

# TRAFFIC SIGNAL ISN'T NEEDED AT BRIDGE

## A. H. Vey Says Grade Separation Would Be Only Solution

Locally, there may be the feeling that the traffic conditions at the Rutgers street bridge and Main street require a traffic signal but the expert of the State Motor Vehicle Department, Arnold H. Vey, cannot see eye to eye with them. The Board of Frecholders passed on to the Town Commission this week a copy of a report from Vey in which he stated that he did not believe that a stop-and-go light would be the solution.

"Traffic control signals," he wrote, "would not provide proper regulation and control of traffic and the only real solution is that of grade separation."

By a grade separation, Vey means that one road would have to pass over the other. A two-way traffic signal would not be at all practical, Vey said, because the greatest flow of traffic at the intersection comes from three directions, east and west on Rutgers street and across the bridge and from the south on Main street. The problem is not easily solved by a three-phase light, he said, but because of the physical condition of the area it would not be entirely satisfactory.

### Not Many Accidents

The accident records of his department show, Vey said, that there have not been a large number of accidents at the intersection. He said that there had been eight accidents at the intersection for the twenty-six month period from January 1, 1939, to February 28, 1941. All of them, he claimed, were of the right angle type.

The real congestion there, he explained, is during the morning and evening periods and he commented that the local police have a man stationed there during those hours who greatly facilitate matters.

# KNITTERS WANTED BY RED CROSS

## Volunteer Knitters Wanted By Chapter; More Articles Needed

A call for volunteer workers, particularly knitters, to whom patterns will be supplied for summer work, was issued Monday evening by Mrs. Harvey Thompson and Miss Esther Adams in charge of production for the local chapter at the Monday evening meeting of the Belleville Chapter American Red Cross at the Woman's Club.

Although there are now 200 women contributing their services and Belleville's fourth quota of garments will be completed by the end of May, there is need for more knitters and more knitted articles. Those in charge of production can be contacted at the workroom in the Woman's Club.

Among the appointments made Monday evening by Frank Chambers, chairman of the unit, was the addition of Edward L. Kelly to the disaster committee, Fred Evans to the home service committee and Paul Jones and John Charlton to the publicity committee. Jones and Charlton have the special assignment of addressing organizations which are interested in keeping abreast with the current program of the Red Cross, the disposition of its funds and materials and the measure of success with which it is meeting.

Otto Breunich, chairman of the disaster committee, has met with Mayor Williams' Defense Committee to discuss the affiliation of his unit with the town program. The Belleville Post of the American Legion communicated its willingness to cooperate with the Red Cross in social service or canteen work.

### C. E. Society Meets

The Christian Endeavor Society of the Belleville Reformed Church, oldest established society of its kind in Essex County, held the first business meeting of their 59th fiscal year Monday, May 5. Newly elected president, Miss Kathryn Bungo, presided at the session when plans for the expansion of activity and interest in the club were discussed. Mrs. Carol Verhagen was appointed chairman of the Sunday evening prayer meeting committee.

A supper rally, in which all the societies of the church will participate in the services which follow the supper, has been scheduled for Sunday evening, June 8, at the church. Miss Bungo appointed committees for the affair including Subscriptions, James Lee, Jr., Leloy Davenport, Jr., Fred Littell; Publicity, James Lee, Jr.; Supper, Robert Lee; the Misses Estelle and Elizabeth Lee, Ruth Wood and Gloria Huber, Mrs. Fred Littell, Mrs. John Struyk; Program, Mrs. Anthony Verhagen and Music, Anthony Verhagen.

# Town Board and Youth "Commissioners"

The town commissioners joined in with the schools' effort in the observance of National Youth Week on Tuesday night when they invited the high school youths who had been elected "commissioners" for the week to sit in with them at the town meeting. Those seated in the picture from left to right are Public Safety Director Clark, Mayor Williams, "Mayor" John Calicchio, Commissioner King and Commissioner Waters. In the rear from left to right are John Malcolm (Public Safety), Commissioner Noll, John Weber (Park and Recreation) Charles Schlecker (Public Affairs) and William Smith (Public Works).

# MEMORIAL DAY PLANS MADE

## Town Commissioners Invited To Participate In Program

Plans are being formulated for Belleville to pay its annual tribute to the war dead on Memorial Day, May 30. The committee in charge of arrangements invited the town commissioners to participate in a letter accompanying a report made on the progress for the preparation of the event.

On May 25, the Sunday preceding Memorial Day, memorial services will be held in the Wesley Methodist Church with the Rev. Edgar M. Compton, the pastor, in charge. It will be held at 7:45 p.m.

The exercises on Memorial Day will start at the Town Hall in front of the Victory Monument to be followed by the formation of the parade, in which the veterans' organizations, fraternal and civic groups and junior organizations will participate.

Cub Pack 350 will be among the groups that will participate in the parade to the war dead. They will meet at the Town Hall and join in the parade with other civic and patriotic groups.

The Junior Boy Scouts will also play an important part in the Boy Scout Camporee to be held at the Turf Bog Stadium on Saturday, June 7. A circus program has been arranged with the members of each den having a part. The youngsters are now busy making make-believe animals.

Three new Cubs have joined. They are Nelson Landon, Thomas Hagoot and Nelson Shaw.

# PARENTS TO GIVE GAY 90'S SHOW

## School No. 10 P.T.A. Plans Production Scheduled For May 22, 23

More than sixty parents, members of the Parent-Teacher Association of School No. 10, will take part in the minstrel and "Gay Nineties" show which that group will present in the auditorium of the school on Friday and Saturday evenings, May 22 and 23. Leo Hood of Academy street, a teacher at School No. 10, is cast in one of the leading roles of the performance which is entitled "Cuttin' Loose."

