARY. Well, we have such enormities as DRIVEURSELF, for Drive Yourself, KURE THAT KOFF, for Cure That Cough, so that English is hardly English, nowadays, and all the time taxes are high and the schools are laboring to educate to a correct speech and spelling.

I take the view that the Department

of Instruction should have more than the supervision of the class room. Its concern ought to be with all anti-educational agencies. The misspelled, or pervertedly spelled advertisements have always given me sore eyes and a crusty temper. The irresponsible undo the work of the responsible, and tear down in a day the work of a year. On the other hand I know that many parents are noble minded enough to remove every obstacle to the educational advancement of their children, and would be glad to have some elementary instruction of evenings, if only the plan could be set on foot.

FREDERICK A. HEISLEY.

DRIVE SAFELY

ROAD HOGS

A MENACE to all other motorists! That's what he is, that "road hog" fellow.

You'll see him as you travel along the highway—usually meandering along in the middle of the road. He hasn't any place in particular to go, and doesn't seem to realize that other drivers have. He pokes along, viewing the scenery instead of the road ahead, often holding up a line of cars a block long. We don't say he has malicious intent, but with his poky nature he might just as well have. He disrupts the orderly flow of traffic and is, therefore, a menace to all other motorists.

The time is past when a delightful day may be spent in a slow jaunt by car into the country. There are too many cars on the road, manned by drivers who have some place to go and want to get there without undue delay. Drivers today must leave the enjoyment to their passengers. Their job is that of driving safely and keeping eyes on the road.

Arnold H. Zeman -
N. J. Commissioner
Motor Vehicles

Local Youth Wields Chair On Head Of Newark Storekeeper

A North Newark store keeper last week was taken to a Newark hospital after a local fourteen-year-old youth had crashed a chair on the head of the storekeeper.

The local youth had been making intermittent trips to the cellar of the storekeeper where, it is alleged, goods were stolen. The storekeeper caught the lad in the cellar and pronto the chair fell on his head. Names have been withheld.

Cleared Of Attempt

To Steal Firewood

Alex Zarillo of 181 Heckel street, Silver Lake section, a fireworks manufacturer, tried to make "fireworks" for Elzi Zeal, negro, of 40 Honiss street when he discovered the latter in his yard at midnight Tuesday.

Arraigned on a charge of attempting to steal firewood before Recorder Smith Wednesday, Neal said that he had been taking a short cut to his home, and had tripped over a pile of wood, making a crash that aroused Zarillo. Zarillo said that wood had been stolen from his yard several times in the past.

In consideration of the fact that Neal has had no previous police record, the court dismissed the complaint, but warned Neal to stay out of strange yards in the future.

Miller—Forshee

The marriage of Miss Lois Forshee, daughter of Mr. and Mrs. Abraham C. Forshee of 186 Stephens street, and Samuel Miller of Newark, son of Mrs. Melinda Miller and the late Rev. Samuel Miller of Walnut Creek, O., took place Thursday night at the parsonage of Wesley Methodist Episcopal Church. The pastor, Rev. Edgar M. Compton, officiated. Miss Ruth O'Brien of Belleville, a niece of the bride, was maid of honor and Donald Burnup of Newark was best man. The bride was attired in a traveling suit of brown crepe with matching hat and wore a corsage of gardenias. Miss O'Brien wore a bottle green dress and hat and carried talisman roses.

The couple, who left on a motor trip to Ohio, will reside at 280 Washington avenue, Belleville, on their return. Mrs. Miller was born here and attended the local high school.

Youths Receive Surprise After Entering Movies

Two youths, who allegedly forced open a side door of the Capitol Theater Wednesday night to see the show received a great surprise when they were plucked from their seats by Patrolmen Thomas Cruthers and J. F. Flynn. Blissfully unaware that their entrance had been observed by Manager Ben Weschner, the boys were enjoying the entertainment when the entertainment when the officers arrived.

After the youths had been locked up, the manager made a complaint against James Roberts, 18, of 239 Stephens street and Frank Ryder, 19, of 153 Union avenue as disorderly persons.

"I'm getting tired of having that door broken open every night," said Weschner.

Mayor Made Member Of Harbor Congress

Mayor William H. Williams has been appointed to the National Rivers and Harbors Congress by Representative Frank Reid of Illinois president of the congress. The group is making a survey of waterways, shipping and flood control, in which the Mayor has been interested for some time.

HOW WOMEN CAN WIN MEN AND MEN WIN

The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and you get constipated. You get yellow and low down pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have nervousness, irritability, and you are a sour-thinking person. You have lost your personal charm. Everybody wants to run from you. But don't take salts, mineral waters, oils, laxative pills, laxative candles or chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it. Only one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's Little Liver Pills. No harsh, irritating chemicals. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. 25¢ at drug stores. Refuse "something just as good" for it may grip, loosen teeth or scald rectum. Ask for Carter's Little Liver Pills by name and get what you ask for. © 1935, C. M. Co.

SCHOOL DAYS

Purely Personal

By LILLIAN THOMAS

THOUGHTS WHILE ROAMING

Writers borrow so freely from the fiction masters of yesterday that I often wonder what would happen if authors met in heaven. I, for one, wouldn't have the nerve to look at some of those brilliant essayists in the face.

I'd like to 'phone Upton Sinclair and ask him what was the big idea of running on a Democratic ticket? And will he please stop sending me all that Socialistic literature!

The next time an editor asks for "something different," I'm going to tell him what I've often wanted to tell editors: That they're so darned set within themselves, they wouldn't recognize "something different" even if they saw it.

For all his intelligence, for all his splendid command of the English language, his wide experiences, his excellent memory, and his great ambitions, J. F. L. will NEVER learn how to write a salable verse and fiction.

