## CHRISTMAS SPIRIT

(Continued from Page 1)

Tuesday by the National Grain & Yeast Co., at its plant in Mill street. Norman Lauterette will be in charge. There will be singing of carols and a tree from which Santa will deliver presents. If there is enough snow on the ground it is possible that a pair of reindeer may visit Belleville for the party as Santa enters the plant grounds.

### Christmas Children's Party

On Saturday afternoon, at the Friendly House Silver Lake, over 1,000 children were the guests of a committee headed by Salvatore Russo, chairman.

The features of the afternoon were a Christmas play, under the direction of Mrs. B. Pascale with the leading roles played by Miss Althea Pascale, and Mario Russo. Miss Pascale rendered a harp solo and Miss Marguerite Russo, a four-year-old miss, a vocal selection, assisted by a chorus of young people.

Commissioner Louis A. Noll, guest of honor at the party, addressed the children and their parents. Herbert Post, representing the Tripoli Park Political and Social Club, and Michael Dinardi, the Franklin Political and Social

Club, sponsors of the party, also spoke.

Rev. B. Pascale, president of the Friendly House, addressed the children on "Children's Obedience in the Home."

Candy and fruit were distributed to the guests by Commissioner Noll and Rev. Pascale. It is planned to make the event a yearly affair for the benefit of the children of Silver Lake.

### Little Theater Guild Party

The Belleville Little Theater held a Christmas party Monday at the Recreation House. Workshop try-outs in the form of one-act skits directed by Miss Jeannette Feldmann, department chairman, and a burlesque dance by Henry Abramson and Donald Brown provided entertainment. Arthur J. Flynn presided at a short business session.

### Wallace & Tiernan Concert

Harold Frederic will direct the Wallace & Tiernan Co. glee club in a concert which will start at 3 o'clock this afternoon in the company auditorium. Following the concert there will be dancing to music of the company orchestra. The concert program which has been arranged by William J. Orchard, general manager, and Edward Reilly, is as follows: "O

Holy Night," solo Edna Baun; "Ave Maria," Gounod, solo by Miss Marie McLean; "Break Forth O Heavenly Beatitude," Handel; "O Come All Ye Faithful," "Silent Night," "The First Nowell" and other carols. Many Christmas trees beautifully decorated have been placed in the various offices.

### Peoples' Dinner-Dance

B. Thomas Aitken, vice-president of the Peoples' National Bank & Trust Company Tuesday evening was host to the officers and employees of the bank at a dinner-dance in the Terrace Room of the Hotel New Yorker. Dancing was enjoyed to the tunes of Tom Dorsey's swing band. Elmer Gibbs, an employee of the bank, assisted a magician in tricks.

## HUGE STADIUM

(Continued from Page 1)  
never get this chance again as long as we live."

### Car Parking Ban

The board will issue a warning to town employees to refrain from parking cars in front of the municipal building so that taxpayers may be afforded better ac-

commodations. Such an order had been issued before, but it has not been strictly enforced.

It was also decided, following receipt of a letter from the Rare Metals Products Company, to change the name of Riverdale avenue to Cortlandt street as it actually is a continuation of the latter thoroughfare.

### Protests Salary Increases

A communication was received from Mrs. B. J. Jacobson, recording secretary of the Woman's Club, protesting against any action of the board in raising salaries "at this time."

Another communication was received from Mrs. Louis F. Noll, chairman of the Civic Committee of the same club, requesting that some plan be devised to clear sidewalks, particularly in Washington street of snow. It was pointed out that the last storm was not properly handled in this respect. She also suggested that streets be designated for those who want to coast and proper police protection be afforded.

"Men in my department came pretty near getting lynched after the last storm," said Director Waters, "when they were asked by the police to spread cinders on hills that were said to be dangerous. The men were called up by the police and they had to have patrolmen escort them because homeowners would not let them spread the cinders. I wish I knew just what streets to spread with cinders. The ones designated for coasting we won't go near. Something ought to be done so that we would know what to do."

### To Study Coasting

The board intends to study the matter further when Director of Public Safety William D. Clark and Director of Public Affairs Joseph King are on hand. Both were absent because of illness at the conference of the commission Monday and, when Director Waters was called away just prior to the evening meeting, it was decided by the Mayor and Director of Parks and Public Property Louis A. Noll that they couldn't hold the regular meeting because of lack of a quorum. They held the briefest get-together in years and decided the board should re-convene Wednesday night.

There is some concern over coasting as regards "municipal negligence," according to Corporation Counsel Lawrence E. Keenan, who said Nutley was thus charged in a coasting accident which cost the town "a couple thousand dollars."

"Police Chief Spatz says he hasn't got the men to patrol the streets designated for coasting," said Director Noll, adding, "and I haven't got money enough in my appropriation to buy ropes."

A delegation, which submitted a petition to Mrs. Florence R. Morey, town clerk, protesting against proposed raises for three employees in the Department of Revenue and Finance, was on hand with fireworks anticipated. However, when the meeting was off they recalled the petition for presentation Wednesday night.

ball games, entertainments, etc., where admission is charged, afternoons, \$10; evenings, \$20. Buildings will not be rented for public dances, political or denominational meetings and there will be no exceptions to the charges listed, with fees payable in advance.

On suggestion of Mrs. Mary Sheldon, school commissioner, worth-while community projects, similar to concerts of the Glee Club, will be given special attention as regards charges.

"I think we want to encourage organizations that are for the community's benefit," she said. Mrs. Sheldon also reported that the first dental clinic will be held Tuesday, January 3, in Public School No. 8. Town dentists are co-operating without charge each second Tuesday.

School Commissioner James Lynch reported a profit of \$127.38 in the High School cafeteria for November.

## PROGRESS

What has been done this year in Medical Science of which we may be proud?

Much, we would say — but the work never lags. The scientist, the research chemist, and the regular practicing Physician are unceasingly working toward the elimination of human suffering.

Cancer, asthma, hay fever, tuberculosis, the common cold, neuritis — and all the other physical ills that have not been fully conquered — are having millions of dollars, and untold scientific energy expended on their eventual extermination. From one end of the world to the other this progress in health goes on, but no greater service is being accomplished than the gradual awakening of men and women to the good sense of PREVENTION of disease and ill-health.

Taking care of, and preserving good health, and building walls of energy against invasion — much has been accomplished along these lines of education this last year. Let's keep up the good work.

## Supervising Principal W. R. Parmer Christmas Message Extended By

Again the greatest season of the year comes rolling to its climax as the heavy mail tells the tale of the annually recurring greetings sent from friends to friends all in the interest of "peace on earth and good will to men."

A "Merry Christmas" it is going to be. If you doubt this go into any of the school rooms and you will find from kindergarten through high school in all the surroundings and particularly in the hearts of these, our young people, words and actions of such high order in commemoration of the Sacred Event, that you, too, will declare it is indeed a Merry Christmas.

