

## Scout Leaders Hear Talk By R. E. Lloyd

Trainings Group Meet At  
Washington Avenue  
Firehouse

The Belleville Scout Leaders' Training Course at its third meeting held at the Washington Avenue fire house, last evening heard a talk on the "Outing in Scouting" by R. E. Lloyd. Mr. Lloyd spoke on troop hiking and camping, including necessary equipment. He also showed pictures of the Robert Treat Council Camp, "Mochican," near Blairstown.

The fourth session will be held next Thursday evening at 8 o'clock. There will be a demonstration of a troop committee meeting, a talk by Assistant Scout Executive Harvey W. Madden on "Records and Forms," and a talk by Frank Chambers on "Uniform, Insignia and Advancement."

All men and boys over eighteen years of age are invited to attend these classes. For further information call Harvey W. Mumford, scribe; 10 Oak street, Belleville 2-2043M.

## Three In a Row For Blue and Gold Team

Garfield High Trounced  
By Bell Boys,  
8 to 4

The base ball team of Belleville High School won its third straight game when it defeated Garfield High 8-4, Tuesday, at Clearman Field.

This was the fourth game in which the opponents of the locals scored four runs.

Tony Amato, converted from manager to player, was the "friend in need" in the fourth inning of the game when he batted a single scoring Bus Gausepohl and Bill Parmer, who were on base. Gausepohl, the Bellboy hurler, allowed only seven hits while striking out eleven Garfield batters.

**Sidelights on the Game**  
While his father, Wayne R. Parmer, who is a regular attendant, looked on with pride, Bill Parmer distinguished himself by catching a high fly with one hand.

The insignia on the arms of the Garfield players looked like a dollar (\$8) sign.

John Travers, Harry "Cotton" Calhoun, and William Crisp are faithful followers of the team.

Otto R. B. Hollberg, Belleville '21, and a graduate of Yale, saw his first high school baseball game since he graduated from the local high school.

Many high school teachers were in evidence at the game. Among them were Brewster Jones, Frank Spotts, Walter Hack, David Fulcrum, Paul Brennan, William Junda and Paul Jones.

Jack McCann was the pitcher in the practice session and Gilbert Van Noststrand, the catcher. The latter also got in the game.

## Nereids Hold Dinner

The Nereid Boat Club held its sixty-second annual dinner last night at the club house, Main street. Members of long standing gave reviews of the organization. C. Leverich Brett headed the arrangements committee.

## Inter-Racial Mass Meeting Scheduled For Valley Section, Sunday, May 23

Group of Social Workers And Citizens Hope To  
Advance A Better Inter-Racial  
Understanding

An inter-racial mass meeting will be held at 8 o'clock Sunday evening, May 23, in Veterans' Hall, Stephen street and Belleville avenue, sponsored by a group of social workers and citizens who desire to advance progress of the racial groups in the community and to promote a better inter-racial understanding.

Speakers will include Rev. Dr. O. Bell Close, pastor of First Methodist Presbyterian Church, and Rev. H. C. Van Pelt, prison chaplain of New Jersey, who will outline how a community center would benefit the people of Belleville. Dr. Close will speak on "Community Culture." Wallwin H. Masten, editor of this newspaper, will conduct the meeting. Selections will be given by the Harmony Four, James Rock, Harold Salters, Walter Barnett and Elisha Barrett. There will be community singing.

Suggestion for such a meeting came from the Colored Woman's Council, an affiliate of the New Jersey State Federation of Colored Women's Clubs, which local branch was incorporated

## Young Bloomfield Couple Killed As Motorcycle Crashes Head On Into Auto

Death Avenue—Belleville Avenue—Scene Of Crash—  
Occupants Of Sedan Also  
Injured

Death avenue—Belleville avenue—claimed two more victims Monday evening when a couple, a young man and woman on a motorcycle were killed when they crashed head on into an automobile near Walnut street.

Those killed were Miss Ruth Smith, 19, 141 Belleville avenue, Bloomfield, and Arthur Cross, 21, 143 Orchard street, the same town. Cross was killed instantly as he was thrown into the windshield of an automobile being driven east in Belleville avenue by R. P. Modlin, 8 Essex street, Newark. Miss Smith was thrown eighty feet from the rear seat of the motorcycle into a driveway where her body was found ten minutes after the crash.

Modlin and William Durkhart, who lives at the same address as Modlin, and who was a passenger in the sedan, were taken to St. Mary's Hospital, Passaic, with cuts and bruises and possible other injuries. The machine in which they were riding was turned over on its side.

Ruth's parents, Mr. and Mrs. Clarence Smith, said she told them she was going around the corner to visit another girl Monday night. Instead she met Cross at the Orchard Street Erie Station. The two climbed on his motor cycle, and accompanied by Francis Kliminski, 25 Davey street, on his motor cycle, went riding

## Pupils to Take Over Town Government

Will Appear At Commission  
Meeting Tuesday As  
Result of Election

Belleville High School juniors, who last week scored heavily over the seniors when the latter split their ticket, will hold office at the next meeting of the Town Commission, Tuesday.

Robert Cook was elected junior mayor. Others elected are: Public safety director, David Martin; director of public affairs, Harry White; director of public works, William Englemann; director of parks and public property, Leo Culkin; town attorney, Herbert Koelsch; town treasurer, Andrew Soellner; health officer, James Craven; town clerk, Audrey Ural; police chief, Patrick McNally; recorder, Geoffrey Powell; supervising principal of schools, William Parmer; district clerk, Isabelle Smith; high school principal, Norman Cortese.

Hugh Kittle, principal of the High School, conducted the election. Ernest Alden and Thomas Fleming were co-chairmen of the boys' and girls' week committee handling this program.

## Nereid Auxiliary Meets

The Woman's Auxiliary of the Nereid Boat Club at its regular meeting at the Club House, tonight will have Mrs. C. Leverich Brett, of Newark, as hostess. She will be assisted by Mrs. Leggett C. Campbell, of Newark, and Mrs. Ruel Daniels, of Belleville.

through the Belleville extension of Branch Brook Park.

According to Kliminski, they turned from Mill street into Union avenue. He told police that Cross beat the traffic light at Union and Belleville avenues and turned west in the latter highway, leaving him behind.

As Kliminski followed after the light had changed, he found his friends had been killed in the crash.

The motor cycle was wedged so tightly into the front of the auto they could not be separated and were towed away together.

The two families were friendly but the Smiths had objected to Ruth's riding on Arthur's motor cycle because they feared an accident.

Miss Smith was graduated from Bloomfield High School last June. Her father is traffic manager of the H. L. Green Company of New York, owners of the F. & W. Grand chain stores. Besides her parents she leaves two sisters, Beatrice, 22, and Dorothy, 20.

Cross was a son of Mrs. Harriet R. Stone Cross and the late Ferdinand L. Cross who died six years ago.

He was not employed, having until recently worked with the Chevrolet plant in Bloomfield. He formerly attended Bloomfield High School. Besides his mother, he leaves two brothers, J. Woodrow, 18, and John Seward, 15.

## Recorder Continues To Whack Violators

Suspended Licenses Of 14  
Alleged Speeders  
Wednesday

Licenses of fourteen more alleged speeders were suspended Wednesday night by Recorder Everett B. Smith.

He imposed 15-day suspensions on Angelo Mainardi, 239 Vernon avenue, Paterson; Charles W. Farinella, 122 Lincoln place, Garfield; Harold J. Bradshaw, Cedar Pond road, Stony Point; Cyril N. Bogie, 86 Hedden terrace, Newark; and Frederick R. Ford, 292 Whitford avenue; Santo Beniciventi, 117 Bloomfield avenue, and Harry L. Bartow, Jr., 66 Overlook road, the last three of Nutley.

Suspended for 10 days were the licenses of James Baldwin, 132 Park avenue, Nutley; Samuel Blumenfeld, 246 Schley street, Newark; Bella Foreman, 213 Westfield avenue, Elizabeth; Yvon Jaquen, 95 Ford avenue, Milltown, and Herman Needle, 712 Stuyvesant avenue, Irvington. Five-day suspensions were meted out to Alexander A. Frames of 377 Essex avenue, Bloomfield, and George T. Wafford, Jr. of 320 Ridge street Newark.

## Paging Laurel Garden— Here's A Man Could Show 'Em How To Fall

Sylvio Fiori, 25 Hilton street, Clifton, must have been born under a lucky star—or something.