The Board of Education in my city ought to know that of twenty-five grade-school teachers I asked, none knew who wrote "Twas A Night Before Christmas." And not one of the twenty-five could name the forty-eight states, in the time limit of one-half hour.

My God! what the printer and proofreader did to that noble, precious and priceless idea of mine!

Someone was telling me that Ballyshannon, the famous Irish Wolfhound, stood 38 inches high to the shoulders. He had a girth of forty-one inches, and weighed 184 pounds. He was considered the most perfect type, as well as the largest Irish Wolfhound bred in modern times.

If anybody knows who won the war I wish they'd tell me. I was assigned to write an article entitled, WHO WON THE WAR! Maybe I could write about the two roughest heroes who got drunk, wandered up to the front and . . . won the war!

The New York Evening Journal poked plenty fun at the fellow who predicted that the world would end the tenth of this month. Last Saturday's hurricane had a number of people wondering if maybe that bird wasn't right. At any rate, it threw a scare into a lot of folks.

Art Club To Meet

The Belleville Art Club will begin its 1934-35 season next Tuesday evening September 18 at the Recreation House on Joramelon street.

The meeting will start at 8 P. M. and plans will be made for an active season.

Owing to the fact that the guest book in which new members registered was stolen during the exhibition at the Free Public Library their names and addresses have been lost and it is therefore impossible to notify them by mail. They are requested to attend the meeting if possible or send their names and addresses to the secretary Miss Violet Van Riper, 261 Main street, Belleville.

READ "THE NEWS"

What Vocation Shall My Boy Choose?

By B. B. Mahon,

Principal, School of Air Conditioning, International Correspondence Schools.

We live in a changing world. Opportunities for success in the future will differ from those in the past. A boy's wise choice of his life work may do much to determine success or failure. How shall he choose?

The Field of Air Conditioning

AIR CONDITIONING offers a widening field for the young man soon to embark upon his career. Conditioned air is making rapid headway in the home. It is increasingly important in theatres, office buildings, hotels and on the railroads. It is becoming essential to efficient operation in many factories.

A new and growing industry offers obvious advantages. As the industry grows the young man who equips himself to take advantage of its opportunities grows with it. In air conditioning there is today an increasing demand for those who possess the ability to specify and install the proper equipment for the particular job.

The demand is an exacting one. The specifications differ with every type of structure and with every purpose for which the conditioned air is required. Practical experience and technical knowledge are both needed by those who would qualify as experts in the new industry.

Air conditioning is closely allied with the heating and ventilating field. Many of those who are successful today have obtained valuable practical experience while serving their apprenticeship with a heating and ventilating contractor; acquiring their technical knowledge by study in spare time. Others have first acquired the technical knowledge at college, and then have turned to the practical application of it.

Both methods are good. The choice usually depends on family or other circumstances.

Police Station Becomes

Bicycle Repair Shop

The upper floor of police headquarters took on the aspect of a bicycle repair shop Tuesday afternoon when police and others attempted to reassemble four stolen bicycles which had been taken apart, assembled into new wheels, and repainted by three boys in whose homes they were found.

Chief William J. Brown, Captain John Jameson, Sergeant John Somoracki, Patrolman Theodore Lusz, Special Officer Ralph Hollenbeck, Firemen Edward Stroba, two of the boys accused and a newspaper reporter took a hand in the reconstruction.

In spite of the preponderance of onlookers over mechanics, four fairly satisfactory bicycles were the result of the afternoon's work.

Arrested On Warrant

Samuel Massucco, 30, of 77 Franklin avenue, was arrested by Captain John Jameson Tuesday morning on a warrant issued by Judge uvneck of Newark Family Court. He is charged with contempt in his alleged failure to comply with orders of the court. He was turned over to Detective Donnelly of the Newark police.

CHURCHES

Owing to the fact that many residents of town either attend out-of-town churches or, because of associations are interested in these places of worship, the church news of Nutley, Belleville and Newark pastorates is here combined for your convenience.

The Sunday school will meet in the morning at the usual hour, 9:30.

Miscellaneous

CHRISTIAN SCIENCE CHURCH

FIRST CHURCH OF CHRIST, SCIENTIST

Passaic, N. J.

276 Main Avenue

Rutherford—Pierpont Avenue.

Montclair—8 Hillside Avenue.

Newark—65 Roseville Avenue.

"Substance" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 16.

The Golden Text is: "My God shall supply all your need according to his riches in glory by Christ Jesus (Philippians 4:19).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Lift up your eyes to the heavens, and look upon the earth beneath: for the heavens shall vanish away like smoke, and the earth shall wax old like a garment, and they that dwell therein shall die in like manner: but my salvation shall not be for ever, and my righteousness shall not be abolished" (Isaiah 51:6).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "That matter is substantial or has life and sensation, is one of the false beliefs of mortals, and exists only in a supposititious mortal consciousness. Hence, as we approach Spirit and Truth, we close the consciousness of matter" (p. 278).

BELLEVILLE

CHRIST EPISCOPAL CHURCH

Rev. Peter R. Deckenbach, rector.

Sixteenth Sunday after Trinity. Holy Communion at 7:45. Morning prayer and sermon at 11 o'clock; topic: "Courage."

The evening services will be resumed October 7 at 8 o'clock.

Sunday school re-opened last week, and meets each Sunday morning at 9:45. There are classes for all.

The vestry will hold the first meeting of the fall season next Friday evening, September 21, at the parish house.

The Altar Guild will have its re-opening meeting Monday evening in the club room of the parish house. Mrs. J. Harry Edwards, directress, requests a full attendance.

