

School Board Votes To Give Teachers, Others 5% Bonus

A five percent salary bonus has been voted all teachers and other school employees by the board of education. The raise in pay which is effective as of November 1 was voted at a special meeting of the board of education held on Tuesday night.

School Board President Herbert C. Schmutz said that the raise was voted to offset the increased cost of living. In September, most of the teachers received a \$100 pay increase which had been voted by the school board.

The action on the bonus followed the appearance of representatives of the teachers before the board last month in which they sought more money because of the raise in living costs.

The start of the payment of the bonus may hinge on the approval of the move by the WLB and the treasury department. Forms have been obtained, Schmutz said, which will be filled out and sent to Trenton for approval if a clarification on the salary and wage ceiling ruling as it pertains to teachers. They are generally classified in the professional group, and if so, do not come under the provisions of the government salary regulations. The board president said that the board had not been able to get an opinion from the WLB and may be forced to make an application for every employee affected by the pay boost unless some word is received from the federal body shortly.

Increases For Principals

Two principals were given increases in September along with many of the teachers, Schmutz explained, but the others had not received any raises since the depression. The board voted at the Tuesday meeting to give increases to those principals who had not received any in September. These increases will be retroactive to September 1, he said.

The bonus for the teachers and employees and the increases for the principals were voted unanimously on the recommendation of the teachers' committee headed by Charles Gebhardt.

Schmutz estimated that the total cost of the bonus would be approximately \$26,000. He said that it would not be necessary to ask for additional money from the taxpayers. The money has been secured through transfers which have been made from unexpended and partially expended balances in other budget accounts. Because of the war, which has made changes in the school system, he explained that purchases and projects which had been anticipated have not been carried out and a balance has resulted.

It is within the power of the board to withdraw the bonus at any time it so desires.

Herbert C. Schmutz

SCHMUTZ HEADS RATION BOARD

Succeeds Ruel E. Daniels; School Board Colleague Replaces Him On Panel

Herbert C. Schmutz, president of the board of education, was this week named chairman of the war price and rationing board for this town and Nutley by James J. Kerney, state OPA director. Schmutz, who resides at 33 Overlook avenue, succeeds Ruel E. Daniels, business manager of the board of education, who resigned recently because of poor health.

The new chairman has been a member of the ration board since it was organized last winter. When the Belleville and Nutley boards were consolidated he was made a member of the fuel oil panel and later became its chairman.

He announced yesterday that he had named James M. Lynch, a member of the miscellaneous panel and also of the board of education, to take his place on the fuel panel. Daniels, who will continue to serve on the board, will sit on the miscellaneous group.

Names Sub-Committee
Schmutz also revealed that he had named a sub-committee to assist the fuel panel. It will consist of George Bauman and Mrs. Robert W. Eldridge of Nutley and Steven Weir of this town.

Bauman is a member of the miscellaneous panel while Mrs. Eldridge is the food panel chairman. Weir has been an active volunteer worker at the ration board office since the two towns were consolidated.

Made a Corporal
Pvt. Andrew McFadden, son of Mr. and Mrs. Thomas McFadden of Little street, was recently made a corporal. He is serving overseas with the infantry. He entered the service in May.

WILLIAMS CRACKS DOWN ON POLICE, SPATZ IS BOSS

Acting Head Lays Down Law; Fines One in Gas Coupon Case

Less than 30 days after he had taken over control of the police department as acting public safety director, Mayor Williams this week made numerous important changes in department routine and revealed a situation in which one member had accused another of allegedly peddling gasoline ration coupons.

The mayor called a meeting of the department at town hall last Friday night which was attended by 50 men, including a number of councilmen. In a detailed statement, highlights of which were given at Tuesday's commission meeting, he revealed what he had said to the men about the departmental changes and the gas ration question. His report is published in full in an adjoining column as he released it to the press yesterday.

The gasoline coupon situation, which has resulted in the mayor's action in naming Patrimoine Fred Singer for alleged false accusations, first became known a few days after Commissioner Clark's death to newspapermen and to one other town commissioner.

At a conference in his office, Williams explained to the other commissioners and representatives of the press as he had learned it. The newspapermen were asked not to use the story until the OPA had told Williams that they had completed their investigation into the case. The mayor was not given the go-ahead by the OPA until last Thursday afternoon and he acted 24 hours later.

The mayor's attitude is expressed in his remarks made at Tuesday's meeting: "They need someone down there who has the moral courage to do a good job."

Back in Power

Biggest turnover in the department has been the return of Chief George Spatz to power as the head of the department. For some time it has been generally known that Spatz was chief in name only and that duty and authority had been designated to others.

Williams revealed that he had conferred with Spatz, Deputy Chief Elmer Leighton and Captain Robert Anderson last week. He said that weekly meetings would be held by the quartet to consider all departmental problems and work for its improvement.

Have Not Received Coupons For Fuel Oil Rationing

Those still wishing to file fuel oil rationing applications may mail them to the ration office if they are sure that all details are correct, Chairman Herbert C. Schmutz said yesterday. Otherwise they should visit the office.

Mailing of coupons to those who have already applied has been delayed because the books have not been received, he said. School teachers have nearly completed the "processing" of all applications so far turned in, he said.

Mayor, Waters Block Move To Name Mertz; King, P. W. Head In Hot Battle Of Words; Mertz Thanks Two For Supporting Him

In one of the wildest sessions of the town commission in recent years, with personalities and history of past campaigns completely overshadowing the present-day problem, Mayor Williams and Commissioner Waters on Tuesday night successfully blocked the efforts of Commissioners King and Noll to elect Raymond C. Mertz a member of the town board.

With a small crowd attending, the two commissioners sought to name the man whom they had both previously announced publicly that they would support to fill the vacancy caused by the death of Commissioner Clark in October.

Both the mayor and Waters charged that King had broken faith with them in making a statement in The Times that he was for Mertz. They argued that King had agreed with them that no successor would be considered for 30 days and that the board would sit down and talk it over. King emphatically denied the accusation.

The otherwise routine meeting broke into a fury when King under new business moved that Mertz be named to the post.

"We have a vacancy on the board," the director said. "I would like to nominate Mr. Raymond Mertz."

Noll immediately seconded the motion and on the vote which was taken the pair voted for Mertz, who was the sixth man in the May commission election, and Williams and Waters were recorded in the negative.

"Mr. Mayor, Commissioner Waters," King immediately stated, "I would like to ask the reasons for the vote against Mr. Mertz. He is an estimable man who has lived in the community all of his life. What are the reasons?"

"I will at the proper time state my reasons. Maybe I'll have a candidate," was Waters' reply. "Do you want to play petty politics? Do you want to have a condition like Newark?" queried King, referring to the case there several years ago when the board was deadlocked for two years on filling a vacancy.

The mayor commented that he had not said anything against Mertz or filling the vacancy. He asked King if he had not agreed to sit down and confer with the board after 30 days.

King denied that he had agreed to such a plan.

"Those were your exact words," Waters remarked. "Don't you think that this board should sit down like business men and settle this question?"

Noll said he believed that in these imperative times "the town

Three Who Will Back Him Up

ONE'S ON FIGHTING FRONT and the rest will work harder than ever on the home front. Snapped on the high school lawn Monday afternoon were High School Principal Hugh D. Kittle, commissioned this week as a lieutenant in the navy, his wife and two of his three children.

From the left they are Mrs. Kittle, the principal's wife; his youngest son, Robert; daughter, Lois; and the principal. The oldest son, Hugh Jr., is a scholarship student at Columbia university.

Text Of Mayor's Report To Town Board On Situation In Police Department

Pursuant to conferences of Mayor Williams, Chief Spatz, Deputy Chief Leighton and Captain Robert Anderson, Mayor Williams, as acting director of public safety, outlined the following policies and departmental changes to members of the police department at a meeting attended by 58 regular and temporary officers for these reasons:

That all will understand the need to establish a more strongly unified department to eliminate departmental friction, to institute maintenance and police record keeping on a more economical and business-like basis, and to develop instruction on police and court procedure, to the end that a well-disciplined and effective police department will be maintained.

These reports as presented to the board of commissioners by Mayor Williams, are published so facts pertaining to operation of our police department will be available to all citizens.

Appreciation is hereby expressed to Chief Spatz, Deputy Chief Leighton and Captain Anderson for their cooperation.

Constructive suggestions by our residents and business folks to enhance the quality of police service will be appreciated by Chief Spatz and Mayor Williams.

Changes In Department

Chief George Spatz is to be recognized by all members as chief in fact as well as in title, and will exercise general supervision over all police activities.

It is my definite order that this police department operate on a basis whereby every man reports all police questions to his proper superior. Friction and poor police work develop from overlapping of authority or failure to recognize proper organization procedure. On matters of a purely personal nature aside from police work, I will be glad to be of service to any town employee when appointment is made through proper official superior.

Deputy Chief Leighton will assume full charge in the absence of Chief Spatz. The deputy chief will directly supervise the detective bureau, with Sergeant McGinnis next in charge.

Captain Robert Anderson, heretofore mainly on school traffic duty, is transferred to direct supervision of the uniformed police staff, working directly under Chief Spatz, and in his absence under Deputy Chief Leighton.

Lieutenant Kenneth Smith will continue directly in charge of traffic control operating under Chief Spatz, or in his absence under the deputy chief.

ONE MAN IN TRAFFIC CAR

Police traffic car now using two men during most hours, will operate with one man—except when specifically otherwise ordered by Chief Spatz. Operator will use radio for instruction of pedestrians in courteous manner, without any wise crack.

Traffic tickets will be handled by Chief Spatz. All officers will return stubs to Chief Spatz.

Purchases—All purchases shall be made by chief of department. All materials shall be checked on receipt for number of units and quality. All materials put in stock shall be issued on order of chief. All vouchers shall be signed by chief. In the absence of chief, above duties will be

Gas Coupon Investigation

October 1st, Officer Fred Singer advised Deputy Chief Leighton that Joseph Covino, operator of gas station at corner of Joramco street and Passaic avenue, had advised him that Lieutenant Kenneth Smith had given a handful of gas ration books to Covino on July 30th, eight weeks previously. Officer Singer stated a friend of his had received the same information from Joseph Covino.

Deputy Chief Leighton reported incident to Chief Spatz. Lieutenant Smith on questioning denied any knowledge of such action. Joseph Covino denied to Deputy Chief Leighton any knowledge of such action.

Question was investigated by Chief Spatz and Deputy Chief Leighton and reported to Director Wm. D. Clark on October 5th. Director Clark, who was ill at home, had Officer Singer, Lieutenant Smith and Joseph Covino report to the director's home, where he personally interrogated all parties. Officer Singer reiterated his allegations to Director Clark, who directed him to file a signed statement with Chief Spatz. Said statement was filed morning of October 9th, alleging that Joseph Covino stated Lieutenant Smith had given Covino a "handful of gas ration books." Officer Singer further alleged a friend of his had advised Singer that Covino had told -Singer's friend the same story. On the death of Director Clark, Chief Spatz reported case to Mayor Williams.

COULD NOT PRODUCE HIS FRIEND

October 10th—On Saturday, Mayor Williams and Chief Spatz questioned Officer Singer, who repeated his prior statements. Officer Singer refused to disclose name of friend who could support his story. Officer Singer was instructed to bring his friend to office of mayor.

After one hour, Officer Singer returned, stating to chief and mayor his friend was not at home.

Mayor Williams and Chief Spatz questioned Joseph Covino, who for two hours denied receiving any tickets other than through proper methods.

Raymond E. Mertz, central figure in the tempest which has been stirred up on the town commission, last night issued a statement in which he expressed his appreciation to Commissioners King and Noll for the position which they have taken in voting for him to fill the vacancy.

The short release given by Mertz was the first which he has made since his name was first mentioned as a likely choice to fill the vacancy caused by the death of Commissioner Clark early in October. Mertz, who finished sixth in the May commission election, has repeatedly refused to discuss the matter for publication and has urged some of his supporters who wanted to wage a strong campaign in his behalf to hold their fire.

In his statement, the Union avenue real estate broker and builder said:

"I am grateful to Commissioners King and Noll for their expressions of confidence as indicated by their nomination and votes for me which is in furtherance of the support accorded me by the citizens of Belleville at the May election."

The board does not meet again until November 24. It is doubtful that a closed conference of the commissioners will be held between now and that date. Noll and King emphatically indicated at Tuesday's meeting that there was no need for a conference, claiming that the question could be settled at the regular meeting.

Can't Force Move

There is no state law which can force the board to appoint a successor to Clark. During the last commission administration in Newark, following the resignation of the late Michael Duffy, Mayor Ellenstein and Commissioner Pearce Franklin were aligned against Comm. Vincent P. Murphy and Commissioner Joseph Byrnes in the selection of a successor. Although ballots were taken frequently, the vote was never broken in the two years before the board went out of office.

At the time of the Newark situation, there was talk in the legislature of putting a law on the books which would force action or put the matter up to the public at an election after 30 days, but no vote was ever taken.

However, should one of the four present commissioners fail to attend a meeting, two of the board members could elect a man to fill the vacancy since three constitutes a legal quorum.

Mayor Williams and Commissioner Waters insist that they do not as yet have a candidate, and they have not said that they were opposed to Mertz, although they would not vote for him on King's motion Tuesday night.

If they fail to agree with King and Noll that Mertz is the best man for the job, it undoubtedly will result in a long-time deadlock for both King and Noll have said that they will not change their votes for any reason.

READY TO SIGN UP CARS, TIRES

High School, No. 4 Are Open Today, Tomorrow And Saturday

All passenger car owners are required to register for mileage rationing under OPA regulations during the next three days. There will be two local registration places. Herbert C. Schmutz, ration board chairman, announced last night.

