### Industry Is Continuing To Pour Millions Into New Factories; Kidde Co. Starts Second Unit

Company Adding Two-Million Structure To Plant Now Being Completed

With boom town type repetition industry continues to pour millions into the development of vacant land in Belleville on which huge plants are being erected to produce defense materials and other manufactured goods.

The stream of industries which has flowed into Belleville within the past two years pouring out big investments in building and equipment has been unequalled during the same period by any municipality in the metropolitan area.

Coming on the heels in December of such major developments as the Andrew Jergens Co., the Eastern Tool Co., and others was the Walter Kidde Co., a Bloomfield concern. Faced with a necessary plant expansion because of increased demands for its manufactured products for defense, the Kidde Company first sought to enlarge its present Bloomfield capacity. Strong protests by residents in the area made the Town Council back water on the plan and the Kidde Company looked elsewhere.

With a real Santa Claus touch to it, late in December Mayor Williams, the town industrial piper who has lured many manufacturers and nationally known businesses here in recent years, announced that the Kidde Co. had purchased the thirty-acre Volkmar tract in the northern part of the town, covering an area extending east from Washington avenue to the Passaic river.

The Kidde Company is well known for its manufacture of fire fighting equipment. Recently it has been producing high pressure gas specialties and other equipment to be used in merchant and naval vessels and airplanes. Products are being made for both the United States and British governments.

Under the brink of the hill over which the Erie Railroad tracks enter town from Nutley, the Kidde Company's huge brick structure has risen within a few short months. Hidden from Washington avenue, it has gone up without the notice of most residents. Workmen are now putting the finishing touches on this million-dollar building.

Mid-Tuesday morning Mayor Williams' work with the general run of things that keep a mayor busy most of the day was interrupted by a call from the Kidde Company officials. They calmly told him that they had decided to erect an addition estimated to cost \$2,000,000 adjacent to the plant which is now nearing completion. This will include the cost of land and equipment and building.

The official announcement was made by Walter H. Freygang, the company vice-president. As was the case in the construction of the first plant, this new unit will be financed by the Defense Plant Corp.

The 190,000 square feet of space which the new building will take up will include additional factory space with 40,000 square feet of it being used for an office building. It will be a one-story structure of brick and steel construction.

Work is scheduled to start on the new structure shortly and it is expected that it will be ready for occupancy about December 1. About 800 will be employed in the unit, it was announced.

D'Avella Succeeds Abromson As Lawyers' Club Head

Edward J. Abromson, retiring president of the Lawyer's Club of Belleville, thanked the members at their Tuesday evening meeting in the office of Lawrence E. Keenan for the cooperation which enabled him to see the club through its first successful year.

Abromson, who enters on a three-year term as trustee, will be replaced by Thomas C. D'Avella as president. Other officers elected were Paul deHaza, vice-president; Lawrence E. Keenan, secretary; and Max Schwartz, treasurer. The meeting concluded sessions for the summer months.

A committee was formed to make plans for an outing for the group and the Americanization committee, under the chairmanship of Harold E. Cavanaugh, will continue its work by directly contacting organizations through which they hope to find individuals in need of citizenship training.

## ESSEX COUNTY POLITICS

The views expressed in this column, are entirely those of the writer and not necessarily those of the Publishers or Editors of the Belleville News.

by Meador Wright

If the legislative job filling program announced in Wednesday's Newark News is adopted by joint session this evening, the Clean Government organization in Essex will be split wide open. The program calls for the election of John Evans of Passaic as ABC commissioner, W. Stanley Naughton of Essex as comptroller, and for the re-election of State Treasurer Albright. Assemblyman Freund of Bergen will be named chief counsel of the ABC Commission at a salary of \$10,000 a year. According to the News story, Republican leaders claim they have the votes to put through the program.

**Clee Will Issue Statement**

Essex reactions to the proposed deal center around Dr. Lester H. Clee, Frank J. Murray and Senator Homer C. Zink. Dr. Clee has stated his definite intention of issuing a statement denouncing the deal and stating that he is no longer a member of Clean Government. Zink will vote against it in joint session and is expected to follow Clee in a public denunciation if the program is passed in spite of his opposition.

If the program goes through with these reactions, the possibility of an opposition ticket to Clean Government in the September primary is much increased. But regardless of whether Naughton or Murray is comptroller, Clee and Vanderbilt have broken with each other. Political observers have been weighing the possibilities of such a break for a long time.

Many Essex leaders, Senator Zink among them, do not believe the tentative program set for tonight will pass. They expect to see someone get cold feet. Three Essex Assemblymen, Hargraves, Hand and Williamson will oppose it. Others may join this trio. Legislative job-filling programs have failed so often that the odds are always against success of a given one.

**Clee and Vanderbilt Break**

But as far as Essex is concerned the mischief has already been done. Vanderbilt and Dr. Clee are somewhat in the position of the United States and Germany. Shooting has not yet started, but there are few who believe it can be avoided ultimately.

This break is the most sensational as well as the most important that has taken place since Clean Government won its sensational seven years ago last month. Clee may not actively oppose Vanderbilt at once. He may issue his statement — assuming the Evans-Naughton deal goes through — as a matter of record and then wait for an opportune moment to appeal to the people. But some day he will make the appeal. That is as certain as anything in politics can be.

**Use Edison to Act**

The desperate situation facing the Republican party in New Jersey by reason of its inability to fill the jobs it has voted itself the authority to fill makes it more and more imperative that Governor Edison initiate a campaign against legislative opposition to his program. More and more it is being said that Edison is missing the boat by reason of his reluctance to enter a knock-down-drag-out fight with the Republican controlled legislature. An overwhelming majority of his friends and backers think that a constitutional convention should be called this year. "Take your fight to the people," they tell him, "it is now or never."

## Alice G. Compton Weds In Church Ceremony

The marriage of Miss Alice G. Compton, daughter of Rev. and Mrs. E. M. Compton of 134 Academy street to Donald K. Moore, son of Mr. and Mrs. George Moore of Emerson street, East Orange took place Saturday afternoon at 2:30 at Wesley Church. Rev. E. M. Compton, the pastor of the church and the bride's father performed the ceremony.

The bride was given in marriage by her grandfather, Abram Gulick of Gladstone. Miss Mary Elizabeth Compton, sister of the bride was the maid of honor and another sister, Ruth was the bridesmaid.

Rowland Carlson, of Floral Park, L. I., a cousin of the bridegroom was best man and the ushers were George Gerson of Essex, Fells and George O'Gorman of Montclair.

Miss Olga Avramova of New York, soprano soloist sang "Ich Liebe Dich" and "Calm as the Night." Gordon Gaines of New York City, baritone soloist, sang "O Perfect Love." Carl Relyea of Maplewood gave an organ recital before the ceremony and played the wedding march.

Following the ceremony the church senior choir directed by Miss Roberta Bitgood of Bloomfield sang the benediction, "The Lord Bless You and Keep You."

The bride wore a gown of white chiffon trimmed with lace and a long tulle veil caught with orange blossoms which her mother wore at her wedding. She carried a white Bible. The maid of honor and the bridesmaid were gowned in powder blue organdy and carried their large picture hats on their arms filled with pink roses and blue delphinium. They wore the same flowers in their hair.

The bride's mother was dressed in old rose chifon and wore a corsage of orchids. The bridegroom's mother wore blue chifon with white accessories. Her corsage was of orchids.

For travelling the bride was dressed in a beige suit with brown accessories and an orchid corsage. Following the ceremony a reception for the immediate families was held in the parish house.

## GRECO-CERAMI NUPTIAL SUNDAY

Wedding Will Take Place At Four In St. Peter's Church

Miss Lillian Cerami, daughter of Mr. and Mrs. Charles Cerami of 9 Hilton street, and Peter Greco, son of Mr. and Mrs. Gaetano Greco of 83 Carner avenue, will be married Sunday afternoon in Holy Family Church, Nutley, at four-thirty. Rev. Joseph T. O'Connor will perform the ceremony. A reception will be held at White Eagle Hall, Bloomfield.

Miss Josephine Cerami, a cousin, will be Miss Cerami's maid of honor. The Misses Carmella Greco and Anna Cerami will also attend her. Thomas Greco will act as his brother's best man and the ushers will be Carmine Cullari and Charles Cerami, all of Belleville.

Dressed in white brocaded chifon with her long veil draped from a crown, the bride-elect will carry calla lilies. Orchid chifon has been chosen for the maid of honor and yellow for the bridesmaids. Heart-shaped small hats in matching shades will accompany them. The maid of honor will carry yellow roses and the bridesmaids, pink roses.

Miss Cerami was graduated from Belleville High School in 1936 and is employed by the R. C. A. Manufacturing Company in Harrison. Mr. Greco attended Belleville High School and Newark Vocational School. He is connected with the Greco Construction Co., owned by his father.

## Something To Smile About

HAPPY OVER THEIR FORTHCOMING golden wedding anniversary on Saturday are Mr. and Mrs. John Netschert of 175 New street. Both native Newarkers, they have resided here for the past ten years. Mr. Netschert, a retired retail grocer, also has a long record of service with numerous fraternal organizations.

## Mr. and Mrs. J. V. Netschert Wed Fifty Years Ago

New Street Couple, Both Native Newarkers, Will Mark Event on Saturday at Summer Home of Their Daughter, Mrs. H. V. Hardman

Another Belleville couple will be added this week to that select group of folks who are honored by celebrating their golden wedding anniversary.

Both native Newarkers, Mr. and Mrs. John V. Netschert of 175 New street were wed there fifty years ago. The event will be marked at a family dinner party to be held on Saturday at the summer home of their daughter, Mrs. Herbert V. Hardman of Union avenue in Rock Point, Greenwood Lake.

Friends from their childhood days in the city where both their parents and grandparents were also residents, the Netscherts moved here ten years ago from Newark.

For many years Mr. Netschert was a member of the Newark firm of Netschert Brothers, grocers and butchers. Later he was associated with Debow & Co. He retired from active business about eight years.

Active in fraternal affairs for the best part of his life, Mr. Netschert has been a member of Eureka (now Marion) Lodge of Odd Fellows for the past fifty years, twenty-two of which he served as its treasurer. For twenty-six years he has been a member of Eureka Lodge of Masons. He also served thirty-eight years as treasurer of Court General Runyon, Independent Order of Foresters. His wife has been a member of Pleiades Chapter, Order of Eastern Star, for twenty-six years.

Mrs. Hardman is their only surviving daughter. Her husband is head of the Hardman Rubber Co. of Foreman street and is a member of the local Selective Service Board in addition to being prominent in numerous other local affairs.

The couple has four grandchildren, Kenneth Hardman of Nutley, Mrs. Edith Sanstrom of Weymouth, Mass., and the Misses Doris and Amy Hardman of this town. There are also four great-grandchildren, James and John Hardman of Nutley and Nia and Kenneth Sanstrom of Weymouth.

