Police Not Scored at School Meeting Says Ruel E. Daniels, Business Manager

**Authorities Learn of Theft of Thirty-six Sweaters
Belonging to Band From High School
Locker Room**

School Business Manager Ruel E. Daniels has announced there was no intention on his part to criticize the Police Department Monday night at the Board of Education meeting at which report was made of the theft of thirty-six band sweaters from the locker room in the high school.

What actually transpired was that Mr. Daniels, when queried as to whether the theft had been reported to the authorities, said it had "a day after the sweaters were missed" and, because of meagre information having been given the police, no report had been made back to the school authorities.

The sweaters disappeared sometime between December 3 and 7, a week-end, it was reported by Superintendent of Schools Wayne R. Farmer.

It developed that two days following the theft two boys, one who had left school and is now on probation, were seen by a janitor in the school building at night. The janitor chased the boys but could not catch them. He, however, recognized one and the police queried the youth but let him go after the quiz.

Principal Hugh D. Kittle of the high school said that the locker door had been left open and there was no evidence the lock had been tampered with. He pointed out there are several keys for the room, one of which hangs on a board in his office, and a master key. He said it would take one-half hour for anyone to find the right key on the board because "that is about the time it takes us to find one."

"With keys all over the lots we can't place the responsibility," said School Commissioner Herbert C. Schmutz, on whose recommendation all keys, except the one in possession of Mr. Kittle, will be taken up.

Some of the sweaters were gold and the others blue. All had the school "B." One sweater was found in Holmes street near the school with the letter ripped off.

Another Inventory
Although the board has just completed a WPA project the matter of inventory, the Town Commission will be permitted, as a part of its project, to list all personal property to cover the ground again in the schools, provided the WPA's do not "loll around the buildings or use them for headquarters," or make use of any equipment of the schools.

President John P. Dailey said that doing over the work would be duplication, but it would serve to keep the relief rolls smaller.

The teachers were denied yesterday afternoon off because no provision had been made when the school calendar was prepared.

The high school cafeteria showed a profit of \$158.32 in November, it was reported by Mr. Dailey.

Casting the deciding vote, Mr. Dailey paved the way for a cooking demonstration to be held the after-

noon of January 17 in School No. 10 by the Home and School Association. Tickets will be sold for the affair which is sponsored by a "fat" concern.

Mr. Schmutz said that granting the permission would set a precedent which would allow other firms to indirectly advertise their wares through use of school buildings. School Commissioner Walter Gilby moved that permission be given. His motion went without a second until Commissioner Charles Gebhardt said he would second it to get it before the board. Mr. Gebhardt voted against the measure with Mr. Schmutz. Mrs. Mary Sheldon and Mr. Gilby voted to grant the demonstration.

Mrs. Ethelyn Murphy of Newark was named to teach special classes at a salary of \$1,700. The position requires special qualifications, as the teacher conducts tests to determine the eligibility of children for the special classes. The first class will start February 1.

Miss Ruth Williamson, who has been a substitute teacher, was named a regular at \$1,200 a year. School physicians and nurses will determine how many children need milk, and are unable to purchase it. If the need is found to be great, the board may distribute free milk to underprivileged pupils.

School Budget to Finance Department Amount To Be Raised Locally Will Go Up About \$30,000

The Board of Education has tentatively prepared its budget for the school year 1938-39, which will be discussed with Mayor William H. Williams, director of the Department of Revenue and Finance, Monday night. The budget, on reliable information, will be close to \$30,000 more than last year. This will be from the standpoint of the amount to be raised by taxation, while the actual budget will show an increase of about \$5,000. Last year unexpended balances kept the amount to be raised locally at a low figure.

Lost—Groceries!

"Who took my groceries?" was the plaint of Mrs. J. R. Wigger, 346 Greylock parkway, when she discovered \$4 worth of groceries missing.

Mrs. Wigger left the groceries in her car in the driveway of her house, between 8 to 9 P. M., Sunday.

"Streamlining" Is An Old Story Says Fire Chief "Alec" Reid Reminiscing

"You talk about streamlining, why there is nothing new in that. The old electric 'horseless carriages' had streamline parts similar to the air-flow fronts of today."

Thus asserted Fire Chief R. A. Reid when caught in a reminiscence mood at his home one night this week. "As to 'gas buggies,'" he continued, "the first automobile used in this town was owned by the Dunlap Tire Company, Cortlandt street, near Jorammon street. I can't remember what make that was."

"A lot of old timers will remember Edward Tompkins, owner of the buckle making factory in Main street, who drove a 'one lugger' through the town at the breakneck speed of ten miles per hour about 1903."

"Then there was Dr. John F. Condon, a former Bellevilleite, who now lives at 686 Mt. Prospect avenue, Newark, who steered a 'side-winder' with a pipe for a steering wheel about 1904."

"Dr. Condon preceded the late Dr. Edward O. Cyphers about a year in the possession of a gas buggy but Dr. Cyphers' had the added features of a 'steering wheel' and a door in the rear. His car was a one cylinder Cadillac, while Dr. Condon had a one cylinder Oldsmobile."

"Dr. Condon must not be confused with 'Jaisie' of the Lindbergh trial fame, despite the fact that their names are the same."

"A one cylinder 'Brush' was owned by a chap named McCullough, who lived in Cortlandt street near Little street, but that was some time after Dr. Condon and Dr. Cyphers had their cars."

One of First Fire Engines

"The Belleville Fire Department was one of the first companies in suburban Essex to buy a fire engine,

gasoline propelled. The truck fire engine was purchased from the American La France people in 1914.

"I myself owned a 'one lugger' Oldsmobile about 1906 and Harvey

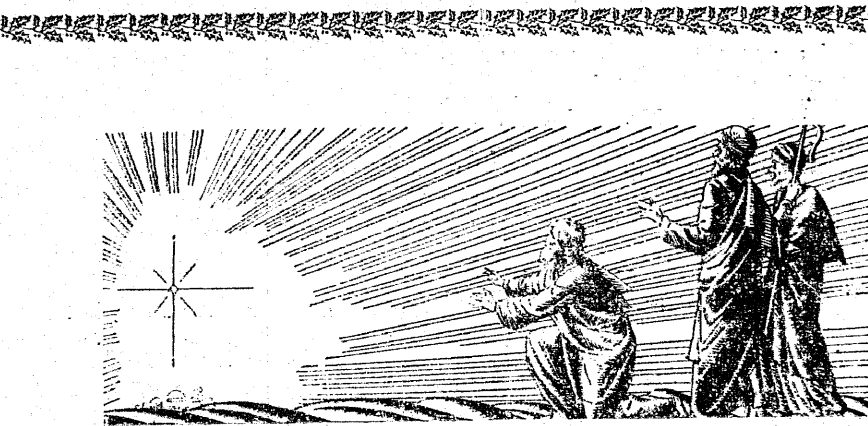

"Alec" Reid

Ziegler and I used to have great sport traveling around the town in it.

"Jitneys, which derived their name from the Italian word meaning five, came into being about 1911 when anyone with a car would make a taxi service out of their automobile, carrying many Belleville people from North Newark down to the city center for five cents."

A resident of this town, John Ploch, 103 De Witt avenue, has a 1914 Ford touring car, which he keeps under cover, hoping that it may prove valuable in time.

To the clearing in the valley, on a cold December night,
Comes a Christmas benediction from a little church of white,
It floats out o'er the tree tops and like an unseen hand
It scatters some of heaven's peace upon this lowly land.

The organ strikes an old refrain and choir voices ring,
From distant hills an echo comes—Hark! the herald angels sing.
Through all the joy of holy night the valley thrills—and then—
Lo! The dawn of Christmas comes and

Four Homes Entered With Families Away

**Cash and Jewelry Taken
From Northern End
Of Town**

Four burglaries were committed Sunday night in the neighborhood of the northern end of Adelaide and Forest streets, while the families were out.

The home of Julius Ramig, 109 Adelaide street, was robbed in the amount of \$120 in cash, an L. C. Smith award of a breast pin and a one-half karat diamond ring.

From William P. Stanley's home, 150 Adelaide street, jewelry valued at \$60 and \$4 cash were taken.

At E. C. Cupo's, 44 Preston street, after gaining entrance, by jimmying a window off the front porch, a thief took a platinum lady's bar pin, with a three-quarter karat diamond, valued at \$300 and \$60 in cash.

At Warren H. Kimble's, 125 Forest street, entrance was made by breaking the glass in the front door and unlatching it. A yellow gold Old Guard Prudential twenty-five year service pin, with twenty-five diamonds inset, a man's open-face gold watch, valued at \$65 and cash amounting to \$35, were taken. Detectives Eddie Fletcher and James Lee are investigating.

Max Kraus Offers Bargains in Liquor

Max Kraus, proprietor of the Kraus Liquor Shop, 562 Union avenue, is a man of ideas.

He had an idea that the people of Belleville would rather buy their liquor refreshments from his liquor store if they could purchase the same at prices commensurate with sales of downtown liquor markets.

Therefore, he made drastic reductions in nearly all his bottled goods and is advertising largely in this paper today in order to present to patrons all over Essex County, a sale that will be profitable to consumers.

Frischia Worries About Way to Handle Eels

Leonard Frischia of the Atlantic Sea Food Market, 478 Washington avenue, has the problem on his mind as to the best way to handle smooth, slippery, squirming eels swimming in a tank of water.

He is looking for expert advice to tell him the most facile manner of picking up the eels, a shipment of which arrived yesterday.

"It's funny about eels," he said yesterday afternoon in his store, "people dislike handling them when they are alive, but give the eels to them dead, just off the frying pan in which they have been fried in rich olive oil, and the self-same people will go for them like a mouse after cheese."

Lights Out

With pistols drawn, Officers Ray Demgard and Fred Singer, guarded the vault of the First National Bank Saturday, when a temporary cessation of the power caused the lights to go out in the bank.

Officers Demgard and Singer stood on duty about fifteen minutes while a Public Service worker repaired the trouble.

Chivalry Lives

The spirit of chivalry and honesty is not dead!

Two WPA workers, Henry Singer, 35 Cortland street, and John "Smoky" May, 34 Union avenue, Sunday, found a purse containing \$26 belonging to Miss Katherine Werner, daughter of Sergeant and Mrs. Emil Werner, 81 William street, Nutley, who is a nurse in St. Michael's Hospital.

In the purse were also Miss Werner's driver's license and owner's card.

The finders turned over the purse, which they found in front of the First National Bank, to the police, who in turn, gave the pocketbook to Miss Werner, who was deeply grateful for its recovery, liberally rewarding the finders.