The high school and School No. 4 will be open today and tomorrow from 4 p.m. to 8 p.m. and on Saturday from 10 a.m. to 4 p.m. Teachers will have charge of the registration. Those at the high school will be directed by Robert Hayes, and at School No. 4 by James Shawyer.

For the guidance of car owners the registration procedure was outlined as follows:

1. Today, tomorrow and Saturday, each passenger car or motorcycle owner will go to a designated school in his community to register for mileage rationing.

2. Each registrant is required to bring with him:

a. His motor vehicle registration certificate.

b. His gasoline ration book.

Proclamation

WHEREAS Belleville Post No. 105, American Legion is participating with the other American Legion Organizations in Essex County in sponsoring a GO-TO-CHURCH WEEK from November 23rd to 29th inclusive, and

WHEREAS our Nation's war effort and ultimate victory must of necessity have a spiritual background, and

WHEREAS this is one country where God can be worshipped according to the dictates of each person's conscience,

THEREFORE, I Wm. H. Williams, Mayor of the Town of Belleville, call upon all citizens, regardless of their religious faiths, to attend divine services at least once during Essex County American Legion GO-TO-CHURCH WEEK, November 23rd to 29th inclusive.

(Signed)

Wm. H. Williams

Mayor.

Kittle Gets Navy Post; Dufford Temporary Head

High School Principal Reports For Duty As Lieutenant At New York; H. S. Teacher In Charge Under Parmer's Direction

Hugh D. Kittle, principal of the high school, reported for duty in New York with the navy reserve on Tuesday morning. He received his commission as lieutenant, senior grade, on Friday.

The principal, who resides in Holmes street with his wife and family, has been a member of the faculty here since 1928. On Monday afternoon, a final tribute was paid to him at a program arranged by the high school students.

Wearing his new uniform, Kittle in his farewell told the students:

"I felt that as important as my job here with you is, there was still another job perhaps a little more important that I could do."

Other speakers were Herbert C. Schmutz, president of the board of education; Superintendent of Schools Wayne R. Parmer and John P. Dailey, selective service board chairman and long-time acquaintance of Kittle's. The speakers were introduced by Howard Fox of the faculty.

Gifts were presented to Kittle by Harold Dufford on behalf of the teachers and office staff and by Edward McLaughlin for the janitorial staff. William Armstrong spoke briefly for the student body. Mrs. Kittle was presented with a bouquet by Fox.

At a special meeting on Tuesday night, the board of education voted to temporarily appoint Dufford to fill the vacancy caused by Kittle's sudden departure, working under the direction of

Nurse Reports For Duty At Atlanta Army Post

Margaret McLaughlin, In Charge Of Operating Room At St. Barnabas, Enters Service; Two Youths Graduate From Jacksonville Naval School

Miss Margaret McLaughlin, registered nurse and daughter of Mr. and Mrs. Andrew McLaughlin of 278 Main street, enlisted in the army nursing corps in September and will leave Sunday for Lamson General hospital, Atlanta, Ga., for preliminary training. She will be associated with a unit of 90 nurses under Dr. Addison Brenner of Charlotte, N. C. After training the unit will be sent overseas.

Miss McLaughlin resigned her duties this month at St. Barnabas and the Hospital for Women and Children, Newark where she had charge of the operating room. She was graduated from the school of nurses of that hospital in September, 1941. She spent several months on the staff of Essex County sanitarium, Verona. Miss McLaughlin was graduated from Belleville high school before studying nursing.

Graduate at Jacksonville

Two local youths were recently graduated from the aviation machinist's mate school at the naval training station at Jacksonville, Fla. and will probably be assigned to a naval air unit for active duty. Joseph F. Smith, son of Mr. and Mrs. Thomas P. Smith of 103 Fairway avenue, is now a qualified aircraft mechanic. A graduate of the local high school, he enlisted in the service last January and following "boot" training at the Newport, R. I. basic center was transferred to Jacksonville.

Graduated from the school with a third class aviation machinist mate's rating was William J. Hannan, son of Mr. and Mrs. James F. Hannan of 52 Union avenue. He also entered the service in January and had preliminary training at Newport.

Ends Newport Training

Eighteen-year old Daniel J. Burns, son of Mr. and Mrs. Daniel Burns of 10 Valley street, has completed his basic training at the naval training station at Newport, R. I. and will shortly be assigned to further duties following a short leave.

A former student at the high school where he played basketball and baseball, Burns hopes to qualify for the rating of aviation metallsmith. Before joining the navy, he was employed by the Lloyd Engineering company as a helper in sheet metal work.

Second Son in Navy

Douglas Horman of 481 DeWitt avenue, who enlisted in the navy last Thursday, reported for training Tuesday at the naval training station in Newport, R. I. Horman, who will be 18 in January, was graduated from the local high school in June and was employed in the interim by the Globe Indemnity company of Newark. He is the son of Mr. and Mrs. Herman Horman.

A brother, Matthew Horman, 21, has completed six months' service with the navy. He was also graduated from Belleville high school and was with the Unique Art company of Newark before enlisting.

All Out For War

Mr. and Mrs. Arthur L. Hathaway of Stephen street are going all out for the war effort. Hathaway was a veteran of the first World War and evidently his sons decided to follow him in the second. One of the Hathaways' sons, Earl C., is a private in the 14th Signal Radio Intelligence Company, at Camp Crowder, Miss. Earl was graduated from Belleville high school in 1940 and was employed at the Viking Tool company before entering the service.

Russell T. Hathaway, another son, wanted to get in the fighting so much that he left his job to join the navy. He was previously employed at the Davis company in Newark, and is now at the U. S. naval training station in Newport, R. I.

Enters Machinist School

George A. Hoffman, 22, son of Mr. and Mrs. Charles A. Hoffman of 688 Mill street, has completed his basic naval training at Newport, R. I. Naval training station and has been selected to attend a school for aviation machinist's mates.

Hoffman was graduated from Belleville high school where he was a member of the track team. He had been employed as a machinist by the Star Equipment corporation in Bloomfield.

An aviation machinist's mate must be able to assemble, service and repair airplanes and airplane engines; splice aircraft wiring; manufacture terminals and other small parts; know principles and theory of flying; and do seamanship work necessary to airplane ground work.

Made A Captain

Lewis H. Jannarone of Passaic avenue has been promoted from a first lieutenant in the medical corps to the rank of captain. He is stationed in Camp Gordon.

Clinton Laux of Birchwood drive has completed his basic

lass. He is a radio man in the aviation branch of the navy. Johnson was none on a nice-day leave recently. He is now stationed at Jacksonville, Fla.

Expected Home

Pvt. Arthur R. Schlatter who entered the Army September 25 is expected home this week on furlough from Camp Pickett Hospital, Va., where he was confined for over a month due to infection in his left hand. He is the son of Mrs. Frances Schlatter of Small wood avenue.

A. Ernest Jordan, who was inducted into the army on October 21, is with the 173rd Signal Repair company at Camp Crowder, Mo. He is the son of Mr. and Mrs. Joseph L. Jordan of 25 Nolton street and was graduated from the local high school in June.

Robert Heimrich of 36 Division avenue enlisted in the Navy last month and is stationed at the Great Lakes naval training station. He is the son of Mr. and Mrs. George Heimrich. After being graduated from Belleville high school in 1939 Heimrich was employed by the Rowe Manufacturing company.

Sgt. John R. Dillon, formerly of Birchwood drive, spent a furlough with his parents in East Orange and returned Sunday to Manchester air base in New Hampshire. He has been in the army for two years.

LEGION TO OPEN JALOPY DRIVE

Post Opens Two-Week Drive To Recruit Old Cars

The American Legion will do its part in the salvage drive, acting as a recruiting unit for old jalopies which will be turned into bullets and guns to be used against Hitler and his pals.

Throughout the nation, Legion posts will be on the march next week to secure all of the old cars which are lying on lots, in backyards and garages. Locally, the Legion post has made arrangements for a two-week campaign which will start on Monday.

Commander Alonzo A. Hartley has set a good example in his own family for fellow members and townspeople to follow. An old car, which belongs to his son who is entering the navy, will go to the scrap pile.

Once they secure a jalopy, the Legionnaires will report it to a designated scrap dealer who will make arrangements to have it picked up. The Times is also acting as an agency for reporting old

cars. Residents may fill in the coupon which appears elsewhere in the paper or telephone this newspaper and the details will be turned over to the Legion post.

Give Your Jalopy To The Battle

You can help the American Legion Jalopy Round-Up by reporting old, worn-out cars that ought to be sent to the steel mills.

Fill in this coupon and mail it to The Times, 328 Washington avenue.

The Legion will do the rest.

Every jalopy junked means: 27 more 20 millimeter aircraft cannon for the Army, or 30 more 50 calibre machine guns for the Army, or one and one-half big 16-inch shells for the Navy, or three 2,000 pound bombs for the Air Corps.

As a patriotic citizen, I am reporting a jalopy at: _____ (specify whether in garage, parking lot, or on street).

The make of the vehicle is _____; the model year _____.

I own the car and want to scrap it to help win the war: _____ or _____

Vehicle is owned by: _____ (name), _____ (address).

or Owner unknown: _____

Owner unknown: _____

My name is: _____

Address: _____

Beauty Salon Holds Special Hours For Defense Workers

Evening appointments may be made on Tuesdays and Thursdays at the Elizabeth Beauty Salon, 529 Washington avenue, by defense workers who are not free to patronize beauty shops during the day. The staff has volunteered to work then as their contribution to sustaining the morale of workers.

The proprietor, Mrs. Elizabeth Tompe, recently reorganized the shop.

Dance For Servicemen

The Sigma Delta Rho sorority, consisting of 15 members from Newark and this town, is sponsoring a barn dance Saturday night at the Royal Ballroom, 71 Bloomfield avenue, Newark.

The dance is in honor of soldiers from the USO clubs in Newark and the Casey Jones school.

Miss Lucy Mazzuca of Newark, is president and Miss Mary Rinaldi of town is chairman of the refreshment committee.

Ration Board Will Appoint Tire Inspectors Shortly

Tire inspectors, who will examine the tires on every passenger car after the mileage rationing program goes into effect on Dec. 1, will be named shortly, Herbert C. Schmutz, chairman of the war price and rationing board, said yesterday.

The selection will be made by the local board. He pointed out that stations must have the necessary equipment to do the work properly before they would qualify.

Text Of Mayor's Report To Town Board

CHANGES IN DEPARTMENT

(Continued from Page 1)
executed by deputy chief.

CLERK UNDER CHIEF'S SUPERVISION
Record—Clerical duties performed by Officer Dotterweich in detective bureau will be combined with duties of court clerk. Unified job of court and record clerk will cover all clerical duties. Said clerk will work under direct supervision of police chief. Officer Dotterweich will be assigned to regular police duties by Chief Spatz.

Car repair records will be maintained for each piece of police equipment. Records will cover daily mileage, operator's name, gas and oil costs and all repair costs. Only in extreme emergency will cars exceed 35 miles per hour.

Collection of meter receipts will be made by police officer and assistant of town treasurer, relieving court and record clerk from leaving office.

Chancemen will attend police school for two weeks' period for instruction in regular police and traffic work. Chief Spatz will arrange details.

Police classes will be organized and supervised by Recorder Everett B. Smith and Town Counsel Lawrence A. Keenan for instruction of police in receiving and preparing complaints, preparing evidence and study of criminal procedure.

Revolver practice classes will be organized promptly by Chief Spatz, records of progress will be maintained. Ammunition will be supplied by Chief. Every officer must become qualified to competently handle firearms.

Machine gun training will be promptly started to qualify officers to handle machine guns which have been on hand for past two years.

MEN CAN'T ACCEPT GIFTS
Acceptance of any type of gifts for doing your regular work or unusually efficient work will not be countenanced. Appreciative citizens have shown their good will by the many contributions to your pension fund.

Members of this police department shall not demand discounts from merchants.

No member of this police force shall interest himself directly or indirectly in obtaining any attorney or bondsman for any person charged with any violation of law.

Your rules and regulations prohibit officers while on duty drinking alcoholic liquor and prohibit officers entering taverns except on official business.

I hereby instruct all members of the police department to render courteous service to everyone. Improper language to any citizen or visitor to our town will not be countenanced. Policemen can bring respect to a community or they can injure the public good will of a police department or a community. Policemen can be good or poor community salesmen.

Page 4 of your rules and regulations adequately covers all questions of discipline. Every member is instructed to reread and conform to said rules and regulations.

GAS COUPON INVESTIGATION

(Continued from Page 1)
After two hours, he stated 25 or 26 citizens—customers—had given him tickets so he could "give gasoline to soldiers."

October 11th, 9:30 a.m.—Officer Singer advised Mayor Williams and Chief Spatz he had falsified

to Deputy Chief Leighton, Chief Spatz, Director Clark and Mayor Williams that any friend had told him that Lieutenant Smith had given gas tickets to Covino. He stated his eight weeks' delay in reporting an alleged violation of an important federal law was because he did not intend to report it until newspaper accounts stated a Newark policeman was involved in gas ration book thefts. He requested permission to apologize to Lieutenant Smith by a signed statement to Chief Spatz, but wanted original statement to remain on file containing a report, part of which he admitted was false.

REPORTED CASE TO THE OPA
October 12th—The mayor and chief reported question to Mr. Masterson, counsel, enforcement division, office of price administration. Mr. Masterson, with Mayor Williams and Chief Spatz present, questioned Officer Singer who made statements and corrections as detailed above. Mr. Masterson, with mayor and chief present, questioned Joseph Covino, said statements agreeing with statements to mayor and chief.

Mr. Masterson requested matter rest with him for few days. Covino problem is in hands of OPA officials for disposition.

November 5th—Mr. Masterson, OPA counsel, advised Mayor Williams, Belleville officials were free to proceed with matter as relating to local police department.