A matinee performance has been arranged for all high school and grade school pupils at 2:30 Saturday, May 17. This was found necessary because advance sales of tickets for the evening performances to adults entirely consumed the seating capacity for the evening performances. Those who have prominent positions in the cast are Mr. and Mrs. George Stickle, Mr. and Mrs. George Carter, Mr. and Mrs. John Havas, Mr. and Mrs. C. J. Lee, Mrs. George Lynch, Mrs. James Rutledge, Mrs. Robert Woodhall, Mrs. Peter Johnson, Mrs. Alex McEever, Mrs. Frank Thalheimer, Mrs. William J. O'Connor, Mrs. William Rich and Raymond Connolly.

# Woman's Club Card Party Set For Wednesday

A public card party will be conducted Wednesday evening, May 23, at the Woman's Club on Rossmore place by the Rooftop Branch of the International Sunshine Society. Play will commence at 8:30. Mrs. Anna Fleming, president, will be in charge. The forty-fifth annual convention of the society is now being conducted at St. Paul, Minn. with delegates from 300 branches in session.

Belleville's track team scored its third victory in four starts when it defeated Lyndhurst 53.5-32.5 at Brookdale Park Tuesday afternoon. Belleville score a clean sweep in the shot put, Johnnie Walker led the scorers by picking up fifteen points with first in the 100-yard and 220-yard dashes and in the broad jump.

# Montgomery Church Calls New York Pastor

At a meeting of the Vacancy Committee of Montgomery Presbyterian Church Friday evening at the church it was unanimously voted by the members that a call be issued to Dr. Oliver W. Chapin of Margaretville, N. Y., to accept the pastorate of the church which is now temporarily filled by Rev. Frank J. Milman of Newark.

The call will be issued to Dr. Chapin, who is at present pastor of the Margaretville Presbyterian Church, at the summer meeting of the Presbytery. If accepted by him, the new pastor will probably assume his duties in the fall.

# WOMEN TO HOLD FLOWER SHOW

## Event Will Be Held This Afternoon And Evening

A flower show is being held this afternoon and evening at The Woman's Club on Rossmore place under the auspices of the Garden department of that organization. Mrs. Joseph Ryan is chairman of the department and the exhibits are supervised by Mrs. Harvey Thompson.

On Monday cars will leave the clubhouse at noon with members of the American Home department who are going to visit the Lenox-China factory at Trenton. Mrs. Arthur Mayer, Mrs. Luther VanFelt, Mrs. Henry Noll, Mrs. Arthur Ackerman, Mrs. Kenneth VanCampen, Mrs. Charles Smith, Mrs. James Lynch, Mrs. Frederick Idenden, Mrs. Louis Noll, Mrs. John DeNike, Mrs. Daniel J. O'Connor, Mrs. Andrew Kenneth, Mrs. Joseph Ryan, Mrs. Henry Gassner, Mrs. George Brown, Mrs. W. D. Clark, Jr., Mrs. Dwight Streeter, Mrs. Matthew Atkinson, Mrs. Lloyd Nunn, Mrs. Joseph Kilpatrick, Mrs. William Chapman, Mrs. William Irvine, Mrs. F. Kenneth Mase and Mrs. Albert K. McBride will make the trip.

On Tuesday members of the Music Department will attend the Golden Jubilee convention in Atlantic City. Mrs. Winfield Stone of this department will sing Tuesday and Wednesday evenings with the convention chorus of 1,000 voices.

Mrs. J. Claude Powers of Division of International Relations department, will entertain that group at her home next Thursday afternoon when the last meeting of the season will be held.

# Women Are Working Hard On Jewish Appeal Drive

The joint 1941 drive of the United Jewish Appeal of Essex County, with two weeks of active campaigning already past, swings into its third week with solicitation proceeding energetically among the three divisions, men's, women's and youth. Executive leaders, viewing the results of the two weeks, are confident of a successful campaign. The drive closes May 26.

The Belleville committee of the women's division will meet Tuesday at the Congregation to report on final plans for the drive. The division is pledged to redouble its record subscriptions of last year.

Mrs. Sol Weinglass, chairman, in a report to her executive committee stated that only "all-out efforts in behalf of humanity would enable the 1941 drive to go over the top. We are working for a great cause that is concomitant with the ideals of this wonderful democracy, one of whose cardinal principles is aid to the needy."

She also said that Belleville has responded in "wonderful fashion to the needs of our brethren throughout the world. This response has made us confident that this community will successfully answer the challenge of the needs of world Jewry."

Mrs. William Lubin, is co-chairman. Members of the executive committee are: Mrs. Abram Atkins, Mrs. Morris Berkowitz, Mrs. George Scherlin, Mrs. Edward Ackerman, Mrs. Harry Mellion, Mrs. Sam Lindenbaum, Mrs. Irving Garson, Mrs. Sidney Lavin, Mrs. A. Goldstein, Mrs. Murray Steinhauer and Mrs. Edward Kaplan.

# PRAISES STUDENT ART WINNER

## Art Instructor Tells Parmer Of Honor Walter Garvey Has Given School

For the second time in three years a Belleville High art student has won a national award in the National Scholastic Art Competition at the Fine Arts Galleries of Carnegie University in Pittsburgh. First prize for fine pen work was awarded this week to Walter Garvey. There was only one other first prize in New Jersey among the thirty-five high school students from this state who were given some mention in the national school exhibition for their work.

