

TWO INSTRUCTORS ON H. S. STAFF GO IN JUNE

Edward Glaspey, English
Head, Resigns; Four Local
Women Hired As Teachers

Students, acting as members of the Board of Education in the high school's observance of National Youth Week, sat in on one of the most active meetings of the Board of Education Monday night. Resignations of four employees, including two high school teachers, were accepted and four new teachers, all of them local residents, were appointed.

Topping the resignations was that of Edward Glaspey, head of the high school English department, who will leave at the end of the term to accept a post on the staff of the Haddon Heights High School. John B. Taggart, high school history teacher, will also leave to take a position in Woodbury.

The four teachers named at starting salaries of \$1,200 per year on the recommendation of the teachers' committee headed by Charles A. Gebhardt were:

Miss Angelina DeNoia of 15 DeWitt avenue, Miss Doris G. Rosenblum of 125 Bremond street, Miss Helen Jeanne Fried of 35 Hornblower avenue and Miss Carolyn Rader of 380 Little street. Two clerks to start at \$700 a year, Miss Hermine Wohle of 56 DeWitt avenue and Miss Florence Blauvelt of 305 Greylock parkway, were also named.

McBride Quits Court Job

The board also accepted the resignation of Albert K. McBride as the high school basketball coach. He will continue in his post as the director of physical education. McBride did not state his reason for resigning, but it is believed that he was late returning from the Christmas recess because of illness and missed several of the opening games of the season.

No successor has been named. During his absence in the court season, Herman "Jitty" Wische, a member of the high school staff, filled in for him. Wische is a veteran professional and collegiate basketball star. William Tully quit as a member of the janitorial staff.

Eight teachers were placed under tenure, starting in the fall, by board action. They are: Miss Louise R. Carrell, sewing teacher; L. Howard Fox, public speaking; Miss Bertha M. Huff, cooking; Henry Minasian, commercial, and Robert B. Parker, chemistry, all of the high school; Miss Maude S. Miller, grades four and five; Miss Helen F. Kanouse, grade five, and Miss Jane C. Pichirallo, grade two.

The board also voted not to renew the contracts of three teachers, Carl H. Cristofani of the high school and Miss Miriam Glicker and Miss Elizabeth Pleister, both in School No. 8. All three would have been eligible for tenure in September, it was said.

Rabbi Lincoln Will Speak At Final Lecture Tonight

Bringing with him recent authoritative information about events in England, Rabbi Ruben Lincoln will appear at the final lecture forum of the Congregation Ahavas Anshe tonight at the Social Hall of the Synagogue, in Washington avenue.

Rabbi Lincoln is spiritual leader of the Jewish Congregation of East Whitechapel, London, England. He will speak on the topic, "Jews in England Now."

The speaker, who has only recently come to this country, is noted as an orator communal leader of the Jewish people in London and for his civic work in that community. He will discuss the part English Jewry is playing in the present situation.

The lecture will begin at 9.

Mayor's Proclamation

Bog Stadium To Become Tent City For Camporee

More Than 300 Scouts, Sea Scouts and Cubs Will Take Part; H. D. Kittle and W. D. Clark, Jr. Head Committee; To Be Held June 6, 7 and 8

Converting the Turf Bog field into a tent city, more than 300 Boy Scouts, Sea Scouts and Cubs are expected to take part in the local district's annual camporee which will be held on Friday, Saturday and Sunday, June 6, 7 and 8. An ambitious program for the three-day outdoor rendezvous has been planned by a committee with W. Douglas Clark, Jr., and Hugh D. Kittle as the general chairmen.

VETS WILL HOLD SERVICE SUNDAY

Annual Memorial Program In
Wesley Church At
7:45 In Evening

Members of the veterans' organizations and the public are invited to participate in the annual memorial services which will be held on Sunday evening at 7:45 in the Wesley Methodist Church at Washington avenue and Academy street.

Rev. Edgar M. Compton, pastor of Wesley, will be in charge of the services.

The memorial service to honor war dead is held annually the Sunday prior to the Memorial Day Parade. The members of the Memorial Day committee headed by John F. Gannon are now completing the details for the parade, which will be held on Friday morning, May 30.

The parade route will be similar to that which has been followed in past years and will include stops at various monuments and cemeteries. It will start from the Town Hall at 9:30 and will conclude with the ceremonies at the Rutgers street bridge, when the members of the Henry Vreeland Women's Relief Corps will place a flag-dedicated flower float on the Passaic river in memory of the naval men who have died.

Details of the parade route, schedule and the line of march will be published next week.

DOCTOR WILL NOT ERECT BUILDING ON THE AVENUE

Limited Parking Facilities
Cause Dr. Flynn To Abandon
Plans; Will Move

Dr. Edward A. Flynn, physician with offices at 161 Washington avenue, announced yesterday that he had abandoned plans for erecting a building at the corner of Washington avenue and Rutgers street.