ADMITTED THAT HE FALSIFIED
November 6th—Officer Singer has admitted he falsified to Director Clark, to Deputy Chief Leighton, Chief Spatz and to Mayor Williams.

Officer Singer failed to promptly report to superior on July 30th an alleged violation of federal laws, and thereby violated an important department regulation.

Officer Singer apparently has no supporting proof of his statements, his action caused unwarranted concern to Director Clark who was ill at home.

Officer Singer caused substantial time of investigators and officials to be used eight weeks after he states an alleged violation occurred.

Officer Singer admits he did not intend his report to Deputy Chief Leighton to be an official report, but only for purpose of "tipping Lieutenant Smith off" to be careful. Such admission constitutes a disregard for his duty.

The maintenance of police department morale is most important, these days particularly. The actions and statements of Officer Singer warrant him being penalized for failure to promptly do his duty, and for making an original statement which he later calls a falsehood.

Officer Singer was advised he was entitled to a hearing with counsel if he so desired. Having waived rights to hearing the following penalty was issued:

Loss of five days' pay, one day's pay during each of next five months, and loss of five non-working days, one during each of next five months. Penalty was accepted and apologies offered by officer.

Respectfully submitted,
WM. H. WILLIAMS,
Mayor and Acting Director of
Public Safety.

Petrea Member to Explain Modern Crime Detection

Programs of contemporary selections are being featured by the Petrea club literature group this month. At their regular meeting last Tuesday, Mrs. Grace Maguire reviewed A. J. Cronin's "Keys to the Kingdom," while Gervase T. Stacey, this week discussed "Probable Post War Problems and Their Solutions."

At the next meeting of the club on November 17, Ambrose Cuklin will explain theories of scientific crime selection. Sunday vening the music appreciation group inaugurates its winter season with a selection of Gershwin compositions as the highlight of the evening. Miss Mae Watson is chairman.

Prospective Bride

Miss Helynn Thalheimer

At a Saturday night dinner party, the engagement of Miss Helynn Thalheimer, daughter of Mr. and Mrs. Frank E. Thalheimer of Fairway avenue, to James P. Harrington, son of Mrs. James Harrington of East Orange and the late Mr. Harrington was announced.

Miss Thalheimer is a graduate of Belleville high school and is a member of the Seton Junior league. Mr. Harrington was graduated from Orange high school and attended Seton Hall college. He is the president of Tau Chapter, Omega Gamma Delta, and is in the air force reserve awaiting call for training as an aviation cadet.

Miss Thalheimer is a graduate of Belleville high school and is a member of the Seton Junior league. Mr. Harrington was graduated from Orange high school and attended Seton Hall college. He is the president of Tau Chapter, Omega Gamma Delta, and is in the air force reserve awaiting call for training as an aviation cadet.

Sisterhood Meets Tuesday Mothers' Club To Meet

The annual membership meeting of the Congregation A. A. A. Sisterhood will be held Tuesday evening in the synagogue. Mrs. Meyer Hoch, program chairman, has announced that the principal speaker will be Mrs. Theodore Krohn, educational chairman of the Women's league of the national organization of Sisterhoods.

The membership committee, headed by Mrs. Irving Garson, will report on its efforts to increase enrollment. Mrs. John Berliess, Mrs. Julius Friedman and Mrs. Samuel Zirn are committee members.

New types of canned soups which are beginning to appear on grocers' shelves are higher in food value than the old-style soups—one reason why most of them cost a few cents more, the OPA, October 22, told consumers.

Luglio-Corino Troth

Mr. and Mrs. Carmine Corino of St. Mary's place recently announced the engagement of their daughter, Miss Margaret Corino, to Anthony Luglio of Lyndhurst. Relatives and friends were present at a party for Miss Corino on Sunday, Nov. 1. A wedding date has not been set by the couple.

Mrs. Lyman E. Barr of Lincoln terrace has just returned from Pottsville, Penn., where she was visiting Mrs. Elizabeth Barr, her mother-in-law.

YOU Work IN GOOD LIGHT

The lighting system where you work—at industrial plant or office—is put there to protect your eyes and help you work with maximum efficiency. It is an important part of your equipment. It provides the GOOD LIGHT your eyes require for close vision. Eye-strain and poor work result if it is not provided.

—It is Important That You Use Good Light AT HOME

It is necessary to protect eyes at home as well as at work. You use your eyes intensively when reading newspapers. Save your eyes—by always using a good reading lamp for reading—and by doing nothing that lowers lighting standards in your home. Good eyesight is an asset. It should be safeguarded.

One help in maintaining good lighting in your home—one used by industry—is to keep lighting equipment clean. Clean reading lamps give more light! Therefore, dust shades, reflectors and bulbs periodically to keep dirt from accumulating and robbing you of light. Keep up your home lighting—to keep eyes lit!

PUBLIC SERVICE

SURROGATE'S NOTICE

October 23, 1942
Estate of HENRY P. STOUT, deceased.
Pursuant to the order of DUCENE P. HOFFMANN, Surrogate of the County of Essex, this day made, on the application of the undersigned, Executors of said deceased, notice is hereby given to the creditors of said deceased, to exhibit to the undersigned under oath or affirmation, their claims and demands against the estate of said deceased, within six months from this date, or they will be forever barred from prosecuting or recovering same against the said association.

Section 2. The portion vacated is as follows:
Premises in the Town of Belleville, in the County of Essex and State of New Jersey.
The entire bed of Prospect Street, from the Northern line of Rutgers Street to the Northern terminus of said Prospect Street, as the same is laid down on a "Map of 100 Building Lots in the Town of Belleville, Essex County, N. J., adjoining the Mansion House, and also as referred to in various deeds of record in the Essex County Register's Office."

Section 3. This ordinance shall take effect immediately upon final rescission and publication in accordance with law.

NOTICE

PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening, November 24th, 1942 at 8 o'clock P. M. When all objections to the passing of the same will be heard and considered.

FLORINCE B. MORRY, Town Clerk.

VACATION OF A PORTION OF PROSPECT STREET.

The Board of Commissioners of the Town of Belleville, in the County of Essex, do hereby order that the portion of Prospect Street heretofore described shall be vacated, and the same is laid down on a "Map of 100 Building Lots in the Town of Belleville, Essex County, N. High School Eleven Hits New Low
While Dukes Are Riding High
Larkin-Archer Fight Tops For Fans:
East Orange-Columbia Tilt Draws
Attention of School Grid Fans

Local football hit the high and low notes this week. While the Blue and Gold high schoolers were singing off key down around low D, the Iron Dukes crashed through with a bombastic, shrieking high C. In bowing to Kearny, the Bellboys did not run according to the form sheets, for they were overwhelmed by an eleven that has been battered about from goal to goal most of the season and which was humbled only the week previous 18-7 by Irvington, an easy victim for the locals.

The only glory that the Kards could have claimed was a 6-0 win over the Hillside Comets who pulled the switch on the Bellboys and sidetracked them on their race along the victory rails.

On performance in the last two games, the road ahead looks like a bumpy one for the Zebras. While not playing opposition which can be compared with that faced by Belleville, Clifford Scott of East Orange has yet to be beaten. The only blot on their record is a doughnut deadlock with Englewood in the opening game. After playing six games, they rested up last Saturday for the tangle with our lads.

There will be a 12-day rest after the elbow rubbing with Scott before the Blue and Gold gets together with Newark South Side in a Thanksgiving day classic. All the Sunnysiders have on their side of the ledger is toughness. They've had a poor season winning only three games out of six. West Side and Newark Central and Thomas Jefferson of Elizabeth have bowed, while South Side was badly beaten by Bloomfield and lost to Newark East Side and Barringer.

One Of The Unexplainables

Trying to dig into the woodpile and explain the two straight Belleville defeats is a tough job. It's just one of those unexplainables that happens to a team which has had a good record and is suddenly knocked off the perch. All of the coaching effort and inspiring talk which can be used often does not work. Sometimes a club will recover in a game and frequently they don't get over it in a season.

If the BHS'ers pull themselves out of the doldrums Saturday and trip the unbeaten but tied Scottmen, they still have the chance to wind this up as one of the best seasons in Belleville high annals. Losing only two games is a mark that has seldom been equalled in past grid history.

The Dukes are riding high and fancy after their decisive but hair-raising win over the Campdowners on Sunday in the mud of the municipal stadium. When the Dukes, who were lurking around the Camper goal line for all of the second period, failed to push it over, Belleville hopes sank pretty low.

This was backed up when the Campers came out in the third, put on the power and rolled 70 yards quickly to tally. Then the clouds opened up and it appeared as if the Ironmen's goose was cooked for their victory hopes rested on passing. But two speed boys, Red Ayres and Johnny Walker repainted the scene in a hurry with the help of Frank Cardinale.

Local pro fans have been educated to think that the Campers were the real bearcats of the North Jersey league. Well, they haven't been tamed much, but there's another outfit which is no pushover. They have not been seen in action here but the Plainfield Saracens are a tough gang of grid hombres.

A couple of weeks ago the Dukes had to go all-out to nip them 3-0. They are a big, well-drilled eleven with fast backs and will come here loaded with hopes of knocking off the Dukes. The game should be equally as good as last Sunday's tilt.

One Will Go Down

The big scholastic grid attraction of the week will be at Ashland stadium, East Orange, on Saturday, when the two leading unbeaten elevens in the state, Columbia high of South Orange and the East Orange Panthers tangle. In comparing schedules, both have played teams of comparative strength. East Orange looks like the favorite, but Columbia really does have a great team this year.

The Panthers have one of the lightest elevens that's been fielded on a schoolboy gridiron and turned into a winning team in a long time. Their backs are a bunch of lightning bugs in football shoes, while their linemen, who don't average 165 pounds, have learned the most valuable rules for winning games—to block and charge hard and fast.

A tempting dish for boxing fans will be served up at Newark's Laurel Garden next Monday night when Tippy Larkin, the Garfield Gunner, and Freddie Archer, Newark's favorite son, square off. Larkin has been bowling over opponents with regularity since he hit the comeback trail after accidentally shooting himself in the arm during the spring. Since he was kayoed in two rounds by Larkin over a year ago, Archer has been hitting the victory bell and has shown to be a much improved battler.

The clash promises to be a sellout with the winner probably getting a shot at Allie Stolz, another Newark youngster, who is near the top rung of the lightweight ladder.

Cagers Open On Monday

4 'Rec' Loops Set For First Night Clashes

Church, Factory Teams Meet Monday; Seniors On Tuesday

Basketball ebbs back into the sports scene next week when the four leagues sponsored by the recreation department will open the first round of their four-month season.

The industrial and church leagues will raise the curtain on Monday night when teams in both leagues will meet in inaugural clashes. Both circuits will play—at the high school, using both the new and old gymnasiums. The schedules have been arranged by Edward Lister and his assistant, Ted Close, both of whom will direct the program.

While hit by the number of young men who have been drafted during the past year and the additional players who will be unable to play because of working at night in war jobs, six teams have been secured for the two leagues already named and the senior circuit which will play on Tuesday nights and the intermediate circuit which will have the court on Thursday nights.

Playing in the industrial loop are the Eastwood-Nealley quintet, defending titleholders, Wallace and Tiernan, Eastern Tool, Walter Kidde, Rowe Manufacturing and Isolantite. In the first games, W. and T. will tackle Walter Kidde, Eastern Tool plays the champion Eastwoods and Isolantite faces Rowe Manufacturing. Games will be played every Monday night with the first round scheduled to wind up on December 14.

Church Teams Start

The Fewsmiths, defending champs, St. Peter's, Wesley Montgomery, Silver Lake Baptist and Grace Baptist will make up the church league. Monday night the Fewsmiths face Montgomery, Wesley tangles with Grace and Silver Lake Baptist takes on St. Peter's.

The six teams in the senior circuit are the Bell Laundry, West Ends, Pals, Eagles, Un-

High School Bowlers Start But Boys Are Missing

Ready for weekly Friday afternoon pin toppling sessions at the North Newark alleys are more than 50 high school students, most of them girls. They held a warm-up session two weeks ago but will settle down to serious playing tomorrow afternoon.

Edward Tschell, a new member of the faculty, is the advisor and instructor. Tomorrow the players will be divided into 14 teams to compete in an intra-school league. Eventually a team will be picked from the best players which will meet outside competition.

To date, the girls have gone for the game much stronger than the boys. One of the femmes, Irene Keddie, a senior, rolls a consistent 160 average.

Unbeaten Clifford Scottmen Zebra Foe Here Saturday

A twice-beaten Blue and Gold high school eleven will try to pull itself together on Saturday afternoon to upset the applicant of another band of pigskinners headed for an undefeated season. Clifford Scott high of East Orange, which has only a scoreless tie with Englewood in the opening game to mar an otherwise perfect season, comes to Clearman field for the second annual tangle between the two schools.

Last year, the locals rallied to down the East Orange eleven 12-6. A comparatively new school in Essex county football ranks, the Scottmen have had good seasons over the four-year period that they have been playing.

Under Bill Smith, former Notre Dame star, the team has brushed aside five opponents, piling up 92 points while limiting the foes to 14.

Englewood was fortunate to hold them to a deadlock in the season inaugural. Since then the Scottmen have bowed over Glen Ridge, West Orange, Union, Summit and Millburn. These clubs are not as strong as the opposition which the Bellboys have faced but since the home eleven has been on the slide for the past two weeks, the visitors are rated an even chance of taking over the Zebras.

While the Blue and Gold club was losing to Kearny on Saturday, Clifford Scott had a day off. The main threat in the Scott backfield is Jim Cavanaugh who played against Belleville last year. He has been the principal scorer in all of its games. Teamed

knowns and the O.M.C. On Tuesday the Bell five meets the Eagles, West Ends will play the Unknowns and the Pals will meet the O.M.C.