Garvey's prize drawing was entitled "My Friend's Dad."

P. Webster Diehl is head of the high school art department which instructs the students in the various types of drawing and painting. Annually, local students are among the leaders in scholastic competitions.

Diehl in a letter to Superintendent of Schools Wayne R. Parmer said in part:

"I wish to call your attention to the fact that Belleville High School was the only school in New Jersey to win a national award in the fine arts, outside of the fields of music and photography. This is the second time in three years that Belleville has received the honor in a competition which draws 30,000 entries from cities like New York, Philadelphia and Chicago."

"Since these larger cities have thousands of students where we have hundreds, schools the size of Belleville feel highly honored merely to have work selected to be hung in the gallery exhibit. For very obvious reasons many of these small schools consider winning an award of any class a thing that comes once in a lifetime. So we feel that Belleville students have acquitted themselves with honor to the school in winning two national and more than a dozen minor awards in the scholastic competition during the past three years."

# Cops Arrested Forty-Five For Speeding In April

Forty-five arrests for speeding topped the ninety-two pinches made during April by the police department for motor vehicle violations. This headed the monthly report of Police Chief Spatz to the Town Commission on Tuesday night which also showed twelve other arrests for various violations.

# Just Hinting What's Ahead

Tomorrow night the Petrean Club actors, comedians, singers, dancers and what have you will open their three-night stand with the presentation of their original musical comedy, "Urscul U" at St. Peter's Hall. Pictured above are four of the leads — comic and otherwise — from the show. Mention of who they are, where they are going or what they are doing has been deleted by request until tomorrow, Saturday or Sunday night.

The youngsters had a "sneak" preview of the show on Sunday afternoon and since none asked for their money back, the Petreans are pretty sure that they have another hit which will take its place with their initial offering last spring when they presented the Gay Nineties Revue.

# CLARK IN MOVE TO EQUALIZE SALARIES

## Three New Posts Created In Police, Fire Forces; Two Deputy Chiefs

Public Safety Director Clark introduced two measures before the Town Commission this week which would revise and amend the salary scale for both police and firemen and which would create new position in each of the departments. While the question of wages most concerns those in the police and fire forces, there was considerable interest in the section in each ordinance which provided for the creation of the post of deputy chief in both departments and police detective sergeant.

The ordinance regulating the police department also eliminated the post of one captain. There will be hearing before the Town Commission on the amendments on May 27.

The action is an effort by Clark to eliminate salary inequalities which have existed for the past six years. In 1935, George R. Gerard, who was then police and fire head, made pay reductions which have caused discrepancies in maximum wages paid to men hired before 1935 and those who have been appointed since that date.

For the police department the new ordinance provides that the salary of the chief shall be \$3,500, deputy chief, \$3,400; captain, begin at \$3,000 and shall increase yearly \$100 to \$3,200 maximum; lieutenant, \$2,900; sergeant or detective sergeant, begin at \$2,600 and increase \$100 yearly to maximum of \$2,800; patrolmen, being at \$1,800 and increase annually \$100 to \$2,300 and then be increased the following year \$200 to \$2,500 maximum.

### For Fire Department

The amendment affecting the fire force states that the chief's salary shall start at \$3,300 and increase \$100 yearly to a \$3,500 maximum; deputy chief, begin at \$3,100 and increase \$100 yearly to \$3,200; battalion chief, begin at \$2,900 and increase yearly \$100 to maximum of \$3,000; lieutenant, begin at \$2,600 and increase yearly \$100 to maximum of \$2,800; firemen, begin at \$1,800 and increase \$100 per year until salary reaches \$2,300 and then be increased the following year \$200 to a maximum of \$2,500.

The board voted unanimously Tuesday night to change the zone at from property owned by the town extending from 307-319 Main street to 94-108 Ralph street to industrial zone so that the H. R. Ritter Trucking Co. may erect a building there to store its trucks. The Zoning Board of Adjustment had previously unanimously recommended the zone change despite of residents, some of whom appeared Tuesday night to object.

# Listing Stadium Activities At The Town Hall

A weekly schedule list of activities at the Turf Bog Stadium has been established by Mayor Williams who has taken charge of the field. Those interested in using the stadium should consult the Mayor's office.

Each week on Monday, Tuesday, Thursday and Friday evenings the Industrial and Church softball leagues are using the field from 6 to 8. The Industrial League also plays on Wednesday nights. The local team in the Essex County League, which plays there on Sundays, will meet Caldwell on Sunday afternoon at 3:30.

# Another One For The Mantle

Branch Brook Golf Pro Maurrie O'Connor (left) is shown with Caddie Master Steve Werbach looking at the trophy which O'Connor and Amateur Mike Cestone received this week for copping the State Pro-Amateur tourney. In the background is a sign advertising the match to be held at Branch Brook tomorrow afternoon in which O'Connor will take on two of the best known national women golfers, "Patty" Berg and Helen Dettweiler.

# O'Connor Pits Golf Skill Against Women Champs

## Branch Brook Pro, Patty Berg and Helen Dettweiler In Match Here Tomorrow Afternoon; Won State Pro-Amateur with Cestone This Week

For an "old gent" of thirty-five, Professional Maurrie O'Connor of Belleville's Branch Brook golf club has been leading a right hectic life of late—and bids fair to continue it. Last weekend Maurrie and Mike Cestone, a slender Montclair postman who spends his spare time totting putters instead of letters, annexed the New Jersey State Golf Association's Pro-Amateur tourney at Montclair.