Personally take this means of extending to all our boys and girls and their fathers, mothers

and friends the greetings of the season — A Merry Christmas and A Happy and Prosperous New Year.

To give the coming year, however, the possibility of more happiness than the past a number of leading citizens under the sponsorship of the Board of Education, will open up for you an opportunity for real happiness in the setting up of an "Adult School" to open for its first session January 26, and continue through ten weeks to March 30, each Monday night from 7:45 to 9:45 o'clock. The object is happiness and prosperity for every man or woman in our community who is not now in the public schools.

Excellent instructors are being secured for you at this very writing, who will bring to you values

from their fine training and experience. No one need fear embarrassment or imposition of any kind. There will be no examination and no report cards sent home to the other members of the family. There will be opportunity for asking questions and stirring discussion.

Registration days, January 11 and 12, Wednesday and Thursday, at the High School, will give everyone, through a catalogue, a chance to obtain a full description of courses offered and to get personal advice concerning any one course or another. The expenses of these courses, like in all the communities about us, will be defrayed by a subscription charge in the form of a registration fee of \$2.00. Courses which require two hours or use of laboratory will cost \$3.00 for the ten weeks.

If enough people elect any one course you can have instruction in any subject you desire to take. If we get into the spirit of the possibilities of this New Year venture it will indeed make your New Year a Happy New Year. To be awake to the progress of today and the rushing rate at which progress will continue in your future requires just such an opportunity as Belleville is initiating for the beginning of its New Year.

Adult schools practically form a network all over these United States where people are learning that life is what you make it and that you make most of it when you live it most actively and most understandingly.

It is our wish that every citizen of Belleville will find it possible to increase their happiness and their prosperity for the New Year by joining with the great numbers who have already indicated their intentions.

"It is on the sound education of the people that the security and destiny of every nation chiefly rest."

As we extend greetings for New Year we also throw out this fine challenge to every citizen of Belleville.

## TO FINISH PLANS FOR CLASSES IN ADULT EDUCATION

The committee of sixteen on an Adult Education School which will start in Belleville the latter part of January, will meet on Thursday, January 19, to review registrations, which have been pouring in to High School Principal Hugh D. Kittle, who has been named director and treasurer. The registration fee is \$2 for ordinary classes and \$3 for two-period or laboratory classes. Registrations will be completed by January 12 and on January 19 complete plans will be settled prior to the opening of classes. Several neighboring town officials who are conversant with operation of Adult classes will attend the January 19 meeting.

This was made known Monday night at the Board of Education meeting when School Commissioner Charles A. Gebhardt, Jr., reported on the matter. The board referred to the Building and Grounds Committee a request from the Belwood Park Improvement Association that a playground be established at Public School No. 10 and a fence be constructed around it.

Business Manager Ruel E. Daniels read a communication from Commissioner of Education Elliott of the State Department that it favored the plan of Supervising Principal of Schools Wayne R. Parmer to establish a course in household arts in the schools.

## SEAL SALE NEARS HALF-WAY MARK

The Christmas Seal campaign conducted by the Belleville-Nutley Tuberculosis Association, Inc., is now approaching the half way mark. The returns to date in Belleville amount to \$1,188. The goal is \$2,500.

We are well satisfied with the sales at this stage of the campaign. We hope for a record sale so that our work in tuberculosis prevention and cure can be increased," says Health Officer Eugene T. Berry.

"Tuberculosis is a chronic,

## Ben Bernie Heads New Era Stage Shows

Ben Bernie and all the lads with Colonel Manny Prager and Bobby Gibson, in person, heads the new stage show opening at the Shubert Theatre, Newark, starting tomorrow for six days. Featured in the same stage show is Dixie Dunbar, vivacious dancing star of the screen, and Bill Ames, Shea and Raymond, Ben Yost's Varsity Co-eds and an hour and a half of screen features.

The New Year's Stage Show at the Shubert starting December 30, is Billy Rose's "STREAM-LINED VARIETIES" direct from the Billy Rose Casa Manana, N. Y. and featuring Lew Holtz, a Broadway Comedian of "ZIEGFELD'S FOLLIES," "SHOW-BEAT," and Radio Fame.

## "The Storm" Now Plays At Proctor's, Newark

The Christmas show at Proctor's now playing, features "The

communicable infection which progresses slowly, and is deceiving in its early stages when treatment and care are most effective.

"Through the sale of these little seals, clinics, follow-up work and the examination of exposed persons are made possible. This program has been decidedly effective in preventing active cases of tuberculosis and in affording a means of early diagnosis which is essential in the cure of the disease.

"The progress made against tuberculosis in the past decade has been remarkable. The citizens of our community can continue and increase this advance by buying Christmas Seals."

Storm" with Charles Bickford, Barton Mac Lane, Preston Foster, Tom Brown, Nan Grey, Andy Devine, Frank Jenks and Samuel S. Hinds in the cast and "Just Around the Corner," Shirley Temple's new picture which Charles Farrell, Joan Davis, Bert Lahr, Bill Robinson and Amanda Duff seen with the young star. Walt Disney's "Ferdinand the Bull" also will be shown.

## Ben Weschner Is Host To Local Patrol Boys

Patrolman Harry Scott, who has charge of Patrol Boys in the schools, will lead 180 of them into the Capitol Theatre next Wednesday where they will be guests of the manager, Ben Weschner, at a Christmas and New Year's moving picture party. The public and parochial school parties are included.

## CHRISTMAS DAY

Down through almost 2,000 years Christianity has remained unshaken—the hope of mankind—when all else had failed and, in the Aeon of time, it ever will be thus, come to the contrary what nationalistic ideas and philosophies certain autocrats may have.

And, so, while it is disheartening to contemplate the state of the world on this anniversary of the birth of the Prince of Peace, let not the note be too discordant.

War and violence have engulfed a great part of the world. The threat of war has cast a shadow over those peoples who are praying for continued peace. The lesson of the greatest tragedy of modern times, the World War, has gone unheeded. Even the memory of those savage and bitter years seems to have been dimmed.

In our own country, not entirely free from rumbles of war, there is the unhappy spectacle of violent industrial strife, of political dissension unparalleled in this generation, of stark fear of the future and what it will bring.

On this morning—two days before Christmas morning—there are millions of people in Russia and in Germany forbidden by brutal autocrats to even think of the birth of the Christ who came to save the world. The glorious story of Bethlehem is blotted from the national minds. No prayers may be offered to Him. No little children may learn of His precious gift to them. In His place there has been set up a god of gross materialism as an object of worship.

What a world that sort of a world would be!

What black despair for the children of men!

But, dark as the picture may be, we know in our hearts that Christmas will live forever, long after those who would destroy it have crumbled into the dust of the ages.

Civilization cannot exist without the spirit of Him who was born in the rude stable in Bethlehem. Nor can mankind live truly without obeying the lesson He taught. The only remedy for the ills of the world is the reliance on divine guidance.