Expect Large Crowd At Mayor's Party

**Townpeople Are Assisting
To Give 3,000 Kiddies
A Good Time**

The committee in charge of arrangements for the fourth annual Mayor Williams' Christmas kiddies' party, to be held at the Capitol Theatre on Thursday morning, December 30, of which Judge Everett B. Smith is chairman and Mrs. William V. Irvine, treasurer, have received a wonderful response to their plea to local merchants, manufacturers and citizens to assist in making this affair a happy one for the kiddies.

Candies, toys and articles of all kinds have been received for distribution but more are needed. Any one desiring to make a donation may get in touch with the Mayor, his committee, or his assistants in the Department of Revenue and Finance by card or telephone and some one will call to pick up your donation.

Tickets for the affair have been distributed through local schools for all children from the fourth to eighth grades inclusive, through the cooperation of Superintendent of Schools Wayne R. Farmer.

Two shows will be held in order that 3,000 youngsters may be accommodated. Manager Ben Wesner have perfected an organization to take care of two capacity houses.

As in previous years, Commissioner Joseph King has made arrangements to have nurses at the theatre during both performances to insure the safety of the youngsters.

Public Safety Director, George R. Gerard, has been requested to assign policemen and firemen to aid in taking care of the many children who will attend.

Many other citizens and town officials have also volunteered their services and will be on hand to aid in making the party a success.

As in past years, Mayor Williams' personal gifts will be two pedigreed puppies with licenses Nos. 1 and 2. The happy youngsters who received the puppies at one of the former parties will surely be on hand to vie with their companions for these awards.

Mayor Williams would like to make this party the best ever and asks that any citizen, with the happiness of the youngsters in mind, assist him.

It's not too late, Christmas Gifts, Novelties, Cigars, Candies and Toys. ARMSTRONG'S Union Ave. and Jorammon Street

Boy Killed Here By Fall of Flower Pot

**Heavy Gate Ornament
Causes Injuries Fatal
To Joseph Avalone**

Tragedy stalked in Eugene place Monday, when ten-year-old Joseph Avalone was killed, his chest being crushed by a forty-seven pound make-shift flower pot, which accidentally fell on him.

At about 5:15 o'clock, while swinging on a picket gate in front of the home of John Pesci, 38 Eugene place, Joseph, who lived at 47 Eugene place, lost his balance and fell on his back on the sidewalk.

To stay his fall he grabbed at the flower pot, but the pot came loose and landed on his chest.

The boy screamed and Giuseppe Pettilio, uncle of the boy, hearing the call, picked up the boy and rushed him to Columbus Hospital, Newark.

A few minutes after their arrival Joseph was pronounced dead by Dr. Nicholas Alfano.

The boy's father, a CCC worker at New Gretna, was notified by teletype, and came home Monday night. The mother is dead.

Ambulance Proves Its Worth Here

**Commissioner W. D. Clark
Deserves Credit for
A Good Job**

The town ambulance, the purchase of which was sponsored by Commissioner William D. Clark, has reached approximately the 1,000 mark as regards the number of calls that have been made by it, since its introduction as a town vehicle, August, 1935.

The ambulance was bought at a cost of \$2,400, the price of which was raised by the distribution of tickets throughout the town.

The identical ambulance cost Essex County Isolation Hospital, \$3,600. Fred Handlon and Eddie O'Connor, flew by airplane to Piquette, Ohio, and drove the vehicle to Belleville.

Eugene T. Berry, health officer, was the fourth member of the committee, which secured the ambulance. Much credit must go to the fire headquarters company, for the remarkable work in keeping the ambulance clean and in good condition at all times.

Except for one accident, repairs to the ambulance have not amounted over \$100. Operating costs amount to about \$400 a year.

Police Investigate Stolen Car In Palisades Park As Possible Murder Link

**Passengers Who Rode With Driver on Fatal Trip are
Requested to Come Forward to
Assist**

Tracing every possible clue to find out who murdered a bus driver in Main street near William Tuesday night, Prosecutor's detectives and local police shortly before midnight last night hurried to Palisades Park on a tip that a stolen car was found abandoned there shortly after the murder.

A check disclosed that, while the car fitted the description given police, it did not seem plausible that it could have been driven from here to Palisades Park between 9:32 P. M. when the murder occurred and 9:40 when it was found.

Interesting events leading up to the abandonment of the car in Palisades Park seem to bear out this contention. A garage owner along Route 2 near Teterboro first encountered the stolen machine when its driver stopped at the garage, saying he had stalled his car a short way up the road. Depositing \$10 he was given small tools by the garage man to repair the car. In a few minutes the driver returned with the tools, lugging Passaic County license plates under one of his arms. He was given back his money and drove off, abandoning the car in Palisades Park.

Detective Edward Fletcher and Prosecutor's detectives Ben Schaeffer, Bart Freeman and John Madison, in-

gerprint expert from Sheriff McRell's office, investigated with several reporters. Madison failed to find any fingerprints, a survey of the car dis-

William Barhorst

losing it had been washed just prior to abandonment. It was reported stolen about two weeks ago in New York City from Dr. Richard J. O'Connell, 179 East 79th street, Police Chief David W. Bell, of Palisades Park, informed this newspaper, which had reporters on the scene.

Conflicting stories of the description of the car involved are giving police a difficult job to run down the murderer. It is a firm belief of all who are investigating that a car played a part in the murder. A prominent Belleville manufacturer, whose name is withheld for obvious reasons, has offered a description. One description has the car as "dark" while two persons aver it was a green colored one.

The murdered man was William Barhorst, 34 Tetova, who was killed by a bullet while operating a Rutherford-North Newark independent line bus. Barhorst was robbed of his change maker which had been stripped from his body. It contained about \$4.

A Lyndhurst woman, who alighted from the bus near the Lyndhurst-North Arlington line, told police yesterday that when she left there was no one left on the bus but Barhorst. Twenty-six fares had been rung up in the trip, but riders have been slow in coming forward to aid the authorities, who are seeking to unravel the mystery slaying.

A check-up by Essex prosecutor's men who questioned riders on the 9:05 bus Wednesday night, which was the time Barhorst left Rutherford Tuesday, failed to disclose anyone who had made the trip the night before. Further checks of riders on the buses have been made.

Christmas Spirit Pervades Belleville As Santa Prepares His Visit Here

**First National Bank All Dolled Up In Holiday Attire,
As Is Next Door Neighbor,
Municipal Building**

Christmas time is here at last and all are joyful now. Belleville is in holiday mood and attire for Santa's tumble down chimneys this evening.

Gaily decorated for the season, the First National Bank spreads cheer to all who pass its portals or enter the banking institution at Washington and Belleville avenues.

Wilbur C. Brooks, executive vice-president, was in charge of the decorations, which were festooned throughout the interior of the banking house and cover its front entrance. A Christmas tree has been placed above the front entrance with ornamental decorations covering the building. Christopher Hansen, assisted by Public Service engineers, made the job resplendent in its green, red and blue setting.

Opposite the bank the Town Hall has also been decorated in keeping with the Christmas and New Year season.

Santa Here.

The first real Santa Claus to appear on Belleville streets, took up his position Wednesday in front of the Star Furniture Company store, Washington and Division avenues, tinkling his bell merrily at passersby.

Westinghouse Lamp Works offers a cheery view with its excellent decorations.

Don't forget that Victor Hart, JEWELER, sells Diamonds, Watches and Jewelry on the Easy Payment Plan, 457 Washington avenue, corner Tappan avenue, Belleville, N. J.

Open Furniture Store At Division Avenue

The Star Furniture Company, of which Jack S. Greenock, 82 Williamson avenue, Bloomfield, is owner, has opened a new store at 444 Washington avenue, corner of Division.

The garage in the back of the new store will be used as a warehouse for dealers interested in buying furniture.

The name "Star Furniture Company" has appeared over a furniture store in Newark and Bloomfield the past twenty-three years, the Morris Greenock having owned the company prior to his son's taking over the business.

The company has carried on the furniture business for six years in Bloomfield, at 566 Bloomfield avenue. A Christmas sale is now in progress, featuring Simmons beds and Bendix home laundry washing machines.

Irving Green of Newark, is manager of the local store.

Season's Greetings from Michael's Barber Shop, 307 Union Ave., Town.

Stratton Piano Recital Held

The mid-season piano recital and Christmas party was held at the Stratton Studios on Monday evening. The program opened with "Silent Night," played by Helen Juras, with the class singing.

All students performed very well, and showed much interest in their work, which consists of a good technical background, as well as good form of rhythm. The young students, some having studied a short length of time, performed with much tonal quality and expression.

Mary Cataldi gave a very fine interpretation of a Beethoven Sonata.

Miss Juras pleased the audience with a caprice called "Dainty Step." Lois Goldschmitt gave a pleasing interpretation of "Traumerei," by Schuman.

Richard Peterson and Lorraine Stratton, who are the younger students, played duets, accompanied by Miss Stratton.

Mildred Lothes and Ruth Shamon surprised the audience with their renditions, as they had only studied about three months, and played with good finger dexterity and rhythm, for such new students.

Others who performed are Virginia Strauss, Mrs. Zadigian, Beatrice Mullin, Alma Goldschmitt, Barbara Perkins, Betty Gruman, Mary Lou Brabban, Helen Hurley and Virginia Young.

Students who did not perform in the mid-season program will be heard in spring recital.

To the People of Belleville

The Garden State Lines, on February 24, 1937, applied for and was granted permission by the Commissioners of the Town of Belleville to operate a bus line from Belleville through Nutley to Bloomfield.

Since that time the Garden State Lines applied to the Public Utility Commission to approve the local consents and after numerous hearings, at which considerable testimony was taken, the case was finally closed and we are now waiting a decision of that Board.

On Tuesday, December 14, 1937, a number of citizens applied to the Commissioners of Belleville for the purpose of revoking the consent already given by the Commissioners on February 24, 1937.

At the present time there is no direct service over the proposed route of the Garden State Lines to Nutley and Bloomfield. The route in Belleville is as follows: Starting at the Newark City Line and Washington Avenue the bus will proceed along Washington Avenue to Belleville Avenue, to Hornblower Avenue, to Division Avenue, to Linden Avenue, to Greylock Avenue, to Passaic Avenue and thence through Nutley to the Brookdale section of Bloomfield. The fare over the entire route to be five cents.