He stated that he would previously announced by the physician that he would build there a structure which would not only serve as a residence but would house offices for physicians specializing in several branches of medicine.

Dr. Flynn stated that he had cancelled the plans for the building at the southeast corner of the intersection because the size of the lot would not permit adequate parking facilities.

He stated that he would remodel the house at 176 Washington avenue which was purchased from the town several months ago. The structure will be completely modernized and renovated. Dr. Flynn said that he contemplates moving his office from the present address to the new location about July 1.

Lists His Associates

Associated with him in the new offices will be Dr. N. A. Antonius, cardiology; Dr. Lewis W. Brown, pathology and allergy; Dr. Frank J. Coughlin, eye, ear, nose and throat; Dr. James J. Longo, general practice and obstetrics; and Dr. Joseph H. Wyatt, x-ray diagnosis and treatment.

The physician also announced that the property on which his present residence and office is now located has been sold to Steven Gardner of 160 Riverside drive, New York. It is understood that stores will be erected on the property.

Demolition of Dr. Flynn's present home would add another to the list of homes in the Washington avenue block which in the past two years have been turned from a high-terraced block of residential houses to a section filled with business buildings.

MANUAL TRAINING REPORT STUDIED

State Inspector Writes That
Rooms Proposed For Use
Do Not Meet Code

The Board of Education will consider at its meeting Monday night the report made by Seymour Williams, architect and public inspector of school buildings for the State Department of Public Instruction, in which he stated that rooms the board contemplates using for manual training classes in the elementary schools are not suitable under state requirements.

Ceiling heights, lighting and floor conditions were cited by the architect in his report as not conforming with the state's regulations.

Board President Herbert C. Schmutz pointed out that the Williams letter did not condemn the use of the rooms but that the state department would not recommend their use. He stated that this time that he believed some of the inconsistencies with the state code, which had been pointed out by the architect, could be overlooked at this time.

Part Of Town To Be Blacked Out Late Sunday Night In Newark Test; To Call Out The Civil Defense Corps

Mayor Will Purchase Product of Jergens

Mayor Williams will remain loyal to Belleville when he makes the first purchase at the opening of the new F. W. Woolworth five-and-ten cent store in Washington avenue, near Rutgers street, this morning at 9.

The Mayor will purchase a ten-cent bottle of Jergens Lotion, the product of the Andrew Jergens Co., which is now completing the erection of a million-dollar plant here.

Following the opening ceremony the Mayor said that he would then amble about the store to see what other home-produced articles he could single out and purchase.

AMERICANIZATION PROGRAM PLANNED

Lawyers' Club Will Sponsor
It; D'Avella, Is Nominated
For President

Combining its desire to participate along the first line of defense and to convert into a concrete program the motives which caused its organization a year ago, the Lawyers' Club of Belleville at a business meeting Tuesday night in the office of Lawrence E. Keenan, town attorney, appointed a committee to undertake the ground work for an Americanization program.

Knowledge of the privileges and obligations of American citizenship will be given through classes of instruction for those who are still in the process of becoming citizens. With the cooperation of other organizations, which the lawyers want, and the procurement of suitable classrooms and texts, the men will add their services as instructors.

Harold E. Cavanaugh is chairman of the committee and will be assisted by Thomas C. D'Avella and James Gordon Grant in this task, as well as in arrangements to participate, if possible, with the Elks in Flag Day ceremonies and, at a later date, to present a simple mock trial before the commercial law class of the high school.

The nominating committee, Max Schwartz, Charles Gebhardt and Keenan, presented the slate of officers for the new term for which elections will be held at the June meeting.

Thomas D'Avella has been nominated president; Paul de Hagaza, vice-president; Keenan, secretary; Schwartz, treasurer, and Edward Abramson, retiring president.

Members were requested to give their time, regardless of the pre-arranged schedule, to serving on the Draft Board Advisory Committee evenings at the Town Hall. The effort to have all questionnaires filled in as promptly as possible will make their aid necessary.

Mayor Asks Residents To Observe Rules Set By Newark Council; Will Last Fifteen Minutes

About one-third of the town will be darkened late Sunday night in Newark's test blackout which is being staged by the Newark Defense Council in cooperation with the National and State Defense Councils.

An appeal was issued to those residing in the affected areas by Mayor Williams last night urging that they cooperate with the Newark officials by observing the regulations which have been established.

Blackout plans will be much the same as those used in London. All lights will be extinguished and traffic will be halted for fifteen minutes, starting at 12:15 a.m.

Vincent dePaul Hurley

HURLEY GRADUATE OF ANNAPOLIS

Local Man Was Member of
First Non-Appointive
Class In History

Ensign Vincent dePaul Hurley, son of Mr. and Mrs. Daniel J. Hurley of 86 Malone avenue, was graduated on Thursday from the United States Naval Academy at Annapolis as a member of the first non-appointive class in the academy's history.