So we should take heart this Christmas Day. Out of the murky darkness will, in due time, come the light of eternal peace. When all other ways have failed, as they will, the great nations of the world will turn to the great brotherhood of man.

Take this thought with you on Christmas Day and hold it fast. And do your part to speed its coming.

## PEDESTRIAN AND DRIVER COOPERATION

Commenting on the high death rate during the pre-Christmas week from automobile accidents, Motor Vehicle Commissioner Arthur W. Magee visions the reasons as follows: Streets and sidewalks jammed with last-minute shoppers. Nerves are jaded by confusion and delay. The pedestrian becomes careless and attempts to cross through moving traffic, against the red light, or steps from behind a parked vehicle. Drivers, too, get on edge when traffic moves slower than to their liking and it is then that the accidents occur.

Last year twelve deaths occurred on the day before and a like number on Christmas Day. For the seven-day stretch before Christmas, termed by Mr. Magee the "annual Yuletide Massacre," figures last year showed it to be the most dreaded traffic week of the year in New Jersey.

"The week before Christmas should be the time of 'Peace on Earth Good Will Toward Men,'" said Mr. Magee, but last year forty-five persons lost their lives in traffic accidents during this period.

The highest two-day record of casualties

was, as pointed out, the day before and Christmas Day.

Therefore, while most of the week has gone by, extreme caution on the part of pedestrian and driver should be the order today, tomorrow, Sunday and Monday. If both will unite in a determined effort to prevent the customary Yuletide massacre there will be fewer families saddened this year than previously, the commissioner timely advises.

## JUNIOR SAFETY PATROL

The Junior Safety Patrol, or whatever name is used in the various communities where it is established, goes a long way toward educating the boys and girls how to avoid traffic accidents. In Belleville, the Junior Patrol has come to be a recognized adjunct to the local police force, in the vicinity of the public schools. The members of the patrol have become familiar to drivers of motor cars and when drivers see the patrol members gathered in the vicinity of schools, they know what is expected of them and govern themselves accordingly.

A while back, when the Junior Patrols were a new venture in traffic regulation, some drivers considered them a nuisance. But when police judges meted out punishment, where punishment was due, these obnoxious drivers learned that the patrols were not mere playthings, but real traffic authorities and that they must be accorded due recognition.

The members of the Junior Patrols have done much to lessen danger to schoolboys and schoolgirls on their way to and from school. Accidents to schoolchildren have been greatly reduced in the vicinity of public and parochial schools, through the vigilance of these young officers who have become a fixture in the daily life of Belleville as they have in other towns and cities.

In many instances, the regular traffic officers, or motorcycle officers stand guard, near the points where the Junior Patrols do their duty, ready to interpose their authority, should the signals of the youngsters be disregarded. There is a bond between the regular police and the juniors that is growing stronger and stronger every day, for it is realized that the young officers will be men some day, and perhaps some of them will don the uniform of those whom they strive to emulate.

Next Wednesday 180 local boys of the patrol with their leader, Patrolman Harry Scott, will be guests of Ben Weschner, manager of the Capitol Theatre, at a movie show. More power to these boys.

## THE DREAM STADIUM

After years of discussion—the old turf bog, nestled under the hill in the northwest section of Belleville—is moving toward its most logical and best disposition, a recreation center with a stadium to seat 5,000. The stadium idea came to light several years ago, but the cost to purchase the land was too costly from a town standpoint. Then came trying times on the taxpayer and Belleville finally fell heir to the tract through failure of owners to pay taxes. Now comes a time when 400 odd men in Belleville are about to be thrown back on relief rolls, because of lack of projects. If this occurs the tax bill would be increased tremendously, perhaps to the extent of confiscation. But there is a way out. A stadium may be built at the bog site between Division avenue and Greylock parkway west of Nolton street for \$500,000 or thereabouts.

This is a lot of money in any bank. But, the project, if approved, only will cost Belleville taxpayers \$25,000, at the most, it is said. The Federal Government will pay the remainder. Presto! The relief problem is solved because 400 men may thereby find work for an entire year and Belleville's budget is not increased on that score. The town planned to grade town-owned lots and use the earth thus obtained to fill in the bog, anyway. This project—an incomplete one so far as stands, ball fields and other improvements are concerned—would have cost Belleville about \$15,000. It seems fine business to spend between \$7,000 and \$10,000 more to get a worthwhile project to replace one that would last only a month or so, at the same time sparing taxpayers the problem of caring for 400 odd families for a year. The value of the field as an athletic enterprise often has been told. Over a year ago, following many other favorable articles over years in this paper a "municipal stadium, second to none in the East" was pictured. It seems that perhaps the dream is coming true, because Director of Public Works Patrick A. Waters knows a good thing for the town when he sees it. He can't afford to make a mistake on this. It involves a cool one-half million dollars.

### MERRY CHRISTMAS

It seems to us that the first thing we should all do in connection with Christmas is to remember that it is the Birthday of Christ. That goes for all races, all creeds—whether Christian or otherwise—for despite yesterday's blatant declaration in the German press to the effect that Christmas is a holiday that belongs to them and does not, as their Weihnachtsen "Sacred Night" commemorate the birth of Christ, the Christian world in particular and most of the world in general regards the twenty-fifth of December as a Holy Day, celebrating the birth of the Founder of Christianity.

It seems to us also that regardless of religious views it is a day that all in the world could fittingly celebrate. Whatever opinions one might have at variance with Christianity and any of its interpretations, all must admit that the plain, fundamental, moral truths that Christ preached should be followed by all thinking humanity. We agree with the religionists who propound the thought that more of the spirit of Christ and more application of His teachings is what is needed to overcome the shocking conditions that exist in so many sections of the world today.

And so the first thing we should do Christmas is to remember the meaning of the day. The second thing we should do is to remember it is not a day for self but a day to give of one's self to others in the Christian spirit of casting one's bread upon the waters.

And then it seems to us that Christmas and this holiday season is a mighty good time to take stock of one's self and to all thinking folks who live in this country, regardless of their economic status, such a stock-taking should first of all make us profoundly glad that we live in this country. Our country, despite interior economic disturbances and exterior political differences, is at peace. It has no war in contemplation. It is not necessary for us to build Maginot lines nor shell-proof shelters. It is not necessary for us to distribute gas masks to women and children and the whole civilian population and we are trying earnestly to consummate an agreement of peaceful, co-operative purpose with all of the nations of this hemisphere.

And it would seem too at this Christmas time that the thinking American of whatever political complexion, should be happy that during the past year there has been a bit of a turn away from the complete one-sidedness of our political regimen into more of a two-party government so that both sides of political questions will be more carefully reviewed than they have in the past.

And the Americans who are fortunate enough to live in Belleville should appreciate the calm and peace that has prevailed here, —the fine administration that our municipality has had and the progress and development that it is experiencing.

May all the world have a Merry Christmas—may we of Belleville, in having a Merry Christmas, give thought and appreciation for the reasons that we have to be merry.