The pivot card party under the auspices of the Ladies' Guild, and arranged by the September unit, of which Mrs. Sylvester Frazer is chairman, will take place next Friday evening.

ning at the parish house. Mrs. Frazer has a committee of eighteen women, who are assisting her, and this first affair of the season promises to be a very enjoyable one. There will be an award for each table and refreshments will be served.

G. F. S. Holds Picnic Supper
The Girls' Friendly Society held a get-together picnic supper on the church lawn Wednesday evening at 6:30. Later in the evening, the associates held a meeting indoors, at which fall and winter activities were discussed with the president, Mrs. Herbert F. Ainsworth, leading the discussion. There will be no meeting next week, but the first regular meeting will take place Wednesday evening, September 26, at the parish house.

The society will hold its annual public fish and chip supper at the parish house. Friday evening, September 28, from 6 to 7:30 P. M. This fish supper has always been a very attractive meal, and the occasion an enjoyable one.

Mr. Deckenbach was the speaker at the high school's opening assembly, on Monday morning.

ST. PETER'S R. C. CHURCH
William street, Belleville.
Rev. Joseph M. Kelly, Pastor.
Rev. John S. Nelligan, Asst. Pastor.

Sunday masses at 6, 7:30 8:30 9:30 and 11 A. M.

Confessions Saturday from 4 to 6 P. M. and from 7:30 to 9 P. M.

Masses are held at 5:30, 7 and 8 A. M. the first Friday in each month. On holy days of obligation there are masses at 5:30, 7, 8, and 9 A. M.

ST. ANTHONY'S R. C. CHURCH
55 Franklin street, Silver Lake.
Rev. Cataldo Alessi, Pastor

Sunday masses at 6 A. M., 7:30 A. M., 9 A. M. and 11 A. M. Children's mass at 9 A. M.

Devotions in honor of St. Anthony and St. Liberator every Tuesday evening at 7:30 o'clock.

FEWSMITH MEMORIAL
PRESBYTERIAN
O. Bell Close, Minister.

Sunday, 9:30 A. M.—Church school. 10 A. M.—Bible class.

11 A. M.—Sermon: "Courage." 7 P. M.—Christian Endeavor Missionary Society.

The annual food sale of the Woman's Missionary Society will be held at the church school room Saturday, September 15, between the hours of 2 and 5 P. M. This is the only activity of this society during the year and it is the earnest desire of the committee that the people of the congregation give it their full support.

Contributions may be given to Mrs. T. C. Stewart or member of the executive board.

Important Dates
Sunday, October 7, will be rally day, and roll call. Church members are expected to fill the church to overflowing. The complete tenth anniversary program will be announced, and committees assigned their special work.

The entire week beginning October 2 will be devoted to this great celebration.

MONTGOMERY PRESBYTERIAN
Mill St. and Montgomery Place,
Belleville.

Rev. Neils H. Christensen, Pastor.

Belleville, N. J.
Frederic F. Foshay, Pastor

Church School—9:45 A. M. There are classes for all ages in a finely appointed building with separate assembly rooms and class rooms. The church invites those who are not members of any other school.

The fall rally will be held Sunday, September 30.

Morning Worship—11 A. M. Sermon: "Preparations that are Wise."

Senior B. Y. P. U.—7 P. M.
On Saturday, September 22, a picnic will be held at Star Lake. Cars will leave the church at 2 P. M.

Wolff Family Heads
C. E. Service Sunday
Song Service Will Be In Charge Of Miss Emily Wolff

The Wolff family will have charge of the Christian Endeavor service Sunday morning at the Belleville Reformed Church. The meeting will begin at 9. Robert Wolff will bring the message of the morning. Howard Wolff will preside. The song service will be conducted by Miss Emily Wolff. Miss Edna Baum, a member of the church choir, will be the guest soloist.

John Radin will be in charge of the first missionary meeting of the year. Pastor Struyk, Miss Emma Gerow and Mrs. Howard Supphen will assist in order to make this service the best missionary service of the year. Don't forget this great meeting Sunday morning, September 23.

Fred H. Woodward Jr., will conduct the final morning song service September 30. Miss Ruth Struyk will be the speaker at this service.

Reservations for the annual ride to Star Lake may be made through Mr. Woodward, Mr. Radin Jr., or Mr. Howard Wolff.

Miss Wolff will preside over the Rally Day service, Sunday, October 7. All three societies will be present. Mr. Woodward will preside on Sunday evening, October 14, and present as the speaker, Miss Irma Reitz, president of the Essex County Christian Endeavor Union. Miss Reitz is the first woman president of the Essex County Union.

Mrs. Supphen will preside over the second great missionary service of the year, on the final Sunday evening of the month.

One week before the missionary service the society will present Howard Wolff as the speaker. Mrs. Grandin Brown will preside.

The president will appoint a committee to arrange for a ride to New Fernwood at the next business meeting. This will also be another day of Christian fellowship.

A program is being prepared for the first service to be held in the home of "Grandma" Warren, 57 Church street, Nutley.

The society will conduct an "Old Fashioned Gospel Hour Rally," in the church on the last Friday of October. This program is broadcast every Tuesday, Thursday, Saturday and Sunday over station WHOM at 8 A. M., also every Wednesday and Saturday afternoons at 4 over station WNEW. A silver offering will be received.

Everett W. Burden has been appointed general chairman of the membership campaign and Mr. Radin appointed captain to succeed Mr. Burden, as leader of his former group. Plans for this campaign are now in the making. Mr. Woodward, Mr. Radin and Mrs. Brown will assist in

praise service led by the pastor. A good attendance is desired at the opening service. This service is for everybody.

Friday evening at 8 P. M. the regular monthly session of the board of consistory will meet at the chapel. All members are urged to be present. This will be the first session of the season.

