

LEGION MOVES AHEAD WITH CONVENTION PLANS

S. R. O. Sign Out At School Concert

Eighth Music Festival Enjoyed By Many

The S. R. O. (standing room only) sign was hung out at the eighth annual music festival of Belleville High School music clubs last Friday night in the school auditorium.

The show was splendidly performed by a capable cast of players which included 140 members of the boys' and girls' glee clubs and sixty members of the orchestra.

The performance reached a climax in the fashion revue, one of the bright spots being a terpsichore executed by Miss Estelle De Larkey and Donald Brown which was applauded roundly by the audience.

Wesley Konrad stole the limelight in the "Dude Ranch" act by showing his versatility in playing the guitar and singing several numbers. With Joseph Gannon, he rendered a cowboy number and with Miss Marian Johnston, who received an ovation on her entrance, he sang "Girl of Montana," accompanying both numbers on his guitar.

Sidelights

Doris and Ruth Stalter, daughters of Mr. and Mrs. George Stalter, were lifelike cowgirls as they sang "The Last Roundup," Ruth playing the ukulele.

Diminutive Margo Hyde was very petite in blue organdie. She is the daughter of Mr. and Mrs. Elmer S. Hyde and is in the class of 1940.

Miss Alice Walters, coach of the entire production, gave much of the credit for the smoothness of the show to Joseph Distasio, hard-working program manager.

The affair started at exactly 8:16 which was getting off pronto.

You could have heard the proverbial pin drop while Miss Alba Pascale played her harp solo, "The Angelus," in such rapt attention was the audience.

A group of southern melodies by the glee club under the title, "Musical Moments," received the enthusiastic acclaim of the audience.

The "Horse" brought on the stage during the "dude ranch" act provided the audience with a good laugh.

Miss Edith Frey, daughter of Mr. and Mrs. Frederick Frey, created a pleasant picture in green chiffon.

Miss Dorothy Newton certainly can "go to town" on the saxophone.

Miss Agnes Gailley was the only grade school teacher we saw in the audience. There may have been others.

She is from No. 3 school.

Miss Kathleen Reilly, daughter of Mr. and Mrs. James J. Reilly made an effective appearance in a blue suit with a nicely designed blouse.

Kenneth Chewey despite the fact that he is a freshman is concert master of the orchestra.

Eastern Star Calls Off May 20 Meeting

Grand Session Convenes At Asbury Park At That Time

Belleville Chapter No. 262, Order of the Eastern Star, will dispense with the meeting of May 20, on account of the Grand Session at Asbury Park on May 19 and 20. The Worthy Matron, Mrs. Marion E. Apple, and Worthy Patron, John H. Cowburn, will attend the session, accompanied by the following officers: Mrs. Edna F. Thornon, Miss Frances E. Gottlieb, Miss Alice E. Cowburn, Mrs. Elizabeth Cowburn. Past matrons who will attend are Mrs. Dorothea F. Hermann, Mrs. Emily N. Schawo, Mrs. Helen L. Sammis, Mrs. Frances L. Juras. Past Patron Frederick L. Schawo will also attend as will Mrs. Elizabeth H. Harris and James Apple. Miss Lillian M. Harris, a Past Matron and secretary of the chapter will attend in the capacity of grand marshal.

Mrs. Madeleine Vosburgh and her committee will be in charge of a desert bridge at the Woman's Club on Friday afternoon, May 21, at 1:30. There will be a door prize and a prize for each table.

Miss Frances Gottlieb and her committee are planning for a bridge to be held at a Newark plant on the afternoon of June 1. Games will start at 1:30.

Talks on Aviation

A representative of the Casey Jones School of Aeronautics in Newark Friday paid a visit to Belleville High School for the purpose of discussing the various phases of aviation, chances for employment and other similar problems with boys in the graduating class who are interested in an aviation career after their current matriculation.

Bike Racing Starts Sunday Afternoon At Alf Goulet's Nutley Velodrome

More Than Sixty Pedal Pushers Will Whirl Away in Big Card of Professional and Amateur Races

Outdoor cycling will bow in on Sunday afternoon when the Nutley Velodrome is opened with a feature card of sprint and motor-paced races. Aiming at a versatile and speed-producing program, Manager Alf Goulet has carded the leading American stars of board track racing for the season's inaugural. More than sixty pedal-pushers will whirl away in the big card of professional and amateur events. Races will start at 3 P. M.

Heading the card for the money-chasers is a 15-mile team race that will bring together the best of the pine saucer caravanners. Harry Szamota, Polish sprint champ, who just arrived in this country, will be one of the favorites to cop this race. Szamota will be paired with either Bobby Echeverria, the California Basque, or young Al Sellinger, former amateur sprint king. One of the kinglypins of the European sprinters, Szamota, who weighs near 200

pounds, loops around the saucer in much the same fashion as did the one-time great sprinter, Arthur Spencer. Other boys who will sprint away in the team race are Frank Keating and George Shipman of New York, Ewald Wissel, the German flash; Willie Grimm, Dave Lands, Bobby Silver, Harvey Black, Henry Krumweide, Charley Ritter, Frank Bartell Felix Le Fenetre, Caesar Binetti and a host of others.

Manager Goulet will attempt something new in the first of the motor-paced races to be served up for the fans. Trying for speed and thrills the choo-choo followers will ride three five-mile heats from a flying start. The German speed merchant, Franz Daelberg, and two New York pace-followers, Mike De Filippo and Tim Reboi, will start in these short races, with a possible fourth man yet undecided. Daelberg has

The Junior Choir Mothers' Club of the Wesley M. E. Church will hold a meeting in the church parlors Tuesday evening.

"Objectionable Features" Taken Care of By National Grain Yeast Corporation

Thus Declares Frank L. Chambers, Vice-President, at Monday Conference of the Town Commission

Efforts on the part of the National Grain Yeast Corporation to eliminate odors and noise at the company's plant in Soho section were outlined Monday night at the Town Commission conference by Frank L. Chambers, vice president of the concern, who said "objectionable features" have been removed. Mr. Chambers, who lives in Belleville, invited the board to make an inspection tour of the plant.

Appointment of an inspector to determine whether the company is or is not noisy and smelly was authorized Tuesday night by the commission.

The inspector will check for thirty days on whether improvements, which plant officials Monday reported had been completed, eliminate conditions of which Belwood Park residents have complained.

The commissioners, with residents of the Belwood Park section who again Tuesday night urged elimination of the alleged objectionable conditions, visited the plant after the commission meeting to inspect the new equipment. Mayor Williams, who suggested a special inspector be assigned, said he had given much time to checking conditions and he was convinced the public did not expect

the commission to act as "policemen and health officers."

An ordinance eliminating the limited retail liquor license in the town was introduced. Under its terms about ten stores holding the license will be unable to renew their permits July 1. The limited license, optional with municipalities is issued at a fee of \$50 and permits sale of unchilled beer in quantities of not less than 72 ounces.

The number of regular retail licenses is limited by the ordinance to four, the present number. The town allows retail sale of liquor only by stores not dealing in other merchandise.

A third provision of the ordinance limits the number of taverns to one per 1,000 population and specifies that no new licenses will be issued until the number is reduced to this proportion. There now are about 40, 10 more than would be allowed under this rule.

Before the ordinance was passed Director Waters said it was understood by the commission that the limitations should not be absolute, but subject to revision if the commission

Lincoln Plays Here

The Belleville High School baseball team meets Lincoln High School's team of Jersey City in a game at Clearman Field, Belleville tomorrow afternoon at 3 o'clock. The Bellboys have defeated, Clifton, Dickinson and Garfield and have lost of Orange, South Side, Hillside and Good Counsel. The locals are out to win and place themselves in the balance of victories.