The younger boys playing in the intermediate loop open on Thursday night with the Penguins opposing the Cardinals, Comets facing the Imperials and the Eagles tangling with the Panthers.

Kearny 4th Period Drive Earns 14-7 Win Over BHS

Blocked Kick Gives Hudson School First Score; Findlay Scores On 58-Yard Run, But Kards Put On Win Drive With Less Than Two Minutes To Play

Fighting desperately to get back in the win column after the setback suffered at the hands of Hillside the previous week, the Blue and Gold high school eleven bowed to Kearny high 14-7 at Clearman field on Saturday afternoon.

It was the first time since 1927 that the Cardinals were able to triumph over the local gridgers.

The first Kearny score came in the third period when Jack Metcalf blocked Kay Barna's attempted punt on the Belleville 25 and the ball bounced back over the goal line where John Gentile recovered for a Cardinal touchdown.

The Bellboys rallied quickly. Jim Ford kicked off to Jim Findlay who gathered the ball in on the 25 and speeded back 17 yards before he was hauled down on the Belleville 42. On the first play Vic Pasquariello tossed a pass to Findlay out in the flat and with Barna and Jim Caruso doing some good blocking, Jim legged it 58 yards to score. He converted for the point to tie the score.

Kick Puts Them in Hole

The Zebras were in a hole in the fourth period on Jim Duffy's nice kick which rolled out on the four-yard line. A penalty for two many time outs put the ball on the one-yard line. Gene Melody got a good kickoff from behind his own goal line which Dick Hegag grabbed on the 45 and sideslipped and darted away from tacklers to score. The score was nullified by a clipping penalty called against Kearny on the 33 and the ball was put on the 48.

On two straight plays, a fake kick and a try at center, Duffy picked up 38 yards and a first down. Metcalf went through center twice to put the ball on the six. Duffy made it a first down on the two. With less than two minutes to play, he charged over the Belleville line for the second Cardinal touchdown and Hegag converted for the extra point.

Belleville took the air but it was all in vain with the final whistle blowing before the passers could get the range.

The line-up: Kearny—Davis, Campbell, Le; Sickles, Head, It; Masini, Blazis, Le; Terrill, C; Plunko, rs; Benitti, rt; Gentile, re; Ford,

with him in the backfield are Bob Farrell, a passer, and Dick Warren, at fullback, who is a fast man on broken field running. The strength on the Scott line centers around big George Brandt, the lone veteran on the line, who plays at one of the tackle positions.

One of the big faults which cropped out in the Kearny game last week was the downfall of the Belleville line which has been at its peak throughout the season. During the week Coach Larry Gates and his staff, besides trying to lift the team out of the doldrums of defeat, have been pounding away at improving the line play. Kearny's first tally came on a blocked kick after Jack Metcalf had broken through the line while the drive for the game-winning score near the close was principally on gains made through the forward wall.

A blow to Belleville hopes in last Saturday's game was the sudden decision of Russ Flynn on Saturday to quit the team. It was understood that Flynn's action followed a misunderstanding with Coach Gates.

Flynn, one of the line veterans, had been playing a good game throughout the season at tackle and was being touted by football observers for all-state consideration. His place in Saturday's game was taken by Jim O'Connell, who had subbed for him during previous games this season. Gates has been working on improving O'Connell for this Saturday's tilt with Scott.

The Bellboys showed even in defeat that they still had some of the fight which carried them along in the undefeated ranks for the better part of the season. After Kearny had tallied its first touchdowns, the locals swept right back to register a touchdown to even the count, but after that they slowed down to a walk.

High School Chessman Open By Trimming Irvington

With a veteran team, the high school chessmen opened their season at Irvington on Thursday by winning 3 1-2 to 1 1-2. The local lads won three games to one, while another was even.

The two clubs will meet in another match on Thursday, Dec. 3. Members of the team are Stanley Whetstone, Douglas Baird, Cyril Devine, Bernard Lindenbaum and Melvin Gaus.

Dukes Smash Campers 13-6 In Mud, Rain

Walker, Cardinale, Ayres Star In Fourth Period Scoring Splurge

The Iron Dukes scored the most important victory in their two-year stand at the municipal stadium on Sunday afternoon when they sloshed through the rain and mud in a fourth quarter rally to push over two touchdowns and turn back the three-year unbeaten Campdowners 13-6.

The kingpins of the North Jersey Pro league had not lost a game since October, 1939, when they bowed to the Kearny Toreadors, and it was their fourth loss since organizing in 1937. The win gave the Dukes a tie for the loop leadership with the Campers. Each has won three games and lost one.

Red Ayres, Johnny Walker and Frank Cardinale were the individual stars in the Ironmen's victory. Cardinale boomed over from the four-yard line for the first score after Ayres had taken a kick at midfield and raced down the right sideline 46 yards. The real thriller was provided by an 80-yard runback of a punt for the winning six-pointer with less than three minutes to play. Ayres picked up Rudy Choborda's long boot on the Duke 20, dodged two Camper linemen and bobbed and weaved his way to the 40. As he was about to be tackled, he lateraled the ball to Walker who was off for the left endline in a flash and speeded down the field and over the goal without a Camptown defender coming close to him. John Reilly booted the extra point.

Campers Score First

The Campers scored first early in the third period. Contrary to the two quick scoring thrusts by the Dukes, the Newarkers tallied on a 70-yard drive on the ground and through the air. Starting on his own 30, Rudy Choborda tossed a short pass over the center of the line to Fred Kunze. The end went a few yards and then lateraled to Bernie Franks who drove to the Duke 30 before he was pulled down. Choborda burrowed his way through center for three yards and then Bob Forfar passed to Kunze on the Belleville 11 for a first down. Drives by Choborda and Forfar gave the Campers a first down on the one-yard mark and Choborda pushed over for the touchdown, but failed to convert on the placement try.

Shortly before this successful drive the Campers had taken the kickoff on the 40 and moved to the Duke 28 before being stopped. Choborda attempted a field goal but the kick was low.

Clipping Penalty Helps

In the final period, the Campers took over on their own 30. Forfar was thrown for a 12-yard loss by the Duke line and then a clipping penalty against the Campers moved the ball back to the one. Forfar got off a good kick to midfield which Ayres took on the run and dashed down the right sideline to set the stage for the first score by Cardinale. Trying to break the tie, the Campers took to the air, but three passes were batted down and Choborda booted a long and low one which Ayres picked up on the Duke 20 and lateraled at the 40 to Walker who scampered for the Dukes' second six-pointer. The losers filled the air with passes in the final minutes of the game but all were batted down or out of the reach of the receivers.

The Dukes did everything but score in the second period, repeatedly knocking at the Camptown goal line. A beautiful kick by Frank Cardinale near the end of the first quarter went out on the Camptown 8. Failing to gain the Campers booted to their own 35 and the Dukes started downfield. Two plays gained nothing, then Kennedy picked up four yards through tackle and the Dukes had a first down on the Camper 30 through defensive holding. Kennedy ripped off right end six yards and then Harrison went through center for a first down. Interference was called on a pass on the Camper 10, but there the drive was stalled as the Campers put up a stone wall defense.

A moment later they were on the Camptown 8 when Choborda's kick was blocked. Nick Zuzzio drove to the six-yard line and a Camptown offensive put the ball on the one-yard line. On the fourth down, Ayres tried center but missed going over by inches. A poor kick put the ball on the Camper 12, but a clipping penalty put them back on the 27. Three line plays failed to gain and Reilly attempted a field goal from the 25-yard stripe but it was wide.

Ayres passed to Harrison on the Camptown 25, but the drive stalled after Jimmie Orsini picked up three yards around left end. Reilly was unsuccessful in another placement try, just before the half ended.

The line-up: Belleville—Weston, Le; Jackson, It; Weinberger, C; Zappa, C; Collins, rt; Reilly, rt; Tietze, re; Perano, qb; Ayres, lb; Orsini, rb; Cardinale, fb; Camptown—Arnold, rt; Bionna, qb; Mayo, C; Payeral, qb; Smith, rt; Lesketter, re; Seudberg, qb; Mazullo, lb; Forfar, rb; Franks, fb.

Plainfield Saracens Real Threat To Title Hopes Of Duke Club

Local grid followers have been educated to believe that the Campdowners were the toughest thing that walked in football shoes in the North Jersey Pro league. They may be due for a surprise on Sunday afternoon when the Plainfield Saracens invade town to tangle with the Iron Dukes, now holding on to a first place tie with the Campdowners for the league leadership.

The Saracens are a serious threat to both first place clubs. Early in the season at Plainfield, the Saracens bowed to the Campers 10-7 on Rudy Choborda's field goal boot. Several weeks ago, the Dukes were fortunate to get out of town with a 3-0 win on the strength of John Reilly's trusty toe on a field goal.

The Union County gridgers took the measure of the Boonton Panthers Sunday at Boonton. They have a forward wall which will equal or outclich the local eleven and their backfield is equally as fast though perhaps not as versatile. The standout is Bernie Livingston, halfback, who is the leading scorer in league circles. He played with Scranton university. Teamed with him at fullback is Joe Chubrick, a 200 pounder, who played with pro elevens in the Pennsylvania coal mine regions.

The team is captained by Johnny O'Sullivan, who played at Georgetown, several years ago. Rumor Porrea of Plainfield high runs out the backfield. Two good reserve backs are Hockey Minard, who was an all-state man at Bound Brook high last is well-known on pro elevens in the central section of the state.

Two Collegiate Linemen

Leading men for the wearers are Butch Cheswick, 190-pounder of the green and white on the line from Villanova, and Tony Manzoine who played at Muhlenberg. Both are tackles.

In the 12 years which the club has been organized, the team has won 55 games and lost nine. Coaching the eleven are Pat Perretta of Plainfield and Sonny Church, formerly of Notre Dame.

Playing his final games for the Ironmen on Sunday will be Joe Collins, guard, who will enter the marines next week. Jimmie Orsini, one of the backfielders, turned in his suit after Sunday's game since he will be inducted into the army this week.

The lone addition to the squad so far has been Tony Cocozello, who played on the line at Montclair high two years ago. Unless injuries crop up, Coach Joe Voll-

mer plans to get along with his present group of players. Probable backfield starters on Sunday will be Frank Cardinale, Red Ayres, Johnny Walker and either Charlie Burgi or Bucky Peraco.

HUNTERS WARNED TO BE CAREFUL

Precaution to be taken by licensed hunters to prevent personal injuries and damage by forest fires while participating in the upland game season which opened Tuesday and continues until December 15 were listed this week by the New Jersey Fish and Game Commission.

The commission also announced that hunting will be prohibited on any government reservation, including arsenals, forts, camps, landing fields, airports, aircraft stations, defense factory premises, storage yards or warehouse sites. These areas comprise only a small part of the open lands of New Jersey.

To all licensed hunters taking part in the open season, the State Fish and Game Commission reiterates the following safety advice:

Don't start on a hunting trip until you have thoroughly inspected your gun, with special attention given to its firing mechanism and the interior of the barrels. "Safety First" for gunners begins at home.

Don't start on a hunting trip your car or other vehicle and don't load until you are actually ready to hunt. Under the law, persons carrying loaded guns in cars are liable to arrest and fine. This is the first in importance of the unwritten rules of the hunting field.

should have a five-man board and not permit a condition to exist such as did in Newark. He declared that he "wouldn't cooperate to any extent" unless the vacancy was filled.

Waters commented that he was waiting for a conference among the commissioners before making a decision. King and Noll remarked that the meeting could be held right in the commission rooms.

"Why hold a conference behind closed doors?" asked Noll.

Reverting back to the charge that King had made a promise, he said "you can't put any words in my mouth."

"Didn't you say," asked Williams, "that we shouldn't move hastily?"

King acknowledged that fact but denied making any 30-day agreement. The commissioner then assailed Waters for having made a remark at a meeting when he did not attend, that "he didn't have any guts."

Waters said he was referring to King's failure to vote on the payroll and not to any other issue. King didn't seem satisfied with the explanation.

"I said no such thing," Waters concluded. "You often ridicule what the papers say, too."

Brings Up 1934 Incident

At this point the real fireworks started when Waters began delving into back history.

Directing his remarks at King, Waters said that he could not forget the 1934 election. King and George Gerard were elected with Williams, Clark and himself.

Waters charged that King, Gerard and Clark had conferred and were planning to control the board. He quoted King as telling him that Williams could not be mayor and that he (King) would be mayor.

Waters said he wanted to be sure that the same thing would not happen.

He said that the plan was to have stripped him of his department and to have given it to Gerard.

Waters said he wanted to be sure that the same sort of thing would not happen again. He claimed that Gerard had left King and Clark and had come to a rectory for the house, had told him of the plans and had sided with them. Gerard was subsequently given the public safety department.

"If you did it once, you'll do it again, and I'm not playing politics," Waters shouted.

"The four of you came to see me, King counseled. 'I didn't look the majority, and you're not going to put words into my mouth. My record is clean.'"

"It wasn't clean in that election," remarked Waters.

"I was clean then and I have been ever since," replied King.

Jumping to his feet, Mayor Williams asked Town Attorney Lawrence E. Keenan to swear him in.

Also Accuses King

"The integrity of Mr. Waters, a veteran member of this board, has been assailed in an atrocious manner," stated the mayor. Williams recalled that "King told him 'Bill Williams, you're a good insurance director but you can't be mayor of this town.'"

Williams said that in his opinion the board should sit down on the question of a successor.

Directing his remarks at King he said, "I am distinctly surprised that you made a decision without discussing it with me or Commissioner Waters. I thought I was entitled to that courtesy. It was an unkind act toward me, Joe. I shouldn't have to read the papers to find out."