Public School No. 9 Has Organized

Staff To Report For This Paper

The Students Work Under The Direction Of Miss Mary

E. Hardman, Seventh Grade Teacher

STORIES ARE RESULTS OF PUPILS' EFFORTS

Number 9 School has organized a staff to report school news to the Belleville News. Eight grade representatives are Dorothy Newton, Shirley Kraft, Grace Rawcliffe, Alice Parris, Doris Stalter, Ruth Lundy and Michael Coffone. Lucille De Bonis, Tony Di Gregorio, Robert Klein, Edwin Kowalski and Robert Green constitute the seventh grade reporters. The students work under the direction of Miss Mary E. Hardman, seventh grade teacher, but all news stories are the results of the pupils' own efforts.

Number 9 was redecorated this summer, and new cream and brown paint, varnished floors, slatted blackboard, and polished desks greeted the some 200 pupils whose lagging footsteps brought them schoolward on Wednesday morning, September 5. A new maroon curtain hangs on the assembly stage, and window curtains brighten up the library. Small boys and girls delight in their freshly painted playroom.

The sixth, seventh, and eighth

Lamb's Belleville

Leaguers Finish In Third Place

Bow To Verona Champions,

8-5, In Season's

Final

"Mac" Lamb and his Belleville club gave the championship Verona A. C. slubbers the game of their lives, before bowing 8-5, Sunday afternoon, at Verona in the final game of the Essex County Baseball League season. The defeat left the Bell-boys tied for third place with Glen Ridge.

Lamb, himself, toed the slab for the Bell-boys, and though the score might not prove it, held the Verona slug-gers in check most of the game. For the first seven innings, the tilt was a ding-dong affair, the Lambmen denting the rubber twice in the seventh to go into a 5-5 tie. Verona, however, arose to the occasion and put across a trio of markers in the eighth to win out.

Belleville held its own in the matter of hits, both sides slamming out ten safeties. Johnnie Yuhasz and Jerry Bonavita, covering the left side of the Bell-boy infield, took time out to divide six of this total.

The final standing and score.

Church Bowling League To Be A Ten Team Affair

Three New Quintets Added;

Play To Start

Thursday

The Belleville Church Bowling League will start its 1934-35 season, Thursday night, with all the church alleys seeing action.

The loop's membership has been increased from last year's eight team total to ten for this year. Watessing M. E., Wesley Men's Club, two Bethany Lutheran teams, Montgomery, Fewsmith Presbyterian, Fewsmith Men's Club, Christ Episcopal, Grace Baptist and Forest Hill Presbyterian, comprise the list of entries.

William Glenck of Grace Baptist was elected president at a recent league meeting, with J. Gill, Montgomery, vice president; R. Bruegan, Fewsmith, secretary-treasurer, and H. M. Struble, Grace Baptist, official scorer.

The final meeting was conducted at night.

over a traffic blinker at Belmont avenue and Franklin street Saturday night. He was arrested by Patrolman Le Roy Hilton and pronounced unfit to operate a motor vehicle by Dr. Samuel M. Goldberg, acting town physician.

American Legion Meets at Chateau

Belleville Post, American Legion, will hold its first meeting since June in the new home, tonight.

A report of the nominating committee will be submitted to the membership to make the selection of officers for 1935.

Plans will also be discussed for a dedication for the new home soon. The post will participate in the parade Monday evening in Newark designated as Constitution Day. Members are urged to attend the meeting Friday night and prepare for the parade.

Commissioner Praised for Parking Rule Enforcement

Commissioner George R. Gerard says that he has received praise from many quarters for his enforcement of restrictions on all-night and other illegal parking. While his primary purpose was to keep the streets clear and safe for other motorists, he tells of other beneficial aspects of the safety drive which he did not consider at the time of its inauguration.

Mrs. Edward Seale of Union avenue told him that she was able to rent a garage for the first time in months. She said that the rentals were of great help to her, as her husband died recently.

Kenneth Smith Aids In Sixth Transfusion Case

When a man offers his blood for a transfusion once it usually passes by with small notice, but when the number of offerings reaches six it is time to record it with more than little note.

Such has been the experience of Motorcycle Officer Kenneth Smith, whose healthy condition gives the doctors a grand and glorious feeling when the need blood to help out a patient. Last week the officer made his sixth trip to aid a transfusion case. On this occasion he gave blood to Mrs. Mary Richter of 38 Montgomery place.

Gelshen-McBride

The marriage of Miss Jane Mary McBride, daughter of Mr. and Mrs. Edward J. McBride of 106 Tappan avenue, and Charles T. Gelshen, son of Mr. and Mrs. Patrick Gelshen of 136 Belleville avenue, took place September 2 at St. Peter's Church. The ceremony was performed by the Rev. John S. Nelligan, curate of the parish.

Walter R. Romine

Walter Raymond Romine of 48 Oak street died at his home Friday after a long illness. He was born in Newark and had lived in Belleville thirteen years. He was a mason contractor.

Youth Nabbed In Attempt To Drive Off Car

A fifteen-year-old lad, who is out on probation, gave the police another cause for worry this week, when he had a sudden desire to steal an automobile. Patrolman Kenneth Smith nabbed the youth after the lad had abandoned the car in Main street.

Smith had to leap several fences before he caught up with the offender. The lad attempted to take a car belonging to Louis Cohen of 277 Riverside avenue, Newark, from in front of the Crowhurst Leather Company plant in Main street, where Cohen had parked it.

Regular Republican Organization Meets

The Regular Republican Organization will hold its first fall meeting on Monday evening at the Elk's Club at 8:30. At a meeting of the executive committee held at the home of George E. Stewart Jr., president, plans were discussed for a progressive fall program which will be submitted to the membership on Monday night.