### Mark Fortieth Anniversary

Mr. and Mrs. August P. Engel of 28 Berkeley celebrated their fortieth wedding anniversary on Saturday. That evening they were given a surprise party by their children. Decorations were in ruby and white.

### Legion Auxiliary Members To Attend County Session

Members of Belleville Unit 105, American Legion Auxiliary who will attend the Essex County Convention in the Hotel Douglas in Newark Saturday are Mrs. Joseph L. Kolinsky, Mrs. William I. Labauch, Mrs. Edwin R. Ackerman, Mrs. Joseph J. Huemer, Mrs. Lester E. McCorkle, Mrs. Arthur Christie and the Misses Laura L. and Lulu Congleton. Miss Congleton, historian, will represent the unit in the memorial service.

A short business meeting followed by a social will be held at the Recreation House Monday evening at 8.

The Junior Auxiliary last week elected the following officers: president, Evelyn Ackerman; vice-president, Rosemarie Masterson; treasurer, Virginia Ackerman; chaplain, Rose Merola; sergeant-at-arms, Margaret Christie; secretary and historian, Doris Huemer.

### Raymond Halls Return From Virginia Honeymoon

Mr. and Mrs. Raymond Hall of 406 Bloomfield avenue, Bloomfield, returned this week from a honeymoon in Virginia. They were married in St. Peter's Rectory on Saturday, June 7, by Rev. John S. Nelligan. Mrs. Hall is the former Miss Evelyn Elliott of Newark. Mr. Hall's parents are Mr. and Mrs. Raymond Hall of 90 Bridge street. He is employed in the special delivery department of the Newark Post Office.

Mr. and Mrs. Rudolph Luhrs of Forest street held a small dinner party preceding the graduation from the high school last night of their daughter, Miss Audrey Luhrs.

## MISS DONNELLY WEDS SATURDAY

Ceremony To Be Performed  
Saturday At Four  
In St. Peter's

St. Peter's Church will be the scene Saturday afternoon of the wedding of Miss Mary Madeline Donnelly, daughter of Mr. and Mrs. Joseph Donnelly of 256 Belleville avenue, and Joseph Frank Thalheimer, son of Mr. and Mrs. Frank Thalheimer of 19 Fairway avenue.

Rev. Joseph M. Kelly will perform the ceremony at 4 o'clock. Miss Maude Donnelly, sister of the bride-elect, will sing and Miss Rita Loneragan will be the organist. A reception for the immediate families has been arranged at the Donnelly home.

Miss Donnelly will be attended by another sister, Miss Irma Donnelly, who will be her maid of honor. The Misses Helen Thalheimer, Edna Schaufuss and Ruth Colston of town and Olive Finn of Newark have been chosen bridesmaids. Wilbur Thalheimer will be his brother's best man. Frank Donnelly, Frank Thalheimer and Eugene Smith of Belleville and Terrence Seaton of Summit will usher.

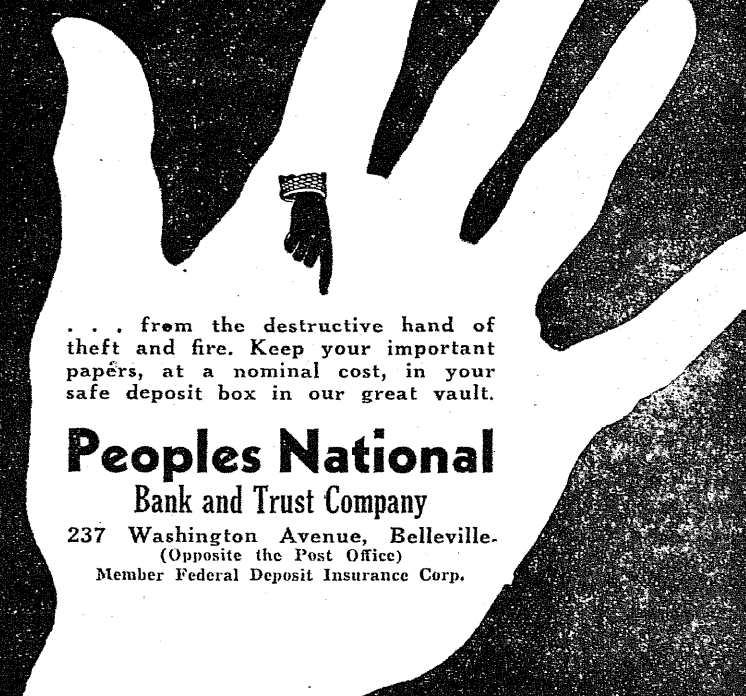

A princess style gown of white satin with sweetheart neckline will be worn by the bride-to-be and will be covered by a long tulle veil draped from a coronet and held with orange blossoms. She will carry a bouquet of white roses and lilies of the valley.

The maid of honor's pink marquisette and lace gown and those of the bridesmaids in aquamarine will be similarly made. They will wear matching picture hats and carry bouquets of spring flowers.

Mrs. Donnelly's costume of pink lace will be accompanied by white accessories and a corsage of white roses, while Mrs. Thalheimer will wear beige accented with pink and a corsage of pink roses.

The couple are employed by the Crocker-Wheeler Electric Manufacturing Company of Newark. They will live at 38 Overlook avenue after a New England honeymoon trip.

### Services for Kalman H. Taylor, Twelve, Held Saturday

Dressed in full Boy Scout uniform and with members of his troop acting as pallbearers, the body of twelve-year-old Kalman Harold Taylor was laid to rest in the East Ridgeland cemetery at Delawanna on Saturday.

The youngest son of Mr. and Mrs. Henry Taylor of 15 Bremond street, succumbed Thursday to a ten-week siege of rheumatic fever. Previous to his illness he attended Schools Nos. 5 and 8, and was a member of the "Flying Eagle" patrol of Boy Scout Troop 388.

Funeral services were conducted at the Taylor home, with the Rev. Peter R. Deckenback of the Christ Episcopal Church officiating. At the cemetery the en-  
tire membership of the Scout troop stood at attention, while last rites were read. Scoutmaster Greenville Richmond, a next-door neighbor of the deceased's parents, was in charge of the boys. Pallbearers were George Pederson, Roy Hunt, Donald Richmond, Dave Burlington, George Dunder and Charles Norman.

In addition to his parents, young Taylor is survived by one brother, Robert, twenty, and one sister, Marjorie, nineteen, at home. In addition there are two half brothers, Harry Taylor, thirty, of Bloomfield, and George, twenty-eight, now at Ft. Bragg. Also two half sisters, Mrs. Elizabeth O'Rourke, twenty-five, Bloomfield, and Miss Emily Taylor, twenty-seven, also of Bloomfield.

The maternal grandmother, Mrs. Josephine Brinnell, lives at 257 Main street.

**CUT RATE DRUG STORE**

A. A. FLORENTINE, Ph. G.

**531 Washington Ave. (Cor. Overlook)****Belleville, N. J.****CONTINUED BY POPULAR DEMAND -- ALL THIS WEEK!!****Our Gigantic Cut Price Sale of Drugs, Etc.**

We hardly believed it possible to receive such a response to our sale advertised last week. But they responded — from all sections of Belleville — and when stocks of merchandise were exhausted we were implored to secure more and to continue this bargain-giving festival. We did secure fresh stocks and now — again — we offer the largest stock of standard merchandise to be found in Belleville and at prices that are really a "throw-back" to the "good old days." If you were disappointed last week — and we know that a lot of people were — we suggest that you come down early and take advantage of this Carnival of Values. Select the items that you do need and those that you will find a need for in the future for never again will you be able to buy so much for so little. Sale continues for the balance of this week.

### Church of Christ, Scientist

605 Broad Street, Newark

"Is the Universe, including Man, Evolved by Atomic Force?" is the Lesson-Sermon subject for Sunday in all Christian Science Churches and Societies.

The Golden Text is: "The Lord is a great God, and a great King above all gods. In his hand are the deep places of the earth: the strength of the hills is his also."

Among the Lesson-Sermon citations is the following from the Bible: "For all flesh is as grass, and all the glory of man as the flower of grass. The grass withereth, and the flower thereof falleth away: But the word of the Lord endureth for ever."

The Lesson-Sermon also includes the following passage from the Christian Science textbook: "The true theory of the universe, including man, is not in material history but in spiritual development."

### Congregation A.A.A.

317 Washington Avenue, Rabbi Rubin R. Dobin.

The Congregation board of trustees will meet tonight, at 9 in the Synagogue. Regular Kabbalas Shabbos services tomorrow night. Sabbath morning services will be held at 9:30. The blessing of Rosh Chodesh for the new Hebrew month Tammuz will take place at this service.

Wednesday is the first day of Rosh Chodesh.

Thursday is the first day of the new month Tammuz.

Preliminary plans are now being made for divine services for the Jewish High Holidays on September 22 and 23. All those who have pews reserved in their name at the Synagogue are asked to let the trustees know if they would like to have them for the High Holiday services.

"Kolenu," the literary annual of the Belleville Jewish Community is now out. Copies can be obtained at the Synagogue office. During the summer months, Rabbi Dobin may be reached through E. J. Abramson or Dr. B. A. Jacobson.

### Wesley Methodist

Rev. Edgar M. Compton.

Sunday evening will be the last evening service until the fall. There will be special music depicting the life of Christ from the Nativity to the Resurrection by the Junior and Boy's Choirs. The soloist will be Donald Moore, baritone, of New York. Miss Mary

## Just The Thing For Sailing

Blue denim is not only the most serviceable medium for boating attire but it is also softly flattering to tanned complexions and sun-burnished hair. Slacks, of course, are almost a necessity for any kind of activity around a boat and the protection and comfort of a boxy jacket like the one pictured here is welcome on any but the warmest days. This outfit is a wise choice for those who are fortunate enough to be planning a summer which includes long hours of sailing or motor-boating.

## School's Out—So Folks Are Vacation Bound

Elmer Hydes and Children Will Leave Over The Weekend for Allenwood; Phyllis Dettelbach On Motor Trip; Helen Woodruff Hostess

School will be out tomorrow and some families will be heading for summer vacation spots before the weekend is out, and are not planning to return to town until around Labor Day.

Scheduled to depart for their summer home in Allenwood are Mr. and Mrs. Elmer S. Hyde and children, Helen, Judith, Audrey, Margo, Arthur and Beth. Of Rossmore place. They will be joined next week by their son, Jimmy, who will end his school term at Peddie School in Hightstown.

Miss Judith Hyde entertained last weekend in Allenwood for Miss Lorna Zink, also of Rossmore place.

Miss Phyllis Dettelbach of Hancock avenue and Miss Adeline Haslett of Atlantic City left yesterday by motor on a six weeks' trip to California.