Stores Would Close Wednesday Afternoons

Merchants Desire Cooperation from Woman's Club And Others

Several merchants have started a movement similar to Orange, Montclair and other towns to close stores Wednesday afternoons during July and August. Co-operation is expected from local chain stores.

Efforts will be made to enlist support of the Woman's Club and other civic organizations composed of women. Mayor William H. Williams has endorsed the plan and will aid the merchants in their efforts.

A meeting will be held within a week or so to which all will be invited. Joseph McGrath of Eddie's Market, Washington avenue and Little street, and Louis Noll, Washington avenue and Mill street, are the prime movers for the closing. Further details may be obtained from them by other merchants who may be interested.

Six from Belleville At County Meeting

American Legion Auxiliary Here Reports Doubled Membership

Six members of Belleville Unit No. 1051 American Legion Auxiliary, attended the Essex County committee meeting at Caldwell Baptist Church, Caldwell, Thursday afternoon. Mrs. Florence Braun, county president, presented the Belleville unit with a banner and a national citation for meritorious service in the work of membership. The unit has more than doubled its membership this year.

Mrs. Albert Lister of East Orange, rehabilitation chairman, reported that \$75 was spent during the month for smokes, playing cards and other assistance to hospitalized veterans in Lyons and Essex County hospitals. Mrs. Lillian Jaques, child welfare chairman, reported \$350 spent during the month for assistance to 117 children, which sum represented clothing, food, furniture, medical attention and other items.

Mrs. Irene McCorkle presided at the regular business meeting of the unit Monday night May 10, at 170 Washington avenue. Arrangements were made by the unit members to attend the field day program at the U. S. Veterans' Hospital, Lyons, Saturday afternoon, June 5, at which time about 550 veterans will be feted. The sport dance under the auspices of the county auxiliary at Irvington Service Men's Club house on Saturday night, June 5, will also draw from Belleville. Mrs. Alice Huntington of East Orange is chairman.

The Junior Auxiliary rally will be held on June 12 instead of June 5 at the Orange Y. W. C. A., Main street, Orange.

The unit has endorsed Mrs. McCorkle for nomination as county historian, which nomination and election of county officers will take place at the next county meeting in June.

Just A Blowout

Frank Cruso, 19, of 40 Edison street, Friday reported to police two men held him up and robbed him of \$30.25 WPA pay.

Lieutenant Smith and Patrolman Flynn were suspicious. Questioned closer, Cruso admitted he was not robbed.

Smith still was not satisfied. Cruso said he spent the \$30.25 for a "blow-out."

The investigators persisted.

Then Cruso said he spent \$8.25, hid \$22 and told of the holdup to appease his family. His parents, he said, allowed him \$5 and carfare and his WPA mates kidded him.

Flynn found the \$22 where Cruso hid it and gave it to his parents.

If it's an engagement ring or a wedding ring, see Victor Hart, Jeweler, 457 Washington avenue, Belleville. Diamond engagement rings, \$7 up; wedding rings, \$3 up.

War Veterans Plan Circus As Part of County-Wide Meeting Here June 25-26

Captain George Bingham, in Charge of Parade, Says It Will Be One of Largest Ever Held in Belleville

Various committees that comprise the general committee for the Legion county convention to be held in Belleville on June 25 and 26 met at the Town Hall on Monday evening.

Edward Lister, recreation director, is in charge of the circus and ground activities at Clearman Field. He promises that visitors to the field will see a real circus. A pet competition will be held in conjunction with the circus. Pets of all kinds will pass in review and prizes will be given.

Captain George Bingham of the Army Ordnance Reserve, is in charge of the parade program. Organizations desiring to participate in the parade are requested to so advise Captain Bingham or the committee. According to plans, the parade will be one of the largest ever held in Belleville, and since prizes will be awarded for organizations in the line of march many outstanding groups are expected to march.

Cephas Brainard is in charge of dinner arrangements, which will be held at the Elks Club. Plans have not been completed as yet.

Dick Shannon heads the advertising committee and urges dealers, storekeepers and manufacturers to co-operate as much as possible. The Legion convention to be held in Belleville this year will not only be of interest to Belleville and the surrounding towns, but becomes generally known throughout the state and may appear in the national magazine.

The dance to be held on Saturday evening, June 26, following the parade and the awarding of prizes to the various groups should afford many Belleville people an opportunity to enjoy an evening of fun.

The splendid co-operation extended by the Town Commission to the county convention committee of the Legion is gratifying. The committee anticipates a real good time for all.

Plan Meeting of Clee Youth League

All Young Republicans in Town Are Invited

The first public rally of the Clee for Governor Youth League will be held at the Town Hall on Monday evening at 8:15 o'clock. Chairman Lawrence E. Keenan of the Belleville Chapter invites all young Republicans living in the town who are interested in inducing Dr. Clee to run and are interested in aiding his campaign to be present at that time. Already, with very little solicitation, fifty young persons in Belleville have signified their intention of joining this movement. At this meeting plans will be formulated for organizing the town and talks will be given by some of the leaders of the Republican party in the town.

Improvers Meet In Belwood Park

Voting Machine Shown Followed By Movies

The monthly meeting of Belwood Park Improvement Association took place in Public School No. 10, Belleville and Franklin avenues, last night. There was a demonstration of the new voting machine, motion pictures and refreshments.

Calvert Club Plans Its Spring Dance

Bids Go Out In Form Of Insurance Policy

Plans for the fourth annual spring dance of the Calvert Club of Nutley reveal many novel and unusual innovations. Not the least of which is the bid in the form of an insurance policy, which insures the possessor against dull care on the evening of the dance.

The affair will be held at the Crestmont Golf Club, West Orange, on Saturday evening, May 29.

The committee, headed by Viola Sherwood and Jack Comer, co-chairmen, have been fortunate in securing the services of the Princetonians, a band well known locally for their stirring "swing" music.

Due to the popularity of this affair in past years, the committee wish to advise club members and friends living in Belleville and Nutley to avoid delay in obtaining reservations, which may be obtained from Miss Grace Grant of 115 Floyd street, Belleville.

Card Party

A card party will be held on Thursday afternoon, May 27, at 1:30 o'clock, the proceeds of which will go to the Young Women's Auxiliary and the April and May groups of the Wesley Episcopal Church.

Prizes, refreshments and room for the occasion is being donated by a soda bottling company.

The party will be held in the company reception room, Newark.

Protests Heard On Shelving of School

Residents Ask Town to Step Into School Affairs

The proposed shelving of Public School No. 2, a little antiquated building in Soho is giving the Town Commission concern, as well as school authorities.

The Board of Education may abandon its contemplated plan to close the school. It will act officially on the question next Monday.

At a joint meeting of the board and Town Commission Tuesday night residents of the Soho section and members of the recently revived Soho Improvement Association discussed reports that a saving of \$10,000 would be affected if the building were closed, and voiced strenuous objections to transfer of children attending School No. 2 to No. 4 and No. 10 schools.

"The town of Belleville spends \$5,000 annually for good will advertising in the newspapers," declared H. J. Schulthess, a member of the Soho Improvement Association, "and then the Board of Education decides to close down a school in a section which is being rapidly developed. Such publicity costs the town twice as much."

Schulthess was supported by Tax Assessor John F. Coogan Jr. and Commissioner George R. Gerard, public safety director and former superintendent of schools.

Mrs. Ruth Fredericks, spokesman for fifteen protesters, who appeared at the Town Commission conference Monday, declared School Board President John P. Dailey said the change is for economic reasons. She said her group would present next week a petition to the School Board, but they also wanted backing of the town fathers to make her plea more emphatic.

"The proposal involves more than just the education of children," Mayor William H. Williams said.