Yours 'til next week,  
"GUARDIAN"

## LOOKING BACKWARD

### Five Years

Director of Streets and Public Improvements Patrick A. Waters put 500 men to work on CWA storm sewer projects, saving the town \$110,000 by use of Federal funds. Patrolmen were detailed to notify men that they were wanted for the work.

Christmas carols by the combined glee clubs under the direction of Miss Alice Walters, music instructor, featured the December meeting of the Belleville High School Parent-Teacher Association in the high school auditorium. The speaker was John B. Scharf, superintendent of schools in South Orange and Maplewood and an ardent worker in the New Jersey State Teachers' Association.

Seventeen Boy Scouts from Troop No. 92 made their annual hike to Blairstown.

Dr. B. A. Jacobson was elected president of the Progress Club. Other officers named were: Vice-president, Samuel J. Kogan; treasurer, George Cherin; secretary, Michael Smith, and sergeant-at-arms, Benjamin Becker. Edward J. Abramson, who served as president, after serving five years, was named chairman of the Board of Trustees, other members of which were Abram Atkins and Samuel Lindenbaum.

### Ten Years

President G. R. B. Symonds of the Nutley-Belleville Buick Company announced the formal opening of the concern's new headquarters at 66-68 Washington avenue, Nutley, near the Belleville line.

Corporation Counsel John B.

Brown reported at a meeting of the Town Commission that the Supreme Court had upheld former Recorder George A. Fitzsimmons in his conviction of the Durkin Lumber Company, which had established a lumber yard in a residential zone in violation of the zone ordinance.

Three thousand persons saw the Plenge-Schumacher family football game.

Belleville firemen elected officers as follows: Hook and Ladder Company president, Alfred Duffy; vice-president, Glen Lehman; secretary, Patrick Golsner; representative to Relief Association, William Street, Company No. 1, president, Captain John McCoy; vice-president, James Murphy, secretary, William Gilchrist; representatives of Relief Association, McCoy and James Flynn; Company No. 2, Washington Avenue, president, Chief A. R. Reid; vice-president, John F. Flanagan; treasurer, Joseph Stephens; representative to Relief Association, Michael Hamley. Silver Lake did not elect but named Joseph D'Elia as relief representative.

### Fifteen Years

Belleville Rotary Club passed a resolution, which was authorized sent to public officials, protesting against pollution of the Passaic River "which has continued for many years in ever increasing quantity." Other resolutions of a civic nature were passed and similar copies sent to interested officials.

A community Christmas celebration was planned.

under the auspices of the Recreation Commission in the high school. It was a pageant presentation of the prophecy and the fulfillment of the Nativity, preceded by community singing of Christmas hymns and carols, and a short talk by Dr. George G. Yarrow.

Plans for the celebration of Christmas in the churches and Sunday schools of the Methodist Episcopal Church had been postponed in the "face of the awful calamity that has befallen Japanese Methodism."

### Twenty Years

William Roth, Main street, a machinist with the Thomson Machine Company, made enough money building boats in his spare time to build a house. A stepson of Mr. Roth, William Kreiss, was at West Point.

F. A. Cass, Rossmore place, was named head of the Red Cross Christmas roll call. There was a house-to-house canvass and booths with workers in uniform in the First National Bank.

Star of Belleville Circle, Companions of the Forest of America, planned a social and dance in the First National Bank building. The Catholic Daughters of America and Knights of Columbus also met in the room above the main bank offices.

Thomas Hood moved from 232 John street to Belleville avenue to 91 Quarry street (now Union avenue).

## GLEE CLUB PLEASES LARGE AUDIENCE IN WINTER CONCERT

The winter concert of the Belleville Glee Club presented at Public School No. 10 Wednesday evening was generously applauded by a capacity audience of 500 and generally acclaimed as the best rendition ever given by the club.

The improvement in the club's technique was noted by such eminent singers as Romney Fell, who attended as the guest of Director Jacobus, Ernest Pulsford, president of the Glee Club of Nutley, and B. Franklin Hart, president of the North Jersey Council, Associated Glee Clubs of America. They were emphatic in their praise of the excellent work being done by Mr. Jacobus in making the local club a real musical organization of which the town may be justly proud.

Miss Helen Harbort, guest artist, was in excellent voice and her renditions were faultless. Her groups were very generous, so she responded to only one encore after each. Her first encore was Franz's "Dedication" and the second a song from the "Firefly" by Victor Herbert. Miss Harbort also sang with the club in "The Shepherd's Story."

J. Lester Gorton, Edward Burnett, John Markoe and Robert Cocks, members of the club, handled their incidental solos in excellent style.

After the holidays, the club will resume its rehearsals on Monday, January 16, in the Recreation House, Jorammon street and Garden avenue.

### Mrs. Columbia Esposito

Mrs. Columbia Esposito, seventy-three, 576 Union avenue, died Tuesday at home after a short illness. She was born in Italy and came to Newark fifty-three years ago. She was the widow of Carmine Esposito, retired Newark merchant, after whose death four years ago she went to live with a daughter, Mrs. Julia Luty of North Arlington. She came to Belleville two months ago to live with another daughter, Mrs. Rose Nappa. She also

## Meador Wright's PIQUANT POLITICS

The views expressed in this column, are entirely those of the writer and not necessarily those of the Publishers or Editors of the Belleville News.

Who is responsible for the sudden about-face of the Essex assembly delegation whereby Union's Pascoe was designated for speaker instead of Passaic's Wilensky?

The answer most frequently given is that it was brought about indirectly by the influence of the railroads of the State for a favorable compromise on unpaid taxes. Another is that Dr.

Lester H. Clee fears Lloyd Marsh, Passaic leader, as a primary opponent for governor and does not wish him to have the prestige and power that would come with control of the key legislative post. A third view lays Wilensky's defeat to revenge for Senator Foran's victory over Van Winkle as senate majority leader.

None of these views, in my judgment, is correct. The political repercussions of the switch from Wilensky, who had been definitely promised the post, were well known to all. These inevitable repercussions were considered so serious that Homer C. Zink, W. Warren Barbour and a number of other leaders tried desperately to prevent it.

Barbour Visited Clee

Barbour, even went personally to Clee's study in the Second Presbyterian Church to urge Wil-

ensky's election. Just what satisfaction he got I have not learned definitely, but the report is found that Clee had no personal opposition of Wilensky and that "other Clean Government leaders" were mainly responsible for the stand of the Essex assemblymen.

By the usual rules of the political game these "other leaders" could be none but Arthur T. Vanderbilt or William H. Seely. Since the latter was seriously ill in a hospital, it was to Vanderbilt that most eyes were turned. Why, it was asked, would the usually astute Vanderbilt be a party to what looked like a political faux pas of the first order?

My guess is that the pressure on the twenty-six Republican Assemblymen who voted to re-elect Pascoe was supplied not by the railroads, but by New Jersey department stores and other retail organizations, and that it was brought to bear because of fear that the proposed thirty-five million dollar gross receipts tax might pass otherwise. Except possibly the utilities, no group in New Jersey can exert more influence with the legislature than the department stores.