Taking the medal in a driving rain on the opening day, the pair shot nerve-racking "pressure" golf to do it, and ended up by breaking jinxes, records and bookies' hearts in the process.

And as if that weren't enough for an "aged" shotmaker, Maurrie now plans to take on two of the nation's leading women's champions, in a nine hole best ball match tomorrow at the local public course, just one week to a day from the time his battered clubs opened the season's competition at Montclair.

All of which probably calls for explanation — so with their traditional right to be "first," the ladies' case will lead off elucidations.

The renowned duo includes freckled little Patricia "Patty" Berg, former holder of the National Women's Open crown, and Helen Dettweiler, still Women's Western Open champion. Both girls are professionals today, but Miss Dettweiler retains her amateur title for the current year, under golfing rules.

### Admission Is Free

Promptly at 2:30 p.m. tomorrow, the skirted stars will give a public demonstration of their prowess in plain and fancy stroking, and will give advice to aspiring greens-pounders who want to cure that slice or leave traps without a dredge scoop. Admission to the exhibit will be free and open to all incidentally.

Then at 3 o'clock Patty, Helen and Maurrie will square off and do their best to crack par and each other's self-esteem. Maurrie will "attempt" to beat the girls' best ball, but he said yesterday that he's not too sure he'll succeed.

"I hold the course record of 64 here, and average about 70 to the girls' slightly higher scores and but they're real crackjacks and you never can tell what will happen," was the modest way the tall, heavy-set expert put it.

He emphasized, though, that regardless of results, the match will be "interesting" as an index of what the average pro can do when feminine top-notchers gang up on him from two sides. To avoid crossing highways on the first and seventh holes, the match probably will be played over the back nine and the demonstration near the tenth tee, it is understood.

But to return to other matters, already mentioned but left dangling while the gals had their inning.

### Third Time For Duo

By taking the Pro-Amateur victory last Sunday, Maurrie and Cestone made it the third time in the event's six-year history that they've carried away the \$550 Alvin Buckley trophy. This in itself is no mean feat, but in addition they become the first team ever to win the qualifying medal and the title the same year.

Three other times, for instance, they'd copped the opening prize, but not once had they or other players taken final triumphs the same annum as the medals. So odds stood at about 1,000 to 1 against their eventual success, as they topped the initial barrier with their 33-33, two under par for a 66.

But they did come through, and dopesters and gamblers alike took the rap as they sailed over Montclair's Joe Patelli and Phil Harris. Upper Montclair's Charley Gray and Steve Barrien, Forest Hill's Clarence Clark and Ferguson Hendrie, and Deal's famous Vic Ghezzi and Walt Jacobs in one-two-three order.

It wasn't easy and they had a handful of narrow escapes, but today the 19-inch silver cup stands in the local public course's caddy house for another year. Rightly it could stay there for good, because three-time possession is supposed to make the ownership permanent.

# WOOLWORTH WILL OPEN NEW STORE ON THURSDAY

## Mayor Williams Will Be First Customer Company Started In 1878

With Mayor Williams officiating at the traditional ribbon-cutting ceremony and also playing the role of the first customer, the E. W. Woolworth five-and-ten cent store will be opened next Thursday morning in 179 Washington avenue near Rutgers street. The Greco Construction Co., which has erected the building, is now putting the finishing touches on both the interior and exterior, while C. R. Moore, the manager of the new store has been supervising preparations for the grand opening.

Moore was formerly assistant manager of Woolworth's store in Herald Square, New York. He will have charge of approximately thirty employees.

The F. W. Woolworth Co. is one of the oldest retail merchandising firms in the country. This national enterprise had its founding sixty-three years ago in Watertown, N. Y. It was the inspiration of a youthful employee of a general store, Frank Winfield Woolworth. The beginning of what was to become one of the world's most famous merchandising efforts was a table set in one corner of the general store on which was a sign "Any Article 5c."

### More Than 2,000 Stores

A trial in Utica, N. Y. ended in failure but young Woolworth persisted and tried again in Lancaster, Pa. The store was a success and the founding of a great company was on its way. Today, there are more than 2,000 Woolworth stores scattered in every corner of this country and abroad.

The average stock of a single store is more than 4,613 separate items. To keep merchandise flowing constantly across Woolworth's counters means a continuous contact with hundreds of manufacturers and suppliers in nearly every state. The company has a highly organized buying system and plans are often made for more than a year in advance.

The company prides itself in the claim that within the borders of its store is something for every member of the family. In addition to the hundreds of items which will be offered for sale at the local store, there will be a modern soda fountain and luncheonette offering daily bargains in food and drink.

# TO SELL POPPIES MAY 23-24

## Mrs. Arthur Christie Heads Legion Auxiliary's Annual Drive

The local unit of the American Legion will sponsor the annual memorial poppy sale on Friday and Saturday, May 23 and 24. Mrs. Arthur Christie heads the committee which has charge of the event. Members of the auxiliary will sell the poppies which have been made by disabled war veterans.

"This year, with the threatening shadow of a new World War falling across America, the memorial poppy has new significance," said Mrs. Christie. "It shows that America still remembers and honors those who fell in its defense twenty-three years ago."

The poppies which the Auxiliary will distribute here have been made by disabled veterans at the Veteran's Hospital in Lyons. All Poppy Day workers will serve as volunteers and all of the money contributed to them for the flowers will go into the welfare fund of the Auxiliary to carry forward the Auxiliary's work for disabled veterans, their families and the families of the dead during the year ahead.