Ensign Hurley is a graduate of Fordham University, St. Peter's Preparatory School, Jersey City, and St. Peter's Grammar School of this town.

Following his graduation from Fordham, he entered the merchandising field and was employed at Bamberger's and the Gilchrist Department store in Boston, Mass.

In July of last year he signed up with the United States Naval Reserve when a call was issued for more men. He had a month's preparatory cruise on the U.S.S. Quincy, a heavy cruiser. In February, he entered the Naval Academy for the intensive training course which he has just completed.

While at Annapolis, Ensign Hurley was advertising manager of the class book and associate editor of The Log. He is now awaiting his appointment to some naval post.

Kelsall Re-Elected Head Of High School P.T.A.

George Kelsall was re-elected president of the High School Parent-Teacher Association at its closing meeting of the season on Tuesday night.

Other officers named were Mrs. Willard Strange, vice-president; Miss Bertha Huff, secretary; and L. Howard Fox, treasurer. The latter two are members of the school faculty.

The members viewed a fashion show presented by the girls in the sewing class under the supervision of Miss Louise Carrell, instructor.

A demonstration-lecture "Stepping Off Into Space" was presented by a representative of the New Jersey Bell Telephone Co.

Two High School Students Complimented By Board

Two high school students were complimented for outstanding scholastic work by School Board President Herbert C. Schmutz at Monday night's meeting of the Board of Education.

Walter Garvey, national winner in the scholastic art competition, was praised for bringing to the school and the community the honor which resulted from the award given for his pen and ink drawing "My Friend's Dad."

Howard Wilson, a senior, was also complimented for having won a scholarship to Columbia University.

Copies of the minutes containing the words of praise for both youths will be presented to them, Schmutz said.

DIAMONDS, WATCHES, JEWELRY, at prices always in line with the quality of the merchandise offered, Victor Hart, Jeweler, 457 Washington avenue, Belleville, N. J.

Sirens and factory whistles will sound the "alert" at 11:45 p.m. which will consist of five blasts of eight seconds each, with an elapse of sixteen seconds between blasts. The "alert" alarm is given as a warning to prepare for the blackout.

The local participation in the blackout is only because some of the Public Service electric circuits which run in northern sections of Newark also serve the southern fringe of Belleville. All of the Silver Lake section, parts of Soho and Mill street will be darkened.

Test for Defense Corps

The Mayor said that the blackout would also serve as the first scheduled test for the newly organized civil defense corps of nearly 200, composed mostly of members of the American Legion and the Veterans of Foreign Wars. These men will be in charge of voice Chief Spatz and fire Chief Reid who head the local defense council's law and order committee.

"The City of Newark's Defense Council," Mayor Williams stated, "is asking the cooperation of all citizens in this test blackout. I appeal not only to those residing in the section of town which will be affected but to other residents who may be traveling to give their cooperation."

"In view of present conditions we can not help but take precautionary measures. This test is to give the people the experience of having the city blacked out of the outside world. If the time should ever come when a blackout might be necessary their safety and welfare must be protected."

A blackout, the Defense Council states, is a state of darkness in which no light can be seen from 200 feet or more in the air. Lights, therefore, must be turned off or windows so covered that no illumination can be seen from the outside. During the blackout Newark will be observed and photographed from airplanes.

The only air raid precaution expected of residents at home is the extinguishing or covering of all lights and the locking of doors and windows.

Families should also be told, the Council's order if they intend to have lights on during the blackout they should try their best to avoid methods in advance of the blackout. Some member of the family should observe the blacked out room from the outside to make sure that no light is visible.

Use Only One Room

Lights should not be on in more than one room if the family intends to be up and no one should move from that room if opening of a door will permit any light to reach the outside.

The air raid wardens will be expected to record all details about lights which show during the blackout and whether or not they succeed in getting the lights blacked out during the test period. The warden should also make a note of the license number of all cars found with lights on during the blackout period.

The "alert" and alarm whistle nearest to the local area which will be affected is that the Martin-Dennis Co. plant in Summer avenue, just over the Belleville line.

Will Last 15 Minutes

The air raid alarm, starting at 12:45, will consist of a continuous blast up and down the scale for the duration of two minutes. This will signalize the actual beginning of the blackout. Fifteen minutes later the "all clear" signal will be sounded. It will consist of a continuous blast for twenty seconds and will mark the end of the blackout. This means that for a period of fifteen minutes Newark will be shrouded in complete darkness.

Members of the Senate Military Affairs Committee, officers of the Second Corps Area and guests of the Newark Defense Council will view the proceedings from the thirty-fourth floor of the National Newark and Essex Bank Building, Newark Defense Council headquarters during the blackout.

More than 1,800 air raid precaution wardens will take part. They will visit homes, stores and factories in their respective districts before and during the lightless period. The wardens are divided among sixteen wards. There

Grace Has Personal Interest In Display

BLOND-HAIRED GRACE MUENCH has reason to be proud. In that collection of ivory and clay objects with which she is shown is one piece carved by her older brother, Eddie, who is a student at School No. 6.