Wednesday he was working four stories above the ground as boss carpenter at the new Wallace & Tiernan building. He plunged off a scaffold and fell to the ground. All doctors at St. Mary's Hospital, Passaic, could find wrong with Fiori was a slight cut on his head. A little adhesive tape covers it today.

## Defy To Nutley

John P. Dailey, president of the Belleville Board of Education, has offered what amounts to a defy to Nutley High to meet Belleville in a football game.

This is how it came about.

Wednesday Mr. Dailey was addressing Rotarians on local school finances when Dr. T. J. Berger, Nutley Rotarian, who was a guest here, inquired as to how Belleville finances its athletics.

"We can tell Nutley how," said Mr. Dailey. "We are different than Nutley. Our athletics are self-supporting and run by an athletic council. The school board doesn't contribute one cent, as Nutley does. Neither would that town have to kick in if they could see eye to eye with us on a football. You could even play by moonlight and both towns could derive enough revenue from the game to carry all the sports."

If we know the Red Gray up Nutley way this amounts to a chip on the shoulder. There are many fans in both towns who would like to see relations resumed. It seems just too bad that the school moguls are so high and mighty that they deprive the taxpayers of the season's natural.

## Good Counsel Here Today

The Belleville High School baseball team will play Good Counsel High this afternoon at Clearman Field. All three home games played thus far this season have resulted in victories for Belleville.

## King Group Hears Port Engineer

Will Illustrate Talk On  
Bridge And Tunnel To  
New York

C. W. Dunham, construction engineer for the Port of New York Authority, will address the Joseph King Association tomorrow night at the club headquarters, 414 Washington avenue. He will talk about the "George Washington Bridge" and "Mid Town Hudson Tunnel," illustrating his remarks with pictures.

## No Cop Jobs For At Least 2 Months

Director Gerard Says Slack  
Season Is In The  
Offing

Public Safety Director George R. Gerard of Belleville's Public Safety Department has announced he would make no appointments to the Police Department for at least two months. The police ordinance provides for 23 men. A vacancy was created last month when Matthew J. Atkinson resigned after a question arose as to his age.

"I do not expect to appoint a successor to Atkinson for at least two months," Mr. Gerard said. "We are nearing the slack season for the department, when I believe we can get along with one less man. The salary saving will be welcome, as the budget appropriation for the department is already being stretched to the limit."

Mr. Gerard said there are at least 150 applicants for the post, including twenty-four chancemen.

## Junior Club to Hear Service Bureau Head

Mrs. Julia Reiner to Speak  
On Town's Welfare  
Problem

Belleville Junior Woman's Club on Tuesday will hear Mrs. Julia Reiner, executive secretary of Community Service Bureau who will speak on the welfare problem of the town and will endeavor to point out the many ways in which the Junior Woman's Club can be of assistance.

Miss Estelle Powers is the chairman of a new department in the club to be named Social Service. Miss Powers is the past president and has been chairman of International Relations in her club and in the eighth district.

## Clean Up Week

Week of May 10-15

### Citizens of Belleville:

May we count on your cooperation and assistance to make Belleville better, brighter, cleaner and more beautiful? You can do it by giving the cellar, attic and yard a Spring cleaning. Clean Up Week is your chance to get rid of the useless trash and rubbish.

Place rubbish and trash in containers on the curb line and extra wagons will be furnished to remove it.

CLEAN UP WEEK HAS RESULTED IN MANY  
ADVANTAGES TO COMMUNITY LIFE:

In Safeguarding Health,  
In Promoting Thrift,  
In Furthering Fire Prevention,  
In Stimulating Civic Pride and  
In Making the Home and Town Beautiful.

DEPARTMENT OF PUBLIC AFFAIRS  
JOSEPH KING, Commissioner.

## Financial Problems Of School Discussed By President Dailey at Rotary Meeting

With Budget Curtailed Board Was Forced To Replace  
Orange Crates With Chairs In First  
Three Grades

"Financial Problems of Belleville Schools" was the topic John P. Dailey, president of the Board of Education, chose for a talk Wednesday noon at a meeting of the Rotary Club in the high school cafeteria. Mr. Dailey, who is a member of the Lions Club, pointed out that only sixty-eight votes were cast at the school election when the budget totaling \$646,456.19 was adopted, fifty-nine of the voters having some connection with the schools. He did not comment on the indifference of the voters.

"The school budget is divided into five parts, capital outlay, current expense, manual training, maintenance and balance debt service," Mr. Dailey said, explaining how each operates from a budget standpoint.

Controversy Explained.  
"This total budget is only \$4,617.25 greater than our budget last year," he added. "This figure has brought up a controversy between the secretary of the board and the gentlemen of the press, who insisted the budget was increased by \$17,000. This is not true. The director of revenue and finance is faced with the problem of raising by district tax for us the additional sum of \$17,000. This is because we had available in unexpended balances from our 1936-37 budget only \$23,875.77, as compared with \$42,000 at the end of 1935-36. This small increase is, we think, quite remarkable, when you consider that this new addition to our high school requires additional heat, light, insurance, a new janitor, \$1,280 per year; director of the cafeteria, \$1,800; domestic science teacher, \$1,800; printing teacher, at least \$1,800; teacher for sewing, \$1,800; teacher for office practice, \$1,800; possibly an additional

## Burnett Pleased With Action Of Board

Extends Thanks For Town's  
Co-operation In Liquor  
Matters

Mayor Williams has received a letter from State Beverage Commissioner Burnett commending the Belleville commissioners for co-operation in law enforcement against liquor violators.

Burnett's praise came after the Board of Commissioners revoked three retail liquor licenses because of violations. The violators were Bertil Eric Kindberg 577 Belleville avenue; Samuel F. Lindenbaum, 437 Cortland street, and Lazarus Evenchick, 525 Washington avenue. All were found guilty of selling in violation of the license which permits sales only of unchilled beer in quantities not less than seventy-two fluid ounces.

## Plan Retreat

Charles Kelly of 463 Washington avenue is planning a retreat to Morristown starting Friday, May 14. About forty local men will be in the group and others interested are asked to communicate with Mr. Kelly. Those who will go will meet at Mr. Kelly's home.

JOHN P. DAILEY  
markable, when you consider that this new addition to our high school requires additional heat, light, insurance, a new janitor, \$1,280 per year; director of the cafeteria, \$1,800; domestic science teacher, \$1,800; printing teacher, at least \$1,800; teacher for sewing, \$1,800; teacher for office practice, \$1,800; possibly an additional

## Theater Guild Given Awards for "Cajun"

Officers Have Just Been  
Elected By The  
Group

Although not the recipient of the major prize, the Belleville Little Theatre Guild received three awards for the brilliant performance in "Cajun," by Ada Jackson Carver.

Joseph Distasio was awarded first prize for his fine acting, and again captured honor for himself when the theatrical league received first award for the best make-up.

The costuming of the Belleville thespians was the object of another first prize. The latter was under the charge of Mrs. Richard Newman.

Officers of the Belleville Little Theatre Guild have been chosen as follows: President, Helen S. Johnson; vice president, William Chapman; secretary, Margaret McAleese; corresponding secretary, Mrs. N. Burrington; and treasurer, Richard Newman.

## Birthday Party

A birthday party was given in honor of the thirteenth birthdays of Shirley Fritsch, 422 Washington avenue, and Madelyn Keating, Stephen street, at Miss Fritsch's home last Saturday evening. Decorations were in pink and green. Guests included the Misses June Skinner, Henrietta Rader, Norma Feldstein, Claire Priest, Regina Hadrach, Jeanne Smith, Irene Rawcliffe, Jeanette Williamson and Winifred Ellsworth.

## Two Injured When Car Catches Fire

Backfire Said To Be Cause  
Of Blaze In  
Machine

A backfire which caused their auto to burst into flames sent Leonard Guanci, 17, of 27 Martin place, Verona, and Gus De Franza of Emmet street to St. Mary's Hospital, Passaic.

The youths were watching Raymond Jannarone, an attendant at a service station at Union and Division avenues, repair the auto Tuesday night, when it backfired and burst into flames.

Guanci received severe burns on the face, hands and chest. He was treated by Town Physician Herbert B. Vail and taken to St. Mary's Hospital in the town ambulance.

De Franza, who received burns of the chest and hands, was treated at Essex County Isolation Hospital and then removed in the Nutley town ambulance to the Passaic Hospital. The local fire department extinguished the blaze in the car, which was badly damaged.