Miss Helen Woodruff of Joramelon street will entertain Saturday at the Woodruffs' cabin in Lake Walkill for a group of sixteen friends from Newark and Belleville.

Mr. and Mrs. Lloyd C. Nunn of Garden avenue spent the weekend in Manasquan Beach.

Mr. and Mrs. Richard Garraway and Mrs. Garraway's mother, Mrs. Alice B. Cyphers of Birchwood drive will weekend at their summer home in Belmar.

Miss Lucy Alden of Prospect street will visit this weekend with Mr. and Mrs. E. Rhey Garrison of Bridgeport, Conn. Miss Alden will be entertained Saturday evening at a party in honor of her graduation on Wednesday from Belleville High School.

Bound for Bradley Beach

Mr. and Mrs. Samuel Ferguson and daughter Rita of Beech street will depart shortly for their home in Bradley Beach where they will remain until Labor Day. Their daughter, Miss Marcella Ferguson will spend weekends with the family.

Mr. and Mrs. Frank Bangert of Cedar Hill avenue entertained Sunday evening for Mr. and Mrs.

Thomas Tapper at the Juilliard Summer School, which opens its six week course on July 7.

Mr. and Mrs. Richard E. Garraway and Mrs. Garraway's mother, Mrs. Alice B. Cyphers of Birchwood drive spent the weekend at their summer bungalow at Belmar.

Theatre Party Will Close Lutheran Choir Season

A theatre party tonight will close the season for the choir of Bethany Lutheran Church when the members attend a performance of "George Washington Slept Here" at the Maplewood Theatre. Pastor and Mrs. Willard H. Borchers will accompany the group among whom will be Mr. and Mrs. Ernest Ohle, Mr. and Mrs. Hugh Pace, Mrs. Joseph L. Jordan, Mrs. William Beckholdt, Mrs. Edward Reed, the Misses Katherine Hafner, Audrey Luhrs and Charlotte Carlson and Alfred Oechsner and Ernest Jordan.

Piano Pupils Get Awards

Awards were made at the conclusion of the annual piano recital conducted by students of the Stratton Studio Thursday night. A bust of Beethoven was presented to Betty Freed who received the highest grades for the year. Margaret Heller in second place and Elizabeth Robinson in third received honorable mention.

**Vacations**

Vacation time is here, and so it's likely many folks will go to mountain, lake or sea resort for days or weeks of "rest" and "sport".

Once there, they very soon will find, with all the sport they have in mind, the "rest" for which they fondly yearn, must be postponed 'till they return.

The owner of a car may eventually find how annoying and inconvenient it can be, when tires "give out" on a pleasure trip. Before going on your next trip, stop at Brisk's Gulf Service, Main and Rutgers Streets, for the replacements or "spares" that mean a pleasant, safe journey. Call Belleville 2-4514.

Science And Invention In This War

Science is playing an important part in this war. On the perfection of some secret weapons may hinge the final outcome of the great struggle. More so than in any past battle between nations, the products of inventors are helping one side or the other.

Germany's air superiority to date has not only been in numbers but in the efficiency and speed of the various types of bombing planes, dive bombers and other aircraft. Her U-boats which roam the seas have been speedier than those of Great Britain. However, in the design and manufacture of both of these, Britain, with the help of the United States, is catching up.

Bringing into play one improved weapon by one country sends the scientists and inventors of another scurrying to their laboratories and work benches to see if they can perfect something which will be better or which will entirely counteract the product of the inventive minds of the enemy.

In a commencement address a few days ago at Haverford College former President Hoover called upon American scientists to match their feats of the past by creating new machines and weapons to defeat the deadly war machines that are now used by Hitler's armies.

One well-known inventor, Charles F. Kettering announced that a new American invention has been invented which will help to defeat the submarine. Through the development of this new device, it is hoped to catch the subs while they are on the surface at night recharging their batteries.

Yesterday the British revealed that a new weapon had been developed which warns of approaching planes miles away. There had been reports of the perfection of such an instrument because of the recent success of the British in bagging German bombers flying over the British Isles.

Still closely guarding this new instrument and its details, the British admitted that it was by radio location that planes were being located. It is more accurate and more quickly revealing of the position of the enemy than could be possible by human watchfulness.

Invention of this device may be one of the strong points in Britain's continued success in protecting the Isles from invasion. Masses of troops alone will not win this war, but science with its genius can build the weapons and machines which may help these troops to overcome the enemy.

Without the progress of science, some say this war would not be as savage, as gruesome, as horrible as it is. Many think in words similar to those of Henrik Van Loon who once said:

"I have come to have very profound and deep-rooted doubts whether science, as practiced at present by the human race, will ever do anything to make the world a better and happier place to live in or will ever stop contributing to our general misery."

There may be much truth to this, but the world today finds itself in the midst of chaos and it may be science that will put down the forces that seek to dominate all corners of the earth and to make all mankind bow before their will.

First-Rank Spot In Defense

That Belleville is assuming a first-rank position in this section's part in national defense production is becoming increasingly evident. With the finishing touches being made on its new million-dollar plant in the northern end of town, the Walter Kidde Co., which is manufacturing varied equipment for defense, announced this week that it would erect another plant which when completed will have cost approximately \$2,000,000.

The addition in ratables to the town will count heavily in local judgment of the worthwhileness of the effort made to bring

Over The Top In Swim School

More than 700 local youngsters who do not know how to swim will take lessons next week. The success of the effort to get parents to enter their children in the Learn-to-Swim campaign is the result for the most part of the work of the schools and the Red Cross.

This is the first year that local children have had the opportunity to take advantage of the free lessons which are offered annually in the campaign conducted by the Montclair Y. M. C. A. which furnishes the instructors. In typical kid fashion, they have swamped those taking registrations and Belleville's enrollment exceeds that of any other community in this area which is entered.

It is true that in one week of lessons

Added Thoughts On Several Topics

On public cooperation hinges the likelihood of motorists in this part of the country being faced with "gasless" Sundays, according to Harold Ickes, who was recently made Defense Petroleum Coordinator. His announcement that there might be a curb placed on petroleum consumption along the Atlantic seaboard created quite a stir.

The public's part in conserving gasoline and oil will count heavily, Ickes remarked. The American Automobile Association has pledged a campaign to cut down consumption of gasoline by motorists by slower driving, elimination of hasty getaways in traffic and proper engine adjustments.

Bureau of Standards tests showed a car which gets eighteen miles to the gallon at thirty miles per hour will get only 8.6 miles to the gallon at eighty.

One large, four-engined bomber of the type American industry is now building for defense carries up to 11,000 gallons of gasoline when fully loaded for flight. This capacity is more than that of a standard railway tank car.

And just in case you are interested in the amount of gasoline that one of these giants would use on a twenty-four hour mission, it is estimated that it is about equal to the amount an average automobile would require to make five trips around the world.

the Kidde concern to Belleville. That the location of the industry here was another feather in the cap of Mayor Williams and the Town Commission goes without saying.

Previously, we have said that industries do not just fall out of the heavens into Belleville. Many communities want them and are willing to grant numerous concessions to secure them. It is only through alert leadership and good salesmanship that the benefits of Belleville to certain industries have made the success which this community has been enjoying in the past two years possible.

these children may not become proficient swimmers. However, they will have lost that fear of water which is most important of all in teaching any youngster how to swim. More than that, they will probably want to swim more and thus learn something which is important not only to their health but to their safety.

Mass swimming schools in which hundreds of children take their first strokes are a far cry from the days when many did their first dog-paddling after they were thrown into the pond or river. The Learn-to-Swim school further illustrates the work of such organizations as the Red Cross and the Y. M. C. A. in community projects and in giving benefits to our young people.

Some mathematician has figured some interesting statistics about the country's airlines. There are more than 400 commercial transports in the nation. In a recent month, the domestic airlines flew more than ten million miles — an equivalent of a trip to the moon plus four trips around the earth's circumference.

The average person does not know much about the real speed of an automobile, according to the survey made recently by an automobile club. Only eighteen per cent of those checked, the report says, came within five per cent of the actual speed of passing cars, and more than half were twenty per cent or more "off" in their estimates.

The town's good fortune in building a modern business block through the location in the past year or so of such stores as Sears, Roebuck, the Great Atlantic & Pacific Tea Co. and F. W. Woolworth Co. has provided the rumor whisperers with plenty of food. Almost every day some nationally-known concern is locating along Washington avenue in their minds. It ranges from another five-and-ten to a two or three-story branch of some well-known department store. Sure, the town's progressing — but not that fast.

Although vocational guidance is an established routine in most school systems now there is no reason for parents or adult friends to relax the efforts which they can make to help teen-age youngsters direct their energies toward one distinct career. We do not mean that any hard and fast rules should be established and, above all, we do not mean that a child should be heavily influenced in favor of any profession for which his natural qualifications do not fit him.

Recipe Column

- Crushed fresh fruit on vanilla ice cream is a favorite summer dessert. We like this variation, however, where the fruit is cooked slightly and chilled in advance. It makes a smoother topping inasmuch as the sauce for ice cream should be juicy, not too thin. Raw fruit is often not sufficiently matured in powdered sugar and the result is rather dry and uninteresting.
- Rhubarb Strawberry Sundae**
- 2 cups diced rhubarb (3/4 lb.)
  - 1 tablespoon water
  - 1 cup sugar
  - 1 pint strawberries
  - 1 quart vanilla ice cream
- Cook rhubarb with the water in covered saucepan until tender, 3 to 5 minutes. Add sugar and sliced strawberries and simmer gently 3 minutes longer until strawberries are soft. Remove from heat and chill thoroughly. Serve a generous amount over the ice cream and pass the remainder in a sauce dish.
- A delicate accompaniment for this sundae, and a wonderful standby in the cookie jar are these nourishing cookies.
- Cocconut Butter Cookies**
- 2 1/4 cups all purpose flour
  - 1/2 teaspoon soda
  - 1/2 teaspoon salt
  - 1/2 cup butter
  - 1/2 cup granulated sugar
  - 1/2 cup brown sugar
  - 1 egg
  - 1/2 cup milk
  - 1/2 teaspoon vanilla
- 1 cup dry shredded cocconut. Measure flour after sifting and sift twice again with soda and salt. Cream butter and gradually add sugars blending until smooth. Add egg and beat until fluffy. Alternate dry ingredients with milk and vanilla and work them into the batter. Finally add cocconut. Pack into cookie molds or turn into a very narrow loaf pan lined with buttered waxed paper. Chill for several hours. Slice thin with a very sharp knife and bake in a hot oven (400 degrees) on a buttered cookie sheet for about ten minutes or until lightly browned. Cool on cake rack.