"The Mayor said homes would be harder to rent if the school were removed and added, such savings as might be effected in the school budget might be counterbalanced by new expenses in town departments."

Pupils at the school would be sent either to No. 4 in Silver Lake, Magnolia street or No. 10 in Belleville avenue. No. 2 is in Mill street, near Harrison street. It has 110 pupils.

Mrs. Fredericks contended the move would "work a terrible hardship, expose children 6 and 7 years old to the danger of crossing railroad tracks and dangerous highways and send them too far to school."

Mayor Williams warned the com-

V.F.W. Plans Annual Buddy Poppy Sale

Will Be Conducted Here Saturday and Sunday, May 22 and 23

Local participation in the sixteenth annual buddy poppy sale sponsored throughout the country by the Veterans of Foreign Wars of the United States is being planned in Belleville by Private George A. Younginger Post, according to Commander Norbert Bertl.

At the meeting of the post last night at Veterans' Hall it was decided to conduct the sale on Saturday and Sunday, May 22 and 23. All buddy poppies are made by disabled veterans in government hospitals and by needy veterans in workshops supervised by the V. F. W. The entire proceeds of the sale will be used for relief and welfare work of the V. F. W. among needy veterans of this vicinity and for the national program of veteran rehabilitation.

The Ladies' Auxiliary and veterans will be stationed at local street intersections, churches, theatres and factories on these two days. The committee is headed by Mr. Bertl, Charles Booth, Joseph Costello, George Buchanan, Hugh Patterson and John F. Cannon.

Telephone Increase

The number of telephones in service in New Jersey increased 4,500 in April, the New Jersey Bell Telephone Company reports, bringing the total net gain in telephones in service since the beginning of the year to 16,500 and making the total in use at the beginning of May 670,780. New Jersey telephones almost reached the 700,000 mark in 1931, and dropped nearly to the 600,000 mark in 1933.

Clean Up Week

Week of May 10-15

Citizens of Belleville:

May we count on your cooperation and assistance to make Belleville better, brighter, cleaner and more beautiful? You can do it by giving the cellar, attic and yard a Spring cleaning. Clean Up Week is your chance to get rid of the useless trash and rubbish.

Place rubbish and trash in containers on the curb line and extra wagons will be furnished to remove it.

CLEAN UP WEEK HAS RESULTED IN MANY ADVANTAGES TO COMMUNITY LIFE:
In Safeguarding Health,
In Promoting Thrift,
In Furthering Fire Prevention,
In Stimulating Civic Pride and
In Making the Home and Town Beautiful.

To Hold Services For E. H. Douglas

Local Man's Brother Killed In Hindenburg Tragedy

Among the victims of the Hindenburg tragedy was Edward H. Douglas, brother of Halsey Douglas, of the Newark Evening News, who lives at 124 Carpenter street. Mr. Douglas with Recorder Everett B. Smith identified the body Friday at Lakehurst.

Funeral services will be held tomorrow afternoon at 2 P. M. at the William A. Irvine Funeral Home, 276 Washington avenue. Rev. Dr. Robert Brewster Beattie, of Munn Avenue Presbyterian Church, East Orange, will officiate.

The services are being delayed to await the arrival of his mother, Mrs. Grace C. Douglas, from her home in Altadena, Cal.

Edward, a native of Newark, sailed from Germany a week ago Monday on the Hindenburg expecting to surprise his brother, Halsey. He was going to drop in unannounced. But Halsey had heard from his mother in California of his brother's plans and was prepared to receive him.

The tragedy at Lakehurst brought a sudden end to their plans for a joyous meeting. It was to be the first in three years and the second in fifteen.

Edward was director of the H. K. McCann Corp., European agency of McCann-Erickson, Inc., advertising firm. He wrote his mother that he was planning the transatlantic trip and was not going to tell his brother. But she sent the letters on to Belleville for Halsey to read.

Halsey told his wife and several friends Thursday that he had a feeling the Hindenburg might crash and he would not see his brother again.

Edward Douglas was a son of Frank H. Douglas of 190 Broad street, and of Mrs. Douglas of Altadena, Cal. His wife, Mrs. Martha Ganzke Douglas, did not accompany him. Their only child, Dorothy Virginia, 13, is attending the English School at Chateau d'Ouex, Switzerland.

Douglas was born October 28, 1898, and attended Newark schools. Soon after he was graduated from Central High School he enlisted in the United States navy and became a chief petty officer at Pelham Bay Naval Station. After the war he obtained release from his enlistment and joined the General Motors Export Division. In 1925 he became regional director of the company in charge of its business in continental Europe and later was a vice president of the unit.

In 1930 Douglas left General Motors to become identified with H. K. McCann Corp. Last November he became a director.

Douglas planned to spend a month with his family before moving from Frankfurt-on-Main, Germany, to London. His first stop here was to be with Halsey. Later he planned to go to Altadena to visit his mother and two other brothers, Paul M. and George W., also of that place.

Dirigible travel was not new to Douglas, although he never had flown across the ocean before. Through his business he had become a friend of Captain Ernst A. Lehmann, former commander of the Hindenburg, and of its present commander, Captain Max Pruss. Chancellor Hitler and other Nazi officials were among Douglas's personal friends. He had made several cross country flights in the Hindenburg, as well as in the Graf Zeppelin.

Local Congregation Plans To Observe "Shevuos" and the Confirmation

This Holiday Which Begins at Sundown Saturday* to Sundown Monday Has Great Significance For Jewish People

Shevuos, the feast of weeks, will be observed by the Congregation Ahas Achim Anshe beginning sundown Saturday, May 15 and extending to sundown Monday, May 17. This holiday, which occurs according to the Jewish calendar on the sixth and seventh days of Sivan, has great significance for the Jewish people.

The festival has many names and each name signifies a different importance. In Palestine this period coincides with the harvest season and is therefore known as "Season of the Wheat Harvest." Another name for the holiday is "The Holiday of the First Fruits," for according to ancient custom the first ripe fruits of the crop were brought to the temple in Jerusalem as a thanksgiving offer to God.

However, one of the important reasons for Shevuos is the giving of the Ten Commandments to Israel on this day. It is therefore known also as "Zman Motan Torahshinu," or the season of the giving of the Torah. The Ten Commandments are included in the service for the holiday.

Many beautiful customs are observed on this holiday of Pentecost. The synagogue and the home are decorated with beautiful plants reminding us of the agricultural significance of Shevuos. Dairy meals are eaten during this holiday because when the Jews were buying themselves with preparations for receiving the Torah they did not have time to prepare heavy and lengthy meat meals. Included in the service is a series of beautiful poems known as "Akdamos," which praise God and extol the relationship between God and Israel.

Services will be conducted at the synagogue on Saturday, Sunday and Monday evenings and on Sunday and Monday mornings. Evening services will begin at 7:30, morning services at 9. The services for the first day of Shevuos, Sunday morning, will be marked by the confirmation exercises of the religious school. The girls who will be confirmed are Tina Berliss, Frances Gorrin and Marilyn Jacobson. Irving Berkowitz and Roger Mellion, who became bar-mitzvah this year, will also take part in this service.

A beautiful service is being planned for this occasion. It will be both inspiring and enlightening. As part of the service each confirmant will present confirmation class theme to the congregation. Marilyn Jacobson will speak on "The Jewish Woman in the Modern World," Frances Gorrin will have as her topic "Origins of American Jewry" and Tina Berliss will present her theme on "Tan Stars That Shine." Rabbi Dobin will deliver the charge to the confirmants. The Sisterhood of the congregation will present exquisite white Bibles to each girl as a confirmation gift. After the service a reception in honor of the

K. of C. To Confer Honorary Degree on William F. Herkness

Citation Marks Many Years' Service in Local Order

The honorary degree will be conferred on William F. Herkness Monday in the auditorium of St. Peter's School hall at the next regular meeting of the Knights of Columbus. Mr. Herkness is past grand knight.