## Legion Would Contact Alien War Veterans

Seek To Advise Them On  
Petitions For  
Naturalization

TRENTON, May 7.—New Jersey American Legion Posts are endeavoring to locate all alien World War veterans honorably discharged from service, to advise them of the expiration date for filing their petition for naturalization.

Under the provisions of an act of May 26, 1926, as amended and extended by Congress in 1935, honorably discharged World War alien veterans must file their naturalization petition at the nearest immigration or naturalization office or the clerk of any court exercising jurisdiction in naturalization matters by May 24 this year.

The act as amended provides exemption from payment of usual naturalizations fees and makes filing of declaration of intention unnecessary. Only two years residence in the United States pursuant to a lawful admission is required.

The provisions of this act also include any alien lawfully admitted into the United States, who departed therefrom between August, 1914, and April 5, 1917, or who, having been denied entry into the military or naval forces of the United States departed therefrom subsequent to April 5, 1917, for the purpose of serving and actually served prior to November 11, 1918, in the military or naval forces of any of the countries allied with the United States in the World War and was discharged from such service under honorable circumstances.

Members of the American Legion are hopeful that every alien war veteran eligible for naturalization will avail themselves of the opportunity afforded them by the United States government.

Regular Kabbalas Shabbos services will be held this evening at the Congregation Ahavas Achim Anshe.

The service will start promptly at 7:15 P. M. Sabbath morning services for adults will begin at 9:00 A. M. promptly.

The Junior Congregation will conduct its own Junior services at 10. Rabbi Rubin R. Dobin will explain the Torah portion of the week to the children.

The Progressive Judeans will hold their regular bi-weekly meeting on Monday night, at which time they will discuss many plans for spring and summer activity. Miss Pauline Rosenblum is leader of this group.

Wednesday afternoon is club period for the Junior Congregation. The Maccabean Boys under the leadership of Rabbi Dobin, and the Junior Judeans under the guidance of Miss Pearl Brown will meet then.

A mock trial will be staged at this meeting of the Maccabean Boys. The Junior Judeans have undertaken to improve the grounds of the Synagogue and make a play area for themselves in back of the building. All parents are urged to send their children to these groups.

## To Hold Mother's Day At Local Synagogue

All Cordially Invited To Large Program Which Is Planned.

Mother's Day will be observed by the children of the Religious School of Congregation Ahavas Achim Anshe, 317 Washington avenue, with an elaborate Mothers' Day celebration. Sunday morning at the synagogue. The celebration will start at 10 o'clock. A varied and interesting program has been arranged under the guidance of Rabbi Rubin R. Dobin, spiritual leader of the congregation.

This is the first time that such a celebration is to take place, and no effort is being spared to make it a complete success. Many novel features have been planned to portray the beauty and elegance of motherly love. The children will be given an opportunity to proclaim publicly their appreciation for mother, through an extemporaneous declamation contest, the opening note of which will be, "I love my mother because..." Another interesting number in the program will be the "Flower Salute," in which each child will receive flowers to present to their mothers. The celebration will be concluded with the ceremony of planting a tree on the synagogue terrace in honor of the "Parents of Belleville." All the children will take part in this ceremony.

Also included in the program are numerous recitations and presentations by the children of the school. Among the pupils who will participate are Marial Atkins, Ned Becker, Irving Berkowitz, Shirley Houseman, Ralph Smith and Elaine Weinglass.

The sisterhood of the congregation is cooperating with Rabbi Dobin in staging the celebration. The committee appointed for the purpose is as follows: Mrs. Berkowitz, Mrs. Denner, Mrs. Glynn, Mrs. Rosenblum and Mrs. Weinglass. All are cordially invited to attend the celebration.

Editor The News:

Allow me to protest against the dumping in the Third River at Jorammon street, Belleville. It is unsightly and is polluting a running stream, thereby endangering the health of the people of Belleville and Nutley, through which the river runs.

## Objects To Ouster Of Weeklies at Trenton

(SPECIAL TO THE NEWS)

By Hiram Calkins

When small souls, clothed with a little brief authority, are elevated to the seats of the mighty, somebody, somewhere, sometime, is pretty sure to experience the result. Usually it is serio-comic. Often it is pathetic.

This was amply demonstrated the other evening, when an accredited representative of a group of Bergen County weekly papers sought permission to sit in the section of the House of Assembly at Trenton, which is always reserved for the press.

Time was when the House of Assembly of this sovereign state was presided over by such men of poise and political acumen as W. Irving Glover of Bergen, William M. Evans of Passaic, "Joe" Greenberg of Hudson, and others of discretion and sound judgment.

This year the proceedings are guided by "a small soul, clothed with a little brief authority," who bears the patronymic "Walker," hails from Kearny, and resembles the genial "Jimmy" of the same surname about as much as a cabbage does a rose.

Be it known to all sundry that there are two raised platforms in the House of Assembly, one on each side of the Speaker's rostrum, where the representatives of the press foregather when the "Solon" are in session, to see, hear and report the people's business as it is conducted by their servants; that the accredited representatives of the Bergen County weeklies above referred to has sat there many sessions in recent years, and had a not inconsiderable hand in influencing worth-while legislation.

When he sought to do so the other night, the first time this session, that permission was brusquely and ungraciously denied, not for any personal reasons, but because none but a representative of the daily press is permitted to sit there now-a-days.

Adamant is a mild word to use in describing "Mr. Speaker's" reaction to that proper request. The fact that the weeklies, which respond so generously with free publicity when "Mr. Speaker" and other aspirants seek public office, are being discriminated against means nothing to him. That there were other and very valid reasons why the privilege should be extended to that particular applicant, likewise had no appeal.

"Nothing can be done for you"—"I do not propose to discuss the matter with you"—"You must abide by my decision"—None but representatives of the dailies are permitted to sit in the seats reserved for the press—were a few of the blunt, incisive, ungracious responses to a simple and proper request by an accredited representative who had every right to make it and did so with proper courtesy.

The sessions are called to order promptly at 8 P. M. The floor is swept clean of all lobbyists and non-members. The proceedings are conducted with scrupulous regard for both House and Parliamentary rules. Grim determination sits enthroned in the Speaker's chair. Yet it is a matter of common knowledge that so far, this has been the poorest session of the Legislature in point of achievement in many a year; and that is saying a lot.

It must be a peculiar irony of fate that has made this an outstanding session of real "Do-Nothing" Legislature. Could it be that the ice in "Mr. Speaker's" veins has frozen the works? Anyone present during the briefly sketched episode above referred to might easily set that down as a contributing cause.

## Christian Endeavor

The Belleville Reformed Christian Endeavor Society opened its 1937-1938 season with John C. Radin Sr., father of the president, as speaker on April 25. Mr. Radin's topic was "Love Among Young People." Nelson E. Burger was the presiding officer and Robert E. Lee read the Scriptures from John 10 1-20. Edgar B. Bloemeke, new prayer meeting chairman, gave the announcements, and stressed cooperation among members for the new season.

The reception service for the new officers was held on May 2. Mr. Radin Jr. was the speaker and George W. Price, vice president, was the presiding officer. Robert F. Wolff, treasurer, read the Scriptures and also led in prayer. Miss Elizabeth Mac Fadyen, secretary, presided over the consecration service and gave the announcements.

Fred W. Wolff, former prayer meeting chairman and an honorary member of the society, will be the speaker this Sunday evening. His topic will be "Christian Endeavor as a Young People's Society." Miss Mac Fadyen will preside and introduce Mr. Wolff. Miss Adell Seibel will read the Bible and Miss Catherine Wood will give the announcements. Mr. Price will conduct a question period.

## Moving Days Kept Phone Company Busy More Changes Registered This Year Than Last

A twelve per cent. increase in telephone orders filled April 28 to May 4 in the northern half of the state, compared with orders in the corresponding period last year indicated that the traditional spring "moving day" period was more active than in years, the New Jersey Bell Telephone Company reports.

In the metropolitan area centering in Newark about 1,700 orders were filled during the week; in the northern part of the state about 900; and in the central part, from Hudson through Middlesex counties, approximately 1,400. Last year's orders totaled 3,200.

New telephone connections as well as move orders are included in the scheduled activity and comprise a considerable proportion of the total, the company says.

## Bosses Won't Hire People with Halitosis (BAD BREATH)

People who get and hold jobs  
keep their breath agreeable

With the best to choose from these days, employers favor the person who is most attractive. In business life as in the social world, halitosis (unpleasant breath) is considered the worst of faults.