**Vacations Good Chance**

An excellent way to overcome this danger is to accustom young people early in life to reassuring family discussions of their potentialities stressing those things in which you can see that they excel. Vacation periods offer an excellent opportunity to watch what your children do with their unoccupied time. Their own taste in activities may be a strong indication to you of their talents. If there are no such definite signs, why not make it your business to supply them with books or magazine articles which may start the ball rolling? The book reviewing department of any newspaper or your librarian can supply you with titles of books which are written especially for children, not for young men and women, on the all-important subject of selecting an occupation.

Titles were listed recently by one such book review which covered a wide variety of fields: advertising, photography, engineering, radio, art, naval careers, fashion designing, interior decorating, teaching, nursing, farming, flying and even orchestra leading. There is no doubt that any of these, written with the verve and realism of those who are even now participating in such careers, could open new paths of endeavor for your children. Obtain and read them first and, should one have a special appeal for your youngster, make it your business to familiarize yourself with the subject as a whole and look up the institutions which provide such instruction.

This sort of endeavor will not only lead to a more profitable summer for your growing children but it will constitute one of the most important contributions you can make to the future of the nation. It is easy to relate these subjects when you consider that the utmost success of each individual is necessary at any time to attain the ideals for which such a nation exists. How much more true will it be of the period which

**LETTERS**

**Criticizes Defense Training School and Buses**

From Mrs. Margaret Caruso  
218 Passaic avenue

To the Editor of The News:

I would like to comment on two subjects of interest to Belleville residents which have caught my attention in the news lately.

First, about the defense training schools in New Jersey. We happen to have one in Belleville.

My son was sent to this school with the first group which started about March 31. He was through training in eight weeks. I wonder how many of these trainees, after their periods of "learning," acquired jobs in the line of work they were fitted for? I know my son did not.

On completion of his period of training he felt sure he would obtain employment in the line of machine shop training he had at school, but was he disappointed!

He was sent to employment offices in Bloomfield, Newark and East Orange but all they told him was that they would keep his name on file for a job in that line. Very encouraging!

There is no sense training boys

for jobs that do not exist! It is a waste of money and time. The training period was from 10:30 p.m. to 7 a.m. for eight weeks and he put in every hour of it!

**Fails To See Benefit**

If our commissioned men co-operate in getting these trainees established in jobs, then I fail to see where it will benefit any of us to have a project here in Belleville.

Jersey City has placed 1,000 trainees in jobs, and there are jobs waiting for the hundreds of others in training.

If they can do it for 1,000 boys and men then I think Belleville should have been able to do it for the twenty-two or twenty-four which were in the first group of boys and men who completed their training.

My second comment is about the curtailment of service of the Garden State bus which is such a hardship on residents in our section of town. A petition was started eight or nine months ago which was presented to the commissioners and they promised to do something about it, but has anyone heard of anything being done about it?

**Nutley Gets Action**

Our neighboring town of Nutley got permission for a new line via Franklin avenue to Heller parkway, and besides, they are to get permission to run a belt line through the town, probably very soon.

The one commissioner took care of all of that, because he knew what the people needed and wanted, and it was his duty to better transportation facilities for them.

Nutley gets promises. We are still waiting to see promises fulfilled.

Maybe you can throw some light on the above comments?

**Soho Employees To Hold Bus Ride Tomorrow**

The Employees Association of Essex County Isolation Hospital will hold a bus ride to Lake Hopatcong tomorrow night. Members and their friends will make a party of about 150.

Buses will leave the Hospital at 7. William Anderson, storeowner assistant, is chairman of the committee in charge of the outing. The Employees Association has been organized for about two years for the purpose of promoting friendship and good will among those working at the hospital. Monthly business meetings are held to plan for the social events which intervene. Dr. Ellis L. Smith is director of the hospital.

**Burke Elected PBA Head**

The Belleville Patrolmen's Benevolent Association has held its annual election of officers with Frank J. Burke being chosen as president. He succeeds Ernest C. Slater.

Other patrolmen elected to offices were as follows:

Joseph B. Nygard, sergeant-at-large; Charles Booth, sergeant-at-large; Gerald Lilore and Donald Smith, convention delegates.

Nygard was chosen vice-president, Lilore, financial secretary; Smith, trustee; Harry R. Scott, treasurer, and Nelson Demgard, recording secretary.

Cool, Tinkling Drinks for Summer

Serve These in a Frosted Pitcher or a Special Occasion Punch Bowl

COOL refreshing drinks are one of the joys of summer. They taste good in frosted glasses. Dip a goblet in water to the stem and chill in automatic refrigerator. For a frosted-snow effect, dip the rim of a glass in lemon juice and then in sugar before chilling.

Freeze tea, coffee or orangeade into cubes in the ice tray of your refrigerator. When the cubes melt they will not dilute the beverage.

**Continental Punch**

- 2 qts. grape juice
- 2 1/2 cup lemon juice
- 2 pts. orange juice
- 8 bottles ginger ale
- 1 cup sugar
- Block of ice

Combine the fruit juices, sugar and ginger ale. Mix, pour over block of ice and serve with an ice cube or crushed ice in each glass.

**Summer Fizz**

- 12 sprigs of mint
- 1 cup cold water
- 1 cup boiling water
- 1/2 cup lemon juice
- 1 cup currant jelly
- 3 cups orange juice
- 1 qt. gingerale

Crush mint in a bowl with the back of a silver spoon. Add boiling water and currant jelly. When jelly is melted, add cold water. When cold, strain out the crushed mint. Add fruit juices and just before serving, the gingerale. Serve with sprigs of fresh mint or pour over ice cubes which have had mint leaves frozen in them.

**Fruit Punch**

- 1 pt. grated pineapple
- 1 pt. strawberry juice
- 2 lbs. sugar
- 8 lemons
- 3 cups boiling water
- 6 oranges
- 7 qts. cold water
- 1 pt. hot tea

Cook pineapple, sugar and boiling water together 15 minutes, add tea and strain. When cold, add fruit juice and cold water, adding ice a short time before serving. Maraschino or candied cherries, strawberries or mint leaves may be used as garnish. This recipe makes about 10 quarts.

To vary this recipe, substitute other fruit juices for the strawberry juice or leave out entirely. When the fruit juice is omitted, a good sprig of fresh mint leaves crushed add flavor and changes the drink entirely.

**Pineapple Currant Punch**

- 1 1/2 cups orange juice
- 1 quart pale dry ginger ale
- 1/4 cup lime juice
- 2 egg whites
- 2 1-pint, 2-ounce cans pineapple juice
- 4 tbs. currant jelly
- 2 tbs. sugar

Mix fruit juices and chill. Add well-chilled ginger ale just before serving. Beat egg whites until frothy, add currant jelly by tablespoonfuls, continuing to beat. Add sugar, 1 tablespoon at a time, beating thoroughly until blended. To serve, place a spoonful of egg white mixture in each tall glass, add crushed ice or two ice cubes. Fill with punch. Serve at once. Yield: 10 1/2 standard measuring cups.

Try an electric hand cleaner for removing dirt from upholstery.

**Anne Eberhard Honored At Bon Voyage Tea**

Miss Anne Eberhard of 234 Union avenue was honored at a surprise bon voyage tea given Saturday in Bamberger's restaurant by Miss Dorothy Heartz of 120 Rutgers street.

Miss Eberhard, daughter of Mr. and Mrs. Frederick Eberhard, will leave in the near future for Aruba in the Netherlands West Indies where she will be married to Arthur D. Veghte, son of Mrs. Maude Veghte of Somerville. Mr. Veghte is employed by the Largo Oil and Transport Company in Aruba.

Guests at the tea were Mrs. Frederick Eberhard Sr., Mrs. John Eberhard, Mrs. Alex Ferguson and the Misses Margaret Ackerman, Jane Schuko, Margaret Penney and Mildred Drentlau of this town; Mrs. Veghte, Mrs. Josephine Davis, and Mrs. Elwood Heller of Somerville, Mrs. Frederick Eberhard Jr. of Livingston, Mrs. William Jones of Cranford, Miss Lorraine Behney of Newark and the Misses Betty Campion and Lillian and Frances Hollander of Arlington.

**Dahlquist-McNair**

Announcement of the engagement of Miss Margaret McNair, daughter of Mr. and Mrs. Robert McNair of 73 Preston street, and Leroy Dahlquist, son of Mr. and Mrs. Theodore Dahlquist of Bloomfield, was made Saturday evening at a party held in the McNair home. The announcement took the form of a recorded news flash.

Miss McNair, who was graduated from Belleville High School in 1935, is employed by the Prudential Insurance Company. Mr. Dahlquist attended New Brunswick schools and is with the Western Electric Company. Wedding plans have not yet been announced.

Mr. and Mrs. McNair also celebrated their twenty-eighth wedding anniversary Saturday. Among the guests were Mr. and Mrs. Ambrose Camisa of East Orange who were married on Saturday in the rectory of Sacred Heart Church, Bloomfield.

STILL SEEKING COAT HANGERS

Boy and Girls Scouts' Drive To Raise Money Is Lagging

There must be a lot of coat hangers in local closets that aren't hanging anything — and in that case the Boy and Girl Scouts would like to have them. It's all part of the effort conceived by John Charlton of the Boy Scouts to raise money to buy handicraft equipment for the boys' Camp Mohican at Blairstown which will open shortly.

With the help of Mrs. May E. Holden of the Girl Scouts, the campaign was started about two weeks ago. To date Charlton reports that the response has not been too good even though prizes have been offered to the Boy and Girl Scouts collecting the most hangers. There would also be troop prizes.

Each hanger will bring a quarter of a cent for a local cleaner has agreed to take them for that price.

Charlton made a last appeal yesterday for cooperation by both Boy and Girl Scouts in making the campaigning a success. He pointed out how badly the equipment is needed at Camp Mohican.

McDermott-Weir Wedding Saturday Afternoon

Saturday afternoon has been selected for the marriage of Miss Gladys Margaret Weir, daughter of Mr. and Mrs. John C. Weir of 136 Overlook avenue, and John McDermott, son of Mr. and Mrs. John A. McDermott of 29 Mt. Prospect avenue.

The ceremony will be performed at three o'clock by Rev. O. Bell Close, pastor of First Presbyterian Church, in his home. The couple will be attended by Miss Betty Weir, sister of the bride-elect and Russell McDermott, brother of the bridegroom-to-be. Delicate shades of blue and pink have been chosen by Miss McDermott and her sister for their costumes.

Miss Weir was graduated from Belleville High School in 1938 and Mr. McDermott in 1937. They will make their home in Belleville.

## Some Folks Getting Away For Weekend Visits

Lake and Shore Vacation Spots Lure Those Who Want to Get Away from Heat; Some Are Staying At Their Summer Places; Entertaining Friends

Lots of folks are not having their summer vacations, yet but they are able to get away from town for the weekends. There were plenty of them at the shore or some lake spot over Saturday and Sunday trying to dodge the high temperatures and cool off a bit.