This degree marks many years' service in the order for Mr. Herkness, as it can only be given to members who have been in the order twenty-five years or more. He has been a member of Belleville Council well over that period and has been a delegate to New Jersey Chapter No. 1 continuously since 1910.

Attending this ceremony will be state officers, chapter officials and members of Bloomfield and Nutley councils, who have been invited.

Mr. Herkness is a member of the Fourth Degree Color Guard and members of that organization will be present as well.

Refreshments will be served.

Christian Endeavor

The Belleville Reformed Christian Endeavor Society held a prayer service, Sunday. Robert S. Anderson, an elder of the church and a member of the society presided. Robert F. Wolff was the speaker.

On May 30 Edgar B. Bloemke, prayer meeting chairman, will be the speaker assisted by Fred H. Woodward Jr., who will preside.

The closing business meeting will be held on June 9. John Radin, president, will preside assisted by Miss Elizabeth J. MacFadyen.

Belleville's Past

As Recorded by This Newspaper

25 Years Ago

Steps for the organization of a Democratic Club were taken at a meeting held in the bank building. John H. Waters was elected president. Other officers selected were: Lefroy P. Vermule, vice-president; William H. Scaine, secretary; John H. Hannan, treasurer, and John Derbyshire, sergeant-at-arms.

John F. Fields, the actor, has gone to fill an engagement at Plattsburg, N. Y., after spending two months at his home on Terrace place.

An inspection made at Hillside Park by Health Inspector W. Brand Smith resulted in a favorable report. Soft drink stands and soda fountains were found to be entirely sanitary. The manager, William E. H. Thaller, expressed his desire to have everything in a clean, wholesome condition.

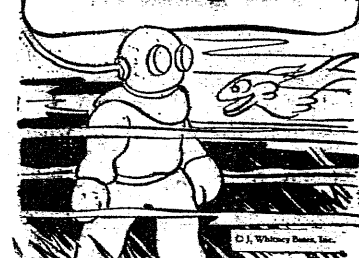

10 Years Ago

At a meeting of the University Club, held at the home of Mr. and Mrs. Judson K. Sickle, Watson Current, president of the Board of Education, outlined the history of banking. Officers of the club were re-elected as follows: President, Professor H. N. Cummings; vice-president, Kenneth Gibson; secretary, Miss Florence Kelly, and treasurer, Charles Campbell.

The circulation of petitions by a group of Belleville residents in an effort to have a special election called to permit voting on whether the commission form of government or the councilmanic form should prevail here has resulted in awakening of civic and other organizations to the need of rallying to the support of the present system. Among the first of the organizations to take a firm and definite stand against the proposed change is the Master Builders' Association and the Real Estate Board of Belleville.

Voice of the People

Comments on Art Club

Editor, The News:

Owing to the fact that I was the founder of the Belleville Art Club, and president of the organization until only four months ago, I am taking the liberty of passing a few remarks at this time about the editorial which appeared in your last issue, entitled "Artists Worried."

First of all permit me to state that out of justice to the few whose hard work made the art club, pay its way with much success through several seasons it will be greatly appreciated if you will kindly give this letter space in your next issue.

I was pleased indeed to see the club given attention in your column and to know that you feel such a group is an asset to the town. However, I must take exception to one particular paragraph in which you mention that the club has been "buffeted about from place to place through lack of funds which were raised one dollar per year from about twenty members and that the club is now on the rocks."

I do not doubt that the club is "on the rocks," but certainly not from the above mentioned reason. It was a highly successful group for several seasons, mainly through the conscientious effort of certain members, and was able to raise a great deal of money to meet all expenses.

During my incumbency as president the group moved to different quarters three times, but each time to a better location and at the time of my retirement from office the club was certainly not "on the rocks." However most of the original members including myself are no longer connected with the group, and at present the majority of members are from out of town which is quite obvious, in the current exhibition.

During our successful years we had lectures by artists and sculptors of note as well as the services of two very capable instructors one being Mr. Hayley Lever, N. A., who has enjoyed international fame as an artist.

In this small way we tried to promote art in Belleville, and permit me to add in closing that never before in the history of the club has it depended solely upon one dollar per year from each member, and has never been buffeted about through lack of funds.

Whoever gave that information to you was certainly misinformed.

Very truly yours,
EVERETT TAYLOR SMITH

Couple Celebrate

Fiftieth Anniversary

Celebrating their 50th wedding anniversary Saturday night, Mr. and Mrs. Frank U. Struble of 432 Belleville avenue, entertained 50 at their home. Mrs. Struble's mother, Mrs. Mary Clawson of Hackettstown, who is 94, was present. Decorations were in gold and white, a gold basket of daffodils and white flowers forming a centerpiece for the serving table.

The couple were married in Hackettstown and moved to Belleville from Newark 28 years ago. Mrs. Struble was Miss Anna Clawson of Hackettstown. Mr. Struble came from Stanhope. There are three children, Mrs. William H. Dowe, Virgil P. and Charles E., all of Belleville and three grandchildren. Guests will be from Netcong, Hackettstown, Hawthorne and Belleville. Mr. Struble is 71. He is in the employ of the National Grain Yeast Corp. Mrs. Struble is 70.

BETTER INTER-RACIAL UNDERSTANDING

The movement of several welfare workers and citizens to promote a mass meeting in the valley on Sunday, May 23, to promote the progress of inter-racial groups and a better understanding is to be commended. It is estimated there are over 300 colored persons from Mill street to Greylock Parkway in the Valley section. They have been without proper supervised facilities for recreation and relaxation which lead to better cultural standards. Several colored folks of prominence together with their white friends plan the mass meeting, which, it is hoped may lead to regular monthly get-togethers, ultimately leading to a community center in the valley. The movement deserves support of all and it would not be surprising to see the meeting develop into an outstanding one. The colored folks, who originated the plan, deserve a vote of thanks. Their group without assistance from the outside has been doing splendid work along cultural lines for a long time. Let's give them a helping hand to accomplish bigger and better things.

BELLEVILLE'S TAX HEAD RESTS EASY

Belleville's tax head should rest easy, judging from a folder just sent out by the Princeton local government survey which clarions: "Tax Rates Are Up Again."

Why is this queries the broadside? It is at time due to perversity of public officials, the schemes of politicians, the pressure of special interests, BUT—

Here are four reasons that you can take hold of:

1.—NORMAL EXPENDITURES ARE BEING RESTORED—PAY CUTS should in many cases be restored. (But it is too bad to spend more money when in many cases there is.)

NO standard to guide local salaries—because there is no consistent salary in force.

NO flexibility in local salaries—because the law regulates what shall be paid.

No improvement in local personnel—because qualifications for local office have little relation to tenure or compensation in local office.

PUBLIC WORKS AND EQUIPMENT are being extended, repaired and replaced. (But it is too bad to spend more money under a system in which excessive governmental waste and confusion in service areas require UNECONOMICAL duplication of public works and equipment; expensive overhead to operate UNECONOMICAL public works and equipment; and burdensome fixed charges to pay for UNECONOMICAL public works and equipment.)

ADS need construction, reconstruction and repair. (But there is a real pinch from old debt services; the unsatisfactory distribution of state highway funds; and the use of unrealistic areas for highway administration.)

2.—ADDITIONAL APPROPRIATIONS ARE BEING MADE FOR LOCAL RELIEF—because some communities are paying last year's relief bills. (However, the state's share of relief costs is not stabilized; the potential relief burden is unknown; the place of the federal government in the picture continues to be uncertain.)