### Will Entertain Socialites

The Misses Evelyn and Helen Truitt of Linden avenue entertained the Socialites, a group organized eleven years ago when the members were attending Belleville High School, Thursday evening. Mrs. Ruth Welsh, Mrs. Viola Bastor, Mrs. Helen Pleanon and the Misses Marie Gunderman, Adele Hickock, Maria Moniot of Belleville, Miss Louise Carissini of Newark and Miss Estelle Kerr of Bloomfield were their guests.

### To Hold Penny Supper

The third annual Penny Supper given by the Good Will Chapter, World Wide Guild of Grace Baptist Church, will be held Saturday evening from 5:30 in the church recreation rooms. A showing of private motion pictures by a member of the guild will follow.

Tomorrow evening in the boys'

gym of the high school, the ju-

niors of the high school will hold

their annual Junior Prom in

honor of the graduating seniors,

the administration and the fac-

ulty. In the past few days the

gym has been undergoing a trans-

formation. Tomorrow night guests

will dance on the floor of the

ocean. This is part of the idea

suggested and worked out by Bob

Fogarty for the decorations for

the prom. Under the expert guid-

ance of Mr. Saunders and Mr.

Diehl, Bob and about thirty ju-

niors are painting and preparing

the decorations to give the proper

"under the sea" atmosphere.

Miss Helen Hollberg of the fac-

ulty is in charge of the bid com-

mittee with Virginia Hansen as

student chairman. A sail fish in

hammered silver effect with a mid-

night blue background is the

cover of the bid. This was de-

signed by Walter Garvey, recent

## THE ELECTROLUX

gives  
the Service  
you want

Proper storage is necessary if  
foods are to keep their fresh-  
ness and flavor. The Electrolux  
provides freezing cold for ice  
cubes and frozen foods—extra  
cold with enough moisture for  
meats, normal cold for dairy  
products, moist cold for fresh  
fruits and fresh vegetables.

Operated by gas, the Electrolux  
will give years of trouble free  
service. It makes no noise and  
has no moving parts to wear out  
or need repair. Cabinets are de-  
signed so that large quantities  
of food can be stored easily.  
Operating cost is low. Mod-  
erate prices. Easy payment  
terms—small amount down  
and small monthly payments.

## ENGLISH RABBI SPEAKS HERE

Rabbi Ruben Lincoln Will Speak At Final Lecture Thursday Night

Rabbi Ruben Lincoln of the Jewish Congregation in East Whitechapel, London, England, will speak at the final lecture forum sponsored by the Congregation Abrahams Achim to be held next Thursday evening in the Social Hall of the Synagogue in Washington avenue, according to an announcement by Rabbi Rubin R. Dobin and Edward J. Abramson, president.

Rabbi Lincoln, who is a well known leader of English Jewry and famous in London for his civic activities, has only recently come to these shores. He will speak on the topic, "Jews in England Now."

Rabbi Lincoln has occupied pulpits of importance in London and in other parts of the country. He has written extensively on topics of Jewish interest and world problems. He has come to this country to acquaint the people of America with the important part played by the Jewish people of England in defending democracy the world over.

He is well equipped to speak on this theme because of his extensive knowledge of England's history and the part Jews played in the upbuilding of the English empire.

The lecture will start at 9 and will be followed by a public discussion period. This is the first time that Rabbi Lincoln has appeared in this section of the country and a large turnout is expected.

### NOTICE

PUBLIC NOTICE is hereby given that the following ordinance was passed on second and third readings at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening, May 13th, 1941, having been read in its final form one week prior thereto and is therefore now a law and hereby published according to law.

FLORENCE R. MOREY, Town Clerk.

AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED, "AN ORDINANCE REGULATING AND LIMITING THE HEIGHT AND BULK OF BUILDINGS HEREINAFTER ERECTED AND REGULATING AND DETERMINING THE AREA OF YARDS, COURTS AND OTHER OPEN SPACES AND RESTRICTING CONGESTION AND REGULATING AND RESTRICTING THE LOCATION OF TRADES AND INDUSTRIES AND THE LOCATION OF BUILDINGS DESIGNATED FOR SPECIFIED USES AND ESTABLISHING THE BOUNDARIES OF ZONES FOR THE SAID PURPOSES AND PROVIDING PENALTIES FOR THE VIOLATION OF ITS PROVISIONS," Passed September 4, 1929.

The Board of Commissioners of the Town of Belleville in the County of Essex, do ordain:

Section 1. That the building zone map accompanying and made part of the ordinance to which this ordinance is an amendment is hereby amended by changing the following property from its present zoning status to an "Industrial Zone." Premises now designated on the Town of Belleville Taxing Map as: 307-319 Main Street, 94-108 Ralph Street and as Block 25, Lot 12, which is more specifically described as follows:

BEGINNING in the westerly line of Main Street where the same is intersected by the southerly line of Tract of land formerly belonging to Annie E. Van Rensselaer, thence along the southerly line of Main Street south 20 degrees 55 minutes west 171.79 feet, thence north 66 degrees 17 minutes west 270.5 feet to the easterly line of Ralph Street, thence along the same north 27 degrees 47 minutes east 176.23 feet to the southerly line of Annie E. Van Rensselaer's place, thence along the same south 65 degrees 20 minutes east 249.19 feet to the westerly line of Main Street, ending at the place of beginning.

Section 2. This ordinance shall take effect immediately after final passage and publication in accordance with law.

Passed first reading: April 22, 1941.  
Passed second reading: May 13, 1941.  
Passed third reading: May 13, 1941.