Returning to Waters' remarks about a combination getting together, Noll commented, "they didn't think about that in 1938 when they did a job on me."

Noll, who was first elected in 1938, was virtually stripped of duties and powers normally assigned to his department.

"I'm for Mertz," Noll remarked, "because he was the sixth man. We're not here to play 'Rammany Hall politics. I know Mr. Mertz will make a party to any combination and no member of this board could make him."

"Director, have you always spoken that nicely about Mr. Mertz?" inquired the mayor.

Noll said he had and Williams asked him if he hadn't said that Mr. Mertz had "double-crossed him in the last election."

"Now, mayor, quipped Noll, 'I don't smoke the same kind of a pipe you do and dream a lot of crazy things.'"

"I'm still in the same position," remarked King. "I'm not going to be vindictive."

"Nobody is flouting fault with ful, I've been through this once and I'm not going to go through it again. And you or nobody else is going to force me," said Waters.

Challenging King

"Joe King," Williams interrupted, "I'll give \$500 to the community chest if you can name five constructive things you've done in the last five years."

The fire died down after this point and Williams closed the discussion.

"The primary desire is that the business of each department be done capably and economically. I feel that all work can continue until the board arrives at a majority decision. Our management and policy is worthy of more commendation than existed in a nearby community. Belleville is recognized as an extremely well run community. Belleville's progress has been solid—outstanding—solid. I have worked for it at

a sacrifice of my personal income."

He said that the police and fire departments, of which he is the acting director, would be handled properly, and asked for cooperation and constructive criticism.

CHEST FUND GAIN SLOW THIS WEEK

Success Apparently Hinges On Returns From Industrial Group

Whether the Community-War Chest goal of \$35,000 will be reached, or the minimum amount on the returns from the industrial division.

John Charlton, executive secretary, reported last night that the total collected in pledges and cash had risen only \$1,400 during the week to bring the drive to the halfway mark in its goal. A total of \$16,314.03 was reported, \$6,145.31 of which was raised in the house-to-house section.

Elwood Russell, industrial division chairman, expects to go far ahead of the \$6,404.35 now reported for the manufacturing group. Reports by divisions as of last night were as follows:

Industrial: \$6,145.31; gifts, \$776.50; out-of-town, \$750; churches, \$123; clubs, veterans, \$247.35; professional societies, \$150; municipal employees, \$75; school teachers, \$1,278; other school employees, \$77; and school pupils, \$134.12.

In the house-to-house section:

School No. 1, \$405.65; No. 2, \$118.35; No. 3, \$1,854.60; No. 4, \$250.52; No. 5, \$1,268.84; No. 7, \$222.04; No. 8, \$767.48; No. 9, \$216.91; No. 10, \$641.42.

No reports have been received from the lodges, commercial, post office, or isolation hospital groups.

CAR REGISTRATION

(Continued from Page 1)

c. The serial numbers of the five tires on his car, as well as the serial numbers of any other passenger tires he possesses.

3 Each registrant will be given a registration form (R-534) to fill out in the following manner:

a. The front of the form is divided into halves by a dotted and perforated line. The car owner will fill in the following information on the top half of the form:

Name and address of registered owner of vehicle

License number of vehicle

State of registration

Year model and make

b. The back of the form is similarly divided into two halves, and the registrant will fill in the following information on the top half:

The serial numbers of the five tires on the car

The serial numbers of any other passenger tires the registrant possesses

The serial numbers and dates of issue of all gasoline ration books in the possession of the registrant.

On the lower half of the back page of the form is a box with a heavy black border. The registrant will fill in here the serial numbers of his five tires, his name and address, and the information on his motor vehicle registration certificate.

4. If the application is in order, and the registrant owns no more than five tires, the registrar will sign and detach the lower half of the form and give it to the registrant.

The car owner is to keep this part of the form, which is his tire inspection record, and present it to the OPA tire inspector when the car is brought for tire inspection. A and D gasoline ration book holders are required to have their tires inspected every four months, while B and C and supplemental D book holders must have their tires inspected every two months. The first tire inspection must be made between December 1, 1942 and January 31, 1943.

Failure to have tires inspected at the required periodic intervals will result in forfeiture of tire and gasoline eligibility.

5. If the applicant owns more than five passenger tires he will not be given a tire inspection report. The registrar will retain the entire registration form and turn it over to the rationing board. When the car owner has sold his excess tires to the government he may go to the rationing board and get his tire inspection report.

6. Any registrant who does not bring his motor vehicle registration form or his gasoline ration books will be instructed to return on one of the other registration days, or on November 21, and bring with him the required documents and information.

Mrs. Daniel Spillane of Cortland sent a letter to the commission on Tuesday for Misses Claire Lemoine and Mrs. Eugene Terry.

Mayor Says He Delayed Action On River Wall

Williams Says There Was Inference Noll, King Blocked It; Claims Bloomfield, County Indecision Prompted Move To Postpone Vote On Measure

No conference has been scheduled for a conference of the commissioners with representatives of the county and Bloomfield on the construction of a wall along the Second river from the Bloomfield town line to east of the National Grain Yeast plant, Mayor Williams said yesterday.

The mayor said that the version of the board's action two weeks ago as reported in The Times was incorrect. He stated that the inference that the refusal of Commissioners King and Noll to approve the construction of the wall for its entire proposed length had prevented its adoption was not true. The mayor said that he had made the recommendation that no action be taken by the board. He stated that he had requested that other members of the commission not second the motion to consider the ordinance for passage on second reading "so that it would automatically die."

Had Thorough Understanding

Williams claimed that there was a thorough understanding among every member of the board that the ordinance for the wall would be introduced "for purposes of discussion." He explained that three important questions must be decided before the board can take final action on the wall. The attitudes of both Bloomfield and the county officials must be learned and the advisability of ripping down the dam east of the National Grain Yeast plant must also be studied.

If the dam should be removed, the wall could be lowered and the reduction in material needs would reduce the cost, he stated. He said at the time the ordinance was before the board it was not known if the dam could be ripped away. However, it has since been learned that National Grain Yeast officials are agreeable to the plan.

It was proposed in the ordinance that \$58,000 be spent for the construction of the wall. Williams said that he had asked the company to pay 25 or 50 percent of the cost of the project. Officials, he said, were unwilling if other industries were not required to contribute for improvements made along their property by the town. If the wall should not be erected, the Mayor said that the company has served notice that it will hold the town liable in event that a flood does damage there.

Williams said that he did not know when the conference would be arranged with Bloomfield and the county. He stated that he understood that Bloomfield engineering officials are still studying their flood control problem and that plans which they finally approve may affect Belleville's situation.

James I. Hyde, son of Mr. and Mrs. Elmer S. Hyde of Rossmore place, is gaining a place in the sun at Peddie school which he attends. He is not only an inter-ests also an air raid warden.

lation. A military drill is held on every second Wednesday for members at the Orange armory. Such drills give the woman an idea of army regulations concerning full dress parades and other types of drill which the corps might be called upon to execute.

Any woman who is interested in belonging to the corps may, if she meets the qualifications, get in touch with Mrs. Cort at her home or at the Woman's club any afternoon. She is at the Woman's club all day Tuesday and will be glad to talk to anyone interested.

Jack-Fried Marriage

St. Peter's rectory was the scene of the marriage on Friday of Miss Florence Edwina Fried, daughter of Mr. and Mrs. Walter

Fried of Hornblower avenue, to Robert Millin Jack, son of Mr. and Mrs. William Jack of Maplewood. Rev. John Nelligan officiated at the ceremony.

Miss Helen Jean Fried, sister of the bride, was the maid of honor, and William Jack, the bridegroom's brother, was best man.

Mrs. Fried was graduated from St. Peter's school and is now employed by Handlon & Goodman, while Mr. Jack, who was recently inducted, is now stationed at Fort Dix.

At a home wedding on Saturday, Miss Dorothy Knab, daughter

of Mr. and Mrs. Harry Knab of Garden avenue, was married to Bernard Douglas Small, son of Mrs. William Small of Glendale street, Nutley, and the late William Small.

Mrs. Francis Kohler of Nutley was matron of honor, dressed in teal blue gown and carrying roses. Harry Knab, Jr., of Newark was best man. The bride was a duobonnet velvet suit with a corsage of white carnations and chrysanthemums. Both the bride and her attendant wore flowers in their hair. Rev. William Borchert of Bethany Lutheran church officiated. A reception for friends and families followed the wedding.

Miss Knab is employed by George LaMonte and Sons in Nutley, and the bridegroom, who is

entering the service, was formerly employed by the McIntire Connector Company, and attended

Troth Is Told

Miss Anna Zotti

The engagement of Miss Anna Zotti, daughter of Mr. and Mrs. Eugene Zotti of Mt. Pleasant avenue, to Leo Terondola, son of Mr. and Mrs. Joseph Terondola of Newark was announced Saturday at a buffet supper at Miss Zotti's home.

Miss Zotti attended Belleville high school and is now with the Davis Emergency Equipment company in Newark. Mr. Terondola was graduated from the Arts

high in Newark and is now employed in the Walter Kidde plant, Belleville.

Refresher Course Starts Monday For First Aiders

A refresher course for Red Cross first aid instructors will be conducted for five consecutive nights at the Elks' club by F. Eugene Martin of Washington, D. C. Former associate physical director of the Y. M. C. A. in that city, Martin now specializes in refresher instructor's courses for the Red Cross.

The present course will begin Monday evening and be concluded next Friday evening. The sessions will last two hours. Nutley and Bloomfield instructors will join the Belleville men and women. Those who are eligible for the course are those who hold current cards of appointment and who have conducted a certified first aid course during the past year and been approved by the local chapter.

All standard and advanced first aid course will be suspended during these five days so that instructors may attend. The only ones not affected will be the standard course given at the Philmore apartment on Friday evening by Miss Doris Soleau and the advanced course given by Gottfried Johanson.

King Ass'n. Views Movie

A film on synthetic rubber manufacture will be the feature

at the meeting of the Joseph King association at its headquarters, 414 Washington avenue, on Saturday night.

President Charles Nutt will be in charge. Refreshments will follow the business session and the showing of the film.

Oies After Short Illness

August Schmidt, 54, of 439 De Witt avenue died Monday at St. Barnabas Hospital after a short illness.

Mr. Schmidt was born in Brooklyn and lived in Newark before moving to Belleville 21 years ago. For many years he had taught clarinet and saxophone in Newark. He was a member of St. Cecilia Lodge 193 F. & A. M. and Newark Local 16, American Federation of Musicians.

Mr. Schmidt leaves his wife, Mrs. Lena Wolcott Schmidt; his father, Charles Schmidt of this town; a son, Fred, of Waretown; two daughters Mrs. Claud Keener of Ailington and Mrs. S. W. Bareford of Belleville; a brother, Charles Jr., of Newark; and four sisters, Mrs. James Moreland, Mrs. James Willis, Mrs. Joseph Cutler and Mrs. Minnie Mayer all of Nutley.

Rev. George W. Southard of Waretown retired Methodist minister, conducted the services last night in the Irving Funeral home. Masonic services were also held and burial takes place this morning in Ridgeland cemetery.

ESTIMATE KIDS GOT 25 TONS

Have 10 Tons In Homes Which Must Be Picked Up; School No. 1 Leads

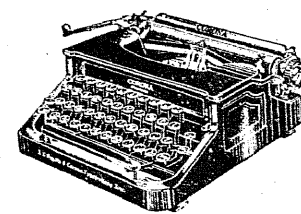

From a tour of lots in the rear of each of the nine grade schools, it is estimated that the youngsters collected about 15 tons of scrap metal during their drive last week. In addition, Salvage Chairman Robert G. Sutherland estimated that there is another 10 tons in homes which the children have tagged to be picked up by

the salvage collector or town trucks.

School No. 1, at Cortlandt and Rutgers streets, has the largest pile, estimated to be about four tons. The materials will be removed shortly and the proceeds turned over to each school for special projects.

Approximately 1,000 children attended the scrap matinee at the Capitol theatre on Saturday morning. By collecting 10 pounds of scrap, a child received an admission ticket.

Harry Brumback, Jr., son of Mr. and Mrs. Harry Brumback of Little street, returned from Bucknell university for a weekend at home. He is a sophomore there and lives at the Lambda Chi Alpha house.

SAFEWAY Homemakers' Guide

Now's the time to serve heartier meals

Old Jack Frost has hit the high spots and with the turn of temperature, family appetites favor piping hot substantial food. There is a craving for thick soups, steaming stews and quantities of buttered vegetables.

Oven foods, too, are high in favor. For convenience, and the economy of using inexpensive cuts of meat, let your oven do four-way duty as in the dinner below. A moderate oven (375° F.) is just right for meat, potatoes, and squash. During the last 15 minutes raise the temperature to 450° F. for the biscuits and dinner is on.

CHILLY MORNING BREAKFAST

Baked Apple with Pour Cream
Cracked Whole Wheat Cereal with Brown Sugar and Pour Cream
Eggs... Fried, Boiled, Poached
Maple Syrup Muffins
Coffee or Milk

COOL DAY LUNCH

Homemade Vegetable Soup in Turkey (Make soup with soup bone, outer cabbage leaves, carrot tops, etc. Strain. Add freshly shredded vegetables. Cook 5 minutes. Serve piping hot.)

TOASTED CHEESE SANDWICHES

Pear Halves with Chilled Custard Sauce Tea or Milk

OVEN DINNER

Lamb or Veal Roast with Brown Gravy
Oven-browned Potatoes
Individual Squash (Bake these whole, open and season just before serving.)
Orange and Avocado Salad
Hot Biscuits or Warm Muffins
Butter

*CIDER PIE

with Whipped Cream
Tea or Milk

*CIDER PIE

(Spicy and nice)

1/2 cup sugar 1/2 tsp. nutmeg
1/2 cup cornstarch 1/2 cup apple cider
1/2 to 1/3 cup cinnamon 1/2 cup apple cider

Combine sugar, cornstarch and spices. Bring cider to boil, add sugar-cornstarch mixture. Cook until clear and thick, about 5 minutes. Pour into pastry shell. Chill. Serve with whipped cream. Serves 6 to 8.