3.—LIMITATIONS NOW EXIST IN THE NEW BUDGET ACT WHICH SAY—

Assets appropriated must be measured by actual cash values NOT by fictitious paper values.

Revenues appropriated from sources other than the general property tax must not exceed the actual amount collected during the previous year.

(A very good thing but hard on communities run by the "paper asset boys.")

4.—MANDATORY APPROPRIATIONS ARE BEING MADE FOR THE RETIREMENT OF FLOATING DEBT—That is, debt which was contracted in anticipation of taxes that were never collected, and which has piled up through years of failure to balance the local budget. (Very sound, but of course the "mandatory appropriations" turned out not to be "mandatory" after all. For the fifth successive year the Legislature "postponed" or modified its "mandate" for the reduction of floating debt—yet the "scare" still had some effect.)

These are the penalties of an easy way of municipal living.

The rules are simple: Local salaries must be made adjustable and standardized. Services and areas must be related. State-local fiscal relation must be definite and predictable. Proposed expenditures must be based on sound assets. Revenue must be collectible. Floating debt must be paid.

Belleville's head rests easy, because its finance director, Mayor William H. Williams, has plodded weary hours of his own accord to see that many of his own ideas of finance, as even now outlined by the local government survey, came into being. Belleville has a right to feel proud of itself. Do you remember, but why bring up that?

THE SIT-DOWN PROBLEM

In the headlines are the sit-down strikes. Their novelty has inspired cartoonists to new heights of ridicule and/or praise. But behind the black type and the sketches is a problem, which, when assayed, is revealed as one of men seeking or protecting what may be summed up in the word security.

Industry holds that to make and to sell goods the world needs and to pay rent on the money it borrows, stability is essential. And among the devices or conditions society has set up to create that stability is what the lawyers call "property rights."

But the strikers declare that modern industrialism has uprooted the laborer from the soil and has made his security dependent upon his job. In it, the argument runs, the workman has "property rights" which he must protect though doing so involves temporary possession of the physical property associated with employment.

Thus, the clash—and a problem that can be solved only by cool and thinking heads.

Rotarians Hear Talk by State Commissioner

Bernard Lamb, Finance Head, Outlines Work in His Department

Bernard Lamb, state finance commissioner, Wednesday addressed Belleville Rotary Club in Forest Hill Field Club on "Know Your Government," outlining the constructive work his department has done since he took office.

"Some well-meaning friends of mine have said it is possible to save \$20,000,000 to \$25,000,000 a year in state budgets," he said, adding, "but when it is considered that out of a total of \$35,000,000 as an appropriation some \$16,000,000 goes to social and welfare relief, including institutions, it is ridiculous to assume any such saving may be made when the state, after it is all boiled down, only has \$20,000,000 for general housekeeping expenses."

Mr. Lamb declared that New Jersey's per capita debt is about \$21, contrary to guesses which have placed the figure as high as \$325 per person.

"We have the best financial setup in the country," he stated, "we are proud of the system of control established in state finance and I am willing to match it with any in private business. Allowing for human elements, certain matters regulated by law. It is as near sound as any financial control."

"I have tried to operate my department regardless of party matters," he explained. "It is up to Republican as well as Democratic legislators to see that votes are cast intelligently in behalf of taxpayers. It is my firm belief that business methods can be applied in government the same as in private industry."

He declared that he had differed with "some of my very best friends" in Trenton, referring to the conflict "in procedure" in connection with the manner in which highway budgets were submitted in "lump sum" form. Mr. Lamb insisted that the budget be "broken down" as other departments.

He has made a detailed study of automobile purchases and upkeep with the idea in mind that this one item, if handled according to his method, would save the state \$200,000 a year.

"It isn't as easy as it used to be to get a state car," he said, "since we have been checking it up."

He also discussed his plan of group insurance under a blanket policy instead of scattering it in 200 or 300 policies as has been done in the past. By this method there would be better coverage at less cost he stated, adding the same applies to supply bonds.

"We are attempting to do a good job. The general impression is that government is operated by clumsy individuals, but many intelligent, conscientious people are holding public office today. They should be encouraged by public support and public interest. I don't know of anything as an American citizen that should be given more thought than government. It is necessary to have an interest in government."

Former Assemblyman Homer C. Zink, who worked on the state finance committee with Mr. Lamb, stated that the commissioner "is an unique figure," who insists that it is possible to apply to government the same general principles as in business.

"He is too modest to tell you the great job he has done," he concluded. Proctor's, Newark, Holds

Over Winchell Picture

Walter Winchell, Ben Bernie and Alice Faye lead the musical activities of "Wake Up and Live," which will be held over for a second week at RKO Proctor's. The associate feature, "You Can't Buy Luck," with Onslow Stevens and Helen Mack, is also remaining.

Winchell, whose breezy, highly intimate column created a new type of journalism, was born in New York City April 7, 1897.

An incredibly nervous and energetic man, he talks and dresses like the Broadway crowd to whom he is historian. A "chain" cigarette smoker, he never drinks and is a devoted family man.

Winchell's climb to the journalistic peak was attained without much formal education or newspaper training. He was in the 6B grade when he left school. Heading straight for the theater, he was part of a trio known as the "Three Little Boys with the Big Voices." The other members were George Jessel and Eddie Cantor.

That failing, Winchell attacked vaudeville as a hoover and a wise-cracker, taking his first step toward the newspaper profession with a little sheet called "The Newsence," a one-man paper typed out between acts and hung up backstage. Of a purely personal vein, the paper contained little items about the romances of the vaudevillians and where the best hamburgers were sold and which rooming houses had the softest beds.

The typewritten sheet soon became a byword and an anticipated source of amusement to touring acts. Its "inside" gossip style was a delight to the actors, and Winchell's blood was soon running with printers' ink. A job as gossip columnist for Vaudeville News followed at \$25 a week, and here Winchell developed his word-coining style and his keen nose for news.

Officers Elected at Glee Club Meeting

Plans Will Be Made Soon For Next Season's Activities

Belleville Glee Club Monday night at the Recreation House elected officers as follows: Honorary president, Dr. Daniel C. Cavanaugh; president, Samuel Cocks; vice president, Mark Mann; recording secretary, Edward M. Mertz; corresponding secretary, Gordon Grennon; treasurer, Harry F. C. Howard; librarian, Robert J. De Groat; assistant librarian, Louis H. Doell; member of executive committee, Edward J. Reilly, past president.

President James E. Walker presided. A report of the season's work was given by Secretary George H. Holden and the financial report by Treasurer Cocks. Arthur E. Jacobus, director, invited the outgoing as well as incoming officers to meet at his Orange home early in June to arrange plans for next season.

just returned from a successful season of racing in Australia, during which he ran the motor followers from Down Under into the ground. The Teuton, a bearcat at short distances, is in better shape than he has been in several years and promises bike followers plenty of action. De Filippo was the most improved rider during last summer's racing and in practice this year has indicated he will start where he left off.

Two amateur champions head the entry list of more than thirty simon pure riders who will compete in a three-mile novice race. Mickey Francisco, amateur sprint champion in 1936, and Danny Esposito, 1936 state dirt track champ, will be on the starting mark, along with Oscar Selinger, Ray Blum, Ben Hauger, John Eifler and many others. The pros will also compete in a four-sevenths handicap.

Goulet is angling for several more foreign riders and at least two may arrive before the start of Sunday's races. Echeverria will be a new face for bike fans and on past performance he should be an all-around favorite. "The Californian is built along the lines" of the former all-around sprint king, Norman Hill, and rides with the same gallop as the blonde favorite did. Echeverria completed in bicycle races in Buenos Aires during the winter.