Unfortunately everybody suffers from this offensive condition at some time or other—many more regularly than they think. Fermentation of food particles skipped by the tooth brush is the cause of most cases. Decaying teeth and poor digestion also cause odors.

The quick, pleasant way to improve your breath is to use Listerine, the quick deodorant, every morning and every night.

Listerine halts fermentation, a major cause of odors, and overcomes the odors themselves. Your breath becomes sweet and agreeable. It will not offend others.

If you value your job and your friends, use Listerine, the safe antiseptic, regularly; Lambert Pharmaceutical Company, St. Louis, Mo.

## Musical

Eleanor Bacon-Peck is presenting Dora Richman, pianist; Maxine Mills, cellist, and Wilson Harris, bass-baritone, in an informal evening of music tomorrow evening in her studio, 110 Overlook avenue.

Miss Richman has been a scholarship student at the David Mannes School of Music of New York, and has concertized in the East and Middle West.

Mrs. Mills is a young cellist who has played for several seasons with the New Jersey Symphony, and has received favorable notice for her work on the concert stage.

Mr. Harris's most recent triumph was the winning of two prizes in connection with the Contemporary Choral Concert. He is well-known in this vicinity as a singer of pleasing voice and excellent musicianship.

Janet Stewart Miller, a student of Mrs. Peck, will be at the piano for Mr. Harris. Mrs. Peck will be the accompanist for Mrs. Mills.

About forty guests from this town, Bloomfield, Nutley, Newark, Montclair, Bergenfield and New York have been invited.

Mr. Dailey pointed out that the capital outlay account of \$1,550 is about one-twentieth of what is required.

## Orange Crates Used.

"This sum," he stated, "will merely allow us to purchase the chairs for the first, second and third grade reading circle, to replace orange crates now in use. These orange crates were criticized by the county superintendent of school at our April meeting. No provision has been made for the replacement of typewriters in the commercial class in the high school or of worn out and obsolete equipment in the grade schools. Our maintenance account is set at \$30,000, slightly over one per cent. of the appraised value of the school buildings, exclusive of grounds and equipment. There is not one manufacturer or business man in this room who would attempt to keep his plant in repairs on less than two per cent. per year.

Mr. Dailey also outlined the need for repairs to roofs of various buildings and purchase of land to straighten out the line of high school property.

## Need Special Classes.

"We should start at once to organize special classes for backward children," he said. "We do not have any such classes and we know of at least 166 children requiring such attention."

He also outlined the cost of the high school addition and told how it was financed with "limited resources."

Belleville is still \$300,000 under its borrowing limit, he said, adding that it is one of the few Essex County School districts in such a position. The abolishment of Public School No. 2 was also outlined.

Wayne R. Parmer, superintendent of schools, was in charge of the meeting, assisted by Hugh Kittle, high school principal, who arranged a program of entertainment which included harmonica selections by David MacGregor, monologues, Lovetta Hausman, and banjo selections, Wesley Conrad, high school troubadour, who also sang.

Irving Ross will be in charge of programs next month. Town Commissioner George R. Gerard, who is interested in the formation of another Rotary Club in North Arlington, reported nineteen prospective members are in line for the charter across the river.

## Miss Alice G. Compton Engaged

The engagement of Miss Alice G. Compton, daughter of Rev. and Mrs. Edgar M. Compton of 134 Academy street, to Emmett D. Fowler, son of Mr. and Mrs. Walter E. Fowler of 47 Prospect street, Madison, was announced last week at a luncheon at Miss Compton's home. Table decorations in pastel shades featured a Maypole dance of dolls. One doll at each place carried a basket of flowers in which was concealed the announcement. A blossom hunt preceded the luncheon.

Guests included Mrs. Fowler and Miss Winifred Tapner of Madison, Mrs. C. Robert Kay and Miss Josephine Kay of Peapack, Mrs. Joseph T. Hodges of Montclair, Mrs. Walter L. Gulick of East Orange, Miss L. Pauline Snyder of Randallstown, Md.; Miss Beatrice Adams of Maplewood, Miss Isabelle Jones of Elizabeth, Miss

Mary Jane Pearce of Nutley, the Misses Elizabeth Sullivan, Eunice Bierre, Ruth Gallagher, Marjorie Cowles, Anne Sweeney and Margaret McKay of the Oranges and Mary Elizabeth and Ruth Compton of this town.

Miss Compton is a graduate of Belleville High School and American University, Washington. She is a member of Alpha Chi Sorority and the American Association of University Women and is vice president of the New York American University Alumni Club.

Mr. Fowler is a graduate of Madison High School and Guilford Organ School, New York, and is organist at Wesley Methodist Episcopal Church, of which Miss Compton's father is pastor. He is with the Prudential Insurance Company. The wedding will take place in the fall.

## Stork Shower

Mrs. William D. Goodwin was given a stork shower at the home of her parents, Mr. and Mrs. George B. H. Wagner, 385 Stephens street, last Thursday by Miss Frances Place, Ruth O'Brien and Mrs. Edward Renz.

The affair was attended by the following: Mrs. Clarence Place and daughter, Ethel; Mrs. Stark and daughter, Dorothy; Mrs. O'Brien, Mrs. Miller, Mrs. Edward Goodwin and daughter, Mrs. George McSweeney, all of Belleville; and Mr. and Mrs. William Orth and Mrs. William Ullrich of Irvington, and Mrs. Gustav Wegman of Elizabeth.

## Alma Meyer Engaged

Mr. and Mrs. Emil W. Meyer of 181 New street, have announced the engagement of their daughter, Miss Alma E. Meyer, to Alfred W. Hastings Jr. of Newark, son of Mr. and Mrs. A. W. Hastings of Marlboro, Mass. Miss Meyer is a graduate of Belleville High School and Berkeley Secretarial School, East Orange. Mr. Hastings is a graduate of Marlboro High School.

## Robert E. Lee

Robert E. Lee, 40, of 606 Chestnut street, Arlington, died at his home Thursday. He was born in Belleville and lived here until moving to Arlington 13 years ago. He leaves his wife, Mable Nelson; a son, Robert E. Jr.; three brothers, Arthur, Frank and Joseph, and three sisters, May, Anna and Rose. A requiem mass was offered at St. Stephen's Church, Arlington, Saturday at 10 A. M.

## Child Injured

Five-year-old Joan McKenzie of 18 East Sylvan avenue, Newark, received bruises of the face and legs, when she was struck in front of 895 Broadway late Tuesday by a car driven by Henry Harrison of 254 Joralemon street, Belleville. The girl was detained at North Newark Hospital.

## FOUR PERSONS KILLED

Within the last three weeks four persons have been killed here and several others injured in motor car or cycle accidents. This despite a sincere effort on the part of Town authorities to curb speeding and reckless driving. This is no attempt to place blame on anyone. However, we repeat two thoughts. One pertained to speeding and reckless driving in Washington avenue—the other, the widening of Death Highway, Belleville Avenue. Neither one of our ideas have been followed through, but they will be—too late.

We said Death's Highway must be widened. Its up and down rolling nature makes it a veritable speedway. It barely is wide enough for two streams of traffic—let alone passing. It is winding and treacherous, and believe it or not—it is one of the most travelled roads in the metropolitan area of Hicktown construction.

Motor violations in Washington avenue are flagrant. We said in an editorial which, in essence, has been off repeated, police are helpless. There are too few motorcycle men and the avenue is too long to patrol. Police cannot be stationed at every block. So on and on goes the recklessness and speeding. We suggested that reputable business men and citizens be named special officers to help curb the drivers. Nary a budge from anywhere. Meantime motorists, trolleys and trucks "beat the lights"—meantime Passaic County cars tear through "hell bent for election"—meantime—many local drivers who should know better flaunt the law—meantime—we repeat, "beat the stable door" or Belleville's motor fatality figures will outstrip any in the county. An iron hand is needed—one like Recorder Smith uses. Motorists who violate laws that endanger lives don't deserve any consideration. Some of them should be tarred and feathered as much as we believe in law and order. Angry? Yes! Who wouldn't be with some of the pinheads we see behind the wheels? Let's wake up and do something about it.

## ARTISTS WORRIED

Belleville Art Club is having its trials and tribulations. Its vicissitudes almost make one think of the garrets in which artists struggle for fame and fortune, which oftentimes have an elusive manner. The Art Club which, at present, is holding its fourth annual exhibit in the Belleville Public Library where more than thirty pictures are shown, among them some contributions of out-of-town artists, has just been ousted from a room which they had been given in an apartment house. The artists are a genteel group, as we all know, but the apartment superintendent simply said "You'll have to get out because we will be liable if there should be any accidents."