Muffin Cookery

For a pocket edition of a regular cooking school lesson on muffins including variations with make-up-want-to-cook appeal, see Julia Lee Wright's article in this week's Family Circle Magazine. Out every Thursday—free at Safeway.

William Stewarts Attend Dartmouth-Princeton Game

James Coles Sunday Guests Of Daughter In Freehold; Mrs. Charles Kessels Pinochle Hostess; Mrs. William Wehrle Also Entertains

Mr. and Mrs. William Stewart of Tappan avenue attended the Dartmouth-Princeton game Saturday at Princeton. They heard the combined Dartmouth-Princeton glee club concert in the evening. The Stewarts' son, Watson, is a member of the Princeton glee club.

Sunday, the day for family get-togethers, found Mr. and Mrs. James L. Cole of Van Houten place, as dinner guests of their daughter, Mrs. Charles Swann of Freehold. Mrs. Ethel Swann, Mr. Swann's mother of Kearny, also dined with the Coles.

The pinochlers are at it again. Mrs. Charles Kessels of Adelphi street entertained the Pinochle club last night with Mrs. Mark Stauffer, Mrs. Carl Whitish, Mrs. August Schmidt, Mrs. Henry Heideman, Mrs. William Wehrle, and Mrs. Charles Everson as members who attended.

Mrs. William Wehrle of DeWitt avenue entertained the DeWitters club last Friday night with Mrs. Charles Wehrle as a guest who gave a brush demonstration. Members of the mother and daughter groups are Mrs. Leslie Stark, Mrs. John Durtche, Mrs. Everett Ford, Mrs. Henry Schaufuff, Mrs. George Guldner, Miss Dorothy Guldner, Mrs. Martha Guldner, Miss Hermine Wehrle, Miss Edna Schaufuff, the Misses Muriel and Shirley Durtche and Miss Regina Stark.

Has House Guest
Mrs. J. Waldron Melroy of Elena place has had Mrs. Ralph T. Stutz of Easton, Pa., as her house guest since last Tuesday. Mrs. Melroy also entertains her club tomorrow night, with Mrs. Claude Freid, Mrs. Harold Ford, Mrs. Norwood Uhl, Mrs. Frank Browne, Mrs. Raymond Vosburgh, Mrs. Charles Stoeber and Mrs. Frank Kienle as guests.

Mrs. Eric Peterson of Floyd street entertained the Wednesday bridge club last night at her home. Mrs. John Green, Mrs. William Eichorn, Mrs. Jams Shaw, Mrs. George Bergermiller, Mrs. Ralph

JUNIOR RED CROSS AFTER MEMBERS

Group is Now Knitting For Army, Navy; Also Roll Bandages

The Junior Red Cross, which meets every two weeks in the high school under the supervision of Miss Gregoria Condon and Miss Alma Gray, is seeking new members. The membership of the group at present totals about 50. The only requisite for admittance to the group, made up of elementary and high school pupils, is that one be a hard worker.

The Junior Red Cross is composed of two groups, the WAACS and the WAVES, one of which knits for the army and one for the navy. Last year an afghan was completed by the group from donated yarn but this year all the yarn for a new afghan has been bought by the group itself. The group has filled boxes for the soldiers in England and now rolls bandages and knits. Anyone interested may get in touch with the supervisors or with Mary Elizabeth Saukeld, director of the WAACS or Lois Kittle director for the groups of WAVES.

Pinochle And Bridge Hold Attention Of Many Groups

Mrs. Harry Hood Hostess Last Night; Fred Schofield's Will Entertain Saturday Night; Tuesday Club Meets With Mrs. Ernest Hodgson; Play In Bloomfield

Mrs. Harry Hood of Union avenue had members of the Wednesday pinochle club in for a session at her house last night. Present were Mrs. Harry Hood, Mrs. John Comsky, Mrs. Loretta Dow, Mrs. Robert Andrews, Mrs. Edward Rocheau, Mrs. Rudolph Zoeller and Mrs. LeRoy F. Hilton.

Mr. and Mrs. Fred Schofield of Edgewater road will entertain a pinochle group Saturday night. Mr. and Mrs. Harold Crane, Mr. and Mrs. Sylvester Denison, Mr. and Mrs. Herbert Vandemark and Mr. and Mrs. Lester Meseroll are the couples who will play.

Mrs. Ernest Hodgson of Essex street held the Tuesday bridge club. Members are Mrs. Albert Borman, Mrs. Frank Girard, Mrs. William Hunt, Mrs. William T. Robinson, Mrs. Ray Tasney, Mrs. Harold Kenwell and Mrs. Carl Struble of town and Mrs. Lathrop VanOrden of Nutley.

Mrs. Raymond Brand of Bloomfield had Mrs. George Turner, Mrs. Harry Wands of town and Mrs. John Daly of Newark as her guests at a card party last night.

Now Doing Red Cross Work
Mrs. William Irvine entertained the Wednesday afternoon club yesterday at her home. The group is devoting itself to Red Cross work and members who turn their fingers to knitting or rolling bandages are Mrs. Herbert Hardman, Mrs. Russell Sargeant, Mrs. Clifton Smith, Mrs. Edward Eska, Mrs. Edward Zeller, Mrs. William Lee and Mrs. William Hunt.

Mrs. Louis Vaccarella of Tappan avenue entertains today for Mrs. Paul Enders, Mrs. George Jammer, Mrs. Louis Frick, Mrs. Theodore Farrington and Mrs. James M. Lynch.

Mrs. Daniel Guldner of Union avenue gave a luncheon yesterday for Mrs. Peter Neeb, Mrs. Elizabeth Neeb, Mrs. Henry Dolson of Rutherford and Mrs. Martha Guldner and Mrs. George Lehmann of Newark. Mr. and Mrs. Guldner will also entertain a pinochle club Saturday night. Mr. and Mrs. Walter Babbitt and Mr. and Mrs. Wesley Decker are guests who will vie with each other for high score.

A birthday party was given for Mrs. John Lukowiak of the Thursday night club at the Recreation House last Thursday. Those present were Mrs. Mary Carragher, Mrs. Florence Barnett, Mrs. Abbey Morehouse, Mrs. Agnes Thoma, Mrs. Olive Jenkins, Mrs. Anna Metro, Mrs. Dean Engle and Mrs. Charles Kramer.

Spends Weekend Home
Eleanor Summerfield, daughter of Mr. and Mrs. Sydney C. Summerfield of Little street, was home last weekend from Fairfax, Va., where she is a teacher. Also with her as her house guest was David White of Washington, D. C.

Mrs. William D. Maser of Ogden road entertained at dinner Sunday for Mr. and Mrs. Henry Miller and their son, Henry Jr., Mrs. Jennie Barsalon and Mr. and Mrs. Duncan MacKinnon.

Mrs. Arthur Martin of Van Reyper place holds the Friday afternoon club at her home tomorrow with Mrs. Ira Shattuck of Essex Fells, Mrs. Amy MacIlvain of Montclair and Mrs. Russell Rose, Mrs. Charles Schick, Mrs.

CHILDREN'S BOOK WEEK PLANNED

Open House to Be Held At Public Library Next Thursday

With "forward with books" as this year's slogan, the public library is placing special emphasis on children's book week which will be observed from Monday through Saturday, November 22. The main purposes of the week are to foster greater reading and appreciation of books among youngsters, to increase public knowledge and understanding of children's books and to increase and maintain support for public book facilities.

A number of well-known books for boys and girls have been placed on display in the children's department at the library. The room has been attractively decorated.

Next Thursday will be observed as "public library day" with "open house" being staged in the adult department. Mrs. Elizabeth A. Shattuck, librarian, invites residents to visit the library and to inspect its facilities on that day.

Patriotic Program Today For School No. 10 P.T. A.

The School No. 10 P.T. A. will hear Rev. John H. Elliot speak this afternoon on "America, One Nation Indivisible." A sound film, "The World We Live In," will be shown. Grade Eight will be hostesses with class mothers, Mrs. William Mercurio, Mrs. Anthony Cacciariello, and Mrs. Herbert Haslam assisting.

Four members of the P.T.A., Mrs. George Stickle, Mrs. William Rich, Mrs. John Tupper, and Mrs. Edward O'Connor attended a meeting in Newark Monday entitled "Women In Industry." This session was promoted to secure women for industry. David Mack of the Wright Aeronautical Corporation, Lieut. Henry J. Roloff of the navy and representatives of the Essex County vocational schools spoke. Five women, who were housewives and who did not need to go into industry spoke on their experiences in the field.

Booklets will be given to block mothers of the P.T.A. for distribution to mothers who may be able to work in factories. Women at the meeting were advised that those wishing to go into industry should be interviewed by someone in charge of a vocational school who would tell them what opportunities are available and how they could be trained first for better jobs. Representatives from Essex county industries were present and stressed the fact that many women will be needed soon for work in their plants and stated that there are now opportunities open for women who wish to work as a patriotic duty.

Classroom Inspection Feature
School No. 3 P.T. A. Program
The School No. 3 P.T.A. will hold a meeting next Wednesday afternoon at 1:30 p.m. The classrooms will be open from 2:15 until 3:15 for inspection. At 8:15 p.m. an old-fashioned get-together will be held with games and square dances. Small children who come with their mothers to the meeting will be cared for by mothers of kindergarten pupils headed by Mrs. John Scott and Mrs. Marvin S. Wallace.

Hostesses for the afternoon will be fourth grade mothers directed by Mrs. Samuel Goldberg, and Mrs. William H. Cavanaugh. Registration of mothers present will be in charge of Mrs. Herbert McKinley and Mrs. Henry Waters. The registration is made at every meeting and the grade group represented by the largest number of mothers receives an award. Refreshments will be served.

The monthly meeting of the School No. 2 P.T.A. will be held next Tuesday at 2:30 p.m. Mrs. Julia O. Reiner, executive secretary of the Community Service bureau will be guest speaker.

The program committee will show a sound film entitled "Meat and Romance" dealing with the selection, preparation, and nutritive values of various meats.

Community Service Executive
School No. 2 P.T. A. Speaker

The monthly meeting of the School No. 2 P.T.A. will be held next Tuesday at 2:30 p.m. Mrs. Julia O. Reiner, executive secretary of the Community Service bureau will be guest speaker.

The program committee will show a sound film entitled "Meat and Romance" dealing with the selection, preparation, and nutritive values of various meats.

Something That's Unnecessary

The first round in the effort to pick a successor for membership on the town commission to fill the vacancy caused by the death of Commissioner William D. Clark has ended in a deadlock. Commissioners King and Noll, who had previously publicly announced that they were in favor of naming Raymond Mertz, the sixth man in the May town election, have stood their ground, while Mayor Williams and Commissioner Waters voted against his selection at this time, insisting that they have not reached any decision on the choice of a candidate.

We are not expressing any opinion at present on the advisability or not of naming Mr. Mertz to the board, but we do feel that it is unnecessary for the four commissioners to indulge in any word-brawling or to start bringing some of the old ghosts out of the political closets.

Teachers And The 5% Bonus

The board of education has harkened to the plea of the teachers and other school employees for more money. It should be clearly understood that the five percent bonus granted by the trustees is not permanent. The teachers based their case on the rise in the cost of living, and the board in turn made it equally clear that its action was prompted by the same factor.

Some may argue that the increase has not been sufficient to cover the rise in the cost of living which has taken place in this region during the past year. But, it is well to remember, that while thousands are employed in war industries and allied occupations where they have a greater income, there are still many who have not had any pay increases.

This is particularly true among many in the so-called "white collar" class. We have many of them in Belleville, and they contribute a considerable amount toward taxes for the support of local government. All must do a little belt tightening, financially and otherwise.

In September, most of the teachers received a \$100 annual increase. In many cases, the additional five percent bonus which is effective immediately will mean another \$100. In other words, they have \$200 added to their salaries during the past three months.

Hasn't Been Dethroned Yet

Credit for the Republican sweep in last week's election in this state is being given to numerous groups and individuals. Many of the G.O.P. credit it with being the voice of an aroused public against the running of the war by the administration in Washington. Others insist that Governor Edison's failure to support U. S. Senator William H. Smathers and other party candidates resulted in the downfall of the Democrats.

One claim with which we are in dispute is that the Republicans triumphed over and dethroned Mayor Frank Hague of Jersey City. Some of the polish may have been taken off Mr. Hague's political crown, but he was most certainly not dethroned and still remains as a potent power for future elections.

The unofficial returns in the Hawkes-Smathers race show that Mr. Hague's do-

Most Important Part Of Program

What is probably the most important phase yet to come in the government's effort to control supplies through rationing takes place during the next three days with the registration of all passenger car owners under the mileage rationing plan.

It is simple, but is something which must be done if every car owner is to receive the gasoline and the tires which he requires for essential needs. Be sure that you register at one of the three local sites—the High school, School No. 4 or School No. 5. Three points have been designated to eliminate inconvenience for as many motorists as is possible.

Every car owner must do three things in registering. He must have his car registration, the serial numbers of each one of the five tires which he is legally permitted to have in his possession and must present the type of gasoline rationing book which he has been issued by the war price and ration-

The action at Tuesday night's commission meeting was decidedly not of the type to which we have been accustomed in recent years and harkened back to the times when town meetings were as good as a ringside seat at the best boxing bouts.

Name-calling, charges which only becloud the real issue and a re-hash of what is alleged to have happened once upon a time will not help to settle the matter at hand now or later. Carefully considered, it is really quite insignificant when compared with the serious and important problems which are confronting us daily.