ATTEST: FLORENCE R. MOREY, Town Clerk.

### NOTICE

PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening, May 13, 1941, and further notice is hereby given that the second and third readings of said ordinance were considered by said Board at a meeting held at the Town Hall, Washington Avenue and Belleville Avenue, Tuesday evening, May 27, 1941 at 8 o'clock P.M. (D.S.T.), when all objections to the passing of the same will be heard and considered.

FLORENCE R. MOREY, Town Clerk.

AN ORDINANCE PROVIDING FOR THE CONSTRUCTION OF PENETRATION MACADAM BASE PAVEMENT WITH TYPE "A" TOP AND CONCRETE CURB ON BRIGHTON AVENUE FROM NEWARK AVENUE, NORTH 400 FEET, AND APPROPRIATING THE SUM OF THIRTY-FIVE HUNDRED DOLLARS (\$35,000.00) THEREFOR, AND AUTHORIZING THE ISSUANCE OF BONDS AND ANTICIPATION NOTES FOR SAID PURPOSE.

The Board of Commissioners of the Town of Belleville in the County of Essex, do ordain:

Section 1. That penetration macadam base pavement with Type "A" top and concrete curb be constructed on Brighton Avenue from Newark Avenue, North 400 feet, in the Town of Belleville.

Section 2. It is hereby determined and stated that it is necessary that the Town of Belleville, in the County of Essex, raise money for the purpose of constructing penetration macadam base pavement with Type "A" top and concrete curb described herein, and that the estimated maximum amount of money necessary to be raised from all sources for said purpose is \$35,000.00, and that the estimated maximum amount of money necessary to be issued for said purpose is \$33,000.00.

Section 3. To finance said purpose there is authorized the sum of \$33,000.00, which sum has been made available for said purpose in the budgets of said town, and consists of a portion of the Reserves for Debt Payment on Capital Improvements.

Section 4. To finance said purpose there shall be issued pursuant to the Local Bond Act of the State of New Jersey in anticipation of the issuance of bonds, Bond Anticipation Notes of said town, which shall not exceed in aggregate principal amount the sum of \$33,000.00. Said notes shall bear interest at the rate which shall not exceed six per centum per annum (6%) and may be renewed from time to time pursuant to and within the limitations prescribed by said Act. All matters with respect to said notes not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 5. Not more than One Hundred Dollars of the sum to be raised by the issuance of said notes may be used to finance interest on obligations issued to finance said purpose, whether temporary or permanent, or to finance engineering or inspection costs and legal expenses, or to finance the cost of the issuance of such obligations, as provided in Section 40-1-35 of Revised Statutes.

## WILL OBSERVE LAG B'OMER

Children of Congregation A.A.A. Will Participate In Festival

The thirty-third day in the counting on the Omer, that period between Passover and Shevuous, or Pentecost, will be observed by the children of the Religious School of Congregation A. A. A. in Washington avenue, with a festival celebration Sunday morning, according to an announcement by Rabbi Rubin R. Dobin, principal of the school, and by Louis Haft, chairman of the school board.

Lag B'Omer, the semi-festival, in reality occurred today but will be observed on Sunday morning. This semi-festival, which occurs during the forty-nine days between Passover and Pentecost, is largely an historical holiday. Many events are associated with it.

The following three are those most accepted: during the second century A. D. the plague which was raging among the students of Rabbi Akibah, and which carried away thousands with it, ceased its severity for a while. Another tradition given for the day is the Manna first descended to nourish the wandering Israelites in the desert on the eighteenth day of the Jewish month Iyar, which corresponds to the date of Lag B'Omer. Still another version is that before his death, Rabbi Simeon Bar Yohai revealed the secrets of the universe to his pupils, and because no rainbow had ever appeared during the life of Rabbi Simeon, bows and arrows were to be used as playthings to signalize this day of his passing.

All pupils of the school will participate in special exercises observing "I Am An American" Day, starting at 9:30. At 10 they will journey together to Weequahic Park in Newark, to participate in the Lag B'Omer athletic meet of the Jewish Education Association of Essex County.

Participating in the "I Am An American" Day observance will be Marilyn Ackerman and Honey Steinhauer and others from the Sunbeam Girls Club of the Congregation. Every child who attends will receive a patriotic emblem, symbolic of the occasion.

A daughter, Diane Louise, was born to Mr. and Mrs. Gary Vanderbilt of Nutley in St. Barnabas' Hospital on May 9. Mrs. Vanderbilt is the former Miss Ruth Tracy of Newark, Vanderbilt, a graduate of Belleville High School and member of the Belleville Glee Club, is employed in defense work as an aviation inspector for the Wright Aeronautical Corporation.

declared that the period of usefulness of the purpose for the financing of which said notes are to be issued is a period of ten years computed from the date of said bonds.

Section 7. The within improvement shall constitute a local improvement and the cost thereof shall be assessed against the abutting property to the extent of the benefits received from said improvement. It is hereby stated that the number of annual installments in which the special assessments on account of such improvement may be paid shall be five. It is hereby determined that the municipality at large will contribute no part of the payment of the cost of the within local improvement.

Section 8. It is hereby determined and declared that the supplemental Debt Statement required by said Act has been duly made and filed in the office of the Town Clerk of said town, and that such statement so filed shows that the gross debt of said town as of the date of said supplemental statement is \$1,401,776 of Revised Statutes is increased by this ordinance by \$3,300.00, and that the issuance of said notes is permitted by an exception to the debt limitations considered by said Board at a meeting to take place on May 27, 1941 at 8 o'clock P.M. (D.S.T.).