The six-year-old was snapped at the Free Public Library the other day while she was viewing some of the creative art work by elementary school students which is now on display there and will continue until the end of the month. Grace says next year she hopes to have something in the exhibit like Eddie. She's the first grade at School No. 5 and will have her seventh birthday in June.

Can't Get Along Without Them

EVEN A STUDENT Board of Education could not get along without a supervising principal and a business manager so the high school pupils who served as one-night members of the ruling body of the schools Monday night named Howard Wilson (left), supervising principal, and Betty Freed (right), business manager. They are shown with Superintendent of Schools Wayne R. Parmer (left) and the schools' business manager, Ruel E. Daniels.

T'was An Easy Night for School Board

THE EASIEST NIGHT they've had in years was the verdict of the members of the Board of Education Monday night after their session in which high school students sat in with them as members of the board.

It was a part of the school's youth week program and the "trustees" were appointed by "Mayor" John Calicchio. The one-night members read letters, reports and bills. In fact, they did everything but the legal part of the meeting which was handled by the regular board members.

Seated are the student "trustees" from left to right: August Bechtoldt who served as president; Virginia Ackerman, Irving Berkowitz, Milton Wheeler and Edith Williston and Herbert C. Schmutz, official board president.

Standing in the same order Board members Walter Gilby, Charles Gebhardt, Mrs. Homer C. Zink and James Lynch.

First Hand Information

PLAYING TOWN OFFICIAL were these two youths last week when they sat in with their fellow high school students and town officials as a part of the Youth Week program. Seated are Rodger Volpe who took some tips from Mrs. Florence R. Morey, town clerk. Standing are School Board President Herbert C. Smutz, High School Principal Hugh D. Kittle and Clifford Liits, who played town attorney for the night.

Flag Destroyers Apologize To Memorial Committee

Two Youths Who Damaged Flowers at Exercises Last Year Appear and State That They Are Sorry; Committee Now Considers That Incident Is Closed

Two sober-faced and repentful youths appeared before the members of the town's Memorial Day Committee at Town Hall Tuesday night and apologized for their actions last Memorial Day in damaging the American flag.

The incident which provoked the apology took place at the close of the Memorial Day exercises at the Rutgers street bridge. The members of the Henry Vreeland Women's Relief Corps had placed a small flower float adorned with an American flag on the river.

The two youths riding in an outboard motorboat down the river picked up the float, ripped the American flag in half and threw it into the water, according to witnesses. The crowd on the riverbank was angered. The youths later returned and were apprehended by the police. They were tried before Police Judge Smith for destroying the flag on the complaint of Chief Spatz. The judge held them for Grand Jury action. In turn, they were indicted. Their attorney John J. Murphy of Kearny said the indictment is still pending.

Incident Is Closed After hearing the apologies of both of the youths, the committee voted to send a letter to Prosecutor Wachenfeld stating that the incident is closed as far as the local committee is concerned, which may influence that office to drop the charges now pending.

"I am very sorry for what happened," one youth stated. "I did not realize what I had done. That really comes from the bottom of my heart."

"I'd sooner die than do anything against the flag," the other young man stated. "I am very sorry for trouble or embarrassment that it has caused any of the organizations."

The youths had offered to make an apology at the bridge

BLACKOUT

(Continued from Page 1)
are five general wardens, forty-nine zone wardens, 248 district wardens and 1,530 post wardens. In addition there are more than 1,700 wardens of the women's auxiliary under the direction of Mrs. William Hamilton Osborne. They will assist the post wardens prior to the blackout.

To Stop All Vehicles
Newark police and firemen as well as State police and Essex County police will assist in handling traffic. All vehicles will be stopped at the intersections entering the city. All autos in the city will pull to the curb and extinguish lights at the air raid alarm.

The blackout program will be broadcast from the air and ground for one hour by Station WOR. The 119th Observation squad will be in action. Army planes will fly over the city and pictures will be taken.

Herbert S. Waters is general chairman of the Newark Defense Council and Harry S. Reichenstein, secretary. Fred M. Roseland is chairman of the Safety Committee in charge of the blackout.

Another Instructor Needed For Mechanical Drawing

The Board of Education is studying the request of High School Principal Hugh D. Kittle, made through Superintendent of Schools Wayne R. Parmer, for equipment and another instructor to care for the increased number of students wishing to take mechanical drawing.

There will be an overload of 110 in the course next fall, Kittle stated in a report sent to the board. He said that in addition to the expense for a teacher, there

would be additional equipment needed. Estimates made by Kittle and board members varied from \$250 to \$350.