It is very doubtful that an outing will be held this year because of the fact that plans were never completed due to the illness and death of Mrs. Mary Galant who was very active on the committee in charge of the outing. It is too late in the season to make any plans now.

Take notice that Capital Social Club, Inc., 100 West 12th Division Avenue, president; Joseph Early, 165 Malone avenue, vice president; Robert Wright, 254 Little Street, treasurer; and James Mc Cormick, 476 Washington avenue, Thomas Mc Coy, 160 Mill street, Elmer Delaney, 16 Van Houten place, trustees; intend to apply to Board of Commissioners of the Town of Belleville, N. J. for permission to transfer planatory retail consumption licenses of the Town of Belleville, N. J. to the premises situated at 393 Stephen street to 553-555 Washington avenue, Belleville, N. J. Objections, if any, should be made immediately to the Board of Commissioners, Municipal Clerk of Belleville, N. J.

By the virtue of the above stated writ of fieri facias, to me directed, I shall expose for sale by public vendue, at the Court House, in Newark, on Tuesday, the Ninth day of October next, at two o'clock P. M., the following described premises, to-wit: A certain lot of land, situate, lying and being in the County of Essex and State of New Jersey, bounded as follows: On the north by the lot of land of the Phoenix Building & Loan Association of the City of Newark, assigned as collateral security, to said Association on May 26, 1932, by Elizabeth Beyer, widow, and also.

In the second place—All that certain tract of land, situate, lying and being in the County of Essex and State of New Jersey, bounded as follows: On the north by the lot of land of the Phoenix Building & Loan Association of the City of Newark, assigned as collateral security, to said Association on May 26, 1932, by Elizabeth Beyer, widow, and also.

The approximate amount of the Decree to be satisfied by said sale is the sum of Two Thousand Six Hundred Eighty Dollars and Sixty-One Cents (\$2,686.61), together with the costs of this sale.

By the virtue of the above stated writ of fieri facias, to me directed, I shall expose for sale by public vendue, at the Court House, in Newark, on Tuesday, the Second day of October next, at two o'clock P. M., the following described premises, to-wit: A certain lot of land, situate, lying and being in the County of Essex and State of New Jersey, bounded as follows: On the north by the lot of land of the Phoenix Building & Loan Association of the City of Newark, assigned as collateral security, to said Association on May 26, 1932, by Elizabeth Beyer, widow, and also.

Varsity Club Boasts Of Star Players

Archie Scotland Has Been Hitting Line For 14 Years

In the cast of the 1934 Nutley Varsity Club football eleven, which will open its second season Sunday at Feuerbach Park, is a footballer, whose length of continuous playing service is perhaps unequalled by any other gridiron in this section. The veteran is Archie Scotland, one of the organizers of the undefeated Nutley eleven, who this year week commences his fifteenth year as a gridiron star.

Scotland did the unusual thing in playing first-class football before even sampling the high school kind of play at which he later also became proficient. Very much under age, but with a husky build and 160 pounds of weight to go back him up, he enlisted at Newport Naval Station in 1919 and shortly afterward blossomed as a star back on the Station's gridiron team. He was assigned to the U. S. S. Florida and in 1920 played with the battleship eleven and also with the selected Atlantic Fleet eleven.

His enlistment over, the doughy Scotland decided to complete his high school education, returning to Nutley High School and starring as an irreplaceable fullback during the season of 1921. He captained the "Wonder Team" of 1922, which scored 414 points to the opposition's zero, to establish a New Jersey record. Following his high school days "Scotty" studied and played football at MacKenzie Prep and Tennessee Military Institute. He then went with the Newark aggregation in the Eastern League, playing with the local club from 1927 to 1929 when he performed with the Philadelphia Yellow Jackets. He later played with the Union Club in the Paterson professional league and several years ago he returned to Nutley to play with the Nutley Colonials.

Last season Scotland organized the Nutley Varsity Club, a group consisting mainly of former Nutley High School stars, who were undefeated in ten contests. At his peak ten years ago Scotland tipped the beams at 175, now he is slightly over the 200-pound mark. Despite his excess poundage and fourteen years of footballing, he is one of the most valued backs on the Maroon club. Last year he was the leading scorer and his famous fourth-down line smashes for needed yardage contributed greatly in his club's major victories. He has an immense following in Nutley and Belleville and at the Nutley games the roars of more than 1,000 fans shouting "Give it to Scotty" and "First-down, Scotty."

Scotland has very few bruises for his long seasons as a gridder, despite the fact that he has always played in the backfield and his specialty has always been line-bucking. Perhaps a year spent with his father's acrobatic team on the vaudeville stage had stilled his immunity. At any rate, he's still in there to the delight of Nutley's fandom, and as to the query "when will you quit?" Scotland answers: "When they carry me off or when I'm no longer able to put the ball under my arm and run."

Belleville Elks Prepare For M. & S. Season

The Belleville Elks will open their Morris and Essex Bowling League season, Thursday night, October 4, travelling to Newark to meet the Prudential quintet.

The regular cast of "Dutch" Faust, Charley Waldie, "Butch" Kastner, Bob Whitten and anchor man Tom MacNair will represent the Hello Bills in league competition this season.

Varsity Club Opens With Clifton Hawks

Mayor Reinheimer To Kick Off First Ball Sunday

The drought in the West has passed, the depression is on the way out, and now the nine-months' football starvation of Nutley's football enthusiasts will be brought to a glorious close Sunday afternoon at Feuerbach Park, at the terminus of Washington avenue, when the Nutley Varsity Club eleven inaugurates its 1934 season at three-thirty o'clock, facing as their opponents the Clifton Hawks. Mayor Walter F. Reinheimer will kick off the first ball to signalize the start of the season.