Section 9. This ordinance shall take effect twenty days after the first publication thereof after final passage.

## Coming of an Institution

As business or mercantile institutions go, there is none better known to every member of the family than the F. W. Woolworth Co. From the day a youngster buys the first ten-cent present for mother until he grows up and buys knick-knacks for the house or things for children of his own, the five-and-ten cent store plays an important part in his shopping life.

Few are the young women or even the married ones who do not enjoy counter shopping up and down the aisles of the five-and-ten in hope of seeing something that will strike their eye. No visit to the shopping district for the family is complete without a stop at one of these stores for every member of the family from Dad and Mother down to the youngest.

In low price merchandising F. W. Wool-

worth Co. is a pioneer. Started in 1878, the venture was first a failure, but the stubborn determination of the youthful originator of the idea eventually made it a success. Today, Woolworth is a household word and its stores are known world wide.

Belleville fittingly welcomes the company as the latest addition to its growing business centre. It has important significance for no concern of such importance would invest thousands of dollars in locating here if it did not believe that the community and its business area would continue to grow.

The F. W. Woolworth Co. joins with other national leaders which have located between Rutgers street and Belleville avenue on the Avenue — the Great Atlantic & Pacific Tea Co. and Sears, Roebuck & Co.

## Sign of Real Cooperation

There is something pioneer-like about the activities of the local Manufacturers' Association since the national defense program got under way. First, it was through its initiative that the defense production plan was started and a school at which unemployed could be instructed so that they would be fitted for jobs in industry was inaugurated.

During the past week the association has asked Mayor Williams to make a survey of local industry to learn what facilities are available in the various manufacturing plants that are now being used for the manufacture of defense materials.

Now, this is not something which is purely theoretical. It is not only important to Belleville so that this community may receive all that is possible in the way of defense orders, but it is vital to the suc-

cess of the program. Speedy arming of this nation for its defense is dependent upon the cooperation of all industry. Machinery that goes into making up implements of war does not necessarily come out of one or two plants. The various parts that go to make up one piece of equipment may come out of many factories.

The action of the local association in attempting to effect a plan whereby the government will be assured of the utmost in cooperation from local business is noteworthy. It is practical and it is patriotic.

A survey of local industries and a presentation of the facilities available to the government may result in more defense orders being placed here. Naturally, the manufacturers will benefit, but so will the residents who are employed in these plants and the other firms which do business with them.

## Housing From Realtors' Viewpoint

The pros and cons of the housing situation are being battled back and forth between various groups. Some are in favor of low-cost housing while others believe the solution to the housing shortage now existing in this area because of the national defense program is in government-sponsored housing projects.

Realtors seem unable to agree. However, C. Arnel Nutter, who is the president of the New Jersey Association of Real Estate Boards, thinks that Federal subsidized housing projects have reached the saturation point in this state. Any further activity in that direction, he believes, will not only penalize the taxpayer but the private developer.

"It is more than mere coincidence," he remarks, "that tax rates in Newark, Camden and other large cities have jumped up