The type of bus to be used is a 21 passenger semi-deluxe type. The service to be rendered will be a 15-minute headway during the rush hour period and a half-hour headway during the rest of the day. This service to be increased when needed.

It is proposed to accept passengers in Belleville along Passaic Avenue, Greylock Avenue, Linden Avenue, Division Avenue, and Hornblower Avenue, as far as Academy Street for discharge anywhere in Belleville or along any part of its route and vice versa.

Because of the type of equipment used there can be no inconvenience to the people of Belleville by reason of any noise or traffic conditions.

The operation of these buses along the route proposed will afford a crosstown service to the people of Belleville making it possible for them to reach the downtown section of Belleville, its stores, banks, municipal building and churches. It will also afford service for the school children along this route going to and from the High School section. It will further create a community of interest between Belleville, Nutley and Bloomfield.

Because of the opposition of the Public Service Corporation the Company feels that the people of Belleville should voice their opinion in this matter and for that reason we ask the public to attend the next meeting of the Commission on Tuesday, December 28, 1937, at 8 P. M., and by their presence convince the Commissioners of the desire of the people for this service, and further the Company asks the public to sign the petition which is being circulated by it, for the purpose of obtaining the opinion of the public.

We know that a similar petition has already been started by the Public Service and if you have been informed that conditions are not as they have been stated herein we ask that you bring it to the attention of our representative, or to the attention of the Commissioners of Belleville.

The Garden State Lines has for the past ten years endeavored to serve the people of Belleville faithfully and as further evidence of its desire to continue to do so it has advised the Commission of Belleville that it will repair that portion of Greylock Avenue from Forest Street to Passaic Avenue, at its own expense and without cost to the taxpayers of Belleville.

May we count upon you for your assistance?

Boys who discovered murder

Murder

(Continued from Page One)

Funeral services for Barhorst will be held tomorrow afternoon at 2 P. M. Rev. Charles S. Hunt of Union Methodist Episcopal Church, Totowa, will officiate. There will be a police guard and members of the Volunteer Fire Department, of the place where Barhorst lived, will also conduct services.

Barhorst's body was found slumped behind the steering wheel by Marvin Selover, 19, 165 Main street, and Walter Dries, 21, 68 Mill street at about 9:35 P. M. Tuesday night. The bus was parked sixty-three south of William street in Main near the old Christ Episcopal Church Cemetery and not far from the Napier Hat factory in a dimly lighted section.

The youths told the police they were driving the spot in an automobile when they saw the bus apparently parked. According to the pair they saw someone, whether it was a man or woman has been undetermined, leap from the bus, enter a parked car and drive west in William street. It was the action of the person who left the bus that caused them to drive their machine alongside the bus where they discovered Barhorst's body. Immediately they drove to police headquarters not far away where they reported to Police Chief Spatz and Patrolman Harry Scott, who was acting desk sergeant that night.

In the town ambulance Patrolman Roy Hilton and Fireman Ted Cyphers were dispatched to the scene. They moved Barhorst, believing he had suffered a heart attack and discovered the bullet wound, in his right lung. The bullet followed a course through his heart to his back. The

driver was pronounced dead by Town Physician Herbert B. Vail, who said death was instantaneous. An autopsy by Chief Medical Examiner Martland showed the bullet from a .22 calibre revolver had been fired at close range. The body was examined at Huelsenbeck's Morgue, Newark.

Prosecutor's detectives, Freeman and Schaefer, in charge of Acting Captain Joseph Cocuzza, were notified of the killing. They questioned Dries and Selover.

After questioning the youths, police broadcast an eight-state teletype alarm for the apprehension of occupants of a 1933 green Plymouth sedan. License plates E32499 were issued for the car to Joseph McGuire of the Clinton Office Supply Co. of Newark, who reported the car stolen at 1:30 P. M. December 16 from in front of his office at 16 Clinton street.

Captain Quinn of the Newark night detective bureau suggested that McGuire's car might have been used for the holdup and murder when he learned that the youths had described the car they saw leaving the scene as a new green sedan.

Police said the holdup and murder had occurred, apparently, while the bus was still in motion. The vehicle had stopped, facing Newark, about 15 feet from the side of the four-lane concrete highway.

Police Chief Spatz declared the fact that the bus was found empty, except for Barhorst's body, could be attributed to the fact that the vehicle was near the end of its run and that few passengers were generally aboard at night.

Nicholas Sorce of 20 Irving street, Newark, a driver for the same bus company, who was making the run from Newark to Rutherford passed Barhorst's bus at Rutgers and Main

streets. He said they had waved by flashing headlights and continued on Sorce said, however, that he had noticed two men passengers in Barhorst's bus, one seated up front and the other in the rear of the vehicle.

Widow Grief Stricken
The victim's widow, Mrs. Theresa Barhorst, 36, was grief-stricken when informed of the tragedy. She said she and her husband had planned to go shopping Wednesday for Christmas presents for their two children, Ellen, 12, and William, 10, the latter having suffered infantile paralysis the last three years.

The victim's mother, Mrs. Jennie Barhorst, who was widowed by an auto accident Thanksgiving Day, was nursing a patient at 873 Broadway, a short distance from the scene of the shooting. She became hysterical when informed of the tragedy.

Her husband, Peter, the driver's father died of injuries received when he fell from a truck at the Farmers' co-operative market in Paterson.

The wife said her husband left home at 2:30 P. M. Monday in good spirits. She said he had no enemies, was very popular with his fellow workers, and had never been in any trouble. Police Chief Spatz described Barhorst as "a fine, clean-cut lad."

Barhorst had lived in Totowa fifteen years and had been married the same length of time. Before taking the position as a bus driver three years ago, he had been a vegetable huckster in Paterson. He had been active in Volunteer Fire Company No. 1 of Totowa for ten years, working up from an ordinary volunteer to captain and assistant chief.

The bus is owned by the City Service Transit Co., and runs from the Erie Railroad station in Rutherford to the Erie station in North Newark. The bus was about ten blocks from the Newark terminal when the shooting occurred.

The police are investigating activities of a Bergen County gang, it is said.

A bandit gang using a young girl about seventeen years old as a "finger man" has staged two holdups in Bergen County within the past three weeks.

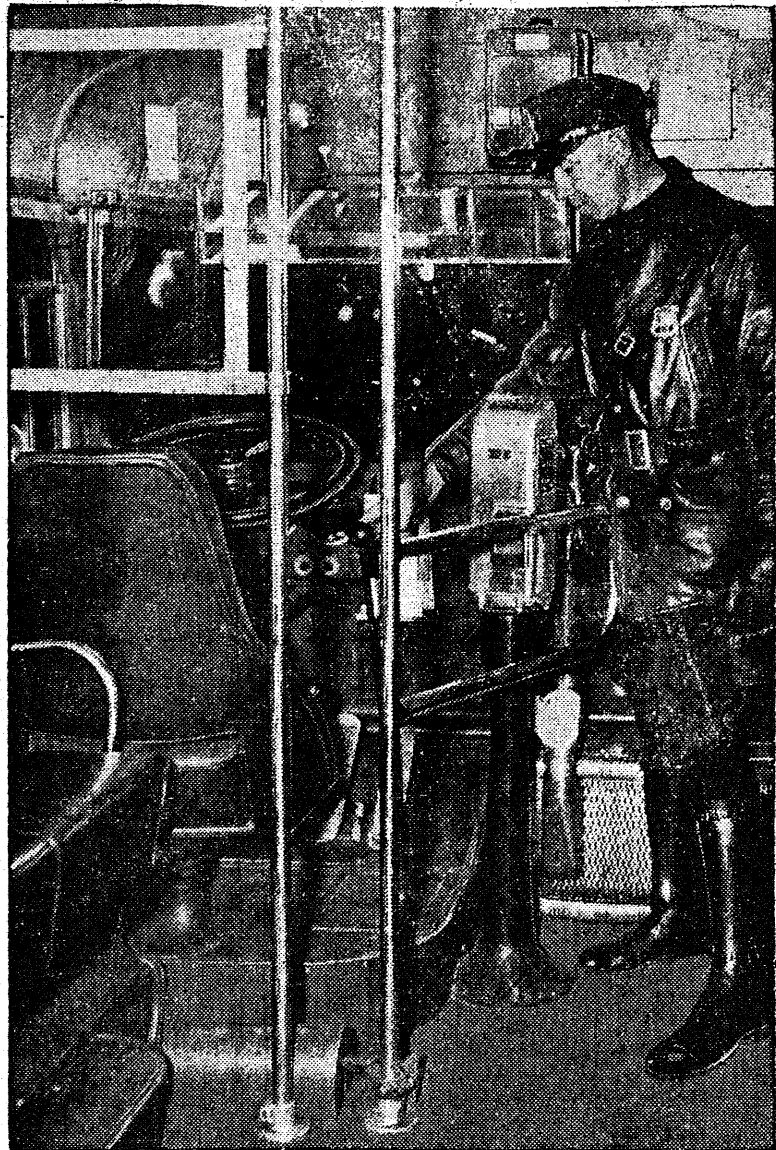

Two young men, aided by a girl, last Thursday night held up Ralph Vara, 30, of 8 Carner avenue this town, on Route 2, East Rutherford, and escaped with \$23 and his auto keys.

Vara told police that a short distance from Union avenue, a couple standing at the side of the road waved him to stop. When he halted his auto, he said, the girl asked directions to Newark.

Before Vara had a chance to reply, the youth with the girl snapped: "This is a stick-up."

Vara said he was forced into the back seat of an auto waiting nearby with another youth at the wheel. The trio robbed him, Vara said, then drove under the Erie Railroad trestle over Route 2 and told him to get out of the car.

Three weeks before a Rutherford gas station attendant was held up and robbed of \$60 by two girls. One girl remained at the wheel of an auto, while the second girl staged the robbery.

Voice of the People

Anent Overseer of the Poor.

Editor News:

Belleville should be proud of Mr. John J. Hewitt, overseer of the poor. I visited Mr. Hewitt's office last Friday and spent fully two hours with him. I found that his records are in splendid shape and that his office force is on the job every minute. His three field workers are kind and capable. The intake social worker is very conscientious and extremely courteous to all relief applicants.

I was very much surprised at the small force that he has. It proves, beyond a doubt, that a competent man can handle relief without the political influence of any politician.

I was glad to learn that Commissioner King did not play with relief money in order to build a machine for his next political campaign. Mr. Hewitt should take over the Newark office of relief now handled by Mr. Owen Malady.