The Peter V. Goldschmitts and daughters Alma and Lois and Mr. Goldschmitt's brother Victor of Overlook avenue were at their cottage at Longwood Lake.

At their summer place in Swartswood Lake for the weekend were Mr. and Mrs. Cornelius De Jonge and daughters Genie and Rena of Malone avenue.

Miss Ethel Thomas of Rossmore place and James Brooks of Washington avenue were weekend guests of Miss Thomas's parents, Mr. and Mrs. Edgar Thomas at their summer home in Hawley, Pa.

Mr. and Mrs. Walter Bishop of Prospect street were hosts over the weekend for Mr. and Mrs. John Brady and Miss Patricia Keller of Brooklyn.

Mr. and Mrs. Frank Wiest of Hornblower avenue had as guest last week Miss Mabel Sawyer of Millrit, Pa. Mr. and Mrs. Wiest also had visiting for a few days, Mrs. Harry Wiest of West Point, Pleasant, formerly of this town.

A group of five spent Friday at Budd Lake. The party included the Misses Adrienne Adler, Ethel Hilton, Cathleen Fitzsimmons, Claire Priester and Betty Freed.

Mr. and Mrs. Harold Ford of Smallwood avenue entertained Saturday evening for Mrs. Ford's sister and brother-in-law, Mr. and Mrs. Joseph Harrison of Orchard Park, Union.

Mr. and Mrs. Weldon Melroy of Smallwood avenue and Mr. and Mrs. John Weeks of Verona spent Saturday at Lake Minnewaska, N. Y.

Mrs. Catherine Martin of Mertz avenue celebrated her seventyninth birthday Tuesday with a family dinner at the home of her son-in-law and daughter, Mr. and

week in honor of her graduation from School No. 10.

Mr. and Mrs. Albert Niederer of DeWitt avenue returned last week from a motor trip during which they toured Cape Cod and Vermont and followed the Mohawk Trail.

Mr. and Mrs. Grady Cheek of Belmont avenue were hosts to a group of friends Saturday evening at a party in honor of the graduation of their daughter, Katherine, from School No. 4. In addition to Miss Cheek's classmates Mr. and Mrs. Peter Juliano, Mr. and Mrs. Joseph Christiano, Miss Frieda Pace and Mr. and Mrs. Robert Cole of this town were present. Out-of-town guests were Mr. and Mrs. A. B. Binde of Bloomfield and Mr. and Mrs. Chester Bond and Mr. and Mrs. Lawrence Collins of Harrison.

Miss Marie A. Serritella of Magnolia street was a guest of Mrs. Harry Levin of Elizabeth Friday evening.

Mr. and Mrs. Felix Rinaldi of Magnolia street entertained Sunday for Mr. and Mrs. Anthony Tranchetti and daughter Marie of Jersey City.

The Misses Josephine Graziano, Josephine Ditri, Ida Carrolo, Antoinette Micle, Elizabeth Scaduto, Ann Parrillo and Nazie Rusinello went on a picnic to Crystal Lake Saturday.

## LOCAL STUDENTS IN MUSIC SCHOOL

Grade School Pupils Urged To Attend Five-Week Summer Session

A number of Belleville students will be among the 500 or more who will be in class when the Essex County Band and Orchestra School opens its five-week session at the Theodore Roosevelt Junior High School in West Orange on Monday.

Mrs. Alice Wagner, director of music in the high school, urges grade school pupils interested in instrument playing to consider seriously attending the classes. The high school has two band instruments which will be loaned free to any pupil who seriously desires to learn to play.

Any person desiring additional information about the school may call at the high school, between 10 and 12 tomorrow morning.

Those who have registered from town include: Barbara Phyllis DeSturo, cello; Barbara Sturges and William Akers, cello; Lillian Munro, Betty Doell and Nancy Gardner, double bass; Ann Kelsall, French horn; Mary Haberle, saxophone and clarinet; Irene Keddie, drums; Paul Holland and Dudley Hack, trombone; Shirley Neilson, drum major.

Two students who have attended the music summer school in the past are Carole Carswell and William Prophet. They are now associated with Julliard School of Music, New York City.

Each pupil receives a daily class lesson, one orchestra or band rehearsal, additional ensemble activities, elementary theory and beginning keyboard harmony.

Four different levels of band, orchestra and group instruction are to be organized to accommodate all students from beginners to the most advanced students. Classes are offered in all instruments, harp, conducting, and drum majoring. Instruments can be rented at the school.

## TOWN'S DRIVE

(Continued from Page 1.) ship. "The boys have an urge to get away from camp when the day's work is done," he said, "because the camp represents duty. Unfortunately in the majority of cases there is no place for them to go."

More than 7,500 pamphlets tell in about the U.S.O. and the need for it have been distributed about town. Elsewhere in this issue there is a question and answer explanation of what purpose the U.S.O. hopes to serve and how it proposes to do it. Members of the police department under Chief Spatz have distributed several hundred show cards urging people to support the U.S.O. These have been placed in stores and other business places in various parts of town.

Appeals have already been made by the spiritual leaders of each of the town's churches to their congregations. They are expected to renew this plea over the coming weekend.

Each person who contributes to the U.S.O. will receive a receipt, a button and a sticker to be placed in a house window or an automobile.

Selection of a number of the division leaders for the house-to-house canvass was announced by Charlton last night. A number of them were drawn from the ranks of the local post of the American Legion, which has promised to give the drive full support through members volunteering to serve as workers.

Charlton said he was making an effort last night to contact the heads of the Veterans of Foreign Wars to learn if their men would join in the campaign to act as leaders and workers.

Among those who will serve as captains for the house-to-house campaign are:

A. S. Ackerman, R. P. Smith, W. H. Kenney, L. E. Keenan, William Konrad, Frank Bangert, H. L. Denison, E. P. Cantwell, J. J. Reilly, Joseph Delaporte, C. J. Smith, William I. Labaugh, Edward Ackerman, W. D. Mase, C. A. Cardiff, Albert Treche, W. H. Smith, Samuel Johnson, Daniel Brevola, Wayne R. Farmer, Otto Brenning, A. A. Harvey, John Gannon, Joseph Costello, Halley F. Hickok, John J. Hewitt and John J. Berliss.

Those who attended Monday night's meeting and indicated that they would serve on the house-to-

(This is something new in columns for The News and criticisms will be welcomed from the readers. Parents experiencing amusing or interesting incidents with the smaller members of the family are invited to submit them to The News. All items should arrive at the office, 328 Washington avenue, not later than noon on Monday.)

We are glad to hear that Jimmy Campbell of Little street is all over his appendicitis operation and is now at home recuperating. Jimmy would like to know who the kind person was who sent him the "get well" card signed "Marion." So would his mother . . . Billy Dunleavy will soon be going away to his summer home at Pequannock with his parents. Billy is Deputy Chief Dunleavy's son . . . Joe D'Angelo, Jr.'s grandfather is very proud of a certain picture he carries in his wallet . . . George Jinks, your mother told us to tell you to stay out of the street . . . Peter Donaldson must soon have his tonsils removed. Cheer up, Petey, you'll get lots of ice cream . . . "Skipper" Burfield, who derived his nickname while living down at the shore, used to be afraid of lights and people, but no more, since his mother takes him strolling in his carriage on Washington avenue, where everybody talks to him because they can't resist his smile . . .

Frankie Gideski of Ralph street has just celebrated his first birthday . . . "Mickey" Ryan is learning to play golf under his father's supervision and he's all of two and a half years old . . . Billy Habig of North Arlington, who is ten months old, is a Hi-Ho Silver fan . . . Charles "Gus" Hart is a baseball enthusiast. His favorite player is his father, William Hart . . . Bobby King was to celebrate her fifth birthday this week with a party but something unfortunate happened — Bobby got the measles the day before . . . Mrs. Johnston of School No. 3 has a novel idea. A jig saw puzzle is given to a pupil for each "A" as a reward. It's working wonders, according to the mothers . . . Donny Morano insists upon emptying his cereal all over his fuzzy, small head . . . Patricia Ann Wilson of 11 Parkside drive is recovering from a head cold . . . Paul and John Kelly of Jamaica Plains, Mass., are visiting their aunt, Mrs. Frank Mackay of Ralph street, for a week . . .

Among the new arrivals this week in Belleville are: Theresa Natalie, daughter of Mr. and Mrs. Charles Dickinson of 44 Memphis avenue . . . ## Married

Josephine Spodofora

Miss Josephine Spodofora of Magnolia street was wed to Gerald Luciano, son of Mr. and Mrs. Joseph Luciano of Walnut street, Newark, at ceremonies held in St. Anthony's Church on Sunday afternoon at four o'clock.

The bride was given in marriage by her brother, Dominick, Rev. Titian Menegus performed the ceremony.

The bride wore a princess style, white chiffon gown with a long tulle veil. She carried a prayer book and white orchids.

Miss Madeline DeMarrinis of Newark was maid of honor. Michael Giordano of Newark was best man.

The Misses Mildred Mauro of this town, cousin of the bride and Florence Luciano, sister of the bridegroom, were bridesmaids. The ushers were Nicholas Mauro, cousin of the bride, and Anthony Melangonia of Newark.

After the church ceremony, a reception for relatives and several hundred guests was held at

## Belleville Hall Blaze Jacked Up Fire Loss

The \$7,500 blaze in old Belleville Hall during May helped to give the fire department one of

its biggest losses for a single month in some time. Fire Chief Robert A. Reid reported to Public Safety Director Clark Tuesday night that losses for the month totalled \$9,812.

There were twenty-five alarms during May, the chief stated. Fourteen were telephone calls, eleven were box alarms, three of which turned out to be false.

## IMPORTANT FACTS

### Regarding Oil Heating

For over 18 years we have pioneered the Oil Heating Business in New Jersey and as the Largest and Oldest oil heating organization in this locality, we are submitting these Facts to you so that you may be fully aware of the present conditions as they ACTUALLY exist today.

- The price of Mobilheat Quality Fuel Oil (a product of the Socony Vacuum Oil Co.) is now 6.9c per gallon. This is TODAY'S ESTABLISHED TANK WAGON PRICE.
- Don't be confused by coal interests, who have tried to force us to raise our price to 7.2c. The average price for the past 15 years at this time of the year has been from 6¾c to 7 per gallon.
- Our Fuel Oil contracts for the coming year have been sent to our regular customers.
- Our Oil Burner sales on Quiet Automatic Oil Burners and Arkay (American Radiator) Oil Furnaces for the first six months of 1941 are up OVER 25%.
- There is no shortage of oil in the United States and there is as yet no shortage of tankers.
- It is an economic axiom that a shortage which is anticipated never occurs. It never occurs because it is anticipated and plans are made to offset the shortage.