This was the welcome as they gathered for an evening's art work with one new member to be greeted thus cordially. The artists hied themselves over to Montclair where they were accorded studio facilities.

Because of limited funds, raised one dollar a year from about twenty members, the club has been buffeted from place to place until today it is peculiarly on the rocks. It does seem that the effort of these people who are contributing to the well being of our town could find some generous person who would equip them with a room to paint the pictures that flit through their nimble minds. Perhaps humble as the effort may seem Belleville may one day be proud of one of these artists, some of whom paint with a skill that is next to marvellous.

Meantime and until May 15 it is a worthwhile trip to the library to view the efforts of the club. The hours are 9 A. M. to 9 P. M. week days except Saturday when doors close at 12 noon.

## COMPREHENSIVE TALK

One of the most enlightening and comprehensive talks given on school financial matters was rendered Wednesday at a meeting of the Rotary Club by John P. Dailey, president of the Board of Education. Mr. Dailey, a former banker, knows whereof he talks on financial matters and when he said that the schools have done a splendid job with curtailed funds he expressed a fact of which many of us have been aware. While some have not agreed with all policies of the school authorities they have, never-the-less, done a good job under the circumstances. Mr. Dailey's speech is printed in part in this issue of this newspaper and should be given careful reading. It is worthwhile and will acquaint taxpayers with school problems, some of which have not been made public before.

## PRIVATELY PLANNED ECONOMY

We hear a great deal about "planned economy" these days—the idea usually being that government do the planning for us, with the taxpayers' money.

However, as an advertisement of the Commonwealth and Southern Corporation points out, planned economy is nothing new in the utility industry. And there haven't been any public subsidies to pay the bill.

The utilities have planned home electrification—and as a result the American people enjoy the cheapest, best and most widely used domestic electricity in the world. When the law hasn't stopped them, utilities in all areas have likewise provided plans whereby customers can purchase appliances on easy terms.

The utilities planned interconnection of distribution systems—and as a result the smallest village enjoys service as good as that enjoyed in great cities.

The utilities planned sound rural electrification—and while they aren't making a big noise about it, technical and economic obstacles are gradually being overcome, and more and more farmers are receiving the blessing of abundant, low-priced power from systems which don't know what interruption of service means.

Thus are yesterday's dreams made today's actualities! Thus do ideas become accomplishments! Thus do theories become facts! Judged by any standard you please, progress in the utility industry—scientifically planned, privately financed, heavily taxed progress—has been nothing short of epochal.

## High School Notes

An assembly of third and fourth year students was held Friday morning. A few students spoke for their choice of candidates, who, if elected, would take the place of the municipal officers in conjunction with Youth Week.

The same afternoon the freshman and sophomore classes attended an assembly in the high school auditorium. The General Motors Corporation again exhibited the three pictures, which were so successfully shown to the upper classes two weeks before. In addition to the latter, a technical picture, "Cinderella's Carriage," was shown. In the evening, the senior class sponsored a benefit movie performance in the high school auditorium.

The main picture shown was "Princess O'Hara," with Jean Parker and Chester Morris taking the leading roles. Two shorter pictures were also presented. Dancing in the gymnasium followed.

## Boys Held Here

After arresting eleven boys, police believe they have rounded up the gang responsible for a series of petty thefts at the Washington Food Center, 524 Washington avenue, according to Detectives Fletcher and Lee.

They were investigating the theft of \$15 from the Capitol Theater during the week-end. The money was taken from a box in the manager's office.

## Entertainers

Mr. and Mrs. David Cooper of Union avenue, Nutley, entertained at dinner Sunday for Mr. and Mrs. Paul Landenslayer, Avon, who have just been married.

Mr. Landenslayer is a cousin of Mrs. Cooper.

## The BUSINESS LETTER

By MARTIN COOK

That foreign news has a very direct bearing on our financial markets is evident by the recent reaction of our markets to the news emanating abroad. With the lessening of the war tension the commodity markets experienced a sharp decline. Bonds and stocks also joined the movement to lower prices.

Rumors persisted that a change in the price of gold was pending. This with the various proposals for economic help made the feeling of uncertainty more prominent. Later the gold rumors subsided and a calmer attitude was noted.

Lower bond prices were aided by added selling in anticipation of the May 1st reserve requirements. Reports from various centers show that most banks made the necessary adjustments with little change in the money market. It now appears that the original figure of a surplus of \$500,000,000, was much too low, as later returns reveal a figure of \$850,000,000. On this basis the banks can increase their deposits, if necessary, by \$4,000,000,000. Needs for additional capital for commercial enterprises has caused a slight advance in money rates.

The mercantile world has been affected very slightly by the irregularity in the money markets. Outside of a few instances the trend has been uniformly up.

The early Easter and the unseasonable weather in April contributed to a smaller retail trade.

With the unexpected threat of another flood steel operations dropped to 91 per cent. of capacity and output was retarded temporarily, but with the large order backlog the outlook for the immediate future is promising.

Building contracts have held to the prevailing rate of gain.

Lumber, also, is more active. Electric power consumption holds its gain consistently. Increased commercial requirements taking the place of the seasonal lag in household needs.

According to the National City Bank of New York, 270 leading industrial corporations show combined net gains in the first quarter of approximately \$352,000,000, or 53.3 per cent. more than the same period a year ago.

Orders on the books of the textile trade should keep the mills busy for some time.

At the moment the transportation trade leads in brightness. Practically all of the Class 1 railroads and many of the smaller ones are doing an excellent business. Among the latter the Chicago & Eastern Illinois is noted for a gain of 166 per cent. in net earnings in 1936.

Freight traffic is heavy and carloadings move successively upwards. Larger crops and a heavier move-

## KNOW YOUR STATE

Prepared for The Belleville News by Russell VanNest  
Black, Director-Consultant New Jersey  
State Planning Board

### Our Financial Resources

The financial resources of a state are often accepted as an index of welfare. In June, 1933, New Jersey's per capita of bank resources or liabilities was the smallest in the four states comprising Region No. 2, New Jersey, New York, Pennsylvania and Delaware. While the region as a whole had an average of \$937.08, New Jersey's average was \$480.27. New York, which is the financial center of the United States, had an average of \$1,423.40.

An up-turn in business conditions throughout the country in 1935 was reflected in an increase of savings deposits. Region No. 2 contained in 1935 45.7 per cent of the total savings deposits in the United States. New Jersey showed the second smallest per capita savings deposits both in 1933 and in 1935, \$243.58 and \$250.59, respectively. Pennsylvania's per capita figure was the smallest in the region. Calculations of deposits per depositor showed New Jersey to have the smallest per capita of the region both in 1933 and in 1935, \$468.53 and \$468.51, respectively. However, from 1933 to 1935, New Jersey had the second highest per cent increase in savings deposits, 8.9 per cent. Only Pennsylvania, with a percentage of 13.3, showed a better percentage increase.

Another index of welfare is that revealed by income tax collections. In 1935 Region No. 2 with 21.6 per cent of the total population of the country paid 45.2 per cent of the total income tax. New Jersey with 2.3 per cent of the population paid 4.6 per cent. New York showed the best claiming 10.3 per cent of the population and 30.8 per cent of income tax payments.

No picture of a state's resources is complete without a discussion of the distribution of wealth. From an analysis of the federal net income tax return for New Jersey in 1933, it was found that 72.6 per cent of the returns were for net incomes under \$2,000, while 47.2 per cent were for incomes under \$2,000. A more detailed breakdown revealed that 47.2 per cent of the returns, representing those under \$2,000, accounted for 18 per cent of the net income reported; 25.5 per cent, representing those under \$3,000, for 21 per cent; 17.53 per cent, falling into the class of those from \$3,000 to \$35,000 represented 29.9 per cent of the net income; 7 per cent in the class from \$5,000 to \$10,000, represented 15.3 per cent of the net income.

ment of general freight presages a possible car shortage in the near future. To offset this many roads continue placing orders for new equipment. Editor's note: Questions pertaining to investments and securities addressed to Martin Cook in care of this paper will be answered promptly.

come; while 2.8 per cent within the class above \$10,000 accounted for 24.8 per cent. A similar percentage distribution of the income returns prevailed in the other states of the region with but small variations.

### Leon Feldstein

The European continent is filled with both internal and external chaos. Asia is rapidly adopting the European plan and Africa's soil is crimson with blood, which has been spilled because of the cravings for wars and revolutions by Mars.