Although he will never ride again, Hill, long a favorite with cycling fans, will be on hand at Sunday's opener. Normal was seriously injured in a Buffalo six-day grind in the winter that laid him up for several months. He has been named referee of the Velodrome races since Frank L. Barker, chairman of the National Cycling Association, served notice that he would no longer judge the races this year. In Hill cycling was a man who is well acquainted with the game, is popular with the riders and the public and will be a fair arbiter.

The BUSINESS LETTER

By MARTIN COOK

The continued growth of our national debt, now more than \$35,000,000,000, a mark never before attained, is, in the opinion of some of the leading papers of the country, of such importance as to call for editorial comment.

With the government's income at or near the peace time highs, it would seem to be a favorable time to retire some of the outstanding bonds.

Despite the heavy load on business, which must pay its share of the carrying charges on this huge amount by added taxes, reports of most corporations are on a consistently better level with increased earnings predominating.

Twenty-five of the leading oil companies for the first quarter reported earnings of \$47,955,884, against \$22,922,168 a year ago. Standard Oil Co. of New Jersey will pay an extra dividend of \$0.75 in addition to the regular 50 cents. Shell Oil Co. has declared a payment of \$0.50 a share. The last payment by this company was made in 1930.

The following corporations, taken from various industries, have announced increased or extra dividends: General Motors declared \$1, against \$0.25 a year ago; Collins & Aikman is paying an extra \$1, together with the regular payment of \$0.50; Columbia Carbon declared \$0.50 extra. Other companies have raised the payments by amounts ranging from 10 to 50 cents a share.

Among the other favorable news items the following were noted: Power production is making marked gains, with added commercial needs more than covering the seasonal reduction in household requirements; telephone installations are gaining at the rate of 100,000 a month; retail trade, after making allowance for weather conditions, is considered satisfactory.

April business for 16 chain stores was 5 percent more than March and for the first four months 14.8 percent over the 1936 period.

According to the National Industrial Conference Board employment in 25 major industries was higher than in 1929.

Private engineering is up 92 percent to the best ratio to total construction in seven years.

Automobile production for the week set an eight-year record. Sales of the General Motors Corp. for April were under the March figure, but more than in 1936.

Tonnage on the books of the steel companies is enough to keep the plants busy for several weeks, possibly into the fall. At present the rate of operation is 91.2 percent. Car loadings were 21,241 more

than a week earlier. Total loadings are now 102.42 percent of the ten-year average.

Security markets have been extremely dull, with most stocks selling at lower prices. Bonds, on the other hand, have had a tendency to

hold to the recent quotations. Commodities also have been very irregular in action.

Editor's Note: Questions pertaining to securities and investments addressed to Martin Cook in care of this paper will be answered promptly.

KNOW YOUR STATE

Prepared for The Belleville News by Russell VanNest
Black, Director-Consultant New Jersey
State Planning Board

New Jersey and Her Neighbors
The recent report of the State Planning Board to the Governor and Legislature directs attention to the fact that New Jersey occupies a unique location, between and partly within, two of the nation's greatest commercial, industrial, and financial centers. The geographical position, a small state between, and accommodating large sectors of the expanding industrial areas of Philadelphia and New York, accounts in large measure for its economic position.

For this reason and because of their many common circumstances and problems it was considered of both interest and value to analyze New Jersey's major resources against the background of what has been designated by the National Resources Committee in Washington as Region Number Two and comprising in addition to New Jersey, New York, Pennsylvania and Delaware.

The primary resources of any state are the potential productivity of its land in relation to geographical advantages and its people. These people, working upon the resources of the land, produce what may be called the secondary resources of the community: agricultural and manufacturing wealth, railroads, highways and other public utilities. Financial resources, like bank liabilities and savings deposits, are a further expression of the wealth of the state and along with indications of the distribution of wealth serve as an index of general welfare. The social resources: educational facilities, libraries and public health services, financed almost entirely through taxation, bear a close relationship to the wealth of the state and are directly dependent upon the community's economic well-being.

They are usually the end products of community activity and are developed after the more primary resources of the agricultural and industrial frontiers of America have been exploited and the years of depression have a sorted time to pause and think. These social resources are becoming the subject of much inquiry and thought. What is New Jersey's present position in some of the more important aspects of state development as compared with the other states of the region?

In subsequent articles we will attempt to answer this question. Behind the comparisons to be made will

be occasional obvious explanations of statistical disparity which we must assume will be readily recognized. Such things as per capita medical and hospital services, and wealth in New Jersey are not quite fairly covered by "state" figures because of the centralization of certain metropolitan services and wealth in Manhattan and Philadelphia.

WRIT BITS

by John E. Smith

Since into being came the light,
Why should it cause surprise,
There came as vehicles for sight
These organs known as eyes?

If from beginnings there was sound,
Appendages called ears,
Soon of necessity were found
By which the creature hears.

Man's efforts to communicate,
Reveal his social reach;
By trying to articulate,
He finds his power of speech.

When still and cold those organs lie,
The inference must be,
What functions thru them cannot die,
'Tis personality.

The fact that love, of virtues chief,
Does not fail to persist,
Would indicate ground for belief
Its objects too, exist.

The human instincts in man's soul,
For endless life that crave,
We count as proof his destined goal
Extends beyond the grave.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks puny.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 25c.

deems it necessary.

Following Mr. Chambers came Alexander Ross of 168 Smallwood avenue, who is a member of the Board of Adjustment, and other residents who live near the plant, to say that they had noticed no improvement since an edict of the board some months ago that the plant improve conditions "or else."

Mayor William H. Williams was provoked by remarks of Mr. Ross, who said residents near the plant would appear at the regular board meeting with an "official" complaint.

"Vicious lies" is how the Mayor termed rumors that he and other members of the board had not acted to stop the alleged noise and odors. He added "the board has worked hard to eliminate these conditions in the plant. I have visited the place on two occasions in the last week. Now I hear reports that members of the commission and I have received money from the company. They are nothing but vicious lies."

"If you were Mayor what would you do?" Mayor Williams asked.

Ross admitted he didn't know.

"All I know is that the State Department of Health says it's up to the Mayor to act," he said.

"If this board is convinced," the Mayor added, "that, after experts have been consulted, nothing can be done, then there is only one thing to do. But it must be remembered this plant represents ratables and employment."

The commission, at the invitation of Mr. Chambers, inspected the plant Tuesday night, when all new mechanisms were in operation.

When another resident complained about the noise and odors emanating from the plant the Mayor invited the group to serve as a committee to investigate conditions.

Nightly Visit

"You fellows are appointed as a committee to inspect conditions every night this week—and I'll be with you," he said.

GIRL SCOUT NEWS

The Girl Scout Council met at its headquarters last Thursday evening. Mrs. F. J. Ackerman, newly elected commissioner, presided, and Mrs. Stanley Gibson assumed her new duties as secretary of the council. A letter of resignation as treasurer was read from Mrs. William Cornish, who has served the council in that office for the last five years. Her resignation was regretfully accepted. Mrs. Leroy Long was elected to fill Mrs. Cornish's place. During the twelve years the council has been in existence it has had only three treasurers. These three are all charter members and are still serving the girls of Belleville. They are Mrs. William Engleman, Mrs. Cornish and Mrs. Long.

Commissioner Ackerman appointed the new committees as follows: Finance, Ernest Alden, chairman; Mrs. Long, Mrs. Cornish; camp, Mrs. Long, chairman; Mrs. Walter Warrick, chairman of day camping; Mrs. Cornish, Mr. Bertl; badges and awards, Mrs. Gibson, Mrs. H. B. Thompson, Mrs. Hack; training and personnel, Mrs. Elmer Hyde, chairman; Mrs. Adams, Mrs. Engleman, Mrs. Whidden; publicity, Mrs. M. T. Holden, chairman; Mrs. Adams, Mrs. Engleman; program, Mrs. Warrick, chairman; Mrs. Dixon and Mrs. Thompson. Mrs. Benjamin Manley, president of the Mothers Club, was welcomed as a new member.