Board President Schmutz said that while there is a tremendous demand for youths with some mechanical drawing knowledge, the board should give some consideration to what will happen after the defense building program is ended. The board must think, he commented, what effort should be made in directing the young students' attention toward subjects which will train them for defense jobs or other lines of work which will follow the present emergency.

Pie Big Attraction At Church Bazaar

Of all of the attractions at the St. Anthony's Church bazaar this week, it remains for a pie to steal the show. But, it's a special kind—a pizza—an Italian tomato pie flavored with cheese.

It is the feature of the bazaar's "La Pizzeria." Mrs. Carolina Paucice is the chef with Miss Josephine Graziano and Miss Mary A. Paucice acting as waitresses. Assisting Mrs. Paucice in the kitchen are Mrs. Carmela Ilaria and Mrs. Carmela Carsella.

The bazaar will close on Saturday night with the awarding of a sedan.

Mrs. Joseph Bagnole is chairman, Miss Josephine Ricci, secretary; Rev. Thomas A. Gillick, treasurer; and Titian Menegus, honorary chairman.

Day By Day
It's high time that we found a way to live our short lives day by day, instead of spending them in fear of something that might come next year. For us "today" does not exist. The pleasures it might bring are missed. The world could somewhat lessen sorrow, if it would just forget "tomorrow."
The pleasures that your car can bring, will be doubled, if you have it regularly serviced at Brisk's Gulf Service, Main and Rutgers Streets. You will know that it is always in perfect driving condition. Telephone Belleville 2-4514.

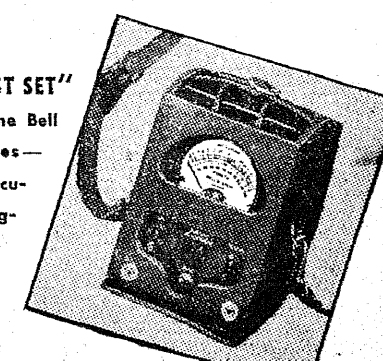

TELEPHONE REPAIR SERVICE IN NEW JERSEY IS FAST AND EFFECTIVE...

a fact of real importance in these days of all-out effort for National Defense.

Improvements in equipment and maintenance methods have reduced ordinary telephone trouble to a low point. And our repair forces are organized and equipped to get skilled men on the job making repairs more rapidly than ever before.

Swift repair work is an essential part of the effort of the New Jersey telephone organization to keep telephone service ready for every need.

Bellboys Will Meet Three Tough Ones During The Week

Play Bloomfield High This Afternoon; Face Irvington on Saturday and Kearny High on Tuesday

Three tribes of tough baseball playing hoppers — Bloomfield, Irvington and Kearny, loom up next on the Blue and Gold nine's schedule. In all three Coach Larry Gates' boys will enter as the underdogs. This afternoon Bill Hunkle is expected to get the call to start on the hill for the locals against Bill Foley's Bengal aggregation at the Turf Bog Stadium.

Saturday afternoon the Bellboys will travel to Irvington to meet the Camptowners, currently one of the favorites to take the Greater Newark tourney crown, while on Tuesday they will head across the river for a battle with the Kearny Cardinals.

The traditional rivalry that attends any Belleville-Bloomfield encounter will live again today. While the Bellboys will be definitely on the short end they may turn the tables on the Foleymen and their ace hurler, Al Stevenson. Should Hunkle be unable to stand the pace on the mound, either "Red" Wille or Johnny Higgins will be called from the bullpen.

Irvington with a fine array of mound talent is expected to start Bill Duda or Norm Smith against the Blue and Gold with Jack Gibbs Larry Gates' probable choice.

Filled Open Dates

The open dates on the schedule were filled in during the past week. On Friday afternoon at the Turf Bog, the locals trimmed North Arlington 10-3 and wall-popped St. Cecilia's of Harrison 13-5 on Tuesday.

Kearny has heavy hitters, smooth fielders and steady pitchers. Bill Fredericks will probably pitch for Coach Fogarty's boys. These three games will probably determine whether the Bellboys will have a chance for entry in the greater Newark tournament later in the season to determine the schoolboy champion. The Bellboys sharpened their batting eyes and fattened their batting averages as the locals overhauled St. Cecilia. Coach Gates gave all the regulars a workout in an attempt to have the boys in the best form for the coming games.

The final outcome was never in doubt as the locals pushed over nine runs in the first inning. John Higgins received credit for the victory. Belleville scored its thirteen runs on eleven hits, four walks and made the most of four errors by the visitors.

The Blue and Gold scored a 10-3 victory on Friday afternoon. Hunkle started for Belleville and held the visitors well in check. "Red" Wille took over the mound duties in the sixth inning, pitched hitless ball and favorably impressed Coach Gates.

Tony Piccolino led the Bellboys hitting attack with four straight singles. Tom Stahl started for North Arlington and had the local score until the fourth inning when the Bellboys tallied six runs.