South America has always been doomed to revolution.

Australia is a mere protectorate of an European nation that although not in the "belligerent" class is inevitably doomed to go to war if the gods so will it.

The Antarctic continent is of little importance.

That leaves us finally with North America. True there are minor internal disorders, but they are not externally effective.

A few countries on our continent do have the same types of eruptions as do the South American countries, but that is due, in the main, to cultural relationships.

We are concerned in the main, however, with our own United States. Does our population suffer from bloodshed due to a belligerent complex? If we do have minor disorders is it fatal to our liberty, which we hold so near and dear? Our answer to both questions is a decided "No."

An accident occurred a few days ago on one of the town's main thoroughfares, the chief cause of which was said to be recklessness.

Authorities are helpless in curbing the wild driver for if the latter passes the written, road and oral tests he is qualified by law to receive his license.

Numerous plans have been and are being set forth in order to heighten safety measures, but they are useful only to a minute degree.

Perhaps our plan for curbing accidents could be used. It is a brief but effective measure.

"Take every prospective license before the wreckage that has been the aftermath of a violent accident and let him stand in front of the exhibition for fifteen minutes. His imagination would be more effective than the tests which are given him. After the latter measure, let a road and eye test be given. Then watch a decrease in auto mishaps—"

## GIRL SCOUT NEWS

The Girl Scouts will repeat the international program, given at their last rally, at the Wesley Methodist Church Monday night at an entertainment to be given by the Junior Choir of that church.

The cookie sale will end tomorrow. Orders have been taken for the past two weeks, the cookies to be delivered on May 22. Mrs. William Englemann is chairman of this affair.

Troop No. 18 has sent out invitations to the mothers for a Mother's Day Tea to be held on Monday.

Because we want every woman in Belleville to try this amazing new laundry soap, Concentrated Super Suds in the blue box, we make this special offer:

Go to your grocer, purchase a 20¢ package of Concentrated Super Suds at the regular price—and he will give you a lovely Golden Glow cake plate—for only 1¢ more!

This beautiful plate, 11 inches in diameter, is made of translucent golden glass, with attractive modernesque pattern. It's lovely on any dining table! But you'd better hurry—this offer is for a limited time only. Get a package of Concentrated Super Suds in the blue box today!

This new laundry soap gives you cleaner, whiter, sweeter-smelling washes; cuts time and work almost in half; and REMOVES DANGEROUS GERMS!

This is important, for doctors have long known that germs in bed linen, towels, handkerchiefs,

often spread infection throughout the family.

Here's how Concentrated Super Suds washes your clothes really clean—Hospital-Clean:

1. **SOFTENS WATER INSTANTLY.** Gives quick, rich, long-lasting suds even in hard water.
2. **SOAKS OUT DIRT** without scrubbing. These lively, active suds soak out even stubborn grime and grease. Yet colors are brighter—hands stay lovely.
3. **REMOVES GERMS** that physicians warn lurk in every family wash. This does not mean sterile, but it does mean that most dangerous germs are removed or killed in the washing process.

Go to your grocer, today—buy one 20¢ package of Concentrated Super Suds in the blue box; and for only 1¢ more your grocer will give you a beautiful Golden Glow cake plate!

## Here's the DRUM-MAJOR of the motor car parade

If you know a leader when you meet one, you'll see the moment you try this sparkling Buick why it's called the out-in-front car of the year.

You'll go for the way it goes for you—serene, steady, gallant as the figurehead on a buoyant ship—you're in for a thrill every time you put it into action.

You handle a wheel that turns as easy as the pages of a book. You press the treadle—and sink inches deep back in the soft cushions with the swoop of its take-off.

You click off miles by the score, the hundred—and no matter how far you range or what gait you travel, you can't get a whine out of that softly whispering engine!

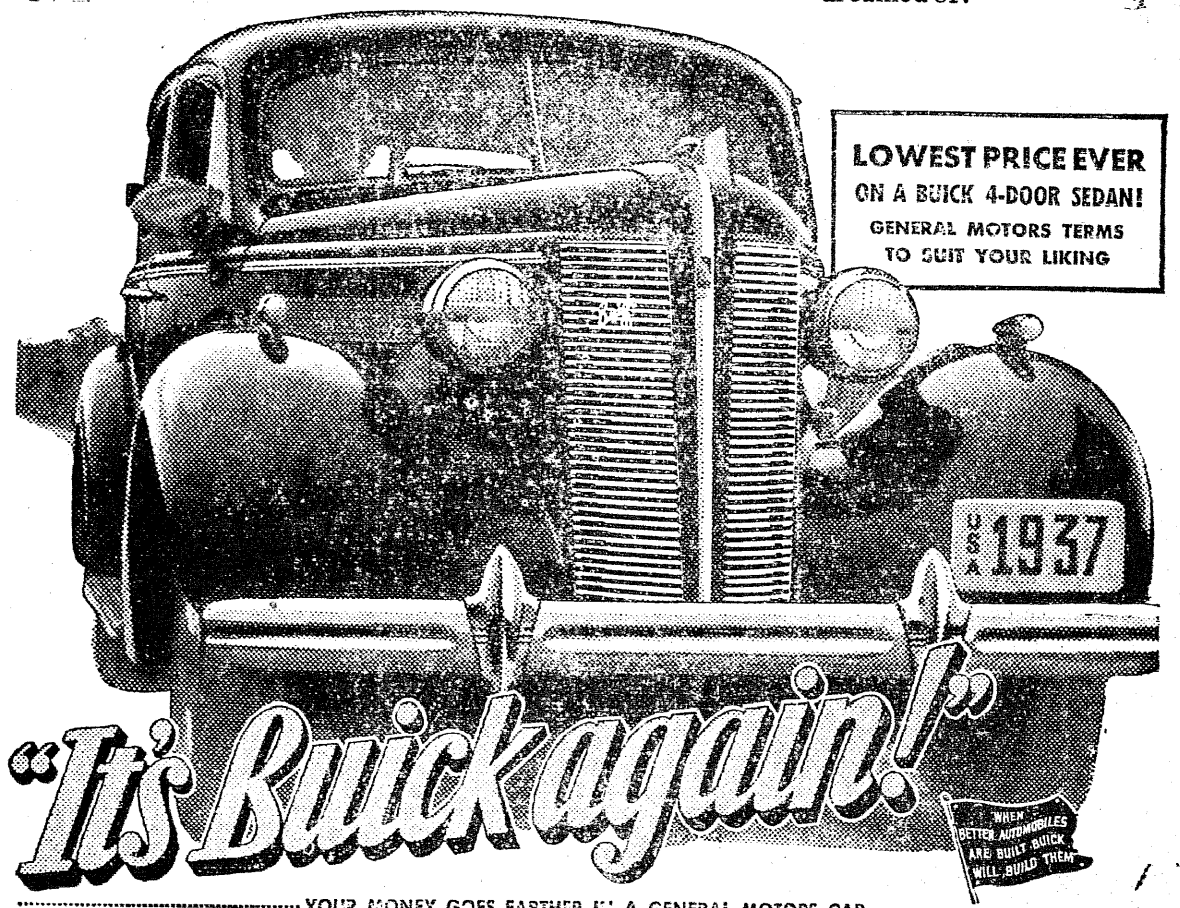

The answer is you've got a car that was

born to go places the way you want to go—smoother, safer, steadier than any car you've known.

Power in this flashing Buick is the power of eight straight valve-in-head cylinders. Its gait is the level gait of a car built close to earth with enough bulk to hold it there. Its maneuverability is the quick mobility of a charger.

Yet the crowning touch of its creators was none of these but the figures they succeeded in writing on its price tag. The hard-to-realize fact is that this great straight eight can be bought for less than some of today's sixes!

There's just one way to get the true picture of Buick's standout value, and that's to drive it yourself. See us soon and get your order in, and you'll enjoy a summer like you've dreamed of!

## Locals Chalk Up

### Second Straight Win

#### Take Over Dickinson And Clifton High School Teams

Belleville High School's baseball team won its second victory in as many days when it defeated Dickinson High, 6 to 4, Saturday, at Clearman Field. Friday the locals disposed of Clifton High, 10 to 4.