Viz.: a. by new pipe lines.

b. 38 or more new oil tanker ships.

c. the more efficient operation of oil heating plants, properly serviced by oil burner service men who know and understand what an oil burner is—and who DO ONE THING BEST—OIL HEATING, (not as a side line business).

## MINORS CHANGE THEIR LINE-UP

Pittsburghs Win 4-3 At Hasbroucks Heights; Lister Does Hurling

The draft — baseball and the army — forced the Pittsburgh Minor Leaguers to lay off their weekend ball playing for two weeks and take stock of themselves. After Manager Henry Lubben had combed the territory for some new talent, the boys took up their bats again on Sunday and celebrated by trimming the Hasbrouck Heights B. B. C. 4-3 at the Hasbrouck Heights Athletic Stadium.

The shuffling of the players was caused by the departure of Leo O'Reilly, Charley Hoskey and Hank Borkowski. O'Reilly was loaned to the Belleville nine in the Essex County League and Hoskey was called to action for another season by the Rome, N. Y., club in the Canadian-American League. Borkowski, one of the Minors' best pitchers, was claimed by Uncle Sam.

Sunday's tussle was featured by the twirling of Bill Lister who found the blistering sun quite to his liking and struck out seven of the opposition. He kept his seven hits well scattered.

Ed Gutman with four hits for a perfect day at the plate, and Frank Lynch with three, led the Pitts' ten-hit batting attack. Ed Fiske sent home Gutman with the winning run on an eighth inning single.

## AYCEES GAINING ON LEADERS

Essex County Leaguers Trail By Half Game; Trim Caldwell 9-2

The Belleville A. C. nine in the Essex County League moved to within one-half game of the league leading East Orange club on Sunday when Carmen Lilore's five hit pitching subdued the Caldwell A. C. while his team mates batted the losers for a total of fourteen hits. The final score was 9-2.

Starting his second game for the locals after having scored an initial win two weeks ago, Lilore was never in trouble. His brother, Ralph, played bang-up ball at second base, robbing several Caldwell batters of sure hits.

Jack Konowitz with four hits in five trips to the plate led the winners batting attack. The Bellboys will be at home on Fourth of July when they will meet the Nutley A. C. and again on Sunday, July 6 when they will play hosts to the currently league-leading East Orange nine.

Jack Davidson, Hotel Robert Treat executive, perennial winner of annual Newark Civics Clubs golf tournament, is also a veteran Alderney milk drinker, taking more than the average quota daily.—Adv.

## No Objections Made On Liquor Licenses

Not a single objection was made Tuesday night to the renewal of any tavern, club or retail distribution liquor license when the Board of Commissioners, sitting as an excise board, acted on the licenses for the 1941-42 year. Commissioner Clark, head of the police department, said no reports of disturbances had been brought to his attention during the past year.

## Imperials Clip Valley Crowns 8-1 At School No. 1

The Imperials gave the Valley Crowns an 8-1 shellacking at School No. 1 playground on Friday. Dadio and Scarola with three bingles each led the winners' eleven-hit onslaught. Pasquariello limited the losers to three hits.

## Commercial Geography

Commercial geography treats of the distribution of the world's products, of existing demands for these commodities, and means of transportation and exchange.

## RIVAL NINES

(Continued from Page One)  
had plenty of experience with tricky characters and they don't look for any serious trouble from either the Elks or the burros.

Latest quotations on the outcome of the game from Washington and Belleville avenue betting commissions were even money with them willing to lay ten to one that neither side ends up the night without at least one member being tossed.

Mayor Williams will have a formidable line-up of the purple and white members. Included will be Dr. Donald Brown, Elmer Hyde, Red Taylor, Hank Waters, Jack Deeny, Harold Gahr, William Friel, Edward Gahr, Jay Delaney, Theodore Sadock, Vic Hart, Charles Gebhardt, Herb Schmutz, Emil Kastner and Frank Bangert.

Commissioner Louis Noll will be the trainer and is reported to be stocking up on sugar and apples for the burros and first aid supplies and rubbing alcohol for the Elks. Tom McNeil will be the team manager and Russell Sandford the coach. Andrew Kenneth and Jim Ferguson will be the B.P.O.E. pinch hitters if any of the Mayor's stars should turn out to be duds.

## Some of the Rules

The rules of the game state that after the batter has hit the ball, he shall then mount the burro and ride toward first base. The felders must catch fly balls mounted on their burros. If not in position for the catch, they must ride to within one step of the ball before they dismount to pick it up. They must remount before making a throw or any play. The game is played by time. There are twenty-minute innings with each team at bat for ten minutes, regardless of the number of outs.

## Builders

(Continued from Page 1.)  
property be re-advertised for sale with Kirby agreeing to make a ten per cent down payment and be permitted twelve months in which to pay.

Mayor Williams interrupted to state that he had another offer for the same property which had been received Tuesday afternoon. Padula appeared quite surprised. Joseph Gibbs of Ridgewood, the Mayor said, was offering a \$9,000 net price for the land with ten per cent down payment and would complete his payments within ten months.

Padula had stated that Kirby planned to build five-room houses ranging from \$4,600 to \$5,000.

## Wider Price Range

Gibbs was represented by his son, who is associated with him in the business. He stated that his father planned to build houses ranging from \$4,900 to \$6,500. He emphasized that the type of home his concern planned to erect would bring a better return for the town and under cross-quizzing by both Commissioners King and Waters stated that the exteriors of the houses would be varied and that all of them would not be in the \$4,900 price class.

The Gibbs concern has opened developments in both Clifton and Hackensack. Some years ago the elder Gibbs erected the Philmore Apartments and also the apartment and store building on the northwest corner of Union avenue and Joramom street.

Although he did not comment on it at the meeting, Mayor Williams said in regard to the Kirby deal that the pivotal point in discussing it two weeks ago had been Kirby's decision to reduce his down payment from ten to five per cent. He said that after stating when negotiations were first started that he would make a ten per cent payment, the builder had changed his mind at the time of the public sale at which he was the only bidder. The board decided, Williams said, that five per cent was too small a payment.

The question of six or twelve months in which to pay did not enter into the argument at that time, the Mayor claimed. The deal was completely called off two weeks ago, he said, when the board passed a resolution returning Kirby's down payment of \$500 after he had indicated that he would not make the ten per cent payment.

On June 10 the Town Commission unanimously adopted a resolution stating that Kirby Brothers deposit of \$500 would be returned because the bidder had withdrawn the offer.

Padula stated before he left the conference that he would attempt to get Kirby to enter another bid at the new sale which will be held in two weeks.

Involved in the proposed transaction are lots 1 to 37 Harvard street and 30 to 34 Jefferson street.

Also accepted on Tuesday night was the \$7,650 bid of the Own-Home Corporation for lots 415, 453 and 459 Franklin avenue; 67 and 68 and 90 to 92 Melvex street; 60, 80 and 86 Ligham street, and 21 to 23 and 50 Wilber street.

by Meador Wright

The views expressed in this column, are entirely those of the writer and not necessarily those of the Publishers or Editors of the Belleville News.

The railroad tax compromise issue — driven home to New Jersey's millions by Mayor Hague's newspaper advertisements — rests squarely in the lap of Arthur T. Vanderbilt and the Essex legislative bloc. If Vanderbilt gives the compromise program his approval it will pass. If he decides against it, the plan will fail. A number of Essex leaders, Dr. Lester H. Clee among them, favor the settlement in principle. But Vanderbilt will be guided to a considerable extent by political considerations. He is credited with blocking the compromise when it was before the legislature in 1938. He did this not because he thought the settlement wrong in principle, but because he considered its constitutionality dubious.

A new factor — the defense boom and its vast financial help to the railroads — has now entered the situation. Obviously, the railroads are not in as desperate financial condition as they were immediately following the sharp 1937 slump. The public is made increasingly aware of this fact through the Hague advertisements.

Vanderbilt must take this public reaction into account along with the constitutional aspect of the proposed settlement.

My own guess is that he will direct the Essex bloc — or that part which still follows his direction — to oppose the compromise. He will do this because of the probably public reaction that would follow supporting it. It is obvious that if sentiment was lukewarm to the compromise three years ago when the railroads needed help badly, it will be less favorable today when railroad revenues are far greater.

## Home Owners Unconcerned

Furthermore, general real estate taxes are higher today than they were then. The home owner, taxed nearly to the point of confiscation in half of the municipalities of the state, is not likely to become too excited over a similar injustice to railroad corporations, the more especially so since he is inclined to believe that the railroads have turned the corner while he hasn't.

The only new factor in the situation favorable to the railroads is Governor Edison's espousal of their cause — or to be more correct, his espousal of the cause of a prompt settlement. There is some evidence that Edison is not too eager to take up the gauntlet that Hague has thrown at the railroads. Probably he is not sure that public opinion will be with him.

Vanderbilt is in a better position, in that he has made no endorsement so far. My prediction is that the railroads will pay all the taxes and interest that have been assessed against them so far, getting perhaps a modest compromise on penalties.

Hague doesn't want to give up part of the proposed revenue because he has already spent it. The compromise plan would throw Jersey City into bankruptcy. Citizens in other parts of the state believe that bankruptcy would be simple justice to Hague, but there is enough truth in his arguments against the compromise to prevent general support for it.

The infamous job deal that Vanderbilt had a part in because of his wish to get a comfortable berth for W. Stanley Naughton has fallen through for good. Naughton will get nothing, and if Vanderbilt mixes in another such deal he is courting defeat either in September or November.

## County Ready to Install Franklin-Mill Signal

County Engineer Stickel notified the Town Commission this week that his department is ready to proceed with the installation of a vehicle actuated traffic signal at Franklin avenue and Mill street.

The county, he wrote, will pay for seventy-five per cent of the purchase cost and installation and the town the balance.

The extension of Franklin avenue which crosses Mill street, was recently opened and is used by a large number of cars going to and coming from Newark.

## The Secret of Hollandaise Sauce

Serve This Golden Yellow Dressing on Asparagus, Brussels Sprouts, Broccoli

THE often-repeated supposition that Hollandaise Sauce is difficult to prepare is not true. This delicious dressing is easy to make but needs careful supervision while cooking. The simmer burner of your gas range is fine for the slow-cooking process.

Directions for a curdle-remedy are given with the recipe.

## Asparagus

Wash asparagus, remove scales and tie in a bunch. Stand the bunch in an asparagus cooker or in the lower part of a double boiler. Add 2 cups boiling water. Invert upper part of double boiler over asparagus tips and cook for 15 to 20 minutes.