There will be future discussions on the question of a successor to the late Mr. Clark. It is hoped that they can be kept on a higher plane than that which took place on Tuesday night.

One of the criticisms which we made several weeks ago was over the number of teachers, particularly among the male members of the high school faculty, who are employed part-time in war industries after school teaching hours.

The right of a man to earn as much as he is physically and mentally able to work for is not denied, but the question which we then raised and which we now repeat is if it is possible for these teachers to be alert to give their best in the classroom after they have worked a number of hours the previous night. There is a demand for the best in teaching and guidance to prepare our boys and girls for their part in this war. That is the battlefield for every teacher, and it is a challenge to better the achievements which the profession has made in the past.

Some teachers have pointed out to us that salaries paid for their services have not been sufficient to cover the expenses necessary to maintain themselves and their families. Has the action of the board of education in granting a bonus tended to relieve that condition? Or can individual teachers still present an argument that working part-time is a necessity? If it can be avoided, it would seem to us to be in the best interests for the maintenance of a school system of the highest standards.

main gave Smathers 116,345 more votes than went for Mr. Hawkes in Hudson county. This is a tremendous edge for any candidate to have in a race and it is an element which must be reckoned with next year and so long as Mr. Hague remains in power and is not handcuffed by any legislative action.

The Republicans, or the forces within the Democratic party which oppose him, have not yet found the key to the problem of seriously curbing the Jersey City mayor. While Smathers may have been beaten, it is possible for Hague to come up with a man the next time who will meet with more general favor about the state. Candidates such as Edison or A. Harry Moore have in the past met with favor among the public in the other counties and have overwhelmed their opponents by the majority which they were delivered by Hague in Hudson.

ing board. Once these facts are put down on the registration form which must be placed on file with the ration board, his job is done.

Contrary to the frequently expressed opinion, the thought behind this plan is not to drive cars off the road. It is being done to portion out the supply of gasoline and tires so that cars will keep running.

The government has recognized in the short time in which it has been dealing with the rationing problem in relation to automobiles that the automobile and the truck are essential parts of the country's daily life. Cities have been built around the automobile. Whole businesses depend upon them. It is easy to see that the use of cars cannot be stopped, but the government is definitely bent on curtailing pleasure jaunts and seeing that gasoline and tires are put to their greatest use for the essential needs of the country.

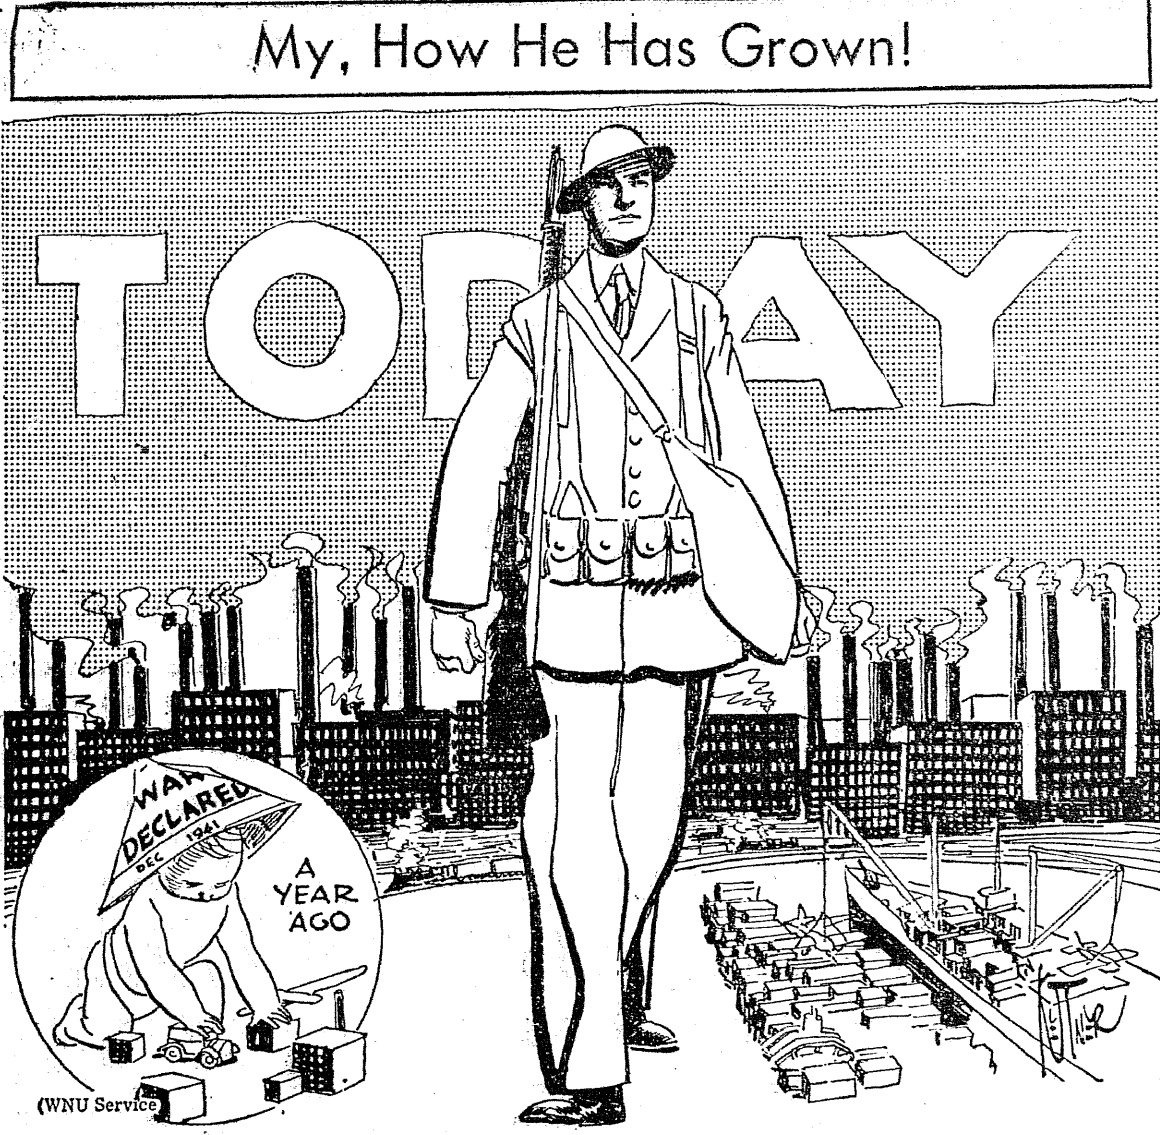

Interesting Facts

hoe, plow, spade, and are combined in one garden with an adjustable head. of the head is a rake,

the opposite side a hoe, and when turned, a weeder. One end is a plow and the opposite end a spade.

Plastic pipe is being manufactured which is odorless, tasteless, non-toxic, and unaffected by water, and can be threaded with ordinary iron pipe lines. The pipe

can be welded, heated, and bent. The bronchoscope, a surgical tool for the inspection of the inside of human lungs, has been adapted by industry and is now being used to inspect the invisible inner surfaces of airplane engines.

Thumbing Files Of The Past

One Year Ago

200 local townspeople were campaigning on behalf of the Red Cross in order to reach a 4,500 mark membership drive by the end of November.

John F. Coogan set up a new business as real estate and insurance broker after resigning his position as town tax assessor.

The Woman's club joined with other clubs of the State Federation in an endeavor to furnish some of the company day rooms at Fort Dix, to be completed before Christmas.

Three high school students selected by the teachers were to participate in a quiz over WAAT against three students from another high school.

The Petrean club was endeavoring to collect articles for the boys in service and admitted no one to their monthly meeting unless they brought cigarettes, stamps, shaving accessories or other articles which could be of use to the servicemen.

Five Years Ago

The state highway department announced that the Belleville pike would be opened on December 1. One year had elapsed since work began on the road and caused loss of time and money to many.

Rev. Walter J. Lake, pastor of the Georges Road Baptist church at Maple Road, near New Brunswick, for four and a half years, resigned his pulpit there to accept the pastorate of Grace Baptist church.

A daughter Frances Grace, was born to Mr. and Mrs. Pasquale Fratella of Cedar avenue at North Newark hospital. Mrs. Fratella was formerly Miss Rose Zinna and her husband was employed in the printing shop of The Belleville News.

Jack Throckmorton, a teen-age cyclist, placed in 11 events during 14 weeks of riding at Weequahic park.

The "Challenge of the Cross," a sacred drama by Charles A. Marsh, was to be presented by the members of the Helen V. Davis and Goodwill chapters of the World Wide guild on November 14 at Grace Baptist church.

Ten Years Ago

The Belleville Manufacturers' association planned, in conjunction with the state emergency relief organization, a clothing bureau for those in need with George Napier as chairman of the committee.

Robert Kidney and daughter, Evelyn, of 168 Hornblower avenue and their weekend guest Miss Alice Hugley of Oak Tree spent Sunday visiting friends in New York City.

Belleville high school was defeated 13-7 by Phillipsburg which outgained them with forward passes.

Marco DiGiovanni of Cedar Hill avenue was honored with a testimonial dinner at the Hotel Riviera which marked his admittance to the pharmaceutical profession as a registered pharmacist.

The Clan Stewart, Order of Scottish Clans, was planning an old time soiree and entertainment. The Clan had just completed a successful card party at the home of their chief, Samuel Berg of Newark.

John Barrymore, Katharine Hepburn and Billie Burke were playing at the Capitol in "Bill of Divorcement."

Fifteen Years Ago

Mr. and Mrs. E. F. Cummings and Miss H. L. Edwards of Floyd street returned from a five-months' stay at Bay Head.

Belleville held its Armistice day celebration on Armistice eve.

Junior Women Hold Shower For Miss Betty Sheehan

The Junior Woman's club gave a surprise shower for Miss Betty Sheehan on Tuesday night at the clubhouse. The decorations were in autumn colors.

Miss Sheehan, daughter of Mr. and Mrs. William Sheehan of Linden avenue, will marry Frank Kane of Newark on November 21. Hostesses for the evening were the Misses Patricia Hannan, Joyce Horvath, Mrs. Ray Kievit, Mrs. William Gorman and Mrs. Scott Matthews.

The club will hold fathers' night on November 20. Guest speakers will be Florence Hant and Miss Lynn Crider. Moving pictures entitled "Home From the Seven Seas," and "Florida's Gold-Cr Harvest" will be shown. Hostesses will be the Misses Betty Messer, Loyola Moore, Janet Moyer, Madeline Prime, Lois Rhoades and Marion Sheehan.

Twenty Years Ago

Belleville held a joint Armistice day celebration and unveiling of a memorial statue. There were exercises at the town hall, a parade and memorial certificates were presented to the families of all Belleville men who died in the war.

Ruth Bannon of John street was one of the dancers in the Follies of 1922 in the Strand, Brooklyn.

Mrs. Elmer O'Brien gave a masquerade party in honor of her sister, Lois Forshoe.

Miss Mary Bailey of Beech street returned from a stay in Port Jervis, N. Y.

Emily Bromley celebrated her fourth birthday at the home of her parents, Mr. and Mrs. Robert Bromley of Overlook avenue.

Twenty-five Years Ago

Bishop James J. O'Connor administered the sacrament of confirmation to a class of 182 girls and 83 boys in St. Peter's church. Miss Mary A. Comesky was sponsor for the girls and John A. Breen for the boys.

Lamont W. Brown of Holmes street sailed for France to act as messenger boy in the service.

Fred A. Austin and Robert Anderson, who were corporals in the 113th infantry stationed at Aniston, Ala. were married to the Misses Janet and Lucy White respectively of that city.

Mr. and Mrs. C. Leverett Brett of Washington avenue sailed on the S. S. Matura for a business trip to the West Indies.

Wesley Lehman gave a party at the home of his parents at Cortlandt street.

About 700 persons attended the annual reception and dance of the local lodge of Moose.

Fifteen 25c stamps will pay for one pair of shoes. A million recruits—10 million pairs of shoes, is the quartermaster's rule. Ten days of manoeuvres wear out the

ESSEX COUNTY POLITICS

The views expressed in this column, are entirely those of the writer and not necessarily those of the Publishers or Editors of the Belleville Times.

by Meador Wright

The action of James J. McMahon, Democratic County Chairman, in writing to Senator Ernest W. McFarland to check on money allegedly distributed in Newark's First Ward by Commissioner John B. Keenan in the interests of Albert W. Hawkes is the first public mention of a very badly kept secret. It was common gossip a week before the election that Keenan was supporting Hawkes. There were also rumors on election night that Joseph M. Byrne had voted for Hawkes and urged his friends to do likewise. Be this as it may, there it little doubt about Keenan or thousands of other Democrats in Newark for that matter. The vote shows that Newark Democrats were not on the job. Seldom in the history of the county has a political party been so badly disorganized as the Democrats are at this moment. There is no legal way in which McMahon can be displaced prior to the primary election next fall. But if he doesn't resign it will be hard to get out.

A sizable Democratic vote at the next general election. Whether he does or not will very probably depend upon the word he gets from Jersey City. Mayor Frank Hague may have in mind some such strategy as the following for next year: He may keep McMahon and other friendly chairmen in office until after the primaries in order to dictate the Democratic nominee for Governor next year. Then when this has been done to stage a fake retirement from party control in favor of the gubernatorial nominee. Just now, A. Harry Moore, State Senator from Essex and Congressman Elmer Wene are mentioned as candidates. Other names may appear later. Of these, only Wene would have any chance of getting Edison's support. However, it is hard to visualize the quiet and boyish Wene taking Hague's place as the hard-boiled leader of New Jersey's turbulent Democracy. He might do fairly well as a candidate with Hudson's controlled support. But Hague would hardly be able to pass him off as his successor. Another man would have to be found. It is barely possible that Moore and Wene could work together, the latter as the candidate and Moore as Hague's political successor. If something is not done Hudson's powerful organization will go down before a coalition movement of Republicans and Edison Democrats.