How our taxpayers in Newark would welcome a man who is capable of conducting that office with the thought in mind that he is issuing the peoples' money and must insist that, if a relief client can work and refuse to do so, his check should be stopped. Of course, he realizes that the women and children must suffer when he holds up the check. It is a very difficult task to handle.

His follow up work is excellent since he has been able to drop the relief load from 400 to 250 cases in the short time he has held office. I visited the WPA sewing room and found that they are doing a fine job, as well as the storeroom and workshop under Mr. Flannigan. Such beautiful toys and clothing for the

A BIT OF CHRISTMAS

A bit of Christmas—joy and cheer,
With its brightness, may it tarry;
Extend itself all down the year,
And aloft our spirits carry;
If it were but found all thru us,
Changed would be our business dealings,
Also 'twould equip, embue us,
With the most unselfish feelings.

A bit of Christmas, peace, good will,
Manifested to all others,
Would develop, spread and instill,
Spirit, making us like brothers.
There's no force like it to reach us,
Individuals, also nations,
Brotherhood, good will to teach us,
In the finest of relations.

A bit of Christmas, love and joy,
Into households all extending,
If parents, and each girl and boy
On this spirit were depending,
Closer ties, hearts would grow fonder,
And no doubt, in this connection,
Love, on others, each would squander,
Deeper would grow the affection.

little tots, as well as shoes and clothes for the adults.

I believe Santa Claus will visit the homes of the poor little tots, and I know that Mr. Hewitt and his force will enjoy a beautiful Christmas, blessed with the thought they were spreading sunshine into the darkened homes. May he always remain faithful to his task.

Mrs. John F. O'Brien.

Ed's note: Mrs. O'Brien has taken an active part in relief work in Newark the last twenty-five years.

Depredation

Adding insult to injury or vice-versa, as the case may be, was the way a group of boys treated the admonition of Mrs. Russell Sanford, 21 Clearman place, to stop trespassing on her property.

Not satisfied with dumping her garbage can Saturday, the boys came back later and threw a stone through her front window.

Wed in Nutley Church

The marriage of Miss Armine Emma Tarbox, daughter of Mr. and Mrs. Charles W. Tarbox, 37 Tiona avenue, and Francis A. Snyder, son of

Mrs. Francis A. Snyder, 31 Tiona avenue, took place Friday night at 8 P. M. at St. Mary's rectory, Nutley. Rev. Eugene Reilly, assistant pastor at St. Francis Xavier's Church, Newark, performed the ceremony.

The couple were attended by Miss Bertha Culver of East Orange and Mortimer Snyder, brother of the bridegroom. The bride was attired in an afternoon dress of Wallis blue transparent velvet with matching hat. Miss Culver wore a duobonnet velvet dress and hat. Both had corsages of roses. After a short automobile trip South, the couple will reside at 41 Lincoln avenue, Newark. Miss Tarbox attended Belleville High School. Mr. Snyder is a graduate of Seton Hall College.

Junior Woman's Club

The Junior Woman's Club will have a Christmas supper party at 6:30 at the clubhouse, on Tuesday evening. It will be a covered dish dinner. Christmas gifts will be exchanged and carols will be sung. Several games are planned.

The committee is composed of Doris Soleau, Emily Mack, Barbara Tate, Justine Boylan, Marion Naylor, Catherine Comesty, Dorothy Gardner, Vivian Kilpatrick, Estelle Powers and Betty Shurts.

IN CHANCERY OF NEW JERSEY.

No. 119-545.
By virtue of an order of the Court of Chancery of New Jersey, made on the 5th day of November, 1937, in a cause wherein the Home Owners' Loan Corporation is complainant, and Andrew Ignatz, et al., are defendants, you are ordered to appear and answer the bill of said complainant on or before the 10th day of January next, or said bill will be taken as confessed against you.

The said bill is filed to foreclose the mortgage executed by Andrew Ignatz to the Home Owners' Loan Corporation, dated June 19, 1935, acknowledged June 19, 1935, and recorded June 19, 1935, in the office of the Register of Essex County in Book Z-81 of Mortgages for said County on pages 271-272. Said mortgage covers premises in the Town of Belleville, County of Essex and State of New Jersey, commonly known as 78 Wilbur street.

And you, Mrs. Elizabeth Ignatz, are made a defendant because you are the wife of Andrew Ignatz, the owner of the premises at the time the mortgage referred to in the Bill of Complaint was given to complainant, and as such you may have a dower interest in the said mortgaged premises.

Profit is a by-product of work; happiness is its chief product.—Henry Ford.

A ZEALOUS MAYOR

No one in Belleville, so far as we have heard, questions the integrity, the devotion and zeal of our Mayor—William H. Williams. He is so keen to do a good job and spends so much more time on the job than any municipal executive in a similar position, of whom we have knowledge that, like many of us who are fired with zeal and enthusiasm, on occasion he becomes impatient. So long as that is because of his zeal and desire to see the right thing done in Belleville, it is not anything to get steamed up about.

Mayor Williams takes issue with us on a statement in our report of an occurrence at the Town Commission meeting on November 23, and also to an editorial that appeared in this paper on December 3—because, he says, that the newspaper stories made it appear that he, who so cherishes the good name of Belleville, during the period of a Commission meeting, directed a retort to one of his fellow Commissioners that was untimely. The Mayor insists that the meeting had been adjourned at the time of the verbal exchange and correctly draws our attention to the many occasions when he has vigorously prevented people who wanted to address the Commission from conducting themselves in an undignified or unseemly manner.

The position of this paper is very clear. We are very proud of the fine standing that Belleville has in this whole area. We know that Belleville has been pulled out from the near depths of despondency into a position of financial stability and high reputation in the conduct of its municipal affairs and we know that no man—probably no two or three men together—have done as much to bring this about as has Mayor Williams. We regret always anything that occurs to detract from the fine impression this has created, both in Belleville and throughout the State. We are happy that the Mayor has taken occasion to point out to us that certainly he and this paper see eye to eye in a willingness and desire to do everything that is possible to continue Belleville's progress and to enhance its prestige.

"BUY BELLEVILLE"

Because those who did much of their holiday shopping in Belleville found they had saved traveling expense and annoyance; found also that their purchases represented such sound values, and that our local merchants extended such efficient and courteous service, it may reasonably be suggested to the citizens of our town that they, as individuals, as well as the general industrial position of Belleville, would benefit if "all of us" would encourage our local business men and women by patronizing them in preference to out-of-towners.

A survey of the facilities offered by the business institutions of Belleville will reveal an exceptionally advantageous set-up, from the buyers' point of view.

Many products bought in our stores are made by local factories and plants which have, in the form of taxes, contributed much toward making "Belleville the town that pays as it goes."

This eases the load of our property owners and produces employment for many local workers.

Our retail merchants are, in many cases our neighbors and friends and they too employ large numbers of local citizens.

Those who are responsible for conducting our town affairs have done a remarkably good job, especially when we compare it to recent developments in one nearby city, in which too much Belleville money has been spent in the past.

Our banking facilities are second to none in a town of our size, being handled by two sound institutions, conservatively and courteously conducted by those who have demonstrated their ability in the handling of financial matters.

A former President of the United States once said, in the presence of the writer, "I like a man who regularly reads his home town newspaper."

It is our belief that a clear understanding of national and world events comes only after we have mastered the causes and effects of local developments and the Belleville News consistently attempts to feature those subjects which will bring to its readers, not only the knowledge of what is transpiring at home, but a true prospectus of events occurring in wider fields.

This paper is keenly conscious that it is a part of the community machinery which is designed to serve our neighbors and make Belleville an ever-improved place in which to live—to work—and to buy.

PEACE ON EARTH—GOOD WILL TOWARD MEN

Both beautiful and tragic is the Christmas Spirit that steals over mankind this time of the year, causing men to forget their petty grudges, to make new friends out of old enemies and cloaking the world in the spirit of true brotherhood. The beauty of the Christmas Spirit lies in the peace that descends on the world as a result. The tragedy is that the spirit is all too short lived.

Never, perhaps, in the history of the nation has there been a greater need for the literal application of the Christmas admonition—"Peace on Earth, Good Will Toward Men."

In this, the Christmas season, let us seek lasting peace between all groups in our society; the substitution of the council table for strife, discord and suspicion. Let us seek lasting peace between labor, management and government, that the whole nation may go forward.

CONTEMPTUOUS!

THIS WEEK

By "GUARDIAN"

AT CHRISTMAS THINK OF CHRIST!

Of what shall we think this Christmas morn.

Where will our thoughts take flight,
Of whom shall we think at the break of dawn
As daytime o'ertakes the night?

Of course we shall think of loved ones dear

No matter WHERE they are,
And of precious friends both far and near,
And wonder HOW they are.

And we shall think—as we reunite
Our family before the fire,
And glow in its warmth, in the dawn's gray light,
What more can man desire?

Perchance we will think of many a one
Distressed, in this torn land,
With aching hearts, devoid of sun,
And lend a helping hand.

But will we have the one real thought
Belonging to this day
And think of ONE who led and taught,
And showed mankind the way?

It matters not your sect or creeds,
Or how your thoughts suffice
To help you in your life and deeds,
At CHRISTMAS think OF CHRIST!

New Office Location

The main office of the Belleville News is now located at the Wallace & Tiernan plant, 11 Mill street. All business matters should be transacted there. News items and classified advertising may be left at the new office or at the office which is in operation in the News plant at 501 Washington avenue, in the rear of the old office building.

Shower

A shower was given recently for Mrs. James Lawlor, formerly Ethel Smith, daughter of Mr. and Mrs. Harry Smith of 129 Beech street, Saturday night. Those present were Mrs. Smith, Gladys and Margaret Smith, Elizabeth MacFaeon, Norma Wagner, Mrs. Rawcliffe, and Marion Witt, Belleville; Miss Betty Gimore, Lyndhurst, and Miss Betty Smith, Newark.

CHRISTMAS FIRE HAZARD

The old Christmas fire hazard, the candle-lit Christmas tree, is no longer so great a menace to lives and property, thanks to the use of electric tree decorations. But other special hazards, equally dangerous, are to be guarded against at the holiday season, warns Fire Chief R. A. Reid.

Accumulations of wrapping paper and packing materials should be disposed of as soon as possible. Until they can be safely burned, or removed by the ash collector, such materials should be kept in containers and placed out of the way of a spark or coal from an open fire, a glowing match, or a cigarette stub.

The practice of placing lighted candles in windows where curtains might be ignited, is giving way to the use of electrically wired candles. Non-inflammable or slow-burning decorations can be purchased, but even these should not be hung near an open flame.