The local squad of more than twenty members are well set for the opening fray, following long practice sessions under Coach George J. Stanford. The Maroon players will appear in new jerseys this season, the new togs carrying maroon with white numbers and the second set white with maroon numbers. Following Thursday night's practice session, Coach Stanford selected a tentative starting cast, but his material is so plentiful that substitutions will be made frequently, and he is even contemplating the use of two separate backfields and two sets of tackle-guards on the forward wall.

The definitely-settled posts are the end positions. On one terminal will be stationed Teddy Kellett, the sensation of the 1933 season, who has no equal in getting under punts and dropping runners in their tracks. On the opposite end Charley Sherwood Jr., a new addition to the Varsity Club ranks, will hold forth. Young Sherwood, who is a six-footer, played at Nutley High, Dean Academy and with the Harvard Frosh, and his size and aggressiveness will make him a valuable addition to the local cast.

For the tackle posts Coach Stanford will probably start Dixon Van Winkle and Clem Van Horn of Rutgers and Syracuse respectively. Both of these boys are big, heavy and solid and have the happy faculty of knowing how to use their brains, weight and size in forward-wall play. Ready for the fray at any moment to relieve the Vans are Joe (Buff) San Giacomo, outstanding lineman of last year's Nutley High eleven, and Porky Brown, one of the greatest and gamest linemen even turned out at the local school.

Again at the guard posts Coach Stanford has excellent material. Arvid Michelson, rugged vet of last year's club, will most likely get first call at one post, while at the other either Moe Kitzman, 196-pound former Central High star, or Hughie Eagleson, giant bruiser, who was a pillar of strength last year, will be used. For the important pivot position the Chief has two reliable men in Joe Ciccone and Dick Shutte, both holdovers from last year's club and with hardly any difference in the type of ball they can put up.

Coach Stanford's starting backfield will probably contain Captain Sparky Jones at the signal-caller's job, Pint Senter and Johnny Bridges at the halfback posts, and rugged Johnny Macdonald, Kearny flash, at the fullback post. The other backfield, equal in strength and ability to the first-named, will contain the brainy Al Baykowski, quarterback; Roy Johanson and Mike Connors, the Brookdale sensations, at the halfback spots; and the indomitable, irreplaceable veteran, Archie Scotland, fullback.

With this collection of stars the Varsity Club feels confident of maintaining their unbeaten string of last year, and indications point to a banner crowd at Feuerbach Park to see the opener Sunday.

Belleville Battler Defeated by Yarosz

In Close Decision Vince Dundee Outpointed By Challenger; Loses Middleweight Crown

VINCE DUNDEE

Vince Dundee, Belleville boxer, Tuesday night lost the world middleweight championship to Teddy Yarosz of Monaca, Pa., in a close decision in a fifteen-round battle at Forbes Field, Pittsburgh. The judges disagreed on the verdict, Leo Houck of Lancaster, Pa., voting for Dundee while George McBeth and Referee Al Grayber, both of Pittsburgh, supported Yarosz, but the decision appeared to please the crowd of 28,000 Pittsburgh fans.

Neither man was successful in scoring a knockdown. Dundee's punches were slowed by his age, but his long experience enabled him to withstand the assaults of the younger Yarosz. Dundee forced the battle throughout the fifteen stanzas, but his wild rushes in a last minute try for a knockout were fruitless. Yarosz had twice before defeated the veteran Belleville pugilist.

Belleville, Nutley Elks To Lock Horns Strong Rival Pin Teams To Meet At Ferrara's Alleys

Bowling in this section will be officially welcomed back Saturday night, at Ferrara's North Newark alleys, where Tom MacNair's Belleville Elks battle their rivals of long standing, the Nutley Antlers, for sweet charity's sake. John "Doc" Haycock, long a premier pinner of this vicinity and recently appointed manager of the North Newark lanes, will lead the Nutley "300-chasers."

In addition to MacNair at the anchor post, Belleville's forces will be composed of the regular cast of Cliff "Dutch" Faust, Bob Whitten, Charley Waldie, and Emil "Butch" Kastner. Haycock has lined up Harry Moffatt, Charley Moyes, and two others, for his quintet. The match will be decided on a three game, total pin basis.

Other Bowling Items
If early scoring is any indication, the newly resurfaced alleys at the North Newark academy will yield numerous high scores this year. John Mallack, one of the Belleville American Legion League's best, set off the fireworks, Friday night. After opening his locker and dusting off the old Mineralite, he calmly clicked off ten strikes in a row. A bally seven pin stopped him on the eleventh ball. Still the 289 which he registered wasn't such a bad season's start.

The ladies, too, have taken kindly to the drives early. Mrs. Olive score, last week, for a new ladies' record. And then followed with a 219 average for four games. Mrs. Knight "went to town," Saturday night, compiling the extremely suitable counts of 204, 196, 214 and 224 for a 212 average.

Did we hear someone say THE WEAKER SEX?

Belleville Legion Bowlers Organize

Three New Teams Added To Strong Twelve Club Loop

The Belleville American Legion Bowling League held its first re-organization meeting, Monday night, at the Legion Chateau to lay plans for the coming season, the league's sixth. President Joseph A. Williams was in charge of the session, which was devoted mostly to the receiving of entrants and the discussion of rules. Eleven teams definitely entered the loop at the meeting, with the twelfth unavoidably absent, but looked upon as sure to enter.