The Jersey City team came to the Belvoys' stronghold with an impressive record of five victories and two defeats. Belleville's slate showed one victory against a pair of losses. Three innings of scoring were all the subbanites needed to chalk up victory. Clusters of two runs in each of the first, third and fifth frames turned the trick. In the big fifth inning, when the Belvoys scored their winning tallies, they bunched together three of the five bingles they were able to garner from the offerings of Jack Sinisi, Dickinson right-hander. Eddie Banta's single sent across the two winnings runs.

**Double Play Helps.** Bill Parmer, Belleville hurler, was picked for eleven hits, but with the aid of six strike-outs and some tight defensive play in the clutches he was in complete control. Two fast double plays by his infield in the third and fourth cantos were a big help to the Belvoys flier.

Belleville scored its first pair of runs in the opening inning without the aid of a hit, two Dickinson errors being factors. Parmer's first of two single, Tony Amato's triple over the center-fielder's head, and some smart base-running on the part of Amato and Howard Byles, created Belleville's third-inning pair of tallies.

While all five of Belvoys wallpops figured in their scoring, Dickinson needed hits in the first two innings to score three runs and take a shortlived 2 to 2 lead.

The Dickinson flier, Sinisi, registered an even dozen strike-outs, but lack of support from his mates and timely Belleville hitting proved his downfall. Parmer and Amato divided four of the five hits secured from his delivery, while "Lefty" Bello, centerfielder, and Catcher Nick Salcito each got two for Dickinson.

**Clifton Also Nipped.** A four run splurge in the sixth inning cinched the Clifton game for the Belleville High Balltossers, the latter winning easily, 10 to 4, at Clearman Field, last Friday.

Bus Gauspohl, Belleville hurler, held the Passaic County squad in check for the first six innings, granting six hits and one run. He fanned twelve. Adolph Paul pitched the last three frames.

Jerry Lepre and Emmet Ryder led the victors' attack with two safeties each.

## Famous Drivers Ready For Langhorne Show

#### Preliminary Work-Out Held By Daredevils At Reading

TRENTON, N. J., May 7.—Famous automobile racing drivers are preparing their machines for the first test of the season Sunday, May 16, on the world's fastest circular mile course, Lughorne Speedway, located five miles south of Trenton on the Lincoln Highway. Signs indicate the finest field in history will be ready for the 100 miles of super-speeding.

The dare-devil pilots gave their mounts a preliminary work-out at Reading April 25 and their mechanics are now working out the "bugs" necessary before the super-test on the oval course.

Such drivers as Tony Willman of Milwaukee, Frankie Beeder of St. Louis, Vern Orenduff of Tallahassee, Fla., and Howdy Cox of Dallas, Texas, were well satisfied with their mounts and will be set for the fastest sort of going in another ten days. Willman drove Johnny Bagley's Cragar to victory in what probably would have been record time had not the last three of forty laps been raced under the caution flag as a result of Beeder's unfortunate accident on the thirty-seventh lap.

Willman was setting a terrific pace with his teammate only 175 yards behind when Beeder lost control and upset. Beeder escaped with minor bruises and a slightly sprained left arm and will be ready for action on May 16.

Orenduff had trouble getting Gus Strupp's Miller to function in the early going at Reading, but once the minor difficulty was corrected the elongated southerner moved from sixth to second position in the feature. Orenduff has been a threat at Langhorne for several years and is about due to come through with a win.

Cox was a sensation at Reading and many experts believe his driving style is even better suited for Langhorne. He is a "high" rider, and the groove at Langhorne should take his fancy.

Many other aces are working overtime to get ready for this classic, as a victory at Langhorne means a healthy addition to any bankroll as well as a great boost in prestige.

## Climax Youth Week With Field Day

#### Nearly 2000 School Children Took Part At Belleville Park

Nearly 2,000 school children participated in the Field Day in Belleville Park, Thursday, as the climax of the town's observance of Youth Week. The Lions Club sponsored the meet, with Edward Lister, recreation director, as general chairman in charge. Prizes of ribbons were awarded to the first three places in the field events. The Freshmen class of the High School was awarded the cup for class competition. Harry Zeigler of the Lions Club was chairman of this committee.

An outdoor camp fire was conducted at the Recreation House playgrounds on Friday by the Girl Scouts under direction of Mrs. May Holden, Girl Scout Commissioner.

At 6 P. M. Friday the local Boy and Girl Scouts held an out-door program at the Recreation House playground. Mrs. May T. Holden, Girl Scout commissioner, was in charge. Saturday was devoted to hiking and other outdoor activities.

Special attention was paid to Youth Week by the churches Sunday, and on Tuesday groups of school children visited industrial plants in Belleville and Bloomfield in observance of Youth Day in Industry.

## Schedule Four Duseks At Columbia Park

#### Riot Squad In Special Show At Mondt's Bergen Club

Ralph Mondt, promoter of Columbia Park, North Bergen, has finally succeeded in signing the Riot squad of Matdom, the four Duseks, to appear in a special show at Columbia Park tonight. A toss of a coin will decide which bout will be the nightcap event, over the usual one fall, ninety-minute time limit route. The other bout will travel over the customary four-hour voyage. Here is the card lined up: Joe Dusek vs. Ed Meske; Ernie Dusek vs. Stanley Eider; Dusek vs. Mike Strelch; Wally Dusek vs. George Koverly; Jim Coffield vs. Tony Garibaldi.

The latter bout will be the opening match.

## Eagles Split Two Over the Week End

#### Carterets Defeat Locals, 7-3, But Hilltops Are Humbled 19-1

Belleville Eagles split two games over the week-end, losing to the Carteret A. C., 7 to 3, and defeating the Nutley Hilltops, 19 to 1.

Saturday the Eagles were held to one hit, a single by MacGregor, in the eighth inning, by Jacobus of the Carteret A. C. Jacobus struck out thirteen Eagle batters and also got a single and triple to help his team to victory. He retired twenty-three men in order. Caruso, Gonnello and Costello played well afield.

In the game with the Hilltops, the Eagles went on a batting spree, getting nineteen runs on nineteen hits. In the fourth inning Bosiak tripled, Tobio was safe on an error, Cochrane singled scoring Bosiak, Costello singled scoring Tobio and Caruso doubled scoring Costello.

In the sixth the Eagles bunched seven hits, including two doubles, for six runs. The Hilltops scored their lone run on a walk, hit by pitcher and a fielder's choice. Batting stars were Bosiak with a triple and two doubles, and Tobio, Goggia, Ossie, had two hits apiece. Costello got three, one a double.

Goggia, star pitcher of the Eagles, allowed the Hilltops one hit, garnered by Lauritis, and struck out twelve batters.

Sunday morning at Belwood Park the Eagles will play the Musketeer A. A. of Newark. The probable batteries for the Eagles will be Brocaglia or Goggia, pitching, and Nobio behind the bat.

Coach Herb Foster, former pitcher of the Brightons, will have the team hustling this week with practice Tuesday and Thursday.

## Paul Nixon Wins In Philly Grind

#### Belleville Boys Finish Seventh and Tenth In 50-Miler

Paul Nixon, North Hudson Wheelmen star and member of the 1936 United States Olympic team, won the 50-mile bicycle road race held Sunday morning in Philadelphia. Four New Jersey boys were among the first ten to finish. Rosario Zisa followed Nixon across the tape with Charles Wagner, Buster Logan of the Alpines, Charles Vogel, James Eiffer, Angelo De Bacco of the Belleville Bicycle Club, Carmelo Seondotte, William McDougal and Charles Bregna of Belleville finishing in that order.

De Bacco, who won the Eastern championship 50-mile race here recently, finished in seventh place and his teammate, Bregna, the only other Belleville boy in the race, finished tenth. Logan, also a member of the last Olympic squad, was fourth. The time was two hours thirty-eight seconds.

Under N. C. A. Ban.

The contest was the first under the sanction of the Amateur Bicycle League of America since that body's break from the National Cycling Association. As a result every contestant in Sunday's race automatically fell under N. C. A. suspension and will be banned from competing at the Nutley Velodrome. All amateurs who compete at Nutley are liable to suspension by the A. B. L.

## Stages Comeback

Ben Shaw of Westville, N. J., who is staging a successful comeback on dirt tracks after a year's retirement. He will make his first start at Union Speedway's half-mile track, located off Route 29 in Union in Sunday afternoon's opening meet, topped by a fifteen-mile Golden Cup series event. Shaw has been driving for fifteen years, has been a ranking speed chautaur in the A. A. A. for nearly a decade. He claims the world's half-mile lap record at 25.8 seconds, set last Sunday. Also in the field will be Frankie Bailey of New Brunswick, A. A. Eastern States title-holder; Bob Sall of Paterson, 1936 Southeastern States title-holder and ex-champion of the Eastern states; Tony Willman of Milwaukee, Frank Beeder of St. Louis, Vern Orenduff of Paterson, and Tommy Hinnershot of Laureldale, Pa.