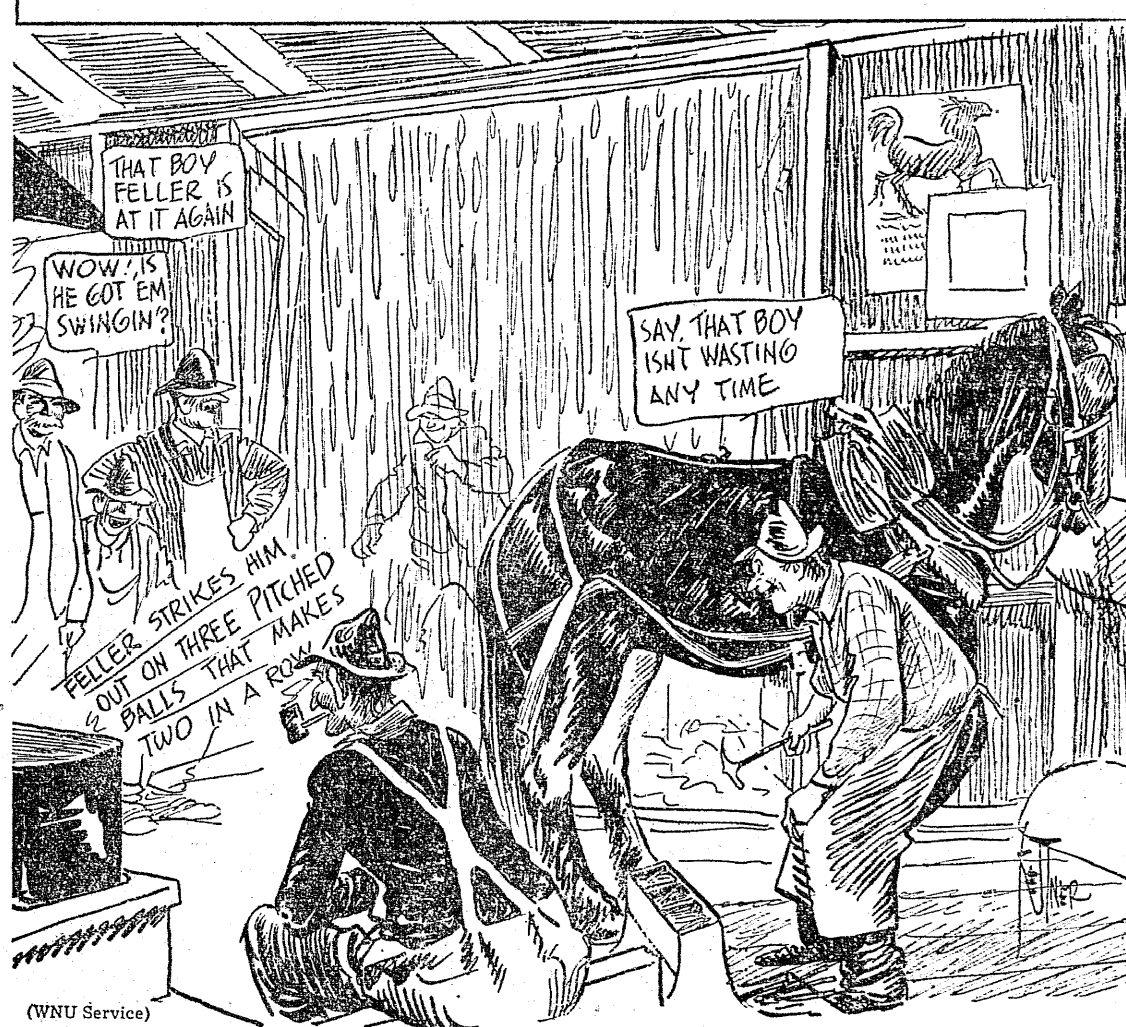

while the rates in most of our smaller communities have declined."

The association head believes that the low-cost developments now being provided by private builders are the answer to the housing shortage and that they will take care of the needs of those seeking living quarters.

This may be so in a majority of cases, but we feel inclined to put to Mr. Nutter the same question which we have put before others who have raised the argument—what is to happen to the poor fellow who is earning perhaps \$30 per week or less and has a wife and several children? He cannot buy a house — even if it sells for \$4,000, with a long payment provision.

This man is the big worry and the Federal housing program has been a great help to him.

## The Woman's Desk

by PEGGY PATTERSON

Summer with its figure revealing sports togs and light colored dresses which tend to make one appear larger, brings a sudden onslaught of dieting among women. It hardly seems possible that there remains a woman who would be foolish enough to undertake a "fad diet," but warnings continue from the medical and dietary professions where the havoc of these freak regimes is daily witnessed. Women who would sacrifice almost anything to save their children from malnutrition deliberately subject themselves to a long course of it forgetting that their own susceptibility to many of the insidious

hints are not clothed in an expensive colored brochure or accompanied by exciting "before and after" illustrations, they can easily be adapted to your individual requirements which is the only safe way of losing weight. When pleas are going out from every source for increased attention to family nutrition it should

be a great comfort to the mothers who are interested in controlling their weight that they can do so with great profit simply by passing up "freak diets" and concentrating on the essential elements.

Unless there is something radically wrong with the absorptive powers of the body, the balanced diet will do a complete job without the aid of expensive artificial vitamin products. The mistaken theory that those who are dieting can go unharmed by consuming quantities of these capsules or tablets is also gradually being undermined. In contrast to some of the difficulties of restricting one's food intake comes the cheering news that a candy made of the condensed whey of milk has been manufactured which is much less fattening than ordinary confections and can provide a great deal of satisfaction to those who are otherwise restricting sugar. This candy has the approval of the department of agriculture and need not be feared to contain deleterious "reducers."

## Legion Post Commander's Dinner Wednesday Night

Belleville American Legion Post will hold its annual past commander's dinner Wednesday evening at Parillo's. A large turnout is expected to fete Past Commander William I. Labaugh.

He has been a popular worker in Legion circles for many years and is now a candidate for county junior vice-commander. William Maser is in charge of the committee on arrangements.

### Likes 'Turf Bog Stadium'

From Lillian M. Jones, 161 Holmes street. To the Editor of The News: I read with interest your editorial in the May 8 issue ridiculing the name "Turf Bog" for our new stadium.

But I don't agree with you. For generations story and legend have centered upon the old landmark tying it up with the life of the town in its rural days.

Turf Bog sounds to me like a good Anglo-Saxon name, anyway, and I can't see anything the matter with it.

Belleville might do well in perpetuating something of the old in the new. So here's one vote for "Turf Bog Stadium" as a good, substantial distinctive name.

Possessions and Expectations We part more easily with what we possess, than with our expectation of what we wish for, because expectation always goes beyond enjoyment.

### The Draft Age

The Draft Board, at this present time, has in consideration, changing the requirements for draftees of this nation. The taking of the younger men for national conscription, should obtain the best results. This is their firm conviction.

It is our firm conviction that a thorough automobile check-up and good lubrication at Brisk's Gulf Service, Main and Rutgers Streets, will mean safer driving for you. This is even a better precaution than an accident insurance policy. Call Belleville 2-4514.

### Easily Arranged Menus

Since these things are necessary for health anyway, it is no great hardship to arrange menus in which these constituents are varied and attractive and by entirely eschewing other foods reduction is a certainty. Besides reduction accomplished at such a rate is slow enough to be harmless, is not accompanied by exhaustion and produces benefits for the skin, hair and teeth which are not to be overlooked.

Further research has shown also that certain of these foods make it possible for the dieter to avoid the empty feeling which so often causes him to despair and give up. Meat, milk, eggs and soup are found to be the best hunger preventers. Due to their need for much stomach activity and their liberation of digestive acids they occupy a longer period of digestion and thereby retard hunger. Sugar also serves the purpose, but, needless to say, must be used sparingly. It does mean, however, that simple desserts after a meal are a precaution against eating between meals, the deadly enemy of the reducer.

### Are Easily Adapted