The swimming classes started Tuesday, with Mr. Hosk of the high school faculty as instructor. The classes are held at the pool in the Friendly Community House in Silver Lake. Those attending the class were Ethel Plase, Ruth Wood, Mildred Roviello, Jane Buchanan, Frances Duffy, Janet Bauris, Catherine Leuine, Margaret Hunkeler, Claire Veriau, Marie Wrayback, Muriel McCarthy, Jane Walsifer, Irene Brodeur, Eileen Dillon, Ruth Dacey, Catherine Cox, Helen O'Reilly, Eleanor McGuire, Kathleen Ryan, Viola Sokall, Mrs. S. Gibson and Mrs. Holden.

The Mothers' Club will go on a day's bus trip to Camp O-At-Kt in Central Valley on Wednesday. There will be cooking out-of-doors, swimming and hiking. Mrs. Benjamin Manley, president, will welcome any friends who would like to join this group.

Troop No. 13 entertained the mothers and officers of the Girl Scout Council at a tea in honor of Mother's Day. The room was decorated with a Maypole, garlanded with gaily colored streamers stretching to all parts of the room, with an old-fashioned garden bouquet of candy attached to each streamer. Recitations, songs and dances were presented by members of the troop. Refreshments were served. At the close of the afternoon the guests danced around the Maypole, with Mrs. Raymond Dixon and Commissioner Ackerman acting as queen and king.

Epworth League Takes Trip to Bygone Era Features of Entertainment Depicted Memories Of Gay 90's

A very entertaining evening was sponsored by the Epworth League of the Wesley M. E. Church last Friday. The enterprise was "Memories of the Gay Nineties," and there is no doubt that it was worthy of its name.

Features presented were "A Nickelodeon Piano Prelude (Hot Ivories)," "Ladies, Kindly Remove Your Hats," illustrated with slides of that era; "The Kiss Scene," with May Irwin and John Rice; "The Gas Buggies," "The Great Train Robbery," (the first Western ever filmed. Scenes for this picture were filmed in Essex County park in 1900).

John Bunny, the screen's first comedian; "The Adventurer," starring Charles Chaplin; colored "Coming Attraction" slides; "Bashful Willie," with the immortal Will Rogers; "Our Gang," with the original gang, and "The Harem Knights," with Ben Turpin.

The audience reacted to every reel in a manner typical of the moviegoer of the silent era.

Leaders Training Course

At last evening's session of the Scout Leaders' training course a demonstration of a troop committee meeting was given by the members. Harvey W. Maden, assistant executive of the Robert Treat Council, spoke on "Troop and Council Records" and the "Use of National Council Forms." A talk on "Uniforms and Insignia" and "Advancement" was given by Frank Chambers, chairman of troop committee, Troop 92.

The course, which is open to all men and boys over 18, is being held each Thursday evening at the Washington avenue firehouse. The last indoor session will be held next week, but it is not too late for new members to join. At this session Claude Nixon of Troop 8, Irvington, will speak on "Troop Special Events," Harvey W. Maden on "Senior Scouting," Charles P. Gebhardt, scout commissioner of the Robert Treat Council, on "District and Neighborhood Commissioners" and Don W. Moyer, chief executive of Robert Treat Council, on "Your Local Council Office."

It is planned to have a week-end trip to Camp Mohican the second week in June for those who have attended the course and any other men and older boys of Belleville who care to go. Kindly communicate with Harvey W. Mumford, scribe, 10 Oak street, Belleville 2-2043M.

WITH the VETS

By GEORGE H. WESTON

Private George A. Younginger Post, V. F. W., held its regular meeting Monday evening at Veterans' Hall. Reports were received from the entertainment, Memorial Day and poppy committees. The entertainment committee announced that the regular bi-monthly parties would be held throughout the summer months.

A Mother's Day program was given by several members of the Ladies' Auxiliary at the meeting Monday evening. The auxiliary will join with the post in conducting the poppy sale.

The Youngster Junior Naval Patrol will meet this evening at the hall. Increased interest in the work of the troop has been shown by an increased attendance on drill nights. At the meeting last Friday eight boys were admitted to membership.

A "tick-tack-toe" party will be given Monday evening at Veterans' Hall. William Hood will be in charge of the entertainment.

Fewsmith Church

Sunday, 9:45 A. M., church school; 11 A. M., public worship. Dr. Close will preach on "Let Us Learn How to Live," 8 P. M., young people's meeting.

Tuesday, 8 P. M., flower show at the church. Mr. Begerow will talk on flowers.

Wednesday, 8:30 and 7 P. M., meetings of the girls' clubs.

Thursday, 4, 7 and 8 P. M., boys' clubs meet.

Monday, May 24, 8:30 P. M., the Clara May fashion show will be presented by the Fellowship Circle.

Wednesday, May 26, 12 to 1:30, guild group penny luncheon.

Woman's Club NOTES

Monday, May 17, has been selected by the Woman's Club as the date for its annual May breakfast, closing affair of the club's year. The breakfast, which will take place in the clubhouse, 51 Rossmore place, at 12 noon, will be followed by reports on activities of the Federation spring convention brought back from Atlantic City by the various delegates. Mrs. Lloyd C. Nunn, president, will announce the following chairmen for the coming year: Mrs. Winfield H. Stone, music; Mrs. William P. Adams, program; Mrs. William D. Cornish, art; Mrs. Allan Crisp, drama; Mrs. De Ruse S. Tillou, literature; Mrs. Leslie Woodruff, hospitality; Mrs. May Trumbull Powers, international relations; Mrs. Norman H. Cooper, garden; Mrs. Alfred W. Treche, food sales; Mrs. Herbert V. Hardman, sunshine; Mrs. Laury G. Stem, publicity; Mrs. Harry B. Morton, New Jersey Club Woman, and Mrs. Willard Y. Strange, card parties.

Mrs. Edgar M. Compton, entertainment chairman, will contribute to the program by the reading of a monolog. Miss Carol Carswell, clarinet soloist, Bellville, and Ronald Hedges, pianist, Montclair, will be guest artists. The club choir, under the chairmanship of Mrs. Stone, will render the following selections: "The Snow," by Edgar; "Oh Can Ye Sew Cushions?" Scottish, and "The Spinning Song," Brown. The guest of honor will be Mrs. George H. Casebolt, eighth district vice president of the New Jersey State Federation.

The breakfast has been arranged by Mrs. Frank Dorman, hospitality chairman, and these members of her committee: Mrs. Norman H. Cooper, Mrs. Dudley Drake, Mrs. H. Lester Hamilton, Mrs. John J. Hewitt, Mrs. Charles H. Hoover, Mrs. Charles H. Kelly, Mrs. Joseph Kilpatrick, Mrs. Joseph King, Mrs. Helen F. Moore, Mrs. Birdsell S. Rowland, Mrs. Robert L. Stephens, Mrs. Thomas C. Steward, Mrs. Tillou and Mrs. Howard Virtue.

The sixth, seventh and eighth district program conference will be held in Belleville this year at the clubhouse on Thursday, May 20, and hospitality will be extended by members of this club to all guests attending.

Twenty members have already enrolled in the class in public speaking now being organized to start September 21, under the directorship of Harry B. Morton, president of The Today Club of Effective Expression, New York. The course will run twelve weeks and is a new activity in the club.

Winners at the card party held Monday in the clubhouse were Mrs. E. A. Abramson, Mrs. C. Schmidt, Mrs. John Gibson, Mrs. Fred Idenden, Mrs. William V. Irvine, Miss Florence Blauvelt and Miss Esther Adams. Mrs. Elmer S. Hyde was the winner of the dark horse award. Mrs. George Caden was chairman of this affair.