## Hollandaise Sauce

1/2 cup butter 1/4 tsp. salt  
2 egg yolks 1/2 tsp. cayenne  
1 tsp. lemon juice 1/2 cup boiling water

Divide butter into thirds. Put 1 piece of butter in top of double boiler with egg yolks. Heat over gently boiling water, stirring constantly with a wire whisk until butter is melted. Add second piece of butter and as mixture thickens, add the third piece. Add water, cook 1 minute and season. If mixture curdles, add two tablespoons heavy cream or 2 tablespoons boiling water drop by drop. Water in lower part of boiler must not boil hard.

## Grilled Dinner

2 large .4 bananas  
tomatoes 1 1/2 lbs. steak,  
3 (bsh. melted cut 1 1/2  
butter inches thick  
4 strips bacon 4 tsh. grated  
Paprika cheese

Preheat broiler for 10 to 12 minutes. Place steak on broiler pan and broil from 7 to 10 minutes or until well seared and browned. Turn. Wrap bananas in bacon, cut tomatoes in halves, spread cut side with butter, sprinkle with grated cheese and paprika. Place fruit and tomatoes on broiler pan around the steak and finish broiling the steak.

## Individual Strawberry Shortcakes

2 cups flour 5 tsh. short-  
4 tsp. baking ening  
powder 3/4 cup milk  
1 tsp. salt (about)  
2 tsh. sugar

Sift dry ingredients, cut in the shortening and gradually add milk to make a moist dough. Toss on a floured board, pat lightly to 1/2 inch thickness and cut with biscuit cutter. Place on a greased baking sheet and bake in the oven while the steak is broiling.

1 qt. straw- 1/4 cup  
berries sugar

Wash and hull strawberries. Crush and sprinkle with sugar and let stand for 1/2 hour. Reserve a few whole berries to garnish tops of shortcake.

When shortcakes are baked, split them, spread with butter and crushed strawberries. Cover with upper half of shortcake and top with more strawberries and whipped cream, top with a whole berry.

Refrigerator desserts are good on hot days.

## Royal Theatre Cooperates In Flying Cadet Week

The Royal Theatre in Bloomfield is cooperating with that town's proclamation of Flying Cadet Week which Mayor Harry E. Newell has designated to run from next Monday through Saturday, July 5.

The program was arranged with the assistance of the Army Recruiting Office in Newark. The theatre now has on display in its lobby airplane equipment valued at about \$15,000. It consists of a \$5,000 Cyclone Wright Whirlwind motor such as is now in use in English aircraft, a display of propellers and a Wasp motor and an array of delicate and precision instruments used in piloting planes.

There is also a miniature target in the display consisting of a machine gun with a traveling electric eye airplane such as the Army uses for testing eye sharpness. Theatregoers are invited to try their skill.

In further cooperation the Royal has booked for showing during the Flying Cadet Week the picture "I Wanted Wings" showing American Flying Cadets in action. The U. S. Army Air Corps has a part in the picture which will be shown July 2, 3, 4, 5.

## Mrs. William H. McKnight Dies Suddenly in Florida

Mrs. William Henry McKnight, formerly of 38 Malone avenue, died suddenly Monday in St. Petersburg, Fla., where she and Mr. McKnight have recently made their home. Mrs. McKnight, who was born in England, was in her seventieth year. She had lived in Belleville for twenty-four years.

She is survived by her husband; three daughters, Mrs. Hugh C. Fleming of Detroit, Mich., Mrs. Albert Robins of New Providence, and Mrs. William King of Belleville; a son, William Henry McKnight of this town and four grandchildren.

## Hypnotism

Hypnotism was probably used by priests of ancient cults to perform seeming miracles, but the state was not recognized by medical men until the middle of the Eighteenth century, when Franz Mesmer tried to cure patients by putting them into a hypnotic trance. The state is a form of dissociation whereby the brain is no longer able to control the body except at the suggestion of the hypnotist. It is induced by stroking or by gazing fixedly at an object at close range. Once experienced, it is entered into at the command of the hypnotizer. By a similar sharp command the subject is aroused and resumes the normal state.

## First Jersey Cows

The first importation of Jersey cows was made in 1850. A few more were brought over about 20 years later, and from 1870 to 1890 there were numerous importations. Since 1890 many Jerseys have been imported every year.

## Mrs. Mary Neiss Succumbs At Home of Son

Funeral services were held on Monday night for Mrs. Mary Neiss, widow of William Neiss, who died Saturday afternoon at the home of her son, Joseph Neiss of 34 Belmore street.

Mrs. Neiss, who was seventy-four years old, was born in Newark and had resided there until thirteen years ago when she moved to this town. She was a member of Good Intent Council No. 19, D. A. R.

Surviving her, besides her son with whom she had made her home, are a daughter, Mrs. Hazel Smith of Rumson; a sister, Mrs. Catherine Mezzarella of Newark;

two brothers, John Peto of Union Township and Louis Peto of Irvington.

Interment was made in Hollywood Memorial Park.

## Brother Passes In Newark

Funeral services were held on Tuesday afternoon at the Irvine Funeral Home for William Wankmuller, who passed away Saturday at his home, 799 Ridge street, Newark, following a short illness. He was the brother of Mrs. Julius Faas of Belmore street and Gustave Wankmuller of Union avenue.

A resident of Newark all his life, he had operated a tavern at Mt. Prospect and Verona avenues.

Also surviving him is another brother, Oscar of Newark.

Burial was in Fairmount Cemetery, Newark.

## Army's Balloon Barrage Corps Includes Local Youths

Five local youths are among the 600 trainees who have been sent from Fort Dix during the past week to Camp Davis, N. C. where they will be assigned to the newly formed balloon barrage squadron.

Those from town are: Ralph Francese, Joseph Gamarro, James H. Kelly, Arsenio J. Spenillo and George W. Vander-schaus.

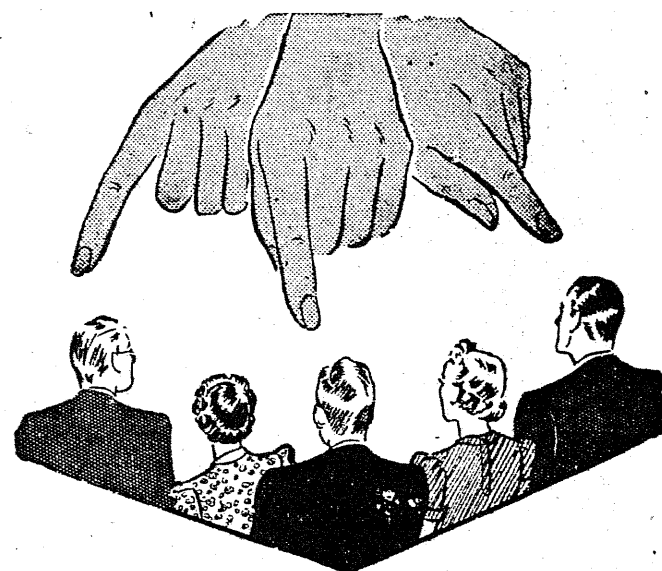

## Attending Convention

Dr. Donald S. Brown of this town is attending the forty-fifth annual convention of the American Osteopathic Society in Atlantic City.

Mrs. Rudolph Hausle and daughter Grace of 245 Linden avenue are visiting Mrs. Hausle's sister, Mrs. Herman K. Ruse in Salem, N. Y., where Mrs. Hausle's niece is being married.

Mr. and Mrs. Kenneth Woods and daughters Marilyn and Phyllis of High street spent the weekend with Mrs. Woods' parents, Mr. and Mrs. E. G. Naumann who are in Seaside Heights for the summer.

## Vegetables With Vitamins

Preserve the Valuable Minerals and Vitamins of Vegetables by 'Waterless Cooking' Method

KEEP the rich coloring and delicate flavor in your vegetables by cooking them in a small amount of water (1½ to 1 cup). Place them on a high flame of the gas range until the boiling point is reached. Then lower the flame to "simmer" to maintain live steam. The vegetables will be firm and tasty when done.

Below is a vegetable chart. Paste it on cardboard and hang on the kitchen wall for easy reference.

Dish washing is easy when there is plenty of hot water. For a constant supply, heat water by gas.

## COOKING TABLE FOR FRESH VEGETABLES

Vegetables and Preparation	Weight	Water
ASPARAGUS—Untie bunch, wash thoroughly, remove scales, cut off bottom tough part and tie again into bunch. Stand upright in bottom of double boiler. Cover with top of double boiler and steam.	1 lb.	1 cup (20 min.)
Cut in 1 inch lengths, cook in milk or water.		
BEANS, String, Wax—Wash, remove strings, shred, break into length ¼ to ¾" or leave whole.	1 lb.	½ to 1 cup (20 min.)
BEETS—Wash carefully and peel. Cube, slice or let remain whole.	1 lb.	½ to 1 cup (25 min.)

## Strawberries Are Ripe....

Use Them in a Dozen Different Desserts; Make Jam, Jelly, Cakes and Tarts

IN THINKING of your food-joys include fresh red strawberries with their flavormore sweetness. These delicious berries may be put into cakes, pies, refreshing refrigerator desserts or transformed into jams and jellies for next-winter treats.

In making strawberry preserves, cook only two or three quarts of the berries at a time to keep their shape and bright color. Cook slowly on the simmer burner of your gas range.

Before serving fresh strawberries with cream and sugar, chill the washed and sugared berries in the automatic refrigerator.

Canned Strawberries. Use berries having small cells and deep red color throughout. Wash, cup, drain, and measure berries. Work with batches of 2 or 3 quarts. Use from 1 to 2 cups sugar to each quart of berries. Place sugar and berries in alternate layers in a broad bottom pan. Let stand 2 hours. Simmer 5 minutes, without stirring. Cover and let stand overnight. Pack cold berries into hot sterilized jars. Process 10 minutes in hot water bath, then complete seal.

Strawberry Jam. Wash, cup, crush and weigh or measure berries. Heat slowly to boiling. Add three-fourths as much sugar as fruit. Stir until sugar is dissolved, then boil rapidly until clear. Pour into hot sterilized jars; seal at once.

Strawberry and Rhubarb Conserve. 1 qt. strawberries 1 qt. rhubarb 6 cups sugar. Cut rhubarb into ½ inch pieces, being careful not to peel. Mix together strawberries, rhubarb and sugar and cook mixture slowly until it is thick and clear. Pour into clean hot jars and seal at once.

Strawberry Shortcake. 1 quart strawberries, washed, hulled, sliced. Mix with 1 cup sugar, allow to stand for two hours at least, in a cool place. Serve on biscuit shortcake with plain or whipped cream. 2 cups flour ¾ cup milk or 4 tsp. baking powder 1 tsp. salt 2 tsp. shorten- 4 tbsp. sugar. Sift together all dry ingredients. Cut in shortening with two knives. Add milk or water gradually, making a soft dough. Toss onto slightly floured board, roll out to 1" thickness, cut with biscuit cutter and bake in quick oven. 450 degrees, 15 minutes, or bake in a large cake, split in half before using, both halves used crust side down. Two thinner cakes laid one on the other in the same pan can be made. Brush or dot the lower with butter before placing the second.