Several new teams were included in the entrants. Frank's Diner, managed by Ted Woodruff, Will Noonan's All Stars, and the Thoma Association were in this group. Of the returning teams from last year's race, Johnnie Baney's Oldham Association, the El Club, managed by Johnny Lawlor; the Knights of Columbus, with Tim Monaghan, manager; the Gebhard Association, represented by George Gebhard; Mike DeCarlo's Moose quintet; the W. H. Williams Association, guided by Tom Fleming this year; the Waters Association, represented by Bill Liebau, and the NRA club completed the eleven already entered. The Belleville B. C., managed by Charley Van Riper, was the only unknown quantity.

The league decided to enter the Greater Newark Bowling Association division of the ABC again. A foul line referee selection committee of Baney, Lawlor, Tommie Byrnes and Russ Stout, was selected by President Williams.

Monaghan, Lawlor, Liebau, Fleming, Woodruff and Baney were picked to serve on a committee to handle the selection, etc. of cups which will be given as prizes to the winning teams. Another meeting was called for the league at the Chateau, Monday night, at 8:30 P. M.

Auto Races Thrill Fans At New Market Large Card Of Races Is Scheduled For This Sunday

The New Market Speedway will be the scene of thrilling auto races on Sunday afternoon, when one of the largest fields of professional dirt track stars ever assembled will gather to vie for gold and glory on the fast and dangerous half mile oval. A very attractive program of races have been arranged and auto race fans will witness what promises to be one of the fastest and keenest contested auto race meets ever held in this section.

New Market fans have seen many highly contested races in the past and many of the present day stars such as Johnny Hannon, Harris Insinger, Harry Angeloni, Frankie Bailey and many others in competition at various times at this track.

The coming meet at New Market should surpass all previous meets as it will bring together a score or more of noted dirt track speed demons holding many track records from the various independent ranks that are riding throughout the Eastern section.

This will be an open meet and it is predicted that the largest array of cars and drivers that have ever assembled at one time on the New Market track will compete. Among the many entries that have been received are Tom Wesley, Bill Yergery, Phila, Arty Matz and George Culp, the flying Dutchman from Allentown who rode a sensational race at Baltimore on Memorial Day; Al Fresher, Joe Verbely, Mick Williams, Eddie Osterhube, Newark; Charlie Breslin, Philadelphia, and many other noted dirt and track speed kings from the Garden State.

The management expects a large attendance. Due to the large list of entries the first event of the program the half mile time trials, will start promptly at 2:30 o'clock, daylight saving time.

New Market Speedway is located on Stetson Road between the Hadley Airport and Dunellen.

Saucer Splinters

Never in the history of motor-paced bicycle racing have the fans in the United States witnessed such a bitter struggle as now exists in the fight for the motor-paced championship of the United States at the Nutley Velodrome. With only three more races left to decide the championship there is a three cornered fight between: Franco Georgetti, of Italy; Alfred Letourner, of France and Gerard Debaets of Belgium.

Georgetti is naturally the big favorite with the Italian fans throughout northern New Jersey and New York. He is the idol of the Italian fans. Letourner has made thousands of American friends and is really the favorite of the American bike fans with no American rider in there battling for the title. Debaets lives in Paterson and has Passaic County rooting for him. The fans in Paterson, Passaic, Garfield and Clifton are mighty strong for the Belgian rider.

Every one of the riders seems confident that he will win the title. Georgetti says, "I hope to bring the title back to Italy when I return this winter." Letourner said, "I have many American friends and I am anxious to make it three in a row. I don't mind the hooting I get each meet, they are the voices of the unfair fans rooting for Georgetti." Debaets said, "I will win the championship, that's all."

Sunday night at the Nutley Velodrome a fifty mile motor-paced championship race will be run. This will be the twenty-third of the series of twenty-five races to decide the championship. Franz Deulberg, of Germany; Charley Jaeger and Tino Reboli, American riders, are practically out of it, but can still cause a lot of trouble for the leaders.

Cecil Walker, Freddie Spencer and Bill Grimp will meet in a three cornered race. There will also be two other professional races and two for the amateurs.

We were discussing with Harry Mendel, Velodrome manager, the whys and wherefores of arguments by riders in the motor paced matches while the grind is still on. The discussion came about as regards Letourner protesting recently about a rough ride, which protest cost the Frenchman a lap as other riders slipped by him. The riders should hold their protests until after the races, declared Mr. Mendel, thereby protecting their position in the race. It is not going to do any good for Letourner or anyone else to gesticulate to Referee Frank Kramer while the race is on. Mr. Mendel quotes a famous football coach whose theory was "keep playing until the whistle blows. Ask questions afterwards."

It was just such a stunt by Georgetti a few years back when he threw up his hands in a race to protest that gave Charley Jaeger the championship.

The riders, who plan to enter the six day grinds in New York, are all hot and bothered. Joe E. Brown, the movie comedian, who is now completing his picture, "Six Day race" expects to be on hand early and often. The riders are accustomed to hearing "go" and "whoa." They are wondering what will happen if Joe cuts loose with one of his war whoops, "Whoa-a-a-a-a-a," or whatever similar sound it is Joe utters.

Chris Dotterweich, Belleville policeman, who recently sustained serious injury in an accident, is an ardent bike fan. Chris can be found each race deeply engrossed in the matches in a seat on the turn near the back stretch. Many fans will recall that Chris was just barely nosed out for the sprint championship one season at the old Velodrome by Bobby Walther. His races carried him through the Olympics, amateurs and pros in this country, as well as Europe. Chris and many other regulars are to be found in a section where some heated debates take place, especially during the motor-paced matches. The Georgetti fan, who usually cries out, "When do the races start?" can be found in this group. Each rider finds support there and some good-natured banter takes place. These boys know their "stuff" and if you want to get the "low down" on bikes locate Chris and his crowd some night. The fun they create is worth the price of admission.