Protests

Eagles Defeated Twice In Sunday Games

Musketeers and Trojans Lower Colors of Locals

The Belleville Eagles lost two games Sunday. In the morning contest the Musketeers A. A. won 6-4, while in the afternoon contest the Watessing Trojans trounced the Eagles, 12-6.

After the Musketeers A. A. scored a run in the first inning the Eagles tied it up with a single, a sacrifice and an error. In the second inning the visitors scored two on an error, walk, and two hits. The Eagles picked up a run in the second on Caruso's walk and Damadio's long double to center.

In the third the Musketeers picked up another run making the score, 4-2. Trailing 4-2 going into the last of the fourth, Costello sent a looping single to center, stole second and scored on Damadio's second hit of the game, a single to left.

The Musketeers broke through with another run in the seventh on a hit batsman, sacrifice and a single. They also scored another in the ninth.

Going into the last of the ninth the Eagles trailing, 6-3, Caruso tripled to left and scored on an infield out. But this was all the home boys could do as Goglia grounded out and MacGregor struck out ending the game.

The afternoon tilt saw the Eagles crushed. Faulty fielding led to the downfall of Bracaglia, who was going along smoothly until the fourth inning, when the Trojans scored nine times.

The Eagles outthrew the Trojans 13-11 with Bosiak getting four for four, including two doubles; Costello getting three, and Gonnello two. Costello, Caruso, and Bosiak played well.

Pit Gino Garibaldi Against Joe Dusek

Larrupin' Latin Scheduled Tonight At Columbia Park

Joe Dusek, youngest member of the famous riot squad of wrestling, will see action in the feature one fall, ninety minute time limit test at Ralph Mondt's Columbia Park, North Bergen Club, tonight. This bout should strike the fancy of the fans. Last week Dusek ran rough shod over Ed Meske, Ohio State champion, while the previous week Gino scored over George K. O. Koverly, Hollywood howitzer.

A sterling set of four half hour preliminaries will support the feature go. The contestants in these events will be Irish Jack Donovan and Marshall Blackstock; Mike Mazurki and Big Jim Wright; George Manich and Pete Peterson, and Bob Managoff and Les Ryan.

Prices of admission will revert back to the original popular fees.

Bears Appear Home On Next Friday To Battle Maple Leafs In Four-Game Series Ending Thursday

Manager Oscar Vitt and his hustling Bears have one more full stop to make in their northern invasion before they head for home and Ruppert Stadium. They are due home next Friday to begin a two game series with the Baltimore Orioles. The Bruins wind up their four game series with the Buffalo Bisons, Sunday at Buffalo and then move on to Toronto to battle the Maple Leafs for four more games. In the meantime, Manager Dan Howley expects to have additional help from the majors and will toss his new players into action against the Bruins. So far this season the Leafs have furnished the surprise, for they were tabbed as a weak outfit, incidentally they want to wipe out that 23-15-1 defeat the Bears slipped them two weeks ago.

Newark officials, however, are not asleep in getting help for the Bears. Last week they obtained infielder Ellisworth "Babe" Dahlgren and pitcher Walter Brown from the Yankees on option. Dahlgren played first base last year for the Syracuse Chiefs and batted .318. He will be used in the infield, but not at first. He was purchased by the Yankees this year when Lou Gehrig was a holdout. In the meantime, Manager Joe McCarthy has used him at short, third and second in practice. Dahlgren when he first started playing baseball was a third baseman. What position he will be assigned to has not yet been definitely decided. He is a better hitter than Merrill May, Nolen Richardson and Joe Gordon. It is almost certain one of the three may be sent to some other club, or Frank Kelleher, now the third baseman, may move to some other club in the Yankee chain. At present the Bears have a wealth of high class infielders.

The acquisition of Big Walter Brown, gives the Bruins, about the best balanced pitching staff in the league. Other experienced hurlers on the team are Steve Sundra, Al Piechota, Vito Tamulis, Cecil Spittler and Jack LaRocca. In addition, the Bears also have Atley Donald, Joe Beggs, Bill Yocke, John Fallon and Marius Russo, all who have earmarks of being just about ready for International League company. Brown is no stranger to Newark followers for he was with the Bears in 1934 and was the ace of the staff and the best pitcher in the loop. That year he won 20 games and lost 6 and it was his great arm that kept the Bears out in front. With Brown displaying the form he is capable of, the Bears should win a lot of games for him, as they are considered the most powerful team on the offense in the league.

A week from Sunday, the Bears will go to Jersey City for their first encounter with the Jersey City Giants. The Giants are making the debut in the loop after an absence of several years. In the meantime, the Jerseys are being strengthened for the old natural rivalry between the two cities still exists. Indications are the record attendance on that day will be smashed with many Newarkers in the stands.

Triangles Defeat Gassert Royals, 6-3

Tony Paul Fans 14 As He Twirls In Super Form

The Belleville Triangles traveled to Harrison over the week-end to defeat the Gassert Royals, 6-3. Tony Paul, in super form, struck out fourteen Royals and allowed only four hits. The Triangles collected eight hits, one of which was a home run drive by Emmet Ryder in the fifth inning with two on base to give the Triangles a lead of 6-1.

The Triangles have strengthened their team by the services of Bill Parmer, local high school slugger and twirler, and the help of Angelo Cappi. The line-up:

Harry White Stars As Blue And Gold

Tracksters Upset Newark East Side

Bell Boys Show Fine Form in Dual Meet in Newark, Winning by a Lop-Sided Score

Harry White of 130 Overlook avenue was the outstanding performer in Belleville High's victory over East Side High of Newark in a track and field meet last Friday at Newark by the lopsided score of 70 1/2 to 28 1/2.

White sprinted the 100-yard dash to win in the low time of 10.3 seconds. He needed to win the 220-yard dash in 24.6 seconds. Also, he placed second in the javelin throw to add to the total of thirteen points which he scored.

Robert Cook, Joseph Caskey and Jim Hardaway were tied for second place in point scoring with eight points each.

Cook won the 440-yard dash in 55 seconds and placed second in the 220. Caskey won the shot put with a throw of 43 feet and placed second in the discus. Hardaway threw the discus 103 feet to win that event, and placed second in the shot put.

Edward Hollweg Jr., whose father was quite an athlete in his youth, took second place in both the 880-yard run and the broad jump. Hollweg jumped 18 feet in the latter event.

Frank Brown ran the 880-yard run in 2 minutes and fifteen seconds to win with ease. Vincent Nucci was third. Daniel Wasco jumped five feet, three inches, to win the high jump and Bill Engelmann placed second.

Elmer Gibbs placed second in the 440 and Robert Wertz, of football fame, was third.

In the mile run and the pole vault, East Side athletes placed first. Dominick Vuconne placed second in the mile in five minutes and ten seconds and Robert Hagemann was third. In the pole vault Victor Breugman took second place with a jump of 8 feet 10 inches. The latter also was tied for third place with an East Side man in the broad jump.

Louis Titano won the javelin throw with a very good distance of 125 feet.

Good Counsel Breaks Streak of Bell Boys

Newarks Pulled Surprise Win At Clearman Field, 9-3

Good Counsel High balltossers pulled a surprise win over the Belleville High team last Friday at Clearman Field by the score of 9-3.

Whether by accident or intent the first three batters to face Bill Parmer, Bellboy hurler, went down in nine pitched balls. This seemed to imbue the locals with over confidence for they refused to play "heads up" baseball from then on.

In the fourth inning Good Counsel failed to score with three men on base when Parmer struck out the next man. The same situation occurred in the fifth inning and this time Bus Gausepohl