BATTING BARRAGE HELPS BBC'S WIN

Boys Clout Spartans 12-4, But Fade Against Vailsburgh Shamrocks

The Belleville B. B. C. broke even in a pair of games played over the weekend. On Saturday they travelled to Newark where they lost their third one-run decision to the Vailsburgh Shamrocks 9 to 8. On Sunday the tables were turned as the Bloomfield Spartans were downed 12-4.

The locals started early on Saturday and built up a 7 to 2 lead at the end of the third frame on Piccolino's home run in the first and a big six-run third frame. The Shamrocks were not to be denied and came back in the next three innings with seven runs to gain the decision.

Van Dyke, Belleville pitcher, was hit freely and was in trouble throughout. Ziffel took over for the Shamrocks in the fourth and held the locals to a single hit and run for the remainder of the tilt. Piccolino's two hits led the Belleville offense while Friedman and Ziffel combined to garner half of the Shamrocks' blows.

On Sunday the B. B. C. backed up a five-hit pitching job by Long with a thirteen-hit barrage. In the second inning a home run by "Red" Smith opened the scoring for the locals. A single run in the lower half of the same frame was soon nullified by a four-run outburst in the fourth frame giving the Belleville club a 6 to 12 lead. A pair of errors, a walk and a base hit handed the Spartans a pair of runs in their half of the fourth but this was as close as they were to come to knotting the score. In the fifth the B. B. C. batted around and pushed six runs across the plate. The locals blew out a homer by Jerry Lepre with the bases loaded.

The Spartans climaxed the scoring in the sixth inning with a single tally as the result of a walk and a pair of infield outs. Offensive honors were divided by Smith, Lepre and Long, each with a trio of hits.

Saturday the B. B. C. will meet the St. Michael's A. C. of Newark. Although no definite opponent has been obtained on Sunday the locals will be playing.

Nereid Club Champ Finishes Third In Intercollegiate at Boston

Homer Zink, Jr., Wearing Colors of Rutgers, Trails Behind Princeton U. Sculler

One of Nereid Boat Club's pair of the well-known rowing Zink brothers, Homer, Jr., finished third in the intercollegiate single shell event held on the Charles River at Boston on Saturday. The twenty-two year old bespectacled Rutgers College student trailed Richard Hartshorne of Princeton and George N. Hurd, Jr., of Harvard.

Champ of the Nereid Club, Homer has competed against some of the country's best shell oarsmen, including the famed Joe Burk, the world's title holder, and Joe Angyll, national 145-pound champ. During the coming season young Zink will be one of the mainstays of the Nereid Club and is again expected to row against some of the nation's best scullers.

His younger brother, Darrell, the 1940 national scholastic rowing champ, is now stroking for the

freshman lightweight crew at Princeton University.

Ill-Luck Hits Tracksters With Kearny Next Foe

Two of Squad Stricken with Measles; Kards Have Strong Team; Blue and Gold Has Won Four Of Five Meets; Defeat Weequahic High

Ill-luck struck the high school's win-seeking track squad on the eve of its big meet with Kearny High's stellar array of cinder path experts at the Hudson County school's stadium. Three of the local squad have been stricken with measles and will be lost for the big event. Coach Wilho Winika will be confronted with the task of doubling up on some of his talent so that the Bellboys will have enough entries for all events.

The meet with Kearny comes in the middle of what has been a most successful season for the Blue and Gold tracksters. A four out of five victory season was topped on Friday when the team upset the highly rated Newark Weequahic team 55-44 at Brookdale Park.

Captain Ross showed his brilliance as a quarter-mile performer by running Weequahic's McGarty into the dirt in the fast time of 53.9. George Baldwin, also undefeated in competition, ran the half-mile in 2.06.

Johnny Walker won the century and the furlong, while Higgins took first in the pole vault and the high jump and Ken Smith set his best distance mark of the season in taking the weight heaving event.

The results of the Weequahic meet were as follows:
220-yard dash (23.9)—Walker, Sadoff, Weequahic; Gregory.
440-yard dash (10.7)—Walker, Sadoff, Weequahic; Gregory.
Quarter-mile (53.9)—Ross, McGarty, Weequahic; Plunkett.
Half-mile (2.5)—McGarty, Weequahic; Plunkett.

One-mile (4.50.8)—Brophy, Weequahic; McGarty.
Two-mile (9.45.8)—Higgins, Klein, Weequahic; (tie) Reiss, Weequahic; Kosselle.
Shot Put (42 feet 2 inches)—Smith, Beaman, Weequahic; Pfennig.
Broad jump (17 feet, 10 1/2 inches)—Sadoff, Weequahic; McGarty, Gregory.

Should Seek Bids
Gebhardt spoke out in favor of advertising for bids and remarked that he did not know there was only one manufacturer. Gilby replied that there was only one agent.

Schmutz said that he was reluctant to go ahead on the purchase since Gilby had failed to submit the cost of cutters. The ploy which would be additional. He said that he believed there are other machines besides the Ford and that the Board should advertise for bids.