The Christmas tree is still a menace. After several days in the house it dries and then a spark from defective wiring can cause a serious fire. Wiring and other electrical equipment that has the approval of the National Board of Fire Underwriters can be obtained.

After all precautions have been taken against fire, the strongest measure of protection is in an approved fire extinguisher. If you already have an extinguisher, make certain it is filled and its contents fresh, so it will be ready for use if you need it.

FAITH—AT CHRISTMAS

What will you have for Christmas?

A glistening gift—a message dear
To brighten paths now drab, now drear,
To cheer you through the coming year?

Yes!—you want these—for Christmas.

And you want FRIENDS for Christmas.

Friends to greet and smile at you,
Friends you've proved are tried—
and true,
And understand whatever you do—

Yes—you want FRIENDS—at Christmas.

And you want HOME at Christmas.

Home with all your loved ones there,
Hearth fires glowing everywhere,
Hope and Love that fill the air;
BUT—you NEED MORE—at Christmas.

You need FAITH—at Christmas.
Faith in whatever you call God,
Faith that you'll be understood
Faith that mankind's mostly GOOD—

You DO need that—at Christmas.

For FAITH is Heaven's most prized gift;
The world is paced by Faith's strong Fife,
Faith conquers pain and worldly strife,
Faith fills one's soul with new born life;
You MUST have FAITH—at Christmas!

PEACE TO MEN OF GOOD WILL

"Glory to God in the Highest

And on Earth, Peace to Men of Good Will!"

Was the welcoming song to the Christ Child—

Was His message from Temple and Hill.

The duty of man to his fellows—

That life just for SELF soon would cease,

Was the theme of His prayers—and His teachings

Were Love for one's Neighbors—and Peace.

And now with His birthday approaching,

No matter the race or the creed,
We must keep His teachings before us

In 'thought and in word and in deed.

Then surely 'twill be a Glad Christmas

We'll MEAN what we sing; and we'll THRILL

To "Glory to God in the Highest—
And on Earth, Peace to men of Good Will."

Merry Christmas!
"GUARDIAN."

Children in Court

By Judge Malcolm Hatfield

Those interested in preventing juvenile crime are alarmed to note that during the past four years our churches have declined thirty per cent, while the sale of whiskey has increased 220 per cent.

During the same period general benevolence declined twenty-nine per cent, while the sale of beer increased 317 per cent. The Community Chest decreased twenty-four per cent, with the sale of cigarettes up forty-eight per cent, and attendance at the movies increased forty-one per cent.

With church attendance down thirty per cent, and moving picture attendance up forty-one per cent, is there any wonder that the Sunday School Movement may soon be a thing we are to give thanks for on Christmas day?

PIQUANT POLITICS

By MEADOR WRIGHT

It is the law of American politics that every decade or so there must be a reform wave. The length of this reform cycle varies with different localities, but its absence is the exception rather than the rule. The most deep-seated reform movement in New Jersey came in 1910, when Woodrow Wilson was elected governor. This movement engulfed scores of municipalities throughout the state. Even East Orange was affected, with a young Democrat, Julian A. Gregory, being elected mayor. Ten years later a "clean government" movement led by a young attorney named Arthur T. Vanderbilt, swept the old regime from the Essex County Hall of Records.

If I read the signs of the times correctly another reform era is dawning. The local effect of such a movement, if it comes, very likely will be centered in Newark. Essex County's government is already under the sway of a reform administration. Next to Newark, Jersey City is most likely to be affected, with reform of the state government also not unlikely. The huge and unexpected vote given Dr. Lester H. Clee last November points in this same reform direction.

Had Clee actually won he very likely would have been hailed by now as a second Woodrow Wilson. But his narrow defeat does not eliminate this role. Clee may have been a little ahead of his time. If this is so, 1940 may very well be the decisive year for Clee. But a reform movement if actually on the way will not wait either for a single man or a single election. Its movement is irresistible.

If it is coming to New Jersey now, his new reform era is almost certain to be under Republican leadership. Although one can never be sure in such matters, my guess is that the bend toward the Republican party in New Jersey during the past six months has been little short of revolutionary. All signs point to next year being startlingly Republican.

Like most other observers, I am basing this deduction mainly on the trend of business. The present slump is too far removed from the last one for the Republican party to be blamed for it. Nationally, the Republicans may not gain control of the House of Representatives next year. Such a sweep is hardly to be expected, although it is not impossible. But in New Jersey there should be no brake on Republican success. Hence, the primaries promise to be more important than the general election. It is here that the reform tendency will be tested.

Such a tendency would strengthen the Clean Government faction in Essex. Its leaders here realize this psychological advantage, and my guess is that they will try to make the most of it. I am informed that the high council of Clean Government, Inc., is perfecting plans to the most minute detail for gaining control of the government of Newark. The deepest secrecy surrounds these plans, but that they are being formulated is vaguely known throughout the city and county. Not only do they call for a new government for Newark, but a type of government is to be promoted whereby control, once obtained, will last for at least a decade. Clean Government control of the county government is to be extended to congressional candidates. With domination complete in Essex, the Clean Government movement will be extended to embrace Trenton, with Clee's triumph as Governor in 1940 the ultimate object.

However, grandiose such plans may look now, substantial triumph can scarcely be called improbable. The Democratic organization in Essex does not now appear likely to offer much resistance. The Anti-Clean Government faction is divided into a dozen blocs. Its principal leaders are mired knee-deep in Meadowland mud. Governor Hoffman's leadership in Essex appears dubious. All in all, it looks like a Clean Government year. Thus the Sphinx-like smile of the mysterious Vanderbilt takes on a new significance. Nothing short of a break between him and Clee promises to halt the powerful Clean Government coalition. If it can gain undisputed control of the county committee, play a dominant

role in the New Jersey legislature, and last but not least, reverse the ten-year Democratic trend in Newark, then Vanderbilt and his associates can look for other worlds to conquer. The Governorship will be one of these.

The ambitious Vanderbilt no doubt regrets the rule that no office holder is to be allowed on the famous committee of 170 to rejuvenate the Republican party. Were he not county counsel from Essex, he would be a logical member for such a committee. As president of the American Bar Association, Vanderbilt no doubt will have a chance to meet the committee. But such a contact is different from active membership. Although it gave him scant mention, the magazine TIME nevertheless spoke of Vanderbilt as a "liberal Republican." Probably he prized that remark more than a column of general praise. For it seems certain that liberal Republicans will dominate the next convention. Mention of the Short Hills lawyer, even as a dark horse candidate for president, is far from fantastic.

PUBLIC OCEAN-FRONT PARKS FOR NEW JERSEY

Prepared for the Belleville News by Russell VanNest Black, consultant-director, New Jersey State Planning Board.

Recently, the New Jersey Planning Board, in recommending the ten-mile stretch of island beach as a state ocean-front park, directed attention to New Jersey's failure to keep abreast of recreational developments in states like New York and Connecticut.

New Jersey's ocean beaches are among the finest in the world and among the state's greatest assets, yet little progress has been made thus far toward planning the development and preservation of these beaches in the interest of the people of the state and of the region.

Considering the large urban population both within the state and immediately adjacent to its borders, New Jersey has been exceedingly backward in providing for and safeguarding public recreational facilities. This is particularly true of ocean beach recreation where the provision of recreation areas and facilities has been left entirely to the hazards of private enterprise. Neither the state nor any of its counties now owns for purposes of public recreation a single foot of ocean front and to a large extent riparian rights have passed from public ownership.

New Jersey's natural ocean beaches have two primary assets: (1) their value for various forms of more or less intensive recreation; and (2) their natural scenic quality—the wind and the tide-worn shore, the ever-changing sand dunes, and many unique forms of vegetation. So rapid has been real estate development and exploitation along the ocean-front during recent years that only a few miles now remain in a semi-natural state with its beauty unspoiled. Reliance for the more intensive recreational use of the beach has been upon privately and municipally developed facilities and upon privately and municipally controlled beaches. Until the advent of the automobile and good roads, the public was adequately served. Now the flood of visitors has become so great that many municipalities, especially those north of Barnegat Inlet, have found themselves under compulsion to place restrictions of varying degrees upon the use of their beaches in order to preserve at least a fair degree of satisfaction to a limited class of users. This restriction of the use of ocean beaches has spread like a blight down New Jersey's 130 miles of ocean shore line until now 28.4 miles are entirely closed to the public and 17.9 miles of beach are available to the public only upon payment of a fee. There remain only 4.9 miles of unrestricted beach north of Barnegat Inlet. Here lie the beaches most convenient to New Jersey's crowded metropolitan population. If the people of the state are to have assured free access to the shores, then provisions must be made for public beaches in this area. A more years delay and it will be late.

Veterans of Foreign Wars Organize Campaign For Signatures to Keep America Out of War

Petitions Obtained Here Will Be Sent with Others from
All Over Country To Be Presented
To Congress

An organized campaign to obtain the signatures of a majority of the citizens of Belleville on petitions which call upon Congress to keep America out of war is to be launched immediately under the supervision of George A. Younginger Post, No. 275, Veterans of Foreign Wars of the U. S. The appeal to Congress reads as follows:

"We, the undersigned citizens of the United States of America, call upon the Congress and the President to adopt and apply policies designed

to keep America out of war and supported by a national defense program adequate for the protection of our country and its people."

The plan to convey to Congress tangible evidence of the prevailing sentiment against war is the chief objective of a nationwide campaign being conducted by 3,600 local units of the Veterans of Foreign Wars of the United States, according to Commander Norbert E. Bertl.

"Under our form of government, the question of peace or war rests in

the hands of Congress," Commander Bertl pointed out. "We, the people, expect members of Congress to vote in accordance with the will of their constituents. Petitions bearing the signatures of 25 million American citizens will tell Congress, in unmistakable terms, that the vast majority of the citizens of the United States want America to keep out of war."

A quantity of petition blanks were received today by Commander Bertl from national headquarters at Kansas City, Mo. These petition blanks will be circulated by members of Post No. 275, and distributed to various other local civic, patriotic, religious and fraternal groups.

Gold Star Mothers in this community will be given the first opportunity to affix their signatures to the petition, according to Commander Bertl.

"It is the privilege of these mothers to be the first ones to raise their

voices in opposition to war. Their signatures will be followed by the signatures of all war mothers, decorated heroes, disabled veterans, city and other public officials, and then the rank and file of all citizens.

THE LOW DOWN —from— HICKORY GROVE

If a feller has a little time on his hands, it don't do him any harm to read a half a page or so of history.