### Fear Receipts Tax

Retail organizations consider the gross receipts tax more injurious than the sales tax. It is one per cent higher and, unlike the sales tax, it is not paid directly by the consumer. Hence, they have such a tax once on the books, public opinion would be much harder to marshal for its repeal than with a tax which every voter must pay directly. A public campaign is now being developed against the gross receipts tax.

## Service Bureau Christmas Plans

The Case Committee of the Community Service Bureau Thursday in the home of Mrs. Herbert Vail made plans in connection with Christmas giving.

Mrs. Julia O. Reiner, executive secretary, reported that the response from organizations in planning together to avoid duplication spread Christmas cheer as far as possible is excellent, and that results should be better this season than ever before.

The Committee went on record as approving the Nine Golden Rules for Christmas giving, which they promulgated last year, as follows: (1) A family which cannot provide its own Christmas has shown an inability to perform one of the normal functions of family life and, therefore, has revealed an important problem of adjustment.

(2) It is the duty of social workers to see that when Christmas is provided by outside sources for families where need exists, it is provided in as normal a manner as possible.

(3) That the parents should have the natural function of se-

leaves two sons, Anthony and Louis Esposito.

Funeral services will be today from the Union avenue address. Mass will be offered in Holy Family Church, Nutley at 10 A. M.

### A Christmas Reverie

At this particular season and under the present conditions it would be well to consider the great responsibility and its many ensuing obligations in calling one's self a Christian—a follower of Christ.

There is no greater title to be attained on earth, if it is thoughtfully contemplated, but it has become of little value since it is conferred on man for no more reason, than his submission to a humanly established ceremony. This alone gives man the right to claim the noblest heritage and to bear the most exalted title.

How strange that all lesser and minor titles are only bestowed on that man who has given definite evidence and valuable proof of efforts and achievements along certain lines of endeavor. There surely is something entirely wrong with our sense of values and therefore we have no reliable foundation for truly worth while progress.

Unless a baptism of spiritual illumination has come to the individual, so-called Christian, he will not comprehend that he has to earn his title step by step in countless tests, before he be admitted into the ranks of The Unseen Army of God, which is comprised of true followers of the Christ example.

Let us be humbly grateful if by this time our consciousness has become the cradle of an infant Christ-idea, where it can grow and develop through exercise of well doing, until some day it stands "in the fullness of the stature of Christ." Then we may proudly and justly wear our title, because we are giving evidence of the required accomplishments and necessary qualities.

lecting the gifts and planning for the home.

It is important to help the parents play the role of Santa Claus. As a rule gifts for children should be given to the parents. This gives the mother and father the pleasure which parents in other families have, of providing the Christmas joy. Children should receive their gifts from the parents and not from strangers, thus tying tighter the family bonds. The mother and father also should be encouraged to plan with the children for gifts, however, inexpensive, that they may give to each other and to their parents.

(4) This may often be achieved by substituting money and credit for the giving of specific articles or Christmas baskets.

It is good training for the mother to shop around for various gifts. This shopping more so than if it been provided without on the part of the mother or the family.

It is quite obvious that Christmas baskets do not adequately fill the need; a meal may be the most important and is undoubtedly the most transitory of Christmas gifts.

(5) Children should not know that the Christmas has been provided for through outside sources.

(6) Christmas provided should not be out of proportion to the standards of living of the family. (7) Christmas is a time to make temporary acquaintances by means of Christmas gifts and therefore, no name and addresses should be given to prospective donors (in the case of those who wish to give personal service, and act as friendly visitors, the introduction to the family should be accomplished far enough in advance of Christmas so that the principles would still be good).

This raises the question of maintaining the interest of donor who has no personal contact with the family. Experience has shown that where the provided articles, or funds to obtain them, through a social agency, a full report of the use to which those funds were has proved entirely satisfactory.

(8) There may be opposition to these plans on the part of recipients, but this attitude reflects a breakdown of the family morale for which we are partially responsible.

The receiving of Christmas gifts has become habitual on the part of these families and has not been recognized by them as one type of dependency. In other words, they may have become so inured to the situation that they do not realize its effect upon themselves. This condition is not a healthy one and it can be removed only by controlling and redirecting Christmas giving.

(9) Public campaigning for funds for Christmas giving should not be carried on, as such appeals may intensify the problem by creating an undue interest in this particular type of benevolence. On the other hand, we shall be able fully to utilize the spontaneous Christmas spirit of kindness in the manner outlined.

The Case Committee went on record unanimously as sponsoring gifts to families, thus enabling them to plan their own Christmas masses. Mrs. Reiner reported that the Community Service Bureau had no special funds for Christmas giving, but that a number of organizations and individuals special contributions to the bureau at Christmas time for particular purpose.

These present were: Mrs. Mrs. Ernest Roock, Mrs. Adams, John Hewitt, Leonard E. Merz, Rochlin, secretary, Petersen, Rev. Walter John Huemer, Mrs. Drais and Mrs. George

"Christian Science" is the Lesson-Sermon subject for Sunday, December 25, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined." (Isaiah 9:2)

Among the Lesson-Sermon citations is the following from the Bible: "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven." (Matthew 5:16)

The Lesson-Sermon also includes this passage from the Christian Science textbook, "Science and Health with Key to the

Scriptures" by Mary Baker Eddy: "Today the healing power of Truth is widely demonstrated as an imminent, eternal Science, instead of a phenomenal exhibition. Its appearing is the coming anew of the gospel of 'on earth peace, goodwill toward men.'" (p.150)

## School Programs Carry Out Semi-Religious Theme

### Varied Schedules Were Followed In All Ten Local Institutions

Christmas programs in the schools were splendidly arranged and carried out as follows:

#### School No. 1

Principal Miss Alice McDavit

The third grade of Miss Estelle in School No. 1 will present a play, "Marion's Christmas Party" today. It tells the story of a little girl who is ill and has been absent from school. Some of her classmates go to visit her at Christmas time. They entertain her in various ways. They sing Christmas songs for her. Four dolls, played by Joyce Jacob, Joan Martin, Edna Deighan and June Peck, dance and sing. Ellen McGrotty tells a riddle about Santa Claus. June Seabert recites a poem about her little pussy. Four children tell how they are going to make this a happy Christmas. This party makes the little sick girl, played by Patty McHugh, very happy.

#### Christopher's Orphans

A Christmas play in one act, was presented by the 7A class of School No. 1 yesterday. The play related the amusing, and sometimes sad, events in the lives of the nine Kelly orphans. Leading roles were taken by Howard Vehlase, as "Chris," Jean Mitchell, "Mary Ann," and George Granger, "Whippet." Other players included David Martin, Evelyn Lisher, Ethel Roberts, John and George Brown, Charlotte Baisley, Florence Jacob, Doris Johnson, Grace Mertz, Anna Morrow, Anna Bean, Arlean Cook, Helen Bindall and Doris McDonnell. The scenery for the play was made by Kenneth Place and Eugene Baldwin. The play was directed by Miss Evelyn McCloskey.