Can your fresh fruits and vegetables for next winter.

# Cotton And Shantung Suits Favored For Travelling

Those Vacation-Bound Will Find Both Solid Colors And Pastels Being Used; Neatly Tailored Halter And Overall Shorts Newest In Playuits

by Peggy Patterson

If you are so busy that vacation time has sneaked up on you without a moment for constructive thinking you may appreciate a few hints about wardrobes and other necessities. Thumbing through the various fashion notices we have received this month we would say that all indications point to high popularity for the shantung or cotton suit for travel.

If you are a business woman, remember that suits like these will also be nice for office wear with a simple cotton blouse after you return from your vacation. Solid colors in fetching shades of brown and natural are our favorites. There are also pastels and, for the utmost in practicality, there is black. The less dressy suits are rayons in plaids and checks or frankly unironed seersucker.

Choose one to suit your own requirements and simply remember to buy one whose skirt is pleated back and front or nicely gored; whose sleeves are coolly loose and fairly long; whose jacket buttons snugly to take the place of a blouse when you do not choose to wear one.

Going under the names of halter shorts and overall shorts are the season's newest and most becoming playuits. They are so neatly tailored that they more definitely flatter the figure than some of the soft, loose fitting materials.

## Excellent Choices

Linen and denim are excellent choices in these models. A long sleeved or short sleeved blouse should be worn with them which offers protection for the upper arms and the delicate skin of the shoulders if that is your desire. For more exposure to the sun a sleeveless shirt is available; and when this outfit is covered with a wrap-around skirt it is suitable for street wear. In fact, you should be careful to choose one of the three-way or four-way play costumes if you are buying at the last minute as you will be agreeably surprised to find how much of your wardrobe is supplied by it.

There are versatile bathing costumes too in which shorts and bodice make a good swim suit and a wrap-around skirt also doubles as a cape. If you prefer to stick to the one piece bathing suit, either slim or dressmaker type, there are comfy terry cloth short coats and jackets to cover you. Another happy solution for the bather is the dirndl skirt and short bolero. Chosen with care as to color combinations these two can be worn over a bathing suit to and from the beach. The dirndl skirt is fascinating with a sheer white blouse too, and again you can use the little bolero. We have been completely captivated by this peasant type of costume which is very becoming to many girls and women.

With these basic requirements attended to you will want a dress

# Name's Quite Appropriate

This crocheted buffet cloth is called Snowflake, which is surely appropriate for the effect of coolness we all try to create when arranging summer refreshments. It is simple and inexpensive to make. Almost any needlecraft counter can supply the makings.

## School Students and Summer Work

We have a private theory that high school students, except in extreme cases of necessity, should be allowed to devote their vacation periods to matters which concern neither classroom studies nor flurries into the adult method of making a living.

There are only three precious two-month periods between the time a student enters high school and leaves to take his place in the working world, or in the equally serious world of higher education. These are all too short, if you stop to think of it, for the very valuable and necessary service which they should perform.

The fact that many parents do not recognize in these vacation hours the supreme chance to do, and without pressure, ground their children in the art of correctly using pastime is becoming more noticeable and more disastrous in its results. Much stress has been put on the art of part-time work which is supposed to develop in the child almost magically the traits of self-reliance and a knowledge of how to earn and apportion money.

Forgetful that the lesson will never be truly grasped while the child knows his livelihood is secure they rant about the expenses incurred by students today and hang the heavy cloud of embarrassment over Johnnie's or Mary's head that he or she cannot expect to participate in such expenses next term if they do not earn and put by some money during vacation.

## Not Common Sense

The sole object of any high school pupil, and again we repeat with certain necessary exceptions, should be to conform to discipline, accumulate as much knowledge as he can and learn how to live with other people. Beyond this he should not be required to go. It is not common sense to divide the child's attention between a scheme of life which is designed by adults for him and at the same time expect him to assume responsibilities which belong to those adults.

We have heard parents practically ask business men to create jobs for their teen-age boys and girls 'so that they will be kept out of mischief' during the summer. We have discovered through actual experience that many young people, fired with an enthusiasm which most of them really do not feel, are challenged with such remarks as "look what Bob Smith did" or "how would you like to have earned the money you want for that purpose?" They apply for work and find it, as any job which is worth compensation is bound to be, too strenuous. Their own parents are the first ones to point this out and hold in utter scorn Mrs. Smith, who asked their daughter to scrub a tiled floor when she was only supposed

## Library Lists Recent Books Added to Collection

Recent books in the Adult seven-day collection at the Free Public Library are: City of Angels, Hughes; Down the Road a Piece, Flint; Baraway Island, Jordan; The River Rises, Beale; The Sleeper Wakes, Gibbs; This Marriage, Roberts.

Among new western novels are: The Crimson Horseshoe, Dawson; Rim of the Desert, Haycox; Hard Rock Man, Hendryx; Twin Sombreros, Grey.

Among the new fiction in the seven-day collection are the following:

Another morning by Wessel Smither. A story of a homesteading in Alaska, the adventures of a dispossessed American farmer and his family in what is perhaps the last experiment in pioneering on this continent.

No one now will know, by E. M. Delafield, a refreshing novel of English family life set in a background of an old ancestral home, haunted by memories of former sorrows and tragedy.

Mr. and Mrs. George Guldner and sons Walter and George of DeWitt avenue spent the weekend at their home in Belmar where they entertained for Miss Evelyn Martz of Nutley.

## Good Way to Pass Time

If you like to "be doing something with your hands" during leisure hours even in the hot weather, it is nice to work with cotton thread. This sweater blouse has a sheer effect and will even look well under your fall suit. Needlework departments have the directions.

# Recipe Column

National Iced Coffee Week is being celebrated this week in the realm of food. If it is not a custom in your family everyone will enjoy the innovation.

Extra-strength coffee poured immediately after it has finished percolating, over ice gives the finest flavor. But coffee, contrary to tea, may also be cooled in a glass or china container before serving. This means it can be made in advance and also will not require so much ice in serving. For afternoon or evening refreshments serve it with cream and sugar, with the following tasty accompaniments.

## Banana Whipped Cream Tarts

1/2 cup whipping cream  
2 tablespoons sugar  
1 teaspoon vanilla  
3 ripe bananas  
6 baked tart shells  
6 tablespoons shredded coconut

Whip cream and fold in sugar and vanilla. Peel and slice bananas into tart shells when ready to serve. Cover immediately with cream and garnish with shredded coconut.

## Nut Cup Cakes

2 eggs  
1/2 cup cream (about)  
1 cup sugar  
1 1/2 cups sifted flour  
4 teaspoons baking powder  
1/2 teaspoon salt  
1 teaspoon vanilla  
1/2 cup chopped Brazil nuts

Break eggs into measuring cup and add cream and sugar. Sift dry ingredients into mixing bowl, add egg mixture (gradually) add flour and beat two minutes. Add chopped nuts, stir and fill greased muffin pans two-thirds full. Bake in a moderate oven (350 degrees) twenty to twenty-five minutes until lightly browned.

There are little tricks to perform with iced coffee which will make it the center of attraction on your terrace or porch on a hot afternoon. When you are "dressing it up" we would suggest that you serve fairly simple cookies with it. A spoonful of ice cream added to a glass of iced coffee is the simplest variation. The flavors which blend the best are coffee, chocolate, eggnog or butterscotch.

Try honey and brown sugar as a sweetener instead of plain granulated sugar. And when you top the coffee with whipped cream you may add any one of these piquant flavorings to the cream: a touch of ground cinnamon, nutmeg, ginger, mace or cloves; a few drops of maple flavoring, oil of cloves or wintergreen; or mix in some grated orange rind.

## Baby-Keep-Well Station Schedule Changed

Morning sessions, from 10 to 12, will be substituted for the regular 2 to 4 period now held by the Baby-Keep-Well stations. They will be conducted on Tuesdays at School No. 2, on Wednesdays at Silver Lake Community House and on Thursdays at the Town Hall and School No. 3, the health department announced this week.

## Henry Vreeland Women Return From G. A. R. Convention

A delegation of members of the Henry Vreeland Women's Relief Corps returned Saturday from Atlantic City where they attended the three-day convention of the Grand Army. Mrs. Viola Ferrill, Mrs. Amelia Giardino, Mrs. Christina Winkelman, Mrs. Florence Roselle, Mrs. May Bonnefond, Mrs. Ruth Fredericks, Mrs. Anna Lanza and Mrs. Jane Jarry of Belleville, Mrs. Lillian Corryell of Bloomfield and Mrs. Alice Kuhn of Orange represented the local organization.

Mrs. Giardino was elected department chairman and Mrs. Fredericks to the position of department president of the state group. Mrs. Ferrill is president of the Henry Vreeland Corps.

The Junior Corps has discontinued meetings for the summer and will resume activities in September.

# Motor Corps Session Monday Open To The Public

The final session of the Motor Defense Corps training course sponsored by The Red Cross, which has been conducted each Monday evening in June at Davidson & Robertson's Service Station, will be open to the public.

More than twenty women, among them school teachers, office workers and housewives, have completed the mechanical instruction and practice work. Those who have not already done so will take a first aid course in September and at its conclusion will be awarded emblems to be used on their cars indicating their ability to perform emergency work.

Two films will be shown Monday evening by the Standard Oil Company of New Jersey. The first, a descriptive picture of the recent Lawrence Copley Thaw Expedition from Paris to Bombay, India; the second, a safety film titled "Your Friend The Trooper." Sergeant John V. Conover of the New Jersey State Police will give a short talk.

The course will be repeated in September in conjunction with the first aid series and will be particularly available to women who have cars and leisure hours during the daytime.

## St. Anthony's Bus Rides On August 15-17

St. Anthony's Church will sponsor bus rides to St. Anthony's Shrine in Long Island on Friday, August 15, and Sunday, August 17. Tickets may be purchased for either day. After stopping at the shrine, the party will go to Rockaway Beach. Tickets may be obtained at the rectory.

Disappointed again — by an old-fashioned water heater down in the cellar.  
**I'M PAYING FOR HOT WATER ... BUT IT'S COLD!**  
Why Not Have **HOT Water Automatically?**  
THIS MAN has an old-fashioned water heater in the cellar. Sometimes he gets hot water, but often it is cold. He wants HOT water — always. He needs a modern Automatic Gas Water Heater in his home!  
It costs only a few cents a day for completely automatic hot water service by gas... hot water day and night for every household need. A small amount down and a small amount monthly pays for a modern Automatic Gas Water Heater. Trade in allowance on an old water heater. Ask Public Service or your plumber for information.