And when you read about what your great grandpa was doin', you will get over the idea that we are so ultra advanced and such hot bombs. And some of the things we been tryin', as new era stuff, it was a fizzle, 100 years ago.

And there was Napoleon and Caesar—they were invincible for quite a spell. And then there was the Kaiser, and Coxy's army, and the Populists, and Carrie Nation, and others, risin' up to scare us or reform us. And when the shoutin' was over, it was just some kinda smart-like person's idea and plan, so he could live easy himself, or maybe get elected, or retire in luxury.

And history, it repeats—is an old saying. And we wake up again, and our gold watch will be gone and the tax collector will be bangin' on the front door, and he won't have such beautiful and flowery news as we been kinda in the habit of listenin' to.

Vets Seek To Enroll All Possible Members Renewals, Reinstatements And Recruits Are Now In Order

Renewal of all existing memberships, reinstatement of all former members and the recruiting of new members constitute the purposes of the "3R" round up which will be inaugurated January 1 by Private George A. Younginger Post 275, Veterans of Foreign Wars.

Under the direction of the state department of New Jersey, membership quotas have been assigned to all posts in the state. Post 275 has been assigned a membership quota of 400. Chairman George H. Weston of the membership committee, announced today, based on a survey of all eligible veterans of this community, and its immediate vicinity.

Plans for attaining the quota rest primarily upon a personal contact campaign which will take an active member of Post 275 into the home or office of every overseas veteran in the area. The names and addresses of all such veterans are being compiled at the headquarters of the post, at Veterans' Hall, Stephen street and Belleville avenue. The list has been divided among the present members

of the post, each of whom will be responsible for signing up the men assigned. Plans now are being made for a series of prizes to be awarded the members who first obtain the membership applications of their quota of veterans, Mr. Weston said.

WITH the VETS

By GEORGE H. WESTON

Private George A. Younginger Post, Veterans of Foreign Wars, met for business Wednesday evening, at Veterans' Hall. Senior Vice Commander George H. Weston presided in the absence of Commander Norbert Bertl. The post donated \$5 to the Veterans' Hospital Fund, administered by the Department of New Jersey, V. F. W. for the welfare of disabled veterans Christmas time at the Lyons, Menlo Park and Vineland institutions.

The Christmas committee reported that plans had been completed for the annual kiddies' party at Veterans' Hall on the evening of December 29. Members of the post, auxiliary and children of members are invited to attend. Games will be played and refreshments will be served. The committee is composed of John Gannon, Hugh Paterson, Joseph Schnabel, Ernest Alden and Norbert Bertl.

A special Christmas award was made at the weekly entertainment on Monday evening, December 20. William Hood is chairman of the committee.

Commander Bertl is recuperating from an operation.

Party at Nursery School

A Christmas party was held at the WPA nursery school Tuesday morning. The Woman's Club donated a tree and the social service department, of which Mrs. Morris Rochlin is chairman, distributed toys. The Greatest Enemy of Health

By Health Officer E. T. Berry

"Leper at Large in Washington." Do you remember when this headline of ten years ago excited a great hue and cry among citizens of the capital? News of the incident was relayed to all parts of the country. Just one leper loose in the city caused men and women to guard their steps, keep their children off the streets, and otherwise become panic-stricken. Only two cases of leprosy have been reported in New Jersey in the last six years, yet a far more dangerous plague threatens our health, about which very little has been heard until recently. Syphilis is its name, although it masquerades under many aliases. Here is a ruthless disease that is no respecter of age, wealth, class or creed. Its army of victims includes rich and poor, white and colored, young and old.

Eugene T. Berry

Osler, wisest physician of modern times, called syphilis "The Great Killer Among Diseases," and most of our health officers and physicians agree with that description. Other authorities have called it "The Great Imitator" because of its ability to attack virtually every organ of the body, and its habit of appearing as heart disease, insanity, blindness, and many other afflictions.

But before going further with this ominous story it may be well to mention some of its brighter aspects. Syphilis is PREVENTABLE and it is CURABLE. Thousands of infections were prevented by the prophylaxis program of the U. S. Army back in those crowded years of 1918 and 1919. Other thousands are being cured now through prompt and continued medical treatment administered by good doctors in their offices and in the forty clinics in New Jersey. So the picture is by no means hopeless even though far worse than it should be.

Laboratory tests of the blood usually will detect the presence of syphilis. Physicians have available the medicine to provide a cure. "Why, then," you may ask "has this plague been allowed to become so widespread from year to year until now it is said that 'syphilization threatens civilization'?" The answer is simple. In fact it is covered in three words—pride, fear and ignorance. Down through the ages mankind has assumed an attitude of false modesty

in dealing with problems which may be related in any way to the sexual functions. Inasmuch as most cases of syphilis are of sexual origin, the disease has long been subject to this age-old taboo. Such other hazards as tuberculosis, heart disease, cancer and the like are now discussed openly and fought openly, but this greatest menace too often has been considered as a problem of morals rather than of public health. People have been afraid or ashamed to talk about it; this despite the fact that thousands of so-called "innocent" and "accidental" infections occur annually.

It is high time for intelligent, progressive members of the public to take a sane view of the situation, not only in the interest of the present army of victims, but to protect their own health and that of their loved ones. In order to do this the public must have accurate information regarding this disease, where it originated, how it is caught, how it may be prevented and cured, where and how treatment can be obtained, how it affects the individual and the community, and what a tremendous toll it exacts from society in terms of human suffering.

The public should realize, too, the

huge financial wastage involved in lost wages, medical treatment, disabled workers and institutional care at hospitals, asylums and other havens where society sends its unfortunates.

Further articles in this series will deal with these various aspects of public health's leading enemy. They will be written by Belleville's Health Officer, Eugene T. Berry.

Engagement Announced

Mr. and Mrs. Theodore L. Forbes, 157 New street, announce the engagement of their daughter, Esther A., to Horace D. Baldwin, son of Mr. and Mrs. W. S. Baldwin of 191 De Witt avenue.

Both are graduates of Belleville High School and are active members of the Wemec Dramatic Club. The wedding will take place in the fall.

Lions Club Cooperates In Toy Distribution

Organization Worked With Committee From Woman's Club

The Lions Club, during the past week co-operated with the Social Service Committee of the Belleville Woman's Club, headed by Mrs. Morris Rochlin and assisted by Mrs. William P. Adams and Miss Estelle Powers, by donating forty-eight toys to the committee for distribution to needy children.

The Lions Club committee, headed by Louis A. Noll, chairman, assisted by Dr. Morris Rochlin and Harry Ziegler, expressed appreciation of the plan innovated this year by the Woman's Club committee, wherein the children accompanied by their mothers, appeared at club headquarters to select the toys which appealed mostly to the individual children.

Mr. Noll stated that the efforts of the Woman's Club have been untiring in putting forth the real Yuletide spirit among the unfortunates and that this year the club has attained a new high in that regard.

The same committee of the Woman's Club will distribute Christmas baskets among the needy families on Christmas day.

Legion Posts Foster Safety Campaign

Christmas Cheer Is Being Spread This Week Among Needy

Essex County American Legion posts are fostering plans to conduct a county wide safety campaign. Walter C. Taylor, commander, of Public Service Essex Division Post, and county chairman, will be assisted by Past Commander John H. Laux, Newark Post 10, and Past Commander Vincent A. Carson, Goodfellowship Post, Newark, on the advisory committee. Safety campaign officers of the posts will be instructed at a future meeting.

Essex County American Legion posts and auxiliaries are spreading Christmas cheer this week to needy veterans and families. Charles Y. Barnes, Montclair 34, county membership director, has urged all posts to make efforts to surpass their quotas by January 1.

Members of the Essex County American Legion posts are making efforts to locate John H. Miller, who formerly lived at 51 Amherst street, East Orange, and later moved to Newark. Walter Siner, 5 Sixth street, New Brunswick, has requested the American Legion to locate him.

William F. Albers, past county commander, Essex American Legion, was appointed by Department Commander Dr. J. Iredell Wyckoff, on the internal organization committee. Albers is a member of Irvington Post 16, American Legion.

Telegraph Companies Seek 15 Per Cent Rate Increase

The telegraph companies are about to apply to the Federal Communications Commission for a fifteen per cent increase in rates. In making this application one of the oldest service institutions is obliged to break a precedent of thirty years' standing. The position of the Telegraph industry in the public service field is unique, in that it does not assess a stand-by charge, but must rely for its income wholly on what is paid for each item of service performed. By progressive methods and a continued series of improvements and new developments in plant and operating processes it has not only met all the increasing costs arising during the past three decades, but has actually decreased the cost of its service to the public.

The only increase in telegraph rates which has been made in the past thirty years was made by the government when it operated the industry during the World War. Today, despite drastic operating economies the financial resources and credit of the companies are being jeopardized by the decline in revenues brought on by the general slackening of the business of the country on which the industry depends, and the situation is made even more critical by the constantly growing cost of telegraph operation through heavy social security and other taxes, wage restoration and mounting expenses of all kinds.

As indicated by figures published a few days ago, the telegraph companies are operating either at a deficit or on a very slender margin and, it is pointed out, this condition, if continued, will shortly impair their ability to continue rendering the efficient service on which the public depends and which forms such an essential part of the commercial and social fabric of the nation, as well as an indispensable arm of national defense.

In recent years the telegraph companies have offered a number of new and additional services at low rates for the purpose of developing new and enlarged uses of their service, in an effort to increase the volume of traffic and thus keep their revenues abreast of the constantly mounting expenses, but in spite of the favorable public reception of these innovations, they have been sufficient to offset the general downward trend. There is no recourse but to ask for an increase in rates.

Knife Thrower

Throwing knives at his wife resulted in a six months' jail sentence against Walter Reid, colored, 172 Belmont avenue, who was sent to the county jail for that period Monday, by Recorder Everett B. Smith.

Mrs. Reid made the complaint against her husband Saturday, after, she declares, "I dodged several knives thrown at me during which I stumbled and fell over a stone in the street, injuring my knee."

Her husband, who was charged with attempted assault and battery, was arrested by Detectives Eddie Fletcher and Jimmy Lee, shortly after the knife throwing act.

Rotary Club Enjoys Christmas Music

Miss Audrey Brooks and Leonard V. Kachel Were Heard

A special musical program and Christmas message by Rev. Peter R. Deckenbach featured a meeting of Belleville Rotary Club Wednesday in Forest Hill Field Club.