Ladies' Day Program Sunday For Men's Bible Group

The Everyman's Bible class will hold its first ladies' day of the year on Sunday morning, at 9:30 a.m., in the Masonic Temple. All members are invited to bring their mothers, sisters, wives or friends. Special music has been arranged with Mrs. Esther Baldwin as soloist. George Franter is leader of the group.

Newark Weak

The weakness of the once powerful Democratic organization in Newark was actually greater than appeared on the surface last Tuesday. While Smathers had a 3,500 majority over Hawkes, the average Democratic freeholder vote was only 1,600 ahead of the Republican candidates. Furthermore, these Democratic majorities came entirely from the 9th, 10th, 12th and 16th wards, largely Jewish. These four wards which are in the 12th Congressional district gave former Judge Joseph Siegler a majority of 8,384 over Robert W. Keane. But they gave Smathers a majority of only 6,690 and the Democratic freeholder candidates an average majority of 3,500. This would seem to indicate not Jewish support for President Roosevelt so much as a tribute to a native son, Judge Siegler. Except for these wards, Hawkes would have carried Newark by 3,108 votes and Freeholder Grey by 4,051.

As to Republican gubernatorial strategy, there is little definite to report at this time. Dr. Lester H. Clez is known to have been in touch with Hawkes backers. Whether he will emerge as a candidate with their backing is not certain. Arthur T. Vanderbilt and other Clean Government leaders are thought to be leaning in the direction of Gili Robb Wilson, but they may change their minds if a primary fight for control of Essex's government looms. The relatively poor show-

Rationers Answer Queries On Mileage Rationing Plan

Chairman Schmutz Emphasizes That There Can't Be
More Than Five Tires Per Car In Household After
November 22; All Essentials To Get Tires

Numerous inquiries have been made to the war price and
rationing board about the idle tire purchase plan and its necessity.
It was pointed out this week by Chairman Herbert C. Schmutz
that the rubber shortage, based on government figures, is serious
and that all available tires are needed to be rationed for essen-
tial laws.

The chairman emphasized that
an owner cannot drive a car af-
ter November 22 if there are
more than five tires for each pas-
senger automobile in a household.
Below are some questions and
answers which have been pre-
pared by the ration board offi-
cials and which it is suggested
that all car owners read to gain
a clear picture of the tire pur-
chase plan and its requirements:

Q. What happens if I don't
sell my idle tires?
A. National gasoline rationing
starts November 22. If you or
any member of your household,
related to you by blood, marriage
or adoption, has more than five
tires per passenger car after that
date, you will be denied the pri-
vilege of using gasoline in any
passenger car you own.

Q. I have only four tires and
a spare. Must I turn in my spare?
A. No. The government wants
only your idle tires.

Q. What is an idle tire?
A. An idle tire is any new or
used passenger type tire (even
if it needs repairs) in excess of
tires mounted on running wheels
plus one spare tire per motor vehicle.
Tires that are beyond repair are
also idle tires, but should be sold
to a scrap dealer.

Q. What will happen if I do
not file a tire record form?
A. The rationing board will de-
mand that your ration book be
surrendered immediately.

Q. What will I do when my
own tires wear out?
A. Automobiles are essential.
The purpose of this plan is not
to take cars off the road—but to
keep all cars on the road—for
essential driving.

Q. What about fleets of pas-
senger cars?
A. If you own or lease three
or more passenger automobiles
and use them principally in the
same or related occupations, you
are a fleet operator. In order to
get going for a fleet passenger
car in the fleet, you must sell or
give to the government all your
idle passenger type tires. Pas-
senger type tires owned by mem-
bers of your household may be
excluded in determining whether
you, as a fleet operator, have idle
tires.

Q. Can I sell or give my idle
tires to a neighbor?
A. No. All usable tires are now
"frozen." Usable tires held by a
consumer can be sold or given
only to the government under the
idle tire purchase plan.

Q. What about trailers?
A. You may keep tires actu-
ally mounted on the running
wheels of trailers and similar
equipment. You are not entitled
to any spare tires for such
equipment.

The principal object of the new
mileage rationing program is to
reduce car mileage to a 5,000
miles per year national average
recommended by the War Com-
mittee. This does not mean that
all drivers will get to drive 5,000
miles annually, the majority be-
ing limited to approximately
2,880 miles per year as provided
by "A" gasoline books.

Under the tire inspection plan,
with the first inspection sched-
uled to take place between De-
cember 1 and January 31 of next
year, holders of "B" and "C" ra-
tion books will have their tires
inspected every 60 days, while
"A" and "D" book holders need
an inspection only once in every
four months.

A standard nonportable type-
writer contains enough aluminum
crossing at the Mississippi.

The nickel which went into the
1941 output of nickel-plated
tableware would have supplied
all the nickel needed in the pro-
duction of 43 heavy tanks.

KIDS' RECORDS GO TO NAVY

Collect Nearly 3,600 For Use of Men Aboard Ships

Collecting records, victrolas and musical instruments in good condition for the navy have been added to the war-time duties of the school children in addition to buying war bonds and stamps, collecting scrap and assisting in the Community-War Chest campaign.

An appeal has been issued by the navy for records and victrolas because the playing of music is one of the chief pastimes of men on board ship.

The collection drive was sponsored by the war effort music committee working in cooperation with the Griffith Music foundation, which picked up the victrolas, records and instruments at the schools.

The children have brought in nearly 3,600 records, 13 instruments and two victrolas.

OOT Office Increases Hours For Getting Certificates

To expedite the handling of applications from owners and operators of commercial motor vehicles for certificates of war necessity, the office of the division of motor transport, ODT, at 1060 Broad street, Newark, is now open every day, including Sundays from 8 a. m. to 8 p. m. James J. Johnston, Newark office manager, whose territory embraces Bergen, Essex, Hudson, Middlesex, Passaic and Union counties, pointed out that the certificates will be required of all commercial vehicles on the road beginning Sunday. He warned owners and operators who have neglected to file applications to do so at once. Johnston also said that certificates will not be required for vehicles "laid up" indefinitely until they are placed back in operation. This is because the certificates are issued for the operation of each vehicle, not for the vehicle itself.

Rabbi Aids in Planning Jewish Suburban Conclave

Rabbi Rubin R. Dobin of the Congregation A. A. A. is a member of the committee which is arranging the suburban conference of the Essex County Council of Jewish Agencies at the Y. M. and Y. W. H. A. in Newark on Sunday, November 22.

Principal topic of the session will be the nature of the social difficulties which are being faced in the suburban communities by industrialization and other pressures of war. The conference will endeavor to perfect a plan which will aid in community participation in the war effort and to perfect a program for post-war adjustments.

Other members of the committee headed by Ralph Wescher of Essex Fells, in addition to the local rabbi, are Mrs. Bernard Friedman of East Orange, Mrs. Robert Horowitz of Caldwell and Rabbi Sidney Kosefsky of Bloomfield.

Course in Navigation Newark College Plan

Details of a program in navigation to be given at the Newark Technical school were released this week. Instruction is to be given in the evening and is designed to train men now serving on ships or preparing to enter the training schools of the war shipping administration in the coast guard services.

Instruction will be given by members of the staff of the Newark Technical school and Newark College of Engineering, supplemented by special lecturers. Classes will begin next week and thereafter as groups are formed.

P. S. Reports On Output

Output of electricity by Public Service Electric and Gas company for the week ended November 5 was 86,489,534 kilowatt hours compared with 81,936,150 kilowatt hours in the corresponding week a year ago an increase of 4,553,384 or 5.56 per cent.

No bone or waste takes up valuable shipping space when meat is shipped to the army today as it did during the last war. Meat is now shipped boneless and packed compactly, saving 60 per cent of former shipping space.

Forum Speaker

Harold E. Stassen

Two weeks after his reelection for third term as governor of Minnesota, Harold E. Stassen will come to the Mosque theatre, Monday evening under the auspices of the Town Hall of Essex county, to participate in a forum discussion of "Whither America—Politically, Economically, Socially?" Joining him in the second event of the Town Hall season will be Stuart Chase, nationally known author and economist, and Dr. Harry Overstreet, Professor emeritus of the College of the City of New York.

Memorial Services Held By Jewish War Vets

An Armistice memorial service was held at the Congregation A. A. A. Friday night by North Essex Post No. 146 of the Jewish War Veterans.

State Commander Ben Spitz of Paterson was the principal speaker. Rabbi Rubin R. Dobin of the synagogue, who is also post chaplain, officiated at the memorial services. Dr. Benjamin A. Jacobson of this town was in charge of the ritual and Dr. Saul Goodman of Nutley, post commander, was in general charge of arrangements.

A social get-together with Mrs. Tillie Lubin of town in charge followed the service. The post is composed of veterans from Nutley, Bloomfield, Orange, Verona, Montclair, North Newark, Caldwell and this town.

Catholic College Group Holds Benefit Bridge Saturday

The Catholic Women's College club will hold its seventh annual dessert bridge and fashion show for the benefit of the scholarship fund, Saturday afternoon in the Griffith auditorium, Broad street, Newark.

Mrs. Thomas E. Kinney of Clifton is general chairman and the following Belleville residents are members of the committee: Mrs. Raymond A. Peck of Floyd street, will be one of the floaters and the Misses Phyllis Calicchio of Jorammon street and Eileen Lynch of Tappan avenue have been asked to serve on the prize committee.

New Shipfitting Course Starts at Newark School

The Essex County vocational school announces some vacancies in its shipfitting course which is conducted in the Park school at Nutley.

The course is available to males who are interested in ship construction and anticipate employment in one of the nearby shipyards. It is a pre-employment course and no previous training or experience is required. Shipfitting practices are taught through the use of models and sketches and are conducted largely in the classroom. Students are taught the terms common to a steel ship builder; shipfitting blue print reading and the development of the ship's lines. The length of the training period is seven weeks, students devoting three hours per evening, five nights per week. Class hours are from 7 to 10 p. m. and are conducted at the Park school, Franklin avenue, Nutley. Applicants may register at the school between 7 and 10 p. m. Monday through Friday or at any office of the United States Employment Service during regular office hours.

NEED VOLUNTEERS FOR BLOOD BANK

Quota For November 20 Visit of Mobile Unit Is 150

John Charlton, chairman of the Red Cross blood donor committee, has announced that plans are complete for the second visit of the mobile unit to Belleville, on Friday, November 20.

Approximately 140 local people have filled out the registration blanks and filed them with Miss Esther Adams at the Red Cross headquarters, but the chapter is in need of more volunteers since the quota is 150. Those wishing to volunteer for the blood bank may register with Miss Adams at Belleville 2-2111.

Arrangements have been made with the board of education for the use of the new gym in the high school. Members of the Red Cross canteen unit will serve refreshments to the donors and the motor corps members will be on duty to assist the donors.

Mrs. Horace G. Knox and Mrs. John Gibb will be co-chairmen of the canteen unit. Serving on their committee are Mrs. F. Kenneth Mace, Mrs. Cyrus L. Cox, Mrs. H. L. Cox, Mrs. H. L. Wyckoff, Mrs. Burton Whidden, Mrs. John Hewitt, Miss Florence Woodruff, Miss Miriam Ackersten, Mrs. Arthur B. Wickham, Mrs. David Biebelberg, Miss Elsie Sandford, Mrs. Wesley Martin and Mrs. Paul Brecken. These women will serve sandwiches and coffee to the blood donors.

OUTLINES DUTIES OF RED CROSS

Field Representative Reviews Work in Aiding Services And Civilians

The war-time work of the Red Cross is divided into two parts, J. A. Matthews, general field representative of the organization for this area, told the executive committee of the local chapter at its meeting Monday night in the Woman's club in Rossmore place. The Red Cross service must be first to the armed forces and then to the civilians. To illustrate the tremendous amount of work being done, the speaker pointed out that the national budget for assistance to the servicemen was \$800,000 in 1941, but had increased to 35 million dollars this year.

Among the services offered to the armed forces are blood donor and home service, which gives information, counsel and assistance to the servicemen on personal and family problems, care of the families of those in the service, recruiting nurses for the army and navy nursing corps, supplying comfort materials, make surgical dressings and to provide recreation and entertainment for the sick and wounded.

These duties are imposed on the American Red Cross by an act of congress "to furnish volunteer aid to the sick and wounded of armies in time of war, to act in accord with the military and naval authorities of the United States as a medium of communication between the people of the United States and their Army and Navy," Matthews explained.

Matthews stated that the service to the civilian consists of the disaster preparedness program which takes care of the civilian in the event of a natural catastrophe or one caused by enemy action or sabotage.

John Hewitt, chairman of the nutrition and canteen committee, reported that for the time being the new classes are at a standstill, awaiting receipt of the necessary materials from national headquarters.

Mrs. L. A. Noll, chairman of the first aid committee, reported that for one week, beginning next

Monday and continuing for five nights, a refresher course will be given at the Elks club for all first aid instructors.

Mrs. H. B. Thompson, chairman of the production committee, announced that the sewing material have been received for the new quotas, and are now being prepared for distribution. Mrs. George Kaden has taken over the duties in connection with making and filling the kit bags for service men. The bags have been finished and the contents have been ordered, but not yet received.

Mrs. Frank Brown, chairman of surgical dressings, reported that as of October 31, the August quota had been completed and shipment is about to be made. Mrs. Brown said that to the end of October, 197 workers completed 1,250 hours, and made 28,000 dressings. To complete the October and November quotas for which the necessary materials have been received, approximately 30,000 dressings must be completed.