#### School No. 2

Principal, Fred W. Evans

The program this morning at School No. 2 is under the direction of Miss Dorothy Atkinson and Miss Edith De Rosa. Pupils of the first and second grades are taking part in the various numbers. The program is as follows: Bible reading, salute to the flag, and prayer. Greetings, Andrew Ostapko; Santa Claus song, first and second grades; recitation, Robert Ammend; selection by first grade band, recitation, Pauline Kurtz; "A Christmas Surprise" characters—Mr. Santa Claus, Morris Giunta; Mrs. Santa Claus, Natalie Dymek; Brownies, Charles Larrat; Allan Webb and Anthony Rindall; mother, Eleanor Jayson; father, Richard Lontka; Dick, Daniel Maglione; Dolly, Connie Valesco; Christmas Spirit, Joan Hopper; four poor children, Doris Schuyler, Dolores Goglia, Salvatore Mignone and Lawrence Veniero.

After the program, the children will return to their rooms. Mr. Santa Claus will deliver a present to each child in the school.

#### School No. 3, Joramelon Street

Principal, William F. Richards

A forty-minute program, including a playlet, "The Christmas Gimme," features the characters which will be presented at 9 o'clock this morning in Public School No. 3. Characters are as follows: Thomas Biake, George Kimmerle; Mrs. Emily Blake, Shirley Clark; Mabel Blake, Margie Evangelista; James Blake, Harry Ennis; Grandfather Blake, Aron Brillion; Mrs. Ada Metcalf, Mary G. Salkeld; Dorothy Metcalf, Bernice Gallagher; Jerome Metcalf, George Davis; Della, Lois Kittle; Mrs. O'Grady, Ellen Schurr; Rosie O'Grady, Marilyn Sidley; Willie O'Grady, James Hyde; Danny, Louis Zuckerman; and Lucy Linder, Carol Frost. The scene takes place in the living room of the Blake home, early Christmas Eve. The presentation is under the direction of Miss Lena M. Dunlap's home room.

From 1 until 2 o'clock there will be caroling under the direction of Miss Agnes V. Gailey, director of music in No. 3 School.

#### School No. 4, Silver Lake

Principal, Shawyer

The Girls' Glee Club gave a cantata, "The Wondrous Story." There was a solo, "Jesu Bambino" by Concetta Rossi and the Boys' Choir sang "The Birthday of the King" and "The Cradle Hymn." A group of eight girls sang "Sleep Holy Babe" and there was a Christmas reading by Frank Ardino with piano accompaniment. The recessional, "O Come All Ye Faithful," followed. Commentator was Ervia Tagliatella.

There will be parties in all class rooms today.

#### Greylock School, No. 5

Principal, Robert N. Hayes

The Christmas program for the departmental section will be offered to the student body and general public at 1:15 P. M. This afternoon by the seventh and eighth grades mixed glee club, under the direction of Miss Ruth Miller, teacher, and Miss Linda Bryant, music supervisor.

As a prologue, carols will be heard in the distance played by trumpeters, Ralph Allaire and Jack Weber, following which members of the cast will enter singing the processional, "Angels From the Realms of Glory." This will be followed by the singing of the cantata, "Child Jesus," a composition by Joseph W. Clokey and Hazel Jean Kirk. Identical solos will be by Ora Bartlett, Thomas Hart, Muriel Weber, Evelyn Torma, Gertrude Wilson, Lillias Munro and Betty Doell. The recessional will be

Russ and Dorothy Baron. Snowflakes were Barbara Baker, Carmel Russo, Ruth Schabbe, Geraldine Sabie, Eleanor Phillips, Jean Lundy, Barbara Minard, Bridget Natale, John Stryker and Anna D'Antonio.

The glee clubs, under direction of Miss Conklin presented the following: The Chorists—"Peace to All," Croatian Carol; "What Light Is This" and "Kyrie Eleison," Yugo-slav carols; "Twelve O'clock," Mary Russo, solo; "He Is Born," Bulgavian Carol; Processional, "Adeste Fideles," Girls' and Boys' Glee Clubs; "Joy to the World," choristers and glee clubs; "What Child Is This," Boys' Glee Club; "Bring a Torch," Girls' Glee Club; "Deck the Halls," Boys' Glee Club; "Holy Babe," Girls' and Boys' Glee Clubs; Earl Brown, solo; "O Tannenbaum," Boys' Glee Club; "Away in a Manger," Girls' Glee Club; "Oh Little Town of Bethlehem," Girls' and Boys' Glee Clubs; "Hark, the Herald Angels Sing," with audience; "It Came Upon a Midnight Clear," Girls' and Boys' Glee Clubs; "Stille Nacht," Girls' Glee Club and recessional. Ten Chorister Monk Gowns were by Senora Adelina Macrogiesse.

#### School No. 10

Principal, Fred W. Evans

All the pupils of the afternoon kindergarten and first grade, under the direction of Miss Marie Kroner and Mrs. Grace Wagner, will present a Christmas play in the auditorium this afternoon, "The Little Fir Tree." The main characters in the cast are: First Cedar, Herbert Walker; First Spruce, Carl Schnorr; First Pine, Alice Young; Hemlock, Marlene August; First Fir Tree, Barbara Vossburg; Second Fir tree, Donald Green; Second Cedar, Philip Riede; Second Spruce, Nancy Baureis; Bluebird, Colette Tupper; Snowbird, Catherine Williams; Second Pine, Robert Wilson; North Wind, Robert Snyder; Snow, James Stewart; boy, Charles Tronicks; girl, Phyllis Smith; nurses, Merle Heuser, Jeanne Zrike; John, Bill Bailey; Mary, Patricia Donovan; Kate, Jacqueline Chiappari and Bob, Richard Roeloffs.

Christmas carols will be sung by the entire school under the leadership of Miss Margaret Bunce, supervisor of music. An appropriate Eve selection was read by the principal.

# SPORTS BEFORE YOUR EYES

By Joe Duval

## SPORTS BEFORE YOUR EYES

"Belleville Has Title Hopes" says one Newark paper in a headline that seemed a bit premature since the Bellboys had at the time topped a decision to their Alumni and had not yet pinned Paterson Central's ears back. However, we do concur that the Belleville team has the stuff of which champions are made. A fast, accurate team that will lose few games to any opponents this year. A little truck at what was, for most of them, their first varsity game, Bellboys failed to cash in on even half of their foul shots and make up the disadvantage of the grade extra field goals. The game takes next year when they have the task of meeting Dickinson and Thomas Jefferson only four days apart.