Members enjoyed solos by Miss Audrey Brooks, daughter of Wilbur C. Brooks, executive vice president of the First National Bank, and Leonard V. Kachel, director of public speaking in the high school.

Miss Brooks rendered Alleluia, Mozart; "Angels We Have Heard On High," a French Christmas carol; "Sleep, My Little One," Dutch carol, and led the club in singing "O Little Town of Bethlehem."

Mr. Kachel sang "Captain Stratton's Fancy," Deems Taylor; "On the Road to Mandalay," and led the members in singing "Silent Night."

John Baker extended felicitations to Recorder Everett B. Smith on his birthday and welcomed visiting Rotarians and guests.

William Sweeney, in a manner all his own, showed the club's appreciation to the waiters.

Synagogue Arranges Home-Coming Service Will Honor Young Folks Who Are Back From Colleges

A home-coming service for the young men and women of the community, home from college for the winter vacation, will be given this evening by the Congregation A. A. A., 317 Washington avenue. The service will begin promptly at 9 P. M. This is the second annual service of this kind. The service last year was attended by more than 200 people.

According to Rabbi Rubin R. Dobin, who will officiate, the guest speaker for the evening will be Professor Ralph Gilbert Ross, Professor of Philosophy in the University of Newark. Professor Ross is a nationally known lecturer and author. He will speak on "The Jewish Student in the Community." The honored guests will speak also on their experiences at school.

The following young men and women will be the guests of the Congregation at the service: Miss Muriel Berliess, New Brunswick; Martin Cherin, East Lansing, Mich.; Miss Bernice Ehrlich, New Brunswick; Robert Glynn, Durham, N. H.; William Jacobs, Middletown, Conn.; Miss Marjorie Lemmel, Boston, Mass.; Harry Schwartz, Tuscaloosa, Ala., and Seymour Taffet, Albion, Mich.

After the service a special "Oneg Shabbos" social will be held in the vestry of the synagogue, at which the young people will be guests of honor. Refreshments will be served by a group of hostesses. All are welcome to attend.

ROBITUARY

Mary Thom Millen

Mary Thom Millen, wife of Alfred Millen and mother of Janet Stewart and Lois Elizabeth, died of pneumonia on December 15.

Funeral services were held at the Irvine Funeral Home and interment followed at the Rural Cemetery in White Plains, New York.

Eastern Star services were conducted by the Arene Chapter of Belleville, to which Mrs. Millen belonged. Dr. O. Bell Close of the Fewsmith Presbyterian Church conducted the service.

Mrs. Millen was born in Cumbuslang, Scotland, but at an early age became a citizen of this country. She was a graduate nurse of the Middletown State Hospital, New York.

Mrs. Millen was an active member of Fewsmith Presbyterian Church and was a member of the Women's Guild and the Women's Missionary Society of that church.

Mrs. Mary E. Mullen

Mrs. Mary Elizabeth Mullen died Thursday after a short illness at the home of a daughter, Mrs. Cornelius Berrigan of 20 King place, with whom she had lived two years. Born in Franklin, she previously lived in Ogdensburg. She was the widow of George Mullen of Ogdensburg.

Besides Mrs. Berrigan, Mrs. Mullen leaves five other daughters: Mrs. James Clarken of Belleville, Mrs. William Bodle of Ogdensburg and Mrs. Charles George, Mrs. Edward Shine and Mrs. Patrick McGroary of Newark.

A requiem mass was offered at St. Thomas's Church, Ogdensburg, at 10:30 A. M. Monday.

Gets Divorce

A divorce on the ground of cruelty was awarded Peter Kachus of Carteret Thursday by Advisory Master Matthews. The court awarded custody of Kachus's daughter Violet, 8, to Mrs. Anna Kachus of Belleville. Matthews dismissed Mrs. Kachus's cross petition for divorce on the ground of cruelty.

The court directed that Kachus have the child alternate week-ends. It suggested the couple share her custody Christmas day, Mrs. Kachus having her in the morning and Kachus in the afternoon. Kachus was ordered to pay \$8 a week for support of his daughter.

Gets Cornell Numerals

ITHACA, N. Y., Dec. 24.—Awards of seventy-nine varsity letters and 152 class numerals for participation in all inter-collegiate competition at Cornell University, as well as appointments of major sport managers and captains have been announced. William W. Van Horn, freshman in hotel administration of 364 Little street, has been awarded Class of '41 football numerals.

Engagement Announced

Mr. and Mrs. John Daniels, 136 Delevan avenue, have announced the engagement of their daughter, Evelyn Mae Daniels, to Robert William McMullen, the same address, son of Mr. and Mrs. Thomas C. McMullen, Portadown, North Ireland. The announcement was made Saturday evening at a Christmas party at the Daniels' home. Thirty-six guests were present.

A Community Message from the Community Ministers

A CHRISTMAS GREETING

Merry Christmas. Let us really rejoice by making our Christmas Christian, not Christless.

Let us sweep hatred and jealousies out of our hearts with a flood tide of good will, that we may have the peace, promised the shepherds by the angels.

Let us be "wise men" and, in our giving, bring our most precious gifts to the Christ.

Let every one of us love that we may live, live fully and forever.

Faithfully yours,
THE MINISTERS' CLUB,

Woman's Club NOTES

Christmas greens and foliage and a large tree decorated the WPA nursery school at 17 Belleville avenue, when the Social Service Department of the Woman's Club took charge of the Christmas party on Monday.

Mrs. Morris Rocklin, chairman of the department and her able com-mittee, deserve much credit, as do the juniors, who helped so much under their chairman, Miss Estelle Powers. A real Santa Claus appeared and each child was given a gift, cookies and candy to take home after being served cookies and ice cream at the party. Mrs. John K. Heffer-man sang for the children.

Mrs. J. Claude Powers, chairman of the International Relations Depart-ment, will have the meeting at her home, 78 Division avenue, on Tues-day, December 28, at 2:30 P. M. Mrs.

Wallace & Tiernan Employees Hold Christmas Party in New Plant Today

Glee Club of Between 80 and 100 Employees Will Render Selections; New Hammond Organ Will Be Used

The Wallace and Tiernan Com-pany, 11 Mill street, will hold its annual Christmas party this morning at 11:30 o'clock in the new auditorium on the fifth floor of the main build-ing.

A glee club, composed of eighty to one hundred young men and women, all employees at the factory, musical devotees from all departments, will sing under the direction of Howard Frederic, the following numbers: "On

the Road to Mandalay," Oleg Speaks arak Rudyard Kipling; "The First Nowell," traditional; "Break Forth O' Beauteous Heavenly Night," Bach, and "Silent Night," Franz Gruber.

An organ solo, "Finlandia," by Sibelius, will be played by Harold Frederic, an employee of the firm; an organist and choir master of a New-ark church.

Mrs. Francis Gillies, another em-ployee, will present a group of organ solos. She will play on the new Hammond organ, recently installed. A Steinway piano has been placed in the auditorium for the use of the glee club and orchestra.

Galento Trains for Bout With Massera

Bout Will Be Held at Orange Armory On January 5

Tony Galento, Orange nightstick, who, over the week-end, was rated the third best heavyweight in all the land, started training today for his ten-round scuffle with Charley Massera, at the Orange Armory, Wednesday night, January 5.

The fight will headline a program of bang-up fights which will be promoted by Harry Mendel, recently appointed general manager of the Madison Square Garden six-day bicycle race. While the venture will be Mendel's first in the Orange drish-shed, fighting will not be a new promotion to him. He major domoed the fights at Ollema Field, Irvington, the past summer and became Jersey's outstanding promoter during the seasons of 1929 to 1934, when he brought champions and near champions to fight for him while he was promoting at the Old South Orange Avenue Velodrome and Dreamland Park in the summer months and Newark Armory in the winter.

Galento's rating in the heavy-weight division isn't a surprise to any one who knows fights. The Orange boy's last three victories scored over Lorenzo Pack, Al Ettore and Leroy Haynes, merit him the position.

Massera will be more than just an ordinary foe for Galento. Massera, who hails from Pittsburgh, is noted as a body puncher and his last three battles have been with Nathan Mann, John Henry Lewis and Dave Clark. With Champion Henry Lewis he had a split verdict against him.

The supporting card is in the making and will be announced before the week is out.

Deer Me(at)

Five Belleville young men went hunting for deer last week.

First day—no results. Second day—no results. Third day—they were about to come home when all five spotted a young buck deer at the same time.

Simultaneously they each fired a load of buck shot into the deer. The deer dropped like a plummet.

Now the group is afraid to eat the deer for fear of lead poisoning, because of the number of shot in the carcass of the animal. The quarry is being split among the following, William Dunn, Barney Fox, Joseph Smith, Charles Skippy and John Rudisil.

BELLOWING ABOUT BELLEVILLE

By JACOB LEVINE

Class 1938, Belleville High School

Illinois' "Beautiful City."

Belleville, New Jersey, you are not the only pebble on the beach. There are fourteen other pebbles such as you in this great beach called United States.

Fourteen other pebbles, which all these years have withstood the ever changing waves of time, and instead of corroding and forming the tiniest particles of sand, have kept growing and growing, and are now fast becoming formidable boulders on this beach.

This week Jim Farley's men in grey brought us a message from the mid-west. And without further ado, I'd like to turn it over to you. Belleville, New Jersey, I want you to meet Belleville, Illinois!

Belleville, Illinois. Mr. Jacob Levine, Care of Belleville News, Belleville, New Jersey.

Dear sir:

As requested, I am sending you an article containing a few facts pertaining to the history, etc., of Belleville, Illinois.

"Belleville, Illinois, a city of approximately 30,000 people lies about fourteen miles southeast of the city of St. Louis, Missouri. Because of its extensive stove manufacturing industry, it is often given the title of

"America's Greatest Stove City." It has an area of six square miles; average altitude being about 550 feet. It is governed by a group of fourteen aldermen.

"The principal manufactured products are stoves, shoes, pants, hosiery, shirts, coal products and beer. It has sixty-two manufacturing establishments, employing 4,500 workers, paying wages of about \$5,000,000 annually and having products valued at \$21,000,000 annually. The Ideal Stencil Machine Co., the largest of four stencil cutting machine plants in the world is located in Belleville. Mr. George Remmsnider, the Mayor of Belleville, is the president of this company. Machines manufactured by the Ideal Stencil Machine Co. are used in every civilized nation in the world.

"Its police department consists of twenty-three officers. A two-way police radio system has just recently been installed.

"At the present time the City of Belleville is concerned with the selling of bonds to make possible the building of a sewage disposal plant.