Tino Reboli, had he not punctured at one mile to go, would, no doubt, have won the 62½-mile motor paced race hands down Sunday night. And, by the way, Tino won a week ago Wednesday. As Sunday's race was Franco Georgetti, who utilized two pace makers during the grind, Charlie Stein and Jean Antenucci, won. Charley Jaeger got second with Alfie Letourner, third. Debaets can thank his lucky stars he got fourth. He was hopelessly out a lap back after Deulberg retired. Reboli's untimely puncture gave Debaets the only place left.

Jaeger had on his white jersey again—the first time this season and for all the world he looked almost like Debaets, especially when Debaets dropped to fourth place from second and Jaeger from third to fifth midway in the race, which positions both riders kept until fifty miles when Deulberg, who had managed to creep into second place fell by the wayside at one of Letourner's attacks, as did Debaets chasing Alfie. Alfie did not stay up second long for Jaeger came along to dislodge him and then Georgetti slipped through. Georgetti had no trouble to pass Jaeger for second position.

Norm Hill won the five-mile random paced match race with Cecil Walker second and Fred Spencer, third. Hill got away pretty at five laps to go, snatching the lead from Walker. Van Ness and Unkert carried Hill to the lead and Ritter and Saetta helped tremendously to widen the gap at three laps to go. Here Walker almost pulled up but Hill, by clever maneuvering, tacked on Garrison and Silver, Walker's pace makers at two laps to go while the flashy tandem pair were way out front going like mad with Walker a quarter of a lap back trying to switch off the team of Lands and Ammann to any other.

The miss and out amateur had 'em all guessing. Martin Journey landed second, but Steve Kramer declared Marty failed to hold the pole. The fans showed their displeasure, especially since all eyes spotted Al Sellinger's foul riding, which caused a bad spill. Kramer, however, did call this one, as well, but missed plenty of other rough stuff. Benny Mannes won, Journey was second, Michael Mazelli, third; Sellinger fourth and Fred Kobetsch, fifth.

A bad crash in the three-mile tandem open, professional, swept the field of all but six teams. One of these teams, Bobby Walther and McClay fell over before they reached the tape but were given sixth place. Ewald Wissel and Avanti Martinetti won, followed by Garrison and Silver, Ritter and Saetta, Petri and Beckman and Van Ness and Unkert. The last team set sail at five laps to go but Dempsey and Black overtook them at three to go and then eliminated themselves in the spill which followed. Just who spilled first was problematical, although Lands and Ammann hit the boards among the first.

Wednesday races were called off "because of rain" but nary a drop fell.

Kirkleski To Play With E. O. Tornadoes

Club To Tackle Brooklyn Dodgers Thursday Night

The East Orange Tornadoes professional gridders will hold nightly three-hour practice sessions in preparation for their scheduled game against the Brooklyn Dodgers, Thursday night, September 20, at Ashland Stadium, East Orange. The game will be played under lights, starting at 8:30 P. M.

Manager Ed Simandl has signed several new players for Coach Doc Baker to fit into the suburban pro team's lineup. Frank Kirkleski Nutley athlete who achieved fame at Lafayette and later with the Pottsville pro team when they were the world's professional champions a number of years back, has rejoined Simandl's team. Kirkleski played for three years under Simandl with the Orange Tornadoes.

The starting backfield probably will have Nick Prisco of Rutgers, Miles Lane of Occidental College in California; Kirkleski and Woolsey Wheeler of Colgate against the Dodgers. Charles Kirkland, Red Dubinski, John Iatesta and Chick Chickowski will be in reserve. On the line will be Dutch Wermouth, Jitty Wisniewski, Winnie Anderson, Joe Schein, Bill Clarkin, Hank Obst, Halperin, Pete Levine, Moe Frankel, Harry Schneider, Marty Poto, Clancy Scherer and Dinny Smith.

The Dodgers carry a brilliant array of stars, many of them All-Americans. Chris Cagle of Army, Cliff Montgomery of Columbia, and Jack Grossman of Rutgers are three All-American backs. Wild Bill Kelley is the fourth starting backfielder.

The contest is the second straight severe assignment for Baker's team. The season against the New York Thursday they were scheduled to open Giants, winners of the eastern division of the National Football League last season and arch rivals of the Brooklyn eleven.

the winner of the Rochester-Albany series.

At present the Bears and the Leafs are in the thick of a merry battle at Toronto, in the first series of the playoffs which began Tuesday afternoon plenty of classy playing by the members of both teams. Both Shawkey and Boone, the respective pilots, are displaying keen baseball judgment in the handling of their charges.

So far the managers have been secretive about the pitching selections and neither will nominate their hurler for Sunday's battle until just before game time.

With the Bears performing on their home lot, Shawkey feels his guns will boom out a victory. Vince Barton has the home run range again, so has Jesse Hill and Roy Schalk. The boss of the champions is also counting on Dale Alexander and Fred Muller to do some hefty stick work. During the latter part of the season the five were smashing the ball hard and often.

The pitchers feel confident they can silence the big bats of Boone, Morrissey and McQuinn who are the only real batting threats of the Leafs. Toronto has a good pitching staff but it does not rate above Walter Brown, Vito Tamulis, Marvin Duke, Frank Makosky and Jack LaRocca whom Shawkey has primed for the battle.

Mayor Plans Survey Of Fire Hazards Here

Mayor William H. Williams secured approval of the board of commissioners to an application for ERA workers to make a survey of vacant buildings in town to eliminate fire hazards at the conference Monday afternoon. The Mayor declared that accumulations of rubbish in vacant houses, stores and factories constitute a source of real danger to the buildings and to adjoining structures.