## FASHION IS SPINACH

We held our tongue all thru the football season hoping that the High School uniform designers (who must have some surrealist blood in their veins) would let up on the poor spectators when the grid term was over. But now that the convict stripes have carried over to the basketball court we must add a feeble voice to those others and beg for mercy. What distresses us more than the blue and gold horizontal stripes (for we make no pretensions at being an art connoisseur) is the impossibility of distinguishing gold numbers outlined in blue against such a background. There are very definite rules about all players wearing numbers, but Belleville teams might just as well be zeros. Perhaps camouflage is the thing in warfare, but things can be carried too far. We never could see the aptness of the Zebra non-de-guerre anyway. Wouldn't the gnu or the three-toed sloth do just as well?

## ASIDE TO THE RECREATION BASKETBALLERS

Don't be surprised some time if you get to the High School gym to play your scheduled league game and find the doors locked. You'll know that nobody could find a policeman to supervise the evening's doings. We hear that this is the point stressed at Monday's meeting of the town commission. The gymnasium will not be there to keep things under control. The story leaks out about smoking in the balcony with the smokers (who are probably too young to tell their folks they are smoking) refusing to obey the civil authorities at the game when they were told to stop. Also tales of juvenile sabotage which are nothing unusual, but which stamp the perpetrators as being sub-normal if they are physically over seven. Marking on walls, breaking bulbs and the etcetera are lots of fun at the time but somehow or other do not seem to tickle the funny bone of those who have to clean up the mess.

It would be rather unjust to take away the sport from the 100-odd boys who play basketball in the High School every week merely for the sake of a few miscreants. Should such a thing come about, leave it to the basketballers themselves to handle the situation as it should be handled.

Your columnist joins his voice with the millions throughout the world and wishes every one of you a truly heartfelt Merry Christmas and a Happy New Year.

## IN THE BOWLING SPORTLIGHT

Some day we may have a headline: "R. C. A. Bowls Less Than 100 For One Game!" That will be the day. The radio boys have a string of "grand" scores that would choke a horse. Mike's Hardware gave the leading Dunmores an odd-game in the N. J. League and tied their high game score of 997. Bob Schneider needed a strike on the last ball for a new high score but was touched on a good hit. Joe Romano of baseball fame broke into the league with a fifty 208. Sweet's Pike Tave, put up a new high for the Tavernloot with 1,086. They did it thru Frank Dowd's 258, Grandjean's 224, Paehle's 212, Sokol's 203. . . . Seems like we have heard some of those names before in connection with bowling around these here now parts. Wanted: information about the Belleville Crowns currently in the Industrial League or other.

## For College Issues 1938-39 Basketball Schedule

The Athletic Association of Newark Junior College, 121-23 Clinton avenue, has released the varsity basketball schedule for the 1938-39 season. The Newark Junior College basketball squad, under the able direction of Coach Edward Gottlieb, is practicing diligently and gives every indication of being a top-notch in local collegiate competition. Coach Gottlieb, formerly coach of the Monmouth Junior College basketball team, which won the mythical state Junior College championship in 1935, has a nucleus of former outstanding scholastic luminaries, and which he hopes to build into the championship team.

Russell Hill, former Hillside High School star; Ernest Shaw, former Union Junior College star; Joseph Todres, former of the University of Newark; John Brown, Northwestern; and others, are the mainstays of the varsity squad. Other members include Henry Landis, Claude Smith, Herbert Kramer, Robert Basch, Robert Riley and Ray Fishman.

The temporary schedule is as follows: December 14, Essex Junior College; January 11, South Junior College; Jan-

uary 19, Panzer College Junior Varsity; February 1, Morris Junior College; February 11, Newark University Junior Varsity; February 23, Union Junior College.

# Bellboy Victory Over Paterson Proves Man-To-Man Defense Superiority Over Zone System

## Switch In Guarding Play Changes Complexion Of Game, Brings 49-32 Win

Belleville's official opening of the basketball season was much more satisfactory to the home folks than the unofficial curtain raising three days before. For after dropping a disappointing 36-33 decision to the Alumni Saturday night, the Bellboys came back with a vengeance Tuesday to play havoc with Paterson Central and send them back with a 49-32 tin can tied to their tails.

The game showed Belleville's high-scoring possibilities to good advantage and definitely established the superiority of the man-to-man defense over the zone system as far as the present Blue and Gold combination and the court is concerned. Zoning flopped dismally in the first half and left the Zebra in a 24-22 deficit. When the Bellboys switched to guarding individual men after the intermission it took them very little time to put the game on ice.

Adolph Paul and Pat Tortorello again led the scoring party for the locals, with the former once more having a slight edge. Dolphy had 14 points to Pat's 11. Dominately "Bones" Hannon stole the spotlight. Time and again it was he who intercepted passes and took the ball away from Paterson when a score seemed imminent. He clung to his man like a leech throughout the evening and held high-scoring opponents to a minimum of points.

The Jayvees blew a six-point lead after the half-time and watched what seemed a sure victory slip through their fingers and go to Paterson's understudies, 17-10. A technical foul, which would have tied up the game in the last three seconds, rolled harmlessly off the side of the basket and the Jayvees became the victims of their own lethargy.

## Wild Second Half

The whole battle with the Alumni was fought in the second half. During the first two periods neither team could click with offense and the intermission came with the High School enjoying a slim and temporary three-point advantage.

# TRIANGLES GAMBLE ON RENOVATING TOWN SHACK

## If It Is Not Sold Local Club Is Housed For Year

The Belleville Triangles are lucky, or are they?

At any rate they want to acquire from the town on a rent free basis for one year a two-room shack at 56 Roosevelt avenue, a piece of town-owned property, which was scheduled to be razed when Tax Assessor John F. Coogan made a report to the Town Commission at its conference Monday. As their part of the bargain the Triangles will endeavor to renovate the tumble-down structure, obtaining labor from within their ranks and trusting to luck on a month-to-month basis that a year may elapse before a buyer comes along.

The Triangles, who now gather in the cellar of a member, seek the quarters for clubrooms where they plan to establish headquarters for younger boys in the section.

Assessor Coogan said the building is dilapidated and neighbors aver that cockroaches cross the street from it. The Triangles plan to use a spray gun to clean up this situation.

The town will utilize lumber it obtains from tearing down an old barn on the Henry estate in Jordanaleon street, as a part of a cleanup program, and Charles Guozzo, who will furnish a bond, will remove a shack from 100 Magnolia street.

the Alumni took the lead and never relinquished it. Bob Jackson led the way to the former stars and every man but one on the "old-timers" team had a hand in the scoring. Adolph Paul and Pat Tortorello were tops in the evening's scoring columns with eleven and nine points respectively. Defensively Bob Gibler was the standout.

The Jayvees split into two teams and battled through an unusual sort of preliminary game. The Gold squad, held to a measly two points in the first half, came back with a rush which almost caught the Blues but which fell short by five points. Jim Shanahan led both teams in scoring. He tabbed eight points.

## Get Two Deer

Smiling William Priestman, manager of Herdman Chevrolet Co., your local neighborhood dealer, 514 Washington avenue has a broader smile than usual these days.