Gilby replied that the cutter offered by the company would cost between \$400 and \$500 but that Ruel E. Daniels, board business manager, had figured out a way that the present cutters on the mowers could be used at an estimated cost of \$50 to change them over to the tractor. The snow plow, he said, would cost about \$160.

Trustee James Lynch also stood for open bidding and Gilby answered that it was not necessary. The discussion was finally closed by Schmutz who suggested that the building and grounds committee secure from various manufacturers the cost for complete units, including the plow and cutters, and that Manager Daniels also submit his plan at the next meeting for the conversion of the present mowers over to the tractor.

Coal Bids Received
Bids received from three coal companies for furnishing fuel for the next school year were referred to the building and grounds committee for tabulation and study and report back to the Board at next week's meeting. Bids were as follows:

Ricca Coal Co., stove \$9.45, rice \$5.80, buckwheat \$6.55; Smith Bros. Coal Co., stove \$9.45, rice \$5.68, buckwheat \$6.48; and Fairlie Wilson Coal Co., rice \$5.75, buckwheat \$6.49, no bid on stove coal.

GREAT MEADOWS BLANKS MINORS

Pittsburghs Stacked Up Against Array of Stars In 11-0 Shoutout

The travelling Pittsburgh Minors had a tough time of it on Sunday. After an eighty-mile jaunt to play the Great Meadows Club, they found that they were stacking up against a troupe of professional and semi-professional players, most of them from Newark and vicinity. Net result—the Minors were shut out 11-0.

Hurling for the Meadows nine was Johnny Higgins, former star twirler in the Newark Ironbound League, while Teddy Mazur, expected Bloomfield High star and now of Manhattan College, did the catching.

Higgins allowed the Minors five hits while Mazur clouted in four of the victors' eleven bingles. Borkowski allowed seven hits in five innings, Harold Allister three in two innings and Bill Lister one hit in one inning.

Leo O'Reilly's two hits were the only bright spot in the Minors' defeat. His batting average is now at .538.

The team's game scheduled on Saturday with the Newark Slovak-American nine was washed out. Next Sunday they will take to the road again to play the Somerville A. A.

Denike Made Vice-President Of Bible Class Federation
John Denike, a member of the Everyman's Bible Class which meets on Sunday mornings during the better part of the year at the Masonic Temple in Joramoon street, has been elected a regional vice-president of the Essex Suburban Bible Federation of Men's Bible Class.

John Ellsworth of this town is retiring president of the Federation. He has been succeeded by Warren V. Cluff, organizer and past president of the Everyman's Bible Class of Montclair. The election was held on Monday night at the Orange Y.M.C.A.

Winners in the West Caldwell matches on Monday, incidentally, were Gus Calimano, Newark, and John Dolan, his amateur partner. Their score was 63. Another PGA pro-amateur event is set for June 2 at Plainfield.

The majority of the Board of Education balked at its Monday night meeting on purchasing a tractor which would serve as a lawn mower in the spring and summer on school grounds, and as a snow plow for school walks in the winter months.

Trustee Walter Gilby recommended to the Board that a Ford tractor, which could be equipped for either mowing or plowing, be purchased. Both Board President Herbert C. Schmutz and Charles A. Gebhardt spoke up against the motion and the trustees finally voted to delay action until the special meeting to be held Monday night.

Gilby, in recommending the purchase of the tractor at a cost of \$778, told the Board that the present power mowers are old and badly in need of repair. Much time would be saved, he stated, for the school employees who must plow the snow in the winter months. He said that the sole agent for the tractor is the Sincag Auto Supply Co.

Two local plumbers, Harold A. Gahr and Delaporte and MacKinnon, were awarded contracts for plumbing repair work during the summer. Gahr's bid for work in the high school was \$910, and Delaporte and MacKinnon's for repairs in School No. 4 was \$840. P. Gappenhauer & Sons received a \$285 window sash order.

Trojans Win 9-5
After being blanked for three innings by Red Smith of the Corner A. C., the Trojan A. C. unleashed a hit barrage that piled up a total of nine runs before the tilt was called in the sixth inning to give the Trojans a 9-5 victory at Riviera Park, Sunday.

DeMunter led the winners hitting onslaught with three hits while Memde and Ferguson divided honors for the losers. T.Jans A.C. r. h. e. Corner A.C. r. h. e.

Losing To Golfing Females Really Troubles Maurrie

Branch Brook Pro O'Connor Trying to Figure Out How He Lost to Helen Dettweiler and Patty Berg When He's Playing Such Good Tourney Golf

"Conflicting emotions" is more than a vague academic term this week to Maurrie O'Connor, hard-working professional at Branch Brook, Belleville's famed public golf course. The fact is the towering shotmaker, half of a team that only a fortnight ago copped the New Jersey State Golf Association's Pro-Amateur tourney at Montclair, is actively experiencing the pulls and tugs of those psychological phenomena.