## Auto Racers Ready For Union Opening

#### Strong Array To Go To Tape At Sunday's Opening

The strongest array of dirt track auto racing stars ever gathered on year-old Union Speedway, located off Route 29 here, will take the checkered flag for the second season of speed thrills this Sunday afternoon. Fifty cars will be pushed through time trials at 1 P. M. with every leading figure in current racing competition striving for the limit of nineteen fast cars.

The first of three five-mile qualifying heats will start the race program proper at 3:15 P. M. on the world's largest half-mile track. It will be followed by a sixteen-lap consolation and climaxed by the ten-car, thirty-lap Golden Cup final. The winner of the latter event will gain ten points toward the valuable gold cup trophy and the cash bonus which goes with it for the winner of the series, set at ten meets during the season.

Heading the list are two A. A. sectional point leaders—Frankie Bailey of New Brunswick, top man in the Eastern States section, and Bobbie Sall of Paterson, No. 1 driver of the Southeastern district. Ben Shaw of Westville, claimant of the world's record for a single lap on half-mile oval and surprise sensation of the current season; Tony Willman of Milwaukee and Frank Beeder of St. Louis, the John Bagley garage team; Vern Orenduff of Paterson, Tommy Hinnershot of Laureldale, Pa.; Len Perry of Madison, winner of the Union Speedway Trophy last season; John Ulesky of Newark and Ed Stanek of Caldwell are among the outstanding candidates for the final.

A number of invading drivers will be making their first starts at Union. Howdy Cox, 23-year Dallas, Texas, star; veteran Vern Vincent of Los Angeles, Ted Nyquist of Reading, Pa.; Lou Webb of Los Angeles and Gordon Chard of Birmingham, Ala., are in this class. Cox, a spectacular broadcaster who should find the wide Union oval to his liking, is the most promising.

Bud Henderson of Akron, O., will return Sunday. The Mid-Western ace thrived in his only start last season and is prepared for a full campaign in the East with a new Miller car. Eldridge Tadlock of Norfolk, Va., also will be making his second start.

Other favorites who will be on hand are Johnny Duncan, high-ranking Long Islander; Ernie Gessel, also of Long Island; veteran Cruck Tabor of Orange, Walt Brown of Massapequa, L. I.; Bert Ross of Trenton; Hal Cole of Los Angeles, Al Cussick of Philadelphia, Harold Paust of Yonkers, Harry Felton of Philadelphia, Roy Lake of Los Angeles, Gus Zarka of Doylestown, Chick Lysek of Carteret, Jack Moon of Garfield, Ed Bruder of Staten Island and Bus Warke of Walnutoport, Pa.

Take notice that application will be made to the Board of Commissioners of the Town of Belleville, N. J. for a transfer of the pharmacy retail consumption license now held by Michael O'Keefe, for premises situated at 201 Washington avenue, Belleville, N. J., to Mary Goldacker, 201 Washington avenue, Belleville, N. J.

Objections, if any, should be made immediately in writing to Florence R. Morey, Town Clerk of Belleville, N. J. (Signed) MARY GOLDACKER

## Belwoods Just About Make The Grade

#### Heller Bros. Team Defeated 8 to 7 In Hectic Battle

The Belwood A. A. played a ragged brand of baseball Sunday afternoon at Belwood Park, before a large crowd, but the club was lucky enough to punch in one run in the last half of the ninth to win out, 8-7.

The Belwoods had to come from behind every time and only luck prevented Heller Bros. from winning. "Red" Conklin, Manager Long's mound selection, lasted two and one-third innings, Heller Bros. going to work on him and collecting five hits and four runs. Henely entered the game for the Belwoods with the bases loaded and one out. The first batter to face him struck out, the next walked, forcing in one run. Mintz ended the up-rising by grounding out to A. Anderson. Henely lasted until the seventh inning. He developed a sore arm and retired in favor of Harry Mazzolla, the Belwood "Ace", who pitched the last two innings and allowed only one hit, with seven batters facing him.

In the first inning Heller Bros., on two hits scored two runs, but the Belwoods came back in their half of the inning to score four runs to take the lead. Heller Bros. kept pecking at the Belwood "Battlers" and took a one run lead until the last half of the seventh when the Belwoods tied the score at 7-7. Here Mazzolla entered the game and retired the first two batters on ground balls, the next walked but the following batter struck out. In the first half of the ninth only three batters faced Mazzolla.

With the last of the ninth coming up and the score tied 7-7, Sanok doubled to left center, Petzel walked, Van Demark came up and drove a hot one down the third base line sending Sanok across the plate with the winning run. For Heller Bros. B. Towers stood out, both in pitching and batting, striking out eight Belwood batters and getting two hits. B. Waldron also got two hits. For the Belwoods E. Van Demark was outstanding, getting three out of five, a triple, double, and single, while Joe Travis got two out of five.

Next Sunday afternoon at Belwood Park the Belwood A. A. will meet the Savage B. C. C. from Orange at 3 P. M. unless they get word to travel to New York from their booking agent, Everett Millet of New York.

## Bears Display Wares In Northern Cities

#### After Montreal, Leave For Series With Rochester

Baseball fans in the Northern cities of the International League are getting their first peek at the Bears, the favorites to cop the flag in this year's chase. The fast stepping Bruins will wind up their Saturday afternoon in Montreal, where they will help the Royals to open the season. After the game they entrain for Rochester where they will clash with the Red Wings in a four-game series, beginning Sunday. It will be the first Sunday game of the year in the Kodak City. From advance reports the teams will perform before a banner crowd. Northern cities teams hope to smash the attendance marks set by Jersey City and the one established last Sunday at Ruppert Stadium, when the Bears and the Maple Leafs played before 20,569 paid admissions.

Tommy Henrich, the new outfielder of the Bears will see plenty of action on the road. The youngster born in Massillon, O., and who was the most publicized player in the minors this season, due to the investigation instigated by Judge Landis, has been assigned left field. Landis declared him a free agent, when he found the Cleveland club had attempted to cover him up in a transfer deal. Henrich has confidence, is fast, a good arm and can throw and appears to be a natural hitter. With Tommy in the line up, the Newark club has sent Jack Glynn, the Franklin, N. J., boy to the Milwaukee Brewers of the American Association on option.

During the swing around the circuit, Frank Kelleher may be kept at third base. The former St. Mary's College boy from the Pacific Coast has taken over the job, due to his great hitting. Merrill May has been slow in rounding into form. In addition to Henrich, the fans will also get a chance to look at Bob Seeds, formerly of Montreal, Jimmy Gleeson and Charles Keller, the Maryland University sensation. Just as soon as his ankle is better he will be put back in the game. The youngster has been murdering the ball since the start of the season and Vitt is anxious to have him back in the line up.

Buddy Rosar is the only new catcher and his reputation has already gone around the circuit. Buddy swings a big bat and has plenty of color and fight. Vitt intends to use all of his hurlers on the trip. The new comers who will have a chance to perform in foreign territory are Bill Yocke, Joe Beggs, Atley Donald and John Fallon. The latter has been real impressive of late. In addition the Bears have Piechota, Tamulus, Sandra and La Rocca to fall back on. Sandra and La Rocca were both returned by the Yankees recently. Vitt and his Bears hope to return to Newark, May 21, as the occupants of first place.

## Emeralds Suffer Worst Loss in Years

#### Triangles Take Them For A Loop By Score Of 21-3

The Emerald A. C. suffered its worst defeat in eight years on the diamond when it was defeated 21-3 by the Belleville Triangles at Capitol Field, Sunday. The defeat was due principally to a complete collapse of the Emerald defense. Manager Lubben had his club out every night this week for practice and seeks to remedy the many mistakes which caused Sunday's humiliation.

The Triangles were credited with twenty-one hits, many of which were of the scratch variety, due to the failure of the Emerald infield to move out and the outfield to move in fast enough to get short Texas Leaguers which went for hits.

Saturday the Emeralds will play the Young People's Polish Athletic Association at Harrison Recreation Field and Sunday will open the home season at Branch Brook Park Extension with an opponent undecided as yet.

The Emeralds have entered the Branch Brook Park semi-pro base ball league which is scheduled if possible to open Sunday.