Recently on a hunting trip with Ken Van Campen and W. L. Tucker in the Kittatinny Mountains near Delaware Water Gap, "Bill" and "Ken" each shot a deer, one weighing 210 pounds, the other, 165 pounds. One deer was shot at 9 A. M.; the other at 2:30 P. M. the same day.

## School Attendance

A report of Supervising Principal of Schools Wayne R. Parmar to the Board of Education meeting Monday night showed the percentage of attendance in local schools for November to be 95.35.

There were eight cases of whooping cough reported for the month as follows: School No. 1, 5; No. 3, 1, and No. 8, 2. There was a case of scarlet fever in School No. 3 and fifteen cases of chicken pox in No. 7. Three cases of mumps were recorded in School No. 8.

With the Manufacturers League coming into the first backstretch, the Senior loop completing its first round and the stop-and-start Intermediate circuit once more under way, the relative strength of the teams in each league is rapidly becoming more and more apparent.

Surprising Baldwin Brush, newcomer to the Senior ranks this season, put a bee-line on the championship at the beginning of the season and Baldwin Brushed aside all opposition to face it this year. Tuesday night Baldwin's high scoring machine of Stratton, Bright, Brugeman, Tully, Van De Mark, Fittish, McCourt, Brown and Piller, put their talents together to make a record score in a 4-1 game, last year's champion Belleville Rosery, 50-34.

The Royals, this winter's big disappointment in the Senior ranks, was surprised by the hustling Senators, who, led by Ed Strzyewski's 16 points, took them into camp, 29-21.

Wallace and Tiernan won its fifth consecutive game to maintain its margin of a single game over National Grain. Yeast, an outfit which started slowly but has been gathering a tremendous speed lately. The Yeasters could not get a rise out of Federal Leather Monday and pasted them under a 46-19 score.

Everything points to the game of the season when W&T and National meet for the first half title January 9. Because of Christmas and New Year's, the industrial boys have recessed their league until that date.

The Penguins overcame a major obstacle last week in their drive for the championship when they tripped last year's top team among the Intermediates, the Pals, 18-17. This looks like an outright photo finish since the Penguins and the Seminoles do not meet until January 12.

## Local Young Man Elected To German Fraternity At Duke University

Durham, Dec. 18. — Eighteen students of German language and literature were last week initiated into Delta Phi Alpha, national honorary German fraternity, at Duke University. Membership is based on outstanding scholarship in higher German courses, and in special interest in German culture and literature.

Among the new members of the order is: Walter B. Watson, son of James M. Watson, of 181 Adelaide street, Belleville. Before entering Duke, where he is a member of the junior class in Trinity college, he attended the Belleville high school where he took part in a number of student activities. At Duke Watson is following the pre-medical course of study.

## LONDOS SHOT FOR WINNER OF "ONE NIGHT" CONTEST

### Leading Mat Stars See Action Tuesday At Laurel Garden

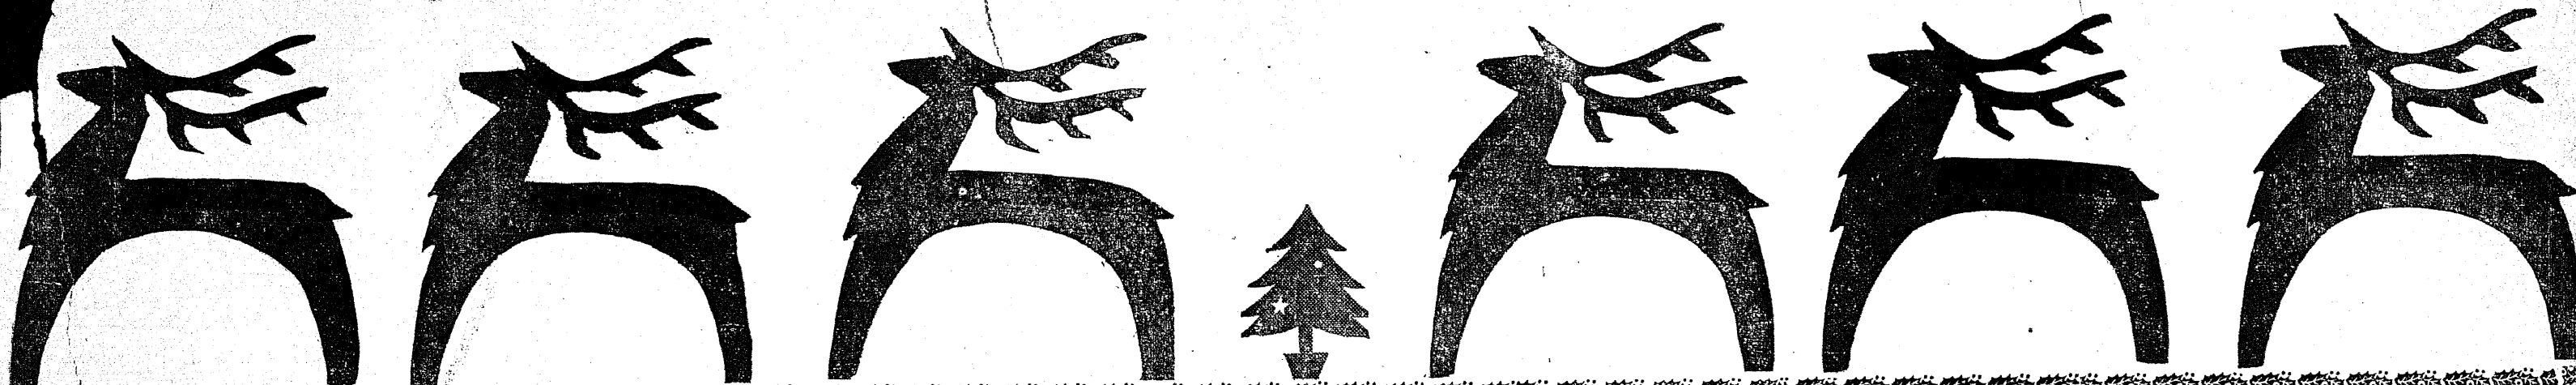

A one-night elimination wrestling tournament, the first of its kind ever attempted in Newark, in which seventeen outstanding mat stars have already filed entries and posted \$100 forfeit checks, will be staged at Laurel Garden, Tuesday night, under the promotional banner of Bill Patterson, Newark's leading sports figure.

With dozens of wrestlers clamoring for a "shot" at Jim Londos since the glamorous St. Louis Greek stepped to the fore as the best box office attraction in the business, Promoter Bill Patterson hit upon the novel idea of inviting all comers to compete in a tournament to begin and end in the same evening.

"Every wrestler who walks into my office wants to meet Londos," stated Patterson in a press interview, "and it's a cinch they can't wrestle Jimmy. I do believe, however, that any wrestler who can wade through such stiff competition as this tournament will provide, rightfully deserves a match with the Gorgeous Greek."