And why not? It's enough to give you goose bumps when you win a championship one week, place second in another tournament eight days later, yet drop a nine-hole best ball match to a couple of females in between.

All of which is just what happened to Maurrie. As has already been mentioned, on May 11 he walked off with the state crown, sharpshooting Montclair mail carrier. And only last Monday the pair did it again, ticking off a 66 to take place honors in the season's second weekly PGA tourney at Green Brook, in West Caldwell.

But on Friday, May 16, even an individual nine-hole score of 34 wasn't enough to down Western Open Champion Helen Dettweiler and ex-National Champion Patty Berg, when those skirted stars visited Maurrie's course for a shot demonstration and exhibition match.

The trio took to the back nine, after the girls concluded a full hour's lecture on everything from trap blasting to driving. With a gallery of nearly 500 in attendance, they drove (both girls average about 230 yards from the tee, a distance better than most men's), chipped and dead-eyed with a friendly earnestness that earned 35 for Helen, and 37 for Patty.

Maurrie, of course, bested both figures with his single score. Both in tournament and match play he came second, however, since the lassies' combined tallies gave them a 73 best ball, and on the par-4, 2 and 2 on the par-3 and 3 cups. It was the day's high point.

Winners in the West Caldwell matches on Monday, incidentally, were Gus Calimano, Newark, and John Dolan, his amateur partner. Their score was 63. Another PGA pro-amateur event is set for June 2 at Plainfield.

Both the members of the Veterans of Foreign Wars and the American Legion and their auxiliary groups will be out tomorrow selling poppies. The drive will continue through Memorial Day.

The funds which are contributed through the sale of poppies to the American Legion will go to the Legion Auxiliary's welfare fund for its work among disabled veterans, their families and families of veterans who have passed away.

The nickels, dimes and quarters which pour into the containers carried by those selling the V. F. W.'s well-known Buddy Poppies are used to care for the widows and orphans of veterans and for the support of the national home near Eaton Rapids, Mich.

"Soul and Body" is the Lesson-Sermon subject for Sunday, in all Christian Science Churches and Societies.

The Golden Text is: "I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ."

Among the Lesson-Sermon citations is the following from the Bible: "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens."

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "The material body and mind are temporal, but the real man is spiritual and eternal."

ESSEX COUNTY POLITICS

by Meador Wright

The views expressed in this column, are entirely those of the writer and not necessarily those of the Publishers or Editors of the Belleville News.

With the Newark commission election out of the way political activities throughout the county have resumed a more normal tempo. The next election comes in September, and it is the annual primary.

For the past several years these primary elections have been only occasionally important. The last one determined the Republican nominee for Governor and thereby awakened considerable interest. But it would have had no local significance had not Republican voters misread the voting machines. The Democrats have not made serious use of the primaries for years.

It is a guess at this writing whether there will be primary contests in Essex this year, but many able observers believe that a Republican fight is likely. A Democratic contest is possible, but the chances are that there will not be. Governor Edison and James J. McMahon—he represents the Hague viewpoint—will probably settle any differences of opinion they may have behind closed doors. Edison, in my judgment, can absolutely dictate Democratic nominees if he cares to.

Williamson, and that by backing him the Republicans would avoid a disinfecting primary struggle. The weakest point in this argument is Townsend's disinclination to enter the race. So far he has said no to all importunities. A different situation, however, might call for a different decision.

Despite rumors to the contrary, Arthur T. Vanderbilt is firmly allied with Charles Edison in seeking a constitutional convention. The Short Hills lawyer is said to be determined to get a convention if it is humanly possible to do so. Edison is of the same mind. With this larger aim in view it is hardly likely that Edison will permit the Democratic party to be used as an instrument to defeat Clean Government by way of a fusion route.

Some Republicans have suggested that should Edison cause the right Democratic ticket to be nominated that large numbers of Anti-Vanderbilt and independent Republicans would support it. Democratic strategists like this idea, too. But Edison's leadership is necessary for such a plan's success, and Edison had rather have Republican support for a convention than to have twelve Democratic assemblymen in Trenton.

The name of Dallas S. Townsend of Montclair is heard most often in this connection. Those who advocate Townsend claim that he would make a stronger candidate than either Zink or Williamson.

ark is looking in the direction of Raymond Schroeder, but the new Newark city council has many hurdles to surmount. Franklin die-hard supporters are bitter at him because they attribute the former's defeat to his desertion and efforts. Clean Government is not too ready this early to back him. There is not much middle ground in Newark. There can be no doubt but that he has scored an outstanding political success, but political dividends from that success are still beyond the horizon.

Franklin is as dead politically as a dodo, however, and someone must take his place. But with no Newark patronage to offer this task is not going to be an easy one. As between the parties it was the Democrats who won in Newark on May 19, and it is going to be very difficult to take that victory away from them.