"Belleville is the county seat of St. Clair County, the second largest county in the State of Illinois. Belleville was incorporated in 1819. The name Belleville means beautiful city.

"Scott's Field, the only inland airport base in the United States is located just about six miles east of Belleville.

"In the heart of the city is a public square just recently improved and a beautiful illuminated fountain was installed, as a memorial to veterans of all wars.

"Belleville is one of the richest cities per capita in the United States. Belleville is a city of musical ability, having numerous bands, drum corps, etc. Belleville is known as the "Home of Culture, Song and Plenty."

Yours very truly,
GEORGE REMMSNIDER,
Mayor.

Form Basketball Team

A group of youngsters have formed a club known as the "Yellow Jackets" and are organizing a basketball team. The team promises to take its place among outstanding junior teams.

The members are Arnold "Snooky" Skinner, Adrien "Dusty" Struck, Jack "Stretch" Gibbs, Ralph "Shorty" Smith, Edward "Jiggs" Stumpe.

Pittsburgh Holds Scant Lead In Manufacturers'

Two Games Separate The Leaders From Next Two Combines

Pittsburgh Plate Glass Company still leads in the Manufacturers' Bowling League. In the last matches the team lost one game to the National Box, R. C. A., dropped one to Federal Leather and Wallace & Tiernan won three, gaining a tie with R. C. A. for second place, only two games in the rear of Pittsburgh.

A few good three-game totals were rolled as follows: Klemz, 600; Baney, 625; Stout, 629 and Nesta, 620. Some other good games bowled by average bowlers are as follows: Sullivan, 137; Rapp, 127; Cancelosi, 105; Whipple, 130; Miller, 144, and Fabian, 131.

High score was rolled by Stout, 260, who won an award. Blind prizes went to McArthur, 177 and Streib, 111. The scores:

Two Thursday Mat Shows at Columbia

Pushed Ahead One Night

Due to Christmas and New Year

Tonight will be dark insofar as wrestling at Columbia Park, North Bergen, is concerned. But Promoter Ralph Mondt staged his mat duels at the famous Temple of Thrill last night and will hold them again next Thursday as well after that he will return to his usual Friday offerings. The reason for his changes for these two shows is due to Christmas Eve and New Year's Eve falling on Friday, which would be foolish of the rotund promoter to stage his grapple duels on those days.

Home from Florida

Fredrick Paul Zaccaro, 1422 Parklin street, returned Sunday from a three-weeks' stay in Florida, having moved to and from that winter resort.

Pals Win

The "Belleville Pals" defeated the Naval Patrol Jayvees, 39-33, Tuesday night in a basketball game at Veterans' Hall.

Doris Kopsky Feted At 'Champs' Banquet

Local Girl Holds Title of National Bicycle Champion

Doris Kopsky, Belleville High School girl, and daughter of Mr. and Mrs. Joseph Kopsky, was honored last week at a "Banquet of Champions."

Other honor guests were Charles Bergna, Paterson, American amateur road champion; William Logan, North Arlington, amateur track champion this year and a member of the 1936 Olympic team; Furman Kugler, Somerville, junior champion, and Sal Barone, Brooklyn, middle-distance track champion.

Otto W. Eisele of New York headed the slate of officers as president. Walter Grenda, Newark, and Frank Small, Bayside, N. Y., were re-elected first and second vice-presidents, respectively, while Richard J. Hoover of Buffalo was named third vice-president, succeeding John Eisenmann of Brooklyn.

Eisenmann and Art Klemm of Chicago were elected to the board of directors. Re-elected as directors were Chester Nelson, St. Louis; George Knopf, Grantwood, N. J.; John McIntyre, Plainfield; Raymond Smith, Paterson, and Thomas Duffey, Philadelphia.

Bowling Match

In a bowling match held recently by the fire department, the instructor, August Bechtoldt, gave a lesson in bowling to his pupils.

The devotees of the game were Fire Chief A. Reid, Lieutenant Pat-Gelsh, and Firemen James Dunlop, William Beck, Gilchrist, William Scotty Mackinnon, Michael Carr, Terry Cyphers, and Oscar Reid and all bowled well.

In a few weeks the firemen hope to be proficient enough at this pastime to challenge other town departments to a match.

Firemen from headquarters company, defeated representatives of the William street firehouse in a bowling match, Saturday night, at the North Newark Bowling Club, and won two out of three games.

Victors were Firemen William McKinnon, Harry White and Exempt Fireman Charles Holwer. The losers were Lieutenant Gelshon, James Murphy and Al Bechtoldt.

In a similar match, the firemen defeated Mr. Bechtoldt two out of three games with the latter being high man in the team match with an average of 183.

Bowling has become quite a popular sport with the firemen and an encounter of more than usual interest is a singles match between

Phone Company Expects to Handle Greatest Volume of Long Distance Calls

In New Jersey Every Available Long Distance Operator Will Be at Her Position for Christmas Rush

The New Jersey Bell Telephone Company expects to handle the greatest volume of long distance telephone traffic in its history this Christmas.

Last year, the first in which the lower night rates were carried over to apply on Christmas day as well, a record volume of calls taxed the switching centers and long lines linking New Jersey with the rest of the country and the world. This year, because the lower rates normally apply nights and Sundays and Christmas comes on a Saturday, the period of reduced cost for exchanging greetings with friends and relatives will extend from Friday evening at 7 o'clock until Monday morning at 4:30 o'clock, and still heavier traffic is expected.

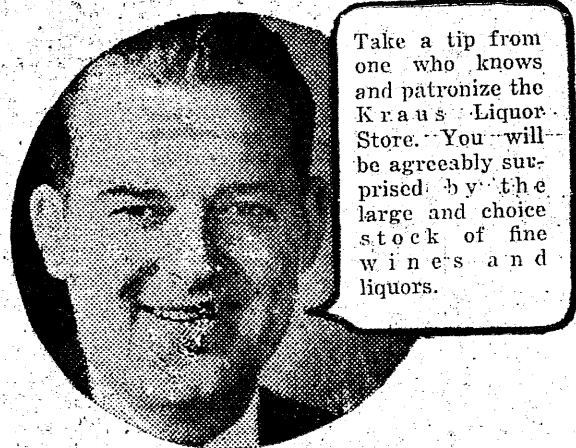

Preparations have been made accordingly. In New Jersey every available long distance operator will be at her position, aided by experienced assistants from local exchanges and by former operators who have volunteered their services. Additional direct circuits have been established to points most frequently called at Christmas—sixty-four of them at the Newark Long Distance center alone,

which handles half of the state's distance calls. All over the country similar precautions have been taken and thousands of circuits set up for Christmas traffic.

These arrangements are expected to prove adequate, and it is anticipated that the record telephone traffic over the long lines network will be handled with the usual dispatch in almost all instances. Traffic on the through voice highways across the country, however, may encounter some delay during the hours when calling is at its peak. It has not been possible to add sufficient such circuits to handle completely on a "no delay" basis an expected traffic load which peaks far above that of the next busiest day in the year.

In New Jersey, judging from past Christmas experience, the "rush" hours will be Christmas Eve; between 10 o'clock in the morning and 2 o'clock in the afternoon Christmas day, and after 7 o'clock Christmas night.

Are You A Gay Deceiver?

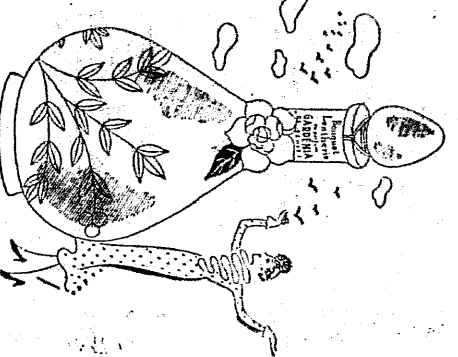

Life is just a masquerade! From plots to perfumes—it's fun to deceive. Wearing Bouquet Lenthéric is as tantalizing as a masque at a ball.

LENTHERIC's daytime fragrances—Tweed, Miracle, and Gardénia de Tahiti—presented in a clever, colorful "Bal Masqué" guise, as intriguing as the fragrances themselves.

Gardénia de Tahiti

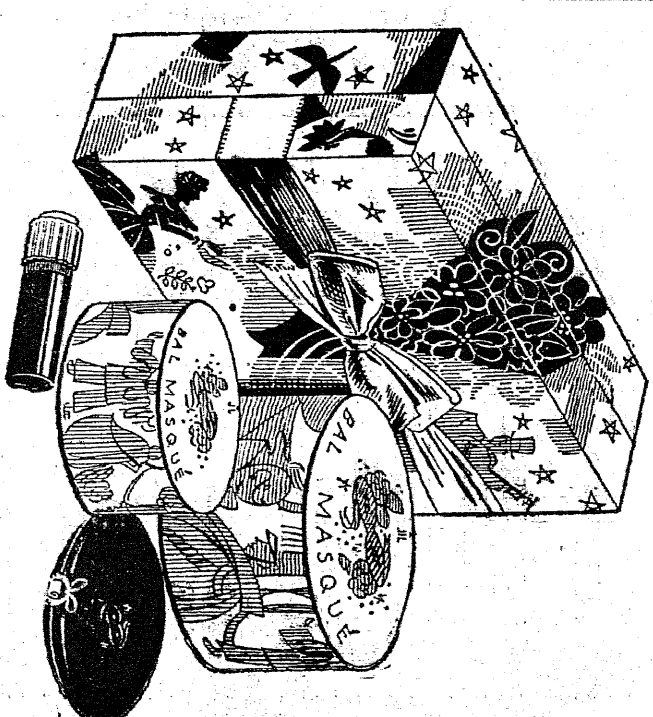

by Lenthéric

Is as flower-tinted and lovely in the daytime version—Bouquet Lenthéric—as it is in the perfume itself! Both interpret in fragrance the romance and glamour of the South Seas.
Classic decanter hand-etched with a spray of flowers and distinguished by a cunning gardenia boutonniere. Gift packaged. — from \$1.75.

Bouquet Lenthéric

The Daytime Fragrance

You'll feel all a-glow and a-tingle if you apply Bouquet Lenthéric generously all over the body, especially after a tub or shower. After this pervading sensation of cool freshness you will then experience the delicate, lasting fragrance that Bouquet Lenthéric bestows.
Perfume is at its most charming when it becomes a part of you—a breath of fragrance tantalizingly aloof, yet ever-present. Bouquet Lenthéric achieves this effect most successfully, and that is why it is celebrated Lenthéric perfume.
